Victoria, B. C.

Dear Mr. Watson,-

I enclose herewith a statement, showing the annual pack of the Northern B. C. Fisheries' plants since the time they came into possession of our Company, also a statement of the pack of the Kildala Packing Company since 1909.

This will give you the ten year period which the Writer promised to let you have.

I trust this information will be satisfactory.

With kindest regards, I remain,

Yours sincerely,

Vice President.
