 VICTORIA, B. C.

VOLUME 5.

NORTH VANCOUVER, B. C., FRIDAY, DECEMBER 6, 1907.

CITY COUNCIL

The regular meeting of the city council was held in the city hall on Thursday evening. His Worship Mayor Kealy presided and all the aldermen were present.

J. T. Begg wrote petitioning for the opening of a wagon road across the swamp on Tenth street, between Ridgeway avenue and Moody avenue. Mr. Begg stated he was about to build a six-roomed house in that locality which necessitated the opening of a road, and being a stranger he could not comply with the frontage improvement bylaw. It was referred to the board of works to report on the cost of this work.

W. B. Bunbury, local manager of the B. C. Electric Railway company, wrote enclosing a bill for damages to the company's track on Keith road, owing to the fact that all the water on that street was being diverted by the city's workmen into the company's ditches, which necessitated them keeping men at work constantly to guard against a repetition of last year's washout. It was referred to the board of works to bring in a recommendation.

Tenders were opened for supplying six cords of wood to the city. Mr. J. A. McNichols' tender, being the lowest, was accepted.

DISTRICT COUNCIL

A special meeting of the district council was held in the municipal hall Friday evening. The reverend and all the councillors were present.

G. H. Dawson wrote submitting a plan of subdivision of 120 acres of D. L. 763 owned by A. Williams. Referred to the engineer.

R. C. McDonald wrote stating that he had been advised by Chief Jim Harry, of Seymour Creek, that the district was taking out two large sticks, about 80 feet long, off the reserve, valued at about \$10 each.

Mr. McDonald asked for an explanation of this. It was referred to the clerk to adjust.

C. J. Fagan, secretary of the provincial board of health, wrote asking for a copy of the health bylaw of the municipality.

The clerk was instructed to notify Dr. Fagan that the district was operating under the provincial health law.

A delegation from the Tourist and Settlers committee of the board of trade met the council in regard to the proposed sale of land in the district. The delegation offered some suggestions whereby settlers could be encouraged instead of speculators. It was pointed out that the recent sale of land in the district did not have the necessary effect in the way of bringing settlers and the committee thought some stipulations should be made in the agreements of sale that would have the effect of requiring certain improvements being made by the purchaser before a deed of the land was given.

The council stated that the matter had been finally settled at the ratepayers meeting held some time ago, at which meeting no suggestions of this kind had been volunteered by any of those present.

Reeve May on behalf of his council, thanked the delegation for their suggestions and stated his council would consider them as far as it was in their power at the present time.

Mr. Rankin, auctioneer, was present and arrangements were completed for the sale of land. The date was fixed for Dec. 17 and the terms to be one-third cash, the balance in one and two years at 6 per cent. interest.

Engineer Cameron reported a slide on the pipe line road. He stated that about 30 feet of the city's water main was washed out and that their workmen were at work repairing the damage.

The council then went into committee.

Two cases of drunk and incapable came up before His Worship Magistrate Kealy Monday.

The first one called was that of Frank Guenther, who was not present, and his bail of \$10 went to swell the city's bank account.

David Best answered the call and it being his first offence a fine of \$5 and costs or ten days in solitude was imposed.

The Pipe Line.

The regular meeting of the city council met Monday evening, Mayor Kealy presided and all the aldermen were present.

A report was read from W. Loutit, city engineer, advising the occurrence of a land slide on the waterworks pipe line, which did considerable damage to the road and washed away about 29 feet of pipe.

The district council, reported Mr. Loutit, had made a proposition through their engineer, that the cost of this work be borne equally between the two corporations, which proposal both engineers recommended. The estimated total cost would be in the neighborhood of \$350. This was referred to the water committee and it was resolved that the city engineer be instructed to commence the work in conjunction with the district engineer.

T. Shepherd, city clerk, reported that the assessment had been completed and it was moved that the court of revision be held at 2 o'clock on January 6, to consider any complaints.

Aldermen Dick and Irwin were nominated to sit at the court of revision of the voters' list. Aldermen Crickmay, Smith, Dick and Emery were appointed to act with the mayor at the court of revision of the assessment roll.

L. T. B.

The Loyal True Blues association, a mixed lodge, consisting of both ladies and gentlemen, was organized in the city last evening. The meeting was held in the Orange hall and Mr. J. Irwin, of Vancouver, presided and conducted the organizing ceremonies. The principal object of the new lodge is the caring for orphans. Fifteen applications were received and the following officers were elected: Mrs. Geo. Duff, Grand Mistress; Mr. G. Duff, Grand Deputy; H. Tweed, chaplain; R. Renshaw, director of ceremonies; R. Philip, conductor and Percy King, secretary. The new lodge was appropriately named Mount Crown Lodge, No. 256.

Narrow Escape

A Chinaman had a narrow escape from drowning at the wharf on Friday about noon.

The Str. St. George was coming in and when it struck the dock the Chinaman, who was standing close to the edge, was jarred off his balance and precipitated into the water. He was immediately rescued before sustaining any injuries from contact with the propeller of the boat.

The Mayoralty.

Mayor Kealy announces that he will again be a candidate for the mayoralty of North Vancouver. Personally, he had been desirous of retiring from municipal politics, but he has been forced to give way to the pressure of prominent citizens. The argument most strongly placed before him was that many matters inaugurated during his regime were not yet completed, and they urge that it is his duty to remain in office till these matters are wound up. In view of Mayor Kealy again being in the field, Ald. Jordan will not be a candidate. Ald. Jordan states that he had no intention of running unless Mayor Kealy persisted in his intention of retiring.

Ex-Ald. Morden is spoken of, but he has not yet made any announcement.

The official announcement was made this morning that \$147,000 worth of North Vancouver debentures had been disposed of in London at par. The sale was made through the Bank of M. N. A. These are 50-year debentures, bearing 5 per cent. interest.

Con. Jones, a well-known sport of Vancouver, has leased the new Horne block just north of the city hall for a term of years. Mr. Jones' faith in this city seems to be well founded from the extensive fittings in the billiards and pool and cigar line, that he is installing. His investments in this manner will amount to approximately \$5000. In addition, he is negotiating for some business property close in with a view possibly of other business ventures.

Ritchie Wins.

When Referee Leroy stopped the bout between Bob Ritchie and Driver Miller in the fifth round of a scheduled ten-round bout at Larson's Pavilion, Wednesday evening, because Miller's left eye was closed and blood was streaming down his face, there was a howl of dissatisfaction from a number of spectators gathered at the ringside. In the opinion of the writer, Referee Leroy was quite justified in his action. While the betting fraternity was unquestionably responsible for the adverse criticism heaped on Referee Leroy, it was partly in the interests of the sport that he stopped the bout and gave the decision to Ritchie. On points the latter clearly demonstrated his superiority over Miller, and while he did not appear to possess the punch, had the best of the argument at the time when Referee Leroy stepped between the men and declared Ritchie the winner.

It was one of the fastest exhibitions witnessed here for some time. For four rounds it was fast milling, both men mixing matters at every opportunity. Ritchie had a decided advantage in cleverness and lost no chances to get in blows. On the other hand, while Miller landed a few heavy blows, he was slow in closing in and failed to land any of his swings.

Following the big event, Barnett and Rafferty boxed four spirited rounds to a draw, while Hannay and Prouse also boxed a couple of rounds. A large crowd witnessed the bouts.

Mr. L. A. Leroy, sporting editor of the *Province*, refereed the bouts, while Mr. A. P. Garvey, sporting editor of the *News-Advertiser*, and Mr. J. H. Duder held the watches.

After the bout, Miller and Ritchie posted \$20 each with the sporting editor of the *News-Advertiser*, as a forfeit. The men expressed a desire to box fifteen rounds for a side bet of \$200, and the money has been posted as a guarantee of good faith. It is expected that the bout will be pulled off shortly.

Dannie's Fish Yarn

J. S. Seymour Dannie Mee,
 Went to Seymour creek to see
 A little coho salmon red,
 He caught a cold and went to bed.
 Now Dannie being very wise,
 Thought he'd bring home a great surprise,
 Came running home like a jumping-jack,
 With a great big ugly old hump-back.
 He got quite breathless at the door,
 And flung the salmon on the floor,
 And called his mother for to see,
 What a great fisherman he be.
 He stood there gazing at the fish,
 And laid it on a great big dish,
 His mother, later in the day,
 Flung the old hump-back in the bay
 And Seymour said that he could see
 His hump-back do a twenty-three.

Car Track Washout

A complaint of local Manager Bunbury of the B. C. Electric Railway Co., to the city council on Thursday regarding the danger of a washout on Keith road, in consequence of the city ditches being diverted into the company's ditch alongside the track, was verified last evening when a sudden rush of water undermined the tracks for about 10 feet at a point nearly opposite the convent.

The trouble was noticed last evening at about 6 o'clock, after which time the cars did not pass over the place till this morning when the necessary repairs were completed.

The Indian Mission

Concerning the North Vancouver Indian School and Mission, which is situated at the southwest of the city. It commands one of the best views of the city. The magnificent bay seems to show purposely its beauty before the admiring eyes of the tourists, who, on Sundays, flock around the mission school.

It was founded about nine years ago by the Right Reverend Bishop Durien, first R. C. bishop of North Vancouver. It is to-day, under the able management of the sisters of the institution, who spare no pains to promote the intellectual and corporeal well-being of the children, who number between 60 and 70 boys and girls. These young people have acquired the reputation of being the sweetest singers in British Columbia. The mission comprises several reserves along the inlet, and the Squamish river is under the care of a priest coming to North Vancouver twice a week. About 300 Indians attend to the religious instruction with great satisfaction. The Right Rev. Bishop Durien was one of the first to preach to convert and civilize them. Under his management the church was built, and after a meeting house when the village took the present aspect with street and sidewalks. It must be said that the first sidewalk in North Vancouver was built by the Indians. All these constructions were built by the work and money of the Indians, the church and the government not spending a cent for the purpose. To-day the Squamish tribe numbers about 400 Indians.

A Nautical Apology

The venerable and only Captain Stevens, of Moodyville, who has learned to navigate a bicycle when he is in port, was working a rapid passage the other day, when he collided with a lady cyclist, on Lonsdale avenue, opposite the Bank of British North America. Fortunately however, there was no personal damage; and when they had extricated themselves from the wreck, he anticipated her expected outbursts of anger, from which she could gather little except that he was exceedingly sorry.

"I'm sure as I ought to be scuttled for it, mum," he said apologetically, "but I couldn't get your signals no more'n if we were feeling through a log bank. I was blowin' for you to pass to port, and altered my course accordingly. Just as I was going to dip my pennant an' salute proper, your craft refused to obey her rudder, an' you struck me for'ard. Afore I could reverse, your jib-boom fouled my starboard mizzen riggin,' your mainsail (skirt) snarled up with my bobstay, parted your toppin' lift, an' carried away my spanker down haul. As I listed I tried to jib, but I capsized keel up, an' put you flounderin' in the wreckage."

By this time there was an interested audience, and the lady was mentally debating whether she should run from a supposed lunatic or ask for an interpreter.

A large attendance was present at the special meeting of the North Vancouver Athletic association, held Monday evening. President Melvogue presided. Considerable business was discussed, the most important of which was the question of premises. Numerous schemes were talked over and it was finally decided to appoint a committee to go into the matter. Messrs. A. Askew, Geo. Smith and H. Burns were nominated.

LOCAL BREVITIES.

Mrs. Wise and Mrs. Evans, Mount Pleasant, Vancouver, were visiting friends in this city on Wednesday.

Work has been stopped on the big tug boat, which was being built at Moodyville, for the Hastings mill.

A. Wild has removed from First street to the corner of Fifteenth street and Chesterfield avenue. He does general teaming and deals in cordwood.

Roger Vinetto was again remanded Wednesday on the charge of murdering Clementina Nahu at North Vancouver. It was explained that Mr. A. J. Taylor, crown prosecutor, was engaged on a jury case in Vancouver and it was impossible for him to be present.

Contractor Au Id expects to start work on the proposed new Horne block corner of the Esplanade and Lonsdale avenue, this month.

Miss Pilon, sister to Mrs. Grosse, of Chesterfield avenue, has gone to Vancouver where she will reside in future.

The government boat, built at Wallace shipyards, was launched on Monday morning. It will sail in and around Prince Rupert.

The local exclusion league will meet in Larson's pavilion next Wednesday evening. The mayor will preside, and the public are cordially invited.

Mr. and Mrs. Fugler, of First street east, left yesterday on a three months' trip to the old country.

LOST—A black and white magpie. Reward will be given for its return to Mrs. R. McGinnis, Lynn Valley.

Mr. Stephen McPherson, of Wilson Creek, Wn., and family will make North Vancouver their home, shortly. Mr. McPherson having arrived on Wednesday.

CARD OF THANKS.—The ladies of North Vancouver who solicited subscriptions for the purpose of fixing up the house of Agnes, an old native woman residing at the Mission, wish to take this opportunity to thank those who so generously contributed to the fund, which was so much needed. The house is now all repaired.

Mr. and Mrs. Jas. W. Fugler and family left yesterday for London, Eng., where they will spend the Christmas holidays. Mr. Fugler has been in the country for the past 22 years. He says that he has seen enough of "green" Christmases, and now wants a change. They will be back by springtime.

The other night a little lad came into a barber's shop to get his hair cut. After the man had been cutting his hair about half an hour the lad asked: "How much more have you got to do?" "Only the front," replied the barber. "Well, you had better be sharp, or else it will be growing at the back again."

He (sentimentally): "May I hope to see you pretty soon?" She (jestingly): "I rather think I'm pretty now."

A representative of the Latter Day Saints (religious), was here on Wednesday. He stated that a branch will be established here in the near future.

It is reported that the wharf at the old crab factory will be fixed up and used for the purpose of handling fuel, lime, sand, etc.

Vinetto Committed for Trial

Pursuant to adjournment Magistrate Kealy presided at the police court held this morning in the city hall. Roger C. Vinetto, the negro suspected of murdering Clementina Nahu, after a preliminary hearing, in which Crown Prosecuting Attorney Taylor submitted the evidence, was sent up for trial at the spring assizes.

Samuel Guthrie, sworn, stated that he had met the prisoner on First street, near St. David's, just where the car line turns to the power house, at about 11 a. m. The prisoner asked which way was it to the town. Witness thought that it was Moodyville, and directed to that locality.

Miss Gerchier, sworn, said that she met the deceased on the short road towards Moodyville, about 300 feet eastward from end of sidewalk on First street, at the corner of St. David's avenue, where the car turns. The little girl was standing opposite a huge stump, where a second growth of a tree was sprouted. She was standing with hands folded looking into the woods. She said "hello, little girl! Clementina did not reply, and so I passed on."

Mrs. Bessie McDonald said that she saw the little girl on the sawdust at Moodyville, about 11:30 a. m., near Mr. Mee's house.

Constable John Munroe said that he took part in the search for Clementina Nahu. Her body was found about one block south of the car line. She was lying with her face downwards when I turned her over and found a wound over the left eye, also a club lying on the ground within two feet. She was lying on the cut between two huge saw logs.

John Williams, upon being recalled, said the negro was walking at a fair gait.

Miss Maggie Hamilton saw the negro passing the school house on the hill about 1:30 p. m. She thought that the prisoner was the guilty man.

Chief Arthur Davies said that it was reported to him at 8 p. m. that the child was lost. When the prisoner was arrested he made the statement as presented and read by the prosecutor.

His worship sent the prisoner up for trial.

All those desirous of keeping this a white man's country should make a donation to the Asiatic Exclusive League, a society that has accomplished more in a short time than several other like organizations combined. Lists have been opened at this office, and we will be pleased to receive any moneys donated for the worthy cause.

A meeting of the league will be held in the pavilion on next Wednesday evening at 8 o'clock, when several good orators will speak on the burning question of the hour. Don't forget, and lend your help and encourage by helping. All are welcome.

A Land Slide.

A land slide on the water works pipe line on Thursday afternoon washed out about 30 feet of the large main.

The city gang worked all Thursday night and it is expected that a temporary supply of water will be furnished by noon today. The slide seems to have been rather a serious one and considerable dirt will have to be replaced before the sections of the mains can be properly installed again.

CITY COUNCIL.

A late session of the city council was held last night in the city hall. The principle transacted was the consideration of the liquor license by-law. One of the clauses provides that an hotel must not contain less than 20 rooms. Saloons will not be allowed.

His Worship Mayor Kealy presided, and there were present Aldermen Dick, Irwin, Jordan, Crickmay and Smith, Ald. Emery being absent.

Following letters were received and dealt with:

P. A. Allen wrote regarding installing a septic tank in the rear of lot 28, block 153, district lot 274. Granted.

The Lynn Valley Lumber Company, limited, wrote a letter of thanks re the city's courtesy allowing the company to carry telephone wires upon the poles erected by the city. Filed.

W. B. Bunbury, local manager of the British Columbia Electric Railway company, wrote accepting the terms of the council's proposal to divert the water from the company's ditches on the Keith road to a ditch constructed by the city on the south side of said highway. Filed.

F. Gourdeau, deputy minister of marine and fisheries, Ottawa, forwarding corrected lease of a parcel of tidal land. The mayor and city clerk were authorized to execute the said deed.

James P. Fell wrote offering free 12 acres of land for a public park, on the western boundary of the city in district lot 552, between Sixteenth and Nineteenth streets, to the west of the creek. Also he submitted plans for the subdivision of the eastern half of the district lot 265 and adjoining portion of district lot 552. Referred to committee.

Mr. Ed. Nelson, of Seattle, was a guest at Hotel North Vancouver this week. He is representing a firm of high class decorators, which handle all kinds of big work. Mr. Nelson left for the Queen City yesterday, and will return in January.

City Clerk Thomas Soepherd gives notice that the first sitting of the court of revision, appointed for the purpose of hearing complaints against the assessment for the year 1908, will be held at the city hall on January 6, 1908, at 2 o'clock p. m.

WANTED.—Housework of any kind. Apply to Miss Cottell, the second house past Palace hotel.

One of the best entertainments ever presented to a North Vancouver audience was that of the D. & H. Company last Monday and Tuesday evenings, in Larson's pavilion. It was two entire nights of fun and amusement in the science of hypnotics. Besides, the professor, who is a young man, several well-known residents participated in the amusing stunts. Riley Jennings, North Vancouver's only local colored character, played a part all by himself. The human woodpile and the human bridge were marvelous in the great art of hypnotics. The tremendous freaks and funnisms produced on the stage were not only amusing to the audience but startling and interesting. The show was very clever throughout.

D. Daniels, Toronto, spent a few pleasant hours with friends here on Thursday.

Men are possessed of two great fears—that they will become old, and that they will never live to be old.

WANTED—A store on Lonsdale avenue, also two houses (about seven rooms), close in. Kingsford Smith & Co., 860 Granville street, Vancouver.

At a meeting of the Knights of Pythias in their hall the following officers were elected for the ensuing year: C. C., J. T. Devise; V. C., C. E. Lawson; Prel., W. C. Eiseman; M. of W., F. Wheeler; K. of R. S., H. E. Reid; M. of F., A. F. Gillin; M. of E., A. Davies; M. at A., W. F. Haig; J. G., J. Renshaw; O. G., Geo. Duff.

A ditch has been dug on the south side of Keith road, from Mahon avenue to the ravine near Delbrick avenue.

Tenth street, east of Ridgeway avenue, has been graded to the first house, and a culvert put in.

The water flowing over the school lots on Fourth street, between Chesterfield and Mahon avenues, has been diverted to the new drain.

Studio: Second cottage, South Seventeenth, Lonsdale East.

NOTICE IS HEREBY GIVEN, FOR the information of intending settlers and others, that selection has been made of the 3,500,000 acres of land situated in the Peace River Valley, Province of British Columbia, granted to the Dominion Government under the provisions of Section 7, of "An Act relating to the Island Railway, the Graving Dock and Railway Lands of the Province," and such land is not open to entry under the Land Laws of the Province.

The block selected is described as follows: Commencing at a point 33 1/2 miles south of the Peace River, on the 120th Meridian, being the Eastern boundary of the Province, thence West 75 miles and 38.64 chains, thence North 72 miles and 35.03 chains, thence East 75 miles and 38.64 chains, thence South to the point of commencement, following the 120th Meridian, and containing approximately 3,500,000 acres.

Notice is Also Given that, with a view to facilitating settlement in the Valleys of the Peace, Parsnip and Paek Rivers, the following belt of land forty miles in width, and extending 20 miles on each side of the Peace, Parsnip and Paek Rivers has been reserved for actual settlers, to be acquired by pre-emption only under the Land Act, such land not being open for sale, lease, license or other alienation under the said Act except by pre-emption.

Commencing at the intersection of the Western boundary of the block of land selected by the Dominion Government with the Peace River, thence following the Peace River and Parsnip River to their confluence with the Paek River, and thence following the Paek River to the point where said Paek River leaves McLeod Lake, and extending for a distance of 20 miles on each side of said Rivers and approximately 170 miles in length.

All lands outside the boundaries of the Dominion Government Grant and the reserve above described are open for location under the laws of the Province.
