Passengers are advised to bring costumes for fancy dress parties on board, also swimming suits and suitable clothing for deck sports. A lightweight raincoat is always advisable when traveling.

DECK CHAIRS, for the cruise are $3.00; steamer rugs, $2.00; chair cushions, $1.50.

LAUNDRY. The DUCHESS OF RICHMOND is equipped with a modern laundry which is prepared to handle a reasonable amount of passengers' laundry.

EXCELLENT FACILITIES. The DUCHESS OF RICHMOND has every facility of the modern hotel: beauty parlor and hair-dressing salon, manicurist, chiropodist, barber shop, surgeon, trained nurses, laundry, valet service, photographic service, novelty shop, library, daily newspaper, stenographer, etc.

BAGGAGE. Although there is practically no limit to the amount of personal baggage which may be carried on the steamship, it is inadvisable for members to burden themselves with too many trunks and bags. Large trunks and other baggage not regularly needed or which cannot be conveniently accommodated in the apartment, will be placed in the baggage room, which will be accessible throughout the cruise. Trunks for apartments should not exceed fourteen inches in height.

Every care is taken in connection with baggage, but on board the liability of the Canadian Pacific is limited, and no responsibility is assumed ashore. Members are recommended to protect themselves by insuring their baggage against loss, damage or pilferage. This may be done at reasonable rates through booking agent or the purser.

Baggage may be checked from many points through to the ship upon payment of the transfer charge. Consult your local Baggage Agent.

TRAVELERS' CHEQUES. Passengers are advised to carry their funds in Travelers' Cheques, which may be obtained in convenient denominations through offices of the Canadian Pacific, Thos. Cook & Son or your bank.

Unique Summer Cruise

California . . . Hawaii . . . Alaska . . . Mexico, all in one Summer Cruise! These are the highlights of this unique summer-long voyage but not by any means the whole story. The New York World's Fair in the beginning . . . the San Francisco Golden Gate Exposition in mid-cruise . . . passage of the Panama Canal . . . Victoria and Vancouver in British Columbia . . . Jamaica, island paradise of the Caribbean . . . Havana, Paris of the West Indies. Brilliant sunshine and cool trade winds as you cruise through the American tropics . . . the stimulating air of an Alaskan summer as you voyage far north to Yakutat Bay, among the pine forests and lofty snow-capped mountains . . . out in the broad Pacific, Hawaii, perfect the year around. To put it briefly, the best your own hemisphere can offer and the chance to see it all on a fine modern liner, the largest ever to cruise to Alaska. The "Duchess" ships are favorite vessels of the great Canadian Pacific fleet. Their clientele is large and loyal, made up of discriminating travelers who know that quality in ship and service can be enjoyed at moderate cost. Canadian Pacific liners regularly cross both the Atlantic and Pacific Oceans, so it is logical that the DUCHESS OF RICHMOND should be selected for this cruise that links the two together. It would be impossible to devise a plan of travel with more variety . . . great modern cities on both sides of North America . . . Nature magnificently unspoiled in Alaska . . . relics of an ancient civilization in Mexico which possesses something of the mystery of Egypt and the romance of old Spain . . . islands as lovely as any that dot the seas. This is your cruise for a summer-long holiday, to the wonders of your own world!
