In Bankruptcy

In the matter of Alfred Robertson a Bankrupt.

I William Culverwell of Victoria, Vancouver Island
Official Assignee of the Estate of the above named
Bankrupt make oath and say as follows

1 That I have been informed and have reason and do
believe that Property belonging to the said Bankrupt and
whilst he was an insolvent estate was illegally
transferred to or possession of the same given to
Alfred James Welch and that such property has
by reason of the Bankruptcy of the said Alfred Robertson
become legally vested in his Assignees.

2 I further say that I have been advised and in
my judgment and belief it is desirable in order to
render the said Property available for the benefit of
the Estate of the Bankrupt that summonses should be
issued out of this Honourable Court for and requiring the
attendance of Alfred James Welch William
Perkins and — Payne —————
all of Victoria aforesaid to give evidence on and at the
hearing of the said Bankrupt before this Court at the
next meeting on the sixth day of July next.
