Notes and Comments

We are informed that we were in error last week, when we said that the only persons opposing incorporation were the water company promotors. It appears that there are a number of others

---

Another coroner should be appointed for the Comox Valley. While there is probably not more work than one man can attend to, he cannot always be one the job, as witness the case last week, when it took six days to find a coroner.

It is rumoured that another one of the best farms in the Comox Valley is about to be leased to the Japanese, This practice is most unfair to the whites. These fellows offer to pay more rent than a white man can afford, and under-sell him in all the markets. This is especially in the milk business, a case having been brought to our attention recently, where the Japs cut the rate 3 or 4 cents per gallon, and the "white" customer fell for it.

The Board of Trade, of Courtenay has not been organized a moment to soon if any, to fight the question of the acquisition of land by Orientals. The matter was brought up at the meeting on Thursday last when a prominent Real Estate Agent stated that he would not sell to them at any price. If the other Real Estate men are prepared to act likewise, private owners, if they respect the British Flag, may join the forces before it is too late. A witness before the Royal Commission on Agriculture stated that no Europeans are allowed to hold land in Japan, so that it is not unreasonable for us to prevent the Japanese from holding land in Canada.

Killed On Track

On Friday morning the body of a man, named Sutherland, was found on the track about a mile from Courtenay, he had apparently been struck by the engine, which came down for Dr. Millard in the night, near Fechner's barn and dragged for that distance. His clothing had been torn off him; his his head was crushed, and nearly every bone in his body was crushed, there was nothing on him to identify him, but he was known to have been around town drinking the day before, his watch and a sum of money were picked up along the track. It is supposed that he climbed onto the cowcatcher, to have a ride up to the camp and fell off. Constable Hannay endeavoured to find Coroner Abrams, but he was at Victoria, and the remains had to lie untouched in the undertaking morgue untill his return on Tuesday, before permission could be received to either hold an inquest or to have the body buried.

THE INQUEST

The inquest on the body of James Sutherland who was killed on the track of the Comox Logging and Railway Co., was held on Tuesday afternoon May 6th, before Coroner Adams. The following Jury were summoned:— Messrs. Fitzgerald, Creech, McKean, Jones, McKenzie and Callin, and evidence was given by Dr. Millard, Mr. J. Sutton and coustable Hannay, after considering the evidence the Jury found that the deceased met his death on the track of the Comox Logging and Railway Co., on the morning of May 2nd 1913, while under the influence of liquor, and as a rider to their verdict they added that Courtenay needed a jail. We think the Jury acted wisely in adding the rider to their verdict and it is quite evident that if there had been a lockup in town, the deceased man would have been safely loged there for the night instead of roaming around to meet with such a frightful end,

Hardy & Biscoe are instructed by the successors of the late A. B. Crawford to sell by public auction on June 11th 1913, the whole of their valueable farm stock, horses, implements, etc. The auctioners wish to call attention to this sale which is the most important ever held in the Comox Valley.

The inquest on the body of Otto Vassar, who, on April 22, was injured at Camp 1 and died on Tuesday, was held yesterday and a verdict of "accidental death" returned with a rider strongly urging a hospital at Courtenay. The jurymen were as follows: Messrs. Frank Cameron, foreman, Chas. Armstrong, William Perkinson, Peter J. Donnelly, Charles Burnell and Harvey Creech. Messrs. D. R. Dawson, Thomas Tame, James Millar and Dr Millard gave evidence.

A new trust company is about to be launched in the Comox Valley. The promoters are all local men, and their operations will be confined to the Comox Valley exclusively, This will be an excellent opportunity for the investment of surplus funds. The books of the company are always open to the stock holders, and there's nothing like knowing at all times just where your money is invested. Further announcements will be made next week, when the general public will be invited to come in on the ground floor.

Mr. H. N. Birch and Mr. G. D. Duncan arrived here last Saturday, and are hurriyng on the building of their new Garage and Repair Shop. Both Mr. Duncan and Mr. Birch have a thorough practical experience of Internal Combustion Engineering; Mr. Birch having been for 2 years Work Manager to the well known English firm manufacturing the British built replica of the French "Renault." Mr. Duncan worked for two years as fitter and tester with several well known London firms, and afterwards for nearly 2 years as a fitter in the Repair Department of a high-class firm in Coventry, where he became expert on "Knight" engines and "Lanchester" Worm Drive; latterly he was connected with Argylls Scotland,, building 15 H. P. and 25 H. P. "Argyll" Sleeve-valve engines.

Notice to Contractors

SANDWICK SCHOOL

SEALED TENDERS, superscribed "Tender for Sandwick School," will be received by the Hon. the Minister of Public Works up to noon of Wednesday, the 21st day of May, 1913, for the erection and completion of a large one-room schoolhouse at Sandwick, in the Comox Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 23rd day of April, 1913, at the office of Mr. J. Baird, Government Agent, Cumberland, B. C.; Mr. R. L. Cliffe, Secretary of the School Board, Sandwick P. O., Sandwick, B. C.; and the Department of Public Works, Victoria, B. C.

Intending tenderers can, by applying to the undersigned, obtain a copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada made payable to the Hon. the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposits of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer and enclosed in the envelopes furnished.

A farewell dance will be tendered Mr. Ambrose Moore, on Friday evening May 16th, by the young people of the district. The ladies intend making some kind of a presentation to Ambrose, who is a general favorite with all. He has always been willing to help along a good cause and ready at all times to do a kindness. Everyone will be sorry to see the departure of the Moore family from Comox to Victoria. They will be greatly missed and it is the wish of everybody that they have every success in their new undertaking, and hope that everyone will rally around Ambrose and give him a real good Canadian send off. Ladies are requested to bring cakes.

If you want pictures framed cabinet or sign work done go to Sutton's.

GRANTHAM

A daring burglary was perpetrated last monday night when about forty fowls were stolen from Mr. Jane's ranche at Grantham. The maranders were disturbed but managed to get away. It is believed that they are the same scoundrels who committed petty thefts in this district last fall. It is supposed that they were Japanese, but this is a matter of conjecture and with a cosmopolitan population such as this valley is now acquiring a mistake could be easily made. But for the recent license enactment Mr. Janes could have used his gun to good advantage.

On Tuesday, May 13th, Hardy & Biscoe will sell the household furnitute and outdood effects of Mr. C. J. Moore, at Comox. Sale starts at 2 p. m. sharp.

SANDWICK

Mr. and Mrs. Richard Miller from Manitoba are guests of Mr. and Mrs Shopland.

Mr. Steve Brown has returned to Sandwick after completing some financial and investment business in Vancouver.

The Rev. F. Franklin Watson vicar of Holy Trinity Church Cumberland. preached in St. Andrew's church last Sunday.

The marriage was solemnized on Wednesday, April 30, of Mr. Robert Surginor and Miss Leonora Ethel Bridge. The wedding taking place at the First Presbyterian Church, Vancouver, the Rev. Dr. Fraser officiating,

Mr. and Mrs. Surginor arrived home on Saturday.

Messrs. Robert and Charles Duncan, of McGill University, are home for the vacation.

Sandwick residents are casting envious eyes on the clam shell sidewalk at Comox, especially since the recent gravelling. It is a choice in wet weather between treading on loose stones or wading through a morass at the roadside if it is desired to make a trip to Courtenay.

The burial took place on Sunday af J. McGee, who was fatally injured last week at Camp 4, and later died in the Cumberland hospital. But for the fact that some of the camps were working there would have been a larger following about a dozen of the deceased's friends attended. Six men from Camp 4 acted as pallbearers. The Rev. T. Menzies said the burial service.

Kitchenettes

Paste an envelope in your cookbook for recipes that you cut from papers and magazines.

When making desserts allow one heaping tablespoonful of granulated sugar to each egg and a half a pint of milk.

Always in cooking vegetables start them in boiling water. A teaspoonful of salt to each two quarts of water is the allowance.

For an appetizing salad mince a couple of green peppers, mix them with three tablespoonsfuls of chopped chives and serve on white lettuce leaves with French Dressing,

Shredded red cabbage and white celery cut fine make a very popular salad. Sprinkle the top with a tablespoonful of minced onion and dress with oil and vinegar.
