Churchill Refused Secret Session

Called for Debate on Defences; Attlee Attacks Conservative Leader's Bid as "Electioneering"

LONDON, March 16 (CP)—Winston Churchill called today for a secret Parliamentary session to debate the state of Britain's defences, but Prime Minister Attlee turned it down, tartly implying that the Conservative leader was "electioneering."

And replying to protests by Churchill against dismantling of war-potential plants in Germany, the Prime Minister said:

"We are acting with our Western Allies, with the United States and France. Our policy has been laid down in this matter perfectly clearly.

Attlee said that for Churchill "to suddenly inject into a defence debate a proposal of this kind is a very queer way of trying to build up the unity of democratic nations and unity of Western Europe."

"I think this reference extremely irresponsible and injudicious."

As to Churchill's suggestion for a secret session of both the House of Commons and the House of Lords, Attlee said in dismissal:

"I don't think a secret session would be particularly valuable, except we might avoid these electioneering speeches."

The Opposition leader asserted that the government has withheld from Parliament defence secrets which are "certainly and obviously" known to Soviet Russia. He made it plain that he referred to the atom and hydrogen bombs.

Churchill told the House of Commons:

"We might then go into the atom-bomb question and see if further information could be given than that 'the chiefs of staff are giving full weight to this new factor.'"

The quotation was from a White Paper by Defence Minister Emanuel Shinwell outlining in general Britain's £780,000,000 ($2,428,000,000) military budget for the year beginning April 1. Shinwell presented the paper in a speech earlier in the day.

Churchill said he will not seek to make an issue of the defence estimates, which would require a new vote of confidence for the Labor government which has a major ity of six in the 625-seat house.

"There is no need to divide the House tonight," he said. Labor has won three confidence votes in the last week.

Shinwell, elevated to the Defence Ministry from the War Ministry in the new cabinet, said Britain will continue to seek "peace and security through the international machinery of the United Nations."

He reported "substantial progress" in military planning for defence of Atlantic Pact countries.

Shinwell announced the appointment of Lord Tedder, Marshal of the CAF, as chairman of the British Joint Services Mission in Washington and British representatives on the North Atlantic Pact Military Committee.

Kimberley Calls Trail Men To Reunite

TRAIL, B.C., March 16 — Local 651, International Union of, Mine, Mill and Smelter Workers, Kimberley, held a large membership meeting at which several important measures were adopted.

They voted to reopen contract negotiations with the Consolidated Mining and Smelting, bargaining jointly with Local 480 of Trail Mine, Mill.

They voted to pay half the expenses of the Trail Bargaining Committee when they meet with Local 651 in Kimberley to draft proposals to the C.M. and S. Company for the 1950 contract. They wired a communication to the Trail workers urging them to reunite in Mine, Mill and "bargain together with Kimberley miners as they have done in the past with such good results."

Dave McGhee of Kimberley, Secretary of the B.C. District Union of Mine, Mill, will journey to Trail to address a public meeting Monday.

Ducharme's Life Story Conflicting

VANCOUVER, March 16 (CP)—A life story which conflicted almost entirely with a psychiatrist's report was told in court today by Frederick Rodger Ducharme, on trial for murder.

In almost-inaudible tones, the man accused of the murder of Fern Blanche Fisher, 45, whose battered body was found in False Creek here Nov. 9, told of a boyhood spent in a convent and of a career of flying.

Ducharme, who took the witness stand for the first time today, said he was born in Toronto 37 years ago.

"I never knew my parents," he testified. "I was brought up in Winnipeg and then went to St. Boniface College."

He said he stayed in the convent from the time he was three until he was 14, and left college when he was 21.

After obtaining his commercial pilot's licence, he said, he flew for Canadian Airways. He joined the RAF and later the RCAF.

In 1946 he was transferred to the mental branch of a Weyburn, Sask., hospital.

A written report from the hospital, read by Defence Counsel D. J. McAlpine, however, told a conflicting story.

It said Ducharme—"a possessive, psychiatric type of person"—was born in Alberta. He was a member of a large family and got poor grades in school. He was placed in an orphanage at the age of nine.

After working on farms, he joined the RCAF in 1941 as a mechanic.

At that time, the report said, he had a criminal record of one suspended sentence for indecent exposure. In 1942, he was convicted of an indecent act and sentenced to six months at hard labor.

Irish Wear Green for 1488th Time Today

This young colleen togged out in green to do an Irish jig steps out this day to wish a "Top of the Morning To You."

Many are the legends surrounding hallowed name of St. Patrick that come to mind as Irishmen the world around pay tribute to him today.

But beloved and revered as he is by all the people and descendants of the Emerald Isle, he was not himself born in Ireland. And his day, so firmly fixed as March 17, is by tradition a compromise that setled a lengthy Irish argument about the date of his death.

Tradition sets his birthplace in Wales about 389. He came to Ireland as a prisoner, carried, off at 16, by a band of Irish marauders, who raided Britain.

For six years he was a swineherd in Antrim before he escaped to France. It was in France that he prepared for his life in the church. In 432 he was sent by Pope Celestine to combat heresy in Ireland.

ILLUSTRATES TRINITY

It was St. Patrick who made the shamrock Ireland's emblem. Challenged during a speech at Tara as to the mystery of the Trinity, he stooped to earth and picked a shamrock, holding it up to prove the possibility of three in one and one in three.

According to legend St. Patrick drove all the snakes out of Ireland. Today Ireland has none, though reptiles are found in England and Scotland.

He is credited with having founded 365 churches and baptised with his own hand some 12,000 people. He was buried in Abbey Saul in County Down, in 461.

Whatever the truth may be, it is certain that St. Patrick was both intensely spiritual and strong in action. The enthusiasm that carried him through all difficulties as a missionary priest and bishop has been so infectious that after centuries his memory is as green as the shamrock that all good Irishmen will wear on the 1488th celebration of this day.

Gov't Shows Strength In Throne-Speech Vote

Gas for Canadians First Howe Assures; Ross Seeks Elimination Of Freight Rate Discrimination

OTTAWA, March 16 (CP)—In swift, one-two-three tempo, the Commons tonight rejected two Opposition motions of non-confidence in the Government and approved the address in reply to the Speech From the Throne, the vehicle detailing the Government's legislative program.

As the curtain came down on the lingering Throne-Speech debate, the Liberals built up big majorities in the three counts —177 to 21 against a Social Credit motion, 166 to 30 against a Progressive Conservative motion and 151 to 51 for the main motion for Throne-Speech adoption.

Yesterday, the Chamber voted 155 to 55 against a C.C.F. motion declaring non-confidence in the Government.

The non-confidence motions are traditional opposition manoeuvres which go with the historic throne-speech debate.

The Social Credit amendment, appended to the Progressive Conservative motion, criticized the Government for its alleged failure to establish a "balanced economy" for the Canadian people.

The Progressive Conservative motion, appended in turn to the Government's bid for adoption of the address in reply to the speech from the throne, blamed the Government for the decline in export markets, the lack of an over-all Social Security program and so-called failure to take adequate measures against subversive elements in this country.

There were shifts in party strength as the vote-tallying took place.

VOTES WITH LIBERALS

In the count on their amendment, the Social Crediters drew support from the C.C.F. party and a couple of Independants.

On the other hand, Ross Thatcher (CGF-Moose Jaw) broke party lines and cast his ballot with the Liberals and the Progressive Conservatives in rejecting the Social Credit thrust.

The Progressive Conservatives stood alone in the vote on their motion. The rest of the House—C.C.F. and Social Credit groups included—placed their strength behind the Liberals.

In the third count—on the main motion—it was a straight Gov.-against-Opposition parties lined up solidly against the Liberals.

Present standing in the 262-member House, sporting a top-heavy Liberal majority, is:

Liberals 187; Progressive Conservatives 40; C.C.F. 13; Social Credit 10; Independents eight; vacant four.

The Social Credit motion was introduced into the debate earlier today by Solon Low, the Party Leader.

Mr. Low said his amendment would round out the Progressive Conservative motion by bringing reassurance to the Canadian people and making it possible for them to face the future without loss of confidence."

Other speakers included Arthur Ross (PC-Souris), Ross Thatcher (CCF-Moose Jaw), Rodney Adamson (PC-York West) and J. R. Garland (L-Nipissing).

PROMISED GAS

At the House opening, Trade Minister Howe gave reassurance that the Government will not allow the export of Alberta natural gas before it reaches potential consumers in this country.

Finance Minister Abbott tabled further supplementary estimates totalling $65,986,459 and bringing to $2,400,986,459 the total to be spent on Government services in the 1949-50 fiscal year ending March 31.

Mr. Ross repeated an opposition request that the Government withhold the recently-announced rate increases until discriminations against Western Canada were eliminated.

Mr. Garland asked for greater assistance for the Canadian tourist industry and urged that the burget of the Canadian Travel Bureau be increased from $1,000,000 to $5,000,000 a year.

FIGHTS DOUBLE TAXATION

Mr. Adamson wanted elimination of double taxation of property owners. In addition to being allowed to deduct municipal rates for income tax purposes, they should be allowed to deduct any amount paid out on education either through fees are education taxes.

Mr. Low outlined his party's policy on a voluntary contributory old-aged pension plan.

Social Creditors were not opposed to it. Perhaps it could work satisfactorily as a supplement to but it never would replace it. There were a number of schemes available in the form of Government or Insurance Company annuity programs which were good if a person could contribute over a number of years.

But there was one thing that was overlooked: as peacetime conditions returned to the world and more mechanization took place more people were thrown out of work. It was possible to produce a great volume of goods and services with less man-hours of work.

As a result, unemployment tended to spread and older men could not find work.

"Much of this would not be so," he said, "if our productive effort resultde in the distribution abong comsumers of enough purchasing power in the form of salaries, wages, dividends, profits and compensations to enable them to buy back what has been produced."

But this did not happen, and surpluses accumulated. This could be avoided if the treasury would create new money to represent the actual value of the surpluses. That money could be turned over to the Health Department to spend into circulation through pensions on a non-contributory basis.

Tri-Nation Atom Meeting Raise Canada's Hopes

OTTAWA, March 16 (CP)—Canadian officials saw an encouraging sign today in announcement of the first tri-nation atomic meeting since the espionage case of Dr. Klaus Fuchs broke in England.

The Atomic Energy Control Board said representatives of the United Kingdom, United States and Canada will come together March 22-24, inclusive, to discuss "problems in the design and application of instruments for detecting and measuring radiations encountered in atomic-energy work."

The "highly technical" meeting will be held at Canada's Chalk River, Ont., atomic project "within the technical cooperation program carried on among the respective governments for the past several years." Scientists from 10 U.S. projects will be present.

The announcement brought encouragement to some official quarters here who have been watching for signs whether the Fuchs case is going to mean an end to talks by the three countries, aimed at a new general agreement on exchange of atomic information.

Indian Sources Show Death Toll High in Bengal

NEW DELHI, India, March 16 — Official Indian sources said today additional information on the recent East-Bengal communal riots indicate the death toll is "much higher" than the 3500 lives estimated earlier.

These sources did not announce their latest figures, but said new information showed 600 Hindus were killed during the peak of the disturbances on one section of a rail line near he West Bengal border.

The fighting between Moslems and minority Hindus in Pakistan's East Bengal has resulted in mass migrations. Indian sources said 15,000 Hindu refugees entered Assam and 130,000 fled from East to West Bengal since the rioting began.

Chiang Takes Over All Armed Forces

TAIPEI, Formosa, March 16 (AP)—Chiang Kai-shek today took direct control of Nationalist Chinese armed forces.

The office of Southeast Asia Commander, formerly in command of Formosa armed services, was abolished. Premier Chen Cheng held the post until he took the premiership this week.

Chiang abolished his office as leader of the Kuomintang party. The job became superfluous with his resumption of the presidency.

As these moves were made, tribal chieftains in Formosa pledged loyalty to the Nationalists and vowed to fight against Chinese Communists to the end. The chieftains represented 140,000 tribesmen. They gave their pledge at a formal ceremony before Chiang and Mme. Chiang.

Air Force to Take Back Seat to Step Up Sea Defences

WASHINGTON, March 16 (AP)—The United States Navy expects that its Fleet Air Arm will have to fall back on second-line planes next year so that sea forces can step up anti-submarine defences.

This was disclosed today by the House of Representatives Appropriations Committee as it made public the Navy's money requests for the next fiscal year starting July 1.

Vice-Admiral John H. Cassady, Deputy Chief of Naval Operations for Air, told the Committee that the "threat of enemy submarines affects all of our programs and gives rise generally to the most urgent requirements which must be covered by our 1951 estimates."

Western Lumber Announces Profit

VANCOUVER, March 16 (CP)—The Canadian Western Lumber Co. Ltd., and its subsidiaries had a net operating profit of $5,028,466 in 1949, the annual report issued here today to shareholders. The net profit was $2,409,483.

H. J. Mackin, President, said the earnings for 1949, although less than 1948, were brought about by increased production.

Charge U. S. Dumping Hatching Eggs At Reduced Price

NEW WESTMINSTER, B. C., March 16 (CP)—British Columbia poultrymen report that hatching eggs from the United States are being dumped here at cut rate prices. Turkey breeders have complained and officials of the Federal Department of Agriculture are investigating. U.S. turkey eggs are being offered as low as 22 cents each. B.C. eggs are priced at 32 to 35 cents.

Claims Theory on Grain Freight Rates "Wrong, Impractical"

OTTAWA, March 16 (CP)—A railway theory aimed at doing away with Western Canada's low freight rates on grain was described as "entirely wrong and impractical" today by Saskatchewan's counsel before the Royal Commission on Transportation.

Counsel M. A. MacPherson was attacking the railway claim that an increase in the grain tolls would bring a corresponding boost in grain prices, with the result that the increase would not hurt the farmer.

"No Murderous Intent . . ."

MacLean Guilty Manslaughter

SYDNEY, N.S., March 16 (CP)—A Supreme Court jury today found former Mayor Dan Jack MacLean innocent of murder but guilty of manslaughter in the Dec. 18 death of Joseph MacKinnon.

The verdict was returned almost three hours after the case was handed to the jury.

He will be sentenced Saturday.

Earlier Chief Justice J. L. Ilsley told the jury there was no evidence of "murderous intent" in the trial of the 58-year-old former mayor. MacLean was charged with slaying MacKinnon, crippled 68-year-old City Registrar of voters, by running him down with his car.

The Chief Justice, sitting at his first murder trial since his recent appointment to the bench, instructed the jury for an hour and 20 minutes as the trial opened its fourth day.

He said there was evidence that the car killed MacKinnon had been operated negligently.

MacLean, testifying in his own defence yesterday, said that he fell asleep after a drinking party with MacKinnon and could not remember what happened the night MacKinnon was killed.

MacLean, re-elected for his fourth two-year term as Chief Magistrate 12 days before the murder, said he and MacKinnon, a long-time friend, went on a drinking bout and sang Gaelic songs together the day before MacKinnon died.

In tears, he told the court: "It struck me pretty hard to think that I was accused of the murder of the best friend in the world."

He said he didn't know of MacKinnon's death until the morning of Dec. 19 when his wife awoke him and said police wanted him.

Acheson Challenges Soviet Peace Terms

BERKELEY, Calif., March 16 (AP)—State Secretary Dean Acheson today challenged Russia to demonstrate her desire for peace by accepting a new seven-point program to free the world from destructive tensions and anxieties."

Boiled down, the seven steps Acheson proposed call for an end to Russia's aggressive diplomacy, both in her dealings with satellites and with the Western world, and for new moves to conclude peace treaties and to find some solution to the problem of atomic controls.

Bluntly, he predicted Russian refusal of any attempt to settle these points of "greatest difference" between the East and the West.

But he insisted that they "must be identified and soon or later reconciled if the two systems are to live together, if not with mutual respect, at least in mutual security."

Acheson's address—a major statement of U.S. policy said to have taken three months to draft—was prepared for delivery at the University of California, in connection with the conference on international cooperation for world economic development.

These are the points he listed:

1. Join with the West in defining peace terms for Germany, Japan and Austria—without trying to make them satellites—meanwhile refraining from any interference with the new states of the Far East.

2. Withdraw military and police forces from the Soviet satellites and "refrain from using the shadow of that force to keep in power persons or regimes" which do not command popular confidence.

3. Drop the present "policy of obstruction" in the United Nations and help make the U.N. a serious instrument for building international peace and security.

4. Join in seeking "realistic and effective arrangements for the control of atomic weapons and limitation of armaments in general."

5. Stop using Communist party apparatus to overthrow by subversive means "established governments with which the Soviet government stands in an outward state of friendship and respect."

6. Quit badgering American diplomatic representatives, now being "treated as criminals" and branded as "sinister people" with whom all contact is "pregnant with danger."

7. Stop "systematically distorting to their own peoples the picture of the world outside their borders, and of our country in particular."

He assailed Soviet propaganda which he said hammers at the idea of "a capitalist encirclement, of a United States craftily and systematically plotting another world war."

Would Make Public Gov't Documents 15 Days After Passing

OTTAWA, March 16 (CP) — A Government measure, which its sponsor said will "throw light on all executive documents," was given second reading — approval in principle—in the Senate today.

The bill, introduced by Senator A. K. Hugessen (L—Quebec), will make it mandatory for the Government to make public all orders-in-council of a legislative nature 15 days after they are passed.

If Parliament is not in session when the order is passed, it will be mandatory for the Government to make it public 15 days after Parliament meets.

Builders Demand New Agreement

VANCOUVER, March 16 (CP) — More than 12,000 lower mainland building tradesmen said they want a new agreement by March 31, thereby threatening possible strike action.

Said H. W. Watts, Secretary of the Building Trades Council (AFL-TLC),

"In view of the failure of the Building and Construction Industries Exchange (employers) to have had a meeting with the Council on the question of the new agreements, the affiliates of the Council will insist upon conclusion of negotiations, and signed agreements by March 31."

He said a section of the industry, the General Contractors Association, met today with the Council, and that daily except Sunday conferences with them will take until next Tuesday.

Seek Yellowhead Gas Pipe Line

VICTORIA, March 16 (CP)—The British Columbia Legislature decided unanimously today that oil and natural gas lines from Alberta to the Coast and South across the border to the United States should be constructed through the Yellowhead Pass of the Rockies.

It agreed, too, the lines should pass through the interior of the province to Vancouver, with provision for extension to the Peace River Block when sufficient supplies are available in that area.

A resolution to that effect was introduced by Glen E. Braden (CLN-Peace River), and seconded by J. D. McRae (CLN-Prince Rupert).

All were insistant that any company granted a Federal Charter for the lines must build through the province so as to reach Prince George, in the Northern interior, tap the Peace River area and reach Vancouver to pass across the border to the Pacific Northwest States of the U.S. Otherwise Southern B.C. would receive a supply but it would be subject to conditions and controls from the U.S. it was asserted.

On the other hand, a Yellowhead Pass-Vancouver route with feeders to other sections of the Province, would prove a tremendous help in developing industry, and settlement in this Province, various speakers said.

Other speakers included A. D. Turnbull (CLN-Rossland-Trail).

MAY RETALIATE ACTION AGAINST U. K. DIPLOMATS

LONDON, March 16 (AP) — The Foreign Office said today that it may retaliate soon against Russia and Soviet satellites which have put British diplomats under virtual quarantine.

Ernest Davies, Undersecretary for Foreign Affairs, made the disclosure in the House of Commons. He cited the Soviet Union, Bulgaria and Romania as the main offenders. In all three countries, Davies said, movement of members of the British Embassies is strictly restricted.

Davies made his statement in a written reply to a question by Conservative Member Tufton Beamish.

London-Rome Jet Record Broken

ROME, March 16 (Reuters)—Group Capt. John Cunningham, flying Britain's new four-engined jet passenger plane, the Comet, today lopped nearly a half-hour off the London-Rome air record.

Flying at an average of 480 miles an hour at a height of 40,000 feet he made the trip in two hours, two minutes from takeoff at Hatfield airoprt, London, to touch-down at Ciampino airport, Rome. The distance is 915.86 miles.

The previous record was held by another Briton, Sqdn. Leader Neville Duke, Hawker test pilot, who made the trip in two hours, 30 minutes, 58 2-5 seconds in a Hawker Fury aircraft in May, 1949.

Possible $17,000 in Store for Coast Man

NEW WESTMINSTER, B. C., March 16 (CP)—A sure $480 and a possible $77,000 is in store for an Irish Sweepstake ticket holder here.

A cement finisher, Alfred F. McAllister learned today the ticket drew Cloncarrig, probable starter in the Grand National Steeplechase.

McAllister, a married man, said he had been out of work for two months during the Winter.

He has no intention of selling the ticket, which he bought under his own name.

Senate To Study Expenditures

OTTAWA, March 16 (CP) — The Senate today approved a motion which will launch the most detailed study of Government expenditures the Upper Chamber has yet undertaken.

Introduced by Senator Wishart Robertson, Government Leader, the motion throws new light on the Senate's seldom-used power to cut or reject the Government's money bill.

Nine standing committees of the Senate will be empowered to call Government officials to explain each proposed item of expenditure in the light of public need.

Senator Robertson, explaining the motion, said the Senate always had this power to study estimates and cut expenditures under the constitution.

NEW MATE ARRIVES FOR JOSEPHINE

AUSTWELL, Texas, March 16 (AP)—A new male may have entered the life of Josephine, the captive whooping crane, but Josephine doesn't know it yet.

The newest addition to the Arkansas National Wildlife Refuge's whooping crane colony came all the way from Lafayette, La., after leading two helicopters and a private plane a wild chase across the swamps of Louisiana.

At Lafayette, John L. Lynch of the U.S. Fish and Wild Life Service, said the crane had been down near White Lake in Louisiana for about two years. He was chased until he crash-landed, was picked up, and flown to the Aransas Refuge.

He (experts, who can't be too sure, hope he's a he) arrived Sunday by plane and now is resting in a large enclosure on the Refuge.

The enclosure is near but not too near the fenced area where Josephine and her present lover, Crip, have been carrying out a courtship since last October.

The new addition brings to 37 the total number of whooping cranes known to be in existence.

TINY BABY BORN IN TAXI, DIES

PRINCE ALBERT, Sask., March 16 (CP)—A tiny two-pound 15-ounce baby, born in a racing taxi last night, died in hospital today.

The infant son of Mr. and Mrs. Alphonse Freemont of Montreal Lake had been in an incubator since birth.

The Freemonts started out on their 125-mile journey to Prince Albert in a light-delivery truck last night. Later they switched to a taxi. The child was born four miles from the City.

Mrs. Freemont is doing fine.

Two Die in Coast Shooting Affray

VANCOUVER, March 16 (CP)—An unidentified man and woman died tonight in what police called a "murder-suicide" shooting affray. A second man is in hospital suffering from shock.

Police said the man first punched 80-year-old Fred Geil, a fellow resident, in the nose before shooting the woman with a .30-30 calibre rifle. Then he turned the weapon on himself.

Both were dead when an ambulance arrived shortly after.

Income Tax Takes Shirt Off Back

WASHINGTON, March 16 (AP)—The Federal Government jingled several billion dollars in fresh spending money today as late cheque-laden returns trickled in from taxpayers across the United States.

One commentary on what yesterday—U. S. income tax day—meant to most people was provided unwittingly by a late-payer who was in the line at the Bureau of Internal Revenue in Washington.

He left behind a laundry bundle, containing several of the shirts off his back.

And in This Corner —

NEWARK, N.J., March 16 (AP)—There were just too many Smiths.

Judge William A. Smith, one of three Judge Smiths sitting in Newark, drew the hearing yesterday on a damage suit brought by Mrs. Anna Smith against the owner of a car which struck her six-year-old son, Robert Smith.

Judge Smith looked over the jury list and announced:

"There are too many Smiths in this court. By consent I excuse the four Smiths on the jury."

COLORADO SPRING, Colo., March 16 (AP) — The self-styled world's champion wheel barrow pusher reached another goal yesterday. Larry Hightower pushed his barrow over the summit of 14,110-foot Pikes Peak.

His three-day growth of beard was covered with frost, his nose was cold and his feet were sore but the 49-year-old Ellensburg, Wash., man said he was "feeling just fine."

The trip took him five days. He plans to push the barrow back down the mountain. That should take him only a couple of days, he figures.

TORONTO, March 16 (CP)—This call came through to the telephone operator: "Get firemen, police and a doctor!" The housewife hung up and the operator called each department in turn. When they arrived at the woman's house all manner of yelps greeted them from the basement. A five-year-old Greyhound had his ear caught in the gears of a washing machine—and had short-circuited the works.

NEW YORK, March 16 (AP)—City authorities, baffled for weeks by the steady disappearance of new trash baskets put on the streets at a cost of $10 each, today solved the mystery—of one of the baskets.

It was found in the basement of a restaurant, and a porter for the establishment was charged with stealing it from the street.

That leaves only 745 baskets unaccounted for.

ATLANTA, Ga., March 16 (AP)—A flustered taxpayer, making his United States income returns on the last-day deadline yesterday, was the father of seven children.

But he couldn't think of their names to claim exemptions for them. Finally, one of the 68 special agents assisting with the returns let him use his children's nicknames.

Nor was this father alone in the deadline rush and confusion. Another later-comer wanted to claim his mother-in-law as an exemption, but he couldn't remember her name.

Newcombe Slated to Follow Dizzy Dean in Winning 30 Games a Season

VERO BEACH, Fla., March 16—(AP) — Don Newcombe has yet to pitch a full season in the majors but already they're picking the big Negro righthander to become the first since Dizzy Dean to win 30 games in one season.

Winning 30 is a stupendous feat, but the mere fact that players and writers are willing to speculate on Newcome doing it is a tribute to the equipment and mound wizardry of the Brooklyn Dodger ace. Despite inexperience, Newcombe hung up a 17-8 record in 1949. He did not start a major game until May 22 after he was brought up from Montreal Royals.

Dean amassed 30 victories in 1934 for St. Louis Cards. The last American League pitcher to win 30 or more was Lefty Grove back in 1931.

Newcombe claims he's 23 years old and not 25 as listed in the record books. He said he lied about his age to get a job in the Negro leagues when he was only 16.

Anti-Dumping Laws Used Against Japanese Goods

OTTAWA, March 16 (CP)—Canada has applied her rarely-used Anti-Dumping laws to prevent cheap Japanese goods from flooding the Canadian market at "ridiculously low prices," a Government official said today.

The Laws have been applied against Japanese knitted gloves, men's shirts, children's dresses and cigaret lighters, the official said.

Many of the goods were brought into Canada through a private industry barter deal by which about $2,000,000 worth of Canadian wheat was exchanged for Japanese textiles.

The deal was administered by a New York Corporation which assisted in bringing the Japanese goods into Canadian ports.

It is understood that complaints from Canadian trade have flooded the Government as the result of the appearance of Japanese shirts in Canadian shops at between 99 cents and $1.39.

A Government official described the shirts as cheap in quality and of a size "which might fit a Jap but not a Canadian."

Under the Anti-Dumping Law, the Revenue Department can appraise the value set on a product and, if necessary, apply a tariff to bring the export price up to what it considers a fair market value in the country in which the product was produced.

For example if the Japanese were trying to sell shirts in Canada for say $3 a dozen, and if the Canadian Authorities found the same shirts selling in Japan for $6 a dozen, they could apply a tariff which would bring the Canadian price up to equal the Japanese price.

He will be away a week.

Wife Found Slain, Husband Dying

EDMONTON, March 16 (CP)—Shot through the head, Mrs. Eva Thomson, 42, was found today slain in her dwelling and her husband, Mungo Thomson, 45, was taken to hospital with a bullet in his brain.

City police, who forced their way into the couple's locked house in suburban Norwood after a call from alarmed neighbors, said Thomson apparently shot his wife with a .32 calibre revolver then turned the gun on himself. A bullet in his brain, he was not expected to live.

Police said illness in the family was a possible explanation for the shooting.

Hlookoff Awarded $351 Judgment

P. P. Hlookoff and Sons of Nelson was given judgment of $351.21 in an account against W. W. Lazareff in a County Court hearing Wednesday.

Of the total, $331.81 was for a load of lumber sold and delivered by the Hlookoff lumber firm in account against Lazareff. The remaining $19.40 was in connection with the balance account rendered for lumber hauling under contract with the defendant. The sum of $326.90 was claimed for hauling.

His Honor Judge E. P. Dawson presided during the case.

Strikes 'n' Spares

In Friday night's Government Bowling League games, Betty Wicken chalked up ladies' high single with a 232 score while men's high mark went to both Clyde Mills and B. Holland who scored neck and neck for a 255 tie. Betty Wicken's luck also held out for her to capture the ladies' high aggregate of 614. Men's high aggregate was taken by George Gill who scored a 656 win. High team for the evening session was Larsen, whose keglers notched 2738 pins.

Carl Locatelli's 303 copped men's singles in the Men's League also rolled off Friday night. He also scored high aggregate with 737 while the CPR Despatchers' 2691 won the high team spot.

Man With Tragic Past, Suicides

WINDSOR, Ont., March 16 (CP) —An English-born carpenter who kept silent at his manslaughter trial 25 years ago and went to prison for six years to shield the woman he loved, committed suicide here, police said today.

Police said they found the body of 60-year-old Walter Bennett last night in a small downtown hotel. No suicide note was found but a small penknife lay near his body, police report. The man's throat was cut. Police file indentified him.

Tattered newspaper files tell the other story.

In 1924 Bennett stood silent in a Windsor Courtroom while a Judge sentenced him to 15 years in penitentiary for the bludgeon death of his landlord, Herbert Bennetto three months earlier.

Bennett, who came to Canada from his native Devenshire in 1912, refused to testify in his own defence. He said then the jury would not believe his story.

Benneto's body was found in the Bennetto home here the night of Nov. 23, 1923. Both Bennett and Mrs. Bennetto were found in the room with the body when police arrived.

At the trial Mrs. Bennetto's testimony incriminated her husband's tenant and Bennett was found guilty of manslaughter.

In 1931 as she lay dying in Toronto, where she had moved after the trial, Mrs. Bennetto told the Toronto police officers she killed her husband with a long, spiked scantling. She told police then that Bennett refused to testify against her because he loved her.

A subsequent appeal in Toronto freed Bennett on a ticket of leave after he served six years of the 15-year term.

MRS. PITRE SUICIDE CHARGE WITHDRAWN

QUEBEC, March 16 (CP). — A charge of attempted suicide against Mrs. Arthur Pitre, one of the key figures in Quebec's air-disaster murder case, was withdrawn today.

The 41-year-old Mrs. Pitre was a Crown witness in the murder trial of J. Albert Guay, sentenced to be hanged June 23 for murder. She told the court she delivered to Quebec Airport last Sept. 9 a parcel which Guay had given her.

Mrs. Pitre, arrested two weeks after the crash, was charged with attempted suicide. She later said in court that Guay had told her to do away with herself and leave a note confessing that she had caused the crash.

Post-Mortem on Lamb With Strange Disease

GUELPH, Ont., March 16 (CP)—A three-week-old lamb, brought to the Ontario Veterinary College by plane from Lethbridge yesterday for examination, will be put to death today.

Dr. F. W. Schofield, head of the Department of Pathology, said the animal was brought here to perform a post-mortem examination to determine the nature of the disease and, if possible, find a remedy.

He said there was no hope of the lamb's recovery and therefore it would be put to death mercifully and the carcass used for research purposes.

Airmail Service Better, Rossland Trade Board Told

ROSSLAND, B. C., March 16—The airmail service for Rossland has shown a noticeable improvement the Rossland Board of Trade was told by G. Donnelly of the Roads and Bridges Committee. The mail leaves on the 8 a.m. bus to connect with planes at Castlegar the same day, he said, saving a long holdover in Trail.

A report from the Post Office Department indicated that there was not sufficient demand in Rossland for postal delivery.

Some discussion was held on the proposal to have all policing done by the RCMP. The matter was left until further information on the subject was received.

The slippery condition of the Rossland-Trail Highway was discussed and it was felt that the sanding crew should be out earlier in the morning. It was decided to make a representation to the Member of Parliament before next Winter.

Guest at the meeting, A. F. Snowball, spoke on Smoke Control.

High Toll Taken Of Predatory Life In Cranbrook Area

CRANBROOK, B.C., March 16—Efforts on behalf of game preservation in this area took a high toll of predatory life during the past week. Bud Neilly shot five bald eagles near Skookumchuck. Each one had a wingspread of seven feet, and weighed 20 to 25 pounds. Eagles are termed vermin in game regulations, since they make easy prey of domestic calves and the young of various game animals, principally goat.

Cougar toll for the season was raised to 23 victims by the week's total in separate hunts, Game Warden Ben Rauch and Martin Morigeau, cougar-hunting professionals, bagged eight cougar in White Swan Lake district last week. It brought Morigeau's total for the season up to 17, and Rauch's to four. Their bag last week was two full-grown cougar and two litters of three kittens. Remainder of the week's kill was two for Game Warden Johnny Bayley. He shot one at Wild Horse near Fort Steel Saturday, and the second near Moyie Lake Tuesday, the latter a six-footer with a perfect hide.

Dog Rescued by Nelson Firemen

A shivering little dog was rescued from a death of drowning or starving by the Nelson Fire Department Wednesday afternoon.

The dog had in some way fallen onto an ice ledge about 50 feet below the Rosemont Bridge on Latimer Street.

A fireman was lowered on a rope and saved the dog by wrapping it in a sack and bringing it up to safety. Let out of the sack, he wagged his tail and scampered off.

The dog's owner was not known.

The Weather

Synopsis: Cloudiness remains general over most of British Columbia and rain is falling over Vancouver Island and the lower mainland of British Columbia. Snow is reported in the Kootenays.

The disturbance moving inland over the Southern coast is weakening appreciably and the second appears to be headed South of the province entirely. The next 24 hours should show considerable improvemen in general conditions.

Nelson Florist Suffers $1000 Loss In Morning Blaze

Loss of approximately $1000 was suffered by a Nelson florist business Thursday when fire broke out in a storeroom and the boilerhouse.

The blaze involved the top structure of Bridges Greenouse and Florist Shop, 904 Front Street. It was extinguished after an hour's work by the Nelson Fire Department.

The alarm was sent in at 5:46 a.m.

Pupils Enjoy Gala Carnival

Hundreds of happy girls and boys milled about the assembly hall of the Central School Wednesday afternoon enjoying a gala carnival.

The carnival, a Junior Red Cross effort put on by a Grade IV class, was under the direction of M. J. Morley.

For a few pennies the children purchased paper money with which they could visit the spook house, play bingo, throw darts and rings, and bowl. The teeter-totter proved great fun not only for the young folk, but the teachers as well.

"Young men" proved their prowess in the boxing ring.

Bags of candles were the coveted prizes.

Income Tax Board Dismisses Judge's Exemption Appeal

OTTAWA, March 16 (CP) — The Income Tax Appeal Board today ruled that a judge who received a special honorarium for his services as Royal Commissioner for a Provincial inquiry cannot exempt that sum for income tax purposes.

The judge in the case, named only as "Mr. C," has his appeal dismissed with costs and was criticized sharply for part of his presentation, by W. S. Fisher, one of the members of the three-man board.

The judge sought exemption from income tax of $15,000 which he received from the Province "solely as an honorarium as an appreciation of the great valume of work and responsibility you have assumed in addition to your judicial duties."

He claimed that because it was an honorium, the money was not taxable.

He was described as "a member of the bench of one of the courts in one of the Provinces of Canada" appointed "prior to 1946" to investigate "a certain matter in the Province." He made his reports towards the end of 1945.

His appeal was dismissed unanimously.

New Wire Chief

Eric P. Mason, a member of the B.C. Telephone Company since 1924, has been appointed long distance wire chief at Vancouver, succeeding the late W. H. Foulkes. During the war, Mr. Mason was wire chief for the Pacific Communications System, a military telephone network with headquarters in Vancouver.

14-Year-Old Boy Stands Alone to Appeal Sentence

VANCOUVER, March 16 (CP).—A 14-year-old boy walked alone before the bar of justice here yesterday to appeal his one-year sentence.

Carleton Montgomery, a frail boy about five feet tall, spoke out in a clear voice in putting his case before the British Columbia Court of Appeal. He appeared without counsel before the three justices.

Crown Counsel A. P. Levesque said that on the night of Feb. 20 the boy escaped with another lad from the Boys' Industrial School here. They broke into a garage, stole a car and then were chased by police.

BROKE LEG

"The boys made a run for it, travelling, at times, 80 miles an hour," Mr. Levesque said. "They wrecked the car and Montgomery's leg was broken."

The day the cast was removed, Montgomery escaped again and was caught. He was taken before the Magistrate at Haney and sentenced to one year in Oakalla jail.

The boy's face showed the pallor of his few weeks in the prison just outside Vancouver. He kept his hands mostly behind his back, twisting his green knitted sweater. Sometimes he rubbed his hands down his brown slacks.

His father was dead, the boy said, and he had two brothers, one 16 and the other 26.

"JUST TOOK IT"

"I ran away from home last July," he said, "they put me in the Boys' Home because I took clothes from a place in Field, B.C."

When he and his chum broke out of the school, "We just saw that car, so took it."

Mr. Justice C. H. O'Halloran asked him why he had appealed his sentence. Montgomery said: "Other boys have stolen cars and only got six months."

"You smashed up this car," Mr. Justice O'Halloran said.

"We didn't mean to," said the boy.

Mr. Justice O'Halloran said there was no reasonable explanation why the Magistrate had heard the case in adult court instead of juvenile court and that there was no probation officer's report.

The case was set over to March 22.

Evatt Denies Russ Only Aggressors

CANBERRA, Australia, March 16 (AP) — H. V. Evatt, former External Affairs Minister, told the Australian Government today it is wrong to concentrate on Russia "as the only possible aggressor."

The former President of the United Nations Assembly, speaking from opposition benches in Parliament, said: "I don't believe Japan will be content to remain always ready to ally itself with those nations who were its chief enemies in the Second World War."

Invermere Trade Board Covers Heavy Agenda

INVEREMERE, B.C., March 16—Enthusiastic attendance at the Invermere Bureau meeting of the Windermere District Board of Trade has spurred the organization on to new efforts and a heavy agenda was handled at the March meeting covering phases of village enterprise.

Fire protection, installation of street lighting, the site of the new liquor store, and a petition for 24 hour telephone service were some of the major subjects discussed.

Inadequate fire protection for the village has been causing concern for some time and after considerable discussion it was decided to form a fire-fighting unit. Constable J. Payne will assist with the organization. A committee was formed with Dr. R. A. Laidlaw, convener, other members being M. E. Tunnacliffe, Louis Bonnier and Oswald Young.

A motion was passed that the business men of the town will be requested to sponsor the financing of 10 street lights.

Urgent need of 24 hour service for the district was emphasized. Inability to contact the hospital and doctors at night have caused near tragedies in the past and in the event of a fire telephone communication is a necessary precaution. The B.C. Telephone Co. will be petitioned by the Board of Trade to this effect.

Motion regarding the pound law was tabled until the next bureau meeting.

A motion was passed that the Government be petitioned to re-establish the liquor store as soon as possible.

Alaska Highway Important To Exercise Sweetbriar

MONTREAL, March 16 (CP) — The military importance of the Alaska Highway was a feature of Exercise Sweetbriar, Maj.-Gen. R. O. G. Morton, General Officer Commanding Quebec Command, said yesterday.

Gen. Morton was addressing the Montreal United Services Institute on the impressions he gathered while acting as an observer of the joint American-Canadian military manoeuvres in the Canadian North recently.

He said that the highway was in good condition and that relative high-speed movement was possible along it.

Juveniles Swap Cars, Lead B.C. Police on Chase

MERRITT, B. C., March 16 (CP) —Two juveniles swapped cars —all stolen—four times and led police a wild chase today over precipitous roads in Interior British Columbia before being brought to heel by a roadblock here.

The two 16-year-olds escaped from the boys' industrial school at Port Coquitlam in the Lower Fraser Valley Friday. First they stole a car at Maillardville, they told their captors, drove to New Westminster, and abandoned it in favor of another, which they drove to Princeton; about 200 miles East of Vancouver.

They tired of the second car and attempted to take another. They were chased away by the owner.

The boys looked around for about an hour and picked out a car belonging to Penticton lawyer Harold McInnes. It now is 11 p.m. Tuesday.

Police patrol cars started out from Princeton and Penticton, another 70 miles East. The boys passed one patrol car, were challenged by three shots and kept right on going.

The lads roared through Penticton but were soon trapped on a side road. They fled into the brush, escaped, came back to the road, broke into a service station and stole 81 cents from the till.

In the garage, they found another car, with key in the ignition and a full tank of gas.

The boys lit out again, were spotted as they roared out of Penticton a second time. Patrol cars gave chase but the boys tramped on the gas and got up to 90 miles an hour, leaving the police far behind.

The patrols radioed ahead to Merritt, 70 miles to the North. A roadblock stopped the escapees there about 7 a.m., Wednesday.

About all the boys had in their possession was a number of bobby pins. They said they used these to start three of the cars which didn't have keys in the ignition.

The boys were being held tonight at Princeton.

GEORGE ROMANO, TRAIL OLDTIMER, DIES AT CHICAGO

TRAIL, B.C., March 16—George Romano, 61-year-old oldtimer of Trail, died Tuesday morning at Chicago, Ill., where he had been receiving medical treatment for the past two months.

A resident of this city since 1903, Mr. Romano was born at San Stefano, Del Sol, Italy. He was first employed by the CPR in Trail in 1903, and in 1917 he joined the CM & S as track foreman, a position he held until his death.

He had been an active member of the Cristoforo Colombo Lodge since 1910 and served as lodge secretary from 1920 to 1928. He had also been a member of the Rosslan aerie, Fraternal Order of Eagles, since 1911.

Besides his wife, Emma, presently in Chicago, he is survived by a son, Eugene of Trail; four daughters, Mrs. Oliver D'Andrea, Mrs. Angelo Dolfo, both of Trail, Mrs. Frank Brandolini of New Westminster and Mrs. Ralph Meida, Christina Lake; his mother in Italy; two brothers, Silvio of Trail and John in Italy; two sisters, Mrs. Joe DeSantis of Trail and Giovanina in Italy, and several grandchildren here and in Italy.

VICTORIA, B.C., March 16 (CP) —Liquor Commissioner W. F. Kennedy anounced today reductions in prices of imported British liquors ranging from 10 cents to $1.50 will become effective April 1.

The price changes will cover a wide range of brands, Mr. Kennedy said, but Scotch whisky is not affected.

Expect Reds to Seize Hainan, Formosa, Tibet

NEW YORK, March 15 (AP)—The New York Herald-Tribune says today "one cannot doubt" the Chinese Communists will try to take Formosa, Hainan and Tibet "before the year is out."

Editorially, the newspaper said "the crux of the Communist problem is Formosa. It seems probable that some time this year the Reds will mount an all-out effort to seize this island foothold of the attenuated Nationalist regime."

"What is not clear," said the editorial, "is how they propose to overcome Chiang Kai-shek's air and naval superiority—a necessary preliminary to a successful crossing of the 100 miles of water separating Formosa from the mainland."

Leopold Decides To Leave Future To Parliament

GENEVA, March 16 (AP)—Leopold III, exiled King of the Belgians, has decided to leave the decision of his future to Belgium's parliament, he announced today

"Whatever the decision which parliament will take and for which it assumes, in conformity with the constitution, the entire and exclusive responsibility, I will bow to it," Leopold said in a statement released by his secretary at a press conference.

Hope Ahead for Gloomy Skiers

MILFORD, Conn., March 16 (AP) —A system of manufacturing artificial snow for ski resorts when a balky Winter refuses to make the real stuff has been developed by a group of engineers here.

The process calls for the forcing of a mixture of water and compressed air through a hose with a specially-constructed nozzle. When the spray hits the ground at sub-freezing temperatures, the result should be snow.

The inventors claim it works — and have a lot covered with 18 inches of snow to prove it when there's scarcely a trace elsewhere in town.

"Sandy" McInnis Reelected Head Fruitvale Recreation for Third Term

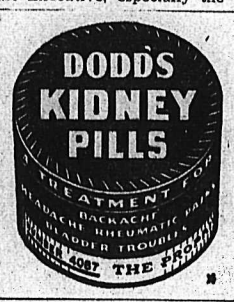
FRUITVALE, B.C., March 16—Hugh McInnes, known to his friends as "Sandy" was re-elected for his third term as President of the Fruitvale Recreation Association when the Association held its annual meeting last week.

Associated with him on the Executive Board will be: Vice-President Angus Wilmot; Secretary-Treasurer Mrs Thomas Anderson; and Mrs. Walter Veitch and Dennis Millar as Directors. The remaining two directors will be leected at a later meeting.

In his annual report, Mr. McInnes paid tribute to the citizens of Fruitvale for their support to the past Executive, especially the women. He said, "If it had not been for them working as hard as they did during the last ten days before last May 24th, I doubt if the Recreation Grounds would have been ready for the Sports."

Some had not approved of the charges made at the gates last year, he said and suggested that it might be advisable to fence in the ball field and charge only those entering the ball grounds.

He expressed regret that owing to weather conditions and unsatisfactory equipment, it had been impossible to flood and operate the skating rink this Winter.



New Denver Infant Christened

NEW DENVER, B. C., March 16—On Sunday, in St. Anthony's Catholic Church, with Rev. Father Robert Cain of Nelson officiating, the infant son of Mr. and Mrs. J. H. McDonaugh was christened John Franklin. His godmother was Miss Florence A. Moss and his godfather Pacifique Launderville, both of New Denver.

A reception was held at the home of Mr. and Mrs. McDonaugh.

Tea, Bazaar Tops New Denver Education Week

NEW DENVER, B. C., March 16—Education week turned out to be a successful one for the New Denver schools. March 9, J. A. Clarkson, Principal of the Elementary School, arranged a bazaar and tea in aid of the Junior Red Cross.

The Bazaar consisted of aprons, dresses, doilies, table cloths, socks, mitts, pot holders and pin cushions. These items were mostly made by the Elementary School children; a few being donated by their mothers.

Woodwork was displayed by the Elementary School boys.

Miss Jean Elder, teacher of Division II did a successful job of having the tea well organized. A dance was performed by Miss Elder's class at intervals during the afternoon.

A large crowd attended Education Day at the schools and the teachers were grateful to all the parents and pupils for making the bazaar so successful. A total of $81.50 was realized. This will be sent to the Crippled Children's Fund.

Of particular interest to many of the visitors to the school was the chemistry and physics laboratory where a number of experiments were displayed and explained by high school students.

The parents were also very interested in a practical demonstration of Home Economics and Practical Arts. In the Home Economics room the Grade 7 and 8 girls showed their proficiency at both cooking and sewing.

The parents, particularly the fathers, showed keen interest in the Grade 7 and 8 boys' displays of drafting and woodworking.

Education Week was voted by visitors and students alike as being a most successful and worthwhile endeavor, as it provided a most excellent opportunity of a closer liaison between parents and students, therefore a more thorough appreciation and understanding of problems with which students are confronted.

L.O.B.A. HOLDS FOURTH BIRTHDAY PARTY

The Ladies' Orange Benevolent Association held its fourth birthday party on Monday evening. Members of the IOBA, the Girls' Juvenile Lodge and the Loyal Orange Lodge partook of a sumptuous pot luck supper at 7 p.m. The birthday cake was cut by Mrs. C. Usherwood, Mistress of the LOBA, and good wishes were received from R. English for the LOL, Miss Grace Sinclair for the Girls' Juvenile Lodge. A card party followed. The committee in charge was Mrs. Pauline Backmann, convener; Mrs. L. Casemore, Mrs. M. Cooke and Mrs. V Muirhead.

New Denver

NEW DENVER, B. C.—Mr. and Mrs. Hermann Clever entertained Sunday in honor of their son Gilbert's ninth birthday, when 15 guests were entertained to indoor games. A sit down supper was served, assisted by the former's sister, Miss Dora M. Clever. The table was centered with a large decorated cake with nine candles. Hot dogs and pop were served. Each guest received a balloon and nut cup full of candies.

Mr. and Mrs. Andrew Schnaebele and daughter Sharon visited relatives during the weekend at Slocan City.

Board of Trade to Present Radio Series

A series of radio dramas built around the adventures of a newspaper reporter, to be resented by Nelson Board of Trade, will be heard over CKLN, T. D. Rosling, Board President, said the series, to start tonight, is designed to entertain and inform, and should help to "inspire pride in Canadian institutions and accomplishments."

The Week at Victoria

(Editor's Note—Leo T. Nimsick, M.L.A. for Cranbrook, has sent the following dispatch from Victoria entitled "The Week at Victoria" as a report to his constituents.)

Monday, I participated in the budget debate and although I spoke almost an hour, I will just give the highlights of my talk:

1. Hospital Insurance Plan should be an overall health insurance plan but as it is, improvements could be made as follows: (1) Out-patients should receive the same free treatments as in-patients in regards to X-ray, penicillin, etc.; (b) Health nurses should be located in outlying communities so that the people could receive medical information without travelling miles to a hospital, when in many cases it would be unnecessary; (c) Free hospital insurance should be available to all with an income of $50 or less per month, to be consistent with the present policy of old age pension recipients.

2. Complete the Southern Trans-Provincial Highway before committing ourselves to the second highway.

3. Recognition of recommendations from the Rod and Gun Clubs. While revenues from fees and licences have been increasing consistently—1946, $502,555; $1947, $597,529; 1948, $677,000—the appropriations have been going down every year. To conserve this great heritage, I urged an increase in this appropriation. This year's decrease is $15,000.

4. As a bulwark against the increase of juvenile delinquency, I suggested that the government set up a fund to help boys and girls who excel in the different lines of sport and other recreational activities, to enter national and international contests. As examples I cited the contribution given by such persons as Harry Brown, Noel Paul, and the Cranbrook Girl's High School Band. The promotion of such would do much to build good citizenship and lessen expenditures on industrial schools.

5. I asked that the government recognize the Legion resolution on unemployment by the appointment of a committee to investigate the whole problem and bring forth a solution.

Sunbathers Busy Planning Program

VANCOUVER, March 16 (CP)—Spring is in the air—British Columbia Sunbathers are planning their 1950 program.

It calls for an unclad, back-to-nature convention in the sunny Frazer Valley during the Summer, far from the curious and prying eyes.

Members of the Canadian Sunbathing Association met here recently

Reports showed that there are more than 400 Sunbathers in the lower mainland, and that groups now are organized in Vancouver, Victoria, Prince Rupert, White Rock, Port Alberni, Comox, Nanaimo, Trail, Kamloops and Vernon.

Officials said the back-to-nature movement gains converts each year. Members attend conventions in B.C., Washington and Oregon.

Appoint Manitoba Nurse Chief Matron, RCAMC

OTTAWA, March 16 (CP). — A Manitoba-born nurse who saw front-line service in the Second World War, has been elevated to top post in the Canadian Army.

She is Major Edna E. Andrews of Battle Heights, Sask. Her appointment as Matron in Chief, Royal Canadian Army Medical Corps, was announced today by Defence Minister Claxton.

She succeeds Major (Principal Matron) Dorothy F. Ballantine of Prince Albert, Sask., and Winnipeg who retires after holding the post since 1946.

Maj. Ballantine was well-known throughout the service. A graduate of the Winnipeg General Hospital in 1930, she took post-graduate studies at Prince Albert Sanatorium and the University of Minnesota.

Following the war she served in Canada as a Principal Matron and was appointed Matron in Chief four years ago.

Busy Year Ahead, Kiwanis Governor Tells Club; $2000 Given Infirmary

Coming activities of the Kiwanis organization were outlined to Nelson Kiwanis Club by Louis Gaiser of Chewelah, Wash., Lieutenant-Governor of Division 6, at the Hume Thursday night.

He also presented a Kiwanis International scroll to Dr. Kenneth Gibbons in recognition of his services as President of the Nelson Club last year. This year's President is Richard Palmer.

Mr. Gaiser, who visited the Castlegar Club Tuesday, said he hoped to see a good representation from this District at the Spring Conference at Coeur d'Alene on Sunday.

He said plans were progressing for the Peace Marker dedication to take place at Nelway June 4. Chairman of this event is W. B. Montgomery of Nelson.

Mr. Gaiser reported International Convention would be held in Miami in May and the Kiwanis District Convention in Spokane Aug. 21 and 22. He urged the Club to prepare a program for "National Kids Day" to be held in September.

He described the Nelson Club as "one of the finest" in the Division, noting that it ranked second in attendance standings. Chewelah Club was first.

$2000 TO INFIRMARY

During the business period, the Club endorsed a recommendation of the Directors that the sum of $2000 earmarked for furnishings in the two sitting rooms in Mount St. Francis Infirmary be turned over to the Sisters of St. Anne.

A new member, Bernard Kelly, was inducted, Very. Rev. T. L. Leadbeater, Chairman of the Education Committee, describing Kiwanis aims and objects during the ceremony.

The clever impersonations of George OGenski of Nelson drew much applause, the popular entertainer being recalled as he imitated such performers as Bing Crosby, Denis Day, Vaughn Munroe, Harry James, Al Jolson and The Ink Spots, as well as the bagpipes and the Hawaiian guitar.

Guests were Bert Norman of Vancouver and Murray Archibald, Donald Hunter and Father W. J. Harrison of Nelson.

Harrop W.I. Plans Social

Nineteen ladies attended the March meeting of the Harrop and District Women's Institute.

More definite plans were made regarding the shipping of wool for blankets. Each person was asked to prepare their materials and have them ready for April.

Plans were made to hold a social evening at Mrs. Kuran's home at Longbeach.

The cancer contest prize, donated by Mrs. McTavish, was won by Mrs. Jim Scott of Nelson. Tea was served by Mrs. Paulhus and Mrs. Maida of Harrop.

Open New Building In Cranbrook

CRANBROOK, B.C., March 16—New building of the East Kootenay branch of the Motor Supply Company of Canada has been opened here.

The building, located on Hanson Avenue next to the Quonset machine shop and warehouse built several years ago, has a concrete basement, a plate glass front on the street, and is finished in stucco. Office space, show room and stock room facilities are provided.

Branch manager is Cliff Nicholl and there is a staff of seven. The branch has been in operation on Baker Street since 1939.

$1237 Spent on Fruitvale Grounds

FRUITVALE, B.C., March 16—Fruitvale Recreation Society during 1949 spent $1237.83 on improvements to the recreation grounds and distributed $1075 in support of recreational projects, the financial report shows. Total receipts were $4374.83, expenditures $4175.85, leaving a balance of $198.98.

The gala celebration staged on Victoria Day returned $589.98, receipts being $1798.61 and expenses $1208.63.

Some $145.78 was spent on baseball equipment.

The Society received $1010 in donations.

Fruitvale Couple Celebrate 56th Wedding Anniversary Today

Mr. and Mrs. W. Campbell of Fruitvale today celebrate their fifty-sixth wedding anniversary quietly at their home.

They were married at St. Phillipe Church in Manchester, England, and came to Trail 21 years ago. For the past seven years they have made their home in Fruitvale.

There are three daughters, Mrs. Alfred Nuttall of Fruitvale, Mrs. J. Johnson of New Westminster and Mrs. J. Marshall of Langley Prairie. They have three grandchildren and four great-grandchildren.

Mr. and Mrs. Campbell are pictured above with their great-granddaughter, Barbara Anne, daughter of Mr. and Mrs. Jack Nuttall, a grandson of the celebrating couple.

Fleck-Nespiak Nuptials Celebrated, Camp Lister

CAMP LISTER, B.C., March 16—A wedding of interest in the Creston Valley was solemnized March 4 at the United Church, Natal, B. C., when Nancy Lilian, eldest daughter of Mr. and Mrs. Alex Nespiak of Camp Lister, became the bride of Mr. George Henry, eldest son of Mr. and Mrs. C. H. Fleck, also of Camp Lister, Rev. G. Alexander officiating.

The bride entered the church on the arm of her uncle, Mr. Tony Nespiak. She wore a floor length gown of white sheer, rayon shoulder veil, with scalloped edge and pearl trim, and carried a bouquet of red roses, white carnations and lilies.

Miss Verna Wocknitz of Camp Lister and Miss Annie Nespiak of Natal, sister of the bride, were the bridesmaids.

They wore floor length blue gowns and white accessories, and carried bouquets of yellow roses. Robert Fleck and Bill Nespiak, brothers of the groom and bride, were groomsmen.

After the ceremony a reception was held at the home of the bride's uncle. The table was centred with a three-tiered wedding cake.

The happy couple spent their honeymoon in Calgary. They will reside on the groom's ranch in Camp Lister.

A dance was held in their honor at the Deer Lodge Hall, when Mr. Otto Becker presented the newlyweds with several nice gifts from the people of Camp Lister.

Such Sure Baking!

When you use Swans Down Cake Flour, you give *real* protection to other expensive cake ingredients. That's why so many expert cake makers use no flour but Swans Down — and even amateurs enjoy grand results with this finest of cake flours.

Made by 50-year experts in the making of only cake flour. Sifted over and over again until 27 times as fine as ordinary flour. Depend on Swans Down for all your cake making. Your grocer has it.

CAKE TALK
by Frances Burton

Cakes that *keep well* are a wonderful boon to cooks. So you will be interested in some "freshness" tests we have made in the Swans Down Kitchens.

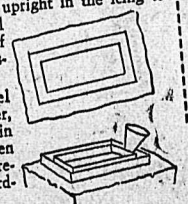
These tests showed first the greater eating enjoyment of Swans Down cakes as compared to cakes made with ordinary flour. And they showed that the difference was even *more* noticeable a day or two days, after the cakes were made.

Of course — we gave *all* cakes in our tests an equal chance . . . storing them the way we like best to *store* our Swans Down cakes. We let the cakes cool *thoroughly*. Then we put them in a metal container lined with waxed paper — and covered them tightly.

If you have no metal container, wrap the cake carefully in waxed paper. Loaf cakes, or those baked in square pans, may be put back in the pan when cold — then frosted on the top only. When icing is set, wrap cake, tin and all in waxed paper. Keep in a cool place.

And now — perhaps you'd like to know how we made the tidy border of chopped nuts on our loaf cake pictured.

After frosting has slightly set, place strips of cardboard upright in the icing to form a double wall around the edge of the cake as illustrated.



Using a funnel made of heavy paper, sprinkle the nuts in the spaces between the cardboard. Carefully remove cardboard.

SWANS DOWN LIGHT FRUIT CAKE

1¾ cups sifted Swans Down Cake Flour
2 teaspoons Calumet Baking Powder
¾ teaspoon salt
⅔ cup sugar
½ cup shortening (at room temperature)
⅔ cup milk
1 teaspoon almond extract
3 egg whites, beaten to meringue with ¼ cup sugar
Fruit (see below)

Have fruit ready — ½ cup finely chopped candied cherries, ¼ cup finely chopped citron, 1 cup finely chopped nuts.

Prepare meringue: Beat egg whites until foamy; add ¼ cup sugar gradually, beating until mixture stands in soft peaks.

Sift flour once, measure into sifter, add baking powder, salt, ⅔ cup sugar. Measure shortening into bowl, stir just to soften. Sift in dry ingredients. Add milk; blend, beat 1 minute. Add meringue; beat 2 minutes longer. Fold in flavoring, fruits, nuts. (Count only *actual* beating time. Allow 100 to 150 strokes per min. Scrape bowl and beater often.) Turn into loaf pan 9 x 5 x 3 inches, lined on bottom with waxed paper, and greased. Bake in mod. oven (350°F.) about 65 mins. Let stand over night before slicing.

Women, Bless 'Em

While few men can be expected to comprehend the general run of female fashion news, it would be an extraordinary man indeed who failed to find considerable food for the imagination in most dispatches dealing with this subject. So far as the Prince Albert Daily Herald is concerned, though, the imagination bogs down before the implications of one such report from Paris the other day.

At the start the dispatch is clear enough, as it tells how "French fashion makers are sharply split on the question whether women should conceal their curves this Spring," for it offers this explanation: "Half of them have designed short-skirted models that flatten the bust and hips. . . . The other half offer creations that make the most of the feminine contour, emphasizing the bust and hips . . ."

The next declaration, though, is the cause of the Saskatchewan Editor's confusion: "There are, of course, some designers who effect a compromise by showing a mixture of both."

And this report of the mixture of flattening and emphasizing treatments for bust and hips completely fails to produce a picture our mind is able to grasp, he writes. Do the gals, for instance, put all the emphasis, both top and bottom, to the left, and all the flattening to the right, or vice versa, to take on the tilt of a drunken sailor? Do they, instead, put some emphasis either top left or right and the rest either lower right or left, while flattening the reverse of those portions to achieve balance in malformation? Or will it work out simply that some of them are to be made top-heavy and others of them bottom-heavy, in even greater measure than Nature has already arranged these things?

With these possibilities stated, a new reason emerges for hoping for an early Spring—to see what Spring styles really are to be like.

Censorship

The Quebec Legislature has passed a Government Bill aimed at the extinction of obscene literature in the Province, and which in effect makes the Quebec Board of Cinema Censors a Board to censor all printed matter except newspapers and religious publications.

The procedure is simple. The Attorney General of Quebec may submit to the censors any printed matter, and ask the censors to say whether it is immoral and obscene. If they condemn it the police then are authorized to seize and destroy all copies of the offending matter they can find, with or without a warrant, and there is no appeal from the ruling of the Cinema Board.

The purpose of the legislation is defined by Premier Duplessis as the putting down of "malicious, immoral writings and pictures," and at ridding the Province of "atheists, Bolshevists and Communists." That is a tall order. No doubt the Government's intentions are excellent, but experience has shown that a literary censorship is apt to generate more evils than it cures.

The Last Sight Of Ireland

Ireland, dear, oh goodbye, and God bless you!
Dim in the distance your green meadows lie.
Softly the hedgerows would seem to caress you.
Emerald Isle! May God bless you. Goodbye.

Glistening white your round towers are peeping—
You "with the smile and the tear in your eye"—
Like a quick flash that to merry eyes leaping
Wavers, anon, in the wind of a sigh.

Island of dreams, there in pearl cloud enfolded,
Fading away to the blue of the sky,
Fabric of dreams in its outline is moulded;
Mists of sweet memories hover on high.

Memories, memories, all that remain to me,
These and the waves that go clamoring by;
Hastening back, with a poignant-sweet pain to me,
Where like a wraith of illusion you lie.

Well do I know all the charm that's a part of you,
Binding the soul with its magical tie;
Know the allure at the troubled great heart of you,
Erin. God bless you and bless you! Goodbye.

THY IMPERFECT PEOPLE

Will Thy people never know
The answer to it all?
Shall we never grow enough
To rise and never fall?

Are there none to show us
Whither we must go?
Is there never sign to warn
Which way is the foe?

Are men the masters of this earth,
Or are they detonators of ill?
Some seem such flaws with human face,
And lack the essence of goodwill.

Beasts live one upon the other,
And kill, as Nature meant.
But should man live upon his brother,
And drain him till he's spent?

'Tis a land whose evil fashions
Too many people heed.
Is there never a righteous way
That takes from man his greed?

And is the life upon this planet
So Godless and unkindly bent,
That millions through no fault of theirs
Are starving, defenceless, innocent.

Holy churches may stand for aye,
But till all men can eat,
There's nought in prayers or preaching
That will give them bread and meat.

Are we but flies upon the wall,
That are killed off by the score?
And seeing our predicament,
But double our people more?

Can we find the answer to it?
There are many ways and means;
But governments rule fearsomely,
And go ways the voter leans.

People cling too violently
To living day by day;
But they know there's nought to gain,
It's a poor and stagnant way.

And little good it does us,
If we are forced to grind
And push the other fellow down,
As if he had no mind.

There will come the reckoning,
And what will be the score?
Will the needy have enough?
Will the poor have more?

—BARBARA CORRIE.

V. S., Salmo—Please tell me recipe for making a hectograph.

The hectograph is a mixture of glue (gelatin) and glycerine. Melt together one part glue, two parts water, and four parts glycerine (all by weight), evaporating some of the water and tempering the mixture with more glue or glycerine if the season or climate require. The mass, when of proper consistency, which can be ascertained by cooling a small portion, is poured into a shallow pan and allowed to set. Clean glue must be used, or the mixture strained, and air-bubbles should be removed by skimming the surface with a piece of thin cardboard or similar appliance. Another formula consists of glycerine, 12 ounces; gelatin, two ounces; water, seven and a half ounces; sugar, two ounces. A patent composition, besides the usual ingredients—such as gelatin, glycerine, sugar and glue—contains a little soap, and can therefore be washed off much easier for a new surface. The smoothness of the surface is also improved.

40 YEARS AGO

From The Daily News of March 17, 1910

Flags at half mast and minute bells pealing their dirge imparted their solemn message yesterday as almost the whole population of Nelson paused in its labors to pay final honors to John Houston, pioneer, journalist, and "Father of Nelson", during funeral services for Nelson's first Mayor. Dr. J. T. Ferguson conducted the service. J. J. Malone, F. Teetzel, E. E. Phair, J. A. Gilker, Thomas Madden and J. A. Irving were pallbearers. Mr. Houston died at Quesnel, March 7, 1910.

F. A. Starkey, President of the Board of Trade, has appointed W. F. Roberts, W. R. Haldane and W. G. Foster a committee to take up the matter of having the lakes in the District stocked with varieties of fish.

3 Pressmen Win Awards for Noronic Stories

TORONTO, March 16 (CP)— The best news coverage of fires in Toronto in 1949 was concerned almost exclusively with the biggest and most disastrous fire of the year—the burning of the Noronic last Sept. 17—a Board of Judges from the Toronto Men's Press Club announced today.

The fire aboard the Great Lakes cruise ship, which took 119 lives, was the subject of three of the four entries which shared $1000 in prizes put up by the Toronto Fire Fighters' Association for the best fire stories and pictures of the year published by a Toronto newspaper.

James Y. Nicol of the Telegram won the $300 first prize for the best story, with the assistance of other Telegram reporters in obtaining his facts. An eyewitness account of the Noronic fire by Allan Kent of the Telegram won the $200 second prize.

A picture of a cigar-smoking passenger leaving the burning ship, won the $300 first prize in the picture division for Nelson Quarrington of the Telegram.

J. Douglas Cronk of the Daily Star won second prize with a picture of a youth rescuing four persons from a fire May 2, 1949.

Officials of the Association said the object of the contest was to draw public attention to the high cost of fires in lives and property and to stress the urgency of fire-prevention.

District Ferry Traffic Gains During February

Traffic on district ferries showed considerable increase, both in passengers and vehicles carried, according to statstics issued for February.

Greatest increase was reported by the Nelson-North Shore ferry. Automobiles transported over the West Arm during the month totalled 7277, an increase of 1723 over the 1949 total of 5554. Passengers also showed an upward trend, with 22,758 carried during February, compared with 20,667 for the same period last year.

M.V. Anscomb, Kootenay Lake ferry, and the Harrop-Longbeach ferry registered gains, the latter adding 61 runs to its schedule during the month.

U.S. Government Concerned by Mounting Jobless

WASHINGTON, March 16 (AP). — Government economists showed concern today over how to clamp a lid on mounting unemployment in the United States, now inching toward the 5,000,000-mark.

By 1960, they said, the U.S. will have to provide jobs for some 70,000,000 workers, instead of the 60,000,000 considered the top goal for the immediate post-war era.

But the increase in the labor force apparently has brought no corresponding rise in job openings in recent months.

Census takers counted 4,700,000 jobless Feb. 11. Statisticians say the number may pass the 5,000,000 point this year, for the first time since 1941.

Reynolds' Estate May Drop to $4500

TORONTO, March 16 (CP) — Mary Irene MacDonald's share of Ivanhoe Byrne Reynolds' estate may amount to $4500.

This was made known today by a lawyer acting for the 43-year-old former Edmonton nurse who said she lived for 18 years with the married Hamilton salesman.

The lawyer said a conference between legal representatives and court officials led to belief that the amount the woman will receive, will probably be much less than the $16,000 it was originally reported she would get under terms of a will contested by Reynolds' widow and four grown daughters but declared valid yesterday.

The final settlement has still to be determined. It may be decided after another court ruling as to who is entitled to what the will refers to as the "residue" of the estate.

Britain Protests Romanian Action

BUCHAREST, March 16 (AP) — Britain asked Romania today to suspend all information activities of the Romanian Legation in London, including publication of its Romanian news bulletin.

The move was in retaliation for similar action taken by Romania against the British Information Service here.

Walter S. T. Roberts, British Minister to Romania, presented his demand in a note he handed in person to Foreign Minister Ana Pauker. The note protested the Romanian action as "entirely unjustified."

New Sensation In Bergman, Lindstrom Case

LOS ANGELES, March 16 (AP). —Ingrid Bergman want her money back from her ex-husband.

She wants her 12-year-old daughter, too, and "reasonable" support for the child.

The actress' lawyers filed suit yesterday against Dr. Peter Lindstrom, whom she divorced in Mexico Feb. 9, demanding a division of community property and custody of their child, Pia.

Miss Bergman, 34, demanded $154,000 (after taxes) which she said she earned in making the movie "Stromboli" for Director Roberto Rossellin' on the Island of Stromboli in the Mediterranean.

She also demanded her interest in two films still being exhibited "Joan of Arc" and "Under Capricorn."

The actress asked for a division of community property, including their home here, three automobiles, jewelry, furs, life insurance and $29,000 in Government bonds. The court was asked to enjoin Lindstrom from disposing of any of the property until an agreement is reached.

Miss Bergman's action yesterday brought to the fore a long dispute which has been overshadowed by the sensational romance between the actress and the Italian director.

Counsel have been negotiating for months and finally yesterday Bernard Silbert, who filed the suit here for Miss Bergman, said "All attempts to reach an agreement with Dr. Lindstrom have failed."

French Chamber Votes 416-181 For U.S. Arms

PARIS, March 16 (CP). — Amid the banging of desks and cries of "Fascists, swine," the French National Assembly early today voted 416 to 181 to accept American arms for use against the spread of Communism.

With only Communist Deputies opposing, the Assembly voted to authorize ratification of the Arms Aid Agreement reached by France and the United States Nov. 27.

The measure still must be considered by the other parliamentary house, the Council of the Republic, which has only advisory and delaying powers.

The session was adjourned briefly for the counting of votes after a first tally had shown the Communists had put more votes into the urns than there were Communists in the Chamber.

France should get armaments worth $500,000,000 this year and the total delivery would be worth about $1,100,000,000.

Uncle Sam Ready to Help Those Who Strive to Help Themselves

By DEWITT MACKENZIE

Associated Press News Analyst

State Secretary Dean Acheson's major foreign policy speech before the Commonwealth Club in San Francisco yesterday, promising non-Communistic Asiatic countries limited aid in their fight against "Soviet-Communist imperialism," took the unusual form of being directed to the "grass-roots."

Acheson was speaking not only to the American people but apparently was reaching out in an effort to contact the rank-and-file of Asia's millions rather than restricting his remarks to governments.

American assistance would cover military, financial and technical aid. It could be used only to "reinforce the efforts which others are prepared to make on their own behalf." That's a less blunt way of saying that Uncle Sam can only help those who help themselves.

Acheson called attention to the all-important fact that the Reds may use China as a base for new thrusts. He might have gone further and said that Moscow-backed Chinese Communists already are deploying their forces for fresh conquests. He declared that the use of China as a base for aggression against neighboring countries would violate the United Nations charter.

He said that the U.S. was ready to trade with China on a fair basis. However, the U.S. wouldn't sell to the Chinese goods which could be used to harm her.

Tigers Fall to Sons Despite Promise of Cars

LETHBRIDGE, March 16 (CP) — Lethbridge Native Sons tonight moved into the Western Canada Junior Hockey League finals against Regina Pats with a 5-3 overtime victory over Medicine Hat Tigers here. Sons won the best-of-five semi-final series two games to one. Two contests were tied.

The triumph marked the end of a tough uphill fight for Lethbridge, easy winners of the league schedule. Native Sons were forced to win the last two games to take the series. Tigers, who finished in fourth place, won the first 5-3, the next two were tied 2-2 and 5-5 and Lethbridge took the fourth 8-2.

Bill Chandler was the hero of the contest, picking up Defenceman Laurie Thompson's pass at the 2:50 mark in overtime to score the winning goal, Centre Art Stone added a safety marker in the last 40 seconds after Tiger Coach Joe Fisher had yanked Goalie Buddy Noon in a desperate gamble to tie the score.

Guyle Fielder of Lethbridge, who finished second in the league scoring race, sent the game into overtime when he beat Noon on a slap shot with less than three minutes of regulation time remaining.

Plenty was at stake for the Tigers. A Medicine Hat garage owner today promised each of them a 1950 model automobile if they won the Memorial Cup in four straight games.

Stone was the big gun with three goals. Eldor Thomas, Bill Innes and Jay Jenkins were the Tiger scorers.

Immediately following the game Fielder was presented with the Ed Bruchet trophy for being selected the most valuable player to his team in the Western Canada Junior Hockey League. Other presentations were made to the injured Son defenceman, Cooney Wood and Goalie Boomer Rodzinyak by a Lethbridge firm.

Kimberley Skates Back Into Playoffs, Beating Trail 8-3

KIMBERLEY, B.C., March 16—Kimberley Dynamiters tonight defeated Trail Smoke Eaters 5-3 to extend the playoff series to at least four games. Trail took the first two on home ice and Kimberley, without the services of Spence Tatchell, who has three broken fingers, and Shorty Coombs, who has a back injury, had to fight all the way.

Kimberley took the offensive from the faceoff, keeping the puck inside the Trail blue line for the first four minutes. Sully Sullivan missed an open goal after Bartlett came out to clear a rolling puck. At 6:58 Dave Livingstone took Bill Jones pass to open the scofing for Kimberley. This, incidentally, was Jones' first point in the 1949-50 season.

At 8:02 Doug Kilburn and Livingstone teamed to make it 2-0 for the Dynamiters. Finally at 12:16 Dave Nicol beat McLay on a scramble, Ab Cronie and Don Anderson getting assists. Trail tried hard for the equalizer but found McLay unbeatable, the period ending without further score.

Trail came in fast from the faceoff of the second period, Pasqualotto running into a stiff body check from Tunk Johnson. McLay was brilliant as Cronie and Anderson both got shots away.

Mario Scodellaro took Buckna's pass from behind the Kimberley goal at 7:05 to beat McLay to tie the score at 9:08. Gordie Wilson went right in passing the puck to Doug MacDonald who tipped it into the net to put the Dynamiters again in the lead.

Trail was all around the net in the final minutes of the period, Nicol finally scoring from Anderson just as the whistle blew.

Pasqualotto got two minutes for holding Sullivan on the boards in the opening of the third and Kimberley started an attack only to have Harry Brown waved off for interference. Trail was all around the Kimberley net but there was no score.

Red Sutherland went off for holding and Trail had to clear down the ice to relieve the pressure. At 10:58 Brown scored from Johnson and Buck Kavanagh to again give Kimberley the lead.

Trail were fighting hard, playing every man up but at 19:58 Brown scored his second goal of the period. Displaying all his old time speed as he outskated the Trail defence to put the game on ice.

Lineups:

KIMBERLEY — McLay; defence, Jones, Johnson, rBown, Barker; forwards, Sullivan, MacDonald, Kilburn, Bell, Kavanagh, Calles, Tarnow, Livingstone, Wilson.

TRAIL — Bartlett; defence Christensen, Pasqualotto, Clements, Sutherland; forwards, Anderson, Turik, Secco, Cavanaugh, Cronie, Nicol, Chmiel, Scodellaro, Buckna.

Officials—Kemp and Wheatley.

SUMMARY:

First period—1. Kimberley, Livingstone (Jones) 5:58; 2. Kimberley, Kilburn (Livingstone) 8:02; 3. Trail, Nicol (Cronie, Anderson) 12:06.

Second period—4. Trail, Scodellaro 7:05; 5. Kimberley, MacDonald (Wilson) 9:08; 6. Trail, Nicol 19:55.

Third period — 7. Kimberley, Brown (Johnson, Kavanagh) 10:58; 8. Kimberley, Brown 19:58.

Penalties—Pasqualotto, Brown.

Ageless Harry Brown could almost ask for another Harry Brown night, and the Kimberley fans would support the move. His two goals last night bounced the Kimberley Dynamiters off the ropes and beat Trail 5-3.

The veteran defenceman scored two goals in the third period after the score was tied 3-3, to give the Dynamiters their first win of the series. The fourth game will be played in Kimberley Saturday night so if the McAuley men go right, they could knot the series, forcing the fifth game of the playoffs. A fifth game would be played in Trail Monday.

Dave Nicol, who usually puts in a steady game, but seldom looks flashy, proved his worth to the Smokies, scoring two of the Trail goals.

Lethbridge Native Sons had to come from behind to beat out Medicine Hat Tigers in the Western Canada Junior Hockey League semis. The Sons had to come from a 3-1 deficit, but did it, as they were on the brink of being shoved out of the Memorial Cup race after walking away with the league schedule. The Medicine Hat Tigers, had been spurred by an offer of a 1950 automobile for every player on the club if they copped the Memorial Cup, winning the finals in four straight games.

In that best of five series, two of the games were tied, but the first club to garner six points, the equivalent of three wins, won the set. Lethbridge as it turned out won with two wins and two ties.

The Native Sons now meet Regina Pats in the league finals, and the winner of this series will play the winner between Trail Smoke Eater Juniors and Prince Albert Mintos.

The Trail Smokies meet Prince Albert in the second game of their playoff series tonight, again in the Cominco Arena. The series may be extended from a two-out-of-three affair to best-of-five, but as far as I know, Al Picard, CAHA President, has not issued his orders. If the series remains as best-of-three, the third game, if necessary would be played Monday, so the winner would have to wait while Lethbridge and Regina finished their series which will probably start Monday.

It will be a tough uphill fight for the Mitnos to win the next two in a row, since the series is played on Trail ice. They lost a few of their key men in the playoffs with Edmonton Athletic Club.

Former Trail Smoke Eater Archie Scott had a big hand in helping Calgary Stampeders dump Saskatoon Quakers from the Allan Cup chase. It took only five games to put out the Quakers who were supposed to have had a fair chance to win the loop title. The Calgary Stampeders took the last three games straight, after splitting the first pair on Calgary ice.

The pesky Rossland product scored the first Calgary goal, and assisted on a pair of the other goals in the 6-1 triumph. Dunc Grant was the highest point getter, with a goal and three assist, while Roy Heximer notched a pair of goals, assisting on another.

Russ Dertell, who captured seven of the eight shutouts recorded during the season, was unbeatable until early in the final period.

The Stampeders now meet the Edmonton Flyers in a best-of-seven affair for the league championship. Both Edmonton and Calgary have found it hard to win away from home when the two clubs met, so Edmonton Flyers, who were in top form at the finish of the season, should be favorites, having the odd game of the series. The Flyers' layoff while Calgary and Saskatoon battled it out could make a difference.

Former Kimberley Dynamiter Bill Hryciuk flicked the red light five times as the Kamloops Elks defeated Nanaimo Clippers 8-5 Wednesday night. The game evened the series at one game apiece, Nanaimo winning the opener 5-2.

Castlegar Beats Slocan City 11-6 In School Hockey

SLOCAN CITY, B.C., March 16—With keen interest of Constable R. Michelin and Pat Daniel in charge, Castlegar High School again took Slocan City High School for a clipping when they defeated them 11 to 6 in a hard-fought game. Both teams were supported by enthusiastic fans. Both teams made good use of the penalty box in the last two periods.

Castlegar opened the scoring in the first period at 3:10 by Walter Poohachoff on a pass from Pete Polonikoff; followed by Johnny Ross at 8:35.

With loud cheers from the fans Jimmy Hicks broke through Castlegar defence to make the first tally for Slocan City in a beautiful solo play at 8:50. In less than half a minute Bobby Terakita, on a pass from Jimmy Hicks, found the mark in Castlegar net. At 17:25 Bob Thompson put one past Jack Hawka but Slocan City came right back with Billy Hicks and Bobby Terakita accounting for two more goals, giving the home team a lead of 4 to 3.

In the second frame the fans went wild when Bobby Terakita, unassisted, shot a fast drive past Martini at 2:15. The two-goal lead for Slocan City was short lived as the visitors scored five consecutive goals including two solos by Ken Rigby and Pete Zebroff.

Slocan City desperately tried to close in the lead in third canto but made little headway. Meanwhile Phil Gorkoff, in a combination play with Bob Thompson and Ewan Wallace, followed by Pete Polonikoff and Johnny Ross, each unassisted, kept Jack Hawka more than busy in front of the Slocan net. At 18:04 Slocan City squeezed the final goal of the game.

Both Rudy Martini and Jack Hawka turned in outstanding demonstration of goaltending.

Lineups:

Slocan City—Jack Hawka; Billy Hicks, Bobby Terakita, Jimmy Hicks, Dexter Eto, Min Nishimura, Baldy Furukawa, forwards; Allan Hicks, Nappy Sakamoto, Tommy Nielson, defence.

Castlegar—Rudy Martini; Walter Poohachoff, Johnny Ross, Pete Polonikoff, Bob Thompson, Ewan Wallace, Ken Rigby, forwards; Roy Peterson, Phil Gorkoff, Willie Oleski, Pete Zebroff, defence.

SUMMARY

First period: 1, Castlegar, Poohachoff (Palonikoff) 3:10; 2, Castlegar, Ross (Poohachoff) 8:35; 3, Slocan City, Jimmy Hicks, 8:50; 4, Slocan City, Terakita (Jimmy Hicks) 9:10; 5, Castlegar, Thompson (Oleski) 17:25; 6, Slocan City, Billy Hicks (Jimmy Hicks, Terakita) 20:55; 7, Slocan City, Terakita (Jimmy Hicks) 22:40.

Penalties—None.

Second period: 8, Slocan City, Terakita, 2:15; 9, Castliegar, Ross (Poohachoff) 4:00; 10, Castlegar, Poohachoof (Ross, Palonikoff) 7:00; 11, Castlegar, Rigby, 17:00; 12, Castlegar, Palonikoff (Ross) 20:30; 13, Castlegar, Zebroff, 22:30.

Penalties: Wallace, Allan Hicks, Rigby, Jimmy Hicks.

Third period: 14, Castlegar, Gorkoff (Thompson, Wallace) 5:20; 15, Castlegar, Palonikoff, 9:20; 16, Castlegar, Ross, 14:45; 17, Slocan City, Sakamoto (Eto) 18:04.

Penalties: Jimmy Hicks (2), Wallace, Oleski, Nishimura.

Shots stopped by Martini 20, Hawka 27.

Scorekeeper, Jimmie Kakutani; timekeeper, Pat Daniel; referee, Ted Hicks; goal judges, Dave Gordon, Glen Jones.

A dance was held after the match when students from both schools spent an enjoyable evening dancing to recordings. Jack Hawka and Hajime Kinoshita were in charge.

Rudy Martini of Castlegar highlighted the evening when he favored the students with popular selections on his accordian.

Curling Club May Clean Up $5000

VANCOUVER, B.C., March 16—(CP) — The skeptics have been convinced that curling can be big business.

All that is needed now is to convince local officials of the game that the Canadian curling championships held here last week were as successful as they actually were.

Figures released today reveal that 23,275 persons paid to see the nine regular draws and the Friday morning playoff for second place. Thursday, more than 8500 people watched the three draws, with 4100 fans sitting in at night.

And officials of the Vancouver Curling Club, sponsors of the bonspiel, expect the Club will net anywhere between $3000 and $5000 when expenses have been finally cleaned up.

256 Curlers To Take Part In Little Bonspiel

Some 256 enthusiastic followers of the famed stane and besom game will meet here today, Saturday and Sunday for the annual Nelson Little Bonspiel. First stones will be sent down the ice sheets at 8 a.m. today.

Sixty-four rinks from 10 Kootenay centres will participate in the three-day competition.

Rinks will include seven from Rossland, nine from Trail, Salmo four, Creston seven, Midway one, Silverton one, Riondel one, Nelson 32, New Denver one and Kaslo one.

The list of personnel of the rinks entered has not yet been completed but will be published Saturay.

The Hampton Gray, V.C., Memorial Trophy is posted for the primary event, while secondary victor will be entitled to the Putnam Cup. The Board of Trade Cup will go to the tertiary winner.

Bonspiel officials said Thursday night it was their hope the primary final staged at 1 p.m. Sunday, and the secondary final at 3 or 5 p.m.

Stamps Trounce Quakers 6-1; To Meet Flyers

CALGARY, March 16 (CP)—Calgary Stampeders knocked Saskatoon Quakers out of the Western Canada Senior Hockey League playoffs tonight with a convincing 6-1 victory to take the best-of-seven semi-final series four games to one.

Stampeders, who will meet Edmonton Flyers in Edmonton Saturday in the first game of the best-of-seven league final, were in command of the contest from the start.

Playing a close-checking but clean game—there were only three minor penalties—Stamps took an early lead in the first period and slapped in four more counters in the middle session. Billy Maher got Saskatoon's lone marker in the third period.

Roy Heximer with two goals and shifty Dunc Grant, who scored once and assisted on three other goals, were Calgary's top pointgetters, Archie Scott, Stan Devicq and Johnny Milliard got a goal apiece.

More than 5200 fans witnessed the Calgary victory which followed previous wins of 4-3, 3-2 and 7-2 over the Quakers who racked up a 4-0 shutout for their only win.

Summary

First period—1. Calgary, Scott (Tagagrt, Grant) 3:33; 2. Calgary, Heximer (Coflin, Pechet) 5:25.

Penalties — None.

Second period—3. Calgary, Heximer (Grant) 5:27; 4. Calgary, Devicq (Grant, Scott) 7:03; 5. Calgary, Grant (Scott) 12:27; 6. Calgary, Milliard (Heximer) 16:38.

Will Not Extend P. A.-Trail Series

REGINA, March 16 (CP) — Al Pickard of Regina, President of the Canadian Amateur Hockey Association, said tonight the best-of-three Western Canadian Memorial Cup quarter-final between Prince Albert Mintos and Trail Smoke Eaters will not be extended to a best-of-five.

Mr. Pickard said the series had been billed as a best-of-three for "a number of reasons" and no changes could be made at this time.

Trail won the first game of the set last night 5-3. The second game is billed for Saturday, also at Trail.

Nelson Bants to Trail Sunday For Title Game

Nelson Bantams will travel to Trail Sunday where they will meet the Smokey City Bantam crew in the final session of the two-game total point series for the West Kootenay Bantam championship.

In Tuesday night's opening game played here the Trailites swamped the Nelson Bants by a 14-3 margin.

The Nelson lineup will comprise Long, Thompson, Richardson, Lipsack, Sherwood, Culley, Marquis, Rosling, Somerville, Scott, Horswill, DeFoe, Kearns, Vance and Olson.

ONE FOR ALL AND ALL FOR ONE

DETROIT, March 16 (AP)—With Detroit Red Wings' high-scoring hockey line of Sid Abel, Ted Lindsay and Gordon Howe, it's one for all and all for one.

The Detroit trio, currently running one-two-three in the National Hockey League's individual scoring derby, announced today they have agreed to a three-way equal split of any of the $1500 bonus money awarded by the league to the top two finishers.

The National League awards $1000 and the Art Ross trophy to the player scoring the most points in the regular season. A cash prize of $500 goes to the runner-up.

With five games left to play, Lindsay is first in the scoring parade with 23 goals and 49 assists for 72 points. Abel has 67 points for second place on 34 goals and 33 assists while Howe is third with 30 goals and 31 assists for 61 points.

Canadiens, Wings Tie

MONTREAL, March 16 (CP)—Montreal Canadiens scored two fast goals in the last five minutes of play tonight to earn a 2-2 tie with Detroit Red Wings and remain in third place in the National Hockey League.

The game, before a crowd of 14,006 was the sixth tie the two teams have played this season in their full 14 meetings. The Red Wings hold the edge with five wins against three.

Gordie Howe and Red Kelly were the Detroit scorers and Maurice Richard, with his 37th goal of the season and Doug Harvey were the Montreal marksmen in Canadiens desperate bid at the finish.

The hard-fought, rugged and close checking game brought a total of 15 minor penalties, eight to the Red Wings. Canadiens played a man short about two minutes after tieing the score at 15:56 of the last period.

Bill Durnan, back in the Montreal nets after an absence of six games through injuries, turned in a first-class performance.

REARDON HURT

Ken Reardon, rugged Montreal defenceman, injured his arm late in the game and left the ice. It was not known immediately how serious he was hurt.

First period—1. Detroit, Howe (Lindsay, Fogolin) 10:41.

Penalties—Black, Reay, Pavelich, Harvey.

Second period—2. Detroit, Kelly 18:45.

Penalties—Stewart, Reay, Couture, Bouchard, Richard, McNab.

Third period—3. Montreal, Richard (Harvey, Reay) 15:15; 4. Montreal, Harvey (Harmon, Curry) 15:56.

Penalties—Abel, Fogolin, Black, Lindsay, Mosdell, Harvey.

Women Hoopsters Open Playoff Here Wednesday

The four teams making up the Nelson Women's Basketball Association will clash in the opening game of the two-game total-points series to be staged at the Civic Centre next Wednesday night.

In the first of the double-header session, the High School Bomberettes and the High School Brunettes will lock horns at 7:15 p.m. Wednesday, while at 8:15 p.m. the Turtles and the Lemacs will take to the floor.

The winning teams of the two sessions will meet at a later date for the finals and the title.

Swedish Coach Not Confident of Beating Mercurys

By MICHAEL O'MARA
Canadian Press Staff Writer

LONDON, March 16 (CP)—Frank Trottier, coach of the Swedish hockey team which experts figure will give Canada the closest run for the world championship, isn't overconfident that his squad can stop the red-hot Edmonton Mercurys.

"We'd like to think we had a fighting chance," he told the Canadian Press today. "Actually our main objective in the championship tournament is to win the European crown.

"If the Mercurys play the hockey they are capable of we don't stand much chance for the world title."

Today was an off-day for all six teams which qualified for the final round-robin series. The finalists, in addition to Canada and Sweden, are Britain, the United States, Norway and Switzerland. The Czechoslovakian government forbade the Czech team to come to London to defend the crown that country won in 1949.

Tomorrow the Mercurys meet Switzerland.

Tonight the Mercurys, along with the other eight clubs which entered the tournament, attented a reception given by the Lord Mayor at the Mansion House in the heart of the City of London.

Lord Broadbridge, alderman acting in the absence of the Lord Mayor, Sir Frederick Rowland, bade the competitors and officials welcome. Sir Frederick was indisposed.

Trinidad has been a British crown colony since 1797, and today has a population of 530,000.

TODAY'S News Pictures

A Little Girl's Despair and Joy

Twenty-month-old Cathy Hlebink was desolate on a recent morning as she peered from a window (left) in her Brooklyn, N. Y., home, looking in vain for her dog, Mandy, which disappeared during the night. At the right, Cathy—and Mandy—is all smiles after a neighborhood search returned the pet.

Attacked Body Of Dead Master

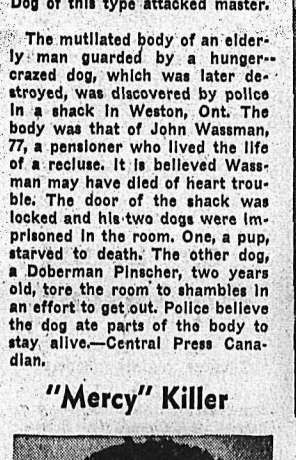
Dog of this type attacked master.

The mutilated body of an elderly man guarded by a hunger-crazed dog, which was later destroyed, was discovered by police in a shack in Weston, Ont. The body was that of John Wassman, 77, a pensioner who lived the life of a recluse. It is believed Wassman may have died of heart trouble. The door of the shack was locked and his two dogs were imprisoned in the room. One, a pup, starved to death. The other dog, a Doberman Pinscher, two years old, tore the room to shambles in an effort to get out. Police believe the dog ate parts of the body to stay alive.—Central Press Canadian.

"Mercy" Killer

Harold Mohr, 36, of Coplay, Pa., is seen above after he admitted killing his 55-year-old blind brother, Walter. Mohr is quoted by the District Attorney as saying: "He asked me to shoot him. I pondered it. I finally decided to do it." Walter was killed instantly by a .30 calibre bullet fired into his back. The victim had been receiving cancer treatments for the last six months.—Central Press Canadian.

On Trial in Germany



Mrs. Yvette Madsen, seen above, is on trial in Frankfurt, Germany, for shooting to death her Air Force husband after a quarrel over her "Brooklyn accent". The American beauty is being tried under German law and faces a maximum penalty of life imprisoment if convicted. She pleaded not guilty by reason of temporary insanity when her trial opened. A note, said to have been written by the accused before the shooting, has added an air of mystery to the case.—Central Press Canadian.

No Romance in Hawaii

Holding her daughter, little Linda Susan, Shirley Temple beams at fans and reporters who greeted her on her arrival in Los Angeles from her Hawaiian vacation. Referring to her rumored romance with Charles Black, 31-year-old pineapple heir who escorted her during seven weeks in Hawaii, Shirley told reporters, "Those reports make me laugh." She was accompanied by her parents on the trip.—AP Wirephoto.

STRASBOURG, Germany (CP)—The largest clock in Europe is being constructed here, to be sent to Norway. The dial is 28 feet in diameter, the two hands weigh 500 pounds and the minute hand moves in jerks of 8½ inches, each representing half a minute.

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

T W K W U W D W D D H C T E H G X D P N P X W H H W S N — S Q A A E K.

Yesterday's Cryptoquote: SOME NATURAL TEARS THEY DROPPED, BUT WIPED THEM SOON—MILTON.

New Bank Appointments

JOHN MacRAE

W. H. RAIKES

John MacRae, Superintendent of British Columbia branches of the Bank of Montreal, has been appointed Assistant General Manager, at Toronto, of the bank's Ontario division. His successor is W. H. Raikes, for the past year Manager of the bank's important St. Peter and St. James Streets branch in Montreal. Mr. MacRae's predecessor in Ontario is W. T. Aikins MacFadyen, who is retiring on pension after 44 years as a banker.

In his new office, Mr. Raikes will have charge of the department in which he served for several years after joining the Bank of Montreal at its Vancouver main branch in 1911. He became Assistant Manager of the Victoria main office in 1932, and subsequently served in a similar capacity in Ottawa and at the Vancouver main office. He was manager of the bank's Trail branch from 1939 to 1943, and during recent years has held important positions with the bank at Regina, New York and Montreal.

Market Trends

LONDON (Reuters) — Interest in the London Stock Exchange was centred in South African gold shares today.

Price changes revealed a selective firmness on cape and local buying in anticipation of a favorable South African budget.

MONTREAL (CP) — Heavy buying continued to drive stocks into higher ground near the final hour on the Montreal Stock Exchange and Curb Market today.

Volume showed industrials with 80,300 shares traded and mines 225,700 shares. Advances ranged from small fractions to more than a point.

TORONTO (CP) — Industrials pushed into new high ground for a second successive session on the Toronto Stock Exchange today. Some easiness appeared towards the close as profit taking pressure showed. Volume was about 1,430,000 shares.

Western oils were moderately strong. Market leaders like Calgary and Edmonton, Atlantic Oil and Pacific Petroleum firmed.

NEW YORK (AP) — The stock market made no further progress today after an opening burst of buying had died down.

Early gains running to around a point were either trimmed or replaced with minor losses although the market on average was still higher.

Canadian issues were higher with the exception of Canadian Pacific which eased ⅛. Hiram Walker added ¾, Distillers Seagrams gained ⅝, Dome Mines and McIntyre each climbed ¼.

Calgary Livestock

CALGARY, March 16 (CP)—The cattle market was active at the Calgary stockyards today on light receipts and only a moderate run was expected. Yesterday 526 head were sold.

Prices were steady today with a good demand for all classes of butcher cattle.

Hogs sold yesterday at $27.75 for A Grade at yards; sows at $16.50 live weight. Good lambs $24.75.

Good to choice butcher steers 23.50-24.50; common to medium 19-23. Good butcher heifers 22-23; common to medium 18-21.50. Good to choice fed calves 23.50-24.50; common to medium 20-23. Good cows 17-17.50; common to medium 15-16.50. Canners and cutters 12-14.50. Good bulls 18-18.50; common to medium 16-17.50. Good to choice veal calves 23-25; comon to medium 18-22.50. Good stocker and feeder steers 20-22.50; common to medium 18-19.50.

Wheat Council Admits Germans

LONDON, March 16 (CP).—The International Wheat Council today announced that Germany's application for membership in the International Wheat Agreement was accepted yesterday.

But, the council said, a similar application by Japan was deferred until a later session of the council. Japan will have to continue buying her wheat at world market prices, higher than the maximum levels fixed by the agreement.

The applications by the two former Axis countries have been discussed by the council at several meetings since last November.

Objections to their admission had been made mostly by Britain and other importing countries, while Canada and the United States led the campaign for their acceptance.

IMMEDIATE EFFECT

It was understood that Germany's accession to the agreement will take effect immediately. Japan, even if admitted at the next meeting, could not join until the second year of the agreement, starting next Aug. 1.

Germany's quota under the International Wheat Agreement is 1,800,000 metric tons a year, starting with the current crop year.

It was understood that the whole German quota during the current crop year ending next July 31 is to be supplied by the U.S. except for *a small quantity which, by arrange*ment between the U.S. and France, will come from France.

In the three remaining years of the agreement the German quota is to be shared proportionately among the exporting countries.

LONDON, March 16 (Reuters)—Lord Tedder, Marshal of the Royal Air Force, will be chairman of a revived British Joint-Services Mission in Washington, War Minister Emanuel Shinwell announced in the House of Commons today.

Shinwell said the post had been revived to mark the "high importance they attach to our representation in Washington."

Imperial Bank History Interwoven With Opening of Western Provinces

By FORBES RHUDE
Canadian Press Business Editor

On Sept. 4, 1891, a bank opened a branch in a tent in Edmonton, the first Eastern bank to go in there.

Perhaps that is a good point at which to start the story of a Canadian institution which is 75 years old today, for its particular pride is its part in following the frontier West and North.

It is the Imperial Bank of Canada established March 16, 1875, in Toronto. Some three months later it had paid-up capital of $600,000 and deposits of like amount. Today it has paid-up capital of $7,000,000, reserve fund of $10,000,000, total deposits of $476,000,000 and assets exceeding $519,000,000.

The story of the Bank is interwoven with the march of the West with branches opening in Winnipeg 1881, Brandon 1882, Calgary 1886, Prince Albert and Edmonton 1891, Vancouver 1895, Nelson 1898, and so on.

Meantime, it expanded through Southern and Western Ontario from its original territory of Toronto and Niagara Peninsula, and later, with the romance of silver and gold, into Northern Ontario: New Liskeard and Cobalt 1905, Gowganda 1908, Cochrane 1909, South Porcupine and Timmins 1911. It had also turned East to Montreal in 1898, Ottawa 1900, Quebec 1906.

Only last year, however, did it get the breath of the Atlantic with its first Maritime Provinces branch at Halifax. Altogether, it now has 213 branches; its staff has grown from seven to 2600.

In a statement marking today's anniversary, I. K. Johnston, President, comments:

"I feel that the Bank can rightly claim to have achieved something for the good of Canada. From its inception it has moved Westwards and Northwards with the pioneer, assisting the farmer, industrialist, miner and lumberman."

The present General Manager is L. S. Mackersy, a native of Scotland who joined the Bank at Red Deer, Alta., in 1911.

In its history, Imperial has absorbed two other institutions, the Niagara District Bank in 1875 and the Weyburn, Sask., Security Bank in 1932.
