Gentlemen,

We read in today's New York TIMES that the Canadian Government has valued the German mark at 32¢ for duty purposes.

We have a number of customers who buy merchandise in Germany and have it shipped directly to Canada. Therefore, we would like to know the general outline of the Canadian-German trade arrangement. We would appreciate it if you could advise us how the Canadian importer is paying for merchandise which he has purchased in Germany, and is bringing into Canada.

We understand that the old Aski arrangement has been cancelled and substituted by a new agreement.

We are indebted to the German Consulate in this city for your address.

Very truly yours,

A. T. Schildge
