

600 Canadians, of 1500 Once in Jap Hands, Free

By WILLIAM STEWART
Canadian Press War Correspondent

MANILA, Sept. 7 (CP Cable) — More than 600 of approximately 1500 Canadian prisoners of war thought to be in Japanese hands, have been recovered and are due to reach Manila within a few days.

Some 300 have been freed in Japan and are now on their way here. The total recovered at Shamshuipo camp in Kowloon was 369, of whom 30 have arrived in Manila aboard the hospital ship Oxfordshire.

(Another Manila dispatch, from Col. R. S. Malone, Director of Public Relations, Canadian Army, said the known total of Canadians recovered to date is almost 300. There was no immediate explanation of the discrepancy in figures.)

Those seriously ill among the men freed in Japan will spend a few weeks in the Marianas Islands before being brought to Manila because the climate there is more favorable to convalescence.

800 TO BE LOCATED
With 300 recovered from camps in Japan proper, about 800 are still to be located as the area of occupation is extended.

In the battle for Hong Kong, December 1941, Canadian casualties were 493, including 28 officers. The total killed in action, died of wounds or missing is 286, including 23 officers.

(Unofficial figures released by Defence Headquarters in Ottawa earlier this week showed 104 Canadian officers and men killed or dead of wounds and 347 others missing. In addition the figures showed 238 wounded.)

(The figures were given out by Maj.-Gen. C. M. Maltby, former British Commander of Hong Kong, who now has reached India after 3½ years as a prisoner of war.)

Four Canadians who were reported to have attempted to escape from a prison camp were shot by the Japanese here and sent to the Japanese camp at Kowloon, totalling 1184 and the movement was carried out in 1943 and 1944.

Washington State People Eager for Better Road

In Metalline Falls we are pleased to see the activity in promoting the standardization and surfacing of the Nelway-Nelson Highway," remarked Oscar Wolff, Editor of the Metalline Falls News, who was in Nelson yesterday.

Mr. Wolff commented upon the number of people in the Metalline Falls District who are already making a practice of spending Summer holidays and weekends along the West Arm and at other Kootenay resorts, and predicted that the number would heavily increase if the highway were standardized and improved.

His brother, Fred Wolff of Newport, who is a member of the Washington State Highway Commission, was chiefly responsible for the modernization of the highway between Spokane and the international border. He will visit Nelson sometime this month.

With Mr. Wolff yesterday was James A. Shaw, Chairman of the O.P.A. Ration Board at Metalline Falls. They visited Trail during the day.

Blaylock Slightly Improved

Condition of S G Blaylock, Chairman of the Board of Directors of Consolidated Mining & Smelting Company, who is very ill at his Summer home on the North Shore has slightly improved during the last few days.

CARLOADINGS AT RECORD HIGH

OTTAWA, Sept. 7 (CP) — Carloadings for the week ended Sept. 1 reached a new record for the year at 76,044 cars compared with 74,329 for the previous week and 73,292 for the corresponding week last year, the Dominion Bureau of Statistics reported today.

Loadings in the Western Division increased from 25,722 to 28,052.

QUICKIES . . . By Ken Reynolds

"Front, Mr. Halliday—another answer to your Nelson Daily News Want Ad"

At least two of the vessels, which are transport ferries, were within two weeks of launching when orders to halt work on them came immediately after VJ-Day.

B.C. MAY VOTE ON LIQUOR QUESTION

VANCOUVER, Sept. 8 (CP) — The Vancouver Sun in a news-page story from Victoria today reported that the British Columbia Coalition Cabinet is considering a plan to take a plebiscite on the liquor question on Oct. 25, date of the Provincial election.

Empress to Carry Liberated to Manila

By WILLIAM STEWART
Canadian Press War Correspondent

HONG KONG, Sept. 8 (Delayed) (CP Cable).—A large number of prisoners of war, including all Canadians and civilian internees held by the Japanese before Hong Kong's liberation, will be evacuated to Manila within a week by the Empress of Australia, peacetime Canadian liner which arrived at Hong Kong Tuesday with 3000 Air Force personnel.

Arrangements have been made for the Empress to turn around quickly, carrying liberated servicemen and civilians. Hospital cases from Shamshuipo prison camp, where the Canadians were held, and Stanley Internment camp already have been evacuated to Manila.

Some have chosen to remain in Hong Kong rather than return home. While such choice will depend largely on medical advice, many soldiers who were here before the war have decided to remain unless specifically ordered otherwise.

District Fires Quiet; Hazard Is Increasing

Increasing fire hazard due to the clearer weather, caused Forest Service officials at Nelson on Friday, to emphasize the fact that care with fire is still necessary in the forests. The forest fire situation on Friday was said to be much the same as it was on Thursday.

In the Golden District there were no fires and the two fires in the Invermere District were still being patrolled.

The crew of men on duty at the Lamb Creek fire were busy "tying it up" and completing fire guards. No other fires were reported in the Cranbrook District.

No smoke was showing from the four fires under observation in the Creston area on Friday. Little Glacier Creek fire in the Kaslo District was still being mopped up and the fire guard being completed. The five other fires were quiet, either being patrolled or under observation.

The New Denver District is still without fires and the Nakusp District has four fires under observation and two being patrolled.

Three blazes are under observation in the Rossland area, with no smoke showing from any of them. No fires have been reported in the Grand Forks District.

Mopping up is being proceeded with on the Campbell Creek fire in the Kettle Valley. The Bruer fire is very quiet, and a third fire in this District is being patrolled.

The only fire burning in the Nelson District is the Wolf Creek fire in the Sheep Creek area, which is under observation.

SCRAP SIX NEW STEEL SHIPS AT COAST

VANCOUVER, Sept. 7 (CP) — In three Vancouver shipyards today workmen with acetylene torches cut up for scrap the 345-foot steel hulls of six ships which had been ordered by the British Admiralty for war use at a cost of about \$12,000,000.

At least two of the vessels, which are transport ferries, were within two weeks of launching when orders to halt work on them came immediately after VJ-Day.

CITY BUILDING BOOM BEGINNING

TRIUMPHANT MacARTHUR RIDES LAST MILE BACK; RAISES OLD GLORY

By SPENCER DAVIS
TOKYO, Sept. 8 (Saturday) (AP).—General MacArthur covered the last mile of the long road back from defeat in the Philippines by entering Tokyo today with occupation troops of the 1st Cavalry Division and raising the same United States flag which flew over Rome and Berlin. The Axis defeat was complete.

MacArthur made his triumphant entry in a three-mile parade of American mechanized military might through the heart of Tokyo. Japanese in downtown Tokyo stared in silence as the parade, led by the Seventh Regiment of the 1st Cavalry Division, moved from a point just East of the Emperor's Palace to the United States Embassy.

At the Embassy, MacArthur ordered Lt. Gen. Robert L. Eichelberger, whose 8th Army is occupying Tokyo and all Honshu to the North, to have the flag unfurled. It was the same flag which flew over the White House in Washington, D.C., on Dec. 7, 1941.

The first mechanized units moved into the bomb-wrecked capital before 7 a.m. (noon P.D.T. Friday).

They were the lead elements of 1st Cavalry units to be swollen to 15,000 by Monday.

Brutal Killings, Tortures . . . List Jap War Crimes for Coming Trials

By CHARLES A. GRUMICH
SINGAPORE, Sept. 7 (AP).—Administrative personnel among the newly-liberated prisoners of war here are completing exhaustive dossiers indicting their former Japanese guards of almost unbelievable physical cruelties and atrocities.

A long list of crimes, including brutal killings, are being documented with names and dates at an authentic record against the individual Japanese.

While two Japanese soldiers man the sentry box at the gates giving unanswered salutes to passersby, the administrators inside the Sime Road Internment Camp prepare the evidence, which chiefly centers on an alleged spy plot by prisoners in Changi.

The Japanese inquisition started Oct. 10, 1943, when 57 prisoners of war were segregated. The trial ended only a week ago, when the Japanese knew their end was near.

The Japanese accused the prisoners of maintaining a spy organization inside the Changi walls to stir Malay residents to sabotage and "anti-Japanese" feeling. They charged the alleged spy ring had financial backing from outside and communicated by radio-telephonic instruments. The released prisoners say the charges were false, but that they actually did obtain outside funds to supplement the Japanese starvation diet with blackmarket purchases.

HUMAN TORCHES
Screams came from the torture chambers during "interrogations" as a result of beatings with iron bars, brass rods, bamboo sticks, wet knotted ropes, belts with buckles and pistol butts. These were part of the ordinary punishment, as distinguished from special brutalities.

Victims sometimes were strung up or forced to kneel on sharp pieces of wood or iron. One who died had been interrogated and beaten intermittently for more than 144 hours. There were water tortures and burnings with cigarette butts on the most sensitive parts of the body, according to documented evidence. Some Asiatics were soaked in gasoline and burned as human torches. There also was a special shock disintegration of the nerves and physique.

The Japanese used their victims for Jujitsu practice. Some were advised to write farewell letters and all arrangements were made for their executions. Then it was called a day and the victims were made against their families. One committed suicide, but was subjected to interrogation even while dying.

Among the 57 prisoners of war segregated for nearly two years, 12 died of sickness resulting directly from ill treatment and one was executed.

Three others died in solitary confinement without medical attention.

Higginson Remanded Until Sept. 12

VANCOUVER, Sept. 7 (CP) — George R. Higginson, 39, charged with the murder of George Joseph Higginson, four-month-old child of his common-law wife, Aug. 30, was remanded until Sept. 12, when he appeared in police court here today.

The baby was found dead in a downtown rooming house, the mother, Mrs. Dorothy Rogers, formerly of Moose Jaw, Sask., was absent at the time.

Dr. J. Edward Snively, 68-year-old mountain climber of Seattle, Wash., is shown, with his climbing party, Mr. and Mrs. Howard B. Snively and Robert B. Snively, his two sons and daughter-in-law, as they ascend Mt. Charleston, 30 miles from Las Vegas, Nev. This ascent increased to more than 100,000 feet Dr. Snively's climbs for this year, and it is the 14th peak he has conquered.

Plan New Stores in Quarter Million Program

Modernization Plans to Change Baker Street Front; Activity for Fairview

A large construction program, involving more than a quarter of a million dollars, is one of the post-war projects that will help keep returning Nelson servicemen busy during the next few years.

Under the program, already started, at least seven new buildings will appear in Nelson's business section, while many stores will don new fronts of modern design, to radically alter the face of Baker Street. Changes will take place in other sections as the City sends out new roots in outlying areas.

Some of the construction is being held up by delay in obtaining permits from the Department of Munitions and Supply, or in obtaining men and materials.

Estimated cost of all projects reaches \$280,000, including considerable work now under way. This sum takes into account building that cannot be launched for possibly a year or more, depending mainly on the labor factor.

Planning to construct new buildings downtown are J. H. M. Greenwood and Mrs. A. D. Papanizian, with work already started; Greyhound Lines, Ltd., F. H. Smith, John Thom, A. E. Murphy and Sam Brown, and L. J. Batley.

Additional extensions or renovation work will be carried out by J. H. Argyle, W. J. Hipperson and the K.W.C. Block.

ALL GLASS FRONT
An ultra modern store building is planned by Mr. Greenwood beside the Star Grocery. It will have basement storage space as well as departments in the upper two stories. Mr. Greenwood is "going all out" in modern features.

All glass front will include doors of solid glass from top to bottom.

The Liberty Grocery, burned out last Winter, will occupy Mrs. Papanizian's building in the 600 Block on Baker Street. Completely modern, girder construction is being employed with an eye to future upward extension. A self service store in a 100-foot long building will use the new sloping shelves, believed to be the first installed in the Interior.

5 STORES TO MOVE
One of the biggest jobs will be the new bus station to be put up by Greyhound Lines in the old cigar factory building on the corner of Baker and Hall Streets. Five stores now occupying the building will eventually locate elsewhere.

Two of the businesses finding it necessary to move will put up a new building. The Murphy Brothers interior decorating business and Sam Brown, bicycle shop owner, will build a double store in the next block, beside the Kootenay Apartments.

In the vacant lot next to their new building, L. J. Batley of Beacon Service will also put up a building.

F. H. Smith will construct a modern one story store on the vacant lot beside the Eagle Hall building, continuing his electrical business and carrying appliances.

John Thom will build a modern dry cleaning plant on the two lots beside the Salvation Army Hall. It will feature a drive-in front for convenience of customers.

FOOD STORAGE UNITS
The Maglio Block, purchased a year ago by J. H. Argyle, is to be remodelled for basement storage and a Baker Street level store. In the basement, a business man plans to install 500 dry pack storage units which will be rented to the public for storing various foods.

In the upstairs section, G. S. Godfrey will have his men's wear store, moving from his present location across the street. The store will be remodelled, have a tile front with concave construction and modern entrances to store and basement.

Mr. Argyle also plans to remodel his present dry store in the 500 Block on Baker Street when conditions permit.

W. J. Hipperson is to extend his business into the Godfrey store, removing the intervening wall, and setting up an electrical store. He plans a modern marble front, featured by the very latest type of neon sign, a concealed reflector sign which will be built into the wall. The enlarged business will occupy the entire Hipperson building.

Remodelling of the front and entrance of Mann, Rutherford store is planned by the K.W.C. Block. Interior changes are also planned.

VERNON STREET ACTIVITY
Partially completed is renovation of the lobby, sitting rooms, sample rooms, and beer parlor of the Hume Hotel. Gleaming mirrors have been placed in the lobby and the walls finished in pastel shades. Much work has been completed in the

sample rooms where an air-fed heating system was installed. Featuring the newly finished beer parlor are murals depicting Nine-Mile scenes painted by J. Giryan of Vancouver. New leather seats with chrome tubing have been installed.

Further along Vernon Street, H. E. Stevenson's Machine Shop will build a new wall on the East side of the machine shop and rebuild a section of the roof, employing the latest design. Bridge type girders will go over the top of the flat roof, a feature which lessens fire hazard, cuts down area to be heated and allows sprinkling of the roof for coolness.

On Stanley Street the B. C. Telephone Company is completing an addition to its office.

WILL BE CANADA'S FIRST LADY

Lady Alexander, wife of Field Marshal Sir Harold Alexander, Canada's new Governor-General, in her drawing room at "The Vale", Windsor Forest, Berkshire, Eng.

MEAT RATIONING FOR CANADA NEAR; ANNOUNCEMENT LIKELY NEXT WEEK

OTTAWA, Sept. 7 (CP)—Canadians have been given most of the details of the Government's plan for re-introduction of meat rationing except the effective date, but indications were tonight that its beginning possibly would be announced next week.

The meat rationing announcement, when it comes, will probably be made in a broadcast by Donald Gordon, Chairman of the Prices Board which will supervise the plan.

Indications it would be made soon were seen in a recent Prices Board request to meat dealers to make immediate application for the blue tokens, to be used in Canada for the first time. They will be used to make "change" on ration coupons.

The new ration will allow every Canadian about two pounds of meat; carcass weight, a week, or about 1-1.3 pounds of actual meat. Carcass weight is meat with the bone left in.

Prices Board officials have stressed the fact that the sole factor in deciding on re-impoundment of meat rationing was so Canada could ship more meat to Britain—where the ration is the lowest in history—and to help feed meat-starved Europe.

Anscomb Would Meet Delegates Monday; Nelson Board Feels Better to Wait Until Premier Back

Public Works Minister Anscomb is prepared to meet the Surface Highways delegation Sept. 10, the Board of Trade Council learned Friday at the Home.

This information was received by W. G. C. Lanskill, Board Secretary, just before the Council meeting when he received a telephone call from City Clerk W. A. Gordon. The Minister met Mr. Gordon at the Union of B.C. Municipalities meeting at Qualicum Beach and asked him to send the word along.

General reaction of the Board Council, however, was that the meeting of delegates and Minister should not take place until Premier Hart was also able to attend. The Premier wired, and later wrote, explaining that he would be away for three weeks, but would be glad to make an appointment on his return.

Creston and Salmo delegates would have to be advised and it was felt that time was too short to allow proper arrangements to be made. The matter was left in the hands of President R. A. Peckles and the Highways Committee.

Meanwhile, George Pease, Convancing Committee Chairman, reported that about 3000 signatures had been obtained in Nelson to date. He said he was finding it difficult to find help in getting the petitions signed, however.

Britain Able to Finance Immediate Needs

OTTAWA, Sept. 7 (CP) — The United Kingdom is not expected to experience any difficulty in financing with Canadian dollars her trade with Canada in the next few months, Finance Minister Halsey said in the Commons today.

Mr. Halsey reported on recent Ottawa discussions with Lord Keynes, Adviser to the British Treasury, which he said were devoted to immediate problems. Long-term arrangements would be discussed later.

The Finance Minister also disclosed that effective Sept. 2 Canada's Mutual Aid was halted but that there was no interference with the movement of needed supplies and countries which had benefited from mutual aid were given the opportunity of having supplies continue with the understanding they would be paid for. This would necessitate credit arrangements, now under way in some cases.

Mr. Halsey's statement was the first official review of the discussions which took place this week between Lord Keynes and representatives of the Canadian Government.

The United Kingdom will have available Canadian dollars for immediate transactions from the settlement of outstanding accounts and expenditures on the Canadian foreign reserves.

SEATS, HERRING STOP BUGS
PITTSBURGH, Sept. 7 (AP) — Tom Seaver and Art Herring combined to hold the Pirates to five hits and pitch Brooklyn Dodgers to a 3-2 National League victory over Pittsburgh today.

In the third, Ed Stanky was called out by Umpire Ziggy Sears who claimed the second baseman ran out of the baseline trying to catch on a rundown play in which Catcher Al Lopez failed to hold the ball. There was a heated argument in which arbiters Tom Dunn and

George Barr also became involved, resulting in the banishment of Brooklyn's Dixie Walker and Augie Galan.

Yahk Miss Wed at Sea Island
A wedding of interest to many Kootenay points was solemnized on Aug. 30, at 8 a.m. by the Padre of Sea Island R.C.A.F. station when Marjorie Elizabeth, third daughter of Mr. and Mrs. Hugh McInnis of Yahk, was united in marriage to Fred, son of Mr. and Mrs. Ranahan of Charlottetown, P.E.I.

The bride looked lovely in a floor-length white satin dress and shoulder-length veil. She carried a beautiful bouquet of pink roses tied with matching ribbon and streamers. Her only jewelry was a handsome string of pearls, the gift of the groom.

The bride was given away by her brother, Nelson McInnis of Courtenay, and she had as bridesmaids her sister, Miss Hope McInnis of Yahk and Miss Jeanette McDougall of Sea Island.

After the wedding the many friends of the young couple attended a reception where a beautifully decorated in white and pink, centred the table. Toasts were made to the newlyweds and suitably responded to.

Sgt. and Mrs. Ranahan left to spend their honeymoon in San Francisco, travelling by plane via Seattle. On their return they will make their home temporarily at Vancouver where the groom is stationed.

Mrs. Ranahan was the guest of honor at several nicely arranged showers before her marriage.

Miss Stanton, H. Munshaw Wed at Pretty Wedding
KIMBERLEY, B.C. — A pretty wedding took place in the rectory of St. Mary's Church Saturday, when Betty Claire Blanche, of Kimberley, second daughter of Sgt. Major R. Stanton of Moyle, became the bride of Harold Munshaw of Kimberley. Father McIntyre performed the ceremony.

For her wedding the bride chose a woolen dressmaker suit of fuchsia with black picture hat and accessories. Her corsage was sweetheart roses.

Their attendants were Mr. and Mrs. J. Eskog, brother-in-law and sister of the bride.

A reception was held at the home of the bride's parents, Lake View Hotel, Moyle. Later in the evening the bridal party motored to Kimberley where a reception was held at the home of Mr. and Mrs. J. Eskog.

Mr. and Mrs. Munshaw will reside in Kimberley.

LUTON, Bedfordshire, Eng. (CP) — Battle flag of the German cruiser Prinz Eugen has been given to Lutron corporation.

Nakusp Women Want Curfew Enforced

NAKUSP, B.C. — The September meeting of the Nakusp Women's Institute considered letters on the Columbia River project, from the Trail Board of Trade, and from the committee re the proper place to use as a dumping ground in Nakusp.

The Secretary was asked to write Constable J. H. Butler in regard to the curfew being strictly adhered to. A letter was also to be written to the committee in charge to have arrangements made for the sounding of a siren.

TO AID DRIVE
A committee was formed of Mrs. Stanley, Mrs. Embree and Mrs. Jupp Sr., to assist in the national clothing collection sponsored by the Canadian United Allied Relief Fund on behalf of U.N.R.R.A. (United Nations Relief and Rehabilitation Administration).

Mrs. E. C. Johnson, convener, reported that Messrs. Hummon and Harper had given permission to use their premises where the Thrift Shop was held to store collections previous to shipment, October 1 and 2 were days suggested for the clothing collection.

The hostesses, Mrs. Parent and Mrs. M. Embree, served afternoon tea.

Cranbrook Ends Softball Season With Banquet

CRANBROOK, B.C. — Honoring the teams which they sponsored in the City Softball League here during the recently completed season, Alf Farstad, sponsor of the Cranbrook Sawmills team which won the playoff championship, and H. A. McKowan, sponsor of the Seah and Door Lumberjacks, who won the League championship and were runners-up in the finals, had a banquet for the two teams at the home Inn at Kimberley Tuesday evening.

After an excellent chicken dinner there were short speeches of mutual acknowledgement of loyal playing services and interest of the sponsors.

Mr. Farstad presented a silver trophy which he donated early in the season to be awarded annually to the player with the highest batting average over the season to the initial winner, Jack Duggan of the Sawmills team. Official figures on batting averages are now completed but are not yet available for publication.

Seek Reason for Contract Cancellation

VANCOUVER, Sept. 7 (CP)—Pen Baskin, International Representative of the United Steelworkers of America (C.I.O.), today asked Supply Minister C. D. Howe acting for an immediate investigation into the sudden cancellation of Diesel engine contracts at Heaps Engineering Limited in nearby New Westminster.

Between 200 and 250 employees of the Company were discharged today as a result of cancellation of contracts for 180 Diesel engines for Russia on which the firm was working.

"We do not believe that the Diesel engine contract was a war order," Mr. Baskin said. "True Diesels are used in war but they are also used in peacetime operations."

MARRIAGES INCREASE

VANCOUVER, Sept. 7 (CP)—Marriages in Vancouver during August showed a marked increase over the number of marriages in the same month in 1944 the Department of Vital Statistics revealed here today.

There were 428 marriages compared with 375 in August, 1944. Total marriages so far this year is 2976 compared with 2771 for the same period in 1944.

The only exception to the law requiring signing one surname in official documents in England is the Royal Family, who sign only their baptismal names.

Patrick, Masi Take Top Honors In Kimberley Water Gala

Bill Patrick and Jeannette Masi carried off top honors in the McDougall Pool Water Gala held in Kimberley Sept. 3 by coming out first in three of the big races.

Bill Patrick finished with three firsts; came second in the Plunge for Distance, only one foot behind number one Rodger Stanton, with a score of 25 feet; two thirds and was captain of the team that came second in the Boys' Junior Relay.

Others who made noteworthy splashes were Betty Park, who came first in one of the races and was captain of the winning team in the Junior Relay Race; and Betty Adlard, the only girl winner in the Plunge for Distance, who came up with a score of 22 feet to her credit.

Twenty-two girls and boys, all of whom were beginners this season under Pro-Ree instruction, swam the width of the pool and won prizes for their efforts.

Judges were F. Redding, F. Leverage, F. Byrne and C. Mear for the races; C. Davies for the diving; S. Shaylor for the plunge for distance; Mrs. G. Shaw was clerk and V. Cianci was timer.

M. Bedux of the local St. John Ambulance Brigade, was first aid assistant, and Herb Stanton, who arranged the program, was announcer and starter.

Prize winners were:
BOYS
Under 7—Peter Felker (18 seconds), first; Wayne Morrison, second; Ronnie Colthorpe, third.
Under 10—Dave McGowan (eight seconds), first; Frank Bisgrove, second; Laurie Benson, third.
Under 12—Bobby Geigerich (23 seconds), first; Laurie Benson, second; Dave McGowan, third.
Senior dive—Bill Patrick, first; Russel Stanton, second; Leslie Evans, third.

Under 14—Bill Patrick (16 3-5 seconds), first; Rodger Stanton, second; Gordon Leaman, third.
Diving for saucers—A. Peterson (13), first; Rodger Stanton (11), second; Bert Banks (8), third.
Under 16—John Young (39 seconds), first; Bert Banks, second; Bill Patrick, third.
Breaststroke—Russel Stanton (32 seconds), first; Leslie Evans, second.
Junior diving—Bill Patrick, first; Rodger Stanton, second; Larry Brown, third.
Junior relay—J. Young, C. Schull, G. Leaman and B. Banks (1 minute 14 seconds), first; B. Patrick, K. Beatty, R. Stanton and T. McGovern, second.

Junior breaststroke—Laurie Benson (29 seconds), first; Chris Sorenson, second; Mervin Henderson, third.
Junior backstroke—Leslie Evans (22 seconds), first; Russel Stanton, second; Bill Patrick, third.
Fully dressed race—T. McGowan (1 minute 29 seconds), first; Rodger Stanton, second; Bill Patrick, third; Leslie Evans, fourth; Frank Bisgrove, fifth.
Plunge for distance (mixed)—Rodger Stanton (28 feet), first; Bill Patrick (2 feet), second; Betty Adlard (22 feet), third.

Trail Social

TRAIL, B.C. — Mr. and Mrs. T. Teahan were visitors to Ainsworth. Mrs. C. DeGirolamo, 1145 Warren Street, has spent a short time in Spokane. She was accompanied there by Mr. DeGirolamo and three sons, who then went to Nelson for a visit.

Mr. and Mrs. Ole F. Tjader and children, Shirley, Nibbs, Donny and Douglas, 75 McDougall Avenue, were visitors to Nelson, Ainsworth and Kaslo.

Mr. and Mrs. R. Walton and children, Peggy and John, Beaver Bend, have returned from a vacation spent at Waterton Lake, Alta.

Mrs. J. Bryden and sons, Hosmer Road, have returned home after holidaying at Willow Point.

Out of town visitors recently included Stuart Graham of Creston. Harry Brown was a visitor to Ainsworth.

Mr. and Mrs. J. Coates have taken up residence in Rossland. Helen Vellutini is vacationing at Spokane and Seattle.

Horace Simpson was a visitor to Castlegar. Recent visitors here included Mr. and Mrs. B. Ross of Vancouver.

Mrs. Sam Martin is visiting in Fruitvale as the guest of Mrs. E. Johnson.

J. M. McCrae of Vancouver is here on business. End Latonnell spent a few days in Nelson.

Dilys Jones has returned after vacationing in Kaslo. Mrs. T. Cuming of Fruitvale was a shopper here.

Mr. and Mrs. E. Tremblay and children are spending a holiday with relatives at Ross Spur. Aileen McDonald left for Victoria on Wednesday to attend Normal School.

Visitors to Trail included Dr. and Mrs. G. McNally of Edmonton. Mrs. William Laurie and children of Warfield have returned from a holiday spent at Deer Park. Thomas Nixon visited out at Castlegar.

Mr. and Mrs. G. Nannin, Rossland Avenue had as their guests, Mrs. A. Lucchessi of Spokane who has now returned home.

The international code of flag signals is a great universal dictionary which makes communication everywhere intelligible, regardless of the tongue spoken by those using it.

unless the student or his parents can afford the additional cost.
 A boy or girl in a rural district can get only one kind of education—ordinary elementary up to grade 8.
 This, stated Mr. McArthur, is real inequality.
 It is one of the reasons that the Hart Government appointed the Cameron Commission to recommend improvements that can be made in our British Columbia system of education.

Red Tape at Ottawa Is Delaying Permits for Home Construction

Nelson is like nearly every other city in British Columbia—woefully short of housing accommodation.
 Ottawa has all sorts of plans for encouraging home building—and, apparently, all sorts of officials who are frustrating them by delays in dealing with applications for permits.
 Nelson residents have sent in applications as long ago as May 31 which have not yet been dealt with.
 The housing situation in Nelson is bad now. It will become rapidly more congested as servicemen return and as people now engaged in war industries, or who recently were so engaged, in the munitions manufacturing centres decide to move back to more attractive living and employment conditions.
 It is time that someone in authority at Ottawa equipped himself with a big pair of shears and cut away the red tape that is handicapping enterprising citizens and contractors in building new homes.

Kootenay Has Five Main International Export Businesses

Kootenay has a very direct interest in the extension through the Dominion Government foreign trade program of credits to enable countries in Europe, Africa, Asia, Australasia and South America to buy from us.
 Our great base metal mining industry and our chemical industry produce far in excess of the Canadian market. They must export to live and provide employment.
 We export some lumber from Kootenay, but most of our lumber business can only flourish when there is good export business for the Coast lumbermen. Otherwise there is too much pressure from Coast timber on our Prairie market.
 Unless we can export apples, the need for exports in the apple industry varying from year to year with the size of the crop and other conditions, we have a surplus that sometimes turns profits for the growers into losses.
 Of course, we in Kootenay have another great export business, though it is not usually regarded as such. It is a business in which instead of shipping goods to a foreign land and receiving checks or bank drafts in return we sell the goods right here to people who come from outside Canada and pay us American dollars for them. That is our American tourist business, and the extent to which we develop that business will not depend upon credits but upon the completion of good highways and the provision of plenty of attractive accommodation and recreation for tourists when they come here.
 Tourism is an export business in the effect it has on local and national trade, and international balances of trade.

Press Comment

MENTAL CRUELTY
 Among the many strange things for which Hollywood is noted must be listed the amazing amount of mentally cruel people there. Time and again, actors and actresses discover to their surprise that the woman or man they married is a sadist capable of extreme mental cruelty. One is tempted to wonder if a little bit of good old-fashioned physical cruelty, in the form of a hair-brush applied to the proper place, might not dispel these clouds of mental cruelty which hang so low over the film capital.—Kingston Whig-Standard.

Today's Horoscope

Today's birthday child is ambitious, tolerant, deeply devoted to the family and capable of profound thought. Your big shortcoming is too much reserve. You have a tendency to stay in the background. Books and music interest you. Develop aggression and drive in your actions, lest others surpass you in accomplishment. Today give a thought to relatives and family matters. See that all questions of the budget and home decoration are settled for the Fall season without arousing any friction during the discussions.
HOROSCOPE FOR SUNDAY
 If this is your birthday, your attractive personality, excellent mental powers, keen foresight and capacity for handling people should bring you success. You influence people easily. Politics might offer the opportunity for you to show your talents. Reasonable restraint is the keynote of the Sabbath. Attend church today, and seek the inspiration so beautifully and bountifully given in the words of the Bible.

Etiquette Hints

If you are a weekend guest in a home, don't hog the Sunday paper and leave it scattered about the room. It is discourteous and inconsiderate.

Test Yourself

ONE-MINUTE TEST
 1. If a person's left side is paralyzed, what side of the brain is affected?
 2. What is the best way to cure homesickness in a child?
 3. What type of individual is most likely to have delusions?
ONE-MINUTE TEST ANSWERS
 1. The right side.
 2. Encouraging him to find interests in his present situation.
 3. The suspicious, argumentative type.

Supply and Demand

There will be danger of inflation just as long as the demand for consumer goods is much greater than the supply.
 Siphoning of surplus money, that for which goods are not available, into Victory Loans and increase in production of supplies are the remedies.
 Investment in Victory Bonds has a retarding effect on inflation rather than a final effect; its action is delaying rather than final because ultimately the money gets back into the pockets of the consumers.
 Stepping up production is the true cure for inflationary tendencies, but it is necessary to avoid too hasty expansion for domestic consumption, or the result would be bankruptcies and unemployment in industry. There are limits to domestic consumption. Those limits are less apparent in production for export, which as far as can now be seen need be confined only by our ability to produce at competitive prices in the world market and to provide the credits which our overseas customers must be offered before they can buy from us.
 Not that there is any danger at the moment of over-hasty expansion of industry engaged in producing goods for home consumption. There is an enormous stored-up demand for which we have neither the equipment nor the workers to fill very rapidly. Once the backlog of demand has been supplied our need for export markets will be accentuated, and now is the time to develop our hold on those markets, even if the effect is to delay somewhat the speed at which domestic needs are filled.

Travel Troubles in the Okanagan

Last week the Kelowna Board of Trade went on record as urging the immediate construction of a second ferry to handle the traffic on the Okanagan Highway South of this city. The Board of Trade action was not a thoughtless one nor was it taken without much consideration. There were too many factors involved for that and the problem had been debated a dozen times by the Executive Council of the Board.
 The fact is that Kelowna and the Okanagan has been very, very patient during the war years with the ferry situation. It was recognized that there was a war on and that it was no time to press for the correction of local abuses. For this reason there has been little said during the past few years about the Okanagan highway being "put to bed" at ten-thirty each night. But now, with the resumption of peacetime travel, it is time, the Board feels, that the Pendozi should operate on a longer schedule. There was a period—about 1941, wasn't it?—when the schedule was extended to well after midnight, but this was dropped as travel diminished with gasoline restrictions.
 Longer hours of service is something which must be instituted, whether Victoria likes it or not. Even those who dwell in the cloistered halls of the Parliament Buildings in Victoria must agree that it is highly ridiculous that one of the Province's main highways should be put to bed at an early hour simply because one short link in it happens to be a ferry.
 That very point is one which most people are prone to forget—that the ferry is a definite part of the highway system. The people of this area would raise proper hell if a couple of miles of the highway to Vernon were blocked off each night at ten-thirty and no traffic permitted. And yet that is just what happens to the traffic to the Southern section of the Valley; the highway is, in effect, pulled up and put to bed. The people of the Okanagan—it is an Okanagan problem as much as it is a Kelowna problem—have been extremely patient in this regard, but they are now serving notice on Victoria that their patience is wearing very, very thin.
 This question of better service is bound up in some degree with the request that a second ferry be built and placed on the run immediately.
 In making its decision to press for a second ferry the Board of Trade recognized that already the Pendozi is hard put to it to handle the present traffic and the normal traffic movement has not actually yet started. There has been a large increase in tourist travel since the lifting of the gasoline rationing, but on the other hand there are many people who are still operating their cars gingerly on account of the tire situation. This, however, will be probably remedied by next Spring and thousands of trip-hungry motorists will be upon the roads.
 In making its request, the Board of Trade was mindful, too, of the probability that once the Hope-Princeton Highway is completed the flow of traffic through the Okanagan—and over the ferry—will be tremendously increased. If, as has been announced, the East-West traffic will be routed over the Hope-Princeton to enable major alterations to be made on the Fraser Canyon Highway, it is very obvious that the Pendozi alone will not be able to handle the traffic. It was with these things in mind that the Board of Trade decided to press for a sister ship for the Pendozi, but we venture to predict that next Summer, long before the Hope-Princeton highway is completed, there is as pretty a traffic bottleneck at the ferry as has ever been seen in this Province. The trend is already indicated. Cars are now being left every day and this condition will increase during the next few days as the Westbank produce moves in trucks to the Kelowna factories.—Kelowna Courier.

Words of Wisdom

There is a sweet joy that comes to us through sorrow.—Spurgeon.
NOT POPULAR
 Some people achieve greatness, some are born great, and some just grate upon you.—Kingston Whig-Standard.

Answers

Open to any reader Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL, except when there is obvious necessity for privacy.
L. H. Kimberley—Could you give me the name of a firm selling jewellers' equipment and what licence would be necessary to starting a business?
 The only licence you would require to have is a City Licence, which can be procured at the City Hall. As to the other question write to "The Canadian Jewellers Association," 78 Richmond Street, West Toronto. In your letter state what kind of equipment you would need, such as tools or show-cases, etc.
A. R. Ainsworth—What is white coal?
 The term white coal is a figurative expression for water power.
Curious, Nelson—What day did January 19, 1896, fall on?
 January 19, 1896, was a Sunday.
T. S. G. Taglum—Would you please give me a recipe for canning meat balls? Is it correct that the use of onions in canned meat balls will cause them to spoil?
 Select meat in perfect condition. Make into balls, season with salt, about one teaspoon of salt to a pint of meat balls, pepper, chopped onion, celery leaves or bayleaf, if desired. Fry lightly before putting into jars. Make a gravy with meat stock and cover meat, filling jar to the top. Adjust rubbers and covers and partly seal the jars. Heat the jars under 10 pounds pressure for one and three quarter hours. If a water bath is used, boil for five hours. Continuous heating is necessary in canning meats. Most authorities agree that meat should be canned only under steam pressure.

Opening of 20th Parliament Has Atmosphere of College Term and Gaiety of Club Gala

By JACK BRAYLEY
 Canadian Press Staff Writer
OTTAWA, Sept. 7 (CP)—The opening of the 20th Parliament was an orderly jumble that had something of a beginning-of-college-term atmosphere and also something of the gaiety of a club gala.
BIT OF UNCERTAINTY
 There were a few slips of form, unpractised during a period of wartime austerity, in the red Senate chamber which had seen no women guests during the war, there was a bit of uncertainty as to procedure.
 Newly-appointed officials hesitated in their ceremonial. When the Governor-General drove up to the main entrance, his big maroon phaeton took the wrong turn and let him out under the Peace Tower arch instead of on the pavement in front where the honor guard was drawn up.
INTEREST FOR PRESS GALLERY
 The presentation of new members in the Senate held a special interest for the Press gallery for one of their own members—Charlie Bishop, former Southern Ontario Bureau chief—was among the new Senators. Conscious of the overloaded Press gallery looking down at him, Charlie, who had covered hundreds of similar ceremonies, got nervous.
 He pulled at his stiff collar and mopped his brow. Then when it came time to sign his name, his pen shook so that he had to postpone the signing until later. Afterward he told a reporter: "Sure I was nervous; who wouldn't be with all your fellows looking down at me."
WALKIE TALKIE EQUIPMENT
 An innovation springing from the wartime availability of modern army equipment was used in connection with synchronizing the royal salute ceremonial by the honor guard and band and the firing of a 19-round vice-regal barrage from a battery of guns at nearby Major Hill Park. Walkie-talkie radio equipment was brought into

Legion Plans to Burn Mortgage; Athletic Sport is Talked of; Ask City Rehabilitation Action

At a meeting at which 17 applications for membership were accepted and seven new members were initiated, Nelson Branch of the Canadian Legion Thursday night announced the mortgage on the Legion Building would be burned the evening of Saturday, Nov. 10, with the Provincial President present.
 Chairman J. E. Bennett of the Entertainment Committee—which was commended for its fine job on the Zone Picnic recently held at Castlegar—reported funds being actively raised toward an entertainment program which might include hockey, baseball, or other athletic sports in addition to the usual social affairs. With so many young service men home, or coming home, many of whom had played hockey in pre-enlistment days, he hinted at the possibility of the Legion being represented in local hockey this Winter, and even being associated with kid hockey. The first event of the Winter's program was announced as a social late this month for members and their ladies.
 President S. J. Newell named a Bowling Committee to have charge of the bowling program on the Legion Alleys this Winter. The committee consists of Chairman John Chapman, W. M. Wood, W. G. Mills, Rudolf Olson, and Jack Chambers. Bowling will be confined to those with Legion or service affiliations. It was reported that Secretary F. T. Griffiths had donated a dart set; and it was suggested that table tennis might be added as an agreeable diversion.
PROGRAM OVERDUE
 Failure of Nelson to come up with a rehabilitation program of jobs and friendly assistance in settling apart from expectations in connection with proposed construction projects for which Dominion funds may be borrowed, was strongly commented on by former President James Spencer, President Newell, Secretary Griffiths, and others.
 It was decided to write Mayor N. C. Sibba, head of the Nelson Rehabilitation Committee, and urge early and positive action.

Manitoba Legislature Comes One Step Closer to Dissolution

WINNIPEG, Sept. 7 (CP)—The 21st Manitoba Legislature came one step closer to dissolution today as it began morning sittings in an endeavor to clean up immediate post-war reconstruction and rehabilitation problems after paving the way for a Fall election.
 The fourth and final brief session of the present Legislature under Premier Stuart Garson's coalition administration yesterday approved the addition of three representatives of the armed forces to the 55-member assembly and appropriated \$145,000 to cover the forthcoming election expenses.
REPORT ON GOV'T HEALTH PLAN
 Hon. Ivan Schultz, Minister of Public Health and Welfare, gave a report on the Government's health plan and criticism of the findings of a four-man commission appointed to investigate cancer research work by Dr. J. R. Davidson, former associate professor of clinical medicine at the University of Manitoba.
 Agriculture Minister D. L. Campbell reported progress of the rural electrification program designed to have electric power within reach of every farm in the Province within seven years.
 Independent Member L. St. George Stubbs (Opp-Winnipeg) said the Government-appointed Commission's findings were a "scientific fraud" because of the way its inquiry was conducted.
BASED ON VERBAL REPORTS
 He charged that the bulk of its findings were based on verbal reports of patients of Dr. Davidson and there was no actual clinical inquiry where patients appeared before examiners and had their individual cases studied day by day for a definite period of time.
 The Commission, under Chairmanship of Dr. Alfred Savage, animal pathologist for Manitoba, reported there was "no evidence to show any modification of a definitely cancerous growth as a result" of Dr. Davidson's treatment and it "should not be used instead of any other methods of proven value."
 Members of the Commission were Dr. W. L. Mann and Dr. O. C. Trainor of Winnipeg, and Dr. A. F. Menzies of Morden, Man. Dr. Elizabeth Lautech of the Provincial Health Department was Secretary.
STATEMENTS READ
 Several statements which Mr. Stubbs said were made by Dr. Davidson's patients were read in the House. They charged Dr. Lautech had tried to discredit the 75-year-old physician's work and had attempted to persuade the patients against his methods used.
 Mr. Schultz reported the Province was ready to go ahead with its large health insurance plan as soon as the Federal scheme goes into effect. The Provincial Government wanted to provide necessary laboratory services along the general practitioner services and hospital care. Health unit areas already have been established in several areas

Downpour Ends Michel Fire on Mountainside

NATAL, B.C.—After a continuous downpour from early Tuesday morning until late Wednesday the fire that broke out on the mountainside at Michel late Monday afternoon when most of the residents were enjoying the Labor Day sports at Fernie, is finally out with only the charred remains on the mountainside to show how close the fire was to destroying the local company property around the mine and the company houses, especially those behind the track as the flames came right down to the back yards.
 Inside of an hour after the first spot fire was noticed and with the aid of a heavy windstorm the entire mountainside on the jipple side was afire and spreading in both directions. The coal company immediately went after fire fighters who patrolled throughout the night and watched for falling sparks that were falling close to the houses.
 The entire town of Michel was kept on the alert with the dense smoke making matters worse. The cause of the fire is believed to have been caused through damaged power line that runs along the hillside. The heavy windstorm that lasted for two days before rain came broke some of the power line poles. Natal-Michel was in utter darkness from late Monday afternoon until next afternoon when the electric lights were again turned on. Candles were

MAKING BETTER PEOPLE for a BETTER WORLD

THE HUMAN TOUCH ON THE HOME FRONT
 Many thousands of Canadians are suffering from the physical and mental effects of the war. The Salvation Army is doing its best to help them.

● Out of the waste and weariness of war, humanity looks hopefully to the promise of a better world.

A better world demands better people, the prevention of human waste.

To relieve individual distress, to revive the individual's hope and self-respect, to turn the individual soul to righteousness... that is the Army's historic mission.

Today The Salvation Army faces the most challenging task in its history. Again it appeals to you for support. Please give generously when your canvasser calls.

HOME FRONT APPEAL

Rossland Social

By MRS. P. G. BRAY

ROSSLAND, B.C., Sept. 5—Mr. and Mrs. Gordon Seaford and daughter, who have been holidaying at the Coast, returned to Rossland Sunday. They were accompanied by Mr. and Mrs. John Milne and daughter.

Mr. and Mrs. J. Duclos and daughter, Miss Helen Duclos, left last week to spend their holidays at Seattle, Portland and other American cities.

Mrs. A. Keating, who has been visiting at Victoria and other coastal points, returned to Rossland Sunday night.

Mr. and Mrs. Robert Maitland and sons, who have been holidaying with relatives at Mara and other Okanagan points, have returned home. They were accompanied on the return trip by their cousin, Mrs. Marvyn McCord and son Marvin, of Salmon Arm.

Mr. and Mrs. Floyd Birch had as their guest James Crawford of Vancouver.

Mr. and Mrs. Horace Birch of Trail spent the holiday weekend in Rossland.

Mrs. A. Dominici, who has been holidaying at Powell River and other coastal points, has returned.

Mrs. F. Andretta of Trail is the guest of her daughter, Mrs. A. Dominici.

Mrs. G. Hagen, accompanied by her daughter Violet and son Arthur, spent the weekend in Nelson, guest of relatives.

Miss Daisy Hagen, who has been the guest of her grandmother, Mrs. Street, Nelson, returned to her home here Sunday night.

Sgt. Wilfrid Christian, who has been visiting his wife and family, left Tuesday to report back to his station at the Coast.

Miss K. Henderson, who has been appointed to the MacLean School teaching staff, arrived in the city Monday from her home in Kelowna.

Miss M. Dunbar of Saskatoon who has been appointed to the teaching staff at the High School, has taken up residence here.

Ernest Hayes of the High School staff, who attended Summer School at Seattle, has returned to Rossland.

Mr. Whitehouse and baby returned to the city over the weekend from a holiday spent at the Coast.

Miss F. C. Armstrong, of East Sidney, arrived in Rossland Monday night to join the teaching staff of MacLean School.

Mrs. Ole Oising returned home Monday night from Blewett and Nelson where she visited her husband, Ole Oasing.

Mr. and Mrs. James Cullinane of Nelson were in the city Monday visiting relatives.

Miss K. Traylor of MacLean teaching staff returned to the city Monday, accompanied by her parents of Nelson.

S-PO. Finn Haukaas, R.C.N.V.R. who has been visiting at the Coast returned to the city on Sunday to spend the balance of his furlough with his parents.

Sgt. Lido Bertola, R.C.A.F., of Rockcliffe, Ont., is visiting in Rossland.

Miss A. B. Varty of Vancouver has arrived to take up her duties on MacLean School teaching staff.

Mrs. S. R. Davies is visiting relatives at Vancouver.

Mr. and Mrs. A. Graham and baby have left for Vancouver where Mr. Graham will attend school.

ross. The gifts were presented to the hostess during a blindfold game, when she was blindfolded. They were arranged in a child's wagon decorated in rose and green topped with a decorated umbrella. Dainty refreshments were served by the hostess. The invited guests were the guest of honor, Miss Catherine MacLean, Mrs. W. Woodhouse, Mrs. R. Griswold, Mrs. J. Duclos and Miss Helen Duclos, Mrs. R. Munn, Mrs. J. A. Cameron, Mrs. B. Rella, Mrs. E. Scammel, Mrs. J. Bates, Mrs. W. McNea, Mrs. J. Fetter and Mrs. P. Dougan.

Miss E. Robertson of MacLean School staff, who has been holidaying at the home of her parents at Craik, Sask., has returned here.

Mr. and Mrs. W. G. Mara and Anne Redding were weekend visitors in Nelson.

Mrs. Walter Turner and sons of Trail spent the holiday weekend with relatives.

Geoffrey and Cyril Portman, who have been holidaying at Christina Lake, guests of their grandparents, Mr. and Mrs. A. G. Read, returned to the city Monday.

Mr. and Mrs. Albert L'Ecuyer and Bob L'Ecuyer spent the holiday in Kelowna attending the rodeo there.

Miss Vera Pollington left Sunday for Oyama to join the teaching staff of the Okanagan Centre United Schools. Miss Pollington was on the teaching staff at Michel last year, and attended Summer school in Victoria. She was visiting her parents here.

Mr. and Mrs. King Comesotti and family were Nelson visitors over the holiday.

Miss Nadine Fleury and Miss Vivian Hall of Nelson spent Labor Day in Rossland, guests of Miss Margaret Hagen.

Stately white gladioli were artistically arranged in Christ Church Cathedral, Vancouver, August 30, when at 7:30 p.m. Very Rev. Dean Swanson united in marriage Margaret Isabel, only daughter of Mr. and Mrs. James Alexander Wright of Rossland, and Glyn Harold Langdale, only son of Mr. and Mrs. Harold Langdale of Vancouver and Rossland. The youthful bride made a charming picture as she approached the altar on the arm of her father. Her formal bridal gown was of white French lace. The bodice featured a sweetheart neckline, short, gathered sleeves, and was buttoned down the front to the low waistline from which the bouffant skirt fell in graceful folds to the floor. Her finger tip length veil was of silk embroidered net and was held in place by two gardenias. Matching white lace trimmed mittens and white sandals completed her costume. She carried a cascading style bridal bouquet of white gardenias and swansonia tied with white satin ribbon. Her only ornament was a gold cross, the gift of the groom.

The bridesmaids were Miss Mary MacIntyre of Rossland and Miss Ingrid Granberg of Britannia Beach. Mrs. Roy Maher of Rossland was Matron of Honor. The three attendants carried similar colonial bouquets of white carnations, blue cornflower and cerise zinnias. The best man was Allison Martin of Vancouver, and the ushers were Lieut. Ralph Simson, RCNVR, brother-in-law of the groom, and Fit-Lt. Billy Turner, RCAF, Harold Langdale, father of the groom presided at the organ. A reception for 80 guests, many of whom were former Rosslanders, was held in the York Room of the Georgia Hotel. The happy couple were assisted by their mothers in receiving the guests. The bride's table was covered with a lovely lace cloth and was centred with a prettily decorated three-tier wedding cake embedded in white tulle. It was flanked on either side with silver vases of pink carnations and three tall white candles in crystal candelabra. The servitors were the Miss Margaret Johnson, Claire Jamieson, Irene Beguin, Catherine Anderson, June Leland, Ormi Joy Butorac, Dorothea Mara and Donna Berg. Wesley McKenzie of Vancouver, former Principal of the Rossland High School, proposed the toast to the bride and the groom responded. Allison Martin gave the toast to the bride's attendants. The happy couple left for a honeymoon to be spent at Victoria. For travelling the bride donned a chaitreuse green suit with matching top coat, white blouse and brown hat and accessories. She wore a corsage of gardenias. They plan to make their home in Vancouver. The bride attended the local schools here and the groom attended the High School.

At the outset of the discussion Reeve W. Dickinson of West Vancouver pointed out that as the people were not advanced by a city or municipality that it was contrary to the constitution to ask delegates to vote on the matter. This started a storm of protest.

Some of municipal representatives however, including Mayor Mott, Alderman O. L. Jones of Kelowna and Alderman Jones of Vancouver insisted that it was right of delegates to this conven-

tion to use their opinions collectively and not return to their various council and discuss the proposals individually as suggested by some.

Chairman Bennett granted R. K. Gervin, Secretary of the Vancouver, New Westminster and District Trades and Labor Council (A.F.L.), five minutes to speak to the convention. During his address, Mr. Gervin told of the layoff of several thousand workers from war plants in Vancouver and said it was a duty of "you and municipal representatives to pass this resolution (the six point program)."

Councillor Alex Hope of Langley criticized Mr. Gervin for "telling us it is our duty to pass this resolution."

"Everyone is going to suffer as a result of the end of the war," said Mr. Wooten, "but it is my opinion that we have gone as far as we can by permitting Mr. Turner to present his problems and we are not obliged to endorse the proposals. We are all aware that there is a problem before our Council."

Finally Alderman Jones of Kelowna moved that the proposals be endorsed in principle and it was carried with only a few dissenting voices.

Stibbs Elected U.B.C.M. President

Seek Provincial-Municipal Parley on Finance Methods; Back Six-Point Labor Council Program

By ERIC SANDERSON
Canadian Press Staff Writer

QUALICUM BEACH, B. C., Sept. 7 (CP)—Mayor N. C. Stibbs of Nelson was elected President of the Union of British Columbia Municipalities here today at the closing session of the 42nd annual convention. He succeeds Alderman John Bennett of Vancouver, who was made a life member of the Union in recognition of his services for the last several years.

MAYOR N. C. STIBBS of Nelson

Mayor W. C. Hamilton of Port Alberni was elected first Vice-President and Mayor W. M. Mott of New Westminster second Vice-President.

Others re-elected were Harry J. Sullivan of New Westminster, the solicitor, Secretary R. F. Sewell of Victoria and Commissioner A. D. McRae of Mission. Seven of the eight executive members were re-elected by ballot with Mayor Percy George of Victoria, the only addition, replacing Mayor Mott.

Alderman Charles Jones of Vancouver and Mayor J. E. Gordon of Rossland were nominated for the second Vice-Presidency but were defeated in the balloting.

DEBATE PROPOSALS

Prior to the election heated debate ensued over presentation of a six-point program to the convention Thursday by John Turner, Secretary Treasurer of the Vancouver Labor Council (C.C.L.).

The proposals advanced by Mr. Turner, who spoke as representative of the Labor Veteran Reconversion Committee of Vancouver, were: severance pay for war workers; 40-hour week; shipbuilding in Vancouver; regional bodies to take action on reconversion projects; meeting with the Provincial Cabinet and a delegation go to Ottawa to press for jobs for all.

At the outset of the discussion Reeve W. Dickinson of West Vancouver pointed out that as the people were not advanced by a city or municipality that it was contrary to the constitution to ask delegates to vote on the matter. This started a storm of protest.

Some of municipal representatives however, including Mayor Mott, Alderman O. L. Jones of Kelowna and Alderman Jones of Vancouver insisted that it was right of delegates to this conven-

tion to use their opinions collectively and not return to their various council and discuss the proposals individually as suggested by some.

PLAN SUPPORTED

Chairman Bennett granted R. K. Gervin, Secretary of the Vancouver, New Westminster and District Trades and Labor Council (A.F.L.), five minutes to speak to the convention. During his address, Mr. Gervin told of the layoff of several thousand workers from war plants in Vancouver and said it was a duty of "you and municipal representatives to pass this resolution (the six point program)."

Councillor Alex Hope of Langley criticized Mr. Gervin for "telling us it is our duty to pass this resolution."

"Everyone is going to suffer as a result of the end of the war," said Mr. Wooten, "but it is my opinion that we have gone as far as we can by permitting Mr. Turner to present his problems and we are not obliged to endorse the proposals. We are all aware that there is a problem before our Council."

Finally Alderman Jones of Kelowna moved that the proposals be endorsed in principle and it was carried with only a few dissenting voices.

A Finer Flavored Richness

"I have wondered for a long time at what seems like a purer purity and a finer flavored richness in Pacific Milk. It has made our family really like it," enquires Mrs. R. W. H. in a letter.

Vacuum packing has been of great benefit. It preserves the natural purity and flavor. Perhaps, Mrs. H., it is this you have noticed. Thank you.

mand an immediate Provincial-Municipal conference to plan better methods of finances before any agreement is signed between Federal and Provincial authority was endorsed unanimously.

Alderman Jones of Vancouver was named to represent the Union at a one day meeting of the B. C. Teachers Federation and the B. C. Parent-Teachers Federation in Vancouver Nov. 17. Reeve R. M. Grauer of Richmond was re-elected Union representative on the Citizens Forum at the University of British Columbia.

It was decided that next year's convention would be a three-day affair instead of two days as in the past. Venue of the meeting will be decided later by the executive.

Says Waneta Bridge Suitable for Road Traffic

The Waneta bridge which is being abandoned by the Great Northern Railway Company would be suitable for District road traffic in his estimation, John Learmonth, Roads and Bridges Committee Chairman, told the Board of Trade Council at the Hume Friday.

The Board had instructed Mr. Learmonth to investigate feasibility of using the bridge for road traffic and to see if it could be purchased, upon request of a Waneta resident. The matter was tabled by the Council.

The bridge, about 14 feet, seven inches in width, was in excellent shape. It would be suitable for one-way traffic.

★ AN Improved BRICK FINISH

ACE-TEX INSULATED BRICK SIDING

You can build or renovate your house and give it the charm and dignity of real brick at a fraction of the cost. ACE-TEX BRICK-SIDING simulates the appearance of brick in its most attractive form and not only gives lasting beauty but also provides effective insulation. This brick-facing is easily applied and ensures greater year-round comfort and weather protection.

TODAY'S News Pictures

INTRODUCING V-1 CAR IN BRITAIN: British member of Parliament, W. D. Kendall, with his new car which costs about \$400. The auto uses exhaust gases to drive a fly wheel as a reaction motor based on the principle of the German V-1 rocket projectile—the creation of forward motion by the reaction to exploding gas streaming back at high speed. Kendall is shown, left, looking over the motor, located in the back of the new automobile. The gas, instead of directly pushing the car forward, spins the flywheel which activates the vehicle's motor.

DEFENDED WAKE: Commander Winfield Scott Cunningham, overall commander of the gallant defenders of Wake Island, had been contacted by an "emergency liaison team" at the prison camp near Pelung where he has been held by the Japanese since his capture during the early days of the war.

OCCUPIES KOREA: At least a part of Korea on the Asiatic mainland will be occupied by American troops. The 24th Corps, directly commanded by Major-General John R. Hodge, above, will be the occupying force.

POST WAR OUTFIT: The yachting outfit above, of cream colored Koroseal film, has an over-all-type zipper jacket and detachable hood. The synthetic material of which it is made comes from opke, limestone and salt. It appeared in a New York fashion show recently.

FUEL MINISTER: Emanuel Shinwell, the Minister of fuel and power in Britain's Labor Government.

OFFER COMPETITION IN GLAMOR, TOO! Here is a trio of the aquatic glamor girls who went to Los Angeles, Cal., for the U. S. National A.A.U. senior women's swimming and diving championships. They are representatives of the Women's Swimming Association of New York as they were snapped at play in Los Angeles Olympic Pool. They are, left to right, Barbara Yodice, Audrey Speer and Patty Sinclair.

ONE YARD OR LESS: A gay apron adds glamor to your role as hostess. These aprons take little material. Colorful embroidery that a youngster would love to do. You can make these aprons from one pattern. Pattern 964 has transfer pattern of an 8 1/4 x 11 1/2 and two 3/4 x 5-inch motifs; directions.

Send TWENTY CENTS (20c) in coins (stamps cannot be accepted) for this pattern. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Send your order to Daily News Pattern Department, Nelson, B. C.

Marion Martin
JUMPER AND BLOUSE: Smart, new, and young with its wide shoulders, and cinched-in midriff waistband is Pattern 9112. Bow trim optional. Blouse has high neck or revers; short, long, or 3/4 sleeves. Pattern 9112 comes in sizes 12, 14, 16, 18, 20. Size 16, jumper, 2 1/2 yards, 39-inch; blouse, 1 1/2 yards.

Send TWENTY CENTS (20c) in coins (stamps cannot be accepted) for this pattern. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Send your order to Daily News Pattern Department, Nelson, B. C.

AUNT HET

"Me an' Pa have got to quit pronouncin' words wrong as a joke. I get the habit and do it in public, and folks look at me like I was simple."

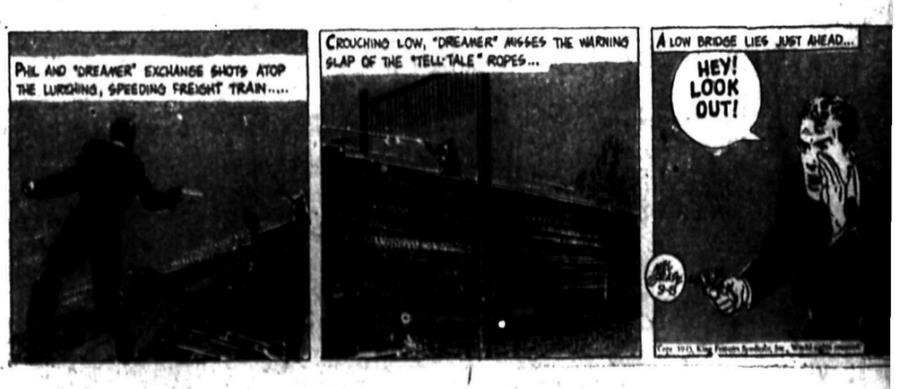

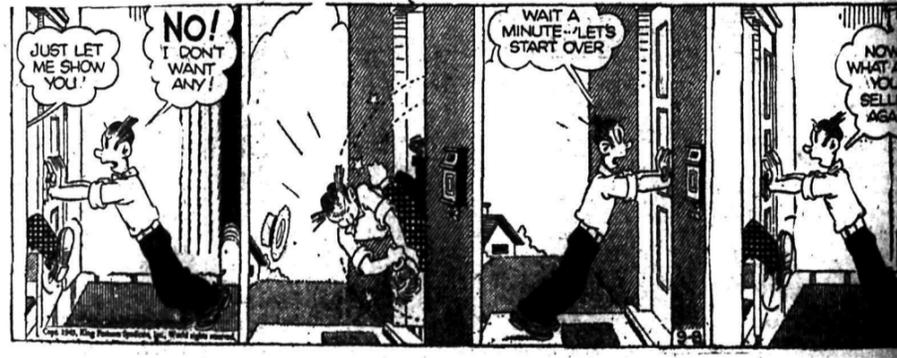

Michel Lad Meets With Accident

NATAL, B.C.—John Colonello of Michel met with an unusual accident while working at the sawmill West of Natal recently when he slipped and fell while unloading a load of logs in the yard, with the result that he sustained both his wrists broken. He is the youngest son of Mr. and Mrs. T. Colonello.

Records indicate that an organized system of shorthand was used as early as 63 B. C.

TO SENTENCE MAN NABBED IN SHERLOCK HOLMES DRAMA

VANCOUVER, Sept. 7 (CP) - G. P. Kearns, 19, of Vancouver, at present on leave from the Royal Canadian Navy, was remanded until Sept. 12 for sentence when he pleaded guilty in police court here today to two charges of automobile theft. A charge of attempting "to obtain money by menaces" was withdrawn.

Police staged a veritable Sherlock Holmes play yesterday and were successful in their efforts to trap Cooper who allegedly phoned Mrs. G. C. King and told her that for \$200 she could have back her automobile which had been stolen.

British Guiana is the only British possession on the South American mainland.

WEST VAN GOES ON COUGAR HUNT

WEST VANCOUVER, Sept. 7 - (CP) - Irate citizens of West Vancouver have gone cougar hunting. Crack shot Pacific Coast Militia Rangers prepared today to launch an all-out offensive on the huge mountain lions which have moved in on this fair-sized community just across the harbor from Vancouver.

There is a little too much of the "frontier" atmosphere around here for more than one West Vancouver resident who at one time or another has met up with one of these so-called "cats".

Within the last week nine cougars have been seen roaming the outskirts of the town. Three were killed a week ago. Six others were being hunted chicken coops, kidnapping dogs and generally making themselves objectionable.

Mrs. E. T. Nelson and her 15-year-old daughter Gertie were stalked last night by a cougar just after they got off the street car. The beast followed them for two blocks and they were forced to seek refuge in a nearby house.

Jug, Sammy Lead in Dallas

DALLAS, Sept. 7 (AP) — Harold (Jug) McSpaden, the New England links capitalist who is second money winner of the year but hasn't a tournament championship to his credit, took a strong hold on the Dallas open title today as he laid down a three under par 69, while all other first round leaders faltered except Slammin' Sammy Snead.

The bull-shouldered professional from Sanford, Me., ran to 137 at the half-way mark of the \$10,000 war bond tournament, two strokes ahead of Snead, the drawing better from Hot Springs, Va., who equalled McSpaden's round to go with his 70 posted yesterday.

Wee Ben Hogan, who climbed out of a sick bed to shoot a 68 and tie McSpaden for the first round lead, skidded with a two over par 74.

Vic Ghezzi of Deal, N.J., and Johnny Bulla of Atlanta, Ga., were tied for third place with totals of 140.

Women's Title Golf Starts This Weekend

Ladies' Club championship play for the Ruth Armstrong Rose Bowl will begin this weekend at the Nelson Golf and Country Club, and will be terminated next Sunday.

Golfers are being requested to get in touch with their opponents to decide whether they are to play Saturday afternoon or Sunday morning.

The draw follows:

- Mrs. B. Townshend vs. Miss Betty Johnson.
- Mrs. A. Sturgess vs. Mrs. L. S. Bradley.
- Mrs. G. Laurence vs. Mrs. R. L. McBride.
- Mrs. H. A. Doak vs. Mrs. S. A. Maddocks.
- Mrs. Roy Mann vs. Mrs. Leigh McBride.
- Miss Edna Bush vs. Miss Pat Jaeger.
- Miss Betty Clinique vs. Mrs. G. Carpenter.
- Mrs. Reeve Harper vs. Miss M. McGinnis.
- Miss A. Jerome vs. Mrs. M. Harrop.
- Miss Jessie Gentles vs. Miss Jean Anderson.

Seek More B.C. Members in Highway Association

A strong British Columbia membership is needed in the Southern Transprovincial Highway Association, Nelson Board of Trade Council was told by John Learmonth, Vice-President of the Association, at the Hume Friday.

The inter-provincial Association was recently formed to replace the old Red Trail Association. So far, the B.C. members have not been very active, Mr. Learmonth said. The Association maintained interest in the highway from Medicine Hat to Hope.

He planned to contact other Boards in an effort to find more B.C. members to help out the Alberta men who were very active in the Association.

It was decided to bring up the matter at the next meeting of the Associated Boards directors.

It is estimated that about 10 per cent of the births in the United States are never registered.

West Kootenay Ladies' Golf Title Play at Trail

West Kootenay women's golf championship will this year be settled at Trail. Dates of play for the title, along with which goes the Hazlewood Trophy, are set for Sept. 22 and 23.

Games begin on the morning of Sept. 22, a Saturday. Present champion is Mrs. B. Townshend of Nelson, who has captured the trophy three times since it was donated by E. W. Hazlewood of Trail in 1933. Mrs. Townshend was the winner in 1936, 1939 and 1944, beating Mrs. Rege Stone of Trail in the final. Due to war conditions, it was not played for between 1939 and 44.

Contestants may qualify on their own golf courses.

Salvation Army District Drive Opens Monday

Home Front Campaign of the Salvation Army for Nelson and district will be opened Monday, Sept. 10, with the following Executive Committee: C. B. Garland, Chairman; members, R. E. Horton, Harry Burns, W. A. Harrison, F. R. Pritchard, E. E. Le Dewdney, F. L. Irwin, the new campaign manager, E. A. Mann, and C. J. Hughes as vice-manager and head of Publication Committee.

While there might be much said about our work, surely our local people have heard and are familiar with the track we have come and the mark we have left on humanity. Now, while the guns, bombs and subs are no more active, still there remains the great challenge to all who would be great, to partake in the vast work of rehabilitation; replacing the returned men, guiding the youth of our nation into paths that will pay returns in the days to come, to reclaim the lost, reunite broken family ties.

In the face of all this, may my

Keep Livestock Production At Peak
USE WATKINS MINERAL FEEDS

With most proteins hard to get, it is more important than ever before to feed a well-balanced mineral. Help your livestock utilize all the proteins they receive from farm grains by feeding a complete mineral mixture that contains all of the mineral elements necessary for top production.

The 10 vital ingredients in Watkins Mineral Feeds each have a definite job to do. These minerals will bring you the same fine results as secured by many thousands of satisfied customers.
