HOUSE VOTES RAILWAY GRANTS

Long Debate in House of Commons

AMENDMENTS RULED OUT OF ORDER

Stock of Company as Security--Grand Trunk Assisted

(By Daily News Leased Wire.)

OTTAWA, June 3.—After a long debate, lasting from 3 o'clock until the morning hours, the Canadian Northern railway subsidies were voted by parliament tonight. They were opposed by the Liberals, who contended that it would have been better, if the Canadian Northern is really in need of assistance, to give it in the form of a loan, for which ample security should be demanded. They said that they would not object to a larger amount being voted provided it was in the form of a loan.

The position of the government, as set forth by Premier Borden, Hon. W. T. White and Hon. Frank Cochrane, was that the Canadian Northern railway main line has not received nearly so much in the way of subsidies and guarantees as either the Canadian Pacific railway or the Grand Trunk Pacific, and they were entitled to the proposed aid.

Mr. Borden argued that if a loan were given the government would have to assume responsibility for the future financing of the road.

The minister of finance estimated the bond guarantees given to the Canadian Northern railway line at $58,000,000 and the subsidies at less than $9,000,000. He did not consider that the land grants secured by the company in the west by the taking over of the charters of other railways should be charged up against the Canadian Northern railway because the charters were purchased by the company.

Sir Wilfrid Laurier would not agree and estimated that the land grant applicable to the main line in the west was worth $36,000,000 to the company. He estimated that including bond guarantees, subsidies and land, the Canadian Northern has already received $111,000,000 in aid on the line between Quebec and the coast.

Hon. W. T. White replied with an estimate to show that the Grand Trunk Pacific from Winnipeg to the coast had been aided to the extent of $155,000,000. In the committee stage William German moved to strike out the subsidy for the Ottawa-Toronto line, but this was declared lost. At the conclusion of the debate five other amendments were moved by the opposition, but they were all declared out of order by the speaker, four of them on the ground that they attached conditions to the grant and did not affect the ends, purposes and provisions of the grant. They were as follows:

By William German—That any aid granted should be by way of a loan instead of by subsidy. This was ruled out on the ground that it could not be moved by a private member and required the assent of the government.

By Mr. German—That as a condition of the aid to be granted the company submit to control by the railway commission rates of its transcontinental line.

By Hon. Frank Oliver—Providing for an agreement by the company to remove the present discrimination in rates between the east and the west.

By Hon. George P. Graham—Providing that on the British Columbia section the railway be required to grant running rights to other railways.

By E. M. Macdonald—Providing for the filing of schedules of freight rates that would insure the movement of the freight along east and west lines.

As the speaker was making his rulings from memory it was agreed that the resolution would be reported with the understanding that the amendments might be moved on the second reading of the bill.

The bills, two in number, to carry out the Canadian Northern railway resolutions, were introduced and given a first reading.

Then the resolution to authorize the loan to the Grand Trunk Pacific was called. Mr. White explained that the loan was of $15,000,000 at 4 per cent for 10 years, and that it was to be secured next to existing charges on the western section of the National Transcontinental railway and by the guarantee of the Grand Trunk railway. The resolution was passed without debate, and then Mr. Oliver, on the second reading, moved to apply to the Grand Trunk Pacific the same conditions in regard to equality of rates between east and west as he had proposed in connection with the Canadian Northern resolution. The speaker ruled the amendment out of order and the question was left over until the bill is taken up. Incidentally, Mr. Graham pointed out that the opposition had moved four amendments to the Grand Trunk Pacific loan bill of 1909, one of them being proposed by the present premier. The resolution in regard to the subsidies to the Temiskaming & Northern Ontario railway and in regard to the increase of pay for railway mail clerks were passed and the bills based on them introduced.

The house adjourned at 12:55 a.m.

When George H. Bradbury of Selkirk moved in the commons this morning the adoption of the report of the committee on the pollution of streams Sir Wilfrid Laurier raised no objections to the form of the report. It was recommended that a conference should be held during the recess between the provincial and Dominion authorities and the members of the waterways commission. Sir Wilfrid pointed out that as soon as the house rises the committee will cease to exist. Mr. Bradbury agreed to have the report rest so as to conform with the rules of the house.

On a motion to take up the subsidies to be granted to railways in accordance with Hon. W. T. White's resolution, J. H. Burnham made a general protest against railway subsidies.

Railway Subsidies.

In introducing the resolutions providing for the subsidies to the Canadian Northern, Hon. Frank Cochrane read a memorandum that presented a statement as to the aid which had already been given to the Canadian Northern railway and to the Grand Trunk Pacific. The present subsidies, he said, were to be paid in connection with the building of the transcontinental line from Montreal to Vancouver and in connection with the Toronto-Ottawa line. The subsidy would be divided as follows:

For the 910 miles between Ottawa and Port Arthur at the rate of $12,000 a mile, $10,920,000; from Edmonton to the Yellowhead Pass, 260 miles, at $12,000 a mile, $3,120,000; from Toronto to Ottawa, 250 miles, at $6,400 a mile, $1,600,000. The total would come to $15,640,000.

Stock as Security.

The Canadian Northern, in turn, was to transfer to the government its common stock to the par value of $7,000,000.

Although not on the market at

HOW IS THIS FOR A CANADIAN FAMILY?

It's not a father's family, but a grandfather's family. Ten grandsons and one grand-daughter of Mr. and Mrs. Algie of Alton, Ontario. They were gathered in Toronto last week to attend the annual dinner given them by their grand-parents. Their photo was taken on the steps of the Legislative buildings, Toronto, in the course of a tally-ho ride round the city.

ORANGE CLUBS IMPORT RIFLES

Thousand Rifles and Bayonets Seized by Government at Belfast—To Resist Home Rule.

(By Daily News Leased Wire.)

BELFAST, June 3.—The government announced last week that the Orange clubs expected a large consignment of arms from Germany. One thousand rifles with bayonets arrived here today on a steamer from Manchester in cases marked "Electrical fittings." Detectives promptly seized them. The government officials say that they are fully informed of the plans of the Orange clubs to resist home rule. The action of the authorities is the first interference with the importation of arms.

STRUCK BY LACROSSE BALL BOY IS KILLED

(By Daily News Leased Wire.)

Vancouver, B. C., June 3.—While playing lacrosse early tonight with companions in South Vancouver Harry Wooley, aged 11, the only son of H. Wooley, employed at the British Columbia sugar refinery, was struck by a lacrosse ball on the head and died in a few minutes.

CABINET RESIGNS --HOPEFUL SIGN

Bulgarian Peace Delegate to Reconstitute Cabinet

NEUTRAL ZONE REMOVES DANGER

Greece and Turkey Still Deadlocked on Anti-Bellum Treaties

(By Daily News Leased Wire.)

LONDON, June 3.—News of the resignation of the Bulgarian cabinet was received in London late tonight. If true, it is likely to serve the ends of peace. Dr. Daneff, the Bulgarian peace delegate, on his arrival at Sofia, is expected to reconstitute the cabinet. Probably his hasty summons home yesterday was for that purpose, for the fall of the Guechoff cabinet was not unexpected. It is thought that the new ministry will consist of a coalition representing all parties.

The establishment of a neutral zone between the Greeks and Bulgarians at Saloniki removes the danger which was liable at any moment to cause a conflagration. The neutral line is purely provisional and not intended to influence the future delimitation of the frontiers.

The premiers of the four Balkan states expect to meet first at some Balkan town, and if they fail to reach an agreement will adjourn their deliberations to St. Petersburg.

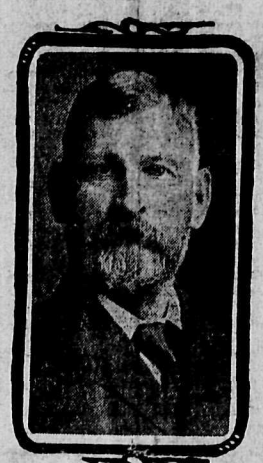
Greece and Turkey are still deadlocked regarding the renewal of antebellum treaties on which Greece insists before continuing the peace settlement.

CLAIMS HUNDRED AND FIFTY THOUSAND DOLLARS DAMAGES

VANCOUVER, B. C., June 3.—Aird Flavelle, member of a well-known Toronto family, has commenced suit against the Canadian Puget Sound Lumber company, claiming $150,000 for the alleged wrongful taking of 11,000,000 feet of standing timber, a short distance north of Vancouver.

DEAN OF CALGARY UNIVERSITY WILL RESIGN

CALGARY, Alta., June 3.—That Dean E. E. Braithwaite of the Calgary university, who has been out of the city for some time, will not resume his position as head of the faculty at the local institution, is the information given out today by a citizen who is closely acquainted with university affairs.



HON. ALEXANDER McCALL
Of Norfolk, who has taken his seat in the Canadian Senate.

SMELTERMAN MAY DIE FROM INJURIES

Feeder at Granby Has Lung Pierced By Rib Broken By Steel Door—Chinaman Killed.

(Special to The Daily News.)

GRAND FORKS, B. C., June 3.—William Emard, a feeder at the Granby smelter, lies in the hospital in a serious condition as the result of an accident at the works early this morning. Emard was riding on a charge train, and in passing under one of the ore chutes, the heavy steel door which had become opened, caught him in the left side, breaking a number of ribs, one of which pierced his lung.

Chinaman Fatally Crushed.

A box car bumped against a flat car loaded with ties in Granby smelter yards today, and caused the death of a Chinese laborer employed on the section gang. He was riding on the ties when the compact of the cars coming together dislodged him, the ties upon which he was riding pinning him between them and the box car. Coroner Black of Greenwood held an inquest this afternoon, the jury returning a verdict of accidental death.

MOISTURE NEEDED, BUT CROPS LOOK WELL

(By Daily News Leased Wire.)

MOOSE JAW, Sask., June 3.—Farmers and grain men say that crops seldom if ever looked better in the Moose Jaw district for this time of year than they do now. However, they admit that several good showers would do much good and on the dry and sandy ground moisture is needed.

SUGAR CHEAPER AT MOOSE JAW

MOOSE JAW, Sask., June 3.—Sugar today was quoted at $5.10 per 100 pounds, which is the lowest price for some years. To keep up the high cost of living, potatoes went from 60 to 80 cents, and there is said to be a shortage in the supply of this commodity.

REFERENDUM VOTES DEFEATED

Australia Opposed to Nationalization of Monopolies

CENTRALIZATION IS APPROVED

Opposition Likely to Have Majority of Three in Lower House

(By Daily News Leased Wire.)

LONDON, June 3.—The Daily Telegraph's Sydney correspondent states that the latest returns from the elections leave the Liberals a majority of three in the house of representatives.

Great interest is being taken in the referendum results, the correspondent says, which are still incomplete. The figures for the whole commonwealth show a majority in favor of giving the government increased power in the regulation of trade and commerce and a substantial majority in favor of increased power in regulating trusts. Small majorities reject the second law, dealing with corporations, the fourth regarding industrial disputes and the state railways and the sixth regarding the nationalization of monopolies.

A substantial majority rejected the proposal for providing compulsory arbitration of industrial disputes conditions.

LONDON, June 3.—The Wellington, N.Z., correspondent of the Times says that Col. Allen, minister of defence for New Zealand, who has just arrived home, repudiates the intention of subordinating New Zealand's naval quota to Australia's control. Mr. Churchill's imperial squadron, he thinks, would be valuable to Canada in the Atlantic, but would be immaterial in the Pacific. Col. Allen will shortly submit to the cabinet a certain defence policy which has the unanimous approval of the committee of imperial defence.

SENATE TAMPERS WITH MONEY BILL

Amendment Carried in Defiance of Speaker's Ruling on Branch Lines Bill.

(By Daily News Leased Wire.)

OTTAWA, June 3.—The branch lines bill, under which the minister of railways had authority to acquire branches for the government railway system, was before the senate today. There was a protest against the provision allowing the minister to lease a line up to a length of 200 miles or to build a line to the length of 25 miles without obtaining special authority from parliament. Senator Dandurand said by way of amendment that any such undertaking be ratified by parliament before the government could enter upon it.

Mr. Lougheed took the ground that this was a money bill, which the senate could not amend, and said that the commons would certainly take that view of any change which the senate might make to the bill.

On a standing vote the amendment was adopted by 36-11.

The bill was reported from committee and the approval of the report was moved by Senator Dandurand. Hon. Mr. Lougheed again raised the same point of order.

Speaker Landry said the bill gave the minister of railways power to acquire by purchase or lease one or more branch lines. He was of the opinion that the money for the purchase could be had from consolidated revenue without vote of parliament, as judges' salaries are paid. It was therefore a money bill and the amendment was out of order.

Senator Dandurand appealed from the ruling. By a vote of 38-10 the senate decided the ruling of the speaker should not be maintained.

The report was declared adopted by the same division.

Mr. Lougheed said that although he did not approve of the bill as amended, still, out of courtesy to the senate and because he desired to have the opinion of the senate, he would move a third reading. The motion was made and adopted.

FALLS THROUGH HATCHWAY WOMAN IS DROWNED

(By Daily News Leased Wire.)

VANCOUVER, B. C., June 3.—Falling tonight through a hatchway in the premises of the Dominion Fish company, used for dumping fish offal into False creek, Edith Wilson was drowned before assistance could be rendered. She was in the building on business, and walking backward did not see the hole in time to prevent the accident. The body was recovered.

BIG INVESTMENTS IN COAL AREAS

Millions of Dollars of British Capital for Development of British Columbia Mines.

(By Daily News Leased Wire.)

VANCOUVER, B. C., June 3.—The visit of D. A. Thomas, the Welsh coal king, here is regarded as significant. It is understood that he will close bargains and become not only the greatest coal mine operator in Wales, but also in Canada. Already he has looked over a number of propositions in northern British Columbia and on Vancouver island, and when he leaves for England he will probably make an announcement of what he has acquired. So far he is favorably impressed with the Diamond Vale collieries and the Nicola Valley Coal company's property near Merritt. Should the deals go through it will mean the investment of millions of dollars of British capital in this province for the development of coal areas. Mr. Thomas contemplates the shipping of coal from Nicola valley for distribution to the Pacific at all points.

COUNTRY AND CITY PROBLEMS

Presbyterian Congress Discusses Duties of Church

CHILD WITHOUT PLAY GROUNDS

Desire for Pleasure Terribly Perverted, Says Dr. Shearer

(By Daily News Leased Wire.)

TORONTO, June 3.—Special religious problems in city and country were considered at the afternoon session of the congress of the Presbyterians. Those discussing the city problem are all well known in western Canada. The list included Rev. Dr. J. W. Macmillan, for a number of years minister of St. Andrews church, Winnipeg; Rev. Dr. A. G. Sinclair, the present minister of that church; Rev. J. A. Clark, the pastor of the First Presbyterian church, Calgary, and the Rev. Dr. Shearer, general secretary of the committee of social service and evangelism.

Dr. Macmillan made a speech dealing with the rights of the child in the city. He referred to the playgrounds movement, which has attained great prominence in recent years, and said that the boy without a playground in a town was the father of the man without a job. The boy from the country beat the boy from the city in the city owing to the fact that the country boy had had a proper place to play.

Rev. J. A. Clark, Calgary, spoke of the social evil in the city and stated that when he began to learn something about the white slave trade he found it was in reality a traffic in children.

Rev. Dr. Shearer, in his address, suggested the socializing of theatres. An evil had been created owing to the fact that the business of supplying reasonable diversion and pleasure to the young in the cities had been mostly commercialized and the desire for pleasure had been as a result terribly perverted.

Addresses on the difficulties of the country parish were delivered by Warren H. Wilson, J. Macdougall, H. A. Mathewson and H. C. Crozier, all ministers of churches in rural districts or in the smaller towns.

PROSPECTIVE SETTLER IS PATIENT WAITER

(By Daily News Leased Wire.)

MOOSE JAW, Sask., June 3.—Charles Linischer of Donnybrook, N. D., has been sitting patiently outside the Dominion land office here for the past eight days waiting for a certain homestead to be thrown open for entry. He does not know the date, but thinks it will be some time during June. He has a chair with an umbrella and is relieved for an hour or two daily by a friend. He takes all his meals there and passes his time by reading novels and newspapers.

SERIES OF ROBBERIES AND HOLDUPS AT MOOSE JAW

(By Daily News Leased Wire.)

MOOSE JAW, Sask., June 3.—Following a series of robberies and holdups here it transpires that Rev. Father Woodcutter was robbed of $80 during the night, thieves entering his house. The police assume they are the men who robbed Ernest Wolfley of $450 late last night. Father Woodcutter did not report the matter to the police until late today.

DROWNING AT EDMONTON BODY NOT RECOVERED

(By Daily News Leased Wire.)

EDMONTON, Alta., June 3.—The first bathing fatality of the season here took place this afternoon. Gregory Bradford, aged 12, in company with other boys, were bathing in the Saskatchewan and he got beyond his depth and was carried beneath a big boom. The body has not yet been recovered.

CONSERVATIVES WILL NOT OPPOSE DEFEATED MINISTER

CALGARY, Alta., June 3.—The Conservatives have announced their intention of not opposing Hon. C. E. Mitchell in Bow Valley, and Mr. Mitchell will get the seat by acclamation on Thursday next. Mr. Mitchell, who is minister of public works and acting premier of the province, was defeated in the recent election at Medicine Hat by a narrow margin, and George Lane vacated the seat in Bow Valley to make room for him.

FELL DEAD ON STREET

(By Daily News Leased Wire.)

VANCOUVER, B. C., June 3.—A. Foote, a business man of Prince Rupert, fell dead on the street here today.

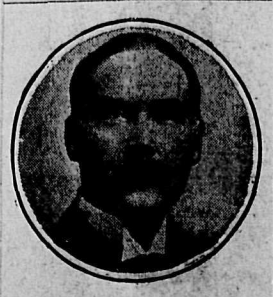
WHEAT, FLOUR AND MEAT ON FREE LIST

Washington, June 3.—Reversing its former action in voting to place wheat, flour, oatmeal and fresh meats on the dutiable list, the senate finance committee in charge of the agricultural schedule voted late today to place live stock, wheat and oats on the free list.

Premier Loses Libel Suit Cabinet Will Resign

(By Daily News Leased Wire.)

BUDAPEST, June 3.—The Hungarian cabinet of which Dr. Ladisvus von Lukace is premier, has decided to resign. This determination is due to the acquittal of Deputy De Sacs in a libel suit brought against him by the premier, whom M. De Sac accused of corruption and characterized as "the world's greatest panamaist"—a panamaist being one of the persons involved in the corrupt transactions by which the Panama canal company (1879-93) obtained political ascendency. The court found that M. De Sacs had established proof that Premier Lukace, at the conclusion of certain contracts with the Bank of Hungary, had accepted a sum exceeding $750,000; and that, although the premier derived no personal pecuniary benefit from this money, which he devoted to promoting political party purposes, "from a legal and moral point of view it is not permissible for a minister to accept any money from any concern doing business with the state."



SENATOR LOUGHEED
Leader of the Senate at Ottawa, who opened the Senate debate on the Naval Bill.

Hatch Left Open When Submarine Dives

(By Daily News Leased Wire.)

CHERBOURG, June 3. — The French submarine Pluvoice which was sunk by a channel packet in the English channel on May 26, 1910, all of her crew of 27 men being drowned, had another escape from disaster today. The Pluvoice was repaired and placed in commission in 1911. While engaged in manoeuvres this afternoon she was making a plunge, when it was found that an inexperienced electrician had left one of the hatches open. The Pluvoice had already taken in considerable water, but the presence of mind of the commander and quick work of the crew in closing the compartments enabled the submarine to reach the surface in the nick of time.

LUNCH SETS
Containing One Tablecloth, 63 x 84 inches, 12 Napkins, 12 Doilies and 6 Plates 50c

HAMMOCKS
Fast Colors, Close Weave, with balance .....$2.25 to $10.00

CROQUET SETS
Hardwood, Solid Mallets and Perfect Balls .....$3.00 to $6.00

SWEDISH JOURNALISTS HONORED WHEN DEAD

COPENHAGEN, June 3.—An honorary resting place in the public cemetery of Stockholm for noted Swedish journalists has just been inaugurated. The first to be buried was C. G. Thengwell, editor of the Dagblad, and one of the most energetic of Swedish newspapermen. Strangely enough he was himself the originator of the novel pantheon.

VALUABLE BOOKS SOLD

LONDON, June 3.—At the 17th day of the sale of the Huth collection of books and manuscripts the highest price, $1250, was brought by Wolfe von Escenbach's "Parsifal" and "Tyturell," printed at Strassburg in 1477. These two books which were written at the end of the 12th century, are printed with the same type, but the "Parsifal" is of much rarer occurrence than the "Tyturell".

Kootenay and Boundary

TWENTY NEW FAMILIES SETTLE AT NAKUSP

(Special to the Daily News.)

NAKUSP, B. C., June 3.—Twenty new families, actual settlers, not counting new arrivals, is the record so far in Nakusp this spring.

A quiet, but pretty wedding took place Monday morning at the residence of Mrs. Glendenning, when Miss Ethel Rushton, daughter of Mr. and Mrs. Thomas Rushton, of Brouse, was married to J. Russell, Canadian Pacific railway engineer of Grand Forks Rev. G. W. Hartley officiated and there were present many friends of the bride, who has lived in this district for several years. The happy pair left for the coast on the steamer Rossland to the tooting of half a dozen whistles of the boats and trains. They will reside at Grand Forks after *their honeymoon.*

Three families arrived at Nakusp on Saturday from Waldron, Sask., having decided to make this town their home in the future. They are Mr. and Mrs. Rollins and children, Mr. and Mrs. Mayoh, sr., and Mr. and Mrs. Mayoh, jr., and family. The latter is bringing a car of settlers' effects with him.

One of the pioneer settlers for Fosthall has arrived in the person of Mr. Scholefield, from England. He will be followed by a number of other settlers at an early date.

The annual election of officers of the Nakusp lodge No. 42, Knights of Pythias, took place on Friday evening when the following officers were elected:

O. C., D. W. Crosby; V. C., A. W. Hobbs; prelate, C. Buesnell; K. R. S., F. Benton; M. of F., J. McDougall; M. of W., M. Morrison; I. G., C. B. Hambling; O. G., P. Buesnell.

Great satisfaction was evinced by the people of Nakusp at the high standing of the Nakusp Canadian Pacific railway shipyard crew of St. John's ambulance at the recent competition at Revelstoke, when they emerged second out of five crews, giving first place only to Vancouver, which had an experience of three years against a training of only five months by the local team.

Mrs. Masters of Burton has decided to reside in Nakusp and has taken a house, which she will occupy immediately.

There is a dearth of dwellings in town.

Water in the lake is now 20 ft. *above low mark.*

The summer service of the Canadian Pacific railway was inaugurated on Sunday, when a transfer was made from the steamers Minto and Kootenay to the steamers Rossland and Bonnington. The Rossland made her first trip of the season to Robson, followed by the Bonnington. Capt. Gore was here and personally attended the inauguration.

H. L. Rothwell has returned from Revelstoke.

Among the visitors to town were A. A. Burton of Burton City, M. McLean of New Denver, J. Naylor and Mrs. Hemingway of Arrow Park. Mr. Naylor rode up over the marine drive and reports the Dominion government telephone line in very bad shape throughout the district.

GOLDEN PASTOR IS TRANSFERRED TO PHOENIX

(Special to The Daily News.)

GOLDEN, B. C., June 3.—Rev. A. T. Bell, pastor of the Methodist church here for the past two years has been transferred to Phoenix and will in future have charge of the pastorages of Phoenix and Greenwood. He will leave here, accompanied by Mrs. Bell on Tuesday.

David Anderson, who is in the cells here charged with robbing the Golden post office, has elected for speedy *trial and will appear before Judge* Thompson of Cranbrook in the county court on June 9.

In the supplementary estimates provision is made for the erection of a new wharf at Windermere at a cost of $1500. Thanks are due to R. F. Green, M.P., for Kootenay, for securing this appropriation at the request of the local Conservative association.

A section of the ladies' waiting room at the Canadian Pacific railway station here is being converted into a trainmen's room.

Excavation work has commenced on the site for the new picture theatre here.

R. T. Brymner, manager of the Cranbrook branch of the Canadian Bank of Commerce, was here a few days ago accompanied by Mrs. Brymner and her sister, Miss Stewart and James T. Laidlaw. They came through the Columbia valley by automobile.

A. E. P. Stubbs received during the week the news of the death of his sister which occurred on an Atlantic liner *while en route from the* old country to Edmonton, where she was to be married.

Rev. and Mrs. W. L. Macrae have gone to Toronto to attend the annual meeting of the general assembly of the Presbyterian church of Canada. They were accompanied by George Sanborn, a delegate from St. Andrew's church here.

James Rutherford of Victoria, a well known former resident of Golden, was here a few days ago on a business visit and left for Trail and Rossland.

E. V. De Lautour of the Municipal Construction company, was in Golden on Friday and Saturday. The company he represents are water works contractors and will bid for the business in connection with the proposed installation of a system in Golden.

SILVERTON SCHOOL REPORT.

(Special to the Daily News.)

SILVERTON, B. C., June 3.—The Silverton public school report for May is as follows:

Prescribed school days, 22; average daily attendance, 24.95; pupils actually attending, 30; times pupils were late, 28.

The standing of the pupils is as follows:

Fourth Reader (marks possible, 1200)—George Patrequin, 983; Robert James, 787.

Third Reader (marks possible 1100)—Christie Webb, 1009; Effie Kelly, 859; James Wallace, 850; Annie Jenkin, 802.

Second Reader (marks possible 800)—Gordon Kelly, 761; Frank Liebscher, 705; Hannah Landye, 687; Helen Hunter, 686; Willie James, 685; Charles Skinner, 654; Elsie Sandiford, 652.

First Reader (marks possible 700) Edith Fletcher, 581; Evelyn Wallace, 564.

Second Primer—Margaret Liebscher, Fred Hunter, Cyrena James, Harry Elsmore.

First Primer—Evart Erickson, Molly Sandiford, Edmee Erickson, Florence Barbour, Ada Woodley, Harry Liebscher.

Commended in all subjects—Christine Webb, Gordon Kelly.

Highly commended for spelling and memory work—Christine Webb, Effie Kelly, Gordon Kelly.

KASLO NEWS NOTES

(Special to the Daily News.)

KASLO, B. C., June 3.—In consequence of high water an unusual amount of driftwood including several hundred saw logs, are afloat on the lake.

Samuel A. Hunter will leave for Nanaimo as a delegate to the Grand Lodge, I.O.O.F., which *meets for an*nual convention there on June 9.

At the age of 83 years Mrs. Ellen McCallum took her first automobile ride on Sunday, accompanied by F. E. Archer, Mrs. Archer and Mrs. McQueen with C. F. Archer as chauffeur. The party climbed the highest point available in McDonald's addition and halted the car when Kaslo's oldest resident surveyed the scene with unmixed delight.

Scott Thornberg who cut his foot badly last month, is now able to walk about and is out of the hospital.

LOG AND TIE DRIVE.

(Special to The Daily News.)

EDGEWOOD, B. C., June 3.—Commencing some two miles above the Calder pre-emption the Edgewood Lumber *company's Fire Valley log* drive of over 1,000,000 ft. combined with W. A. Calder's tie drive of over 5000 railroad ties, under the able foremanship of T. F. Lane, has been completed.

On Saturday, May 31, the Edgewood football team visited Needles for the return match. A large party left in the afternoon in Mr. Ford's launch "Edgewood." After a most interesting 60 minutes the visiting team won by 1 to nil. The Edgewood lineup was as follows:

Goal, W. B. Johnstone; halves, W. S. Johnstone, J. Burns, L. Murton; backs, Alfred and W. Williams; forwards, Mant, Montgomery, Hewitt, Nicholls, Donaldson.

On Monday Mrs. Robert Hughes left to join her husband in Vancouver. Mrs. Hughes has been a resident of *Edgewood for nearly three years.*

Col. Harrington and Dr. Kelso were in Nelson last week, returning Saturday morning.

The Innonoaklin falls have been the scene of many a visit by those in and around Edgewood during the past week. Owing to the heavy flood in the river the falls are at their best, presenting a grand sight with the logs and ties bounding and turning as they pass through them.

Tenders are out for the building of the new church at Edgewood.

Walter Jowett has been appointed foreman of the government road work across the lake.

McLeod & York, with a crew of men are busy putting in the concrete foundation to Dr. Kelso's new residence.

Mr. and Mrs. Woodward are giving up the Edgewood laundry and will reside in a private house near town.

LADY DOROTHY NEVILLE LEFT LARGE ESTATE

(By Daily News Leased Wire.)

LONDON, June 3.—The will of Lady Dorothy Neville, who died here on March 24 at the age of 87, was probated yesterday. She left an estate valued at $181,585. Lady Neville was the author of early Victorian memories and during her lifetime wielded great influence in English society.

FOUR HUNDRED KILLED HONORS DIVIDED

EL PASO, Texas, June 3.—Four hundred are reported killed in a battle on Saturday between Chihuahua City and Santa Rosalia, Chihuahua state. Both rebels and federals with*drew after the day's fighting with the* losses divided.

What Salt Do You Use?

Few of us realize how much salt we eat. Food without Salt would not keep us alive—in fact we would quickly starve to death on food that contained no salt. The fact that we put salt on all meats and vegetables—in bread, cake and pastry—soups and sauces—butter and cheese—goes to show the importance of using an absolutely pure Salt.

Salt in its natural state is impure. By our method of treating brine, and by evaporation, we are able to remove this impurity, the most dangerous ingredients being gypsum, sulphite of lime or plaster of paris.

WINDSOR SALT

is made in the most modern Plant in America, equipped with the latest special machinery for refining to the highest degree of Purity. There's nothing in it but salt—just PURE CLEAN SALT.

Ask any grocer for his best salt, and he will give you WINDSOR SALT every time, not because it costs more—it does not—but because the grocer knows that Windsor Salt pleases his customers. It is the standby in all Canadian Homes.

REGAL FREE RUNNING SALT
Always Dry—Always Free Running

Canada's leading table salt put up in an air-tight, germ-proof paraffin-coated pure wood fibre carton. This carton is the most sanitary on the market, protects the salt from dust, dirt, moisture, and odors which contaminate bag salt and which any exposed salt will absorb. The salt is the finest grain of the famous WINDSOR SALT with a small percentage of carbonate magnesium to make it free running and dry at all seasons of the year.

THE CANADIAN SALT CO., LIMITED
WINDSOR, Ontario.

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by the Poole Drug company under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few appli*cations should show* a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

NELSON CLUB FOR VANCOUVER

Will Be Invited to Send Crews to Regatta at Coast Metropolis This Month

Says the Vancouver News-Advertiser:

The Vancouver Rowing club will hold a big regatta on Saturday, June 21, when Victoria and Nelson oarsmen will be invited to participate in a series of championship events. At a meeting of the executive of the local club held on Friday night arrangements were completed for the regatta and tomorrow evening the various crews will be selected. The Vancouver Rowing club members are going ahead with their preparations for the big N. P. A. A. O. regatta at Indian river, north arm of the inlet, on July 11 and 12, when all the coast clubs will send their best scullers. Victoria crews have already been selected, but the local committee will not name the crews for the international until after the regatta on June 21.

Vancouver will send a four, a double and a single, eight men in all, to the regatta at Coeur d'Alene, Idaho, on July 5 and 6. The Idaho officials expect half a dozen outside clubs to send big contingents and the visiting oarsmen will be given a warm welcome. Portland, Nelson, Victoria, Vancouver and Seattle will be represented by two or three crews. Besides the sculling events there will be other acquatic features at the Coeur d'Alene regatta.

RACE COURSE GUARDED

(By Daily News Leased Wire.)

LONDON, June 3.—The Epsom race course and the stands have been under police supervision for some days to prevent outrages by militant suffragettes.

VANCOUVER VICTORS IN ONE-SIDED GAME

(By Daily News Leased Wire.)

VICTORIA, B. C., June 3.—Outplaying Victoria in the second quarter, when they ran in six goals in a row, Vancouver amateur lacrosse champions scored a very one-sided victory over the Victoria team this morning, the visitors outclassing the locals in all departments of the game. The final score was 12-2.

BLUE BELL REGULARS DEFEAT SECOND TEAM

(Special to The Daily News.)

RIONDEL, B. C., June 3.—The Blue Bell district league football representatives recently demonstrated their superiority over the second team of that place when they trimmed them by the score of two goals to nil.

The first half was very evenly contested, no goals being scored.

In the second half the pace began to tell on the second eleven and they weakened considerably. A misunderstanding let Stanton in and he scored a soft goal, which was followed soon after by one from Murray. The whistle then blew for time with the score two goals to nil. Here is the way the teams took the field: Regulars—Goal, McClennan; backs, McDougal and Kearney; halves, Jones, McCulloch and Mathews; forwards, O'Donnell, Murray, Wolstenholme, Dodd and Stanton.

Seconds—Goal, Olsen; backs, Beaton and Grigg; halves, Sutcliffe, Ferguson and Forrest; forwards, Watson, Denham, Groom, McArthur and Bray. J. Sime refereed the game.

JOCKEY CLUB GIVES LARGE GRANT TO CHARITY

(By Daily News Leased Wire.)

BALTIMORE, Md., June 3.—The directors of the Maryland Jockey club which recently concluded a race meet at Pimlico, yesterday ordered that $10,000 be expended for poor persons suffering from tuberculosis. The babies milk fund and the fresh air fund each received $7000.

GIANTS WIN OPENING GAME AT ST. LOUIS

(By Daily News Leased Wire.)

ST. LOUIS, June 3.—New York won today the opening game of the series, Tesreau and Crandall holding the locals to seven scattered hits. Tesreau was taken out of the game in the sixth to allow McCormick to bat. St. Louis pitchers were hit freely.

	R.	H.	E
New York	5	11	2
St. Louis	2	7	0

Batteries—Tesreau, Crandall and Meyers; Sallee, Burke and McLean.

TYLER LOST CONTROL AND PIRATES WON IN WALK

(By Daily News Leased Wire.)

PITTSBURG, June 3.—After holding Pittsburg nicely for four innings George Tyler lost control in the fifth, and from that time on the locals bunched long hits with walks and won easily 7-2.

	R.	H.	E
Boston	2	7	2
Pittsburg	7	10	0

Batteries—Tyler and Whaling; Robinson and Simon.

ONE SCORE VICTORY WON ON PASSED BALL

(By Daily News Leased Wire.)

CINCINNATI, June 3.—Cincinnat won the first game of the series with Brooklyn today when Ames, the erstwhile New York pitcher, allowed the visitors three hits and shut them out 1-0. Allen also pitched good ball, allowing Cincinnati but three hits. A base on balls on the first inning, however, proved his undoing, as this was followed by two singles, which permitted the only run of the game to come across the plate.

	R.	H.	E
Brooklyn	0	3	2
Cincinnati	1	4	1

Batteries—Allen, Yingling and Miller, Erwin; Ames and Kling.

DUNDEE MEETS DIXON

(By Daily News Leased Wire.)

LOS ANGELES, Cal., June 3.—Johnny Dundee, the New York featherweight, who is matched to fight 20 rounds with Ad Wolgast at Vernon on the night of June 10, has accepted an offer to box 10 rounds with Tommy Dixon at Albuquerque, N. M. on July 4.

TWENTY ROUND FIGHT ARRANGED

(By Daily News Leased Wire.)

SAN FRANCISCO, June 3.—Ad Wolgast was signed last night for a 20 round fight with Red Watson, a California lightweight, for June 20 according to the announcement of a San Francisco athletic club. The weight will be 133 pounds ringside.

FAVORITE DEFEATED IN WOMEN GOLF CHAMPIONSHIP

(Special to The Daily News.)

LONDON, June 3.—The defeat of Miss Cecil Leitch, the favorite for the British women's golf championship at St. Andrews yesterday came as a big surprise at the start of the tournament. She was beaten by Miss Leacher of North Berwick, who won by two to one and owed her success to the fact that she drove a longer ball.

Miss Ravenscroft, the champion, had a narrow win. Her opponent, Miss Bramwell of Cheltenham, just missed winning the last green and the hole ending in a half the players went out again when the holder won the 19th. Altogether 63 matches were directed. The second round will be played today and the final on Friday.

ANOTHER FIGHT ARRANGED

(By Daily News Leased Wire.)

INDIANAPOLIS, Ind., June 3.—Jimmy Clabby, the Hammond, Ind., middleweight boxer, and Jack Dillon of Indianapolis, winner of the bout with Frank Klaus of Pittsburg, here last Thursday night, have been matched to fight here July 4, it is announced.

Sporting Comment

Ireland, for the present, is entirely obliterated from local football circles, and probably will be until after next week.

"Bill" Poupon, formerly of this city, is now one of the star twirlers in the Toronto city baseball league.

Another baseball festival for the fans has been arranged for this afternoon.

A handsome bronze shield has been donated by A. Robley, which will be emblematic of the championship of the city football league. The shield is on display in the window of E. E. Robinson's jewelry store.

It is expected that Nelsons representative oarsmen for the big regattas will soon be selected. It looks like a busy season in rowing circles, with Vancouver, Victoria and Coeur d'Alene regattas in sight.

The cricket club is endeavoring to arrange a game with an outside team for Wednesday next.

Heine Zimmerman says he's tired carrying the Cubs on his back. Whoever's been doing the carrying recently has let his feet slip too often to make the feat one to boast of.

Some speed was shown by the lacrosse boys in last evening's practice.

And when, oh, when, will Nelson land a district league football game?

The senior baseball team will practice this evening.

ENGLISH CRICKET

(By Daily News Leased Wire.)

LONDON, June 3.— Following are today's lunch scores of county cricket matches now in progress:

Surrey are responding nobly to Hampshire's score of 355, having already compiled 303 runs for the loss of three wickets, to which Hayes and Bird were the principal contributors with 120 and 163, respectively.

Northampton fell short by 16 runs of Warwick's score, only succeeding in putting together 234 runs. Thompson played a splendid innings for his 80, not out, while Seymour played a sterling 58.

Kent dismissed Yorkshire for 217, thus securing a lead on the first innings of 34 runs. Kent on going in for the second time have registered 102 runs for the loss of one wicket.

Nottinghamshire scored a victory over Leicestershire by 71 runs. Leicestershire scored 192 rungs in the second innings, of which King and Mounteny were responsible for 66 and 53, respectively.

At the close of play today Surrey had scored 489 for eight wickets, having piled up the magnificent total of 161, while Goatley scored 60 off the Hampshire bowlers. Warwick is playing as well in the second as in the first innings, having compiled 207 for eight wickets, Charlesworth scoring 65 and Onaife 45, not out. Kent's second innings has resulted in 246 for seven wickets so far. Armor scoring 69 and Dillon 62. Woolley did not last long, being bowled for six runs.

NEW PACING RECORD.

(By Daily News Leased Wire.)

PRINCE ALBERT, Sask., June 2.—A new pacing record was established at the races which opened here today, when Dr. B. P., a seven year old grey stallion owned by H. W. Hudson, Prince Albert, won the thousand dollar stake in three heats at two minutes eight and a half seconds two eight and three-quarters and two nine and three-quarters. The official starter, Mr. Rushton, announced that this was the fastest stepping of any horse at any time and in any place in the whole Dominion of Canada. Horsemen also claim that this is a worlds record for this month of the year.

The weather was ideal, and there was a large attendance.

COLUMBIA GARDENS HAS BASEBALL TEAM

(Special to The Daily News.)

COLUMBIA GARDENS, B. C., June 3.—The residents of Columbia Gardens have organized a baseball team, and practices are now in full swing. A game has been arranged with the Trail team for Sunday, June 8. There are a considerable number of Americans at the Gardens, and the ball team is made up mainly from among those residents.

NELSON NOT YET IN WIN COLUMN

Easily Defeated by Trail Eleven in King's Birthday Fixture at Smelter City.

(Special to The Daily News.)

TRAIL, B. C., June 3.—The fifth scheduled football game in the West Kootenay District league was played on the local grounds this afternoon between Trail and Nelson. Trail proved to be by far the superior team, easily winning by the score of 5-2. Scotty Williamson, in goal for Nelson, proved a tower of strength, while Jones for Trail saved many a fine shot. McIlroy scored three of Trail's goals, while Jackson and J. Young each scored one. G. Brown and Brett tallied for Nelson. The teams lined up as follows:

Trail—R. Jones, goal; A. McLean and Welber, backs; McHardy, Potter and M. Marshall, half-backs; Townsend, I. Young, Jackson, Nicol and McIlroy, forwards.

Nelson—A. Williamson, goal; W. J. Rhead and A. Bates, backs; G. Wilkinson, A. Neale and E. A. Bealby, half-backs; Armbrister, G. Brown, Brett, H. A. Francis and E. Bennett, forwards.

Referee, J. D. Robertson of Rossland. Linesmen, H. M. Bailey, Trail, and R. Jones, Trail.

CALGARY FIGHT PICTURES BARRED FROM BOSTON

(By Daily News Leased Wire.)

BOSTON, Mass, June 3.—The moving pictures of the Luther McCarty and Arthur Pelky fight at Calgary, which resulted in McCarty's death, cannot be exhibited in Boston, Mayor Fitzgerald ruled today. The mayor says that because of the tragic end of the match the pictures would have a depressing and perhaps even more harmful effect.

AUSTRALIANS WIN FROM EDMONTON

Cornstalks Continue to Win Easily From Canadian Cricketers—Magnificent Bowling and Batting.

(By Daily News Leased Wire.)

EDMONTON, Alta., June 3.—Although allowing Edmonton 15 minutes in the field, the Australian cricketers won the easiest of victories today. After making 317 for the loss of eight wickets, the Cornstalks declared their innings closed, and the local men, all told, could only respond with 76 runs. The feature of the game was the magnificent batting of W. Bardsley and C. G. Macartney for the visitors and the sensational bowling of Crawford, the former Surrey county player, who took nine Edmonton wickets for 22 runs. The local team were all dismissed in an hour and a half, none of them being able to master the deadly delivery of the visitors. Read, the local wicket keeper, was hit in the mouth with a ball, and had to be assisted off the field. The game was witnessed by 2,000 people. Tonight the Kangaroos are being entertained at a sumptuous banquet by the home team. A second game will be played tomorrow.

HORSES RUN AWAY WHEN RETURNING FROM FUNERAL

(By Daily News Leased Wire.)

MONTREAL, June 3.—While returning from the funeral of his son, Philip Bougie, aged 76, was dashed to death against a curbstone and three of his daughters and a son were knocked unconscious and may not recover as a result of a runaway accident at Cote Des Neiges today. Taking fright at a steam roller the horses attached to the carriage in which the bereaved family were returning from the cemetery, galloped wildly down the steep grade toward Pine avenue with Raoul Des Champ, the driver, hanging to the reins. In trying to check the horses Des Champ guided them into Pine avenue. A wheel was wrenched off and the occupants of the carriage were thrown to the street. The injured are Miss Georgina Bougie, 22 years old, skull probably fractured; Miss Eugenne Bougie, 20 years old, bruised and cut; Mrs. A. Leduc, 40, internally injured.

RAILWAY CAMP BURNED BY BUSH FIRE

(By Daily News Leased Wire.)

LE PAS, Man, June 3.—News was brought into town this morning of a bad bush fire raging up the Hudson Bay right-of-way. At Mile 90 one of the camps of McMillan Bros. was completely destroyed. The loss, which is partly covered by insurance, will be nearly $20,000.

FOUR TEAMS READY FOR TODAY'S FRAY

Two Games Scheduled for Festival of Fun at Ball Park This Afternoon.

All is in readiness for the festival of fun at the ball park this afternoon, when the Hungry Nine and the All Stars cross bats, followed by a fixture between The Daily News team and the Butchers. The fun commences at 2 o'clock sharp, and at 4 o'clock the second game is scheduled to start. The personnel of all the teams taking part this afternoon, except the Butchers, has been arranged, and the beef trust representatives have apparently something up their sleeves to slip over on the Newsies, as they steadfastly refused last evening to divulge their line-up. Here is the list of the other teams taking part in the matinee:

Hungry Nine: Darrough, catcher; Whitehead, pitcher; K. Wilkinson, first base; Matthew, second base; Van Horn, short stop; Mr. Candlish, third base; Wolverton, left field; Joneus, centre field; Lyonnais, right field.

All Stars: Grizzelle, catcher; Brennan, pitcher; Richardson, first base; J. Grant, second base; Hoskins, third base; Middleton, short stop; I. Bush, right field; M. McIntyre, centre field; T. Boyes, left field.

Daily News: Curran, catcher; Whitehead, pitcher; Grizzelle, first base Dill, second base; Mastbers, third base; O'Genski, stort stop; McDonald, left field; Blanchard, centre field; Stanley, right field.

CRAGANOUR IS DERBY FAVORITE

Shogun Second Favorite, With French Candidate Well Supported—Nineteen Starters Expected.

(By Daily News Leased Wire.)

EPSOM, Eng., June 3.—Following are the probable starters for the Derby tomorrow:

A. P. Cunliffe's bay colt Aboysur, R. C. Dawson's brown colt Agadir, Lord Saville's bay colt Aldegend, A. Lowry's chestnut colt Bachelor's Wedding, Lord Harewood's bay colt Cantilever, C. Bower Ismay's bay colt Craganour, Leopold de Rothschild's chestnut colt Day Comet, W. Hall Walker's bay colt Great Sport, Sir John Willoughby's chestnut colt Jameson, F. H. Wise's brown colt Knights Key, W. Raphael's bay colt Louvoir, Naumont's chestnut colt Nimbus, W. Astro's brown colt Pilliwinkie, Lord Rosebery's chestnut filly Prue, Lord Rosebery's bay colt Sanquhar, J. B. Joel's bay colt Radiant, J. B. Joel's chestnut colt Sun Yat, W. R. Wyndham's bay colt Roy Barker and E. Hulton's Shogun.

This gives a field of 19, from which there may be withdrawals, but these will be at least replaced by starters, not much in the public eye and with but an outside chance. On the eve of the race Craganour has gone out a trifle in the betting to 5 to 2. Shogun holds his place as second favorite at 9 to 2; Nimbus, the French candidate, has third place, at 7 to 1; Louvoir, Prue and Great Sport are all being well supported and now are quoted at 100 to 6.

Craven Stakes.

The Craven stakes, about a mile, run at Epsom today, was won by S. Joel's three-year-old St. Gall, by St. Denis-Porphyria, which started at 10 to 1. J. B. Joel's Sun Spot, 8 to 5, was second, and Scotch Wolf, 6 to 1, third.

The Woodcote stakes of £1,000, for two-year-olds, last six furlongs of the Derby course, was won today by Tetrarch, even, the Sundridge Our Lassie colt being second at 100 to 8 and Caranche third, 100 to 8.

During the afternoon the price of the Derby favorite, Craganour, shortened to 9 to 4, while the French horse Nimbus went out to 8 to 1.

WEDNESDAY, JUNE 4.

THE AUSTRALIAN ELECTIONS.

The result of the elections in Australia, which took place on Saturday, is, according to latest returns, extremely close, the Fisher government, which still controls a large majority in the Senate, being defeated by a narrow margin. Only half of the Senate seats were contested, owing to the six-year term of the other half not expiring for three years. The seats not contested are held by Labor representatives, so that with the Labor candidates elected at the present election, control of the Senate will still remain with the party led by Right Hon. Andrew Fisher. But in the lower house the government will find itself in a minority of from one to three votes.

The elections have aroused unusual interest, and the vote is reported to have been exceptionally heavy. The government was opposed by nearly the whole of the press of the country, one of the reasons for which may have been dissatisfaction with the new law which came into operation for the first time during the recent contest, and which provides that on and after the date of issue of any writ for the election of a member of the House of Representatives or for the Senate, or for the taking of any referendum vote, any article, report, letter, or other matter commenting upon any candidate or the issues then being submitted to the electors printed and published in any newspaper, circular, pamphlet, or dodger, shall be signed by the writer, giving his true name and address. Penalty $50.

Mr. Fisher, who became prime minister for the first time in 1908, was defeated in 1909 and returned to office in the following year, appealed to the electors for another term of office on a clear-cut platform. He is a staunch protectionist, an advocate of compulsory military training and is convinced that it is Australia's duty to undertake a share of the burden of naval defence. The Fisher government has made it compulsory for every Australian between the ages of fourteen and twenty-five, who is physically fit, to undergo military drill. Domestic reforms of which Mr. Fisher is champion include national insurance, nationalization of public utilities and control of trusts. His government also fathers various referendum proposals which would tend to make the constitution of Australia more similar to that of Canada than it is at present. They involve greater centralization by the transfer of jurisdiction from the states' legislatures to the federal parliament. These proposals naturally aroused keen opposition in certain quarters, and have been the chief storm centre of the campaign.

One striking result of the election is the manifestation of the protectionist sentiment of the country. Every avowed free trader has lost his seat. Another feature of the election shows how well established at the present moment are the existing party lines, for every independent candidate has been defeated. Three women candidates offered themselves for election, and they, too, are among the rejected.

CANADA FOR CANADIANS.

The Calgary News-Telegram is thoroughly in sympathy with the amendments to the Fruit Marks act passed during the present session, and is of the opinion that the new regulations will be of benefit to dealers and to consumers of fruit on the prairies, as well as to the fruit growers of British Columbia. It says:

By a new enactment which is not intended to boycott but to regulate the importation of foreign fruit, for the protection of Canadian consumers, and to prevent the dumping into this country of products of questionable quality, the department of agriculture of the Dominion will prescribe the kinds of fruit that may be imported, the brands or marks that must be used upon the packages, and the manner and places in and at which this fruit is to be inspected, and the packages branded or marked. All packages of fruit not branded or marked according to these regulations will be forfeited, and violations of the act will be met by a fine not exceeding $50 and the costs, or, in default of payment, imprisonment not exceeding one month.

This will put a stop to such practices as prevailed this spring, when tons of frozen oranges from California reached Calgary and other western centres. It will, likewise, prevent the dumping of immature apples, pears, plums, and other objectionable products of the orchard in this country, which, in the past, has entailed heavy losses upon Canadian dealers.

Whilst the new act may not stop the importation of foreign grown fruit, it will restrict the competition of foreign inferior grades against native superior products, and, in this way, protect the fruit growers of British Columbia, and encourage them to greater efforts in the production of the best fruit attainable. Nature steps in and prevents them monopolizing the early markets; but the law steps in to prevent them being discriminated against when their crops are ready for marketing, by compelling their foreign competitors to comply with the same laws as to packing, branding and quality as Canadians have to observe. In this the government has abolished another anomaly, and has shown itself in favor of the policy of "Canada for Canadians."

What the Press Is Saying

Our Unliberal Senate.

The Dominion senate is without the hereditary principle that disfigures our own house of lords, but it is unrepresentative and irresponsible and cannot be defended upon any democratic conception of government. Neither party will be likely to oppose its reform. The Liberals cannot respectably oppose it, for the existing house is a denial of the elementary principle of Liberalism.—London Daily Chronicle.

Diplomatic.

When W. J. Bryan was in Tokio, a few years ago, he was put in the position where he was expected to drink the health of Admiral Togo in champagne. As a diplomat it was his duty. As a teetotaller it was impossible. "Admiral," he said, filling his glass with water, "all your victories have been won on water. When you win on champagne I will drink to you in champagne."—Toronto Star.

A Tremendous Task.

We have seen the effects of a dangerously unrestricted immigration into the United States. When the flood had risen almost immeasurably that country applied much stricter regulations, but in sptie of these an annual influx of about 1,000,000 foreigners has given the United States a problem in assimilation which it is taking her all her time to solve. The new arrivals in Canada are just touching the half million mark, but, with a population of only one-thirteenth that of our neighbor, our task of assimilation is considerably more serious than theirs. It will need our best efforts to bind together all these diverse and often antagonistic elements in a common spirit of Canadianism.—Montreal Herald.

Cold Storage

"Everything she had went at auction."
"Public sale?"
"No, bridge."—Judge.

A belief that the race is not always to the swift no doubt accounts for our widespread confidence in tips.—Puck.

"Chapleigh appears to be such a contented body."
"Yes; but in so many instances ignorance is bliss, you know."—Buffalo Express.

"He expects to be rich some day."
"What's he done?"
"He's invented a waterproof bread for lettuce sandwiches."—Detroit Free Press.

Wife (bitterly)—"How can you talk that way? You know that I never pester you for money."
Hub—"No, but the people you buy things from do."—Buffalo Transcript.

"I don't believe he is a real duke."
"How about his old family jewels?"
"Did he show you any old family jewels?"
"No, but he showed me the pawn tickets for some."—Louisville Courier-Journal.

"Shall I submit a copy of this interview to you after I have transcribed it?" asked the busy reporter.
"Well," replied Mr. Dustin Stax, thoughtfully, "if you want to make sure of my not contradicting it maybe you had better submit copies of it to the directors with whom I am associated in various interests."—Washington Star.

He is an old-fashioned father, which explains why he said to the young man: "Are you sure you are able to give my daughter the comforts and luxuries to which she is accustomed at home?"
To which the young man promptly replied: "As your daughter's salary has paid the rent and bought most of the clothes and food for your family, I think we can worry along."—Cleveland Plain Dealer.

This Day in Canadian History

For many a long year June 4, the birthday of King George III, whose luckless obstinacy resulted in the loss to the empire of the Thirteen Colonies, was kept as a holiday by his loyal Canadian subjects. At little Newark in 1793, "his excellency" the lieutenant-governor, Simcoe, officially celebrated the occasion by holding "a levee at Navy hall. The field pieces above Navy hall, under the direction of the Royal artillery, and the guns at the garrison fired a royal salute. In the evening his excellency gave a ball and elegant supper in the council chamber, which was numerously attended." Amongst the guests were three American commissioners on their way to a great council to be held with the western Indians at the Miami river, and one of these, Gen. Lincoln, in his private diary gives this glimpse of the festivity. At the ball were "about 20 well-dressed and handsome ladies and about three times that number of gentlemen. They danced from 7 o'clock till 11 when supper was announced and served in very pretty taste. The music and dancing was good, and everything was conducted with propriety."

The Weather

(By Daily News Leased Wire.)

TORONTO, June 3.—Light showers have occurred today in many parts of Ontario and Quebec, while elsewhere in Canada the weather has been fine. Light frosts were recorded last night in parts of the western provinces.

TWO NEW SHIPS FOR COAST SERVICE

(By Daily News Leased Wire.)

VANCOUVER, B. C., June 3.—Announcement was made today at the general offices of the Canadian Pacific railway that prior to his departure from England, Sir Thomas Shaughnessy had ratified contracts entered into by Capt. Troupe with the shipbuilding firm of Denny Brothers, Dumbarton, Scotland, for constructing two Princesses for the British Columbia steamship service. Each steamer will be 5,000 tons and will be ready for service in 1915 in order to catch the big traffic during the San Francisco fair.

LOCKHART BEACH DELIGHTS PARTY

Representative Nelson Men Pay Visit to Government Summer Homes Subdivision on Kootenay Lake.

Greatly impressed by the advantageous location of Lockhart beach as a place for summer home sites and delighted with the general appearance of the subdivision, the magnificent scenery, the improvements which have been made by the government and the good fishing water, a party of about 20 prominent residents of Nelson returned last night from a launch trip to the Kootenay lake beauty spot, which is to be offered for sale at public auction by the provincial government at Nelson on June 16. Charles A. Waterman, who will be the auctioneer at the sale, was in charge of the party.

"I was most favorably impressed by Lockhart beach. People on the prairies who may buy some of the lots at the sale will be securing delightful summer home sites," remarked S. M. Brydges, while George Benwell was charmed by the scenery, the possibilities for building up a subdivision of pretty summer homes amid ideal surroundings and by the fishing. Salmon and trout were to be seen in great numbers sporting around in the water near the beach, he said.

Other members of the party were also enthusiastic regarding the property, several emphasizing the advantages of the creek which runs through the land and the excellent beach which fronts it.

Leaving Nelson in a launch, the party lunched at the Kootenay Lake tourist hotel at Balfour and then proceeded to Lockhart beach, where an inspection was made of the property. On the return the members of the party dined at the Balfour hotel as guests of Frank B. Whiting.. Those who took part in the trip were:

A. B. Netherby, Harold Selous, S. M. Brydges, F. B. Whiting, H. D. Birkbeck, George Horstead, J. S. Munro, J. G. Bunyan, G. A. Hunter, George Benwell, T. M. Bowman, W. J. Devitt, W. C. McClelland, T. A. Robley, Charles F. McHardy, L. K. Larson, William Irvine and son and C. A. Waterman.

WATERS OF FRASER CLAIM NELSON MAN

A. V. Lucas, Brother of Needles Resident, Is Drowned in North—Employed by Surveyors.

News that A. V. Lucas, formerly of Nelson and a brother of F. B. Lucas of Needles, was drowned in the Fraser river on May 29, has been received in the city. The body has not yet been recovered.

The late Mr. Lucas was well known in Nelson, where he was in the employ of Green Brothers & Burden, the surveyors. Two years ago he was transferred by that firm to Fort George under F. P. Burden. He was an expert with a boat in swift water and a good swimmer and a general favorite in athletic circles in Nelson.

WEATHER GLORIOUS ON KING'S BIRTHDAY

Those Who Observed Holiday Took Advantage of Sunshine—Lake Dotted With Boats.

Nelson yesterday celebrated the birthday of King George V. under ideal weather conditions, and the west arm of the lake was dotted with launches, rowboats and canoes from morning until well after dusk.

Many of those from the government offices, banks and other institutions which observed the holiday spent the day fishing and several nice catches of rainbow trout, Dolly Varden trout and salmon were reported last night.

Warm sunshine with a pleasant cooling breeze was the prevailing weather of the day, which was one of those for which the summer of Glorious Kootenay is famed.

NOBLE FIVE SLIDE GIVES UP CORPSE

Second Body, That of Angelo Troi, Is Discovered—Was Nephew of Dominico Maglio of Nelson.

Another of the bodies of the three men who were swept to death by a snowslide near the Noble Five mine at Sandon the week after Christmas last has been discovered. It is that of Angelo Troi, a nephew of Dominico Maglio of Nelson, who went to Sandon yesterday to take charge of the funeral arrangements.

Henry Johnson's body was discovered a few days ago, when a cook from the Noble Five noticed a hand sticking up from the snow.

The late Mr. Troi leaves a widow and three children, who are living in Ardavilla, Italy.

TWENTY STAMPS POUND OUT GOLD AT QUEEN MINE

With a force of 25 men the 20-stamp mill at the Queen mine at Sheep creek is continuing to crush ore at the regular rate. E. V. Buckley, manager of the property, who was at the Hume yesterday, will return to the mine this morning.

SUFFRAGETTES INVADE ACADEMY

(By Daily News Leased Wire.)

LONDON, June 3.—A small band of suffragettes today invaded the Royal academy, which was thronged with visitors. They mounted chairs, unfurled banners and began speaking. The police quickly ejected them.

GRAND TRUNK NEEDS MONEY

(By Daily News Leased Wire.)

OTTAWA, June 3.—There are strong indications that before prorogation is reached parliament will be asked to pass a bill authorizing a loan of $15,000,000 to the Grand Trunk railway company. It appears that the company owing to the existing world-wide financial stringency, has not been able to secure in Great Britain the capital necessary to complete its lines and that in approaching the government the officials of the company have frankly stated that unless they can get the cash somewhere work on the western lines will have to be suspended. They have, it is said, offered to give ample security for the loan which will be for 10 years at the rate of 4 per cent. The late government in 1909 gave the Grand Trunk Pacific a $10,000,000 for which security was given in the form of a mortgage on Grand Trunk and Grand Trunk Pacific lines. At that time Arthur Meighen moved that the company be asked to put up stock as security, and it is possible that this may be the form of security asked for by the present government as the Conservatives all voted for Mr. Meighen's proposal.

It is stated that when the Grand Trunk Pacific people approached the government for a loan Mr. Borden and his ministers offered to take the line over, but the company declined to sell out. A definite announcement as to the intentions of the government will probably be made within the next 24 hours.

DATES NOT FIXED

(Special to the Daily News.)

VANCOUVER, B. C., June 3.—Coal Commissioner Burns stated today that he had not yet fixed dates for his trip to the interior or to Vancouver island. He will make the latter trip first.

Progressing Rapidly

Wherever an Elks' Lodge is established you always see the leading business and professional men as members of this most popular order, which is purely fraternal, and the social club its main feature. A number of Nelson's most prominent citizens are taking an active interest in the future of the club to soon be established here, among them Mayor Keefe, Provincial Chief Black and others of equal prominence. Sir Richard McBride was the first man in Victoria to sign an application, Judge Wells Gray, Mayor of New Westminster, exalted ruler of No. 3 at that place, and ex-Mayor Taylor of Vancouver of No. 1. All good men are invited to become members. The following is a list of the Grand Lodge officers of Vancouver:

Grand Exalted Ruler, E. W. Hachmuth.
Grand Esteemed Leading Knight, W. C. Watrous.
Grand Esteemed Loyal Knight, Dr. D. H. Weaver.
Grand Esteemed Lecturing Knight, Chas. E. Strong.
Grand Secretary, Charles L. Barnett.
Grand Treasurer, J. F. Bennett.
Grand Esquire, John H. Sears.
Grand Chaplain, A. G. Brown.
Grand Inner Guard, Henry Freund.
Grand Tyler, Frank McAlpine.
Grand Trustee, Fred Phillips.
Grand Trustee, Wm. H. Morrow.
Grand Trustee, Joseph F. Morris.
Grand Trustee, A. W. Hunter, M.D.
Grand Trustee, Robert Clark.
Past Grand Exalted Ruler, Charles E. Redeker.

Applications will be received by Mr. Fred A. Starkey at office, when any information may be had relative to the order; also an invitation is extended to residents of near-by towns who wish to become members. The charter will be open for a limited time only, and a very nominal fee will be charged to the first hundred members.

GIN PILLS Brought Relief

Larder Lake, Ont., March 26th.

"I had been suffering for some time with my Kidneys and Urine. I was constantly passing water, which was very scanty, sometimes as many as thirty times a day. Each time the pain was something awful, and no rest at night.

I heard of your GIN PILLS and decided to give them a trial at once. I sent my chum 60 miles to get them and I am pleased to inform you that in less than six hours, I felt relief.

In two days, the pain had left me entirely. I took about half a box and today I feel as well as ever and my kidneys are acting quite natural again."

SID CASTLEMAN.

GIN PILLS soothe the irritated bladder—heal the sick, weak, painful kidneys—and strengthen both these vital organs. Money back if they fail.

50c. a box, 6 for $2.50. Sample free if you write National Drug and Chemical Co., of Canada, Limited, Toronto. 139

HOUSE VOTES RAILWAY GRANTS

(Continued from page one.)

present, this stock was of value, and would prove a valuable asset to the Dominion, he believed.

The question arose, said Mr. Cochrane, what reason justified this aid, and as whether in doing so it was assisting this transcontinental to a greater extent than the other transcontinental roads. Consideration had been given to this and a conclusion reached that the action was only fair towards the Canadian Northern railway.

A comparison could not be made with the Canadian Pacific railway, he said, because the assistance that road received was on an altogether different basis. The land granted proved a tremendous bonus, but was not considered much of an asset at the time. Monthly grants and the construction of sections by the government seemed more important in comparison. It must be remembered that the Canadian Pacific railway was the pioneer road and traversed a country very little known. A fairer comparison can be made between the cases of the Grand Trunk Pacific and the Canadian Northern railways. The assistance that was given to the Grand Trunk Pacific was stated to be as follows:

Guarantee of bonds for the mountain section, $50,292,000; for the prairie section, $11,895,000, a total guarantee of $62,187,000; amount required for "implementing" bonds of the western section, $13,000,000; loan in respect to the prairie section, $10,000,000; seven years interest on the company's bonds for the mountain section, $10,561,320; saving to the company by reason of the government having constructed the eastern section, $26,979,640.

The assistance given to the Canadian Northern, including the present proposed subsidy, was as follows:

Guarantee of bonds Montreal to Port Arthur, $35,875,000; Grandview to Edmonton, $8,060,000; Edmonton to Yellowhead Pass, $6,720,000; total guarantee of $50,655,000; cash subsidies, Ottawa to Hawkesbury, $367,872; Stanley to Port Frances, $1,355,326; Fort Frances to Rainy River, $179,200; Yellowhead Pass to Vancouver, $6,180,000; cash subsidies now proposed, $14,404,000; a total subsidy of $22,122,398.

Labor More Costly.

Sir Wilfrid Laurier said that as far as he could see the only reason given for the proposed assistance to the Canadian Northern was that this railway had not thus far been dealt with as generously as the other great railways of the Dominion. This argument he did not regard as of any strength. Railway construction was becoming less expensive as time went on. It cost more to build the pioneer road, the Canadian Pacific, than it did the railways that came after it. So that being the latest in the field all the advantage was in favor of the Canadian Northern railway, with the possible exception of labor which, no doubt, cost more today. If the Canadian Northern railway wanted assistance of some kind from the country it should, he said, have brought before parliament a statement of its affairs, so that the country might know the justification for granting the aid. He said that when the Canadian Pacific railway came before parliament in 1884 it presented such statements, and frankly told the country that the enterprise would collapse unless it was given some help If the Canadian Northern had told parliament something like this it would have been a very different matter. The Canadian Northern had already been generously assisted by an endorsation of its bonds, and he believed that the day had passed when an enterprise of that kind should be assisted by a cash subsidy. If the Canadian Northern was to receive anything at present it should be a loan. Sir Wilfrid referred again to the early struggles of the Canadian Pacific railway and said that while all these things could not be foreseen at the time, he believed today that it would have been better if in 1881 the government had loaned its credit to the enterprise and provided a loan to the proposed railway of $100,000,000 or $150,000,000. He saw on the order paper a resolution providing for a loan of $15,000,000 to the Grand Trunk Pacific. He would like to ask the government why it made a loan in one case and gave a cash subsidy in the other.

Hon. Mr. White said that he regarded the question as a very proper one. The transportation question in Canada was as old as Confederation; in fact, political confederation could not have been brought to pass except by binding together the four scattered parts of Canada. It was a task that every government had faced—how to provide transportation for the Dominion with its stretch of territory 4,000 miles from ocean to ocean. Mr. White then reviewed the aid the Canadian Pacific railway and the Grand Trunk Pacific had received. The Canadian Pacific, he said, has received $25,000,000 in capital and 25,000,000 acres of land, valued then from $1 to $1.50 an acre, and which has since turned out to be worth $250,000,000. Referring to the Grand Trunk Pacific, Mr. White said that Sir Wilfrid Laurier seemed to have forgotten what he did when in office. It was a convenient habit. No railroad company in Canada had ever been subsidized on such a scale as the Grand Trunk Pacific. The Canadian Northern railway had not received anything like the same amount. The government of Canada had built the eastern section and when the road was completed the minister of railways stated it would cost $230,000,000. For the sake of argument and to be moderate he would place that total at $175,000,000. In the agreement with the Grand Trunk Pacific there was no interest paid for the first seven years by the Grand Trunk Pacific for the government-built section. That means a direct subsidy of $5,000,000 per annum or $35,000,000 for the seven years. In addition, in 1909 there was further aid in the shape of a loan of $10,000,000. He was not criticizing the government for making this loan, as they had found just as the present government found, that when a great enterprise was started it could not be checked. Thus the Grand Trunk Pacific received the following cash subsidies: $30,000 to $35,000 per mile; guarantee, $40,000 per mile and loan $15,000 per mile, a total of $55,000 per mile.

Mr. White said that private enterprise would not bridge these gaps unless they were given assistance. It was absolutely necessary that a measure of government aid should be given. The leader of the opposition, he said, apparently failed to appreciate the enormous project of the Canadian Northern and what it meant for Canada. It had already linked up Port Arthur to Edmonton and had a large western system, and last year carried from 30 to 40 per cent of the grain of the west. Since 1889 they had built or acquired over a mile a day. They had 15,000 men engaged in construction work and had 25,000 men in the operation of their road. They had 1,800 miles in the east and 2,500 miles in the west. The cost of the Canadian Northern system up to the present time had been $265,000,000, including the parent and affiliated companies. The company had received guarantees from the Dominion and provincial governments to the extent of $120,000,000 and had issued securities of its own which realized $145,000,000. The $120,000,000 of aid given, Mr. White said, was divided as follows: Dominion, $58,000,000; Manitoba, $24,000,000; Saskatchewan, $8,000,000; Alberta, $5,000,000; British Columbia, $16,000,000, and Ontario, $7,000,000.

The company at the present time, he said, has in operation of its main line about 1,600 miles, and it is estimated that by the end of 1914 Canadian Northern trains will be running across the continent. On the line between Montreal and Port Arthur the late government had given a guarantee of bonds to the extent of $35,000 per mile. The proceeds of this issue realized only $31,762 per mile. The former minister of railways had estimated the construction of this section at $55,000 per mile, which would leave $24,000 per mile to be raised by the promoters of the road. The company had received a land grant from the Ontario government, but up to the present time this had proved to be of little value.

On the Port Arthur-Winnipeg section of the road, a distance of 438 miles, guarantees had been given by the Manitoba government to the value of $6,000,000. The federal government had given assistance towards the 750 miles between Grandview and Edmonton to an amount of $9,000,000. Assistance had been given to the Edmonton-Yellowhead line to the extent of $6,000,000, while the road from Yellowhead to Vancouver had been aided by the British Columbia government by a similar amount. The guarantees by the Dominion government for the main line, apart from British Columbia lines, had totalled $57,000,000, or an average of $20,000 per mile from Montreal to Yellowhead.

The total amount of subsidies as distinguished from guarantees received by the Canadian Northern on its main line from Quebec to Vancouver had amounted to only $8,000,000. On the lines it was now proposed to subsidize no subsidy had been received. The proposed subsidy of $12,000 per mile for the Ottawa-Port Arthur and Edmonton-Yellowhead lines was large, but was not unreasonable, in view of the stretches of non-productive land which have to be traversed and the cost of securing terminals in cities. There was precedent for such a subsidy as the Laurier government had given $11,000 per mile for the Canadian Pacific line from Lethbridge to the Crows Nest, and last year $12,000 per mile was given to a British Columbia line. The proposal that the government should receive 75,000 shares of Canadian Northern stock for the excess subsidy Mr. White described as a "forward advance in connection with granting subsidies." "The government had taken the position that it should receive some consideration from the Canadian Northern in view of the subsidies granted. If the federal government in years past had received a block of Canadian Pacific railway stock it would be a considerable asset today."

The minister said that he would not care to place a present value on Canadian Northern railway stock, but some years ago he knew of a few transactions in the stock at upwards of $40.

In reply to a question by W. F. German, the finance minister said that he could not say whether the remainder of the stock had been issued to Mackenzie & Mann, but as they were in most cases the contractors, he presumed it had been.

Subsidies Warranted.

Hon. George P. Graham said that he took no issue with the finance minister in aiding railroads. Parliament had done much for other roads and he thought it was worth it to the country. He said that when the Grand Trunk Pacific was completed the country would own 1,800 miles of the highest standard of road on the continent. Although it was leased to a company, yet the title was in the name of the Dominion government. As far as he was concerned he was prepared to do something for the Canadian Northern at the present time. The question was how or what. When a company was asking for favors it was a good time to ask for something in return. There were no figures to prove that the Canadian Northern railroad needed aid; however, he said that as the government has linked its name and credit with the Canadian Northern it could not afford to let the enterprise collapse, though he was not hinting that there was any such danger. He did not object to something being done for the railroad. Continuing, Mr. Graham stated that the government should take advantage of the present opportunity to insist on the Canadian Northern placing its whole transcontinental system under the control of the railway board. By an agreement between the company and the British Columbia government 500 miles of the road in that province does not come under the railway board.

Mr. Bennett—The through rates will be under the control of the board.

Mr. German—I do not think so. By a recent decision of the privy council it was established that the board does have jurisdiction over provincial rates fixed in connection with a line chartered by the Dominion.

Premier Borden declared that at present under the Railway act the commission had jurisdiction. If the line was going to fulfill the functions of a transcontinental it must inevitably be brought under one company, and they must come to parliament for this purpose. The condition could not be insisted upon. He did not see any reason for insisting upon the condition now.

Mr. Borden emphasized the great part which railway extension had played in the prosperity and development of Canada during the past 10 years. He agreed that the Canadian people had made great sacrifices to bring about the extension. The geographical conditions of the Dominion, however, were a tremendous handicap in transcontinental building. The cost of construction was increasing, and in addition there had existed for the past 15 months a financial stringency, the like of which had not been known for 20 years. It affected the sources from which Canada had got her financial aid in the past. It would be disastrous, said Mr. Borden, to have the company collapse, or to even have the progress of its line retarded. He had been surprised when the figures concerning bond guarantees by the Dominion had been submitted. He had supposed that the largest amount of the money used for the construction had been raised by means of bonds and securities guaranteed by the Dominion. He had found that the securities amounted to $265,000,000, out of which only $120,000,000 had been guaranteed by the Dominion and the provinces, the share of the Dominion being $58,000,000. Subsidies were not a new principle. The subsidy only proposed for reasonable measures of aid. Even the double subsidy proposed was not unreasonable in view of the cost of construction.

Speaking of the stock which the government was to get, Mr. Borden, while admitting its value at present was indeterminate, believed that in the future it might be a real asset to the government. He had no doubt that the government could get a representative on the directorate if it were of any use, but he doubted it. The premier stated that when it came to a choice as between a loan and a subsidy the government had decided to choose the latter alternative. If a loan were granted the government would have to ask for security, and the large security needed would render the government responsible for the future financing of the road.

W. M. German said that the government proposal had been damned by the faint praise it had received at the hands of the prime minister. A speech more inconsistent with the proposal being made to the house had probably never been made by any premier. According to rumor in the corridors, the majority of the ministerial supporters were not in favor of these subsidies. Cries of "No" greeted the remark.

"Speak for yourself," shouted Mr. Henderson of Halton, across the floor of the house.

"Speaking for myself," I am opposed to this proposal," declared Mr. German. He went on to say that the Canadian Northern was supposed to be controlled by Mackenzie & Mann, knights of the realm. It was really controlled by Z. Lash, who had induced the minister of finance and 18 other Toronto Liberals to sign a round robin against reciprocity. Now he had come to Ottawa to get his reward.

"Where were you on reciprocity?" shouted ministerial members.

"I was against it, and I don't regret it, but I was not travelling with these gentlemen," retorted Mr. German.

Proceeding, the member for Welland said that the minister of finance could not be beaten as a special pleader. He had manipulated the figures in a most wonderful way. As for Mackenzie & Mann, they had made $10,000,000 as contractors for the Canadian Northern railway; they have $45,000,000 of the stock, and control another $25,000,000. When it is released from trust in 1916 it will become their property. "I have no quarrel with the Canadian Northern railway or any other company," said Mr. German, "but I do protest against these men simply exploiting the Canadian Northern. I say this advisedly, because I know pretty well what I am talking about. They own the railway, they have made money out of it and the public has paid the price."

Mr. German said that in the early days of the Canadian Pacific railway Lord Strathcona and Lord Mount Stephen had put all their own money into the project because they had faith in it. Mackenzie & Mann ought to put their own money into this enterprise.

Mr. German did not approve of the action of the government in taking Canadian Northern stock. As a matter of principal the government should not take stock in any company. He did not believe that $15,000,000 would be worth much to the company. Thirty or thirty-five millions might be of some use in completing the enterprise and if Mackenzie & Mann were prepared to put up ample security he would favor letting them have that sum as a business proposition. In closing, Mr. German strongly protested against the proposal to grant a subsidy to the Ottawa-Toronto line. This line, he said, would pay from the first. He moved that this subsidy be struck out.

Mr. Macdonald said the government was guilty of slovenly business methods in coming before parliament without a line of correspondence with the company.

The amendment of Mr. German was declared lost without division.

Hon. Frank Oliver, who followed, said that an apology apparently was almost necessary to speak on this subject. If aid was granted it should be in the interests of the people rather than the railroad. In this case he did not believe due regard had been paid to the interests of the people. It was a case of paying over $15,000,000 for the benefit of the Canadian Northern railway. Mr. Oliver claimed that the Canadian Northern railway was not a pioneer road like the Canadian Pacific railroad. For 200 miles west of Edmonton the Canadian Northern railway paralleled the Grand Trunk Pacific. Within a stone's throw every pound of rail used by the Canadian Northern railway was hauled over the Grand Trunk Pacific. They were not developing one foot of new territory. Of the whole route from Edmonton to Port Mann there was only 200 miles through new territory. For 70 miles east of Port Arthur the new Canadian Northern railway ran beside the Canadian Pacific railway. From Sudbury to Ottawa it practically paralleled the Canadian Pacific railway. Mr. Oliver pointed out the necessity of the government securing arrangements for lower freight rates in the west. He said the government should in connection with these subsidies make conditions with the company as to rates. This was done by the late government in connection with the aid given to the Crow's Nest Pass railway. It was done by the Manitoba government when it gave aid to the Canadian Northern. Mr. Oliver then referred to the resolution passed by the Winnipeg board of trade calling upon the government to make a bargain for rates in the west in connection with any aid given the Canadian Northern. He said he would move an amendment in practically the same terms as the resolution of the board of trade declaring that the government should call upon the Canadian Northern railway within two months to submit to the railway board rates on its lines west of Fort William, which shall be the same as the rates that apply in Ontario and Quebec.

Dr. Morse's Indian Root Pills
owe their singular effectiveness in curing Rheumatism, Lumbago and Sciatica to their power of stimulating and strengthening the kidneys. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases. Over half a century of constant use has proved conclusively that Dr. Morse's Indian Root Pills strengthen weak kidneys and

TORONTO, June 3.—According to indications a few days will see so many contractors signed up that the great majority of the striking carpenters will be able to return to work.

"I ATTRIBUTE MY CURE SOLELY
And Entirely To Taking "Fruit-a-tives"

HULL, QUE., DEC. 24th. 1909

"For the past twelve years, I had painful attacks of Dyspepsia. I could not digest my food and everything caused the most agonizing pain in my stomach. I also had a fearful attack of Constipation and at times, I had no movement of the bowels for two weeks.

Three doctors attended me for two years and gave me all kinds of medicine but did me no good. My weight came to only 80 pounds and everyone thought I was going to die. Finally, I had the good fortune to try "Fruit-a-tives" and as soon as I began to take them, I felt better. I persisted in the treatment and to my great joy, I steadily improved.

Now I feel very well, weigh 115 pounds, and this is more than I ever weighed even before my illness.

I attribute my cure solely and entirely to "Fruit-a-tives" and can never praise them too much for saving my life. To all who suffer from Dyspepsia and Constipation, I recommend "Fruit-a-tives" as a miraculous remedy"

MRS. ANDREW STAFFORD.

50c a box, 6 for $2.50, trial size 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

SPRING WAISTS
A Satisfying Collection of Desirable Styles Attractively Priced

The Waist is one of the most important articles of a woman's wardrobe. There are times when a stylish, up-to-date, handsome Waist is the most convenient article imaginable. A stylish waist has helped many a woman out when unexpected calls came in, or when she was in a hurry, and hadn't time to change to an elaborate costume, and on such occasions she mentally thanked her stars that the waist was at hand.

The new Spring Waists show originality in treatment, diversity of styles, beauty of materials, and a great variety of plain and novelty effects.

We are sure to have just the Waist you want. Come in and let us show you. The prices are lower than you expect.

We have them from $1.00 up

CANADIAN PACIFIC RALLIES

(By Daily News Leased Wire.)

LONDON, June 3.—Money was in good demand and discount rates were firmer today. Further weakness developed in practically all sections of the stock market during the forenoon under renewed liquidation and provincial liquidation, which was largely due to banks curtailing credits. Midday saw a sharp advance of 5 points in C.P.R., while steady Paris support and a few investment orders checked the downward movement and raised hopes that the bottom had been reached. The market closed steady. American securities opened easy and moved irregularly during the early trading. Shortly after noon the list rallied well, with C.P.R. and Union Pacific leading. Continued and local repurchases and Wall street buying brought about the upturn and held values near the highest during the rest of the session. The closing was steady.

RENEWED LIQUIDATION CHECKS UPWARD TENDENCY

(By Daily News Leased Wire.)

NEW YORK, June 2.—Renewing liquidation of dividend paying stocks, some of which were under heavy pressure earlier in the year, and the unfavorable tenor of the government's weekly weather report put a check on the improving tendency displayed by the market during the early trading today. For a time after the opening the tone was more cheerful and some progress was made toward recovery from yesterday's decline. Union Pacific and C.P.R., the weak features of the preceding day, moved up strongly at the outset and the whole list presented a better front. In the last half hour of the day the market moved down again with active selling during the last hour, which carried the prices around yesterday's low points. The weather report, showing a serious deficiency in precipitation over the south and middle west and consequently unfavorable crop conditions, was one of the main factors in the heaviness of the market. European trading again largely figured in the course of the market. London, which sold stocks here heavily, bought C.P.R. and Union Pacific early today. Later the foreign traders reversed their position and brokers said there was a balance of foreign account at the close of the day. In view of the strong technical position the market sellers are unwilling to shade prices and few bids are being received. Bonds were under pressure.

Total sales, par value, $2,060,000. United States bonds were unchanged on call.

GRAIN

VOLUME OF BUSINESS SMALL PRICES SLIGHTLY STRONGER

(By Daily News Leased Wire.)

WINNIPEG, June 3.—Officially the wheat market was closed today in honor of the King's birthday, while on the curb a light volume of business was done at slightly stronger figures. American markets, on the other hand, opened ⅛@⅜c lower and further declined ⅜@⅝c, rallying later to around opening prices. The weakness of the morning was attributed to rains in Kansas and lower Liverpool cables. Later the market broke on realizing that rains were too light to do any any good. Minneapolis opened ⅛@⅜c lower to ⅜c higher. Chicago opened 1c lower for all months and closed ⅛@⅜c higher. Chicago coarse grains were strong. Corn, ⅝@1⅛c higher and oats ⅛@¼c higher.

Inspections on Monday totalled 565 cars and in sight were 40 cars. Of the 565 cars inspected no less than 189 were flax and 149 were graded 1 N.W.C.

Chicago wheat, close—July, 91⅛c; September, 93¾c.

Minneapolis, close—July, 90½c; September, 92c.

Winnipeg, holiday.

WOMAN'S AUXILIARY IN SESSION AT CALGARY

(By Daily News Leased Wire.)

CALGARY, Alta., June 3.—With more than 200 delegates from all parts of Calgary in attendance the ninth annual meeting of the Women's auxiliary of the diocese of the Calgary Church of England convened this morning in Paget hall. Previous to the convention meeting the ladies partook of a communion service in the cathedral, at which the Bishop of Calgary was celebrant, followed by a sermon on missionary work delivered by Rev. Archdeacon Hogbin of Banff.

INSPECTOR DUFFUS PROMOTED.

CALGARY, Alta., June 3.—Inspector Duffus, who has been stationed in Calgary for the past seven and a half years as second in command of the Royal Northwest Mounted Police, has been promoted to command the subdistrict of Saskatoon, and will leave the city on Thursday afternoon to take up his new duties in that city.

PAYS DIVIDENDS DESPITE LOSS

Gross Earnings of International Mercantile Marine Company Show Over Three Million Increase

(By Daily News Leased Wire.)

NEW YORK, June 3.—In spite of the heavy loss sustained by the International Mercantile Marine company by the sinking of the Titanic a year ago, the gross earnings of the company for the year ending Dec. 31, 1912, were $42,560,693, or $3,367,147 more than in 1911. This did not include the earnings of the Leyland or the National lines in which the International Mercantile Marine has important holdings. The total earnings for the year are $43,725,508, as compared with $39,153,343 for 1911, while the balance after charges was $7,597,325 against $8,082,556. Nothing was added to the insurance account during the year, but $391,000 was added in 1911, making the net profit for the year $3,787,911 against $4,519,629 for the year ended Dec. 31, 1911.

During the year $250,000 of the company's 5 per cent debenture bonds were retired and it is planned to retire the same amount on Aug. 1 this year. The company has several large ships under contract which will be added to its fleet which now numbers 167 vessels. First class traffic west and east bound fell off considerably during the year, but second and third class increased a great deal. A six per cent dividend was paid on the preferred stock.

ENGLISH MINERS GO TO COAST

Will Not Act As Strikebreakers — Union Men Say Regulations Were Broken

(By Daily News Leased Wire.)

WINNIPEG, June 3. — Sixty-one English miners from the Colquits of Cumberland, passed through Winnipeg last night en route for Vancouver Island. They have been engaged, they declared on the assurance that there was no labor trouble at their destination, but were informed by the local labor men that there was a strike of miners on the island. All being union men they declare that they will not act as strikebreakers, but decided to go on to Vancouver after having come so far. Local labor men affirmed their intention of reporting the matter to the minister of labor, alleging that the men have been brought in under misrepresentation in contravention of the act.

SENATE RECOMMENDS DUTY ON MEATS AND FLOUR

(By Daily News Leased Wire.)

WASHINGTON, June 3.—Meats and flour will not go in the free list in the Democratic law if the recommendation of the senate finance subcommittee in charge of the agricultural schedule is accepted. This important legislation of the Underwood bill, as it passed the house was determined upon today by the sub-committee composed of senators. It was decided in carrying out the determination to perfect the Underwood bill by equalizing raw material and their products that it would be wiser to levy nominal duties on meats and flour products than to put livestock and grain on the free list.

SAYS COMMISSIONER IS INCOMPETENT AND UNFIT

(By Daily News Leased Wire.)

NEW YORK, June 3.—The removal of Rhinelander Waldo, as police commissioner, who held office for two years under Mayor Gaynor is recommended in a majority report adopted yesterday by an aldermanic committee which investigated the police department Commissioner Waldo is characterized in the report as "incompetent and unfit" and "incapable of administering his department".

After a conference with Mayor Gaynor, Commissioner Waldo said he attributed the action of the committee to politicians. The mayor, he added, had not removed him, and he had no intention of resigning.

Mayor Gaynor would not listen to the committee.

DELEGATES ARRIVING FOR ANNUAL CONFERENCE

(By Daily News Leased Wire.)

SASKATOON, June 3.—The advance guard of delegates to the 10th annual Methodist conference to be held here all this week began to arrive this morning and of the 300 delegates that will be present about 100 have been billeted to date. At 9 o'clock this morning the examining board and the statistical committee convened and started their deliberations. Owing to the fact that quite a number of the members of the stationing committee had not arrived in the early hours, it did not meet until 11. There was no meeting this afternoon or tonight. The committee will be completed tomorrow morning.

JAPAN AGREES TO PEACE PLANS

To Refrain From Hostilities While Dispute Under Consideration—Details Not Arranged

(By Daily News Leased Wire.)

WASHINGTON, June 3.—Viscount Chinda, the ambassador from Japan, yesterday called upon Secretary Bryan with a formal notice that Japan had accepted the proposed plan advanced by the United States for universal peace. Signatories of the peace proposed in Mr. Bryan's plan were agreed to refrain from hostilities for a period of at least nine months while any conflicting claims were under discussion by any international joint commission. In the case of Japan, as with the 10 other nations that have received the proposal of the government the response applies solely to the general principle involved and none has committed itself to approval of any of the details of the project, therefore, it may be many months before the tentative draft of the convention which Mr. Bryan submitted to the various embassies and legations can be reduced to a form which will receive their unqualified approval. The statement by the Japanese ambassador that his government was prepared to give careful and favorable consideration to the peace proposal has no bearing whatever upon the negotiations now in progress between the two countries regarding the California alien land legislation. During his call upon Mr. Bryan this afternoon the ambassador discussed this subject from various angles for half an hour, but without any definite result.

The Japanese foreign office has not yet cabled the ambassador definite instructions regarding the submission of its rejoinder to the last American note, and it is known that it is considering the matter.

HARRISON HUNT TO BE SURGEON TO EXPEDITION

(By Daily News Leased Wire.)

NEW YORK, June 3.—Dr. Harrison J. Hunt of Island Falls, Maine, has been appointed surgeon of the Crocker Land expedition which will sail July 2 for the northern polar regions under the auspices of the American Museum of Natural History, the American Geographical society, and the University of Illinois. Dr. Hunt is a graduate of Bowdoin college. During his college days he was a member of the football and athletic teams.

CLAIMS NINETY-NINE MILLION DOLLARS PENALTY

(By Daily News Leased Wire.)

CORSICANA, Texas, June 3.—Taking of testimony will begin here today in the suit of the state of Texas for $99,275,000 penalties against Standard Oil interests and alleged subsidiaries, charged with violating the Texas anti-trust laws. The suit also is for ouster of the alleged Texas branch concerns, the Magnolia Petroleum company and the Corsicana Petroleum company. Penalties of $8,150,000 each are asked against the Standard Oil companies of New York and of New Jersey, John D. Rockefeller, John D Archbold, L. C. Ledyard, Charles M. Pratt, Charles W. Harkness and C. C. Folger, Jr., of New York, and C. N. Payne of Titusville, Pa.

ANXIETY FOR SAFETY OF ST. PAUL'S RENEWED

(By Daily News Leased Wire.)

LONDON, June 3.—Renewed anxiety as to the safety of St. Paul's cathedral will be aroused by the further report which the dean and the chapter received from Sir Frances Fox. This report shows that St Pauls is in read danger unless steps are taken promptly to check the subsidence which is steadily going on. The dome and the walls have been found to be out of plum generally in a southwesterly direction. This divergence will be unimportant if the building were at rest, but it is steadily increasing and the danger point must be reached sooner or later.

GERMANS ANGRY; MAY NOT SHOW EXHIBITS

(By Daily News Leased Wire.)

BERLIN, June 3.—Two important meetings were held yesterday to consider the insistence of German participation in the Panama-Pacific exposition, but neither led to a definite decision. The first meeting was followed by a meeting of the leading representatives of various industries over which the state secretary of the interior presided. Aside fom the fact that the iron and steel manufacturers are strongly opposed to exhibiting those present at the meeting said they would wait to see whether the new American tariff measure and members of the executive are favorable to Germany and also whether the other leading powers desire to participate at San Francisco. The remarks of the members of the commission of industrial representatives show the most bitter objections to the proposed tariff on account of the requirement that Germans must submit their books for inspection to the American consul as a condition precedent to exporting to the United States.

RUSSIA HAS CLAIMS AGAINST AMERICAN COMPANY

(By Daily News Leased Wire.)

ST. PETERSBURG, June 3.—Russian creditors, alleging claims of $15,000, have secured through the courts the administration of the Russian business of the Lake Torpedo Boat company of Bridgeport, Conn. The government also has entered claims for $478,000 and additional claims to the amount of $2,000,000 damages for alleged breach of contract respecting four submarines. The court record mentions undisclosed American creditors, but the abrogation of the treaty of 1832 leaves the matter subject to Russian law, under which Rusian creditors must be paid first. The police today visited the hotel apartments of Frederick B. Whitney of Washington, D. C., the company's American lawyer, and seized his property.

Mr. Whitney says that the incident is without international importance as Russian sufferance determines the status in Russia of American citizens in the absence of a treaty.

EIGHTEEN MONTHS FOR ROBBING GOLDEN POSTOFFICE

(Special to The Daily News.)

GOLDEN, B. C., June 3.—"If you had entered the witness box and honestly confessed your guilt I would have been lenient with you and given you about six months. You were drunk and not altogether responsible for your actions. Your fairy tale, however, has only served to add to your term."

These words were used by Judge Thompson in sentencing Davia Anderson to 18 months' imprisonment in Kamloops gaol in the county court this afternoon on a charge of robbing the Golden postoffice at an early hour on Tuesday morning of last week. P. E. Wilson of Cranbrook prosecuted.

MANIAC BURIES CHILDREN RESCUED BY PARENTS

(By Daily News Leased Wire.)

ATLANTIC CITY, N. J., June 3.—Buried beneath five feet of sand on the beach at Chelsea yesterday three young children of George Walber of this city, were rescued by their parents just in time to save their lives. An alleged crazy man is charged with burying the little ones on the beach and attempting to fight off their parents when they went to the rescue.

The children were black in the face and bleeding from the nose when the sand was removed. They had been watching the man dig the hole, it is said, when suddenly he scooped them in and started to build a mound over them. When taken before a magistrate he said he was Frank Sayres of Philadelphia.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion, Manitoba, Saskatchewan, and Alberta, the Yukon Territory, the North-west Territories, and in a portion of the province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district of which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N.B.—Unauthorized publication of this advertisement will not be paid for.

Notice of Atlin (Ymir) Gold Mining & Milling Co., Ltd.

A meeting of the stockholders of the above company will be held in Ymir on June 13th at 10 o'clock a.m.

All stockholders requested to be present, business of importance.

Travellers' cheques and drafts sold, negotiable in all parts of the world. Bank money orders issued, payable throughout Canada, the United States and Great Britain at the following rates: $5 and under, 3 cents; over $5 to $10, 5 cents; over $10 to $30, 10 cents; over $30 to $50, 15 cents.

Out of town customers can transact their banking business by mail and are given every attention.

Nelson Branch, J. H. D. Benson, Mgr.

Pointer in Plumbing

There is little use in a competent plumber using poor materials, any more than a poor plumber could get satisfaction out of good materials. For really good and satisfactory job the two should match—a good workman with good stuff to work with. We lend the two to perfection, and are not open to the general reproach of overcharging for work.

READY MADE FARMS AT MORISSEY

Ten to Twenty Acres in Extent—Have Houses and Barns Already Built.

(Special to The Daily News.)

VANCOUVER, B. C., June 3.—Success of the system of ready-made farms in Alberta has led the Canadian Pacific Railway company to extend the plan to British Columbia. Norman S. Rankin, secretary of the Natural Resources department of the Canadian Pacific railway at Calgary, who is in the city after interviewing the provincial government authorities at Victoria, states that several farms have been prepared for settlers at Morrisey, on the Crow's Nest branch. *These farms are from 10 to 20 acres* in extent, have houses and barns already built and are in other respects all ready for occupancy. The holdings are sold on the 20 year payment policy, and loans are advanced to settlers by the Canadian Pacific railway as required. In the Columbia Valley, along the line of the Kootenay Central line, and at Golden similar farms are being established, which will also be sold on easy terms.

When in Victoria Mr. Rankin saw Premier McBride, Hon. Price Ellison and Hon. W. R. Ross and made arrangements for the exhibition of British Columbia products at the land show to be held in Chicago in November. He extended invitations to the ministers to attend the convention of the Western Canada irrigation association at Lethbridge in August.

SOCIALISTS WILL ORGANIZE RIVAL DEMONSTRATION

(By Daily News Leased Wire.)

BERLIN, June 3.—The Kreuz Zeitung says the Socialist athletic clubs of the city are planning a demonstration to offset the opening by the kaiser on Sunday next of the Olympic stadium on the edge of Grunewald forest, which will be part of the celebration of the 25th anniversary of the emperors accession to the throne. While 30,000 German athletes are taking part in the contests at the stadium the Socialist clubs will hold competitions at Weissensee, a suburb of Berlin.

FREIGHTERS DROWNED IN GRAND CANYON

(By Daily News Leased Wire.)

EDMONTON, Alta., June 3.—News has been received here that a party of four freighters has been drowned in Grand canyon, Tete Jaune Cache district, through the breaking of a scow which they were navigating. The victims were named St. John, Dutch, Nixon and William Kennedy. The latter is a brother of Constable Kennedy of the King Edward hotel and a native of Alexandria, Ont. Constable Kennedy has received no details of the accident.

RUSSIAN SOCIALIST PRINCE WILL LIVE IN LONDON

(By Daily News Leased Wire.)

BERNE, June 3.—The authorities recently granted permission to Prince Peter Kuropatkin, the Russian Socialist leader, to reside at Lugana, despite the expulsion warrant issued against him in 1881. The prince, who has been an exile in London for many years, refuses to reside in Switzerland, and will leave shortly for London and will then go to Italy. From his residence at Muswell Hill, London, Prince Kuropatkin has frequently attacked the Russian government and denounced the chaotic condition of affairs in that country.

GERMAN EMIGRATION AT LOW WATER MARK

(By Daily News Leased Wire.)

BERLIN, June 3.—Statistics just issued on German emigration for 1912 show a continued decline in the number of German emigrants, the number now having reached its lowest level since the empire was founded. The following figures speak for themselves: 1871, 76,224 emigrants; 1881, 220,912 emigrants; 1912, 18,545 emigrants.

The greater number of the German emigrants go to the United States, the *number last year being 13,706.* To other countries the number of emigrants was:

Canada, 891; Argentina, 1278; Brazil, 225; other parts of America, 2029; Australia, 322; Africa, 4 and England 90.

No More Dandruff or Falling Hair

Parisian Sage Is Your Friend. Use It and All Hair and Scalp Troubles Quickly Go.

No poisonous sugar of lead—no sulphur—no dye in PARISIAN Sage.

The cleanest, daintiest, most refreshing and delightful hair tonic in the world is PARISIAN Sage. If you do not use it you are daily missing a glorious treat. It is simply splendid for men, women and children. It is sold at drug and toilet goods counters for only 50 cents a large bottle. Ask for PARISIAN Sage for your own protection. The girl with the auburn hair is on every carton and bottle.

PARISIAN Sage drives out all dandruff and stops hair from falling in two weeks. It *stops itching scalp in* 12 hours.

It is a hair nourisher and promptly puts life, luster and beauty into dull, faded and ill-looking hair.

Hugh D. McKinnon of Brantford, Ont., writes: "I consider PARISIAN Sage the best preparation for the cure of dandruff, falling hair and itching scalp that I have ever used. It is an excellent hair tonic and dressing and I shall always be pleased to highly recommend PARISIAN Sage."

Poole Drug Co. guarantees it.

If you only knew how nice it is, you would not lose much time in getting a packet.

"SALADA"

TEA is an everyday luxury.

NELSON NEWS OF THE DAY

Rev. A. E. Smith and family will spend two weeks' vacation at William Irvine's summer home at Willow Point before leaving for Brandon, Man.

Arrangements for the Nelson rose festival next month will be discussed at a meeting of the Nelson Improvement association at the board of trade rooms at 8 o'clock this evening.

High water has resulted in the building erected on the water front by the company formed to exploit a life-saving device and a new wireless telegraphy system being very nearly capsized. It looks as if the building will topple over if the water rises much more.

Prof. C. C. Thom, of Washington State university, Pullman, Wash., will lecture on soils and H. E. Upton will give an address on poultry raising before the Nelson Farmers' institute on Friday next. Some score of lecturers are now travelling through British Columbia delivering addresses for the provincial government at Farmers' institute meetings.

Dressmaking and millinery. Moderate charges, 69 Annable block. *37-22

Opening in grocery business for man with $500. X. Z., Daily News. *42-2

All persons wishing to look over Duhamel Beach are requested to give names at office of McQuarrie & Robertson before 12 noon Wednesday, the 4th inst., in order that accommodation may be arranged. 41-2

SORREL STALLION WILY LEADER

Efforts to Round Up Wild Horses Fails—Band Ruins Farmers Crops

(By Daily News Leased Wire.)

MOOSE JAW, Sask., June 3.—So far all efforts to round up the band of wild horses in the south country have proved futile, despite the attempts of government agents to get them in a corral. Led by a big sorrel *stallion, branded with a circle on his* breast, they continue to trample the crops and smash fences of farmers and ranchers in the Ormiston and Viceroy districts. The big sorrel, wily and savage, broke away from a farmer in the Blue mountains 12 years ago. He was then a four-year-old and soon found companions amongst the range horses, gradually collecting others to his band until today he rules over 50 head. At times one or more of this band have been reclaimed, but instead of decreasing in size the band is gradually getting larger and as time goes on these horses become more wild. Nearly all of them are branded with the exception of a few colts which have been born to the herd during the past year or two.

During their 12 years of freedom they have done untold damage and are so wild that they cannot be approached or driven in any one direction. Now the only thing which seems possible to break up the band is to shoot the sorrel stallion and drive the *others into a corral.*

RACING TO TORONTO TO VISIT DYING FATHER

(By Daily News Leased Wire.)

SAULT STE MARIE, Ont., June 3.—James W. Playfair was the principal in a race yesterday. Three hours after the departure of the steamer Hamonic, bearing a party of shipping magnates to Port Arthur to attend the launching of the Naronic, word was received here that Mr. Playfair's father lay at the point of death in Toronto. A wireless was sent to the Hamonic, which transferred Mr. Playfair to the freighter Algourian, *10 miles out on Lake Superior.* Mr. Playfair reached the locks at 9 o'clock last night and half an hour later was on his way to Toronto in a special which had been chartered and was in readiness for him at the international bridge.

WIFE SLAYER VICTIM OF IGNORANT FOLLY

(By Daily News Leased Wire.)

WINNIPEG, June 3.—Steve Zahrynruk, aged 20, died in the hospital here today from the burns received last Wednesday in an attempt to extinguish the flames which were consuming his wife of a month, Annie, aged 22, who died the following morning. Steve, doubting the faithfulness of his young wife, saturated her clothing with coal oil to test her, she submitting without opposition. He then applied a match, which quickly consumed her clothing, and finally becoming repentant, her husband endeavored to suppress the flames and was fatally burned.

BRITISH STEAMER TOTAL WRECK

(By Daily News Leased Wire.)

HALIFAX, N. S., June 3.—The British steamer, Harold Turnbull, ashore at Gannet Rock ledge, near Yarmouth is a total wreck and has been abandoned to the underwriters. Storms during the past five days have battered the ship so badly that the wreckers have abandoned all hope of floating her. The Turnbull was a new ship, this being her second trip, and was valued at $250,000.

HOARY CLAIMS TO BE SETTLED

Commission of Arbitration Will Set in Ottawa—Date Back to Eighteenth Century.

(By Daily News Leased Wire.)

OTTAWA, June 3. — Pecuniary claims, hoary some of them with the weight of a century and involving millions sterling, claims which have vexed the governments of Great Britain and the United States since the middle of the last century, will be considered by a commission of arbitration which sits in Ottawa next Monday under a treaty signed three years ago. This is the first sitting of the commission in Canada, though it has already met in Washington. C. J. B. Hurst, the representative of Great Britain on the tribunal, is here, while the chairman, Mr. Fremagnol, representing France, as the foreign arbitral element, and Chandler H. Anderson, the United States arbitrator, will shortly arrive. Sir Charles Fitzpatrick is Canada's representative.

"Some of the claims we have to consider," said Mr. Hurst, "date back to the 18th century. The last commission of this kind sat in 1853 and adjudicated no claims after 1814, so that we have two which arose before that year. One of these is the Canadian government's Cayuga Indian claim, which arose in 1794. Some of the claims we consider to embody ridiculous pretensions, while the amounts mentioned total as high as a million and a half sterling."

Only a few cases will be considered at the present session, but an adjournment will be made until next spring, when there will be a three months' sitting. The sessions will be public and the procedure judicial, claimants being represented by their counsel. The Newfoundland fishery claims by the United States firms will be among the first considered.

SYDNEY FISHER HOPES TO GET SEAT

(By Daily News Leased Wire.)

OTTAWA, June 3.—The Evening Free Press, the local Liberal organ, says: "Hon. Sydney Fisher is likely to be a member of the house of commons again within a short time. It is understood that he will likely be offered the Liberal nomination for the riding of Chateauguay, opened by the death of J. P. Brown, who represented that riding in several parliaments. Mr. Fisher is expected to accept. Liberal members say that should he do so there is no doubt as to his return with an increased majority. There are two other vacancies in the house, one occasioned by the death of Hon. John Haggart and the other by the appointment of J. J. Donnelly to the senate.

"It is understood that the government is not anxious to have the sentiment in Chateauguay or South Bruce tested for some time and it will not be before next autumn that writs are issued. If the government finally decides to hold a general election early in the winter there are likely to be no by-elections."

HISTORICAL DOCUMENTS NOW MADE ACCESSIBLE

(By Daily News Leased Wire.)

OTTAWA, June 3.—Historical documents dating back to the very beginning of Canadian history have been made accessible through the archives during the past year, these being the records of the gentlemen of the seminary of St. Sulpice of Montreal, the original owners of the island of Montreal, and still the most wealthy and important order in Canada. Details of these are given in the annual report of the archives branch, which was tabled today. Other important accessions during the year include the papers of Hon. Joseph Howe and the papers of George Johnston.

BOXED KAISER'S EARS CLAIMS LADY MACDONNELL

(By Daily News Leased Wire.)

LONDON, June 3.—Lady Macdonnell in her book, "Reminiscences of Diplomatic Life," tells how once she boxed the kaiser's ears. The incident occurred when Lady Macdonnell was living in Berlin. Wilhelm then was crown prince and he was a frequent attendant at her teas and usually afterward played checkers with the *hostess. She writes:*

"On one occasion he accused me of cheating. I became infuriated, and unmindful of his high estate, I impulsively leaned across the table and boxed his ears. His sense of humor and satisfaction saved the situation. Ever afterward when he met me he used to cry, 'I know a lady who cheats at checkers'".

ENGLISH ENGINEERS LOST THEIR BOOTS

(By Daily News Leased Wire.)

DETROIT, Mich., June 3.—Members of a party of English automobile engineers here to attend the Detroit-Sault Ste Marie meeting of the Society of Automobile Engineers, put their boots outside their doors in the Hotel Ponchartrain, according to the English custom, when they retired on Sunday night. They did not find them when they awoke this morning. What has become of them is a mystery. The victims were angry and stormed at the hotel managers, who are doing their best to find the shoes.

NEW YORK SEES PICTURES OF ARCTIC EXPEDITION

(By Daily News Leased Wire.)

NEW YORK, June 3.—Both dramatic and tragic are the motion pictures of the south pole which were shown for the first time here in the Lyric theatre yesterday. They are an interesting record of the "Undying Story of Captain Scott," and of "Animal life in the Antarctic". The pictures were taken by Herbert G. Honting who accompanied Capt. Scott and his fellows a greater part of the way on their dash to the pole which they located but from which journey they never returned. The lecturer yesterday, Ernest Torrence, illuminated the point of the expedition by admirable comments. These remarkableable films show Capt. Scott's vessel, the Terra Nova, crashing her way through ice fields; the school of killer whales, chasing seals; the exploration of an iceberg; the eruption of the volcano Erebus and the tenting of the explorer and his immediate companions on the ice fields, where the mercury sank to 40 below zero. There is also shown a game of football played on the ice and pictures of seals and penguins at play.

Mr. Torrence announced that the proceeds derived from the exhibition will go into the fund for the benefit of the widows and orphans of the men who perished.

UNIVERSITY PROFESSOR SAYS ACTION UNCONSTITUTIONAL

(By Daily News Leased Wire.)

WINNIPEG, June 3.—Prof. Starr Jordan, president of Stanford university, arrived in Winnipeg this morning from Fargo, N. D. Dr. Jordan was in western Canada two years ago in connection with the United States fisheries commission and the Canadian fisheries commission. Referring to the California alien land law Dr. Jordan condemned it as unconstitutional, declaring that no state has the right to stir up international questions.

LONDON'S NEW CHIEF MAGISTRATE DIES SUDDENLY

(By Daily News Leased Wire.)

LONDON, June 3.—London's chief magistrate, Sir Henry Curtis Bennett, who was appointed and knighted only a month ago, died with tragic suddenness yesterday while taking tea with his wife and the lord mayor. He had been suffering lately with angina pectoris. He was 67 years old.

LEGAL ACTION IMPOSSIBLE UNTIL END OF AUGUST

(By Daily News Leased Wire.)

TOKIO, June 3.—No legal action in connection with the California alien land ownership legislation can be invoked by Japan until the end of August, when the measure goes into force, according to Baron Nobual Makino, the Japanese foreign minister, in replying to inquiries made by Japanese members of parliament. In the meantime, he said, negotiations between Tokio and Washington would continue.

CONVENTION OF CANADIAN EDITORS AT TORONTO

(By Daily News Leased Wire.)

TORONTO, June 3.—The Canadian Press association, in its 55th annual meeting, was given the freedom of the city at the opening of its convention this morning by the mayor. The convention spends today and tomorrow in discussion of problems which present themselves in various branches of newspaper publication, after which they will take a holiday in northern Ontario on a visit to the mining country. H. B. Donly of the Simcoe Reformer was elected president by acclamation, and W. M. Belene first vice-president.

TRAIN CRASHES INTO AUTO—FOUR KILLED

(By Daily News Leased Wire.)

ELK RIVER, Minn., June 3.—Four persons are dead and two injured as the result of a Northern Pacific passenger train crashing into an automobile at a crossing near here yesterday morning. The dead are: Mrs. and Mr. J. L. Dawson, Francis Dawson, eight years old, and the Dawson's son-in-law, name unavailable. The injured are: Mrs. C. C. Dawson and *her young son.*

The party were on their way from Kalona, Iowa, to Clear Lake, Minn.

CANADIANS PRESENTED

(By Daily News Leased Wire.)

LONDON, June 3.—Capt. Beacon and Capt. A. E. Harrison of the Canadian garrison artillery were presented at the King's levee yesterday.

No Furnace Dust in Your Home.

You will have no furnace dust in your home if you have a Sunshine Furnace. A special dust flue prevents this entirely by carrying all dust up the smoke pipe.

The Sunshine has advantages which make it by far the best furnace to install. Our agent will be pleased to explain them, or write for booklet.

AFTER SICKNESS

How to Recover Strength.

So many people are asking how to recover their strength after severe sickness that we are publishing this information for their benefit.

After grippe, pleurisy, pneumonia or any illness what you need is new strength and better blood.

The most certain way to get this is by taking Vinol, our delicious cod liver and iron preparation (without oil). It creates strength, improves the blood, sharpens the appetite and restores the entire system to a healthy robust condition.

Mrs. Alice Mill of Newton, N. C., says: "I had a very severe attack of grippe which confined me to my bed for several weeks. After I was able to sit up, I felt weak, tired and worn out for a long time. A friend advised me to try Vinol and before I had taken one bottle I was entirely relieved of that tired, worn out feeling which usually follows grippe and I had regained my strength and felt well again.

Try a bottle of Vinol. Your money will be returned if it does not restore your vitality and strength. Rutherford Drug Co., Ltd.

Something New

There is always something novel and dainty coming into this store.

This time it is the new tin-top squat jelly glass. When the contents are turned out on a plate you have a beautiful little 6 oz. mound with fluted sides, ring around the bottom and a bunch of appetizing grapes reposing on the top. Can be used for ordinary jelly during preserving time and afterwards for a gelatine mould any time.

Only a few dozen at 65c.

We have rings and glass caps for improved Gem Jars.

PLANT OUT LARGE TRACT WITH TOBACCO

Hundred and Twenty Acres Set Out With Nicotine Weed by Company at Kelowna.

This year the British North America Tobacco company, at Kelowna, in the Okanagan district, is planting out under cheesecloth the largest acreage of tobacco in one tract on this continent, a block of about 120 acres of land having been set out with the plants, according to W. B. Orr of Vancouver, who was at the Strathcona yesterday.

Forty acres in one block in the United States is considered a large tract of tobacco plants, said Mr. Orr. The cheesecloth, which is hung on a system of wires above the plants, has much the same effect as glass, as it attracts the sunlight and retains the heat, he explained.

Rossland News

RUSH WORK ON SLOCAN RAILWAY

Four Hundred Men Are Now Employed, States George Tierney—Busy at Whitewater End.

Increases have been made in the *number of men employed on the stand*ardization work on the Kaslo & Slocan railway and the force now numbers 400 men, according to G. O. Tierney, who is in charge of the work for W. P. Tierney, the Vancouver railway contractor, who has the contract from the Canadian Pacific railway.

Most of the work is now being carried on at the Whitewater end of the line, which is 17 miles from Kaslo, stated Mr. Tierney at the Hume last night.

DANDELION PEST ACUTE THIS YEAR

Resident Thinks Nelson Improvement Association Should Take Action to Prevent Spread of Weed.

"Swat the dandelion" is suggested as a summer war cry for the Nelson Improvement association by a prominent resident of the city.

This year the yellow pest is to be seen in great numbers on almost every street and alley, while some of the vacant lots are thick with the weed. Already the flowers are dying off and leaving behind the fluffy seed, which flies far and wide over the city, settling in flower beds, lawns and other places where it is least wanted, and it is urged that some action be taken to destroy the weeds on the city property and to compel owners of lots to do something to prevent the spread of the nuisance.

The dandelion is regarded as one of the most difficult of noxious weeds to get rid of, as it springs up in a few hours, while cutting off the tops seems to cause them to shoot forth with renewed vigor. The most effective method is to take the roots up bodily, but care should be exercised, it is pointed out, to remove the whole of the root as ,according to government publications, a dandelion root cut off a few inches below the surface of the ground will send out three or four and sometimes more shoots in a short time.

CRANBROOK NEWS BUDGET

(Special to the Daily News.)

CRANBROOK, B. C., June 3.—Ex-Mayor James Finlay and superintendent of the Maple Leaf mines at Bellevue is spending a few days on his ranch here.

J. Bennett, with his wife and child, left on Tuesday morning for a three months' visit at St. Thomas, Ont., and other eastern points.

Truman Horsman left town Monday with a team of horses to work on the government road.

John Reed, road superintendent, left yesterday afternoon by automobile for Windermere.

G. Andeen of the Queens hotel left yesterday afternoon for Kitchener to look after his business interests there.

The Frank Richards musical comedy company will play at the auditorium all next week.

A. Mutz of the Fernie-Fort Steele Brewing company, spent a few hours in town on Monday.

James Brown, late proprietor of the Manitoba hotel, went east this afternoon.

Mrs. F. J. Deane and daughter Dorothy returned from the west Monday afternoon.

Amos Rodgers of Bull River spent a few hours in town on Sunday., leaving the same afternoon for Yahk, B.C.

E. L. Staples and wife of Wycliffe spent Sunday in Cranbrook.

W. F. Johnston returned on Sunday from Elko, B. C.

Cornelius Cronin of Kitchener spent part of Saturday and Sunday in the city.

The change of time-table over the Canadian Pacific railway system on Sunday makes little difference on the Cranbrook division, the changes being but a few minutes on the arriving and leaving time.

With the continued warm weather the waters of the various rivers throughout the district continue to rise to an alarming height.

Mr. and Mrs. E. Clapp of Kilburne, Wis., arrived in town on Monday on a visit to their son, Lester Clapp. This is the first time in 23 years that parents and son have seen each other.
