## Will Demand Talmadge Office Today; Seeks to Bar "Illegal" Use of Funds Self-Proclaimed Governor Says He

ATLANTA, Jan. 19 (AP)—Herman Talmadge, whose claim to the governorship of Georgia is currently challenged by M. E. Thompson, declared tonight that he would continue to hold office and would "not yield to any threat or bow to force."

"We are amply able to defend the governor's office and will do so if necessary," he said.

Marvin Griffin, appointed adjutant general by Talmadge, said tonight he had posted three guards around the arsenal at the state army here as a "matter of security."

Griffin said the guards were employed by him, that they were not National Guardsmen, and they had orders that "under no conditions are they to permit withdrawal of any rifles or ammunition by anyone, including myself."

Talmadge issued his statement after Thompson had asserted his intention of demanding possession of the capitol executive chambers at 9 a.m. tomorrow.

### ARNALL RESIGNS

Thompson, 43-year-old former school teacher, was sworn in Saturday as Lieutenant Governor and proclaimed himself acting Governor of Georgia by virtue of Ellis Arnall's resignation earlier in the day.

Thompson also announced that he had instructed Attorney General Eugene Cook to proceed against the use of state funds by "illegal officials."

In his statement Talmadge, who occupies the Governor's office under guard of State Troopers, said that Thompson "himself asserted

he would recruit an army and attempt to take the governorship by force."

"It is my purpose to hold the Governor's office and perform my duties within the law," said Talmadge.

Commenting on Talmadge's statement, Thompson denied he had ever contemplated resorting to force.

### WOULD ACCEPT COURT DECISION

"I have always said," he declared, "that I would not use force and am perfectly willing, as always, to trust my case entirely to the courts."

"The promise of litigation to prevent Talmadge from spending state money came as Thompson supporters hastened to bring the issue before the Georgia Supreme Court and Talmadge, although contending that the tribunal is without jurisdiction, said he would abide by the decision."

One suit to enjoin Talmadge from serving as chief executive already has been filed by Attorney General Cook at Arnall's request and will be heard Feb. 7.

Arnall said the guards were employed by him, that they were not National Guardsmen, and they had orders that "under no conditions are they to permit withdrawal of any rifles or ammunition by anyone, including myself."

Talmadge issued his statement after Thompson had asserted his intention of demanding possession of the capitol executive chambers at 9 a.m. tomorrow.

### SHORTAGE OF WOMEN WORKERS PRONOUNCED; FEWER UNEMPLOYED

OTTAWA, Jan. 19 (CP)—Fewer persons were unemployed and more jobs were available at the start of this year than a year ago, the Department of Labor reported tonight.

Unfilled vacancies stood at 80,000, compared with 80,000, while the total number of unemployed applicants for jobs was 165,000, a drop of 26,000 from the start of 1946.

However, the seasonal winter decline in some industries brought a decrease in employment from the time of the last survey at Nov. 28. Unemployed workers increased by 22,000 from that date, while the number of unfilled vacancies was down by 31,000.

However, off-season construction work continued at a high level in many areas, and there was a demand for electricians, plumbers, finish carpenters and plasterers.

By sexes, there were 137,000 unemployed male applicants for jobs at

Jan. 2, as against 28,000 women. Unfilled vacancies for men totalled 55,000, while 35,000 women were sought.

### NEED WOMEN WORKERS

The over-all shortage of women workers continued, the survey showed, and it was particularly acute in expanding consumer goods industries such as clothing, textiles, rubber goods and electrical apparatus manufacturing. The slackening of seasonal industries in the fall eased the situation somewhat, but the gap still existed.

British Columbia had only 3,000 jobs against 20,000 applicants, about the same as a year ago. The logging industry was slowed almost to a standstill in December by heavy snowfalls, but capacity operations were resumed in January. Labor demand in manufacturing was light, but it was expected to pick up after supply bottlenecks were overcome.

### Communists Reject Offer to Re-Open Talks

NANKING, Jan. 19 (AP)—The Chinese Communists Saturday rejected a Government offer to send an emissary to Yanan to reopen truce negotiations.

The Government proposal, announced in mid-week, had been relayed to Communist Party leaders at their Yanan headquarters for a decision.

The Government did not report on what basis it proposed reopening negotiations, broken off several months ago after both sides had violated a January, 1946, truce agreement.

The Communist Central Committee notified the Chinese Government through United States Ambassador Stuart, that the Yanan High Command is not interested in a resumption of negotiations without prior acceptance of the Communist two demands: Restoration of the military situation of January, 1946, and nullification of the revised constitution adopted recently by the Communist-spurned National Assembly.

### Wide Coverage in Immunization Plan; Weather Hampers Rural Work

A total of 762 immunization shots were given to school children in the district during 1946, Miss Jean McVicar stated in the annual report she submitted to Nelson District School Board No. 7.

The immunizations were given for QUICKIES . . . By Ken Reynolds

### 2 PILOTS DIE IN FLAMING PLANE WRECK

#### Farmhouse With Six People Narrowly Missed START PROBE

HEADINGLEY, Man., Jan. 19 — Two pilots died in the flaming wreckage of a Trans-Canada Airlines plane which crashed four miles west of Headingley, Man., Saturday. Eyewitnesses say that more people might have been killed had the plane struck about 300 feet away. A farmhouse containing six persons was narrowly missed.

The two pilots killed in the wreck are Capt. G. E. Brown and First Officer G. R. Symington who both live on the same street in Winnipeg. They were up on a routine training flight. Just seven minutes before the crash the pilots had contacted Stevenson field at Winnipeg about 15 miles to the east. They gave no indication of pending disaster.

An investigation of the wreck has been started by transportation officials. However, the plane was so completely wrecked that officials are dubious whether they will find the cause of the accident.

It was the first fatality recorded by TCA since Sept. 2 when a crash near Moncton, N. B., took two lives.

### Armed Fugitive Yields to Police

TILLSONBURG, Ont., Jan. 19 (CP)—Cold and hungry Bruce Saunders, a wanted car thief, walked out of his hideout near here tonight to be taken at gunpoint by police.

The fugitive, who was armed with two pistols, walked into a police trap a mile east of Tillsonburg, 15 miles from here and surrendered.

Saunders, who escaped from the custody of Tillsonburg Police Chief Roy Corbett, while on his way to serve a term for car-theft Friday night, was nabbed by Provincial Constable Bill Wehler and Tillsonburg Constable Ray Nunn.

### Man Dies in Collision

CLOVERDALE, Jan. 19 — One man is dead and two others were injured tonight following a collision involving a truck and an automobile in the Surrey district.

The dead man, Richard Sullivan was the driver of the truck which collided with an auto at an intersection in Surrey. The force of the collision forced the truck to crash into a gasoline station allowing the canopy over the pumps to crash onto the truck. Sullivan died from head injuries.

### Goldenberg Report Not to Be Made Public Until Studied

VICTORIA, Jan. 19 (CP)—The Goldenberg Royal Commission report into the financial relations of Provincial and Municipal Governments of British Columbia, to be presented to Premier John Hart Monday, will not be made public until after the Premier has had an opportunity to study it.

H. Carl Goldenberg of Montreal, expert on Municipal-Provincial Affairs, served as sole Royal Commissioner for the inquiry.

The report is 150 pages long and includes many tables.

### Burnt When Driven From Home by Fire

VANCOUVER, Jan. 19 (CP)—Paul M. Northey, managing director of the Northey Construction Company is recovering from burns to the face and head suffered when fire forced him to flee with his wife and children from their home.

The family noticed smoke coming from the basement. Northey went to investigate and was struck in the face with a flash of flame.

Firemen fought the blaze for two and one-half hours. The basement was gutted and upstairs rooms in the house damaged.

### Coast Firm Holds Licence in District

VICTORIA, Jan. 19 (CP)—The coal licence issued Feb. 15, 1945, under the Coal Act, 1940, to Canadian Collieries (Dunsmuir) Limited for 18 acres in the Neslon District has been renewed by order-in-council of the Provincial Government.

OTTAWA, Jan. 19 (CP)—Increases in three important items still under price control—used automobiles, leather goods and restaurant meals—were announced by the Prices Board tonight. The changes are effective Monday.

Pointing to a rise of 16 per cent in the food index, Donald Gordon, Prices Board Chairman, announced a 10-per cent increase in meals containing meat, fish, poultry or eggs. Meals under 50 cents and sandwiches containing hot meat, poultry or eggs will rise five cents and meals above 50 cents by 10 per cent, with the maximum increase permitted being 10 cents.

Used automobiles and used trucks will be permitted 10-per cent and seven-per cent advances respectively, following a similar adjustment in the prices of new models last month.

Leather increases permitted will jump the maximum price of leather footwear by 11 per cent for men's shoes and nine per cent for women's.

The Board said the increases, which will be felt in all leather accessories, resulted from adjustments ranging from 10 to 17½ per cent in hides. It is expected the boost will increase the immediate supply of hides and skins from domestic sources.

### Dairy Farmers Protest Present Ceiling Prices

TORONTO, Jan. 17 — The Dairy Farmers of Canada have protested the maintenance of ceiling prices at their present level on dairy products. The Dairy Farmers' Board of Directors charge that the price ceilings on dairy products now are so low that substitutes have to be used to satisfy domestic requirements.

The Dairy Farmers' Board of Directors is meeting in Toronto and has issued a statement calling for prices to be based on the cost of production. The statement also urges the government to announce its policy on prices for dairy products as soon as possible. This, the statement adds, will allow producers to plan their program. Each day's delay, the statement says, contributes to the further decline in volume of production.

### Invites Libs to Join P. C.'s

TRAIL, B. C., Jan. 19 (CP)—An invitation to what he termed "the right-wing Liberals" to join forces with the Progressive Conservative party was issued last night by Lt.-Col. C. I. Merritt, V.C., M.P., of Vancouver-Burrard, speaking here at a public meeting of the Trail and District Progressive-Conservative Association.

Col. Merritt was supporting a suggestion made in a recent speech by A. L. Smith, K.C., M.P., Calgary. West when he said that if the right-wing Conservatives and the left-wing Liberals amalgamated with the C.C.F. the resultant return to two-party government would make for greater efficiency.

Though the Liberals had been quick to denounce the proposal, there was no doubt that Mr. Smith's words had struck a "sore point" in the Liberal armor, said Col. Merritt.

### Jap Problem Still Studied at Top Level; New Denver Camp Debated

By JOHN LEBLANC Canadian Press Staff Writer

OTTAWA, Jan. 19 (CP)—A recurring headache since Pearl Harbor, Canada's Japanese problem is being studied by the Government at top level with a view to a final and complete cleanup of the issue.

The renewed Cabinet consideration of measures to settle the question stems from a recent Privy Council decision confirming Canadian orders-in-council for voluntary shipment of Canadian-born and British-subject Japanese to Japan.

Some steps are under consideration, but their nature has not been disclosed. The Department of Labor has made a number of recommendations, one of which is understood to be that there should be no further transfers of Japanese nationals or persons of Japanese descent to the war-wracked islands across the Pacific.

The view of the Department, it is understood, is that measures already instituted for breaking down the Jap concentration on the Pacific Coast—which have resulted in more than 20,000 of them being scattered over the Prairies and through Central Canada—are working out satisfactorily.

At all events, it appeared today there would be no permitted Westward trek of Japanese to the coastal areas of British Columbia, where they congregated in large numbers before the war as fishermen, storekeepers and small land-owners operating orchards and farms.

Only 5800 Japanese now remain in all British Columbia, of the 26,000 left in Canada following the voluntary migration of 4000 to Japan after the war under Government auspices.

These are kept well away from the coast, with a deadline for them of about 200 miles from salt water. 800 AT NEW DENVER

About 800 of their number are maintained by the Government in a camp at New Denver, in the British Columbia interior. According to officials here, the camp's inhabitants are either aged, sick or otherwise unemployable. A number of them have tuberculosis and they are being treated in a sanatorium operated in conjunction with the camp.

Some question has arisen as to whether the Government is to continue the camp, but it was not known today if the recommendations before the Cabinet include any for disposition of the establishment.

Outside British Columbia, about 20,000 Japanese are scattered all the way across Canada as far as Quebec. These have been moving eastward as labor of various types, under permits issued by the Labor Department and with the transportation of the Japanese to the scene of employment paid for by the Federal Government.

On the whole, the once-prosperous Japanese now are without land of their own, though a number of them in British Columbia possess small agricultural holdings.

### Alexander Wins His First Curling Match

MONTREAL, Jan. 19—The Governor-General made his debut as a curler today. Viscount Alexander stepped out on the ice at the Royal Montreal Curling Club and he played six ends of a match between rinks of club members. His rink won 6-4. The Governor-General missed only two shots and after the match he learned curling a fascinating game. He said he has missed a lot in not playing it before.

### Blast Kills E. Koolenay Man

CRANBROOK, B.C., Jan. 19 — James Gregory McInnis, age 55, died in the hospital here from burns sustained in an explosion at the George McInnis logging camp at St. Mary's Lake. He had served there as a blacksmith for the past two years.

He was born at St. Peter's, P.E.I., and came to this province 20 years ago. He worked in Slooan and East Kootenay that entire period.

He was a cousin of George McInnes. Surviving him is a brother in Prince Edward Island. The funeral will be Tuesday from St. Mary's Church.

### British Buying Boom Poses Inflation Query

LONDON, Jan. 19 (AP)—Eager buyers queued for a baby carriage company's common stock on the London Stock Exchange last week.

They queued for other issues, too—for anything, in fact, but Japanese bonds and a few other foreign offerings, in a little boom that grew by the weekend to the point of raising a big question.

"What is it—real prosperity or the start of inflation?" was the query in Fleet Street newspaper offices, brokers rooms in the shadow of the Bank of England and the Government offices of Whitehall.

"Robust confidence" in Britain's economic future was the official description by the Daily Herald, Labor Party organ, of the feelings of buyers who sighted no section of the industrial list, pushing prices uniformly upward.

But other answers—given as the country surged back from the frightening threat of a general transport strike and Parliament prepared to resume labor on the nationalization program—ranged downward to the dark foreboding of two leading bankers, that inflation lay just around the corner because of the Government's "cheap money" policy.

### Nicholas Breaks Down, Confesses Killing French

LONDON, Ont., Jan. 19—A five-day murder trial in London, climaxed dramatically Saturday. One of the two men jointly charged with murder broke into tears in the witness box. The man — 25-year-old Lloyd Nicholas, a Muncie Indian — said: "I am ashamed to act like this. It's got to come out. I've been looked in a death cell for four months for killing a boy who did nothing to me."

Nicholas is jointly charged with Joseph French, aged 36, of murdering 23-year-old Eldon Meredith of Western Ontario.

### Weather-Reporting System May Be Completed Soon

TORONTO, Jan. 19—The weather-reporting system of the Northern Hemisphere may be completed soon, Canada's Director-General of Defence Research says. It is hoped that a large gap in the system of weather stations between the Canadian mainland and the North Pole will soon be filled.

The scientist, a doctor O. M. Solandt, says a thorough knowledge of the Arctic and its problems is essential, both to the Regional Defence of North America and to the normal peaceful development of the Canadian North.

It is of great importance, Doctor Solandt says, to know more of the Arctic weather problems. For it is there he says that much of the world's weather originates.

The work of filling in the gaps in the weather-reporting system is, he says, already going on or will be undertaken in the work of the many Canadian Government and commercial agencies interested in the Arctic.

### CROWN PRINCE SIGHTSEES IN NEW YORK

NEW YORK, Jan. 19—The side-walks of New York were treated to a sight-seer today who was quite a spectacle himself. He is Crown Prince Amir Saud of Saudi Arabia. The Prince and his followers looked the city over wearing long loose robes with heavy jewelled swords and sword belts, and small pistols in holsters. They drew considerable attention as the Prince stopped off at the world's tallest building—the Empire State—to look a New York through a telescope. And then the party moved on to a motor tour of the city, ending at the Waldorf-Astoria Hotel.

### To Submit Views On Peace Treaties

LONDON, Jan. 19 (CP)—A Foreign Office spokesman said Saturday that commonwealth views on the European peace treaties are scheduled for submission to the deputy Big Four Ministers "toward the end of next week" with Australia first, South Africa second, and Canada third.

He said that as far as he knew no specific day had been set for the Canadian submission.

DUBLIN, Jan. 19—Bread rationing began Sunday in Eire. The weekly quota is six pounds of bread or four and one half pounds of flour. This compares with four pounds 15 ounces for each person in Britain and Northern Ireland, where bread rationing began last July.

### Denies Canol Equipment Missing

EDMONTON, Jan. 19 — Reports of the disappearance of valuable equipment used in the Canol oil project have been denied in Edmonton by W. A. Fallow, the Alberta Minister of Public Works. Mr. Fallow described as gross exaggeration a story published in the Vancouver Province, which said that at least \$100,000 worth of property is missing.

The Alberta Minister inspected the Canol equipment late last Fall with the intention of purchasing some of it for the Government, and he said "whoever wrote the story had no idea of what he was talking about."

### 5 BELIEVED DEAD AFTER FIRE RAZES CLEVELAND HOTEL

CLEVELAND, Jan. 19 — A flash fire in an East Side apartment house has injured 11 persons and some of five missing persons may be dead. Fire Chief James Nimmo says 17 persons were rescued from the building and believes that at least some of the seven unaccounted for are dead in the debris.

Firemen rescued several persons from upper floors after passerby had persuaded them not to jump. Other residents leaped from first-floor windows to safety. One man, 52-year-old Hugo Hamfeldt, said he has jumped from the third floor in serious condition at Mount Sinai Hospital.

### Brazilians, Iranians Vote

RIO DE JANEIRO, Jan. 19 (AP)—An estimated 6,000,000 Brazilians elected a senator, governor and state legislature today in each of the 20 Brazilian states and chose 50 alternates and a senator in the Rio de Janeiro Federal district, where Communists were bidding especially for power. Results are to be announced shortly.

The Communists are stronger and more aggressive in Brazil than anywhere in the Western Hemisphere and the election tested their strength.

### Charges Elections Not Free

TEHRAN, Iran, Jan. 19 (AP)—The 77,000 votes cast in Tehran in the national parliamentary election were moved today to the central Mosque where they will be counted during the next week or 10 days.

The secretary general of Premier Ahmad Qavam's Democrat Party said "We gained an overwhelming victory" Dr. Mohammed Mossadegh, leader of the opposition coalition, charged again that the elections were not free but said he would serve if elected.

Voting was completed here Saturday night and will end in the Caspian port of Rescht tomorrow.

# Outsider Tops Link Stars

**RICHMOND, Calif., Jan. 19 (AP)**—Dark horse George Schouh of San Bruno, Calif., staving off the challenges of some of the greatest stars in professional golf, won the \$10,000 Richmond open tournament today with a 72-hole total of 288.

The 28-year-old assistant pro posted a final 37-34-71 to win first money of \$2,000.  
Jimmy Demaret of Houston, Tex., rapped in a four under par 67 which brought him second money with a 269. The United States open champion, Lloyd Mangrum of Chicago, who led for the first half of the tournament, finished in a 271 tie with the P.G.A. titleholder and leading money winner, Ben Hogan of Hershey, Pa., and with Chick Harbert of Farmington, Mich.

George Fazio of Los Angeles, holder of the Canadian open title, came home with a final 35-35-70, for a total 277.

# Two Comedies On Stage Here Tuesday Night

Bringing to Nelson footlights two lively comedies, the Everyman Theatre Tuesday will present a cast of young drama enthusiasts now in the course of a tour of the Western provinces.

The curtain-raiser, a play by the Russian Anton Chekov, is "Marriage Proposal" and offers a radical contrast to the more down-to-earth "The Last Caveman." This Canadian play was written by Elsie Park Gowan and contributed to the company's repertory to aid them in fostering Canadian plays.

"Marriage Proposal" is a whirlwind of ups and downs set in a Russian town where a depressed suitor unwittingly starts a family quarrel.  
More down to earth is "The Last Caveman." A love story of a young veteran and a colonial's daughter, the light comedy is pictured in a Summer resort.

Either Nelson, above, is a leading actor in the casts of the Western Canadian Repertory Company. The company was founded by Sydney Risk, well-known as a producer and adjudicator throughout British Columbia and Alberta.

# Break 2 Canada Swim Records

**VICTORIA, Jan. 19**—Two Canadian swim records are broken today as a result of last night's swimming meet held in Victoria. The meet was a competition between Victoria Y.M.C.A. and the University of Washington, in which the visiting team won by 39-31.  
A University of Washington contender, G. Heaney, won the 50-yard backstroke in 28.2 seconds to claim one record. The Canadian record, set by Bruce Donaldson of the Washington Athletic Club in Vancouver in 1941, is 28.8.  
A Victoria Y.M.C.A. relay team set the other record last night when they won the 150-yard medley relay in one minute, 22.2 seconds, 1.6 seconds better than the present record set by the Hamilton, Ont., Athletic Club six years ago.

# SCHROEDER WINS TUSSLE FOR NO. 2 NET RATING

**NEW YORK, Jan. 19 (AP)**—Davis Cup hero Ted Schroeder, won his No. 2 ranking among United States tennis players Saturday, knocking Frankie Parker out of that coveted spot, but not until he had stirred up a row that shook the dignified United States Lawn Tennis Association right down to its arches.  
Members of the ranking committee, who did not think Schroeder should be ranked at all, refused to be high-pressured. They bared their teeth and fought back like everything, and when the proxy vote finally was counted after an hour's oratory it was found Ted had scraped through by the narrow margin of 20,825 units to 19,075.

After the result was announced President Holcombe Ward suggested that it be made unanimous for the record, and this was done, though with obvious lack of enthusiasm on the part of the defeated delegates.  
As the result of the country's first 10 now will go into the record book for 1946 in this order: Jack Kramer, Schroeder, Parker, Tom Brown, Gardner Mulloy, Bill Talbert, Don McNeill, Bob Falkenberg, Edward Moyland and Francisco Segura. Seymour Greenberg, previously ranked No. 10, dropped from sight.

# Little America ICE TOO MUCH FOR SUBMARINE

**LITTLE AMERICA, Jan. 19 (AP)**—Admiral Richard Cruzen announced Saturday night that the submarine Sennet will abandon its attempt to penetrate the ice pack guarding Little America and will start back to the United States about Feb. 1.

"There's just too much ice," Cruzen said.  
The submarine tried unsuccessfully to get through the pack with the other ships of the central group of the United States Navy's expedition. But after five days of battling the ice the task proved too dangerous and the Sennet was led back to the vicinity of Scott Island by the icebreaker Northwind.  
The Northwind then returned and led the flagship Mt. Olympus and the cargo ships Yankee and Merrick on to Little America.

The Sennet now is making underwater studies of temperature, salinity and microscopic life in the vicinity of Scott Island. Cruzen said it will make no under-ice tests because they are "not particularly worthwhile in that neck of the woods."  
CARRICK-ON-SUIR, Eire (CP)—Plans are afoot to reopen slate quarries here which 65 years ago won first prize at a London show. The quarries were closed in 1935.

# 12 Million Poles Cast Ballots

**WARSAW, Jan. 19**—Most of Poland's 12,000,000 eligible voters cast ballots today in the nation's first parliamentary election in 12 years.

Widely weather prevailed over most of Poland. And the voting was heavy in both cities and rural districts.  
Official results in the balloting will not be announced until the end of the month. However, in a dispatch from Warsaw, Associated Press correspondent Larry Allen says that there is little doubt about the outcome, that the Communist-supported Government Coalition will score an overwhelming victory over the opposition Peasant Party.

## 64 P. C. Support Royal Marriage

**LONDON, Jan. 19 (AP)**—Thousands of Princess Elizabeth's possible future subjects, who registered their sentiments through an unprecedented newspaper poll, today defended her right to marry Prince Philip of Greece—the man of her choice if all-but-official rumors can be believed.  
In a final report of its two-week public-opinion sampling which has brought "thousands upon thousands of letters from all classes," the Sunday Pictorial said 64 per cent now favored Princess Elizabeth's marriage to the Greek Prince, compared with 53 per cent at the end of the poll's first week.  
Those in the poll opposing the marriage dropped from 40 per cent to 32 per cent, while 14 per cent stated that Kaslo was receiving its full quota. There are many new families in Lardeau and White-water and other communities are dependent on Kaslo for canned milk. The Secretary was instructed to write the Prices Board and find out what the quota of canned cream is for Kaslo and how said quota is made up.

Kimberley 1, Nelson 5

## Last-Period Blast Gives Leafs Win

A five-goal barrage, touched off in the third period by fiery-shouldered Red Koehle, gave Nelson Maple Leafs a thumping 5-1 victory over Kimberley Dynamiters after the teams had fought through two scoreless periods at the Civic Arena Saturday night.

It was anybody's game for a time, but Nelson got the break in the first minute of the final stanza and the Leafs flew from then on. Thrilling hockey was witnessed throughout and there were grim moments for Dynamiters' Jackie Nash and Leafs' Jim Heuston in the nets, but both gave fine performances. Young Heuston worked like a veteran and had no chance on the goal that spoiled his chance for a shutout, the rubber spinning past him from a mixup right in the goal-mouth. The goal came while Kimberley had a two-man advantage over the Leafs, the visitors drawing 10 penalties to Leafs' five.

**BLANK FOR ACES**

The powerful scoring combination of Frank Sullivan and Lloyd Sanderson drew a blank, rare event in Dynamiter games, and Sammy Calles copped their lone goal. Leafs goals went to Red Koehle, Roy Allen, Bill Vickers, Spence Tatchell and George Barefoot, the last-named also picking up two assists.

The opening period saw Kimberley dominate the play completely for a time, then the Leafs collected themselves and the teams battled on even terms until the third period explosion. Every player on the ice gave top performances. The aggressors in the second period were Leafs, who forced Nash to save eight times to Heuston's three, but they just could not find any openings.

They broke the ice at 1:03 in the third after some fancy passing when young Koehle picked up Barefoot's pass and beat Nash cleanly. With the whole team up, a brand new father, whipped in a tricky one from the side. He got a big hand, for it had been announced earlier that Mrs. Allen had had a baby daughter Saturday morning.

Less than a minute later, Vickers and Barefoot bored right through the middle and the shifty centerman fired the puck between a defenceman's legs to put the Leafs three-up. Kimberley did a turnaround and Benny Redisky, playing here for the first time this season, just missed the corner of the net, and there were two more quickies for Heuston to handle.

Then Jack Kilpatrick's line got away and in a beautiful three-way play joined by Gordie Smith, Tatchell, fired in No. 4. Leafians Mitchell and Allen and Dynamiter Sanderson were off when Kimberley broke the goose egg three minutes later. Calles taking Wilson's pass and hoisting the puck past Heuston who had gone down on his knees. It was a heartbreaker for the goalie for he had no chance on it. The closing marker came at 16:59 when Doug Winlaw passed to Barefoot and the defenceman fired in a long shot.

Doug Grimston, President of the B. C. Amateur Hockey Association, here to set playdown dates, witnessed the game and chose the three stars—Heuston, Vickers and Brown.

## Creston, Nelson Split Hoop Exhibition Here

Nelson and Creston High School basketball teams split a pair of fast games at the Civic Centre Friday night before a good-sized crowd. Nelson girls took their game by a comfortable 46-21 score, while Creston boys took the measure of Nelson by a fairly close 36-32.

Sparking the Nelson girls to victory was Dot Wallace, who piled up 30 points, J. Vasseur with 12 heading the Crestonettes. The teams battled on even terms for the first quarter but the locals surged ahead after that.

Nelson boys missed their ace, Bob McNabb, who is nursing an injured knee. They held the lead, however, leading by 20-15 at one time, then Creston marched ahead. J. Wiggan led the visitors with 16 points and A. Clark topped Nelson scorers with 13.

**CANADIAN 20-1 SHOT SCORES SECOND**

MIAMI, Fla., Jan. 19 (CP)—Imperator, a Canadian-owned three-year-old colt which raced on Ontario tracks last Spring, went post-ward at 20-1 Saturday in the \$10,000 Hibiscus Stakes at Hialeah Park and lost by half a length to Michael B. after leading almost all the way.

Owned by R. S. McLaughlin of Oshawa, Ont., Imperator faltered in the stretch run and just lasted to edge Mill River stable's Secnav for second in the six-furlong event for three-year-olds, regarded as a prelude to the rich Flamingo Stakes March 1.

## Pirates Buy Hammering Hank

PITTSBURGH, Jan. 19 (AP)—Pittsburgh Pirates announced Saturday they had purchased Hank Greenberg, mighty Detroit Tiger batsman, for an undisclosed "sizeable sum" and Manager Billy Herman said the American League star likely would play in the Bucs' outfield this year.

The seven other American League clubs had to waive on the services of the home run king and no other players were involved in the deal. Baseball writer Chilly Doyle of the Pittsburgh Sun-Telegraph quoted "one reliable report" as saying the purchase price was \$40,000.

Roy Hamey, Pirate general manager, hailed the transaction with jubilation. He declared: "It goes without saying that we were elated over our final success in actually acquiring the services of this grand player."

In Detroit, Tiger owner Walter O. Briggs hinted that the sale of the slugger might have been influenced by a recent Greenberg interview appearing in "The Sporting News" in which Hank was quoted as saying he would prefer finishing his career in New York.

## Winter Wonderland to Bring Nelson Blade Artists Out in Big Revue

"Winter Wonderland," a Winter fantasy, will bring to the Nelson Civic Centre ice Feb. 1 a cast of 120 in the Nelson Figure Skating Club's annual presentation.

Director Mrs. R. H. Dill is assisted by Mrs. B. Townsend and Miss Muriel Cooper, figure skating professional here, in preparing the revue for Nelson District's entertainment. Mrs. J. H. Longden is in charge of costuming.

Fairland's population will come to life in a scene of Winter beauty as the Nelson blade enthusiasts blend their artistry in the 5-scene fantasy.

The little folk, with their Snow Queen will make blades flash while snowflakes, Jack Frost and snowmen cover the ice with sparkling white. A Christmas scene will find Santa Claus decking a Christmas tree, but Winter's snow leaves in a rustle of Spring.

Joan Klier, Bernie Burgess, Dorothy and Robert Wassick, Pat Davis, Sydney Swinger, Nancy Jardine, Roy McKenzie, and Doreen Field will solo during the gay round of talent.

## Canadiens Break Mid-Season Slump; Leafs Grab High-Scoring Game 7-4; Bruins Take Black Hawks Again

MONTREAL, Jan. 19—Montreal Canadiens snapped a mid-season slump with a bang in Montreal Saturday night hammering the New York Rangers 6-2 as Centre Bill Reay collected three goals before a National Hockey League crowd of 11,314 paying customers.

The Rangers played without two prominent members of their high scoring atomic line, centre Cal Gardner and winger Church Russell, and they failed to get their attack organized for any length of time. They were badly outplayed throughout the dull contest.

Reay, pivoting Montreal's third string line of Murph Chamberlain and Jimmy Peters picked up an assist to go with his hat trick while Peters kept pace with him in netting by garnering a goal and three assists. Chamberlain had one marker and one assist to show for his night's effort.

Montreal's other goal went to Maurice (Rocket) Richard who sniped his 24th counter of the season. The Ranger scorers were defenceman Bill Juzda and Alfie Pike.

It was the Bruins' second win over the last place Hawks in four nights.

Blonde McGill of Boston and George Gec of Chicago swapped goals in the first period. Woody Dumart denied the net early in the second period to put Boston ahead and then he sank a clinching goal in the third period.

The game opened with Billy Taylor of Detroit slipping a goal in against his former team-mates, and the Leafs couldn't tie it up until the period was nearly over. Then Pollock and Nick Metz scored in the closing minutes of the stanza.

Roy Conacher scored for Detroit in the opening of the second frame, but Stewart and Kluka put Toronto ahead with three goals. Jim Conacher ended the second period with another goal for Detroit.

The third period saw two Toronto goals—one by Ted Kennedy and one by Bill Ezinicki. Billy Taylor, the former Leaf forward and one-time Oshawa general star, scored Detroit's lone counter of the last period. Taylor also registered an assist in the middle frame.

**Women Invade men's last Sports Stand--Snooker**

By JACK SULLIVAN  
Canadian Press Staff Writer

LONDON, Jan. 19 (CP)—Lay that cue down, gent, the jig is up. And remember, when the black ball defies gravity and hovers on the lip of the pocket, there are ladies present.

In short, women have invaded what is probably our last sports stand — around the billiards and snooker table. Gone are the days when the men adjourn to the "play room" while the girls attend to shiny noses.

The latest, so help us, is a women's amateur snooker and billiards championship in London at the end of February, open to players of England, Scotland, Wales, Northern Ireland and Eire.

"And we have hopes some day, in the near future, of an Empire championship," says Bessie Wright, joint Secretary, with Joy White, of the Women's Billiards Association of Britain.

Bessie, born in Toronto, "a few years ago" (we'd hazard about 25, ma'am) came to Britain at the age

**Procter Church W. A. Meels All Pledges**

PROCTER, B. C., Jan. 19—Annual meeting of All Souls' W. A. at the Procter Church started with a banquet.

Rev. M. C. T. Percival presided.

The Secretary-Treasurer's report showed a successful year, all pledged—parochial and diocesan and missionary—having been met. Some \$50 was paid into the building fund.

Mrs. C. A. Brady and Mrs. H. Chomat were welcomed as new members and admitted by the Vicar, with the W. A. admission service.

Regret was expressed at the departure of Mrs. S. Malahoff.

Election of officers resulted as follows: President, Mrs. S. Aylwin; Vice President, Mrs. E. Aylwin; Secretary-Treasurer, Mrs. M. Percival; Secretary, Mrs. H. Chomat; delegate to annual conference, Mrs. S. Aylwin; substitute, Mrs. H. Chomat.

Committees for the year were appointed and plans and work were discussed.

**CURRIE-SMITH**  
St. Paul's United Church was the scene of a quiet wedding Jan. 8 when Rev. T. J. S. Ferguson united in marriage Miss Alma Pearl Smith of Nelson, youngest daughter of John C. Smith of Chelan, Sask., and Alexander Currie, eldest son of Mr. and Mrs. Alexander Currie of Lethbridge. The bride was Miss Gwendyth Jones of South Slokan while the best man was Ivan E. Lewis, brother-in-law of the bride. The bride came down the aisle accompanied by her father, to the strains of the wedding march played by Mrs. T. J. S. Ferguson. She was attired in a Winter white dress with gold sequins and had a gold sequined beanie with veil. After the ceremony the guests went to Armstrong's where dinner was served. Rev. Ferguson proposed a toast to the bride, which was responded to by the groom.

The out-of-town guests were Miss Esther Smith of Calgary, sister of the bride, Mrs. C. H. Stuart and Miss Mable Stuart of Cranbrook, aunt and cousin of the bride.

A quiet wedding was solemnized Jan. 11 at Moose Jaw, Sask., when Miss Monor Tregear of Winnipeg and Nelson, daughter of the late Mr. and Mrs. Henry Tregear of Scilly Isles, England, was united in marriage to George Kerr Harkness of Regina. The ceremony was performed by Rev. Geoffrey Glover, D. D., in the name of St. Andrew's United Church, Moose Jaw. The bride, Superintendent of Kootenay at the Lake General Hospital, wore a blue dressmaker suit with navy accessories, complimented by a corsage of red roses. Attendants were Mrs. John Olson of Melfort and Everett Beaman of Parkbeg, Sask. A reception and wedding dinner were held at the Grant Hall Hotel. After a brief honeymoon to Regina and other points, Mrs. Harkness will return to Nelson where she will continue her duties at the Hospital unit.

**Dietrich Makes Even Doughnuts Glamorous; Kitchener, Ont. Girl Signs Contract With Warners**

By HELEN BANNERMAN  
Canadian Press Staff Writer

Marlene Dietrich can make even doughnuts glamorous. The star who brought glamor to the screen and still outranks her followers in the art told how she whipped up a batch of Austrian-style doughnuts—with jelly in the centre—for occupation troops in Germany.

Before she finished describing the operation on former film star Jinx Falkenburg's radio program she had her listeners' mouths watering.

"You beat them for a long time," said the sultry Dietrich voice, "and then you have to put them to sleep and after a while wake them up again and do more things. It takes a long time but the G.I.'s helped me so nobody got blisters."

Miss Dietrich also does a fine job of scaling fish, says R. N. Fraser of Vegreville, Alta., one of Paramount's property men, who helped her scale one in her latest picture, "Golden Earrings."

**Bonnington**

BONNINGTON, B. C.—Mr. and Mrs. G. Noel Brown entertained at a delightful buffet supper at their home in Corra Linn when some 60 guests attended. The party was given in honor of the home coming of their son-in-law and daughter, Major and Mrs. M. K. Harrison on their return from Army Service.

The table covered with a cloth of exquisite Chinese embroidery, was lovely.

Mr. and Mrs. Noel Brown have since left for an extended visit to Victoria.

Mrs. G. Biddlecomb entertained at an enjoyable evening party complimenting Mrs. M. K. Harrison. Cards were played and delicious refreshments served. The guests were Mrs. B. Hammond, Mrs. E. J. McGregor, Mrs. Harvey Stone, Mrs. J. E. Parker, Mrs. Harry McDougall and Mrs. Harrison.

Mrs. J. E. Parker entertained at their home Corra Linn with bridge and games. Supper was served after the games. The guests were Mr. and Mrs. E. J. McGregor, Mr. and Mrs. H. McDougall, Mr. and Mrs. W. Walkley, Mr. and Mrs. G. Biddlecomb, Major and Mrs. M. K. Harrison, Mr. and Mrs. B. Hammond.

Mrs. Harrison is spending a few weeks in Nelson, the guest of Mrs. A. Willey, Third Street.

Harold was just an old sheep-counter. Every night, before he got to sleep, he counted thousands of sheep...

Then one day an Experienced Friend suggested maybe it was the caffeine in the Tea and Coffee he drank that kept the sheep jumping over the fence...

So Harold STOPPED tea and coffee, and changed to POSTUM...

And right away he only got a few hundred sheep over the fence before sleep overcame him...

And in a few nights only a dozen...

Many people can safely drink tea and coffee, but others are upset by the caffeine these beverages contain. If you find yourself sleepless, nervous, irritable — try changing to Postum. You'll like its rich, heart-warming flavor. Not like tea, not like coffee, just a grand flavor all its own.

Easy to fix — make Postum right in the cup just by adding boiling water or hot milk. Costs less than 1¢ a serving.

## What Does A Dictator Do When He Isn't Dictating?

These photos give you an intimate glimpse behind the scenes into the private lives of Generalissimo Francisco Franco, El Caudillo (the leader) of Spain. We say "lives" advisedly. For the Generalissimo is apparently a man of many parts. In top, at left, Franco the angler looks like any business man relaxing with rod and reel. He doesn't seem the least bit sinister. You will note he carries a camera to provide pictorial proof of his fish stories. Top right, Franco the Picador, devotee of Spain's national sport, bullfighting. The lance he carries is a pica, used to goad the bull before the star matador puts on his killing act. The horse on which El Caudillo is mounted is "Rocaille," a race horse presented to Franco by Edmond Vell-Picard, a French breeder. Franco posed like this during the annual testings of young fighting bulls. Bottom right, Franco the hunter nestles in a craggy "blind" as he waited for a shot at a mountain sheep or goat during one of his hunting expeditions.

### 35,000 London Transport Workers Back on Job

LONDON, Jan. 19 — More than 38,000 truck drivers and dock workers involved in London's transport strike went back to work Saturday. The Government also withdrew troops from the job of transporting

food to shops drained of supplies during the 11 day unofficial walk-out.

More than 20,000 dockers, stevedores and Thames lightermen are among those returning to work. They will speed the unloading of more than 100 ships tied up when they walked off the job in sympathy for the truck drivers who asked a shorter work week and other concessions.

### Says Constitution Violated By Outlawing Portal Pay Suits

WASHINGTON, Jan. 19 - The CIO said that constitutional principles are violated by United States legislation proposed to outlaw portal-to-portal pay suits. The CIO's opinion was stated before a Senate Judiciary sub-committee by the union's general counsel, Frazerman. The group is considering two bills which would knock out suits for more than \$4,000,000 in back pay and also outlaw or restrict future suits.

Frazerman said the measure "only serves to implant in workers the apprehension and the fear that the present Congress does not propose to play the game according to the rules where workers' rights are concerned."

Frazerman, also representing the CIO United Steelworkers, says that the bills have implications which are catastrophic to the public welfare. These proposals, he says, depart from most cherished American legal traditions and constitutional limitations.

The bills have been endorsed by representatives of the United States Chamber of Commerce, the National Association of Manufacturers and other industry organizations. Frazerman urged that the group inquire into the working conditions of American industry before arriving at a decision.

### Unveil Plaque Commemorating Two Quebec Conferences During War

QUEBEC, Jan. 19 (CP) - The freedom and future of "all humanity... were at stake" when the late President Roosevelt and Rt. Hon. Winston Churchill, Britain's wartime Prime Minister, held their historic meetings in Quebec in 1943 and 1944, External Affairs Minister St. Laurent said Saturday.

He made the statement in a speech prepared for delivery at the unveiling of a plaque commemorating the two Quebec conferences at which Prime Minister Mackenzie King and the Canadian Government acted as hosts to Mr. Churchill and Mr. Roosevelt.

The plaque, situated in the Chateau Frontenac, famed hotel operated by the Canadian Pacific Railway Company, would be commemorative of two significant moments in the history of the world.

During the two conferences the hotel had served as headquarters for the British and American military staffs. Within its walls the military experts had worked "in that close harmony which was so essential to final victory."

The planning done, they met with Mr. Churchill and Mr. Roosevelt in the Citadel, Summer home of the Canadian Governor-General, a few hundred yards away from the hotel. There are great strategic decisions were given final approval.

"These decisions led to victory because they were carried out by the Allied nations in harmony and cooperation," said Mr. St. Laurent. "Harmony and cooperation are no less needed to achieve security and peace than they were to achieve victory in the war."

### Tenant Sells House; Sought By Police

VANCOUVER, Jan. 19 - Vancouver police are looking for a man who allegedly defrauded Mrs. L. Smith of \$1500 in cash. The man told a real estate agent that he was the owner of the house which Mrs. Smith paid a deposit on. Mrs. Smith told police that she had paid the \$1500 to the real estate agent who in turn turned it over to the mysterious man who has since disappeared. Actually the man sought was only a tenant of the house. The matter came to a head today when the daughter of the real owner of the house called on Mrs. Smith and gave her the information.

### Looking Ahead in Ottawa Retirement of Clerk, Chairman of Prices Board Expected in Commons

By The Ottawa Staff Of The Canadian Press

OTTAWA, Jan. 19 (CP) - Retirement of Dr. Arthur Beauchene, Clerk of the House of Commons for more than 20 years and noted authority on Parliamentary rules and procedure, is reported in Parliamentary circles to be only a matter of a few more months.

One report has it that the 70-year-old House official will give up the post during the approaching session of Parliament and go into semi-retirement as a special advisor to the speaker, Dr. Gaspard Fauteux. These reports say the change will take place March 31, end of the current fiscal year.

Dr. Beauchene is known to have expressed a wish for retirement but just who will succeed him is not known.

#### CLERK SINCE 1925

Dr. Beauchene has been clerk of the House since 1925, when he was appointed to that post after serving for nine years. A former newspaperman, he is the author of Beauchene's Parliamentary Rules and Forms, standard for Canadian Parliamentary procedure, and a number of other publications.

Another resignation in government circles around March 31 also is reported to be pending.

### Good Angel Was Aboard Yacht During Storm

NANAIMO, B. C., Jan. 19 (CP) - Storm gromlings during Friday night's heavy blow tore the Jack Easton \$5000 ten-ton yacht "Meru-jak" loose from Nanaimo Yacht Club moorings. They headed the yacht for the rocks of Exit Channel under cover of blustery darkness but the good angel of all yachtsmen was aboard. As the yacht bobbed and rolled in heavy waters the anchoring line on the bow toppled overboard. Saturday morning the Meru-jak was found in Exit Channel safely anchored within six feet of the reef which otherwise would have dashed her to bits.

### Coast Man Beaten, Robbed; May Have Lost Big Sum Money

VANCOUVER, Jan. 19 - Police are investigating the possibility that Albert Surina may have been robbed of a large sum of money when he was attacked and beaten in Vancouver last night.

Surina returned to his home early today in a dazed condition and bleeding from a cut on the side of the head. Friends who called police said the man was in the habit of carrying a considerable amount of money with him.

He was treated for the wound on his head.

### Deaths

MONTEAL (CP) - Dr. Elmer Paquin, 86, prominent in the defence of the Northwest Rebellion, leader Louis Riel when he was tried and convicted at Regina in the early days of Confederation. He wrote a widely circulated book condemning the execution of the rebel leader as "a national and judicial crime."

WINNIPEG (CP) - George Hastings Palmer, 86, former Labor member of the Manitoba Legislature and Mayor of Dauphin, Man.

WORCESTER, England (CP) - Maurice Davis, 24, speechless for 10 years following a laryngitis attack, cried out when he nearly caught his hand in a factory saw, and, finding he had regained his voice, talked until he was hoarse.

**Reorganize  
E. Kootenay  
Scouting**

CRANBROOK, B.C., Jan. 19 — Reorganization of Scout affairs in East Kootenay is proceeding following a visit by R. Ken Jordan, Provincial Scout Commissioner. Instead of organization as East Kootenay, the Scouts in Fernie, Kimberley, Creston and Cranbrook are now independent groups. Cranbrook has five Scout groups, with a total of about 140 Scouts and Cubs. Under the reorganization each of these groups, which are sponsored by churches, will have its own separate adult committee. The committee in turn will have a representative on a general city adult committee, with V. C. Brown chairman. Cranbrook will have its own commissioner.

Congratulations on past Scout work in Cranbrook were extended by the Commissioner, but he asked continued adult support for Scout affairs, and also for volunteers in Scout and Cub leaders.

**Eire Begins  
Bread Rationing**

DUBLIN, Jan. 19 (Reuters)—Eire began bread rationing Saturday, six months after Britain and Northern Ireland.

The weekly ration for each person in Eire will be either six pounds of bread or 4½ pounds of flour, as against the individual weekly basic ration of four pounds, 15 ounces for normal persons in Britain and Northern Ireland.

**Strength of Liquor  
Not Dominion Matter**

VANCOUVER, Jan. 19 (CP)—A news story published by the Vancouver Province from its Ottawa bureau says the strength or weakness of liquor sold in Canada is strictly a matter between the Provincial Liquor Commissioners, the distillers and the public.

Quered about recent statements of W. F. Kennedy, B. C. Liquor Commissioner, and the Montreal meeting of liquor chieftains, the dispatch said, David Sim, Deputy Minister of Customs and Excise, said: "The Dominion is not in this picture at all."

**St. John's Suffers

ST. JOHN'S, Jan. 19—St. John's is suffering from the worst coal shortage in its history and six coal dealers have urged householders to conserve their supplies. One dealer is doling out his last few hundred tons in half-ton lots.

**For 10 Weeks  
Town Stranded**

KEGASKA, Que., Jan. 19 (CP)—Bucking through ice 14 inches thick in places, the Government icebreaker Ernest Lapointe brought seven tons, marked the first time that food and supplies had been received in 10 weeks. While they were not facing starvation, food stocks were pitifully low.

The arrival of the Lapointe, greeted with joy by the handful of inhabitants of provisions to the stranded inhabitants of this tiny Quebec hamlet, some 425 miles below Quebec City on the North shore of the Gulf of St. Lawrence.

**New York Mayor  
Ships Bananas for  
Dying Irish Poet**

NEW YORK, Jan. 19—A dying Irish poet has touched the Gaelic heartstrings of New York's Mayor William O'Dwyer.

O'Dwyer dispatched about three dozen bananas by air today in hopes of saving the life of poet Eoghan Roe Ward.

O'Dwyer sped the shipment on its way in answer to an appeal from the Lord Mayor of Dublin, John McCann. In his cablegram, McCann informed O'Dwyer that bananas may save the life of the Irish poet.

In addition to the bananas, O'Dwyer cabled his wishes for a quick recovery and added: "If more bananas needed, wire me."

Teh emergency shipment is due to arrive at Shannon airport early tomorrow.

**Wreckage Where 12 Died in Irish Bog Crash**

Wrecked fuselage of the trans-Atlantic plane, "Star of Galro," is shown lying in an Irish bog, not far from the airfield at Shannon, Eire, where it crashed while trying to land. Twelve persons died in the crash, including three crewmen. There were 23 aboard the Paris-to-New York aircraft when it plunged into the bog.

**Herridge Suggests Role for  
Board in Industries Problems;  
Urges Price Controls Continue**

H. W. Herridge, M.P. for Kootenay West, addressing the annual dinner of the Nelson Board of Trade at the Hume Friday night, suggested that as a progressive community body the Board of Trade was a potential nucleus of collaborating bodies to beget harmony between industries here. Problems of industry could be more easily ironed out through Board discussion, he felt.

Mr. Herridge outlined briefly what had transpired at Ottawa since he became a member of Parliament. The Open House, the speaker felt, was a worthy institution and an education to new members. Here private members could introduce bills that were aired by the press and gained the attention of the public. Mr. Herridge pointed out that the Old Age Pension Act was an issue arising out of the open house session to be presented by public opinion.

Speaking of continued price control the speaker reported that future controls would have to be adjusted in consultation with wage controls, labor and management. Nothing, the member maintained, was more distressing to the general public than a fluctuating dollar. From his experience the speaker stated that all people urged price control.

Mr. Herridge touched upon problems in the immediate district. The Columbia River project was one of vital interest to people in the Kootenays, he said. To date \$300,000 has been voted for survey work. A part of the immense two to three year program was a aerial survey of the entire district to be translated into maps. From these, such data as dam sites could be ascertained.

The Veterans settlement issue one on which Mr. Herridge worked as part of a committee. In a statement advanced by one of the committee it was pointed out that there was much arable land available for suitable vets in the Lardeau and in the Kootenays in general.

Pertaining to transportation improvements in the Arrow Lakes District, Mr. Herridge cited a little story which he asked railway officials present lend their ears:

A minister was travelling aboard the Minto on the Arrow Lakes. The captain, spied the father reading the Good Book and inquired if he saw anything there in about the ship Minto. Whereupon the padre replied, after a brief and judicious silence, "Why yes, 'And then the Lord made all creeping things'."

**Kootenay Senior Finalists to  
Be Provincial Champions;  
Set Playoff Dates at Meet Here**

Kootenay's senior hockey finalists will be British Columbia champions, it was learned at a meeting at the Savoy in Nelson Saturday attended by Doug Grimston, President of the B.C. Amateur Hockey Association.

At Trail Friday, President Grimston said at a banquet that a Coast club would never be admitted to Allan Cup playdowns under such a basis as last year's. Since the Coast won't have a representative division in time to meet the interior champions prior to the scheduled start of the interprovincial series, it was virtually certain the Coast would not contest the B.C. title.

Spokane and Los Angeles will not see Allan Cup contenders, the Sparans expecting to participate in American Hockey Association playdowns. Ramblers are playing in the League by special permission and cannot participate.

"First game of the interprovincial playoffs will be in the Kootenay, March 18, and Mr. Grimston said the B.C.A.H.A. was trying to get a second game. Other games in the four out of seven series will be played March 20, 22, 24, 26, 28 and 29.

The Kootenay junior champion must be declared by March 3, when the B.C.-Alberta playoffs start. The B.C. finals will be in the Kootenays, the Coast titlists coming to Vernon and the eventual winner to Trail. Tentative dates have been set. The B.C. semi-final will likely be played at Vernon Feb. 17, 19 and 20, the best of five finals probably Feb. 22, 24, 26, 28 and March 1. If the fourth game is necessary, it will be played in Nelson and the fifth in Trail.

Intermediate playoffs will see a busy round, with the Vernon-Kamloops-Revelstoke winner going to Prince George in a move to boost hockey for the Northern town. The winner goes to the Coast.

The Kootenay obtained a bye into the Provincial finals, the Kootenay champions having to be declared before March 8 when the Western Canada finals are expected to start. Cranbrook, Kimberley, possibly Fernie, Nelson, Trail and Rossland are expected to participate in the Kootenay round. The B.C. best of five finals are scheduled for Vernon on March 8 or 10 to 15, or March 20 to 28.

Juvenile playdowns in the Kootenays are expected to get rolling Feb. 19 and 20 with Kimberley or Fernie, playing Trail or Nelson. These games must be over by Feb. 22 as the Kootenay representative must be in Vernon by Feb. 24. Finals will be played at the Coast Feb. 27 and 28.

Kootenay finals in the Midget class are to be played Feb. 27 and 28. Dates are still in the unsettled state, but the Kootenay teams schedule will be approximately: Rossland and Nelson at Trail Feb. 14; at Nelson Feb. 17. Trail, with a bye, will meet Nelson or Rossland Feb. 19, the game to be played at Nelson if the locals knock out Rossland.

Doubleheader programs will feature these dates, as the juveniles will also play the same nights.

Attending the meeting besides Mr. Grimston were Frank Becker of Vernon, Vice-President, formerly of Nelson, Leo Atwell of Nelson, Secretary; Thomas Johnston, President of the Trail Smelter League; James Juniors coach, Don Porteous, Van Linden and Slim Porter of Nelson, Jimmy Livingstone of Kimberley and Walter Duckworth of Nelson, Presidents respectively, of their senior clubs.

**FEED ON FOOD LEFT SIX YEARS AGO;  
FROZEN UNDER 20 FEET OF SNOW**

By ALTON L. BLAYESLESS  
WITH NAVY EXPEDITION AT BAY OF WHALES, Jan. 19 (AP)—I dropped through a skylight today into the subzero buildings and tunnels of Little America, buried under 20 feet of snow where everything was perfectly preserved and untouched since the camp was abandoned six years ago.

Eleven men in our scouting party came to the old camp of the 1939-1941 expedition and for three of them, this was a gleeful homecoming. By light of a flashlight and lanterns, they shouted their discoveries of old bunks and forgotten supplies in the camp they left on Feb. 1941.

No one had set foot inside the buildings and interconnecting tunnels since then until today when we pierced through the snow cover. The buildings are now completely buried in glacier snow and ice. We couldn't stay long inside where temperature was below zero, possibly ten to twenty degrees below while on top of the camp it is perhaps only twenty five degrees.

I had lunch inside consisting of a seven-year old graham cracker. Pieces of beautiful crystallized design hung from the ceilings. The narrow tunnels are jumbled with hula stores, food, nails, dynamite, nails and junk. We found a couple of chickens and hams well frozen and in the galley there were steaks already cut, waiting only to be grilled when 30 men abandoned camp after spending 13 months there.

NEW YORK, Jan. 19 (AP)—The Federal Bureau of Investigation announced the arrest of 20 men here and one in Miami Beach, Fla., who said they comprised a gang which has been responsible for more than 30 truck hijackings here in the past year at a cost of \$300,000 to shippers.

OTTAWA, Jan. 17 (CP)—Mild Eastern weather brought out a heavier cattle supply this week but blocked roads in the West kept receipts down and forced prices to new seasonal high points, the Agriculture Department reported today in its weekly livestock review.

**Survey Shows  
Canal Project in  
Good Condition**

By CLYDE BLACKBURN  
Canadian Press Staff Writer

WASHINGTON, Jan. 19 (CP)—Pipeline and refinery installations of the abandoned "Canal" project in Northwest Canada were described in "good condition" according to a survey completed in November for the Foreign Liquidation Commission.

An official who worked on the project described as "fantastic" a report from Norman Wells that at least \$100,000,000 worth of the property had "mysteriously disappeared."

The whole project, carried out by the United States Army as part of its wartime effort to provide a supplementary oil source, cost about \$133,000,000.

"There was nothing like \$100,000,000 worth of property there," this official said, "and if it were there it would be physically impossible for it to be stolen in substantial quantities, and the economy of the area would not absorb it."

The pumping station and ancillary equipment "are intact and in excellent condition," the Commission said, "and the pipeline has been damaged only slightly by a number of landslides and iceflows."

An official said it was true that there had been some minor vandalism by Indians, and that bears had broken into buildings in which food was stored.

The Commission does not expect to make a large recovery in disposal of the equipment because there will be no likelihood of any purchaser wanting to make on-the-spot use of it.

**Strolls Out of  
Tavern With  
Stolen Money**

CLEVELAND, Jan. 19 (AP)—The man who had been huddled over a beer at the end of the tavern counter moved quietly to the centre of the long sweep of mahogany and stood before bartender Andrew Senich.

"Without a word, he thrust a piece of paper at Senich. The note read: 'I got rolled in this joint for \$1500 last night. I want that much right now. I borrowed that money for a brain tumor operation on my kid.' The bartender laid the piece of paper down on the mahogany and wrote:

"We don't have that kind of dough or anything like it around here." The man read the answer, leaned across the bar and said softly: "My life ain't worth anything to me, nor yours either. I'll take what you've got, ante, brother."

Senich, as he later told police, saw the tip of a pistol, so he handed over a wad of money, between \$450 and \$500.

The man picked it up, pocketed his gun, strolled past five customers and out.

Then Senich let out a yell, and until then the customers hadn't noticed what was going on.

**FRASER VALLEY, FARMERS  
MAY HAVE SECOND  
FERTILIZER SHORTAGE**

NEW WESTMINSTER B. C., Jan. 19—Fraser Valley farmers who suffered from a lack of badly-needed fertilizer for their land last Spring may experience another shortage this year, due to delivery delays.

Manufacturers say there are ample supplies on hand now, but that if the usual late Spring rush is repeated, many farmers will be unable to obtain delivery of fertilizer.

**Fire Destroys

**M. R. P. Leaders Willing to Enter  
Coalition; Blum Out of Running**

PARIS, Jan. 19 — Leaders of the Mouvement Republicain Populaire Party in France, have revealed that they are willing to enter a coalition government. Socialist Paul Ramadier has been negotiating for a new French cabinet.

The M.R.P. leaders say that when they called for the continuation of an all-Socialist government Saturday they meant that they preferred such a move only if Leon Blum were at its head. However they are now convinced that Blum is definitely out of the running.

Paul Ramadier was appointed Premier Saturday. They expect that he will begin drafting a presentation to the National Assembly on Tuesday.

Earlier, Ramadier's efforts to form a Cabinet, seemed doomed to failure. The M.R.P. was reluctant to enter another coalition Government and they had called for an all-Socialist Government.

**Australian High  
Commissioner  
Arrives in Canada**

OTTAWA, Jan. 19 (CP)—The future prosperity and development of the British Empire depend to a great extent on the way Canada and Australia handle their postwar problems. Rt. Hon. Francis Forde, newly appointed Australian High Commissioner to Canada, said Saturday on his arrival here.

Mr. Forde, here to succeed Alfred Stirling, said he was looking forward with pleasure to his new duties which would include the promotion of the good relations existing between Canada and Australia.

Mr. Forde was accompanied by his wife and his four children, Mary, 17, Mercia, 17, Claire, 15, and Gerard, 11. He was met by Hon. T. C. Davy, former Canadian High Commissioner to Australia and now Canadian Ambassador to China, by officials of the External Affairs Department and representatives of the Diplomatic Corps.

**Cranbrook Library  
Circulation 9663**

CRANBROOK, B.C., Jan. 19 — City public library circulation for the eight months of operations in 1946 showed an average of 21 books for each of the 469 members at a total circulation of 9663 volumes, the librarian reported at the annual meeting. This establishes a circulation record. With addition of 282 current books in 1946 the library now has over 2500 volumes.

A balance of \$330.84 was carried to 1947, the Treasurer reported. Memberships and Government grants provided revenue of 1186.04 and a \$521.95 balance started 1946. Main expenditure was for books amounting to \$1000, with \$400 worth of new volumes not yet received. Total expenditures were \$1377.35 which included \$218 for salaries, and the remainder for light, rent and sundries. Mrs. Roulston was librarian for 1946 and was reappointed for 1947.

C. T. Rendle was elected President with Robert Hunter Secretary-Treasurer. Elected directors for the year were A. M. Steele, C. E. Blackett, Mrs. Roulston, Mrs. Des Moore, W. Irvine, Miss E. B. Paterson, Mrs. F. B. Miles, Mrs. A. Raworth, Mrs. H. A. McKowan and Roger Chester.

A directors' meeting followed, with Mrs. McKowan, Mrs. Roulston, Mrs. Miles, Mrs. Raworth and Miss Paterson appointed book-buying committee, and authorized to spend \$150 on new books this month.

A vote of thanks was tendered Mrs. V. C. Brown as auditor, and Mrs. William Haynes as juvenile librarian. The meeting authorized application for Government grants for library maintenance.

After four inactive months the library reopened in its new quarters over the Cranbrook Mercantile store early in December.
