RAILWAY TICKET OFFICE.

A Railway Ticket Office is located on board this steamship. The Ticket Agent in charge is at the disposal of passengers to furnish every assistance in connection with inland rail journey.

To facilitate landing arrangements at port of arrival it would be appreciated if passengers would kindly note the following information and call at the ticket office as early as possible during the voyage.

1. Orders issued in Europe and calling for railway transportation from port of landing or otherwise are not good on trains, but require to be exchanged at the ship's Ticket Office for actual railway tickets.
2. If passenger already holds railway ticket issued in Europe, attention is particularly directed to the necessity of having same stamped on back, in space provided, prior to arrival at port of landing, as train conductors are not authorised to honour any unstamped tickets.
3. Railway Tickets to all destinations in Canada and the United States may be purchased at the Ticket Office at special fares.
4. Reservation of sleeping or parlour car accommodation for railway journey may be made in advance, on application to the Ticket Agent.

MAY WE SEND YOU DETAILS? APPLY ANY CANADIAN PACIFIC AGENT

BAGGAGE AND CUSTOMS

CANADIAN Pacific Railway Baggage Agents, also Canadian and United States Customs Officers, will be in attendance on arrival of the ship to arrange examination and checking of baggage through to rail destination. On arrival of the ship and immediately after Government Immigration inspection, and tickets to inland destinations have been obtained, passengers must attend personally to the Customs examination of their baggage and arrange with the Railway Baggage Agents for its forwarding. The Baggage Agent will issue a check for each piece of baggage to be forwarded. Unless baggage is checked out by passengers it will be held at owner's risk until claimed.

SPECIAL DELIVERY OF BAGGAGE

Passengers for Quebec, Montreal, Ottawa, Toronto, Hamilton, Winnipeg, Vancouver and Victoria, and the larger cities in the United States, may have their baggage checked through to any residence, hotel, steamship dock or railway depot in such cities; this is a convenience. The transfer charge is collected by the Baggage Agent at the time of checking the baggage.

CHECKING OF BAGGAGE

must have passengers personal attention. It will not go beyond the dock until it has been checked or registered BY PASSENGERS.
The railway baggage agents will give numbered CHECKS to destination of BAGGAGE.
Baggage left unchecked on the dock will be at passenger's risk.

NOTICE

The Services of our Colonization Agent, who will board this steamer immediately on arrival at Quebec are at the disposal of passengers. Consult him for information as to farm lands or opportunities.

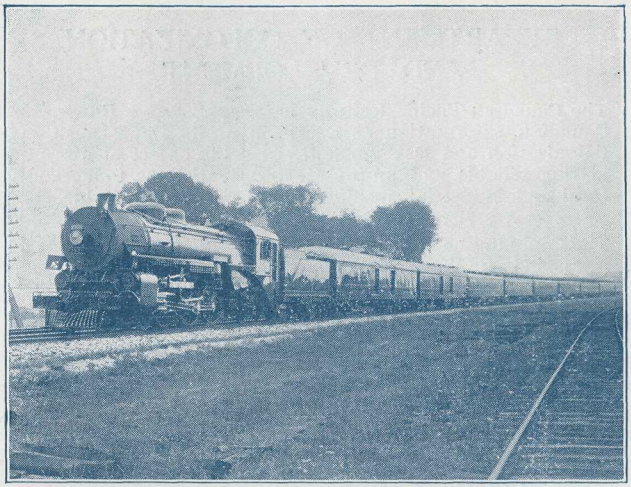
CANADIAN PACIFIC RAILWAY, MONTREAL

C.P.R. CHATEAU FRONTENAC HOTEL, QUEBEC.



CANADIAN PACIFIC "TRANS-CANADA LIMITED."

TICKETING ARRANGEMENTS AND TRAIN SERVICES

CANADIAN Pacific Railway train services from Quebec and Montreal reach all important points in Canada.

Time tables giving the schedules of all regular trains and the equipment of most important trains, may be obtained from the Canadian Pacific Railway Lines Ticket Agent's Office on ship, or from the Information Bureau of Purser's Office.

The Ticket Agent on Ship will exchange passage ticket orders or sell railway tickets to all destinations; make reservations in sleeping cars on trains from Quebec and Montreal, and when requested will prepare itineraries for rail journey and make arrangements with the Shore staff to complete sleeping car and hotel reservations at desired stop-over points beyond the run of the special trains from the port of landing.

SPORT IN CANADA

THE great forests of the Dominion of Canada have long been recognized as the home of big game. The prairies are the favorite hiding places of the quail, partridge, chicken, woodcock, etc. The marshes are the haunts of the wild water fowl, and the great waterways the habitat of many species of fish.

The transportation facilities to this great land of fur, feather and fin are excellent. The sportsman is placed by the Canadian Pacific Railway within easy reach of the desired game. Owing to the immense area covered by this railway from Atlantic to Pacific, a great variety of sport of all kinds is rendered easily accessible in all Provinces of the Dominion.

Good reliable guides can generally be had at reasonable wages, but this should be arranged well in advance of the trip. The Tourist Department of the Canadian Pacific at Montreal is always ready to give advice to enquirers on this as on other points connected with camping, fishing and hunting trips. Particular attention is paid to the wants and requests of sportsmen, and lists of outfitters and guides, information regarding any special districts, game laws, etc., will be supplied promptly on application to A. O. SEYMOUR, General Tourist Agent, Canadian Pacific Railway, Montreal.

DEPARTMENT OF COLONIZATION AND DEVELOPMENT

The Canadian Pacific Railway has established a Bureau of Canadian Information as a branch of its Department of Colonization and Development, with the object of disseminating reliable and up-to-date information as to agricultural and industrial openings in all parts of Canada.

WESTERN CANADA FARM LANDS

The Company has yet for sale several million acres of choice farm lands in Western Canada, at low prices and on long terms of payment. In certain districts lands will be sold without settlement restrictions, but the Company is prepared to grant special concessions to those who will settle upon and develop their farms.

EASTERN CANADA FARM LANDS

Lists of selected improved farms, available for settlement in Ontario, Quebec and the Maritime Provinces, with the names and addresses of their owners, may be obtained on application at any office of the Department.

INDUSTRIAL INVESTIGATION AND RESEARCH

Investigations, looking to the utilization of undeveloped natural resources and waste products and new industrial processes, are being carried on by the Research Section of the Department. Inquiries as to promising fields for investigation in this connection are invited.

INDUSTRIAL OPENINGS

Reliable information as to sites for new industries in all parts of Canada, and of special business openings in the growing towns and cities along the lines of the Canadian Pacific Railway in both Eastern and Western Canada, will be gladly furnished on request.

CANADIAN INTELLIGENCE SERVICE

Well equipped Canadian reference libraries have been established by the Department at Montreal, New York, Chicago, and London, England. These libraries contain the fullest information on all matters relating to Canada and her undeveloped resources, and are kept supplied with the latest information pertaining to new developments through the medium of a news service organized through the co-operation of the other departments of the Company's service. The information on hand in these libraries is available without charge to those interested, and inquiries addressed to any office of the Department will receive prompt attention.

Further information and particulars can be obtained from the Department of Colonization and Development, Canadian Pacific Railway, which maintains offices at Windsor Street Station, Montreal, P.Q., Winnipeg, Man., Calgary, Alta., and London, Eng.

CANADIAN PACIFIC TELEGRAPHS

The telegraph system of the C.P.R. extends along the entire length of the railway, and reaches every point of importance off the line of railway in the Dominion of Canada.

The COMMERCIAL CABLE CO. (Mackay-Bennett system) gives the C.P.R. the most direct connection with Europe, Asia and Africa.

Direct connection with the BRITISH PACIFIC CABLE to Australia, New Zealand, etc.; the COMMERCIAL PACIFIC CABLE to the Hawaiian Islands, Philippine Islands, China and Japan; and the COMMERCIAL HAVANA CABLE to Havana, etc.

The POSTAL TELEGRAPH CO. of New York and San Francisco enables the C.P.R. to reach all important points in the United States.

The HALIFAX-BERMUDA AND DIRECT WEST INDIES CABLE CO. gives connection with Bermuda, Jamaica and points in the West Indies.

Direct connection with the Dominion Government Telegraph Line to the Yukon and points in Alaska.

A tariff of charges for Telegrams is posted at all Telegraph Offices, and is kept by all Sleeping and Parlor Car Porters for inspection. Senders of messages are requested to compare the charges made with the rates on tariff.

To ensure quick despatch to all points see that your telegrams are written on C.P.R. Telegraph Blanks and are handed in at C.P.R. Offices.
