Als ich meinen Radioapparat einschaltete, sprach Rev. Bruce von "peace that we need, peace in the world", "Mr. Chamberlain .... went seven miles, in his love of peace...."; "but this Dictator ..... er will keinen Frieden, er will Macht, Macht, Macht ....."..."Grossbritannien ist das einzige Land, das den Frieden liebt." Und der Hass in der Welt... in Europa ... nicht hier in Kanada .... "7000 in Germany, because they did not bow, were sent to jail and in Russia, 7000, because the did not bow, were sent to jail!"

Schliesslich sprach er noch von dem fremden europaeischen Einfluss, der in Kanada unterbunden werden muesse.
