Valuables and Money—Members are warned against leaving articles of value in Staterooms or elsewhere, and are invited to deposit these at the Purser's Bureau. Safety envelopes will be sealed in the presence of the members, and receipt given. As no charge is made, the Company cannot accept any responsibility for loss or damage, however arising.

Mail and Telegrams—All mail and land telegrams should be handed in at the Purser's Bureau for transmission. Members are requested to enquire for mail, etc.

None of the ship's employees, other than those on duty in the Purser's Bureau, are authorized to accept letters, cables and telegrams for despatch.

Money Exchanged—Money can be exchanged and Travellers' Cheques cashed at the Purser's Office on Deck "A."

Baggage is handled by the ship's Baggage Master who is stationed in the Baggage Room, Forward on Deck "D," to which members have access daily. The attention of members is called to the fact that wardrobe trunks may be stored in the Baggage Room during the cruise. It is not always possible to have large trunks placed in an accessible position in the Stateroom.

Baggage Insurance—The Company takes every reasonable care of baggage, but their liability is limited, and members are recommended to fully protect themselves against possible loss, damage or pilferage by insuring baggage for a sufficient period of time to cover journey. Baggage insurance can be arranged at any of the Company's offices, or with the Purser.

Wireless Telegrams are accepted for transmission to any part of the world, or to passing ships. Rates may be obtained at the Purser's Bureau and messages should be filed there.

Facilities—The Montrose will carry stenographer, barber, novelty shop, etc., and is equipped with long range radio capable of maintaining communication with land at all times.

Medical Staff—This includes Surgeon, Trained Nurse, Dispenser and Hospital Attendant.

Suggestions—Members having any suggestions or complaints to make regarding service on board ship are requested to submit them to the Commander, Cruise Director, Purser or Chief Steward promptly, so that immediate attention may be given. They are also asked to report any special attention shown by any member of the staff, as it is the wish of the management to recognise efficiency.

One Bell is also struck at 3.45, 7.45, 11.45 a.m. and p.m. as warning to Watch below—*i.e.*, off duty to prepare to relieve the deck punctually at Eight Bells.

The object of the Dog Watches is to change the hours on duty of the men, so that those who are on watch from 8 p.m. to midnight one day will shift to midnight to 4 a.m. on the next.

It will be noted that the hours have an even number of Bells and the half hours an odd number.
