Betr. Weihnachtsgeschenksendungen.

Unter dem 11. Oktober wird mir wie folgt geschrieben:

"My daughter is studying in Germany for one year.

I would like to send her lingerie for a Xmas gift and am enquiring from you what the duty on such things would be.

I enquired at the Hamilton Customs Office and was referred to you. Naturally I don't want to send things that would cost her a good deal of money for duty. I had thought of satin slips and silk hosery. I also thought of a box of Xmas apples or a Xmas box containing small Xmas cake, short cakes, candied fruit etc.

I would appreciate it if you would advise me.

She is enjoying Germany very much and never tires of telling of the many advantages given to foreign students."

Fuer eine baldige Auskunft zur Beantwortung derartiger Briefe waere ich Ihnen dankbar.
