SHAKE!

ENDERBY INCORPORATION GRANTED.

Perhaps greater things have happened. Perhaps the old world hasn't slipped a cog because it has happened. Perhaps King Edward will never hear about it; and maybe there won't be any commotion where the streets are paved with gold and editors are not let in, but the fact is, Enderby has been incorporated. Read—

Vernon, Feb. 15.—To Geo. Bell, Enderby. Incorporation granted. Elections will be fixed later. FRED BILLINGS.

This ends all dispute. Now for a big pull, a steady pull and pull altogether for Enderby!

What say you all? Are you ready? Then, *PULL!*

The Vernon Board of Trade is considering the problem of connecting the towns of the Okanagan by telephone, the proposition being to organize a local company.

The Vernon News sees in the lack of railway competition the reason for all of our trouble on the S. & O., and it thinks the Great Northern should be invited to enter the Valley.

The Ellis ranch is being cut up into small tracts and will be put on the market this spring. It is rumored that the old townsite of Penticton will be purchased by the company.

The petition asking the Dominion government to install a long distance telephone line in the Valley was circulated this week by Geo. Bell and was readily signed by all having the interests of the Valley at heart.
