

April 27

~~greetingxx~~

I do hope this brief note will ~~reachxxxx~~ reach you before you take off for your
lake its waters
Green Wilderness. By now, the ice ~~onxxxxlake~~ will have piled up on the shore and the
~~water~~ will reflect the blue sky of the Laurentians. -- nothing quite like it anywhere
in the world.
else. Lots of wild flowers in the woods, too. A good place (and the right time)
encourage
to do a little loafing. and to nvie the Unconscious to do its stuff.

~~IXXANDXWHXJSHXX~~ Your rash invitation "to feel free to pencil all over it (the MSS)
but ~~howeverxxx~~
if necessasry" will not be interpreted too literally! There is one suggestion that
it be sent to me
~~ixshouldliketomakeand~~ here it is. Do you think ~~you~~ could send it in successive "takes"
as the typist proceeds If so, I could do
rather than en masse when the typing process is completed? It ~~wasxxxxxxxpossiblx~~
more
~~fixxx~~ to do a careful job as I go along rather than rushing it through too fast, for
accuracy. If this notion doesn't fit in with your plans, just drop it in the lake and
think no more about it.
