DISTRIBUTION OF SEEDS.

Ottawa, Oct. 28.---It is stated that the $12,000,000 loan underwritten in London by Lessard Brothers for the Canadian Northern Railway, just on the eve of the outbreak of the war, has been subscribed and paid over.

By instructions of the Hon. Minister of Agriculture a distribution of superior sorts of grain and potatoes will be made during the coming winter and spring to Canadian farmers. The samples for general distribution will consist of spring wheat (about 5 lbs.) white oats (about 4 lbs.), barley (about 5 lbs.), and field peas (about 5 lbs.). These will be sent out from Ottawa. A distribution of potatoes (in 3 lb. samples) will be carried on from several of the experimental farms, the Central Farm at Ottawa supplying only the province of Ontario and Quebec. All samples will be sent free by mail.

Applicants must give particulars in regard to soil on their farms, and some account of their experience with such kinds of grain (or potatoes) as they have grown, so that a promising sort for their conditions may be selected.

Each application must be separate and must be signed by the applicant. Only one sample of grain and one of potatoes can be sent to each farm. If both samples are asked for in the same letter only one will be sent Applications on any kind of printed form cannot be accepted.

As the supply of seed is limited, farmers are advised to apply early; but the applications will not nessarily be filled in the exact order in which they are received. Preference will always be given to the most thoughtful and explicit requests. Applications received after the end of January will probabaly be too late.

All applications for grain (and applications from the provinces of Ontario and Quebec for potatoes) should be addressed to the Dominion Cerealist, Central Experimental Farm, Ottawa. Such applications require no postage. If otherwise addressed delay and dissapointment may occur.

Applications for potatoes, from farmers in any other province should be addressed (postage prepaid) to the Superintendent of the nearest Branch Experimental Farm in that province.

NEW QUARTERS ARE LARGE UP-TO-DATE

THE ISLANDER is now housed in its own quarters on the corner of Dunsmuir Ave. and Fourth street. The building is 24 feet wide by 46 feet long. In addition to affording ample accommodation for the printing presses, cutter and power plant operating our large and varied equipment, it enables us to carry a large stock of material on hand arranged in such manner as to be readily accessible, and, furthermore, the editor has a 'sanctum-sanctorum' of his own, apart from the noise and turmoil of the printing room, where he will be pleased to welcome delinquent subscribers seeking to rehabilitate themselves.

When we mention that the new ISLANDER building carries a small plaster and that the editor was compelled to make several flights into the realms of "frenzied finance" before he could persuade the builders to put a roof over his head, it will be clear to those of our subscribers who are in arrears that they can do a truly noble work by coming through with the elusive dollar and so enable the editor to keep faith with those who have been good enough to take him on trust.

Eleven men left Cumberland on Sunday and seven on Tuesday for New Westminster to make preparations to join the army.

Mr. and Mrs. Thomas Bickle left for Nanaimo on Monday and returned on Tuesday.

Joseph Willard has the contract for carrying His Majesty's mails between the Cumberland postoffice and Royston, connecting with the E. & N. railway for the south.

Mrs. Harriett Theobald died at the Union & Comox Eistrict Hospital on Monday morning. The deceased lady was in her 65th year. The funeral took place on Tuesday afternoon from the residence of Mr. A. McKinnon, the Rev. James Hood officiating.

The members of the Comox District Football League are busy enlarging the Recreation Grounds by taking out the stumps on that piece of ground lying between the school house and First street.

The regular monthly meeting of the Ladies' Auxiliary of the Union & Comox District Hospital will be held at the home of Mrs. E. D. Pickard on Thursday next.

Rev. C. A. deVere White, who is leaving the pastorate of Holy Trinity Church, will leave on Tuesday for Victoria and expects to go to the front as chaplain to the Ulster Volunteer contingent.

Mrs. John Thomson left on Wednesday morning for Nanaimo to attend a meeting of the Eastern Star, Masonic Order, held in that city, returning on Thursday.

Holy Trinity Church Ladies Guild held an afternoon tea in the City Hall on Wednesday afternoon at which Rev. C. A. de Vere White introduced to the parishioners and the members of the other church bodies here, the Rev. A. Bichlayer, the new vicar of the parish, and his wife.

CARD OF THANKS.

I, the undersigned, desire to express my thanks to all those who donated or took part in the benefit football match on my behalf, played on Oct. 25th, 1914.

THOMAS CARNEY, City.

Women's Patriotic Society.

In future the Oddfellows Hall will be open on Tuesdays from 3 to 5 o'clock (instead of 2 to 5 as formerly) when the committee will receive finished garments and give out more work and materials. The Secretary has wool for knitting helmets now. These are simple to make, much easier and quicker than socks.

She will supply directions and wool to anyone who applies for them. A parcel was sent to Vancouver last week containing. 8 flannel shirts, 6 pillow cases, 1 suit of pyjamas, 10 bandages 7 hospital night shirts, 1 pair of cuffs, 1 helmet, 12 pair of socks. The committee would gladly welcome new members willing to give their time to so goood a cause.

The response has been splendid but they fear the burden is on the few and not being shared by the whole community.

In the Vancouver Province last it stated that Lord Kitchener had asked Queen Mary to obtain 300,000 prs. of socks for the troops from the women of England. He would not ask for them if impossible to send them to the field of battle.

Our Canadian contingent depends entirely on Canada for supplies. Do not believe those who tell you your work will not reach its destination surely Lord Kitchener is a better authority than those whose only gift is their unasked for criticism.

Another parcel has been sent this week. It contained:—Six pairs of socks, 5 helmets, 1 pair of mittens, 8 flannel shirts, 5 bandages, 5 pillow cases, 2 suits of pyjamas, 8 flannel bands 8 soldiers' kits or housewifes.

The following is an extract from the Vancouver Province of October 21st;

Such a large quanity of shirts, socks and other garments for the soldiers have been sent in lately to the Daughters of the Empire supply depot at Glencoe Lodge, that a third consignment will be forwarded to the Canadian contingent in England thsi week. Telegrams and letters have been received from Colonel the Hon. Sam Hughes, Lieut.-Colonel Murphy and Mr. Noel Marshall, chairman of the executive committee of the Canadian Red Cross Society, saying that the six cases comprising the two previous consignments sent east by the Daughters of the Empire have all arrived safely at headquarters, and in a letter dated October 2nd the superintendent of supplies of the Canadian Red

HALLOWE'EN DANCE VOTED A SUCCESS

About three hundred people attended the big Hallowe'en Dance of the Young Ladies' Basketball Club, assisted by the West Cumberland Conservative Band, held last evening in the Band Hall on the Recreation Grounds. It was the first dance given by the young ladies' club, and was in every respect a great success. The West Cumberland Conservative Band supplied the music and performed to the entire satisfaction of the big crowd, the time being perfect, in fact the bandsmen were at their best.

The ladies spared no pains in making the decorations beautiful and attractive, and the costumes worn by some were somewhat unusual. Mr. Frank Hurford disguised as a ghost at the ticket office was a great attraction. Mr. Wearmouth as a witch with fire and caldron sustained his part very well.

Great praise is due the girls of Basketball team for their efforts to make the dance such a great success.

The refreshments at midnight were most excellent, the ladies supplying the tempting edibles and serving them personally.

The floor managers were selected from members of the Basketball club and a portion of the great success of the evening can be attributed to them.

Dancing was kept up until an early hour this morning, the encores being continuous.

THE COMPANION IN CANADA.

One of our Canadian subscribers writes us: "No other paper or magazine coming to our house is so highly prized as The Youth's Companion. It is welcomed by every member of the family--and our ages run from seven to eighty-seven."

Some of Canada's best-known writers of fiction are contributors to The Companion, besides many of the most prominent figures in politics and literature in the old country. The whole world is scoured for the best that is to be said on any subject of general interest.

The boy's Own Page, the Girls Own Page, the Family Page treating of farming, gardening, domestic economy, cookery, the use of tools, etc., the doctor's weekly health talk---these and a score of other features make The Companion almost indispensable when it has once found its way into a home.

If you do not know The Companion, let us send you one or two current issues, with the forecast for 1915. Every new Canadian subscriber for 1915 who sends $2.25 for the fifty-two weekly issues of 1915 will receive free all the issues of the papers for the remaining weeks of 1914; also The Companion Home Calender for 1915.

SATURDAY, OCTOBER, 31st, 1914.

A Message to the People of Canada.

In response to urgent appeals from many parts of the Dominion I inaugurated the Canadian Patriotic Fund, the object of which is to provide for the needs of the wives, families and dependent relatives of those who go to the front to fight the battles of Great Britain and her Allies. Unless generous-minded citizens come to their aid, there will be, during the coming winter, much hardship in many families owing to the absence of the breadwinner. I have the greatest confidence that those who are in a position to give need but the opportunity of doing so, and that the response will be wide-spread and generous.

During the past few days the Canadian Patriotic Fund has been duly organized, a strong Executive, representing the whole Dominion, has been appointed, and a central Bureau established at Ottawa.

I sincerely hope that in every city and town throughout the Dominion, branches of this organization may be formed, full particulars of which can be had by addressing the Honorary Secretary, Mr. H. B. Ames. M.P., Ottawa.

By co-ordinating and harmonizing benevolent efforts in this way, the danger of overlapping on the one hand, or neglecting deserving communities on the other hand, may be met and overcome.

I am convinced that all Canadian hearts will go out to their brave fellow citizens who have gone to the front. A prompt and hearty response to this appeal will put all anxiety at rest about those near and dear to them, and will also afford to those who cannot go, an opportunity of doing their duty to Canada and the Empire.

ARTHUR,
PRESIDENT,
CANADIAN PATRIOTIC FUND.

Government House,
26th August, 1914.

THE CANADIAN PATRIOTIC FUND.

At the very commencement of the war and as soon as Canadian troops began to mobilize for active service, the question arose as to how their wives and families were to be maintained during their absence. In not a few instances generous-minded employers offered to continue to pay wages as formerly in whole or in part to the families of men who had been in their service. Many cases which were unprovided for, however, came under local notice and funds were started in several of our large cities to care for such. It soon became evident that while certain districts could provide well for the families within their boundaries, there would be other cases, equally deserving, in danger of being overlooked. Hence arose the demand for a central or national fund, that would consolidate and support local effort and be available when this proved insufficient.

In answer to numerous requests, His Royal Highness, the Governor-General of Canada, took the initiative in the matter and the Canadian Patriotic Fund was organized, with His Majesty the King as patron. It is a body corporate by virtue of an Act of Parliament and is empowered: "To collect, administer and distribute a fund for the assistance in case of need of the wives, children and dependent relatives of officers and men, residents of Canada, who, during the present war, may be on active service with the naval and military forces of the British Empire and Great Britain's allies." This central body has a distinguished list of Vice-Presidents and an Executive Committee made up of leading men from every province of the Dominion.

HOW TO ORGANIZE A BRANCH.

The Canadian Patriotic Fund is given power by its charter "to establish branches or local organizations throughout Canada, and to co-operate with any association or organization established in any place in Canada, for purposes similar to those of the corporation." The first step in the direction of united effort was taken when the Patriotic Fund Association of 1900, which had administered relief during and since the Boer War, decided to dissolve and turn over its unexpended balance, amounting to about $77,000, to the new Fund. Local organizations, that had already begun work in Montreal, Toronto and Ottawa asked to be admitted as branches of the Canadian Patriotic Fund and were duly accepted. A full measure of autonomy is granted to these local bodies, yet, for the sake of uniformity, certain conditions have been laid down and cordially accepted. It is very desirable that further branch associations be formed, so as to cover, if possible, the entire Domininon.

In launching a branch of the Canadian Patriotic Fund, great care should be exercised, by those who take the lead, to make the movement as broad and influential as possible. No existing society, however zealous, that has a limited membership only should undertake, unaided, so large an enterprise. If contingents continue to go to the front, there will be in nearly every community, a large number of families justly entitled to receive assistance from the fund, and the work involved in collecting and administering the fund will be of such importance and magnitude as to require the active support of a large and representative body of men and women.

Let a few citizens call a meeting without undue publicity, let them descuss the needs and resolve to form a local Branch of the Canadian Patriotic Fund. On application to the Honorary-Secretary at Ottawa (Mr. H. B. Ames, M.P.) information will be furnished as to the procedure and methods which experience elsewhere has shown to work out satisfactorily.

Each local Branch should have the usual officers together with an Executive Committee and at least two sub-committees, viz.:- (a) Finance for the work of raising locally contributions in support of the Fund, and determining how they shall be made payable. (b) Relief for the investigation of all claims for aid, the determination of the amount of assistance which in each case may reasonably be given, and for the close oversight of monies paid out.

THE CENTRAL ORGANIZATION.

Funds locally raised may be transmitted to the Minister of Finance, Ottawa, Honorary-Treasurer, or placed to the credit of the Canadian Patriotic Fund in a local bank. When deposits are so made in a local bank a list showing payments made by subscribers together with a statement from the bank acknowledging receipt of the aggregate amounts should be forwarded to the Honorary-Treasurer at Ottawa, in order that official receipt may be issued. Funds may be at any time transferred from local branch banks to their respective branches or agencies at Ottawa where accounts will be opened by the Honorary-Treasurer.

Where local organizations furnish a list of givers, with amounts of individual subscriptions, a suitable acknowledgement will be sent by the Honorary-Treasurer to each contributor. This will be in addition to any similar receipt given by the local treasurer.

A record of all names, so far as obtainable, of men going to the front, will be kept at Ottawa and local organizations will be expected monthly to send in a statement of the names on their lists and the amounts being allowed to each.

The Head Office of the Canadian Patriotic Fund is at Ottawa. His Royal Highness, the Governor-General, is the President and Chairman of the Executive Committee. Mr. H. B. Ames, M.P., is the Honorary-Secretary, and Hon. W. T. White, M.P. is the Honorary-Treasurer. All information as to its objects, methods of organization and the experience of successful branches will be furnished on application. Model forms for subscription, relief applications, reports, etc., will be also suppled. Cheques should be made payable to the "Canadian Patriotic Fund." In fact the central organization will be most happy to facilitate the endeavors of patriotic Canadians throughout the Dominion to carry forward an organized effort to ensure that the wives and families of our brave soldiers who are fighting the battles of the Empire on land and sea shall NOT suffer want during their absence.

HERBERT B. AMES, Honorary Secretary,
Canadian Patriotic Fund.

Cross Society in Toronto writes: "The consignment sent in by the Imperial Order Daughters of the Empire are always excellent and yours (meaning those sent in by Vancouver) are some of the very best in make and quality that we have received." This praise from the one in authority, who is best able to judge of the quality of the garments donated to the troops is extremely gratifying to the Vancouver chapters, who are working so hard to give comfort to the men gone to the war.

Also in the same paper we read "The following list of articles sent in to Glencoe Lodge since September 25th, are hereby gratefully acknowleged by the order." A long list of articles follows from various sources in including 21 pillow cases, 17 flannel belts, 10 army shirts, 3 nighin gales, 1 pair of puttees, 3 helmet, 13 pair of socks 21 hopital shirts, 11 bandages.
