Dear Sir:-

Probably you could give me what information necessary you ~~need~~ necessary
for the sending of a parcel to Germany.

I had thought of sending a bear skin and a couple of pairs of moccasins
to my home in Germany. Of course these would be a present to my people.
I should like to know what restrictions there are, if any. Also, whether it
would be better to ship as parcel post or express.

Thanking you in advance for any information you may give.

I remain,

there is no restriction given

to give any kind of help you to

not been examined
is duty free.
It would not
make difference
