..Important Announcement..

TO THE REVELSTOKE PUBLIC:

We wish to inform you that we have secured as Foreman of our Plumbing and Heating Department, Mr. Fred Ward, late of Victoria Plumbing Co., Victoria, B. C.

Mr. Ward comes to us with the very best recommendation, having been foreman and manager for the past FIVE YEARS, and has carried out with honor to his firm, and credit to himself many large contracts both in Plumbing and Heating in the Capital City.

We have no hesitation in recommending Mr. Ward to the Revelstoke Public, and trust that our efforts to bring in one of the best mechanics in his line in the Province will meet with hearty support.

We feel that after fifteen years confidence in the stability of our Company, our desire to do only the best work, to employ only the best help, and to have the assurance that we are here to stay, having given to Revelstoke the best Hardware Store in B. C.; this knowledge and our guarantee that whatever work we do will be done right or made right, is the best asset in our business.

Thanking you for past favors and soliciting your patronage for the future.

Yours Sincerely,

OFFICIAL PROGRAMME CELEBRATION AUG. 31st

Every Arrangement Made for Comfort and Convenience of Citizens for Attending the Dual Ceremony---A Record Crowd Expected to be Present

Final arrangements for the celebration of the corner stone laying of the new wing of the Victoria hospital at Revelstoke, and the first post planting of the Mount Revelstoke Motor Road, to be performed on August 21, by the Hon. Thomas Taylor, were decided upon at a meeting of the Progress Club held on Thursday arfternoon last.

The following is a summarisea program for the day:

11:30 a.m.—Ceremony of Corner Stone Laying of new Queen Victoria hospital, by Hon. Thomas Taylor, Minister of Public Works.

12:15 noon—S.S. Revelstoke will leave foot of Government street, opposite Central school, for Columbia Park. Fare 10 cents each way. Carriages will also be available at 25c. each way, leaving City Hall corner between 12 noon and 2 p.m.

1 p.m.—Monster Basket picnic at Columbia Park, everyone invited, bring your own basket.

1:15 p.m.—S.S. Revelstoke leaves Central school landing on second trip for Columbia Park.

1:30 p.m.—Official luncheon at Columbia Park to visiting guests, and local officials.

3 p.m.—Ceremony of turning first sod of New Mount Revelstoke Auto Road to Victoria Park. Addresses will be delivered by Hon. Thomas Taylor, R. F. Green, M.P., and others. Tables and seats will be provided for use of all, and hot water will be furnished on the grounds free. Revelstoke City Band will be in attendance all day, everybody is welcome.

Come and help to boost for Revelstoke.

The above program by no means exhausts the possibilities of the day. The citizens will have the opportunity to take part in all kinds of sports for which purpose Columbia Park is admirably adopted.

The Progress Club and Hospital Board of Directors have issued invitations to many prominent and well known gentlemen to be present on the occasion of these ceremonies, and the favorable replies already received are sufficient to justify the statement that Revelstoke will be honored by the presence of the largest and most influential delegation of visitors which the city has ever enjoyed the privilege of entertaining.

The day will be a while aate public holiday, and the committee of arrangements request that every citizen will take advantage of this opportunity to be present at the ceremonies, thus giving a tangable proof of his interest in the continuation of the FORWARD movement towards a Greater Revelstoke.

LACROSSE MATCH MONDAY

To be One of the Fastest Games Yet Seen Here

Sapperton Junior lacrosse team, champions of the coast, will arrive in town on Sunday and will spend a day resting before their match with our junior lacrosse team on Monday afternoon. This will be the best lacrosse game of the season here. All who saw the game last year acknowledge that it was the best by far for last season, and this year Sapperton though bringing practically the same team, are strengthened by experience and steady practice. Do not fail to see the game. You of course, hope our boys win—well come to the Recreation grounds at 4:30 p.m. Monday and tell them so and keep on telling them until they win it.

On Tuesday night when the Sapperton boys give their concert in the Empress theatre, you'll have a chance to tell them how you appreciate good sportsmen by your presence and your appreciation of their efforts.

Starts Business in Kamloops

Mr. J.P. McLennan, who for the past seven years has been in business at Revelstoke as a ladywear and drygoods merchant, closed out his store here on Saturday last, and left the following Monday for Kamloops, where he will make his future home.

Mr. McLennan, during his stay in Revelstoke has made many friends, he has always been to the front on all matters pertaining to the welfare of our city and district, and the city is the poorer for his removal to the neighboring town. He took with him the heartiest wishes of all the citizens, for his future success.

ARRANGING TOUR

For Dr. Rowe, Publicity Commissioner for V. P. Club

Among recent visitors to the Mail-Herald office, was Mr. William P. Kearns, representative of the Vancouver Progress Club.

Mr. Kearns is travelling the province arranging in advance the tour of Dr. Elliott S. Rowe, publicity commissioner for the Vancouver Progress Club. Mr. Rowe is at present touring B.C. delivering a series of talks on the newly formed B.C. Development League, which is a confederation of Progress Clubs, Boards of Trade, and other Publicity organizations, working towards the objects of greater publicity for the province as a whole and the encouragement of development throughout the Pacific coast of B.C. on the general principals that what benefits one portion of the province will assist the development of the remainder.

Dr. Rowe is conceeded to be by far the most eloquent orator in the west in fact his reputation as a speaker is known from the Atlantic to the Pacific. At present Dr. Rowe is delivering speeches on PROGRESS at Kelowna, on invitation by the Progressives of that district, his services are in constant demand by Progressive organizations all along the sea coast, and he is rapidly earning the reputation of being the greatest Publicity man ever produced in the West He has big ideas, and knows how to pass on to others a share of his own unbounding enthusiasm and faith in this great Empire of B.C.

Mr. Rowe is to be among the guests to visit Revelstoke on the 21st Aug., in connection with the celebration planned for that date, and it is hoped that he will see his way clear to meet the Progress Club, Board of Trade and citizens at a public meeting, when he will have an opportunity to expound his views and give the residents of Revelstoke the benefit of his vast experience in the publicity field.

That such a meeting would prove an interesting feature of the days celebrations, is sure, and if Mr. Rowe accepts an invitation to speak, he can depend on having a very large audience. In order that the occasion may be fully taken advantage of the meeting should be held in some large central hall, be well advertised both by the press and through canvassing by the progressives of Revelstoke among the general rank and file of the citizens.

Mr. William P. Kearns, of the American Casualty Co., making a specialty of accident and sickness insurance, is doing business in Revelstoke this week.

A. E. Stephens, assistant general superintendent of the C.P.R., at Vancouver, and Grant Hall, assistant general manager, paid Revelstoke a visit this week in connection with railway improvements at the "Capital of Canada's Alps."

CITY COUNCIL HOLDS REGULAR MEETING

New Sewer Assessment Grant Towards Post Planting Celebration--Will Purchase Team and Fire Equipment.

The city council met in regular meeting on Friday evening last, at the city hall. Mayor Sutherland occupied the chair. Aldermen Howson, McKinnon, McSorley, Bourne and Abrahamson were also present.

Minutes of last meeting were adopted as read.

A joint deputation from the Board of Trade and Progress Club, consisting of Messrs. S. McRae, J.D. Sibbald, Jr., C.B. Hume, F.M. Gibson, W. Bews, Wm. Lawrence, Dr. Hamilton, waited upon the council to bring forward certain questions.

CELEBRATION AUGUST 21ST.

Dr. Hamilton, as spokesman— We are here on behalf of the Progress Club, I am here to put before you the matter of the celebrations on the 21st next, in connection with the corner stone laying and first sod turning We know that the C.P.R. propose to do certain work here in the interest of the tourist trade. These developments have been brought about largely as the result of the activities of which the celebration on the 21st, will be the outward and visible sign

This celebration is going to cost money whatever benefit accrues from these activities will be shared by the city at large. The council might be able to arrange to give us some financial assistance. Our estimate of of the expenses in connection with the celebration on the 21st is $300.00 We ask you to give us a cash grant of $100 towards this total.

Mayor Sutherland—We will consult with the finance committee and report our decision to you tomorrow.

Deputation No. 1 then withdrew.

C.P.R. HOTEL.

C. B. Hume—We are here representing the Board of Trade, and come before the council to urge the advisability of granting some concessions to the C.P.R. in the way of say ten year exemption from taxation and a low water and light rate; such a proposal carries with it the promise of the support of the Board of Trade in the passing of any by-law necessary to carry out such a scheme.

Mr. F.M. Gibson—We are here as representatives of the Progress Club, to support the delegation from the Board of Trade as so ably represented by Mr. C.B. Hume. The ten year period is merely mentioned as a guide and is not an arbitrary limit. Any sympathetic action aiming at the abject outlined, taken by the council, will be supported by our club and the Board of Trade.

S. McRae—As a member of this Progress Club delegation, I think a ten year exemption would be reasonable, but we should do something handsome in the way of cheap water, power and light.

W. Bews—I am here to support the proposition as put by Mr. C.B.Hume

Mr. W.M. Lawrence—The C.P.R are looking to us, the council can be sure that with the support of the Board of Trade and Progress Club, any by-law or other steps necessary on the part of the council will be successful.

Mayor Sutherland—Gentlemen, we will give these matters every consideration and advise our decision.

The deputations thanked the council and withdrew.

COMMUNICATIONS.

Various communications were ordered answered or filed.

Application for a lane grade from Mr. Manning. Referred to P.W. Dept.

Letters from Eastern brokers, explaining the bad condition of the money market and surplus of debentures on the markets, were ordered noted and acknowledged.

C.P.R. complained of shortage of water and stated unless their demands could be met they would be compelled to install a pump.

H. McKinnon—They are using an eight inch pipe to full capacity, also a 4 inch hose and their own creek, but we have contracted to supply them and we must come up to our contract.

Motion carried that a 4 inch connection be made with the C.P.R. water system.

Request for passing of a by-law necessitating a building permit, was referred to the by-law committee.

GRANTS

Application from Progress Club for $100 in cash and $65 worth of lumber to be applied in connection with celebration of August 21st, was considered by the council.

Clerk Lawson—There are certain windfall items out of which money might be found.

Ald. McKinnon—I hate to see the Progress Club turned down.

Ald. Abrahamson—I move that the $100 and lumber be granted. Alderman McKinnon seconds.—Motion is carried unanimously.

FIRE EQUIPMENT.

Fire Brigade No. 1 sent in a demand for a team for the winter.

Ald. McKinnon—I understand we have no surplus in the W. & L. Dept.

Ald. Howson— We do not seem to put any more by-laws, we have a warning about the financial outlook; we shall have to provide this out of revenue.

Mayor Sutherland—Can we get the Kamloops team.

Ald. Abrahamson—I am not in favor of buying an old team.

Ald. Howson—Have we abandoned the idea of buying.

Ald. Abrahamson—We cannot put a by-law.

Ald. Howson—Then we must buy a team from revenue.

Mayor Sutherland—We have to get

PUBLISHED WEDNESDAY AND SATURDAY AT REVELSTOKE, B. C.

Interior Publishing Company, Limited

J. K. JOHNSON, Manager.
RALPH G. SCRUTON, Editor

UNION LABEL 341

SATURDAY, AUGUST 17th, 1912

Residents along Third street, are circulating petitions for the purpose of securing necessary support for a by-law to replace their existing wooden sidewalks by permanent cement work. Throughout our city there are many miles of wooden sidewalks, a large portion of which is obviously in a very bad condition, the boards being worn or rotting away and in places unsafe for pedestrians whose business or pleasure may take them in the direction of such thorofares.

In many cities with much larger populations than Revelstoke, cement sidewalks have been laid, which are much narrower, therefore cheaper than those generally adopted here, and as the time is rapidly approaching when many miles of cement walks along purely residential streets will have to be put in, and it might be a good suggestion for the city council to investigate the possibility of expediting the transformation from wood to concrete, by securing particulars as to the widths of such walks now being constructed in cities of ten thousand inhabitants or under, in various parts of the Dominion, and whether the cheaper and narrowers sidewalks have proved a practice to be suitable for residential streets. Next year an energetic campaign of cement sidewalk laying must be inaugurated, and this information could be collected during the winter, ready for use when the balmy days of spring time and construction have arrived.

Passes Through Cranbrook

Cranbrook, Aug. 12—The remains of the late Otis Staples of Wycliffe, who died of blood poisoning in Spokane on Saturday after a very brief illness passed through Cranbrook last night on the flyer en route for St. Paul and was accompanied by his near relatives. Just a week ago Mr. Staples got a fish hook caught in his eye while out fishing and being the only one of the party who could run an automobile, it was necessary for him to drive 50 miles for medical attention. He was operated on in the St. Eugene hospital here and the fish hook removed. The sight being impaired, Mr. Staples was hurried to Spokane where he received the best medical attention. Blood poisoning set in however, and word was received here on Friday that he could live but a few hours. Mrs. (Dr.) F. W. Green, a daughter, Elmer, Bay and Mrs. Staples were at the bedside of the deceased when he succumbed. Mr. Staples owned one of the largest lumber mills in the Crow's Nest Pass and was very widely known.

General Booth Sinking

London, Aug. 13—The condition of General William Booth, the commander-in-chief of the Salvation Army, who was operated on in May last for the removal of a cataract from his left eye and who is now totally blind is growing worse. Bramwell Booth, chief of staff of the army, and a son of the aged Salvationist, prints the following announcement in the War Cry, the Salvation Army organ. "I deeply regret to say that our beloved general is not so well. His doctors report indirect that the improvement in the general's health has not been maintained.

"The general's heart is not strained and if only his sight were restored he would quickly regain much that is now in danger of being lost. The general, speaking of his own weakness and pain last Sunday, said:

"'Ask the people who love me to pray for me.'"

Immense Grain Crop

Lethbridge, Aug. 12—According to a report just completed by Commissioner P.L. Leach of the Associated Boards of Trade of Southern Alberta the spring wheat crop will reach 12,000,000 bushels. The winter wheat 4,000,000 bushels. The total barley yield will be close to 1,000,000 bushels, and flax, 500,000 bushels.

The total area of land under crop in Southern Alberta is 1,125,000 acres a small increase over that of last year.

The destruction by hail in the district has been very light, only 900 acres having been destroyed in this manner, while cutworms have also worked a small amount of havoc in certain sections.

CHURCHES

METHODIST CHURCH.

Rev. R. J. McIntyre, pastor. Services on Sunday at 11 a.m. and 7:30 p.m.; Sunday school and Young People's Bible classes at 2:30 p.m.; Wednesday at 8 p.m., Epworth League meeting; Friday evening, Junior and Senior choir practice. A cordial welcome awaits the public at all these services.

13	16:40	17o.k

EAST BOUND

No.	Arrive	Leave
4	24:45	24:55
14	7:20	7:40
2	11:55	12:15

SOUTH TRAIN

Arrives 15:30, leaves 7:40 a.m.

Here's the road to comfort, a vanished thirst, a cool body and a refreshed one, the only way is via a cool drink at the Sugar Bowl Fountain, McKenzie Avenue.

NELSON HOSPITAL NURSES EXPELS 11 PUPIL NURSES

MILK SPILT ON FLOOR WAS CAUSE

Nelson, Aug. 16—Eleven of the 12 nurses at the Kootenay Lake General hospital were expelled last night when the directors adopted a report by Miss E.L. Lumsden, matron, in which insubordination was charged.

One hour later Nurses Kunst, Stevenson, Manahan, Ferguson, Barnet, Ada McDonald, Hadley, Thomas, Pike, Middleton and Annie Macdonald were dismissed and given until tonight to remove from the nurses home. Some of those expelled are within one or two months of graduating.

Four graduate nurses, including Miss Lumsden and Miss Baxter, the head nurse, two probationers and Miss Shaw, the only pupil nurse to escape the axe, last night had charge of the hospital, but the matron stated that she had arranged for two additional probationers and could secure another graduate nurse today is one were needed. One probationer will take up her duties tonight and the second is expected to reach the city in two days. Miss Lumsden believes that she will have no difficulty in adding to the staff to the full extent required.

Alleged subordination on the part of Miss Thomas toward Miss Baxter, head nurse, who acted as matron during the absence on vacation of Miss Lumsden, is said to have been the commencement of the trouble which resulted in the shake-up, although the details of the matter were not gone into last night.

SPILLED MILK

Miss Thomas on July 30, it is said, was suspended as the result of behavior following the spilling of some milk which she was told by Miss Baxter to clean up. It is stated that the pupil nurse spilt the fluid through tripping on the stairs and wiped it up as she thought. She went off duty, and crossed the street to the nurses home where she commenced to change into her walking dress, intending to go out. When partially dressed she received a message from the acting superintendent to return to the hospital and clean up some of the milk which she had left on the stairs. She returned and found five drops on a stair lower than that upon which most of the milk had been spilled. It is declared that on her way to wipe up the remainder of the milk she slammed a door and behaved in a manner described as insubordinate to Miss Baxter.

REFUSES TO GO ON DUTY.

She was suspended and the other pupil nurses with the exception of Miss Shaw then refused to go on duty so says Miss Lumsden's report, unless Miss Thomas was reinstated. A hurriedly called meeting of the board, at which Miss Balter and the pupil nurses stated their cases, resulted in reinstatement of the alleged offender.

It was for refusing to go on duty unless Miss Thomas was reinstated that the 10 pupil nurses were last night expelled.

SUPPORT PUPIL NURSES.

Strong opposition to the adoption of the matron's report was voiced by Fred Irvine A. S. Horswill, H. Amae and Dr. w. O. Rose medical superintendent of the hospital, those voting for the expulsion of the nurses being George Johnstone, Leslie Craufurd, A. G. Lambert, George F. Motion J. A. Irving and Edward Kerr.

A. M. Johnstone was present, holding a watching brief for Miss Lumsden and MissBaxter; E. C. Wragg attended in a similar capacity on behalf of Miss Barnet, one of the nurses dismissed. The president, E. F. Gigot, was in the chair.

Miss Lumsden reported as follows:

"I beg to report that, on the 7th instant while absent on my holidays I received the following telegram from Miss Baxter (Who, with the consent of the board, was in charge of the hospital and the training school during my absence) viz: 'Come at once.'

"I immediately made arrangements to return to Nelson arriving back on the evening of the 9th instant.

"I at once proceeded to enquire into the reasons which induced Miss Baxter to send the telegram.

"I found that the pupil nurses had been in a state of insubordination almost from the time I left on my holidays. This insubordination culminated in the refusal of all the pupil nurses, with the exception of Miss Shaw, to go on duty unless Miss Thomas (who had been suspended) was reinstated. The pupil nurses finally agreed to return to their duties if they were allowed to interview the board of directors.

RECOMMENDS EXPULSION.

"I have carefully read the written complaints of Pupil Nurses Kuntz, Thomas and Manahan as well as the rough minutes of the meeting of the board held on the 30th ultimo taken careful note of the attitude of the pupil nurses since my return and the only conclusion I can arrive at is that in order that the discipline of the school be maintained and that the patients in the hospital be secured against desertion by their nurses that Pupil Nurses Kuntz, Stevenson, Manahan, Ferguson, Barnet, Ada McDonald, Hadley, Thomas, Pike, Middleton and Annie Macdonald be expelled from the school.

"The board may take this action without any fear that the patients will suffer as I can arrange for their proper care without the pupil nurses recommended for expulsion."

WOULD AGGRAVATE SITUATION.

To a request by Mr. Irvine for a report upon the general work of the hospital during July, Miss Lumsden said that she could report verbally, but that when there was nothing of special importance she did not always present any written document.

Mr. Johnstone said that he had advised Miss Baxter not to make a report because the board knew the situation and a truthful report would only aggravate the situation.

That Miss Baxter's services be dispensed with was advised by Dr. Rose in the following report:

"After giving the matters relating to the hospital management my very careful and earnest consideration, I have come to the following conclusions:

"First—That the matron is to blame by allowing the discipline to have become somewhat lax and in failing to report or take action upon certain matters in regard to some of the nurses which matters she now considers of a rather serious nature.

"Second—That the acting matron is to blame in discussing certain nurses with others and in not using tact and sufficient courtesy in her dealing with the student nurses.

"Third—That the secretary of the board is somewhat to blame in advising the suspension of a nurse without enquiry fully into the particulars of the matter or consulting the medical officer in charge.

"Fourth—That the nurses in training are to blame in discussing hospital matters with the patients and others. I cannot feel that a great deal of blame is ascribable to them for having made a protest to the board against the suspension of one of their number for causes which they and many others consider insufficient.

"I would recommend:

SAYS DISMISS MISS BAXTER.

"First—That as Miss Baxter has incurred the dislike and suspicion of the nurses in training, her day of usefulness to the hospital is at an end and I would advise that her services be dispensed with.

"Second—That a head nurse with a firm hand be engaged and I think you will find that the hospital discipline will quickly be re-established.

"Third—That any nurses in training who have been guilty in the opinion of the board of any serious misdemeanor be dismissed. In my opinion the discharge of all the nurses in training because of this protest, would be most unjust and unfair and extremely prejudicial to the best interests of the hospital. I am perfectly certain that such a step will militate against our getting our new hospital."

Dr. Rose's report was admitted under protest on a point of order by Mr Johnstone who declared that the by-laws permitted communications to be received only through the secretary. He was overruled by the president.

BUSINESS LOCALS

WANTED—Good specialty salesman to sell the greatest convenience in electric lights ever offered. All users of electricity are buyers. Can be placed where desired. Selling well here at $3. Write Sheppard, P.O. Box 1214, Vancouver.

AGENCIES WANTED—We desire to establish agency at once with real estate firms and live wire salesmen for quick aggressive campaign covering Western Canada. Appropriations to make proposition known in your locality. We furnish literature and window decorations and if necessary co-operate by sending special representative to your city. $100,000 to be expended and on improving property. Write at once for plan. Beckman & Elliott, 1208 Dominion Trust Bldg., Vancouver. B. C.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for a Pile Wharf at Comaplix, B.C." will be received at this office until 4 p.m., on Wednesday, August 28, 1912, for the construction of Pile Bent and Timber Decking wharf at Comaplix, District of Kootenay, British Columbia.

Plans, specifications and form of contract can be seen and forms of tender obtained at this Department and at the offices of F. W. Aylmer, Esq., District Engineer, Chase, B.C., C. C. Worsfold, Esq., District Engineer, New Westminster, B.C., L.B. Elliot, Esq., District Engineer, Edmonton, Alta., and on application to the Postmaster at Comaplix, B.C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 per cent.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, July 30, 1912.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia, may be leased lor a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each applicant must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal miaing rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N.B.—Unauthorized publication of this advertisement will not be paid for.

WATER NOTICE.

Notice is hereby given that William Blair Robertson, of Revelstoke, B.C. will apply for a license to take and use (15) fifteen Miners inches of water out of Cariboo Creek, which flows in a southerly direction through T. B. 39373 and T. B. 43026, and empties into Downie Creek, about two miles from its mouth, Columbia River. The water will be diverted at a point 1½ miles north of Downie Creek, and will be used for domestic purposes on the land described as Lot 10499, Revelstoke Land District.

This notice was posted on the ground on the 4th day of June, 1912. The application will be filed in the office of the Water Recorder at Revelstoke, B. C.

Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C.

WILLIAM B. ROBERTSON.
Per Andrew Kitson, Agent.

WATER NOTICE.

For a License to take and use Water

Notice is hereby given that James A. Shields, of Revelstoke, B.C., will apply for a license to take and use Fifteen (15) Miner's inches of water out of Caribou Creek, which flows in a southerly direction through Timber Limits 39373 and 43026, and empties into Downie Creek about two miles from the Columbia river. The water will be diverted at a point about one and a half miles north of Downie Creek trail and will be used for domestic purposes on the land described as Certificate of purchase 413 Revelstoke Land District.

This notice was posted on the ground on the 4th day of June, 1912 The application will be filed in the office of the Water Recorder, Revelstoke, B.C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C.

JAMES A. SHIELDS, Applicant
By Andrew Kitson, Agent

NOTICE

Revelstoke Land District.
District of West Kootenay.

Notice is hereby given that I, Adelard S. Blondin, of Halcyon, B. C., occupation Shipwright, intend to apply for permission to purchase the following described land:

Commencing at a post planted 20 chains south and 40 chains west from the South East Corner of Lot 7072, Group One, Kootenay District, and marked "A' S' Blondin's North East Corner Post" thence south 40 chains, thence west 20 chains, thence north 40 chains, thence east 20 chains more or less to the point of commencement, and containing 80 acres, more or less.

Dated this 25th June, 1912.
ADELARD S. BLONDIN.

REVELSTOKE, B. C.

Hon. Thos. Taylor Returns

Hon. Thomas Taylor, minister of public works, returned home yesterday from San Francisco, where he had been attending the convention of the Pacific Highway association, and where he read a paper on the "roads of British Columbia."

Mr. Taylor reports that the other B. C. representatives and he himself were given the very heartiest sort of a welcome, and the work which is being done in the province in the way of providing good roads was referred to in terms of high praise by all those speakers who have had the privilege of going over any of them. In the course of his paper Mr. Taylor said.

"Your enthusiasm has extended beyond the imaginary line, and has resulted in the formation of a sister association, known as the Canaxian Highway association, and while you have mapped out a plan of campaign most unique and far-reaching in its objects, namely: the building of a highway from Blaine on the international boundary to the border of Mexico, our association, aided and encouraged by your enthusiasm, has evolved an undertaking of even greater magnitude, which has for its object the building of a highway from Alberni on the Pacific to Halifax on the Atlantic.

"The responsibility for the construction of the main highway through the province of British Columbia, known locally as the transprovincial road, rests with me. This highway will have a distance on the mainland of 700 miles and upon the island of Vancouver of 130 miles. Of this mileage at least 550 is already completed, and the balance either im process of construction or location."

Executioners in Demand

Reno, Nea., Aug. 13—If there are five men willing to undertake the gruesome task of shooting to death a man who is to suffer the death penalty in Nevada state prison, Warden George W. Cowing wishes to obtain their services. He has made efforts to find the men but he has met with no success and the date of the execution has been set for August 29.

The situation that confronts the warden is due to the new law which grants a condemned man the right to choose the method of his execution. Four of the rifles are to be loaded with ball cartridges, while one carries a blank. The weapons are shuhfled and no one knows who really fired the fatal shot.

The man to be executed is Andrigi Mirkovich of Tonopah, who has asked to be shot.

High Lumber Rates

Calgary, July 26.—The mountain lumber manufacturers association of Calgary Claiming that the rates they pay on lumber shipped north on the main lines of the C.P.R. are the high est on the contineot, have made applications to the Railway Commissioners for order requiring the C.P.R. to publish special tariff of rates on lumber that should not exceed rates for the same distance from Winnipeg and Prince Albert. The railway will furnish a written answer in 30 days.

Will be Prosecuted

Saskatoon, Aug. 13—After five adjournments, Crown Prosecutor McKenzie has received instruction from the attorney general's department at Regina to proceed with the prosecution of two Japanese and one Chinese charged with a breach of the provincial law prohibiting Orientals from hiring white female help. This is in the nature of a test case and will come up next Monday in the police court, unusual interest attaching as several other cases are waiting this experiment in legislation along race lines.

Sold by Bourne Bros.

HALCYON NOTES

Mr. Trimble, government road superintendent, was here during last week on official business in connection with the trail which is being constructed from this point to Galena Bay. He gave orders to the foreman Mr. Andrew Ward to complete same. This trail which is being built on a wagon road grade, passes through some very fine agricultural land, and Mr. Trimble states that when things warrant, the trail will be widened into a wagon road.

Mr. A.C. Mesker, the popular C. P. R. conductor of Midway, is here enjoying the water of Halcyon. He still has his Pumpkin story to tell.

Mr. and Mrs. Groves of Regina, are here enjoying quiet life after their experience of the Regina Cyclone.

Mine host Boyd took a party of enthusiastic fishermen to St. Leon on Sunday. They returned with about twenty very fine speckled trout. All who went speak in glowing terms of the fine fishing and scenery to be had and seen in and around Halcyon and St. Leon.

Dr. Brett and C. H. McIntosh, advises the management that it is their intention in the very near future to add to the present building. The hotel at present being too small to accommodate the travelling public.

The new mill at Pingston creek, recently completed by the Canadian Pacific Lumber Co., is running to its full capacity. Mr. Gibbons the gener al manager of the above company, states that it is the intention of the company to run the mill the year round.

Among those registered at Halcyon this week are:—W.J. Hill and A. J. Ratchff of Rogers Pass; R.M. Evans, F. Bowley Turner, of Comaplix; M. Kerrigan, Mr. and Mrs. Corning and daughter, J. H. Lyons, J.H. Howson R. E. Allen, C.M. Field, W. Klunder, Ed. Trimble, Walter Stone, W. Calder, Mr. and Mrs. Cressman and family, Revelstoke; Rev. G.W. Hartley and Mrs. A. C. Yoder, Nakusp; Mrs. W.J. Alfred, Rossland; Mr. and Mrs. F. Sick, Lethbridge; R.E. Smith and Hugh (Butch) Duey, Kamloops; Rev. and Mrs. M.D. McKee, Jno. Donaldson, J. McKie and son, of Grand Forks; Mrs. D. (Chief) Guthrie, A.M. Black, Nelson; F.J. O'Hearn, Toronto; V. E. Leroy, Ottawa, F.J. Mosedale and family of seven, St. Charles U.S.A.; A. Hillman and F. Hickson, Calgary; Barney Groves and wife, of Regina; A.C. Mesker, Midway; W. E. King, Spokane; Mr. and Mrs. A. F. Geddes, Phoenix; B. Gregory, Trail, A. C. Gabriel, Wm. Simpson, F. H. Sager and A. Ferterson, Seattle.

Sir Wilfrid and the Navy

Ottawa, Aug. 13th—Although Sir Wilfrid Laurier, in accordance with his long established way, declines to be interviewed in reference to the naval situation, it is generally understood at the capital that he does not take kindly to the proposal that he should participate in a confesence the object of which would be to evolve a national police agreeable to all parties, thereby removing the naval question from the sphere of politics.

Sir Wilfrid, it is understood, takes the view that while an Opposition need not of necessity criticize all government measures, it should not put itself in such a position that it would not be at liberty to do so. Such might be the case were he, as leader of the Opposition to take part in a conference. He believes that the navy question constitutes a problem with which the government of the day must deal, and that the legitimate function of the Opposition is to acquiesce in or criticize the government's proposals as it sees fit.

Coming Into Favor

"Canada's development though rapid, is substantial, and this is evidenced nowhere better than right here in Vancouver," yesterday at the Hotel Vancouver said Mr. Mason B. Starring, of New York, who, accompanied by Judge James H. Reed, of Pittsburg, Pa., is en route to San Francisco. Mr. Starring is a well known financier and an expert on public utilities. Local interest is attached to Judge Reed for he is not only the favorite lawyer of Mr. Andrew Carnegie, but he is the chief voice in the bestowal of Carnegie libraries. Mr. Starring adds that capitalists of the United States favor Canadian investments and are becoming heavily interested. He said he was ashamed to own it but this was his first trip through the Dominion.

"The Dominion," he said, "is coming into its own as one of the greatest nations of the world. Development everywhere is substantial. In fact this is the most noticeable thing about your development—it is substantial as well as rapid. The trip thru' the Dominion is coming into favor among United States tourists, and more persons every year will take this trip both eastward and westward. The ecenic wonders are alone worth the trip."

1½ acre good land for sale near C.P.R. hotel.—H. N. Coursier.

REVELSTOKE, B. C., AUGUST 10, 1912.

DEAR CUSTOMERS:

If you were positively sure in your mind that you could get really BETTER HOUSE FURNISHINGS for your money than you could possibly get by sending out of town, and at the same time enjoy the advantages of liberal and considerate treatment at all times, you would not hesitate a moment about buying here. Would you?

We have been in this business over twenty years, and have learned how to BUY RIGHT and SELL RIGHT. Because of our unusual resources for large buying and the saving we make by getting our goods in carloads instead of by local freight, we can AND DO sell goods for less money than you can buy them from mail order houses with freight added.

Remember, this is a big stock to choose from, comprising everything for the home from cellar to garret, and every article we sell is such GOOD VALUE that it will either make for us a new customer or draw an old one closer.

We have only to convince YOU of the truth of these statements to induce you to call. You have only to see and examine the values we offer to CONVINCE YOURSELF that our goods are worthy of your preference. May we expect a visit from you SOON?

YOURS VERY TRULY,

WE WANT

a representative in every town in Canada to sell townsite lots. Being the exclusive selling agent of the Grand Trunk Pacific Railway for one of its main line divisional point towns, we handle nothing but propositions of genuine merit. We are just placing on the market a beautifully located, close in subdivision to Kelowna, British Columbia, the largest city on Okanagan Lake. Our Kelowna property is in the original city limits and has a frontage of over one mile on Okanagan Lake. During the past two weeks lots to the value of approximately $25,000,- have been sold to Kelowna residents. We consider this substantial proof as to the merits of our Kelowna property.

Kelowna is but one of several high class propositions that we have to offer our representatives.

For complete information as to our plan, whereby you may legitimately earn a large weekly income, write to

MALAKWA TOWNSITE

Lots in the new townsite of Malakwa are now on the market at prices ranging from $75 to $175. These lots are all high and dry and the regulation size.

Reasons Why You Should Buy in Malakwa

This new town is just about half way between Revelstoke and Salmon Arm, being a trifle over 30 miles from either place. It is a natural location for a town, being surrounded by a highly rich farming district. Lots in this townsite can be purchased on long terms so that a purchser before he has really paid for his lots will have made a good profit on his investment.

Business Opportunities

There is a grand opening for hotels and other branches of business, including a barber shop, shoe maker, drygoods and gents furnishings, and all other legitimate businesses.

MALAKWA TOWNSITE
Now on the Market
C.P.R. Passes Through Townsite
Station and Side Tracks Already Installed
GET IN ON THE GROUND FLOOR

Buy Early

The first one hundred lots sold will be at the low prices of $75 to $175. These lots will increase one hundred per cent in a few months time. If you fail to secure one blame yourself when paying higher prices later on.

Industries Already Started

Already industries are being located here. The first keen business concern to grasp the golden opportunity of locating at this townsite will be a large shingle mill, operated by Spokane parties. This mill will be operated by water power.

Preparations are also being made to install a water power sufficient to operate an electric plant or any other industry that may come in.

For further information, apply to Messrs. Johnston and Haycock, Malakwa, B. C.

. . . It Might Be Cold . . .
BUT

SAY HE WAS WRONGED

"I am absolutely alone, an outcast in the world, with even my family turned from me, and a commitment for insanity out against me in the city of Portland. Can you imagine a worse position than mine."

This was the question put with impressive earnestness to a representative of the Victoria Times, Friday evening last, by George Ruilford Gage, of California, who is now in the city As a human document of extraordinary power and pathos, the life of Mr. Gage would take some beating.

Thirty-two years of age, Gage has just escaped from a private asylum in the city of Portland, where he had been incarcerated, though according to his own showing, a perfectly well man, and subjected to treatment which he say would actually have driven many a sound man insane.

Mr. Gage claims that he is the son of a vice-president of the Southern Pacific and Central Pacific railroads and comes of a distinguished stock, of which he is very proud. In fact, he naively confessed yesterday that the only things he had with him when he escaped from the asylum were his toothbrush and a record of the family genealogy.

The story of his experience is one which might be met with between the covers of a novel, but seldom in real life. A roamer from his earliest days Mr. Gage is proud of the fact that he has followed twenty different callings, including those of cowpuncher, clerk, journalist, bank cashier, insurance underwriter, etc. In the last-named capacity he visited this city three years ago and stayed then, as now, at the Empress hotel. Two years ago he was acting as a clerk to the Panama canal commissioners on the Isthmus.

The trouble began just about two months ago. According to Mr. Gage, he had come into Portland with a letter of introduction to the general manager of the Southern Pacific railway in Oregon, from the assistant general manager of the Southern Pacific railway. He was given a minor position as a clerk and from the first set out to better his station.

"And I made good," he said with particular pride. "In three months I had taken on three new positions, each an advance on the Last." Unfortunately, however, his health gave way. He lost weight steadily and finally had a complete nervous break down. Voluntarily, and without consulting anyone in the matter, he went to a hospital to recuperate. "All I needed," said Mr. Gage, "was a rest cure. And there I got it. There I came in for the fin esttreatment I have had in my life, since my mother died—seventeen years ago!"

It was while he was at the hospital he claims, that he was "doped" as he put it, and sent to the private asylum previously mentioned. He got out and returned to his bachelor chambers in the city, but was there again visited by two deputy sheriffs, who, when asked, produced a warrant commanding his detention, as a victim of insanity. According to Mr. Gage, no proper legal proceedings were taken, but he was treated as violently insane and placed in a steel tank for 26 hours, the size of the tank being eight feet by seven. After a whole day's detention there, a committment of insanity against him was shown him and he was rushed off in a motor car to the asylum.

"The definition of insanity," said Mr. Gage, "as interpreted by the Supreme Court of the United States, is the state in which a man does not know right from wrong and wrong from right. Do you believe me to be in that condition?" he asked passionately. "Do I look like a man who should be called upon to suffer indignities and cruelty in the third degree for that is what I experienced. Not only did my keepers try to do me mental harm, but they gave me bodily hurt as well. Naturally on my first entry into the asylum I was angry and told the keeper what I thought of them all. He got mad and threw me on several occasions, with the result that I was badly bruised in many places, and for days had a bruise as big as my fist, just under my heart."

LIFE IN THE ASYLUM.

He asserted that while in the private asylum the doctors gave the patients "nerver," a form of drug which he liked so much that he got a craving for it which could scarcely be repelled. They were all treated with "nerver" an hour before the midday meal and at nine in the evening, the latter dose being given to make them sleep. For seven weeks, he asserted, he was kept in a room in which the window was barred and the doors double padlocked. Also a male nurse slept in the same room with him.

"At times," he avered, "the cries of the violent patients directly above and below me were so terrible that I could not sleep; and I lost in weight tremendously. It was like being in the abode of the damned."

THE ESCAPE.

"I had had more than enough of it" continued Mr. Gage, "so I made up my mind to escape. I studied the ways of the "nurse" and the doctor, and determined to see what I could do."

Consequently, he was on his best behavior for some time, and as a consequence of this was allowed a fresh room in the second story where there were no cries; was given an extra portion of food and generally had conditions bettered.

The next trouble was the male nurse who slept in the room with him, but by taking objections to the usual lateness of the nurse's arrival and consequent disturbance of his slumber, it was authorized that the nurse should sleep outside the room. Clad in an old suit and sweater, and shod in a pair of leather shoes, he made his escape about two o'clock one fine morning, by crawling through the narrow lavatory window and dropping to the ground. He took no baggage, his one impulse being to get away as far as he could from the scenes of his incarceration. For miles he hurried over the country and late in the following afternoon dropped into a cottage at Hillsborough, about forty miles away thoroughly exhausted. The good woman of the house gave him a meal and later he met a friend who loaned him money.

Coming northward he got as far as Victoria and put up at a local hotel, sending a wire to his sister in California for funds, which were sent on to him. Arriving in town he got a full rig-out of suit, underwear and shoes at a sale, and was delighted with the bargains. "The same things would have cost me $50 on the other side," he said.

He has been instructed by his sister to remain here until he receives a letter from her to advise him what to do. If his story is true there is no doubt that he has been cruelly wronged. His memory is perfect and his arguments logical. In appearance he is well set-up with fair, close-cropped hair and a big broad forehead. He is addicted to quaint American slang and has an air of absolute honesty, and uprightness.

"I never turned a trick in all my life," he said. He attended Stanford University ten years ago. Yesterday Mr. Gage had an interview with the U.S. consul for the third time, and believes that he will espouse his cause.

Victor Hornless Machines 6 from $20 upwards. Edison Phonographs, from $19.50 upwards.—Revelstoke Music Store, McKenzie Avenue.

Make out your order for your Winter's supply of coal. We have the goods on hand and will deliver at your own convenience if you send in your order early. Revelstoke General Agencies, Limited.

Local Acrostic

Revelstoke—progressive town,
Enterprise secures renown.
Visitors o'er land and sea,
Eagerly shall hie to thee,
Lured by nature's charming scenes.
Snowpeaked mountains, deep ravines,
Timber forests stretching wide,
Orchards by Columbia's side;
Keep progressing and they name
Emerge shall quickly into fame!

Revelstoke, Aug. 7, 1912. W.A.B.

Discovers Tin Ore

Vancouver, Aug. 8—Mr. J.W. Smith who in the old days of Lardo was known as "Lucky" Smith, was in Vancouver yesterday with some ore which he presented to the Mining club's exhibit at the Prog'ess Club's rooms. Mr. Smith has recently found out that a claim which he staked out in 1888 at Mara Lake, about eight miles south of Sicamous, carries good values in tin. The property he says, is near the railroad and the values are in a 150-foot lode which has been traced across the country for a mile and a half. When first located the claim was taken for gold and copper and it was supposed by the prospectors that the discovery meant the location of the missing link in the mineralized belt between the Kootenay and the Cariboo. If the tin proposition is borne out by developments it will mean a big revival in prospecting in the interior of the province

Keep the Boy Busy

The following, taken from an exchange is meant for parents to read:

Vacation time is not a time for idleness for the boy who is large enough to attend school. He should be given the freedom that boyhood requires of course, but not unrestricted license. He deserves more than that at the hands of his parents responsible for his bringing up. Give the boy something to keep him busy even though it is a very small task. Let him feel that each day during his season of recreation something is expected of him. Give him a larger idea of his own importance and fit more nearly into line with what the school, during the longer portion of the year is trying to do for him. Over-indulgence is no more wholesome for a child than for an adult. Of course, the child is not the one to find this out and fortify himself against it. That is the duty of the parent.

Clean, smokeless, furnace lump and nut coal at Coursier's.

Alpine Club Summer Camp

Alpine Club of Canada Camp, Main Range Canadian Rockies, Aug. 7.—7—The Canadian Alpine club this year has pitched its camp just by Vermilion Pass on the line of the route to be followed by the road builders who are now at work preparing the motor road from Banff to Windermere. The camp consists of about 70 tents, pitched in a beautiful wooded valley by the Vermilion river a glacial stream with milky waters. It is slightly over eight miles south of Castle station on the Canadian Pacific railway. The altitude of the camp is about 5,000 feet. The first qualifying climb on Mount Storm has been made, the ascent lasting from 7 a.m. to 3 p.m. Miss Jean McDonald daughter of Dr. McDonald, editor of the Toronto Globe, was the first woman to reach the cairn, after a brave and sturdy fight. The return was quickly made in a downpour of rain and sleet accompanied by thunder and lightning. Prof. Coleman was in charge of the trip.

Creates New Department

Victoria, Aug. 12—In order to cope with the increasing work of the department of lands, Hon. W.R. Ross, has decided to create a new branch, to be known as the inspection branch Henry Cathcart, Jr., who has hitherto been chief clerk of the department has been promoted to the head of the new branch and will be known as superintendent of agencies. The superintendent will give general attention to the operation of the pre-emption law and have charge of the inspection of homesteads, a number of inspectors reporting to him. He also investigates disputes or conflicts that may arise under the administration of the Land act. Another important phase of the superintendent's work will be in connection with such business as arises regarding the province's interests in various townsites throughout British Columbia. This will include the original selection of the lots which constitute the province's one-fourth interest in all townsites and also the making of arrangements for the sale of government townsite lots. He is to exercise supervision of lands held from the crown lease, except coal and timber lands. The collection of all royaltiee due the crown under the sand and gravel leases will fall under his care.

For really choice chocolates, drop in at the Sugar Bowl.

Dr. C. Gordon Hewitt, Dominion Entomologist, says, referring to the infantile death rate from intestinal diseases and diarrhœa spread by the house fly, he believes that the so-called harmless fly is yearly causing the death of thousands of infants, as well as spreading the germs of typhoid fever.

WILSON'S FLY PADS

are the best thing to rid your house of these dangerous pests.

Better Dinners

'Is dinner ready, Mary?"

"Yes, Madam—it is ready, and, I think, a great success."

"Your cooking is improving."

"Well perhaps it is, and I hope so, but really Mrs. Housewife, I think our new Gurney-Oxford is partly responsible for the success I have had lately. I was never able to cook roasts and fowl so well on our old stove, and as for bread and biscuits, I used to tremble when I went to take them from the oven—they were so often soggy and heavy. Now they are always light and beautifully brown, and, if I do say it myself, something to be proud of."

"That's true, Mary, my husband has said almost the same thing. I'm awfully glad you approve of my choice of a Gurney-Oxford. He approves because of the saving in coal since we got it, also because of the better meals he is getting."

"Indeed he's right Madam—and it requires so little attention."

"That's fine. Will you serve dinner in a few minutes please."

Revelstoke Hardware Co.

REVELSTOKE, B. C.

(14)

Sealed Tenders addressed to the undersigned, and endorsed "Tender for the Construction of a Breakwater in Victoria Harbour, B.C." will be received at this office until 4.00 p.m., on Thursday, September 5, 1912, for the construction of a Breakwater at Victoria Harbour, Victoria, B.C.

Plans, specifications and form of contract can be seen and forms of tender obtained at this Department and at the offices of W. Henderson, Resident Architect, Victoria, B. C.; C.C. Worsfold, Esq., District Engineer, New Westminster, B.C.; J. G. Sing, Esq., District Engineer, Toronto, Ont.; J.L. Michaud, Esq., District Engineer, Montreal, Que.; A. Decary, Esq., District Engineer, Quebec, Que.; and on application to the Postmaster at Vancouver, B.C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honourable the Minister of Public Works equal to ten per cent. (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline so enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, August 8th, 1912.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.

CITY COUNCIL HOLDS REGULAR MEETING

(Concluded from Page One)

a team, and some one will have to go and price one.

Ald. Abrahamson—We must fix up the hall and get some sort of a team

Ald. McKinnon—We should commission some business horseman to buy a team.

Ald. McSorley—To choose a team is a big job. We should get prices at Kamloops, Vancouver and locally.

Mayor Sutherland—The City Clerk will get prices through correspondence on receipt of same we will procure a team, and the Fire Brigade should also be advised accordingly.

Mr. Rewcastle—Mr. Sawyer is asking for a sewer to his property, and this property is included in the sewer schedule; it will cost $575 to continue this sewer, but the work should be done.

Alderman McKinnon—This sewering must be done.

Ald. Bourne—There is the court house sewer to be put in, another $500. There is some extraordinary financing here. The government have paid for this sewer yet we are the $500 short now, where is the money.

City Clerk Lawson—The money paid has gone into the general revenue.

Mr. Rewcastle—There is also a set of sewer cleaning tools to buy at a cost of $300.

Ald. McKinnon—I move this sewer be put in for Mr. Sawyer.

Ald. McSorley—There is something about this sewer; ii we are continually extending the sewer why cannot we charge this up to extensions.

Mayor Sutherland—The sewer tax under the new assessment will be 54.47. This arranging for the shortage of $10,500 and the recurring annual deficit.

Ald. Howson—I think this other $10 000 should be added to the new sewer assessment. I second the motion to give Sawyer a sewer.

Motion put and carried.

Mr. Rewcastle—There is a matter of the C.P.R. sewer, which a past council agreed to keep in repair and order That sewer is blocking up and something should be done, or I would like to know if I am supposed to attend to this. The court house sewer will have to be done at once.

Mgyor Sutherland—The agreement will be consulted with the C.P.R. and meantime the sewer should be attended to by Mr. Rewcastle.

An application for lights on Second street was referred to Inspector North for report.

CEMENT WALKS.

Mayor Sutherland—We appear to be on the point of getting tied up owing to shortage of money and poor outlook for debentures.

Ald. McKinnan—We are bound to put this by-law if requested by the frontage.

Ald. Bourne—If we had to put cement down all over town we could not begin to finance same.

Ald. McSorley—I am in favor of putting down all the cement walks we can get the ratepayers to petition for.

Mayor Sutherland—A committee will have to see the bank and find out re the financial situation.

Ald. McKinnon—I move that the bank be interviewed.

Ald. Bourne—I second. Motion put and carried. Finance committee appointed accordingly.

Meeting adjourned at 11:20 p.m.

Lacrosse Boys' Concert

Tuesday evening the Sapperton, Westminster boys will give an entertainment in the Empress theatre, those who have seen these talented artists, claim they are well worth seeing, and we hope the public will turn out and give these boys a bumper house. 1—March, Song and Chorus, "Mr. Volunteer."
2—Reading, "Supposin."
3—Vocal Duett, "They Gotta Quit Kickin My Dawg Around."
4—Dialogue,"An Army of Applicants"
5—Song, "Selected.'
6—Chorus, "Its Great to Meet a Friend."
7—1000 feet Motion Pictures.

God Save the King.

Picnic At Albert Canyon

Fine weather is all that is now necessary to make the Union S.S. picnic next Tuesday a big success. Albert Canyon is an ideal place to spend a day, and with the added attraction of a picnic, it should draw a large crowd. The railway company are placing a special train at the disposal of the pic-nicners, and ample accommodation is assured. The train will leave the C.P.R. station at 9 a.m. and returning leave Albert Canyon at 5:30. There will be a baggage car attached to carry all provisions, and dishes. The sports committee have prepared a splendid program of races, and good prizes are offered in all events. The cross-country run will be of special interest. While the picnic is run under the auspices of the three Sunday schools, it is not confined to these only, but all will be welcome to join in the excursion. Hot and cold water will be supplied but provisions must be taken along.

The fare for the round trip is only one dollar for adults. Tickets may be purchased from the teachers of the Sunday schools or at the station on Tuesday morning. The S.S. scholars will receive their tickets at their own schools.

Clean coal at Coursier's.

Howson's sale still continues to be a success.

Meet your friends at Albert Canyon on Tuesday—you'll enjoy the day.

Howson's sale brings customers from outside places Prices bring the trade.
