It is agreed between the sender of the message on the face of this form and this Company that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any unrepeated message, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the message for transmission.

*Special terms governing the transmission of messages under the classes of messages enumerated below shall apply to messages in each of the respective classes in addition to all the foregoing terms.*

*No employee of the Company shall vary the foregoing.*
