Joint Meeting

City Council and Board of Trade in Committee

A joint meeting of the City Council and a Committee from the Board of Trade was held in the Council Chamber on Wednesday evening to consider the following petition:

"To the Mayor and City Council of the City of Cranbrook

"WHEREAS, it has come to the notice of the Cranbrook Board of Trade that the contract for the construction of the Municipal Building has been let, providing for a frame superstructure, and whereas the time has arrived when substantial FIRE PROOF buildings should be erected within the fire limits of the city, and in view of the fact that the Council has under consideration a restrictive building by-law, we the undersigned property holders and citizens of the City of Cranbrook do hereby petition that the City Council do re-consider the plans of construction of this building so that the superstructure be composed of brick instead of lumber, as planned.

The above petition was largely signed by many of the representative citizens of Cranbrook.

There were present at the meeting, Mayor Fink, and Aldermen Green, Jackson, Patmore and Campbell, Messrs. E. Elwell, J. Arnold, A. B. Macdonald, W. D. Gurd, M. A. Beale, Chas. Ward, Wm. Cameron, Chas. E. Little, R. B. Benedict, Ira Manning, W. F. Atchison, and Mr. Pye were present in the interest of the Board of Trade.

Mayor Fink called the meeting to order, saying that the Council would consider the request of the Board of Trade, and citizens, and that while the Council were a unit in favor of erecting a brick building which would be an ornament and needful structure to the City, it was a question of finance, which the property holders of Cranbrook would have to assent to, and give their approval thereto. Also that the Council desired and would expect the earnest co-operation of the Board in this matter.

Mr. E. Elwell, said that he had been requested by the Board of Trade to circulate the petition among the property holders for their signature, and that every one that he had approached were unanimous in favor of a brick building. That the initial expense would be somewhat larger, but, that as time went on, the saving in insurance, and the stability of the building would more than compensate for the increased outlay. It was his opinion, that hereafter all buildings constructed inside of the fire limits should be of brick, cement or stone.

Mayor Fink said "That the Council after serious consideration thought it would be better to contract for the cement foundation, as that work should be done before winter closed in, that the foundation could be enlarged so as to carry walls of brick, with but little change in the present plans of the building."

Mr. A. B. Macdonald was of the opinion that an estimate of the increased cost should be obtained from contractor Leask, and if not more than 20 to 25 per cent more than the original figures, the building should be constructed of brick, and that done at once, as the City was in need of a proper civic building.

Contractor Geo R. Leask, said: "that the estimates would have to be made by the architect, the quality of brick ascertained, also the extent and cost of enlarging the foundation to carry with safety a superstructure of brick."

Mr. Pye, thought that at the present time a large portion of the business section of the city was nothing more than a fire trap, that the council should take the initiative and show the people of Cranbrook that fire proof buildings were a necessity, that all future buildings to be constructed inside the fire limits, should be of brick or other suitable material that would be as near fire proof as possible. That as the petition was so largely signed by the business men of the city this fact would be recognized, and that the consent of the majority of the property holders obtained, at an early date.

W. F. Gurd, said: "that he was heartily in accord with the action of the Board of Trade, and in sympathy with what previous speakers had said, that substantial brick buildings especially in the business portion of the city were a necessity, and that a restrictive by-law should be passed covering the construction of buildings to be constructed inside of the fire limits so as to have them as near fire proof as possible.

W. H. Wilson, was not on the committee, but was interested in the fire protection of the city. He thought that the extra expense the city would be put to in erecting a brick building would be appreciated as an example by others, and that the majority of the rate payers would be in favor of the city erecting a substantial brick building.

Alderman Jackson, referred to former petitions and by-laws that were turned down by the property holders, that he was in favor of a brick Municipal building, but where was the council to get the necessary money to cover this extra cost of construction. The only way was to secure the consent of the property holders, and if they saw fit to accept and show their appreciation by voting for the extra expenditure, he was sure that the council would give them what they wanted.

Mr. Ira Manning stated that property holders had signed the petition, and that none had refused to sign.

Mayor Fink, stated that there was not sufficient funds available to complete the building, and that no provision could be made to secure the necessary amount except by the consent of the rate payers.

Mr. Ira Manning thought that the rate payers would support a by-law giving the council the power to secure the amount needed to complete the building of brick.

Alderman Green said that he was in favor of erecting a substantial brick building.

Alderman Jackson, seconded by Alderman Campbell, moved that a committee consisting of Mayor Fink, Alderman Patmore, R. B. Benedict, the City Engineer, and Contractor Leask, be a committee to wait upon the architect, and get an estimate of the cost of a brick superstructure, and report to the Counci, and Board of Trade at a joint meeting to be held on Friday evening, in the Council chamber. The motion was unanimously carried.

The meeting adjourned until Friday evening.

Premier Equal to Any Occasion

Gives British Columbia Economical, Straightforward and Progressive Government

The Toronto News refers editorially to Premier McBride as follows:

McBride of British Columbia, has become almost a national figure although he is only at the beginning of his career. He has rescued the affairs of his province from chaos. He has established stable and continuous government. He has restored the provincial finances. He has almost effaced the memory of feeble resolutions and hopeless incompetence. He has charm of manner, an impressive presence and that personal magnetism which contributes so greatly to political success. Under his leadership the Conservative party holds almost every seat in the legislature and has left to the Ottawa government only a single constituency in the province. He enjoys the confidence of all classes and he seems to be equal to any occasion. Only a man of breadth of mind and wholesome temper could have taken his attitude towards Sir Willrid Laurier when the federal prime minister visited the coast a few months ago. What is far more to his credit is the admission on all hands that he is giving British Columbia economical, straight-forward and progressive government. He is using his power wisely and soberly and repaying the confidence of the province with an active and capable administratian ol its affairs. He serves a noble province, to be perhaps the wealthiest in the Confederation and if he continues as he has begun, he will establish standards which will make any relapse into feeble, slovenly, or corrupt methods very difficult. Altogether the west has leaders equal to its problems and the Conservative party certainly has not need to fear comparison with its opponents.

ELECT OFFICERS.

An assembly of Selkirk Preceptory was held in the Masonic Temple on Monday evening. The principal business was the election of officers for the ensuing year.

The following officers were elected: Sir Knight D. J. McSweyn, P. P. Sir Knight F. B. Miles, C., and Sir Knight, W. H. Wilson, M.

A. S. Goodeve, M. P. left Rossland Friday for Ottawa, to attend a session ol the federa, parliament which opens on November 11. He expects to stay over at Winnipeg to meet the central committee of the Selkirk Centennial exposition.

CONSERVATIVE CONVENTION

A large and representative meeting of the Conservatives of Cranbrook District was held in the parlors of the Royal Hotel on Monday evening.

The meeting was called to order by T. T. McVittie, of Fort Steele, President of the district association.

G. W. F. C. Carter, secretary, read the minutes of the last annual meeting, which on motion were adopted as read.

Mr. Carter resigned as secretary, and on motion of Messrs Staples and Watts, V. A. Rollins was elected to fill the position until the election of officers at the next annual meeting of the association.

The following delegates were then nominated, and elected to attend the Provincial convention to be held in Nelson on the 17th inst.

A. B. Fenwick, of Fort Steele; Otis Staples, of Wycliffe; A. E. Watts of Wattsburg; F. J. Smythe, of Moyie; V. A. Rollins, to represent Wardner; A. B. Grace, Wasa; D. J. Elmer Marysville; A. J. Balment, A. H. Thompson and John Reed, Cranbrook

Alternates:

D. J. Johnson, E. A. Hill, Dr. Rutledge, T. Sowerbuts, H. Y. Parker, J. B. Hall, W. H. Stewart, A. Doyle, J. D. McBride and J. A. Macdonald.

All delegates and alternates elected have signified their intention of attending the convention.

After the election of delegates and alternates, Messrs. T. Caven, M. P. P., Otis Staples, A. E. Watts, E. A. Hill, and others in timely and appropriate remaks addressed the convenpriate remarks addressed the convenIt was moved by Messrs. Watts and Staples, that the annual meeting of the District Association, for the election of officers be held on Friday November, 25th.

The canvention closed at 10-30 p.m.

London, Nov. 7.—King George has issued a proclamation fixing the date of the coronation for June 22nd.

CONSERVATIVE PROSPECTS

C. A. Magrath, of Medicine Hat, when interviewed in Ottawa in regard to Sir Wilfrid Laurier's western tour declared positively that whereas he formerly had doubts as to the strength of the Conservative party in his constituency, he has now no fear of the result. "In fact," he said, "I would be surer of winning with Sir Wilfrid Laurier himself as my opponent than I would be with any one else."

EAST KOOTENAY SURVEYS.

In East Kootenay Mr. S. J. Schofield has mapped an area in the vicinity of Marysville and Kimberley, including the Sullivan and certain copper properties up the St. Mary's river. The Stemwinder and North Star mines, both of which are at present idle, are also included in this map. Mr. Schofield's work was concluded this year, and all the material is ready for preparing for the map and report.

RESIGNS YALE SEAT.

Victoria, Nov. 9.—Premier McBride today forwarded to Speaker Eberts his resignation of his seat in the legislature for Yale and a writ will be issued for a bye-election. The dates of nomination and election in connection with will be made public in the course of a few days.

PLAY WEEK

At The Cranbrook Opera House.

A real comedy of merit is what can be said of "A Bachelor's Honeymoon" which is booked at the Opera House for Saturday November 12. The play is full of clean cut comedy and original and funny situations. Benjamin Bachelor is a widower with two daughters, twins, and is completely un-nerved at the thought of his sister a straight laced puritan, finding that he had married an actress. His c,uusy attempt to keep his newly wedded wife from finding he has two grown daughters leads to some extremely ludicrous scenes.

On Tuesday the 15th, the Royal Welsh Ladies Choir, of Cardiff, Wales, will be at the Opera House.

On Wednesday the 16th,"Ole Olson" which comes to the Opera House, has distanced every other offering, musical or dramatic, that started on equal terms eighteen years ago, and "that is going some!" Most of those productions are accumulating spider-webs in storage. Perhaps not another play of any kind has had such a long run from year to year on the road. There is a reason. Go and see "Ole." You can then understand why it outlives the others.

The Dominion census, which will be taken next summer, will show that British Columbia has at least 300,000 people. At present this province is represented in the Dominion House by seven members. The census of 1901 showed the population of the Province to be 190,000, and if the census of 1911 shows 300,000, according to the British North American Act, will give British Columbia twelve members.

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

CORPORATION OF THE CITY OF CRANBROOK

B -LAW NO. 88

A By-Law to raise the sum of Fifteen thousand dollars, ($15,000.00) by debentures for the purpose of completing the erection of, and equiping Municipal Buildings and the City Lock-up or Jail.

WHEREAS a petition has been presented to the Municipal Council of the Corporation of the City of Cranbrook signed by the owners of at least one tenth (1-10th) of the value of the rateable lands and improvements in the City as shown by the last Revised Assessment Roll, requesting the said Council to introduce a By-Law to raise the sum of Fifteen Thousand Dollars ($15,000.00) for the purpose of completing the *erection of and equiping Municipal* Buildings, and a Lock-up or Jail for the City of Cranbrook.

And Whereas for the purpose aforesaid it will be necessary to borrow the sum of Fifteen Thousand Dollars ($15,000.00.)

And whereas the whole amount of the rateable lands and improvements of the said city according to the last Revised Assessment Roll is One Million Two Hundred and Twenty-six Thousand Six Hundred and Seventy-Five Dollars *($1,226,675.)*

And Whereas it will be requisite to raise annually by special rate for paying the said debt and interest, the sum of Nine Hundred and Ninety-Eight dollars and eight cents (998.08) whereof Seven Hundred and Fifty Dollars ($750.00) is to be so raised annually for payment of interest during the currency of the said debentures, and Two Hundred and Forty Eight Dollars and Eight Cents ($248.08) is to be so raised annually for the purpose of creating a sinking fund for payment of the debt secured by the said debentures.

And Whereas the present debenture indebtedness of the City of Cranbrook is One Hundred and Thirty-two Thousand, Two Hundred and Thirty Dollars and Sixty eight Cents ($132,230.68.)

And Whereas the Municipal Council has power to pass By-Laws for contracting debts, by borrowing money or otherwise and for levying rates for payment of such debts on the rateable lands and improvements, either or both, or rateable real property of the Municipality,for any purpose within the jurisdiction of the council; but the aggregate of such debts, except for works of local improvement and school purposes shall not exceed Twenty per cent. (20 p.c.) of the assessed value of the lands and improvements or the real property of the Municipality according to the last Revised Assessment Roll.

And Whereas the present debenture indebtedness of the City of Cranbrook, other than the indebtedness for works of local improvement and for school purposes is Ninety Eight *Thousand, Two Hundred and Eighty-*Nine Dollars and Eighteen Cents ($98,289.18.)

Now therefore, the Municipal Council of the Corporation of the City of Cranbrook in Council assembled, enacts as fol,ows:—

1. It shall and may be lawful for the Mayor of the Corporation of the City of Cranbrook to borrow upon the credit of said Corporation by way of debentures, here-in-after mentioned, from any person or persons, body or *bodies corporate, who may be* willing to advance the same as a loan, a sum of money not exceeding in the whole, the sum of Fifteen Thousand Dollars ($15,000) and to cause all such sums so raised or received to be paid into the hands of the Treasurer of the said Corporation for the purpose and with the object here-in-before recited.

2. It shall be lawful for the Mayor of the said Corporation to cause any number of debentures to be made, executed and issued for such sum or sums as may be required for the purpose and object aforesaid, not exceeding, however, the sum of Fifteen Thousand Dollars ($15,000), each of the said debentures being of the denomination of Five Hundred Do,-lars ($500.00), and all such debentures shall be sealed with the seal of the Corporation and signed by the Mayor thereof.

3. The said debentures shall bear date the 28th day of December, 1910, payable within Thirty-Five years from the said date, in lawful money of Canada, at the office of the Imperial Bank of Canada in Cranbrook aforesaid, which said place of payment shall be designated by the said debentures, and shall have attached *to them coupons for the payment of* principal and interest respectively, and the signatures to the said coupons may be either written, stamped, rinted or lithographed.

4 The said debentures shall bear interest at the rate of Five (5) per cent. per annum from the date thereof and the principal and interest on the unpaid principal shall be payable in equal instalments annually at the *said office of the Imperial Bank of* Canada in Cranbrook aforesaid, in lawful money of Canada, on the 28th day of December in each year during the currency thereof, and it shall be expressed in said debentures and conpons to be so payable.

5. It shall be lawful for the Mayor of the said Corporation to negotiate and sell the said debentures for less than par, but in no case shall the said debentures be negotiated or sold for less than Ninety per centum *(90 p.c.) of their face value,* including the cost of negotiating and sale, brokerage and all other incidental expenses.

6. During the currency of the said debentures there shall be raised and levied in each year by special rate sufficient therefor, on all the rateable lands and improvements in the said Municipality, the sum of Seven Hundred and Fifty Dollars ($750.00) for payment of the interest on the said debentures, and *the said sum of Two Hundred and* Forty-Eight Dollars and Eight Cents ($248.08), for the purpose of creating a sinking fund for the payment of the debt hereby secured, making in all the sum of Nine Hundred and Ninety-Eight Dollars and Eight Cents ($998.08) to be raised annually by special rate aforesaid during each of the said Thirty-Five years.

7. It shall be lawful for the said Municipal Council to repurchase any of the said debentures upon such *terms as may be agreed upon* with the legal holder or holders thereof, or any part thereof whether at the time of sale or any subsequent time or times, and all debentures so repurchased shall forthwith be cancelled and destroyed and no re-issue of debentures so re-purchased shall be made in consequence of such repurchase.

8. This By-Law shall take effect on and after the 15th day of December, A. D. 1910.

9. This By-Law may be cited for all purposes as the "City of Cranbrook Debenture Loan By-Law No. 7."

Read the First, Second and Third times on the 11th day of November, 1910.

Received the assent of the electors on the ..... day of November, 1910.

TAKE NOTICE that the above is a true copy of the proposed By-Law upon which the vote of the Municipality will be taken at the Municipal Building, Baker Street, on Monday, the 28th Day of November, 1910, between the hours of 9 o'clock in the morning (10 o'clock a. m. local time) and 7 o'clock in the evening (8 o'clock p. m. local time.)

THOS. M. ROBERTS,
Clerk to the Municipal Council.

ADJOURNED JOINT MEETING

A joint meeting of the City Council, and the Cranbrook Board of Trade was held in the Council Chamber on Friday evening to consider the matter of erecting a brick, *instead of a frame Municipal building.* There were present Mayor Fink, and Aldermen Green, Campbell, Patmore, and representatives of the Board of Trad?f

Mayor Fink called the meeting to order at 8-30 p. m.

It was moved by Aldermen Campbell and Patmore that leave be granted to introduce by-law No. 88, being cited as the City of Cranbrook Debenture Loan By-Law No. 7.

By-Law No. 88 was then read a first and second time.

The Council then resolved into a committee of the whole with the Mayor in the chair to consider by-law No. 88.

On rising the committee reported that by-law No. 88 had been consid*ered clause by clause,* and recommended it for its third reading.

On motion of Aldermen Campbell and Patmore by-law No. 88 was read a third time.

Aldermen Campbell and Patmore moved that "The votes of the electors on by-law No. 88 be taken between the hours of 9 o'clock (10 o'clock local time) in the morning, and 7 o'clock (8 o'clock local time) on the evening of the 18th day of November, 1910, and that T. M. Roberts be appointed Returning Officer, for taking the votes of the electors, with power to appoint a poll clerk.

Moved by Aldermen Campbell and Green, "Whereas a petition has been presented to the Council that a brick Municipal building and jail should be *constructed, that* Contractors G. R. Leask & Co, be reimbursed for expenses incurred to date.

City Solicitor to Mr. Leask,"while the Council recognize your position, no contract has been entered into, and that under the circumstances a new tender will be called for, reimbursing you for work performed and

Aldermen Campbell and Johnson

Aldermen Ca pbell and Johnson then moved that tenders be called for the construction of a Brick Municipal Building.

LIBERAL MEETING FAILS.

On September 29, an attempt was made in Victoria to hold a Liberal organization meeting, but it was a *complete failure.* Less than a dozen stalwarts of the party turned up at the gathering, and Mr. Ralph Smith, the newly appointed organizer, was so disgusted that he refused to address them. This incident shows how completely disheartened the Liberals of Victoria have become, and what an up-hill job has been entrusted to Mr. Smith by Sir Wilfrid Laurier.

The patrons of the Edison Theatre have had a fine week's entertainment provided for them. The pictures are excellent and with "Chinese" Harry Walton in the vaudeville, there has been a variety of comedy and roars of laughter have been the rule. In his comical sketch with Miss Florrie Baldwin he is excellent and Miss Baldwin fills her part very cleverly! The entertainment tonight will prove extra good as there will be the Cranbrook Orchestra in attendance; a good set of films; and the comical sketch "The Duke of Kanky-kee and the Maid" will be repeated by spec*ial* request.

Provincial Constable E. J. Tennant, of Athalmer, came in on the local Monday night from Alberta, having in charge, Wm. Moore, better known as "Buffalo Bill," who is charged with the abduction of a young girl of 13 years, named Evelyn Larsen. Moore left Athalmer about a month ago, and claims that the girl followed him through the Kansanskas Pass into Alberta. He was located on November 2nd at the Jackson ranch, near Pincher Creek, and was arrested by Constable Lea, of the N. W. M. P., and at Macleod handed over to Constable Tennant. The party left on Wednesday for Athalmer.

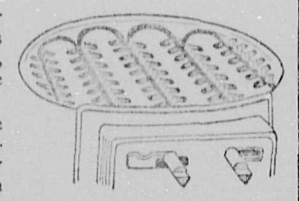
Each grate bar has three sides-long wear

When only *one* side of a grate bar is continually next to the fire all the wear is *concentrated* on that one side. The life of the grate bar is thus naturally just *one-third* as long as when the wear is *distributed* on *three* sides.

That explains why Sunshine grates have *three lives.* Each of the four grate bars has *three* sides. Each time the ashes are "rocked down" (no shaking with Sunshine) the side next to the fire can be changed. Thus the life of the grates is greatly prolonged.

When desired, the heavy bull dog teeth on the grates will seize hold of clinkers, grind them up, and drop the particles into the ash-pan.



Buy the Sunshine—the durable, convenient, economical furnace, *guaranteed* by largest furnace makers in British Empire. 52
