VOLUME 5. NORTH VANCOUVER, B. C., FRIDAY, DECEMBER 13, 1907. NUMBER 17

## CITY COUNCIL.

Mayor Kealy presided at last night's meeting of the city council. A full board was present.

Ald. Emery moved a resolution to submit a by-law to the electors at the next civic election to decide whether the city should be divided into wards.

Aldermen Dick, Smith and Emery and City Treasurer Woods were appointed to go into the details.

J. E. Bailey wrote applying for a crossing from lot 13, block 154, to the sidewalk on the opposite side of the street. The city clerk was instructed to write Mr. Bailey advising him of the impossibility of putting in the crossing. Also to tell him that he could get a sidewalk on his side of the street by applying under the frontage improvement by-law.

City Engineer Loutet reported on the progress being made on the repairing of the waterworks road. He also submitted a profile of the work being carried on jointly under supervision of the two engineers. The work would cost $350, and it was expected to have the repairs made and bridge built in about two weeks.

Mr. J. P. Fell's plan for the sub-division of district lot 552, as submitted to the council at their last meeting, was passed, having been examined by the engineer and found in order.

A resolution from the district council regarding the regulation of the Lynn Valley telephone line operated by the city, was read, and upon the unanimous decision of the council it was filed.

A report of the board of works recommending the acceptance of Mr. Fell's offer of a park in district lot 552, on the condition that the council build a road to this locality, was adopted, and Mr. Fell's offer accepted with thanks.

Alderman Dick spoke on the advisability of placing a street lamp at the corner of First street and St. George's avenue. It was referred to the fire and light committee.

---

The "Eagles" have opened a charter list for North Vancouver, and candidates may sign their names at the following places: C. Mee, Moodyville: L. Reda, Palace Hotel; B. C. butcher shop, Lonsdale avenue; P. Larson, North Vancouver Hotel; McDowell's drug store; Waldon's hardwrre store, First street; Steacy's, Mc Millan's and Bruce & Dodds' grocery stores. The lodge will be inaugurated early in January. Up to date about thirty-five have signed their names.

Col. C. P. Newbury, who is heavily interested in mining at Jedway, Queen Charlotte Islands, is a guest at the Hotel North Vancouver.

Dr. A. von Gunther, general manager of the Big Passage Copper Mining Company, Knight's Island, Prince William Sound, Alaska, was in this city today.

Extensive alterations are being made at the power house of the B. C. Electric Railway Company. Two 500 K. W. transformers (1,500 horse power) will be installed. A large air fan will also be put in to keep the machinery at a proper temperature.

St. John's Branch of the Women's Auxiliary (Anglican), held s very successful sale of work and high tea yesterday afternoon and evening. Hardy & Stoney's store on Lonsdale avenue was the place in which the affair was held, and their windows presented a gay appearance, when the numerous useful and fancy articles were therein displayed. Tea was served from 6 to 8 p. m. The raceipts were $170, which says much for those having the affair in hand.

Invite all your friends to Christmas dinner, so there will be plenty to laugh at the man who carves the turkey.

The "Lounge," Lonsdale ave., opposite the City Hall, is distributing one of the neatest calendars of the year. Mr. Warlow, the proprietor, has certainly made a hit. The calendar contains four leaves with handsomely colored views of Vancouver and surroundings, and should make many friends for the new pool and billiard rooms. We extend our thanks.

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall;
Humpty turned in his resignation,
A victim of investigation.

A Vancouver teamster went to sleep the other day and fell off his wagon. If it had been a wafer wagon, now—

About half past four yesterday an attempt was made to hold up Mrs. Stevens, wife of Capt. Stevens, as she was returning to her home at Moodyville. A man stepped up to her just at the place where the little girl was some time ago lured from the pathway to her death, and seized hold of her by the shoulders without speaking. "Go away, you scoundrel," she cried and wrenched herself away by a powerful effort. The man offered no more violence, but ran away with all speed. Detective Munro and Provincial Constable Smith went across the Inlet to investigate, but could get no trace of the man although they remained until the last ferry returned. Mrs. Stevens says she could identify the man who stopped her if she saw him again.

A very pretty wedding took place on the morning of Wednesday, Dec. 11, between John Thomas Derice and Gertrude Sybel Smith at the home of the bridegroom's parents, at Victoria Park, North Vancouver. The bride was attended by her sister, Miss Smith of Vancouver, and Mr. A. Ronald acted as groomsmen. The happy couple took the noon boat for Seattle and on their retura in the course of a week or two will be at home to their friends in the second house on Keith road, Victoria Park east. The popular young couple have the hearty good wishes of many friends in North Vancouver and across the Inlet. Rev. B. H. Balderston, B. A., was the officiating clergyman.

Figures proclaim the fact of the phenomenal growth of this city in the last few years.

The city voters' list as completed for the year 1908, shows a total of 1650 ratepayers and last year's list in the district was between 1100 and 1200 voters. Coupled there are today nearly 3000 voters in the city and district of North Vancouver.

Compared with previous years the figures themselves tell the tale of the enterprise and wonderful growth of the two corporations that has transpired in the last few years. In 1902, before incorporation, when the district and city were one, the list showed a total of 484 names; in 1900, 250, and in 1897, about ten years ago, only 153 ratepayers' names were registered on the voters list for that year.

The North Vancouver Hardware company, capitalized at $50,000, will open shortly in the double store in the new Mahon, McFarland and Mahon block on Lonsdale avenue.

The spacious floor area will be occupied by everything in the hardware line, including shelf and heavy hardware such as contractors' and loggers' supplies, electrical goods, house furnishings including tinware and ranges, electrical goods, paints, etc.

Considerable local capital is invested in the undertaking, but the larger interests are held by Mr. Campbell and Mr. Rannie, of Ironside, Rannie & Campbell. J. W. Jackson is named as the manager of the new concern.

## ANTI-ASIATIC LEAGUE.

The Asiatic Exclusion league meeting held in North Vancouver on Wednesday evening was evidence of the sincere interest that is being taken throughout the province in this question.

Mayor Kealy presided and opened the meeting with a few remarks, touching on the actions of Lieutenant-Governor Dunsmuir in connection with his agreement for the importation of a large number of Orientals as laborers in his collieries. Mr. Kealy also spoke of the continued influx of Hindoos, and later endorsed another speaker's stand, that it was a workingman's problem, not only in this province but throughout the whole Dominion.

Gordon Grant followed Mayor Kealy. Mr. Grant referred repeatedly to Sir Wilfrid Laurier's recent speech and the attitude taken by Sir Wilfrid on the Oriental question as it affected Canada, particularly British Columbia. Mr. Grant stated he was a native son and had always been a Liberal, but he considered that Sir Wilfrid Laurier's stand on this question was in violation of the principles of Liberalism. He referred to the treaty with Japan which regulated the number of immigrants to 480. This, Mr. Grant said, had been broken in the first instance and that it seemed as if the powers that be were bending their knees to Tokio for a solution of this problem instead of taking the business in hand in this country, as Australia had done and as was allowed by the colonial office in the case of South Africa's demands for Oriental exclusion. Mr. Grant took exception to Sir Wilfrid's excuse regarding trade relations between Japan and Canada, that it was necessary to give that country every concession possible to encourage trade, and he further stated since these elaborate concessions were being made trade had fallen off about 10 per cent.

Mr. Grant stated on behalf of the league that there were at present over 800 members and that there were leagues forming in nearly every city and town in the province.

Geo. J. P. Phillippo, president of the North Vancouver branch of the league, spoke of the pioneers of this country, who came here at the beginning and did all the opening up and developing that now exist, and he thought the fruit of these labors should not be allowed to fall in the hands of Orientals. Mr. Phillippo thought the Natal act was a necessary step to be taken at once. He also considered that when Commissioner King submitted his findings to Ottawa they then would surely understand the seriousness of the question here. He drew attention to the dangerous competitors these Japanese were to the white men and the seeming preference of the mills and large corporations for this cheaper class of labor. Mr. Phillippo drew attention to the Fraser river fisheries which were now practically controlled by the Japs, and the shipping in of dog salmon that was going on from this source without the slightest revenue to Canada. He further stated that he considered that the railway companies and Manufactorers association was largely responsible for the present situation. Mr. Phillippo concluded with the remark that it was not a political matter but a universal question to be fought by all parties alike.

S. J. Gothard opened with a censuring of the Daily Province for its misconstruction of his remarks at a recent meeting. Mr. Gothard spoke well of the commissioner's work of inquiry carried on in Vancouver recently. He stated that in the findings of the inquiry it was found that two large corporations were mixed up in the influx, namely, the C. P. R. and James Dunsmuir. He stated that the white sectionmen were being replaced by Japs along the line of the C. P. R. Mr. Gothard continued that it was not so much a question that would affect the present generation but would in the course of a very few years develop into such proportions that the problem would then be more difficult to solve, and it would be impossible for a white man to live in this section of the country at all. He also drew attention to vegetable Chinaman and the dangers to which they exposed the consumer of their products. Mr. Gothard believed there were from 3000 to 4000 unemployed men in the city today, and that the whole community should pull together in peacably moving the Orientals out. In closing, Mr. Gothard stated that the league was putting up a full ticket at the next civic elections in the city of Vancouver and that they expected to carry with a handsome majority.

Alderman Jordan was next called and stated in substance that it was in the people's hands to oust the Orientals. He was informed that about 99 per cent of the voters in the province were included in the working class as against capital and upon this fact outlined a scheme for the solution of the question. In the first place he stated the unions should be kept up but that the bosses should be dispensed with. These, he thought, were the men making large and easy money at the expense of the workers. Ald. Jordan then outlined that the vast union of all classes of working should demand the support of the merchant. Having that the merchants could in their turn require the railroads to exclude the Oriental from their employ and in the event of the railway company not agreeing to such a proposition the merchant then would have it in his power to transfer the freight transportation. This, Dr. Jordan thought, would have the effect of bringing the railroads into line. Having accomplished that, mills and mines and other large institutions dependent on railroads for shipping could be brought over until the whole, including labor and capital, would be brought to the successful issue of exclusion.

John Duval spoke at length and referred to himself and a committee having to cope with this same question twenty years ago. Mr. Duval endorsed the previous speaker's statements, emphasizing the stand that Australia had taken. He spoke in strong terms of the necessity for quick action and the danger delay meant in this matter. He thought the working class of the whole Dominion should join forces and strive for a satisfactory settlement.

D. G. Dick said he was an exclusionist through and through, and he did not see why British Columbia, the gem of the Dominion, should be robbed from her legitimate owners. Mr. Dick referred to the negro situation in the Southern States as being similar to the state of affairs here. He stated that they were brought in for cheap labor purposes, but that now they were multiplying to such an extent that they were becoming dangerous. Mr. Dick advocated sending lobbyists to Ottawa to keep in touch with what was transpiring and offered to start the list with $20 to further this scheme.

Geo. Bartley spoke briefly.

R. H. Bryce gave his experience of several years contact with the Orientals in their own country. He also outlined the steps taken by the Australian government to exclude these people. He stated that at that time in Australia every article manufactured by a Chinaman had to be so marked in a prominent place on the article. The Natal act was also put in force there, he said, and besides, only one Chinaman to every ton of a ship's tonnage was allowed to enter. Mr. Bryce further stated that the white man has no privilege in the Orient, and he thought Canada was only getting the cooley now but shortly she would get the better and most dangerous class.

R. D. Ruchesson made a few closing remarks, endorsing the views voiced by the speakers of the evening and making an earnest appeal for both moral and financial support.

Several new members were added to the list at the close of the meeting.

## Licence Commissioners.

The board of license commissoners met in the city hall Wednesday afternoon. Three applications for bottle liquor licenses were read. The applicants were W. R. Smith and C. R. Hickman, of North Vancouver, and Wells Bros., of Vancouver.

As none of these applications fulfilled the required fourteen days notice to the board they could not be considered. The board meets again in January, when these applications will probably come up again in proper form.

Renewals were granted to P. Larson of the Hotel North Vancouver, and L. Reda of the Palace hotel.

This completed the business of the meeting.

There were present Mayor Kealy, A. R. Steacy and Alderman Jordan.

---

Mayor Kealy is making extensive improvements to his residence on Wolffsohn avenue and when completed will present an imposing edifice. Mr. Kealy is having a complete storey erected on the present structure which will add largely to the inside capacity and will also be an improvement from an architectural point of view.

## CITY COUNCIL

Alderman Jordon occupied the chair in the absence of Mayor Kealy at the regular meeting of the city council in the city hall Monday night. There were present Aldermen Dick, Emery, Crickmay and Smith.

A. Philip, clerk of the district municipality, wrote advising that his council had adopted the resolution passed by the city council and the reports of the engineers regarding the repairing of the waterworks pipeline road. The expense was recommended to be borne equally between the two councils The letter was referred to the waterworks committee.

A letter from the district in relation to a resolution passed recently by the city council regarding the telephone poles and line on Lynn Valley road was read.

The district, while welcoming the city's efforts in submitting a scheme to solve the difficulty in this district council, were not entirely satisfied with the city's resolution and in consequence submitted a resolution to the city which they asked the city to re-submit, and which stated in substance that considering that the city had obtained a temporary privilege to erect poles on said road the city should in the event of the poles in any way interferring with any enlargement of the road, upon three months notice remove them. Also, that the city should be liable for any damage caused by said pole line, and that in the event of the district or any other company erecting a line along the Lynn road the city would, where possible, use the new line. It was moved that the matter be laid on the table till next meeting.

J. Kirkland wrote asking permission to cut and carry away any cordwood on Twenty-first street for 300 yards more or less east of the plank road. Permission was granted.

Jas. P. Fell wrote enclosing plans of lot 14, block 10, D. L. 265, and lot 14, block 3, D. L. 265, showing corners cut off to avoid jog.

Mr. Fell's plans outlined in colors the portion which was intended for roads. The letter also stated that the cost of surveying, etc., necessary for the deed would amount to about $25, and he thought the city should bear the expense.

It was resolved that the plans be submitted to the engineer.

Alderman Emery gave notice of motion to introduce a bylaw at next meeting for the subdividing the city into wards.

A recommendation of the board of works regarding a change in the road in D. L. 552 and the engineer's report in connection with this change was laid over till next meeting.

The meeting then adjourned.

---

Among the candidates for fire chief, which position is now vacant, is Mr. Alex Davidson, of the staff of The Express.

Work is to be started on the Horne block, corner of Lonsdale avenue and the Esplanade, before Christmas.

Mrs. (Rev.) G. E. Hartwell, who recently arrived here from China where she has been engaged in missionary work, was to have given an address at the meeting of the Women's Missionary Auxiliary in Wesley Methodist church this afternoon. Owing to the death of her little son, however, she was unable to be present. Much sympathy is felt with Mrs. Hartwell, who has only been in the city for a short time.

The third anniversary of North Vancouver St. Andrew's Presbyterian church was celebrated yesterday, Sunday, in the church here.

The morning service was conducted by Rev. R. J. Wilson of St. Andrew's church, Vancouver, and in the evening the Rev. A. J. MacGillivray of St. John's church, Vancouver, officiated.

A large attendance was present at both services.

On Tuesday afternoon, Dec. 10, under the auspices of the Ladies' Aid society, the annual sale of work will be held and in the evening a splendid program has been arranged, following which the congregational supper will be served.

Col. Tracy has commenced operations surveying that portion of the district's land which the district propose selling on Dec. 17.

Part of the outfit under the supervision of Mr. Keller went out on Saturday to open up a camp.

Service at 11 o'clock a. m. in the Orange hall; Sunday school at the close of the service.
Pastor: Rev. David Long.
All are welcome.

## Athaletic Club

At the special meeting of the North Vancouver Athletic club held Tuesday evening, at which President McKenzie presided, the question of securing new premises was discussed. The committee appointed at the last meeting to look into the matter and report on their findings had only one offer sufficient in their opinion to put before the meeting.

The proposition was from Mr. P. Larson, who offered his pavilion to the club for $20 per month and an equal division of the proceeds of all entertainments that were held in the hall during the life of this arrangement.

This offer, after some discussion, was unanimously accepted and a committee appointed to arrange an agreement with Mr. Larson was nominated. It was decided to hold the next general meeting on December 29, when final negotiations would be considered and closed for the opening of the new premises and gymnasium on the first of the year. It was also a condition of Mr. Larson's offer that the members should have free use of the bowling alley at any time.

B. Campbell gave notice that he would bring up a motion at the next meeting whereby the payment of dues should be made quarterly in advance instead of monthly.

## Contract Let

The B. C. Electric Railway Company has let the contract for clearing and seeding five acres of their park on 19th street.

These enterprising developments mean much for the city in many ways.

The conditions of the contract stipulate that the grounds are to be cleared, leveled, given a coat of bone dust, and seeded down. They will, when completed, present an excellent recreation area which will be an inducement and suitable to accommodate any event whatever.

At present there is a large grand stand on the grounds which is under the control of the North Vancouver Athletic Club. The question is discused whether it would not be advisable for the athletic association to transfer their interests in this building to the Electric Railway company and allow that company to enlarge and improve the grandstand in keeping with the grounds. The company would then maintain the park in first class order and possibly make satisfactory arrangements with the club for any any event they wished to pull off.

THE EXPRESS
North Vancouver, B. C.
A Weekly Newspaper. Published by
THE EXPRESS PRINTING COMPANY
Subscription, $1.00
United States and Foreign, $1.50
Strictly in Advance

Of late there has been considerable blasting going on in the district. THE EXPRESS realizes the importance of this work. While there are numbers who contemplate building residences, yet objection is taken to this promiscuous firing into the air of huge stumps, especially in the close proximity to already erected buildings. We would suggest to the municipal council of North Vancouver that it should take cognizance of these facts, and notify owners of adjoining property that the objectionable timber contained thereon should be removed, not by the use of dynamite, but by the process of grubbing. If they do not get notification of this kind they must get the stumps out without the use of powder, which, to say the least, is the most expensive way. We hope that the council will take into its most careful consideration this very important matter.

## Bank of Vancouver.

Elsewhere in this issue will be found an advertisement announcing the fact that a new bank is shortly to be established at Vancouver.

Hitherto, and especially at the present time, the capital of eastern governed institutions, as well as the large monetary resources of the west (deposited with these ininstitutions) have naturally been at the disposal of the east. Western enterprise and progress has been undeniably hampered through the want of a Pacific coast directorate, who have lived and are living in the centre of western industries. Such a directorate can only be satisfactorily conceived in an institution with the objects of the new bank. Owing to the extreme difficulty in obtaining advances for even ordinary commercial business, the present is deemed the most opportune time for the organization of a strong financial institution especially devoted to the productive development of the western maritime provinces. It is an undoubted fact that the present tightness in the money market would not exist if the wealth of the west were used more freely within it, instead of being so freely transmitted to eastern points and thence to New York, where the financial pressure has been, and still is acute.

The policy of the new bank should bring about an immediate change for the better in all conditions of commerce and business generally, and should ensure the hearty support of all who have western interests at heart for the new bank.

City Clerk Shepherd has prepared and posted at the City Hall and Lonsdale Avenue Wharf the Voters' List for 1908. Electors would be well advised to scrutinize the list and see that their names appear thereon. Any elector finding that his or her name has been improperly omitted from the list should make application to the Clerk to have it placed thereon.

## REVISION OF VOTERS' LIST

CORPORATION OF THE CITY OF NORTH VANCOUVER

NOTICE IT HEREBY GIVEN THAT on Saturday, the 21st day of December, at the hour of 2 o'clock in the afternoon, within the City Hall, North Vancouver, B.C., a Court of Revision will sit for the purpose of hearing and determining any and all applications to have any name or names struck off or placed on the Voters' List for the City of North Vancouver, 1908.

THOMAS SHEPHERD,
City Clerk.

City Hall, North Vancouver, B. C., December 6th, 1907.

# THE
# BANK OF VANCOUVER

(To be Incorporated by Act of Parliament of Canada.)

CHARTER APPLIED FOR

CAPITAL, 2,000,000.00

This proposed Bank is being organized and will have its head office in Vancouver, with its Directors chosen by the subscribers to its stock at the organization meeting.

GENERAL

The Western Provinces, and British Columbia in Particular, have for some considerable time felt the urgent need of an institution such as the proposed Bank of Vancouver. The formation of new industries, and the development of those already established, has been very seriously retarded for want of ordinary financial accommodation, and the primary object of this new Bank will be to alleviate the situation by largely confining its operations to the splendid field awaiting it in the Pacific Coast provinces and more especially in British Columbia.

The Bank proposes to do business on the Safe and well laid down lines of the old established Banks, and will earn their respect and good will by a continuation of this policy.

The Bank of Montreal has its Head Office in Montreal.
The Bank of Toronto has its Head Office in Toronto.
The Bank of Ottawa has its Head Office in Ottawa.
The Bank of Hamilton has its Head Office in Hamilton.

The standing of these Banks is beyond question.

| | Par Value of Stock Per Share | Present Value Per Share | Rest Account or Undivided Profits |
|---|---|---|---|
| The Bank of Montreal | $100.00 | $260.00 | $11,000,000.00 |
| The Bank of Toronto | 100.00 | 235.00 | 4,500,000.00 |
| The Bank of Ottawa | 100.00 | 226.00 | 3,000,000.00 |
| The Bank of Hamilton | 100.00 | 217.00 | 2,500,000.00 |

The above Banks while doing a General Banking Business throughout the Dominion, each aims at fostering and developing business and trade Specially in their Respective Cities and Districts.

The Bank of Vancouver will aim to do the same, that is, to encourage and promote legitimate business in British Columbia Particularly.

The Capital asked for is $2,000,000.00 in 20,000 Shares of $100.00 each. The first $500,000.00 of Stock is offered the Public at a premium of 10%, that is, $110.00 per share. Payments can be made in full or on the instalment plan. Interest will be allowed at 3% per annum upon the par value of the stock paid in until organization.

The Provincial Directors, when appointed, will reserve the right to increase the premium upon the remainder of the stock, also to allot or reject any subscription in whole or in part.

For all further particulars apply to the Imperial Trust Co., Ltd. Vancouver, B.C.,; Kingsford Smith & Co., 860 Granville St., Vancouver, B. C.,; Campion & Pound, Fairfield Building, Vancouver, B. C.,; Brett & Greer, Yates St., Victoria, B. C.,; L. U. Conyers & Co., Victoria, B. C.,; or E. C. B. Bagshawe, Victoria, B. C.

All communications and remittances, etc., should be mailed to—

THE ACTING SECRETARY,
P O. BOX 890,
VANCOUVER, B. C.

NOTICE IS HEREBY GIVEN, FOR the information of intending settlers and others, that selection has been made of the 3,500,000 acres of land situated in the Peace River Valley, Province of British Columbia, granted to the Dominion Government under the provisions of Section 7, of "An Act relating to the Island Railway, the Graving Dock and Railway Lands of the Province," and such land is not open to entry under the Land Laws of the Province.

The block selected is described as follows: Commencing at a point 33½ miles south of the Peace River, on the 120th Meridian, being the Eastern boundary of the Province, thence West 75 miles and 38.64 chains, thence North 72 miles and 35.03 chains, thence East 75 miles and 38.64 chains, thence South to the point of commencement, following the 120th Meridian, and containing approximately 3,500,000 acres.

Notice is Also Given that, with a view to facilitating settlement in the Valleys of the Peace, Parsnip and Pack Rivers, the following belt of land forty miles in width, and extending 20 miles on each side of the Peace, Parsnip and Pack Rivers has been reserved for actual settlers, to be acquired by pre-emption only under the Land Act, such land not being open for sale, lease, license or other alienation under the said Act except by pre-emption.

Commencing at the intersection of the Western boundary of the block of land selected by the Dominion Government with the Peace River, thence following the Peace River and Parsnip River to their confluence with the Pack River, and thence following the Pack River to the point where said Pack River leaves McLeod Lake, and extending for a distance of 20 miles on each side of said Rivers and approximately 170 miles in length.

All lands outside the boundaries of the Dominion Government Grant and the reserve above described are open for location under the laws of the Province.

W. J. BOWSER,
Acting Chief Commissioner of Lands and Works.

Lands and Works Department,
Victoria, September 13th, 1907.

# CITY AND COUNTRY

Mr. A. B. Diplock has returned from New York.

Mr. T. Benson, Rossland, B. C., is a guest at the Palace Hotel this week.

*The Eagles give an "At Home"* on Wednesday, December 18th, in O'Brien Hall, Homer street, Vancouver. Ladies will be the Eagles Friends Club.

The Young Peoples Club of St. Andrew's Church will meet on Thursday evening next instead of Tuesday evening, which is the usual meeting night. On Thursday evening Dr. Fraser will be present and address the meeting. The subject of the address will be "Love, Courtship and Marriage." The meeting is open and all are welcome.

The Moodyville Gun Club will have a shoot on Christmas Day, as this is the second shoot of the series, a grand sport is expected. The Leggett trap will be used.

Mrs. Alex Philip, Second street, and her daughter Muriel, arrived home from Scotland on Monday last. They crossed the Atlantic in the Lake Manitoba and had a very stormy passage, lasting fourteen days. They encountered the storm that wrecked the Mount Temple, and were driven a considerable distance out of their regular course. The Manitoba is a large and very comfortable steamer, and the passengers were not seriously disturbed either by the storm or the delay. The travellers were glad to reach North Vancouver after an absence of four and one half months.

Accompanying Mrs. Philip on her return from Scotland was Miss Violet Wright, daughter of Mr. Samuel Wright, of Dundee, who came out to this province to be married to Mr. Richard Simpson, son of Mr. James Simpson, seedsman and nurseryman of Dundee. The happy event was celebrated at Mr. Philip's house, on Second street, this afternoon. Rev. J. D. Gillam, M. A., of St. Andrew's church, officiated. Miss Lillian Simpson, sister of the bridegroom, acted as bridesmaid, and Mr. S. Wright, carpenter, from Prince Rupert, brother of the bride, acted as groomsman. Mr. Philip gave away the bride. After the ceremony the happy party formed in group and an excellent photograph of them was taken by Mr. Bagley, photographer. Thereafter the party sat down to a social high tea spread by Mrs. Philip for the happy occasion. Mr. and Mrs. Simpson will make their home in Vancouver City, where Mr. Simpson is to engage in the nursery business.

Mr. L. Reda, of the Palace Hotel, is able to be around again after a few days sickness.

Alfred Belcourt and Edward Belmont came up for a preliminary hearing before His Worship Mayor Kealy this morning on a charge of uttering counterfeit coin and depositing same in slot machines. Lawyer R. K. Walkem appeared for the defence and A. W. V. Innes for the prosecution. The evidence went to show that the prisoners on the 11th instant were alleged to have dropped spurious coin in the said machines. The witnesses for the prosecution were Wm. Walmsley, A. L. Davidson, Henry C. Larson, P. Larson and Chief Davis. His Worship sent the accused up for trial at the spring assizes.

On May 25th, next year, Chiefs Joe Capilano, Chilmapulk and Basil Bonaparte will go to Ottawa to wait on the government as the duly elected representatives of the indians of this province, and present Premier Laurier with a list of grievances. On May 24th all the Indian people, accompanied by a number of chiefs, will assemble here from all parts of the province and celebrate Victoria day by holding all kinds of field and aquatic sports. In the evening, prior to the departure of the delegates, a band concert and fireworks will be held.

## NOTICE TO CONTRACTORS

SEALED TENDERS, superscribed "Tender for School House," will be received by the Hon. the Chief Commissioner up to noon of Monday, the 16th December, 1907, for the erection and completion of a large one-room frame school house at Lynn Valley, North Vancouver, Richmond Electorial District.

Plans, specifications, contract and forms of tender may be seen on and after the 6th day of December, 1907, at the offices of the Timber Inspector, Vancouver, of J. Z. McNaught, Esq., Secretary of the School Board, North Vancouver, and at the Lands and Works Department, Victoria, B. C.

Each proposal most be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honorable the Chief Commissioner for a sum equivalent to ten per cent. of the amount of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract

Tenders will not be considered unless made out on forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest of any tender not necessarily accepted.

F. G. GAMBLE,
Public Works Engineer.

Lands and Works Department, Victoria, B. C., 4th December, 1907.
