PLAN TO HARNESS THE PEND OREILLE

International Nickel Plants Involved in Merger

Financial centers in United States, Canada and Great Britain have been surprised by the reported impending merger of International Nickel company and Mond Nickel company to follow the acquisition of International control by Anglo-Canadian interests. It is stated incorporation in Canada is planned to circumvent the Sherman Anti-Trust act in the United States, which operates against world monopolies. Above are shown prominent officials of the companies, and the Canadian plants involved in the deal. (1) Sir Alfred Mond, head of Mond Nickel; (2) Sir W. Weir, British director, International Nickel; (3) the International Nickel plant at Port Colborne, Ont., and (9) the company's plant at Copper Cliff, Ont.; (4) J. P. Bickell, Toronto, director of International Nickel; (5) James A. Richardson of Winnipeg, also International director; (6) the Mond plant at Coniston, Ont.; (7) John L. Agnew, vice-president of International, and (8) John Wilson McConnell, Montreal director.

3 Tots Die in Flames

MYSTERY FIRE DESTROYS HOME IN RAPID TIME

Older Children Barely Escape When Whole House Enveloped in Flames

MOTHER MAKES BRAVE ATTEMPT SAVE TOTS

Father Sees Fire Department Rush by Ignorant that Home Burning

HARROW, Ont., Oct. 25.—Three small children of the family of Mr. and Mrs. William Talbot were burned to death here tonight in a fire which destroyed their home in the center of the village. The boys were dead before the volunteer fire brigade arrived, so quickly did the two-storey frame building burn.

The dead are: Paul, aged 5; Darwin, aged 3; and Francis, aged five months.

The cause of the fire remained a complete mystery late tonight. Eight of the nine children in the family and the mother were in the house when the fire broke out.

Beryl Talbot, one of the elder daughters, just before 9 p.m., noticed smoke between the partitions in the lower section of the house but she could not detect the exact source. A moment later she cried out in terrified alarm: "Mother, the whole house is on fire."

The mother was in the kitchen and she rushed to what seemed the location of the first blaze. Before the horrified mother and daughter could do anything the entire building was a roaring mass of flames. Mrs. Talbot tried to get into the room where the baby, Francis, was sleeping but her approach was checked by the raging flames.

MOTHER IS BAFFLED

The mother rushed out the back door and ran to the window of the room where the baby was sleeping hemmed in by fire. She smashed the glass window with her hands and tried to get in to rescue her baby but could not.

Meantime Mary, 16, had dropped Viola, aged 3, into a big bush beneath the upper window.

Then Mary leaped the two storeys to save her own life. Bery, 13, who sounded the alarm to the sleeping children and lifted Byron, six, out of a rear bedroom window to the roof of a lean-to. By a miracle she managed to scramble down out of the reach of the roaring flames.

BRAVE ATTEMPT

Rev. Luther Johnson, a neighbor, ran to the rescue when the fire broke out. With an iron bar he crashed the glass of the front door in an attempt to get the baby whom he knew was trapped. Flames rushed out and burned his face as he leaped back. His entry was effectively blocked.

The father, William Talbot, was sitting in a garage uptown when he saw the fire engine go rushing by. Mr. Talbot sat reading a few moments longer and then proceeded leisurely home. When a block away he realized his house was afire and on reaching the scene was informed three of his children were dead.

The house was almost completely demolished before water was turned on the flames. Within an hour and a half all the bodies had been recovered. They were burned beyond recognition.

Odds Quoted at Three to One That Hoover Will Win

NEW YORK, Oct. 25.—Odds of 3 and 3½ to 1 on the election of Herbert Hoover over Alfred E. Smith were reported in the financial district today. Other odds of 4 and 4½ to 1 were quoted.

Odds are at even terms between the candidates for the presidency on the New York outcome, although one wager was reported of $5000 even that Governor Smith's plurality in the great city would not be less than 525,000.

TARCHUK SHOULD BE FREED SAYS COAST LAWYER

Attacks Power of Attorney-General in Moving Prisoner to Coast; Trail Crime

VANCOUVER, Oct. 25.—Attacking the power of Hon. R. H. Pooley, provincial attorney-general, to order the removal of a prisoner from the jail to which he was committed by the trial judge, to another in a different part of the province, J. R. Nicholson, Vancouver barrister, today obtained writ of habeas corpus in behalf ow William Tarchuk, sentenced by Judge Brown, in Nelson, to 21 months' imprisonment on a charge of robbery.

Tarchuk, his counsel informed Mr. Justice Gregory, who granted the writ returnable for argument on November 1, was sentenced to serve his time in Nelson jail, but after serving eight months there, was removed on a warrant issued by the attorney-general to Oakalla jail, where he is confined at present.

"I grant the order nisi, but at that I think he's in a more comfortable jail, ruled Mr. Justice Gregory.

"But, my lord, that's just what we are contending—that he is not in a more comfortable prison. We are ready to show the court when the case comes up for argument that the attorney-general had no right to issue a warrant for his removal, therefore, he should be set at liberty," said Mr. Nicholson.

The matter will be argued out Thursday next.

Tarchuk was adjudged guilty of robbery following a pool hall holdup in Trail.

POWER COMPANY SEEKING ORDER VARY INJUNCTION

Application Adjourned; Wish Make Repairs Allenby; Opposing Counsel Says Trick

VANCOUVER, Oct. 25.—Application for an order to vary an injunction granted the Granby Consolidated Mining, Smelting & Power Company, Ltd., against the West Kootenay Power & Light company, was adjourned by the court of appeal to come up for argument at short notice.

A. H. MacNeill K.C., counsel for the West Kootenay Power & Light compaiy, applied for the order so that the company may interrupt its service of electric power for such period as may be necessary to enable its employees to repair and replace transformers and other electrical devices at Allanby.

In pressing for the necessary order Mr. MacNeill declared that the application is not a trick as had been suggested by E. C. Mayers, K.C., counsel for the Granby concern, but a matter which must be attended to in the ordinary course of business.

Affidavits were presented refuting any suggestion that Mr. Mayers intimated that the the West Kootenay counsel intended "putting over a fast one." Chief Justice Macdonald announced that he would not allow either company to wash its dirty linen in the appeal court.

It is expected the matter will come up for argument within a few days.

Hoover Not Decided On Extra Session for Farm Measures

WASHINGTON, Oct. 25.—A declaration that no conclusion had been reached by Herbert Hoover regarding an extra session of congress to consider farm relief legislation in the event of his election, was made today at the personal headquarters of Mr. Hoover. A formal statement saying that the question had been raised several times and discussed, was issued in response to inquiries concerning the assertion of Governor MacMullen of Nebraska that Hoover had informed him he would call the new congress into session to put through agricultural legislation.

Communters' Lunch Pails Reveal Booze When the Customs Officers Search

WINDSOR, Ont., Oct. 25.—Ordering a general search of lunch boxes carried across the river by workmen from the border cities, United States customs officers threw consternation into the ranks of hundreds of commuters today. Twenty quarts and several pints of liquor were confiscated and four of the commuters fined $5. They were warned that a repition of the offense would result in their commuting privilege being cancelled.

WEST KOOTENAY POWER COMPANY SEEKS LICENCE

Company Granted Permission Apply for Licence by Minister of Lands

SURVEYS FOR GIANT PLANT NOW PROGRESSING

Will Be One of Largest Individual Plants in Province; Power for Trail

VICTORIA, Oct. 25.—The latest of a huge series of hydro electrical developments in the southern interior was foreshadowed here when the West Kootenay Power & Light company was granted permission by Hon. F. P. Burden, minister of lands, to apply for a licence to harness the Pend Oreille river near the United States border, east of Trail.

Surveys for a giant power plant on the Pend Oreille are now in progress, it is understood, and the company's application for a water licence is expected shortly. The size of the proposed development has not been revealed in detail, but it will form one of the largest individual plants in the province, it is understood.

POWER FOR TRAIL

This project will add enormously to the power production of the interior power company, which needs all the electricity it can produce to serve its present customers. The growing demands of the Trail smelter for power are believed to be behind the latest scheme of expansion.

While the Pend Oreille crosses the international boundary, the consent of the international joint commission on the boundary waters will not be necessary in the power plan, it is stated. The West Kootenay company will dam the river, but will not raise its level south of the boundary, thus avoiding the necessity of the commission's approval.

ANOTHER PHASE

While removing the former reserve on the Pend Oreille to the extent of allowing the West Kootenay company to apply for a water licence, the government is preparing now to deal with another phase of the interior power situation at a hearing on October 31. The application of Grand Forks for government intervention to extend the operating territory of the company will be heard then. Such intervention would be designed to counteract the ruling of Mr. Justice Murphy that the company has no right to sell power outside a limited area around Roseland, a subject on which the appeal court reserved judgment this week

Mummy Worshiped For Twenty-six Years Is Nothing but Big Doll

HACKENSACK, N.J., Oct. 25.—For 26 years the people of Hackensack have visited the Bergen county historical museum to see the mummy of an Egyptian princess. People wondered whether the princess had been a relative of King Tut.

Today Mrs. Frances A. Westerveldt decided to open the glass case for the first time in the quarter of a century. The mummy was a big doll stuffed with rags.

"The Hackensack minister, who, while touring in Africa, had the mummy sent here," Mrs. Westerveldt explained, "never saw what the mummy merchant put in the box."

Freight Crashes Into Train Wyoming; Dead Engineer at Thottle

GREEN RIVER, Wyo., Oct. 25.—An Oregon short line freight train with the hands of a dead engineer at the throttle today crashed into another Oregon short line freight, standing in the yards at Fish Cut, and demolished four cars. The engineer rolled down an enbankment.

Ray Welker of Montplied, Ida., the engineer, was believed to have died before the crash.

Clarence L. Boynton, fireman, jumped from the cab just before the collision and received only minor injuries.

Boynton said Welker had not spoken after the train left Granger, 39 miles west of Green River and made no effort to jump when the collision was inevitable.

Yankee Doodle Sets New Transcontinent Flight Record East to West; Collyer Cuts Almost an Hour Off the Previous Record

MINES FIELD, Los Angeles, Oct. 25.—Setting a new record for a transcontinental nonstop airplane flight from the Atlantic coast to the Pacific, the monoplane Yankee Doodle arrived here at 2:12 p.m. today from Roosevelt field, N.Y.

The official time of the record-breaking flight was announced as 24 hours 51 minutes by an official of the National Aeronautical association.

The unofficial time of the flight was announced by Captain C. B. D. Collyer, pilot, and Harry Tucker, owner and passenger, as 24 hours and 55 minutes. The best previous time for the westward flight was 26 hours and 50 minutes, made in 1923 by Lieutenants John MacReady and Oakley Kelley.

The Yankee Doodle hopped off at Roosevelt field at 4:16:15 p.m. eastern standard time Wednesday. The little white winged plane was loaded with 530 gallons of gasoline, just about enough for a 24-hour flight, and a check was made shortly after landing to determine how much of the fuel was left. The westward flight covered approximately the course flown over by Colonel Arthur Goebel when he piloted his plane to a new west-east nonstop transcontinental record of 18 hours and 55 minutes several weeks ago.

X PASSENGERS ARE OKAYED FOR RETURN FLIGHT

ch Pay $3000 for Passage on Graf; Dirigible Sails Next Week

EW YORK, Oct. 25.—One woman five men were selected from 50 licants today as the paying passento make the return trip to Gerby in the dirigible Graf Zeppelin week. Their tickets will cost 0 apiece.

he paying passengers will be: Mrs. a Adams of Tannersville, Pa., wife George L. Adams, retired tannery nate.

chard J. Burke of Big Bear Lake, brother-in-law of Cornelius Vanilt.

onald M. Castro of Columbus, war- flyer.

seph Jessell, vice-president of an Jessell company, New York s goods house.

ul M. Mark of the Marko Stor- Battery company, Brooklyn.

len Miller of New York.

odyear Zeppelin representatives d that there was no special on for selecting these six, except they all had their applications arly and were "the sort of people ed." All six are wealthy, they owledged, but said there was ing to indicate they had been ted as likely prospects to interest in Dr. Hugo Eckener's dream of 4,000,000 transatlantic airship com-

Giant Zeppelin Still Tied to Ground Owing to Contrary Weather

LAKEHURST, N.J., Oct. 25.—Captain Ernest Lehmann, chief pilot of the Graf Zeppelin, stated early tonight he believed the ship would be able to leave on its tour to the middle west before 2 o'clock tomorrow morning.

The captain explained that the barometer was gradually rising which showed that a heavy pressure which had held the ship in the hangar the last 24 hours, was lessening.

Twenty-two passengers have been booked for the tour.

All Members of Crew of British Freighter Are Rescued, St. Lawrence

MONTREAL, Oct. 25.—All the crew of the steamship Cairntoor, ashore near Cape Whittle on the north shore of the Gulf of St. Lawrence were accounted for today when a telegram was received from Wolfe Cove, Que., stating the mates' boat with 22 men on board had landed there.

FRITZ KREISLER IS ABLE PLAY AGAIN

CALGARY, Oct. 25.—Fritz Kreisler, master violinist, charmed a large audience here tonight with a program extending over two hours. He showed none of the effects of an injured finger, having apparently recovered from the hurt which caused the cancellation of his Winnipeg concert.

White Pine Company Gets a Court Order Against Brown, Kopecki

VANCOUVER, Oct. 25.—Court order restraining removal of a large quantity of cedar poles, subject of dispute in pending litigation, was obtained by the White Pine Lumber company, limited, of Nakusp, B.C., against E. W. Kopecki and J. Brown of Appledale, B.C., on an application before Mr. Justice Gregory today by J. A. Grimmett.

The injunction was made returnable in one week and was obtained on the ground that Kopecki and Brown had not lived up to an agreement dated January 12, 1928, to supply the poles to the plaintiff company but had, instead, after accepting part payment for them, sold a quantity of them to a third party.

NEW RECORD FOR PRAIRIE FLIGHT

Monoplane Reaches Calgary From Winnipeg; Forced Down on Way

CALGARY, Oct. 25.—Shattering all records for traveling from Winnipeg to Calgary, a super universal Fokker monoplane of the Western Canada Airways arrived in Calgary air field Thursday afternoon at 4 o'clock after being in the air for only seven hours and 40 minutes. Less than 20 minutes later it resumed its journey to Edmonton.

There were no passengers besides the mechanic aboard and though freight for Edmonton from Regina and Inniped was carried there was none for Calgary.

FORCED DOWN

EDMONTON, Oct. 25.—The super universal Fokker monoplane of the Western Canada Airways was forced down at Wetaskiwin tonight at 6:55 o'clock on account of darkness. The plane left Calgary at 4:15 today and was fighting strong head winds all the day. Finally, after losing considerable time, the pilot, R. G. (Punch) Dickens, decided to land at Wetaskiwin where he is spending the night. According to a telephone message from the pilot the plane is in excellent shape and he will continue his journey to this city early tomorrow.

Small Decline in Unemployment at First October

OTTAWA, Oct. 25.—There was a further small decline in employment at the beginning of October, when 6527 employers had staffs aggregating 938,851 persons, compared with 1,003,601 the previous month. The most pronounced curtailment was in construction, where it was seasonal in character.

STOCKTON, Cal., Oct. 25.—A post office truck at Tracey, near here, was held up and robbed of $28,000 today by two armed, unmasked men who escaped in an automobile driven by a third.

The money taken was contained in three sacks of registered mail, consigned to the Tracy branch of the Bank of Itlay. It was in currency and was to have been used in cashing Southern Pacific railway pay checks tomorrow, the company's pay day.

FREIGHTER HITS UNCHARTED ROCK NEAR VICTORIA

Seapool Limps Into Esquimalt Drydock; Has Heavy Cargo of Lumber

VICTORIA, Oct. 25.—With 19 feet of water in her forehold the British freighter Seapool reached the new Esquimalt drydock at 4:15 o'clock this afternoon after striking an uncharted rock off Cape Beale, 86 miles from here at 4:50 o'clock this morning.

In command of Captain V. Forth and with Pilot W. Boyce on the bridge, the vessel left Victoria at 6:20 Wednesday with 600,000 feet of lumber to complete her cargo at Port Alberni. The pilot claims that the rock he hit is uncharted and that channel rocks buoy was out of position. A preliminary investigation revealed that the bow of the ship is badly damaged under water and it will take four days to unload the lumber before she can be drydocked.

ACCIDENTS TAKE LIVES FOUR MEN

Rock in Tunnel Kills One; Auto and Street Car Takes Like; Beam Kills Worker; Another Dies in Cave-in

MONTREAL, Oct. 25.—Four men were killed in various accidents in Montreal today.

Crushed beneath a 10-ton rock that suddenly detached itself from the roof of the tunnel bored through a section of the mountain for the building of tramway tracks, G. Rossi, 50, an employee of a construction company, was instantly killed. Two other men were injured but not seriously.

Struck by a beam while he was at work in the pit of the excavation for a building, A. Atlas, 32, was killed.

From injuries suffered when he was crushed between a street car and an automobile, Arthur Laliberte, 61, died in hospital.

James Kennedy, 28, a laborer, was crushed to death when a cave-in occurred on Sherbrooke street in which he was working.

Diocesan Synods Are Evenly Matched On Prayer Book Issue

LONDON, Oct. 25.—The diocesan synod of South Mark decided by a substantial majority today to support the proposals of the house of bishops for the use of the revised book of common prayer in those parishes desiring it.

Two diocesan synods have now supported the bishops while two others have aligned themselves in opposition. The synod of Lichfield had prviously voted in support while the synods of London and Liverpool has rejected the proposals.

CHILD DELINQUENCY

OTTAWA, Ont., Oct. 25.—Exemplary leadership, encouragement of healty forms of recreation, and continued concentration upon the problems of the growing child, were stressed as primary factors in reducing juvenile delinquency at today's session of the Dominion conference of child welfare associations.

Prairie Wheat Growers Keep Libs in Power

KINGSVILLE, Ont., Oct. 25.—Hon. Hugh Guthrie, former house leader of the Conservative party, tonight asserted that the Liberal federal government was being kept in power "by a combination controlled by the prairie wheat growers". He told members of the South Essex Conservative association, whose annual meeting he was addressing at the time that "this combination prevented reasonable protective tariff."

Canada's outlook today was bright, he said, but this was not due to the government, but to the people of Canada who despite the "handicap" of the present government, had won good times by hard work, cheerfulness and perservance. He termed claims the present government had reduced taxes "an empty boast".

Dr. M. Langsner On Way To Edmonton; Through With Small

TORONTO, Oct. 25.—Dr. Maximillan Langsner, criminologist, left Toronto tonight to keep an engagement in Edmonton. He stated that he did not know whether he would return to take up again his efforts to solve the mystery of the disappearance many years ago of Ambrose Small, theatrical magnate.

Accidental Death Is Verdict Returned In Loewenstein Mystery

BOULOGNE, France, Oct. 25.—A verdict of accidental death was handed down today by Magistrate Monmessin, who has been investigating the circumstances of Captain Alfred Loewenstein's disappearance from an airplane over the English channel July 4. The verdict closes the inquiry here.

ONE BOX ENDED HIS SUFFERINGS

Serious Bowel Condition Relieved by "Fruit-a-tives"

MR. PAGE

Mr. James Page of Cabano, P.Q., was in a very dangerous condition. The Constipation from which he had suffered for five years was undermining his whole system. It was not only ruining his digestion and poisoning his blood, but had also brought on painful piles. Various treatments failed to help him until he tried "Fruit-a-tives," made of intensified fruit juices combined with scientific medicinal ingredients. "One box of this wonderful medicine," he writes, "gave me complete relief. 'Fruit-a-tives' gives results as nothing else does, and I sincerely recommend it to every sufferer." Try this great medicine, 25c. and 50c. a box—at dealers everywhere

Terminus Mines Manager to Confer With C. M. & S.

VICTORIA, Oct. 25.—A meeting of directors of Terminus Mines has been called here for Friday to discuss recent sampling of the mine.

Harry Heywood, managing director, will leave for Trail, B.C., following the meeting, to meet officials of the Consolidated Mining & Smelting company, it was announced.

DEMOCRATS ARE BACKING SMITH'S TARIFF STAND

Three-Fourths of Democrat Candidates Behind Al on Protection "Prescription"

BACK GOVERNOR'S STAND IN LOUISVILLE SPEECH

Attitude of Next Congress Must Be Figured on State the Republicans

WASHINGTON, Oct. 25.—Democratic national headquarters announced tonight that three-fourths of the Democratic candidates for congress have pledged their concurrence in Governor Smith's protectionist "prescription" of Louisville. As indicated previously, the Democtaric organizers had been busily at work among their candidates for the house and senate, urging signature of a declaration couched in these words: "We, the undersigned Democratic candidates for the house and senate, reaffirm the allegiance of our party to a non-partizan tariff commission as enunciated in the Democratic platform adopted at Houston and declare our approval of the constructive interpretation placed on the tariff plank by our standard bearer, Governor Smith, in his Louisville speech."

When Governor Smith announced his stand for a tariff that would "to the very limit" protect legitimate business and American labor, Democrats acclaimed it as once and for all taking the tariff out of politics.

WHAT OF CONGRESS?

Republicans replied that even if "Al" Smith had at last gone Republican on the tariff, there still remained the attitude of the next congress, assuming that on November 6 the Democrats secured control for the house of representatives can open a tariff revision, the president notwithstanding.

If Democrats secured a majority in the next congress—so Republicans argued—they could, if they so desired go ahead with a downward revision.

Democrats counter this argument with the announcement that three-fourths of the Democratic candidates have declared their approval of Governor Smith's "constructive interpretations" of the tariff plank.

Both Democrats and Republicans are making public appeal for campaign funds. Democrats are using the radio to urge subscriptions. The Hoover-Curtis legion has workers out trying to get a million subscriptions of a dollar. Democrats estimate their campaign expenditures at approximately four millions, of which $600,000 will go in radio hookups. The Republicans figure will probably be about the same.

A list of all campaign contributions and expenses has to be filed with the clerk of the house where it is open to inspection.

Lib Elected at Arm River; Conservative Cuts Into Majority

REGINA, Sask., Oct. 25.—Dr. J. T. Waugh, Liberal, of Imperial Sask., today was elected to represent the constintuency of Arm River in the provincial legislature. In a byelection in Arm River today Dr. Waugh defeated Stewart Adrian, Conservative nominee, by a majority of 76.

The election followed the resignation of Hon. George Scott, who was appointed to a federal government post in Saskatchewan.

In the 1925 general election, Mr. Scott was elected by a majority of 308 over Mr. Adrain. The vote then was Scott 1799; Adrain, 1491.

The result of the byelection leaves the standing of the parties in the provincial legislature as follows: Liberals, 52; Conservatives, 4; Progressives, 6, and Independents, 1.

Civilization to Move Northward Says Stefansson

TORONTO, Oct. 25.—"Westward the course of empire takes its way' is a well known statement, but absolutely wrong at the present time," said Vihljalmur Stefansson, famous arctic explorer, who addressed the Empire club here today. Mr. Stefansson's subject was "Conditions in the North."

Civilization starting on or near the Tropic of Cancer from Egypt east and extending down to India has started its northward trek and history shows that power and civilizations run in cycles of 1000 years. With each cycle, centers of civilization have made a northerly movement," said the speaker.

The explorer said that "just because the arctic is the traditional home of Santa Claus people imagine the place was unreal and therefore impracticable. Recording temperatures at Fort Yukon have shown an average temperature of 80 and 90 degrees in the summer time and a maximum of 100 degrees in the shade. At Great Bear lake, trees grow 100 feet high, are close together, large in diameter and not stunted in any way," he declared.

Commending the north as a desirable and practicable portion of the earch, Dr. Stefansson said that "the people who leave Chicago for Winnipeg because of economic reasons, are the kind who will leave Winnipeg for points north."

Lad Lost In July Found Drowned in Slough by Hunter

SASKATOON, Sask., Oct. 25.—The mystery of the disappearance of little Eddie Hamilton who was lost in "the hills of Elrose' 'on July 6 last, was cleared up today when the 6-year-old lad's remains were taken from a slough by a Saskatoon commercial traveler who was out duck shooting.

The traveler made the discovery when he went into the water after a duck he had shot. The cap was still on the little body, explaining one feature of the mystery since a sharp lookout was kept in the wide search for this part of Eddie's clothing in the hope that it would point the way to him. The identification was made by the boy's father who recognized the clothing.

The boy's disappearance while berry picking July 8 in the Elrose hills was followed by one of the biggest searches ever organized in this province. Led by mounted police, 2000 men and women scoured the country for miles amout and a party of 25 went hand in hand through White Bear lake where the body was discovered today

Ask the Assembly for Copy of Evidence in Rev. Mr. Orr's Case

VANCOUVER, Oct. 25.—With the trial fixed for November 7, of John Gordon Fleck's petition for divorce from Margaret Winnifred Fleck, an application is to be made to the chairman of the commission appointed by the Presbyterian church in Canada at the general assembly last summer in Regina, for a copy of the evidence which was heard here some months ago, and as a result of which Rev. Samuel Robertson Orr was suspended from conducting services pending the hearing of the Fleck case. The application is made on behalf of Rev. Mr. Orr, who has been named corespondent in the case.

If Rev. Norman McEachearn, the chairman, refuses the request, mandamus proceedings will be launched in the Manitoba courts to compel him to accede, it is stated. Mr. McEachern resides in Winnipeg.

Rev. Mr. Ore was formerly minister of the Central Presbyterian church here but is now conducting services for an independent congregation formed under his leadership.

Baptist Pastor Sues New York World for Story About Liquor

NEW YORK, Oct. 25.—The Rev. John Roach Straton, postor of Calvary Baptist church, has caused papers to be served on the New York Fo:id in a suit for $200,000 damages for stories saying that liquor was sold over the bar in a hotel owned by Dr. Straton at Greenwood Lake, N.Y.

Announcement was made by church officers today.

QUEBEC TO TENDER PREMIER RECEPTION

QUEBEC, Oct. 25.—Arrangements were being made here today for a reception to be tendered to Hon. W. L. Mackenzie King, on his arrival from Europe on Saturday. It is planned to stage a huge demonstration on the arrival of the Empress of Scotland, aboard which Hon. Mr. King, Hon. C. A. Dunning, minister of Railways, and Senator Raoul Dandurand are now sailing toward Canada.

Woman Was Sent To Poison Calles and Oregon but Failed

MEXICO CITY, Oct. 25.—When Carlos Castro Balda pleaded guilty yesterday in the federal court to exploding a bomb in the chamber of deputies, he gave testimony to the effect that a woman, Maria Elena Manzano, had been sent to Celaya for the purpose of poisoning President Calles and General Obregon with an infected needle. This was to have been done at a dance. The plan failed owing to the precautions taken to protect these officials.

Getting Skinner Getting Skinnier Every Day

Something Must Be Done and Done Right Now—Quick

Tens of thousands of thin, run-down men—yes, and women too—are getting discuoraged—are giving up all hope of ever being able to take on flesh and look healthy and strong.

All such people can stop worrying and start to smile and enjoy life right now for McCoy's Cod Liver Extract Tablets are putting flesh on bosts of skinny folks in all parts of the world every day.

One woman, tired, weak and discouraged, gained 15 pounds in five weeks and now feels fine.

And this shows what faith the makers have in McCoy's for they say: if any thin person don't gain at least 5 pounds in 30 days your money will be refunded—and only 60 cents for 60 tablets—Economy Size— $1.00. Ask for them at the City Drug and Book company or any drug store.

Says--Now Stiff Joints Must Go

New Discovery Limbers 'Em Up and Even the Creaking Ceases

Yes: it's true—the world progresses.

All you have to do nowadays to limber up that stiff, rusty knee joint is to squeeze half inch of miracle working substance from a tube.

Then rub it on the offending part for about a quarter of a minute or until it soaks through the skin and disappears on its errand of mercy.

Then read the evening newspapers and go to bed.

The chances are that your misbehaving knee joint will lose its "creak" while you are dreaming about the high fences you used to leap when you were a youngster.

"And in the morning," says one who has tried the new discovery, "You'll feel so happy that you'll want to jump into your sportiest clothes and walk briskly down the street just to show the neighbors that you are not as old as they think you are."

Joint-Ease: They call this wonder working substance, for the reason that when ordinary remedies fail to limber up the stiff, inflamed rheumatic joint, or reduce the swelling, Joint-Ease succeeds.

It's a good name for a good, clean, stainless prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily have the kinks taken out of them and work as smoothly as ever.

But Joint-Ease is for bothersome joints, whether in knee, ankle, hip, shoulder, spine or finger, and for that purpose its sale is immence.

All drug stores have a big supply and druggists everywhere report a big demand.

Bad Legs
Do Your Feet and Ankles Swell and Inflame and Get So Sore You Can Hardly Walk?
Have You Varicose or Swollen Veins and Bunches Near Ankle or Knee?
To stop the misery, pain or soreness, help reduce the dangerous swollen veins and strengthen the legs, use Moone's Emerald Oil. This clean powerful penetrating yet safe antiseptic healing oil is obtainable at all first-class drug stores.
In hundreds of cases Moone's Emerald Oil has given blessed relief. Use it for Ulcers, Old Sores, Broken Veins and Troublesome Cases of Eczema.
MOONE'S EMERALD OIL

Young English Scientist Claims Overcome Gravity

LONDON, Oct. 25.—R. H. Tate, a young scientist in West Hartlepool, has given the scientific world something to discuss by declaring he has made a discovery enabling him to overcome the law of gravity.

Newspaper accounts of a demonstration of his method say that this takes the form of a mysterious new metal, and that a plate of it floats in the air when placed aobve a plate of similar material, lying on the floor.

Tate declined to say how he accomplished his results. He said that he hoped to demonstrate the discovery soon in the presence of leading scientists.

TRAIL TOC H TO DEDICATE LAMP

Lighted and Dedicated at Coast; Light in Memory of Fallen Heroes

TRAIL, B.C., Oct. 25.—Trail branch of Toc. H. will formally receive and dedicate its lamp which is the symbol of the institution, shortly.

Trail's lamp was lit and dedicated at Vancouver recently. The local dedication ceremony will be conducted by Rev. N. B. D. Larmonth.

Popular Scotch Soccer Player of Trail Dies

TRAIL, B.C., Oct. 25.—After an illness of eight days, during which time he was in the Trail-Tadanac hospital suffering with pneumonia, William H. Marshall, aged 26, passed away here last night.

Mr. Marshall was an employee of the Consolidated Mining & Smelting company, where he was employed in the foundry. Being an enthusiastic soccer player, Mr. Marshall was a popular member of the Ranger's team, throughout the past season.

He was born in Scotland, where it is understood, his parents and relatives still reside.

"Baby Mine" Goes Into Full Rehearsal, Trail

TRAIL, B.C., Oct. 25.—Rehearsals of the three-act farce, "Baby Mine," which will be presented to the Trail public next month by the Trail Amateur Dramatic and Musical society, are progressing well and everw one of the nine members of the cast are word perfect.

A rehersal was held in the library at the Memorial hall last night, when parts of the various scenes were tried. Starting next week, full rehearsals will be held. The management is confident of more than ordinary success.

Rossland Red Cross Has a Tag Day; Raises $107 for Crippled Children

ROSSLAND, B.C., Oct. 25.—For the benefit of the crippled children's fund the Rossland Red Cross branch staged a tag day Tuesday and collected over $107. Of this amount $20.45 was contributed by the pupils of the McLean school.

The tagging was in charge of a committee consisting of Mrs. J. J. Wilson, Mrs. John Galt, Mrs. H. L. Reaney, Mrs. E. McKay-White and Mrs. W. A. Elleston.

Minimum Temperature Higher and Maximum Lower Nelson District

Although the minimum temperature of 28 for the 24 hours ending at 5 p.m. yesterday was three degrees higher than the day before, it was still from two to seven degrees lower than the minimum temperatures of the first part of the week. The maximum temperature of 48 yesterday was four degrees lower than the previous day's maximum.

MILTON TO CLEAN FALSE TEETH!

Milton is the one sure and harmless way of getting your false teeth *really* clean—the whole plate spotless and free from germs, gold parts glittering, no sign of 'film' or food—ask your dentist. Get a bottle (35c, 65c or $1.) from any dealer, and try one of these methods.

The Overnight Method. *If you take out your plate at night, add half-a-teaspoonful of Milton to the glass or cup of cold water in which you leave it. In the morning rinse it in clean cold water.*

The Morning Method. *If you steep with your false teeth in, put them, on rising, into a glass containing equal parts of Milton and warm water (just enough fluid to cover the plate.) When you are dressed, take them out, rinse and wipe.*

IT CLEANS THEM WHILE YOU SLEEP OR DRESS

SIXTY MAROONED WRANGEL ISLAND

Steamer With Food and Supplies Fails Get Through; May Be Wiped Out

LAWRENCE BAY, Siberia, Oct. 25.—How to get food to five Russians and 50 Eskimos who have been cut off from the world on rangel island since 1926 is causing much worry here.

The steamer Stavropol, assigned to carry the colony a three-year supply of food, fuel and medicine, failed to break through the ice and recently returned.

Orders have come from Premier Rykoff that other measures must be taken to reach the island, since help next summer might be too late. An airplane that set out on the same mission as the ship was also compelled to return.

Wrangel island has a record of tragedy which may well frighten the members of the Russian expedition residing there now. If, indeed, disaster has not already overtaken some of or all of them. In 1921 an expedition was fitted out at Nome, Alaska, under the supervision of Vihlalmur Stefansson, the explorer, to take possesion of the island in the name of Canada. Stefansson did not go along himslf, but put the expedition in the charge of a young Canadian, Alan Crawford, of Toronto.

The expedition landed on the island in 1922; nothing more was heard from it until late in 1923, when a relief expedition found only Ada Blackack, an Eskimo seamstress, who had been taken along, alive. One member of the expedition, Lorne Knight, had died of scurvy during the winter preceding, it was found, while three others, Alan Crawford, Frederick Maurer and Milton Galle, had set out to reach Siberia over the ice. They have never been heard from since.

rangel island is listed in the encyclopedia Brittanica as belonging to Russia, although claims of a sort by both Britain and the United States might be supported by one circumstance or another.

Associated Growers Will Distribute $451,729 for Apple Pools Yet Unclosed

VERNON, Oct. 25.—Associated Growers this week are making payments to locals totalling $451,729 on unclosed apple pools.

This sum is sufficient to bring this crop payment up to half million dollars.

Half a million is to be paid on soft fruit pools.

Consolidated Takes Up Option on the George Copper Property, Coast

VICTORIA, B.C., Oct. 25.—Work on the George Copper property has been closed down for the winter; but as a result of this year's work the Consolidated Mining & Smelting company has assumed actual control of the property by exercising its option and taking up 51 per cent of the stock, it was announced by the company here today.

Another 42 per cent of the stock is under option by the Consolidated, but does not have to be taken up until next June, it was explained.

Abolition of Stool Pigeon Hailed With Satisfaction, Coast

VANCOUVER, Oct. 25.—Attorney-General Pooley's declaration abolishing stool pigeons is received here gith general commendation.

Local police have had considerable trouble off and on with their employment in several cases, their evidence being wholly unsatisfactory and in one case the informer being proven guilty of betraying a case at a trial through receipt of a bribe.

Leading local lawyers have long contended that the government should not itself send men out to break the law.

VICTOR A. ROLLINS PURCHASING AGENT

Succeeds Patterson, Late of Vancouver; New Official Has Been in Tobacco Business; Is Pioneer

VICTORIA, Oct. 25.—Victor A. Rollins, Vancouver, has been appointed purchasing agent for the government of British Columbia, it was announced at the parliament buildings today.

He succeeds James Paterson, who died recently.

Mr. Rollins is a native of Lucanville, Ont., and came to British Columbia 30 years ago. He has been engaged in the tobacco business for some years.

Minister of Public Works Is on His Way on Interior Business

VICTORIA, Oct. 25.—Hon. N. S. Lougheed, minister of public works, left Thursday night for the interior to look into some matters connected with the department which require special attention.

One of the important sections which he will inspect is the shore road along Okanagan lake.

Carbon Monoxide Takes One Life; Second Man Is Found Unconscious

WINNIPEG, Oct. 26.—Frank C. O'Shea is dead and J. S. Haney is unconscious in the Verdun hospital. The men, both residents of Winnipeg, were found in a closed automobile on a highway near Verdun Thursday and are believed to be the victim of carbon monoxide gas fumes. The car had been parked on the side of the road for more than 10 hours when farmers of the district discovered the men. O'Shea, who is 36 years old, was dead, and Haney unconscious.

Police are investigating.

TRAIL, NELSON MUSICIANS GET GREAT OVATION

First Joint Concert Presented in Trail Proves Remarkable Success

MAYOR CLARK DESCRIBES STEP TOWARD FESTIVAL

All Types of Music Presented; Visitors Are Guests at Supper

TRAIL, B.C., Oct. 25.—Still another knot was tied in the continually growing friendly spirit between Trail and Nelson when outstanding musicians of each city united their efforts to give a large audience of Trail music lover one of the most varied and attractive concert programs attempted in the district. A large gathering had assembled in the Memorial hall by 8 o'clock this evening in anticipation of the musical treat in store.

In an introductory address Mayor H Clark prophisied the growing of friendly spirit between Nelson and Trail. Although this was the Nelson Symphony orcnestra's first appearance in Trail, he stated, many Trail residents had previously heard it and were familiar with the high standard of music it had built for itself in Nelson.

No remarks or introductions were needed in the case of the Trail Veterans' orchestra, he said. In concluding Mayor Clark asserted this was the first step toward an annual musical festival in the Kootenay, which was worthy of every one's support.

VARIED PROGRAM

Ross Fleming, conductor of the Nelson orchestra, received a hearty ovation when he was introduced by Mayor Clark. He conducted the first part of the program, E. W. Hall of Trail taking the second part.

Every note in the various types and styles of music was struck in the appropriately arranged program, which ranged from the popular to well known symphony and operatic selections and included marches, novelty and descriptive selections, and overtures.

Following the concert the visitors were guests at a light luncheon arranged by wives of the Trail players. Mr. Fleming expressed Nelson's thanks and congratulated the players on their cooperation. Mr. Hall reiterated Mr. Fleming's remarks and each orchestra cheered the other.

THE PROGRAM

Part I. under direction of Ross Fleming, Nelson.

Sons of Australia—march, Alex F. Lithgow.

Chu Chin Chow—selection, Frederic Norton.

Pale Moon—Novelty, Frederic K. Logan.

In a Monastery Garden—descriptive, Ketelby.

Maximillian Robespierre—overture, H. Litoff.

Sincerity, Emery Clarke; Berceuse, from Jocelyn, Godard; Rose Bud, Drummond—vocal solos by A. A. Pagdin.

Part II., under direction of E. W. Hall, Trail.

On the Road—march, Edwin Franko Goldman.

Dances, from Henry VIII.—suite, Edward German.

Finlandia—symphonic poem, Sibelius.

Hungarian Dance, No. 5—Dance, Brahms.

The Show Boat—selection, Kerns.

Down in the Forest, Landon Ronald; The Star, James H. Rogers; Obstination, H. de Fontenailles—vocal solos by Mrs. W. G. Jewitt.

THE ORCHESTRA

The Trail players included E. W. Hall, conductor; J. Walker, H. McLaren, H. Howard, R. Griffin, S. Elliott, E. Andrews and T. Reid, violins; A. Kerr and C. Leslie, violas; T. Meachem, cello; A. Farnum, bass; A. Slater, flute; P. Johnson, clarionet; A. Doucette, bassoon; A. Larson, saxophone; B. Forteath, trumpet; D. Forteath and D. Wood, trombones; T. Saddler, horn; C. Williamson, tuba; A. Smith, drums; Miss Muriel Hall, piano; and A. Elwood, business manager.

Nelson members of the orchestra were: Ross Fleming, conductor; J. Burgess, R. A. Wade, G. Grizzelle, L. Truscott, C. Catalano, Miss C. Notman and Miss H. Gould, violins; G. Truscott, cello; J. M. Ludwig, bass; A. Tregillus, flute; H. Barwood, clarionet; J. Brown and B. Jones, cornets; F. Webber, trombone; R. McCandlish, drums; P. Mills, drums; Mrs. N. Ball, piano.

MRS. R. McPHEE IS LAID REST FERNIE

Casket Attended by Six Young Ladies, and Carried by Six Young Men

FERNIE, B.C., Oct. 25.—The funeral of Mrs. Ruth Conklin McPhee was held today from her home in West Fernie to the United church and thence to St. Margaret's cemetery. It was under the direction of the Elks society.

The service was conducted by Rev. E. L. Best. As the cortege was entering the church, the organist, Mrs. Broley, played, "A Day's March Nearer Home." The hymn, "Jesus Loves Me" was sung at request of Mrs. McPhee.

The casket was borne by six young men and attended by six young ladies, particular friends of Mrs. McPhee. They were the Misses Beth Nicholson, Katie Sloan, Edna Charnock, Mary Megale, Dorothy Corrie and Dorothy Beale; and Leon Rushcall, Tom Davidson, George Perkins, Harold Neldig, David Clowers and Mr. Beale.

James Parkins of Invermere, Mr. and Mrs. Summers and Mrs. Gebean, all of Blairmore, were visitors, who came to attend the funeral.

Detective Urges Some Action by Government in the Small Mystery

TORONTO, Oct. 25.—Coincident with the developments of the Ambrose Small mystery brought about by the investigations of the international criminologist, Dr. A. M. Langsner, Pat Sullivan, who has been investigating the case for the sisters of the missing theater magnate, declared today that the Rosedale dump must be excavated, and that if the government does not do it the Small sisters will, according to a report published in the Mail and Empire today. For some years, the belief has been expressed that the body of the missing many is buried in the dump. Some excavating work was done but the ground has never been thoroughly searched.

NIAGARA FALLS, Ont., Oct. 25.—Charges against the local city police of corruption in the force and the complicity with lawbreakers are being investigated today by a board of police commissioners.

Among the charges are drunkenness of members of the force while on duty, "tipping off" bootleggers when raids are about to be conducted, insulting language to women, and the promotion of a constable to sergeant without authority of the police commission.

Cunningham Is Fifth Ranking Tennis Player

TRAIL, B.C., Oct. 25.—G. Cunningham of Trail has, during the past season, attained fifth ranking place among the male tennis players of the province, according to the rankings which have been announced at the coast. The rankings are made by the British Columbia Lawn Tennis association and players to attain ranking must play singles in at least two tournaments sanctioned by the association. They must also be members of British Columbia clubs.

Following is the list of rankings for the past season:

MEN

T. O. Ryall, Jericho.
G. H. Peers, Vancouver.
Gordon Shields, Pericho.
D. M. Gordon, Victoria.
G. Cunningham, Trail.
George Sparling, Jericho.
Bud Hocking, Victoria.
H. W. McLean, Jericho.
A. S. Milne, Vancouver.
B. A. Rhodes, Vancouver.

LADIES

Miss Hope Leeming, Victoria.
Miss M. Munro, Vancouver.
Miss M. McNab, Victoria.
Miss M. Miller, Victoria.
Miss R. Ellis, Vancouver.
Miss Allison King, Vancouver.
Miss E. Porter, Jericho.
Mrs. Grigor, Jericho.
Mrs. Wolrige, Jericho.
Mrs. Muir, Vancouver.
Mrs. Haggart, Vancouver.

Population of Greater Vancouver Increases by 46 Per Cent Few Years

VANCOUVER, Oct. 25.—The total population of the Greater Vancouver area has increased by more than 100,000 persons or approximately 46 per cent in the last four years, according to statistics compiled by a local directory. The population is given as 344,180 against 255,000 in 1924 and 317,185 in 1927.

The municipalities included in the total figure are Vancouver City, South Vancouver, Point Grey, the north shore municipalities and Burnaby and New Westminster. A census of the New Westminster and North Vancouver districts now in progress will probably show a slightly higher total population, it is said.

Youth Found Guilty of Motor Car Theft Gets Stiff Sentence

TORONTO, Oct. 25.—David W. McCartney, found guilty of a motor car theft by a jury October 1, was given suspended sentence on probation for five years subect to his going to work, paying his board at home, buying his own clothes, going to church and Sunday school and not driving a car, by Judge Coatsworth in sessions court here today.

CANADA'S PROSPECTS

MONTREAL, Oct. 25.—"The more one travels in this great country, the more impressed one is with its tremendous possibilities and with the great place Canada must play in the history of the world," declared Hon. R. B. Bennett, leader of the Conservative party, in an address today before the Women's Conservative association of Montreal, at a reception held in his honor.

CITY OF TRAIL

Notice to Workmen!

Workmen intending coming to Trail, B.C., are hereby notified that there is already a considerable surplus of labor in the City and anyone coming here is liable to disappointment and useless expense.

Wm. E. B. MONPENNY,
City Clerk,
Trail, B. C.

Christianity, Science and Progress Subject of Collins' Speech

At a lecture under the auspices of the Knights of Columbus at the Catholic Parish hall last night, Peter W. Collins of Boston, renowned Catholic orator, was received with unsuppressed applause on the occasion of his first visit to Nelson. Rising to lecture on "Christianity, Science and Progress," Mr. Collins, who for many years has been carying on this great work of true social reform, declared that Communism and all its subordinating isms was not, as a large number of the masses were made to understand, a movement for the people by the people and from the people, but a movement organized by Marks, and Ingles who flood the country with an ocean of literature written in a language which is incomprehensible to the average man of the masses. "It is," said Mr. Collins, "a movement to undermine the work of God and his apostles. The Catholic orator backed this statement up by quoting from speeches of Protestant bishops both in America and England.

The social evils of the present day all spring from the one source, said the speaker, that of the under-paid laborer. "Christ himself showed this when he said that the laborer was worthy of his hire,' and, went on the speaker, "the master was himself a working man and the son of a carpenter and his followers were fishermen. But these evils can be settled without such means as have been taken in Russia and China." Marks and Ingles in the ever increasing flow of literature which the public that science abolished religion and religion did away with science, he stated. Religion and science have since the beginning of time worked hand in hand to accomplish the one end: "To know, love and serve God," pointed out Mr. Collins, "and the only time when these great principles seme to differ is when they are represented by men who know nothing about either and are ignorant. In summing up, Mr. Collins said that everything that is necessary to forward Christianity, progress and science were contained in the world "service." "S" for sacrifice, "E" for education, "R" for religion, "V" for vision, "I" for industry, which means work, "O" for character, and "E" for enthusiasm.

Grand Mistress of Ladies' Orange Association Visits Rossland; Two Candidates

ROSSLAND, B.C., Oct. 25.—Mrs. Grace E. Darrocott of Vancouver, province grand mistress of the L. O. B. A. accompanied by Mrs. Maud Emsley of Trail, grand chaplain, and Mrs. Glass of Hope, grand lecturer, paid an official visit to Golden City lodge No. 786, of this city Tuesday evening. The first degree was conferred on two candidates.

At the close of the meeting a banquet was served. Speeches were made by the grand officers and the new candidates. Mrs. Darracott urged her hearers to live up to the ideals for which the order stood and especially urged the claims of the orphanage.

A number from Trail were in attendance, among them being Mr. and Mrs. John Doughty, Mrs. M. Emsley, Mrs. T. Ferguson, Mrs. J. Armitt, Mrs. D. Gillis, Mrs. J. Coupland, Mrs. J. O. Murdock, Mrs. E. Morris, Mrs. W. Houston and Mrs. J. Backman.

Orange Pekoe tea is very delicious if high-grown, well blended and scientifically packed—"SALADA" Orange Pekoe Blend is all of these. Try it and you will realize the difference—43c per ½-lb.—At all grocers. The flavour will charm you.

The Luxury Soap of the World

Loveliness, and the grace which goes hand in hand with confidence in beauty's prestige, has been the gift of Yardley's Old English Lavender Soap since the quiet days of flag-stoned gardens and much-petticoated maidens. To-day, as then, Yardley's refines hands and faces with its exquisite purity—touches them with its lingering, lovable fragrance.

$1 per box of 3 large cakes at all best druggists and department stores throughout Canada.

YARDLEY'S Old English LAVENDER SOAP

YARDLEY, 8, New Bond Street, LONDON, Eng.

Canada: 358-362, Adelaide Street, W., Toronto 2, Ont.
U.S.A.: Madison Square, New York.

"I remember her when she was beautiful"

"IT WASN'T so long ago either. Her complexion was the envy of every girl and woman. Her radiant manner was felt the instant she entered the room. . . . But now you'd hardly know she was the same person. Her animation is gone—her clear skin is sallow. She's always tired—often irritable. . . ."

Here's what has been said about countless women all over the country. Yet, all this could have been prevented. The cause, often constipation, is so easily removed by Kellogg's ALL-BRAN. Happily, thousands of women have made this discovery. By regular eating of ALL-BRAN they have regained all that they lost in beauty and health.

But you need ALL-BRAN—*not "part-bran"*

It is the "bulk" in bran that relieves constipation. Kellogg's ALL-BRAN has a large amount of *bulk*. This bulk absorbs moisture and carries it throughout the digestive system. In a part-bran product there is seldom enough bulk to do this work. That is why doctors recommend ALL-BRAN. Because it is 100% bran—and brings 100% results.

How different from dangerous pills

How much better than habit-forming drugs and laxatives! Which become useless unless the dose is constantly increased—and sometimes injure the system. How much pleasanter than sickening medicines! Kellogg's ALL-BRAN is a delicious cereal. Serve it with milk or cream—and add fruits or honey if desired. Use it in cooking too. Mix it with other cereals—*for health!* Just eat two tablespoonfuls in some form daily—in chronic cases, with every meal.

Keep ALL-BRAN always on hand—a package of health. But be sure it is genuine Kellogg's—the original ALL-BRAN. Don't risk part-bran substitutes. At best, they can be but partially effective. ALL-BRAN is sold by all grocers. Served at all hotels and restaurants. On dining-cars. Made by Kellogg in London, Canada.

Kellogg's ALL-BRAN

Guaranteed!

Kellogg's ALL-BRAN *is sold with this definite guarantee: Eat it according to directions. If it does not relieve constipation safely, we will refund the purchase price.*

Abolishing Stool Pigeons, Instigators of Crime

Hon. R. H. Pooley, attorney-general, is doing the right thing in abolishing the use of stool pigeons.

The stool pigeon gets convictions by persuading others to violate the law.

His livelihood depends upon securing convictions because it is obvious that a stool pigeon who does not secure convictions will soon be considered useless in his job and therefore get fired.

As a consequence, the stool pigeon becomes of necessity what the French call an "agent provocateur", he becomes a provoker of crime.

Too frequently in recent years we have had cases in British Columbia in which stool pigeons have adopted practices of a most questionable nature in an endeavor to secure convictions. There have been cases of proved perjury; there have been many others in which there was good reason for suspecting perjury.

Let the law be enforced. As long as we have laws on the statute books they should be carried out, but if there is no other way of enforcing them than by the use of government employees whose business it is to persuade people to break the law, then the sooner we amend the statutes the better.

Just imagine what would occur if we applied the stool pigeon idea generally. Supposing the government hired men to go around the country instigating others to commit theft or murder—just imagine what the result would be.

There is no law in the world which has public support that cannot effectively be enforced by the police by the practice of ordinary decent and honorable methods.

What the Press Is Saying

LIQUOR SPOTTERS

Recent liquor trials in this district place the provincial police in any but an enviable position. A couple of stool pigeons visited the district in August and tried to induce persons to sell liquor to them. In one instance, they begged a woman to press a suit of clothes for them, giving in payment, a cheque for $15 which was cashed by the woman's husband, deducting $2 for the pressing. This check, issued by a local mining man for a day's work by each, was the basis of the charge for infraction of the Liquor act, or "bootlegging" as it is commonly known. The men stated on oath that they were provincial police and had been in the "spotting" business for nine years. The woman was fined $300. We leave the public to decide on the justice or injustice of this fine. Whether the oath of two spotters should be taken in preference to that of a decent married woman and mother of a family. The whole case is so utterly disreputable that the attorney-general should at once get rid of the creatures and those responsible for employing them. The duty of the provincial police is to protect lawabiding citizens, not to prosecute them. They are not dictators who should be allowed to railroad convictions before supine justices of the peace. As a rule defendants lose whether the evidence is against them or not. An appeal usually is more expensive than the fine, and the defendant pays and drops the matter. A private citizen is handicapped in a legal battle with a government or a corporation and often advantage is thus taken to squeeze the little fellow. It is doubtful if there ever was a spotter who would not perjure himself to get a conviction. —New Denver Leeser.

Dies of Poisoning When Wedding Ring Becomes Too Small

NOTTINGHAM, Oct. 25.—Because Mrs Mary Ann Taylor was putting on weight, her wedding ring became too tight on her finger and the skin broke. She refused to have the ring removed, blood poisoning developed and she died.

Such was the evidence at the inquest and a verdict was returned accordingly. She was 54 years of age.

Potatoes Mashed Parsips
Lettuce Salad
Pumpkin Pie Coffee

Cheese Souffle—Into a saucepan put one tablespoon of butter. When melted add one tablespoon of flour and blend well before stirring in one-half cup of sweet milk, one-half teaspoon of salt and a pinch of pepper. Cook two minutes, then add the well beaten yolks of three eggs and also one cup of grated cheese. Set away to cool. When cold, add the whites of the three eggs beaten stiff and turn all into a buttered baking dish. Bake from 20 to 25 minutes in a moderate oven and serve the moment it comes from the oven—before it falls! (Contributed.)

Hot Cheese Sandwiches—Slice white bread thinly, then cut it into rounds with a biscuit cutter (large size). Put a thick layer of grated cheese between the two bread circles, sprinkle with a little salt and a dash of pepper and press the rounds together. Fry to a delicate brown on each side in equal parts of hot lard and butter and serve very hot.

Cheese Croquettes—Cream three tablespoons of butter with one-fourth cup of flour, and stir in one-half teaspoon of salt, a pinch of pepper and two-thirds of a cup of sweet milk. Let this mixture boil three minutes, stirring steadily, then add two slightly beaten eggs and one-half cup of grated cheese. Let continue to cook in order to melt this amount of cheese—this time a full cup of it. Remove from fire, let stand till hard enough to mould and roll in breadcrumbs. Fry in deep hot fat.

Cheese Cake—Rub one-half cup of butter into two cups of flour, then add one-half cup of granulated sugar, two teaspoons of baking powder, one well beaten egg, one-half cup of sweet milk and the strained juice of one lemon. Now line a buttered baking dish or casserole with this paste. Fill it with one pound of pot cheese mixed with one-fourth cup each of butter and granulated sugar. Sprinkle one-half cup of cleaned dried currants over the top and bake in a moderate oven for 35 minutes. (Contributed by H.)

Tommorrow—Readers' Discoveries

That Body of Yours

By James W Barton, M.D

The Work of Your Body

One of the words you come across in your reading sometimes is "Metabolism". This simply means the building up and the tearing or wearing down of the cells as they perform their work in the body. In order to do this work, oxygen must be obtained, because it is really a "burning" that goes on as the cells work.

As you know the cells get this by means of the blood, which in turn gets it from the lungs as it circulates throug them.

Now just how much work the cells of your body are actually doing can be measured exactly, because it will be in proportion to the amount of oxygen they consume in doing this work.

Accordingly, after a good night's rest, and no breakfast, no digestion going on, you lie down quietly and a machine measures the amount of oxygen you take in within a certain time, which oxygen is, as stated above, used by your cells to do the ordinary work in the body. This is the "basal metabolism". If your body is using more than it should, it shows there is some trouble—infection perhaps. If it uses less, then some of your ductless glands are not secreting enough juice, and thus fat gets stored in the body instead of being burned. But what is known as "total metabolism" is of interest to those of us who are well.

This is the total consumption of oxygen for the entire 24 hours, which means the losses of energy caused by work, emotional stress, and amount needed to burn up the food. Foods stimulate the cells to take up more oxygen than when the body is at rest and some foods have more of this stimulating action than others.

Meats and eggs have most, fats less, and vegetables and bread least; the proportions being as 33 per cent to 11 to 5.

Dr. Bois, the eminent physicologist calls this the "cost of digestion".

What is this knowledge worth to you?

Simply that if you are a meat eater you should be an outdoor man, where you can get plenty of oxygen to help burn up this meat.

Exercise is another method of burning up foodstuffs in the body, thus taking the work off the liver and kidneys, which should be burdened with wastes.

Hence the value of exercise and the outdoors.

GENERAL MONRO RETIRES

LONDON, Oct. 25.—The retirement on retired pay of general, Sir Charles C. Monro, on reacning the age limit of 65, is announced in the Gazette.

General Monro became famous during the great war in connection with the safe withdrawal of the British troops from Gallipoli. He advised and superintended the evacuation. Subsequently Sir Charles (who was created a baronet in 1921) commanded the first army in France, and from 1916 to 1920 he fas commander-in-chief in India. In 1923 he was appointed governor of Gibraltar, his term of office expiring in August.

AGASSIZ LEADERS ONLY 14 POINTS AHEAD OF RIVALS

Simpson & Holland Pen Hard Pressed by Rutledge Birds Fiftieth Week

By 14.8 points only, Simpson & Holland White Leghorns held their lead over the M. H. Ruttledge birds in the fiftieth week of the Agassiz laying contest. The leaders had a total of 2536.4 points, gained on 2200 valid eggs, at the end of the week.

A. W. Schofield's pen was 22.4 points behind the leaders, and F. C. Evan's birds lacked but 2.6 points of the Schofield entry.

Production in the contest has dropped to 31 per cent. The leading pen laid only 10 eggs in the week, two hens laying three each, and a third four. The McKim Poultry farm entry from Nelson again led production for the week with 37 eggs. Two hens not laying.

Following are the contest figures:

NO GAELIC IS ALLOWED IN ULSTER PARLIAMENT

BELFAST, Oct. 25.—When Cahir Healy, Nationalist member for Fermanagh, attempted to address the Ulster parliament in Gaelic today he was prompty closured by the speaker, Hugh O'Neil.

"No language but English will be permitted here," the speaker said.

SOUTH NEW ENGLAND GIVES SMITH HAND

GOVERNOR SMITH'S TRAIN EN ROUTE TO NEW YORK CITY, Oct. 25.—From the ground, the roof tops and the air, southern New England roared out a welcome today to Alfred Smith as he passed through the many cities and towns which line the route between Boston and New York.

Providence, Pawtucket, Hartford and a dozen other places turned out in thousands to add their cheers to those the Democratic nominee has received over thousands of miles of campaigning between the Atlantic seaboard and the Rockies.

The demonstration started this morning as soon as the governor stepped from an elevator in the lobby of a hotel in Boston and tonight it was still going on as the nominee, aboard his special train, moved toward New York.

Doug and Mary Are Now Charged as Delinquent With Their Income Tax

WASHINGTON, Oct. 25.—Douglas Fairbanks computes his income in one way; the government adds it up in another. Consequently the famous moving picture star with his wife, the equally famous Mary Pickford, were in town today to keep an appointment at the treasury. Something over a million dollars was at stake.

The government contends that Fairbanks owes exactly $1,090,273.56 in unpaid federal taxes. It asserts that Miss Pickford also is delinquent, but to what extent has not been revealed.

Australia Orders Twenty-eight New Planes in Britain

LONDON, Oct. 25.—The Australian government has placed an order in Great Britain for 28 Westland-Wapiti general purpose airplanes of the latest type. The order has been placed to help fill the requirements of the Australian air force. A number of supermarine twin-engined Napier flying boats are already on order and it is expected that further orders will be placed shortly for British fighting and bombing planes.

GRANGE CASE UP BUT STAY GRANTED

Continuance Until November 13 Granted to Give Grange's Attorney Time for Investigation.

CHICAGO, Oct. 25.—A red-haired baby girl named Haroldine slept trustfully in its mother's arms today in domestic relations court, unmindful of the fact that she was the center of all eyes in the smoke-filled court room jammed with spectators.

The crowd had shoved its way into the room as court opened to hear a paternity charge against Harold (Red) Grange, galloping ghost of the gridiron, preferred by Mrs. Helen Flozak.

Grange, appearing at a local theater, arrived accompanied by his attorney. The former football star glanced neither at the mother nor the sleeping baby.

The case was called. Grange stood beside the mother at whom he still refused to glance. With timid glances at Grange she said she met him while he was staying at a downtown hotel where sh ewas employed and told of trips to his home. She ended by charging he was the father of the baby.

Grange's attorney asked for a continuance until November 13 "to give time for investigation."

Churchmen Urge War Against War; Also Church Unity

WASHINGTON, Oct. 25.—Bearing a parting message from the house of bishops to work for world peace among nations and unity of Christian churches, delegates to the 49th triennial convention of the Protestant Episcopal church today turned homeward after two weeks of sessions in the nation's capital.

With a ringing declaration that the most momentous task which faces the world today is "the warfare against war", the bishops in their pastoral letter called upon membership of the church throughout the country to give its support to all worthy movements for peace.

At the same time, the bishops said, there should be a greater untity among Christian churches. "If Catholic and Protestant cannot find a way to live together and to worship together the one Lord whom both adore, then is our faith in vain. We are yet in our sin," the letter declared.

Four Bandits Make Good in Robbery of Loan Company, Iowa

ATLANTIC, Iowa, Oct. 25.—Officers in many Iowa counties tonight were patroling roads in a state-wide search for four bandits who at noon entered the Whiteney Loan & Trust company and robbed the institution of approximately $40,000 in bonds, currency and gold. The robbers forced 10 employees and customers to lie on the floor while the safe and tellers' cages were ransacked.

A check up showed the loss of $15,000 in customers' bonds, 10,000 of which were unregistered, $20,000 in currency and gold from the vaults and a little over $4000 in currency and silver from the tellers' cages.

Quilted coats are being worn by some of London's smartest women this autumn.

EVEREADY Layerbilt

There's been a revolution in the science of battery building—Eveready has found a way to give you more battery for your money than you ever bought before!

The new Layerbilt principle can be understood by anyone. It simply gives you more current-making elements by packing flat cells like crackers in a box, instead of using many round cells with waste space between.

You actually get the equivalent of a much bigger battery and, of course, it takes much longer to use it up. That's why you should buy Eveready Layerbilts and save money. Now selling at new low prices. Ask your dealer.

Mr. and Mrs. E. Nord, who were recently married in Vancouver, are now guests of Mrs. Nord's parents, Mr. and Mrs. J. Payant, at Salmo.

* * *

Mrs. Alphonse G. Gelinas, Victoria street, entertained the members of Mrs. T. L. Marquis' circle of the Church of Mary Immaculate yesterday when those present were Mrs. Arthur A. Perrier, Mrs. Leo McKinnon, Mrs. P. J. Gallagher, Mrs. Joseph Sturgeon, Mrs. M. J. Vigneux, Mrs. Gregoire Choquette, Mrs. H. L. Lindsay, Mrs. Eli Johnston, Mrs. Margaret Madden, Mrs. L. S. McKinnon, Mrs. Thomas P. Germain, Mrs. M. Scully, Mrs. E. O'Sullivan, Mrs. Thomas Cookson, Mrs. Arthur Keeler, Mrs. Murphy, Mrs. Henri Gagnon, Mrs. M. Prestly, Mrs. M. J. Varseveld, Mrs. Thomas Long, Mrs. John Burns, Mrs. E. J. Cody and Mrs. T. L. Marquis and Mrs. L. A. Leriger.

* * *

St. Paul's Anglican church, Vancouver, was the scene of a pretty wedding when Violet Rose, daughter of Mr. and Mrs. R. J. Couvelier, of Vancouver, was united in mirriage to George James Joy, son of Mr. and Mrs. R. G. Joy, Nelson, B.C. The bride, who wore a smart fawn suit, was attended by her sister, Mrs. R. Harper, similarly attired. The bride carried Ophelia roses and lily of the valley, and the matron of honor's boquet was of pink carnations. Mr. Arthur Joy was best man, and Mr. Goertz gave the bride in marriage. A reception was held at the home of Mr. R. Harpur, Collingwood street, when Mrs. Couvelier received with the bridal party. Mr. Charles H. Joy gave the toast to the bride. Tea was poured by Mrs. H. W. Harpur and Mrs. Charles H. Joy, while Mrs. C. Bannister cut the ices. Those serving were Miss Connie Joy, Mrs. R. McDowell, Miss Phyllis Stellfox, Miss Isabelle McDonald, Miss Dolores Curnow, Mrs. Ernest Whiteside and Mrs. Rose Maxwell. The bridal couple left for Victoria and will spend their honeymoon on Vancouver island, visiting friends in Nanaimo.

* * *

Mrs. J. White, now of California, and a former resident of Trail, was on Wednesday the inspiration of an informal tea given by Mrs. W. R. Smythe, Victoria street, who was assisted in serving by Mrs. B. E. Chace, who poured, and Mrs. L. L. Boomer, who served. Invited guests were Mrs. White, Mrs. H. A. Nicholson, Mrs. Waite, Mrs. C. E. Mansfield, Mrs. Charles Kelman, Mrs. Ray Williamson of Trail, Mrs. J. B. Gray, Mrs. James Brodie, Mrs. Roy Manahan, Mrs. Palmer Lindsay, Mrs. Campbell Lindsay of Regina, Mrs. Robert Armstrong, Mrs. Joseph Sturgeon, Mrs. M. J. Vigneux, Mrs. A. McL. Fletcher, Mrs. B. E. Chace and Mrs. L. L. Boomer.

* * *

Mrs. James H. Ryley, who has been the guest of Mrs. Margaret Madden, Baker street, left for her home at Queen's Bay yesterday.

* * *

S. E. Coulter, mining man of Kaslo, spent yesterday in Nelson.

* * *

John Jamieson of Passmore was in the city yesterday to attend the funeral of the late W. Brown.

* * *

The ex-graduates of the Kootenay Lake General hospital entertained at the home on Front street of Mrs. T. E. Homersham recently, honoring six of the nurses-in-training, who will graduate next week. The hostesses were Mrs. George Lester, Mrs. J. A. Irving, Mrs. Herbert Logan, Miss McVicar and Mrs. Homersham, while their guests included Miss Evelyn Godfrey, Miss Dorothy Edwards, Miss Alberta Cook, Miss Jean Archer, Miss Blanche Forsberg and Miss Myriad Morrison.

* * *

Fred W. Sterling of Vancouver, who has been in Nelson and district for the past week, left last night for his home.

* * *

Mrs. L. M. Russell of Boswell leaves this morning to sail from Quebec on the Empress of Scotland for England.

* * *

Loma Lada, the home on the north shore of Mr. and Mrs. J. T. Andrews, was a happy scene Wednesday afternoon, when their elder daughter, Frances, celebrated her third birthday by entertaining a few of her girl and boy friends. The Andrews' home was elaborately decorated for the occasion with Haloweenc olors, yellow and bronze mums gracing the pretty rooms. The

Kootenay Music House

Big Game

By VIDA HURST

The night which followed was ghastly. In spite of the fact that Dan's note lay crumpled in the waste basket Mona's common sense told her he was right.

If Bruce loved her he would have accepted her explanation. Refusing to believe even the evidence of his own eyes.

But her heart pleaded that he had been under a tremendous strain. Things had looked suspicious not this once—but so many times.

Beneath her depression flickered the faint hope that even yet he might come asking to be forgiven.

"I'm sorry, Mona. My doubt was unworthy!"

How quickly she would forgive. Pulling him to her with eager hands, crying, "Darling, I understand."

She had no desire to punish him. Her generosity should be without equivocation.

"Darling, silly, Bruce, let's forget about it."

The peace of such a reconciliation! The joy of knowing that nothing should ever separate them again. She told herself, sadly, that it would not happen, yet she continued to expect him. Any moment the doorbell might ring and she would answer as she had done 24 hours earlier to find him once more upon her doorstep.

But as the hours limped past the futility of these longings sickened her. She had tried everything.

Had even followed him to Ruth's to prove that when one really loves there is no pride.

As the hunter at the end of the chase risks his life to bring down his prey so Mona had staked her all on this final effort. And she had failed.

At midnight she sought her bed. To lie, listening to the ticking of a clock which reminded her that this was only one night out of weks of nights to come. Weeks, months, years of nights before at least she would become an "old, old lady."

The next day dawned with pristine freshness. The sun streamed across her bed.

"Such a beautiful day! Something nice must happen."

She dressed with rising excitement. Bruce was to leave that night but she knew he would not go leaving things undecided. Surely before the day was over he would relent and come.

Late in the morning Dan telephoned.

"I'm feeling frightfull low," he declared, plaintively. "I suppose there's no chance of your seeing me."

"Absolutely not. The less we see of each other the better, things being as they are."

"Tthings wouldn't remain as they are," he prophisied, "iff you'd let yourself be sweet to me."

No! Undoubtedly not! He had for her a dangerous fascination. Everything Bruce suspected had indeed been potential in their relationship.

But Mona replaced the receiver, firm in her determination to be patient for once and let the situation develop as it would. She would make no further effort to force fate.

The sun flashed across her arm reminding her that she was still wearing Dan's bracelet. She had forgotten it. But, oh well, there was plenty of time.

The hours of that day followed in a hushed expectancy. Mona did not leave the house, she was so afraid he might come.

Memory of the misunderstandings she had had with Johnnie returned to comfort her. Lovers' quarrels were not permanent.

After all, Bruce was no different from other men. In the end surely he, too, would weaken.

But as she was playing the piano, she thought, "If he shouldn't what would I do?"

She would think about him so hard he would be drawn by the very intensity of her emotion. Could he remember that Halloween night not quite a year ago and let anything stand in his way?

Even when the afternoon waned into the early twilight and he had not appeared, she tried to be brave. If he went to Chicago without seeing her it would be the end. Oh, but he could not go.

At a quarter to seven the telephone rang.

Tomorrow—Bruce leaves.

Bright Children

Are those who are Properly Fed

CHILDREN who are brightest at school are those who are properly fed. The body must be nourished and full of energy if the brain is to be alert. Breakfast is the child's most important meal. It is the meal which starts bodily and mental activity for the day.

Physicians, educators and public men are calling for better breakfasts for the children. They know that during the four morning hours body and mind are most heavily taxed with work or play.

Don't handicap your children by improper or insufficient morning meals. Give them a sustaining breakfast. Serve Quick Quaker Oats every morning.

Be sure always to get Quick Quaker. Each package contains a coupon with which you can secure useful household and personal articles of genuine value. The figure of the Quaker is on each big family package, wrapped and sealed.

Correct Balance of Food Elements

Quick Quaker contains 16% protein, which builds tissue and stamina; carbohydrates, 65%, supply energy and keep the mind alert; minerals to tone the blood and build bone; roughage, a natural laxative, and the important vitamin B, which aids the assimilation of all food.

WEALTH FLOWERS FUNERAL PIONEER NELSON MERCHANT

William Brown, Resident Here Since 1899, Is Laid At Rest Here

Funeral of William Brown, pioneer merchant of Nelson, who died Sunday at the home of his son, R. R. Brown, was held yesterday from Trinity United church, Rev. W. C. Mawhinney officiating.

Mr. Brown, who was born at Stratford, Ont., in 1853, spent his life as a merchant, operating at various United States and Canadian centers until he came to Nelson in 1899.

The many friends made by Mr. Brown during his 29 years's residence here offered a wealth of floral tributes.

Pallbearers were E. Y. Brake, James Allen, J. E. Annable, A. Manson, J. C. Grummett and William Rutherford.

WESTERN CANADA BUYS MACDONALD HOUSE AT FERNIE

Rival Firms for 25 Years Amalgamate; Crow's Nest Trading Changes Hands

FERNIE, B.C., Oct. 25.—Two merchandising deals of considerable importance have gone through in Fernie this week, according to a statement issued today by E. K. Stewart, manager for the Trites-Wood interests in Fernie.

The Western Canada wholesale company purchased from A. Macdonald and company, their complete stock of merchandise, fixtures and buildings, which comprises their four branches. Both firms have been operating a wholesale grocery business in Fernie for the past 25 years.

The amalgamation of these interests is in line, the statement continues, with other like deals which are taking place throughout the business world, having in view the economizing of merchandise distribution.

The Crow's Nest Trading company has also disposed of its entire interests to local purchasers. This business will be continued under the same trade name, under the direction of Thomas Prentice and other local directors.

SMOLIK IS GRANTED DIVORCE AT FERNIE

Proceedings Instituted in 1919 but Stopped Until Children Older

FERNIE, B.C., Oct. 25.—Ignatius Smolik was granted a divorce from his wife, Katie Smolik, by Mr. Justice W. A. MacDonald in assize court here this morning. Joseph Wolne was named corespondent.

The evidence harked back a number of years to alleged misconduct with Wolne, leading to divorce proceedings being instituted in the Fernie courts in 1919, after the petitioner's return from three year's service overseas. Proceedings were afterward halted because of the youth of the petitioner's children, all of whom are now earning their own living.

In 1923 Mrs. Smolik went to Coleman and was alleged to be living there with Wolne. R. Jonathan Howghton, chief of police, saying that he had sworn testimony of Mrs. Smolik that it was true.

When asked by his lordship why he had delayed his petition so long, the petitioner said he had been saving the necessary money to put it through the courts.

In granting the divorce his lordship declined to give an order assessing the costs to the corespondent, as D. M. Mitchell, acting for the petitioner, requested. This ruling was based on a technicality of law relative to a possible mistake in the identity of the respondent or corespondent, and the possibility that the corespondent did not know that the respondent was married. The case was not defended.

Certificates of Work 21 Claims Issued at Nelson

Certificates of work leading toward crown grants have been issued at the government office here for 21 claims to date this month.

The certificates were issued to claimholders as follows:

A. V. Downs—Iva Vixen and Ballyhoo on Donaldson mountain.

J. E. Read—Alamo, Alamo No. 2, and Bonanza, Wolf Creek.

Nels Peterson—Nemesis, Vagabond and Porcupine fraction on Porcupine creek.

W. J. Butler—Eagle on Porcupine creek.

J. H. McDonald, on Salmon river.

O. C. Thompson—Larkhall and Cassiar Fraction, Fawn creek.

John Munro—Standard, near Mountain station.

John Desireau—L. D. and Premier, Wynndel.

T. E. Slingsby—Ruby and Shamrock Wyandel.

Robert Qua—Taniger and Flicker, Bear and Sproule creeks.

E. Bainbridge—Trixie, in German basin.

Charles Kuhn—Daisy, in German basin.

Reserves Judgment Fernie in Argument Adjust Costs

FERNIE, B.C., Oct. 25.—Judgment was reserved by Mr. Justice W. A. MacDonald in assize court here today when he heard an argument between D. M. Mitchell, for the C.P.R., and Francis Lawe, for the plaintiff, concerning an adjustment of costs in the fire case heard last spring by Mr. Justice Murphy.

FERNIE NOTES

FERNIE, B.C., Oct. 25.—W. M. Stockwell, fire boss at Coal Creek mines, underwent a serious major operation at Rochester on Friday. The operation was successful.

Practically the whole staffs of Fernie high and public schools leave tomorrow morning for Cranbrook to attend a teachers' convention.

John Smith of Waldo was married at the United church manse today to Miss Elizabeth Robertson, who arrived on today's train from Scotland. Rev. E. L. Best officiated. The witnesses were Fred and Lizzie Menhinick of Waldo. The party left by motor for Waldo.

Mrs. E. Martin is convalescing favorably after an operation performed this week in Fernie hospital.

Jail Comunists to Stop Demonstration at French Funeral

VINCENNES, France, Oct. 25.—Fifteen hundred and thirty Communists spent part of today as prisoners in the old fortress at Vincennes, as a result of their announced intention to stage a demonstration at the funeral of 19 victims of a building collapse here last week.

Of the 1530 arrested, 452 were foreigners; tonight all had been released with the exception of 92 foreigners, who were being held. Of this number there were 16 classified as "Spaniards, Poles, Russians and Italians, who will likely be expelled from the country."

The Communists had announced a prospective manifestation against the abject regime which allows working men to be murdered by bourgeoise contractors with impunity.

The prefect, M. Chiappe, organized 2000 policemen and members of the Republican guard and as the Comunists showed their heads from the subway stations they were arrested, most of them being released later in small groups with instructions "to move on."

Total 35 Claims Are Recorded in Nelson District

Of 35 mineral claims in the Nelson mining division, recorded at the government office here this month, the majority were in groups.

D. R. Willemar located a group of three on the divide between Anderson creek and the east fork of Cottonwood. The View was recorded in his own name, the Victoria in that of W. Frampton, and the Erie in that of J. M. Frampton. A fourth claim located by Mr. Willemar, the Kathleen, which was recorded under C. J. Curtin's name, was situated on the east side of Anderson creek, three miles from where the creek passes under the Great Northern railway. Mr. Willemar recorded a group in the same vicinity some time ago.

Neil McColeman staked a group of eight claims about seven miles from the mouth of Hidden creek. The owners were recorded as follows: S. B., Neil McColeman; S. B. No. 1, Angus Beaton; S. B., No. 2, H. A. Turner; S. B. No. 3, and S. B. No. 6, W. C. Shelly; S. B. No. 4 and S. B. No. 7, D. T. Packard; S. B. No. 5, J. A. Gilker.

J. H. McDonald located the Eva for himself and the Nova Scotia for R. M. Reeves, half a mile southeast from the mouth of the Salmon river.

J. Hall and E. Bainbridge were recorded owners of the Wolfram, situated on the south side of Goat creek, 1500 feet east from Kootenay lake.

H. E. Dill stated the Ramona for Alex Carrie and the Ronah for H. B. Morrison. These claims are on Hall creek.

Alfred Jeffs' Starlight and C. O. Woodrow's Starling, both on Cultus creek, eight miles from Kootenay lake, were located by Alex Carrie.

YMIR CLAIMS

Five claims near Ymir were staked by J. L. Parker. They were recorded as follows: Morning Star No. 2, Morning Star No. 3, and Evening Star No. 3, J. L. Parker; Evening Star No. 2 and Twilight, A. E. Smith.

A. J. Campbell's Garfield No. 2, was staked on Dundee mountain, four miles from Ymir.

The Wilverspoon, half a mile south of Hall, was located by Carl Peterson.

J. Weber staked the Erie No. 3, and the Erie No. 1, a mile north of Erie, for Kathleen McElvoy; and the Erie No. 2, in the some area, for George C. Schmidt.

O. D. Frith located five claims on the south side of Midge creek, 11 miles from the mouth of the creek. The recorded owners were: Wisconsin No. 1, K. Shankland; Wisconsin No. 2, J. Turw; Wisconsin No. 3, J. H. Bennett; Wisconsin No. 4, J. P. Coates; and Wisconsin No. 5, O. D. Frith.

COTTON INDUSTRY NEGLECTED SAYS LABOR LEADER

Makes Charge Against Government as Byelection in Lancashire Nears

ASHTON LANCASHIRE, Eng., Oct. 25.—A vigorous denunciation of the government is made in Ramsay Macdonald, Labor party leader, in a letter addressed to Albert Bellamy, Labor candidate in the byelection in Ashton-under-Lyne. Polling takes place on October 29, with Gordon Touche attempting to retain the seat for the Conservatives and Gilbert Greenwood, Liberal, the third candidate in the field.

The government has neglected the Lancashire cotton industry, Mr. Macdonald charged, and he ridicules the suggestion that "safeguarding of industries" or the de-rating proposals will relieve Lancashire's difficulties.

"Safeguarding," he writes, "will be as helpful as gagging a man because he is struggling for breath, while the de-rating scheme will be about as effective and generous as throwing out the proverbial straw to a drowning man."

DISASTROUS RESULT

The Labor leader concludes his attack with the declaration that the government's "disastrous handling of foreign affairs not only has rendered disarmament more difficult of accomplishment and created a dangerous unsettlement of mind in Europe, but has sacrificed the initiative, independence and prestige of Great Britain."

The "safeguarding" referred to it a method of providing protection by higher tariff in cases of individual industries where a sufficient case is made out, while the de-rating scheme consists of proposals to remove local taxes from agricultural buildings, transportation and industrial property in return for government reimbursement of the municipalities.

ROCK CREEK NOTES

ROCK CREEK, B.C., Oct. 25.—Arthur and Frank Roberts of Myers creek, were visitors to Kettle Valley on Saturday.

L. F. Billups of Bridesville, visited Rock Creek Friday.

A. R. Barwick and A. Marlair, who live near Bridesville, were visitors here on Saturday.

Isaac Fillmore of Rhone was a visitor to the valley on Saturday.

Mr. and Mrs. C. King of Greenwood were visitors to Kettle Valley golf links on Wednesday.

Mr. and Mrs. G. Clark and Mr. and Mrs. E. Nordman of Beaverdell passed through Rock Creek on Friday en route to Greenwood.

Mr. and Mrs. G. S. Walters of Greenwood motored to Beaverdell on Saturday via Rock Creek to attend the hospital benefit dance there.

Charles William Watson, and Frank Tyrrel Thompson, farmers of Midway, were visitors to Kettle Valley on Sunday.

Mrs. F. E. Wilson of Rock Creek took an early morning's ride on horseback on Wednesday to visit friends at Myncaster.

Mr. and Mrs. Harold Martin of Trail, who have been visiting Mrs. Martin's mother, Mrs. B. Palmer of Kettle Valley, returned to their home at Trail on Tuesday's train.

Mr. and Mrs. Harry Whiting of Kettle Valley, who are on a vacation trip to the coast, have had a most enjoyable visit to Seattle, and other coast cities. They expect to return via Vancouver.

When packing silk jumpers for week-end trips, it is better to roll them in tissue paper. There are then no creases, which is not the case if they are folded.

Moleskin dyed a golden henna is one of the interesting variations of the winter fur colors.

SPORTS

JIMMIE McLARNIN TO GET CHANCE

Will Meet Grogan in Detroit; If Wins, Gets Chance at Junior Title

VANCOUVER, Oct. 25.—Jimmy McLarnin, Vancouver, will make his first appearance in the junior welterweight boxing division in Detroit on November 23, against Tom Grogan, according to announcement made today by his manager, Charlie (Pop) Foster. Foster received a wire from Manager Dick Dunn of the Olympic, Detroit, clinching the match on terms which are described as very satisfactory to McLarnin.

If McLarnin is successful in stopping the Oklahoma boy, he is to get a chance against "Mushy' 'Callahan, for the world's junior welterweight title in December, it is said. The venue for this bout has not been named.

McLarnin and Foster plan to leave Vancouver next Wednesday or Thursday for Detroit.

JACK DUNN, PILOT OF ORIOLES, IS BURIED

BALTIMORE, Oct. 25.—Jack Dunn, owner-manager of the Baltimore Orioles of the International baseball league, was buried today while scores of men prominent in baseball circles stood at his graveside.

Floral tributes that overflowed from eight automobiles expressed the sorrow of others throughout the country.

Among the mourners was Connie Mack, pilot of the Athletics, Clark Griffith, of the Washington club and J. Conway Toole, president of the International league. Each team in the International and most of those in the American and National leagues were represented.

Judge K. M. Landis sent a floral tribute.

There are three women polo teams in Calgary, Canada, and they form a division of the Calgary Polo club.

NELSON RUGGERS ARE IMPROVING

Tackling and Dodging Better; Will Have Spares for Game at Trail

Although they are now confined to little more than half an hour a day of practice, being unable to use the skating rink until after the track meet tonight, Nelson rugbyites are showing a great improvement in their tackling and dodging. This, it is hoped, will carry them to their first victory of the season over Trail at the smelter city on Sunday. Nelson and Trail are due to clash in the third game of the West Kootenay series, and a win for Trail will give it the championship for 1928.

The Nelson boys are confident they are now in shape to win the two remaining games of the series and make it necessary to play a fifth to decide the championship. They believe they can take the fifth game also and bring Nelson its only championship of the season.

SHOWED IMPROVEMENT

In the second game played here last Sunday Nelson boys showed great improvement over their style at Trail a week before. Nelson lost both games, the first 19-1 and the second 20-10. In the second game Nelson had Trail down 10-5 at half time but without spares fell down in the second half.

With the addition of two or three new players this week, to be used as spares, and the other players improving by practicing, the game Sunday will, it is expected, be even better than the one here last Sunday.

Albertans Make Up Bulk Rowe's Portland Team

Jack Pratt, Forward With Rossland Miners, Will Get Tryout With Portland Pros

PORTLAND, Ore., Oct. 25.—Eighteen ice hockey players have been ordered to report to Manager Robert Rowe of the Rosebuds, Portland's entrant in the Pacific Northwest professional ice hockey league.

The roll of Portland's club this year will be made up mostly of former amateur players, but Rowe, who made a scouting trip after puck chasers in Canada during the summer, has signed three professional stars. They are Red Conn, outstanding star of the Western Canada circuit last year; Babe Morrison, who comes to Portland from Detroit; and Ike Morrison, who played two years with the Regina and Edmonton clubs, has been purchased from Moose Jaw.

Rowe states that he expects to announce the purchase of another professional player within the next few days.

The list of amateurs ordered to report for tryouts includes:

Paul Runge, Edmonton, forward; Dan Carrigan, Edmonton, forward; Joe McGoldrich, Calgary, defence; Frank Burke, Lacombe, Alta., defence; Hob Wilson, Saskatoon, defence; Jack Pratt, Rossland, B.C., forward; Grove, Edmonton, forward; Earl Armstrong, Ottawa, defence; Red Brandon, Winnipeg, goal; Herbie Watt, Lacombe, Alta., goal; Ernie Leacock, Banff, forward; E. J. Johnson, Edmonton, forward; F. Hamilton, Saskatoon, forward, and Clint Rhodes, Stettler, Alta., forward.

Fans Consider Balls Belong to Customers

By AL DEMAREE
(Former Pitcher New York Giants)

The average baseball fan's firm conviction that it is one of his inalienable rights as a free born American citizen to confiscate any baseball that comes his way in the grandstand or bleachers, has always been a problem to baseball moguls.

Successful and substantial business and family men who are pillars of respectability in their particular neighborhoods, who, if they found a golf ball would turn it into the pro's office, will scramble like a bunch of street urchins for a foul ball that drops near them in the stand, and defy anybody to take it away from them.

For many years the baseball owners had policemen stationed at various places to spot the spectators who grabbed the balls and take them from them by force if necessary and put them out of the park. But this developed a bitter antagonism among the fans and drove many of the cash customers away.

I think the Chicago Cubs have solved the problem in a most satisfactory way, the fans' attitude being as it is. The fans are allowed to keep any foul ball hit into the grand stand that they come into possession of. No attempt whatever is made to take the precious souvenir away from them. In this way, at the cost of only a few dollars a day, good will between the fans and owners is built up and everybody is happy.

TEAM OF STARS WITH CONTRACTS RUN OUT

Pittsburgh Rink Small; Leonard Has Good Backing, However

NEW YORK, Oct. 25.—When Benny Leonard, retired champion of the lightweight kingdom, stepped into Pittsburgh's hockey situation with a handful of cash, a million dollars' worth of optimism, and fierce desire to get somewhere, he bought for himself hockey's biggest problem.

Three years ago Pittsburgh had one of the greatest hockey teams in the country in the Yellow Jackets, members of a circuit that included Minneapolis, Cleveland, St. Paul, Eveleth, Minn., and Duluth. It was a happy, powerful aggregation, content to rank at the top of the country's amateurs.

Then the Yellow Jackets, at the start of the 1925-26 season jumped from amateur ranks into the National Hockey league and the Hamilton Tigers switched to New York as the Americans to strengthen and add breadth to the professional circuit. The Jackets turned professional to a man, organized the Pittsburgh Corsairs and set out to treat the professional game to a dose of the power and speed that had dominated amateur ranks.

WORTERS IS STAR

In the amateur aggregation were Roy Worters, recognized today as the greatest goalie in the game; Hib. Milks, a crack center who led the team in scoring last season, and Hal. Darragh, recognized as the "cleanest" player in the league. Roger Smith, Harold Cotton, Herb Drury and Tex White helped with the forward line. All signed three-year contracts as professionals and proceeded to shove the Corsairs into two of the three Stanley cup playoffs for the world championship since their entry.

Now these contracts, entered into then on terms that bulked large to amateurs, have all run out. Professional hockey had added many cubits to its stature and the game is a financial success everywhere in the United States but in Pittsburgh, Duquesne Gardens, where the Corsairs play at home will seat only 3500 persons and the promoters say you can't make money from crowds of that size.

OTHERS ARE WORRYING

To a small degree, hockey magnates throughout the National circuit are worrying over Pittsburgh's situation and Benny, master of the jab and get away in his prime, may have slowed up enough to forget to duck some of the financial onslaughs of his players. No one is worried over Benny's resources, however, for the slightly bald retired champion is said to have Andrew Mellon, secretary of the treasury and a multi-millionaire, in his corner for this engagement. There is always the chance that the Pittsburgh franchise may be shifted to Philadelphia.

The New York Americans are interested in the Pittsburgh situation to the extent that they would like to acquire Roy Worters, considered an entire team in himself. Other teams could use Milks, Darragh, Drury, or any one else on the squad that tied three games and lost eight of their first eleven games last year, but finished the season third in the American group. The magnates all have been informed, however, that Benny has not forgotten to duck to that extent.

INDOOR TRACK AND FIELD MEET IS ON AT RINK TONIGHT

Starts at 7 o'Clock; Cranbrook Athletes Arrive; More Entries Made

At 7 o'clock tonight, the first gun will be fired and the first event of the fifth annual meet of the Nelson Indoor Track and Field association will get under way at the skating rink, before what is expected to be a record crowd of excited fans. It will be the opening of one of the most representative meets held in Nelson for years, and which it is expected, will take until after 11 o'clock to complete.

Arriving on last night's boat, 12 Cranbrook athletes in charge of G. T. Moir, secretary of the Cranbrook Amateur Athletic association, were met by representatives of the Nelson track association and billited at the homes of Nelson athletes. The Cranbrook contingent will contest nearly every event on the program. The only events they have not yet entered are the pole vaults and the intercity public school boy's relay.

Rossland and Cranbrook have not officially entered any athletes as yet, although it is expected the entries will be received today. Trail and Grand Forks athletes will arrive this afternoon.

Several additional entries from Nelson and Cranbrook in the men's open and the school events were received yesterday. Some of the Nelson entries in the open events were new ones, but those of Nelson and Cranbrook athletes who entered in the school events yesterday were already in other events.

After the meet, the prizes and cups will be presented at a buffet supper in honor of the visiting athletes. Mayor R. D. Barnes of Nelson will be asked today to make the presentations.

NEW MEASUREMENTS

Officials spent several hours at the rink last night making last minute arrangements for the rings and today the tracks will be measured off, the old measurements having had to be abandoned.

Races of 100-yards or less in all divisions will be run off in heats, the first and second of each heat staying in the competition. All other races will be timed, the best times winning.

All events will be run off in the shortest time possible and athletes are to be ready to start when called on or they will be scratched. This has been made necessary by the large number of entries and the increased number of events this year.

Further entries received yesterday were:

MEN'S OPEN

Broad jump—C. Harrison, Cranbrook; J. P. Toulson, K. O. Fish and J. McLeod, Nelson.

High jump—Fish and McLeod, Nelson

Pole vault—Toulson, Nelson.

Hop-step-and-jump—Toulson and McLeod, Nelson; Moffat, Cranbrook.

BOYS, HIGH SCHOOL

High jump—J. McLeod, Nelson.

Relay—Vyse, Wallach, Condon, and Taylor, Nelson.

BOYS, PUBLIC SCHOOL

Broad jump—K. McKay, Cranbrook; H. Elliott and J. Bell, Nelson.

Relay—Skinner, Harrison, Hoehn and J. Wallach, Nelson.

GIRLS, OPEN SCHOOL

50-yard—E. Faulkner, Cranbrook.

100-yard—E. Faulkner, Cranbrook.

High jump—E. Faulkner, Cranbrook; E. Bradley, Nelson.

Relay—E. Jones, N. Thompson, L. Coolson and J. Young, Nelson.

McLearies Move to Fourth Place Carpet Bowling

CARPET BOWLING LEAGUE

	W.	L.	D.	P.
Sons of England	10	2	0	20
Eagles	7	4	1	15
Foresters	5	6	1	11
Clan McLeary	5	7	0	10
Knights of Pythias	5	7	0	10
Odd Fellows	2	8	2	6

Taking three out of four games in a city league carpet bowling competition at Memorial hall last night with the Knights of Pythias, Clan McLeary moved up into a tie in fourth place in the league standing with the Knights. By winning the one game the Knights saved themselves from sliding to fifth place and leaving the Macs alone in fourth place.

The Clan jumped from the cellar last night, going to within one point of the third place Foresters and leaving the Odd Fellows, who were formerly in fifth place, in the cellar. The position of the Knights of Pythias remains unchanged.

All teams in the league have now played 12 games, the Sons of England having won 10 of their 12. The Odd Fellows have only two wins and two draws to their credit.

The results of the games last night, with the Clan McLeary skips mentioned first were:

W. Marr, 9, beat C. Hayden, 6; A. Elliott 17, beat F. Goucher, 3; R. Wallace, 16, beat D. Laughton, 7; D. Mosses, 7, lost to W. Davis, 11.

The high school games committee the United States propose that coaches of the Public School Athletic league of at high school games be barred from the sidelines while the games are in progress.

For the first time in more than 25 years, the University of Michigan lost its opening game of the gridiron season. They were outrushed and outpassed by the alert Ohio Wesleyan eleven, with a score of 17 to 7.

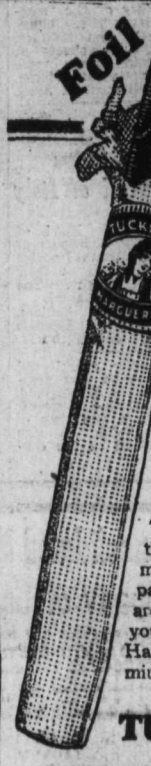
Football records show that Notre Dame has not had a defeat on Cartier field, the home gridiron in 22 years. In that time the varsity has been tied on only one occasion, by Minnesota last year. The score was 7 to 7.

Above Reproach

To be faultlessly attired have your clothing made by tailors who will take as much pride in making your suit, topcoat or overcoat as you will in wearing them. We use only durable fabrics in seasonable weights, of the finest weave and texture. Perfect-fitting clothes guaranteed.

L. S. JONES
HIGH CLASS TAILOR
Simpson Block Nelson, B.C.

Foil wrapped



"I recently dropped in at my dealer's to buy some Marguerite cigars. When he handed them out I found they were wrapped in tin-foil. I got quite a shock because this is the first change in packing Marguerites for 40 years. It's a fine idea though. It protects from breakage and it preserves the original flavor and aroma of the cigar. And the best part of it is the price is the same as before."

Ne Colonel

The motorist's favorite cigar—the Marguerite—a splendidly made, full-flavored cigar that pays you dividends. The bands are valuable—keep them. Ask your dealer (or write Tucketts Hamilton) for list of useful premiums you can get for these bands.

A NEW VICTORY SIX BY DODGE BROTHERS

SMARTER, ROOMIER, MORE COMFORTABLE

With Famed Victory Performance Made Still More Brilliant

Striking improvements in beauty, comfort and roominess, set Dodge Brothers new Victory Six apart as a distinctive and impressively attractive motor car.

Seat dimensions are more generous; cushions deeper and more luxurious; doors higher and wider; and passenger vision materially increased.

New Victory lines sweep gracefully forward to a radiator that expresses new ruggedness and power; and improved fenders further accentuate the vigorous and arresting charm of Victory Six design.

Moreover, new Victory Six construction insures many unique and vital advantages.

The wide Victory chassis frame, flush with the body lines, provides a foundation for the body—which is directly mounted without sills. This remarkable construction lowers the all-important center of gravity, increases the head room, and eliminates the customary body overhang.

And as a consequence, the new Victory grips the road at the curves, travels rough pavement with incredible smoothness, obeys the four-wheel brakes instantly—yet with no discomfort to passengers And provides a quality of pick-up, flexibility and fast flashing action that we urge you most earnestly to investigate.

ALSO DODGE BROTHERS STANDARD SIX

Greater beauty, comfort and convenience with speed, get-away, smoothness and dependability more remarkable than ever. Four fashionable body styles fully equipped.

TWO MEN WHO KEPT SHOP
a FABLE for YOU & ME

ONCE there were two men who kept shop. Both shopkeepers were in the same mode of business, but their methods differed widely. In fact it was only a matter of time, a short time, before one must close.

Now the other shopkeeper was different, he was prosperous. His store looked neat and clean, spruce, tidy and colorful, with a front that bespoke quality and service. Now this shopkeeper was a great community booster. His bid for patronage was based on selling his customers the products of his local industries first. He claimed that the industries in his locality employed men who earned wages, who spent wages, and kept others employed. His pet theory was, the more of Pat's mouse traps he sold the more Pat must make, and the more Pat would earn to buy goods from him, the wise shopkeeper. And so he succeeded and became prosperous and popular, and his philosophy and wise counsel spread rapidly.

Now, there's a moral to this story:

Every dollar paid for foreign made goods departs from your homeland never to return; but, each dollar exchanged for a B.C. product remains in British Columbia and quickly grows in value. It enriches industry, ensures employment and introduces prosperity into the homes of the workers.

This is the third advertisement of a series authorized by the B.C. Products Bureau of the Vancouver Board of Trade in the interests of the manufacturers of British Columbia.

BE PROUD TO BUY B.C. PRODUCTS

NICKEL CONTINUES DECLINE, TORONTO

Oils Active; Bank Stocks Display Firmness; Hiram Walker Prominent

TORONTO, Oct. 25.—Trading on the stock exchange continued active again today though an irregular tendency was displayed.

International Nickel continued its decline of the previous day recording a loss of one point at 175, but Mond Nickel was moderately active and sold at 32½, a gain of ¼ point.

Oils were active. International Petroleum touched a high of 45½ and closed at 45, a gain of 1¾ points. Imperial gained ¼ to 82¾ McColl Bros.-Frontenac 1 to 34½ and B. A. Oil ½ to 46½.

Bank stocks displayed almost uniform firmness, Royal of 1 to 387, being the only one to record a loss; Montreal gained 5 at 387 and Standard six at 293.

Hiram Walker was a prominent curb feature and closed at 78, a gain of 3½ points. Brazilian gained 1¾, while Winnipeg Electric pfd jumped 1¾ to 110. Dominion Power registered a decline of 4 at 56.

MONTREAL—British Columbia McIntosh, fancy, $2.50 to $2.90; C, $2 to $2.50.

"Cy" Denneny Leaves Ottawa Senators to Manage the Bruins

OTTAWA, Oct. 25.—"Cy" Denneny, for many years one of the main scoring threats of the Ottawa Senators, is to replace Sprague Cleghorn on the board of strategy of the Boston Bruins, National hockey league club. When the veteran winger returned to his home here today, he was armed with a signed Bruin contract which automatically sounded the "finis" knell to his 13 years of association with the local club.

TRADE ON MINES LIST RESTRICTED

Noranda Sells Off but Rebounds; Little Trade Coast Copper; Newbec Off

TORONTO, Oct. 25.—Trading was on a more restricted scale on the Standard mining exchange today and net price changes were narrower at the close than at the end of any other recent session in months.

Noranda sold off to $54.25 shortly after the opening but recorded briskly to a peak of $56.25 before noon. In the last hour or so the movement of the stock was rather irregular and final sales at $55.50 were steady with the previous close. Newbec came out quite freely and eased to 37c, a loss of 3c.

Jackson Manion broke to 69, but later recorded to 74c, for a loss of 6c. Only a few shares of Coast Copper came out and board lots changed hands at 57, a gain of $2.00. Sherrit-Gordon and San Antonio were steady at $6.65 and 25c, respectively. Hudson Bay Mining was 5c weaker at $18.75, while Mandy dropped back a similar amount to $1.55. Central Manitoba, which had advanced sharply early in the week yielded 5c to 90.

Wright Hargreaves moved up to $2.90, five cents above the previous close. Teck Hughes was 5c easier at $8.70.

The higher priced Porcupine stocks were reactionary, McIntyre losing 25c to $21.50, and Hollinger 15c to $9.15. A broken lot of Dome came out at $8.50, up 10c.

Montreal Curlers Take To Artificial Ice for First Time This Season

MONTREAL, Oct. 25.—Curlers of Montreal will this season enjoy the advantages of artificial ice for the first time in the long history of the "roaring" game in this city. Three clubs, Royal Montreal, Thistle and Heather, each have installed three sheets of ice and play, which in former years came to a close some time in March, will be possible through most of April.

Jack Hood British Welter Champ, Stops Frattini of Italy

LONDON, Oct. 25.—Jack Hood of Birmingham, welterweight champion of Great Britain, stopped Bruno Frattini of Italy in the third round of their bout at Albert hall tonight. The Italian was completely outclassed.

Teddy Baldock, British bantam, knocked out Phil Lolloski of Aldegate in the third round of anotheh bout.

A new racing dog—the saluki—will soon take his place with the greyhound on the dog tracks of England. The ancestry of this canine aristocrat has been traced back to the time of the Pharaohs. The soluki is also known as the "greyhound of the desert."

STRONG LINEUPS TOMORROW SOCCER

Leaders Will Do Battle; Predictions Go to Boards; International Match

LONDON, Oct. 25.—First division soccer in England recently has produced almost a weekly crop of most unexpected results and it would be a bold prophet who can claim to predict what will be the outcome of the matches Saturday. Probably the strongest set of attractions is on the card since the season opened. In a bunch are the following matches between clubs all well placed in the top half of the averages and all struggling for points: Blackburn Rovers, league leaders at present, and Westham United; Derby County and Burnley; Everton and Leeds United, and Manchester City and Leicester City. Arsenal who have begun to buy great players, will be closely watched in their match with Liverpool as the London club let themselves get left behind in the early games.

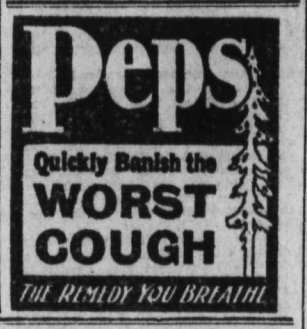
In the second division the leaders on form should win. Chelsea are at home to Southampton. Notts County travel to Bristol City, but their task would not appear to be too formidable. Hull City go to Clapton Orient.

League football must take a back seat in Scotland on account of the International match between Scotland and Wales, which is being staged at Ibrox Park, Glasgow.

Hughie Lehman Will Keep "Eagle Eye" on Kitchener Players

KITCHENER, Ont., Oct. 25.—Hughie Lehman will pilot the Kitchener Canadian Professional league hockey team this season, it was announced here tonight by Jess Cole, secretary. Lehman was a star performer in the old Trolley league in 1911.

Earl Combs of the New York Yankees outfield and a native of the Blue Grass, has been commissioned aide de camp to Governor Sampson of Kentucky, with the rank of colonel. Combs played with the Louisville American association Colonel before he went to the American league.



COTTRELL BATTLES BERCOT TO A DRAW

Each Hits Floor Once; Scotty Inkster Earns a Draw Decision

SPOKANE, Oct. 25.—Dode Bercot, Seattle lumberjack, and Jimmy Cottrell, Spokane fireman, welterweights, fought six fast rounds to a draw in the main event of a boxing card here tonight. Both fighters took a number of cracks on the chin during the fray and each hit the canvas once.

Eddie Flynn, Tacoma, outpointed Tommy Mack of Spokane in the six-round semi-final.

Scotty Inkster, Spokane, and Happy Childs, Wilkes-Barre, fought to a draw in six slow rounds. They are welterweights.

'NAPANEE BILL' ASKS FOR NEWS

William Bristow, Former Nelsonite, Writes to News From England

Asking for news of Nelson, William Bristow, who states he is known in Nelson as "Napanee Bill," writes to The Daily News from England. His address is : Care of Mrs. Hill, North street, Cavden, Kent.

"Is James Jackman still alive?" he asks, "and little Sammy Miles out at the power plant? And of course Brown, the electrician? I met him in France, and also Bud Stevens. How is Billy Langlands and Jimmy Bichan, the fellow that had his hand cut off at Koch Siding?

"Would like to hear from Billy Hamilton and the Walmsley brothers that had the Borlega. Is Mr. Hewer at the Florence mine, Ainsworth? Please let me know if single jack miners are needed," he continues.

Stating he is known here as "Napanee Bill," Mr. Bristow says, "Ask Jim Gilker."

"Coming back next spring," he concludes.

The folded turban of some colorful decorative fabric is often chosen to wear with the little afternoon frock of satin or plain ring velvet.

To cook kippers unobstrusively, butter and fold them. Place in a tin with a plate on top for 12 minutes in the oven.

LEGAL NOTICES

WATER NOTICE

Application for License to Take and Use Water

NOTICE is hereby given that the West Kootenay Power and Light Company, Limited, of Rossland, B.C., will apply for a license to take and use 4000 c. f. s. of water out of Pend d'Oreille River, which flows westerly and drains into Columbia River about Waneta, B.C.

The water will be diverted from a stream at a point about 1500 feet down stream from the East Boundary of Lot 5127, Kootenay District, and will be used for power purposes for the distribution of power throughout the territory of the West Kootenay District as granted by the charter of the applicant.

This notice was posted on the ground on the 15th day of October, 1928.

A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Nelson, B.C.

The petition for approval of the undertaking as per Section 26 of the Act will be heard in the office of the Board of Investigation at a date to be fixed by the Comptroller, and any interested person may file an objection thereto in the office of the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., or the said Water Recorder, within thirty days after the first appearance of this notice in a local newspaper.

WEST KOOTENAY POWER & LIGHT COMPANY, LIMITED.
C. B. SMITH,
Agent.

The date of the first publication of this notice is October 26th, 1928.

(6057)

Take notice that William Partridge of Edgewood (Farmer) intends to apply for permission to purchase the following described lands: Commencing at a post planted on the easterly boundary of lot 9144, Kootenay District, about 15 chains from the N. E. corner thereof; thence south 20 chains, thence east 20 chains, thence north 20 chains, thence 20 chains to point of commencement and containing 40 acres, more or less.

Printing and Ruling
For Mining Companies

Intricate or simple special ruled and printed forms are a class of work of which we do a great volume for mining companies throughout the district.

Mine records, both as to work accomplished and as to cost, are easily kept if suitable forms are employed. They save time and money.

For some of these records our standard synoptic sheets may be used, for others it is better to use a specially made up form.

Of course, we also do all the usual printing of office stationery—letterheads, envelopes, order forms, etc.

GENERAL MOTORS HAVE RECORD YEAR

Earnings for First Nine Months of Year Better Than for Whole.

NEW YORK, Oct. 25.—Alfred P. Sloan Jr., president of General Motors corporation, announced today earnings for the nine months of the year not only exceeded any nine months in the company's history, but were greater than the previous record earnings for the full year of 1927.

Net earnings were $240,534,613, compared to $193,785,302 for the corresponding period a year ago. This is equivalent, after dividends on preferred and debenture stock, to $13.52 per share on the common stock, as against $10.75 in the first nine months of 1927.

NOBLE FIVE MINES

Our Mr. Robertson has just returned from visiting this property and was very favorably impressed with the immense ore body recently discovered. Samples taken from the mine can be seen in our office. The market closed today 35c bid and 36c asked, and we can still fill orders at 35 cents.

RUTH-HOPE is another property about which inquiries were made and can be recommended at present prices.

We can buy or sell for you all stocks listed on the Vancouver Stock Exchange and can get you the very best price. Quotations received daily.

HEAVY SELLING ON WALL STREET

Call Money Takes Unexpected Flurry; Oils Whirled Up; General Motors Attracts

NEW YORK, Oct. 25.—Reactionary price tendencies were more pronounced in today's stock market which ran into heavy selling as a result of an unexpected flurry from 6½ to 8 per cent for call money rates.

Oil shares were whirled upward in spectacular fashion again today with buying stimulated by the announcement that Arthur W. Cutten of Chicago and his associates, including the Fisher Brothers of Detroit, had acquired a large block of Sinclair treasury stock.

Sinclair touched a new high at 37¾ and closed fractionally below that figure. Atlantic Refining ran up more than 8 points to a new high at 239½, but lost most of its gain.

General Motors attained a new top at 224½ and then sold down to 220, off two points net. Other motors also pointed lower.

R. H. Macy ran up 15½ points to a new peak at 170 and then dropped back to 165¼. Western Union climbed nine points to 183¼, the best price in its history and closed within a point of the top.

Adams Express, which sold last week as high as 410, dropped 25 points to 330. Case Threshing, Commercial Solvents, Coco Cola, American Zinc, Eastman Kodak, Graham Paige, National Bellas Hess, Rossia Insurance and Stewart Warner closed four to 10 points lower.

Total sales 4,273,400 shares.

CANADIANS BUY MAYFLOWER MINE

Negotiations for Property Adjoining Golconda Closed at Wallace

SPOKANE, Oct. 25.—The property of the Mayflower Mining and Development company, adjoining that of the Golconda on the west, is reported to have been bought yesterday by Canadian interests, represented by Charles P. Lund, attorney, for $200,000 in cash. The sale is reported to have been made by John H. Foss, president of the Mayflower company, and associates, all of Wallace, Idaho, near which the property is situated.

Consisting of 15 patented claims, the group has been opened by 4600 feet of underground workings, consisting of crosscuts, tunnels and drifts which have attained a depth of 1000 feet. It has been subjected several times to development that is reported to have exposed lead-silver ore.

Negotiations for the purchase of the property were closed yesterday at Wallace. The purchasers have not announced their plans.

CANADIAN NATIONAL EARNINGS INCREASE

September Figures as Well as Figures For Nine Month of Year Show Gains

MONTREAL, Oct. 25.—Substantial increases in earnings by the Canadian National railways are recorded in a financial statement issued today for the month of September and the nine months from January 1 of the current year.

In September the gross earnings amounted to $25,383,151, an increase of $3,696,830. Net earnings totaled $6,513,860.79, an increase of $1,684,165.34 as compared with September, 1927.

From January to September the gross earnings totaled $196,318,822, an increase of $18,298,286.58, while the net earnings amounted to $36,066,797.14, an increase of $9,084,456.03 over the same period last year.

PORK PRICES ON SHARP DECLINE; OFF FOUR CENTS

Spring Chicken Advances Five Cents a Pound; Fresh Firsts Are Scarce

Drop of five cents a pound at Calgary in the price paid by wholesalers to producers for pork caused the price here to drop from 18 to 14 cents a pound, local wholesalers reported yesterday.

Prices paid for spring chickens advanced sharply with these birds becoming extremely scarce. Latest prices paid were 25 cents a pound for dressed birds, and 27 cents for live, representing an advance of five cents.

Pullets' eggs were steady at 40 cents. There are practically no fresh firsts on the market.

Prices paid were as follows:

Pullets' eggs, doz.	$ .40
Pork, lb.	.14
Fowl, live, lb.	.16
Dressed, lb.	.18
Chicken, live, lb.	.25
Dressed, lb.	.27

IRREGULARITY ON MONTREAL LIST

Brazilian Leads With International Nickel Close Second in Day's Activity

MONTREAL, Oct. 25.—Stock values continued to move in an irregular manner in today's trading on the Montreal stock exchange, with a further slight contraction in volume.

Brazilian, first in activity, had 20,343 shares dealt in, and closed at 69⅞ for a net advance of 1⅜. International Nickel came second in activity with 15,387 shares traded in and closed at 174 for a net loss of 1½. Massey Harris came third in activity and closed at 53½ for a net advance of ½. Bank of Montreal with a net gain of 9, was the strong feature of the list, while Abitibi suffered the greatest loss closing at 52⅜ for a net decline of 2⅛ points, with trading in 1057 shares.

Firm features included National Steel Car at 58¾, a net gain of 1¾ points; Consolidated Smelters up 4 to 288 and Fraser at 75, an increase of 5 points.

Power corporation eased off two points to 75.

Total sales, 72,484 shares; bonds, $21,850.

PARADE ORDER FOR HALLOWEEN IS WORKED OUT

Hume and Central Groups Assemble on Own Grounds; Senior Groups on Mill

BANDS ALLOTTED FOR THE THREE SECTIONS

Three Prizes for Costumes and Three for Clowning; Acts for Platform

Preparations in connection with Nelson's Halloween celebration, following the oragnization meeting Wednesday night, made rapid progress yesterday. Practically every organization or individual asked to cooperate accepted the assignment proffered by the committee, and within a day or two plans for the different activities should be well under way.

ORDER OF PARADE

City Engineer B. C. Affleck has worked out complete plans for the big parade. The Hume school groups will assemble at the Hume school grounds on the great night at 6:30 o'clock and will be played up to the business section by the Canadian Legion Bugle band. The four Central school groups will assemble at the Central school grounds at 7:05 o'clock, with the City band providing their music, junior high school, St. Joseph's academy and Nelson Business college will have their rendezvous on Mill street, with the Kootenay Kuties in attendance, assembling at 7:10 o'clock. Their several routes will bring them into one line on Vernon street, whence the parade, with its accompanying pandemonium, will proceed by way of Railway street and Baker, Hall Vernon, Ward and Lake streets to the Recreation grounds.

The grounds will be circled once before the groups branch off at their several bonfire stations.

GROUP SCORE CARD

In connection with the judging of the groups, Mr. Affleck has worked out a score card, that will give a large numoer of points for the float, effigy or emblem of the group. Many points will also be allotted for the performance the groups put up at their several bonfires.

It has been decided to have first, second and third prizes for costume, irrespective of the sex of the contestant, instead of having a boys' and a girls' prize. The same will apply to clowning, for which there will be first, second and third, with girls having an equal chance with boys to win. Judges picking the best from the groups, for costume and clowning, will be instructed to select outstanding individuals, but not over three of each kind, per group, and the final judges will sort out the winners from these condidates. Candidates, as well as winners, will be paraded across the platform.

ELEVATED PLATFORM

For the better handling of the pillow-fighting and pie eating contests, there will be an elevated platform on the present platform and the contests will be in full view of everyone in the grandstand.

Everyone in the parade must be masked, and costume of some kind is desired, though preferably involving little expense.

Floats and effigies may be carried or drawn, and the same applies to the combustible for the group bonfires.

Acts for the platform program are already being evolved by the committee in charge of that feature.

ROCK CREEK HANDICAP GOLF IN FINAL STAGE

ROCK CREEK, B.C., Oct. 25.—Eric Whiting and Frank Richter of Kettle valley played their golf match off on Wednesday. They were in the semi-finals in the handicap competit.on. Mr. Whiting won the game.

On Sunday another interesting game was played between Mr. Whiting and Mr. Newmarch of Greenwood. Mr. Newmarch won the match.

There is one more match to be played off for the silver cup.

McIntyre was arrested here Wednesday by Constable Hassard as he was about to board the Kettle Valley train.

RENO BUILDINGS RISING RAPIDLY REPORTS ANNABLE

Compressor Ready for Installation; Winter Operation Planned Mill in Spring

Preparatory work is rushing on the Reno gold property of Sheep Creek camp, reports J. E. Annable, who motored up to the mine this week, the last stretch being over the newly built government road.

Camp and mine buildings are rising rapidly, the lumber being taken up by caterpillar and trailer. It is reported that the compressor is at the Great Northern station at Salmo, ready to be taken out.

ROAD TO MILL SITE

A small crew is devoting its energies to constructing a short road from the portal of No. 3 tunnel down to the future mill site.

TOTAL CREW IS A DOZEN

Work underground, except preparatory tunnel clearing, awaits the compressed air installation, when drifting in No. 3 and No. 4 tunnels will be continued. The development program will be pursued all winter, with the mill plans due for realization in the spring.

DOUKHOBORS TO COMMEMORATE DEATH VERIGIN

To Hold Services Monday in Memory of Leader, Killed at Farron

Doukhobors will commemorate on Monday the death of their former leader, Peter Verigin, who was killed in an explosion in a railway carriage on the Kettle Valley train, near Farron on October 29, 1924.

Peter Lordly, as he is now known to Doukhobors, was the spiritual as well as business leader of the Christian Community of Universal Brotherhood. A splendid tomb marks his resting place on the hill overlooking Brilliant, center of Doukhobor activities.

Each year since his death, Doukhobors from all centers in British Columbia and Saskatchewan have gathered at the tomb on October 29, to keep fresh his memory in deeply religious song and prayer services.

It is expected Peter Verigin, son of the late leader, will take a leading part in the services.

CRANBROOK WILL CONTINUE WITH CROW CURLERS

Turn Down Proposal Affiliate With B. C. Curling Association

CRANBROOK, B.C., Oct. 25.—The semi-annual meeting of the Cranbrook Curling association was held last night in the city hall here.

A motion to join the British Columbia Curling association was defeated, but the delegates to the annual meeting of the Crow's Nest Pass Curling association will be instructed to withdraw next year so that the Cranbrook curlers can join the British Columbia association.

Rinks wishing to go to the bonspiel at Trail may do so under club colors by paying the regular B. C. association fee.

If possible, the Selkirk Curling association will be enlarged to include Creston and the Crow's Nest Pass.

The arrangements for the annual ball will be left to the executive, along with the fixing of competitions.

The ladies will play under the same conditions as last year. F. M. MacPherson, M.P.P., will donate a cup for competition. A vote of thanks was tendered to the ladies for their assistance last year.

Blonde broadtail and beige squirrel were stressed at London fashion parades.

CORK PROVINCE ELECTRIC POWER NEARLY READY

Water-Wheel Arrives, Generator Coming; Total Cost Is $60,000

CONTINUE CROSSCUT TO SUPERIOR VEIN

Should Be Tapped at 1000 Feet New Depth in 100 Feet; Find Cross-Fissures

Completion of the $60,000 hydro-electric power development of the Cork-Province mine will soon be recorded, the water-wheel having been received from Vancouver about 10 days ago. It is of English manufacture. The generator is soon to arrive, when installation will be quickly completed.

Pending availability of the new power, efforts are being concentrated on extension of the recent deep development by pushing the main crosscut tunnel on from the No. 2 or main vein to cut also the No. 1 or "superior" vein, as it is known in Cork-Province history. This vein was developed on the surface many years ago by the old French company, 20 tons of ore being shipped.

GOOD INDICATIONS

Two good-looking cross-fissures have been intersected in the last few days, cross-fissures that may be branches from the vein being sought. It is estimated that the vein, on which the crosscut will give 1000 feet depth, should be reached in another 100 feet.

Mr. and Mrs. Wells Are Charivaried Rock Creek

ROCK CREEK, B.C., Oct. 25.—There was great excitement in town on Monday when it became known that there was a newly married couple in Rock Creek. The principals were Mrs. Alice Bjorkman of Rock Creek and Lawrence Wells of Nicholson Creek. A council was hurriedly called and it was decided that it was only right to give them a good warm reception.

All the old tin cans in the neighborhood were diligently collected, some slightly filled with stones. Armed with good stout sticks, the visitors arrived at a given time. Then the music began in earnest. The visitors were invited in and spent a most enjoyable evening. The happy couple received a host of congratulations.

Cranbrook Athletes Are Enthusiastic as Leave For Indoor Meet Nelson

CRANBROOK, B.C., Oct. 25.—A very enthusiastic team of young athletes left Cranbrook today to compete at the Nelson Indoor track meet.

Stanley Moffat, Cyril Harrison and Bill Taylor will compete in the open events only.

Competing in school and open events are Kenneth McKay and Edith Faulkner, public school; Helen Campbell, Nellie Miller, Evelyn Elly, Kate Martin, Fred Sarge, Walter Elmes, Malcolm McPhee, Roy Clarke, high school and open.

G. F. Muir and Mrs. Martin accompanied the athletes.

WINS NOBEL PRIZE

STOCKHOLM, Sweden, Oct. 25. — The Nobel medicine prize for 1928 was awarded today to Professor Charles Nicolle, director of the Pasteur institute at Tunis, in connection with his work to combat typhus fever.
