MYSTERIOUS MURDER

JOHN SPITTAL SHOT TWICE

Inquest Held and Remains Interred—Povincial Police Tracking.

John Spittal, whose body was found on Sunday night in a shack not far from Terra Nova cannery on Lulu Island, was murdered.

That much was determined by the Coroner's jury, which on Monday sat in inquest upon the remains. Coroner Greer, of Steveston, presided at the inquest, and the jury brought in a verdict that the deceased had come to his death at the hands of persons at present unknown.

The provincial police, under direction of acting Superintendent Bullock Webster, now have the matter in hand, and it is just possible that the murderer or murderers of John Spittal may not long remain unknown.

The remains of the murdered man were buried on Tuesday afternoon. Upon an examination of the remains by Mr. Bullock Webster this morning, it was developed that Spittal had been shot once on the right side of the head. The bullet, evidently from a rifle of some power, penetrated his head on the right side just above the ear, and passing clear through, came out just above the ear on the right side. Spittal had also been shot in the breast with a bullet from a rifle. It entered nearly in the centre of the breast, and in penetrating it struck two ribs, breaking them, and then made its exit through the right side.

The body was in such a state of decomposition that it could be withheld from the grave no longer, and that is the reason it was interred on Tuesday. Provincial Constable Spain, of New Westminster, and Constable Murchison, of Steveston, are working on the case in an endeavor to clear up the mystery in which the case is shrouded.—The Province.

CIGARETTES THE CAUSE.

"The school boards of Santa Ana found that for some reason the boys in the public schools were nowhere nearly as proficient in their studies as the girls and an investigation was instituted to discover the cause, whether the boys were being neglected by their teachers, or whether a lack of discipline was chargeable with the fact that the boys were not doing well. The investigation was had, and it was found that ninety per cent. of the boys between the ages of twelve and fifteen years who attended the public schools smoke cigarettes. The investigation did not require to be pushed any further. It is sufficently well known that cigarette smoking blunts the intellect as well as undermines the constitution, and if ninety per cent. of the Santa Ana boys stay with the habit, ninety per cent. of the Santa Ana boys will be failures in life, and no help for it."—Onward.

Canon Hilton went to Yale College, as chaplain, last Tuesday, returning on Thursday.

ANTI-CHINESE CAMPAIGN.

The Montreal Star's London cable says: Opponents here of the Government's policy re Chinese labor for South Africa made a great spread yesterday of Canadian criticism. The only direct opposition comes from Professor Goldwin Smith, Hon. Richard McBride, Prime Minister of British Columbia, and Mr. John Fleet, President of the Dominion Trades Congress. Other Canadian authorities seem to agree with Sir Wilfred Laurier that the matter is not one in which Canada should intervene, and that it should be left for the people of South Africa to decide.

There is official authority to deny the statement current here that the Chinese Government is again endeavoring to compel the British Government to coerce British Columbia into a repeal of the anti-Chinese legislation before the Chinese are permitted to go to South Africa. The fact is, the negotiations between the British and Chinese Governments are proceeding quite smoothly, are strictly limited to the framing of regulations and have nothing whatever to do with the larger and more complicated questions involved in anti-Chinese legislation elsewhere.

Horsey.

P. Riplinger left yesterday for Surrey Centre, Langley, Westminster, Vancouver and Lulu Island, with Glengarry Patchen. Mr. Riplinger has three Standard-bred colts under his care, just now: A filly by King Patchen, out of a Stormont mare owned by Wm. Gowdy; a sorrel colt by King Patchen, out of Toredo; and a 2-year-old stallion by King Patchen, out of the well known Murray mare, of Langley.

Glengarry Patchen is a beautiful chestnut with white strip in face, he is of good size, stands 16 hands and weighs 1170 lbs. He has won first prize in every class he was shown in, in New Westminster and Victoria. His racing career has been such for a green horse that it is unquestionable, starting 10 times, last summer, getting eight firsts, one second and out of the money once. He has shown the ability to go in 2.05 sure; stepping trial miles in 2.17; ½-miles in 1.05½; quarters in 30½ secs.; eighths in 15 secs. A 2-minute gait in one summer's training. He is a 4-year-old; rising 5, and was bred by W. Walker, of Steveston, B. C., the present owner. His sire is King Patchen by Mambrino King; his dam was Juanita, sired by Altoo, her dam is by Pathfinder. Truly a fine strain of racing horseflesh.

The above will stand till about July 1st, after which date he will go over to Washington, etc. He will be entered in all the stake races for which he is eligible, on the North Pacific circuit.

Geo. Hicks, of Vancouver, was in the Village this week putting one of the famous Mason & Risch pianos in the home of C. F. Green.

Rev. J. P. Bowell, of New Westminster, was a guest at the Methodist Parsonage during his stay, returned home on Tuesday.

"I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. Curtis, of Lee, Mass., "and have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by F. J. MacKenzie.

A beautiful memorial service was held last Sunday in All Saints' Church, in memory of the late Mrs. Parmiter. The music was appropriate and the address by Canon Hilton much appreciated. The attendance, we understand, in spite of the wet day, was good.

SATURDAY, MARCH 26, 1904.

We understand the postoffice is changing hands, A. deR. Taylor being mentioned as the incoming postmaster. Miss Livingstone is being retained as assistant.

We would call the attention of the Council to the bicycle nuisance. With plank roads and level we see no need of the sidewalk being used as a bicycle path. The sidewalks are none too wide for pedestrians. If there is a by-law covering this it should be enforced.

As soon as the I. O. O. F. building is completed, which will be about the end of April, the postoffice will be removed to the commodious quarters in the rear of the Royal Bank of Canada and A. Clausen's new store. This will be much more comfortable than the present cramped position.

A SAD CASE.

Frank A. Gray, a druggist, and Lieut.-Colonel J. Gray, his father, who acted as deputy returning officer and clerk respectively, were convicted on Thursday, at Toronto, of tampering with ballots at the civic election. They were admitted to bail, and will be sentenced on April 2nd. Colonel Gray was 39 years in the militia service, served in the Fenian Raid and in the Northwest Rebellion in 1885, and later was for years in charge of the stores at Montreal. He sat for West York in the Ontario Legislature from 1883 to 1885.

Beef, Iron and Wine, a splendid tracer for spring house cleaning. Try a bottle. F. J. MacKenzie.

Bandmaster Leslie is waiting patiently for young men and boys to come forward and take the opportunity of a musical education.

The V. T. R. new time table comes into effect to-morrow, 27th. A complete table will appear next week. The change at Chilluckthan is No. 1 leaves at 11:35; No. 2 leaves at 2:55.

There was a little surprise party, last evening, at the home of Rev. A. A. McLeod's, when the members of the Mission Band took the opportunity of presenting Mrs. McLeod, their leader, with a silver napkin ring. The little ones were escorted home by Mrs. J. F. Stainton and Mr. Tranter.

COLDS ARE DANGEROUS.

How often you hear it remarked "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. For sale by F. J. MacKenzie.

Mrs. Phillips, of Mt. Lehman, mother of Mrs. Wm. Haddon, died at her home on Saturday evening last and was buried on Monday. Mr. and Mrs. Haddon went up on Sunday to attend the funeral.

The Ladies' Aid of the Methodist Church met at the parsonage on Thursday. There was a large attendance and two new members were received, Mrs. Geo. Lasseter and Mrs. Johnston. The next meeting is to be at the home of Mrs. T. W. Kerr, on April 7th.

J. D. Breeze, manager of the Confederation Life Association in British Columbia, is paying the Delta a visit. He had not been here for some two or three years and was pleased to see the big improvement in the farms in the Delta as well as the increase of business.

CULTIVATING A KIND VOICE

If one would have a kind voice, says the Boston Journal, one must start in youth to cultivate it, and be on the watch at all times, while at work and while at play. The kind voice must speak the thought of a kind heart.

It is in play that a sharp voice is most easily acquired. Boys and girls say words in a quick, harsh, tone, almost like the snap of a whip. If one of them is vexed, the voice sounds as if it were made up of a snarl, a whine, and a bark. It speaks worse than the heart feels. The ill-will is louder in the tone than in the words.

In mirth one may carelessly allow one's voice to grow shrill and unpleasant. Some people have a sharp home voice, and keep a company voice for use elsewhere. It is a safe rule to use one's best voice at home.—Sabbath-school Visitor.

A. B. Barber, of Slocan City, has arrived, and has purchased the teaming business of Robt. Gillespie who is removing to Whatcom. Mr. Barber formerly resided here, but has been engaged in mining for some years up-country.

S. F. Woodland went to Westminster on Saturday evening last to hear Evangelist Coleman. He reports having a pleasant and profitable time.

The choir boys of the English Church will be vested on Easter Sunday and take their place as choristers in the chancel. This will add to the beauty of the services. The Canon has been training the boys for several months.
