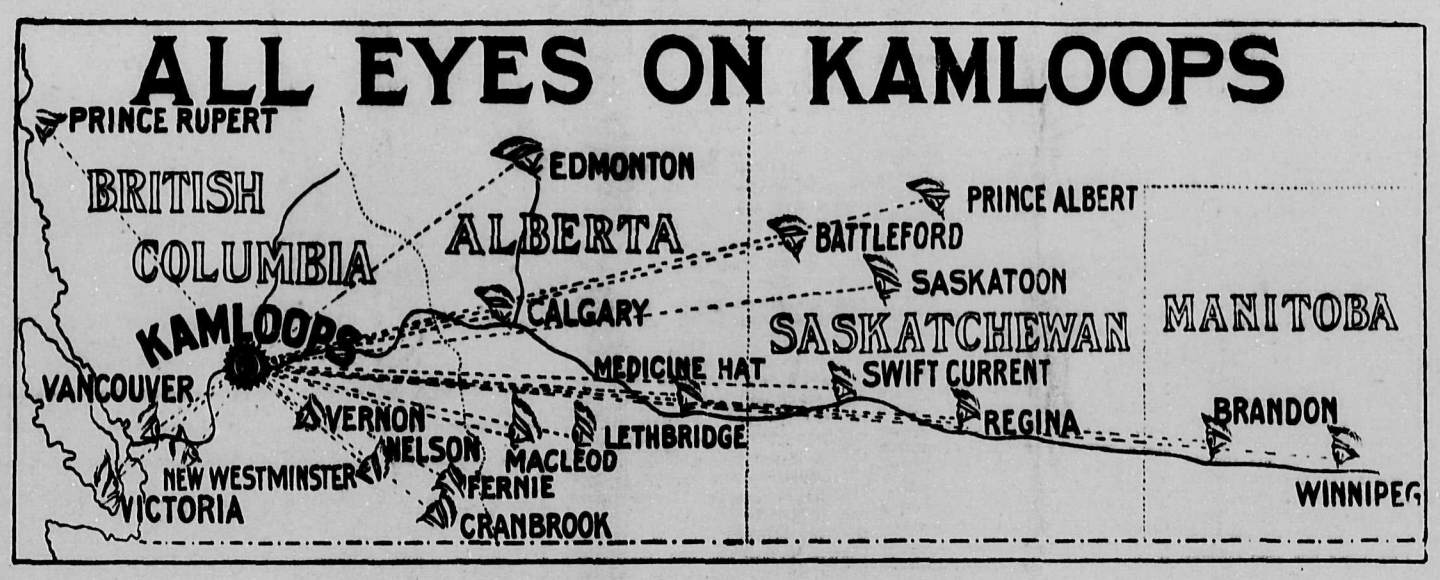
# The Prospector.

VOLUME 17 | CRANBROOK, BRITISH COLUMBIA, SATURDAY, MARCH 4, 1911 | NUMBER 9



# WHY?

## Because they have investigated that town.

Have you heard the details of its awakening? Do you know that it is the largest town between Calgary and Vancouver? Do you know that it is bound to be the great distributing point in the interior of British Columbia? Do you know that during the coming year, the work of building the Canadian Northern into that city will be commenced? Do you know that the C.P.R. is building an alternative freight route from Red Deer by the Yellow Head Pass to Kamloops? Do you know that the C.P.R. bought last fall $250,000 worth of property to enlarge its yards, shops and round houses and will build a new depot? Do you know that the Provincial government is to build a new $200,000 Old Men's Home? Do you know that a new Catholic convent costing $85,000 has just been completed? Do you know that the city is to build a new hospital costing $125,000? Do you know that the town has some 4,500 to 5,000 people? Do you know that the Government and the C.N.R. are to build at once a new traffic and railway bridge at Kamloops to cost $250,000? Do you know that the streets are all graded, cement sidewalks laid, residental streets paved? The climate is superb, the yards bowers of beauty, made so by flowers and vines that are in bloom to November 1st, and start to show life again in March. Do you know that the population will double in fifteen months, and within fifteen years the town will have at least 15,000 people? Do you know that the country is surrounded by magnificent farming and fruit lands, with mineral galore, and that Kamloops apples have won many prizes? Do you know there is no more beautiful place on earth to live? Well we do. We know all these things as well as a man can know anything that he has given a close study to. We have staked our all on Kamloops. Many others have done the same and made good.

## BECKMAN'S EDITION

Is only twelve blocks from the highest priced property in the town, a beautiful residential site commanding a magnificent view. Lots are selling from $210 to $490 each, but only half will be placed on sale--every other lot. Why? Because we feel confident in our own hearts that we will double our money on the other half next year. This is no cheap proposition, yet you can buy on terms of one-eighth down and five per cent per month for eighteen months. That gives a chance to sell in five or six months, and after a few payments would get the advantage of the increase. To make money we should buy before the increase.

**Lots on Sale after March 6th.** **F. E. SIMPSON, Real Estate Broker, Kamloops, B.C.**

## The Consequence Will Be—What?

### SEWERAGE BY-LAW DEFEATED

The Debenture by-law to raise the sum of $100,000 for the construction of a sewerage system was defeated on Tuesday through the property owners not taking sufficient interest in the matter, thinking that as a matter of necessity that it would pass, hence many remained away from the polls. The result of the election was 80 for, and 73 against it, with 2 spoiled ballots. As the necessary three-fifths were not obtained the Returning Officer declared its defeat.

### A WORD OF WARNING

Now that the sewerage by-law has been turned down by the people, The Prospector sounds a word of warning, which should be seriously considered.

Cranbrook is face to face with a situation that demands the most careful thought. With the breaking up of winter and the advent of spring, conditions will be precipitated that will imperil the health and well being of the people owing to the absence of any system of sanitation.

An epidemic seems inevitable unless some drastic measure of alleviation is speedily and carefully provided.

The city fathers, in their wisdom, foresaw the present conditions, and have been to considerable expense to solve the problem, and after nearly a year of investigation, realized that it was their duty, as well as the request of a large number of progressive citizens, to place before the people a means of providing for the safety of the city; but for some unknown reason the property owners have not seen fit to assist them by passing a by-law that would have given to the people that protection against disease which in the near future may take the form of an epidemic, costing thousands of dollars to eradicate.

Conditions in some parts of the city are deplorable and it begins to look as though the onus will rest largely with the property owner to work out a system of temporary sanitation. The city council, under the advice of competent medical experts, and a full and complete investigation of conditions, have in good faith done their duty, it now rests with the people.

Back yards, and premises, lanes and alleys should be thoroughly cleaned and all refuse and contaminating matter removed. Cesspools and privies should be cared for as well as all other sources of menace to public health. Danger lurks in the near future and every possible means will have to be organized to secure the public health. The city council has done all it can, the citizens should be sufficiently appreciative of the seriousness of the situation as to act promptly and efficiently, keeping their premises in the most sanitary condition possible.

### TO BUILD BRANCH

The C. P. R. has called for tenders for the construction of thirty miles of the Kootenay Central south from Golden. In addition to this some thirty miles is now under construction from the Crows Nest branch to a point north of Fort Steele. Ten miles of the grade from Golden were completed several years ago and the new section will be an extension through the Columbia valley, while the southern part is being constructed in the Kootenay valley.

The southern terminus will be Galloway station, on the Crows Nest branch, and Foley, Welsh and Stewart has the contract for its construction. The work on the south end is expected to be completed this year.

The opening of a direct line from the Crows Nest branch to Golden, tend to stimulate the influx of settlers to a region which has great agricultural and fruit growing possibilities. It will also revive mining in this district by giving property owners the necessary means of transportation of their ores to a market.

### REBEKAH SOCIAL

The collar social held by the Maple Leaf Rebekah Lodge on Wednesday evening, was a great success there being about sixty present.

Progressive whist was first indulged in, the prizes being awarded to Mrs. W. B. McFarlane a ring case, and Mr. J. B. Fletcher a neck tie. Refreshment were served, after which a short programme was rendered by the following: song, Miss McNeil; recitation, Miss A. M. Hickenbotham speech, Mrs. A. Gill; song Mrs. Patrick; speech Mrs. W. F. McFarlane, speech by Mr. J. B. Fletcher.

Music was then provided for all who cared to dance.

The committee consisting of Mrs. W. F. Cameron, Miss A. M. Hickenbotham, Miss Ella Johnston, Miss Dell Cameron, and Mr. J. C. Glenday, who were the means of providing such an enjoyable.

The chief of the fire department in Fernie is paid $115. The assistant chief gets $90 and six volunteer firemen who sleep in the fire hall, $10 each a month.

## The Bowling Leaguers' Necessary

On Wednesday evening a meeting of the Bowling League was held in the Y. M. C. A. Building to work out the general details and form a schedule for the coming season.

There have been six teams formed, and interesting games were undoubtedly result. Robt. Brown was appointed president of the league and L. J. Cranston, secretary-Treasurer.

A silver cup given by the "Entertainer" will be given to the team that tops the league. Individual members of the winning team will also be awarded.

Pending still further arrangements the teams will play off as per schedule:

Monday March 6th
Baker Street North vs C.P.R. Offices
Wednesday March 8th
Fink Mer. Co vs Y. M. C. A.
Thursday March 9th.
C.P.R. Shops vs Baker Street North
Friday March 10th.
C.P.R. Offices vs Baker Street North
Monday March 13th.
Y. M. C. A. vs C. P. R. Shops
Wednesday March 15th.
Fink Mer. Co. vs Baker Street North
Thursday March 16th.
Baker Street South vs Y. M. C. A.
Saturday March 18th.
C.P.R. Offices vs C. P. R. Shops

All men are cordially invited to drop in and watch these games. It makes no difference whether you are a member of the Y. M. C. A. or not. Come anyway and enjoy the games.

Prof. T. W. Shannon, a well known American lecturer on social subjects, is booked to address a series of meetings in this city on March 16th and 17th, under the auspices of the Y. M. C. A. During the first day and a half of his stay in town Prof. Shannon will address several meetings of workingmen at the C. P. R. shops and other central points, and on the evening of the second day he will deliver his famous lecture "Sour Grapes" in the Y. M. C. A. rooms. This lecture, dealing with the subject of heredity, has been most enthusiastically received wherever delivered throughout the United States and Canada.

### CRANBROOK DEFEATS MOYIE

In a very fast game Cranbrook Intermediates defeated the Moyie Intermediates, on Wednesday evening at the Arena Rink, by a score of 4-3

A second game was played during the evening by the Young Ladies of Moyie against the Young Ladies of of Cranbrook. The girls from Moyie won, the score was 1-0 in their favor.

On Tuesday night the Cosmopolitans defeated the Royal Hotel team by a score of 8-3.

These games were witnessed by a large crowd. Many coming from Moyie to "root" for the teams from the Silver City.

### FARM DAIRY COMPETITION

At a recent meeting of the B. C. Dairymen's Association the Directors decided to divide the Farm Dairy Competion which has already been in progress for one year, into two classes, in order that a number of our smaller dairymen in the Province may have a chance for competing for the cup, Medals, and honors and not to be compelled to compete against the larger dairies of the Province thus giving the small man an equal chance with the large one. In this matter the Directors are making arrangements for a cup, the name of which will be published later, but one which will be of equal importance to that of the larger trophy given by the Provincial Government. They are also giving three medals corresponding with those of the larger dairies.

The division of the competition into two lots is as follows: Those having five to fifteen cows milking, and the larger dairies those having over fifteen cows milking. This division should induce a larger number of our dairymen in the province to compete in this competition. All the expense that it requires is that they be members of the B. C. Dairymen's Association and hold themselves open for two inspections per year, by such judges as may be appointed by the Association.

For fuller particulars and entrance forms, apply to the Secretary of the of the B. C. Dairymen's Association, Victoria.

### WILL NOT WORK UNTIL MINE IS VENTILATED

Michel, Feb. 27.—Secretary Carter and Vice-President Stubbs of district 18 of the United Mine Workers of America, were in town Sunday to look into the situation arising out of the differences between the coal company and the miners regarding the ventilation in some mines at this place. When seen by a press representative, they stated that they had nothing new for publication further than to say that another meeting will be held Monday, which means that no work will be done at Michel.

The men seem to be determined in their stand as to better ventilation, and it looks as though nothing will be done until this matter is adjusted

# OUR ISSUE OF MARCH 11th WILL BE

**welcomed in every home in Cranbrook. There will be more to follow.**

## PEN-ANGLE UNDERWEAR

THAT is the name, and below is the trademark, you are to look for next time you buy underwear.

Your size in any garment with that trademark will fit perfectly, will outwear ordinary underwear, will not shrink. Yet you pay nothing extra for this extra value; and you get our Guarantee of "money back if you can fairly claim it."

Made at Paris in Canada, by PENMANS Limited. 51

## NORTH STAR HOTEL
## KIMBERLEY, B.C.

H. W. DREW, Proprietor.

## A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

## Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

## AUDITORIUM

James--who answers the bell ..... Renfrew Dickinson

### SYNOPSIS

ACT I.---Summer home of Mrs. Dare, Seaside, Long Island
ACT II.---Three months later
ACT III.---Same evening
TIME---Present

### FIFTY-SIX MILLIONS MORE NEEDED FOR RAILWAYS

A return placed on the table of the commons on Monday shows that up to December 21 last a total of $89,553,740 has been spent on the National Transcontinental railway construction. It is estimated that it will take $55,785,999 more to complete the road between Winnipeg and Moncton. The total mileage of track laid is 1236.

### WATER POWERS KEYNOTE OF RIVALRY WITH STATES

"Trade rivals, we and our neighbors to the south of us, must ever be in the highways and byways of this world, and our water-powers will be the keynote of that rivalry," declared Charles A. Magrath, M. P. for Lethbridge, Alta., addressing the Canadian club Monday on western water questions, at Montreal.

Introducing his remarks on irrigation in western Canada, Mr. Magrath said "In the west we are running mad, I believe, in the growing of wheat and our farmers are not distributing their energies as they should. The value of irrigated lands is that they make one crop farming impossible." The great menace of the west, the speaker, said was that with the population it would be called upon to carry in the future it was a question if there would be sufficient water for the domestic uses and the work of providing for it by scientific methods was not to be delayed.

### WEST NOT FOR RECIPROCITY

When the reciprocity treaty came before parliament at Ottawa, government organs rejoiced over an expected diversion in the Conservative party. They assumed that western influence would be so strong for reprocity that Conservative members from that part of Canada would not dare to oppose the measure. Now we find the Winnipeg Board of Trade, comprising leading business men of both parties, condemning the proposition by a vote of five or six to one and the Manitoba Legislature voting down a reciprocity resolution by a majority of 26 to 12.—News Advertiser.

### LAND FOR A COLLEGE

A bill providing ror the reservation of 175 acres at Point Grey, Vancouver, for a British Columbia University, has been laid before the legislature by Dr. Young. He said that the foreshore had been set aside so that no mercantile or industrial establishment would encroach on the university. He hoped that a school of law would be established, but did not think that a medical college could be looked for in this province for many years. An agricultural would be part of university training, and he said he hoped to see experimental farms in different parts of the province.

An amendment to the land act, making it impossible to obtain coal leases on land under reserve, reducing land leases from 1,000 to 640 acres and providing for a bureau of surveys, was introduced by Mr. Ross. He also submitted an amendment to the coal mines act, increasing the price of coal lands from $5 to $15 and $10 to $20 an acre. The same minister introduced an amendment to the water act, increasing the supervision and activity of the water board and providing that water carrying companies shall be brought under the government's jurisdiction. Another bill was introduced respecting maps of Bulkley valley, the minister stating that the result would be to open the district to settlers.

### TEACH IN CANADA

In response to an urgent invitation from the minister of agriculture of British Co,umbia, the farm demonstration train which the state college, of Washington, in conjunction with the Great Northern Railway company, is to operate over the Spokane Falls & Northern, will spend one day in the British Columbia towns. The department of agriculture of the province will assist in the work on foreign soil, sending men from the department at Victoria.

The trip extends from March 22 to March 30, inclusive, and the list of towns number 27. The final dates and hours are being arranged by Superintendent Ashby and the railway officials.

The list of towns at which the farm special will stop are as follows:

Deer Park, Clayton, Loon Lake, Springdale, Valley, Chewelah, Addy, Colville, Meyers Falls, Fruitville, Salino, Ymir, Nelson, Northport, Bossburg, Marcus, Orient, Grand Forks, Curlew, Republic, Malo, Myncaster, Molson, Princeton, Hedley, Keremeos and Oroville.

The special domestic science demonstration and exhibits which are to be the feature of this farm train are now being arranged by Miss Mackay, head of the college domestic science department.

Owing to the paper not having arived from the mills it is impossible for us to give the people of Cranbrook an eight page paper this week. Next week, the March 11 issue, you shall have one.

Mr. Martin Burrell, Conservative member for Yale-Cariboo, contributed a valuable and most important speech to the reciprocity debate. It is no easy task for anyone to follow Mr. R. L. Borden and Hon. Geo. E. Foster but it may be said without flattery that Mr. Burrell's speech was not surpassed by those which preceded him. He lacks the scathing invective and vitriolic sarcasm of Foster and the flashes of eloquence which characterise Mr. Borden at his best. But no member of the House has a better Parliamentary manner than the member for Yale-Cariboo. His speech on the reciprocity debate was followed closely by members on both sides of the house. It was recognized that he would speak on the Fruit-growing industry with the authority of an expert. From 1883 to 1899 Mr. Burrel was a successful fruit-grower in the Niagara district; since then, he has been one of the leading men in the rapidly growing fruit industry of British Columbia. He was not to be put off by Sir Wilfrid Laurier's suggestion that Montreal melons could be had at Delmomico's.

Mr. Burrell did not view the question of reciprocity from a purely commercial standpoint. He admitted that his opposition was not entirely based on the injury to the fruit industry. This only made all the stronger the array of facts and figures which he presented to prove that the Fielding-Knox arrangement would deal a death blow to the Canadian fruit industry in the Niagara district and on the Pacific Coast. Mr. Paterson, the Minister of Customs, learned to his sorrow that Mr. Burrell knew what he was talking about. In 1907 the minister from his place in the House had declared in favor of a tariff against American fruit. He tried to explain this during Mr. Burrell's speech by saying that at that time the United States maintained a tariff against Canadian fruit while under the reciprocity arrangement fruit would be on the free list of both countries. In reply Mr. Burrell pointed out that the fruit-growers could not be compensated for the loss of the home market by the removal of the American duty. During the past year for example the Canadian tariff has been higher than the American tariff yet we imported six times as much fruit as we exported.

Mr. Burrell was especially strong in dealing with the situation of British Columbia. To deprive the British Columbian fruit-grower of his market in the prairie provinces he declared was to destroy his business. Whatever may be said as to other schedules it is most unlikely that any reply will be found to Mr. Burrell's arraingement of the gross injustice to Canada perpetrated by the fruit schedule annexed to the reciprocity agreement.

Western Liberals are having a hard time these days voting down the demands of their constituents. They squirmed when Mr. Meighen (Portage la Prairie), presented his resolution calling for a reduction of the duty on agricultural implements. They were even more unhappy when Dr. Schaffner (Souris), moved the resolution in favor of the Dominion operating terminal and transfer grain elevators. Dr. Schaffner made an admirable presentation of a question very difficult for Eastern people to understand. His speech was temperate and devoid of party politics. He had his facts well in hand and they were all supported by declarations made in and out of the House by Western Liberal members. Mr. Martin of Regina found the fire too much for him and absented himself from the Chamber during the greater part of the debate.

Messrs. Lake Qu'Appelle,) Heron (Alberta,) and practically all the Manitoba Conservatives ranged themselves on the side of Dr. Shaffner in favor of granting the popular demand far Government operation of terminal and transfer elevators. It was a melancholy picture, the Liberals from the West, rising one after another to swallow their principles and to vote against the interests of their constituents. They were led by Hon. Frank Oliver who has no chance of ever getting back to Ottawa anyhow and probably smiled to himself as his unfortunate colleagues followed him to popular disfavor. It is hard to imagine anything that a Grit member of Parliament will not vote for or against at the nod of Sir Wilfrid Laurier.

The Laurier Government treats the Fruit-growers' with great contempt. While Mr. Burrell, their acknowledged spokesman and practical expert, was presenting their case to the House of Commons, only two Ministers of the Crown troubled themselves to listen. One of these the Hon. Sidney Fisher, was carrying on an audible conversation with a Liberal member from the province of Quebec; the other, Mr. Templeman of British Columbia, indicated his indifference by staring at the ceiling while busily engaged chewing gum.

### CANADA'S LAND FORCES

"We intend to carry out Sir John French's report so far as the whole force in Canada is concerned, perhaps not as rapidly as we would like, but not less rapidly than we have been progressing in this department in the past seven or eight years. The artillery will be increased to the strength it should have and the cavalry and infantry also. Necessary armament will be supplies as rapidly as possible and divisions made as the General's report suggested." This announcement made by Sir Frederick Borden, Minister of Militia and Defence to the annual meeting of the Canadian Artillery Association in the committee rooms of the House of Commons on Thursday afternoon, last, elicited prolonged cheers and enthusiasm from members. Sir Frederick said that the report had been eminently pleasant reading to him insofar as the artillery of Canada was concerned, and he thought should be very satisfactory to the militia as a whole. General French had not considered in his report and had not been expected to do so, difficulties existing in Canada as regards forming of regiments, getting officers, and men etc. He had been expected to report on the force as he found it, as a unit ready to take the field, and he had done so.

### Georgia Bandit

Gainesville, Ga., Feb. 27.—George Anderson, who, according to his companions, was the leader of the gang which held up and robbed the Southern railway fast mail on February 18 near White Sulphur Springs, has been indentified by detectives of the Pinkerton agency as A. E. (Old Bill) Miner, a notorious stagecoach and train robber of the northwest. According to Detective Minister, who is working on the case, Anderson bears numerous marks which tally with those of Miner.

Reports that there were five robbers in the gang which held up the Southern train are being investigated. Conductor Mooney, in charge of the train, said there were five men and a women running a boarding house at Dalton, Ga., say fed two others besides the three men now held for the crime. No trace of the other two has been found.

### "DUG WAY OUT OF PENN"

Vancouver, Feb. 27.—Three years ago, almost to a day, Bill Miner obtained his freedom by drilling a hole under the fence at the penitentiary at New Westminster. He had been sentenced to a life term, along with two robbers, for holding up a Canadian Pacific railway train near Kamloops in 1907. Miner and his party got several sacks of registered mail which was said at the time to have included $100,000 worth of the debentures of some Australian shipping concern sent to Sydney. The hold up was on Saturday night and early Sunday morning a posse, headed by Canadian Pacific detectives, found the robbers had crossed the Fraser river and headed across the international boundary only a few miles away. Bill was captured a few weeks later in his cabin in the Similkameen district.

The escape of Miner made a great scandal and was aired in the Canadian parliament at Ottawa, where it was alleged that Bill was permitted to get away. It was supposed he used the debentures to ransom himself.

### Stand to Lose

Hon. Richard McBride, cables the "London Daily Espress" as follows: "I strongly object to the reciprocity agreement. There is no necessity for such nor any general demand for it in Canada. Reciprocity will suddenly dislocate Canada's present trade and divert a great deal of it to the advantage of the United States. This will have an effect on our trade with Britain, which is our best customer and at present absorbs the greater part of our exports.

"It will not tend advantageously towards the early solution of the problem of Imperial federation. Undoubtedly the United States was actuated by a desire to secure control of Canadian resources and at the same time secure a larger share of the Canadian market for her own manufactures.

"On the other hand, Canada's better plan is to trade as freely as possible with the Motherland and the other parts of the Empire to mutual advantage instead of tieing her hands with an outside country, which may at any time decide to end the agreement, with the result that Canada's trade will be again dislocated.

"The people of Canada should have been consulted before making any agreement. The Dominion Government has departed from the policy laid down by Conservative and Liberal governments to consult fully all interests before making extensive changes in the tariff."

Mrs. Slater entertained quite a large number of ladies at her house party last Wednesday.

The defeat of the sewerage by-law was a surprise to the progressive citizens of Cranbrook.

## CORPORATION OF THE CITY OF CRANBROOK

### BY-LAW NO. 76

A By-Law to raise the sum of One hundred thousand dollars ($100,000.00 by debentures for the purpose of installing, and constructing a sewerage system in and in the vicinity of the City of Cranbrook.

WHEREAS a petition has been presented to the Municipal Council of the Corporation of the City of Cranbrook signed by the owners of at least one-tenth of the value of the rateable lands and improvements in the said City as shown by the last Revised Assessment Roll, requesting the said Council to introduce a By-Law to raise the sum of One hundred thousand dollars ($100,000) for the purpose of installing, and constructing a sewerage system in and in the vicinity of the City of Cranbrook.

AND WHEREAS for the purposes aforesaid, it will be necessary to borrow the sum of One hundred thousand dollars ($100,000)

AND WHEREAS the whole amount of the rateable lands and improvements of the City according to the last Revised Assessment Roll is $1,226,675.00.

AND WHEREAS the amount of the existing debenture indebtedness of the City af Cranbrook is $132,230.68.

AND WHEREAS the Municipal Council has power to pass By-Laws for contracting debts, by borrowing money or otherwise and for levying rates for payment of such debts on the rateable lands and improvements, either or both, or rateable real property of the Municipality for any purpose within the jurisdiction of the Council; but the aggregate of such debts, except for works of local improvement and for school purposes, shall not exceed twenty per cent (20 p. c.) of the assessed value of the lands and improvements or the real property of the Municipality according to the last Revised Assessment Roll.

AND WHEREAS the present debenture indebtedness of the City of Cranbrook, other than the indebtedness for works of local improvement and for school purposes is $98,289.18.

AND WHEREAS it will be requisite to raise annually by rate the sum of $1,326.30 to provide for a sinking fund to pay the said debt and the sum of $5,000.00 to pay interest.

NOW THEREFORE the Municipal Council of the Corporation of the City of Cranbrook in Council assembled, enacts as follows:

1. It shall and may be lawful for the Mayor of the Corporation of the City of Cranbrook to borrow upon the credit of the said corporation, by way of the debentures hereinafter mentioned, from any person or persons, body or bodies corporate, who may be willing to advance the same as a loan, a sum of money not exceeding on the whole, the sum of One hundred thousand dollars ($100,000.-00) and to cause all such sums so raised or received to be paid into the hands of the treasurer of the said corporation, for the purpose and with the object hereinbefore recited.

2. It shall be lawful for the Mayor of the said Corporation to cause any number of debentures to be made, executed and issued for such sum or sums as may be required for the purposes and object aforesaid, not exceeding, however, the sum of One hundred dollars ($100,000.00) each of the said debentures being of the denomination of One thousand dollars ($1,000.00) and all such debentures shall be sealed with the seal of the Corporation and signed by the Mayor thereof.

3. The said debentures shall bear date the 3rd day of July, A. D. 1911, and shall be made payable within Forty years from the said date in lawful money of Canada, at the office of the said Corporation in Cranbrook aforesaid, which said place of payment shall be designated by the said debentures.

4. The said debentures shall bear interest at the rate of Five per centum (5 per cent) per annum from the date thereof, payable yearly at the offices of the said Corporation in Cranbrook aforesaid on the 3rd day of July in each and every year during the currency thereof and shall have attached to them coupons for the payment of the said interest, which coupons shall be signed by the Mayor and the signature to the said coupons may be either written, stamped, printed or lithographed.

5. During the currency of the said debentures, there shall be raised annually by special rate on all the rateable lands in the said City of Cranbrook, the said sum of $5,000, for payment of the said interest on the said debentures, and the sum of $1,326.30 for the purpose of creating a sinking fund for payment of the debt hereby secured making in all the sum of $6,326.30 to be raised annually by special rate as aforesaid during each of the said forty years.

6. It shall be lawful for the Mayor of the said corporation to negotiate and sell the said debentures for less than par, but in no case shall the said debentures be negotiated or sold for less than ninety per centum (90 per cent) of their face value including the cost of negotiating and sale, brokerage and all other incidental expenses.

7. It shall be lawful for the said Municipal Council to repurchase any of the said debentures upon such terms as may be agreed upon with the legal holder or holders thereof, or any part thereof either at the time of sale or any subsequent time or times, and all debentures so repurchased shall forthwith be cancelled and destroyed and no re-issue of debentures so purchased shall be made in consequence of such re-purchase.

8. This By-Law shall take effect on and after the 1st day of April, A. D. 1911.

9. This By-Law may be cited for all purposes as the "City of Cranbrook Debenture Loan By-Law No. 8.

Read the 1st and 2nd time on the 26th day of April, 1910.

Read a third time on the 6th day of February, 1911.

TAKE NOTICE that the above is a true copy of the proposed by-law upon which the vote of the Municipality will be taken at the Municipal Building, Baker Street, on Tuesday, the 28th day of February, 1911, between the hours of 9 o'clock in the morning (10 a. m. local time) and 7 o'clock in the evening (8 o'clock p. m. local time).

THOS. M. ROBERTS,
Clerk to the Municipal Council.

## CITY OF CRANBROOK.

NOTICE is hereby given that on Tuesday, March 7th, 1911, the Court of Revision for the Municipality of the City of Cranbrook, B. C., will be held in the Council Chambers on the above date, at 10-30 a. m. (local ime) for the purpose of revising the Assessment for the City of Cranbrook. Those making complaints against their Assessments are required to have their protests in the hands of the City Clerk (10) days previous to the first sitting of the Court of Revision.

Dated at Cranbrook, B. C., this 16th day of January, 1911.

T. M. ROBERTS,
4-5 C. M. C.

Those who voted the reform ticket in the last municipal election should remember that one of the planks in their platform was a sewerage system at the earliest date possible. As both parties had declared themselves on this line, we fail to see why the by-law was defeated.

George Mead, formerly one of the proprietors of the Creston Hotel and who has purchased a hotel at Republic, Wash., accompanied by Mrs. Mead, left on Sunday last for Republic, where they will reside in the future.

A crowded audience at the Presbyterian church greeted the Salvation Army silver band from Winnipeg Monday night when this famous organization put on a capital program. Adjutant McElheney is the band leader and Charles Newman, bandmaster.

The trombone solo by H. Sanford was especially pleasing. "The Armour Train" imitating the various effects of an armored train passing under fire was strikingly rendered on the drum by B. Meadows. The choir in rendering John Brown's Body was the means of convulsing everyone with laughter. A selection by the band, "Songs of Gladness" as also "Invitation" and a march "The Wear Side March," the audience showed their appreciation by their hearty applause. Other items also were rendered.

G. H. Thompson in his address of welcome to the band congratulated them upon the work they were carrying out, their motives of undertaking this work being of the most unselfish kind. Adjutant McElheney in his reply said that Mr. Thompson had struck the right keynote when he made the remarks that the motives governing the men was unselfishness. As a matter of fact not a single man received the slightest remuneration for the work they were carrying on. On the other hand, they were at the lowest estimate, sacrificing about $2200 in wages alone to take part in this tour. The Cranbrook people have need to be proud of such a man as Captain Taylor was in their midst and of the work he is endeavoring to carry on. It is the captain's desire to see a Salvation Army band in Cranbrook. He had already various instruments and so Adjutant McElheney sprung a surprise on the audience as also on the captain himself by asking them if they could not raise $50.00 as their practical appreciation of his services, to help him pay for these instruments. A response of $37.50 was the result. Captain Taylor wishes to express his thanks to all those who have so generously helped to make the Winnipeg band's visit a success.

There will be an executive meeting of the District Conservative Association in the Royal Hotel parlors on Wednesday, March 8th, at 8 p. m.

Loco. Foreman's cottage at Red Deer.

Six stall addition to Standard No. 2 engine house Red Deer.

## MAIL FROM NORTH IS PILLAGED

Vancouver, Feb. 28.—When mail clerks went to the steamer Princess Beatrice for mail from the north, when the steamer arrived here at 2 o'clock this morning, they were thunderstruck to find that the registered mail had been systematically gone through and everything of value taken. It is impossible to obtain exact details as the police and post-office officials are saying but little but it is thought the robbers made a haul amounting to $38,000 as the mail included money and many packages of gold dust and nuggets. The police believe the robbery took place while the steamer was on the run from Skagway to Prince Rupert and that the robbers landed at the latter port. On the passenger list were 20 men who landed at Prince Rupert. Officials of the steamer were greatly surprised when told of the theft and they cannot see how it occurred as the mail room was guarded in the usual careful manner.

## SAIL IN JUNE

The Canadian military contingent for the coronation will sail from Quebec on the C. P. R. SS. Empress of Ireland on Friday June 2 and will return by SS. Empress of Britain on June 30. Several units will be mobilized at Quebec at least a week before the date of the sailing in order to get together.

## WEDDING ANNIVERSARY

Berlin, Feb. 27.—The German emperor and empress, who were married Feb. 27, 1881, when the former was Crown Prince William and the latter Princess Victoria of Schleswig-Holstein, today received innumerable messages of congratulations and many valuable presents on the occasion of their thirtieth wedding anniversary.

## ENDORSES RECIPROCITY

At a recent meeting of the Calgary Board of Trade, and after a debate of two hours, the reciprocity agreement was endorsed by a vote of 26 to 10.

## WARDNER NOTES

Miss Marion Service spent the week end in Wardner, the guest of Mrs. R. W. Green.

Misses Josephine Drummond and Della Dow, of Cranbrook, visited Mrs. Wisner on Saturday!

Messrs Markle, Johnson and Eaton went to Fernie on Saturday to attend the hockey match.

Miss Ada Hickenbotham, of Cranbrook spent Saturday and Sunday in Wardner, the guest of Miss Muriel Sheppard.

A little daughter was born to Mr. and Mrs. Lon Yery on Wednesday last.

Mr. C. M. Pennock of the Crow's Nest Pass Lumber company returned on Saturday from a trip to the east.

Mr. and Mrs. R. H. Bohart and family accompanied by Mrs. Menzies drove to Waldo on Friday to attend a dance, and report a very enjoyable time.

Mr. S. C. Smith met with a painful accident on Friday, slipping on the ice and severely spraining his ankle.

The home of Mrs. Fred Speaker presented a very gay appearance on Thursday, the occasion being the celbration of the seventh birthday of little Miss Charlotte Speaker. A large number of young folks of various age gathered to spend the evening and did full justice to a delightful and appetising supper, a couple of hours were then spent in merry games and the children returned to their homes tired but happy and greatly pleased with their evening's entertainment.

The Farcial Comedy, "The Snow Ball" was presented at the Library Hall on Saturday last, by the Amateur Dramatic Club of Wardner, to a large and appreciative audience. The cast was composed of Misses Edith Lund, Hazel Lund, Muriel Sheppard, and Messrs. F. W. Burgess, V. Lundbom, R. Anderson, and D. J. Macdonald. The rendering of the various parts reflected great credit on the enterprise and ability of the performers, who had worked zealously to ensure success. A handsome amount was realized which will be devoted to the purchase of supplies for the base ball club.

The following is a list of the pupils in Division I arranged in order of merit according to the February examinations:

SENIOR CLASS

Irene Wilkinson, Olive White, Winifred Deacon, Wilfrid Dallas, Vera Crisler, Lauretta Armstrong, Bernice Fraser, Edith Caslake, Elmo Wilkinson, Louise Elmer, Ernest Jones, Madge Robertson, Melton Leek, Ashton Powers, Carl Mackey, Jack Haslam.

Champ Clark is a great jollier, but it is dangerous for him to be as jolly as he can.

Canada, especially British Columbia can see through the reciprocity agreement. It means annexation.

Mrs. A. Naslund, of Wycliffe, was visiting friends in the city Wednesday.

Mrs. Halsal, and R. Halsal, of Spokane, were registered at the Cranbrook Wednesday.

There appears to be a whole lot more interest in winning the Stanley cup than there is in organizing a baseball league in the Crows Nest.

The Toronto World moans: "Is this a free country?" Why, sure. If you don't like the way it's run, you're free to lump it.

Mrs. R. P. Moffatt left early this week for Medicine Hat, where she is looking forward to having a good time with several of her friends.

"The Old Man," Fred Simpson was in town this week and is very enthusiastic about the prospects of Kamloops where he is now residing.

"WANTED a housekeeper for six men. Must be a good cook. Very desirable position. Apply to Box 33 Moyie, B. C. 9 3 t

J. C. McDonald, L. J. Dunham, T. Carlson, S. Rayburn, and J. Wier of Marysville, were registered at the Wentworth Wednesday.

J. J. Binns, of Calgary, H. H. York, of Winnipeg, and C. J. Flag, of Nelson, were guests at the Cranbrook Wednesday.

A. F. Tait, of Calgary, G. McCarthy, of Vancouver, and J. M. Orr, of Fernie, were registered at the Cosmopolitan Wednesday.

A meeting of the Cranbrook-Fernie Farmers' institute will be held in the Y. M. C. A. building, at Cranbrook, on March 9th, at 2 p. m. Subject: General business.

R. S. Garrett, of the "Entertainer" came to our help this week when we were unfortunately shorthanded and had lots of work to do, and we appreciated his services.

The lord mayor of Dublin says that he cannot keep house on $8,000 a year. Any newspaper man can sympathize with him, for of course they couldn't do it.

The German suffragettes may disturb the German government by sending German girls out to marry Canadians, but what good will it do he suffragette cause?

A man down in Ingersol who sold bibles was sentenced for forgery. This could not be said to be an evidence of good habits having been orrupted by evil communications.

There is to be a meeting of the Board of Trade Tuesday night and every member is requested to turn out. There is some important business to transact and a good attendance is hoped for.

Owing to the paper not having arived from the mills it is impossible for us to give the people of Cranbrook an eight page paper this week. Next week, the March 11 issue, you shall have one.

In real estate circles there was considerable activity this week. A number of prospective purchasers were in the city, and the various brokers report that large numbers are enquiring for good agricultural land. They expect a rush of settlers to the Kootenay valley in the spring.

The Kootenay Telephone Lines are certainly trying to do their best to accommodate everyone in the Kootenays by developing their lines in all directions. Their latest addition is opening up an exchange in Elko with fifteen subscribers. This exchange will be used as a switching point for the Waldo and Baynes Lake district.

It is a disappointment to The Prospector that we have not been able to carry out our intentions this week. We had intended giving to Cranbrook an eight page paper, full of interesting reading, but not having received our paper from the mills we were unable to do so. Watch next week's issue.

It is our purpose during the month of March to distribute the Prospector throughout the city so that the citizens will be able to see for themselves the efforts we are making to give Cranbrook a paper worthy of any home. If you do not receive one call at our office and you are welcome to take one.

In the votes and proceedings of the Provincial Legislature we find the following news item: "Resolved that a sum not exceeding $15,000 be granted to His Majesty to defray the expenses of Public Works (roads, streets bridges and wharves), Cranbrook District (additional to $65,000 voted) to 31st March, 1911.

The Allen Players are undoubtedly keeping up their reputation as a first class company with the Cranbrook theatre goers. They are enjoying the privilege of doing what few other companies are found capable of, and that is playing before crowded houses almost every night.

On Monday Miss Verna Felton, the leading lady showed her splendid gift as an actress in "Merely Mary Ann." Here she was seen at her best. Tuesday evening "The Second Mrs. Tanqueray," was given. Wednesday evening followed with "Out of the Fold. Thursday night Miss Verna Felton as "Magda," Miss Ella Houghton as "Marie" and Mr. Chas. Dale as "Lieut. Col. Schwartze" really were exceptionally good in their parts. The Lieut.-Col. in his furious disownership of his daughter epresented the part of an injured parent to perfection, firm in his puritanical beliefs and his assertion of his soldiers right to command was especially worthy of all praise. Miss Felton, too, in her many different roles she had to assume, frivolous, scornful of holy men, solemn, a humble daughter, yet a high lady with large retinues of servants and the usual do nothing followers at her heels was perfect in each of the characters and exceptional in her naturalness. Miss Ella Houghton was delightful as a dutiful little daughter and sister, a comfort to her mother and father and the pet of all comers.

This afternoon they are holding a matinee when they will produce "Out of the Fold." In the evening a popular comedy entitled "Hello, Bill" will be rendered. This is on a par with Charlies Aunt.

### OBITUARY

The funeral of the late Andrew Oslium, who died at the st. Eugene Hospital, Cranbrook, from injuries eceived while blasting, took place last Sunday. Service was held at Beatty's Undertaking Parlors, Rev. C. O. Main officiating. At the grave side Secretary Roberts read the ritual of the Miner's Union, and the ritual of the Scandinavian Society was read by Messrs Nordman and Mitchell. The Consolidated Campany was represented by Superintendent McDougal, E. Nordman, C. Hanna, and J. Cannon. Moyie city was represented by Messrs. Foote, Gwynne, Johnson, Bonner and Lane. Much sympathy was felt for the brother who came all the way from Virginia City, Minnesota to attend the funeral.

### AWAKENING OF CHINA

There has been going on in China for a few years past a movement of political and social reform that will startle the unthinking world when its results begin to appear. It is just ten years since the death of Li Hung Chang, the greatest of Chinese statesmen of whom the outside world knows nothing definite. After he had, with the aid of "Chinese" Gordon, suppressed the Taiping rebellion in 1864 he rose rapidly to a position of commanding influence, and with the exception of a brief interval marked by the disastrous war with Japan, he held it till his death in 1901. He had accomplished as much as any one man could do in creating a navy, keeping the Empire territorially intact, and infusing into he minds of his countrymen some of those western political ideas which he appreciated while he disliked them.

With the passing of Li Hung Chang came a period of confusion, which made it difficult to see how the Chinese Empire could fail to become the prey of Russia and Japan indeed, had these two powers cooperated instead of antagonizing each other there might have been irreparable dismemberment of Chinese territory. The younger statesmen who are now invested with the management of public affairs are earnest and intelligent in their policy, both civil and military. They are cautiously preparing to substitute parliamentary government for the old autocracy; they are organizing as rapidly as is compatible with efficiency an army which will in a few years be a million strong; they are building up a powerful fleet of modern war vessels, small and large; above all, they are learning from the western foreigners the necessity for all kinds of reforms and the methods of carrying them out. In ten years from now China will be one of the most powerful of the great powers, and will be quite proof against either Russia or Japan, perhaps against both in alliance.

It becomes an interesting question what the Chinese will try to accomplish when they find themselves able to practice successfully not merely delensive strategy but offensive methods. It is quite certain that they will try to clear Manchuria of all foreign domination; that they will endeavor to control, if not own, all railroads, and that they will restrain within narrow limits the territorial franchises allowed for many years past to foreigners at their principal seaports for trading purposes.
