

Indian Quokin alias Ben
being duly sworn said
as follows

I live at Pemberton Thursday
right when I was in led. Jim
Came and shouted for a Canoe. I got up and got the
Canoe and crossed the river for Jim. When I landed
he told me that the Half Way House, and Tom Poole
were burnt, and that he did not stop long; but started
back immediately. When Yieyaw (alias Jim) told the news
he started for his own home.
