

## Well Known Lady Laid To Her Rest

Mrs. Anna Stockand Mourned By a Large Circle of Friends

The death occurred on Sunday evening last, in the Cumberland General Hospital, of Ann, the beloved wife of David Stockand at the early age of 34 years. She was a native of Kelty, Fifeshire, Scotland, and came to this city about seven years ago with her half-sister, Mrs. David Bell. She was well and favorably known by a large circle of friends whose sympathy will be extended to the sorrowing husband and other surviving relatives, who, in addition to her half-sister, Mrs. David Bell, includes Mr. and Mrs. Clark and Mr. and Mrs. Peters, of Cumberland, uncles and aunts of the deceased lady. Aunts and uncles in Scotland left to mourn her loss include Mr. and Mrs. Carmichael, Mrs. Janet Sinclair, Mrs. Agnes Thomson, Mr. and Mrs. Robert Dickson, Mr. and Mrs. Dewar, Mr. and Mrs. Haggan and Mrs. Mary Ramsay.

The funeral took place on Tuesday from the residence of Mr. and Mrs. David Bell, Maryport avenue, the Women's Benefit Association of which deceased was a valuable member attended in a body and conducted the services at the home and at the graveside. Many members of the ladies' auxiliary of the Fraternal Order of Eagles of which the deceased was also a member attended.

The Rev. J. R. Hewitt, pastor of the Cumberland United Church officiated and interment was made in the Cumberland Cemetery, pall bearers being J. Buchanan, Ben Foster, R. McGrath, W. Cavanaugh, C. Buttress, Jr., and E. Shillito (Union Bay). Many beautiful floral tributes were received which are hereby gratefully acknowledged.

## Rob Bennie Wins The Reifel Cup At Gun Shoot

Poor Scores at Shoot for Valuable Trophy

Very poor scores were recorded at the traps of the Cumberland Rod and Gun Club on Sunday last, on the occasion of the contest for the valuable Con Reifel cup. The conditions were not of the best and this probably had something to do with the poor showing made by the shooters. Rob. Bennie with 17 birds out of 25 captured the cup and also a silver spoon. There was a fairly good gallery of spectators present to witness the shoot, and the proceedings followed with keen interest. Other scores were: J. Bono, 15; D. Francioli, 14; Jim Cameron, 14; L. Francioli, 14.

## SOFTBALL

Mid-Week Games Watched by Many

Softball is making headway in Cumberland. Sunday evening last saw the Royals and Fanny Bay tangle at the City Park in a friendly game which proved to be an exciting one. The large number of spectators thoroughly enjoyed the game which was won by the Royals, coming out on the long end of a 15-12 score.

Royals vs. Lang's

Wednesday evening the Royals entertained the Lang's team, of Courtenay, and as on Sunday night, the game was a most exciting one. Even more exciting than the previous game. The scores were even until the last frame when the Lang's team drew ahead to win 10-9. There was even a bigger crowd on hand than was the case on Sunday and it is evident the game is certainly catching on here.

Many ladies' teams have been organized and every evening sees the City Park occupied by one or two teams practising. Now that so many are using the City Park it might be possible to get the City fathers to improve the field by turfing it. At present time it is hardly fit to be used and with the Recreation ground occupied by the baseballers and the cricketers having a lease on the "Y", it would really be a good thing if the City Park could be put into shape.

CARDINALS vs. UNION BAY

Monday evening saw the Cumberland Cardinals and the Union Bay, both ladies' teams in action. When we say action we mean it in every sense of the word. The game was very evenly contested, right up to the last innings when the Cardinals ran in 10 runs to give them a victory by 24 to 14 runs. The game was watched by a large number and many motorists passing by the park, stopped and parked their cars, viewed a portion of the game and went away thoroughly satisfied. The girls are improving fast and can wait the old ball to some purpose. Vera Pickett got a good whack at the ball, getting a homer, but, unfortunately for her team there was no one on bases. Games with the Courtenay girls are being arranged when it is expected some real thrillers will be staged. The game on Monday was umpired by Charlie Tobacco with Louis Bartholdi base umpire.

## OLD TIMERS CHALLENGE NANAIMO HAS BEENS.

The Cumberland old-time soccer stars, through their secretary, W. Mossey have issued a challenge to the soccer players of Nanaimo of forty years of age and over, to a game of Association football to be played at Nanaimo on Saturday, June 20th, prior to the game with the English touring team. It is to be hoped the challenge will be accepted as it would make a real good opener for the afternoon's sport of June 20th.

## Local Athletics Batting Average

Mr. Walter Hudson, Jr., of the Royal Confectionery, has been approached by the management of the Cumberland Athletics and kindly consented to donate a prize for the player with the highest batting average. The average is compiled for league and exhibition games and applies to Athletic players only.

## MUSICAL EXAMS. HERE SATURDAY.

Mr. Frank Idle, F.R.A.M., of London, England, will be in the city on Saturday conducting the examinations of the Associated Board of the above institution. He will examine Miss Mitchell's pupils at her residence and will examine Mrs. Finch's pupils and the pupils of Mrs. Hudson at the home of Mrs. Finch. He will leave immediately after the examinations for Vancouver, where he will conduct examinations until the end of June.

## Giving Ride To Children Cost Driver \$10.00

Offences Under Motor Vehicles Act

Thomas Moncrieff, of Cumberland, who works for the Bayview Dairy as delivery man, was fined \$10.00 and costs and his white licence exchanged for a blue one, the outcome of giving children rides. He was said to be carrying children on the hood of his car when he was seen by the constable and charged with driving to the common danger.

Jas. Sheasgreen, of Headquarters, also had his white driver's licence exchanged for a blue one, the outcome of a collision with a car driven by S. J. Long on the Headquarters road. He was fined \$20.00 and costs in addition to getting a blue card.

A resident of Merville who was charged with having deer meat in his possession during the closed season was fined \$10.00 and costs. The deer meat was found in accused's barn by Constable Donahoe.

Mr. Roy Brown, of the staff of the Vancouver Daily Province flew to Buttes Lake for a day's fishing. Passing over Little River Mr. Brown gave some of the inhabitants a friendly wave. The reason for the wave is explained by the fact that Mr. Brown has relatives there.

## Cumberland Teams Enter 16th Annual First Aid Contest

Held Saturday at Nanaimo

Six Cumberland teams will enter the first aid contests to be held at Nanaimo on Saturday and three mine rescue teams will also enter the competition. The field day is under the auspices of the Vancouver Island and Coast district branch of the British Columbia mine safety association and is the 16th annual field day. The affair will be held on the Central Sports Ground, the first aid events starting at 8 a.m. The mine rescue contest for the Vancouver Island mine safety association shield will start at 8 a.m. from the St. John's hall. In this contest there will be first, second and third prizes. One of the contests which is causing a great deal of interest is the one for the Comox Logging and Railway cup which is an open five-man team contest. The full list of Cumberland team's entering is as follows:

Senior men's contest: Matt Brown, Thos. Eccleston, Wm. Bennie, John Buchanan and Jack Watson. This is known as number one team. Number two team will be Wm. Beveridge, James Quinn, Wm. Whyte, Thos. Brown and Sidney Hunt. Number three team will be Harry Waterfield, J. D. Davis, R. McGrath, John S. Brown, Harry Waterfield, Jr. Number four team will be William Davis, Geo. Marshall, E. MacDonald, J. Davis and W. Johnston. One team will enter the junior boys' contest: Bennie Nicholas, S. Lawrence, Gordon Robertson, J. Marpole and W. Slaughter. The team composed of Mrs. W. Hudson, Mrs. J. D. Davis, Mrs. W. Bennie, Miss Nicholas and Miss Reece will enter the ladies' senior event. The three teams entering the mine rescue contest will be A. Watson's team, J. Quinn's team and Harry Jackson's team.

Following the contests the prizes will be distributed to the successful competitors in the Oddfellows' hall at 7:30 by the Hon. W. A. McKenzie, Minister of Mines. A monster dance in the same hall will follow the distribution of prizes.

## May Queen At Oyster River

The Oyster River residents celebrated their first May Day and crowned their first May Queen this year. The celebration was held last Friday and it is hoped it will become an annual affair. The first May Queen chosen from the Oyster River school, Miss Gladys Wood, was crowned by the teacher, Miss Gladys Idiens, in the presence of a large crowd of parents and friends. Her maids of honor were Miss Annie Storie and Betty Brown. Following the ceremony, sports were held and tea was served.

## Plea Of Mines Is Supported

Premier Tolmie Wires Premier R. B. Bennett

Renewing efforts, made while he was at Ottawa, to secure recognition for the request of Vancouver Island mines that \$1 a ton bonus be given by the Dominion Government to apply to all coal bunkered and exported from British Columbia to points other than the United States, Premier Tolmie Tuesday sent the following wire to Rt. Hon. R. B. Bennett:

"After careful consideration, this Government strongly supports the request of the British Columbia operators for some adjustment of coal policy, as set forth in your budget speech. Letter setting forth arguments sent by Hon. W. A. McKenzie to you June 5. Request first that bonus on bunker coal and export coal, other than to United States, be raised from 25 cents to \$1.00 a ton. Realize that it is now impossible to change your decision to increase duty on bituminous coal, but hope that some plan can be worked out whereby Dominion Government will absorb retaliation duty placed on British Columbia coal to the States in order to protect our export market for 200,000 tons of coal. Situation so desperate in coal mining that every effort must be made to protect all possible markets. From announced coal policy it would seem that new taxation will net Dominion Government at least \$2,000,000 over all bonuses and subventions paid, so some assistance to British Columbia coal industry fully justified."

## IMPROVED APPEARANCE OF COURTENAY FREE PRESS.

The last issue of the Courtenay Free Press shows a decided improvement over previous issues. The make up has been altered slightly, the front page being the equal of any weekly paper in Canada. The pages are full of local news and doings.

## CRICKETERS TO PLAY CHEMAINUS.

The Cumberland cricketers will play Chemainus on Sunday on the "Y" grounds, commencing about 10:30 or 11 a.m., according to the time the visitors arrive. The locals will be chosen from Hall (captain), Idiens, McLaughlin, Vernon-Jones, Gough, C. V. Dando, J. Dando, A. J. Taylor, J. Vaughan, G. L. Guy, T. Carney, Roy Howay, C. Lacon and H. R. Lacon.

## Japanese Take Athletics 13-12

After obtaining a nine run lead over the Royston Japanese, the best a crippled Cumberland ball team could do last Sunday at Lewis Park was to lose the decision by one run to the fighting little brown men from the mill. The teams garnered 25 runs, Royston winning 13-12.

The game, ragged in spots, tightened up towards the finish. Errors were numerous, and the slabsmen got in different support from their teammates.

During the game the stands stood for half a minute in memory of Kishio Kaga, brilliant Fanny Bay short stop, who lost his life last Tuesday.

Score by innings:  
1 2 3 4 5 6 7 8 9  
Cumberland 5 4 0 1 1 0 0 1 0 —12  
Royston 0 0 0 9 0 1 0 0 3 —13  
\*Two out when winning run was scored.

Batteries: Cumberland: Westfield, Tuna, Tobacco; Royston: Kenshi, doy, Doy.

Umpire: Robinson.

## EAGLES 6 - HAPPY VALLEY 4

Excitement ran high at the Recreation Ground Thursday night on the occasion of the meeting of the Cumberland Eagles and the Happy Valley nine in a regular twilight league fixture. The brand of ball displayed was snappy and at the commencement of the last innings the scores were tied with four each. Bill Stant busted up the game when he got a safe hit bringing in two runs to give his team the victory. It was a game worth going a long way to see and if the same brand of ball is displayed in the future games in the league bigger and better gates will be the order of the day. Every Thursday's game satisfied everybody, especially the Eagles, whose supporters were jubilant over the 6-4 victory.

## ROAD WORK STARTS

Work on the completion of the Menzies Bay road was begun last Monday by a crew of about twenty men under the direction of the Provincial Public Works Department. Besides making the beach camps of three large logging companies accessible, the new road gives to motorists that which they desire — scenic charms unsurpassable anywhere on the coast, including an enchanting view of the far-famed Seymour Narrows and Discovery Passage.

Mr. Basil Horsefall, of Vancouver, manager of the Canadian Educational Films was a business visitor to Cumberland on Thursday.

Lieut.-Col. Charles W. Villiers, general manager of the Canadian Collieries (Dunsmuir), Limited and the Western Fuel Corporation of Canada Limited left for Vancouver on Wednesday morning on a business trip. He is expected back in Cumberland tonight.

## Tournament At Lawn Bowling Club Started

Special Contest for Singles

W. Henderson, Sr., had the honor of winning the first game this year in the first singles contest to be started at the lawn bowling green, defeating Jack Williams by a score of 21 points to 11. The second game was between Harry Jackson and W. McMillan, the former having all his work cut out to defeat his opponent. After a very close game Harry won 21-20. Other games are expected to be played tonight and tomorrow when the draw for the second round will be made. That the competition is proving popular, is proven by the fact that almost every member of the club entered. Arrangements will be made shortly for the games between Nanaimo and Cumberland for the Villiers cup, which is for rinks. A doubles contest will also be started as soon as arrangements can be completed. The green is improving fast and promises to be very popular place during the summer months.

## Local Japanese Fined \$300 For Selling Whiskey

Had Bootleg Whiskey Hanging Round His Neck

It might be a funny place to hide whiskey and one where a chap would feel fairly safe in keeping it. However, it did not do a Cumberland Japanese any good at all as Constable De Witt, acting on information visited M. Oda at four o'clock on Saturday morning last and subjected him to a search. He found suspended round his neck by a string two bottles of home-made sake. He was brought before a magistrate, unable to give a satisfactory explanation was fined \$300 and costs.

Mrs. George Spencer, of the Waverley Hotel, entertained at a surprise party on Thursday in honor of her sister, Mrs. W. Robinson, of Vancouver, who on that day, celebrated her birthday. A delightful evening was spent in cards, music, etc., with a big feature of the evening's enjoyment being tea cup reading. During the evening, Mrs. Robinson was the recipient of a beautiful gift, as was also Mrs. Etherington, an honored guest. Those present included, Mrs. G. Spencer, Mrs. W. Robinson, Mrs. T. Baird, Mrs. R. McCluskey, Mrs. T. Hobbs, Mrs. W. Warren, Mrs. J. Monks and Mrs. R. Etherington.

The heat of the last week-end took many to the beaches. Amongst those Cumberlanders noticed at Little River were Mr. and Mrs. James Dick and family and Mr. and Mrs. T. R. S. Graham. At Royston Beach many more were in evidence and the summer cottages at the popular seaside resort are beginning to be put into shape ready for the closing of the month, when a large number of the local residents will be in residence there.

Mr. C. F. Earle, of Victoria, district passenger agent of the Canadian National Railways was a visitor to Cumberland on Thursday.

## Comox-Alberni Member Warns Commons Of Danger Involved In Canada's Many Jobless

Ottawa, June 9.—The House of Commons Monday afternoon passed an interim supply bill for \$22,197,645. This represents one-twelfth of the main estimates, and one-fourth of the amount to be devoted under civil government for the department of the interior.

It took most of the afternoon for the House to get into committee of supply, but once this was attained, the bill itself passed through quickly. The House had two divisions.

Trans-Canada Road  
J. A. Bradette, Liberal member for Temiskaming asked Premier Bennett to confirm or deny a statement attributed to Hon. William Finlayson, Ontario, minister of lands and forests that the Dominion and provincial governments had reached an agreement to send out three survey parties to study the best route for the trans-Canada highway. Deputy Speaker Lavergne ruled the question out of order, and Mr. Bradette moved the adjournment of the House to discuss the question. His motion was defeated by 64 to 37.

Later the question was discussed on the motion of Mr. Bennett to go into committee of supply. Another division was called when the deputy

## Cowichan Lose By Six Wickets

Bowlers Keep Score Down to Low Level; Game Went to Two Innings

The Cowichan cricketers had to bow down to defeat at the hands of the local eleven on Sunday last, the homesters winning by six wickets after a two innings game, featured by very low scores. The visitors batted first, the opening pair facing the bowling of McLaughlin and Vernon-Jones. Both bowlers got a wicket in their first overs and bowling a good length kept the visitors score down, the whole side being dismissed for 31 runs. McLaughlin and Vernon-Jones both had real good averages, the former getting five wickets for 14 runs in the first innings and the latter four for 17. Ball, the Saskatchewan representative who now resides at Duncan was top scorer for the visitors getting 19 before being bowled by Vernon-Jones. Cumberland going to bat did not make much of a better showing than the visitors, Joe Idiens being top scorer with 10 runs, being unfortunate to be run out. The whole side was dismissed for 44 runs, 13 more than the visitors' total. Roy Grier, playing for Cowichan took 4 of the Cumberland wickets for 8 runs. Going to bat a second time, the visitors did not fare any better, the side being dismissed for 24 runs, McLaughlin and Vernon-Jones again doing great damage with the ball. In this innings the latter had the wonderful average of five wickets for 9 runs, McLaughlin getting four for 16. The home team only required to make 12 runs to make victory sure on the two innings. These were obtained with the fall of four wickets.

## CENSUS ENUMERATORS WELL RECEIVED.

With one or two exceptions the local census enumerators have been exceptionally well received and report steady progress in the work. One or two set backs have been encountered, but in the majority of cases, the people visited received the enumerators very graciously and appeared anxious to do all possible to assist. On the other hand the one or two who caused the enumerators a little trouble, did so probably on account of the officials calling at an inopportune time. Where difficulty was encountered a little explanation by the enumerators soon paved the way. To make matters easy for yourself, please see that when the enumerator calls on you, give him all the information asked for.

## Two Weeks Off School Holidays

Public and high school holidays will be curtailed throughout the province by approximately two weeks according to advices received here from the office of the Hon. Joshua Hinchliffe, Minister of Education. The summer vacation will commence on the last Friday in June and will end on September 2, instead of the first Monday in that month, which falls on the seventh.

SUMMER CAMPS

When Summer's here  
And school is through,  
A place to go,  
And Something to do.

CAMPING; an opportunity for a boy to release some of his inherent instincts without going to jail. No traffic laws, no policemen, no nervous old ladies, no white collars, no creased trousers or "boiled" shirts.

A mother is heard to say, "No camping for my boy if that is what it is. I did not raise my boy to be a roughneck." Just a minute, mother. You have the wrong viewpoint. Most of the organized camps are far healthier and safer than city life with its many questionable appeals for the boy's leisure time.

The Boy Scout Camp in particular is a real democracy where boys, rich and poor alike may enjoy the leadership of trained men of high moral character, investigate the mysteries of nature, participate in water activities with safety, learn crafts of many kinds, enjoy fun and recreation, and benefit greatly in health and physique.

The scout camp is truly a training camp with development of character and citizenship training as objectives rather than financial dividends.

During the past year 400,000 boy scouts participated in the camping program with astounding results in the welfare and advancement of American boyhood as attested by scout parents throughout the nation.

The boys themselves are enthusiastic boosters because it is in the scout camp that they are given the opportunity to satisfy their normal urges for adventure, comradeship, out-of-door life, fun and achievement.

Scout camping began only a little more than two decades ago. It was founded on a sincere purpose to benefit boys. Now there are hundreds of large camps and many smaller ones. These camps, developing year by year, have proven their claims for health and safety. Those in positions of responsibility use every possible precaution to safeguard the boys under their care. This is particularly true of the program of swimming and water activities, wherein the Boy Scout Movement, in co-operation with the Red Cross, has led in the development of safety measures. There is nothing left to do but take our hats off to an organization which can promote camping in such a volume with safety.

WILLIAM Penn (England—America) (1644-1718)—a strange combination of a Quaker and a man of high social standing. The son of an English admiral and the intimate friend of the King's brother, he yet belonged to the most despised religious sect in England. Owing to the fact that the King had borrowed most of his father's money and had forgotten to pay it back, Penn was able to obtain a grant of land in America. That was before the days of oil and skyscrapers, when land was just so much dirt.

It was a small plot—just the present State of Pennsylvania, now named after its original owner, of course. Later he received the State of Delaware as a postscript. Penn's own surveyor laid out the first city on a nice beautiful site. Being Quakers they called it Philadelphia, City of Brotherly Love. They didn't know that it would take a Marine officer to clean the place up in a century or so.

Strange to relate, Penn seemed to think he ought to pay the Indians for their land (which he did without waiting for him) and he persistently kept his word with them. This so amazed the poor, untutored savages that they left the colony in peace, probably fearing there was something wrong with Penn's Mind.

Diogenes died too soon to find him.

ANOTHER TRIUMPH FOR C. P. R. AND CANADA.

REPRESENTING another triumph for Canada's great transportation corporation, the Canadian Pacific Railway, the Empress of Britain, described as perhaps the finest liner afloat and the largest and swiftest that has ever sailed the St. Lawrence, has arrived at Quebec. This triumph is one in which Canada shares, as she has so frequently shared in events which have given the C. P. R. a world-wide reputation for vigorous enterprise, efficient service, sound management and the highest standards of integrity in all dealings with the public.

At a time when conditions of depression are almost universal, when our economic systems are being put to the severest tests, and when public confidence in the future is distrusted, the maiden voyage of this splendid liner is a signal to the world of the faith of those responsible for the affairs of the Canadian Pacific in the future of the great enterprise which they control any of the stability of the country on whose prosperity the success of their policies is dependent.

Those who study the history of the Canadian Pacific and realize how events have justified the vision and enterprise of the founders and those who have succeeded them, will have no doubt that the judgment which led to the building of the Empress of Britain will be justified as the judgment in relation to many other great ventures has been justified.

The cooks of little Portugal have furnished us with some excellent recipes and can teach us much about the art of seasoning. One of their favorite tricks is to use vinegar with vegetables and even eggs to bring out the delicate flavor they desire. Incidentally, the addition of this sugar adds to the energy value of the dish.

Lisbon Eggs

This combination of soup and eggs makes a dish hearty enough for the main course at luncheon or supper, or may be used as a beginning for an otherwise rather light dinner.

- 2 cups soup stock
- 1 onion
- 1 tablespoon vinegar
- 1 teaspoon sugar
- 2 tablespoons bacon drippings
- eggs
- toast

Fry the sliced onion in the bacon fat. Add the soup stock, vinegar, and sugar. Cook all together until the onion is soft. Have ready one slice of toast for each person to be served. Poach an egg in the boiling soup for each person. Arrange the toast in soup plates. Place a poached egg on each slice. Fill the plates with the soup.

Carrot Pudding

This is a dessert well liked by those who visit Portugal. It is equally nice served with a pudding sauce or with cream.

- 1/2 cup butter
- 1/2 cup brown sugar
- 1 egg
- 1 cup raw carrots, grated
- 2 teaspoons lemon peel, grated
- 1 1/2 cups flour
- 1/2 teaspoon soda
- 1 teaspoon baking powder
- 1 teaspoon cinnamon
- 1/2 teaspoon ginger

Cream the butter. Add the sugar and slightly beaten egg. Stir in the carrots and grated lemon peel. Mix and sift the dry ingredients. Add to first mixture. Bake in a buttered pudding pan for one hour. Serve hot.

Spanning the Ends of Human Emotion . . . Sweeping from Glamorous Past to Roaring Present . . . Blazing the Heroic Message into the Heart of the Nation!

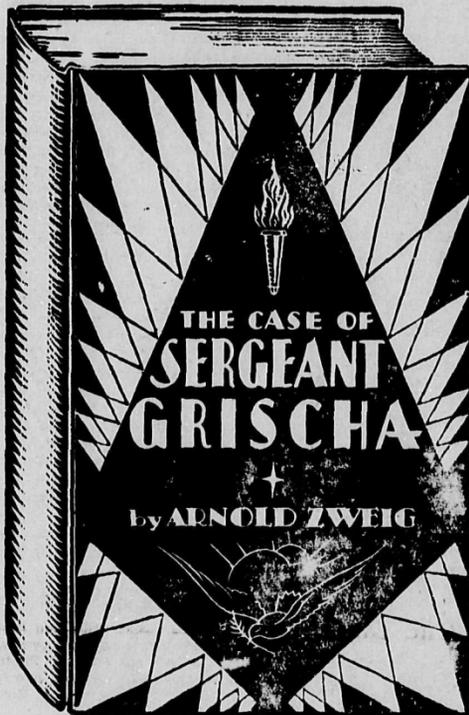

MAN AND GIRL WITH AN EMPIRE TO WIN—AN EMPIRE WITH GUN IN ITS FIST AND HELL IN ITS HEART!

Monday, Tuesday and Wednesday, June 15-16-17

A conqueror among novels, Arnold Zweig's masterful story offers double thrill and double delights to those who see the Radio Picture at the Ilo-Ilo Theatre this week.

An epic story out of the hearts of war-scarred men . . . an epic theme, mighty, explosive, uncompromising . . . an epic production swinging the pendulum of emotion from the depths of human pathos to the heights of human exaltation.

As it has astounded millions of others, it will astound you—this story of one man whose adventure in love and battle turned the tides of empire and swept a proud and pompous dynasty into dissolute ruin!

The soul of a man . . . . . the heart of a woman . . . . . in terrific conflict with the iron-willed tyranny of justice!

Life's Work Is Hobby, Too

Mechanics are a hobby as well as the life's work of Henry Blane Bowen, chief of motive power and rolling stock, Canadian Pacific Railway, who has an up-to-date machine shop in the basement of his Montreal home. Here he has invented a number of tools now in use throughout the vast shop system of the company and built a series of model stationary and marine engines, to the great delight of his three sons. He came into particular prominence recently as the builder of the C.P.R.'s new giant, "8000" type, multi-pressure locomotive, the biggest and most powerful of its kind in the world and unique on the American continent, destined for heavy duty in the Rocky Mountains. The pictures show the workshop, in which so many of Mr. Bowen's leisure hours are spent. He prides himself on the fact that it is the most complete private plant in Montreal. Inset, Mr. Bowen is seen operating a milling-machine, which he built with his own hands. The model marine engine, shown lower right, is the latest product of the hobby-shop. Although it is only four inches high and could almost be housed in a cigar box, it is complete in the minutest detail and can develop 4000 revolutions a minute. It offers an interesting contrast when considered in comparison with the newest mammoth locomotive Mr. Bowen built them both.

TEN DOLLARS FOR ORIGINAL RECIPES

Recipes and food stories by Betty Barclay have been appearing in this publication for some time. Our women readers are well acquainted with them. This month Miss Barclay offers a cash prize of five dollars for the best recipe in which junket is used. A second prize of three dollars is offered for the second best recipe, and two prizes of one dollar each for the third and fourth. Each woman submitting a recipe will be mailed a recipe booklet whether she wins a prize or not.

The recipe may be for a dessert, salad or anything you wish, provided it contains the ingredient mentioned above. It must, however, be an original recipe or one secured from some friend. Do not send anything that has been clipped from a newspaper or magazine.

All recipes must be in Miss Barclay's hands by July 25. Decide upon your best recipe and mail it to Miss Betty Barclay, 1861 East Tioga St., Philadelphia, Pa., or to the editor of this paper if you prefer. You may be the one who wins a cash prize. You are at least sure of a little booklet containing over 200 recipes that will prove very useful this coming summer.

### SUMMER CARE OF THE BABY

There are conditions during the hot weather, which are apt to cause upset and disease among the babies. For this reason, it is necessary that special attention be given to certain points in order to keep the baby healthy and comfortable, and to protect him from diseases during the summer months.

When the weather is hot, a bath morning and night, is desirable. In addition, the very hot day is made more comfortable for the baby if he is given a cool sponge in the middle of the day.

Many babies have a very uncomfortable time during the warm weather because they are over-clothed. Not only are they made uncomfortable, but their sleep is disturbed,

they perspire and then they become chilled. The baby should be dressed according to the temperature, not to the time of the year. A diaper alone, or a diaper and a thin, sleeveless shirt, are sufficient clothing on a really hot summer day.

During the summer, the baby becomes thirsty more often, and so wants more water. Unsweetened boiled water should be offered to him at least once between each feeding. Thirst is very distressing, and as the baby cannot ask for a drink, he depends upon you to offer it to him. Just because he refuses it once, do not forget that he may become thirsty later on.

Hundreds of babies die every summer from what is popularly known as "summer complaint"—summer diarrhoea. The best way to prevent this loss of life is to prevent the diarrhoea.

Breast-fed babies very seldom contract this disease, and breast-feeding is, therefore, the first and most important point in prevention. Raw milk should not be given to children. Pasteurized milk should be bought, or the milk should be pasteurized in the home. Failing either of these, the milk should be boiled. Young children cannot resist the effects of milk containing large numbers of germs from barnyard contamination.

If diarrhoea does occur, parents should never forget that it is a very serious and often fatal condition unless properly treated. There are those who think they know how to treat this condition although they have had no training, and the results of what they do are seen in the number of babies they bury.

If the child has diarrhoea, all feedings should be stopped. Let the child have as much unsweetened water as he will take, and give no medicine. Place the child under your doctor's care.

To some, this may seem unnecessary fuss about what is a fairly common sense disease. To their objections we would answer that the hundreds of babies who die of summer diarrhoea do so because the necessary attention was not given them. Deaths from this cause can be prevented by following the advice given in this article.

#### FIRE CHIEF HANDS OUT

#### SOME GOOD ADVICE

(continued from page 1)

partment together and establish a friendly spirit that is sometimes lacking toward volunteer departments. I would also strongly advise having the department take up first aid work as it is both useful and interesting.

#### Equipment Required

"It would be rather difficult to make a statement regarding equipment for a voluntary department. The financial condition of the city would, of course, be a big factor, and what would suit one town would not suit another. Some can get by with just hose wagon, that is, where there is city pressure; others will have to have a pumper, while the more fortunate will have to get by with a chemical, but I would suggest that whatever the department decides to get, that it be new if possible, and that it be a regular piece of equipment.

"I am very much opposed to the conversion of a passenger car chassis into a fire-fighting unit. I have had a lot of experience with this class of equipment, and I have found it very costly to operate. As a matter of fact, most of the conversions are badly worn before the department gets them. Then again the margin of safety is not there. The running gear, wheels, steering gear, etc., are loaded many times over capacity, and disaster may occur at any moment on the road. If it is impossible to stay away from conversions I would strongly advise getting a truck chassis.

#### A Big and Painful Subject

The financing of a volunteer department is a big and painful subject, and it would be much better if the newly formed department could work with their city and have the expenses taken from the city revenue, and I believe that this is being done in most small towns now.

"In my town of Cumberland, the chief puts in his estimates every year, and it is put before the council and voted on the same as any other estimate. The city should also be induced to keep every member of their department insured against accident while on duty. After all it is not asking much of a community to keep up the fire equipment and insure the men who are giving their time free of charge. One way we help our boys out in Cumberland is by not charging them any taxes.

"The matter of a fire station is sometimes quite a problem in a small town. The cost is too great to get a regular building and the equipment is housed in barns, garages, and what not, and the village church bell is the alarm signal.

"The new department should make an endeavor to get a regular building for their station and to have a place for some of the men to sleep. This arrangement speeds things up a lot, especially at night. In these modern days of electricity a good siren should be procured. My experience is that a siren gets results.

#### Fire Department in Cumberland

"Now, Mr. President, before closing I would like to tell you just a few things about the Cumberland Fire Department. The department has been in active service for about forty years, and we have now a membership of twenty-six men. We have a fire station with living quarters upstairs; one large chemical truck and one hose wagon that will handle 1600 feet of 2 1/2-inch hose, 800 feet of 1 1/2-inch hose, twelve men and the rest of the paraphernalia that goes to make up a fire fighting unit. This truck was built right here in Vancouver."

Miss Marjorie Hopkins, a Courtenay Commercial School student, has received word that she was successful in passing the recent Civil Service Examination, and will be given a position in the Government Office in Cumberland.

### Union Bay

#### Social Notes

UNION BAY, June 9.—Dr. and Mrs. Arthur Wilkinson and daughter, of Oakland, California, are visitors in town, the guests of Mrs. Wilkinson's mother, Mrs. N. Hudson.

Complimenting Miss Mary Erout, bride elect, the Ladies' Sewing Club held a very pleasant evening on Thursday last at the home of Mrs. M. H. Thomas. The guest of honor was presented with a very pretty framed picture, accompanied with all good wishes for her future happiness.

Capt. and Mrs. Andrew McCartney, of Cassidy, are visiting in town, the guests of Mrs. N. McKay.

Mr. and Mrs. A. R. Horne had as their guests during the week, Mrs. Mrs. Jones, Miss E. Jones, Mrs. Williams, Mr. and Mrs. L. Delatony, of San Francisco, and Mrs. Cavalsky, of Nanaimo.

Mrs. Wm. Marshall spent the weekend in Nanaimo, the guest of her sister, Mrs. Turner.

Mr. and Mrs. D. R. Haggart have as their guests for a few days Mr. and Mrs. A. Jack, of Jordan River, and Mr. and Mrs. Cecil Stubbs, of Nanaimo.

The S.S. "Canadian Planter" arrived from Nanaimo on Saturday and after coaling cleared for Port Alberni to complete her cargo for Eastern Canadian ports.

The Australian steamer "Walkawa" arrived from Powell River and after bunkering sailed for San Francisco via Ocean Falls.

### SMOKED B.C. CIGARETTES

At the banquet in connection with the recent convention of Canadian Manufacturers in Victoria the guests were supplied with cigarettes all made from B. C. tobacco. They came as a gift from the Markets Branch of the Department of Agriculture and were well appreciated.

### Comox

Another enjoyable old time dance was held in Comox Community Hall on Friday night. The usual good crowd was in attendance and danced until the early morning hours. Comox is becoming quite famed for these dances and an exceptionally good time seems to be had by every one.

Mr. and Mrs. L. S. Cokely, of Vancouver, have moved to Comox for the summer. They have as their guest Mrs. T. L. Butters and Dennis, of Vancouver.

Mrs. H. K. Midwinter and sons, of Brandon, Man., are the guests of the former's parents, Mr. and Mrs. L. R. Cliffe.

Miss E. Finch returned to her duties on the Comox Consolidated School staff to-day (Tuesday) after a six weeks' absence due to diphtheria.

### Mental Health

By D. M. LeBOURDAIS

Director, Division of Education, Canadian National Committee for Mental Hygiene

#### Suicide Percentage

#### Highest On West Coast

California and British Columbia Are Highest in U.S. and Canada Quebec Is Lowest

People commit suicide for a variety of reasons, but it is a safe assumption that most who do are mentally deranged, at least temporarily.

According to the Dominion Bureau of Statistics, 748 persons took their own lives in Canada during 1928, the last year for which figures are available; and it is estimated that there are annually 15,000 suicides in the United States. The suicide rate per 100,000 population in Canada is 7.8; and for the United States, 12.1. Strangely enough, both in Canada and the United States, the farther west one goes the greater chance there is of one's committing suicide. San Diego, California, has a rate of 39.6, and Los Angeles, 35.7, as against an average for all American cities of 18.2. This may be because so many invalids go to California in search of health; they have nothing but death to look forward to when this hope fails. British Columbia, which is not so well advertised from a health standpoint as California, has a rate of 17.02—the highest in Canada; and Alberta is next with 13.9. The lowest rate in Canada, is in Quebec. Despite the fact that Nova Scotia, with a rate of 3.8, is next, the Quebec rate may be attributed largely to the influence of religion, since in other Roman Catholic countries the percentage of suicides is also low. The Jewish religion, however, does not seem to act as a deterrent: in Prussia, for instance, the rate for Jews is 8.3 while for Protestants it is 5, and for Catholics, only 2.1.

Men are more prone to suicide than women, in the ratio of about three to one; and single persons seem more susceptible than the married. Men show a preference for firearms and women for poison. Negroes apparently think twice when suicide is contemplated: in the state of Georgia the rate for whites is 9.6 while the colored population it is only 1.6 and this ratio holds for other states. It may seem strange to some that the Irish Free State has the lowest rate of any white country, and that the next is Mexico; but here again religion probably plays its parts, for the ratio in the Irish Free State is about 3, while for Northern Ireland it is just double that.

There does not seem to be any evidence to support the common belief that suicide among students and other young people is becoming more prevalent. People suicide at all ages, but the average in the State of New York which may be taken as also a fair estimate for Canada, is 46.1 years for men and 40.6 for women.

Nothing much can be done at present to reduce this serious human wastage. Like other evidences of mental disorder, the situation which leads to suicide is usually of fairly long standing, and is the outcome of one's way of living. When every individual is taught to face the facts of life and to meet issues squarely as they arise, the number of those who choose the suicide way out or who slip into some form of mental disease will undoubtedly be reduced, but here does not seem to be any other remedy.

(Information on any point not covered here will be given in later issues if you will address your question to Mental Health, 111 St. George St. Toronto, Ont.)

### Three Years For Mail Thief

NANAIMO, B.C., June 9.—Henry Shrimpton, transient of no fixed address, charged with taking mail from a rural box on the Sandwick Mail route, appeared before Judge Barker yesterday.

Shrimpton pleaded guilty to the charge and was sentenced to three years.

### Town Topics

CUMBERLAND, June 9.—Mr. Whan of Duncan and Mr. Atkinson of Ladysmith, District Chief Ranger and District Past Chief Ranger, respectively, of the Order of Foresters, visited Court Cumberland Lady Foresters last Thursday evening at their regular meeting. Interesting and instructive addresses on the work of the order by both officers were heard by the large number present. Following the business session a jolly social hour was spent.

Motors to Victoria  
Mrs. J. Small, Misses C. Small, A. Taylor, A. Brown and Messrs. Bill Devoy and Andrew Brown motored to Victoria on Sunday returning early Monday morning.

Thirteen tables were in play at the Welsh Society's whist drive in Cumberland Hall on Saturday evening. Winners were Mrs. Murray, Mrs. T. Carney, M. Piercy and D. Morgan. Ladies of the society served abundant refreshments following the cards.

Personal Mention  
Wilbert Auchterlonie, of Lang's drug store left on Wednesday on a week's holiday to be spent in Victoria and Vancouver.

Mr. and Mrs. Roy Melkie returned on Thursday from a visit to Vancouver.

Mr. and Mrs. W. Bennie whose marriage was an event of the week returned on Saturday from a honeymoon trip to Victoria and Sound cities and have taken up residence at Lake Cumberland.

Dorothy Hunt was paid a surprise visit by a number of her youthful friends and schoolmates at the home of her parents, Mr. and Mrs. S. Hunt, on Friday evening last. Games of all kinds were entered into with zest by the guests and a jolly time spent. During the evening Dorothy, assisted by her mother and girls of the party, served dainty refreshments.

J. C. Brown, Grand Master of I. O. O. F. of B. C., left on Sunday for Vancouver where he will attend the Grand Assembly which will convene on Tuesday. Mr. and Mrs. G. Shearer accompanied him.

Mrs. W. Shearer left on Sunday for a visit to relatives in Seattle and Aberdeen, Wash. She was accompanied by her grandson, W. Shearer.

Mr. and Mrs. H. Keeler and family have taken up residence at their summer home at Royston.

Misses Edna Conrod and Annie Beveridge are spending a holiday in Vancouver.

Mrs. C. McDonald and boys motored to Campbellton on Saturday, returning on Sunday. Misses Margaret McDonald and Bernice Crawford returned with them to Campbellton after a vacation spent here.

Birthday Party Held  
Miss Margaret Shortt was honor guest at a merry party on Saturday evening at the home of her mother, Mrs. J. Shortt on the occasion of her thirteenth birthday. Many jolly contests and games were arranged for the young folks' pleasure when Betty O'Brien and Margaret Beveridge won first prizes, with Margaret James and Irene Jackson capturing the second prizes. During the evening a delicious supper was served when ice cream and seasonable delicacies were provided in abundance. Occupying a prominent place on the pretty tables was a handsome birthday cake with its gay candies. Margaret was the recipient of many pretty remembrances and hearty congratulations from her friends. Those present were Gwen Abrams, Margaret Beveridge, Annie Brown, Irene Jackson, Margaret James, Betty O'Brien, Betty Shortt and Margaret Shortt.

Mr. and Mrs. F. Dallos, of Powell River, visited relatives here on Sunday. Visits Vancouver

Mrs. H. Parkinson left on Saturday to attend the Grand Assembly of the Oddfellows and Rebekahs which will be held on Tuesday in Vancouver, as the delegate from local Harmony Lodge No. 22.

Miss Mary Cornes, of Vancouver, is the guest of Mr. and Mrs. H. Buchanan.

Mr. Jack Auchterlonie, of Mann's Bakery, is holidaying for a week in the capital and on the mainland.

Miss Nettie Marshall, of the hospital staff, is spending a vacation in Nanaimo and Vancouver.

Mrs. W. Stanaway, of Seattle, Wash., a former resident of this city, arrived on Monday on a visit to her mother, Mrs. Vahle and other relatives. She was accompanied by her son and daughter-in-law, Mr. and Mrs. W. Stanaway, Jr., and Miss Abbie Potter. The party came by motor.

By defeating their opponents Audrey Gear and Douglas Baird, 7-5, 6-4, in the final of the High School tennis tournament for the McLellan cup, Katherine Brown and Cyril Davis were winners on Monday afternoon. This is Cyril's third successive victory, having with his partner Muriel Partridge captured the trophy in 1930 and 1929.

Bill Johnston, Tom Robertson and Dave Morgan were a party who climbed Mount Beecher on Saturday and returned on Sunday.

Athletics Win Game From Happy Valley

In a Twilight League game at Cumberland last Thursday evening between the Athletics and Happy Valley the Athletics won easily 7-2.

On Tuesday evening Union Bay beat the Eagles 3-2, after a tight game.

Jack Monaghan, of Woodville, the old Cumberland United half-back has signed for North Shore United and played his first game for his new club on Wednesday night against St. Saviours in the first round of the Dominion cup series. St. Saviours won three goals to one scoring their last two goals in the dying moments of a hard fought game.

The people of Cumberland will be delighted to hear that the Rev. Father Beaton of the Cumberland Catholic church has so far recovered from his recent illness to be able to once more assume his duties. After spending some time in Vancouver he came up to the district on Wednesday.

Mrs. Marion Stewart returned to the district on Saturday last after spending a delightful holiday with her daughter in Vancouver. Mrs. Stewart who resided in Cumberland for a number of years now makes her home in Courtenay.

Members of the ladies' auxiliary of the Cumberland branch of the Canadian Legion honored Mrs. A. Lockhart, a valuable member of the auxiliary, during the past week, at the home of her daughter, Mrs. J. H. Robertson. The affair was quite a surprise and was made doubly pleasant by it being the anniversary of Mrs. Lockhart's wedding day. During the evening five tables of whist were in play, prizes being won by Mrs. Sam Robertson, first, Mrs. Slaughter gaining the consolation prize. Prizes for a guessing contest were won by Mrs. T. James and Mrs. F. Watson. During the evening, Mrs. Lockhart was presented with a beautiful set of crystals and a very pretty tea set in recognition of her services during the past winter to the auxiliary. The guest of honor was also presented with two lovely bouquets of flowers by Mrs. Tom Baird and Mrs. Morello.

growing up, which, if not curbed or provided for "threatens riots and Socialist movements." The Independent began to read a letter which said many people were beginning to have "a deep-seated fear we will not come out of this depression without civil war between the haves and have-nots."

Deputy Speaker Lavergne called Mr. Neill to order. The rules of the House were being transgressed in reading the letter.

Then, said Mr. Neill, he would express himself in this way: "There was a growing sentiment in Canada which typified in such expression as 'Something is going to snap', 'A big change is coming', 'The Russians are not such fools as we thought.'"

"Expressions of this sort, Mr. Neill said, were common among the educated business and commercial classes of Canada and he again warned the government that steps must be taken before conditions become worse.

The House then moved into committee and passed the resolutions embodying the prime minister's interim supply bill.

Branches of the interior department covered in the bill include topographical surveys, geodetic survey and Dominion lands and parks. One fourth of the amount provided for unemployment relief in the main estimates is also covered in the total.

Premier R. B. Bennett explained that the reason one-fourth was asked for in respect to the interior department was "that large numbers of the staff of that department are still on full pay under their retirement rights and it is therefore necessary to provide for one quarter of the amount mentioned in the estimates or there would not be sufficient to meet these demands until the end of this month." The amount would enable employees of this department to be paid for another month, he said.

The bill also covers one-twelfth of the amount provided for Canadian National steamships and maritime freight rates as set forth in the main estimates.

## IN MEMORIAM

In loving memory of our dear son and brother, killed June 10th, 1929, aged 28 years.  
I die so soon and yet I die to win the crown of life  
And mine how soon the victory, how brief my hour of strife;  
My soul a flowery dewy sweet shall blossom at the Saviour's feet.  
Inserted by his sorrowing parents, brothers and sisters.  
Mr. and Mrs. Henry Thomson.

## CARD OF THANKS

The Women's Benefit Association take this means of thanking all those who so kindly loaned cars on the occasion of the funeral of their late departed sister, Mrs. A. Stockand.

## CARD OF THANKS

Mr. D. Stockand and Mr. and Mrs. David Bell take this opportunity of thanking Dr. G. K. MacNaughton, Dr. E. R. Hicks and the matron and nursing staff of the Cumberland General Hospital for their very kind and sympathetic attention to the late Mrs. Ann Stockand, during the period she was a patient at the hospital. Special thanks are also extended to the many friends who so kindly loaned cars on the occasion of the funeral and for the large number of beautiful floral tributes received.

Mr. D. Stockand.  
Mr. and Mrs. D. Bell

## CARD OF THANKS

At this late date I take this opportunity of thanking the many friends who gave their efforts in trying to save my home from fire on May the 31st. Also the friends who extended to me their sympathy in other ways afterwards.  
WILLIAM DEVOY

Congratulations are being extended to Mr. and Mrs. D. Sommerville, West Cumberland, on the birth of a son on Saturday last at the Cumberland General Hospital.

Ten tables of crib were in play on Wednesday evening in the Cumberland hall, when the Elite Cribbage Club ran their usual weekly drive. Mrs. W. Mossey secured the ladies' prize and Mr. C. Spooner gent's. Delicious refreshments were served by the ladies of the club following cards and a very enjoyable evening spent by all.

The Ladies' Sewing Club met at the home of Mrs. L. R. Stevens, Derwent Avenue on Friday evening last, a very enjoyable social evening being spent. Dainty refreshments were served by the hostess during the evening. Those present included Mesdames G. K. MacNaughton, C. Nash, T. Graham C. H. MacKintosh, J. Ledingham, E. W. Bickle, J. Dick, D. McLean, J. C. Brown, J. W. Frame, J. R. Hewitt, Ireland, C. J. Parnham and Allyn.

The Tuesday evening Bridge Club met at the home of Mrs. R. McNeil, Maryport avenue, there being three tables in play. Mrs. H. Anderson, of Banff, was honor guest of the club for the evening. Mrs. C. MacDonald was the winner of first prize. Mrs. R. Abrams gaining consolation. Dainty refreshments were served after the card games. Those present included Mrs. H. Anderson, Mrs. Litter, Mrs. C. Whyte, Mrs. J. Lockner, Mrs. R. Abrams, Mrs. J. Watson Mrs. J. D. Davis, Mrs. A. Clarke, Mrs. C. MacDonald, Mrs. J. Quinn, Mrs. K. Brown Mrs. W. Hudson, Mrs. Gear, and Mrs. R. McNeil.

A very successful afternoon tea and sale of home-cooking and candy was held by the Anglican W. A. in the Church hall on Wednesday afternoon. The tea tables were prettily decorated for the occasion with roses and other seasonable flowers. Mrs. J. Shortt and Mrs. Richardson were in charge of the home-cooking stall, which displayed a tempting array of cakes etc. The candy stall, in charge of Mrs. J. R. Gray also came in for a great deal of attention. Mrs. Gray was assisted by several of the younger members of the church. Mrs. K. Brown was convenor in the kitchen. An interesting feature of the afternoon was the attendance of Mrs. Carey's orchestra of Royston, who delighted the audience with various selections. The dances displayed by the pupils of Miss Gwen Noel also came in for a great deal of applause. A neat sum was realized for church work.

A delightful surprise party was tendered Mrs. C. Dalton on Friday evening last at her home on Third street, in honor of her marriage which had taken place the previous Tuesday at Vancouver. The self-invited guests were ushered in to the strains of the wedding march played by Mrs. Chas. Walker. Much merriment was caused when Mrs. S. Covert bride, Mrs. Murray, groom, Mrs. W. Newman, flower girl and Mrs. M. Litter, minister, took up their respective positions for a mock wedding. Games, community singing and whist took up a greater part of the evening, prizewinners for whist being Mrs. Murray first, Mrs. Jackson second and Mrs. Balagno special prize. During the evening Mrs. S. Covert called on Mrs. C. Dalton to accept with the well wishes of those present a beautiful powder blue satin bedspread with bolster to match. Mrs. Dalton feelingly replied and thanked the donors for their beautiful gift. Delicious refreshments were served and a real good time enjoyed by all.

Those present were Mesdames R. McNeil, R. K. Walker, C. Walker, R. Coe, A. Maxwell, B. Francescini, E. L. Saunders, W. Newman, S. Covert, H. Jackson, S. Miller, D. Morgan, L. Genge, M. Litter, J. Murray, Auchterlonie, A. Beaton, V. Frelone and Balagno.
