

"EMPIRE DAY" CELEBRATION AT THE FAIR GROUNDS

Arrangements are now completed for the BIG DAY, Saturday, May 24th, and it is expected that large crowds will be in attendance from the parade at 10 a.m., right up to the "Home Sweet Home" Dance. Many visitors will come by auto as well as by the special trains from East and West and the committee are doing all in their power to make this day the best of the year. Entries are coming in for all the events on the program and keen competition may be looked for. Baseball games will be played during the day and it is expected that the following stars will take part: Creston, Fernie, Wardner, Wycliffe.

Following is the arrangement of the parade:

Marshall of the Day—Chief Adams
Mayor's Car
City Band
5 cars for Miss McLennan's class.
Miss Cartwright's class, walking.
5 cars for Miss Athertons class
Miss White's class, walking
5 cars for Miss Fraser's class
Miss Nutrie's class, walking
5 cars for Miss Howard's class
Miss Woodland's class, walking
1 Central School Float.
Entrance Class walking with float.
High School Float.
G.W.V.A. Bugle Band, Fernie.
Veterans in Uniform.
The prices of admission are as follows: Admission to grounds 50¢; child over 12, half price; under 12 free; to Grand Stand 25¢; bleachers and paddock free; autos, 50¢. 25¢.
A big dance in the Auditorium from 8 p.m. to midnight will round out a full day of pleasure and enjoyment.
The return specials will leave Cranbrook at 1 a.m. so that everybody will be home in good time.

A SPLENDID EXHIBITION

The Public School Children as well as the pupils of the High School will take a very prominent part in the Empire Day program both morning and afternoon.
In the morning after the parade they will be assembled at the Government building and will sing patriotic songs. This of itself should be of interest to all parents as there is no sweeter music than a chorus of juvenile voices, and we are assured that no pains have been spared by Miss Woodland, their vocal teacher, to bring them up to perfection.
Their part in the afternoon program is no less interesting and consists of an exhibition of club swinging by the Entrance Class augmented by a number of the High School Boys. Those who have seen the children at work on this number are loud in their praise of the children's efforts. In addition to this about 35 of the high school girls will take part in a Maypole dance, which will be well worth seeing and the whole will be wound up by School Yells. Parents are urged to encourage their children by attending both these exhibitions which will help so materially in making the day a success.

AT THE REX THEATRE

Another triumph for the screen has been attained in the powerful drama "Today", a picturization of George Broadhurst's masterful stage play of the same name, which will be shown at the Rex Theatre, on Monday and Tuesday, May 26 and 27 at regular prices.
It is a masterpiece in every sense of the word and proves conclusively that nothing is impossible, that the most delicate subject is capable of visualization on the screen, that it is subject to discussion and publicity.
"Why", asks every scene its every foot of film, "why should not the claws of the moral leper be exposed that others might see, avoid the deadly scratch and profit thereby. Why should we be kept in ignorance of the blackness of this 'Stygian' cave when so many are entering its blackest compartments, never to return to the light of domestic morality?" Such are the questions asked by this wonderful photoplay, and all who have seen it have been loud in their praise of the lesson it teaches and have been the better for seeing it.

"Toys of Fate!" What are any of us, except toys of fate? That's what a man says when he is "blue"—when things will not go right,—when destiny itself seems to balk him in every effort. But, as Browning says, "Sometimes the worst turns the best to the brave—
The black moment's at end."
Well, that is the way it is with Azah, the fascinating gypsy princess in "Toys of Fate", in which the great Russian artist, Nazimova, stars. When there seems to be no way out,—when misery has taken possession of her soul,—then comfort with its healing power revives and refreshes, and love gladdens her.
"Toys of Fate" is vivid, vital, dramatic. It is the story of a child of nature, brought into contact with the ways of civilization. Azah suffers, rejoices and in the end finds happiness and heart's desire. The great star

Special Notice

TO MOTORISTS & CITIZENS OF THE DISTRICT

The annual meeting of the Cranbrook District Auto Association will be held at the City Hall on Monday, May 26th at 8 p.m. Come along and be a booster. Ladies are especially invited to be present at this meeting.

Local Overflow

Buy War Savings Stamps.

Stores will be open on Saturday, May 24th, from 6 p. m. to 8 p. m.

A. G. MacFarlane of Moyie was in the city on Saturday on business.

Next Tuesday evening, Lantern Lecture in the Methodist Church, "The Silent Navy." Do not miss this lecture.

A. G. Wilmot of the East Kootenay Lumber Co., Jaffray, was in the city today on business.

Wanted—Maid for housework in small family. Address box 10, Herald office.

Born—On May 13th, at Cottage Hospital, Cranbrook, to Mr. and Mrs. A. Rosen of Jaffray, a son.

Lost—Small gold nugget near P. O. Valued as keepsake, finder please return to Herald office.

Four returned men arrived in the city on the train from the west today: A. Holm, E. Greenwood, F. Roycroft and Pte. Sanoalle.

Mrs. W. Haslam is visiting her son in St. Thomas, Ontario. Before she returns she will visit other points in the East.

"The Silent Navy", Lecture by Lieut. E. Heywood F.R.G.S., Methodist Church, Tuesday at 8 p.m. Tickets from any member of the Young People's Society, 25c.

Born—To Mr. and Mrs. Walter Soden of Cranbrook, a son, at the Cottage Hospital, May 22nd.

We have received word from Rev. R. W. Lee from the Coast. His duties at conference have kept him very busy. He preached twice at New Westminster on Sunday, May 11th and twice in the First Methodist church at Nanaimo last Sunday. He expects to be back in Cranbrook on the 24th of May.

The regular meeting of the W.C.T.U. will meet at the home of Mrs. G. W. Patmore on Thursday, May 29th. There will be the reception of new members and a good program will be provided. As it is the annual meeting election of officers will take place. All members are requested to be present.

At a meeting of the Executive of the Board of Trade held Wednesday morning, G. J. Spreull was appointed as a representative to attend a reception being tendered by the Associated Boards of Trade of Eastern B. C. at Nelson, to E. W. Beatty, president of the C. P. R., who is expected to pass through here sometime this week end.

On Tuesday evening in the Methodist Church, Lieut. E. Heywood F.R.G.S. will lecture on "The Silent Navy." Do not miss this opportunity of hearing of the work of our Navy in winning the war.

REGULAR MEETING RETAIL MERCHANTS' ASSOCIATION

A regular meeting of the Cranbrook Retail Merchants' Association was held in the City Hall on Tuesday evening. There was a fair attendance, and a lot of business arising from reports of committees and correspondence from other branches of the organization was transacted.

It was decided to observe the weekly half holiday on Wednesday even when a legal holiday occurs during the week. All stores in Cranbrook will therefore be closed every Wednesday afternoon.

is at her best in "Toys of Fate," which is the special attraction at the Rex Theatre May 23 and 24.

Nazimova, the sensation of the screen, is a personality totally different from all other stars, a living breathing, palpitating figure or animation and power. Not only is Nazimova a great artist of the stage, but perhaps second only to Bernhardt with the advantage of being young. "Toys of Fate" has been acknowledged by the most exacting critics everywhere, to equal her first triumph of "Revelation" which was shown here not long ago.

BAPTIST CHURCH ANNIVERSARY SERVICES

A spirit of Christian optimism pervaded the services at the Baptist Church last week-end, the occasion of the 19th Anniversary of the founding of the Church and the first Anniversary of the settlement of the present pastor, Rev. J. P. Sinclair. The church was tastefully decorated for the occasion. Rev. F. W. Dufee, pastor of the Baptist Church, Lethbridge, preached two helpful and inspiring sermons. His subjects were, "The Church and its Mission", and "A Father's Love." At the evening service Mrs. Milroy sang "When I Survey the Wondrous Cross" and Mrs. Hinton and Mr. Palmer rendered a duet "Sun of my Soul."

On Monday evening the Anniversary Social Gathering was well attended by not only people of the Baptist Church but friends came from the other Churches to show their goodwill. The following took part in the musical program: Miss Helen Worden, Mrs. Milroy, Miss Smith, Mrs. Kuhnert and Mr. Hannah. Greeting from the sister city churches were conveyed by Rev. F. V. Harrison, Anglican Church, who spoke of the breaking down of denominational barriers; Rev. C. Clark, Methodist Church, who struck the note of the world-wide sway of the principles of Christ; the Y.M.C.A. was ably represented by Rev. R. E. Pow, who emphasized the willingness of the Y.M.C.A. to co-operate with the Churches in social activities. Rev. H. M. Lyon, Presbyterian Church, pleaded for the Christianization of our national and international life. The need of Christian homes, as the greatest need of the West, was the theme of Rev. F. W. Dufee's short address.

Refreshments were served at the close by the ladies of the congregation and all felt better for having attended the service.

Rev. Dufee conducted special services on Tuesday, Wednesday and Thursday evenings taking as his subjects, "Regeneration", "The Gates of Pearl", and "The Ark—A Type of Christ."

Y.M.C.A. RECEPTION

A reception was tendered by the Board of Directors to the members and friends of the Ry. Y.M.C.A. on Tuesday last. Under the efficient chairmanship of Vice-Pres. Geo. J. Spreull, an excellent program of musical numbers, interspersed with speeches, was carried out. Addresses were delivered by Mayor W. F. Cameron, Rev. F. V. Harrison, Mr. Clarke and Rev. H. M. Lyon. The musical numbers were of a high order, and reflected great credit on the Committee in charge of that part. The members were Mesdames Maharg, Wallinger and MacPherson.

A very interesting item was the announcement of the winning of the Team Championship Bowling Cup by the Maple Leafs. The members of the team are, captain, W. E. Leaman; A. J. Riches, J. M. Dallas, A. Gregory, Allen and H. Fyles, and each was presented with a silver medal. R. B. East Kootenay and the Nelson Board Pinlay of the 'All Stars' won the gold of Trade.

medal for High Average, his score for the season being 151. Honorable mention was made of Warren Spence who made the highest score of 221.

A hearty vote of thanks was then moved and seconded by Messrs. Moir and Guimont to the ladies who had so ably provided for the entertainment and refreshments of the evening. The refreshments were then served, and their quality was a credit to the committee, Mesdames Hannah, Wasson, Taylor and Chester.

The singing of the National Anthem, then brought to a close an entertainment such as we would like to experience again.

Mr. E. W. Beatty, President of the Canadian Pacific Railway Company, will pass through Cranbrook on the afternoon of Saturday, May 24th and proceed to Nelson; where a banquet in his honor will be held at the Hume Hotel at 9 o'clock the same evening by the Associated Boards of Trade of the city.

Tuesday—604, Wednesday—447,
Thursday—661, Friday—617 miles

How Model 90 Broke the High Gear Non-Stop Record

Could the strongest power plant ever built stand the gruelling, searching punishment planned for the Overland 90 stock model when it started on its 7 day sealed in HIGH GEAR, non-stop run recently at Oklahoma City?

The first day's performance was watched by the public with eager interest—601 miles and not a sign of let-down in the car's perfect record. Then two days of rain—whirling, drenching downpours, mud-clogged roads, which tried the endurance of four relays of drivers.

Four days more of pounding over country lanes and through blocked city streets—always in sealed high—each day showing an average of 624 miles and an average of 20.66 miles to the gallon of gasoline.

And then the amazing score at the finish. Not once had the motor missed an explosion. Not even a spark plug changed. 4370 miles was the non-stop high gear record by the Overland 90!

Among the 600,000 Overland owners, Model 90 has long been known for its record of long life and economical service.

Let us show you an exact duplicate of this remarkable Model 90 car.

CULTIVATE YOUR GARDEN AND REDUCE COST OF LIVING

From reports brought to the Department of Agriculture by various officials it appears that the inhabitants of our cities are not giving the same attention to the cultivation of lots as during last year.

There is greater need for continuing this work, especially when we consider the large increase of population which is pouring into the Province; also the period of unrest which always follows the conclusion of wars.

By the citizens cultivating the land around their dwelling and assisting to reduce the cost of living by raising vegetables for the feeding of their families, they are taking an important part in the work of reconstruction.

WHAT WOOLWORTH DID

WITH 5 AND 10 CENT PIECES

Save the nickles and the dimes. If they are saved and wisely invested they will form the enduring basis of Canada's financial and industrial prosperity. If any one doubts the ability of a man to build a fortune in this way let him look at the career of the late F. W. Woolworth, the 5, 10 and 15 cent store magnate, who recently died in the United States.

On a salary of \$8.50 a week he kept himself, wife and child and saved \$50.00, which with \$250 borrowed, started him in business. He established a chain of 5, 10 and 15 cent stores, his company having 1,070 of them at the time of his death. He put \$14,000,000 into the largest office building in the world and died worth possibly \$8,000,000 to \$10,000,000 more.

Woolworth made a huge fortune out of other people's 5, 10 and 15 pieces. You may not make a fortune, but you have a chance to become comparatively well off, by saving your small change and investing it in War Savings and Thrift Stamps.

"CANADA - PRODUCT"

The Canadian Trade Commission has adopted the word "Canada-Product" as its trade-mark (though the term is not strictly correct. The hyphen is an integral part as it was thought necessary to overcome the objection that the word "Canada" as an adjective is a little bare and strange to the ear. "Canadian", though well understood in English-speaking countries, would not be nearly so expressive to the foreign peoples with whom Dominion trade is now extending. The root of "product" has the advantage of being understood as about four-fifths of the world's commercial languages.

The phrase would be at once more widely known without translation than "Made-in-Canada" or "Canadian-made." It also covers the double fields of agricultural "produce" and industrial "manufactures."

STRIKE AT PEG CAMOUFLAGE SAYS TRADE UNIONIST

Calgarian Asserts It Is Labor's Measure of Combating Profiteers

(Calgary Herald)

"The present cause of the strike at Winnipeg is merely so much camouflage."

This was the remark of a Calgary trades unionist who arrived back from the eastern city, Monday. "The present issue, so far as the recognition of the Metal Workers' Union is concerned," he added, "is really only the beginning of a huge struggle on the part of organized labor to compel the government of the country to secure the control of the profiteers. It is recognized that it is but futile for wages to be increased here and there if immediately afterwards the cost of living swamps up the increase."

This the tradesman referred to states, is at the bottom of the unrest which is being voiced in such a determined fashion in Winnipeg, and which he is of the opinion will spread right throughout Canada. The fact that the present strike in Calgary has been for the moment averted by the metal workers going back to work he does not consider will have the slightest bearing on the situation in the east.

When he left Winnipeg, he says, there were quite 30,000 workers on strike, and even unorganized labor was coming out in sympathy. The police, who were ordered to remain at work by the strike committee, voted solid to come out if necessary.

Up to the time that he left Winnipeg the conduct of the strikers had been exemplary. The committee had arranged for supplies of bread, milk and essential foodstuffs. The theatres and picture shows were open by permission of the strike committee, with a view to preventing the people congregating on the streets.

The first edition of the Western Labor News, published by the strikers' committee, was to make its appearance shortly after midnight on Saturday. This is the only newspaper now printed in Winnipeg. On

Saturday afternoon the railway workers held a mass meeting, and it is probable that the train service will be held up between Winnipeg and the west if the strike continues much longer.

"The strikers are full of confidence," remarked the Calgary man mentioned. "They claim they only want a fair deal and are determined in securing it."

SUMMER SCHOOL FOR TEACHERS

Arrangements are being completed for the holding of a Summer School for Teachers at Victoria. The school will open on the morning of July 7th and close on the afternoon of August 8th. The various courses offered are similar to those given in 1917 and include Rural Science, Manual Training and Art and Domestic Science courses, Vocal Music and Elocution. A new course in General Science and Art is provided for. These subjects can either be taken singly or together, at the option of those who attend.

A complete announcement of the courses and the instructors will be mailed direct to the teachers before the end of May.

SPRAYING OF PLANTS FOR PREVENTION OF INSECTS, ETC.

(Experimental Farm Notes.)

At this season of the year particular attention should be paid to the prevention of ravages by disease and insect pests. It is possible by a timely application of proper sprays to control effectively many of our worst diseases and pests.

Spray materials may be divided into three classes. First, there are the fungicides, such as Bordeaux mixture and lime sulphur wash, which are used to control or to prevent the development of fungous diseases such as Apple Scab and Potato Blight. Secondly, there are poison sprays, such as lead arsenate for the control of biting insects such as the Potato Beetle, Tent Caterpillars, etc., and thirdly the contact sprays, such as kerosene emulsion or nicotine sulphate, for the control of sucking insects like plant lice.

By selecting the proper sprays under each of these three headings, a combined spray containing all three can be used and thus, in a single application, one has a fungicide and a complete insecticide combined. A good combined spray is made up as follows: 4-4-40-Bordeaux, consisting of 4 pounds unslaked lime, 4 pounds

WATER NOTICE

Diversions and Use

Take notice that Frank Provenzano executor of Michael Provenzano deceased, and Felix Provenzano, whose addresses are Cranbrook, B. C., will apply for a licence to take and use 1 cubic foot per second of water out of an unnamed stream which rises northwest of lot 9388 and which flows easterly and drains into Moyle River, about one half mile north of lot 9388.

The water will be diverted from the stream at a point about 750 ft. west along the stream from the C.P.R. right of way and will be used for irrigation purpose upon the land described as lots 7927 and block "A" of lot 9388 Group 1, K. D.

This notice was posted on the ground on the 9th day of April, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914" will be filed in the office of the Water Recorder at Cranbrook, B. C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

Frank Provenzano, Executor of Michael Provenzano deceased, and Felix Provenzano, Applicants, By Macdonald & Nisbet, their agents.

The date of the first publication of this notice is April 17th, 1919.

IMPERIAL BANK OF CANADA

The insistent demand for and prevailing high prices of lumber have made the development of this industry essential and profitable.

This Bank can assist your plans. Consult our local Manager.

CRANBROOK BRANCH,

B. E. HOWARD,

Manager.

copper sulphate, and 40 gallons of water, to which is added 3 pounds of arsenate of lead or 2 pounds of arsenate of lime in paste form (if the dry form is used, use one-half of this quantity) for controlling biting insects, and if aphids or plant lice are present, one-third of a pint of nicotine sulphate should be added, or, as an alternative, the lime sulphur could replace the Bordeaux mixture.

Do not delay the application until the disease or pest has become evident by its ravages, but make the application in time to prevent the damage. An application of spray is not a CURE, it is a preventative.

Do not think that one application is sufficient. Remember that at this season of the year foliage grows rapidly and a large amount of new leaf surface is soon exposed after an application is made, and it is this new uncoated surface which is a source of infection. Three to four sprays

OFFICIAL ADMINISTRATORS ACT

Notice is hereby given that on March 10th, 1919,

IT WAS ORDERED by His Honor George H. Thompson, Judge of the County Court of East Kootenay, that James A. Arnold, Official Administrator for that portion of the County of Kootenay included in the Electoral District of Cranbrook be Administrator of all and singular the estate of Steve Hawrylki, deceased intestate.

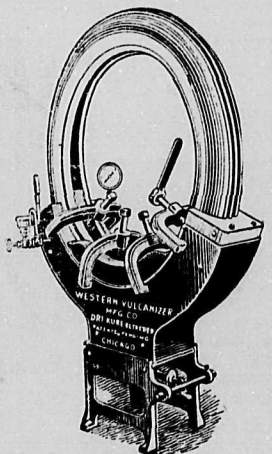

Every person indebted to the said deceased is required to make payment forthwith to the undersigned. Every person having in possession effects belonging to the deceased is required forthwith to notify the undersigned. Every creditor or other person having any claim upon or interest in the distribution of the estate of the said deceased is required to send before the 11th day of June 1919, next, by registered mail addressed to the undersigned, his name and address and the full particulars of his claim or interest, and a statement of his account and the nature of the security (if any) held by him.

After the said last mentioned date the Administrator will proceed with the distribution of the estate having regard to those claims only of which he shall have had notice.

Dated at Cranbrook this 7th day of May, 1919.

J. A. ARNOLD,

Official Administrator.

The Plant Which is Revolutionizing the Tire Repair Industry.

With this plant we can rebuild and retread either in ribbed or plain your old casings no matter how badly worn so long as the walls are good, so they will give you from 3000 to 5000 more miles, at a cost of \$10.00 for plain and \$12.00 for ribbed retreading, for size 30x3 1-2. Send for price list for larger sizes. We use more tread rubber in our work than is used on new tires. Orders left with H. R. Hinton, Cranbrook, will receive prompt attention, or ship direct. We pay express charges one way.

Frail, Sickly Children Improve Rapidly on Vinol

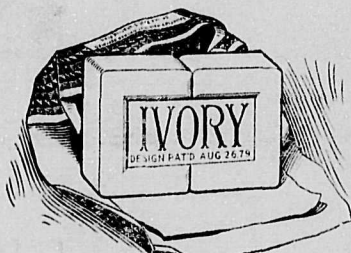

The reason we so strongly recommend Vinol for frail, sickly children is because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates — but no oil — the very elements needed to build them up. It is delicious to the taste, and children love it.

These Two Mothers Have Proved This.

Bainbridge, N.Y.
"My little daughter, 13 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. Vinol has built her up. She has a good appetite, no more headaches and has returned to school again." — Mrs. Lester Andrews.

Williamson, W. Va.
"My little boy was weak, puny, and tired all the time, did not want to do anything. Vinol was recommended and it built up his strength and made him healthy. Now he romps and plays like other children. We certainly believe in Vinol for children." — Harley Clay.

Vinol Creates Strength

PRICES MARKED

In every Coeur d'Alene bedroom is a framed card on which is printed the rates of the room. In other words the Coeur d'Alene Hotel marks their selling prices in plain figures. The patron knows what his bill will be; he knows that he is not being overcharged through a misunderstanding—his or the clerk's—he knows that he is paying just what every other occupant of that room pays—no more, no less. That's standard American practice in first class retail stores; some day it will no doubt be standard practice in the best hotels.

That framed card is a small detail, but it illustrates the Coeur d'Alene way of doing things. It's one of the many concrete applications of the Coeur d'Alene policy of fairness and a full and honest money's worth, to every patron whatever kind or price of room he occupies.

PEARLS IN VOGUE

One of the most favored ladies neck ornaments is a string of beautiful pearls. They represent the most beautiful in jewelry. They harmonize with every color and add warmth and tone to any complexion. Owing to the keen demand for pearl strings we have provided a large assortment of the best the market affords. No prettier gift — no nicer purchase for one self than a string of these fine pearls.

BLOOD POISONING

Hamlin's Wizard Oil a Safe First Aid Treatment

How often lockjaw and blood poisoning result from the neglect of a slight scratch or little cut! Hamlin's Wizard Oil is a safe and effective first aid treatment. It is a powerful antiseptic and should be applied immediately to wounds of this kind to prevent danger of infection. It is soothing and healing and quickly drives out pain and inflammation in cases of sprains, bruises, cuts, burns, bites and stings. Just as reliable, too, for stiff neck, sore feet, cold sores, canker sores, earache and toothache.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Wipes, pleasant little pink pills, 30 cents. Guaranteed.

D.D.D.
The Liquid Wash

Owing to the variety and length of the program prepared for Empire Day the Women's Institute have decided to entertain the school children on the King's birthday, June 3rd. Details will be announced in next week's issue. It is hoped to give the children a motor run and Lieut. Harris has offered his valuable services in arranging sports.

Fifty second hand sewing machines in good running order, most of them drop heads, for sale cheap at the Singer store, phone 157. 2-mly

The result of the Easter Ball, as published last week, was of itself a sufficient commendation for the organizers as well as those who contributed to the work. The Sisters of St. Eugene wish to express their high appreciation for this mark of kindly interest shown in behalf of their institution and extend their sentiments of deepest gratitude to all those who have helped to make of it such a grand success.

The Sisters of St. Eugene.

Piano and Theory lessons by arrangement. Phone 404 or box 428.—Mrs. Van Braam, 237 Burwell Avenue. 46-1f.

The Edison Theatre is now ready for dances, is beautifully fitted with mirrors and shaded lights, and floor is of the best maple and in perfect condition now. Supper can be had on the stage. Hall is 76 feet long, which makes it good for round dancing and we are out to please the people of Cranbrook both with the hall and music. We will run a series of dances with full orchestra a little later. Prices will be right and the music the best. —R. W. Edmondson.

Singer Sewing machines for family use, took all the first prizes at the San Francisco Fair judged by experts. They must be the best machine; for sale at the Singer store for five dollars cash and \$3.00 monthly. We will take your old machine in part payment. Phone 157. 2-mly

MISTAKES

When a plumber makes a mistake, he charges time for it. When a lawyer makes a mistake, it's just what he wanted. When a carpenter makes a mistake, it's just what he expected, because the chances are ten to one he never learned his business. When an electrician makes a mistake, he blames it on induction, because nobody knows what that is. When a doctor makes a mistake, he buries it. When a judge makes a mistake, it becomes the law of the land. When a preacher makes a mistake, nobody knows the difference.

But a PRINTER—he is different; he has to be careful, he cannot turn his mistakes into profit or blame them on a profession, he must do the job over.

To build yourself up when you feel run down—to bring back health, appetite and strength—take

Two members of the Provincial Land Settlement Board, Chairman Neelins and C. R. Ward, met a small representation of the Board of Trade in the city hall last Friday evening. The chairman promised that any suggestion that would be made to the Land Settlement Board in regard to settling soldiers on land in this vicinity would be recommended by the Board to the Government. The district is to be organized from the standpoint of settling up the vacant lands in the neighborhood. The policy is not to settle the soldiers in a colony but scattered among civilian settlers, checked like the C.P.R. land settlement on the prairies. That may work out all right in B.C., but on the prairies it worked a great hardship for the settlers but proved a good thing for the speculators.

CARD OF THANKS

Mr. W. J. Stewart desires to thank the many friends who showed their sympathy with himself and family in their recent sad bereavement and for the many beautiful floral tributes.

Knockers, naggers and bluffers belong to the same lodge, and they meet in continuous session. They have no friends, the dues are high, and there are no death benefits. Who wants to belong?

CRANBROOK METHODIST YOUNG PEOPLE'S SOCIETY

The usual meeting was held last night, when an address was given by Rev. C. D. Clark upon the "League of Nations." Mr. Clark outlined the various movements which have led up to the conception now being crystallized into the League of Nations. It was a very interesting address, and was thoroughly appreciated by the members.

Through an unfortunate mix-up of appointments, the day of meeting for next week has had to be changed to Tuesday; on that day (May 27th) a lecture will be given by Lieut. E. Heywood, F.R.G.S., upon "The Silent Navy." Lieut. Heywood is a lecturer of widely known ability both in this and the O.I. County, and comes back by the authority of the British Ministry of Information. His lecture on Tuesday will include a general resume of the work of the British Navy, and a particular description of the battles of the Falkland Islands, Jutland, and the "Sydney" versus "Emden." It will be illustrated by 130 original lantern slides and as stated before Lieut. Heywood speaks with authority. Nobody should miss this unique opportunity of hearing first-hand of the work of one of the most important though least understood factors in the winning of the war. The admission is only 25c. Tickets may be obtained from any of the members of the Young People's Society.

THE CORPORATION OF THE CITY OF CRANBROOK

NOTICE TO RATEPAYERS

Since the Tax Notices have been issued some considerable criticisms have been directed against the Council on account of the increased taxation for the current year. A brief glance at the Tax Notice itself, which sets forth the apportionment of the rate of 39 mills should be evidence that these criticisms are not only premature but unfair.

It will be seen that the Debeature Rate is 15.5, and the school rate 11.7 which together total 27.2 mills. Over these two items the council have no control. The former being the actual amount necessary to provide interest and sinking funds to meet money by Laws which have all received the assent of the Ratepayers themselves.

The General Rate for the purpose of providing for all other expenditures of the Municipality of 11.8 is anticipated to realize \$27,756.00. In addition to this amount it is expected to receive for this purpose from indirect taxation from various sources the sum of \$32,756.14. These two items totalling \$60,512.14.

An analysis of this item will show that the actual amount under the control of the Council is further curtailed.

It will be admitted that the Municipality has to maintain its Police Force, its Fire Department, and City Office staff. These are absolutely necessary for the running of any municipality. To provide for the operation of these departments it will be necessary to raise the following sums, Police Department \$5050; Fire Department (including equipment \$1000.00) \$5519; City Office staff (including Medical Officer, Auditor and Janitor) \$3700.

Further other necessary charges are Bank Loan \$10,000, postage, printing, stationery, advertising, repairs, fuel, etc., amounting to \$2800.

It is further necessary to maintain our Waterworks and Sewer Systems and to provide a sum for the purpose of Health and Relief. It is anticipated that the maintenance of the Water Department will cost \$2000, the Sewer System \$750 and for Health and Relief the sum of \$850.

Further the Council has no option but to provide a sum of \$2750.00 for street lighting purposes.

It will be seen by adding together these items, which can well be called "fixed charges" total \$27,510.00. Deducting this amount from the amount at the disposal of the council for general purposes, viz. \$46,532.14, a balance is shown of \$19,022.14, which is the amount actually open to the control of the Council. Out of this amount \$1500 was set aside for grants, the whole of which may or may not be expended. The Balance, if any, of course will be carried over to next year as in the case of any other unexpended estimate.

Now the balance of \$7500 remains for street purposes. Street cleaning and street sprinkling are expected to cost \$1500, leaving a sum of \$6000 for the general maintenance and rebuilding of our streets and bridges.

It is true this amount is larger than that of the last few years, and in this connection it might be explained that

the councils of that period wisely decided owing to the extraordinary conditions then existing to only do such repair work which was absolutely necessary. For instance the estimate of 1915 for streets and bridges called for \$3200; for 1916 \$1100; for 1917 \$2500; for 1918 \$3050.

It must further be born in mind when considering our present rate with that of former years that our sources of revenue from other than direct taxation has been considerably curtailed, and further that wages all round have been increased owing to the high cost of living.

It is impossible to go more minutely into all the factors of taxation in the brief space at our disposal, but we feel that any fair minded citizen after reading our explanation of the 1919 Tax Rate, will admit the Council have not been reckless in their Estimates.

If at the end of their term of office it is found that the money at their disposal has been foolishly or unwisely expended they are willing to shoulder the blame, but at the present they desire to take a very strong stand against the unintelligent criticisms which are leveled against them.

The Ratepayers are asked to bear in mind that the Mayor and Aldermen devote many hours to the attention of the City's affairs, giving all matters their fair and unbiased consideration, working at all times for the benefit of Cranbrook to the best of their ability, without fee or emolument, some indeed at times at a pecuniary loss to themselves.

THE MAYOR AND ALDERMEN
of the Corporation of the City
of Cranbrook, B. C.

Cranbrook, B. C., May 22, 1919.

G. W. V. A. NOTES

RETURNED MEN! Don't forget that you should be on hand for the parade on Saturday 24th IN UNIFORM. The next regular meeting will be held on Sunday, June 1st. Come out and express your wishes on the questions to be intrusted to our delegate, for presentation to the Joint Convention.

Good progress is being made with the alterations and improvements to the rooms and we hope to announce plans for an opening before long.
