Dear Sister:

Just a few lines to let you know that I am in France now and am feeling fine hoping you are the same I haven't seen Bob yet but I expect to see him soon. I have already met a lot of the boys from home.

It is beginning to rain here again and I hope it will not last long as we will be in mud up to our necks if it does.

There is a lot of Canadian

girls driving red cross cars  
here. I just found out that  
the pay that I signed over to  
you will not take effect until  
inst of Oct. They made a little  
mistake in your name but  
I guess its all wright they  
spelt Margret instead  
Margerite.

My adress is #8906975 W 56 Ave  
10th Batten.

As news is short I will have  
to close. With love and best  
wishes from

Your loving brother

Billy
