Vol. 11. CRANBROOK, B. C., SATURDAY, AUGUST 12, 1905. No. 33.

INTERNATIONAL YACHT RACE

Will Race Today For the Canadian Cup.

Rochester, N.Y., August 12.—The fifth series of races for the Canadian Cup which is at present held by the Rochester Yacht Club will begin today on Lake Ontario, off the harbor of Charlotte. This is the greatest yachting event on the great lakes and has drawn the largest number of yachtsmen from all parts of the country to this city. Everything is in readiness for the first race to be called this afternoon and excitement over the coming contest runs high.

The Canadian Cup was first offered by the Toledo Yacht Club in 1896. The Royal Canadian Yacht Club challenged for it, with the Fife designed sloop Canada. She won it from the Chicago yacht Vencedor, at Toledo, but in 18 9 the cup returned to the United States, the 35 foot yacht Genesee, from Rochester, representing the Chicago Yacht Club, defeated the Beaver, representiag the Royal Canadian Yacht Club. In 1901 the Canadian yacht Invader defeated the Cadillac of Detroit, winning back the cup. Last year the Irondequoit, a forty foot yacht, representing the Rochester Yacht Club, won back the trophy by defeating the Royal Canadian Yacht Club's defender Strathcona.

Under the rules of the cup race the victorious yacht must win three out of five races. At the races for the cup, beginning this afternoon, the yacht Iroquois, a Herreshoff boat, will be the defender, while F. Nicholl's Temeraire has been selected challenger by the Royal Canadian Yacht Club. The Temeraire was designed by Fyffe the Scotch expert. The designer will be on board during the race The Iroquois will be sailed by Captain Lorie G. Mabbett.

The Iroquois is fitted with jib and stay sail instead of the two-piece standing canvas customary of craft of that kind. Her immense forward triangle made possible by the long bowsprit gives her a big advantage in the size of her spinnaker, the base of which is 23 feet 9 inches.

Social Gatherings

At the residence of Mr. and Mrs. V. Hyde Baker.

A very fine time was spent last Tuesday afternoon at a garden party given by Mrs. V. Hyde Baker at her residence on the hill. The feature of the afternoon was a flower show, which was held in a large tent. The entries were numerous, and there were four classes.

1st.—The best pot plant, was won by Dr. F. E. King.

2nd.—The best collection of perenials, was won by Mrs. T. T. McVittie of Fort Steele.

3rd.—The best collection of annuals, was won by Dr. J. H. King.

4th.—The best collection of sweet peas, was won by Mrs. A. W. McVittie.

Refreshments was served in tents, on the verandah and in the house.

The judges were Mrs. Shedden and Mrs. Hutchison.

At the residence of Mr. and Mrs. Fred Simpson.

Mr. and Mrs. Fred Simpson entertained a number of friends at a card party on Monday evening. Among those present were: Mr. and Mrs. W. F. Tate, Mrs. Erickson, the Misses Leitch the Misses Taanhauser, Miss Jamieson, Miss Moffatt, Miss Richards, and Miss Hansen. Messrs Moffatt Tate, Atchison, Leitch, Patterson, Bradley and McSweyn. A good time was enjoyed by all.

At the residence of Mr. McCallum.

A very pleasant social gathering took place at Mr. McCallum's residence Tuesday evening to bid good-by to the Rev. Mr. Lundie who occupied the pulpit of the Presbyterian Church during the last two months. Mr. Lundie is able, clear and original and all his sermons were marked by ability and earnestness. His stay in Knox Church was highly appreciated by those who had the privilege of hearing him. Mr. Lundie left for Kelowna Wednesday where he will remain for a few weeks. A vote of thanks was tendered to Mr. and Mrs. McCallum for the hospitable way the reception was given. At the close all joined in singing that parting hymn "Auld Lang Syne".

DISTRICT MINING NEWS.

Of Interest to Those Engaged in the Development of the Mining Industry.

At present there is a good demand for copper and lead, and it is the impression of western mining men that the market will continue stiff during the remainder of the current year.

The annual assessment work is now being done on a large number of mining properties in the district.

A better feeling now prevails among the stockholders of the Sullivan mine, as a result of the success of the Marysville smelter.

A number of men went up to the St. Mary's river country Monday to work on several mining properties in that neighborhood.

A number of Fernie business men have located a large number of coal claims on the head of Elk river.

John P. Larsen with a small force is engaged in developing the Tiger Poorman group of claims which are situated on the north fork of Wild Horse creek.

The supply of coke from the Crow's Nest collieries is now sufficient to enable every smelter in the Kootenays to extend operations on an extensive scale.

Hank Eller who returned from Perry creek last week reports a big find of gold quarts. He brought in some fine specimens which contained gold.

The advance in lead and comparatively high prices are creating great interest in the silver-lead districts of the Kootenay.

It is seen in the papers every day where some person who knows what the conditions are and who know how to advise in the matter of investments are advising young men to go to Southeast Kootenay.

Cranbrook will Celebrate Labor Day, Monday Sept. 4th.

MINING AT ST. MARY'S LAKE

A Copper Bonanza Now Being Developed.

During the past two months development work on the Uncle Sam and High Peak mineral claims has been progressing steadily, and the showing of ore in the tunnels is very encouraging.

This group of claims is situated north of St. Mary's Lake and is owned by Kriss Kohl of Kalispell, Mont., who has been in charge of the work. The vein outcrops on the surface and has a width of 12 feet. No. 1 tunnel has been run 100 feet on the ore body, and has a depth of 90 feet, and the estimated value is from eleven to thirty-eight per cent copper.

No. 2 tunnel is now in 260 feet, a cross-cut run at this point shows the vein to still hold its width of 12 feet, the ore slightly increasing in the average of its copper values.

Cranbrook will Celebrate Labor Day, Monday Sept. 4th.

LOCAL NEWS.

D. J. Elmer of Moyie was in town Friday.

Bayard Staples, Bayard, B.C., was in town Friday.

H. Byers, Nelson, was a guest at the Cranbrook Thursday.

We have a full line of views of the Perry creek hydraulic placer mines, call and see them. Prest Studio.

Mr. R. H. Jamieson, representing a tea-house, is on his usual round from Victoria and is staying at the Metropolitan.

D. R. Ayers of Moyie, was at Cranbrook Wednesday, having his hand repaired which was injured while at practice with a hose reel.

J. R. Pollock, U.S. Vice-Consel at Fernie, and Al Mutz, manager of the Fort Steele Brewing Co. at Fernie were at Cranbrook Friday.

Mrs. S. J. Mighton received a telegram on Thursday, stating that her father, Mr. D. Macfarline of Toronto, died on Wednesday night.

Kris Kohl and Frank Williams were at Cranbrook Friday. They have been developing a copper property near St. Mary's Lake.

Does the type blurr in reading if so, you need glasses—we guarantee satisfaction and ease, W. F. Tate & Son, Graduate Opticians.

W. J. Goepell, inspector of provincial offices arrived at Cranbrook Thursday. He left on the Windermere stage Friday for Golden.

Hubert Haines, manager of a branch of the Canadian Bank of Commerce at Treherne, Man. arrived at Cranbrook Monday to join Mrs. Haines who has been the guest of Mr. and Mrs. A. C. Nelson for the past month.

Tom Wellman of Vancouver was a guest at the Cranbrook Thursday. Mr. Wellman is an old time resident of Cranbrook, and was quite busy Thursday shaking hands with his many friends.

James Greer, who has been visiting the Northwest Territories for the past month returned to Cranbrook Thursday. Mr. Greer says that Cranbrook as a business city is equal to the best.

Mr. and Mrs. D. Walker who have been visiting Mr. and Mrs. W. T. Reid for the past week left on Wednesday for Victoria. They will visit San Francisco, Portland and other coast cities, returning via the Grand Canyon to their home in Rhineland, Wis.

In the Methodist church next Sunday evening the pastor will take for his subject "A great politician." This is the third in the series of character sketches and all are invited to take part. The service will be suitable for the warm summer evenings.

East Kootenay Licenses.

The East Kootenay coal and petroleum license case, known as Baker and others versus Smart, recently decided by Mr. justice Martin, and in which it was held that the chief commissioner of lands and works had no power to issue the special form of license used, has been appealed and will come up for hearing at the next sittings of the full court.

LABOR DAY CELEBRATION

Admission to Grounds—Sale of Booths—Special Train Service

It has been decided by the "Labor Day" celebration committee to charge a fee of $15.00 for the privilege of selling cigars soft drinks, ice cream, etc., on the grounds on Labor Day, and to sell the booth now erected on the grounds by sealed bids.

Therefore sealed bids will be received by the undersigned, until 4 p.m. August 22, 1905 for rent of booth on grounds for Labor Day.

H. W. WHITE, Sec.

LABOR DAY ADMISSION.

Admission to grounds, men 50c. Boys over 8 and under 16, 25c. Admission to grand stand 25c. Ladies and children free.

No entrance fee will be charged for any event.

H. WHITE, Secretary

J. S. Carter, C.P.R. district passenger agent was in town Friday, and to a representative of the PROSPECTOR said: "That all the arrangements with the committee for special train service had been arranged. That a rate of a fare and a third, from Fernie, Creston, Kimberley and intermediate points would be given. Tickets can be secured on September 3rd and 4th, good to return on September 5th".

A special train will leave Ryan at 7:30 a.m., fare $1.95: Moyie, 8:15, fare $1.10; arriving at Cranbrook at 9:30 a.m., and leaving Cranbrook at 9 p.m. for the return trip.

From the east people will come on the regular train arriving in Cranbrook at 10:10 a.m., and if there is a big crowd a special will take them back that evening

These arrangements will give everyone an opportunity to get to Cranbrook for the day and return home at a reasonable hour.

Celebration Committee.

There will be an important meeting of the Labor Day Celebration Saturday evening at the Herald office at 8 o'clock. A full attendance is desired.

H. WHITE, Sec'y.

IMPORTANT STRIKE

A Prospector Uncovers a Thirty Foot Ledge.

Mr. M. Phillips, of Elko, has just uncovered a new ledge measuring 30 feet in width on one of his mineral claims located near his old ranch now owned by Geo. Scott.

There is a six foot vein of fine looking copper ore in this ledge, samples of which Mr. John Mott handed to our reporter, and which can be seen at the office of Mott, Son & Co. Good judges think that this ore will run at least $100.00 in value per ton. Mr. Phillips is arranging to ship a few hundred pounds of his ore to the Trail smelter in order to get a smelter test. This is an important find not only for the lucky owner but to every body in East Kootenay.—Fernie Ledger.

The St. Eugene Mine.

The July returns from the Trail smelter show that 2,320,090 pounds of ore produced 1,793,825 lbs. of lead. Of this amount the St. Eugene mine furnished 1,703,825 lbs., of concentrates which produced 1,060,072 lbs. of lead. From the foregoing figures it will be seen that the big silver-lead mine of Southeast Kootenay produced 75 per cent of the lead product of the ore smelted at Trail,

Game Law.

Stringent [illegible] been issued to [illegible] wardens to [illegible] close [illegible]

to prairie chicken, grouse, ducks and geese. The season will open September, 1st. The penalty for a non compliance before that date is $50 and costs.

Extends School Vacation.

Victoria, Aug. 9.—The announcement was made by the department of education today that the school vacation for all British Columbia districts east of the coast range had been extended from the 14th to the 21st instant This applies to the schools from and including that of Hope. The schools of Vancouver island and the lower mainland will open on the original date, the 14th instant.

MINING AT KIMBERLEY

Sullivan Output 140 Tons of Silver-Lead Ore Daily.

Reports from the Sullivan are that 40 to 50 men are engaged in mining and that the daily output is about 140 tons.

Senator Turner and Barney Layton were here on Wednesday and visited the Sullivan group of mines. They were much pleased with the development now going on at the mine.

Ten men are engaged in developing the Stemwinder claim, which is owned by Mann & McKenzie.

Six men are doing prospecting work on the North Star mine.

Among The Craft.

Rocky Mountain Chapter, R. A. M., held their regular monthly convocation in Masonic Hall on Tuesday evening.

Cranbrook Lodge, A.F.&A.M. will hold its regular monthly meeting at Masonic Hall on Thursday evening August, 17. Visiting brethren are cordially invited to attend.

Will Visit Cranbrook

A large party of Canadian Pacific officers will visit Cranbrook next Monday. Among the party are Robert Kerr, Passenger Traffic Manager; W. R. McInnes, Freight Traffic Manager; F. W. Peters, Assistant Freight Traffic Manager; and C. P. McPherson, General Passenger Traffic Manager. The party will arrive at Cranbrook about 10 o'clock Monday.

J. E. Dickson, representing P. Burns & Co., was at Moyie Tuesday on business. Mr. Dickson was accompanied by Mrs. Dickson.

A slight fire in the Crow's Nest railway station, caused by electric light wires, brought out the fire brigade on Friday evening last. A second alarm, caused by a bush fire on the hill, gave the brigade another run later in the evening.

Senator Templeman arrived at Cranbrook Tuesday evening, coming from Fernie on the local train. On Wednesday morning the Senator called upon a number of citizens, and left on the afternoon train for Nelson. His visit to Cranbrook, it is said, has no political reference.

The tinning staff at J. D. McBride's have just completed at Ryan for the East Kootenay Lumber Co., one of the largest blowers ever put in, in Southeast Kootenay. The pipe line is over 500 feet in length, consuming 4,000 lbs., of 20 guage galvanized sheet iron. Mr. McBride has another large contract from the Mayook Lumber Co, which will consume about one ton of iron.

The Rev. T. Albert Moore, Associated Secretary of the Lord's Day Alliance, will be in Cranbrook on Tuesday the 15th August and will address a public meeting in the Baptist Church at 8 o'clock in the evening. Mr. [illegible] an exceptionally ab[illegible] speaker, combining, an[illegible] of the [illegible] im[illegible] ar[illegible] ing.

LAUNCHED TODAY

Big U.S. Battleship Kansas At Camden, N.J

Camden, N.J., August 12.—The new United States battleship Kansas will be launched at the yards of the New York Shipbuilding Company this afternoon Everything is ready for the event and it promises to be one of the most brilliant launchings ever witnessed in this city. Governor Hoch of Kansas, Miss Annandoch, his youngest daughter and his entire staff, as well as a large delegation of state officials and prominent citizens of the Sunflower state arrived here this morning by special train, to attend the launching of the new battleship, Miss Hoch will perform the ceremony of baptizing the big ironclad.

Nearly all the naval officers connected with the League Island Navy Yard and many of those connected with the navy department in Washington will attend the ceremony and there will also be a large contingent of visitors from New York, Philadelphia and other cities on the Atlantic coast. Governor Hoch would have preferred the use of water for christening the new battleship, but the naval authorities demurred and the Governor yielded the point. Miss Hoch will follow the precedent by breaking a bottle of champagne against the bow of the ship at the moment when it slides into the water.

The keel of the Kansas was laid on February 1, 1904. The Kansas is a sister ship to the Vermont, now building at Quincy Mass., and will have same armament as the Minnesota, launched at Newport News a few months ago and as the Connecticut. The measurements of the new battle ship are as follows: Length over all, 456 feet 4 inches; length between perpendiculars, 450 feet; extreme beam to moulding, 76 feet 5½ inches; extreme beam to outside of armor, 76 feet 10 inches. Trial displacement 16,000 tons. The warship will be heavily armored, and her battery will be formidable, the main one consisting of four twelve inch, eight eight inch and twelve seven inch guns, while the secondary battery will be twenty three inch, twelve three pounders, semi-automatics; six one-pounder automatics, two machine guns of thirty caliber and six automatic guns of thirty calibre. She will be fitted with twin screws and will be required to steam eighteen knots an hour. She will have accommodations for 800 officers and men.

Regina Lacrosse Team Coming

Manager McSweyn of the Cranbrook lacrosse team has completed arrangements whereby Cranbrook will play Regina team on Wednesday August 16th The Regina team are touring the west and will play at Nelson, Rossland and coast cities.

At The St. Eugene.

From the Moyie Leader.

The July shipments from the St. Eugene mine amount to 2700 tons of concentrates, all of which went to the Nelson and Trail smelters.

Next Thursday will be payday at the mine and $29,000 will be disbursed.

The new compressor is running steadily and four more machines have been added. The new machine drills will not be here for three weeks or a month yet. Some changes have to be made on them before they are shipped from the foundry at Sherbrook, Que.

The Lake Shore shaft is to be put down another 100 feet, and an [illegible] amount of [illegible]

The Prospector.
SATURDAY, AUGUST 12, 1905.

The way to prove the true greatness of Southeast Kootenay is to put your shoulder to the wheel. The mountains are full of wealth, but they will not yield it up without an effort on the part of the people. What Southeast Kootenay needs is development and adequate means if transportation.

• • •

Southeast Kootenay is blessed with as many natural resources as any province, state or territory in the world. It is a veritable garden of wealth, with every god-given advantage to make it one of the greatest districts in British Columbia. There is more wealth here than the present population can develop in a thousand years. We need more people, need more capital for the development of our mines and more men of moderate means and modern ideas of business and development.

• • •

Railway construction in the Columbia and Kootenay valleys, and the building of the Spokane International railway will stimulate business substantially, and the Cranbrook business men will surely reap their share of business thus accruing.

• • •

If some of the farmers who are at present looking for good farms would take up land in Southeast Kootenay, especially in the vicinity of Cranbrook, where they would have practically no competition for their products, they would show good judgment and make no end of money.

• • •

The fad of going bareheaded in summer is up for newspaper discussion. Some think it conducive of good health, but hair, not health, is the motive of the faddist, who think the sun is the best restorer known to science. The founder of the Bluecoat School in England made this discovery many years ago, and one of the provisions of his endowment was that the pupils of that school should eschew the head gear at all times.

• • •

It is expected that the Ontario provincial government will receive about $500,000 in succession dues from the estate of the late George Gooderham, which it is said is valued at $9,400,000.

• • •

There is a large area of land in the Kootenay valley available for settlement, either for agriculture or grazing purposes.

• • •

Some of those immigrants who are searching for good lands in the Northwest can find the same in the Kootenay valley.

• • •

It was an old maid of course, who said that marriage is the Siberia of womanhood. And very likely she would be glad to go to Siberia if she could.

• • •

There is but little doubt but that the story of a Great Northern syndicate jobbing the Dominion legislature in the V. V. & E. business is all wool and a yard wide. The price was $65,000 for seven yards. There was only four yards in the piece.

• • •

The Big seven of British Columbia have not increased their popularity in the province by extending the open hand to the Great Northern.

• • •

Advertising in the PROSPECTOR is the most nutritious food for a growing business.

• • •

Cucumbers, and other green things are now on the market.

• • •

Altogether the prospect for a period of good government in this province are extremely bright.

Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

FINK BROTHERS

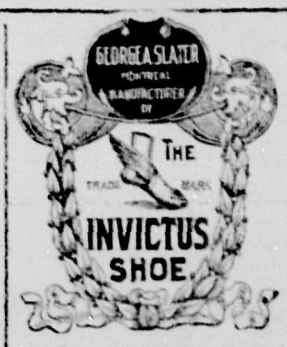
Buy the Famous Carss Mackinaw Clothing and You Will Have the Best on Earth

Everybody Knows John B. Stetson

Every hat maker on earth knows him too, he is the one man they all try to imitate but they don't seem to succeed.

We are buying our hats direct from John B. now so they wont cost you so much as in the past.

Come in and See the New Styles we just received.



Geo. A. Slater

Makes the best shoes in Canada

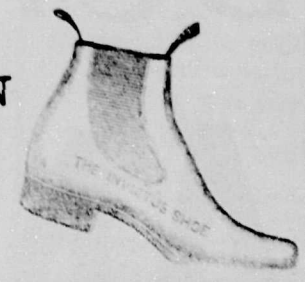
When you want

Style, Quality, Finish and Comfort

All combined buy the **Invictus** Brand, they are just about what the name implies—**Invincible**—We guarantee every pair to give

SATISFACTION

Our Stock is Open for Inspection



There Is No Such Thing

As a rubber that is "Just as good" as **Kings Stub Proof,** they dont make them The last two winters we tried two brands of the "Just as good kind" but as we had so many complaints about them we cut them out and will handle only Stub Proof in the future.

MEN'S Furnishings

IS OUR BIG LINE

We handle everything a man wears except clothing. We claim to have the largest and best assorted stock of Furnishings in East Kootenay.

We also sell Blankets, Quilts, Pillows, Grips, Telescopes and Suit Cases. We would like the pleasure of showing you through and quoting prices.

Stanfields and Ellis' Underwear a specialty.

The Man Who Wears Gloves

Finds it very expensive under the best of conditions. We have in the

EISENDRATH

a glove that will reduce this expense to the lowest point. We guarentee this glove to give satisfaction. We have a large assortment to choose from.

They stand fire, water and steam and will wash.

Groceries Crockery Glassware

WE have everything in the line of groceries that one could desire, a small order for your house or a carload for your mill or mine will have our most careful and prompt attention. We buy only the **Best Goods**, we buy only in **car lots**, we pay **spot cash** for everything and give our **customers** the **benefit**.

As we stated above, we buy the very best of everything, we use the very greatest care in buying **canned goods** as it doesn't pay to buy seconds simply because they are cheap. **Try our teas**, packed under our own label, the best teas in Canada for the price.

We sell the famous Leitch Bros Anchor Brand and Lake of the Woods Five Roses flour no better to be had. We carry a large stock of imported goods such as C. & B. Jams, Jellies, Marmalade, Pickles, Capers, Anchovie Sauce, Chutney, etc.

Blue Label Catsup, Fancy California Fruits, Edam & Limberger Cheese, French Sardines, Peas and Mushrooms, in fact anything to be found in the big first class stores in the Cities.

WE carry the Largest Stock of Crockery and Glassware in East Kootenay.

Here you will find everything from the plain white granite to the finest English, German and French china. We have a large stock of dinner sets, at **all prices** and in almost **any decoration**.

Fancy Tea and Water Sets just the thing for presents. We are showing a big line of toilet sets from the finest and newest decorations down to the plain white granite.

Bar Glassware of All Kinds

Dont fail to get our prices before buying your crockery as we can **save you a lot of money.**

We ship goods to every town on the Crow. Give us an order and be convinced that we are **Prompt** and **Careful Shippers** and **Big Money Savers.**

Could Understand Music One of Cozad's Dogs Understood Difference Between Tunes.

That dogs have acute reasoning powers no one who has such a pet will deny. As an evidence of this, Prof. Cozad of Cozad's Dog, Pony, Monkey and Goat Circus that will exhibit soon in this city, tells a story of one of his own performing dogs that best illustrates canine intelligence. One of the pleasing acts with the show is a group of various kinds of dogs, ponies and monkeys group together upon steps of varying height until the whole forms a pedestal of considerable height and attractiveness. The pedestal is then revolved slowly and the motive power used is a large dog named "Eureka. The latter is a great personal pet of Prof. Cozad and when not in the arena is found on the front door of the tent with his owner but as soon as the music starts up for his particular act he quietly steals into the tent and revolves the pedestal. This done he returns to the door and again dozes. Of course there is special music for each of acts and evidently "Eureka soon became familiar with his particular cue, for one evening last week, the bandmaster changed the music without notice and when it came time for Eureka to report he failed to respond, the ringmaster was surprised at the delay and ran to the front door to get the dog but the latter could not seem to understand the affair at all. Prof. Cozad, however reasoned it out and for fun asked the bandmaster to install the old music back again. Sure enough at the next performance Eureka pricked up his ears upon hearing the familiar music and again ran to perform his duties at the handle of the pedestal, the reasoning powers of the dog was evident, said Prof. Co zad and we will stick to the same music hereafter all through the season. This is but one of a hundred interesting experiences Prof. Cozad could tell of his performing pets. Much interest is being excited by the forthcoming exhibition here.

Kootenay Steel Range

VENTILATED OVEN

The health of a family depends greatly upon the hygienic nature of the cooking.

The oven in the Kootenay Range is ventilated, and every dish baked in it is entirely free from the effects of pent-up cooking gases.

A perfectly ventilated oven is one of the most important features of a range, and yet it is given very little attention by most makers, and none whatever in most of the cheaply gotten-up ranges now offered to the public.

Sold by all enterprising dealers. Booklet free.

IN THE COUNTY COURT OF KOOTENAY HOLDEN AT FORT STEELE.

In Probate.

Notice is hereby given that on the 8th day of July 1905 it was ordered by J. A. Forin, Esq., Judge of the said Court, that James Ferguson Armstrong, Official Administrator for that portion of the County of Kootenay included in the Electoral District of Cranbrook and Fernie be administrator of all and singular the estate of James McLaughlin alias McLeachlin deceased intestate.

Every person indebted to the said deceased is required to make payment forthwith to the undersigned.

Every person having in possession effects belonging to the deceased is required forthwith to notify the undersigned.

Every Creditor or other person having any claim upon or interest in the distribution of the estate of the said deceased is required to send before the 15th day of August next, by registered letter, addressed to the undersigned, his name and address and the full particulars of his claim or interest, and a statement of his account and the nature of his security (if any) held by him.

After the said 15th day of August, 1905 the Administrator will proceed with the distribution of the estate having regard to those claims only of which he shall have had notice.

Dated at Cranbrook, this 10th day of July, 1905.

J. F. ARMSTRONG,
20 Official Administrator.

ONLY THE BEST FOR THE WEST

McClary's Kootenay Steele Range a Huge Success in British Columbia.

With this issue the McClary Mfg. Co., of London, Ont. start their Range advertising for the fall trade and we notice that they are specializing on their famous Kootenay Steel Range. This Range was built for the trade of the West and takes its name from the West. This fact alone proves the importance with which Canada's largest manufacturers in the East regards our province.

The "Kootenay" is indeed a handsome and substantial looking range and is built to stand the severest kind of work and at the same time possesses every modern improvement known in the stove world. It's makers, the McClary Manufacturing Co., are well known in British Columbia, having for many years had a branch warehouse and office in Vancouver. This branch is managed by Mr. W. E. Drake, who is well and popularly known to the trade and has built up a large trade in the various McClary lines.

LICENCES FOR SELLING NURSERY STOCK.

Attention is directed to the Provisions of Sec. 17 of the Horticultural Board Act which reads as follows:

"No person, firm or corporation shall engage "or continue in the business of selling, as "principal, agent, solicitor, or otherwise, "within the Province, fruit trees, plants or "nursery stock, or of importing for sale, fruit "trees, plants or nursery stock into the Province, without first having obtained a licence "to carry on such business in the Province as "in this Act provided".

All persons authorized to sell nursery stock in this Province are required by their principals, or by themselves to deposit bonds, in the Department of Agriculture, Victoria, for the faithful performance of their obligations. The public is therefore warned not to purchase nursery stock except from duly licenced persons.

Office of the Board of Horticulture.
Department of Agriculture.
Victoria, 29th July, 1905.

J. R. ANDERSON.
Deputy Minister of Agriculture.
Secretary.
