14th July 1950.

Mr. Donald Bean,
Stanford University Press,
Stanford, Cal.

Dear Sir;-

On the 26th ulto., I wrote Mr. H. S. Cady, Pacific Coast representative of Doubleday & Co, as per copy of letter attached hereto. Mr. Cady replied that my subject matter was too highly specialized for his firm but advised I write you concerning publication and to mention that it was at his suggestion I was doing so.

I would appreciate hearing whether the Stanford University Press would be interested in the matter. If so, I could send my manuscript to you on receipt of your reply. I would like to hear from you as soon as possible as a perusal of my data will indicate there are several reasons why early publication would be highly desirable.

Yours faithfully

HD/P.
