The Coming City of the North Pacific, is Now on the Market and offers one of the Best Speculations of the Day.

Port Simpson affords the same opportunity to investors today that Vancouver did ten years ago. The Matter of a PERFECT FIT is, more than even the quality of the material of which a suit of clothes is made, the most important consideration. The finest cloth badly conformed to the shape of the wearer is worse than shoddy.

M. A. McRAE guarantees a Perfect Fit. Homespun put together by a competent tailor is more elegant than misfitting broadcloth. The immortal Shakespeare says: "The Apparel oft Proclaims the Man." The Bard is right. Therefore order your clothing from M. A. McRAE

SIR, One man is better than another, just in proportion as he dresses well. Talk as you will, it is the external appearance by which we judge a man at first sight, and first impressions are the most lasting. No man who can afford to buy a suit of clothes, can afford to have that suit ill fashioned. That is sound philosophy, and it can be lived up to only by ordering your garments from the famous Westminister Tailor MANSON
