CUMBERLAND, BRITISH COLUMBIA, SATURDAY, OCTOBER 21st, 1922.

Another Zane Grey Story On Screen

Watch for "Foolish Wives" on Oct. 30th and 31st.

William Fox, who has produced on the screen with singular impressiveness several of Zane Grey's stirring stories of western life and adventure—notably "Riders of the Purple Sage" and "The Rainbow Trail" with William Farnum—has filmed another of this famous author's stories. "The Last Trail," directed by the well-known Emmett J. Flynn, will be presented as a special production at the Ilo-Ilo Theatre, opening on Friday and Saturday. The leading male role is assumed by the stalwart Maurice Flynn, recently made a star, while the dainty Eva Novak has the feminine lead, and the statuesque Rosemary Theby appears in a prominent part.

The story of "The Last Trail" is built upon the operations of a lone hand known as the "Night Hawk," and contains intensely dramatic situations, threaded by a love romance unusual in its development. The great climax at the close of the story involves the criminal breaking of a big dam on the mountain and the consequent flooding and destruction of a village far below. The making of these scenes—for which both village and concrete dam were constructed—is said to have been a task involving large expenditure of time, labor and money.

"The Last Trail" will be here for two days—Friday and Saturday.

With this big picture there will be shown also Round 3 of "The Leather Pushers"; also a Fox Sunshine comedy, "The False Alarm." There will be a matinee on Saturday at 2.30.

Big Sea Story Coming.

On Monday and Tuesday, Dorothy Dalton will be seen in a powerful story of the Northern seas, "The Siren Call."

Northern Picture Coming Wednesday and Thursday.

On Wednesday and Thursday, Frank Mayo is presented in his latest feature "Out of the Silent North."

CROWDS ATTEND THE METHODIST CONCERT

A musical evening, followed by a lantern lecture by the Rev. G. R. B. Kinney, B.A., F.R.G.S., and illustrated by rare pictures of the unexplored Canadian Rockies, from photographs taken by the lecturer, was held at the Methodist Church on Wednesday last. The seating capacity was taxed to the utmost by a large and appreciative audience who thoroughly enjoyed both the vocal and instrumental music and the lecture.

In addition to the orchestral items, Mr. C. Edwards sang "A Dream of Paradise," and Mrs. R. P. Christie sang "My Ain Folk," in a very pleasing manner, and to an insistent encore sang "Sing Me to Sleep." This lady possesses a sweet voice, and we hope to hear her again in the near future. Mr. George Ramsdell was loudly applauded for his song "Asleep in the Deep." The appreciation of the audience was shown by a very generous collection.

It is hoped to hold a series of these musical evenings at the church during the winter months, and the management take this opportunity of thanking all who contributed to make such a success of the first of the series.

Government Agent Baird Completes 25 Years Faithful Service.

On Monday next, Oct. 23rd, Mr. John Baird, of Cumberland, completes twenty-five years' service in the employ of the Provincial Government. Mr. Baird holds the official positions of Stipendiary Magistrate, Government agent, and coroner, and during the past twenty-five years has won the esteem of the entire community by his courteous and obliging treatment to all the residents of this district and throughout the province of British Columbia.

REGULAR MEETING WOMEN'S AUXILIARY

The regular monthly meeting of the Women's Auxiliary, of Cumberland General Hospital, will be held in the Anglican Church Hall on Friday, Oct. 27th, at 3 p.m.

Amy Scott, Hon. Secretary.

The Ford coupe will cost you \$870, delivered to your door, fully equipped

FOOTBALL GAME SCHEDULED FOR SUNDAY IS CANCELLED

The executive of the Cumberland United Football Club received word on Wednesday from the Ladysmith executive to the effect that owing to illness and injury to several of their players, they would not be able to field a team to play Cumberland this week-end in an Upper Island League fixture. It is expected that this game will be played as soon as circumstances permit.

THANKS FOR FUNDS SANDWICK CEMETERY

The Manse, Lake Trail
Courtenay, Oct. 18, 1922.
Editor Cumberland Islander.

Dear Sir,—Many thanks for insertion of my letter soliciting funds for Sandwick Presbyterian cemetery. Glad to state that appeal is bearing fruit. Subscriptions to date are as follows:

A Friend	\$50.00
Mrs. Robb, Comox	5.00
Mrs. (Dr.) Millard, Courtenay	5.00
Mr. T. Smith, Courtenay	2.00
Mr. A. Salmond, Sandwick	3.00
Mr. F. A. McArthur, Vancouver	5.00
L. O. O. F. Lodge, Cumberland	5.00
Mr. F. H. Jones, Sandwick	5.00

I remain, yours faithfully,
(Rev.) Walter T. Beattie.

SPECIAL SUBSCRIPTION OFFER.

A special Club offer is being made for a short time of the Family Herald and Weekly Star and the Cumberland Islander for a period of one year for \$2.00. The Islander aims to give all the news of the district for the week in the most attractive form possible, and a new drum-cylinder "Babeck" press was being installed last week so as to facilitate the running off of the paper in a short time, thus making it possible to get all the last-minute news into the paper and still publish on time.

The Family Herald and Weekly Star is well known all over Canada for the world-wide news and valuable information that is contained in its seventy-odd pages every week.

Don't miss this opportunity to get two good papers for the price of one.

BASKETBALLERS MEET TO-NIGHT AT CLUB

Four Senior, Two Intermediate, and Three Ladies' Teams Entered.

The Cumberland Basketball Association meets to-night (Friday) in the Athletic Club for the purpose of arranging the various schedules. All entries should have been filed with the secretary not later than Oct. 14. In the senior division, the Five T's team, who copped last year's silverware, did not enter as a team, although no doubt their players will be absorbed by other teams. The Firemen entered two teams. Jim Tremlett's "Key-stones" are entered for the race, and last year's Owls of the Intermediate division, are entered in this year's senior race.

Intermediates Slow.

This year will not prove as rosy a league for the Intermediate teams. The Owls have graduated into the senior class, and only the High School champs and the Bevan teams are entered locally. Courtenay sent in an application for a berth in the Intermediate league, but unless they are willing to play all games in the band ball, it is very likely their application will be turned down. At least one more entry is necessary to make even a three-team league, unless Courtenay is admitted into the league, which seems very unlikely.

Three Ladies Teams.

Three ladies teams have gathered their "glad rags" together and are all ready for the big scramble. The W. H. O. Club of last year's fame, are all lined up, and the High School girls are also entered. Another ladies' team with several of last year's nurses on it, are already for the fray with the exception of a name.

WHIST DRIVE AND DANCE

The Women's Auxiliary of the G. W. V. A. intend holding a whist drive and dance in the Memorial Hall, Dunsmuir avenue, on Oct. 27th. Whist commences promptly at 8. Dancing 10-12. Refreshments will be served, and the usual charge of 50 cents for both ladies and gentlemen will be made.

Mayor McDonald And C. Graham Present Trophies

Intermediate Baseball League Social and Dance a Most Successful Affair.

On Wednesday evening at the G. W. V. A. hall the Comox District Intermediate Baseball League ended the most successful season in local history as far as intermediate baseball is concerned. The occasion was the social and dance held by the league for the presentation of the league cup to the Japanese team and the Prior cup to the Cumberland Intermediate team. Mayor D. R. MacDonald presented the league cup, and in the absence of Mr. Thos. Graham, trustee of the Prior trophy, who was out of town, Mr. Chas. Graham did the honor of presenting the trophy to the winners.

Many Present.

Many were present at the gathering, including large contingents from both Union Bay and Bevan, including the Japanese team. At the commencement of the evening, about seventy-five guests sat down to two long banquet tables for light refreshments. The tables were decked in red and white, the colors of the home club. Mr. Jas. L. Brown, who is the president of the Intermediate League, presided at the tables. The guests of honor sitting at his side, including Mayor D. R. and Mrs. MacDonald, Mr. Chas. Graham, Mr. Jack Quinn, Mr. J. McAllister, Mr. D. Richards, and Mr. Hojo.

Mr. Jas. L. Brown, as toastmaster, commenced the toast list with the toast to "The King." His Worship Mayor MacDonald was called upon to present the Comox District Intermediate League cup to the Japanese team, the winners. His Worship outlined the short history of the cup, stating it had been presented by the Japanese Association of Canada, adding that the Intermediate League had done much towards recreation and amusement in the district throughout the summer. Mr. MacDonald also touchingly referred to the Japanese team losing two players in the No. 4 Mine explosion. The toast to the Japanese team was proposed very entertainingly by Mr. Jack Quinn, of Bevan. He spoke of their sportsmanlike tactics on the field of play and referred to them as always standing by the umpire's decision without question or quibbling.

Hojo Receives Ovation.

Mr. Hojo, captain of the team, responded to the toast in a very pleasing manner and was roundly applauded by those present. Hojo said that the winning of the cup was not their only objective, but that they wished to show their national traits through baseball. In fact, Hojo suggested we might even settle our international problems by playing baseball, and thus promoting international friendships.

G. W. V. A. NOTES

We wish to draw the attention of ex-service men to the posters in the G. W. V. A. hall advertising special positions now open in the Civil Service department. Application forms can be obtained from the local secretary.

We are asked by the secretary of the Civil Service Commission at Ottawa to remind members and others that there are positions open each week, and to ask those with the necessary qualifications to apply as the department is anxious that ex-service men shall be available as possible candidates for these positions.

For the benefit of those of our comrades who are not yet thoroughly conversant with the Insurance Act, we are inserting the following in reply to numerous inquiries:

Policies are issued on all the standard plans except the endowment plan; policies are available on six plans as follows:

- Straight life—premiums payable during the entire life of the insured.
- Twenty-payments, life—premiums payable for twenty years.
- Fifteen-payment life—premiums payable for fifteen years.
- Ten-payment life—premiums payable for ten years.
- Payable to age 65.
- Single premium.

Corfield Motors Ltd announce the lowest prices the Ford car has ever been. During the last three weeks Fords have dropped in price \$98 on the open models, and \$156 on the Sedan and Coupe. They have just unloaded another carload, and the demand is reported to exceed the supply.

You can buy a Ford on easy terms.

SUCCESSFUL WHIST DRIVE AT COMOX

A very successful whist drive was held at the Community Hall, Comox, on Thursday evening, with a large gathering from the surrounding district. Dainty refreshments were in abundance, with credit due to Mrs. John McKenzie.

The prize-winners were: Gents 1st, P. Leo Anderton; Ladies 1st, Mrs. P. Whalen; Gents 2nd, Mr. Westover; Ladies 2nd, Mrs. (Capt.) Fairburn. Mr. Lucas receiving the "Hobo" prize.

BRIEF SESSION CITY COUNCIL

A very brief session of the City Council was held on Monday evening. In the absence of His Worship D. R. MacDonald, the chair was occupied by Alderman Charles Parnham. The chairman of the Board of Works reported that the two blocks on Dunsmuir Avenue, from Third Street to Fifth Street, were completed, and he expected the remaining two blocks, with favorable weather, would be well under way by the end of this week.

The communication from the general superintendent of the Canadian Collieries (Dunsmuir) Limited, with reference to a requisition to be signed by the mayor or city clerk for all future supplies, was received and filed.

The \$25.00 deposit in the Douglas appeal case, deposited by the Chief of Police with Registrar Baird, was discussed, and it was suggested that the Liquor Control Board be asked to pay this amount.

Under the heading of "General Business," John McWhirter was given permission to transfer his interest in one of the returned soldiers' houses to Matthew Brown.

A communication read by the city clerk from the fire marshal of Vancouver, was as follows:

Office of the Fire Marshal
Vancouver, Oct. 2nd, 1922.
City Clerk,
City of Cumberland, B. C.

Dear Sir,—Will you please convey to your Council my appreciation of the manner in which Mr. C. J. Parnham, assistant fire marshal for your city, has carried out his duties.

The report given me by Mr. A. A. Macdonald, deputy fire marshal, of the conditions existing in your city due to the work of Mr. Parnham is the most gratifying report that I have received from any city in B. C.

This report shows that Mr. Parnham is a capable and efficient officer, and that he has had the support of the mayor and Council, and the citizens generally, in his fire prevention work. I trust that in the very near future one of the results of his work will be a reduction of the insurance rates in your city. I am sure it will mean a reduction of the fire losses.

With very best wishes for the success of your city, I am

Yours very truly,
J. A. THOMAS,
Fire Marshal.

THE NEW PRICES ON FORD MOTORS

Coupe, with starter	870.00
Truck, with starter	711.19

Signed,
Ford Motor Co. of Canada.

A committee composed of Messrs. Anderton, Pigott and Cleland, representing the Courtenay-Comox Board of Trade, and Messrs. John Crockett, Wm. Duncan and Thorold D. Smith, members of the Comox Agricultural and Industrial Association, visited Merville on Wednesday afternoon and held a consultation with the committee of residents holding office on behalf of the settlers in the Soldier Settlement area. While it was decided that nothing should be made public until the Provincial Government is communicated with, it is expected that some radical changes are imminent or suggested for the benefit of the people of Merville.

Mrs. A. H. Swan, Mrs. J. Isbester and Mrs. Preston, of Denman Island, visited Courtenay on Thursday.

Parent-Teachers' Social Evening

Hold a Very Successful Social Evening in Anglican Hall.

The regular monthly meeting of the Parent-Teachers' Association held in the Anglican Hall on Monday evening last, deviated somewhat from its usual schedule. A social evening had been arranged by the social committee with the hope of stimulating keener interest among the parents and teachers of the community.

The recently appointed president, Mr. Colin Campbell, opened the meeting with a few fitting words and then called upon Dr. E. R. Hicks to read the minutes of previous meetings, which were adopted. The various committees connected with the schools submitted their reports, which were in most cases very favorable. The representative of Comox Lake was unable to be present, and this office was filled by Mrs. Anderson, who approached the association on behalf of an application submitted some time ago to the Department of Education to provide some means of transportation for the children of the lake vicinity. After a short discussion it was decided to call upon Mr. Paterson, Provincial Inspector of Schools, who happened to be in the office of the Educational Department when the letter from Comox Lake was received. Mr. Paterson explained that the distance from Comox Lake to Cumberland was only two miles, and he was afraid that the Government will not be able to render any assistance. The matter was left in the hands of a committee, and it is hoped that some arrangement can be made whereby transportation is provided for the pupils of the Lake district.

After all necessary business had been discussed and completed, the social portion of the evening commenced with the following program: Pianoforte solo by Mrs. F. Oliver. Solo by Mrs. Colin Campbell. Reading, "The Defence of Noah's Wife," by Mr. Webb. Duet by Misses Edith and Etta Hood, "In the Garden of Your Heart." Solo by Mrs. Ledingham, "Your Voice." Recitation by Jack Fouracre, "Caleb's Courtship." Duet by Mrs. Pinfold and Mrs. McAdam. At the conclusion of the musical program, dainty refreshments were served by the ladies. An hour or so was then spent in the popular pastime, dancing.

Among those present were: Mr. and Mrs. T. Banks, Mr. and Mrs. Hood, Mr. and Mrs. Halliday, Mr. and Mrs. C. Campbell, Mr. Edwards, Mr. Sutherland, Dr. E. R. Hicks, Mrs. S. Jones, Mrs. Eccleston, Mr. and Mrs. McKinnon, Mrs. Owen, Mrs. Richardson, Miss C. Richardson, Mrs. Pinfold, Mrs. Farmer, Mrs. Parnham, Mrs. Burns, Mrs. Mordy, Miss Bannerman, Miss Mordy, Miss McFayden, Miss Beckwith, Miss Dalton, Miss Harrison.

FUNERAL OF THE LATE GEORGE YARROW

The funeral of the late Geo. Yarrow took place from the family residence, Penrith avenue, on Saturday afternoon, the members of the Loyal Order of Moose and the Ancient Order of Foresters attending in a body, of which the deceased was an esteemed member. He leaves to mourn his loss a widow and daughter, residing in Cumberland; father and mother, two brothers, Robert and Sidney, and three sisters, Mrs. A. Schofield, Mrs. T. Naylor and Miss Annie Yarrow, of Nanaimo.

List of floral tributes as follows: Family, pillow. Wreaths—The Moose Lodge, Harmony Rebekah Lodge, Meriam Rebekah Lodge, Nanaimo; Court Bevan Foresters; Foresters Court, Cumberland; Mr. and Mrs. F. Partridge and family, Mrs. James Webster and family, Mr. and Mrs. Ledingham, Mr. and Mrs. Harling, Mr. and Mrs. Ducca. Wreaths from Nanaimo: Mr. and Mrs. John W. Gray, Mr. and Mrs. J. P. R. McGill, Mr. and Mrs. H. B. Watson, Mr. and Mrs. Jack Naylor, Mr. and Mrs. Robt. Naylor, Mr. and Mrs. Jas. Peacock, Mr. and Mrs. R. Marsden, Cassidy, Horshoe, Mr. and Mrs. Andrew Dunsmuir, Nanaimo. Crosses: Charles and Cecil Webster and Douglas Partridge; Mr. and Mrs. Beveridge, Jr., Cumberland. Sprays: Mr. and Mrs. P. P. Harrison, Mrs. Bruce, Mr. and Mrs. J. Stockand, Mr. and Mrs. Wm. Harrison, Mr. and Mrs. Beveridge, Sr., Mr. and Mrs. Robert Smith, Mr. and Mrs. Robert Brown, Mr. and Mrs. A. Derbyshire, Mr. and Mrs. S. Davis, Mr. and Mrs. M. Benson, Nanaimo, Mr. and Mrs. C. J. Tyler, Nanaimo, Mr. and Mrs. A. Watson, Nanaimo. Bouquets: Emile Pickett, Mr. and Mrs. W. McLennan.

SHUT 'EM UP!

The charge is frequently made by the city dweller that life in the small town is narrow and self-centered, that petty gossip is the chief diversion of the people, AND THE PITY OF IT IS THAT IT IS TRUE.

City people are, however, even more selfish and self-centered than the small town dweller, but they are freer from the annoyances of gossip.

The city has its sneaks and cowards and hold-up men who strike in the dark, but they are pearls of perfection by comparison with the venomous-tongued speaker of scandal.

"Have you heard the juicy bit about So-and-So?" is the back-biter's invariable opening. Then follows a slashing of reputations and a befouling of good names which would sicken a ghoul, while it gladdens the heart of the devil.

The anonymous letter, the anonymous telephone message, the whispered "Now, I'll tell you, but don't use my name if you repeat it," launch the conceived venom of a filthy mind. Once on its way, the gullible, the foolish, the idle, and the vicious pass it along and embellish the story until its creator can barely recognize it. So goes the scandal story. So do the vicious and the simple-minded combine to smirch good men and women.

No evil is so prevalent and far-reaching as the spreading of scandal. Many women who consider themselves virtuous and many who claim to be honorable will cheerfully pass along the most appalling scandal, seemingly unconscious of the fact that if summoned to appear in court, they have absolutely no proof to support the charges. They only know that they have heard it and the evil in their own minds or experience bids them believe it.

Some sober, honest thinking, clean-mindedness in viewing our neighbors.

WHAT DO YOU AMOUNT TO?

Say, fellow, let's take a little walk out to the edge of town and sit down in the October sunshine and ask ourselves a few questions. The idea is to find out just how much we amount to in the community; just how much we are doing or have done for Cumberland.

Here is a list of questions we are going to ask:

Do I ever attend a school exhibition or take any interest in the public schools?

Do I ever go to church or help in any of the church activities?

Have I ever given my time to soliciting funds for any welfare or civic enterprise?

Do I call on my sick and shut-in fellow-citizens?

Do I help in causes from which I derive no personal gain or are all my acts prompted by selfish motives?

Do I devote more time to the pursuit of my own pleasure than I do to looking after my family's welfare?

Have I recently told a fairy story to a little child or spoken to a dirty-faced youngster on the village street?

How many genuinely charitable deeds have I performed since the first of the year?

Have I listened to slander, gossip, and false accusations against my neighbors without saying a word in protest?

Do I live within my income and pay all my bills promptly?

There are just ten simple little questions. Answer them honestly and add up the sum total. Then see how much you amount to in the community and how much you will be missed when they cart you out to the cemetery.

Look out for the Foresters' Folly Troupe—making its first appearance in Cumberland in the near future.

and Christian charity in our public contacts would do a lot to stop trouble making and trouble makers.

"Shut up at least one scandal monger each day," would be a fine motto for every one to adopt.

The next time you are told a scandalous story, ask the teller to furnish you with the proof of its truth.

Then watch 'em squirm.

DID YOU EVER STOP TO THINK?

THAT most cities need are: Fewer pessimists and a greater number of citizens with faith in its future.

THAT our country needs more tractors and less detractors.

THAT despite looks and words of the confirmed pessimist, that our country is going to the dogs, all outward and visible signs point to an opposite direction. You don't have to go outside of your city to see evidences of business revival.

THAT times are getting better and your city is going strong.

THAT the first thing many citizens think when asked to do something for their city, is: "What do I get out of it?" They should think, "What can I do for my city?" Selfishness should not be thought of in civic work.

THAT mail order houses never prosper in a city where the LOCAL merchants advertise consistently, because the mail order men know they cannot compete with a local store if the merchant understands his business.

THAT the public needs educating to a knowledge that they can buy at home as cheaply as buying away from home.

THAT they can actually see what they are buying before they pay for it, and they do not have to wait days and even weeks, for the delivery of articles they buy.

(By E. R. Waite, Secretary Board of Commerce, Shawnee, Okla.)

WOLF! WOLF!

We heard a new one the other day, when a mentally bright, and morally pure bachelor girl suggested that the male members of a movie audience be separated from the ladies, "God bless 'em."

This dear girl has the Jim Crow car idea as it were. In other words this perfectly good girl would put men in a bunch and tar them all black. The lady in "question" says she has suffered from the annoyances of admiring, or rather inquiring men.

Now The Islander does not defend men who disrespect or dishonor women, but in every theatre there is generally a man who will take care of these mutts and mongrels at a moment's notice. We shall always have the ill-bred, ill-behaved, forward and vulgar. And, strange to say, these undesirable dogs pick on the dames that are so easily insulted.

We know of many women who travel through life unmolested, and they are mighty good-looking women, too. And we know of several women who were young thirty years ago, who don the buckler and spear to fight wolves when there are no wolves near.

The hypocrisy of prudery is an old maid that is always and forever looking to be insulted or offended.

GORDON MAKES EXTENSIVE IMPROVEMENTS

Mr. William Gordon, one of Cumberland's youngest and most enthusiastic business men, has now found it necessary to increase the floor space of his department store on Dunsmuir Avenue. The alterations have been commenced and in a few weeks the "Corner Store" will have over thirty square feet of additional floor space, and in a short time Mr. Gordon will be able to display his stock to advantage. The entire store is being renovated, vantage.

Mr. Gordon is now the sole agent for "Stetson" Shoes, and in the very near future a remarkable sale will commence in this high-class footwear.

WINTER CHILLS.

The last few days have made us all realize that winter is rapidly approaching. We find it necessary to adorn more warm clothing; but sometimes we are careless in the respect and over-cloth ourselves in the day time, but neglect to use warm blankets at night. The new stock of beautiful all-wool Ayrshire Blankets now on show at Sutherland's Dry Goods Store will meet with the approval of all, and the price is remarkable.

Ambulance Association Whist Drive and Dance

The annual whist drive and dance held by the St. John's Ambulance Association last Friday evening in the Ilo-Ilo Hall was a greater success than ever before, attracting a record crowd of people. The handsome prizes for the winners of the whist drive went to Miss J. Balagno and Mrs. C. Dando amongst the ladies, whilst Mr. Veitch and Mr. W. McMillan were successful amongst the gentlemen.

A feature of the evening was the presentation of prizes and certificates to the successful entrants in the first aid classes by Mr. Thomas Graham.

Following the serving of refreshments, dancing was enjoyed for several hours. A few of those noticed in the large crowd present were: Mr. and Mrs. Thomas Graham, Mr. and Mrs. Charles Graham, Dr. and Mrs. Carson, Mr. and Mrs. Pettipiece of Vancouver, Mr. and Mrs. C. Clinton, Mr. and Mrs. John Thompson, Mr. and Mrs. Rickson, Mr. and Mrs. Allan Nunns, Dr. and Mrs. Hicks, Mr. and Mrs. Colin Campbell, Mr. and Mrs. Somerville, Mr. and Mrs. Charles Finch, Mr. and Mrs. C. Dando, Mr. and Mrs. Nat Bevis, Mr. and Mrs. Chas. Nash, Mr. and Mrs. Waterfield, Mr. and Mrs. Ronalds, Mr. and Mrs. Jack Davis, Mr. and Mrs. D. Gordon, Mr. and Mrs. H. G. McKinnon, Mr. and Mrs. Marsh, Mr. and Mrs. Sidney Hunt, Mr. and Mrs. T. W. Scott, Mr. and Mrs. Chas. Pearce, Mrs. Pinfold, Mrs. Dando, Mrs. W. Gordon, Mrs. Drader, Mrs. King, Mrs. Parkinson, Miss Dalton, Miss Shaw, Miss Fowler, Miss Sehl, Miss Margery Beckwith, Miss Eleanor Parfitt, Miss Marjorie Mordy, Miss Beatrice Mitchell, Miss Olive, Bickle, Miss Beatrice Bickle, Miss Bannerman, Misses McFadyen, Misses Cis and Blanche Dando, Misses Baird, Miss Madge Fouracre, Misses Marsh, Miss Viola Campbell, Miss Laura Robertson, Miss Jessie Stevenson, Miss E. Return from Honeymoon Trip

Mr. and Mrs. W. H. Cope returned on Monday last after a honeymoon trip spent in Vancouver, Seattle and other Coast cities. Mr. and Mrs. Cope will take up their residence at the home, now in the decorators' hands, on Dunsmuir Avenue, Cumberland.

Surprise Party for Mrs. Hudson.

On Thursday evening last a number of lady friends assembled at the home of Mrs. Hudson and took her entirely by surprise. The party was arranged in honor of the "China Wedding Anniversary" of Mr. and Mrs. Hudson. The hostess was presented with an exquisite china jardiniere. The evening was pleasantly passed away by playing cards and a musical program. In the cards, Mrs. Covert was fortunate in securing the first prize, and Mrs. McNeil the consolation prize. After dainty refreshments had been served by the hostess, many novelty dances were indulged in. The party broke up in the early hours of the morning.

Those present were as follows: Mrs. Covert, Mrs. Graham, Mrs. Davis, Mrs. Donald, Mrs. Pinfold, Mrs. McAdams, Mrs. Gray, Mrs. McNeil, Mrs. Smith, Mrs. Bevis, Mrs. Farmer, Mrs. Maxwell.

Spending Short Vacation in Vancouver.

Mrs. E. R. Hicks, accompanied by her young son, left on Thursday morning for Vancouver, to spend a short vacation with relatives and friends.

Visiting Victoria.

Mrs. Ralph Frost and Miss Margery Beckwith are spending the week-end in Victoria, the guests of Miss Beckwith's mother, on Cowichan Ave.

Mr. W. Walker, of Vancouver, superintendent for Barrett & Co., arrived on Monday by auto to superintend the tarvia operations on Dunsmuir avenue. He also visited Courtenay.

Mr. and Mrs. James A. Peacock, of Nanaimo, arrived on Saturday to attend the funeral of the late George Yarrow and returned on Monday.

Mr. D. R. Macdonald left for Nanaimo by auto on Monday evening.

Cumberland, B. C.

Mr. and Mrs. T. Lewis left for a week-end trip to Nanaimo on Saturday last.

Mrs. C. Finch, wife of Mr. C. Finch the well-known baseball player, arrived from Vancouver last week-end.

Mr. M. Stewart returned on Saturday from Victoria after spending a short holiday in the Capital City.

Miss Jessie MacDonald arrived in Cumberland on Monday evening after spending the past year in Eastern Canada.

Mr. Harold Whitty, of Whitty Bros., Nanaimo, was in town over the week-end.

Mrs. Turnbull, of Sandwick, B.C., is the guest of Mrs. Fraser for a few days.

Mr. and Mrs. Ernest Horwood, of Victoria, arrived on Monday on a visit to Mr. and Mrs. Sidney Horwood.

Dr. and Mrs. J. H. Carson had as their guests Mr. and Mrs. Pettipiece, of Vancouver, for a short time the end of the week.

Mr. W. J. Goard, piano tuner, of Nanaimo, was in the city Sunday and returned Monday. He expects to be in Cumberland again on Oct. 30th.

Mrs. Arthur Wright and daughter, of Ladysmith, are visiting Mr. and Mrs. James Burns.

Messrs. J. W. Cooke, C. Grant, Decur and Merrifield left on Friday evening last for a hunting trip to Denman and Hornby Islands. The hunters intended to return to Cumberland on Sunday evening, but owing to the heavy fog were compelled to remain until Monday.

Miss Mae Garnett left on Monday morning for Vancouver.

Mr. C. W. Sillence, of Duncan, is visiting friends in the district.

Mrs. Edward W. Bickle returned on Monday from a visit to Vancouver and Seattle.

Ernest Pisto, in a recent examination of first aid and mine rescue work, obtained 96 per cent, and wishes to thank the management of the Canadian Collieries (Dunsmuir) Limited, for the handsome present donated in connection with the above.

HIGH SCHOOL CLUB

The regular weekly meeting of the Girls' High School Club was held in the school room on Thursday, Oct. 13 at 7 p.m.

Four girls were appointed for a debate to be held in the classroom on Thursday, Oct. 19. Margaret McNaughton and Edith Hood will take the affirmative; Fannie Strachan and Beatrice Bickle, the negative. The subject for the debate is: "To resolve whether electricity is more beneficial than steam."

"Astoria" Shoes

Tailor Made for Particular Trade

You Buy Tailored Clothes-- Why Not Buy Tailored Shoes?

You choose a tailored suit, because it is made from choice material, by skilled hands, and is made to your size in a style that suits you. For exactly the same reason, you should buy tailor-made shoes. Astoria, All-Leather Shoes are tailor-made—to your size, and in styles that suit your foot. Astoria material is flawless. Astoria Shoes are made faultlessly.

Good shoes, like good clothes, wear longer—the value is there.

A friend told the other day how he almost lost a good nurse. The girl was excellent in her position, but when she answered the telephone she spoke into it as if she was standing on the back step shouting across lots. It was pointed out to her that the telephone was a very responsive instrument and all that was necessary was to speak in an ordinary tone of voice.

"I guess I know how to answer the telephone," she replied with a little heat. And it took a couple of hours to pacify her.

How do you answer the telephone ?

News Of Campbell River

There is a story going the rounds on Valdez Island and in Campbell River regarding radia-active rock, from which radium is extracted, which may, or may not, be correct; but should the report be authentic there is bound to be a world-wide interest taken in this valuable product of Valdez. Rumor states that about five hundreds pounds of the rock has been sent to New York to the various hospitals in that city, and after being very finely crushed, has been successfully used by application to the body of a patient suffering from rheumatism and other maladies. From this report it would appear that the rays emitted from the tiny particles of radium contained in this rock was sufficiently powerful to give great relief to sufferers of diseases such as rheumatism and kindred maladies. Should this report turn out to be true there is likely to be considerable activity in the exportation of many tons of this valuable rock to hospitals all over the world. It is not known, at least to the public, whether there is sufficient radium in the rocks on Valdez Island to work the deposits commercially in the production of radium, but if there is a demand for the rock for use in hospitals in its raw state, the people interested in these deposits will receive some returns for their work in trying to develop the radio areas.

Mr. Frank Lalonde, the proprietor of the stage line between Courtenay and Campbell River, reports a change in the C. P. R. schedule between Nanaimo and Vancouver. Passengers from Campbell River for Vancouver can make connections on Tuesdays, Thursdays and Saturdays only. This stage line, run with the regularity of a train, has done much to put Campbell River in touch with the outside world with its daily service to and from the E. & N. trains at Courtenay.

A report comes from Gowlland Harbor, Valdez Island, that there is a likelihood of a concentrator being erected at that place in the near future. There is a large body of low-grade copper ore in the vicinity of Gowlland Harbor and it is said it will turn out well when the concentrator is installed to handle the ore.

The dance held at the Lilelana Pavilion on Saturday evening last was largely attended by people from the surrounding camps and the towns of Courtenay and Cumberland. The up-to-date dance music of the Headquarters orchestra was very much appreciated by the dancing enthusiasts, and it is hoped that this fine aggregation of musicians will again be in evidence at many future events.

According to Capt. Kepler, a well-known resident of Campbell River, who visited here on Sunday, logging operations are going along briskly at Gowlland Harbor. The O'Neil Bros. and McCurdy have recently opened up a camp at that place and are putting a large number of logs in the water daily.

Master Lorne Higgins has now recovered sufficiently after a serious operation to leave the hospital.

The Publicity Bureau here has recently received from Mrs. T. W. Hanson, of Campbellton, samples of the beautiful apples she has raised on her place in the new townsite. This fruit will compare favorably with anything grown in the province, and goes to prove that this northern district is as well adapted to fruit-raising as other portions of British Columbia. Valdez Island, opposite to Campbell River, can also boast of its fruit-raising capabilities, and the large shipments made to this side of Discovery Passage this year are as good, if not superior, to the imported article from the South.

The news of the death of Mrs. Simms, wife of Mr. H. A. Simms, of the Galano ranch, Campbell River, at the Comox Hospital on Friday last, was received with great regret by all those who had the privilege of acquaintance with the deceased lady. The late Mrs. Simms was the only daughter of Mrs. Watts, formerly of Kingsbridge, Devon, who resides at present at the Galano ranch. Before coming to Campbell River, the deceased lady lived several years in Cumberland, where she was well-known as an earnest worker for the Catholic church. She also taught music in Cumberland and was highly respected and loved by her many pupils. The funeral took place at Comox, the church being crowded with people who listened intently to the kindly words of Father Beaton on the life of usefulness led by Mrs. Simms, saying that after a long and painful illness she had passed quietly and peacefully away to a great reward.

Additional Campbell River News on Page Five.

MUNICIPAL ELECTION ACT.

On or before October 31st, every house-holder or license-holder must register with the City clerk to secure a vote at the coming Municipal elections to be held in January, 1923, under the Municipal Elections Act. The qualifications for registration are:

Must be a British subject of the full age of 21 years;
Have resided in the city (or school district, for school vote), since Jan. 1st, 1922. (This does not apply to license holders.)

Must have paid taxes (not including dog tax), to the amount of at least \$2.00, or a trade's license fee of at least \$5.00.

Owners of property who have not yet registered their property in their own name, may get on the list as house-holders under this section if they have paid the current year's taxes, and register before the end of this month.

The declaration must be made before a J. P., notary public, stipendiary magistrate or the City clerk.

The City clerk's office will be open from 4 to 6 p.m. on Monday, Wednesday and Friday.

ARITHMETIC AND BOOK-KEEPING CLASSES

Classes in arithmetic and book-keeping were opened on Tuesday last by Mr. A. H. Webb of the Public School. Mr. Webb had charge of the commercial work for the S. C. R. at Balfour for two years.

"Pitman's Book-keeping Simplified" will be the text-book used. If the attendance warrants, the class will be held two evenings per week. Special arrangements will be made

for pupils who are on changing shifts in the mines, so as to allow them to keep up with the work. A thorough knowledge of the principles of the subject can be obtained by any student who honestly follows the course which will be covered during the term. Twenty names have been put on the list. Will you add yours to the number? The arithmetic will consist of a revision of the primary rules, and will cover denominate numbers, vulgar and decimal fractions, as well as the ordinary commercial branches.

DATED AT CUMBERLAND, B. C., OCTOBER 10th, 1922.

JOHN BAIRD, Collector.

FOR SALE
AS A GOING CONCERN — 10-ACRE Farm, well situated on the main Cumberland - Courtenay Road, 1½ miles from Courtenay and within 3 minutes walk of Flag Station on C. C. (D) Ltd. Railway, connecting daily with the E. & N. at Royston. Approximately 4½ acres cleared

and cropped and seeded to timothy and clover; two acres nearly cleared and balance slashed and burned, very easy clearing and now seeded to clover.

Young bearing orchard — apples, pears, plums and small fruits. Modern house of 7 rooms. Telephone and water laid on. Two good wells. Small creek through property. Outbuildings, cow-stable and barn, woodshed, granary, two chicken houses, pig pen and root house; fenced and cross-fenced. Cow, 40 laying hens, etc.
Price, \$3,600. Terms: Cash, \$1,500, \$400 payable monthly, \$1,700 mortgage at 7%.

CARD OF THANKS.

Mrs. Yarrow desires to express her deepest gratitude to the Ancient Order of Foresters, Court Bevan No. 9830, and Court Cumberland No. 9831, to the Loyal Order of Moose (Lodge No 1662), to the Medical Board, to the Doctors and nurses, Harmony Rebekah Lodge No. 22, and also to those who so kindly and so generously assisted her throughout the long illness of her dear and lamented husband.

Words fail to express her deep appreciation of the many kindnesses extended to her during that long and painful period; also for the many beautiful floral tributes.

HAVE PLANNED "VARSITY WEEK"

VANCOUVER, Oct. 20.—In order to present the facts about the University of British Columbia to the people of Vancouver and vicinity, students of the Provincial institution here have planned "Varsity Week," to be staged from Monday, October 22, to Saturday, Oct. 28.

During that week a thorough canvass of the city will be made by the collegians for the purpose of securing further signatures to the monster petition which calls upon the Government to institute a definite policy towards the university and to hasten its removal to the permanent site at Point Grey. The students will carry on a widespread advertising campaign and will have representatives appear before many public and semi-public organizations.

The concluding feature of the week will be a monster "pilgrimage" to the university site at Point Grey when all students of the college will parade through the downtown streets, carrying banners and signs, and then proceed to Point Grey, where certain ceremonies will be carried out. Floats representing the work of the different faculties of the university will appear in the parade, and "Varsity Week" slogans will be broadcasted everywhere.

At the university site, the students will dedicate a cairn of rocks, with a tablet inset, to the glory of their Alma Mater and to the hope that one day the university will be located in its permanent quarters. Movie men will film the student demonstration, and these films will be shown in all parts of the province.

Campbell River News

Mr. E. A. Mitchell, a well-known old-timer of Courtenay and Gowlland Harbor, was a visitor to the River on Tuesday. Mr. and Mrs. Mitchell are now living on their ranch on the shores of the harbour, having moved from their home on Gowlland Island some months ago.

Mr. Jack Perkins, of Little Devonshire, paid a visit to the Publicity Bureau on Monday and promptly put up his subscription to The Islander when he was informed that the paper was about to give this section the benefit of wide publicity through its columns.

The offer of the Cumberland Islander and the Family Herald and Weekly Star of Montreal at a cost of only two dollars a year is one that is sure to interest people in this locality. The first-named paper will give them the fullest news possible of local events, and the Weekly Star is too well-known to need any recommendation as to its great value to the people of this country.

Dr. Millard, formerly of Courtenay, has moved to Campbell River and opened an office in the residence formerly occupied by Dr. Carruthers. Dr. Millard is not unknown to the people of this district, having visited here at intervals for the past twenty-nine years. He has now established a practice in this locality and will take up his permanent residence in the near future.

The installation by Dr. Shaw of a Kelley-Koet X-ray machine in the local hospital is an event of very great importance to the people of Campbell River and surrounding district. The machine is up-to-date in every particular and will be the means of saving a great deal of money to people who formerly had to travel to Vancouver for an X-ray examination. The hospital board is co-operating with Dr. Shaw in every respect to insure efficiency in the working of the new apparatus.

It is reported that our local tonorial artist, Mr. Wm. Maynard, well known in Courtenay and Cumberland, will shortly move from his present quarters to the shop in the Willows

Zane Grey's Greatest Story THE LAST TRAIL

"THE LAST TRAIL" WILLIAM FOX SPECIAL PRODUCTION

The bursting of the dam, and the flood overwhelms the village miles away in the valley.
SEE these tense moments in the film that grips like a vise.
When the village inhabitants flee for their lives, leaving death and destruction behind.
When the lone bandit, slain in the cave, proves to be the wrong man.
"The Last Trail" is a worthy successor to "The Rainbow Trail," "Riders of the Purple Sage," etc.

EXTRA ATTRACTIONS:

Round Three of "The Leather Pushers" and "The False Alarm," a Fox Sunshine Comedy.

Matinee: Saturday, 2.30 p.m.

Dance: Saturday Night at 9.30 p.m.

MONDAY AND TUESDAY

Dorothy Dalton in a gripping story of the North, "The Siren Call" Extra—Chapter 3 of "In the Days of Buffalo Bill," also Comedy Reels

WEDNESDAY AND THURSDAY

Frank Mayo in "Out of the Silent North."

COMING: October 30th and 31st, "FOOLISH WIVES."

AN APOLOGY

Re G. W. V. A. NOTES.

The following G. W. V. A. Notes, which were handed in for publication in our last issue, were unfortunately omitted, and on request of the secretary of the G. W. V. A., they are herewith published. We extend to the G. W. V. A. our regrets that these notes were overlooked, and must plead that owing to the installation of a lot of machinery in the office last week, we were all at "sixes and sevens."

G. W. V. A. NOTES.

A full attendance of members is requested for Tuesday next, the 17th. Meeting will commence at 7.30 p.m. It is anticipated that members from the Provincial command and S. C. R. representatives will be present to take up several important items in connection with re-establishment.

Mr. Chas. Graham, District Supt., Canadian Collieries (D) Ltd., who was unable to attend the last special meeting (as announced), will be at the above meeting to discuss with the members certain items of import to the association, etc.

All members of the G. W. V. A. executive are asked to meet at 7 p.m. on Tuesday next. Also dance committee. Please attend.

The whist drive and dance arranged for Friday (to-day) 13th, has been postponed, and will take place on the 27th.

We are to-day in receipt of a communication from the Minister of Labor asking for information as to the number of disabled veterans in Cumberland and district, for the purpose of doing everything possible to get them properly re-established.

While it is generally understood that this is the concern of the Dominion Government, it is a matter of special interest in this province, in view of the large number of disabled veterans who since the war have made their homes in B. C.

Anyone that is in touch with any disabled comrade kindly notify the secretary so that the necessary particulars can be forwarded soon as possible.

DON'T forget Nov. 10th. Reserve that date for the G. W. V. A. 4th annual masquerade ball. This is going to be the best yet.

NOTICE

NOTICE is hereby given that all persons having claims against the estate of the late Joseph Peach Davis, late of Comox District, British Columbia, who died on or about the 29th day of June, 1922, are required to send in their claims duly verified, on or before the 1st day of December, 1922, to George Charles Davis, of Union Bay, Nelson District, B. C., Executor and Trustee of the estate of said decedent. AND NOTICE is hereby further given that immediately after said date the said executor will proceed to distribute the estate among the parties entitled thereto, having regard only to the claims of which he shall then have notice, and that he, the said executor, will not be liable for the assets or any part thereof to any person or persons whose claims shall not have been received by him at time of such distribution.

Dated this 17th day of October, 1922.

GEORGE CHARLES DAVIS,
11 Executor.

NOTICE.

NOTICE is hereby given that all persons having claims against the estate of Albert Otto Holtz who died at Comox, B. C., on the 22nd day of July, 1922, are required to send in the claims, duly verified, on or before the first day of December, 1922, to George Shearer, Esq., executor and trustee of the estate of said decedent. AND NOTICE is hereby further given that immediately after said date the said executor will proceed to distribute the estate among the parties entitled thereto, having regard only to the claims of which he shall then have notice, and that he, the said executor, will not be liable for the assets or any part thereof to any person or persons whose claims shall not have been received by him at the time of such distribution.

Dated this 17th day of October, 1922.

GEORGE SHEARER, Executor.

McCLARY'S Electric Ranges

Women's burdens for centuries past were heavy because the human race did not know how to lighten them. An enlightened age has gradually brought now labor-saving devices to assist her—the greatest of which is the Electric Range.

McCLARY'S ELECTRIC RANGE

has exclusive features that further reduce women's burdens, saving time, labor and anxiety.

There is the Protected Element—the Element is the burner, where the heat comes from. Like other Electric Appliances, the heat is radiated from wire coils, but the Protected Element snugly encloses these coils in porcelain to save them from carelessness or accidental upsets. Therefore, McCLARY'S Protected Element lasts longer, as acids, moisture and grease cannot harm it. It heats quickly and holds the heat long after the power is turned off.

The wonderful seamless, round-cornered Oven—not a nick or crevice in its smooth, even, impenetrable, glassy enamelled interior. As sanitary as any enamelled interior. As sanitary as any enamelled utensil, rust resisting, cleanly. Racks and rack holders removable. Elements swing on hinges, so that entire surface of oven is clear for cleaning.

The Oven has a 1 1/4 in. insulation around the side and a 1 1/2 in. magnesia block insulation in the door—this holds the heat in oven. Roasts and baked foods retain their full flavor. The result is better baked foods with minimum shrinkage.

Warming Oven with small element inside.

Signal lights to show whether current for Oven is on or off.

Switches for elements plainly marked.

Extra plug for other Electric Appliances.

Mercury or Compensating Thermometer.

Fuses easily accessible.

FOUR TYPES OF McCLARY'S RANGES

E. S.—E. S. C.—D.—and E.—supplied in the immaculately clean battleship grey enamelled finish, also black japan—see all these features—have them demonstrated to you at

Cumberland Electric Lighting Co., Ltd.

WHEREAS certain mischievously inclined persons have tampered with the valves of the mains of this Company, thereby allowing a considerable amount of water to run to waste, we therefore wish to point out that it is a serious offence to tamper with such valves, and should the offending parties be apprehended, they will be prosecuted to the very fullest extent of the law.

BADMINTON APPEARS TO BE IN FOR A BANNER SEASON

Judging by the number of people attending the Badminton Court on Tuesday last, there is every possibility of the local club enjoying the best season in their history. This popular indoor winter game is increasing in popularity in B. C. Provincial championships are held in Vancouver each year; a great many clubs being represented. As yet, Cumberland has not been represented in these championship affairs, but it is confidently expected that the local club will be represented in both the singles and doubles competition. Any one desirous of joining the club will be welcomed. The court is open on Tuesday and Thursday evenings, also on Thursday afternoons, in the Anglican Hall.

Pithy Pars'

Vancouver skaters will have their first spin on Oct. 25th. Winter sport in that city will start two weeks earlier than usual.

"Battling" Siki (Georges Carpenter's conqueror) will battle Joe Beckett in London on Nov. 23rd. 20 rounds.

Ball fans in Nanaimo gave a big benefit baseball game last Sunday to raise a fund for Henry Butler, Vancouver pitcher for the Arnold & Quigley baseball team. Butler broke his arm on the Nanaimo diamond, while twirling a ball.

NANAIMO WIN EASILY OVER LOCAL ELEVEN

A Thrilling Game on the Local Grounds.—Home Team is Hopelessly Defeated.

In ideal football weather, the return game in the Upper Island schedule between Nanaimo City and Cumberland, took place on Sunday last before the best crowd of the season.

Manager Watson arrived in Cumberland about 12 noon with his strongest eleven, and full of confidence that his team would accomplish his desire—that they would defeat the locals twice in succession on their own grounds. Manager Watson's confidence was not misplaced—his team won, with some to spare.

The Cumberland team again had a few changes in their line-up. (The management are trying all the talent they have at their disposal to discover a centre-forward.)

Cumberland won the toss, and Nanaimo had to face a strong and troublesome sun. Stobbert kicked off, Kenny intercepted and let Conti away. The Cumberland team kept up this pressure for the first ten minutes of the game, but never poked dangerous; Conti being the only forward to test Routledge on a few occasions. One shot especially, when Routledge had difficulty in clearing. Nanaimo then reversed the play and pressed considerably at the Cumberland end;

Wilson being called upon to clear his lines on several occasions. The Nanaimo forwards when near goal always looked dangerous, and after half-an-hour's play Stobbert eluded Stewart and Campbell and sent in a lovely shot in the low corner of the goal, completely beating Wilson. After this, play was of a give-and-take nature till half-time was called. At the resumption of play, Cumberland immediately forced the play and the ball hovered in the vicinity of Nanaimo's goal for 15 minutes, which created some very anxious moments amongst the spectators. Pressure was relieved when Horne kicked past in a good position.

The game was indeed very fast, some good football being displayed by both sides, but more especially by the Nanaimo forwards. Cumberland's centre-half, Kenny, seemed to be playing under difficulties owing to a kick received in the early part of the game. Hines (Nanaimo's outside right) sent in a nice shot, which was partly cleared by Wilson, but in the scrimmage MacMillan scored Nanaimo's second goal, and were now leading by a fair margin of two goals, and continued to play a winning game until the final whistle blew without any further scoring.

Final result—Nanaimo City, 2; Cumberland United, 0.

JUNIOR LEAGUE GAMES POSTPONED

Bay Boys Couldn't Play and Bevan Wanted an Early Game.

Last week-end's fixtures in the local Junior Football League never materialized. The clam-digging gang from the Bay were scheduled to visit the Cumberland Juniors on Saturday afternoon. They informed the Cumberland boys that it would be impossible to field a team, no doubt due to the fact that a number of the team works on Saturday afternoon. Of course it was impossible to secure the grounds on Sunday.

Bevan Too Early.

The Bevan and High Schools teams who were scheduled to exchange greeting on the former's park Saturday afternoon, also had to postpone their game. The teams were due to clash at 1 p.m., which was found considerably too early for the scholars' eleven to field their team.

are subject to attack from any direction at any time and that they must keep the ball and themselves on the move all the time. The habit of bouncing the ball once before passing and shooting should be rigidly avoided, because it gives the guard time to cover the man. They should also sense direction and be able to shoot from any angle, for a forward in motion must often pass or shoot before he has time to think what the result will be.

Footwork Necessary.

All forwards should develop by constant practice a fast, smooth execution of the dodge, shift and pivot. Clever footwork is as necessary and as important in basketball as in boxing, and forwards should never neglect their floor-work. Often a player centers his attention in acquiring skill at handling and throwing the ball, thereby committing a grave error. Skillful footwork and handling of the body will often put a forward into a more advantageous position for shooting as well as increase his number of shots.

It is an important part of the forward's duty to be free when his team comes into possession of the ball. He must direct his action so that the man throwing will pass into unguarded territory slightly in advance of him. Proper timing and due allowance for moving forward should be made in all passes thrown in advance of the player, and forwards should demand and play for good passes. They should be agile enough to reach or jump for a slightly misdirected pass, but they should train their teammates by calling for good passes.

Move Towards Passes.

When a forward sees that a teammate is about to execute a pass to him, he often dashes straight towards the opponent's goal. The opposing guards are waiting for just such a move and for the chance to intercept the pass. If the forward cuts in front of the guard, therefore instead of going straight for the basket he will have a better chance of getting the pass. If he runs behind the guard he has little or no chance.

When an offensive play is started, either in the half section toward their goal or in the centre of the playing area, the forwards can greatly assist the play by moving toward the passer. In doing so they lessen the distance thus minimizing the chances of interception. Always move toward your passes.

When possession of the ball is lost, forwards should immediately fall back to the defensive position called for by the system in use. If the ball is used directly under the opponent's basket, many forwards are prone to believe that they have done their duty and that it is up to the guards to break up the play. This is a poor system at the best, and forwards who play such a game are not likely to develop into first-class men.

A forward's work at the tip off is an important part of his play, as many formations, if correctly started at that point, are sure to result in scores. The success of tip-off plays demand that the forwards have the nerve and ability to get up in the air before the ball has descended very far on its downward course. Not only that, but the ball must be passed or pushed to the next man almost at the same time it is received.

Forwards are the pace-makers of the team and their readiness to sense and co-operate in every play will serve as an inspiration to every other member of the squad.

How To Play Basketball

(By Observer).

Regular Habits.

The first and most important training rule should be the observance of regular habits. Eat heartily, but eat at regular hours. If you have a game in the evening, eat the heartiest meal of the day at noon. If not, have your dinner at night. Lunching between meals should be strictly avoided. Plenty of sleep is required, bedtime being rarely ever later than 10 o'clock. There must be no dissipation.

Regular exercises, including runs, swinging clubs, dumbbells, work with pulley-weights, setting-up exercises that require co-ordination of hands and feet, will be a big factor in helping you not only to keep fit but to develop speed and endurance.

Going Stale.

Players usually enter upon the season with plenty of enthusiasm and determination to make the time. A wise captain will use this enthusiasm to advantage and not let his players go stale. Plenty of short, snappy practices are O. K., but never let your men waste their time on the floor. Never let them stay out until they get careless. Nothing kills energy and enthusiasm so quickly as living in the gym. Pull them in to the showers while they are still keen to play.

The first two weeks should be spent in drill work, ending with a light practice. Throwing, catching and shooting should be mastered by every member of the squad first of all.

Should a player go stale during the season, take him out of the game for week or more. Even though you feel that you cannot afford to have him on the bench, it is better to use a substitute for one or two games than to have a regular who has lost his enthusiasm. This rest will be like a tonic to him and he will return to the game with renewed vigor—and with the experience of having watched the team play from the outside point of view. Watch, however, that he does not overdo it on his return.

II.—FORWARDS.

General.

A good forward is a man who possesses shooting ability combined with speed, aggression and a sense of cunning in eluding or outwitting an opponent. Just think over these qualities and you will see that the best forwards possess all three.

A consistent basket shooter may be developed by hard and diligent practice, but ability and craftiness are largely inborn traits that must be recognized and applied to the game. Indecision has no place in basketball, least of all on the forward line. A second's delay in passing or shooting may mean the loss of the game. You have often noticed that certain players, when in an open and unguarded position, lose their nerve, allowing fear to affect the shot.

Forwards should realize that they

The Cause of Your Headache

MANY people labor under the delusion that headaches are in themselves a disease, when as a matter of fact, they are merely Nature's warning that some functional disturbance exists in the body. Headache powders are very freely used and they only serve to deaden the pain and to relieve the condition temporarily, and all too often they must be continued when once begun. One who seeks to allay the danger signals, puts himself in the light of the business-man who serenely closes his eyes to danger signals and refuses to face facts until the time when everything goes to ruin.

To those who have made a study of the human body it is entirely clear that headaches result from a deficient function in remote parts of the body. The wise individual, realizing this fact, takes the precaution of determining what is wrong with his physical self and relieving that condition, just as the wise business man is willing to face facts, however unpleasant they may be, and change the conditions which ultimately would lead to disaster.

There is a natural tendency for one to put off the evil day and to submerge such apparent indications of disease as headaches by temporarily relieving themselves of pain. Everyone owes it to himself, however, and to his family, to keep fit physically and upon the first appearance of headaches he should go to a competent Chiropractor to learn what the cause of those headaches may be. The Chiropractor, being thoroughly educated in matters of health, is able to determine what the underlying abnormality is, and when this is done he immediately sets out to correct the condition.

The correction which he makes is not a temporary one, but permanent; because he removes the cause of the organic disturbance which is leading to an expression in the form of headaches.

Millions of patients who intrust their health to their Chiropractor realize this fact, and when the slightest indication of disease exists, they hasten to have their Chiropractor remove its cause. The Chiropractic principle is sound and logical. No one can afford to overlook either the soundness of its conclusions or the merit of its record. Its efficacy in all forms of disease is unquestioned, and the results it has obtained merit the serious consideration of all people who suffer from ill-health, and wish to regain that buoyancy of youth which is the heritage of every man.

Corfield Motors Ltd.

Ford Dealers

Courtenay : Phone 46

Mr. George Richardson purchased a McLaughlin-Six touring car from Mr. Bate, of Nanaimo on Thursday.

Mr. E. E. Nixon, of Vancouver, route agent of the Dominion Express Co., arrived on Wednesday and left for Courtenay on Thursday.

Mr. A. T. Owen, of Nanaimo, arrived on Thursday and expects to be here for a few days tuning pianos.

Brother Injured.

Mr. James McWhirter received a message on Wednesday evening from Coalmont, stating that his brother Archie was seriously injured by a fall of rock, with very little hope of recovery. Mr. McWhirter left that evening by special auto for Nanaimo to take the morning boat for Vancouver en route to Coalmont.

SOCIAL EVENING.

The Pythian Sisters held a reception Tuesday evening at the home of Mrs. Jack Thompson, Maryport ave., to welcome Mrs. J. Baird on her return from a visit to Scotland.

THE COMMUNITY SINGING CLUB

The Community Singing Club met last Friday in the Methodist Church. The song books were distributed and several songs sung by forty members present. Judging by the enthusiasm shown, the club will have a splendid time this winter. The following officers were elected for 1922-23:

Hon. President, Miss M. Beckwith.
President, Miss Beryl Hudson.
Vice-President, Miss Eleanor Bergland.

Committee: Norma Parnham, Alma Conrod, Jean Smith, Mary Conn, Ellen Johnston, Eleanor Davis.

There is still room for a few more members, and all who intend to join should do so as soon as possible, as new songs are being learned at each meeting of the club.

Courtenay Athletic Club.

The Courtenay Athletic Club held a meeting on Thursday night in the Hall, and in the absence of the president, Mr. Leo Anderton, Mr. Kenneth B. Dalby occupied the chair. It was decided to utilize the new Fire hall for gymnastics, etc., and the Agricultural hall for basketball. Mr. Wm. Kennedy, a recent addition to the business community of the district, was present and made an offer of a silver cup and medals for competition in basketball. He will also give a new ball for the boys to play with. Good fortune is surely smiling on the new club, as aside from having the services of a competent physical instructor, Mr. Wm. Kennedy, the latest addition to membership, is amateur champion single sculler of the Pacific Northwest, and no doubt his presence will be the means of starting a rowing branch in connection with the club.

The members of Tsolum Lodge, Knights of Pythias, were hosts on Wednesday night at one of their popular whist drives, held in Booth's hall. There were fourteen tables in play, and the winners were as follows: Gents 1st, Mr. Wm. Booth; 2nd, Mr. Frank Movitz; consolation, Mr. F. Dack. Ladies 1st, Mrs. M. Nisbett, 2nd, Mrs. Stephenson; consolation, Mrs. L. Picket. These whist drives are becoming increasingly popular and are thoroughly enjoyable affairs.

Mr. D. J. Fraser, of McLaughlin Motor Co. of Vancouver, arrived in Courtenay on Thursday on an official visit to Mr. George Pidcock.

Rev. Thomas Menzies, M.P.P., of Victoria, arrived in Courtenay on Monday.

CARD OF THANKS.

Miss Brown, matron of the Cumberland General Hospital, wishes to extend her thanks to the following persons for their kind donations:

Mrs. J. H. Graham, fruit and vegetables; Mrs. D. Walker, apples; Mrs. E. D. Saunders, preserves; Dr. Christie, trout; Mrs. P. Myers, old linen; Mrs. Auchinvaule, Union Bay, old linen; Mrs. Reid, Union Bay, old linen; Mr. McLellan, venison; Mr. Sommerville, venison; Mr. Leighton, vegetables; Charlie Sing Chong, two cases of apples; also numerous gifts of reading matter and flowers.

After the recent explosion, many persons thoughtfully sent articles of clothing to the hospital, which were greatly appreciated.

Miss Brown also wishes to thank the ladies of Union Bay for the handsome donation of linen, consisting of the following articles:

Two dozen pillow cases, one dozen bleached sheets, 11 dozen unbleached sheets, one draw sheet, 14 bedspreads, six table cloths (hand embroidered), and a collection of old linen.
