## New Road Boon To Residents Of Powell River

POWELL RIVER—Powell River is beginning to realize what the opening of the new road to Myrtle Point means to this District. Easier access to Myrtle Point has given an impetus to the interchange of courtesies between the people of Powell River and the residents of the Bloedel, Welch & Stewart boom camp that nothing else could have done. Many motor parties have taken advantage of the longer run to visit friends at the camp and have returned home fascinated by the beautiful scenery encountered. The only regret expressed is that after another year's logging operations the camp equipment and crew will be removed from Myrtle Point to Menzies Bay, north of Campbell River, on Vancouver Is land. There are at present two hundred and forty men employed and to reach the centre of operations a railway runs approximately fifteen miles into the forest. With the passing of this camp, a year hence, something else will probably take its place. It is an ideal location for a summer resort and it will not be surprising if such is established.

## Garage Proprietor Undergoes Serious Surgical Operation

The many friends of Mr. George Henderson, well-known proprietor of Henderson's Garage, Cumberland, will be sorry to hear that he underwent recently a serious operation in hte Jubilee Hospital, Victoria. Since early childhood Mr. Henderson has been troubled with a hip affliction which has been a handicap to him in his business and it was with a view of removing this handicap that he consented to the operation, which was performed on October 5th. The doctors in charge have every confidence that the operation will prove a success, although it necessitates Mr. Henderson remaining in a plaster cast for some two months to come. Even then it will be a considerable period before he will be able to resums his normal activities and it is doubtful if he will return to his former business, the doctors having advised against this. Recent reports from the Hospital are very optimistic, considering the serious nature of the operation.

The Islander joins with the citizens of Cumberland in wishing the popular "George" a speedy recovery.

### WITH THE CITY FATHERS

Despite the fact that the agenda sheet at Monday's Council meeting was a very light one, the meeting occupied more time than had been anticipated and it was well after the usual hour of adjournment when the mayor declared the meeting closed. A lengthy discussion on the "soldiers' houses" question took up most of this extra period.

Bills and accounts since the last meeting totaled $180.35. Reports of committees elicited the usual information as far as light and water are concerned, but for the Works Department Ald. Potter stated that the roof of the City Hall was in a bad state of disrepair. He was given instructions to have this attended to at once.

The full board was in attendance with the exception of Ald. Parnham who is attending a Fire Chiefs' convention at Fresno, Calif.

Look out! 3 Bad Men are headed this way. Will be at the Ilo-Ilo next Thursday only.

## Motor Boat Burned To Water's Edge

POWELL RIVER—Last Friday afternoon Harry Donkersley and Willian McGillivray, of Powell River, narrowly escaped what might have been a fatal ride in a motor boat. They were in Malaspina Strait, about two miles off shore when the boat caught fire. Fortunately a dinghy was part of their equipment and in this they made shore at Westview. The launch was burned to the water's edge and what was left fit was towed in by the Kingcome Navigation Co.'s tug, Teeshoe.

My heck! I'm off to the Hayseed Ball.

### HOME COOKING SALE TO BE HELD TOMORROW

Don't forget the Sale of Home Cooking that is being held this Saturday, Oct. 16th, by the Altar Society of the Catholic Church in the store next to Mrs. King's. The bedspread, for which tickets have been sold, will be drawn for at the close of the Sale.

## Linger-Longer Club Commence Winter Activities

A delightfully informal social, being also in part an organization meeting, was enjoyed by the members of the Linger Longer Club of Cumberland in the Anglican Hall Wednesday evening. In addition to the several former members, many new ones were present, making a jolly crowd that enjoyed games, music and dancing until nearly midnight. Each person entered whole-heartedly into the fun, features of which were the "peanut hunt" and "old time" dances.

Prior to the serving of refreshments the members were called to order by President Wm. Whyte, who explained that the first dance of the season would be held on Friday, November 19th, and therefore it would be necessary to appoint various committees to make preparations for the event. Miss F. Sehl, Mr. J. Miller and Dr. Bruce Gordon were selected as convenors respectively of the refreshments, invitation and decoration committees, with instructions to appoint the balance of their committees from the general membership.. The members also unanimously voted to engage the Jazzarimbo Orchsetra of Nanaimo for the occasion. Miss G. MacFadyen is secretary of the club.

Mr. Cyril Newman and Mr. R. Robertson furnished the music for the dancing, being relieved on occasion by Miss Amy Dallos.

## New Gas Masks At Rescue Station

Mr. John Thompson, instructor at the Government Mine Rescue Station, has received from the Department of Mines six All-Service Burrell Gas Masks, the latest device in mine rescue work. Last Friday the apparatus were demonstrated by the rescue teams of the Canadian Collieries, being put through a severe test in the smoke chamber. The men who used the masks were well satisfied with the result, and appreciate in no small measure the efforts of the Department of Mines to keep the local Rescue Station modern and up-to-date in its equipment.

Of the new Gas Masks the September issue of "Coal Age" has the following to say:

"The Bureau of Mines, in its investigation of gas masks for use in mining and allied industries, has established a permissible schedule, 14A, under which masks that meet their requirements after being submitted to exhaustive tests are granted a certificate of approval. The all-service gas mask has been approved by the Bureau of Mines under this schedule for respiratory protection in mine atmospheres where safety lamps are burning, and for use above ground in air that contains acid gases, organic vapors, or carbon monoxide not exceeding three per cent, and in smokes, dusts and mists or in atmospheres containing not to exceed two per cent of poisonous gases when more than one gas is present.

"The final test of the Bureau for approval was to subject the mask to an actual working test by three men wearing it in an unventilated, gas-tight chamber of 1,000 cu.ft. capacity, to which had been added the following gases in the percentages as stated, and determined by analysis: Sulphur dioxide, one per cent; carbon tetrachloride, one per cent; ammonia gas, two per cent, and in a second test one-half per cent; and cotton smoke, the density of which was such that the hand was invisible at arm's length.

"The three men wore the masks for a 30-min. period in each of these concentrations, performing, successively, hard work, walking, and running. The Bureau's published report of the approval states that: 'The masks gave good protection throughout all of these tests; they were comfortable and there was little interference with movements; vision was good and of fairly wide angle; and resistance to breathing was tolerable throughout all the work required.'"

# W. A. PAUL HEADS COMOX AGRICULTURAL AND INDUSTRIAL ASSN.

### REPORTS OF SECRETARY AND TREASURER SUBMITTED

COURTENAY, Oct. 14.—The annual meeting of the Comox Agricultural and Industrial Association was held here Wednesday night with Mr. W. A. Paul in the chair, the officers and directors elected for the coming year being as follows: Honorary presidents, Mrs. Wm. Lewis and Mr. Alex Urquhart; president, Mr. W. A. Paul; first vice-president, Mr. R. U. Hurford, second vice-president, Mr. J. Stalker; secretary, Mr. E. Felix Thomas; treasurer, Mr. M. B. Tribe; directors, Mesdames W. McPhee, W. Brown, and Messrs. Wm. Duncan, John Crockett, Hugh Morrison, W. J. Gunn, A. R. England, W. A. Urquhart, Alan Pattinson, M. S. Stephens, Herbert Smith and D. M. Isenor.

The treasurer's report showed a very successful financial year. After making provision for all outstanding accounts, including the 1926 Fall Fair prizes in full, there is a useful cash balance in the bank. The report of the ladies auxiliary, submitted by Mesdames McPhee and Brown, was also very satisfactory. The auxiliary undertook heavy catering duties during the fair, which necessitated a great deal of hard work. Besides giving a substantial sum to the parent association, their report showed a good cash balance in the bank. Mr. Hurford moved a very hearty vote of thanks to the ladies for their strenuous efforts at Fair time to which Mrs. McPhee replied. The chairman expressed thanks to the secretary for his efforts in clearing the association of debt, the treasurer for making provision for funds at the necessary time and to Mr. Herbert Smith as chairman of the Hall committee. As a mark of appreciation for her work during the year, Mrs. Felix Thomas was unanimously voted an honorarium of fifty dollars by the meeting. The matter of arranging finances and carrying out improvements was left in the hands of the directors.

A resolution of the Comox Farmers Institute to bring the matter of damage done by beavers and other furbearing animals to the attention of the advisory board of the Institute was endorsed by the meeting. A petition to permit bona fide farmers to shoot game or any wild animals that are doing serious damage to the crops, particularly deer and pheasants, was also endorsed and circulated for further signatures.

The matter of the appointment of an educational committee for the purpose of arranging lectures for the winter months, to work in co-operation with the directors was brought up at a late hour and the following were appointed: Mr. H. P. Allberry, representing the poultrymen; Mr. W. R. Perrey, representing the potato growers; Mr. R. U. Hurford, representing the dairymen; Mr. R. M. Halliday, representing the farmers and Mr. Norman Pritchard, representing the fruit growers. During the counting of the ballots very enjoyable refreshments were served by the ladies for which a vote of thanks was heartily tendered them.

**Secretary's Report**

The secretary's report, as submitted to the meeting, read as follows:

"During the year the association's activities have included a series of lectures on various phases of agriculture, lecturers having been supplied by the Provincial Department of Agriculture, the Unviersity of British Columbia and other bodies. For the most part the lectures were well attended and the subjects included Soils, crops, potatoes, poultry husbandry, eggs, orchards and fruits, seeds and bulbs, fertilizers and lime, dairying and side lines. Under the auspices of the association a pruning school was conducted in the late winter and a lime demonstration competition in the spring. A jumble auction sale was conducted by the association last December and was completed at the New Year. This effort made for the association about one hundred and eighty dollars. The matter of getting out the prize lists at an earlier date is an important one and largely depends on the functioning of all members of the revision committees appointed for this work. The decision of the association to award no second prize unless there are three or more entries in a class has had an adverse effect on the exhibition, but this can now be rectified. There is no doubt that the Fair could be improved if all the directors and the public manifested a greater interest in it. If the grounds are ploughed and harrowed this Fall, and leveled and seeded in the spring, they could be a revenue producing asset to the association and would certainly enhance the Fair. There is no reason why, with a proper understanding between the Comox Logging Co. and the association that the 1927 Fall Fair should not be the very best. It is obvious that the public is far more interested in activities such as sports than in other features. There seems to be a danger of the Fair being seriously affected unless more stock entries are made, and a better sense of healthy competition for the sake of producing the best is manifested.

"An Agricultural Association should be and is a big asset to such a community as this and every effort should be made to induce outside points to centralize at the Courtenay exhibition, and some attractive amusements should also be offered the visitors. The association commenced the year with a deficit of three hundred dollars. During the past three years strictest economy has been absolutely necessary for the purpose of paying off old debts. When institutions of this sort are broke, or badly bent, they are always more or less unpopular. I am very glad to say, however, we have finished the year with a clean sheet. The association is not only out of the hole as far as ready money is concerned, but it has a cash balance after making provision for the payment of the prize money in full. This has only been possible by the help of and co-operation with the Ladies Auxiliary. I would like to take this opportunity of thanking all those directors and others who helped me in my duties during the year."

Respectfully submitted,

E. FELIX THOMAS, Sec'y.

## Paper Town Pars.

POWELL RIVER—The Steamer Waitemata called in this week and took on a cargo of newsprint for New Zealand.

* * *

Mr. John McLeod is around again after having been confined to the house for two months following an accident in which his leg was hurt at Myrtle Point.

* * *

Mr. P. Smith, of the Provincial Lands Department is in the District on official business. It is reported that many five-acre tracts of Government property are being taken up.

## Fox Films Epic Of Land Rush Of '70s Masterly Product

"3 Bad Men," based on Herman Whitaker's novel "Over the Border," a super-special production of the romance of a girl in the land of promise. Homeseekers in search of gold, liberty and happiness. Cast of 25,000, with George O'Brien and Olive Borden. This great picture will be shown at the Ilo-Ilo Theatre Cumberland, on Thursday only, Oct. 21st, and at the Gaiety Theatre on Friday and Saturday, Oct. 22-23. You can't afford to miss this great super special with more covered wagons than "The Covered Wagon." Unending lines of adventures rolling Westward, untold numbers of unsung heroes in the fight for gold, where might was right and weaklings dropped by the wayside. It's the mightiest of all great stories of the birth of America's tremendous Western Empire. Remember the dates: Oct. 21 in Cumberland and Oct. 22 and 23 in Courtenay. Adults 50c., Children 25c.

Mrs. T. E. Banks left Saturday last to attend the convention of School Trustees at Vernon, B. C. Upwards of 100 delegates and visitors were present at the convention, the gathering listening to a noble address by Dean Coleman.

### UNION LODGE NO. 11, I.O.O.F.

A special meeting of the above lodge will be held on Saturday, Oct. 16, at 7:00 p.m. The grand master and several other grand lodge officers will be present. Meeting open to Oddfellow's wives and Rebekahs at 8:30 o'clock. Social evening.

## Local Team Play Courtenay On Sunday

Through the efforts of those ardent football fans in Cumberland who have been denied the privilege of supporting a senior team, second division ball has become a reality, a team having been entered from this city in the up-Island section of the Pacific Coast league, along with teams from Courtenay, Qualicum and Port Alberni. A schedule has been drawn up and the ball will start rolling Sunday, October 17th, when Cumberland and Courtenay clash on the latter's home ground and Port Alberni will travel to Qualicum to try conclusions with the team there. Both games are scheduled to start at 2:00 p.m.

Cumberland will send the following line-up to the farming centre: Mat. Stewart; E. Bickle, W. Marshall; T. Little, A. Farmer, J. Weir; H. Gibson, A. Auchinvole, J. Campbell, Jock Stevenson and W. Walker. Reserves are Stewart, McNeil and Reid. The above players are asked to be at the Royal Candy Store sharp at 1:00 p.m. Sunday.

The citizens of the whole Alberni district are taking a keen interest in their entry, the mayor and city clerk of Port Alberni being both officers of the club, while the well-known Alex Rowan is in charge as trainer. It is to be hoped that Cumberland will give the local team a similar strong backing.

* * *

At the moment of going to press we were informed that owing to the rain the Courtenay field will be unplayable on Sunday and the game has therefore been switched to Cumberland at 2:30 p.m.

Dr. W. Bruce Gordon, the well-known Cumberland dentist, will address the local Parent-Teacher Association at their usual monthly meeting to be held in the School on Monday evening.

## Donations Received

Following is a complete list of the donations received for the purpose of buying rings for the members of the Canadian Collieries football team, the presentation of which was made at a smoker in the Band Hall two weeks ago:

**Cash Donations**

| Marocchi Bros. | 2.00 |
| Total goods donations | $42.50 |

Tickets, posters, etc., were donated by the Cumberland Islander.

## Local Men's Social Club Has Re-organized

The Men's Social Club which was functioning in Cumberland some five years ago, came back to life with renewed vigor at an enthusiastic reorganization meeting in the Anglican Hall last Tuesday evening. Many members of the old Club, and equally as many new faces were in attendance and the general concensus of opinion was that the Club would attain even greater popularity than it enjoyed in the year 1921. A lively executive was put in charge, Mr. T. H. Mumford being president, Mr. F. J. Dalby, vice-president; Dr. W. Bruce Gordon, secretary, making a trio that can be depended upon to keep things humming.

The nature of the Club is purely social, and the first function has been arranged for next Tuesday evening in the Parish Hall. Thereafter meetings will be held every Tuesday. Anyone desirous of becoming a member is asked to apply to the above executive or to any member of the Club.

## Schedule Of Games In The New League

Following is the schedule for all games in the recently formed Upper-Island section of the Pacific Coast second division league:

| Date | Home Team | Away Team |
|---|---|---|
| Oct. 17 | Courtenay | vs. Cumberland |
| Oct. 17 | Qualicum | vs. Port Alberni |
| Oct. 24 | Cumberland | vs. Qualicum |
| Oct. 24 | Port Alberni | vs. Courtenay |
| Oct. 31 | Courtenay | vs. Qualicum |
| Oct. 31 | Port Alberni | vs. Cumberland |
| Nov. 7 | Qualicum | vs. Courtenay |
| Nov. 7 | Cumberland | vs. Port Alberni |
| Nov. 14 | Cumberland | vs. Courtenay |
| Nov. 14 | Port Alberni | vs. Qualicum |
| Nov. 21 | Courtenay | vs. Port Alberni |
| Nov. 21 | Qualicum | vs. Cumberland |
| Nov. 28 | Courtenay | vs. Cumberland |
| Nov. 28 | Qualicum | vs. Port Alberni |
| Dec. 5 | Cumberland | vs. Qualicum |
| Dec. 5 | Port Alberni | vs. Courtenay |
| Dec. 12 | Courtenay | vs. Qualicum |
| Dec. 12 | Port Alberni | vs. Cumberland |
| Dec. 19 | Qualicum | vs. Courtenay |
| Dec. 19 | Cumberland | vs. Port Alberni |
| Dec. 26 | Cumberland | vs. Courtenay |
| Dec. 26 | Port Alberni | vs. Qualicum |
| Jan. 2 | Courtenay | vs. Port Alberni |
| Jan. 2 | Qualicum | vs. Cumberland |

### W. B. A. WHIST DRIVE SUCCESSFUL EVENT

A very succesful whist drive was held by the W. B. A. on Thursday evening, 13 tables being required to accommodate the whist players. 1st. prize for the ladies was taken by Miss Agnes Baird, with Mrs. James gaining the consolation, while Mrs. McNeil, substituting, won the men's first, the consolation going to Mr. Auchterlonie.

## Islanders Ask For Separate Control

**Footballers Want to Break From Governing Powers of B.C.F.A.—Report to Dominion Body**

NANAIMO, Oct. 9—A meeting of the Upper Island Football Association was held here last night, with delegates from up-Island clubs present. J. Russell, president of the Dminion Football Association, and James Adam, councillor on the D.F.A. for British Columbia, were among those present, and listened to the applications made by the up-Island teams for a separate charter for Vancouver Island. In other words Vancouver Island asked permission to break away from the governing powers of the B.C.F.A., and run a separate association of their own.

Following the presentation of the new D.F.A. constitution, an open discussion took place. The D.F.A. representatives listened attentively to all arguments advanced and promised that the views of the meeting would receive due consideration, and a report will be made to the D.F.A., the result of which will be forwarded to the Upper-Island Board.

Lock your doors and go to the Ilo-Ilo Theatre. 3 Bad Men are due in town on Thursday.

PUBLISHED EVERY FRIDAY AT CUMBERLAND, B. C.
EDWARD W. BICKLE

FRIDAY, OCTOBER 15, 1926.

**MAKING HOSPITALS POPULAR** Have you had occasion to visit a hospital lately? If you have, you no doubt noted the radical changes which have taken place in past years. The spirit of better things and brighter surroundings has spread to the hospital and most noteworthy of all is the changed attitude toward cheerfulness, color and the breaking of the old rule of silence.

Not so many years ago everything possible in the hospital was painted a deadly white, to emphasize cleanliness. Everything was severe. Nurses were subjected to rigid severity in apparel and living quarters. It was only after Florence Nightingale's lifetime that they could wear even the class pin which few possessed, and their bedrooms were nun-like cells. Today, nurses are encouraged to be as attarctive as possible, consistent wtih good taste.

The dreary, white, silent institution for the sick has become a different thing altogether. Upon entering a comparatively new hospital you might think from its exterior that it was a hotel or apartment house. You will find the entrance architecturally as inviting and cheerful as the lobby of a high-class hotel and the entire surroundings bright and cheerful with the prettily furnished sun parlors, and the home-like furnishing of the maternity section.

Tiles of flat green, the closest approximation to nature's restful outdoors, are used in many operating rooms. Gray beds, gray furniture, gray walls and gray clad nurses to match in many a hospital ward, with bright blue on the floors for pleasing contrast. Even the dreary silence and the serious demeanor characteristic of the hospital of a few years ago are being driven out by the carefully supervised use of the radio and phonograph, with their music, chat and exhilerating jazz, and the friendliness and smiles of the splendid type of young woman in the nursing profession today.

With the X-ray photographs guiding the surgeon in his exploration of your interior, the microscopes and laboratory test tubes aiding him in his diagnosis, the pretty, smiling young nurses, the good cheer of the radio and the brighter furnishings and surroundings, a week or two in a hospital is not the fearful thing it once was. If only some way could be found to eliminate the heavy expense we believe hospitals might really become popular, especially with the tired business man who gets so little attention at home.

---

Man must work. That is certain as the sun. But he may work grudgingly or he may work gratefully; he may work as a man, or he may work as a machine. There is no work so rude that he may not breathe a soul into it, no work so dull that he man not enliven it.—Henry Giles.

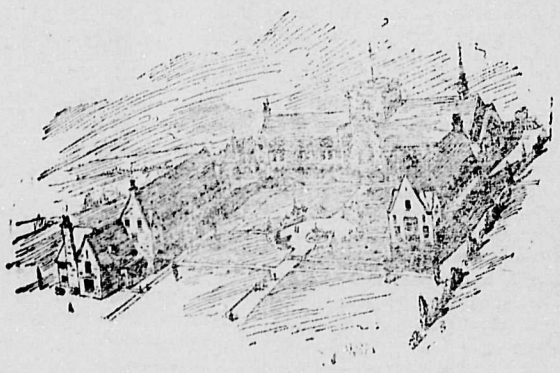
* * * *

Honor the game thou playest, for he who playeth the game straight and hard wins, even when he loses.—J. H.

* * * *

A copy of the new publication, "The Review," a weekly newspaper published at North Vancouver, has been received at the office of the Islander. It is a very creditable looking sheet, and is issued in the interests of the North Shore of Burrard Inlet. Mr. J. M. Bryan, M.L.A., is the publisher, and with Mr. Dave Finger having charge of the mechanical end of the business, there is no reason why "The Review" should not maintain the good impressions created by tne first edition. May it live long and prosper.

*Proposed Quadrangle, Union College of British Columbia*



Sunday, October 17th, has been selected as College Day by the Board of Governors of British Columbia's newest educational institution, Union College of British Columbia. On that day a joint appeal will be directed through the pulpits of the various churches of British Columbia for funds with which to complete the construction of the new building.

Ground has been broken on the University Campus at Point Grey. The sum of fifty thousand dollars has already been raised. It is anounced that the committee on finance has received assurance of securing not less than twenty-five thousand dollars in the form of special subscriptions from church members and their adherents.

With this total of seventy-five thousand dollars on hand, or as good as raised, the finance committee is going to the members of the Union Churches of British Columbia, together with the members of the various Sunday Schools of those churches and will ask for the sum of $25,000. It is estimated that if every church member and every church adherent gives a sum not less than one dollar, the requisite amount can be raised.

And work upon the construction of the splendid superstructure of British Columbia's most notable addition to her theological edifices will be at once entered on.

An important feature of the campaign is the making of a large book on whose pages will be inscribed the names of those loyal church members whose donations made the college possible.

The Honor Roll, as the large book will be called, will contain, it is expected, more than 35,000 names of Sunday School students, church members and the names of church adherents. As these names will be written in the book, the Honor Roll book will possibly be the largest book ever prepared in British Columbia. It will be composed of the most lasting materials and will be an enduring record that, in future years, will be frequently referred to by those who are interested in the people of to-day.

Union College of British Columbia will be erected on the campus of British Columbia's University. It will be of Gothic design, a building in keeping with the beauty and dignity of both the theological institutions of its kind, and one which will also harmonize with the college building already erected there.

British Columbia must provide many more ministers and religious leaders if she is to secure that full quota required for the administration ofreligious affairs in the various centres throughout the Province. The purpose of Union College which is an amalgamation of Ryerson College, Westminster Hall and Incorporated Congregational Church College, will be the education of these ministers.

But an added interest is lent this movement to raise funds for the construction of the college by virtue of the fact that it is believed that such a college will do a great deal of good work along the lines of retaining the services of British Columbia's University graduates for British Columbia.

## THE PUZZLE CORNER

### Puzzle No. 210

How many well-known poets can you find concealed in the following lines?

Tello, Weller, tell Hamil tonight
To row home round by Ronald's light;
When there stop, ope the door.
The key's 'neath the sill.
Then hunt well, for Sheridan
Temple's will is there.

### Puzzle No. 214

Take part of a monk's wardrobe, subtract a bird, add an animal, subtract a piece of harness and the result will be CRAB.

—o—

### Puzzle No. 211

The annual competitions for the lawn tennis championship on the Cumberland courts are carried out upon the popular knock-out plan, the losers retiring and the winners being again paired until by such process of elimination the survival of the fittest is elected to meet last year's champion to battle for the championship. When sixteen players compete and the winner must then play with the old champion, it is evident that he must win five straight games, suggesting the simple problem which has given rise to considerable discussion.

Before commencing play what are the chances of getting the first prize if all are assumed to be of equal strength.

—o—

### Puzzle No. 212

### Answers to Last Week's Puzzles

No. 205—Neat, eat; driver, river; yours, ours; open, pen; usurer, surer.

No. 206—Willie had traveled 72 miles and Dusty only 54 when they first met, so the distance from Joytown to Pleasantville was 126 miles.

No. 207—CROW plus HEEL minus WHEEL plus COD plus BEE plus FILE minus BEEF is CROCODILE.

No. 208—Seed, seen, sewn, sown, soon, coon, corn.

White, whale, shale; stale, stalk, stack, slack, black.

Bush, bust, beet, feet, fret, free, tree.

Lead, lode, goad, gold.

Sorry, worry, wordy, words, wards, warps, harps, harpy, happy.

Hill, hall, hale, vale.

No. 209—There must have been 12 Red Caps and 6 Blue Caps. The Red Caps consumed 216 steins and the Blue Caps 108.

## LEATRICE JOY DEFIES DAME FASHION'S EDICT

THE MOST FAMOUS BOB IN HOLLYWOOD

OLD DAME FASHION may be the tyrant of most of the feminine world, but Hollywood is not easily ruled.

Leatrice Joy, for example, turns up her saucy nose at orders from Paris to let her hair grow and visits the barber regularly to keep her famed boy-bob in short, shining resplendency.

Leatrice's close-shingled coiffure is one of her most individual characteristics and one by which she is instantly recognized in Hollywood, home of distinctive feminity. It lacks even the suggestion of a girlish curl and is divided by a severe part which gives a swagger appearance.

Yet, in spite of this extreme hairdress, Leatrice Joy has not lost her femininity, the proof being the splendid work she does as a superfeminine "clinging vine" in her latest starring feature for De Mille, "The Clinging Vine."

"Why should I let my hair grow if I look better with it short?" inquires Leatrice. "Fashions that make you look funny should never be taken seriously, and styles that are uncomfortable went out with bustles and pompadours."

### MAKES COFFEE TRULY DELICIOUS

Much coffee is spoiled in the making, but it is safe to say more is spoiled in the serving. This is because comparatively few people use real cream, figuring, perhaps, that its daily use is rather a luxury. Of course, one can rob the milk bottle, by taking off the top milk, but even that is not calculated to give one the rich, golden, appetizing cup of coffee that makes this beverage truly a nectar. More and more housewives are serving Eagle Brand Condensed Milk with coffee, for the reason that it is so economical and because it ensures a beautiful flavor, being so rich and creamy. There is the further advantage that it saves sugar, and the milk and sugar are so perfectly blended that the proportions are absolutely right. Usually, the condensed milk is placed right on the table, being served from the can, which, if desirable, may be set in a marmalade jar.

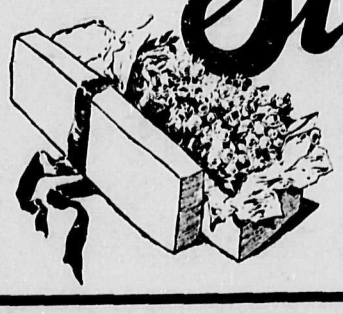
STARRING VIRGINIA VALLI and EUGENE O'BRIEN



### VAMP YOUR HUSBAND IS ADVICE OF STAR

"Don't think because your husband wears glasses that he can't see a pretty ankle," says Margaret Livingston, star of Fox Films production, "Hell's Four Hundred." "Remember you vamped him when you got him. Keep him the same way."

Miss Livingston plays a gold digger in "Hell's Four Hundred." The picture is adapted from Vaughan Kester's novel of Broadway's whirlpool, "The Just and Unjust." In the cast are Harrison Ford, Wallace McDonald, Henry Kolker, Rodney Hildebrand and Marceline Day. It is showing at the Ilo-Ilo this week-end.

### VERSATILE CAST IN "THE OUTSIDER"

If the movies were to close up shop—what would happen to the stars? Would they be able to duplicate their success in other lines? Perhaps not all of them would, but certainly the versatile cast of "The Outsider," the Fox Films picture coming to the Gaiety Theatre Wednesday only, Oct. 20th, would never starve.

Jacqueline Logan playing the leading role in this adaptation of Dorothy Brandon's big stage hit would tuck her portable typewriter under her arm and go back to newspaper reporting, a profession at which she succeeded before her beauty attracted picture producers.

During the making of this film Lou Tellegen, the portrayer of the male lead, told an interviewer that he had often longed to be a stage manager, to put into execution some revolutionizing ideas of play presentation. Walter Pidgeon, another handsome actor in the cast, confessed he would like to own a bookshop while Joan Standing, character actress, declared that if film work ever slackened she would go into vaudeville.

### "3 BAD MEN" AT GAIETY THEATRE NEXT WEEK

A fascinating page from history brought to life is the story of "3 Bad Men," Fox Film epic, which will be at the Gaiety next Friday and Saturday, October 22nd and 23rd.

Directed by John Ford, of "The Iron Horse" fame, with Olive Borden, playing the part of Lee Carlton, the winsome heroine, and George O'Brien as the youthful pioneer, and a cast of such outstanding characters as J. Farrell MacDonald, Tom Santschi and Frank Campeau in the title roles, this is one picture that more than comes up to expectations. Each of the principal characters is portrayed by a well-known screen favorite, including Lou Tellegen, as the smooth but villainous gambler, Alec Francis, as the minister, and Otis Harlan as the mirth-provoking printer.

The story deals with the opening of the free land in the Dakotas for settlement. The race across the plain for the best of the free lands in which 25,000 people, thousands of horses, oxen and vehicles of every description from prairie schooners to wheelbarrows take part, is one of the most vivid and exciting ever filmed. "3 Bad Men" is a splendid entertainment a good story, well directed and well acted. You'll be sorry if you miss it.

### "SEIGE" IS BRIDE'S BATTLE WITH PURITAN EGO

"One of the most dramatic pictures of the year" is the verdict of many who have seen "Seige," the Universal Jewel feature starring Virginia Valli and Eugene O'Brien, which will be screened at the Ilo-Ilo next Wednesday and Thursday, Oct. 20-21, as part of a double feature programme.

Adapted from the novel by Samuel Hopkins Adams, and directed by Svend Gade, noted Danish artist, this unusual story of the clash of personalities in a conventional, aristocratic New England family.

How an independent, strong-willed young man, introduced by marriage into the family, refuses to bend to the Puritanical conventions of the clan, and the iron rule of a cruel, selfish old woman who dominates it, is realistically and dramatically told.

Miss Valli has the strongest role of her career as the young wife, with Eugene O'Brien as the husband. Mary Alden adds many laurels to her fame as a character actress in the role of the dominant leader of the Ruyland family.

The supporting cast includes Marc MacDermott, Beatrice Burnham, Harry Lorraine, Helen Dunbar and many others.

### "LOVERS IN QUARANTINE" IS BEBE DANIELS' LATEST

Bebe Daniels and Harrison Ford—there's a combination which should tickle the comedy-loving public's palate.

These two laugh-makers play opposite each other in Bebe's latest Paramount starring picture, "Lovers in Quarantine," coming to the Gaiety Monday next and to the Ilo-Ilo the following night, Tuesday.

Frank Tuttle, who made "Miss Bluebeard" and "The Lucky Devil" directed the production, which was written for the screen by Townsend Martin and Luther Reed from F. Tennyson Jesse's New York stage success, "Quarantine."

The story is one of a ship's bride and a strange honeymoon—of Bebe, as Diana Gordon, a daring little society miss who elopes with her sister's fiance. It's fast and furious fun from start to finish.

Alfred Lunt, Eden Gray and other big stage and screen favorites appear in the cast.

### "WET PAINT" A ZIPPY, FAST FARCE COMEDY

Inasmuch as some motion picture titles are a bit tricky, it might be wise to say a few words about Raymond Griffith's latest Paramount comedy, "Wet Paint," which arrives at the Ilo-Ilo Theatre this week-end, one of a double feature programme, and at the Gaiety Theatre Monday and Tuesday, Oct. 18-19.

If you think it to be the story of a painter—you're mistaken! If you believe it to be the life of an artist or his model—you are wrong again. But—if you thing "Wet Paint" is a fast farce comedy with lots of pep, zip, action, thrills, beauty, laughs and riproaring fun—then you're right!

Helene Costello and Bryant Washburn are featured in support of the star. "Wet Paint' was written as an original story for Griffith by Reginald Morris, scenarized by Lloyd Corrigan and directed by Arthur Rosson.

### THRILLS APLENTY IN "WITHOUT MERCY"

Among the many thrilling situations depicted in "Without Mercy," which George Melford production will soon be featured at the Ilo-Ilo and Gaiety Theatres are: the explosion of a large ship; the kidnapping of a young lady of wealth; the fight for a lost silver mine in the wilds of the Argentine and the fight between the detectives of Scotland yard and a band of internationally famous underworld operators.

Dorothy Phillips, Rockcliffe Fellowes, Lionel Belmore, Robert Ames, Patricia Palmer, Fred Malatesta, Vera Reynolds and a score of well known screen favorites are featured in this production.

"Without Mercy" is booked for Oct. 18th (Monday) at the Ilo-Ilo and for Tuesday, Oct. 19th, at the Gaiety.

## B. C. CONSERVATIVE CONVENTION SOON

**Early in November Is Regarded As Probable Time — Folowing Ottawa Conference**

VANCOUVER, Oct. 4.—Conservatives of British Columbia will probably hold a convention early in November for the selection of a Provincial leader. October 18 will mark a meeting of the executive of the Conservative Association, and on that date a convenient date for the convention will probably be selected. Next Monday, in the East, Federal Conservatives will meet to consider the question of the resignation of Right Hon. Arthur Meighen from the leadership of the Dominion party. Hon. H. H. Stevens and other western men who will attend that gathering expect to leave at once for British Columbia to attend the executive meeting fixed for a fortnight from today in Vancouver. The only business to come before the executive when it meets will be the selection of time and place for the convention and arrangement of the necessary preliminary details for the gathering.

**Possible Leaders**

The determination of Mr. Meighen, who, it was suggested, might be offered the leadership in the event of his coming to British Columbia to live, to definitely retire from active participation in public affairs, gives assurance that there will be a contest for the leadership here.

That the present House leader, Mr. R. H. Pooley, will be placed in nomination is certain, while the name of Hon. S. F. Tolmie is again much to the fore, and his supporters are confident that he will permit them to nominate him. Former Premier W. J. Bowser, is also looked upon as a contender for the honor and his friends will nominate him. Mr. R. L. Maitland, president of the association, is another who has a strong following, while the name of Mr. Leon J. Ladner, member for Vancouver South, is being considered by many.

# Human Flies Scale C.P.R. Chimney

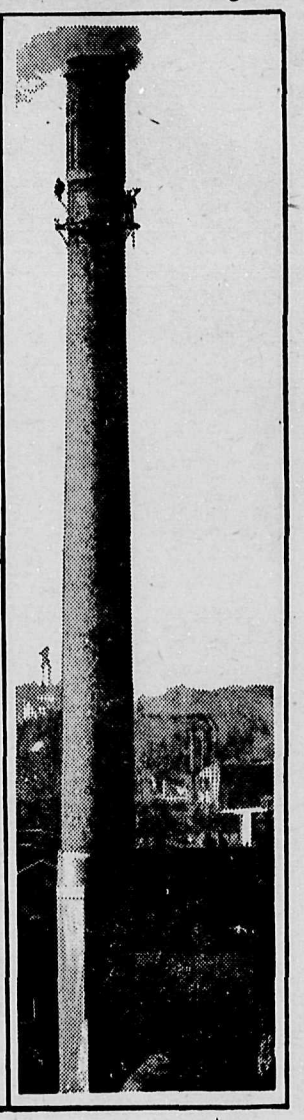
Walking around a two-foot-wide platform that encircled the top of the 218-foot-high chimney at the end of the Windsor street station train platforms, Henry Held, of New York, and Richard Boucher, of Three Rivers, drew many eyes from neighboring streets and from the windows of the C.P.R. offices The men had been engaged by the company to repoint the bricks, clean the surface and repair the lightning rods on the huge chimney.

The work of getting the platform to the top of the chimney occupied the men for eight days. Every upward movement of the platform was to a height of six feet and at the last minute of completing this work one of the men would be standing on a single plank, the rest having been raised to the upper position. This ticklish work was to the onlooker dangerous in the extreme, but the men thought nothing of it.

Asked if he ever suffered from attacks of vertigo, Held laughed and said he never had. "I feel just as safe up there as I do on the ground." He is a man over sixty years of age and has been doing this kind of work for the past forty years. "I feel right at home on the C.P.R. chimney," he added, "for I built it in 1912." However, he is thinking of quitting in another couple of years, although his nerve is as good as ever it was. He owns a half-section of land in Alberta and it is there that he says he will settle down.

Both men moved with the same ease at the perilous height as though they were walking on the street. At times, when hauling a plank upwards, one of them stooped over the edge of the platform looking sheer down the drop of 200 feet. At other times they swung out from the walls of the chimney perched on a tiny cradle. At all times they appeared to have complete mastery of the situation.

Although it took them eight days to hoist the platform to its present position, they glided from it to the ground on a cradle in slightly less than a minute.



## Sale of Mineral Claims for Unpaid Taxes in the Comox District

I HEREBY GIVE NOTICE that, on Monday, the 1st day of November, 1926, at the hour of 1 p.m. at the Court-house, Cumberland, B. C., I will sell at public auction the Crown-granted mineral claims in the list hereinafter set out, of the persons in said list hereinafter set out, for delinquent taxes unpaid by said persons on the 30th day of June, 1926, and for penalty, costs, and expenses, including the cost of advertising said sale, if the total amount due is not sooner paid.

## *Survey Monuments*

In man's earliest civilization natural boundaries such as rivers, ranges of hills, or dense forests served to limit the territory over which neighboring bands of hunters claimed the rights of proprietorship as against all others. When the family became the unit as distinguished from the tribe and when pastoral pursuits were engaged in some division of land among the various families was necessary. These boundaries or dividing lines were no doubt first roughly defined but as population increased and individuals became more and more interested in the acquisition of wealth it was necessary to actually mark the division lines. Hence the are and practice of land surveying came into existence and with it various types of survey monuments.

In western Canada where all the original land subdivision has been carried on under instructions of the Survey General of Dominion Lands, Department of the Interior, the earliest survey stakes used were of wood, but it was even then recognized that a more permanent form of marking was advisable and very soon thereafter iron bars were used, first at township corners and then at all section corners. Attached to the early type of iron bar at section corners was a square of sheet tin on which the section numbers were stamped. These tin squares, however, proved so attractive to the Indians who often made necklaces of them that they were later on discarded and a bar with a squared solid top on which the information for the corner could be stampde was used instead. These iron bars were far more permanent than wooden stakes but they could be easily pulled out and many of them were used in an unauthorized manner as tethering stakes.

As land became more valuable and as the amount under cultivation increased, the increasing value of more permanent surevy monuments was recognized. A post consisting of an iron pipe with the centre core filled with cement, with a foot-plate to prevent it from being pulled out and having a brass cap on top to receive the proper inscription for the corner, was designed and is now in use on all Dominion land surveys. This post is durable and is not easily removed. Being planted flush with the ground it is referenced by pits or a mound in order that it may be readily found. These monuments have proved very satisfactory and the boundary lines of farms or lots thus marked are relatively permanent. There are, however, large areas in western Canada not so well marked and Dominion land surveyors in the course of their other duties are putting down as opportunity offers some of these permanent survey posts wherever they may be working.

Thus these survey posts are not all confined to the subdivided areas of the western provinces but are being placed at many other points. There is a considerable number along many of the main waterways of the Northwest Territories and of the northern portions of Manitoba and Saskatchewan. They extend for instance from Waterways, a railway station three hundred miles north of Edmonton, to the Arctic ocean, and there is another connected series from The Pas to lake Athabasca. The locations of all these posts are accurately recorded, and they serve as references for all other surveys, explorations or investigations of the adjacent areas. In the mapping being carried on by the Topographical Survey in Ontario, Quebec, New Brunswick and Nova Scotia, these permanent survey posts are being placed at all prominent points and are available for future reference for all surveying or engineering purposes.

### Two Nations Aided Bok To Import Nightingales

Two nations and two corporations aided Edward W. Bok in his experiment of bringing nightingales to America, which has been watched by the public with great interest.

In his first public statement on his effort to add these famous songsters to our national birds, published in the October Scribner's Magazine, Mr. Bok tells how, after the failure of the first attempt, he finally succeeded.

"For weeks the quest went on, and finally six more nightingales were secured," he writes. "The interest of the British Government had increased, all restrictive export bars were removed, and Major Nornabell was soon on the ocean with the nightingales in a cabin of their own, put aside for them by the Atlantic Transport Line. Meanwhile the American Government was asked to join with the British Government, and an order came to New York from General Andrews in Washington that nothing should stand in the way of the birds being expeditiously 'cleared.' The Seabord Air Line forgot all rules, and placed at the disposal of the birds a private drawing room on its special 'one-night-out' express to Florida, and within thirty hours from their arrival in New York the six nightingales had joined the remaining three, and were chirping in the sunshine of the Flamingo State. Thus did the two most powerful governments of the world and two large corporations unite to speed six little birds on their way to a new home and, perhaps, to a new leaf in the history of American bird-lore."

## SYNOPSIS OF LAND ACT AMENDMENTS

**PRE-EMPTIONS**

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding Pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

**PURCHASE**

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands in given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

**HOMESTEAD LEASES**

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtained after residence and improvement conditions are fulfilled and land has been surveyed.

**LEASES**

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

**GRAZING**

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

# New Crepe-de-Chene Dresses

We have just received another shipment of Misses and Ladies Silk and Crepe-de-chene Dresses; some very smart designs, with good contrasting colors, are to be found in our show room. We invite you in to see them. For Misses who are wanting a very smart Dress and yet an inexpensive one, we have some real natty Dresses at a very small price.

**E. FELIX THOMAS**
Office:—Union Bay Road.

Telephones 151 and 24L Courtenay, B. C.

Miss J. Balagno left this morning for Vancouver where she will undergo an operation at the General Hospital.

* * *

Mrs. J. Newton, of Duncan, arrived in Cumberland last evening and is the guest of Mr. and Mrs. T. Graham.

* * *

Mr. and Mrs. E. Shearman Bird, nee Besse Stewart, of Vancouver, were the guests last week-end of Mrs. Marion Stewart, Allan Avenue.

"Western stories will never die," recently declared Art Acord, star of "Rustlers' Ranch," a Blue Streak Western which is coming to the Ilo-Ilo next Wednesday and Thursday as part of a double programme. To prove his contention Acord cited the great number of pictures turned out every year. In this picture which Clifford Smith directed are Olive Hasbrouck, Duke R. Lee, George Chesbro and Edithe Yorke as well as Acord's trained horse and dog.

## Personal Mention

Mr. Thos. H. Carey, First Grand Principal of the Grand Chapter of Royal Arch Masons of B. C., returned to Cumberland on Monday evening after paying official visits to Chapters in the interior of the Province. During the course of his visit, the first grand principal visited chapters in the Crows Nest Pass and Okanagan Valley, covering in all upwards of 2,000 miles.

* * *

HELP WANTED—All law-abiding citizens are requested to organize on Thursday, October 21st. Three Bad Men are coming to town.

* * *

Mr. Thos. (Taw) Johnson arrived recently from Seattle and is spending a holiday with his parents at Union Bay.

* * *

Mrs. Marion Stewart and Mr. Malcolm Stewart, who have been spending the week in Vancouver, arrived home this evening.

* * *

Mr. J. W. Jago, of Victoria, is relieving at the Royal Bank of Canada during the absence of Miss J. Balagno.

* * *

Miss Jessie McKee, of Vancouver, arrived in Cumberland Saturday last on a visit to her sister, Mrs. Wm. S. Wood. Miss McKee is accompanied by her friend, Miss Eileen Thompson, also of Vancouver.

* * *

The Juvenile Foresters will meet in the Fraternal Hall on Monday, Oct. 26th, at 7:00 p.m.

* * *

* * *

Mrs. F. G. Freeman and sons Teddy and Donald, returned to Vancouver last Monday, having spent the past month in Cumberland with Mrs. Freeman's mother, Mrs. M. Stewart.

### CARD OF THANKS

Mr. and Mrs. James Potter wish to thank all those people who gave such ready assistance to them at the time of their accident on Saturday, October 2nd.

Pumpkins, hayseed, squash,
Watt Williams, by gosh!
—Hayseed Ball, Nov. 5th.

### RARE TREAT IN STORE

The recital to be presented by Miss Theresa M. Seigel, of Calgary, on the 28th of October promises to be of unusual interest and it is hoped will be generously patronized. The miscellaneous program of humorous and dramatic selections will appeal to young and grown up as it will include such number as "An Abandoned Elopement," "The Story of Danny,' "At the Photographers," "The University of Hard Knocks," and other general favorites.
Miss Seigel's work is in much demand all over the west and the fact that she is to give an evening in the Cumberland United Church (formerly St. George's) will be of great interest to all. She will be assisted by other well-known artists. Admission has been set at 50c for adults and 25c for children.
