O PEACE RIVER THIS SUMMER

ew Railway Opens Up Vast Rich Territory

RITISH COLUMBIA BY NEXT YEAR

Fifteen Hundred Men on Alberta and Great Waterways Construction.

(By Daily News Leased Wire)

WINNIPEG, April 19.—In the ourse of an interview J. D. McArthur, he well known railway contractor, tated that steel had been laid from dmonton to Lesser Slave lake, a dis- ance of 170 miles, and that the valley f the Peace River country would be eached this summer.

Mr. McArthur gave out for the first ime details of the Edmonton, Dunve- an & British Columbia railway that s opening up this last great west nd inland empire thousands of square miles in extent. He also announced hat work would commence this spring n the Great Waterways railway to ort McMurray. The line to Dunve- an and British Columbia will extend 00 miles into the very heart of the eace river district, where the set- lers are pouring in.

"We have completed the first 170 miles of the line to Lesser Slave lake," aid Mr. McArthur. "We will reach he Smoky river, one of the lower trib- utaries of the Peace river, this fall, nd the road will be completed to the British Columbia boundary line in the all of 1915.

"We are already operating under onstruction the division of 131 miles o the new town of Smith at the cross- ng of the Athabasca river. The Do- minion government has had the coun- ry surveyed and there are thousands of homesteads available between Smith and the British Columbia boun- dary and even beyond that point.

"We are going to commence work n the Great Waterways railway this spring, and we will put 1,500 men to work on that line just as soon as con- ditions permit."

The two new railway lines that Mr. McArthur is constructing into north- rn Alberta will tap 150,000 square miles of virgin territory, through which run several broad, navigable streams that will give access to the country for settlement. There are at least 14,000 homesteads open for en- try. The country is rich in minerals, gold, copper, gypsum and petroleum, and there is coal everywhere. Some of the coal fields are said to be 30 square miles, with seams six to 14 feet in thickness.

FORESTRY CONVENTION IN HALIFAX

OTTAWA, Ont., April 19.—William Power, M. P., the newly elected president of the Canadian Forestry association, presided at a meeting of directors in Ottawa, when upon the invitation of the government and lumbermen of Nova Scotia, it was decided to hold the next Canadian forestry convention in Halifax, N. S., on September 2, 3 and 4. F. C. Whitman, the vice-president of the association, who has for many years been forwarding the cause of forest conservation in Nova Scotia, was present and said that matters were ripe for a most useful and successful convention to deal with Nova Scotia's forest problems. A number of men prominently connected with forest matters have already signified their intention of taking part.

James Lawler of Ottawa, secretary of the Canadian Forestry association, will go to Nova Scotia early in the summer to hold a series of local meetings of timber land owners in different parts of the province preparatory to the big convention.

FRIENDS BELIEVE MISSING GIRL WAS MURDERED

(By Daily News Leased Wire.)

BERLIN, Ont., April 19.—The report that Miss Annie Noll, who has been missing from Vancouver since last September, committed suicide in a hotel in New Westminster, B. C., is not credited by the Berlin parents and friends of the missing girl. Her relatives have requested that Dominion police institute a thorough investigation. They believe she was murdered.

CITY HAS JOBS FOR FIVE HUNDRED MEN

(By Daily News Leased Wire)

MONTREAL, April 19.—As the result of an open invitation issued by Mayor Martin, it is expected that the city hall will be besieged tomorrow morning by several thousand out-of-workers looking for civic laboring jobs worth $2.25 a day. Only about 500 men will be taken out at the start, though if trouble develops among the disappointed work seekers, this number may have to be increased.

TWELVE THOUSAND ACRES FOR INDIAN RESERVE

OTTAWA, April 19.—An additional area of 12,472 acres has been added to the Stoney Indian reserve at Morleyville. The land is required for securing hay for raising stock.

TANKS EXPLODE MACHINES BURN

Aviator and Passenger Burned to Death as Result of Collision in Mid-Air

(By Daily News Leased Wire.)

BUC, France, April 19.—The aviator Francois de Roy and Maree Dablin, who was making a flight with him, were burned to death as the result of a collision in the air today. Thousands of spectators witnessed the accident. Dr Roy's machine and a machine piloted by Aviator Bedault, with a passenger, M. Pelladeau, came together with a crash in mid air. Evidently the gasoline tanks exploded for both machines burst into flames and fell to the earth. Bedault and Pelladeau, although wounded, managed to extricate themselves from the blazing wreckage but the others were pinned down and could not escape.

FREIGHT TRAIN RUNS INTO EXPRESS

Engineer Disabled and Cars Thrown Into Ditch—Freight Overran Despatcher's Orders.

(By Daily News Leased Wire.)

EDMONTON, April 19.—The Calgary night express leaving here at 11:30 on Saturday night had a head-on collision 15 miles south of the city with a freight train. No one was injured, but the freight was badly smashed up, a number of the cars being thrown into the ditch and both engines being disabled. The freight, it is said, should have taken the siding at Leduc, but tried to get to the next siding at Niskou. The express was running slowly at the time of the accident and was almost stopped when the freight crashed into it, running at the rate of 15 miles an hour. The engine crews of both trains jumped and escaped with nothing worse than some bruises. The passengers today were transferred to trains brought from the north and south and by this evening the track, 700 feet of which was torn up, has been repaired.

LAKE SUPERIOR GALE WILL HASTEN NAVIGATION OPENING

(By Daily News Leased Wire)

FORT WILLIAM, Ont., April 19.—That the storm prevailing over Lake Superior will hurry the opening of navigation by breaking up the ice in Whitefish bay at the entrance of St. Marys river, although it has delayed the sailing of a number of vessels from here, is the opinion expressed by marine men today.

A wireless received this evening from the superintendent of the Soo stated that the ice in Whitefish bay is crumbling under a strong northeast gale and that it will be possible for vessels to make the passage as soon as the storm is over.

On account of the storm the steamer America, which expected to leave Duluth today for Port Arthur and Fort William, has postponed her trip and will not start before tomorrow at least. The grain steamer Dwyer, due to leave for the Soo today, has also been compelled to wait. She has 85,000 bushels of wheat for Kingston.

Rain Turns to Snow.

(By Daily News Leased Wire)

SAULT STE. MARIE, Mich., April 19.—A strong northwest gale sprang up during the night on Lake Superior and the ice at Whitefish point, which has been a barrier to the navigation of the great lakes, began to crumble. Mr. Carlson, light keeper at the point, now believes it possible for a steamer to get through after the storm is over. Rain which has been falling all day turned to snow tonight, with a drop in temperature.

NORTH BAY MAYOR APPOINTED TO COMMISSION

(By Daily News Leased Wire)

NORTH BAY, Ont., April 19.—News was received on Saturday of the appointment by the provincial government of George W. Lee, mayor of North Bay, and general agent of the Ontario government railway, as a member of the Temiskaming & Northern railway commission, succeeding Frederic Dane of Toronto, who has resigned on account of ill health and expects to leave for the old country shortly. The appointment is very popular.

Mr. Lee, who is 43 years old, has had a wide railway experience beginning with the Canadian Pacific railway experience service at Renfrew in 1893 and coming to North Bay in 1900, serving eight years with the Canadian Pacific railway. He has been general agent of the T. & N. O. railway for nine years.

KING PLEADS GUILTY; SENTENCED FOR HORSE STEALING

(By Daily News Leased Wire)

MINOT, N. D., April 19.—J. J. King, arrested by Sheriff Kelly of Ward county when he stepped from the penitentiary at Regina several days ago, was yesterday sentenced to 14 months in the North Dakota penitentiary, pleading guilty to horse stealing.

NIGHT OPERATOR SHOT

(By Daily News Leased Wire)

BISMARCK, N. D., April 19.—William Arnovitch, night operator at Balfour, on the Soo line, was shot in the lung and probably fatally wounded by a man who made an attempt to rob the depot. The man ordered the operator to turn over the cash. When he attempted to close the door a shot was fired and the man escaped.

A party who was purchasing a ticket gave the alarm, but the robbers left town and all traces of them were lost.

PARIS, April 19.—The aviator, Ehrmann, was killed today by a fall from his aeroplane.

LITTLE BOYS HACKED TO PIECES

Maniac Commits Murder in New Brunswick

CHILDREN'S MOTHER BEGS FOR LIFE

Father Is Wounded--Murderer Commits Suicide in Shack.

(By Daily News Leased Wire.)

NEWCASTLE, N. B., April 19.—A double murder and suicide occurred at Protectionville, nine miles from here, on Saturday night. Park Sobey, 23 years old, had been in Newcastle drinking and rode home with Alfred Mullin. While Mullin was stabling his team Sobey seized an axe and hacked to pieces two little boys of Mullin's, aged seven and five. He then threatened Mrs. Mullin and two smaller children with a rifle. Mrs. Mullin begged for her life and the maniac, returning to the barn, struck at Mullin, who although wounded in the shoulder grappled with his assailant until he fell unconscious. Sobey was later found in his cabin dead with a bullet wound through his head.

DEADLOCK IS BROKEN CONTROLLERS TAKE SEATS

(By Daily News Leased Wire.)

MONTREAL, April 19.—The Montreal municipal deadlock is broken. The four members of the board of control, in consequence of the withdrawal of the demand for a recount, will be sworn in on Tuesday and immediately afterward the board will hold its first meeting, when a mass of business that has been accumulating for the past 10 days will be disposed of. The four controllers to take the oath of office on Tuesday are Thomas Cote, E. N. Hebert, J. Ainey and Duncan Macdonald.

LANCASHIRE WILL TAKE BRITISH COLUMBIA SALMON

(By Daily News Leased Wire)

OTTAWA, April 19.—F. A. C. Bickerdyke, Canadian commissioner at Manchester, says: "The Lancashire districts command a large trade in second grade canned salmon, and this office has been instrumental in appointing an agent in Manchester for the distribution of a large part of the output of one of the largest packing concerns in Northern British Columbia.

LOCAL GOVERNMENT BOARD AUTHORIZES DEBENTURE ISSUE

(By Daily News Leased Wire)

REGINA, Sask., April 19.—During the week ending Saturday, April 18, the Saskatchewan local government board authorized the issue of debentures by school districts, rural telephone companies and municipalities aggregating $89,650. Ten school districts were authorized to borrow $25,050, and a similar number of telephone companies $62,000.

INTERNATIONAL PERMITS FOR ATHLETICS POSTPONED

(By Daily News Leased Wire)

BOSTON, Mass., April 19.—Athletes of this country or Canada who cross the border to take part in competitive events will be required to have an international permit, according to a tentative agreement reached today between representatives of the governing athletic bodies of the two countries.

Mutual recognition of suspensions and disqualifications was also agreed to. The proposals outlined at the conference must be submitted to the board of governors of both sides for confirmation or rejection by a mail vote. The United States Amateur Athletic union was represented at the meeting by the president, Alfred Tull, jr., the secretary, James E. Sullivan, and Joseph B. McCabe and Edward M. Walsh, of the legislative committee.

The Canadian Amateur Athletic union was represented by D. H. B. Jonnson, N. H. Crowe and W. R. Trivett of Toronto.

MOTHER USES AXE TO KILL NINETEEN YEAR OLD DAUGHTER

(By Daily News Leased Wire)

OTTAWA, April 19.—Wielding an axe as the instrument of death, Mrs. Placide Massie, aged 45, wife of a Hull plasterer, yesterday murdered her 19-year-old daughter, Marie, the eldest of a family of seven children.

The mother had been acting strangely for about a week and it is thought she committed the crime in an insane frenzy.

MANY NEW MEMBERS FOR BOARD OF TRADE

(Special to The Daily News)

VERNON, B. C., April 19.—The campaign for membership for the Vernon board of trade, inaugurated since the dues have been raised to $10 per year, has resulted in building up the new membership to 83. The team of the president, G. A. Henderson, won the contest from the vice president's team, having secured 48 members to the other team's 38. The employment of a secretary and publicity man for the year has been postponed until the size of the grant from the city council has been determined upon. The board has asked the city council for a donation of $1500.

FIRE DESTROYS FALSE CREEK MILLS

Hundred Thousand Dollar Loss to Alberta Lumber Company at Coast —Timber Burned.

(By Daily News Leased Wire)

VANCOUVER, B. C., April 19.—Fire which originated in the boiler room of the Alberta Lumber company on False Creek early yesterday morning totally destroyed the plant valued at more than $100,000 and buildings and timber worth $50,000. The insurance was $75,000.

The dry kiln and mills blazed fiercely for six hours, the fire being fanned by a breeze which carried the flames out over the water and thus obviated danger to the buildings and dwellings on the other side of the street from the mill.

WHYTE BODY TO LIE IN STATE

Services Are to Be Held at Church and Residence Probably on Wednesday

(By Daily News Leased Wire.)

WINNIPEG, April 19.—It was unofficially announced today that on the arrival of the body of Sir William Whyte over the Canadian Pacific railway the body would lie in state in order that friends might pay their last respects to the dead. The announcement was made by Rev. Dr. Duval in Knox church.

The body of Sir William Whyte will probably arrive in the city about 8 o'clock on Wednesday morning and will be at once conveyed to Knox church. From there it will be taken to the residence, where a service will be held at 2 o'clock, followed by a public service at 3 o'clock in the church.

CONFESSES TO THEFT FROM MINOT BANK

(By Daily News Leased Wire)

NEW YORK, April 19.—Charged with tampering with the United States mails, James Davis, 20 years old, broke down in his cell at police headquarters and confessed to United States Marshal Doyle and Deputy James Shea, who put him under cross-examination, that he stole over $22,000 worth of checks and drafts belonging to the Second National bank of Minot. Police searching his rooms found a bundle of checks and drafts amounting to $22,987.86.

SERVICE INTERRUPTED DISTURBERS ARE IGNORED

(By Daily News Leased Wire)

LONDON, April 19.—Suffragettes today interrupted the service held at St. Margaret's, Westminster, to celebrate the tercentenary of the recognition of this church as the official place of worship for the members of the house of commons. The church officials ignored the women and the demonstration subsided. Speaker Lowther and many members of the house were present.

WILL OPEN NEW MARKET FOR CANADA

(By Daily News Leased Wire.)

MONTREAL, April 19—Considerable interest has been created in shipping circles by the announcement that the Canadian Pacific railway will enter the Phillipine trade June 11, when the steamer Empress of Russia will make Manila a port of call. The fastest schedule hitherto from any North American port to Manila has been 28 days, but the Canadian Pacific railway with its fast sailings, will cut this down to 17 days.

The new schedule will bring considerable tourist trade to Manila, as the Canadian road carries a large percentage of the round-the-world travelers from Europe on its Empresses.

This service has been inaugurated at the request of business men and commercial travelers in the United States and the Phillipines and undoubtedly will bring Canada into touch with a valuable new market.

BROKERAGE FIRM SUSPENDS LIABILITIES TWO MILLIONS

(By Daily News Leased Wire)

BRUSSELS, April 19.—The brokerage firm of A. Colet & Deogen suspended payment today with liabilities estimated at $2,000,000. Both partners, who are brothers-in-law, were arrested and charged with fraudulent practices in connection with stocks. The firm had numerous clients among the Belgian aristocracy.

COMMISSION TO INVESTIGATE NEW BRUNSWICK CHARGES

(By Daily News Leased Wire.)

FREDERICTON, N. B., April 19.—After a long and exciting day in the legislature yesterday special bills were introduced by the Hon. Mr. Clark, acting premier, providing for a royal commission of three persons to inquire into the Dugal charges both as to the timber bonuses and the Valley railroad accusations.

DOUKHOBORS TO TAKE CONTRACTS IN ALBERTA

(By Daily News Leased Wire)

MEDICINE HAT, Alta., April 19.—Peter Veregin, president, and John Sherbinin, manager of the Doukhobors' community in Canada, arrived here today. It is expected that the Southern Alberta Land company will let contracts tomorrow for considerable work at the Little Bow reservoir, and the Doukhobor officials will look into prospects for getting work there for some of the Doukhobors at Brilliant, B. C., and for using horses belonging to the Doukhobor colony in Saskatchewan.

KING'S VISIT OUSTS ULSTER

Public Attention Directed to Journey to Paris

MINISTERS MAKE NO REPUDIATION

Army Bill Likely to Be Occasion of Exciting Debate.

(Western Associated Press Special Cable.)

LONDON, April 20.—The newspapers are filled with the program of the King's visit to Paris and editorials based thereon.

The Ulster political incidents are consequently crowded out of the limelight though the Daily Express declares that "the revelations have sent shudders of horror through the country."

It is notable that the leading Unionist journals, following a suggestion made by the Weekly Spectator, sing small on this matter, displaying, as the Daily News says, "a curious stillness in regard to those sensational revelations."

One of the most remarkable points about these revelations is that J. L. Garvin, the chief leader of the Ulsterite supporters in the press, does not even make mention of them in the Sunday Observer.

Ministers in Downing street decline to issue any repudiation, preferring to ignore the allegations altogether. The Unionists, however, propose to press the matter in the house of commons where the demand for a judicial inquiry will be repeated on three subsequent days, but it is generally anticipated the government will persist in refusing an inquiry.

Doubt If Government Will Deny

Sir Edward Carson does not doubt that "the government will ride off on the false issue of the right of the government to take such steps as might be thought necessary in view of Ulster's preparations to resist the home rule bill."

But there are doubts whether a denial of the stated facts will be forthcoming. The suggestion is half heartedly made that the opposition should force a motion of censure in the event of an inquiry being refused, but Bonar Law is not likely to pursue that course until after a conference with Sir Edward Carson.

The Daily Mail, however, strongly urges the necessity for a judicial inquiry.

John Ward, the Labor M. P. who leaped into prominence during the debates in the commons upon the army issue, has tabled a "retaliatory" question drawing attention to the prominence of Lord Shaftesbury in the Ulster volunteer organization and asking what are the government's intentions regarding the appointment of Lord Shaftesbury as an official of the court.

The annual debate on the army bill this week will afford an opportunity to discuss the latest revelations and some exciting speeches may be looked for.

New Marching Record.

Sixty officers and men of the London Rifle brigade, a territorial regiment, established a world's record by marching from London to Brighton, 52½ miles, in 14 hours 23 minutes. The previous record was that made by the Foreign Legion of France, which marched 50 miles in 15 hours and 30 minutes.

BISHOP OF LONDON RETURNS TO EAST

(By Daily News Leased Wire)

WINNIPEG, April 19.—Right Rev. Bishop Fallon of London, Ont., who has been in the city for several days, pontificated at high mass in St. Mary's church this morning. A reception was tendered him during the afternoon in the Catholic club, at which 500 men and women paid their respects to his lordship. He left at 9:20 tonight over the Canadian Pacific railway on his return home.

UNITED STATES FLEETS SWOOP DOWN ON COASTS

MEN WILL CONTROL MEDICAL SERVICE

New Association Organized at Revelstoke—Four Members of New Board From This District.

The Canadian Pacific Medical association of British Columbia which will govern the medical service for the employes of the Canadian Pacific railway lines and lake and river service of British Columbia division was organized at Revelstoke on Friday and Saturday when sessions were held in that city by over 40 delegates from various departments of the company's service in British Columbia and a number of the officers of the company. The local delegates to the convention returned to the city last night.

Officers including a board of management for the association were elected at the meeting and of the 12 members of the board of management four are from points south of Arrowhead. These four are E. R. Thompson of Trail; F. McCharles, T. L. Bicomer and J. H. Taylor of Nelson. Besides the officers elected at Revelstoke local boards are appointed under the new system to govern the immediate conduct of the medical service at the various centres.

A meeting of all the employes in the company's service in this city will be called on Sunday next when the arrangemenst under the new system will be completely laid before them and thoroughly discussed.

The new association was proposed by the officers of the company on account of dissatisfaction among the employes over the old system and will, it is expected, place entire control of the medical service in the hands of the employes. It will be the first association of its kind in the Dominion of Canada and will be made to apply to all employes of the company. The inducements and arrangements are said to be such that though it is not compulsory for employes to join the new association the benefits to be derived therefrom are such that all will become members. Single, married men and their families are all included in the new medical arrangements and it is explained that with the expected success of the new arrangement similar associations will be organized among the employes of other divisions of the company's service and in the event of other and similar organizations being formed it is expected that there will be interassociation agreements.

Under the new system the company will retain a chief medical officer whose salary shall be paid by the company and whose advice and assistance to the company will be free to the employes at all times but he will have no jurisdiction as to the appointment of other medical officers or any other person engaged by the board to administer its affairs.

The company will provide transportation to the various medical officers over the districts allotted to them by the board and will give the necessary guarantee to the medical officers appointed as to their salaries and to the hospitals for the cost of nursing and attending members of the association who may be sent to such hospitals. The small sum which will be asked from employes in the company's service for membership in the association is expected to be sufficient to pay the necessary salaries and hospital dues and leave a balance which may be used for the establishment of cottage hospitals.

The only return asked by the company under the new arrangement is the tendering of first aid and attention to passengers and others in case of accidents free of charge. The attentions subsequent to the first aid and immediate treatment in case of injury will be paid for by the company.

W. O. Miller, of Nelson, district superintendent for the company, was in attendance at the convention at Revelstoke.

Huerta Rejects Demands of United States

PLENARY POWERS FOR PRESIDENT

Ports Will Be Seized Without Declaration of War.

(By Daily News Leased Wire.)

WASHINGTON, April 19.—Gen. Victoriano Huerta, provisional president of Mexico, flatly refused tonight to accede to the unconditional demand of the United States that he salute the American flag, and congress will be asked by President Wilson tomorrow for authority to use armed force to uphold the honor and dignity of the nation.

Negotiations with Huerta over the demand for a salute in reparation for the arrest of American bluejackets at Tampico on April 10 came to a close tonight at 6 o'clock, the last hour given by President Wilson for a favorable response from the Mexican dictator.

The final word of Huerta to Charge O'Shaughnessy was refusal to comply unless the United States would guarantee in writing that his salute be returned. President Wilson at midnight was on his way to Washington from White Sulphur Springs, W. Va., preparing to read a message to congress in joint session as early as it can be arranged tomorrow.

In the meantime American war fleets were moving down both coasts on their way to Mexican waters to carry out the president's plan there.

No Declaration of War.

The crisis just reached does not mean that there will be a formal declaration of war because the United States could not declare war against a government which it does not recognize. President Wilson will seek authority, however, to send armed forces into Mexico to seize first the ports of Tampico and Vera Cruz and the railroad trestle leading to Mexico City. The president directed that a cabinet meeting be called for 10:30 o'clock when the final arrangements for a Pacific blockade of Mexican ports will be deliberated. The breach that finally has come with Mexico will make it impossible, it was declared tonight on high authority, for the United States to further protect foreigners in that republic and foreign governments have been notified in this regard.

The president, it was declared, would not only ask congress for authority to use the army forces to uphold the honor of the nation, but also for an appropriation, a deficiency already having been created because of the expensive naval operations in anticipation of Huerta's defiance of the United States.

The president will ask congress to pass the Volunteer act, which already had passed the house, providing for pressing into regular service the militia regiments of the various states. In preparation for the crisis that must be met, Senator Shively, chairman of the senate foreign relations committee, and Representative Flood, chairman of the foreign affairs committee, called meetings of these committees for tomorrow. Representative Flood, who is on his honeymoon, telephoned from New York that he will return at once. Late tonight Secretary Bryan issued this statement:

"A little after 11 o'clock last night a brief despatch came from Charge O'Shaughnessy at Mexico City saying that the president's demand of yesterday had been communicated to the foreign minister and was being carried by him to Gen. Huerta. The minister asked Mr. O'Shaughnessy whether in case Gen. Huerta acceded to the demand, a protocol should be signed providing for a return of the salute. The following despatch was sent to Mr. O'Shaughnessy, in substance:

"President Wilson is out of the city. Impossible to reach him before 8 a.m. Am certain he would not consent to sign protocol mentioned in your telegram. The United States of America can be relied upon, according to international custom and courtesy to do its duty. The signing of the protocol would be objectionable in addition to other reasons, because of the fact that it might be construed as recognition of the Huerta government, whyereas the president has no intention of recognizing that government.

"Early this morning a despatch was received from Charge O'Shaughnessy saying that Gen. Huerta was willing to accede to the demand of Admiral Mayo, providing a protocol was signed, and setting forth a copy of the proposed protocol. Charge O'Shaughnessy asked were he authorized to sign it. I communicated with the president by telephone and at his direction sent a telegram to Charge O'Shaughnessy, of which the following is a paraphrased copy:

No Connection of Any Kind

"'Copy of your telegram of 8 p.m. last night was sent to the president

EDGEWOOD PEOPLE ENJOY DELIGHTFUL CONCERT

(Special to The Daily News)

EDGEWOOD, B. C., April 19.—Last Monday evening an enjoyable and successful concert and dance took place in Banting hall, given in aid of the Edgewood Social club. The concert started at 8 p.m., J. W. Ford acting as chairman. The following program was successfully rendered and greatly enjoyed by the large crowd assembled in the hall: Duet in D, Miss M. Murton and Miss J. Blakeman; "The Village Plumber," W. Sayer; mandolin solo, "Flower Song," Mrs. Blakeman; song, "Watercresses," Miss Belle McLeod; song, "My Mother," Mr. Sawyer; encore song, "Coon Song," Mr. Sawyer; duet, Miss M. Murton and Miss G. Davis; song, "My Old Rag Doll," Miss I. Blakeman; song, "An Evening Song," Rev. Mr. Montgomery; encore, "Down the Vale"; coon song by four old darkie women, George Jordan, Henry Murton, Willie Warner and Kenzie McLeod. This was certainly the hit of the evening. At the close of the program Mr. Ford made a short speech, thanking the ladies of the social club for the excellent concert and remarking on the talent shown, especially by the young people. Supper was then announced as ready in the large dining room at the Edgewood hotel. An excellent supper was served, the dining room being twice crowded. Afterwards dancing followed in the hall. The hall, which had been decorated to resemble a flowery dell was crowded to its capacity, many guests from the Needles being present. During the dancing tickets were sold to the gentlemen at 10 cents each to be given to the lady considered to be the best dancer present. The first prize justly fell to Mrs. Ennest and the second to Mrs. Spiller of the Needles. Sixty-three dollars was cleared as a result of the above for the Social club. The crowded hall—uncomfortably full for good dancing—proved the need of a larger and more convenient dancing and entertaining hall.

At a meeting of the committee of the Social club held on Wednesday evening a hearty vote of thanks was passed to Mrs. Kelso and Miss Mary Murton and all the ladies who helped to make the entertainment given by the club on Easter Monday evening the success it had proved to be.

Col. Harrington is expected to sail from England to return to his Edgewood ranch on April 18. He will be accompanied by Mrs. Church and daughters, who are coming to join Dr. Basil Church, of Edgewood.

J. W. Ford left on Thursday for Nelson to join his brother Douglas Ford, of Victoria, who is also a visitor in Nelson this week.

T. Lane, of Burton City, is in town He is conducting the drive for the Edgewood Lumber company. Over 1,500,000 ft. of logs are lying in the Innonoaklin river and Eagle creek.

Ben Nash returned from the coast on Tuesday last, bringing with him a team of working horses.

F. Blakeman and G. Woodward are busy planting trees on Mr. Cook's ranch on the Edgewood estate, Mr. Cook is expected from New York toward the end of this month.

Alf Williams is busy slashing, burning and stumping five acres of land for Mrs. and Miss Creighton, now in Nelson, but who are expected to arrive shortly in Edgewood to take up residence on their ranch.

If Tea and Coffee Don't Agree

Much of today's nervousness, indigestion, languor, kidney and liver trouble, come from indiscretions in eating and drinking, so commonplace that they are seldom considered till Nature pulls one up with a sharp jerk.

More often than is suspected, tea or coffee drinking is the cause of these troubles.

A simple, easy way to discover the real cause and relieve one's self of a lot of discomfort is to quit both tea and coffee for ten days and try

POSTUM

This beverage contains none of the drugs (caffeine, tannin, etc.) which are responsible for many human ailments, big and little. Postum is a food-drink made from prime wheat and a bit of molasses. It is pure and contains only the wholesome goodness of the grain.

Postum comes in two forms:

Regular Postum—must be boiled. 15c and 25c packages.

Instant Postum—a soluble form. A teaspoonful stirred in a cup of hot water dissolves quickly and makes a most delightful beverage, with cream and sugar added to taste. 30c and 50c tins.

The cost per cup of both kinds is about the same.

CONTRACTORS BUSY NEAR PRINCETON

Engineer's Staff Located Near United Empire Mine—Trains Into Princeton This Year.

(Special to The Daily News)

PRINCETON, B. C., April 19.—G. G. McCarthy is the engineer in charge of the construction on the Kettle Valley railway. He and his staff are camped near the pit-head of the United Empire coal mine and are engaged in cross-sectioning and locating the line from the British Columbia Portland Cement company's plant at East Princeton into the old town of Princeton. No definite information is obtainable as to which way the Kettle Valley railway will approach Princeton. The Kettle Valley line parallels the cement spur track of the Great Northern railway, then it skirts the hill in a northerly direction from the East Princeton Townsite company's office and turns due east, forming a loop to get down to the Similkameen river.

A busy scene is presented near the British Columbia Portland cement works by the unloading and transport of dinky engines, steam shovels, tools and general supplies. The chief contractors, Guthrie, McDougall & Co., have a forwarding and construction camp at the cement works, from which the subcontractors are distributed to their different stations. There is a total of 37 miles to be constructed from the end of the line at Osprey lake to Princeton and Kettle Valley trains into Princeton are looked for before the snow flies this fall.

FRUITVALE ENTERTAINMENT IS MUCH ENJOYED

(Special to The Daily News.)

FRUITVALE, B. C., April 19.—A successful entertainment was held in Fruitvale on Easter Monday at 8 p.m. in the schoolhouse. Miss M. W. Hansen of Meadows, under the auspices of the Fruitvale branch of the Women's auxiliary, presented and stage managed two plays.

As an introduction to the first play the audience was treated to some charming selections on the piano and violin by Mrs. C. W. Hansen and W. J. Palmer.

Miss Hansen acted well as the young widow in the first play, and looked charming, while W. Neilson made a fine Irish doctor, acting gracefully. Rev. H. H. Gillies made an ideal family butler.

Then followed several selections on the piano and the violin which were much appreciated. G. W. Hoggarth delighted the audience with his song, "Ragtime," which was encored. He responded with "Come Around and See the Gramophone." The next number, a piano duet by Mrs. Hansen and Miss Brewster, was heartily applauded. Then followed a song "The Deathless Army," by C. W. Hansen, which was encored. He rendered as encore "My Good Deep Bassoon."

W. R. Mellard recited a humorous selection, "Man," which was much appreciated. Then followed the farce, "Ici on Parle Francais." The audience was enthusiastic and appreciative. Mr. Hoggarth's "Spriggins" was irresistibly funny and evoked much applause. Mr. Varseveld deserves great praise for his clever rendering of the French man's part, his accent and gestures leaving nothing to be desired.

Mr. Reimann gave a realistic representation of the fiery Major Rattan and looked the part to perfection. Miss Hustwayte as "Angelina" was much admired both for her acting and stage appearance. Mrs. Hustwate in the part of "Mrs. Spriggins" came in for her share of the applause. Miss Hansen as "Anna Maria," though last, was by no means least, delighting her audience with her acting of the part of the lodging house slavey.

At the end of the play the actors were recalled again and again to bow their acknowledgments.

In the interval before the dancing two dainty little maidens, Vera Hustwayte and Kathleen Varseveld were successful in disposing of baskets of home-made candies.

The music for the dancing was supplied by Mrs. Hansen, Miss Hansen, Miss Brewster and Mrs. Hoggarth, with violin accompaniment by Mr Palmer. Mr. McKay of Sayward also contributed toward the instrumental music.

The schoolroom was packed to the doors, many coming from Salmo, Meadows, Waneta and Northport.

GET WATER POWER FOR CONCENTRATOR

British Columbia Copper Company Will Ship Copper Mountain Concentrates to Greenwood.

(Special to The Daily News.)

PRINCETON, B. C., April 19.—Frederic Keffer, M. E., left Princeton last Monday for Grand Forks on legal business for the British Columbia Copper company. J. W. Tremlett late of Bisbee, Ariz., is resident chief engineer at Princess camp on Copper Mountain for the British Columbia Copper company. The extensive copper deposits proved up by diamond drills on Copper mountain by the British Columbia Copper company will be all concentrated in the district. Water power for this purpose is now being applied for by the British Columbia Copper company from the waters and falls of the Roche and Pasayton rivers, which form the South Similkameen river. The quantity of water applied for is 175 cu. ft. per second and the quantity of water to be stored is approximately 500 cu. ft.

It is the intention of the company to ship its concentrates to the Greenwood smelter as the concentrates will make splendid fluxes for the company's Boundary ores and the copper mountain ores are too silicious to smelt by themselves. However, there are a number of self-fluxing copperiferous ores in the Similkameen which will in the near future warrant the construction of a local smelter, it is believed.

Considerable activity is going on up the Tulameen river in the rich gold and platinum placers for which the Similkameen and Tulameen rivers are famous. Several nuggets of gold have recently been obtained from the diggings on Granite creek by R. A. Lambert who is a member of the Golden Gate syndicate.

Oleson Bros. & Carson have completed a 300 ft. tunnel for the syndicate which owns a placer lease covering 1½ miles of Granite creek near the north fork and about three miles from the Granite Creek postoffice. This tunnel will be used for sluicing and hydraulicing as the highwater mark is passed.

The Golden Gate syndicate has a property that is undoubtedly rich in both gold and platinum, the proof of which was demonstrated some 25 years ago when big values were recovered but the bedrock was never reached until Mr. Lambert started his operations.

C. F. Lee, placer mining engineer of Seattle, was in town last week returning from the Roany placer camp, about four miles below Granite creek on the Tulameen river. He is very well pleased with his examinations and a deal is being closed with his principals and Coulthard & Fowlon & McCoun, the owners of the Roany placers.

SLOCAN CITY

SLOCAN CITY, B. C., April 19. — The farewell dance given on Friday evening, April 17, in honor of the Misses Elisa and Florence Beck, Clifford Swan and James R. Armstrong, was very much enjoyed by a number of the young people of the town Refreshments were served and the music was furnished by Mrs. J. O Covington.

A. Madden and two daughters, Elma and Margarette, visited friends in Nelson this week.

W. A. Cameron, superintendent of the Consolidated Mining and Smelting company of Trail, went up to the Ottawa mine on Thursday.

Louis Larson of Nelson, at one time a resident here, was a visitor in town this week.

Work on the city waterworks will begin at once and it is expected will be completed by the end of June.

Miss A. M. Winterbotham is spending her Easter holidays with friends in Vancouver and will also attend the teachers' convention.

M. Cameron went to Nelson on Saturday returning home on Monday.

A. H. Macmillan went to Nelson on Saturday to see his son R. E. Macmillan, who is recovering from injuries received at the Ottawa mine a month ago.

Mrs. R. G. Henderson and daughters were in Nelson last week the guests of her sister Mrs. J. Mackay.

Easter services were held in St Paul's church both morning and evening, special music being rendered by the choir. Rev. Mr. Snell officiated.

Mrs. M. Crow spent the weekend in Nelson the guest of her son, D. Graham. She also visited with her son E. W. Graham who is confined in Kootenay Lake hospital.

WILL RUN STOCK ON GRAY CREEK RANCH

(Special to The Daily News)

GRAY CREEK, B. C., April 19.—F. T. Smith of London, England, returned on Saturday with his son, N. J. Smith. He has purchased 139 acres of land belonging to F. Thorneley and proposes to run stock on it. He intends building shortly and expects several members of the family out in the summer.

A public meeting was held in the hall on Saturday evening to fix the amount of the levy for the preliminary expenses of the new school.

Rev. Mr. Mahood conducted divine service, followed by holy communion, here on Easter day.

The approach road to the wharf, under Foreman A. W. Lymbery, is nearly completed. It is the first road in the district built on a stone foundation and it is expected to be a very substantial and permanent improvement. The stone foundation was considered necessary as the land is liable to floods.

ENTERTAINMENT IN KASLO IN AID OF BAND

(Special to The Daily News)

KASLO, B. C., April 19.—The following program was rendered by amateur talent on Friday night to a full house. The proceeds are to go to buying uniforms for the band. Every number was well received, applauded and encored. This was the first appearance of the band and the aggregation excels any local band the town ever had before: Overture, the band; song, Mr. Brown; instrumental quartet, Miss Murchison, Miss Robertson, G. Woods and Mr. Dodds; "The Curtain Lifted," a burlesque in one act. First part—Introduction and apologies by the stage manager; second part—initiation into the Sons of Mars, by the lodge. YMIR NEWS

(Special to The Daily News)

YMIR, B. C., April 19.—William Buchanan, superintendent and manager of the Hobson Silver Lead company, who has been in Spokane during the past week in connection with company affairs, returned Thursday. He reports business improving in Spokane.

T. Groulx has completed the plastering of the Ymir hotel and is now busy with other interior improvements.

Misses Olive and Vera McLeod were the guests of Mrs. B. H. Washburn at her home at the Dundee mine for several days during last week.

The Presbyterian Ladies' Aid society are arranging for a cake sale at the home of Mrs. John McLeod on Saturday, April 25.

Miss Lillie Oates of Nelson spent the Easter holidays in town the guest of Miss Muriel McIsaac.

Mrs. D. E. Grobe and children are spending a few days in Nelson the guests of her sisters, the Misses McLeod.

The Ymir Ladies' guild held their regular semi yearly election of officers last week under the auspices of this organization, a dance was given in Union hall on Easter Monday which was well attended, supper being served at midnight.

J. McKenzie and J. B. Conway of Kaslo spent Thursday in town the guests of Mr. and Mrs. William Clark

Dr. Rehberger made several professional calls at various points along the line between Ymir and Waneta during the week.

Easter services were held in the Presbyterian church, the children of the Sunday school under the supervision of their teachers, furnishing the program with much credit. The church was well filled.

Mrs. Effie Sutcliffe, wife of Mr. Sutcliffe of Fruitvale died at the general hospital on Friday morning and was buried in the Ymir cemetery today. The services were conducted by Rev. D. Donaldson. Mrs. Sutcliffe was ill but a very few days and died from complications arising from child birth. They had been married but about one year.

Capt. J. E. Moore and family desire to express thanks for the sympathy and assistance rendered to them in their recent bereavement by the Pythian Sisters, the Knights of Pythias, the Independent Order of Foresters, the Loyal Order of Moose, the Ladies of the Maccabees, the Loyal Orange lodge and other friends.

MAKE GOOD SCORE DESPITE WEATHER

Rain, Hail and Thunder Make Shooting Disagreeable—Steele and Thomas Make High Scores

Despite the inclemency of the weather nine members of the Nelson Legion of the Frontiersmen Civilian Rifle association turned out for the practice shoot at the ranges yesterday. Heavy rain, thunder and hail acted as a detriment to the shooters, but despite the weather several excellent scores were hung up. George W. Steele and D. O. Thomas, captain of the club, registered high scores of 92. The scores were:

G. W. Steele, 92; D. O. Thomas, 92; T. Keith, 87; J. Irwin, 87; F. E. Weir, 82; W. Oliver, 78; C. H. Joy, 75; P. Joy, 75; L. Craufurd, 44.

All intending to join the association are asked to hand their names to the secretary, L. Craufurd, at the Nelson Iron Works and to sign the service roll there as soon as possible in order that the application for free issue of ammunition may be made early and the members may have plenty of practice before the big shoot at Chahko Mika.

ZYBSZKO FAILED TO MAKE GOOD CLAIM AGAINST CAZEAUX

(By Daily News Leased Wire)

QUEBEC, April 19. — Stanislaus Zybszko, the Polish champion wrestler failed to make good his claim that he would down Raymond Cazeaux three times within an hour in their match at the Auditorium Saturday. Although the Pole had the better of the argument at all times, he only managed to down his opponent in the 60 minutes, winning the first fall on a foul in 45 minutes and 40 seconds and the second in 9:10.

A record crowd attended the bout and among them were a number from Montreal. The Frenchman lived up to his reputation as being about the roughest grappler in the game but he never had Zybszko in serious danger.

IRISH-CANADIANS WANT PLAYERS FROM COAST

(By Daily News Leased Wire.)

VANCOUVER, B. C., April 19.—George Kennedy, of the Irish-Canadians of Montreal, has wired Con Jones asking him to recommend five lacrosse players who will be willing to go east this season.

Jones, however, will not comply as he is out of the game and has no desire to mix up with the leaguers.

It is understood that Davy Gibson, the local goalkeeper, has finally accepted terms with the Toronto club and will leave next week for the east.

Turnbull and Spring expect to go east.

FEDERAL UMPIRE PAYS DAMAGES FOR ASSAULT

(By Daily News Leased Wire.)

ST. LOUIS, Mo., April 19.—Damages of $1,500 were awarded in the circuit court here late yesterday to John McNulty, former Federal league umpire, who brought suit against John J. O'Connor, last season's manager of the St. Louis Federals, and the directors of last year's team.

McNulty had sued for $35,000, alleging that O'Connor attacked him on the ball field. The damages, however, were assessed against O'Connor alone.

CANADIAN AMATEUR WINS CHAMPIONSHIP

Toronto Man Carries Off Hundred and Seventy-five Pound Boxing Event at Boston.

BOSTON, Mass., April 19.—Canada won a championship and lost another at the national amateur boxing championship tournament which closed last night.

W. Hanna of Toronto took the 175-lb. honors to Canada by winning a hard bout with Arthur Sheridan of Trinity club, Brooklyn, half an hour after he had been defeated by Sheridan in a semi-final, extra-round bout for the heavyweight class. Sheridan's eyes were closed and Hanna forced him to quit in the second round of the 175-lb. class final. Sheridan then went into the final of the heavyweight class with this handicap and, weakened by three hard previous bouts, was again bested after a slam-bang contest by Patrick Kelly of Boston.

W. Kitchin of Toronto, last year's winner in the 125-lb. class, was vanquished in the semi-finals.

The champions of 1914 are:

108-lb. class—Johnny Downs, Cleveland.

115-lb.—Steve Phillips, Boston.

125-lb.—Vincent Pokorni, Cleveland.

135-lb.—Dick Stosh, Cleveland.

145-lb.—Max Woldman, Cleveland.

145-lb.—W. Barrett, New York.

175-lb.—W. Hanna, Toronto.

Heavyweight—Pat Kelly, Boston.

The feature of the semi-final bouts was the elimination of Walter Hitchin of the Riverside Athletic club, Toronto, national champion of the 125-lb. class. His defeat was accomplished by Vincent Pokorni of the Cleveland Athletic club. The boys fought toe to toe, exchanging punches freely and at the close of their bout the advantage was small, but Hitchin smilingly acknowledged that he was bested. In the semi-finals, 135-lb. class, F. Blackledge, Riverside Athletic club, Toronto, gave William Buckley of Chester such a hard battle that it necessitated a referee's decision to give Buckley the honors, the judges disagreeing.

VANCOUVER, B. C., April 19.—The Vancouver baseball club today turned Pitcher Kallio over to the Saskatoon club of the Twilight league. President Brown intends working with Hurley's club this season. He declares he finds Saskatoon more satisfactory to deal with in the matter of players.

BOSTON NATIONALS BEATEN.

(By Daily News Leased Wire)

BALTIMORE, Md., April 19.—The Baltimore Internationals today defeated the Boston Nationals 3 to 2.

One of Boston's runs was a homer by Mann. Score:

Baltimore	3	6	1
Boston	2	9	2

Batteries: Capron and Egan; Brek, James and Whalen.

ONLY ONE CHANCE OF PEACE.

Judging by dispatches war between the United States and Mexico appears almost inevitable. President Huerta has refused to accede to the American demand for an unconditional apology in the form of a salute to the Stars and Stripes as reparation for the arrest of American marines at Tampico, and the government at Washington is consequently preparing for war. The only thing that can now avert hostilities, it would now appear, would be the surrender by Huerta of the position which he has taken in the matter.

The situation is a peculiar one. Huerta has offered to salute the American flag if the United States will give a written guarantee that the ships of its navy at Tampico will return the salute. The American admiral has been prepared to return the salute, but the government would give no written guarantee to this effect. The time given to Huerta to comply with the American demand expired at 6 o'clock last evening, so that for the United States there can be no turning back. The only possibility of a peaceable settlement is that Huerta may reconsider his stand and do what the United States has demanded he should do without any qualifications or conditions of any kind. In the meantime ships of the American navy are being rushed to Mexican waters from different stations on the Atlantic seaboard and the Gulf of Mexico.

While this is being done preparations are being made at Washington for the carrying out of the formalities necessary before the opening of hostilities. Such steps as these are not being taken unless the administration has decided that the time for procrastination and negotiation has passed and Huerta must be brought to book.

The issue may appear to be a trifling one about which to go to war, but it is a case where national honor, it is held, is involved. Apart from this, it has been apparent for some time that outside intervention of some kind would be necessary before peace is restored in Mexico and the United States is logically the country to undertake that intervention.

What the outcome of the present situation will be the next few hours will determine. If the cast is in favor of war and the pacification of Mexico is undertaken as well as the securing of satisfaction for what is regarded by Americans as an insult to their country's national honor the United States may find itself with a hard and an unsatisfactory task upon its hands, but it will have the well wishes and the moral support of the civilized world generally in its undertaking.

A TAX ON CATS.

The staid old commonwealth of Massachusetts has recently given evidence of legislative activity along unusual lines. A law which has just been passed by the legislature of that state provides for a tax on cats. Hereafter owners of feline disturbers of the midnight peace as well as of well behaved pussies will have to contribute to the public treasury as has that section of the community which delights in the ownership of dog flesh in its various forms.

The reason for the imposition of the tax on cats is not given in dispatches. The object may be to abate a public nuisance or it may be another case of man-made laws designed to inflict a hardship on the voteless female portion of the community, with whom it will be a case of taxation without representation.

But at the same time it is surely fair that, if the owner of puppy should pay a tax, so should the owner of pussy. One is very often just as much a nuisance as the other. A feline night prowler is just as much a producer of profanity as the dog that bays at the moon.

WHAT THE PRESS IS SAYING

Not Encouraged Nowadays

A New York man was arrested for lifting a lady over a muddy spot. Walter Raleigh stunts don't go these days.—Detroit Journal.

The Dear, Interesting Convicts

Case for the Salmon

The salmon of the Pacific coast of the United States packed last year amounted to 387,045,456 pounds, valued at $38,563,891. One hundred million fishes, weighing from 3 to 25 pounds each and sometimes measuring 5 feet long, supply the raw material for this enormous pack. The Canadian output of canned salmon ranges in the neighborhood of $8,000,000 to $10,000,000. The intelligent housewife should not neglect the salmon.—Ottawa Journal.

Provides for Good Butter

Hon. Mr. Burrell's bill to prohibit the manufacture of butter substitutes is aimed at "renovated" butter, which is worked-over butter, with plenty of water added. But such a bill should not cover substitutes for butter that are cheap and honest. If there are people in Canada to whom butter is, unfortunately, a luxury, they should be helped and not hindered by legislation.—Toronto Mail.

THIS DAY IN CANADIAN HISTORY

This is the three hundred and eightieth anniversary of the sailing of Jacques Cartier from St. Malo, the still quaint seaport of Brittany, to explore the unknown lands across the Atlantic in the name of his royal master, King Francis I. The Breton captain was then in the firty-first year, and, according to tradition, was tall and thin, with marked features and eyes noticeably keen.

He was sent on the usual quest of a passage to the fabulously wealthy Cipango and Cathay; and he found Canada!—landing on the mainland, it is said, on the future Dominion day, July 1.

Before that, after passing through the Straits of Belle Isle, he had sailed along the forbidding coast of Labrador. Then he had turned back to find a more fruitful and inviting land, and, entering the Bay of Chaleurs, or "Heat," on a warm summer's day, bestowed upon it the name it has borne ever since. Of course he claimed the country for France, and in this instance the claim was destined to be made good—and to hold good for over two centuries.

AT THE THEATRES

"Bought and Paid for" will be the attraction at the opera house tomorrow evening. The seat sale will open at the City Drug store this morning.

At the Starland tonight is offered a pleasing and varied program. The management has secured for this week the engagement of Miss Ruth Manhart, Nelson's favorite vocalist, to sing at all performances. The three-part Victor drama, "Rory of the Bogs," will be shown, with Warren Kerrigan, supported by Miss Van Trump and a big capable company. This charming picture, an Irish romance of the eighteenth century, will undoubtedly create genuine interest. Coming on Wednesday is Henry E. Dixey in "Chelsea 7750." This marks the first appearance here of Mr. Dixey in motion pictures. "Chelsea 7750" is an original detective play, and in it Mr. Dixey gives remarkable characterization of Detective Kirby. In this role the star is provided with a strong and novel part, and a battle of wits occurs between him and the gang of counterfeiters, whose trail he follows. A dictograph plays an important part in the story, and the mechanical spy is instrumental in fixing the certainty of the counterfeiters' guilt.

There is a strong human note when Prof. Gimble, the master mind of the criminals, whose son, Detective Kirby, has succeeded in jailing for 20 years, gets the detective's daughter in his power and threatens to repay her for the long sentence meted out to his son. It is here that the telephone is called into play. Surreptitiously and skilfully the detective's daughter manages to lift the receiver off the telephone in the counterfeiters' den, and while she argues her innocence, shouts her father's number into the telephone. Then, by means of a signal code of pencil taps, she communicates to her father that she is in danger, but before she can inform him of the address the receiver is discovered removed from the hook and she is abruptly shut off by the professor. A series of heart-breaking efforts on the part of the detective to discover her whereabouts ensues, culminated by a complete and thrilling victory over the criminals.

Mr. Dixey is ably supported by Laura Sawyer and House Peters, and the entire production was directed by Daniel Frohman. It is really a remarkable presentation and the fact that such an eminent star as Henry E. Dixey plays the stellar role is sufficient to stamp the picture as a good one.

COMMUNICATION

ZINC SMELTING PROSPECTS.

To the Editor of The Daily News.

Sir: At the board of trade meeting last night, at which Mr. Ingalls, the consulting engineer to the Dominion government, on electric smelting of zinc ores gave his report, he incidentally stated that he could see no possibility of one ton electric furnaces being a commercial success, and that the difficulties were so magnified with larger furnaces that when he thought of a 10-ton furnace he was appalled. He also said that a 10-ton furnace was beyond his and his staff's conception.

He made it very plain to me that he can see no hope of a success in this country for electric smelting even although electric power was very much cheaper and labor and other things were not two or three times dearer than in Norway, when even there it cannot be made to pay, although they only smelt scrap zinc and a very small quantity of ore.

Notwithstanding his expressed view that he is not sanguine as to the success of the 10-ton furnace now being erected in the States, to test the matter commercially, and that at least we should wait till we saw the results of that experiment, there were many who wildly advocated the throwing away of a large sum of public money.

As it appeared to me, most of those who afterwards spoke had not appreciated Mr. Ingalls statement—advice which moreover was honestly given and obviously against his own interests as far as his, no doubt paid, position as consulting engineer, was concerned—I made the remark that there seemed to be a great deal of ignorance in the meeting with regard to the facts put before them by Mr. Ingalls and that as Mr. Ingalls had advised us to await the further results of one who claims to have been more successful than the, that public funds should not be needlessly thrown away. To this Mr. F. A. Starkey, the chairman, took exception, and I understood him to say that I had referred to the gentlemen present as ignorant men. He then said very rudely that I was always popping up there with adverse remarks (or words to that effect) and that of course it was to my interest to make deprecatory remarks, as I was a large shareholder in another process.

These remarks I resent. My only object in advocating the acceptance of Mr. Ingalls' view is that he is an acknowledged and proved expert of zinc smelting, and that it would be sheer madness and waste of public money to continue costly experiments which show so little hope of ultimate success; further than that I have no motive in advocating this saving of money. I am a shareholder in another zinc process, it is true, but how that affects the position I fail to understand. The sole rights to use that process in Canada have been disposed of to a large smelting concern in the vicinity who have a fixed sum of money to pay for it within a fixed time, and that sum of money will be due from them whether electric smelting is a success or not.

The company referred to are bound by contract to work this process and are showing their confidence in it by erecting a very costly plant which, although it has taken much longer to erect than they anticipated, is now very near completion.

What then do these gentlemen mean, who have "gambled" as Mr. J. Johnstone said he had done, and lost their money on the original electric smelter at Fairview, by advocating the throwing of good money after bad.

Probably their hope is that any appropriation of government money for such a purpose being spent in Nelson will incidentally, ultimately, indirectly find its way into the pockets of the people of this community, for if public money is to be squandered in Canada it might as well be here. I have great sympathy with any scheme which will have the effect of benefitting the Kootenays in a monetary way, but I trust I have the good of my country too much at heart to support any proposal which, even though it were to my own interest, would have the effect of needlessly wasting my country's resources.

ANAEMIC SINCE CHILDHOOD

How Miss Holmes Regained Her Health.

If you are anaemic, you need more iron in your blood, and the tell-tale symptoms are a pale face—colorless lips, ashen finger nails, poor circulation, and short breath, and more serious diseases are easily contracted when in this condition.

What Vinol did for Miss Yvonne Holmes, of Fall River, Mass., it will do for every anaemic run-down person. She says: "I have been weak and anaemic since childhood, always had 'that tired feeling.' Tonic after tonic was tried with little or no result until Vinol was recommended, and after taking three bottles, my appetite and digestion have been improved. I do not suffer any more from insomnia, nor do I have distressing headaches as formerly, and I am stronger than I have been for years."

We ask every anaemic or run-down weak person in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. Wm. Rutherford, Druggist, Nelson.

WELCOME OXFORD ATHLETES

(By Daily News Leased Wire.)

PHILADELPHIA, Pa., April 19. — The members of the Oxford university team, which will compete in the four-mile international race next Saturday, arrived here late yesterday and were welcomed by several hundred students of the University of Pennsylvania. They were escorted to the training house of the university and entertained at dinner.

Capt. A. N. S. Jackson said the team was in excellent condition.

VERNON ALDERMAN WITHDRAWS RESIGNATION

(Special to The Daily News.)

VERNON, B. C., April 20. — Ald. Costerton, chairman of the finance committee, who tendered his resignation from the city council a fortnight ago because the mayor and other aldermen would not vote for a 30 mill tax levy, has reconsidered his determination to retire, and has withdrawn his resignation. The rest of the city council have meanwhile passed a bylaw fixing the tax rate at 27 mills.

LOCKETS FOR TRAIL HOCKEY TEAM

J. H. Schofield Presides Over Pleasant Smoker—Good Entertainment Closes Hockey Season.

(Special to The Daily News)

TRAIL, B. C., April 19.—The curtain fell for a year on hockey here Friday evening when a bumper smoker was held in the Star theatre under the auspices of the Trail Hockey club. It was a success in every way and at no time during the evening's fun was there an idle moment. The program consisted of the best of talent and some of the numbers were of a high standard. The step dancing of Micky Mercer was undoubtedly the headliner of the evening and the way he turned hand springs and somersaults brought rounds of applause.

J. H. Schofield, M. P. P., occupied the chair. His opening remarks were very suitable for the occasion and he dealt chiefly with the good sportsmanship in Trail. He drew the audience's attention to the fact that for the last four or five years the smelter city had been obliged to be the last in all sports and that they had taken it without a murmer; he thought, now that many championships rested here on the banks of the Columbia the evening should be spent in rejoicing. The first item on the program was a comic song by H. Jackson. As an encore he sang a parody on the Grand Forks game. J. Duffy sang a comic song. Solos by A. Wheeler and W. Evans were well rendered and brought loud applause. The next item was perhaps the most appreciated by the hockey players themselves as they were each presented by Mayor Dockerill with gold lockets and fobs for their splendid playing this year. The lockets are of an oblong shape. On one side was the inscription "Presented by the Citizens of Trail, 1914. Two crossed hockey sticks and a puck adorned the other side with these words "Interior of B. C. Champions." The following were presented: "Tuff" Atkins, the stonewall defence; "Micky" Mercer, the best all around sport in British Columbia; "Scotty" Fraser, always in the right place when needed; "Gibby" McDonald, the goalgetter; "Liz" Saunders, with a dead shot; "Joe" Vannetter, the man who can win a game all by himself; "Herb" Jackson, the best trainer going. Others to receive lockets who were absent are P. McDonough, C. Haddock and E. A. Chester.

The program then proceeded with a recitation by Mr. Jarvis which was well received. The Trail stringed trio consisting of F. Chapman, C. Williamson and L. Crannoge pleased the audience with a few selections. A comical sermon rendered by Mr. Reese caused a great deal of mirth. Solos by P. J. McCall and Mr. Primrose were loudly applauded. "Micky" Mercer was next with his step dancing that was highly appreciated and brought rounds of applause.

Mr. Jack rendered a solo in a very appropriate manner. Joe Vannetter delighted the audience with clog dancing in which he was joined by the supple "Micky" Mercer. Their vaudeville stunt was well taken off. Angus McLean sang one of Harry Lauder's songs. The last item was a barn dance by "Zeke," J. A. McKinnon and M. Mercer. During the program pipes, cigars and refreshments were served. Near midnight the concert broke up with three lusty cheers being given for the Trail hockey team.

Mrs. Brandon and daughter, who have been visiting Mrs. James White left for her home in Victoria during the latter part of the week.

G. McDonald, a member of the Trail hockey team, left on Saturday morning but expects to return next winter.

Mrs. T. S. Neilson and family arrived in Trail on Friday from Vancouver. Mr. and Mrs. Neilson will make their home in "the flat" over Esling's new store on the main street.

School opens on Monday after a ten days' Easter vacation.

A meeting of the directors of the Trail Fruit fair will be held at the fair building on Monday, April 20.

FALLS DOWN MINE LEG IS BROKEN

(Special to The Daily News)

ROSSLAND, B. C., April 19.—Augi de Grazico, while working in the Le Roi mine on Saturday, had the misfortune to fall down the mine and break his leg. He was taken to the hospital.

Mrs. C. B. Smith was the hostess at a delightful tea on Saturday afternoon in honor of her guest, Mrs. F. G. Davies, of Spokane. Those assisting in the tea room were Mrs. T. H. Ollis and Miss Velma Smith. The table decorations were Easter lilies.

Mrs. Montgomery received on Friday for the last time this season.

The regular meeting of the Ladies' Musical and Literary club was held at the home of Mrs. C. H. Wallace on Friday, April 17. The music and reading was much enjoyed, particularly an article on Canon Hannay's experience in America. The next meeting will take place at the home of Mrs. R. J. Clegg on Friday, May 1. The meeting will be entirely literary.

Mrs. Jack Binney and children have returned from the old country.

The Pythian Sisters will meet on Tuesday next.

Lee Fois was found at the bottom of a stope in the Centre Star mine on Friday, down which he had fallen. He was unconscious and it is supposed he was overcome by gas. He was taken to the hospital and attended to by Dr. J. W. Coffin.

The second of the series of whist drives and social dances will be held on Tuesday evening in the Knights of Columbus hall.

At the regular meeting of the Knights of Pythias on Friday night the third degree was conferred on one candidate.

Louis Bianci and family leave on Monday for Phoenix, where Mr. Bianci intends opening a grocery store.

A large number left this morning for Northport to attend the baseball game between Northport and Rossland.

August Bross and wife left this morning for a week's visit to Medical Lake.

Mr. and Mrs. W. Rugh, at one time residents of Rossland, but who have been residing in Vancouver for the past three or four years, are returning shortly to either Nelson or Rossland to live.

VERNON BASEBALL CLUB OUT AFTER PENNANT

British Columbia Interior League Opens Season May Sixth—Vernon Team Strengthened

(Special to The Daily News)

VERNON, B. C., April 19.—The line-up for the Vernon baseball team in the British Columbia Interior league, which includes Vernon, Kelowna, Kamloops and Revelstoke, has been completed and promises that this city will give the other teams a strong fight for the pennant.

Of last year's team, Dale, catcher; Fossas, short; Williams, pitcher; and Eastman, centre field, are retained. The new men are, Schied, pitcher; Kreke, first base; Gill, second; Kneelands, third; and Gleason, right field. The latter men have showed up exceptionally well in recent games in Seattle, having played with the Knights of Columbus team in a game against the Seattle aggregation of the Northwestern league when the Knights team held the score to 3—0. Vernon and Kamloops will play an exhibition game at Kamloops on Saturday, May 2. The league season opens at Vernon, Vernon vs. Kelowna, on Wednesday, May 6. On the same day Kamloops opens against Revelstoke, at Revelstoke. The season includes 24 games for each team and closes Sept. 7.

UNITED STATES FLEETS SWOOP DOWN ON COAST

(Continued from page one.)

with copy of my reply to the effect that a protocol would be objectionable.' The president replied:

"'Your reply to O'Shaughnessy is exactly what I would have wished it to be. In no case should any concession of any kind in detail or otherwise be made.'

"I talked with the president over the telephone when your telegram of 11 p.m. last night was received to the effect that Gen. Huerta had acceded to the demand but only on condition that you sign a protocol. He repeated most emphatically his objection to any protocol or agreement. He insists that the salute shall not be fired with any stipulation that it be returned by us. It must be fired in accordance with international custom as an apology for the insults offered. Gen. Huerta must trust that the United States will live up to the requirements of international courtesy in returning the salute when it shall have been fired. The proposed protocol is especially objectionable for it is so phrased that Gen. Huerta might construe it as recognition of his government, whereas the president has informed Gen. Huerta and the foreign governments that Gen. Huerta's government will not be recognized. Gen. Huerta's acceptance of the demand of Admiral Mayo must be unconditional.

"At 9 o'clock a telegram was received from Charge O'Shaughnessy, but it was not conclusive and stated that he would call at the foreign office at 6 o'clock for a final answer.

President Huerta Refuses

"At 10 o'clock a telegram, of which the following is the substance, was received from Mr. O'Shaughnessy, conveying Gen. Huerta's refusal. This was communicated to the president immediately by telephone and he directed that a cabinet meeting be called for 10:30 o'clock tomorrow morning:

"'At 5:50 p.m. I called at the foreign office and was handed a note verbally by the minister for foreign affairs. The note states in substance that the government of Mexico is not disposed to accede to the unconditional demand of the government of the United States. It further states that the Mexican government is disposed to act in accordance with the terms of the protocol which I have transmitted to you. I have informed him so far as this embassy is concerned the matter is closed and that I should immediately inform my government that Gen. Huerta has definitely refused the demand of the government of the United States. A translation of the note will be cabled later.'

"The president will arrive at Washington at 8 o'clock tomorrow morning."

Patriotic Demonstrations.

Further word from Mexico was awaited with the keenest interest. All through the evening the streets were thronged and crowds gathered in front of the newspaper offices. In the hotel lobbies the crisis was the one topic of conversation and some of the crowds, inspired by the playing of the "Star Spangled Banner" and "America" engaged in patriotic demonstrations.

Senators and representatives, anxious to receive some official word, besieged the White House and the state and navy departments with requests for information.

Rebels May Aid Huerta.

(By Daily News Leased Wire.)

JUAREZ, April 19.—The United States may blockade the ports controlled by the Huerta government without causing a protest from the rebels, but if a shot is fired on Mexican soil at any port it will be resented by the rebels as well as federals and a general war will result.

This is the message sent out from here yesterday to Americans across the river, and while it is an unofficial warning it is conceded to be the Mexican sentiment generally. Senor Acuna, who says he is an envoy from Huerta to negotiate with the rebels, was permitted to go to Chihuahua to urge an alliance of federals and rebels to oppose foreign interference in Mexico. Gen. Villa is reported to have left Torreon for Chihuahua this morning to confer with Gen. Carranza about the proposed alliance.

Acuna has been here for more than a week, but the rebels would not give him a passport to Chihuahua, saying they wished to make no pact with Huerta.

After the relations between the United States and the Huerta government became acute the rebels began to fear war with the United States would involve the rebels and changed their attitude. It is not believed in Juarez that an alliance will be made certain as Carranze and Villa would prefer to take their chances with the United States. Pressure, however, is known to have been brought to bear on Carranza by prominent Mexicans to go to the aid of Mexico, even to the point of sacrificing the rebel cause.

There practically has been no excitement here over the situation, soldiers and citizens alike appearing to be indifferent, and in no fear of trouble at Tampico being felt in rebel territory.

Flag Not Insulted.

(By Daily News Leased Wire)

CITY OF MEXICO, April 19.—The Mexican foreign minister, Senor Portillo y Rojas, announced tonight that it would be impossible to agree to the demand of the United States that the flag of that country be unconditionally saluted, because that flag was not insulted because it was not flying from the launch and because the marines were set free even before an investigation, and the officer responsible for the arrests was himself arrested and held for trial.

The foreign minister further announced that the government of Mexico would agree that both flags be saluted, the American flag first and then the Mexican, this arrangement to be made by a protocol signed by the American charge d'affaires, Nelson O'Shaughnessy, and the Mexican foreign minister.

The United States government, Senor Portillo said, had demanded an unconditional salute by Mexico, which Mexico felt was impossible and incompatible with her dignity. In conclusion, the foreign minister said:

"The Mexican government has yielded as much as her dignity will permit. Mexico trusts to the fair-mindedness and spirit of justice of the American people."

Capital Is Calm.

(By Daily News Leased Wire)

MEXICO CITY, April 19.—The news of the coming of the United States fleet has caused no anti-American demonstrations in the capital. The controversy which has arisen between the two governments over the arrest of the Americans at Tampico has been the subject of spirited editorials in the papers, which apparently have aimed to arouse the patriotism of the people in the face of a menace.

President Takes Holiday.

(By Daily News Leased Wire)

WHITE SULPHUR SPRINGS, W. Va., April 19.—President Wilson detached himself almost completely from the Mexican crisis today, diverting his mind from worry over what Huerta's answer might be to the ultimatum, by a quiet day in the company of Mrs. Wilson and their two daughters.

Although all ready to go to his private car, the president, on receiving word at 8:30 from one of the newspaper men that a message from Mexico City was en route to the state department, decided to wait in his suite at the hotel for a few hours. He will leave at 11:10 p.m., arriving at Washington at 7:15 in the morning. The president was walking up and down the private corridor near his suite, anxiously awaiting news, tonight. On the main floor below the guests of the hotel listened to an orchestra concert.

At 10 p.m. this announcement was made from President Wilson's rooms at the hotel:

"The president will have nothing to say on Mexico tonight."

This followed the receipt of long messages from Washington. The president stayed in his rooms and it is believed occupied himself in preparing an address to be delivered in person before a joint session of congress.

Bryan Works Through Night

(By Daily News Leased Wire.)

WASHINGTON, April 19.—Throughout the day the Mexican crisis occupied the absorbing attention of officials, dispelling the usual calm of a beautiful mid-spring Sunday. Secretary Bryan remained up practically all of last night awaiting some definite word from Mexico City. He was at the state department until after midnight and on going home continued telephoning to those in the cipher room at the state department until 4 o'clock this morning.

Shortly after 9 o'clock Mr. Bryan had received two messages from Mexico City. Both were from Charge O'Shaughnessy. The first was merely formal. The second despatch was in the nature of a reply, although the officials quickly perceived that it was not clearly responsive and definite as to the demands made by this government, but raised a new issue as to the usages relative to salutes.

Parley Over Details

Mr. Bryan summarized the Huerta reply in a telegram to the president at White Sulphur Springs, W. Va., and soon after held a long distance conference with the president, going over the points Huerta had raised. While the reply was considered favorable in its general purport as to saluting the American flag yet it again parleyed over details and conditions. As a result of the long distance talk, Mr. Bryan despatched a further message to Mexico City, making it plain that President Wilson would listen to no counter proposals.

While these exchanges were going on by cable between Washington and Mexico City the navy department was centering its attention on further preparations for any eventuality which might occur. At 10:30 o'clock—shortly after Huerta's dilatory message had been received—orders were sent to the battleship Mississippi, with an aeroplane corps and 600 marines, and the torpedo flotilla at Pensacola, Fla., to get under way at once, joining Admiral Badger's fleet as it entered the Gulf of Mexico and proceeding with the fleet to Tampico. The torpedo flotilla consists of 22 destroyers, the tender Dixie and the scout cruiser Birmingham, but several of the destroyers are in reserve, so it is probable only 14 will sail.

Secretary Bryan had planned to go to church at 11 o'clock, but as the cable messages began to come in he changed his plans and went to the state department. There he was joined by John Lind, the personal representative of the president, and the two went to the private telegraph office of the state department to consult over a difficult piece of deciphering in the latest message of Huerta. The secretary and Mr. Lind joined Secretary Tumulty at the White House and the latest exchanges were further gone over in detail.

Spars for Recognition

Later it became known that the messages showed that Huerta was not raising objection to the salute itself, but as to the details under which the salute would be returned. The main condition was that the United States agree in writing that the salute be fired instead of relying on the assurances of Admiral Mayo for a return solute. This was construed by officials as a wily and adroit move on Huerta's part to obtain an assurance direct from the American government which would be capable of being construed by him as a recognition of the de facto Mexican government.

There was no disposition on the part of officials here to give any assurances or to prolong the discussion as to details. They were determined after consulting with President Wilson to hold to the one concrete question of Huerta's yielding to the American demand as it had been submitted. The reply to Huerta made clear to him that a yes or no to the American demand was necessary.

In the meantime tentative plans were being made for the legislative procedure which tomorrow may place the full naval and military establishment in the hands of the president for active war measures against the government in Mexico.

The scope of the authority to be conferred on the president and the means to be placed in his hands for exerting that authority will depend upon the president's desires.

To Confer Full War Powers

Congressional leaders were busy studying precedents for the resolution which will confer plenary war powers on the president.

The measure probably will follow to some extent the war resolution which became effective on April 20, 1898, against Spain. That resolution, after reciting the conditions in Cuba and the destruction of the battleship Maine, called on Spain to withdraw its forces from the island. The resolution proceeded to "empower and direct" the president "to use the entire land and naval forces of the United States and to call into the actual service of the United States the militia of the several states to such extent as may be necessary to carry the resolution into effect."

The resolution to be presented in the event of a movement against Huerta, however, will depend largely upon President Wilson's wishes. He is expected at least to ask for power to order a blockade of Mexican ports.

Strong Naval Force

(By Daily News Leased Wire.)

WASHINGTON, April 19.—Officials of the navy department said tonight that there were now in Mexican waters or en route by the east and west coasts, 17,950 sailors, 3,970 marines and 855 officers. Of this number 14,170 sailors, 2,990 marines and 700 officers are in the Gulf of Mexico, while off Pacific Mexican ports or en route there are 3,530 sailors, 980 marines and 140 officers.

Command, Never Argue

(By Daily News Leased Wire.)

LONDON, April 19.—The Times, in an editorial, says: "President Wilson has decided to act in the spirit of Gen. Scott's orders at Vera Cruz in 1846: 'When dealing with Mexicans, command; never argue.'

"Our Washington correspondent makes it clear that both congress and public opinion are both behind the president and that intervention is inevitable sooner or later. We can well understand it that no American contemplates it with anything but profound reluctance and anxious responsibility knowing the entanglements it must bring on his country."

Peace at Any Price

The Daily Express: "President Wilson was for peace at any price. But the price may be heavier than America cares to pay. President Wilson temporized and selected Villa as the barbaric and unofficial instrument of his spite. He is now reaping the consequences of his irresolution."

Administration Has Blundered.

(By Daily News Leased Wire)

WASHINGTON, D. C., April 19.—When Republican Leader Mann heard about Huerta's refusal he said:

"There is no occasion for war at this time and I do not think there is any occasion for any answer or anything like war for an imagined slight. I think the course of the administration has been a blundering one. We have not been kept informed as to what the facts have been in this matter. It would be disgraceful to bring about war without making any effort to prevent war. The administration seems to want to go to war over what it calls a punctilio."

Trail of Woe, Says Taft.

NEW HAVEN, Conn., April 19.—Two thousand Yale students paraded the campus tonight cheering the news of Huerta's refusal to salute the flag. Headed by an impromptu band and singing patriotic songs the student throng serenaded Former President Taft, President Hadley and Senator Stokes.

Students charged up the hill to Prof. Taft's residence and after repeated cheering Mr. Taft came to the door. He said he hoped sincerely "the calamity of war would be averted."

"It will not be a trail of glory—it will be a trail of woe," he said.

HER LITTLE SON WAS DYING

Gave Him "Fruit-a-tives" And Saved His Life.

CAMPBELLVILLE, ONT., May 5th, 1913. "Our little boy, Lawrence, was sorely affected with Chronic Indigestion, and the doctor did not think he would recover. He started with a sore mouth and it developed into this other trouble. Everything he ate just passed right through the system without change. He cried incessantly and life was a misery to him. My husband had been using "Fruit-a-tives" for Indigestion, getting much benefit from them, and I thought what did him good, might help our boy. We tried "Fruit-a-tives" giving Lawrence ½ a tablet at a dose, and the result was marvellous. Today, he is the picture of health, and he is perfectly well".

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Salmo Lock-Up.

Sealed tenders superscribed "Tenders for Salmo Lockup," will be received by the Honourable the Minister of Public Works up to noon of Friday, the 1st day of May, 1914, for the erection and completion of a single constables' quarters and lock-up at Salmo in the Ymir Electoral District.

Plans, specifications, contract and forms of tender may be seen on and after the 9th day of April, 1914, at the office of Mr. J. Cartmel, Government Agent, Nelson; Mr. H. R. Townsend, Government Agent, Rossland; the Provincial Constable, Salmo, and the Public Works Department Victoria.

By application to the undersigned contractors can obtain one copy of the plans and specifications for the sum of ten dollars ($10), which sum will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a Chartered Bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fails to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

Deputy Minister and Public Works Engineer, Public Works Department, Victoria, B. C., 5th April, 1914.

NEWS OF THE MARKETS

SENTIMENT AS TO CANADA BETTER

British Stock Market Authorities Declare Good Harvest Will Remove All Traces of Depression

(Western Associated Press Special Cable.)

LONDON, April 19.—The stock market on Saturday was checkered with small trading and small attendance because of the week-end exodus and to this was added anxiety as to possible developments in Mexico. Consols were firmer and closed at 75 3-16, the ease in bill rates being helpful.

The result of the Montreal $5,000,000 loan, of which 37 per cent, was unsubscribed, was better than expected, as the market had looked for 60 per cent. to be left upon the hands of the underwriters. The scrip is now at ¼ premium. Other scrips were irregular, the Dominion of Canada being quoted at 1⅛ premium and the City of Winnipeg at ¾ premium.

Canadian Pacific opened weaker as a consequence of the overnight selling in New York, but partially rallied in spite of the traffic decrease and closed at 205⅝.

Stock market authorities say the improvement in sentiment as regards Canada in the last year is very real and that a good harvest should remove final traces of serious depression, but they again warn investors against undesirable Canadian industrials, especially oil shares, which are being exploited here by newspaper advertisements.

STOCKS

BEARS HAMMER PRICES ON NEW YORK MARKET

(By Daily News Leased Wire.)

NEW YORK, April 19.—The heavy selling movement of the week came to an end with another vigorous drive early in yesterday's market. The favorite stocks were unloaded in large amounts and in several cases prices were hammered down 1 and 2 points. Union Pacific, Reading, Steel and Can sold at the lowest figures of the year.

This happened in the first half of the trading. It was apparent that short selling had failed to bring out more real stock in any volume and attempts of the bears to cover disclosed a scarcity of offerings at the low level. In the belief that the selling movement had run its course for the time being, the bulls took stocks for a turn and succeeded in running up prices to a point which brought the market about on level with the preceding close, with substantial net gains in a few instances. In spite of the rally there were no indications of uneasiness on the short side. While a good deal of the buying apparently was for covering, the demand was not urgent.

Bonds were steady, total sales, par value, $1,075,000.

Government bonds declined ¼ to 1 point on call, on the week.

MONTREAL MARKET DULL AND FEATURELESS

(By Daily News Leased Wire.)

MONTREAL, April 18. — Local stocks were dull and featureless on Saturday, business being light and fluctuations narrow. Net changes at the close were insignificant. C. P. R. at 200 showed a loss of ⅛ on actual business, but final bids were shaded to 199¾ against 200⅜ on Friday.

Power ranged between 220 and 219½, and finished 199⅞ unchanged. Richelieu, the most active of the list declined ¼ but recovered to 99 and at that was unchanged from the previous day. Brazilian at 81¼ showed a nominal fall of ¼, but closing bid at 81¼ was ¼ up. Iron rallied ½ to 29. Some further liquidation of Crown Reserve drove the price down four points to 155 but it rallied 2 points later.

CROP PROSPECTS GOOD WHEAT MARKET WEAK

(By Daily News Leased Wire)

WINNIPEG, April 18.—Wheat markets opened weaker on Liverpool cables being barely steady yesterday. Winnipeg prices held comparatively steady, on some moderate transactions for export, while American markets were decidedly weak. In the southwest rains have been ample for present needs, crop prospects generally are are unimpaired, corn markets were lower and cash demand at Minneapolis quieter, which all tended to lower values.

Winnipeg opened ⅛ to ¼c lower and closed ¼ to ⅝c lower. Minneapolis opened ¼c lower for all months, and closed ½ to ⅝c decline. Chicago opened ¼ to ½c lower and closed ⅝ to ⅞c lower.

Chicago corn ⅞ to 1⅝c lower at the close. Liverpool cables closed unchanged to ⅛c higher while continental markets were higher, except Antwerp, which was ⅝c lower. Paris closed unchanged to ¼c higher. Berlin closed ⅜c higher. Budapest closed ¾c advance.

Cash trading was quiet, little or no demand for spot being in evidence. Cash wheat closed unchanged to ⅛c lower. Cash oats closed unchanged to ⅛c higher. Cash barley closed unchanged to ¼c higher. Cash flax closed ⅛ to ½c higher.

Winnipeg wheat close—May 90¼; July 91¾; Oct. 96¾.

Oats—May 34⅝; July 35¾.

Flax—May 1.37¼; July 1.40¼; Oct. 1.40½.

Minneapolis wheat close—May 88¾; July 90⅛; Sept. 86⅝.

Chicago—May 91⅝; July 85⅝; Sept. 85⅛.

FLIES UPSIDE DOWN IN GALE; THRILLS SPECTATORS

(By Daily News Leased Wire)

HEMPSTEAD, N. Y., April 19.—Flying upside down in a southwest gale estimated to be blowing more than 35 miles an hour Charles F. Niles in a monoplane thrilled spectators on the aviation field at Hempstead plains yesterday.

After bucking the wind until he reached an altitude of about 2,000 feet Niles, with his aeroplane twisted in the blast, succeeded in completing a circle. In his second attempt when the circle was about half completed Niles' machine slipped back southward for nearly 1,000 feet when an unusually heavy gust struck it. A third attempt was also unsuccessful, owing to the wing that made another loop the loop impossible. Niles ended his day's thrills by flying upside down for nearly half a mile.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior

N.B.—Unauthorized publication of this advertisement will not be paid for.

HUNDRED THOUSAND TON MARK PASSED

Consolidated Receipts for First Fifteen Weeks of Year Reach High Figure

With last week's total of 7,377 tons the ore receipts at the Consolidated Mining & Smelting company's plant at Trail for the year to date were brought *past the 100,000 ton mark.* The figure is 100,434 tons.

Last week the heaviest shipper was the Centre Star mine at Rossland and the Le Roi in the same camp took second place on the list. The Centre Star shipped 4,133 tons and the Le Roi 786 tons.

In the Nelson district, the Silver King, with an output of 498 tons, brought its total for the year to 5,536 tons, an average of 369 tons per week. Shipments for the Sullivan mine of the Consolidated company, in East Kootenay, amount to 5,188 tons for the 45 weeks of this year.

The Van Roi mine, in the Slocan district, is again shipping concentrates regularly. The output last week was 63 tons.

Properties of the Consolidated company at Ainsworth are shipping regularly. The No. 1 mine has produced 2,046 tons and the Highland has shipped 1,754 tons of ore and concentrates since the beginning of the year. Shipments of concentrates from the Bluebell lead-silver mine at Riondel for the year total 2,351 tons. Ore production in the various districts last week:

UNITED STATES FLEETS SWOOP DOWN ON COAST

(Continued from Page Five)

President Hadley said: "If it is true that Huerta has refused to salute the flag and war should follow this is a most serious moment for all of the United States." He hoped war would be averted.

Senator Stokes spoke in a similar strain. During the demonstration shots were fired and the student body paraded the streets in military fashion. The gathering broke up with a Yale cheer for the president.

Fleet Passes Key West.

(By Daily News Leased Wire)

KEY WEST, Fla., April 19.—The main division of the Atlantic fleet of the United States navy, bound for *Tampico, passed here at 6 a.m. today.*

Say Farewell to Relatives.

(By Daily News Leased Wire)

NEW YORK, April 19.—The battleship North Dakota, commanded by Capt. P. Plunkett, *passed Quarantine* at 5:50 p.m. today, bound for Mexican waters. During the day hundreds of persons visited the navy yard and bade farewell to relatives and friends on board the dreadnoughts.

Destroyer Sails.

(By Daily News Leased Wire)

NEWPORT, R. I., April 19.—After taking on torpedoes and a full complement of men the destroyer Balch sailed today to join the Atlantic torpedo flotilla at Tampico.

British and American Admirals Meet.

(By Daily News Leased Wire)

VERA CRUZ, April 19.—The British rear-admiral, Sir Christopher Cradock, who arrived here today from Tampico aboard the cruiser Essex, was visited by Rear-Admiral Frank F. Fletcher, in command of the American warships, immediately after the Essex anchored. The two admirals had a conference lasting more than an hour relative to their plans.

READING PRESIDENT OF FERNIE BOARD OF TRADE

(Special to The Daily News

FERNIE, B. C., April 19.—At the annual meeting of the Fernie board of trade, held in the council chamber on Friday evening, Robert Reading was elected president, Frank Deboise vice-president and Stanley Norton secretary-treasurer. A vote of thanks was tendered Mr. McNeil, the retiring secretary, and Frank Duboise for their services rendered during the past year. Mayor Gates was present and mentioned that the counc" was negotiating for a rock crusher and steam road roller.

Rev. W. Edmonds of Rochdale, Eng., is spending a few days in Fernie and vicinity.

George Williamson, musical director at the Orpheum, has been offered and accepted a similar position at Saskatoon, leaving for that city on Monday.

Chief Minty of the provincial police left for Victoria on Saturday.

Harry Richardson, representing the *Granby Smelter company*, who has been in Fernie for some months, leaves in a few days for Vancouver.

Saturday was pay day for the Crows Nest Pass mines and the many places of entertainment and amusement were *filled to the doors in the evening.*

The local spiritualists held a meeting in the parlor of the Hotel Fernie on Sunday evening, when conversations took place between those in the flesh and spirit. A gentleman from Grand Forks demonstrated table moving and rapping. A very interesting lecture was given by a member from Packenham, Ont., on frauds and how to detect them. A committee was appointed to secure a suitable place for future meetings, as the present quarters are not large enough.

EASTER DANCE AT SOUTH SLOCAN

(Special to The Daily News)

SOUTH SLOCAN, B. C., April 19.—The social ball was set rolling with greater zest than ever after the enforced period of Lenten seclusion when the Slocan Junction public hall was crowded to its fullest capacity at the *Easter dance held on Thursday evening* under the patronage of Mr. and Mrs. J. D. Yeatman. The hall, with its decorations of yellow and white peas redolent with the freshness of spring, the color note was carried out in panels of white, stenciled in a design of Easter chickens in yellow, and was continued with vases of daffodils. A huge Easter egg was suspended from the centre of the ceiling and held in place by festoons of yellow and white. The same color scheme was carried out in the supper room, the tables being daintily decorated with daffodils in snowy baskets and tiny chicken favors at every plate and smaller baskets holding delicious amber sweetmeats.

On orchestra from Nelson dispensed the latest dance music with great spirit. Among the new dances introduced were the One-Step, Grape Vine, The Pasmel, Hesitation Waltz and an exhibition of the Tango was given.

YOUNG COW PONY JUMPS TO NEW WORLD'S RECORD

(By Daily News Leased Wire)

CALGARY, Alta., April 19.—Smoky, a young cow pony, obtained a world's record for horses under 15 hands when he jumped an even 7 ft. at the Calgary horse show on Saturday night. He was ridden by Percy Sawtell. Smoky excelled his former record, made in Edmonton last week, by 2 in. The most spectacular performance of the show took place when F. C. Lowes' Blenheim, with Tom McCallup, cleared 7 ft. 4 in., 1 in. better than the Pacific coast record made in Vancouver by T. J. Smith's Credential.

The Wasp and Skyscraper of the Sifton string, ridden by Jack Hamilton, equaled Blenheim's performance in the open high jump, the first prize going to the Wasp on points, second and third money being divided between Blenheim and Skyscraper.

ILLINOIS BREAKS RECORD

(By Daily News Leased Wire)

DES MOINES, Ia., April 19.—The Drake relay record for two miles was broken yesterday by the University of Illinois quartet, which won the event in eight minutes flat, also tieing the new record made at the University of Pennsylvania relay last year. The University of Chicago was second and Northwestern third in yesterday's event. The old record was held by Minnesota and was 8:10 1-5. The Chicago team set a new mark in the half mile relay, winning in 1:31, with Illinois second and Drake third. The old record, 1:31 3-5, was held by *Illinois.*

SAME SCHEDULE AS LAST YEAR

Playgrounds Allotted for Season—Six Afternoons a Week Reserved for Public Schools.

The schedule for the use of the recreation grounds that was in force last year will again hold sway this year and during the coming summer the allotment of the grounds in the afternoons for the use of the schools of the city will be made which is a new departure as in previous years the grounds were left open on the afternoons. This action was the result of the annual meeting of the playgrounds committee in the Y. M. C. A. on Saturday night.

E. S. Martin, principal of the central school attended the meeting and asked for the allotment of Tuesday and Thursday afternoons to his school in view of the expected activity in lacrosse at the school as the result of the Joe Lally revival campaign. Baseball would again be active at the school he said and a clear title to the use of the grounds would be necessary.

It was decided at the meeting to ask the city council to have the grounds placed in the best possible condition and during the season to have the grass cut at least once every two weeks.

Ald. W. B. Steed, chairman of the parks committee of the city council, is chairman of the playgrounds committee this year and James Thompson was re-elected secretary.

From the present time applications for the use of the grounds must be made to the secretary of the playgrounds committee.

Monday—Football and cricket.
Tuesday—Lacrosse.
Wednesday—Baseball and cricket.
Thursday—Football.
Friday — Baseball, lacrosse and cricket.

Additional prize winners at the children's fancy dress ball given by the Women's Hospital Aid society in the assembly hall of the public school on Friday night were: Best costume, six to eight years, Beatrice Matheson, original costume, Moira McLeod; third prize for best costume under six years, Betty Horstead; best boys' costume worn by girl, Isabel Blackwood.

Archdeacon H. Beer of Kaslo was a guest at the Strathcona yesterday.

SEE ADVANTAGE OF NEW FREIGHT RATES

Winnipeg Business Men Will Make Tour of Kootenay-Boundary District Next Month.

Leaving Winnipeg on May 19 about 75 business men of that city are expected to make a special tour of the Kootenay-Boundary district, according to Winnipeg newspapers. Arrangements are stated to have been completed by the passenger department of the Canadian Pacific railway for the trip and the object is accepted as an indication of the increased activity of Winnipeg merchants to secure a larger proportion of the Kootenay-Boundary trade following the reductions in the western freight rates ordered by the board of railway commissioners.

Leaving Winnipeg on May 19 the tourists are expected to arrive at Kootenay Landing on May 23 en route for Nelson. The tourists will then visit the various districts, returning to the main line via the Arrow lakes route, where special steamers will carry them from West Robson to Arrowhead.

The tourists are not expected to include the coast in their itinerary, returning east from Revelstoke and stopping at various resorts in the Rockies.

TOMATO ACREAGE WILL BE LARGE

About Hundred and Fifty Thousand Plants to Be Set Out at Creston This Spring

Approximately 150,000 tomato plants will this spring be set out in the Creston district and the output of tomatoes is expected to reach 20,000 crates, stated Charles O. Rodgers, of Creston, who was at the Hume last night. Last year the output from the district was 13,000 crates. One grower will himself set out 15,000 plants this year, said Mr. Rodgers.

Pruning and spraying of fruit trees in the Creston district has been practically completed and the ranchers are planting potatoes and carrying out similar work, he remarked.

LUMBERMEN ARE HERE FOR MEETING

Manufacturers Association in Mountain District to Discuss General Matters Today

Lumbermen from various parts of Kootenay and Boundary are here for a meeting today of the Mountain Lumber Manufacturers association, at which the general business of the organization will be discussed. Among those who are here from outside points for the meeting are:

A. E. Watts, of Wattsburg; T. W. Allshouse, of Summit Lake; W. A. Anstie, of Revelstoke; Charles O. Rodgers and Floyd Rodgers, of Creston; J. P. McGoldrick, of Spokane, who are all at the Hume.

W. Mark De Cew, of Grand Forks; E. L. Staples, of Wycliffe; and Peter Lund, of Wardner, who are at the Strathcona.

W. E. Reid, of Cranbrook, is at the Strathcona.

The monthly meeting of the school board will be held at the city council chamber at 8 o'clock tomorrow evening.

Born on April 18, at the Kootenay Lake Maternity hospital, to Mr. and Mrs. C. E. Johnson of Sheep Creek, a son.

A. Bloomfield left on the Crow boat yesterday morning for Halifax whence he will sail on April 25 by the steamer Alsatian for Liverpool.

Mrs. D. Matheson will leave on the Crow boat this morning for her home in Chatsworth, Ont. She will visit friends in Glen Ewan, Sask.

Nels Johnson and Miss Mary Olson of Phoenix, B. C. were married on Saturday by Rev. C. W. Corey at the residence of E. Mastberg, Nelson.

There will be a special meeting of the city council this evening at which the question of co-operation of the city in making a success of Chahko Mika will be discussed.

To discuss arrangements for the coming library concert on Tuesday, April 28 and other important business there will be a special meeting of the directors of the Nelson public library this evening at 8 o'clock.

The engagement is announced of John W. Reid of Sandon, B. C., and Miss T. M. E. Boyd, daughter of G. H. S. Boyd of Vancouver, formerly of Dublin, Ireland, and of Sydney, New South Wales, according to the Vancouver Province.

The public schools of the city will re-open today after an Easter vacation of over a week. It has been announced by the principal of the central school that no new pupils will be received today owing to the already crowded condition of the school.

A. E. Cornyn of the Poole Drug company's staff has just returned from the coast where he was one of the three successful candidates at the recent examinations of the British Columbia Pharmaceutical association. Mr. Cornyn is in charge of the prescription department of the Poole Drug company.

Starting a few blocks up the hill a horse attached to a buggy and belonging to the Nelson Brewing company ran away yesterday. The runaway came down Stanley street at a fast clip and in trying to make the turn at the rear of the Nelson Transfer company's barn slipped over an embankment, breaking its leg. The horse was shot after examination by Dr. J. W. Frank.
