Salmon Run BC

Dearest Betty

Went up here at 11:00'clock  
 last night after a long trip.

The bus was 1 1/2 hrs late +  
 I missed my connection so had  
 to come from Hazelton by train.

It was 92 in a store where we  
 had lunch + 120 at Spencer Bridge.

It sure is nice here but I'll write a  
 letter tomorrow + tell you all about it.  
 There are lots of apples; but there aren't any  
 ripe yet. I may be able to find one for you  
 before I come home though. Will see you soon.
