My Dear Sister,

I received your parcel the other day and was pleased to get it. It happened that I got it while in the muddy trenches and it sure come in handy. We have had some rotten weather lately and also some hard fighting. I have been lucky so far ~~but I don't know how long it will last.~~

Address: 8206975 Blvd. J. Lojue, 10th, Can. Batta France

Have you got any of the assigned pay yet. I tried to get seperation allowance for mother too but I couldn't on account of Willie being at home.

Don't get discouraged if you don't get much news from me because we are pretty busy and can't write. Write as often as you like and tell me whats going on at home. We can't buy a thing here so all your parcels are greatly appreciated.

How is Willie getting along. Tell him I paged a few Heens about two weeks ago.

Hoping to hear from you soon I am

P.S. I am writing
to thank Mabel
for those socks.

Your sister
W. J. L.
