ALLIES BEAT OFF HUN AIR BLITZ

Nazis Report New Russ Assault Under Way

By JUDSON O'QUINN
Associated Press Staff Writer

LONDON, Nov. 15 (Monday) (AP)—Gen. Nikolai F. Vatutin's Northern Ukraine Army drove to within 20 miles of the Korosten rail junction Sunday while Berlin early today announced that nearly 500,000 Russians had broken through German Dnieper Bend defences in a new assault aimed at closing a giant trap on the huge Axis forces in the South.

Moscow announced the continuing Soviet drive toward the Polish border, less than 60 miles away, in which 50 towns were overrun, but did not mention the big push in the Dnieper Bend.

A Berlin broadcast, possibly preparing the homeland for a grand scale retreat in the South, said 30 Red Army rifle divisions and numerous tank formations had snapped German lines between Zaporozhe and the area North and Northwest of Krivoi Rog "at heavy cost" and that a big battle was continuing through the night.

RETREAT IMPENDING

Moscow's silence is customary at the unfolding of each new offensive, and the late German bulletin bore out previous German propaganda indications that a Nazi retreat to avoid encirclement in the South might be impending if not under way.

Fanning out from the rail and highway hub of Zhitomir, which it took Saturday after an all-night battle to effect this split, Gen. Nikolai Vatutin's army also was within 25 miles of Berdichev.

Frontally the Russians were striking down the broad asphalt highway toward Novograd Volinsk.

In the Crimea, where the Germans were trying desperately to defend the Eastern Kerch peninsula, the Soviet communique said the Russians beat down Nazi resistance and captured two strongly fortified points.

German counter-attacks, now numbering about 100 in 10 days, also were repulsed, Moscow said, as the Russians pressed relentlessly against the burning and possibly already deserted town of Kerch. Stubborn defence of that city by the Nazis is bearing out earlier Berlin boasts that the Germans had no intention of evacuating the blockaded Crimea.

The Berlin radio also told of fierce Russian attacks on the Perekop isthmus at the Northwest corner of the Crimea.

North of the Ukraine in a great battle raging in the Pripet marshes South of Rechitsa the Russians wrested 11 more towns from the Germans, widening the big wedge on the West side of the Dnieper and developing their efforts to bottle up the Germans holding out in the lower White Russian citadel of Gomel.

The Russians were reported within 15 miles of Rechitsa, which is 28 miles West of Gomel. Other Red Army units for weeks have been holding Gomel's outskirts, standing across the river from the city on the East bank of the South River.

The Russians have killed more than 5500 Germans and wrecked 180 enemy tanks in the last four days' fighting South of Rechitsa. Moscow dispatches said the Soviet aim was not only to flank and seize Gomel, which is the lower anchor of the German line in White Russia but also to strike Westward and take Kalinkovichi to further divide Germany's armies in Russia.

German radio broadcasts suggested the Russians also were about to unleash a powerful drive beyond Smolensk toward Vitebsk and Orsha.

But the drive beyond Zhitomir toward Poland gave the German Command its biggest worry.

The Russians, making their deepest Westward penetration of the war were 260 miles from the foothills of the Carpathian Mountains in their efforts to create an enormous death trap for hundreds of thousands of Germans battling far to the Southeast in the Dnieper Bend and along stretches of that river.

Berlin lies 870 air line miles from fallen Zhitomir. The Red Army has rolled more than that distance from Stalingrad in a year of almost steady fighting.

NAZIS SEND NEW FORCES TO LEROS ISLAND

Outnumber British, Italian Troops; Island Straddled

SEESAW BATTLE

CAIRO, Nov. 14 (AP) — Striving to capture the little Dodecanese Island of Leros at all costs, the Germans have landed still more reinforcements and in the third day of bitter fighting outnumbered British and Italian defenders, the Allied Middle East Command announced today.

German forces have straddled the island at its narrowest point, it was reported officially, separating the Anglo-Italian forces in the North and the South.

It was reported officially, however, that the city of Leros, on the East side of the island, still is in the hands of the defenders.

In the garrison's favor was the fact that the Germans' line across the island lay at a point where it is only a mile wide, giving the Nazis both a North and South flank to defend.

British units made slight gains in the Citdi area in the Northeast and the Germans have not been able to establish a foothold in the Southern half of the island, it was stated.

Italian troops were said to be holding up well in the face of the enemy.

A Middle East Allied communique said the hard-fighting defence forces made local gains in the Northern sector of the island while in the Central part, where German parachutists have landed, the Nazis improved their positions slightly.

That the position of the garrison was precarious and the issue in doubt was indicated by the disclosure that the defenders, although well equipped, were faced by superior forces.

The Allied Middle East Air Force again gave full support to the beleaguered island by bombing nearby Axis airfields from which aid could be sent to the German landing force. A small Axis vessel West of Leros was attacked and direct hits were scored.

The German High Command communique declared that four troops landed on Leros are waging a successful battle against strong enemy resistance." Its conservative tone may have indicated the Germans were not at all sure of the outcome. Ankara reports asserted the defenders were holding tight to their positions.

Leros is a tiny island only eight miles long and three miles wide at its widest point, but in Allied hands could be a threat to the rear of Crete as well as one of the stepping stones to Greece.

Franco Faces Showdown on Monarchy

LONDON, Nov. 14 (AP) — Confirmation of reports that some of Spain's most influential military and political leaders have formally demanded restoration of the Spanish monarchy were brought to London today by persons with inside information reaching here from Spain.

They said Gen. Francisco Franco faces a showdown with his principal generals who favor a monarchy.

These informants declared Franco could not ignore the wishes of the Army since it and the increasingly unpopular Falange party constitute his main support. If the Army insists, they said, Franco must accept Prince Juan — youngest son of Spain's last king—as ruler and diminish his own status.

So far no reply is known to have been made to the monarchists' demands, but neither has Franco made any overt move against this challenge to his supreme authority.

Although Franco has shrewdly countered previous attempts to lessen his office, these informants, who cannot be further identified, noted that he did not punish severely any of the several prominent members of the Cortes who signed a letter given him June 17 proposing restoration of the monarchy. Those who were Falangists were dismissed from the party. Others who were not party members were told merely to mind their own business.

Labor Protests Use of Soldiers on Railway Tracks

VANCOUVER, Nov. 14 (CP)—Labor leaders here launched movements to protest use of soldiers for railroad maintenance work. Announcements were made Saturday soon after it was disclosed 11 Canadian army privates have been working in Vancouver for more than two weeks repairing tracks.

Daniel O'Brien, acting Regional Director of the Canadian Congress of Labor, said he sent a telegram to C. C. L. headquarters suggesting an investigating and a protest to the Dominion Government.

Presidents of the Vancouver Labor Council (C.C.L.) and the Vancouver, New Westminster and District Trades and Labor Council (A.F.L.) said these organizations expect to draft official protests at their next meetings.

The B.C. C.C.F. party today urged organized labor to "use every avenue of protest against this Fascist menace" and described the plan as "forced labor of the most obnoxious nature."

Report "State of Highest Alarm" Proclaimed Jutland

STOCKHOLM, Nov. 14 (AP)—It was announced in Copenhagen tonight that the Germans have proclaimed a "state of highest alarm" in Jutland. No reasons were given.

A dispatch said, however, that martial law might follow, presumably as a result of spreading sabotage.

SHARP CLASHES CONTINUE IN LEBANON

Disorders Break Out in Egypt; Mobs Demonstrate

REMOVE FLAGS

By JOHN F. CHESTER
Associated Press Staff Writer

CAIRO, Nov. 14 (AP)—Sharp clashes between French troops and Lebanese over the issue of a free Lebanese Government continued today along the Eastern coast of the Mediterranean and disorders broke out in Egypt where student mobs in sympathy demonstrations stoned the French Committee's headquarters in Cairo shouting "down with France! Down with De Gaulle!"

Egyptian students also stoned a French officer and tore down French flags at Alexandria.

French authorities, contending that the fighting in Lebanon is not as serious as has been reported, rushed Gen. George Catroux from Algiers to Cairo by plane to confer with Egyptian Premier Nahas Pasha. Catroux is on his way to Lebanon with power delegated by the French National Committee to settle the situation.

Before the conference, Premier Nahas told a vast gathering at the opening of the three-day Wafdist jubilee Saturday night that Egypt would use her influence with the United Nations to force the French Committee to release imprisoned members of the Lebanese Government.

The Arab News Agency reported that Lebanese deputies still at liberty had formed a "free government" cabinet and moved to Bikaa to function while their President and Prime Minister are detained by the French.

From its seat at Baalbeck in the hills of Eastern Lebanon, the provisional government was reported to have ordered a continuation of organized resistance against the French.

Conflicting advices have been received here concerning the extent of the actual fighting.

A French communique issued today said only four persons had been wounded during the latest disturbances, but reported a student demonstration at Damascus, the capital of Syria, and acknowledged some fighting and continued "manifestations" at the Lebanese capital of Beirut.

Sullivan to Receive Mining Trophy at Coast Meeting

VANCOUVER, Nov. 14 (CP) — Hon. E. C. Carson, Provincial Minister of Mines will formally open the annual Western meeting of the Canadian Institute of Mining and Metallurgy here Wednesday.

The meeting will continue for three days. President Robert A. Bryce will address the meeting Wednesday morning, to be followed by Prof. Frank A. Forward. The Ryan Safety Trophies will be presented to Sullivan Mine of the Consolidated Mining & Smelting Co., and Middlesboro Collieries Ltd.

There will be a luncheon under the auspices of the Vancouver Board of Trade, when Hon. H. G. T. Perry, Minister of Education will speak on "problems of reconstruction".

FAIL TO BREAK INTO COAST BANK

VANCOUVER, Nov. 14 (CP)—An attempt was made to break into the Canadian Bank of Commerce on West Fourth Avenue during the weekend by thieves who used an electric drill to remove the bricks from a rear wall. But they apparently gave up when they ran into the reinforced concrete wall underneath the brick wall.

BRITISH TO SEND CLOTHING TO RUSSIA

LONDON, Nov. 14 (CP) — British clothing manufacturers are preparing to ship $400,000 worth of dresses and coats to Russia for women and children in areas freed from the German grip by the Red Army, it was announced today. They will be a gift of the trade.

BADOGLIO WILL RESIGN WHEN ROME REACHED

Decision Means King Will Probably Have to Abdicate

SWEARS LOYALTY

By WEB GALLAGHER
Associated Press War Correspondent

ITALIAN HEADQUARTERS IN ITALY, Nov. 14 (AP) — Premier Marshal Pietro Badoglio, who has been waging an apparently unsuccessful fight to save the throne of King Victor Emmanuel, pledged tonight to "present my resignation as head of the Government and retire" when the Allies reach Rome.

At a Press conference and in an official statement Badoglio made the declaration which meant that the King will stand alone against the united front of Italian political parties which is seeking his abdication once the Allied armies release the capital from the Germans.

The aged Marshall frankly explained that he had formed a "technical" administration because he was unable to form a representative Government and confirmed reports that Count Carlo Sforza, pre-Fascist Foreign Minister, and other political leaders had declined to join any Government under a King they consider tainted from Fascism.

"Count Sforza stated he was ready to give all possible support to my Government, but would not take part in the same since in his belief the King should abdicate, the Crown Prince should renounce the succession and the son of the Crown Prince should be made King with a Regent appointed because of his minority," Badoglio said in a prepared statement.

"Benedetto Croce (noted Italian philosopher) voiced the same beliefs," he added.

The son of Crown Prince Umberto is the six-year-old Prince of Naples.

Badoglio said he was forced to refuse these conditions on the grounds that no such drastic step should be taken until more of Italy is freed from the Germans and that there should be no disturbance in the liberated zone.

His decision to resign when Rome is reached reversed previous declarations that he would say in office until the Germans are driven from the country.

When pressed for a statement, he said, "When I was 17, I swore loyalty to the King and I will keep faith as long as I live."

Badoglio's decision is the direct result of his refusal to take part in any Government which unseats the aged monarch, but it is a political paradox that his decision removes the one strong prop which has been keeping Victor Emmanuel on the throne.

When Badoglio resigns, the King, according to the Constitution, must try to form a Government and the Allies insist that it be a Democratic Representative Government. All political parties have united on the ground that they will not join any Government under the King, which leaves him nothing to do but abdicate in favor of a Regency for his grandson to save the House of Savoy.

"The heads of each party," he said, "made known to me that once the capital was liberated they favored the establishment of a completely constitutional Government composed of political personages, leaving me only the military.

"I then submitted this solution to the King: Form a Government for the present by placing technical experts in each Ministry, thereby starting work with the (Allied) Commission, and when Rome was liberated I would present my resignation as head of the Government and retire.

"A new political Government formed by the King would in this manner find for itself a group of experts and an amount of work already in progress in each Ministry and, regardless of the prevailing conditions in Rome at that time, would be able to continue without interruption to work with the Allied Commission."

Saskatchewan Coal Miners May Strike

ESTEVAN, Sask., Nov. 14 (CP)—Members of the Mine Workers' Central Union of Estevan and district today voted to strike Dec. 1, unless action action is taken before that date to meet their demands for higher wages and recognition of one union for the entire coal field.

The miners are seeking a basic wage of $6.40 an eight-hour shift and charge that a recommendation of the War Labor Board in 1942 for $5.60 an eight-hour shift was "entirely unsatisfactory."

RUSSIANS NEAR OLD BORDERS: Prospect of the loss of all Russian territory that they once held and invasion of satellite and occupied countries by victorious Soviet troops now faces the Nazis. The map shows the distance from present battle lines to the old boundaries of the Soviet Union.

Sofia "Bombed by Enemy Planes"

NEW YORK, Nov. 14 (AP)—The Budapest home radio, quoting a Hungarian news agency (MTI) report, said tonight that Sofia was bombed today by "enemy planes, flying in several waves," and that several persons were killed.

The broadcast said the planes appeared over Bulgarian territory about midday. Such a raid had not been announced by Allied authorities.

CROATS SEIZE RAIL POINTS FROM GERMANS

Nazis Claim Three Adriatic Islands Taken

LONDON, Nov. 14 (AP)—Yugoslav Partisans announced today a crippling blow to Hitler's inland Balkans communications with capture of two rail centres just across from the Hungarian border while Berlin claimed the occupation of three Adriatic islands in the battle for the Balkans' offshore approaches.

A broadcast communique from Gen. Josip (Drug Tito) Broz' Headquarters said Croat guerillas had seized Koprivnica on the main railroad from Budapest to the Adriatic Coast by way of Zagreb, and Virovitica on a branch running to Belgrade in one of the Partisans' biggest strikes in weeks.

The twin successes severed two arteries over which the Germans have been moving troops and supplies, and followed disruption of other segments of the invaders' meagre communications to the South.

One of the guerillas' biggest hauls in prisoners and booty also was reported with capture of the two towns, the communique listing 900 officers and men taken captive. Booty at Virovitica included five guns, 20 machine guns, 300 mines and 500,000 rounds of ammunition, the Partisans said.

On the Western Balkan flank, German broadcasts said Nazi troops had seized the Adriatic islands of Cherso, Vaglia and Lussin which guard Fiume naval base.

BOMB OIL FIELD

Allied Headquarters in Algiers announced Saturday that Allied bombers on Friday went to the support of the Partisans by bombing the oil field at Berati and the nearby Kucove airfield in Southern Albania.

On the same day R.A.F. and American fighter-bombers escorted by Spitfires strafed the landing ground at Mostar in Yugoslavia, destroying four aircraft on the ground. They also destroyed three locomotives at Opuzen, Southwest of Mostar.

PLAN CELEBRATION FOR PASSENGERS ABOARD GRIPSHOLM

RIO DE JANEIRO, Nov. 14 (AP) —Members of the U. S. and Canadian Colonies prepared a gala reception yesterday for 1261 North and South American nationals due here Monday on the Swedish exchange liner Gripsholm from Japanese internment camps. The Gripsholm will remain in port for 35 hours.

BIG BOMBLOAD DROPPED ON N. GUINEA

Alexishafen, Madang Battered; Rabaul Again Hit

ALLIED HEADQUARTERS IN SOUTHWEST PACIFIC, Nov. 15 (Monday)—(AP)—Allied bombers have dropped 223 tons of bombs on Alexishafen and Madang in the Pacific war's heaviest raid on New Guinea.

Towering fires were started in fuel and supply dumps at Alexishafen, where four Japanese planes were destroyed on the ground, today's communique said.

Japanese torpedo bombers and float planes caused some damage to Allied shipping in night attacks on New Georgia Island, the communique said.

The oft-bombed Japanese base of Rabaul on New Britain was plastered anew by Allied bombers which struck also at Gasmata, on the South coast of New Britain, and the Northern and Southern extremities of Bougainville Island, Buka and Buin.

A reconnaissance unit bombed and strafed the enemy seaplane base of Kapingo-Marangi Island, destroying five float planes.

Allied bombers in a night attack on the Kavieng area of New Britain Island torpedoed and bombed three enemy cargo ships with unobserved results.

SMASH AIRFIELD

Another raid on Buin Allied torpedo and dive bombers dropped 80 tons of explosives on Kara airfield, heavily damaging the runway and starting fires in supply dumps and Japanese living quarters. The Buka action consisted chiefly of bombing and strafing raids on coastal villages and Bonis airdrome.

The Japanese attack on Allied shipping at New Georgia was a night time strike and cost the enemy two planes shot down.

The Allied raid on the New Guinea targets came at mid-morning Saturday and was the heaviest yet launched on tonnage dropped and the number of bombers involved in the action. Heavy and medium bombers with a fighter escort carried out the attack in the face of heavy anti-aircraft fire. One plane was lost.

Says Canada Must Show Enthusiasm for Tasks of Peace

TORONTO, Nov. 14 (CP) — Air Minister Power said here today that Canadians raised "hundreds of thousands of men and billions of dollars of dollars for war in recruiting campaigns and Victory Loan drives," and that "surely by the use of similar methods the same enthusiasm can be aroused and sustained for the tasks of peace."

In an address delivered before a gathering at Maple Leaf Gardens commemorating the 25th anniversary of Armistice Day in the First Great War, Maj. Power said the experience of "another conflict and its aftermath is of inestimable value in dealing with the problems of the not too distant future—the problems of those who will return."

Two things should be taken for granted—first that after 25 years of experimentation the principles upon which soldiers' affairs are settled and soldiers' problems solved are in a large measure admitted, and second that the people of Canada, taken as a whole, have always been willing to "open wide their purse strings for the needy and deserving ex-soldiers."

Improve Italian Positions Despite Terrific Counters

By NOLAND NORGAARD
Associated Press War Correspondent

ALGIERS, Nov. 14 (AP)—The Germans blasted out with heavy artillery all day long on the Garigliano River front and sent large numbers of fighters into swirling dogfights to protect the road to Rome yesterday, but the Allied 5th Army improved its positions and the British 8th Army advanced slightly at the Eastern end of the battle front.

The Nazi air blows were the heaviest since Salerno.

American troops advanced despite many German counter-attacks in hard fighting in the mountains North and Northwest of Mignano which overlook the road to Cassino and Rome.

(Again indicating the see-saw nature of this fierce mountain fighting, the Berlin Sunday communique said the Germans had "lost a height taken yesterday South of Venafro," which lies about seven miles Northeast of Mignano. The Allied Command Saturday reported recapture of high ground taken Wednesday, but lost to German counter-attacks Thursday.)

U. S. soldiers routed elements of two German battlions with few casualties themselves at a point a mile and a half Northwest of Montaquila, six miles North of Venafro, headquarters said.

NEW HUN DEMOLITIONS

Allied forces in central Italy, holding the wrecked town of Rionero, heard explosions from Alfedena and Rocca Cinquenigilia five and seven miles North, indicating the Germans might be dynamiting buildings preparatory to eventual withdrawal. Front line dispatches said the Germans were wrecking and burning these towns as they did Rionero.

In a three-mile drive in furious fighting, Gen. Sir Bernard L. Montgomery's 8th Army units seized Ateses, 12 miles inland from the Adriatic, and four miles Northwest of Casalanguida, 15 miles Southwest of Vasto. They repulsed numerous Nazi counter-blows to hold the town, of 10,000 population, giving excellent observation over the area to the Sangro River six miles away.

On the Adriatic coastal sector, 8th Army patrols again slipped across the Sangro to test enemy defences.

Allied pilots downed nine Nazi planes in air battles over the Western sector and the port of Gaeta. One Allied plane was lost, but its pilot was saved.

DIVE INTO GROUND

An R.A.F. pilot destroyed two Messerschmitt 109's without firing a shot. He chased them when they went into steep dives at 22,000 feet. He pulled out at 10,000 feet, but the Nazi planes couldn't straighten out and hurtled down head-on into the ground.

More than 80 German planes were seen in action during the day as the enemy sent greater air formations into battle. They bombed the upper Volturno South of Venafro and the seacoast South of Minturno.

Maj.-Gen. Edwin J. House, Commanding the U. S. 12th Air Support Command, announced that his fighters and fighter bombers had destroyed 180 enemy planes, half aground and half in the air, between Sept. 4 and Nov. 1. Forty-two American planes were lost in the same period.

During the same time, Allied fighters destroyed 803 enemy vehicles, damage 297 locomotives and freight cars, and bombed and strafed 36 railroad yards, he added.

Another official announcement said the total number of enemy planes found destroyed or damaged on captured airfields in Italy had risen to 1462.

Although bad weather in Northern Italy kept the Allied heavy and medium bomber fleets inactive, U.S. fighter-bombers bombed German airfields at Frosinone and Aquino along the Mignano-Rome road. Other American planes hit the same fields, the landing ground at Marcigliano near Rome, and gun positions West of San Pietro on the Eighth Army front.

Coastal Command Spitfires raided Valona airfield in Albania.

R. A. F. planes bombed Atina 25 miles West of Isernia, in Italy, and damaged the railway and highway at Palena, 26 miles North of Isernia. Other formations pounded rail and motor transports.

DIES ON COAST SHIP

VICTORIA, Nov. 14 (CP)—Leslie H. Ellis, 53, for many years purser on the British Columbia coast steamship boats died suddenly Saturday night as his ship was proceeding from Victoria to Vancouver.

MOSQUITOES HIT BERLIN, OTHER TARGETS

43 Nazi Fighters Shot Down In Bremen Attack

ALLIES LOSE 24

LONDON, Nov. 14 (CP)—Britain's swift and elusive Mosquito bombers dropped explosives on Berlin Saturday night for the second night in succession in a new series of "morale" attacks on the German capital.

Other groups of the plywood twin-engined planes hit targets in Western Germany. The raids all were carried out without loss and were the only air activity of the night announced by the Air Ministry.

It was the fifth straight night the Mosquitos had been over Germany. They went out in darkness following a heavy daylight battering of objectives in the German port of Bremen Saturday by American heavy bombers which together with escorting fighters shot down 43 German fighters. Fifteen bombers and nine fighters failed to return.

The size of the attacking American forces in the 800-mile round-trip flight Saturday was not officially disclosed.

OPPOSITION HEAVY

One pilot of a supporting fighter which helped cover the American heavies said the Germans threw up everything from single-engine ME-109's to JU-88 fighter-bombers shooting rocket shells.

The returning crewmen said vision was obscured during most of the journey and the results of the raid were impossible to determine.

The blow at Bremen was the first since Oct. 8 when the port was dealt a double-barrelled assault. United States bombers then hit Bremen and Vegesack by day at a cost of 30 bombers, while the R.A.F. struck Bremen the same night, with Hanover as the secondary target, at a cost of 31 bombers.

R.A.F. Typhoons and Spitfires struck Saturday at German transport targets in Northern France and the Low Countries and reported destroying many locomotives, coastal vessels and barges.

One Typhoon squadron surprised a German convoy in the Rhine Estuary and sank a tug and damaged two other vessels.

Seven R.A.F. planes were listed as missing in an Air Ministry communique.

C.C.F. Says Drew Speech Anti-British, Ignorant

OTTAWA, Nov. 14 (CP) — David Lewis, National C.C.F. Secretary, today described Premier George Drew's speech attacking the C.C.F., delivered at Toronto, as "anti-British, ignorant and semi-Fascist."

In the absence of M. J. Coldwell, National C.C.F. Leader, Mr. Lewis issued a statement saying Mr. Drew's speech was anti-British "because it is full of unfair distortions and further is a slur on the majority of the people in Britain, Australia and New Zealand who support the Labor Parties in their countries which have identical philosophies and programs as the C.C.F." Ignorant and semi-Fascist "because it appeals to prejudice and aims at reaction."

EDEN'S SON TAKES TRAINING AT REGINA

OTTAWA, Nov. 14 (CP) —Simon Eden, son of Rt. Hon. Anthony Eden, British Foreign Secretary, is taking flying training at No. 15 Elementary Training School in Regina, the R.C.A.F. announced yesterday.

Victory Loan Subscribers Are Thanked

OTTAWA, Nov. 14 (CP)—Prime Minister Mackenzie King said tonight that by their response to the $1,200,000,000 Fifth Victory Loan appeal Canadians have demonstrated their "overwhelming determination to speed the victory."

In a radio address, Mr. King joined by Finance Minister Ilsley and Graham F. Towers, Chairman of the National War Finance Committee, expressed the Government's appreciation of the "splendid response" to the campaign, and thanked the War Finance Committee, the canvassers and those who, by their contributions, made possible "this latest wartime achievement.

He said the Allies have indeed achieved progress towards ultimate victory, but the supreme effort has still to be made. He assumed, with Prime Minister Winston Churchill, that the 1944 campaign in Europe will be the most severe "and, in the Western Allies, the most costly in lives of any we have yet fought."

Mr. Ilsley said returns to Saturday showed Canadians had purchased $1,364,000,000 of Victory bonds indicating that the final result will be more than $1,375,000,000—against a minimum objective of $1,200,000,000.

Mountain Snow Brings Ski Club to Action

Snow on nearby mountaintops is just a reminder of coal bins and fuel bill for many folk, but it's like waving a red flag to one section of the community—the skiers.

Nelson Ski Club members will hold their annual meeting this week to organize for the season. It is anticipated membership will be bolstered by several Vancouver skiers who came to Nelson recently with Boeing workers.

It is proposed to continue sponsorship of juniors.

Colman Home Scene of Chimney Fire

Nelson Fire Department answered a call Friday night to the home of Mr. and Mrs. S. C. Colman, 330 Baker Street, where a chimney was on fire. There was no damage.

CALT BURNS ALL NIGHT COAL

Grubbe Suddenly Ill; Is in Hospital

W. S. Grubbe, Manager of Nelson branch of the Imperial Bank, became suddenly ill while at his office Saturday morning and was taken to Kootenay Lake General Hospital for treatment.

Believe Nazis Plan Surprise Drive in Winter

By CHARLES S. FOLTZ
Associated Press Staff Writer

MADRID, Nov. 14 (AP)— The Nazis are preparing a surprise Winter operation from Southern bases, probably a counter-offensive in Italy, in the opinion of persons recently returned from extensive tours in Germany and occupied Europe.

They base their belief partly on recent Southward troop movements and Germany's urgent need of a victory for its effects both on the home front and on satellite Europe.

The German hierarchy is torn by inner quarrels, these travellers say, but the German war machine has plenty of punch left.

One industrialist returned from an extensive tour of Nazi Europe convinced that the Germans are producing "secret weapons" in large quantities and storing them for the surprise blow. He also believes, however, that they are no more sensational than Allied improvements of their own weapons.

"Everyone seems agreed that Germany's new weapons are connected in some way with air power, although whether bomb or plane no one knows," he said.

The travellers confirm reports that an "executive triumvirate" emerged in Germany after Fascism's fall, composed of Reichsmarshal Hermann Goering, Admiral of the Fleet Karl Doenitz, and Field Marshal Gen. Wilhelm Keitel, Chief of the High Command.

This triumvirate has succeeded in concentrating a great amount of power in its hands for a "defensive warfare," but it by no means operates without Hitler, they said.

AIR CASUALTIES

OTTAWA, Nov. 14 (CP) — The R.C.A.F. in its 782nd casualty list of the war reported one man killed on active service.

McDonald, Verdun Frederick, Flt. Lt., Saskatoon.

Missing after operations—

Antifaev, Michael, Sgt., Vancouver.

Carter, John Thomas, Flt. Sgt., Vancouver.

Cote, Joseph Richard, Sgt., Winnipeg.

Gustafson, Roy Gosta Helmer, Flt. Sgt., Avonlea, Sask.

Martin, Irwin Andrew, Sgt., Herschel, Sask.

McEschern, Reginald Milton, Sgt., Regina.

Paddison, Robert Edward, Sgt., Stayner, Ont.

Renner, Wilfred Louis, Sgt., Preston, Ont.

Wart, Edward Francis, Sgt., Toronto.

Previously missing, now reported prisoner of war in Germany—

Babington, Frederick Gaffney, Sgt., Winnipeg.

Coombs, James Reginald, Fo., Toronto.

Previously reported missing—now presumed dead—

Hewitt, William Robert Harold, Flt. Sgt., Listowel, Ont.

Holland, Joseph, Sgt., Lansing, Ont.

Levesque, Edmund Joseph Vital, Flt. Sgt., Ottawa.

Pethick, Thomas, Melville, Fo., Montreal.

Spring, Kenneth Loren, Flt. Sgt., Edmonton.

Watson, Herbert George, Sgt., Lethbridge, Alta.

Juneau, Alaska, Nov. 14 (AP)— Mrs. Anna E. Snow, 82-year-old pioneer Alaskan who travelled the torturous Chilkoot Pass with two small children and her husband during the Klondike gold rush, died here last night.

Rescue Plane Brings Back Northern Party

WINNIPEG, Nov. 14 (CP) — A huge U. S. Army Air Force troop carrier thundered down onto Stevenson Field here last night with the personnel from the Hudson's Bay Company post at Fort Ross whom it had rescued following failure of the supply ship Nascopie to reach that farthest Northern post in Canada for the second successive year.

On the plane were W. A. Heslop, Newcastle-on-Tyne, Post Manager; Mrs. Heslop; D. W. Munro, Post Clerk, of Clanwilliam, Man., and the U. S. Army Air Force crew assigned to the rescue mission.

Constable C. L. De Lisle, R.C.M.P., of Ottawa the only other white person at the post, left Fort Ross Oct. 18 and is on his way to Repulse Bay by dog team.

The 11-hour rescue flight Nov. 7 took place after two previous attempts to land were thwarted by unfavorable weather conditions. On the second trip, Nov. 4, Mrs. Heslop standing on the shore of Hazard Inlet about two miles from the post saw Capt. J. F. Stanwell-Fletcher, of Dimock, Pa., make his first parachute jump from 1000 feet.

Minutes after Capt. Fletcher landed and introduced himself to Mrs. Heslop, dozens of yellow parachutes blossomed in the Arctic sky and drifted down with 2000 pounds of supplies for the Fort Ross party and the 300 Eskimos living in the area immediately around the post which is 400 miles inside the Actic Circle 1000 miles North of Churchill, Man.

New Fruits on Farmers' Market

New additions were made to the fruit stalls at the Farmers' Public Market Saturday. Louise Pears were selling at four pounds for 25 cents; Cox's Orange apples at five cents a pound; Greening apples and Winter Banana apples at $1.50 a box.

Crabapples, Bartlett pears, egg plums, Damson, plums, Flemish Beauty pears and Green Concord grapes were not on sale.

Artichokes wre the only new addition on the vegetable stalls, selling at 10 cents a pound. Field toatoes, green peppers, red peppers, broccoli, green onions, dill, and green tomatoes are finished. Hothouse tomatoes went up from 20 to 25 cents a pound, and celery went down from 20 to 10 cents a head.

Canned chicken at 45 cents a jar, and canned chicken soup at 15 cents a jar were new items on sale.

VEGETABLES	
Artichokes, lb.	.10
Hot House tomatoes, lb.	.25

Boswell Farewells Mrs. H. Boyd, Going to Creston

BOSWELL, B.C. — A surprise party was given for Mrs. H. Boyd, who leaves with her family this winter to make her home in Creston. On behalf of the women of the community, Mrs. A. Kennedy presented Mrs. Boyd with a coffee-maker and bowl.

Those present were: Mrs. A. J. Hall, Mrs. M. MacGregor, Mrs. S. J. Cummings, Mrs. J. Kirkpatrick, Mrs. Eric Bainbridge, Mrs. A. Mackie, Mrs. K. Wallace, Mrs. H. Johnstone, Mrs. J. H. Smith, Mrs. A. Kennedy, Mrs. A. Hepher, Mrs. H. Spence, Mrs. D. V.

Lardeau Consolidated Incorporated

Lardeau Consolidated Mines, Limited (Non-Personal Liability) has been incorporated as a specially limited company, reports the B. C. Gazette. The Company is authorized to issue one millions shares without nominal or par value. The registered office is Suite 409, Vancouver Block, 736 Granville Street, Vancouver.

Purpose of the Company is to engage in any branch of mining, smelting, milling and refining minerals.

Basic Training Centres Change Functions

OTTAWA, Nov. 14 (CP) — The Defence Department tonight announced that the functions of four army basic training centres are being changed as a further development in the link training scheme made public last August, and the Army is handing one of the centres affected over to the R.C.A.F.

The training centres affected are at Valleyfield, Que., Portage La Prairie, Man., Stratford and Listowel, Ont. The Valley-Field centre will be used by the R.C.A.F. for training purposes, while the Portage La Prairie camp is being converted into an army casualty re-training centre similar to that recently established at Oakville, Ont.

The announcement said Defence Headquarters have under consideration the future utilization of the Stratford and Listowel centres.

The "link training" plan is designed to achieve greater economy of training and to facilitate the flow of reinforcements to the Canadian Army overseas.

The Headquarters statement said the reductions were made possible because the expansion stage in the Army has been passed, and training centre facilities will be mainly devoted to the training of reinforcements.

One of the purposes of the "link training" plan is to give recruits a closer affiliation with the Corps in which they serve. It provides that an artillerymen, for example, will receive his basic training and advanced training at an artillery training centre rather than at a common centre at which recruits of various arms receive instruction.

Hamilton Puts Out Beaches

HAMILTON, Nov. 14 (CP) — Combine ability to convert the other fellow's misplay into a touch down with the all round brilliant play of halfback Joe Krol and you have the basic recipe for a championship team in the Ontario Rugby Football Union senior series.

That's what Hamilton Wildcats mixed up yesterday, added such other assorted ingredients as vicious tackling and solid line play and defeated Toronto Balmy Beach 7-2 in a sudden-death game for the Union title and the right to play the Quebec Rugby Football Union champions in Toronto's Varsity Stadium next Saturday for the Eastern Canada title.

The misplay came in the fourth quarter of the bitterly-fought yet unspectacular struggle. Pte. Chad Bark attempted a running catch of a long punt by Krol.

He dropped the ball and Hamilton's veteran outside Wing Jimmy Fumio was quick to capitalize on the opportunity. He dribbled it from the Beach 30-yard line across the goal line where outside Dick Groom pounced on it for a five-point touchdown.

LACHINE WINS TITLE

MONTREAL, Nov. 14 (CP) —A fighting RCAF Lachine team settled all claims to the Senior Q.R.F.U. championship here Saturday when they unleashed a powerful ground attack to sink Navy under a 14-3 count.

VERDUN RUNNER-UP

MONTREAL, Nov. 13 (CP) —Verdun Grads captured runner-up honors in the Q.R.F.U. final standing here Saturday when they defeated McGill 3-1. The civilians wound up two points behind the champion R.C.A.F. team.

Navy holds down third place, with McGill fourth and Huntingdon army in the cellar.

All Britain at war depends vitally upon the command of the sea.

Postwar Plan to Provide Work for All

QUEBEC, Nov. 14 (CP) Justice Minister St. Laurent, speaking last night at a rally of Liberal clubs here, said that the Federal Government was preparing a post war program whereby everyone in Canada able and willing to work would be able to do so.

He added Prime Minister Mackenzie King "within a few days," would announce a post-war program "that was certain to satisfy all reasonable citizens."

"What it was possible to do for destruction during the war," he said, "will be equally possible for reconstruction and rehabilitation in time of peace."

The Federal Government is now engaged, with the assistance of the Provincial Government in making an inventory of all urgent public enterprises that will be launched at the cessation of hostilities. It will be the duty of public bodies, he added, to come to the aid of private initiative when there is an insufficiency of employment.

The Government was also seeking a means of balancing the economic situation for fathers of large families with that of unmarried men with little or no family responsibility, he said. "This cannot be handled entirely by taxes on salaries. It is hard to demand that an employer pay higher wages to the father of a large family. This is the task of those who administer national funds and by this I mean the Treasury of the Federal, Provincial and Municipal Governments."

He added it was not yet clear in whose field it lay to remedy the matter.

Frank Soucey, 30 Years In Distrid, Passes

Frank Soucey, resident of Nelson and Vallican for the past 30 years, died Sunday evening at Kootenay Lake General Hospital. He had been ill only a short while.

Mr. Soucey was born in Quebec 75 years ago. With his brother, George, he had farmed at Vallican for the past three decades.

His wife, and two daughters, Marie and Marguerite, at Nelson, and a number of brothers and sisters survive.

Canned Vegetables on Sale Today Under New Plan

OTTAWA, Nov. 14 (CP)—Canada's 1943 pack of canned vegetables, held off the market while supplies of fresh vegetables could be obtained by consumers, will go on sale to the public tomorrow under a "controlled distribution" plan announced last month by the Prices Board and now in effect.

Under the plan, stocks of canned vegetables in the hands of packers and wholesalers were frozen last Summer, and it was then announced that these stocks would move to retail outlets as the supply of fresh vegetables was absorbed.

The Prices Board said the plan is based on past experience of the trade, and makes allowance for population shifts and other variables. It added that consumer buying of canned vegetables varies sharply between house holds as well as throughout Canada, and "consumer rationing on a basis of equality for all would not meet the needs of the situation.

Nakusp Hospital Board Discuss Finances

NAKUSP B.C. — The monthly meeting of the Hospital Board was held in the offices of H. L. Miller on Tuesday.

H. L. Miller, President, was in the chair.

All outstanding accounts were ordered paid when funds were available. The financial side of the picture was reported as not very bright, but with the Commissioner's promise of further Japanese patients, it is hoped the financial situation will be relieved.

Dr. A. E. Whitmoor is in attendance and the services of Miss Diana McDonald of West Vancouver have been secured for the nursing staff.

The Hospital Carnival to be held soon was discussed.

Amend Ceiling Prices on Root Vegetables to Cover Bunches

OTTAWA, Nov. 14 (CP) — The Prices Board announced tonight that its recent order fixing ceiling prices on root vegetables has been amended to cover particularly the sale of carrots and beets sold in bunches with full fresh tops, and provides special ceiling prices for these products practically in line with those now prevailing.

The order covers two zones, the first including the island of Montreal, all the main populated part of Ontario, the main parts of Manitoba, Saskatchewan, Alberta and British Columbia, and the second covering the remainder of Canada.

Carrots and beets now may not be sold with their tops on except where they have full fresh tops and are sold in bunches. The ceiling price delivered at distributing centres for beets and carrots sold in this form will be four cents a pound in Zone 1 and four and one-half cents a pound in Zone 2.

These prices apply where the vegetables are sold by the grower or shipper to wholesale distributors and to retailers who take delivery at separate warehouses.

When sold by the grower or shipper to other retailers, the ceiling price is 86 cents per dozen one-pound bunches or 4.7 cents a pound. The ceiling for sales by a grower or shipper direct to a consumer is seven cents per one-pound bunch or four cents per half-pound bunch.

The premium thus provided for bunched carrots and beets applies only to sales of the remainder of the 1943 crop, the Board said. It intimated that somewhat lower prices might be specified for at least part of the marketing period for next year's crop.

The prices fixed for bunched carrots and beets apply to these items regardless of grade, and invoices to distributors must show that such carrots or beets are sold in bunches with full fresh tops.

Savoy cabbage is included in the new order, the ceiling price being the same as that for red cabbage. White turnips also are included, their ceiling price being one and one-quarter cents a pound above that for yellow turnips and rutabagas.

Ymir Yankee Girl to Pay 8.4 Cents

Distribution of 8.4 cents as a return of capital was approved by Ymir Yankee Girl shareholders at a special meeting in Vancouver. The company is in receipt of a federal taxation department ruling permitting distribution of this amount from capital free from income tax.

Britons Ready for Nazi Secret Weapons

By LEWIS HAWKINS
Associated Press Staff Writer

LONDON, Nov. 14 (AP) — Germany's "secret weapon" may be either rocket guns, suicide parachutists, stratosphere bombers or gas — arrayed in the order of their possibility—but all of these have become the subject of much speculation since Prime Minister Churchill gravely warned of possible new forms of attacks on Britain.

In giving official cognizance to the threat in his speech Tuesday, the Prime Minister hinted that the Nazis projected new methods of warfare might not be entirely secret, assuring the nation that the Allies have been watching closely for signs of such developments—and presumably planning counter-action.

Rocket guns, of which the "bazooka" used by American ground forces and the plane-mounted type being put into use by the German Air Force are examples, seem the most likely threat. They appeal to military observers as a better weapon for extreme long-range bombardment than the big Berthas which shelled Paris from 76 miles in the First Great War.

No reason is seen why big rocket guns could not be built to fire on London from the French coast 100 miles away.

Indiscriminate throwing of hundreds of rocket shells into Southern England might kill many persons and cause tremendous damage. It is doubtful that it would approach the German Air Force's efforts at destruction of military objectives.

Use of parachute troops— which would explain the Prime Minister's warning that home guards as well as fire watchers might be taxed to the utmost by a new Nazi campaign — would be a novelty as a device to counter invasion. Parachutists probably could not stop the impending great Allied invasion, but they could harass it and throw it off its time table.

Gov't to Pay Wheat Drawback

OTTAWA, Nov. 14 (CP) — The Agricultural Supplies Board and the Prices Board tonight announced jointly that, effective tomorrow, the Dominion Government will pay a drawback of 25 cents per bushel on wheat purchased for feeding purposes of the grade known as Manitoba No. 4 Northern and grades of equal or lower value.

This drawback, the announcement said, will replace the drawback of eight cents per bushel which the Government has been paying during the past year or so on wheat of any grade if purchased for feeding.

Since it is likely that the higher grades of wheat will be required for use as human food in future, no drawback will be provided from Nov. 15 on any Western wheat of higher or poultry feeding.

"On the feeding grades of wheat mentioned, however, the drawback now has been increased from eight cents to 25 cents per bushel because of advances that have taken place in wheat prices."

This action, the announcement said, will serve to bring net costs of wheat used for feeding more into line with costs of oats and barley, both of which grains have been under price ceilings for more than a year.

The 25-cents-per-bushel drawback represents a payment by the Dominion Government of about $8.25 per ton on these grades of wheat purchased for feeding. As regards buyers in Eastern Canada and British Columbia the Government further contributes to lowering the cost to feeders through its freight assistance policy, the announcement said.

KIMBERLEY MAN'S BROTHER FOUND SHOT TO DEATH

VICTORIA, Nov. 14 (CP)—Provincial Police Headquarters received word yesterday that Cecil C. McKeown of Scotty Creek, near Clinton, was found shot to death Friday midnight. No other details were given. An inquest will be held. McKeown is said to have a brother at Kimberley.

NATAL

NATAL, B.C. — Mr. and Mrs. P. Zeith of Natal, entertained at a crib party recently. Prize winners were Mike White and Mrs. A. Krall. Refreshments were served.

The first of a series of six whist-drives was held in the Legion Hall at Michel by the three Catholic Organizations, the Catholic Women's League, the Mount Carmel Society and the Catholic Youth Organizations. The winners were: Ladies first, Mrs. D. Thewlis, Michel; second, Mrs. D. Mitchell, Michel. Gents first, Roy Tabor, Michel; second, Steve Katrichak, Michel.

Mrs. J. Tappay returned to her home to Bellevue after visiting her son, Kenneth here.

Miss Clara Chala returned to Natal after spending a few days at Calgary.

The Sports Club held a successful dance in the Kootenay hall last week-end.

ETON, England (CP)—Eton boys removed bottles of chemicals and other inflammable material when fire broke out in the college laboratory. Damage was not heavy.

Trailite Among Arrivals in Britain

AN EAST COAST CANADIAN PORT, Nov. 4 (CP)—Trained to the peak in Canada, contingent of R.C.A.F. and R.A.F. air crew personnel left this port recently for Britain. Their arrival was announced tonight. With them were several hundred United States soldiers, including some Army Air Corps men and large draft of WACs.

Besides the air crew men, there were large numbers of ground crew personnel. A scattered few Canadian soldiers and navy men, and other miscellaneous reinforcements completed the draft.

The movement included a complete R.C.A.F. squadron, which had been stationed in Alaska the past 14 months but was moved overseas now that the Jap menace was removed from the Aleutians. The squadron was in Southern Alaska and hadn't had much of a chance to hit the enemy, although they patrolled the Northern skies hopefully week after week.

Fo. Howard Lutes of Trail, B. C., was a veteran of seven years with the R.C.A.F. For most of that time he was a flight engineer on the West coast, but growing tired of that he finally qualified for his wings.

"It's all right keeping the planes going," he said, "but it will be a heck of a lot more fun up there flying them across the pond."

One of a group of R.A.F. instructors returning after duties with the Commonwealth Air Training Plan in Canada was Wo. 1 Roy Barrowclough of Leeds, Yorkshire. He had been in this country two years, most of that time at Neepawa, Ont.

Net of $225 Is Likely, Cadet Uniform Tag Day

Net return of about $225 is anticipated from the tag day Saturday in aid of uniforms for the Nelson Junior High School Cadet Corps.

The tag was carried out entirely by Junior High students. While the boys, to be the beneficiaries of the uniform fund, were in duty bound to turn out and tag, they were materially assisted by girls of the school, who turned out voluntarily.

In mid-afternoon the Cadet Bugle Band paraded through the town.

LUMBER FIRM TO OPERATE IN CRANBROOK AREA

CRANBROOK, B.C. — The lumber firm of Burns and Farstad, who bought the C. O. Rodgers lumber company operations at Creston last spring, intend to start further operations in the Cranbrook section. Sale to the firm of three acres of city owned land on the main highway west of town has been authorized by the city council, who will also supply a water connection.

Here they intend to put up a mill for manufacturing lumber. They expect to haul their logs from a block of timber on Gold Creek where their cut is an estimated 40,000,000 to 60,000,000 feet.

Don Burns and Alfred Farstad, owners of the business, began their lumber operations in the Cranbrook and Canal Flat district in 1935. Since then their operations have extended to Wyndel and more recently to Creston.

FORMER MICHEL YOUTH WINS D.F.C.

NATAL, B.C. — Cited for courage and skill as a bomber-aimer, a former Michel boy, Pilot Officer William J. Young, youngest son of Mr. and Mrs. J. V. Young of Calgary, was among five Albertans recently awarded the Distinguished Flying Cross overseas. P.O. Young enlisted in the air-force at Calgary in May 1941 and graduated at Rivers, Man. in Jan. 1942. Since going overseas he has served with his bomber crew in raids over Germany, Sicily and Italy.

Born in Glace Bay, N.S., Pilot Officer Young arrived in Drumheller when only six months old. He was educated at the Midlandvale and Drumheller schools. Mr. and Mrs. J. V. Young and family left Midlandvale in 1937 to reside in Michel until 1941 when they moved to Calgary.

P.O. Young, during his four years stay in Michel, was a member of the St. Michael's parish at Michel, taking an active part in the C.Y.O. affairs. He was also an active member of the Fernie Council of the Knights of Columbus.

Kaslo W.A. Plans Christmas Sale

KASLO, B.C. — St. Andrew's United Church W. A. held the November meeting at the home of Mrs. C. Gibson Mrs. S. H. Green was in the chair and read two papers. Mrs. Horner reported that $4.00 had been collected and a wreath purchased to be placed on the Cenotaph.

The date of the Christmas sale was set and Committees named to act in each department. Mrs. H. J. Armitage read an article.

The ancient Hebrew betrothal called for three rings, one for the girl, one for the man and one for the witness of the ceremony.

Nelson Society Sends Gifts to Little Norway

Scandinavian War Workers Society of Nelson has sent a Christmas parcels to Little Norway. Ontario station where Norwegian airmen train.

The committee in charge was Mrs. L. Nelson, Mrs. P. Walgren, Mrs. A. Olsen and Mrs. A. Gustaffson.

The parcel included face cloths, socks, pyjamas, candy, toothbrushes, toothpaste, shaving cream, and soap. In addition a parcel of cigarettes was sent.

Capt. Jack McKay Will Be Home for Christmas

Wounded while serving in the Middle East with the Royal Horse Artillery in which he was an officer, evacuated to hospital, later rejoining his unit in Africa, captured at the fall of Tobruk and sent to Italy as a prisoner of war, Capt. Jack D. McKay, who spent several years of his boyhood in Nelson, will soon be on his way home to Canada and will be in Cobble Hill for Christmas, a cable has informed his father, G. C. McKay of Cobble Hill, who was city engineer of Nelson before World War I.

Mr. McKay, who himself served in World War I, and afterward joined the B. C. Department of Public Works as one of its engineers, telephoned Saturday evening from Cobble Hill, on Vancouver Island, to Ernest Smith, District Engineer here for East Kootenay, giving him the news.

Jack, who was only a small boy here, grew up to finish his schooling at various points in B. C. where his father was stationed as District engineer, and topped off with a military education at Kingston Military College.

Graduating from Kingston, he was commissioned in the Royal Field Artillery, in England, before the war, and was serving with it when the war broke out. He is unmarried.

The cable received by Mr. McKay was not direct from his son, but from Cox's Bank, London.

Theme Is "Mortals and Immortals"

Christian Science Churches have no preachers; they have the same service everywhere. The subject of the Lesson-Sermon on Sunday was "Mortals and Immortals."

The Golden Text was: "If ye live after the flesh, ye shall die; but if ye through the Spirit do mortify the deeds of the body, ye shall live" (Romans 8: 13.)

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Search me, O God, and know my heart; try me, and know my thoughts; And see if there be any wicked way in me, and lead me in the way everlasting" (Psalms 139: 23, 24.)

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "For right reasoning there should be but one fact before the thought, namely, spiritual existence. In reality there is no other existence, since Life cannot be unlied to its unlikeness, mortality."

MUSSOLINI GOV'T SEIZED KING'S MONEY

LONDON, Nov. 14 (CP). — The Paris radio reported today that the personal fortune of King Victor Emmanuel of Italy—which it estimated at $40,000,000—had been seized by Mussolini's Republican Fascist Government.

DOES INDIGESTION WALLOP YOU BELOW THE BELT?

Help Your Forgotten "28" For The Kind Of Relief That Helps Make You Rarin' To Go

More than half of your digestion is done below the belt—in your 28 feet of bowels. So when indigestion strikes, try something that helps digestion in the stomach AND below the belt.

What you may need is Carter's Little Liver Pills to give needed help to that "forgotten 28 feet" of bowels.

Take one Carter's Little Liver Pill before and one after meals. Take them according to directions. They help make up a larger flow of the 3 main digestive juices in your stomach AND bowels—help you digest what you have eaten in Nature's own way.

Then most folks get the kind of relief that makes you feel better from your head to your toes. Just be sure you get the genuine Carter's Little Liver Pills from your druggist — $1.

Double-Action Way To Help Relieve BRONCHITIS
COUGHS • SORENESS • CONGESTION

Get right after painful bronchitis miseries...help relieve the coughing, congestion, and soreness this time-tested Vicks way that is so successful!

Put a good spoonful of Vicks VapoRub into a bowl of boiling water. Then breathe in the steaming vapors for just a few minutes. With each breath you take, the medication goes straight to inflamed bronchial tubes where it soothes irritation, quiets coughing and loosens tightness and congestion.

At bedtime rub Vicks VapoRub on throat, chest and back. Its poultice-vapor action works for hours to bring you added comfort while you sleep.

Vancouver Island, Lower Mainland, Kamloops to Get Free Electric Service in Nov. and Dec.

VICTORIA, Nov. 14 (CP) — Householders of Vancouver Island, the Lower Mainland and Kamloops will get some free electric service in November and December, it was announced Saturday by Premier Hart when he released the report of the survey made by the public utilities commission into the operations of the B. C. Electric Railway Company.

The moratorium on light bills will apply to households, civic street lighting, advertising signs, office buildings and schools, but will not apply to certain industrial users.

In Vancouver and the lower Mainland electricity users will be given light free for November, as excess of revenues in that area is not as high as on Vancouver Island where electric service will be free for November and December.

Gas bills will not be forgiven, as the Company's gas branch is not making money.

The public utilities commission's main report on rate structures cannot be acted on now because conditions are not normal. The order forgiving electric light bills is only temporary, for this year. What will be done next year is not yet known; that will depend on conditions.

The report said it was found that on the basis of 1942 revenues a reduction in charges to customers in some units of service was indicated, and that an inspection of the business during the last five years indicated also that these revenues cannot be considered to be normal; that their continuance at present levels cannot be assumed.

The revenues of the Company are such, however, the Commission says, to justify some relief to the customers, particularly in the electric service.

"Apart from the effect of this in reducing the revenues of the company, it would, to some extent, be a recognition of the inconvenience experienced by the public at the present time due to inferiority of service necessitated by shortage of materials and equipment and war restrictions in general."

VICTORIA, Nov. 14 (CP) — Federal Government taxation reduced the net returns of the B. C. Electric Railway Company combined operations during 1942 to a point $430,346 below the maximum permissible under the "fair rate of return" of 5.5 per cent, said the report of the Public Utilities Commission released yesterday.

During 1942 the excess of revenue over the cost of operation was $1,635,765. Total income and excess profits taxes amounted to $3,803,477, of which $1,667,465 was included in the Company's operating expenses. That left a balance of $2,116,012 to be paid to the Dominion Government and created a deficit on the 5.5 per cent fair rate of return amounting to $430,246.

In effect, the result of the taxation was to allow the Company a return of 3.2 per cent on a depreciated rate base instead of the 5.5 per cent set by the Commission as a fair return.

"The total undepreciated historic cost ($109,580,460) less the total depreciation reserve is $77,045,071," the Commission finds.

Working capital was fixed, for rate purposes, at $3,872,000.

VICTORIA, Nov. 14 (CP) —Investigation by the Public Utilities Commission of the rates and service of the B. C. Electric Railway Company made public utility history in Canada.

Nothing similar has ever been in this country before. There was no precedent for the Commission to follow.

Object of the investigation, authorized by the legislature in 1938, was to ascertain the cost of giving the various services so that a rate could be established which is reasonable to the consumers and to the Company.

Commission engineers started the investigation of the B. C. Electric at the end of 1939 and public hearings were later held by the Commission in Port Alberni, Victoria, Vancouver, New Westminster and Kamloops, from August 1942, to January 1943. The Commission sat for 40 days and later read between 4000 and 5000 pages of evidence and studied hundreds of exhibits.

MRS. MARIETTE BURROWS found out the reason. A sick liver gave her sleepy spells, sleepless nights—made her always tired and constipated. Fruit-a-tives quickly made her strong and healthy again. Just try them. Fruit-a-tives are Canada's Largest Selling Liver Tablets.

Badoglio Forms "Technical" Gov't

By WES GALLAGHER
Associated Press Staff Writer

SOMEWHERE IN SOUTHERN ITALY, Nov. 14 (AP)—Wearied by futile attempts to obtain a representative Cabinet, aged Marshal Pietro Badoglio today organized a "technical" Government consisting of himself as Premier and a series of undersecretaries and experts to carry on the actual business of administration.

The makeshift move obviously was forced by a flat refusal of any members of the six anti-Fascist parties led by Count Carlo Sforza to join in a United Front Government as long as King Vittorio Emanuele remained on the throne.

The men who will be associated with Badoglio in the "technical" Government will play no political part and will not participate in any policy making.

The King has temporarily stymied any moves to oust him by sitting tight and ignoring political crisis on the grounds that it is impossible to form a representative Government until Rome is reached.

SAYS NAZI TROOPS LEAVING FINLAND

NEW YORK, Nov. 14 (AP) —Albin Johnson, Columbia Broadcasting System correspondent, said in a radio broadcast from Stockholm Saturday that the evacuation of German troops from Finland "appears to be definitely under way."

There was no confirmation of the reported evacuation from any other source.

"It looks like another strategic retreat," Johnson said, "with the Finns being left to shift for themselves."

At the same time he said that large German reinforcements were pouring into Denmark from the South.

SOLDIERS WORK IN RAILYARDS

VANCOUVER, Nov. 14 (CP) — A gang of 11 Canadian Army privates, none of whom has done railroad work before, has been at work in Vancouver for more than two weeks now repairing and maintaining track under the new order calling up lower medical category troops for such work.

Garbed in khaki, they are under supervision of an army officer and a regular railroad track foreman.

They will receive pay and allowances up to a total of $4 per day.

Only three of the 11 men actually feel the job is a pleasant change from army routine, a survey showed.

Airliner Averages 213 Miles an Hour Crossing Atlantic

LONDON, Nov. 14 (CP Cable) — Britain's new 26-seat airliner flew back from Montreal to England in 10 hours, 20 minutes, an average of 213 miles an hour, it was announced Saturday. The journey completed the maiden roundtrip to Canada for the craft. Known as the York, she is designed with the wings and power units of a Lancaster bomber.

Loan Total Now $1,363,901,600

OTTAWA, Nov. 14 (CP) — The National War Finance Committee announced Saturday — one week from the close of the $1,200,000,000 Fifth Victory Loan campaign — that total cash subscriptions now are $1,363,901,600, from 2,790,556 subscribers.

The "most pleasing" feature is that payroll and general canvass amounted to $596,677,600, some $61,000,000 over the objective of $535,000,000 set for these combined divisions which include the Armed forces, said the Committee. Subscriptions from the special names canvass amounted to $777,224,500.

In addition to these cash subscriptions, 24,478 conversion subscriptions have been received for a total of $166,374,800.

Latest report from the Army, with returns still coming in, was $17,446,280 from 174,592 investors, for 174 per cent of the overall objective of $10,000,000,. Lt.-Col. G. H. Rainville, National Army Loan Chairman, announced today.

This total is about 27 per cent above $13,716,400 raised in the Fourth Loan. Canadian Forces in Italy and Sicily have invested $855,300, with more returns expected.

Latest R.C.A.F. figures showed $14,623,350 from 139,757 subscriptions.

Debt Adjustment Extended for Indian Soldiers

OTTAWA, Nov. 14 (CP) —Debt adjustment facilities previously made available to white soldier settlers of the First Great War are extended to Indian soldier settlers holding land on Indian reserves under an order-in-council made public yesterday.

The order states that in many cases the value of the land has decreased and adjustments are necessary in order to keep the men on the land. Indian soldiers still owing money to the Soldier Settlement Board and still on their farms may apply for adjustments at any time before the end of 1944.

Nazis to Shoot Milan Citizens Out After 8 p. m.

BERNE, Nov. 14 (AP) — Civilians appearing on the streets of Milan after 8 p.m. will be shot on the spot Nazis have warned as a state of siege was clamped on the North Italian industrial city in retaliation for a new surge of sabotage and attacks against German troops.

Remand Juvenile Murder Case

WINNIPEG, Nov. 14 (CP) — The case of three juveniles, charged with the murder of a guard at the Vaughan Street Detention Home, yesterday was remanded for a week when they appear before Judge F.A. E. Hamilton in Juvenile Court.

The remand was granted when counsel for the youths objected to transfer of the case to the City Police court for preliminary hearing.

In charges involving an indictable offence, it is necessary that the juvenile court judge waive his jurisdiction before the hearing can be transferred to the ordinary criminal court.

Judge Hamilton will hear argument on the objection next Saturday and, meanwhile, the boys will be held at the detention home.

The guard, Edwin Pearse, 56, was beaten to death Thursday night.

Beveridge Plan In Modified Form for Britain

LONDON, Nov. 14 (CP). — Herbert Morrison, Home Secretary, indicated last night that the British Government will accept in greatly modified form the Beveridge Plan proposing social security for everyone from birth to death. He disclosed in a speech at Bolton that a Government White Paper on the scheme outlined by Sir William Beveridge, will be issued in the near future.

Recalling that Prime Minister Churchill had defined the needs of post-war Britain would be jobs, food and homes, Morrison declared: "We are going to make the great experiment of achieving full employment in a non-totalitarian community and to do this will mean bringing in many new ideas and practices and stopping many old ones."

"Social security alone is not enough," he said, adding that it should occupy no more than a comparatively small part of the overall picture of post-war Britain.

"It is much less important in the long run than ensuring that the community can earn the best possible living for itself. . . .

"We want a policy that will enable every man not only to earn but to work efficiently and earn well. Nothing less is the real solution to the economic plans of this or any country."

U.S. Bombers Out Over Germany

LONDON, Nov. 14 (CP) — United States heavy bombers, supported by a force of fighting planes, attacked targets in Northwest Germany Saturday morning, American Air Headquarters announced.

R.A.F. Mosquito bombers blasted unspecified targets in Western Germany last night, an Air Ministry communique announced, and fighters attacked rail targets in Northern France and Belgium.

The new daylight assault which the Berlin radio hinted might have been made on the ports of Wilhelmshaven or Emden, kept up the pace of better than a raid every three days which the American airmen have set.

A Berlin broadcast said the big bombers flew over Heligoland Bight, the usual route to Germany's vital North port cities.

Fighters also sank an enemy patrol vessel off Boulogne. The missions were carried out without loss.

SUB REPORTED AT HUDSON STRAIT

OTTAWA, Nov. 14 (CP) — Aircraft Detection Corps Headquarters received a report late in July that a submarine had been sighted off Port Burwell, at the Eastern entrance to Hudson Strait but it is "very doubtful" a U-boat actually was there, R.C.A.F. Headquarters said yesterday.

A Winnipeg report published on Saturday in Toronto said an Eskimo reported the submarine to a Hudson's Bay Co., radio station.

"Even experienced seamen sometimes mistake a whale for a submarine," an R.C.A.F. spokesman said after saying it is "doubtful" the report was correct.

Tom Ray Defies Council Order

PORTLAND, Ore., Nov. 14 (AP)—Tom Ray, Secretary of the powerful Portland AFL Boilermakers' Union, returned yesterday, still defying the Union's executive council at Kansas City.

Ray immediately installed himself in the Boilermakers' headquarters here and announced he would stay there, despite the Council's order for him to get out.

The Council had summoned him to a hearing in which he faced loss of union membership for failure to obey orders.

Ray said he walked out of the hearing, adding, "we objected to being tried by a kangaroo court. They wouldn't even let my attorney appear for me at the hearing."

Vatican Protests Nov. 5 Bombing

BERNE, Switzerland, Nov. 14 (CP) —A Swiss telegraphic agency dispatch from Rome, quoting a Vatican informant, said yesterday that the Holy See had given representatives of belligerent powers a note protesting the violation of Vatican neutrality in the bombing of Nov. 5.

Axis broadcasts said that Allied planes dropped four bombs, while Allied Headquarters in Algiers declared an investigation showed Allied planes could not have been responsible.

Luigi Cardinal Maglione, the dispatch added, asked the diplomats to relay to their governments the Vatican's attitude toward the problem of neutrality of the Holy See.

Another Nursery Baby Dies

MONTREAL, Nov. 14 (CP) —Six-months old Paul Emile Lefebvre died in hospital during the night and officials said he was the sixth baby known to have died in hospital after being removed from private nurseries in the district in recent weeks.

Authorities said he was suffering from a contagious disease and malnutrition when admitted to the hospital Sept. 16.

Meanwhile, inquests into the deaths of two other babies have been postponed indefinitely pending a report of a police investigation of unlicensed nurseries in the district.

King Presents Medal to Chinese Steward

LONDON, Nov. 14 (CP). — A small Chinese stepped on to the dais at a recent Buckingham Palace investiture and the King pinned the British Empire Medal on his coat—Britain's recognition of the courage of Poom Lim, 25-year-old second steward, who survived 133 days on a raft in the Atlantic after his ship was torpedoed.

Lim, who speaks little English, gave a monosyllable account of his ordeal to the King.

Afterwards he was given an official welcome to London by P. Noel-Baker, Joint Parliamentary Secretary to the Minister of War Transport.

Export Figures Continue Climb

OTTAWA, Nov. 14 (CP) — Exports of Canadian commodity products during October totalled $259,807,696 compared with $211,695,406 in October last year, boosting exports for the first 10 months of 1943 to a total greater than that of the whole year 1942, Trade Minister MacKinnon announced today.

Domestic exports during the 10 months of this year were $2,376,965,229 compared with $1,869,801,900 in the same period of 1942. For all of 1942 exports were $2,353,773,286.

Imports entered for consumption in October were estimated at $182,900,000. The balance of commodity trade in Canada favor for 1943 stands at "almost $1,000,000,000."

The figures do not include shipments of gold.

Japs Strengthen Forces in Central China

CHUNGKING, Nov. 14 (AP) — The Japanese, battling on a front stretching from Tungting Lake to the mountains South of Ichang deep in Central China, have strengthened their forces to 60,000, Chinese army authorities said yesterday as American aircraft went to the support of their Allies.

In sweeps along the Yangtse where 30,000 Japanese previously were pressing, the fliers sank a sizeable river steamer, hit numerous small boats carrying supplies, knocked out gun emplacements and damaged a radio station.

Dispatches from the Southwestern front reported that Chinese patrols West of the Salween penetrated the defences of Tengyueh, Japanese advance base in Western Yunnan province, and inflicted severe losses.

Suspended Sentence for Bringing Alien Into U. S.

SEATTLE, Nov. 14 (CP) — Donold William Walters, 20, Bellingham mill worker, received a suspended sentence Friday on a charge of illegally bringing an alien into the United States from Canada. He pleaded guilty.

Walters was indicted by the grand jury last May for bringing Dulcie Marie Theresa Sheldon, a girl friend, into the U. S. He had no prior criminal record.

Sharp Increase in War Costs

OTTAWA, Nov. 14 (CP) — Direct war expenditures of the Dominion Government totalled $1,971,475,919 for the first seven months of the fiscal year which began last April 1, the Treasury Department reported Saturday.

This was a sharp increase over the $1,232,845,493 spent in the corresponding 1942 period. Total expenditures to Oct. 31 were $2,619,686,491, an increase of $343,995,773 compared with the first seven months of the last fiscal year.

Receipts at $1,536,340,469 showed an increase of $293,261,272.

Of the $1,000,000,000 mutual aid appropriation, $206,504,813 had been sent in the seven month period — $22,590,729 of it last month.

Under receipts of the greatest increase was recorded in income and excess profits taxes, from which $941,803,186 were realized this year compared with $798,494,681 in the 1942 period.

Payments to the Provinces under taxation agreements, which allow the Dominion to levy taxes formerly within Provincial jurisdiction, totalled $96,094,663 from April 1 to Oct. 1, against $93,796,549 in the 1942 period.

McLean Seeks Health Cure in U. S.

WINDSOR, Ont., Nov. 14 (CP) — Harry F. McLean, millionaire construction firm head who distributed $100 bills and checks in Toronto and Halifax Friday received a foreign Exchange permit and left here for Battle Creek, Mich., where he planned to remain some time to regain failing health.

While here he distributed — no money.

British Columbia Doing Good Job in Cutting Fire Losses

British Columbia has been doing a good job in reducing the ratio between amounts paid for fire insurance premiums and losses. Education of the public into methods of fire prevention, improvements in fire fighting equipment, better organized fire departments, closer supervision of building construction methods, and more frequent inspections of risks by fire department officials, board engineers company representatives have all contributed to the improved picture.

The British Columbia Insurance bluebook for 1943 shows the following improvement in ratio of losses to premiums:

1937 44.05 per cent.
1938 48.72 per cent.
1939 27.45 per cent.
1940 27.61 per cent.
1941 23.33 per cent.

The average for the five years was 34.23 per cent.

Figures for 1942 ratio were not available at the time of preparation of the report.

Trouble In Hungary?

Rumors of withdrawal of 90,000 Hungarian troops which have been fighting for the Nazis on the Russian front might mean either fear of trouble from raids on its own borders by Rumanians or Yugoslavs, or perhaps Czechs, revolting against the Germans or the cause may be domestic. The British weekly New Statesman and Nation, has issued a warning that the Horthy regime may thus endeavor to pose as a convert to the Allied side. It would hope in this way to obtain support from the Hungarian people and thus avert complete downfall. The anti-Nazi forces in Hungary have, for the first time, become united in a "popular front." It is composed of the industrial workers, organized in trade unions, the Peasant Union, containing small farmers, peasants and landless agricultural laborers, and the middle-class intellectuals. All these people have suffered from the terroristic Horthy regime. They have united around a common program to obtain freedom of association, land ownership for the peasants, justice for the common man and other fundamentals of democratic government.

The Horthy regime has never represented the opinions or desires of the common people in Hungary. Since 1919 its foreign and internal policies have been guided by the interests of a small reactionary group of owners of large estates. This group has sought, without regard for their neighbors' interests, to revise the Trianon frontiers and so reclaim their former estates. They became, for this reason, eager collaborators with Hitler's war aims. They accepted his bribes of territory to be taken from Czechoslovakia, Rumania and Yugoslavia, and brought Hungary into the Nazi war of aggression.

Admiral Horthy gained power by Fascist methods, the pattern of which he laid before the appearance of Hitler and Mussolini. Like Finland's Mannerheim, he bears the nickname "Butcher" given him by workers and peasants whose organizations he has tried to crush and drown in blood. He obtained troops by bribing them with land taken from the Jews. The Horthy cabinet must share with the other Nazis and Fascists the blame and punishment for the catastrophe in Europe.

Test Yourself

1. What was the title of the rulers of the Venetian republic?
2. What is the name given the great plague that swept Europe, Asia and Africa in the 14th century, and through which, it was estimated nearly 40,000,000 people died?
3. What Russian empress was originally a peasant girl?

TEST ANSWERS

1. Doge.
2. The Black Death.
3. Catherine I.

Letters to the Editor

Letters may be published over a nom de plume, but the actual name of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Old Parties Planning to Plant Out New Batch of Farmers Says Harris

To the Editor:

Sir—I feel fortunate in having found so able and courteous an opponent as our good friend "Citizen". May we have many good tussels in your hospitable paper and set forth the truth as we have been enabled to see it. For it is the truth that is all important and not our little personalities.

Citizen feels that I jumped to wrong conclusions and mistook the facts when I implied that he was "a money lender or a mortgagee"—whereas in his capacity as a business man he has become the owner of farm lands which he operates with partners on a "crop-share basis." In reply may I point out that a man who writes under a nom de plume must accept the disadvantages as well as the protection of such a device. Amongst the disadvantages is the fact that the general public will heavily discount his statements and arguments. Why should a decent citizen who has written a very good letter not sign his own name, they most naturally ask. However the important fact emerges that "Citizen's" partners are working hard and apparently successfully on lands that they have got no title to. He is landlord, they are tenants and can be turned off the land at short notice. This is happening everywhere over t his continent and Citizen still wonders that farmers are voting C.C.F. For most of us have read the stories of "share croppers" from the land of cotton and tobacco row.

CIVILIZATION BUILT ON DEBT

Now we come to the tremendously important question of debt of living on interest or rent, etc. Our present civilization is most evidently built on this foundation. It has very great achievements to its credit. So had Greek and Roman civilizations, which were very largely built on slave labor. And yet these civilizations have most literally "gone with the wind", and we socialists or communists (whichever you like to call us) believe that capitalism is in its very last gasps and will be utterly unable to stand the strains that will arise with the coming of peace.

My good friend has jumped to the conclusion that I condemn the capitalists. As a matter of fact I do nothing of the sort. I do pity them and believe that the possession of a big income or even a moderate one, is usually a terrible curse to its owner and those around him. One of the most celebrated stories of all time, describes Dives as ending up in Hell, whilst Lazarus justly got his reward in Heaven. The poet Gay describes the great hunt for a happy man and the fine specimen that was at last secured happened to have no shirt. Wise old Goldsmith, who knew so well the ups and downs of life, wrote "where wealth accumulates and men decay".

We have indeed made money and the possession of money, ridiculously important. The wretched churches of all denominations and our little politicians and statesmen are all blinded and enslaved by its supposed powers. In fact we have worshipped "The Golden Calf" and it turns out a very false God.

I happen to come from a very "well to do" family. I still have a small income and am better off than most. After many years of very hard work, I know that I should be quite unable to live decently on the farm that I have torn from the forest. I have had a grand Scotch wife and we raised four fine children, none of whom cared to stay on the farm. Can you blame them?

Citizen has observed trains loaded with supplies going to the Prairies and knows a few fairly prosperous farmers. He jumps to the conclusion that the Canadian Farmers are fairly well off. Mr. Bracken, the new leader of the Progressive Conservatives, has declared lately that he regards it as his special mission to rescue "the Canadian farmers from their plight." Being real statesmen and not wild visionaries like we C.C.F.'ers, the leaders of both the old parties are determined to plant out a whole lot of fresh farmers on the lands that speculators will no doubt open up for them (for a consideration). This time they really are going to do the thing properly and a fresh batch of carefully selected victims will be left to struggle against the old farmers in the markets of Canada.

A returned man told me very recently how splendidly all the people in the "Old Country" were uniting to work for the common good, and how happy and healthy they were, as each and all felt that they were "doing their bit." They do not select their jobs but are fitted in to do the work required according to their aptitudes. Over here we are beginning to learn the same wisdom, and we find that an honest attempt "to do our bit" is the real secret of health and happiness. At least, it is very far better than trying "to do our neighbors" which is the only alternative.

J. C. HARRIS.

New Denver, Nov. 9, 1943.

Words of Wisdom

Nature's noblemen are everywhere, in town and out of town, gloved and rough-handed, rich and poor. Prejudice against a lord because he is a lord, is losing a chance of finding a good fellow, as much as prejudice against a ploughman because he is a ploughman.—N. P. Willis.

REPLANTING NATIONS

But an immense problem awaits those who must administer the peace. Germany has acquired 8,500,000 people from various countries, but has moved 2,500,000 to other lands. Alsace-Lorraine has been robbed of her people—those removed being replaced by an equal number of Germans. Almost half a million Germans have been planted in Czecho-Slovakia. Jewish people have been moved mostly to Poland, but some have found sanctuary in Spain and Switzerland.—Calgary Albertan.

?? Questions ?? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions will not be answered by mail except when there is obvious necessity for privacy.

Subscriber, Nelson—Will you please tell me if it is necessary for a rancher to get a permit to kill a pig and if so to whom should he apply?

If the rancher kills a pig for his own use or for sale to neighboring farmers, it is only necessary for him to register at the Local Ration Board, City Hall, Nelson. If disposing of the pig through a retail store, the retailer will have a permanent slaughtering permit, and he can authorize the slaughter.

F. K. L., Trail—Can you tell me how to treat glass and crockery to prevent breakage?

Put them on the fire in a vessel filled with cold water, add a little coarse salt, heat gradually until it boils, and then cool slowly. In this way the objects are annealed, and the slower the operation, especially in the cooling of the water, the stronger will they become.

G. M., Kaslo—Could you give me the formula for a good stove pipe varnish?

Two rounds asphaltum, one pint linseed oil, two quarts oil of turpentine. Fuse the asphaltum in an iron pot, boil the linseed oil, and add while hot. Stir well, and remove from fire. When partially cooled add the oil of turpentine.

S. R., Rossland—I have ben unable to secure any information on P. C. Wren, the author of Beau Geste. I would be very much indebted to you if you could secure any data of his boyhood, youth and most successful works.

Percival Christopher Wren was born in 1886, in Devonshire, England, a descendant of Sir Christopher Wren, a famous 17th century architect, and died November 23, 1941. He received his M.A. from Oxford and then spent five years in travel on all five continents, working his way, as a sailor, tramp, journalist, explorer, hunter and farm laborer. He was a trooper in the British cavalry and served in Northern Africa in the French Foreign Legion, giving rise to his best known books, the adventures of the Geste family. Some of his books are Beau Geste, published 1924; Beau Sabreur, 1926; The Good Gestes, 1929; Valiant Dust, 1932; Sinbad the Soldier, 1936; None Are So Blind, 1939; and Two Feet From Heaven, 1940.

Looking Backward

10 YEARS AGO
(From Daily News, Nov. 15, 1933)

Formation of an East Kootenay Basketball Association, the result of the interior association centred in the Okanagan, excluding the Kootenays, was effected at a meeting at Cranbrook.

A splendid peace pageant, put on by Miss Amelia Hanna, as the convener of the Trinity Young People's dramatic commitee, and directed by Mrs. W. C. Kettlewell, was put on for the benefit of two organizations.

Favorable consideration was given to a request for an additional teacher for Hume School, at a special committee meeting of the Board.

25 YEARS AGO
(From Daily News, Nov. 15, 1918)

Miss Sadie McCallum, matron of Kootenay Lake General Hospital, died yesterday after being ill with influenza for more than a week.

Mayor M. R. McQuarrie is confined to his home with a slight case of bronchitis.

J. R. Fleicher, in a letter from France, states that he saw several boys from Nelson while he was in London, among them W. A. Curran.

Several new cases of influenza were taken to the hospital yesterday.

40 YEARS AGO
(From Daily News, Nov. 15, 1903)

Three Forks will have another working property this Winter, in the Bachelor group, lying between the Queen Bess and Monitor mines. The property was located by George Petty about four years ago.

All steamers coming in last night were delayed by the heavy gale which was blowing on the Main Lake. The wind blew heavier than it has for probably a year or more.

A number of the oldtimers of Nelson are discussing the advisability of forming a Pioneers Society. Members will have to have resided in the Province for at least 15 years, and be residents of Nelson.

Today's Horoscope

The signs for today portend a life beset with obstacles and difficulties. However, you have the industry, the stern determination to win out in the hand. You are practical, keen-minded and loyal in your affections. Do nothing to aggravate a lax situation in your household, or the matter may become more disturbing. During the noon hour, if you have a luncheon appointment, it may prove disappointing. Try to cancel it. At 5:56 p.m. do not yield to the wishes of others if doing so will put a strain on your credit.

War—4 Years Ago

By The Canadian Press

Nov. 15, 1939—Empire statesmen in London on return from Western Front described defences as "formidable." In Prague, 2000 university students demonstrated against the German protectorate.

Etiquette Hints

If you are an overnight guest in a home, don't tell your host and hostess that "you didn't sleep a wink," even if such is the case. It implies that something was wrong with their hospitality and makes them feel uncomfortable.

Figure Skaters Here Plan an Ice Review

Presentation of an ice review this season will be one of the aims of the Nelson Figure Skating Club it was decided at an executive meeting. The matter was left for consideration in the next 10 days, but definite moves toward arrangement will be undertaken then. The Club opens its activities Sunday.

The Club will also establish its own wardrobe, and foundation for this will be laid this year. In previous seasons costumes have been rented for special events. Step too, will be taken to obtain second hand figure skates and boots for resale to members.

Services of Mrs. Mann of Trail, who last season gave figure skating instructions, will again be sought. Resignation of Miss Edna McKenzie, Vice- President, was accepted.

Miss Connie Smith, a member of long standing, was made an honorary member.

Extra skating time will be available for figure skaters it was announced. Under the present schedule fancy skating is confined to two periods totalling three and one half hours a week on Sunday afternoon and Thursday evening.

Army Strength Increased by 65,000 In Year

By FRANK FLAHERTY
Canadian Press Staff Writer

OTTAWA, Nov. 14 (CP). — The Canadian Army has increased its strength by close to 65,000 since the start of the year and appears in sight of a previously-announced goal of 100,000 additional personnel for the 1943-44 fiscal year, despite recent declines in monthly recruiting figures.

Figures made available today show intake both as general service volunteers and on compulsory call-up for home defence dropping month by month from January to September, the last month for which recruiting returns have been compiled.

Here are the monthly totals for 1943 to date:

	Volunteers	Call-up
January	10,846	6,149
February	8,247	4,484
March	7,003	3,893
April	5,909	3,325
May	5,672	2,943
June	4,561	2,567
July	4,488	2,270
August	4,020	1,961
September	4,439	1,810
Totals	55,185	29,402

The totals include both men and women. The C.W.A.C., which now has a strength of more than 13,500, takes on an average of between 400 and 500 per month.

Thus, the total intake for nine months was 84,780 but against this there were discharges numbering 25,774, of which 4564 were for home defence troops volunteering for general service, leaving net discharges of 21,210 and a net intake for the nine months of 63,570.

Defence Minister Ralston said in the House of Commons earlier this year the Army would require 100,000 men in the fiscal year which started last April 1—75,000 for overseas and 25,000 for Canada. Some were to come from reduction of the army establishment in Canada, such as has already been effected or is in progress, and the rest from recruiting.

J. ROBB CAPTURES CRIB PRIZE

A score of 960 won first prize for J. Robb, Jr., Friday night in the Nelson Cribbage Club drive. Second prize went to Mrs. M. Sewell with a score of 936, while Mrs. L. Abbott was consolation prize winner.

J. Leeming and J. Kay were Masters of Ceremony.

Kimberley Church Unveils Its Honor Roll

KIMBERLEY, B.C. — The Honor Roll of All Saints' Church members who are serving in the armed forces in the war was unveiled Sunday. Major G. F. Reeves, who was the commanding officer of the local Battery at the outbreak of the war, performed the ceremony, a large congregation being present.

Saying he considered it a great honor to unveil the Honor Roll, Major Reeves stated he was proud to share in the honor All Saints' was paying to its members in the forces.

The Roll was dedicated, and the list of 60 names was read by Archdeacon B. A. Reeker.

The Rector preached on the significance of the Roll of Honor, saying it had two purposes, the first being to remind people to pray for those serving. He stressed the high duty of public and private intercession in these days, when great and costly battles were looming. People were letting their loved ones down if they failed to give them the spiritual help of their prayers.

Included in the congregation were members of the Canadian Legion, the R. M. R.'s and Army and Air Force Cadets.

The frame for the Honor Roll was the work of R. Bastedo.

De Marigny Given the Lie Test

By E. V. W. JONES
Associated Press Staff Writer

NASSAU, Bahamas, Nov. 13 (AP)—Alfred de Marigny answered with an unhesitating "no" when asked during a lie detector test if he killed Sir Harry Oakes, Leonarde B. Keeler, private criminologist, declared today.

Keeler said the needles of the machine kept on a straight path indicating the truth when De Marigny, acquitted by a Bahamas Supreme Court jury of a charge of slaying his wealthy father-in-law, answered the question in a demonstration last night.

The lie detector device is not recognized by British courts and could not be used in De Marigny's defence during the sensational 23-day trial which ended with a verdict of innocence Thursday night.

DUFF COOPER TO BE ENVOY TO FRENCH GROUP

ALGIERS, Nov. 14 (AP).—Alfred Duff Cooper, who has held high posts in the British Cabinet, will come to Algiers as British diplomatic representative to the French Committee of National Liberation, it was learned Saturday.

Duff Cooper has been Secretary of War, First Lord of the Admiralty, and Minister of Information. He gave up the national cabinet post of Chancellor of the Duchy of Lancaster in a Cabinet changes announced yesterday.

BOURNEMOUTH, England (CP)—"Fewer but better cats" is the motto of the Cat Association, formed here. The Association wants a £1 year tax on cats and hopes by this method to reduce the number and better the species.

Read Is New President of Garden Club; 1943 Prizes Presented

A. S. Read succeeded John Draper as President when the Nelson Garden Club held its annual meeting at the City Hall Friday night. William Melneczuk was named Vice-President, and C. W. Ramsden was elected Secretary, succeeding G. A. Brown.

Named to the Executive were:

Men's Committee — John Draper, George A. Brown, J. H. Coventry, Ald. H. H. Hiplitt and H. B. Penny.

Ladies' Committee: Mrs. H. H. Hinitt, Mrs. A. S. Read, Mrs. F. E. Wheeler, Mrs. John Draper and Mrs. Jessie Barton.

High tribute was paid to Mr. Draper, President for two years, and to Mr. Brown, Secretary for three years for their work.

Among highlights was the presentation of prizes to this year's garden winners.

JUDGES REPORT

Mr. Read and Mr. Melnecsuk, two of the garden judges, and Mr. Brown, who with Mr. Draper judged rockeries and rockery boulevards, outlined the basis of the year's awards and gave tips for competitors next year.

Ald. H. H. Hinlit presented a review of the City Parks Committee program during the year, and hinted at plans forn ext year. There were now, he said, 800 geranium slips in the greenhouses at Lakeside Park, besides other plants being held over the Winter.

He planned himself to have an entirely different garden next year, he said with the emphasis upon carpets of flowers.

Opinion as to staging flower shows next year varied widely, and final decision was left to the Executive. It was suggested the Club should seek the sponsorship of a live organization to stage the shows, in an effort to obtain greater popularity for them. Opinion varied also as to staging competitive or non-competitive shows. A Spring bulb show in addition to the annual, should be made to widen Club membership and to increase entries in garden competitions.

The winners were:

Championship class—Gordon Allan, 1716 Ward Street, first; Norman Fawcett, 920 Fourth Street, second; Ald. H. H. Hinlit, 516 Kokanee Street, third; Ald. George Turner, 515 Houston Street, honorable mention.

B class—George Schupe, 601 Third Street, first; Fred Ewing, 313 Silica Street, second; Louis Senior, 915 Hoover Street, third.

Newly-developed gardens—C. W. Ramsden, 417 Sixth Street, first.

Professionally-tended gardens — W. J. Hipperson, 922 Fifth Street, first; W. B. Bamford, 816 Vernon Street, second; Mrs. H. H. Pitts, 513 Nelson Avenue, third.

Victory gardens (vegetables) — George Camm, 406 Gore Street, first; Eric Ramsden, 515 Gore Street, second; William DeFoe, 521 Elwyn Street, third; C. M. Beltner, 1006 Stanley Street, fourth.

Lawn gardens—C. H. Hamilton 414 Robson Street, first; Mrs. W. R. Grubbe, 831 Hendryx Street, second

Lawn boulevards—Vincent Fink 424 Robson Street, first.

Rock Gardens—Mrs. H. W. Robertson, Rosemont, first.

Rockery boulevards—H. B. Penny, 224 Robson Street, first.

Exhibition in late Summer was suggested.

It was suggested also that a drive

FOR COUGHS COLDS— YOU CAN'T BEAT BUCKLEY'S MIXTURE

Constable Adds Facts to Tale of Midge-Mudhen; Hull Carried Bodily by Indians and Whites

To the Editor,

Sir:—Mr. Joy's recitals of old times and things in the Kootenay country are always interesting, and his comments in your issue of the 5th with respect to the S. S. Mudhen are of that order. Inasmuch as she was the first steamer on Kootenay waterways, and had in some respects a colorful history, I ask his kind indulgence to make a few additions which I think will clarify his narrative.

"Midge" was the original name of this boat. She was originally owned by Venables Kyrke, who used her for fishing in the Norwegian fjords. Kyrke was an associate of Grohman's, and came to the Kootenays to inspect and report on that large tract of land South of Elko which Grohman had acquired from the Provincial Government, as compensation for the rescission of their agreement with him for the construction of a canal at Canal Flats, diverting the free flow of the Upper Kootenay into the Columbia. Along with Tom Procter he canoed from Golden to Nelson, of course with necessary portages, a hazardous journey first essayed, I believe, by Lee and Clutterbuck some years previously.

She was built of African teak, and Grohman relates that he brought her as deck cargo on the S. S. Polynesian to Montreal, thence under her own power by river, canal and the Great Lakes to Duluth, at which point she was placed on a flat car on the Northern Pacific Railway, and routed West. That was in 1894. Construction on the Northern Pacific had at that time reached Sandpoint, at which place she was unloaded, and brought by the Peck River trail to Bonner's Ferry, a distance of 40 miles at that time. For the greater part of this distance the hull was carried bodily by a large force of Kootenay Indians and some dozen white men. Blocks, tackle and rollers were used on the hills. It took three weeks for the job and cost an unconscionable sum.

Later she came into the possession of one Davies of lumber fame, who re-named her "Mudhen," himself being commonly known by the sobriquet. She was finally abandoned on the West bank of the Kootenay River just North of the Creston Ferry, where she gradually allied over. Before she finally disappeared I secured her stern post, rudder and some other iclas. Grohman said the biggest thing about the Midge was her whistle, which the Indians delighted to blow, a privilege accorded in return for so much wood. I believe I have this whistle, but Mr. Oscar Burden thinks otherwise. Where can these relics of other days find a last and safe resting place in our Kootenay Country?

Just while writing, may I refer back to your issue of Sept. 19, where Mr. Joy narrates some colorful history in the Kootenay's first recorded murder, and to the interesting background to the murder which lay in the disputed discovery of the Bluebell ore bodies. He recites of Judge Kelley adjucating the dispute, and ordering the deposit of guns before proceedings were commenced.

Grohman records that the rival parties were in two camps a short distance apart, and that the Judge, stepping ashore from his canoe and surveying the situation at a glance, entered upon his duties at once. Addressing the crowd which received him at the water's edge, he said, "Now boys, I think it will be fair to both camps if I grub in the one and sleep in the other, so just let me know which has the better grub outfit."

GUY CONSTABLE.

Creston, B.C., Nov. 10, 1943.

Kimberley Honors Fallen Heroes

KIMBERLEY, B. C. — Over 250 people were present to honor the fallen heroes of the war of 1914-18 and also those of the present war at the Remembrance Day service at the Orpheum Theatre Thursday. An inspiring address was given by P. Lye, President of the Canadian Legion. He recalled the sacrifices of our soldiers of the previous World War, and also those who had paid the supreme sacrifice in this war, so that we can retain our present freedom. He read a list of those who had fallen in this war and those who were listed as missing and prisoners.

An address was also given by Rev. S. T. Galbraith, who said that we often speak of the glories of war, but that there was no glory in actual warfare. The real glory, he said, would come after the war, when we undertook the task of building a new and better world in which to live. He hoped that this would be the last Remembrance Day to be celebrated on this date. The hope is that a new peace will be signed before another year is over.

March was considered the first month of the year in England until the adoption of the Gregorian calendar in 1752.

Pack Christmas Parcels for Gray Creek Lads

GRAY CREEK, B. C. — Gray Creek ladies met Oct. 28 at the Hall to pack the six Overseas parcels for Christmas. Articles packed were shortbread, fudge, shortbread cookies, crystallised (local) fruit, razor-blades, handkerchiefs, cheese, oxo cubes, salted soy-beans, chocolate bars, gum, banana flakes and mints, shaving cream or vanishing cream. With each Christmas box went an ornamental card showing local snapshot, signed by everyone in the place. A sprig of cedar from a tree in the Hall grounds was also included. Those receiving parcels were — the misses Rosemary and Melody Peters, Floyd Oliver, Corporal Frank Oliver, Pte. George Oliver and Act. Lt. Hugh Clark, R.C.N. Those helping with the packing were Mrs. George Oliver, Mrs. Henthien, Mrs. Anderson, Mrs. Shaw, Mrs. Lymbery, Mrs. Clark, Mrs. Peters, and the Misses Gwen Burge and Alice Lymbery.

Gray Creek Junior Red Cross Holds Successful Drive

GRAY CREEK, B.C. — A successful Whistdrive, followed by dancing, was held in Gray Creek Community Hall on Hallowe'en by the Junior Red Cross. Nine tables were in play at Court Whist. Mrs. Ruth McGregor and Max Senthien were prize winners. The "lucky chair" prize, donated by Mrs. Gordon Shaw was won by P. Legge. The box of groceries was won by Mrs. W. King. A large crowd from Crawford Bay attended and Mrs. Phipps of Creston was also a visitor. The supper was served by girls of the school. Beth Oliver was in charge of the gate. Mrs. Gray, Gray Creek school-teacher supervised the arrangements.

Balfour-Bay W.I. Packs Parcels for Servicemen

BALFOUR, B.C. — Balfour-Queens' Bay Women's Institute was attended by Mrs. P. Seal, Mrs. W. McHardy, Mrs. H. E. Cooper, Mrs. A. K. Cooper, Mrs. C. Holt, Mrs. H. Hudson, Mrs. R. Puechel and Mrs. Noakes.

A quilt made by the members was drawn by Miss Anne McHardy and won by Mrs. A. Anderson.

Nineteen parcels were packed for the members of the community in the armed services. Among other things each parcel contains a Christmas cake, a community news sheet of the year, a watercolor painting of Kootenay Lake, donated by Mrs. A. M. Hall.

The Church Guild Sewing meeting was held Wednesday, at the home of Mrs. C. Holt. Eight members present included Mrs. W. McHardy, Mrs. H. E. Cooper, Mrs. A. K. Cooper, Mrs. H. Hudson, Mrs. Heglund and Mrs. C. Holt.

SLOCAN CITY

SLOCAN CITY, B.C. — Mrs. H. C. Nye and her daughter Mrs. A. Phare of Nelson are here, guests of Mrs. Nye's son-in-law and daughter, Mr. and Mrs. E. W. Hicks.

Mr. and Mrs. S. Grant are spending a few days in Nelson, guests of their daughter, Mrs. M. Terry and family.

Ray Perkinson of Sylvan Lake, Alta. is the guest of his mother, Mrs. C. Perkinson and other relatives for a time.

Mrs. K. Popoff was hostess to a number of friends Thursday afternoon when the honorees were Mrs. Alec Cameron of Pouce Coupe, Mrs. Arthur Cameron of Vancouver and Mrs. W. Newton of Fishburn, Sask. Other guests were Mrs. M. Cameron, Mrs. H. Parker, Mrs. J. Graham, Mrs. R. E. MacMillan, Mrs. W. Davies, Mrs. W. Heslip, Mrs. L. Fife, Mrs. F. G. Skinner, Mrs. W. Elder, Mrs. D. Hood, Mrs. J. Marchi, Mrs. C. Wiebe, Mrs. D. B. O'Neall, Mrs. B. E. O'Neall, Mrs. F. M. Hufty, Mrs. J. H. Pinchbeck, Mrs. E. Hicks, Mrs. F. E. Robinson, Mrs. C. Perkinson, Mrs. S. Perkinson, Mrs. A. B. Clough, Mrs. D. Ewing, Mrs. T. Cooper, Mrs. H. Derrig, Mrs. D. McKeon and Miss H. Flint.

Shouldn't Happen . . .

What Sitting Does to Hips

By IDA JEAN KAIN

It is not the sitting that brings on a desk chair spread. It is the fact that you are not out playing tennis!

Just how it happens is somewhat of a mystery. Weight, apparently, has little to do with it. Even though you do not exceed your calories, you can and probably do, take on weight along the hipline. This padding takes all shapes, but the most bumptious form is in the little mound of fat, like old-fashioned pincushions, that perch on the top of the hips to the rearward.

The exercises that are effective in dislodging this particular fat padding are the staccato side-back kick, rolling to bring the weight smack on the target and a thorough side-stretcher.

In kicking, cup one hand over the muscles that are supposed to be working (the ones underneath the fat pad), and see that they are. Here is a kicking exercise that will slim the hips.

Position: Stand with the right hand placed on back of chair for support, weight resting on the right leg. Cup left hand over fat pad on left hip to feel the muscular action as you kick.

Movement: Slowly move the right leg out and back, sideward, in a short but vigorous thrust from the hip with both knees straight throughout. Do not sway out to opposite side. Very slowly, repeat six times, then perform the same number of counts with the other leg.

A straight roll across the hips is an unusually efficient streamliner. So include this one.

Position: Lie on back on floor, legs together, very slightly off the floor.

Movement— Roll straight across the upper hipline and over, until you are face downward on the floor then roll back across the large part of the hips and make a complete circle in the other direction, finishing on the other side, and face down. Start with 12 counts, gradually work up to 25, and finally to 50.

Finally, the side stretch. . . .

Position: Stand erect with feet apart, arms upstretched over head.

Movement—Stretch vigorously all along one side by bending in the opposite direction and slightly backward so as to have most of the stretch through the fat pad. Come back to centre and repeat to other side. Make this a slow, thorough-going stretch. Perform 12 counts, later 25.

WEEKLY WARTIME FOOD HINTS

Martha Logan, Swift's famed Home Economist, whose weekly cooking column is a regular feature of this page. Look for these valuable hints every Monday!

by Martha Logan

Cabbage is for Kings!

Full of Vitamin C, Cabbage has come into its own as a favourite food

First a word to the wise about cooking cabbage as a green vegetable. It will have better texture, colour and flavour (and more vitamins) if you cook it quickly in boiling water (seven minutes shredded, a little longer in sections).

But don't be content only to serve it like that . . . or as cole slaw (though cole slaw is nutritionally valuable. But there are so many other good ways of enjoying cabbage. For instance:

CABBAGE ROLLS to Serve 4

½ lb. ground beef
1 large cabbage leaves
½ cup cooked rice (or bread crumbs)
1 egg, slightly beaten
¼ cup milk
2 tbsp. chopped onion
2 tbsp. fat
1 cup cooked tomatoes
¼ cup sliced onion
½ bay leaf
Salt and pepper to taste

Parboil cabbage leaves 5 minutes. Combine beef, rice, egg, milk, seasoning and 2 tbsp. onion. Place a spoonful of meat mixture in each leaf and fold to cover meat; fasten with toothpicks. Brown in fat in large pan. Add tomatoes, sliced onion and bay leaf; cover and simmer 45 minutes.

SPICY CABBAGE AND SAUSAGE CASSEROLE to serve 4

½ lb. sausage
1 tsp. vinegar
1 tsp. paprika
2 cups shredded raw cabbage
1 cup canned tomatoes, or gravy
6 soda crackers (crumbled)

Crumble sausages and panfry. Mix in vinegar, paprika and cracker crumbs. Place layer of cabbage in casserole, then layer of sausage mixture. Repeat. Add tomatoes or stock. Bake, covered, in moderate oven (350°) about 30 minutes.

• • •

There are still left a few copies of Martha Logan's famous handbook of meat cookery "Meat Complete." Send 10¢ for your copy to Swift Canadian Co. Limited, Dept. NDN New Westminster.

MEAT is material of war

SWIFT CANADIAN CO. LIMITED
a Dominion-wide organization devoted to the conservation and efficient distribution of Canada's food resources

Sally DeMarco, of the celebrated DeMarco dance team, shows you how to go about stretching to take off the fat pads on your hips (not hers!) The idea is to stretch very slim through the middle and bend to the side and slightly back. If you do it right you'll know you are hitting the spot. Those surprised muscles underneath the fat will tell you.

NELSON SOCIAL

By MRS. M. J. VIGNEUX

Charge for Engagement Announcements in This Column is $1.50

• Mrs. C. B. Hamilton, who spent the Summer months at her Kokanee home, has taken up residence in the Terrace Apartments.

• George Truscott, accompanied by his daughter and granddaughter, Mrs. Fred Carlson and Linda, of Vancouver, left Saturday after a week spent in Ainsworth and Nelson.

• Malcolm Cameron of Slocan City accompanied by his daughter-in-law, Mrs. A. R. Cameron of Peace River, who with her husband and family is holidaying for a few weeks at Slocan City, spent Saturday in Nelson.

• Mrs. Janet Coates, Rosemont, had as weekend guest, Miss Shirley Gillanders of Trail.

• Mrs. W. Murphy, who has spent a few weeks visiting her sister, Mrs. Kelly, in Spokane, has returned and is with her mother, Mrs. J. V. Meyers, Hall Mines Road.

HOME ON FURLOUGH

• Mr. and Mrs. Charles Norris, Fairview, have as guest their son, Lac. (Mac) Norris, who is home on furlough from Regina.

• Oscar H. Burden of Crawford Bay was a visitor to town the latter part of the week.

• Mrs. William Muraro and her baby daughter left Kootenay Lake General Hospital Saturday for their home on Granite Road.

• Miss Janet Madden, resident pupil of St. Joseph's Residential School, spent the weekend with her parents, Mr. and Mrs. Leo Madden in Ymir.

• Miss Ida Graham, who teaches at Slocan Park, spent the weekend with her mother, on Josephine Street.

• Bishop Carroll of Calgary made a brief visit to Nelson Friday.

JOINS AIR FORCE

• Mr. and Mrs. A. A. Robins of the Noble Five mine at Cody were weekend visitors to the city. They were accompanied by their daughter, Miss Elaine Robins, who left yesterday to join the R.C.A.F. in Calgary.

• Mrs. T. J. Ironside of Silverton is spending a few days at the home of Mr. and Mrs. Charles Norris, Fairview.

• Mrs. Dosey of Procter visited Nelson during the weekend.

• Mrs. Burkinshaw, who teaches at Willow Point, spent the weekend in Nelson at the home of her mother, Mrs. William Wadds, Nelson Avenue.

• Orphie Bellavance of Sheep Creek left Saturday for the Coast.

• Mr. and Mrs. Vere McDowall of the Whitewater mine spent Saturday in Nelson.

• Mrs. H. Lougheed of Creston spent the weekend with her son-in-law and daughter.

• Dr. and Mrs. A. Francis of New Denver were weekend visitors to town.

• Mrs. H. Fleury of Rossland is spending a few days in the city, guest of Mr. and Mrs. F. Nichols, Nelson Avenue, while here visiting her father, A. Tregillus, who is in Kootenay Lake General Hospital.

HOME FROM COAST

• Miss Isabel Graham, who is in training in a Vancouver hospital, is holidaying at the home of her parents, Mr. and Mrs. W. Graham, Latimer Street.

• Mr. and Mrs. G. G. Fair of Salmo were visitors to town Saturday.

• Lord Aylmer was a shopper from Willow Point at the weekend.

• Mr. and Mrs. T. J. Teahan of Trail and Mrs. Thomas Lennon visited town over the weekend.

• Mrs. D. W. Wilkinson, who has spent the past month at Gold Hill in the Lardeau, guest of Mrs. Ema Rear, also with Mr. and Mrs. James B. Bird at Crescent Bay, and the Kinahan family, Silica Street, has left for Spokane.

• Mrs. Frank Phillips was tea hostess to St. Saviour's Mothers' Club in Memorial Hall Friday afternoon when those present were Mrs. J. Hamlet, Mrs. F. Jasper, Mrs. Thomas German, Mrs. G. A. Fletcher, Mrs. E. J. Boyce, Mrs. F. W. Cartwright, Mrs. G. R. Thompson, Mrs. William Middleton, Mrs. Jesty, Mrs. W. G. C. Lanskail and Mrs. F. B. Pearce.

• Mr. and Mrs. Andy Thompson of the Kootenay Belle, Sheep Creek, were weekend visitors to town and were guests of Mr. and Mrs. R. Bradley, Fairview.

• A. R. Heighton of Fruitvale spent Saturday in Nelson.

• W. M. Leutholl, lumberman of Deer Park, visited town during the weekend.

• C. Nielson was in town from Brilliant Saturday.

• Shoppers in town at the weekend included Miss Jean Avis of Lemon Creek.

• Miss Howard of New Denver was a weekend visitor to town.

• Shoppers in the city Saturday included Mrs. S. C. Squires and her daughter, Mrs. Duncan Carter of Robson.

• Shoppers in the city Saturday were Mrs. Axel Peterson of Castlegar.

• Mr. and Mrs. George Lambert, Front Street, had as weekend guest Miss Norma Irving, who teaches at Sheep Creek.

• Shoppers in the city Saturday included Mrs. King of Crawford Bay.

• Mrs. O. Ballard was in town from Robson during the weekend.

• James H. Gagnon of Trail spent the weekend at the home of his mother, Mrs. C. V. Gagnon, 920 Silica Street.

• Oscar B. Appleton of Sunshine Bay spent Saturday in town.

SEWING CONVENER COMMENDS CRESCENT VALLEY GIRLS

SOUTH SLOCAN, B.C. — Mrs. Harry James, Convener of sewing for the Red Cross, mentioned the outstanding work of two girls, Effie Reed and Dolly Jeroma of Crescent Valley, who had made over three infant's dresses and two slips in the summer holidays from outdated garments, working at the home of Mrs. James.

beaten eggs. Add cheese and salt. Cook slowly until cheese melts and mixture is creamy. Let cool, then add baking powder. Toast bread on one side, spread cheese mixture on untoasted side, to the very edge. Brown delicately under low broiler flame or in oven. Serve hot from oven. Makes enough for 10 to 12 slices.

Cranbrook I.O.D.E. Sends 242 Parcels Overseas

CRANBROOK, B.C. — The parcels committee convener reported at the meeting of the Kiskahook Chapter, I.O.D.E., that 242 Christmas parcels had already been shipped overseas, with a few more to go, and the cost of these had totalled $612.45.

Prizes will be awarded by the chapter to one boy and one girl in senior high school and in junior high school at the term end, preferably to outstanding students in social studies, though a definite decision will not be reached until school authorities are consulted.

Mrs. V. C. Brown reported she had shipped to Winnipeg 410 pounds of wool collected from the public. This will be made into 60 pure wool blankets to be sent overseas for civilian relief. The cost will be $100. Mrs. D. W. Dow reported she had shipped 42-pounds of donated magazines for service libraries.

The chapter has decided to have a banquet December 6, the third annual chapter banquet to which only members will be invited. It also authorized purchase of a wreath to be laid on the cenotaph at the Armistice day service, and many of the members attended the ceremony at which they were officially represented by their regent, Mrs. G. M. Argue.

NAKUSP

NAKUSP, B.C. — Mr. and Mrs. Ronald Somers and young daughter Marilyn of Nelson were weekend guests of Mr. and Mrs. Walter Maxwell.

Mr. and Mrs. J. Lee of Arrow Park were Nakusp visitors.

Mr. and Mrs. A. James of Arrow Park visited Nakusp.

Mrs. J. Miller of Nelson arrived Saturday to attend the funeral of her father, George Davidson.

Pal Kubala arrived, is a guest of his parents, Mr. and Mrs. John Kubala.

Mr. and Mrs. J. Parent Sr., and Mrs. Parent's sister, Mrs. A. Lemieux of Wrangell, Alaska, who is here visiting, returned from a few days visit to South Slocan, Castlegar, and Nelson.

Mrs. Graham McIntosh and Mrs. Walter Maxwell, were guests of Mr. and Mrs. R. W. Somers of Nelson for the past week.

Miss Margaret Crawford of Arrow Head was a Nakusp visitor.

Mrs. M. H. Yeld and Mrs. M. Jones of Edgwood were Nakusp visitors.

Quill pens were first used in the sixth century.

MIXED VEGETABLE SOUP CREAMED

1 small potato, 2 small carrots, 1 small onion, 2 tablespoons chopped green pepper, 2 stalks celery, ½ teaspoon salt, 2 tablespoons fat, 2 tablespoons flour, 2 cups milk, additional salt and pepper.

Pare and dice potato, scrape and slice carrot, peel and slice onion, dice celery and green pepper. Put all into boiling water to cover, add salt and boil gently uncovered until vegetables are tender, about 20 minutes. Make white sauce: melt buter, add flour and blend, then add milk, stirring constantly over low heat until thickened and smooth. Stir into vegetables, heat together, season carefully and serve piping hot. Makes 4 or 5 cups.

CHEESE TOAST

½ to ¾ pound cheese, thinly sliced, 1 cup milk, 2 tablespoons flour, 2 tablespoons water, 2 eggs, ½ teaspoon salt, 1½ teaspoons baking powder.

Shave cheese into thin, small pieces. Heat milk in double boiler, thicken with flour which has been mixed with water, and cook for 5 minutes; then add this sauce to the

This CHOCOLATE is a FOOD

CADBURY'S
DAIRY MILK CHOCOLATE

Delicious—sustaining—full of energy, Cadbury's Dairy Milk Chocolate is the favourite of all Canadians, overseas and at home.

Due to wartime difficulties, we are not always able to meet the ever increasing demand for Cadbury's. We regret any disappointment this may cause you.

"Things move FAST on my job!"

"ENERGY, and more energy—that's what I need to keep abreast of my fast-moving war production job. And I find in Grape-Nuts just the kind of energy food I need!"

Canadians everywhere work better and feel better because their morning dish of Grape-Nuts gives them *carbohydrates* for energy, *phosphorus* for teeth and bones, and *iron* for the blood. And *man!*—how they enjoy their breakfast! For Grape-Nuts have a distinctly *different* flavor that makes a hit with everybody! It's malty-rich, sweet-as-a-nut!

Enjoy those delicious "chewy" Grape-Nuts kernels at *your* breakfast. And try them in cookies, custards, etc., too. Recipes are on the packages.

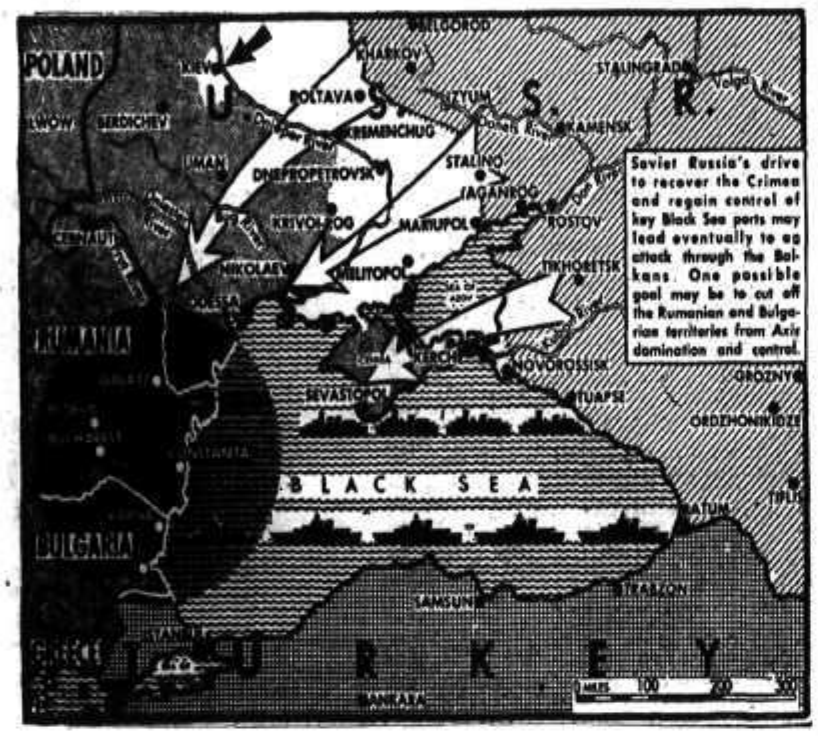
TODAY'S News Pictures

BRITAIN'S LARGEST TRANSPORT FLIES TO CANADA A view in Montreal of the giant British transport, the Avro-York, which recently made its first flight from England to Canada. A transport version of the famous Lancaster bomber, the Avro-York is a high-wing monoplane with a 102-foot wingspan and an overall length of 78 feet. It has four Rolls-Royce Merlin engines and can carry more than 50 passengers. One of the passengers who flew in the big plane from England was Roy Chadwick, designer of the York and the Lancaster.



HOW RUSSIA MAY STRIKE AFTER THE DNIEPER: The tremendous successes the Russians are meeting in their offensive has brought them in control of several strategic Black Sea ports. In Russian hands, these harbors may be used for an attack on Rumania and Bulgaria, German-satellite states. The three white arrows indicate the directions of possible attack, in which the Red fleet is destined to play an important part. The small black arrow shows the tremendous current drive past Kiev.

BOMBERS HIT STRATEGIC JAP PORT! This photo is a remarkable closeup of the damaged waterfront section of the great Japanese base at Rabaul, New Britain. Installations along the shore are in flames after direct hits. Two nights later Australia Beaufort bombers hit again at Rabaul starting more fires, hitting a heavy cruiser, a cargo vessell and eight other ships. Last Thursday three warships were sunk, 12 others damaged.

CUPID'S DART: Eduardo Chevez, New York night-club bandleader, is shown with his bride, the former Deli Carroll, after they were wed. The couple figured prominently in the news, a few months ago, when Miss Carroll stabbed and seriously wounded Chavez, following a lovers' quarrel.

UNRATIONED: You'll find this unrationed footwear in your scrap bag. Make these colorful slippers entirely of cloth scraps, or use rug cotton. Since they can be worn about the house to save rationed shoes, these slippers are welcome Christmas gifts. Pattern 722 has directions for slippers and soles in small, medium, large size (all in one pattern).

Send 20 cents for this pattern to The Nelson Daily News, Needlecraft Dept., Nelson. Write plainly pattern number, your name and address. Patterns will be mailed to your home in about 15 days. There may be some further delay in delivery because of the large increase in orders during the present season.

Marion Martin

BABY DOLL OUTFIT: It isn't Christmas unless you've dressed at least one doll to bring joy into the heart of some little girl. Pattern 9567 is an adorable baby-doll wardrobe. It contains everything a modern little mother could wish. Choose material for the tiny garments from your scrap bag.

Pattern 9567 may be ordered only for dolls measuring 10, 12, 14, 16, 18 and 20 inches. For individual yardages, see pattern.

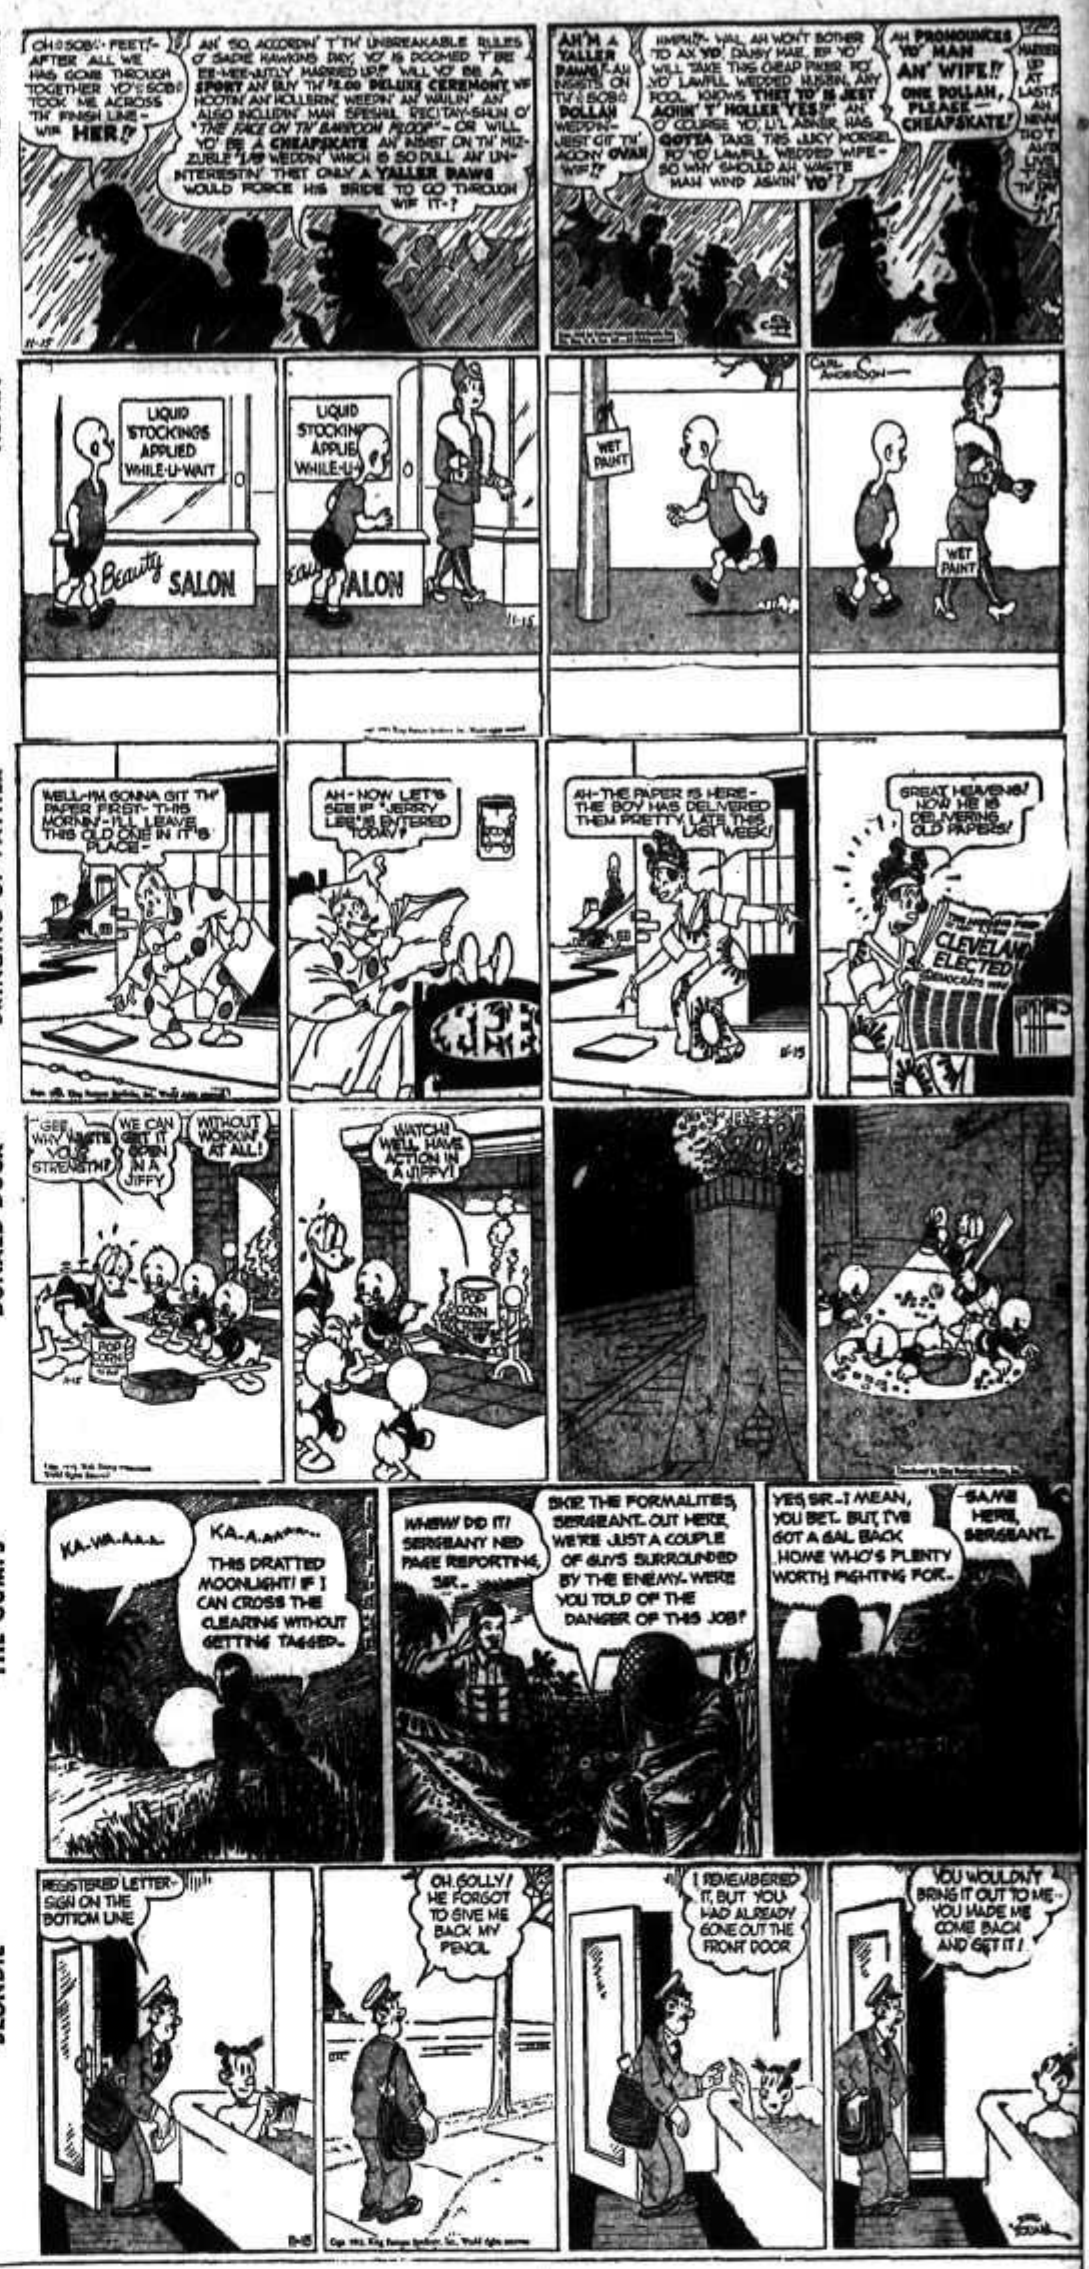
Send 20 cents for this pattern to The Nelson Daily News, Needlecraft Dept., Nelson. Write plainly pattern number, your name and address. Pattern will be mailed to your home in about 15 days. There may be some further delay in delivery because of the large increase in orders during the present season.

AUNT HET

By ROBERT QUILLEN

"Company I enjoy don't wear me out, but I age fast when I have to cook for one o' pa's folks I don't like."

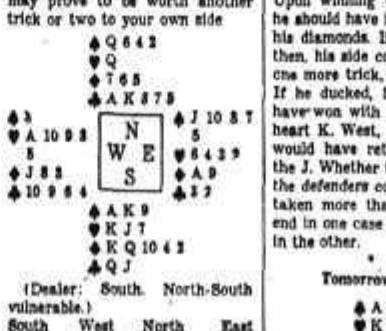
LONDON (CP)—A memorial gate will shortly be unveiled in London to Netherlanders killed while trying to escape to Britain or killed in the war after their escape.



Contract... By Shepard Barclay

DON'T SET 'EM UP FIRST

IF YOU are ultimately due to let the opponents have the lead, while playing a No Trump contract, don't operate in such a manner that they are sure to have one or more other tricks established by them. Holding back a stopper in the suit where those tricks would otherwise be set up may prove to be worth another trick or two to your own side



(Dealer: South. North-South vulnerable.)

South	West	North	East
1 ♦	Pass	2 ♣	Pass
2 NT	Pass	3 NT	

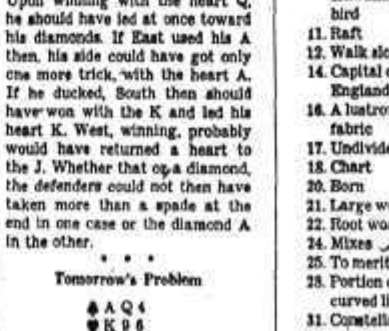
Dummy's Q took the lead of the heart 10. South, seeing nine readily-runnable tricks, cashed the club Q and J and decided to put extra tricks up to the single proposition of hoping the spades were evenly divided, so he could cash a thirteener. He scored the A and then the K. Realizing now that this would not work, it was too late to change plans. He went to the dummy with the spade Q, scored three more clubs and had his contract safely in hand, with nine tricks.

Then he led toward his command holding. East, who had blanked his A in order to keep his last two spades and a heart, ruffed off a trick in diamonds, his two in spades, and led to West's heart A for the final trick, holding South to exactly his bid.

How easy it would have been to pick up a couple of extra tricks. Upon winning with the heart Q, he should have led at once toward his diamonds. If East used his A then, his side could have got only one more trick, with the heart A. If he ducked, South then should have won with the K and led his heart K. West, winning, probably would have returned a heart to the J. Whether that or a diamond, the defenders could not then have taken more than a spade at the end in one case or the diamond A in the other.

* * *

Tomorrow's Problem



Dealer: North. Both sides vulnerable.)

What principle underlies the only playing plan which will enable North to make his contract of 6-Clubs on this deal?

Market Trends . . .

NEW YORK, Nov. 14 (CP) — Profit taking hit recently buoyant liquor stocks in Saturday's market and most leaders were unable to show much in the way of recovery animation.

Turnover for the hours of around 260,000 shares was one of the smallest in more than two months.

Liquidation on the idea the war in Europe might end quickly continued to taper although there was considerable timidity regarding reinstatement of commitments pending more light on taxes.

TORONTO, — Mining Stocks rounded out the week on a tone of weakness while Industrials held fairly steady and Western Oils were unchanged to slightly lower. Turnover was about 150,000 shares.

Mid-continent Oil was the most active and it recorded a loss of a small fraction.

MONTREAL, — Leaders in Utilities moved up a little but other sections were unchanged or down.

Posting gains in utilities were International Utilities 'A', at a new top, Montreal Power and Shawnigan.

VANCOUVER, — There was a quiet session on the Vancouver Stock Exchange with both mines and oils holding firm.

WINNIPEG, — Rye Futures dipped as much as 1¼ cents a bushel but recovered near the close to finish ¼ higher to ⅝ lower. December finished the session at $1.14½, May $1.11¼ and July $1.09¼.

CHICAGO, — Grains rallied from an early slump, commercial buying supporting wheat on an announcement that the food distribution administration was inquiring for additional quantities of flour. The bread cereal regained all its initial losses and at times moved above the previous close.

Distributed by King Features Syndicate, Inc.

Cryptoquotes are quotations of famous persons written cipher. A substitute character has replaced the original letter. For instance, an "R" may substitute for the original "E" throughout the entire cryptoquote, or a "BB" may replace an "LL." Find the key and follow through to the solution.

Canadiens Extend Win Streak by Taking Wings; Hawks Beat Rangers

DETROIT, Nov. 14 (CP)—The Montreal Canadiens, lone undefeated team in the National Hockey League, extended their winning streak to five games tonight by blanking the Detroit Red Wings 2-0, before 13,515 spectators. Elmer Lach and Gerry Heffernan scored for Montreal.

Dark-haired Bill Durnan, 29-year-old rookie netminder, kicked out 20 shots and gained the season's first shutout. It likewise was the first time Detroit had been blanked in 67 games since the 1942 League playoffs.

The victory boosted Montreal's League lead to a game and a half over the idle Toronto Maple Leafs.

Jimmy Franks was required to make only nine saves in the Detroit nets, but twice the Canadiens slipped around his defence for wide open shots that he couldn't handle. Lach got the first in the fifth minute of the opening period. Heffernan scored early in the third period.

The game was rough and 16 penalties were handed out, eight to each team. Carl Liscombe and Murph Chamberlain went to the penalty box five minutes each for fighting in the third period, and Chamberlain's eye was brightly decorated when he left the ice.

Lineups:

Montreal — Durnan; McMahon, Harmon; Chamberlain; Filion, Getliffe.

Detroit—Franks; Egan, Sherritt; Quackenbush; Bruneteau, Liscombe.

Referee — Bill Chadwick; Linesmen—Orville Roulston, Stan McCabe.

Montreal subs—Bouchard, Lamoureux, Blake, Richard, O'Connor, Lach, Majeau, Heffernan, Walton.

Detroit subs — Jackson, Simon, Grosso, Brown, Carveth, Jennings, Bennett, Sherf.

Summary:

First period—1, Montreal, Lach (Bouchard) 4:12.

Penalties—Egan (2), Filion, Sherg, McMahon (2), Brown, Harmon.

Second period—Scoring, none.

Penalties—Egan, O'Connor, Grosso, McMahon, Chamberlain.

Third period—2, Montreal, Heffernan (O'Connor) 3:30.

Penalties — Liscombe (major), Chamberlain (major), Jennings.

CHICAGO, Nov. 14 (AP)—Chicago Black Hawks scored four goals in each of the second and third periods tonight, with Cully Dahlstrom making three of them, to smash the New York Rangers 10-5 for their third straight National Hockey League victory and go into a second place tie with idle Toronto.

A crowd of 13,773 watched the Hawks whiz through the collapsed New York defence to account for more goals than any other team this season.

Lineups:

New York — McAuley; Heller, Davidson; Hiller; Hextall, Strobel.

Chicago—Highton; Selbert, Dyte; Dahlstrom; March, Thoms.

New York subs — Sands, Boucher, G. Warwick, Raleigh, McDonald, W. Warwick, Gooden, Labovitch.

Chicago subs — Smith, Purpur, Allen, Bentley, Campbell, Moslenko, Gottselig, Johnson, Buttrey.

Referee—Bert Hedges. Linesmen—Joe Springer and Steve Meuris.

Summary:

First period—1, New York, Hextall (Heller) 0:33; 2, Chicago, Thoms (Dahlstrom, March) 11:36; 3, Chicago, Allen (Johnson) 14:09.

Penalties—March, W. Warwick.

Second period—4, New York, Hiller 1:06; 5, Chicago, Dahlstrom (Allen, Selbert) 5:36; 6, Chicago, Bentley (Moslenko, Thoms) 6:45; 7, Chicago, Gottselig (Campbell) 7:42; 8, New York, Gooden (Hiller) 9:07; 9, Chicago, Dahlstrom (Thoms, March) 18:30.

Penalties — Boucher, Hextall, Campbell, Johnson.

Third period—10, New York, W. Warwick (G. Warwick) 2:36; 11, Chicago, Moslenko (Bentley, Smith) 6:23; 12, Chicago, March (Dahlstrom, Thoms) 10:39; 13, Chicago, Dahlstrom (March) 11:15; 14, New York, Gooden (Boucher, McDonald) 11:58; 15, Chicago, Selbert (Moslenko) 14:36.

Penalties—Selbert, Johnson, Allen, Gooden.

SPORTS

Highton Holds Off Leafs as Hawks Win; Canadiens, Bruins Win

TORONTO, Nov. 14 (CP)—Chicago Black Hawks made the "finishing touch" pay dividends Saturday for a 4-1 victory over Toronto Maple Leafs before 16,350 fans who saw youthful Hec Highton in the Chicago nets give one of the National Hockey League season's most polished netminding performances.

Despite a three-stitch face injury acquired in the second period when struck by a blue-line drive, the former Vancouver amateur stayed in the game and stood off all attacks until 11:25 of the third period, when Lorne Carr was left unguarded on Highton's doorstep.

Lineups:

Chicago: Highton; Selbert, Dyte; Dahlstrom; March, Thoms. Subs: Smith, Purpur, Allen, Bentley, Campbell, Moslenko, Gottselig, Johnson.

Toronto: Grant; Pratt, Morris; Hamilton; McLean, Webster. Subs: McDonald, Davidson, Hill, Carr, Kennedy, Johnstone, Boothman, Dunlap, Bodnar.

Referee: Norm Lamport. Linesmen—Jim Primeau and Eddie Mephan.

Summary:

First period: 1, Chicago, Smith (Bentley) 14:21; 2, Chicago, Moslenko 19:21.

Penalties: Bodnar, Selbert.

Second period: 3, Chicago, Gottselig (Allen) 6:26.

Penalties: Smith, Purpur.

Third period: 4, Chicago, Bentley (Selbert) 5:04; 5, Toronto, Carr (Webster, Bodnar) 11:25.

Penalty: McDonald.

MONTREAL, Nov. 14 (CP) — Montreal Canadiens rolled up their fourth straight victory and became the only undefeated team in the National Hockey League Saturday night when they whipped Detroit Red Wings 4-1 before a sellout crowd of 12,208.

Lineup:

Detroit: Franks; Sherritt, Egan; Howe; Bruneteau, Liscombe. Subs: Simon, Jackson, Grosso, Brown, Carveth, Jennings, Bennett, Quackenbush, Sherf.

Montreal: Durnan; Bouchard, Lamoureux; Chamberlain; Getliffe, Watson. Subs: McMahon, Harmon, Blake, Richard, Lach, O'Connor, Majeau, Heffernan, Filion.

Officials: Referee, Chadwick; linesmen, Lepine and Mullins.

Summary:

First period: 1, Montreal, Getliffe (Chamberlain, Lach) 18:30.

Penalties: Egan (2), Watson, Simon, Chamberlain, Jackson.

Second period: 2, Montreal, Heffernan (Watson, Harmon) 6:36; 3, Montreal, Lach (Blake, McMahon) 13:36.

Penalties: Watson, Bennett, Egan, Lach.

Third period: 4, Detroit, Grosso (Liscombe, Bruneteau) 1:17; 5, Montreal, Chamberlain, Lamoureux) 17:24.

Penalties: Watson, O'Connor, Sherf, Jackson.

NEW YORK, Nov. 14 (CP) — Boston Bruins had all the opposition they could handle for two periods last night, but in the third they romped through a porous defence to score three goals and wallop the New York Rangers 6-2. It was the sixth consecutive setback for the Rangers in the new National Hockey League season. A crowd of 15,407 saw the game.

Lineups:

New York Rangers: McAuley; Heller, Davidson; Raleigh; G. Warwick, B. Barwick. Subs: Dewar, Sands, Boucher, McDonald, Hextall, Mann, Gooden, Hiller.

Boston: Gardiner; Hollett, Wilkinson; Gallinger; Scherza, Guidolin. Subs: Cain, Clapper, Calladine, Cowley, Aubuchon, A. Jackson, H. Jackson, Boyd.

Referee: King Clancy, Linesmen; Sam Babcock and Bill Scherr.

Summary:

First period: 1, New York, Hiller (Hextall) 4:33; 2, New York, Gooden (Sands) 16:10; 3, Boston, Cain (Cowley, A. Jackson) 18:10.

Penalties: McDonald, Guidolin, B. Warwick.

Second period: 4, Boston, Hollett (Gallinger) 11:46; 5, Boston, A. Jackson (Cowley, H. Jackson) 15:34.

Penalties: A. Jackson.

Third period: 6, Boston, Calladine, 8:26; 7, Boston, Cain (Cowley, A. Jackson) 14:34; 8, Boston, A. Jackson (Cowley, Cain) 14:51.

Penalties: None.

Washington, U.S.C. to Be Rivals in Rose Bowl Game

SAN FRANCISCO, Nov. 14 (AP) —The University of Washington and the University of Southern California will be the rival football teams in the annual Rose Bowl contest at Pasadena New Year's Day, a special committee of the Pacific Coast Conference decided today.

This game will also decide the Pacific Coast Conference championship.

The committee, after its meeting, a closed session, said in a statement:

"The tournament of Rose Association and the Pacific Coast Conference explored in full the possibility of playing a game of traditional East West character but from all points of view, including the military, the Wash., Southern California contest was chosen as the most desirable and practicable under present war conditions."

St. Andrew's Beat North Shore United

VANCOUVER, Nov. 14 (CP) — While 1400 persons cheered St. Andrews defeated North Shore United 3-2 in a Coast League soccer game at Athletic Park this afternoon.

Outcome of the match leaves the North Shore two points behind Boeings—the leaders. It puts St. Andrews in a tie with St. Saviours for third place.

Blackpool Win Over Rovers Gives North Lead

By ALLAN NICKLESON
Canadian Press Staff Writer

LONDON, Nov. 14 (CP Cable)—Blackpool celebrated the return of Ephriam Dodds, Scottish International, to its line-up Saturday by overwhelming Blackburn Rovers 8-0 and taking over the leadership of the Football League North.

Sparked by Dodds who was making his first home appearance of the season after an illness, Blackpool showed an all-International forward line including Mort Mortensen who scored four times. Dodds set up many plans and tallied once.

Sunderland, the deposed leaders, faced a 25,000 crowd at Newcastle and fell 3-1. High-ranking Aston Villa suffered a shock in losing 5-0 to a mediocre Northampton team.

Labor Minister Ernest Bevin watched Liverpool register the day's highest score, 9-0 victory over Chester, with Jack Done scoring seven from his centre-forward position.

West Bromwich fielded seven wartime discoveries and beat Stoke 3-0 in a game that saw W. G. Richardson score his 100th goal in wartime soccer.

The League South also had a new leader in West Ham which whitewashed Millwall 3-0 while the former leader, Queen's Park Rangers, absorbed a 5-0 defeat from Arsenal. A crowd of 20,000 saw Arsenal regain the championship form of last season with Denis Compton assisting in three goals and scoring another. Lewis scored three times.

Crystal Palace sprang a surprise in winning their first home game in nine weeks. They defeated by 4-1 an Aldershot team which boasted six Internationals including all three England halfbacks.

Lovell's Athletic remained at the head of the League West table, trouncing Swansea, 5-2.

Glasgow Rangers continued to lead the Scottish Southern League, blasting Queen's Park 4-1 with MacIntosh scoring all four goals. Dumbarton regained some lost ground by edging out Clyde 1-0. The Scottish Northeastern League standing remained unchanged when the leading Raith Rovers clipped Rangers 3-1.

May Have Red Cross Corps Here

Plans to organize a Canadian Red Cross Corps in Nelson, to go on probation for six weeks before a detachment is authorized, were made Friday night by Nelson women interested in the work offered by the Corps.

Working in cooperation the Executive of the Nelson Branch of the Canadian Red Cross Society, who discussed with Provincial Chairman of the Corps, Mrs. J. N. Mawer, the possibilities of such an organization in Nelson.

Mrs. E. N. de Satge, Commandant of the B.C. Corps, spoke informally to the group of women, many of whom were members of the now disbanded Canadian Women's Training Corps.

Mrs. de Satge traced the history of the Red Cross Society, told how it originated and grew until "today it was the great world-wide organization for good that people in distress turned to for help.

"The Canadian Red Cross," the speaker explained, "had its beginnings at the International Red Cross Conference in London, 1938, at which the importance of trained, uniformed personel in the Red Cross was emphasized.

"The Corps began at the Women's Voluntary Service Corps of the Canadian Red Cross Corps. It consists of a Transport Section, a Nurses' Auxiliary Section, Office Administration, Food Administration, and recently a University Training Detachment.

"The purpose of the Corps is to provide a trained and disciplined body of Red Cross workers wearing identifying uniforms who will be available for Red Cross and other forms of National Service, both in war and peace. They must be prepared to submit to discipline and training as prescribed by Corps manuals, to give service as required, and to buy their own uniforms," Mrs. de Satge stipulated.

Following her talk, Mrs. de Satge held open forum, and answered questions pertaining to the Corps.

W. R. Grubbe, President of the Nelson Branch of the Red Cross, stated on behalf of the Executive that a resolution had been passed that it would sponsor the Corps in Nelson if and when organized.

Mrs. E. D. Ruthergien, Miss Winnifred Kinahan, Miss Dora Perasso and Miss Margaret Arthur comprise a committee which will organize a platoon, which, if it reaches a strength of 20 or 26, will become a permanent detachment of the Canadian Red Cross Corps.

C.P.R. Employees Win V Flag

A Fifth Victory Loan pennant indicative of an over-subscribed quota by $22,000.00, was presented to employees of the C.P.R., Nelson Division, Saturday.

H. A. Matthews, Chairman of the Loan campaign in Nelson, spoke to the gathering of C.P.R. employees at the depot. "This 'V' flag, is," he said, "evidence of the support given by both employer and employee — this flag can be won only under certain requirements, 90 per cent or more of the employees must invest 12½ per cent or more of monthly payroll in Victory Bonds and War Savings Certificates—you have exceeded these requirements.

"Your loyalty, cooperation and enthusiasm was magnificent, and you have served your country well."

W. J. MacLean, Superintendent of the Nelson Division, quoted figures which showed the quota for the C.P.R., was $11,970, the amount subscribed totalled to $33,600 exceeding the quota by $22,080.

Mr. MacLean read congratulatory telegrams from C. A. Cotterell, General Manager, and the Vice-President, Western Lines, W. M. Neal.

Mr. Cotterell said: "The great interest and appeal of yourself and committee that has been so loyally responded to is all that made possible the winning of the 'V' flag . . ."

Chairman George Turner, and Secretary G. S. Rees were given the flag, and Mr. Turner congratulated the employees for their fine support. He also paid tribute to D. F. Shepard, Chief Clerk recently transferred from Nelson, who was the original chairman of the campaign.

FILM TO AID BLIND YOUNGSTER HERE TUESDAY

To aid a district youngster to see again, Knights of Pythias of Nelson Tuesday are sponsoring the showing of "Northwest Passage", a film record of the amazing passage of the R.C.M.P. patrol ship St. Roche across the top of the world. Corporal F. S. Farrar, now stationed at Kaslo with the R.C.M.P. and who was first mate on the voyage, will show the films, and retell something of the 28 months of adventure

Cpl. Farrar showed the films extensively at the Coast and elsewhere for charity and relief funds. Proceeds of the showing here will go to a fund toward an operation to restore the eyesight of Jimmy Nyman of Rosebery, who was blinded by an exploding blasting cap.

Eating with forks was not known in England until the reign of James I.

Ralph Klenosky Shoots Self in Kimberley Room

KIMBERLEY, B. C., Nov. 14—The body of Ralph Klenosky, age 53, was found lying in a pool of blood in an upstairs room of the Yale Cafe here late Saturday night. A .300 calibre Savage rifle was lying alongside the body, and all signs pointed to death being caused by a self inflicted wound.

It was while Constable T. F. Baker of the Provincial Police was on patrol duty on Saturday night that he heard two rifle shots fired, at 10:45 p.m. Investigations revealed that they were fired from an upstairs room in the Yale. Constable Baker found the door locked, and the room in darkness. Admittance to the room showed the body of Klenosky lying on the floor. Half of his face was shot away, and scattered over the room and ceiling.

Investigation revealed the bullet from the first shot had crossed the street and entered a window of the Kootenay Hotel. It penetrated the first wall and lodged in the second.

Klenosky was born in Prague, Czechoslovakia, and was a former student of Prague University. He had resided in Kimberley for a number of years, and as far as known the only surviving relative is a married daughter.

Salvage Group Ships Steel

A partly-loaded car of steel scrap, destined for Calgary and ultimately for war use, rolled from the I.O.D.E.-Red Cross Salvage Committee loading yard here during the weekend. The Red Cross at Creston will complete the loading of the car there.

This is the last contribution of steel scrap that will be accepted from Nelson by Wartime Salvage Ltd., at least until the present accumulation is diminished.

Cranbrook Sawmills Incorporated

Notice of the incorporation of the Cranbrook Sawmills, Ltd., under the Companies Act is given in the current B. C. Gazette. Registered office is the office of Cheyne & Campbell, Kelowna.

The Company, authorized capital of which is $50,000 divided into $1 shares, was organized to carry on logging and lumbering operations and the business of timber merchants, sawmill and planing mill owners or operators, loggers, lumbermen, and lumber merchants in any or all of their branches.

BARKINGSIDE, England (CP) — A safe containing the equivalent of $4,500 was stolen from a vegetable shop in this Essex town.

Associated Boards Asked to Aid In Promoting Travel Extension In Cooperation With Spokane

Formal action was taken Saturday to establish a permanent international tourist development organization to promote travel to Kootenay-Boundary and the Inland Empire of which Spokane is the centre.

By resolution the Associated Boards of Trade of Eastern British Columbia and the Tourist Bureau of the Spokane Chamber of Commerce were charged with the preliminary organization work.

Executive of A.B.T. of E.B.C. was asked to discuss the matter at a matter to be held in Nelson prior to the annual convention in Trail next Spring, and Lloyd Crowe of Trail, President of Associated Boards, pledged his cooperation.

The idea is that member boards and communities interested should associate themselves in promoting travel by means of better roads, encouraging the development of better tourist accommodation and more recreation and attractions for tourists and by publicity. Under the new plan there will be liaison in tourist promotion activities with Spokane through a permanent international tourist organization to be formed after the Associated Boards meeting, which is to be attended by Spokane tourist travel promoters.

Spokane tourist bureau desires to publicize Spokane as the gateway to this part of British Columbia, attracting more business from California and elsewhere in the United States and sending more business to Kootenay-Boundary.

The conference also passed resolutions:

Urging upon the Minister of Public Works the very great importance to the Province of British Columbia of the early completion of dustless, hard-surfaced standard highways from Nelway to Nelson, from Patterson to Rossland and from Ryberts to Creston."

Endorsing Route "B" from Prince George to Watson Lake to connect with the Alaska Highway.

Urging upon owners of all types of tourist accommodation the early improvement and extension of their facilities "in anticipation of the heavy influx of visitors to the Pacific Northwest in the postwar period."

Conference delegates from Nelson, Trail, Creston and Cranbrook returned home during the weekend.

To Draw Rinks for Little 'Spiel Tuesday

Deadline for entries in the popular Little Bonspiel, opening event of the Nelson Curling Club competitive season, is Tuesday evening. Rinks are being drawn at 8 that night, preparatory to the start of play at 7 p.m. Wednesday.

With a membership equal to last season's taking part, it is anticipated the spiel will be scheduled Wednesday, Thursday and Friday. About 40 new curlers have lined up with the Club, and the membership is over 210.

Open house to introduce newcomers and prospective members to the sport will be held today and Tuesday. There was a large turnout for scratch games over the weekend, first days on the ice.

PAMELA BARTON, FORMER GOLF CHAMPION, KILLED

LONDON, Nov. 14 (CP) — Pamela Barton, 26, who won the British and American Women's golf championships in 1936 and again in 1939, was killed Saturday in a plane accident in Britain.

The plane crashed in a take-off and the pilot was hurt seriously.

She was a Flight Officer in the Women's Auxiliary Air Force, joining that organization in 1941 as radio operator and being commissioned seven months later. She had served earlier as an ambulance driver during the worst phases of London's air bombings.

MADDEN DELEGATE TO HOTELMEN'S MEETING AT COAST

Jimmie Madden planned to leave Sunday for Vancouver to attend the annual convention of the B. C. Hotelmen's Association there Nov. 16. Mr. Madden is Secretary of the Nelson Hotelmen's Association.

MANCHESTER, England (CP)—Dr. Garfield Williams, Dean of Manchester, recommends a curfew as a safeguard for girls under 17.

Ex-Britannia, Varsity Cinch Playoff Spot

VANCOUVER, Nov. 14 (CP) — Ex-Britannia and Varsity won Saturday's Miller Cup English Rugby matches, making it certain that the teams will contest the sudden-death playoff for the silverware Dec. 4. They meet in the last scheduled game of the series Nov. 27.

Varsity swamped Rowing Club 23-0 and Ex-Britannia beat R.C.A.F. 11-0.

Hoopsters Take Lid Off Here on Friday

Nelson cagers will unleash their 1943-44 league schedule here Friday two teams, one from the ladies league and one from the men's matching plays. The teams that will face off have not yet been named.

Two three-team leagues are in prospect. Blue Bombers of the High School, a Business Men's team, and a team from the Softball League will form the men's loop, while the girls are lining up a Bombers, Ex-Bombers and Pro Rec outfits.

About 20 turned out for a general practice at the Junior High gym Friday, and the season's prospects were discussed.

Dark Felt Wins Melbourne Cup

MELBOURNE, Nov. 14 (CP Cable)—Dark Felt, co-favorite and winner of 10 races since July, Saturday won the Melbourne Cup race at Flemington by three lengths over Counsel which was three-quarters of a length ahead of Claudette. The winner started at odds of 7 to 1, as did Scipton who won the race last year.

Despite wartime restrictions, the totalizator turnover reached a record of nearly £178,000 ($623,000) and it is estimated five times that amount passed through the hands of bookmakers.

Counsel started at odds of 8 to 1 and Claudette at 12 to 1 in the two-mile event, the time for which was three minutes 23¼ seconds on a fast track.

Interpreting
The War News

BY JOHN M. HIGHTOWER
Associated Press War Analyst

Russia's magnificent drive in the Zhitomir sector of the eastern front has trapped the Germans between a military and a political disaster. They must choose now which they will face. They cannot escape both.

The military disaster will result if the Nazi High Command elects to try to hold at any cost in the Dnieper Bend area of the Ukraine. The Germans still have some excellent positions there but with the fall of Zhitomir they lost a key rail junction on their main North-South supply line which almost certainly seals their doom.

The political disaster will result if they do not hold on in the Dnieper Bend area. Retreat probably will carry them first to the Bug River line, with a southern anchor immediately east of Odessa and a northern anchor, for that sector, in the vicinity of Zhmerinka, on the Odessa-Lwow railway.

Even if they can hold that line—which seems questionable—they will be perilously close to the Bessarabian Border of Rumania. Every Nazi satellite state in the Balkans will know its fate is settled and try to get out of the war as fast as possible.

Should Rumania or Bulgaria then turn itself into a second Italy the gain for the Allies might not be immediately great but the German loss would be. The German people and the world would have one more measuring rod by which to judge the loss of German prestige and the sure decline of German power.

There would be military complications, too. Every new outbreak of unrest further burdens the enemy with police duties, which are already a drain on his military resources. Further, it is reasonable to expect that when the time is right Turkey will join the Allied cause and every major Russian advance brings the hour of Turkey's action nearer.

The German leaders undoubtedly will choose to minimize military loss and handle their resulting political difficulties, at home and abroad, as best they can.

The Army Generals know, if others in Germany do not, that their only remote hope now is to retain enough military power to drag out the war on the chance that the Allies will become weary of it and agree to something less than unconditional surrender.

Tim Buck at Nelson and Trail This Week

Tim Buck, founder and National Leader of the newly-formed Labor Progressive Party is now on a speaking tour of British Columbia, on behalf of the new Party, and will speak in the Civic Centre here Wednesday, and in K. P. Hall and Colombo Hall, Trail, Thursday.

Mr. Buck has had a colorful career in the Canadian Labor Movement during the past 25 years. Coming to Canada from England as a young man, he soon became prominent in Toronto trade union circles as a leader of the Machinists Union. In 1922 Tim Buck toured Canada unifying left-wing Socialist groups which became the basis of the Communist Party of Canada. In 1931, he and seven of his colleagues were sentenced to five years in Kingston on the charge of being members of an illegal organization and served two and a half years, at the end of which time they were released.

The new Party which Buck now heads was established at a constituent convention in Toronto on Aug. 21 and 22.

In the course of his present tour Tim Buck has announced his intention of bringing the numerical strength of the new Party up to 25,000. In practically all points visited he has left behind one or more functioning branches of the new Party.

PRESTON, England (CP)—Crockery from a canteen in Preston railway station goes all around the world. Cups taken away by servicemen have been known to turn up in the United States, Africa, India and Italy.
