German Consul. ~~Halifax, N.S.~~ *Montreal.*

I am writing to enquire what duty if any as an Exmas gift.

of two pr. of silk stockings. to my daughter who is studying music at a conservatory in Berlin.

And would the same duty apply to used stockings that she neglected to take with her.

I am anxious to pay the duty on this side . so that the parcel would go to her address.

saving her inconvienece over there. and if the duty is not to high for me to bother with could I mail them at P. O. in Stellarton.

I was told to apply to you fer required information.

An early reply would be appreciated.

Enclosed please find stamped envelope for reply.
