Col. F. H. Cunningham,  
Inspector of Fisheries,  
New Westminster,  
B.C.

Dear Sir:-

I am in receipt of your favor of the 12th advising that application for cannery license on Pearse Island has been granted, and desiring to know that the necessary capital is available for this venture, and in what period the plant will be in operation.

The new cannery will be operated under the name of the Portland Fisheries Limited, a subsidiary company to the Kincolith Fisheries Limited, and will be financed by the latter. Our necessary capital is therefore already provided.

The erection of the plant will be commenced inside of the next thirty days, and I expect that we will be ready to operate by the 1st June next.

Trusting this covers the information you desire, and thanking you for your co-operation in obtaining us this license, I am,

Yours sincerely,
