SOUTHEAST KOOTENAY FRUIT

The Fruit Growers Association Send Delegates to Cranbrook.

The Fruit Growers Association of British Columbia was represented last Saturday by Mr. Thomas A. Brydon, president, and Mr. J. C. Metcalfe, secretary. Accompanying these gentlemen was Mr. Maxwell Smith, dominion inspector of fruit. The praiseworthy mission was to give the benefit of their knowledge and experience to any one, in this vicinity; who is engaged in fruit growing or who may purpose doing so. The fruit growing industry in British Columbia is becoming every year increasingly important. The quality of the fruit is of the highest order and the demand for it is yearly growing. As good marketable fruit is not produced in a hap-hazard way the method that the skill and experience acquired by the most successful of fruit growers may be taken advantage of without cost. The government has undertaken the expense of sending these experts through the country, and much may be learned from their suggestions. In the afternoon the party went to Mr. Hamilton's orchard, and examined the methods pursued there and gave some valuable hints with respect of pruning. A few of the residents of Cranbrook were present and were much interested in the intelligent manner the subject was treated. In the evening, as was arranged, these three gentlemen gave addresses. Mr. Armstrong government agent, was elected chairman and introduced Mr. Brydon, whose subject was "The larger fruit and the mode of planting them". In a most entertaining way he described the process by which the orchard should be made a success. The selection of the trees and the preparation of the soil being dwelt upon as particularly important. Mr. Metcalfe took the small fruits and in an instructive and exhaustive manner described the mode of making a profitable garden. A few and carefully selected plants and adapted to the locality were one of prime consideration. With a view to a distant market the hardier berry was recommended. And those residing in the same community and shipping at the same point were urged to grow fruits of a certain kind as a car-load could be more easily supplied by a similar than by a variety. Mr. Maxwell Smith treated of the soil and the best way to secure a successful growth. Deep ploughing and a constant breaking up of the surface were recommended. Mr. Smith's address was a full practicable and intelligent presentation of his subject. The three gentlemen spoke and showed they were well versed in the subjects they were expected to expound. The variety of apples Mr. Smith considered best adapted to this region were, the Duchess of Oldenburg, Wealthy, Northern Spy, Jonathan. Strawberries should be carefully mulshed to protect them from winter frost.

Regret was expressed at the small attendance at the Patmore Bros Hall but people have not yet fully realized how important is the fruit industry of the Kootenays, and how much the progress of the country may depend upon fruit raising. It was suggested to these gentlemen that they should go along the valley of the Kootenay but their instructions were to proceed no further than Cranbrook. Mr. Armstrong in proposing a vote of thanks delivered a vigorous speech on the object which brought the officers of the Association to Cranbrook and pointed out the many points throughout the district where fruit growing would prove successful. The three gentlemen replied and thanked the meeting for its attention and expressed the pleasure it gave them to be present. They returned the following day, their program requiring them at Revelstoke Tuesday the 10th. It is impossible briefly to give but an inadequate idea of the practicable value of the addresses of these three gentlemen. There was nothing second hand but each described his success or failure exactly as it took place.

The Socialist Leader.

J. H. Hawthornthwaite, M. P. P., and leader of the Socialist party in this province, arrived in Cranbrook Wednesday.

It is said that the object of Mr. Hawthornthwaite's visit to the Kootenays is to put up the political fences of his party and make the necessary arrangements for the placing in the field of socialistic candidates in both the Fernie and Cranbrook ridings in anticipation of a campaign this fall.

According to Mr. Hawthornthwaite, the object of the Socialist party is to improve the conditions of men who labor, and to alleviate the conditions of the unemployed. Mr. Hawthornthwaite figures over one third of the entire people on this continent as unemployed and are dependent upon public charity.

In speaking of the political conditions to a representative of the Prospector, he said "that the Liberals all over the province were preparing for an appeal to the country this fall; that the leaders of the Liberal party were double faced in their attitude to labor. He also said that the Kai-en Island deal was the one land sale made by the government that was to the benefit of the province.

On Thursday Mr. Hawthornthwaite left for Kimberley, where he addressed the laboring miners upon socialism.

Lecture on "John Bull"

Rev. B. Goodfield, B. A., gave his lecture on "John Bull" in the Baptist church on Monday evening of this week. The speaker showed the ground work and the forces operating to make John Bull what he is and has been. He then pictured the present standing in the world and the prospect before the nation. The lecture showed much thought, and unfortunately the warm weather made the audience much smaller than it otherwise would have been.

Foot Ball.

Interest is increasing in foot ball matters. Now that the finals are reached there is much speculation as to who will win out. Last Friday evening a very interesting game was played between the C. P. R. shops and the town teams. Some very fine playing was done and the score, 4-1 in favor of the shops, very well represents the game. By the winning of this game the shops are now on a level with the fire brigade, and the next game, which will decide the series, is looked forward to with much interest.

The Coal and Coke Output.

The output of coal at the C. N. P. C. Co.'s mines for the week ending Friday, July 6, was as follows:

	TONS.
Coal Creek	55,019
Michel	36,306
Total	91,325

The coke production for the month of June was as follows:

	TONS.
Fernie	11,043
Michel	10,543
Total	21,586

UP BEFORE THE BEAK

Weekly Grind in the Police Court — The Usual Number of D D's.

Gus Anderson got fifteen days hard labor for being drunk and disorderly.

Richard Strong was arrested by Chief Baron for stealing a gold watch and chain from the person of R. Robson of Mayook. Judge Wilson sentenced him to one year in the Nelson jail.

Hans Yensen got drunk and wilfully damaged the clothing of a resident of the tenderloin district. He got off with a fine of one dollar, and put up $20 more to repair the damaged clothing.

Mark Kelly, who was loaded with skookum chuck, got frisky and kicked in the door of a house in the tenderloin, was fined $5, and it cost him $5 more to replace the door.

Come on to Lethbridge.

The lacrosse boys are busy practising every evening this week and are getting in good shape for Monday. A special train has been engaged and it is expected about 75 or more will accompany the boys to Lethbridge. This is supporting a team, and they appreciate it. The boys are worthy of support as the aggregation is very strong and by their playing will advertise the town.

Curfew Bell Shall Ring.

We are pleased to note the action the city council has taken in regard to the curfew bell. The law will come into force August 1st, and from that date small boys and girls must be home at 9 p. m. This is a step in the right direction, as it is nothing unusual to find boys and girls in groups on the streets as late as 10 o'clock. The hope of our country is in the youth, and if they get the street habit while young they are likely to pick up many other habits that will stay with them through life. The inhabitants of the city will support the council in this act, all except the small boy, and a few years hence he will likely thank the present city fathers because they forced him to go home early and get his proper rest.

Hodges—Keay.

At high noon on Tuesday a very pretty wedding was solemnized in Christ church of this place when Rev. Fiennes-Clinton united in marriage Miss Margaret Isabel Keay and Mr Walter Ernest Hodges of Vancouver. The church was nicely decorated and presented a very attractive appearance. M. A. Beale and A. C. Wilmot acted as ushers. The service was largely choral and was very pleasing to the large number present. The bride was charming in an imported gown of Tambour lace made over cream satin, and wore a filmy veil caught with orange blossoms. She carried a boquet of bridal roses and white carnations. Miss Olive Baker acted as Puritan maid, and was dressed in cream silk, with a pink sash and carried a basket of pink roses and sweet peas. She had a pretty turquoise and pearl brooch, the gift of the groom. Master Jackie Elwell acted as page and is to be congratulated on his fine appearance and the excellent performance of his duties. The groom presented him with a stick pin in the shape of a fox head set with rubies. A. M. Andrews of the Canadian Bank of Commerce acted as best man, and Mr. Elwell as organist for the occasion.

After the ceremony all repaired to the home of Mrs. Pinkham where a reception was held and the bride and groom received the company. The home was attractively decorated and all arrangements complete. Refreshments were served and the usual toasts given the bride and groom. The presents were both numerous and costly. The grooms present to the bride was a beautiful pearl brooch and an amethyst and gold bracelet. The happy couple left on the afternoon train. They will spend some time at Banff; then go to Victoria, and about August 1st will be at home in Vancouver. The bride will be missed in Cranbrook, as she had endeared herself to many by her pleasing manner and devoted interest in her work. The Prospector joins in wishing the bride and groom many happy years of life.

Sunday's Storm a Fierce One.

On Sunday last one of the heaviest rain storms ever witnessed in these parts was handed out to the citizens. About 12 o'clock the dark clouds began to appear and at 12.45 the thunder was loud and the lightning brilliant and down came the rain in torrents in a few minutes therere were ponds all over, the streets were full and all holes overflowing. This lasted for nearly half an hour. The air is much clearer since and the rain was a blessing to the community A few trees in the neighborhood were struck by lightning but no damage was done.

Orangemen Celebrate.

The glorious Twelfth has come and gone. Throughout the Dominion the day has been spent in celebration and many happy reunions took place as Orangemen and their friends assembled together. The local lodge, No. 1871, met together along with friends from Fernie and other points along the line. At one o'clock a parade was formed with Mr. Boyce riding the gray nag. The procession marched through the different streets and then to the beautiful grove at the foot of Baker street Here Grand Master Boyter took the chair and called upon Mayor Rogers who gave an address of welcome. This was followed by addresses from Revs. Fortune and Westman. Music was furnished by J. McAuley on the bag-pipes. The celebration passed off in good order and all spent a good day. There was only one thing lacking and that was the drum, but the boys vow there will be one next year. The local lodge is to congratulated on the success of their celebration.

A Quick Reply.

At the Council meeting on Wednesday evening City Clerk Prest was instructed to wire the Hon. Robert F. Green re the making of certain alterations in the plans of the City and Government building about to be erected in Cranbrook. The following reply was received on Thursday evening:

"C. Prest, Esq., city clerk, Cranbrook, B.C.—Have no objection to plan being changed subject to the approval of Government Agent Armstrong, on distinct understanding that the government will not be called upon to contribute more than the sum specified, namely $6,000 —Robert F. Green.

Fire at Arrowhead.

Passengers down the Columbia river, who arrived on the coast train last evening reported that the fire at Arrowhead the previous night completely destroyed seven buildings altogether, two of the principal hotels being included. No damage was done to the sawmill property or to any of the lumber on the piling ground nor was any one injured. No estimate could be obtained of the total money loss nor of the insurance carried.—Nelson News.

Special for 10 days.—17-Jewel Adjusted Elgin Movements in 20 year gold filled guaranteed cases for $13.50 at W. F. Tate & Son's, C. P. R. watch inspectors.

MEETING OF COUNCIL.

What the City Dads are Doing — Passing of the Curfew By-law

A regular meeting of the city council was held on Wednesday evening. There were present Mayor Rogers, and aldermen Fink, Ryan, Tisdale and Jackson.

Minutes of last regular meeting were read and adopted.

A communication from W. B. Bardgett, re the dumping of refuse and providing some method of preventing cattle getting access to the same was filed.

On motion the city clerk was instructed to wire Hon R. F. Green to grant the necessary permission to make certain changes in plan of government building, subject to the approval of the government agent, Mr Armstrong, as it was absolutely necessary to get the plastering done before frost.

Alderman Fink reported that the contract for the improvement of the fire hall was given to Geo. Leask & Co.

It was ordered that vouchers be issued, to be paid as per list with the exception of McConnell & Co., Calgary Cattle Co. and Morrow & McFarland, these to be paid as soon as the same are found to be correct.

The committee on works will hold a meeting on Thursday evening.

That the city clerk notify the Water Supply Co. to repair the holes in the streets caused by excavating while supplying water to consumers.

By-law No. 27 being the Pound and Dog Tax By-law amendment was re-considered, passed, and finally adopted.

By-law No. 28 being the Curfew By-law was also reconsidered, passed and finally adopted.

It was ordered that the city clerk have a synopsis of the Curfew By-law published in the weekly papers giving the date in which said by-law will be enforced.

Council adjourned at 11 p.m.

COMING AND GOING

J. Broley of Fernie was in the city Tuesday.

T. C. Edwards of Calgary was in the city Friday.

Arch Leitch spent several days this week at Calgary.

R. B. Wheeler of Wycliffe was in the city Monday.

M. A. Beale was at Moyie Wednesday on business.

E. Doberer was at Calgary this week on business.

A. T. Blaine was at Calgary this week on business.

H. Cummings of Jaffray was in the city Wednesday.

A. H. Dorman of Spokane was in the city Wednesday.

J. Swinnerton of Kingsgate was in the city Thursday.

E. J. Rapp of Spokane was a Cranbrook visitor Monday.

H. W. Rouse, Spokane, was at the Cosmopolitan Friday.

Geo. Laurie came up from Creston Friday on business.

Dr. King was at Moyie Thursday on professional business.

J. Ryan of Wardner was in the city Tuesday on business.

J. E. Stephens of Morrissey was at the Cranbrook Sunday.

G. Stewart of Moyie was a Cranbrook visitor Sunday last.

Wm. Tarrant came down from Lake Creek Monday on business.

F. Clark of Montreal was a guest at the Cranbrook Tuesday.

P. W. Green of Toronto was a guest at the Cranbrook on Wednesday.

C. Schack of High River, Alta., was a Cranbrook visitor on Wednesday.

Harry Bradford came down from Wycliffe Wednesday on business.

Geo. Powell of the Cranbrook Dye Works was at Jaffray and Wardner this week on business.

J. G. Cummings, P. L. S., of Fernie was at Cranbrook this week on business.

R. Tod and R. Macpherson of Toronto were registered at the Cranbrook Monday.

John Macdonald of Wycliffe was in the city Tuesday on business.

Fred Smythe, editor of the Moyie Leader, was in the city Monday.

Mrs. T. T. McVittie of Fort Steele was a Cranbrook visitor Tuesday.

Fred Robinson of Winnipeg was a guest at the Cranbrook on Sunday last.

A. J. Bates of Vancouver was a guest at the Cranbrook Sunday and Monday.

H. B. Gilmour of Vancouver was transacting business in town Wednesday.

Al. Doyle left on Sunday last on a trip to Calgary and other prairie towns.

Constable Joe Walsh of Fort Steele was at Cranbrook Tuesday on business.

H. A. Johnson of Vancouver was transacting business at Cranbrook Wednesday.

Mr. and Mrs. J. Whitehouse of Moyie were guests at the Cosmopolitan Wednesday.

A. M. Neil and M. McIsaac of Rossland were registered at the Cosmopolitan Wednesday.

J. H. Hawthornthwaite, M. P. P., of Nanaimo, was a guest at the Cosmopolitan Wednesday.

J. R. Colley of Macleod and E. Feagan of Marysville were guests at the Cranbrook Monday.

P. W. Gordon of Nelson and D. P. Kane of Kaslo were registered at the Cranbrook on Thursday.

N.C. McKinstry of Marysville, who has been visiting at Edmonton, Alta., returned to Cranbrook Tuesday.

Lieutenant-Governor Belyea of Alberta spent several days in Cranbrook this week a guest of Dr. J. H. King.

Wm. F. Tate, who has been taking a holiday visiting the coast cities, returned to Cranbrook Sunday last.

J. A. Harvey left on Saturday last for St. Thomas, Ont., and other eastern points. He will be absent about six weeks.

Mr. and Mrs. P. Dingman arrived home from the coast Monday and have taken up their residence on Hanson avenue.

J. F. Flanagan of Spokane, G. G. Roome of Vancouver, and J. J. McManus of Toronto were guests at the Cranbrook Thursday.

J. S. Carter, district passenger agent, C. P. R., was in the city Tuesday on company business. He left on Wednesday's local for Fernie.

J. E. McNaughton, the popular drummer for Greenshields & Co. of Vancouver, was in town several days the early part of the week.

Mrs. George Hoggarth and children and Mrs. E. Small and children left on Tuesday for Elko, where they will spend a month camping.

Mr. J. D. McBride, wife and daughter, and T. Stark spent Sunday last in Nelson on their way home from the coast, arriving home Monday.

"Bobbie" Aikens, the popular grocery clerk in G. T. Rogers' store, left on Sunday last for a six weeks' vacation at his home in Brockville, Ont.

Wm. Bleasdell of Fernie, who has been visiting at Fort Steele for several weeks, was in Cranbrook Tuesday, returning to Steele during the afternoon.

N. Hanson and P. Jensen of Wasa were in the city Monday. Mr. Hanson took the afternoon train for Calgary, where he will purchase some blooded cattle for his stock farm at Wasa.

Mr. A. Sullivan, principal of the Nelson public school, was visiting Mr. and Mrs. C. E. Reid this week. Mr. Sullivan was on his way east to act as a judge in an elocutionary contest at Sault Ste. Marie, Ont.

Mrs. A. H. Eager returned from Calgary on Saturday last and is making arrangements to move from town. She was accompanied by Miss Jamieson and Miss May Jamieson. All three are guests of Mrs. W. H. Wilson. They will remain for another week in town.

W. R ROSS AT VICTORIA.

Would Like the Appointment of Attorney General.

It is rumored that W. R. Ross, M. P. P., has an object in visiting the coast at this particular time, and that object is to secure a ministerial appointment. The office of attorney general is vacant, and would be acceptable to "Billy" and his friends in Fernie. The following is from the Fernie Ledger:

"Much speculation is being indulged in regarding Mr. Ross' trip to the coast and many people think his visit has more to do with matters political than with a vacation for rest. The Ledger sees nothing in this summer day vacation to cause it to change its opinion that there will be no election, either bye or general, so long as such a movement can in any way be avoided. If, however, the government opens this constituency by appointing Mr. Ross to the cabinet there are unmistakable evidences that there will be a lively fight over the seat, as Mr. Hawthornthwaite and his followers announce that they will have a candidate in the field to oppose Mr. Ross and that they are sure to elect him."

The Prospector is of the opinion, however, if Mr. Ross is appointed to the cabinet, Mr. Hawthornthwaite and his friends wont cut much ice in preventing the return of Mr. Ross.

Will Open the Campaign.

We learn from what we consider the best of authority that J. A. Macdonald of Rossland, the leader of the Liberal party in this province, will open the campaign on or about July 13th, in anticipation of an election this fall. That he has issued instructions to the heads of Liberal organizations in every riding in the province to prepare for an early general election.

Revenue and Expenditure.

The statement of revenue and expenditures of the dominion for the twelve months ending June 30 last, shows the revenue to be $78,006,599, an increase of $8,531,802 over previous income, whilst the expenditure was $54,006,599, an increase of $3,781,725 over last year. The capital expenditure for the same time shows an increase from $10,984,332 to $12,727,867, or nearly two millions.

The revenue for the month of June increased by over $800,000 and expenditure by about $400,000.

Examine Mining Property.

John Leask, D. A. McDonald, C. H. McDonald, and John McDonald, of Cranbrook, were in this week looking over the Mabel mineral claim on Goat mountain. Mr. Leask owns an interest in the claim and brought the other gentlemen to examine the property prior to entering into negotiations with them for the sale of it. Messrs. McDonald are well pleased with the Mabel as far as they have seen it and it is likely that they will take it over from the present owners. Mr. Leask is an enthusiastic believer in the brilliant future that is in store for the Camborne camp, and stated that if this deal materialized he would devote the proceeds in developing the Big Showing, also situate on Goat mountain, and he would be quite justified in doing so as he felt that that property, with its massive showing of silver-lead galena, was destined to be one of the biggest mines of the camp. Mr. Leask has been interested in mining for many years and he is well informed on the subject, and in view of this fact his opinion is worthy of note.—Camborne Miner.

The Prospector.
ESTABLISHED 1895
A. B. Grace,
PUBLISHER AND EDITOR.

The Prospector.

SATURDAY, JULY 14, 1906.

GRIT newspapers in this province are talking on an election this fall. We have no hesitation in saying that no such event will take place. While in Cranbrook not long ago a representative of the Prospector asked Premier McBride if an election would take place this year. His answer was no; there is no reason for bringing on a general election. We have been in power but three years, and the country are well satisfied with the conditions of affairs politically.

* * *

It is only Grit newspapers and a few professional politicians that are worrying, and see an election in the near future.

* * *

If Premier Laurier and Premier McBride were running in this valley just now for political honors on their respective railway policies, the latter would make a great winning, says the Wilmer Outcrop.

* * *

The pencil pusher of the Nelson News must be "shoulder bound," for he still continues to use the Kai-on Island as a wind bag to punch. It may be good exercise, but it is evident to all that he uses a lye bath before and after such violent work.

PERTINENT PARAGRAPHS.

No place else on the globe will you find as big-hearted, generous and noble people as reside in this old town. They are not much on dress parade. They do not wear silk stockings and silk hats but they have hearts as big and warm as ever pulsated in human breasts.

A gentleman at one of our boarding houses, after having beans shoved at him each meal for two straight weeks, asked the waiter to please read the eight verse of the thirteenth chapter of Hebrews. We imagine this will make some of our readers get the dust off their bibles.

A few days ago a rather bashful young woman went into a store carrying three chickens. She inquired the price of chickens and at the same time put them on the counter. The clerk didn't know the chickens' feet were tied, and asked if they would lay there. She bit her handkerchief and said: "No, sir; they are roosters."

And it came to pass that after he had advertised his goods, there came unto him great multitudes from all the regions round about and did buy of him. And when his competitors saw it they marveled among themselves, saying: "How be it that this man is busy while we loaf idly about our doors?" And he spake unto them: "In this fast age of push and rustle it is easier for a camel to enter the eye of a needle than for a man to flourish without advertising."

A young mother chanced to occupy a seat in front of us on a train last week, when an amusing incident occurred. She was vainly endeavoring to quiet her youngster who was apparently about two years old. The young cherub had gormandized vast quantities of fruits, nuts, etc., and seemed to be in great misery and positively refused to be comforted. Finally an old gentleman, who was sitting beside the distressed mother, and whom we took to be her father, remarked: "Jenny I'd larrup that kid." "Oh, I hate to whip a child on a full stomach," said she. "Looks to me like it'ud be an easy matter to turn it over," was the quaint reply.

Good roads will lead to the general improvement of the countryside. The farmer who drives to and from town over a spacious, smooth well cared for road will unconsciously come to effect corresponding improvements in the management and operation of the farm.

The newspaper is a law book for the indolent, a sermon for the thoughtless, a library for the poor and an admonisher for the lawless. It may stimulate the most indifferent, but it cannot be published without cost and sent free to subscribers. This is no joke.

The Prospector.

SATURDAY, JULY 14, 1906.

PROVINCIAL REVENUE

Finance Minister Tatlow Makes a Good Showing.

Vancouver, July 7.—Very nearly $600,000 will be the total revenue derived by the provincial government from the operation of its timber department during the fiscal year which ended on June 30.

All records for collections on account of licenses and royalties were broken during the fiscal year just ended, and the lumbering industry appears to be on the eve of greater expansion still. A conservative prophecy made is that the fiscal year of 1906-1907 will show a revenue from the timber department of not less than $750,000.

The month of June was the banner month for collections since the days when the province first commenced selling timber licenses. Approximately $10),000 was received in payment of licenses alone during that month That amount is over five times greater than the total collections made the first year the government commenced to derive revenue from the sale of its timber.

The revenue from timber during the fiscal year 1904-1905 amounted to $412,000 in round numbers, while collections for the calendar year ending December 31st last totalled nearly $579,000.

The number of licenses taken out for timber is steadily increasing.

The enormous increase in the lumber industry has been mainly responsible for our bettered financial position. The estimated revenue from this source, $400,000 will be exceeded by about $100,000, or 20 per cent. This increase alone will more than cover the estimated deficit. Mining receipts have also been larger than expected. As an instance of this, Vancouver office had an excess of 30 per cent., and many other agencies, including that at Victoria, have also brought added revenue.

The principal deficit in revenue that had to be met was, of course the Chinese head tax. In 1904-5 the province obtained $258,050 from this source, which is now entirely wiped out. But there is in prospect for next year a reduction of fixed charges that will go a long way to meet this. The loans of 1877 and 1897 will mature then. These at present take $140,000 each year from the revenue, but this drain will cease in 1907. This will leave a large sum available for public improvements that it is at present unable to undertake.

The people of the province can look with confidence, therefore, to the betterment of many lines of government effort in opening up the country in the near future. It is probable also that taxation may be reduced, as the continued prosperous conditions, we have every right to expect, warrant the assertion that revenue will increase largely.

With the opening up of new districts the revenue from real property taxes may become greater, but there will not likely be much of an increase in this direction. As settlement becomes more general, there will be new municipalities springing up and local bodies will take charge of community improvements. That being the case, there should be no difficulty in going ahead on safe lines and bringing, as far as the power of the province lies, all districts available within direct communication of some method of transportation.

Nine Hour Day.

The Granby company, the Dominion Copper Co., in the boundary district, and the B.C. Copper Co. have inaugurated a nine hour day for surface men around their mines. The change went into effect with the Granby last week and with the Dominion Copper company and the B. C. Copper Co. this week. The nine hour day will include blacksmith, machinists, carpenters, teamsters and all others working on the surface.

We heard a young man remark last week that, "The world owes me a living," It is hoped for that young man's good that he'll get the notion out of his head. It's a mistake, a grave mistake. He never entertained a foolish idea nor one which will bring him a smaller measure of respect. The world owes the young man nothing; but instead he owes the world and society an active, noble manhood, a steady, honest energy which will enable him to associate with decent men and women in a true manliness of character that will make his friendship valuable and his presence and companionship desired. The truly intelligent activity, and this young man should contribute to society's happiness and welfare the grace which comes through study, toil and honest thought.

Only wind is needed to spread rumors but for reliable news you must read your home paper.

NOTICE.

IN THE COUNTY COURT OF EAST KOOTENAY, HOLDEN AT CRANBROOK.

In Probate.

Notice is hereby given that on the 28th day of June, 1906, it was ordered by P. E. Wilson, Esquire, Judge of the said Court, that James Ferguson Armstrong, official administrator for that portion of the County of Kootenay included within the Electoral District of Cranbrook, be administrator of all and singular the estate of Edwin Nixon of Cranbrook, labourer, deceased intestate.

Every person indebted to the said deceased is required to make payment forthwith to the undersigned.

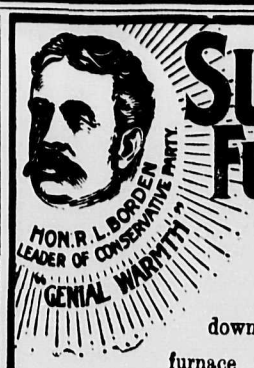
Every person having in possession effects belonging to the deceased is required forthwith to notify the undersigned

Every creditor or other person having any claim upon or interest in the distribution of the estate of the said deceased is required to send before the 7th day of August next, by registered letter addressed to the undersigned, his name and address and the full particulars of his claim or interest, and a statement of his account and the nature of the security (if any) held by him.

After the said 7th day of August, 1906, the Administrator will proceed with the distribution of the estate, having regard to those claims only of which he shall have had notice.

Dated at Cranbrook this 29th day of June, 1906.

27 J. F. ARMSTRONG, Official Administrator.



Sunshine Furnace

You can shake down a "Sunshine" furnace without getting covered with ashes and dust—has a dust flue through which all the dust and ashes escape when you shake down the fire.

This heater is so easily regulated and operated, and so clean, that it makes the entire household bright and genial.

CORPORATION OF THE CITY OF CRANBROOK BY-LAW NO. 28

A By-law to Regulate the Hours During Which Children May be Abroad Unattended.

The Municipal Council of the Corporation of the City of Cranbrook in Council assembled enacts as follows:

1. The Council shall provide a bell and shall cause the same to be rung at the hour of (8) p.m. every evening from the first day of May to the 30th day of September inclusive and at the hour of (7) p.m. every evening from the first day of October to the thirtieth day of April inclusive.

2. Between the hours in the last preceding section appointed and the hour of five (5) a.m. on the following morning it shall be unlawful for any child under the age of sixteen (16) years to be in or upon any public street lane, alley, bridge, park, square, vacant lot or other unoccupied ground or public place within the limits of the Municipality unless such child is in charge of and is accompanied by its parent or guardian or some adult person thereunto duly authorized by such parent or guardian.

3. The Police Constables and such other persons as the Council may appoint shall have the power to arrest and take into custody any child apparently under the age of sixteen (16) years found unattended as hereinbefore provided during the time hereby prohibited in or upon any public street, lane, alley, bridge, park, square, vacant lot or other unoccupied land or other public place.

4. Every Constable or other officer who shall arrest or take into custody any child under the age of sixteen (16) years as provided in Section three (3) hereof shall forthwith take such child to his or her home or place of abode and shall warn the parent or parents or guardian of such child against the breach of this By-Law.

5. If upon the hearing of any information under this By-Law it shall appear to the Magistrate, Justice of the Peace or other competent authority before whom such information is heard that the warning mentioned in Section four (4) hereof has been duly given in the manner therein described and that the offence has been repeated, such Magistrate, Justice of the Peace or other competent authority may impose a fine not exceeding the sum of five dollars ($5.00) for each offense together with costs upon such child or upon the parent or guardian of the said child, and in default of payment of such fine and costs, such child, parent or guardian shall become liable to imprisonment for a period not exceeding six (6) days.

6. Upon any persecution under this By-Law, the evidence of any witness that to the best of his or her judgement any person, with reference to whom such prosecution is being brought, is a person under the age of sixteen (16) years and shall cast upon the defendent the onus of proving that such child is of greater age.

7. The hours referred to herein shall be calculated by what is generally known as Pacific Standard Time.

8. This By-Law may be cited as the "Curfew By-Law."

Read a first, second and third time on the 20th day of June, A.D., 1906.

Reconsidered and finally passed and adopted on the 11th day of July, A.D., 1906.

G. T. Rogers, Mayor
C. H. Prest, Clerk

I hereby certify the within is a true copy, without erasure or interlineation of the By-Law registered on the ____ day of July, A. D., 1906, in the office of the County Court of East Kootenay, holden at Cranbrook. 28

REID & CO.

To Make Women's Work Lighter and Easier

IS PART OF THE MISSION OF

BISSELL'S "Cyco" Bearing Carpet Sweeper

In addition to this it saves carpets and rugs, confines all the disagreeable dust and dangerous germs within the pans, accomplishes the work of sweeping in one-fifth of the time, and with 95 less effort than the corn broom requires—in a word, makes sweeping day a pleasant duty instead of a positive drudgery.

No woman having even one carpeted room should let a day pass without procuring a Bissell Sweeper, if she is not already using one.
