

C/O Mrs Greene Johnson  
Main Nurses Home  
Johns Hopkins Hospital  
Baltimore

Feb. 19, 1949

Dear Mrs Brack,

Attached you will find the final drafts of (a) my progress report to the History Committee; (b) the condensed topical outline. Will you please be kind enough to bring these with you when you come to the meeting on Wednesday afternoon? As you know, only a very limited number of copies will be available.

With kind regards,

yours very sincerely

Ethel Johns
