WEATHER FORECAST
KOOTENAY
Cloudy. Sunny intervals. A few showers. A little cooler. Winds light. Low and high at Cranbrook 45 and 70. Crescent Valley 45 and 70. Outlook for Sunday sunny.

New Canadian Anglican Primate

VICTORIA, B.C., Sept. 7 (CP) — Bishop Walter Foster Barfoot of Edmonton is the new Primate of the Church of England in Canada.

He was elected today to the highest office of the Church by the Electoral College of the Anglican General Synod, sitting in Christ Church Cathedral here.

The new Archbishop Barfoot suceeds the late Archbishop G. F. Kingston of Nova Scotia, who died last November.

ARCHBISHOP W. F. BARFOOT

Nominations for the election were provided by the 30-member House of Bishops, sitting apart in the cathedral deanery as the Upper House, with Acting Primate Archbishop W. R. Adams of the Yukon as head.

Voting on the nominations took place in the cathedral where the remainder of the electoral college, consisting of 85 clerical and lay members, sat as the Lower House, with Dean G. R. Calvert of Christ Church Cathedral as prolocutor and chairman during the election.

The new Primate, who was consecrated Bishop of Edmonton in 1941, on his election takes the title of Archbishop, and becomes President of the General Synod. He may serve for life or as long as he is Bishop of a Canadian diocese. He may resign by written notice to the Senior Metropolitan, but his resignation becomes effective only when it is accepted by a majority of the House of Bishops.

He will, however, until a separate primatial see is established for him, remain as Bishop of his present diocese.

There was lengthy discussions in both the Upper and Lower Houses before the choice was made. Sessions of the electoral college opened this morning, adjourned for lunch, and reconvened at 1:45 p.m. The final choice was made late in the day.

Tonight, the new Primate was formally installed in office at a colorful ceremony in the cathedral.

The scarlet-robed bishops, the clergy and lay members attended the ceremony.

Treaty Signing Scheduled Today

BY ROBERT EUNSON

SAN FRANCISCO, Sept. 7 (AP) — The Western powers fought off a last-ditch Soviet attempt tonight to stall the Japanese peace conference and the meeting adjourned until tomorrow when the signing of the historic document is scheduled.

In the closing minutes, after Russia's Andrei Gromyko had failed in a move to open debate on a series of changes he proposed Wednesday, the grim-faced Soviet leader walked out of the conference. He was followed by the Czech and Polish delegations.

But Gromyko and the others returned in a few minutes.

This incident climaxed a sharp cat-and-mouse game between the Allies, diplomatically triumphant, and the Soviet bloc, thwarted in every turn in its efforts to break up the treaty conference.

Early in the evening 48 countries—all the attending nations, except Russia, Poland and Czechoslovakia — formally signified their intention of signing the treaty Saturday. Premier Shigeru Yoshida of Japan made a short but pointed speech, full of pride and poignancy, about his defeat and denuded nation.

It was all over but the signing—apparently.

After Yoshida spoke, the Allies agreed to let anyone who wishes to so speak for another 30 minutes.

Gromyko spoke after the conference had voted down debate on his proposed changes.

CAREFULLY PLANNED

Blocked in his bear-like efforts to reopen the treaty, Gromyko suddenly arose and stalked out.

He was followed by two Russian aides, while the Czech and Polish chief delegates stalked along.

The scene was carefully laid. Outside the Soviet limousines had kept their motors purring for a half hour.

Gromyko's walkout created instant bedlam. Reporters and photographers pursued him. He stopped in the front lobby, talked in low tones to his cohorts, then turned around and walked back in.

Momentarily the only semblance of order in the conference lay in the measured tones of the British delegate, Kenneth C. Younger, who had the floor.

Speaking under the provision of a half-hour's additional remarks by any nation, Younger never raised his voice, never broke a phrase.

Shortly after Gromyko's big gesture, State Secretary Dean Acheson, who was presiding, adjourned the conference.

All that remained was the signing, set for 10 a.m. Saturday.

PRESS CONFERENCE SET

However, Gromyko had a last jab at that, too, saying he would hold a Press conference at 9 a.m.

The Allied gesture of letting the opposition talk again was a good-humored one and, in its way, also a sort of put-up job.

Gromyko demanded to know how the conference intended to dispose of the amendments he offered in his futile attempts to disrupt the conference Wednesday.

State Secretary Dean Acheson, presiding, reminded Gromyko that at the time he had insisted he was not offering amendments, therefore there were no amendments to be considered.

Gromyko said the amendments had been presented as part of the Soviet declaration, for study, and the Soviet delegation was entitled to a decision.

Acheson ruled Gromyko out of order. He said the only thing to be discussed was a motion made by Ceylon and seconded by Cuba to let anyone who wished have another half-hour of speaking.

All the delegations present had already had their say under a one-hour time limit during the last three-days.

CZECHS VOTE NO

After a rapid-fire exchange between Gromyko and Acheson, the Secretary of State called for a vote on the Ceylonese resolution to allow additional speakers 30 minutes each, with a windup of all business at 11 p.m.

This resolution was approved 41 to 1.

Oddly, Czechoslovakia cast the negative vote.

Gromyko immediately availed himself of the opportunity to speak.

"I demand a vote regarding those proposals and amendments," Gromyko said.

Acheson ruled Gromyko was out of order.

By a vote of 46 to 3, the conference refused to discuss the Russian amendments. Honduras abstained.

POLISH "WON'T SIGN"

Stefan Wierblowski of Poland, last of the Red group's speakers, denounced the treaty in a 53-minute tirade.

His "won't sign" declaration was the most definite word yet to come from the Russian-Polish-Czechoslovak contingent.

Andrei Gromyko of Russia and Dr. Gertrude Sekaninova of Czechoslovakia already had taken the edge off it with their bitter attacks on the treaty.

RUSS PLAN TO LEAVE

During this afternoon the Russians made reservations on the Southern Pacific railroad to leave San Francisco Monday for Chicago and the East. There was no hint why they chose to stay over Sunday.

Wierblowski attacked the United States and Britain and hurled personal invective at Australia's Percy C. Spender and New Zealand's Sir Carl Berendsen.

Spender had preceded the Pole with a forceful address which brought frequent outbursts of applause. He is Vice-President of the conference.

Wierblowski dismissed him as a "provincial demagogue" and "entirely under the domination of the United States."

The Pole called Sir Carl Berendsen, New Zealand's delegate, "a joker" performing in "a circus in some provincial town."

R. L. Leek Dies In Rossland Slide

ROSSLAND, B.C., Sept. 7 — Robert L. Leek, an employee of the Public Works Department, died today in a gravel slide near here.

R.C.M.P. said Leek was found at Mile 10 on the Cascade highway. Details of the death were not known immediately.

TO REOPEN CAMPS

VANCOUVER, Sept. 7 (CP) — Bloedel, Stewart and Welch announced tonight the Forestry Department has given permission for re-opening Camps 1 and 5 at Menzies Bay, closed by the forest fire hazard. The camps, employing 500 men, will re-open Monday.

Nelson Soldier Says . . .

Mud Huts, Smart Business Firms Side-by-Side in War-Torn Seoul

Sgt. Laddie Palesch, "so happy to be home", is back in Nelson after six months service with No. 2 Administrative Unit in Korea and Japan.

Although most of the sergeant's time was spent in Japan, he did spend some time in ravaged Seoul.

Sgt. Palesch describes living conditions in Korea as "grim and deplorable" and was surprised to find war-torn Seoul, with its modern up-to-date business section, surrounded by a residential district of huts built from straw and mud. Each hut had one or two rooms in which the Koreans ate and slept.

"They live in deplorable squalor, existing on meager supplies of rice," the Sergeant said. He told also of conditions in Japan, where food was also scarce, but these conditions were much more evident in Korea.

The Sergeant found Japan and its people most interesting, with modern buildings and picturesque landscaping adding to the country's beauty.

"The Festival of Japan, which lasted for approximately three weeks, was spectacular," he stated. Hundreds of lanterns were dropped from the sky into the ocean, and were washed to shore by the tide.

Sgt. Palesch brought back several pieces of Damascan jewelry, among them a hand-engraved cigarette case, bearing Japanese design.

The Sergeant is a long-time service man, having spent 10 years in the Army and seeing action in such places as Africa, Italy and France during the World War II.

He was at one time in charge of cadet training in the Kootenay area. Sergeant Palesch, his wife and two children, Harvie, 4, and Susan, 3, reside at 309 Sixth Street.

Steel Criticizes Labor Board

TRAIL, B.C., Sept. 7 — Criticism of the B.C. Labor Relations Board for "interpreting trade union constitutions" and handing out "arbitrary" decisions was contained in a brief submitted by the United Steel Workers of America (C.I.O.) to the Commission of Enquiry into the Industrial Conciliation and Arbitration Act which started hearings here yesterday.

The brief, presented by Herbert Gargrave, International representative, was the subject of much debate between Mr. Gargrave and Harvey Murphy, International representative of the International Union of Mine, Mill and Smelter Workers, focusing around steel claims that they had been treated unfairly by the Labor Relations Board with regard to an application for certification in Trail.

The 13 page brief endorsed the amendments proposed earlier by the B.C. Federation of Labor and particularly emphasized six of those amendments.

It asked that "every employee shall have the right to apply for membership in the union of his choice, and if accepted by that union, shall then have the right to participate in the lawful activities thereof."

Mr. Gargrave said, in reference to that amendment, that the Labor Relations Board in the past, had interpreted a section of the Act, which states "union in which he is eligible for membership" to give the Board the right to decide whether or not a worker can belong to a certain union.

The brief particularly stressed one amendment, dealing with the good standing of members of a union. The Act states that when the Board "is satisfied that the majority of employees in a unit are members in good standing of the union applying for certification" then the Board may grant the application.

The steel workers ask an amendment that when the Board "is satisfied that the majority of employees in the unit have made application to join a labor organization and have been accepted by the labor organization as members in good standing, the Board shall certify the applicant."

This section brought the hottest debate, with references to the so-called steel "raid" of the Mine-Mill Union at Trail. Mr. Murphy charged that steel organizers had lied to union men, getting them to sign steel cards under false pretenses, and that many had signed on again with Mine-Mill when they were told the truth.

Donald Dunphy of the Steel local here, retalliated with a charge that Mine-Mill had lied in getting the workers to quit steel and switch back to Mine-Mill.

The Steel brief also objected to Labor Relations supervision of strike votes and recommended that all decisions be furnished to the applicant. It asked that the Act be amended to make it necessary for the Board to take a vote of employees when two or more unions are vying for certification and strongly requested the right of appeal against decisions of the Board.

Pearson Talks Plainly To Communist Leaders

SAN FRANCISCO, Sept. 7 (CP) —L. B. Pearson, Canada's External Affairs Minister, said today the draft Japanese Peace Treaty is both "generous" and "realistic."

He called Communist attacks on the treaty "that kind of white-is-black, in-is-out, up-is-down logic . . . which convinces no one except those whose convictions are prefabricated."

Pearson said the Reds' statements were actually "not directed to this conference, nor—in our view—primarily concerned with making peace with Japan."

The audience applauded when Pearson referred to the Japanese occupation "so admirably and intelligently directed by General MacArthur."

"Practically everything has been said that can be said—all the words used that can be used—about the draft treaty that is before us," Pearson said.

"Two delegations have attacked it—with that kind of white-is-black, in-is-out, up-is-down logic, with which we have become familiar and which convinces no one except those whose convictions are prefabricated.

In any event, these statements from the delegations of the U.S.S.R. and Czechoslovakia are not directed to this conference nor in our view—primarily concerned with making peace with Japan.

"It is particularly unconvincing to hear the Communist delegations complain of the procedure adopted in negotiating and drafting this treaty—because it was the obstructive and delaying tactics of their governments that made this—admittedly unusual—procedure necessary and indeed unavoidable if we were to have a treaty at all.

"To use the idiom of an American game, football—very popular at this time of the year—it is as if the ball carrier were to complain about the success of his interference—much of it incidental, illegal interference."

Pearson also expressed regret that there was no delegation from China.

The "Peiping Government, however, must bear the blame for this absence," he added.

The Red Chinese Government already had committed aggression in Korea. The Peiping Government "must realize that it cannot shoot its way into the United Nations."

Stripped on Street

VANCOUVER, Sept. 7 (CP) — Fifteen-year-old Wilf Landry was really embarrassed.

Four youths stripped him on the street last night of all his clothes and robbed him of nine cents.

He told police that when a 15-year-old girl approached the youths threatened to strip her, but she fled. But first, she slapped the face of one of the boys.

20 Wounded Canadians Back From Korea

VANCOUVER, Sept. 7, (CP) — Twenty wounded Canadians, veterans of the Korean war, arrived in Vancouver last night aboard a Canadian Pacific Airliner.

One of the 20, Pte. C. Tardif, 23, of Quebec, who lost his left eye when shrapnel from a grenade struck him during a front-line battle, was taken to Shaughnessy Military Hospital immediately.

All but two Vancouver men leave here tonight for their home towns where they will be discharged from the army, the majority for medical reasons.

Rescued From Mast

NANAIMO, B.C., Sept. 7 (CP)— A. M. Wheatcroft of Nanaimo, clinging to the mast of his little power boat, all that was showing above water some 12 miles off Nanoose, was rescued by the crew of the Gospel ship, SS. Willis Shank as it made its way here Thursday.

Mr. Wheatcroft was trolling when his boat hit a log or a sea lion he says, and the propellor was damaged. The vessel began to drift and gradually to fill with water in the rough sea.

Trailife Arriving Home for Paratroop Duty

VANCOUVER, Sept. 7 (CP) — Twenty-five volunteers, the first group to return from Korea to Canada for paratroop training in the regular army, will arrive here Sunday night, the Army announced tonight.

The men will take the first available trains for their homes for unspecified leave.

W. R. Disabatom, Trail, B.C., was among the names released by the Army.

PRINCESS MAY BROADCAST FROM COAST

VICTORIA, B.C., Sept. 7 (CP) — Special arrangements are being made for Princess Elizabeth to broadcast from Victoria a short radio message to the whole of the British Commonwealth, the same as her father, George VI, did when he visited here in 1939.

Her Royal Highness has consented to say a few words following a government luncheon to be given in her honor Oct. 15.

HEADS CENTRAL BOARDS

PRINCE RUPERT, B.C., Sept. 7 (CP)—William T. Burns, superintendent of the Dominion Government Experimental Station at Smithers, was elected president of the Associated Board of Trade of Central British Columbia at close of the annual convention here today. He suceeds W. J. Scott of Prince Rupert.

Murphy Hits C.M.&S. Proposals to Board

Mine, Mill Leader Admits Being Communist, Draws Admittance Labor-Management Relations Good

TRAIL, B.C., Sept. 7 — Spokesmen of Local 480 of the International Union of Mine, Mill and Smelter Workers (Ind) today expressed disapproval of three of the proposals made yesterday in the brief of the Consolidated Mining and Smelting Company to the Industrial Conciliation and Arbitration Act Board, in session here.

Harvey Murphy, regional director for the union, criticized the company's proposals that, (a) All union officers be required to take non-Communist affidavits; (b) Protection of the company' right to make public statements on labor relation to their employees; and (c) Provision that certification votes may be initiated either by the company or 25 percent of their employees.

In questioning M. H. Mason who presented the brief for the company, Mr. Murphy asked if he had heard of any complaints from the company regarding labor-management relations. Mr. Murphy, prior to this question, publicly admitted that he was a member of the Labor Progressive Party and a Communist.

Mr. Mason replied that there had been good labor leadership within the Union and company but that the company was of the opinion that Communism was "seditious and dangerous and that no Communist should be allowed to sit at the bargaining table."

Regarding the second proposal to which the Union was opposed, Mr. Murphy stated that the company had never been restricted from making public statements regarding labor relations.

Mr. Mason replied that it was the feeling of the company, as well as other employees in the province, that the ICA should outline clearly just how far an employer could go in making statements.

Mr. Murphy asked Mr. Mason if the company would be prepared to give its employees the same privilege, and Mr. Mason said yes.

Herbert Gargrave, representative of the United Steel Workers of America, suggested at this point it would be dangerous to give either employer or employee the privilege

In his disapproval of the suggestion of the company that certification votes may be initiated either by the company or 25 per cent of the workers in the bargaining unit, Mr. Murphy said that the employer might well abuse this privilege and call a vote of certification several times a year.

Mr. Mason said in answer that the company was suggesting that this privilege be granted only at the time on application of certification by a union.

"JUST NONSENSE"

TRAIL, B. C., Sept. 7 — Harvey Murphy, Trade Union Leader today said that talk of banning "Reds" from labor unions is "just nonsense."

He is regional director, International Union of Mine, Mill and Smelter Workers (ind.), which has bargaining rights at the big Consolidated Mining and Smelting Co., plant here.

Company officials in a brief presented yesterday to a labor act inquiry board said, in their opinion all Communists should be banned from heading labor organizations.

Today, before the board, Murphy said he was a member of the Labor Progressive party and a Communist.

"My position is well known," he sadi. "The intent of the company is to dominate labor organizations and choose their representatives for them."

The mine-mill union was expelled from the CIO in the United States and from the CCL in Canada for following the Communist line.

"I will not abdicate," Murphy said in an interview. "My leadership depends on the workers."

GREATEST OIL RESERVE

EDMONTON, Sept. 7 (CP) — An Alberta government official said today that a conference here next week on the Athabasca oil sands will be "one of the greatest gatherings of oil and mining brains" held in Canada.

NO DECISION TAKEN ON SONS

Study on Okanagan Relocation Not Complete—Wismer

VICTORIA, B.C., Sept. 7 (CP) — Attorney-General Gordon Wismer said today no immediate decision will be taken on moving the 2000 Sons of Freedom Doukhobors from the Kootenays to remote Adams Lake in Central British Columbia.

After meeting with the consultative committee on Doukhobors, set up by the government earlier this year, Mr. Wismer said the committee has "been considering relocation of the Sons of Freedom sect at Adams Lake but have not completed their studies and investigation to the extent that they can make a definite erport."

"Certain aspects have to be studied further," he added. "It is expected that the committee will make its final recommendation in another two or three weeks."

He said the committee's report would be given "immediate and careful" consideration by the Provincial Cabinet.

Earlier this week, Syd Smith, coalition member of the Legislature for Kamloops, urged Kamloops residents to resist by force if necessary any relocation of the Freedomites at Adams Lake. The proposed site is 100 miles from Kamloops.

Mr. Wismer offered no comment on Mr. Smith's speech, broadcast over the Kamloops radio station.

The consultative committee, on which the Sons of Freedom are represented, has studied several sites for possible settlement. The Sons themselves favor Adams Lake.

The religious sect, radical offshoot of the 10,000 orthodox, law-abiding Doukhobors, have been blamed for periodic outbreaks of violence and terrorism in the Southern interior of B.C. over the last 50 years. Only two weeks ago, railway tracks and power line poles were dynamited in the area.

In a prepared statement, Mr. Wismer added: "It must be remembered that while there are some criminals in their (Son's) ranks, the vast majority of these people are peaceable citizens and that they are all Canadians.

"I trust that the people of Kamloops and of British Columbia as a whole will keep an open mind on this matter until all aspects have been fully examined."

KAMLOOPS, B.C., Sept. 7 (CP) — A public meeting sponsored by the Kamloops branch of the Canadian Legion tonight voted almost unanimously to protest any relocation of Sons of Freedom Doukhobors in the Adams Lake region, 100 miles from here.

With only one dissenting voice, the 125 persons at the meeting, including accredited representatives of a dozen organizations, demanded that the Provincial Government deny the Sons' suggestion that they be moved to Adams Lake.

The meeting decided to organize a house-to-house canvass to obtain "at least 8,000" signatures for a petition protesting the proposed transfer of the Freedomites to this area.

The speakers included E. Davie Fulton, Progressive Conservative Member of Parliament for Kamloops, and J. Ziebart, vice-president of the Board of Trade.

Maria Montez Dies In Paris Bathroom

PARIS, Sept. 7 (AP)— Movie actress Maria Montez was found unconscious in her bathroom today and died without regaining consciousness.

She was found by her sister, who immediately called a doctor and firemen. The firemen used artificial respiration for three hours but were unable to resuscitate her.

The actress was married to Jean Pierre Aumont, French actor. They have been living in France for about two years. It was in their home in suburban Suresnes that she died.

Miss Montez was a native of the Dominican Republic.

Beginning in 1941, she had appeared in many pictures which emphasized her siren-like qualities of sex appeal. These pictures included: "The Invisible Woman," "That Night in Rio," "Bombay Clipper," "The Mystery of Marie Roget," "Arabian Nights," "Ali Baba and the Forty Thieves," "Cobra Woman," "Pirates of Monterey," and "Siren of Atlantis."

Enough B.C. Timber For Many Pulp Mills

PRINCE, RUPERT, B.C., Sept. 7 (CP) — "We could start a new pulp mill every week in British Columbia if there was sufficient timber available under the new forest conservation policy," said Lands Minister E. T. Kenney, here for the annual convention of the Associated Boards of Trade of Central British Columbia.

"The trouble is there is not enough timber available just where it is wanted."

There is still plenty of timber in the interior, said Mr. Kenney, but there is already overcutting on the coast where pulp mill operators naturally want to locate.

The time has come when new pulp mills will have to go in the interior.

There could be five or six more pulp mills put on the coast on the basis of complete untilization of wood, Mr. Kenney said, but not under the present wasteful method of liqidation whereby 25 or 30 percent of the timber is left in the woods and another 25 per cent is wasted by present manufacturing methods of sawmills.

The pulp mill is the solution of complete untilization of timber, said the Minister, predicting that the future industry would be a close integration of pulp mill, sawmill and wallboard or plywood factories, thereby eliminating all loss of timber.

"The day is coming when it will be considered a disgrace to have a mill burner," he asserted.

Mr. Kenny said that already efforts were being made to obtain special freights for the shipment of slabs, edgings and such present wastage in interior sawmills to the pulp mill at Prince Rupert.

Even in farm land clearing, Mr. Kenny foresees the day when, instead of burning it, the farmer will sell the timber he fells for cordwood.

And in This Corner . . .

OTTAWA, Sept. 7 (CP) — The perfect recipe for longevity —just living.

That's the word from Franklin Bresee who celebrates his 100th birthday here Tuesday.

Son of a soldier who fought in the War of 1812, Mr. Bresee was born at Portland, Ont., and spent most of his life as a merchant at Lyndhurst, Ont.

Friends will call on Tuesday and there will be a cake, but not 100 candles — after all, the thing is to live.

EAST HARTFORD, Conn., Sept. 7 (AP) — Ready or not, Mrs. Doris Tatro must take a test for a driver's licence by Monday.

She admitted in police court today that she hadn't one when a policeman caught her going through a red light. What's more, she testified, she has been driving without one for three years.

"Why didn't you get a driver's licence?" asked Judge Alvin C. Leone.

"I didn't have enough confidence in my driving ability," replied Mrs. Tatro, 45.

The court gave her until Monday to take the test.

LONDON, Sept. 7 (AP) — An earth-moving machine, excavating for a building site yesterday, struck what appeared to be a heavy stone.

Workmen dug down and discovered the obstruction was a "live" 500-pound bomb. Experts removed the fuse in a ticklish 15-minute operation.

SIERRA MADRE, Calif., Sept. 7 (AP) — It's a little off her beat, but Puff, a stray cat, is acting as chicken sitter for a brood of motherless chicks.

The chicks' mother, a French bantam hen, lost her life a few days ago while defending her eggs. A prowling dog strangled her.

Puff must have sensed the consequences of the backyard tragedy at the home of Mr. and Mrs. Alfred Stirton. Puff has lost two litters of her own, and although she cannot have kittens now, she went to the nest, sat on the eggs, and has hatched out several chicks. She washes and nuzzles the chicks after they peck their way through the shells.

LAST TIMES TODAY — Shows at 2:00 - 7:00 - 9:00

Starts Monday — "THE LAST OUTPOST"
with
Ronald Reagan and Rhonda Fleming

Historical Display To Interest All Ages

If you have an old Kootenay newspaper tucked away in a desk drawer or a garment from "the days when" there's a place for it in the West Kootenay Exhibition historical display.

Last year thousands streamed to the display of Kootenay relics and organizers are asking the same people who contributed articles then to lend them this year. They're looking for new contributors as well.

"We also need help in arranging the exhibits next week," Mrs. R. H. Dill, convener, said Friday night.

The display will be made up of mostly photographers, programs, pamphlets and newspapers of days long gone by. But items of interest besides printed matter will be included.

First issues of the Nelson Miner, predecessor of the Nelson Daily News, the Rossland Miner, the Advertiser and Mountaineer, organ of Nelson High School, will be among newspaper exhibits.

There will also be a large display of armor and badges from several wars; a collection of models of old-time vehicles such as the "surry with the fringe on top," a collection of old letter-heads, and a collection of photographs of the colorful Interior lake boats.

Button shoes bought in Nelson in 1896, a jacket fashioned from cigar labels, a city voters' list of 1898 written in long-hand, first shares issued for the old skating rink on Mines road, and signatures of first members in the rink association, including that of Lester Patrick, a picture of rock drilling on Baker Street in 1896 and a photo of the first YMCA group in Nelson, will be other interesting items.

Anyone wishing to lend articles has been asked to leave them with R. R. Brown, George Benwell, A. B. Gilker or Ross Fleming, or to take them to the curling club lounge or Exhibition office in Civic Centre.

Paterson Jammed On Labor Day

PATERSON, B. C., Sept. 7 — Labor Day was one of the busiest days of the year for this port of entry.

A total of 831 vehicles, Canadian and foreign, were cleared. These were both incoming and outgoing vehicles.

Incoming passengers totalled 1671. Of this number, 1498 were Canadians and 183 foreigners.

Fruitvale W.I. Hears of Award

FRUITVALE, B. C., Sept. 7—The Fruitvale Women's Institute held their regular annual meeting recently.

Information was given the members on the scholarship available for a member's daughter who wished to go to U.B.C. to take home economics. To date no one has taken advantage of this scholarship, which is made possible through the Institute Memorial Fund.

The meeting set a date for the Fall sale, and on the same date will start a series of four card parties.

Mrs. C. Mawer and Mrs. H. Gordon served light refreshments at the close of the meeting. Mrs. Mawer was the winner of the door prize.

Top-Flight R.C.N. Band Will Play for Exhibition

One of the finest bands in Canada, the Royal Canadian Naval Band from HMCS Naden at Esquimalt, will play to West Kootenay Exhibition audiences in Nelson next Saturday, last day of the three day fun-fest.

The smart stepping bandsmen will arrive Friday and will parade down town business section and give concerts the following day. They will be heard in a variety of selections from the classical to modern before opening of Saturday night's floor show.

Two other bands will keep feet tapping during the Exhibition. Kootenay Kiltie Pipe Band and Nelson High School band are also scheduled for parades and performances.

Announcement of special appearance of Royal Canadian Naval band was made at a meeting of Exhibition officials in Civic Centre exhibition office Friday night.

ALL SET

Conveners reported everything in readiness for the big event of the year, and when construction details have been completed this weekend, exhibitors will start moving in.

The layout will be much the same as it was last year. Industrial exhibits will be placed in curling rink and on Civic Recreation Grounds, historical display will be in curling rink lounge; arena will be taken up with exhibits and floor show space, and Civic Hall will be devoted to exhibits of arts and crafts and women's entries.

At least four women's institutes are entering displays in the WI section. Kaslo- Harrop-Longbeach, Granite Road and Nelson WIs are in for sure, and there is a possibility Salmo WI may enter.

REST ROOM

The mezzanine floor which has been used for exhibits in previous years, will serve the purpose of a lounge this year. Need for a lounge was drawn to the attention of officials last year by women taking young children to see the Exhibition's wonders.

Gates will open at 1 p.m. Thursday, and an hour later opening ceremonies will take place. M. B. Ryalls, president of West Kootenay Exhibition Association, will introduce H. W. Herridge, MP, for Kootenay-West, who will declare the event open. Visitors will be welcomed by Mayor N. C. Stibbs.

The floor show, a Bert Levey attraction from the United States, will go on afternoons and evenings, and Gayland Shows is again offering rides for youngsters on Civic Recreation Grounds.

B C Tel Seeks 15 Cents More

The B. C. Telephone Company will ask the Board of Transport Commissioners at hearings in Vancouver in October for leave to amend that portion of its application of last May relating to telephone rental charges.

The Company has informed the Board of its intent.

If the rates set forth in the amendment are granted, householders would pay five cents a month more than the rates originally applied for, and not more than 15 cents a month more than the rates authorized in the interim order, i.e. the rates they are now paying.

The Company's proposed amendment to the original application is based on additional operating costs resulting from a recent wage agreement. One of the major factors in the Company's original application was a 1951 wage offer which would have amounted to an additional expense of $893,079 annually, but the final wage settlement brought this total to $1,039,875—an increase of $146,796. The amended rates would make up this difference.

The Weather

Rain showers have been very general throughout the province as moist and cool Pacific air pushed in across the coastal mountains. The disturbance which brought this air across the coast is now weakening very rapidly and indications are that conditions will be much better in most regions. The second Pacific storm now about 900 miles Southwest of the Charlottes will bring precipitation and strong Southerly winds to the North coast. However, the motion of this system to the South appears to be a little slower and rain is now not expected on the South coast before Sunday. It will be cool in all regions.

Schools Opening At Castlegar, Kinnaird Delayed

CASTLEGAR, B.C., Sept. 7 — C. H. King, secretary of School District No. 9 has announced that due to "unforeseen and unavoidable delays" the new elementary schools in Castlegar and Kinnaird will not be ready for occupancy on Sept. 10 as anticipated.

It is hoped that the schools will be opened within another week of the scheduled date.

In the meantime, students of both schools will enjoy an extended holiday. It was felt best that the pupils remain at home instead of instituting a shift system of teaching.

Six Teams in Castlegar Girls' Fastball Tourney

Nelson Royals will journey to Castlegar Sunday to take on the Castlegar Kats in the first round of a six-team girls' fastball tournament.

Other teams entered are from Ione, Wash., Rossland, Trail and Kinnaird. The girls are competing for $25 in prize money.

Totem Pole on B. C. Licences

VICTORIA, B. C., Sept. 7 (CP)— Something new has been added to B. C. automobile licence plates.

Next year's plates, which will show black numbers on a silvery background, will have a totem pole figure framed in the outline of a maple leaf in the right hand side. The picture is to make the plates more distinctive.

The idea for using the ornament was advanced some time ago by B. C. tourist boosters who contend that the typically Canadian motof will serve as a good advertising media when B. C. cars travel in the United States.

The plates will be made of aluminum alloy and will be lighter in weight than the old steel ones.

Only one other Canadian province—Saskatchewan has such a distinctive plate. The Saskatchewan plates say "The Wheat Province." Many U. S. states have slogans.

B. C. licence plates are made by prisoners at Oakalla.

In 1953 a tab will be inserted so that new plates won't be necessary until 1954.

MANY AT RITES FOR E. FOSTER

Funeral services for the late Elisha Foster, Nelson resident for the past four years, were held from the Thompson Funeral Home Friday, Rev. A. L. Anderson officiating.

Two hymns were sung, "Oh God Our Help in Ages Past" and "Lead Kindly Light." Organist was Mrs. W. A. Manson.

Pallbearers were William Bouey, Ernest Elliot, R. B. Hamilton, Joseph Mermet, Robert Riesterer, and Leslie Scott. Interment was in the Nelson Memorial Park.

Many friends attended and there was a wealth of floral tributes.

Mr. Foster, who was born in Fort Collins, Col., and came to Nelson in 1947, died at Kootenay Lake General Hospital Tuesday morning at the age of 39, following a lengthy illness.

St. Saviour's Group Plans Evening W.A.

Thirteen members were present when St. Saviour's W. A. held its first meeting of the season Thursday afternoon at the Memorial Hall.

A report was given by Mrs Turner Lee on the Diocesan annual meeting held at Cranbrook.

Plans were discussed by the Auxiliary for forming an evening branch of the W. A., the first to be held September 18.

A report outlining the opening of the Caroline Macklin residence for Anglicans at Victoria, was given by one of the members.

Tea hostesses for the afternoon were Mrs. C. Beltner and Mrs. C. H. Burgess.

Retail Merchants' Forums to Resume

Retail Merchants' division of the Nelson Board of Trade will resume its informal forums this month following cancellation during the Summer.

First one is slated for Sept. 20 with topics to be discussed including the Santa Claus parade and assistance for the Midsummer bonspiel.

PUBLIC DRINKING BRINGS FINE

John Larsen of Remac, charged with consuming liquor in a public place, was fined $50 and costs by Stipendiary Magistrate Henry John in Salmo Provincial Court Thursday.

Larsen was discovered by R.C.M.P. consuming liquor in his car on the highway. He pleaded guilty to the charge.

NELSON GOLFERS TO METALINE

Twenty Nelson golfers and their wives and friends will travel to Metaline Falls Sunday to take on a combined Rivercrest and Metaline team in a friendly inter-club match.

First international club match in the district since the war, the host club has planned a gala picnic in honor of the Nelson visitors.

The Nelson Golf and Country Club will be the scene of a return visit by the American team Sept. 16.

Ymir Youth Flown to Coast With Eye Injury

Gordon Spiers, 19-year-old truck driver of Ymir, is in hospital at Vancouver today following a mercy flight from Nelson.

Spiers was flown to Vancouver in a B. C. Central Airways plane piloted by Don Thompson of Nelson, for treatment of an injured eye.

A piece of steel is reported to have pierced his eye, while he was working on a mine construction job splitting wedges.

Vancouver hospital attendants reported his condition fairly good Friday.

Reds Rebuke Site Change

BY TOM BRADSHAW

TOKYO, Sept. 8 (Saturday) (AP) — Peiping radio today broadcast its first reference to the allied note proposing Korean truce talks be resumed in a new location, throwing cold water on the proposal. The Communist negotiators themselves were silent on the proposal.

The new note was lampooned in a Communist China broadcast of the dispatch by Alan Winnington, Communist Daily Worker correspondent now at Kaesong, the site of the now-suspended conference.

He asserter that Gen. Matthew B. Ridgway's demand that the site of the talks be moved from Kaesong "is nothing but an impudent attempt to place the responsibility on (North) Koreans and Chinese."

U.S. EIGHTH ARMY HEADQUARTERS, Korea, Sept. 8 (Saturday) (AP) — Allied troops struck back Friday on the Western front where Communist casualties after two costly attacks mounted to 2,000.

Fresh Red troops were seen moving into the area North of Kaesong, site of the now-suspended truce talks, and officers at Eighth Army Headquarters predicted new battles might erupt at any moment.

There was fierce fighting also on the Eastern front, where the allies pushed their limited offensive.

In the most spectacular action in the West Friday, allied forces drove Chinese Communists off two hills. These fights were in the Yonchon area, 25 miles East of Kaesong, and in the Chorwon sector farther East.

Two allied outpost units were encircled before dawn Friday Northwest of Yonchon in a Communist assault similar to that which temporarily cut of fanother U.N. force the day before.

Both the beleaguered allied units fought their way clear.

Former Ambassador Dies; Had District Mining Interests

James W. Gerard, once United States Ambassador to Germany and a man who had mining interests in the Kootenay, died Friday at Southampton, N. Y.

Mr. Gerard was for some time interested in the Alpine mine near Nelson.

Mr. Gerard, 84 at the time of his death, before the first world war served in the US consular service in Germany.

10 Fires; Hazard Low to Moderate

Ten forest fires are burning in the Nelson Forest District with the hazard being low to moderate, District Forester H. B. Forse reports.

This brings the fire total to date this year to 317, the same number up to this time last year.

DEVOTING all his time to West Kootenay Exhibition affairs these days is C. B. Mutchler, above. Mr. Mutchler is secretary manager for the big industrial and agricultural exhibition Thursday, Friday and Saturday.

Attempt on Gromyko's Life?

SAN FRANCISCO, Sept. 7 (AP) — A grim tip that a beer truck would crash into Andrei Gromyko's automobile and kill the Russian delegate to the Japanese treaty conference almost came to chilling reality today.

Whether the incident actually was a plot by White Russians to assassinate Gromyko — or only an almost fantastic coincidence of a highway accident — no one could determine.

But a big truck, carrying 6,000 pounds of bacon, was overturned by a "mystery car" shortly before the speeding Russian automobile roared North along Highway 101 this morning, en route to the treaty session here.

The Russian car, escorted by highway officers, shot around the wreck at 70 miles an hour, and escaped a possible crash.

No one could say whether the driver of the unidentified car was a White Russian and an avowed enemy of the present Russian regime.

But two large beer trucks were following the meat truck. Both were tied up in the heavy traffic which flows along the six-lane highway.

The time-table of the strange occurrence showed that perhaps the Russians' speeding automobile escaped a terrific collision with the meat truck only by a matter of minutes.

Trail Kinsmen Name Slate

TRAIL, B. C., Sept. 7—Kinsmen Club of Trail has elected J. Arnold, R. Beatty, G. LeRose and J. Siddall as directors. Secretary is Don Brothers, Treasurer, K. Kendrick; Registration, B. McDonnell; Editors, L. Landucci, R. LeRose. Past President is J. Richards.

Officers were installed by M. A. Markin.

W. G. Siddall was appointed head of the Hallowe'en committee and E. C. Hutchinson of the radio auction.

President-elect J. D. Ray was unable to be present due to illness and Ron Beatty will act as president until Mr. Ray can officiate.

SOFTBALL WASHED OUT

VANCOUVER, Sept. 7 (CP) — Rain tonight washed out the second game of the Western Canada senior men's softball final between Winnipeg Northerns and Vancouver Girodays. Winnipeg won the opening game of the best-of-five series 2-1 last night.

"Official" Entry Deadline Is Today

Today is the "official" deadline for entries in the West Kootenay Exhibition in Nelson Thursday, Friday and Saturday.

But, as in former years, Nelson and District residents will be able to present "last-minute entries Monday and Tuesday.

The "grace" period ensures that no entry will be turned down and, to a certain extent, enlarges the Exhibition's competitive section. Officials hope this year's entry list will break all records.

C. B. Mutchler, Secretary-Manager, and his assistant, Miss Dawn Miller, will be kept busy from early morning until late at night today in Exhibition Office in Civic Centre as entry forms are handed in.

Everyone from tow-headed youngsters who make model ships for a hobby to gardeners who have been nursing gladioli and asters, will stream in to see their entries get a berth.

For those who haven't made up their minds what they'll enter, there's still time. Entry forms may be procured at the Exhibition Office and filled out on the spot.

New Waneta, Paterson Customs Buildings Planned by United States

American government plans to erect new customs buildings at the Boundary just South of Waneta, B.C. It is also understood that the Canadian government is planning to move its Waneta customs office to a new location across the Pend Oreille river from its present site.

An announcement from Washington, D.C., notes that the American customs will be moved from its present site at Northport to a new building at Paterson. A new custom serves at present for both Paterson and Waneta border crossings. The American port of Northport will also be placed at border crossings.

Nelson Liberals Reelect Stan Morris

Stanley Morris was reelected President of the Nelson Liberal Association at its annual organization meeting.

STANLEY MORRIS

Also returned for the 1951-52 term was George Kirby as Vice-President. Honorary President is Premier Byron Johnson while M.L.A. Walter Hendricks is Honorary Vice-President.

D. D. McLean was named Secretary for the new term while W. W. Ferguson will serve as auditor. Social convener is Mrs. Stanley Morris.

Comprising the 16-member executive are W. W. Ferguson, Steve Vingo, R. A. Grimes, Dr. W. Murphy, Mrs. L. Trainor, Nelson Murphy, L. S. Gansner, Kai Jenson, Mrs. D. G. Mosses, Mrs. D. D. McLean, Mrs. C. M. McDougall, Mrs. B. Whiteside, Charles DeFerro, David Proudfoot, Sr., Austin Moore and William Defoe.

The meeting also named 62 delegates to the Nelson-Creston Liberal meeting to be held at Creston Sept. 17.

M.L.A. Walter Hendricks outlined some of the present district problems and reviewed the business of the last session of the Legislature.

The process of mercerising cotton to give it better sheen and prevent shrinkage was invented by John Mercer in Lancashire in 1850.

Another Week's Holiday for Creston High

CRESTON, B. C., Sept. 7—Hundreds of elementary school children throughout the valley attended the opening sessions of the valley's schools, while idle junior and senior high school students looked on.

With the Prince Charles High School not completed, high school students will have an extended holiday to Sept. 17.

Just how the extra holidays will affect the academic schedule of the high school students was not announced, but some quarters opined no Easter holidays will be given this year.

RETURNS FROM ENGLAND

Eric Iles, former bandmaster last year arrived back from England and visited many of his former friends before leaving Monday for Nelson, where he has been appointed bandmaster.

He reported the Festival of Britain was called successful in every department. He conducted several large orchestras on tour and also renewed acquaintances with his friends in Montreal and Winnipeg before coming to the West.

He also stated his crossing to Canada was the roughest on record for the ship he was travelling on, having gone through the tail-end of the recent Atlantic hurricane.

Chinchilla Ranch Started at Creston

CRESTON, B. C., Sept. 7— A new industry has come to Creston Valley in the raising of chinchillas, which cost the operator Henry Krebs, formerly of Lister and now of Creston, $1000 a pair.

The new chinchilla ranch will be located on property behind the new hospital. Mr. Krebs will use his present stock of two animals for breeding purposes until such time as his stock warrants pelting. Chinchillas have two litters a year and an average of two to a litter.

According to Mr. Krebs the climate and altitude is suited here for the raising of the animals, who are native to Peru, South America. It will take from three to four years before Mr. Krebs has enough stock to start pelting. His market for the fur will be New York.

A full-length chinchilla fur coat now costs $35,000. It was pointed out there are three or four ranches in Alberta and two at the Coast. With the introduction of Mr. Krebs venture here British Columbia will have three chinchilla ranches.

Creston Entomologist Awarded Scholarship

CRESTON, B. C., Sept. 7—Five agricultural graduates of Western Canadian universities have been awarded scholarships worth $800 each by the Agricultural Institute of Canada. The scholarships, sponsored by Canadian business organizations and individuals will enable the winners to continue graduate studies in their chosen fields.

One of the conditions of the awards is that recipients intend to work in Canada following completion of their courses.

Among the five winners was Richard Stace-Smith, Creston (Vancouver) entomologist, who will do his graduate work at the Oregon State College, specializing in berry diseases. — Western Producer.

Content With Hospital Insurance

ABBOTSFORD, Sept. 7 (CP) — Members of the British Columbia Hospital Insurance Service Inquiry Board were taken slightly aback when they talked to a contented hospital board of directors.

"Taking B.C.H.I.S. as a whole we have no complaints," Fred Connon, secretary-manager of the Abbotsford hospital told the committee.

"We have found it to be working to the advantage of our hospital."

Connon gave credit to the staff of the 14-bed hospital for keeping food costs to within $10 of two years ago.

The hospital has "the best cook in the country" who is a careful buyer, the staff bring odds and ends to the hospital and the officials buy fruit and vegetables in season.

"The dollars and cent each contribute don't mean much," Connon said, "but the spirit adds up to no waste at all."

The largest natural lake in Wales is Bala in Merionethshire, about four miles long and a mile wide.

Kettle Valley Travelling Library Subject of Greenwood P.-T.A. Talks

GREENWOOD, B. C., Sept. 7— The first meeting of the Fall season took place recently, when the P.-T.A. met in the school.

Officers elected for 1951-52 terms are as follows: President, Mrs. F. Puddy; Vice President, Mrs. L. Park; Secretary, Mrs. K. Klemen; Treasurer, Mr. Hamaguchi.

Various committees were formed, and are as follows:

Ways and Means Committee— Mrs. Johnson, Mrs. Carefoot.

Refreshment Committee — Mrs. McKenzie, Mrs. Miki.

Program Committee—Miss Morita, Mrs. Hendry and Mr. McKenzie.

The President gave a report on the Kettle Valley School District travelling library, which is sponsored by the Kettle Valley Teachers' Association. The books were paid for mainly by the School Board, and other organizations contributed. This will be a great help to the children of the District, who do not have the advantage of the Public Library.

It was decided to procure some PTA calendars to sell, as a means of raising money.

Mr. McKenzie, the Principal, then gave a very interesting talk on the various clubs in the school. The idea of these clubs is to teach the children to be better citizens and to help them to take an active part in community life in the future. One 40-minute period a week is allotted to this work. All these clubs are carried on by the students, sponsored by the teacher. This year a mixed Hobby Club is to be formed where the boys may learn woodwork, fly making, etc., and the girls to learn woodwork, needlecraft and leathercraft.

At the conclusion of Mr. McKenzie's talk, the meeting was adjourned.

New Principal Takes on Full Fruitvale Scholo

FRUITVALE, B. C., Sept. 7 — Fifty-one 6-year-olds made their debut into a new world when the Fruitvale schools opened their doors. A total of 377 enrolled the first morning, but more are expected. Grades four and five have highest roll, 61 and 60, respectively.

E. J. Henry is the new Principal, coming from Rossland. On his staff are three new faces, J. W. Morrison, B.A., of Vancouver; Miss Lois Logan of Creston and Miss Audrey Gibson of Vancouver. The remaining staff are all old timers: Mrs. June Martin, Miss M. Stephenson, Miss M. McLaughlin, Miss I. Irwin, Miss E. Duchak, Roy Hunter, A. Wishlow. Mrs. I. Hild of Trail is the relieving teacher.

In Beaver Falls seven beginners enrolled in the school of 32 pupils under Mrs. Catalano of Trail.

Thirty grade-niners from Fruitvale are going to Trail Junior High School. Tthe other High School students have until Sept. 17 before reporting for classes, as the new Trail High School is not ready.

New Substation Arrives in Creston

CRESTON, B. C., Sept. 7— The latest in automatic outdoor unit substations for the West Kootenay Power and Light Co., Limited, and its new pole line arrived in Creston and is to be installed at the old sub-station site adjacent to the East Creston Irrigation office.

The new unit which is termed "human" weighs 47,050 pounds, 2500 KVA, three-phase, has twice the capacity of the Goat River plant (69,000 volts). To operate, it contains 2200 gallons of trensil oil, is equipped with lightning arresters and is equipped to keep the voltage absolutely consistent in spite of other power line interferences.

While it may be termed a step-down transformer, that is from 69,000 volts to 6900, the unit has a dual capacity in that if the voltage falls below 6900, the unit will build up the voltage so that it maintains the 6900 level.

Manufactured in Hamilton, Ontario, by the Westinghouse people, the sub-station is the latest in electrical engineering. A low-bed from Cranbrook was hired to transport the new unit.

Farmers Must Give O.K. to Hunters

MOOSE JAW, Sask., Sept. 7 (CP) —El L. Paynter, Provincial Game Commissioner, said today that hunters shooting ducks out of season as a crop protection measure in the Johnston Lake area must have written permission of the farmer — and each farmer may grant such permission to only seven residents of the province.

The Canadian Press yesterday erroneously reported that the limit of seven hunters to a farm had been waived.

The special open season until Sept. 30 announced yesterday applies to five municipalities—Lake of the Rivers, Terrell, Lake Johnston, Sutton and Rogers. Millions of ducks have been reported growing fat on ripening grain in the area, which is about 60 miles South of Moose Jaw.

Fined $10 Following Accident

SALMO, B. C., Sept. 7— Alyre Rioux of Remac was convicted before Magistrate Henry John in Salmo Provincial Court Wednesday, on a charge of careless driving.

The charge arose as the result of an accident near Remac when the car Rioux was driving went over the bank causing $350 damage.

He pleaded guilty to the charge and was fined $10 and costs.

Ralph S. Bakken was fined $25 and costs when he appeared before Magistrate Henry John in Salmo, charged with driving a vehicle without a licence.

NEW DENVER SCHOOLS OPEN WITH FULL STAFF

NEW DENVER, B. C., Sept. 9— The New Denver schools opened for the Fall term with a full slate of teachers:

New Denver "Lucerne" High School. Principal, Fred B. Tessman, New Denver, with Grades 11 and 12.

H. Dahlie of Smithers, Grade 10.

Gordon N. Joyner of Vancouver, Grades 8 and 9.

Gordon B. McLean of Vancouver, Grade 7.

Elementary School, with Principal John A. Clarkson of New Denver, Mrs. M. Kynock of Silverton, Miss Joy McPhail of Corra Lynn, and Miss Inez Ware of Courtenay, B. C.

STATES RUSS PLAN SPACE STATION

LONDON, Sept. 7 (AP) — A German rocket engineer said today that Russia is racing the West on a project to set up a military space station 300 miles from the surface of the earth.

H. H. Koelle of Stuttgart, said it is "an open secret" that "the West and East are both working on this project with the greatest energy."

He told the second International Congress on Astronautics — space navigation — that such an artificial moon could be placed in the sky at a cost of about $500,000,000.

Such a space station, rocketed into an orbit around the earth, could be used as a platform for launching guided missiles with atomic war heads. It would be invaluable as a military observation post.

Scientists interested in space flight point out that it also could be used as a takeoff point for rocket trips to the moon and other planets of the solar system.

Pearson to Speak Sunday From Coast

VANCOUVER, Sept. 7 (CP) — External Affairs Minister Lester B. Pearson, now at the San Francisco Japanese Peace Treaty Conference, will address a public meeting here Sunday night.

Mr. Pearson, accompanied by Fisheries Minister Mayhew, will return from the conference earlier Sunday, flying here in an RCAF plane.

Creston Fire Marshal Tells of Plans To Standardize Fighting Equipment

CRESTON, B. C., Sept. 7 — Les Lund, Creston Fire Marshal, who returned from the 20th annual convention and fire college of the B.C. Fire Chiefs' Association at Vernon on August 28-29-30-31 reported this to be one of the largest and most successful ever held with over 140 fire chiefs and marshals attending.

Methods to standardize fire fighting equipment throughout Canada and at the same time with U.S.A. communities adjacent to the border was one of the highlights of the convention. It is understood preliminary legislation for Canada along these lines has been drafted with the Federal Government to pay one third, the Provincial Government one third, and the municipality the balance.

British Columbia's heavy industry and Canadian industry lent a hand in the convention's success by supplying all the information they possessed in matters of fire fighting. Coupled with this was practical demonstrations on actual modern equipment and also lectures and papers to accompany such practical drills.

According to Mr. Lund, this type of training is the best there is with instruction from firemen who have had years of practical experience with fire fighting.

The convention, while business-like in its entirety, also was conducted in an informal manner and a certain amount of recreation was on the agenda for the benefit of the visitors.

Equipment used for practical work was that of the City of Vernon.

Driver Blamed for Culpable Neglect

VICTORIA, B. C., Sept. 7 (CP)— A verdict of culpable neglect was brought in against Carl H. Baillie of Victoria by a coroner's jury today probing the July 26 death of Mrs. Victor W. Jopp, Sooke district resident, in a violent two-car crash on the Sooke Road.

Mrs. Jopp was instantly killed in the crash. She was with her husband in the back seat of an old model car driven by their son-in-law, Herbert J. Bing. Mrs. Bing, still confined to hospital, was in the seat beside him. Baillie was alone in his 1950 model car.

*Combination of PowerGlide Automatic Transmission and 105-h.p. Valve-in-Head Engine optional on De Luxe models at extra cost.

Chevrolet alone offers this complete Power Team!

POWERGlide Automatic Transmission*
First . . . finest . . . and only fully proven automatic transmission in the low-price field. Gives you simplest, smoothest, safest no-shift driving at lowest cost. No clutch pedal—no gearshifting—not even a hint of gear changes in forward driving! And—outstanding as it is—PowerGlide is only one member of Chevrolet's marvelous automatic power team.

Extra-Powerful 105-h.p. Valve-In-Head Engine
PowerGlide is coupled with the most powerful engine in the low-price field—Chevrolet's extra-efficient 105-h.p. Valve-in-Head Engine. It marks the highest development in Chevrolet's thirty-nine years of concentration on Valve-in-Head design—trend leader for the industry—and brings you the finest combination of power, efficiency and dependability in its field.

EconoMiser Rear Axle
Still another feature of this automatic power team—and a vitally important one in the maintenance of fuel economy—is Chevrolet's EconoMiser Rear Axle. Rear wheels travel farther at each engine revolution . . . fewer engine revolutions and less gas are required at highway speeds. And, of course, this means traditional Chevrolet economy in over-all driving.

Oil Does It All!
Oil replaces gears in the PowerGlide Automatic Transmission. There's no direct mechanical connection between engine and rear axle. You have an infinite number of drive ratios, and the engine automatically selects the right one. Results: A smooth, unbroken flow of power . . . velvet velocity at all engine speeds . . . and finest no-shift driving at lowest cost!

Any other pet—Merlene Plested, Colin Rogers, Colleen Kenny, Lois Anderson.

Any pet with litter—Connie Duncan.

Smallest pet—Orville Bjorgan.

Largest pet—Merlene Plested.

READ THE CLASSIFIED DAILY

Paint Pointers

Be sure each coat of paint is dry before you cover it.

Be sure the coats are not too thick.

Remove part of all old coatings.

Paint exposed metals, often-used steps and porch floors between major repainting years.

If old paint is sound and not too absorptive, one coat is enough.

But otherwise, use two coats—one to seal the surface and one to finish. If you remove all old paint, put primer on first, then at least two coats.

Divide Iris Clumps

Iris are vigorous and rugged to the extent that after about four years the planting will have become quite crowded. It is best to dig up old crowded clumps during the Summer. Select the healthiest-looking rhizomes for replanting and discard the rest unless they are a very choice variety. The best of these underground stems will be found around the outside of the clump. Clip off the top half of the foliage and set the rhizomes about two inches below the surface. Beared iris need attention now, but the later flowering Siberian and Oriental iris may be divided and replanted later in September.

Smokeless Heat

WASHINGTON — Among 907 patents granted by the Government is one for a smokeless stove for small homes which is simple, easy to use, economical on fuel and inexpensive.

It is a coal-burner employing a down-draft principle to consume the fuel and the smoke that often comes from bituminous coal.

Its firebox contains a coking zone and a coke-burning zone, a combustion chamber in communication with but separate from the zones, and a combustion chamber extending partially inside and partially outside the firebox.

CORAL AND CACTUS

An attractive bedroom has walls painted a soft cactus green with woodwork done in a grayed coral tone. At the window, which serves as a dressing table site, there are small folding shutters instead of draperies. The blond wood of the furniture blends with the beige tone of the ceiling and chair upholstery echoes the coral of the woodwork.

PRECAUTION

While heating equipment is shut down for the Summer, all doors, pipes and iron portions should be checked to see if they need to be repainted. Cellar dampness may cause trouble unless this is done.

New Fairview Home; Building Spending Up

Building in Nelson this month will include a new home to be erected in the 900 block on Fourth Street at a cost of $8000.

Total building expenditures indicated for August were $11,491.65 an increase over July of $2156.65.

Those receiving permits for construction and repair were:

C.P.R. for fence enclosure, $50.

First Church of Christ Scientist for wood steps, $300.

S. Barklay for reshingling roof, $350.

W. Shumacker, 228 Anderson Street, general repair, $100.

W. Coleman, 302 Hall Street for storage shed, $500.

Nobel Hotel, 664 Baker Street, for window in East wall, $11.65.

Joe Maros, 606 Front Street for stuccoing house, $120.

R. A. Jackman, 504 Richards Street, basement repairs, $60.

Grodyhl, 306 Vernon Street for roof shingling and veranda repairs $150.

George Herbick, 701 Vernon Street, for basement suit, $400.

J. Cerellim, 1223 Front Street, for rebuilding veranda, $200.

R. Huchey, Ward Street, build garage, $175.

C. E. Clark for ceiling repairs, $200.

W. Yoeoff, 713 Victoria Street for garage, $300.

W. E. Hanna, 716 Carbonate Street, for building chimney, $125.

J. P. Malgress, contractor, to put in partition at 280 Baker Street, $75.

M. G. Mack, High Street, for shingling portion of roof $125.

H. Korbin, 900 Block, Fourth Street, to build a house $8000.

Kirby Grenfell, 702 Vernon Street, to put up sign at Shamrock Grill, $50.

A. Manson, 524 Houston Street, shingle roof, $200.

ADDS NEWNESS

Window shades, which are still in good condition, may be refinished in colors to harmonize with the room in which they are to be used. Unroll the shades and lay them flat on the floor, after it has been covered with clean papers. Dust the shades, then apply interior flat paint with a wide soft brush, flowing the paint on generously. When thoroughly dry, turn the shade over and refinish the other side.

SMALL FRY HAVEN

An attractive nursery, furnished with blond-wood pieces, has a color scheme that combines turquoise with pale yellow and coral. The dado and woodwork are enamelled in turquoise, while the upper walls and ceiling are coated a delicate tint of cream-yellow. Draperies and bedspread match the turquoise of the dado and are edged with yellow and coral.

Loan of 80 Per Cent of House, Lot Lending Value Possible Under N.H.A.

Each year since the end of World War II the financial assistance available under the National Housing Act has enabled more and more Canadians to obtain new houses. You may secure N.H.A. assistance if you are a resident of Canada, at least 21 years of age, and have the necessary down payment and an income that will support the loan.

Applications for loans are made to approved lending institutions. These are life insurance or trust and loan companies that have agreed to lend money for the construction of houses under the terms of the Act. A list of these companies may be obtained from any office of Central Mortgage and Housing Corporation. There are two ways in which you can attain ownership of a house under N.H.A. You may purchase a house built for sale by a buildler or you may have a contractor build a house for you. If buying a house already built you make your down payment to the builder and assume the existing mortgage. In this case it is necessary to consult the lending institution that handled the builder's loan to learn what is required of you as the buyer. If you hire a contractor to build a house for you, it is your responsibility to arrange the financing and also supervision of constructiono from start to finish.

Under the N.H.A. a prospective home-owner may borrow up to 80 per cent of the lending value of the house and lot. Lending value is the appraised value of the house and lot or the owner's estimated cost of the lot and constructiono, whichever is the lesser. The maximum loan obtainable for a one-family dwelling is $8500.

The owner's investment must be put into the property before any advances are made on the loan. The first advance is generally made at the roofing stage, or when a quarter of the work has been done. Subsequent advances are made at the plastering stage and on completion of the house.

(This is the fourteenth in a series of articles written in the interest of readers who are contemplating building or buying a house.)

FRIENDLY LOANS

would a Friendly Loan solve Your Problems?

Unexpected bills can sometimes upset the best planned budget. At such times, a friendly loan is often the ideal solution. You can discuss your problem with the Niagara man in a private, friendly interview. There are four loan plans to meet your needs and any loan can be quickly arranged. You may borrow up to $1,000 or more, and spread repayments over many months. If money will solve your problems, then phone or come to Niagara Finance today.

Nelson Social

By MRS. M. J. VIGNEUX

● Yesterday afternoon Mrs. H. D. Harrison, Mill Street, was hostess to a large number of friends at the tea hour when she chose early Fall blooms for her floral decorations. Presiding at the dainty tea table centred by an artistic arrangement of pale roses in glass vases was Mrs. Jack McDonald, while Mrs. Croft Haynes invited guests to tea. Others acting as serviteurs included Mrs. F. P. Clark, Mrs. A. M. Noxon, Mrs. Vincent Fink, Mrs. F. D. Cummins and Mrs. R. A. Peebles.

● Miss Norrie Cummins, daughter of Mr. and Mrs. Con Cummins, R.R.1, left yesterday for Victoria, where she will attend normal.

● Jack Madden, Madden Hotel, has returned from spending several weeks in Rochester. Enroute home he visited in Edmonton, Regina, and Saskatoon.

● Mrs. L. Hanna and Mrs. Elva Kettlewell, Cedar Street, who spent the Summer in Victoria, have returned.

● Miss Shirley Robinson, Health Nurse stationed in Nakusp, has returned to her duties after visiting her parents in Fairview.

● Mrs. F. H. Auld, who spent the past few weeks visiting her mother, Mrs. D. G. Smith, Nelson Avenue, has returned to her home in Regina.

● Miss Gladys Ewing and Mrs. N. R. Freeman have left on a holiday to be spent in the East.

● R. B. (Jack) Morris, Fairview, who has been at the coast, has returned.

● Mrs. C. D. Risk, ex-resident of Nelson, now making her home in Vancouver, has arrived to spend a few weeks holiday while renewing old acquaintances.

● Complimenting Mrs. J. W. Longworth, Medical Arts Apartments, who is the inspiration for a number of gatherings prior to her departure for Spokane, where she has been transferred, Mrs. Kirby Grenfell entertained at her home on Vernon Street at a charmingly appointed dinner party when covers were laid for nine.

● Mr. and Mrs. J. M. Boyes and daughter Irene, Mill Street, returned from spending their vacation in Edmonton, Calgary and Stettler, Alta. They were accompanied home by Mr. Boyes' mother, Mrs. A. C. Boyes of Calgary.

● Miss Jeanette Poulin, Carbonate Street, left last week for Cranbrook where she will be teaching.

Mr. and Mrs. Ben Surina of Trail have taken up residence in Nelson.

● Rev. M. Shewchuk, pastor of Sacred Heart Ukrainian Church, has returned from making his retreat in Edmonton.

● Mrs. T. Murphy and her brother, A. Meyers, were visitors in Spokane.

● Mrs. M. D. Ackert, 924 Falls Street, left yesterday for the coast. She was accompanied there by her son, Kenneth Ackert, and Donald Chaluck, who are entering Christ The King Seminary in Burnaby.

● Miss Muriel Stuart, daughter of Mr. and Mrs. G. J. Stuart, Nelson Avenue, has left to attend normal school in Victoria.

● Mr. and Mrs. John Erb, Latimer Street, accompanied by their son and daughter, have left for the coast, where the former will be entering a boys school at Qualicum Beach, V. I.

Engagements

The engagement is announced of Miss Olga Isabel Herman, youngest daughter of Mr. and Mrs. E. Herman of Yahk, B.C., and Edward Louis Hewitt, son of Mr. and Mrs. Daniel Hewitt of Creston.

Speaking of clothes wrinkles—if you've a trip coming up, remember to pack with plenty of tissue paper. Then when you reach your destination, hang dresses, etc. over a steaming tub of hot water. It works miracles in taking out wrinkles.

COOLERATOR REFRIGERATOR
"Space-Saver Princess"

Boswell Notes

BOSWELL, B. C.—Mrs. George Howie, Jr., and family have returned to their home in Calgary after two months' vacation in Boswell with Mr. and Mrs. George Howie, Sr.

Miss Trudy Morrison and Miss Barbara Kelly, who are travelling with the Anglican Church van, spent three days here, giving instruction classes to the children in the Memorial Hall. A clever sketch and concert was staged by the children to finish up the visit.

Mr. and Mrs. H. Brett of Creston, and Mr. and Mrs. Morrison, Mrs. Brett's mother and father, of Vancouver, were guests of Mr. and Mrs. George Howie.

Kenneth Wallace has left to spend a week with friends in Lethbridge.

Mr. and Mrs. Ralph Patton of Calgary visited Mr. and Mrs. G. Howie.

Ed Wiklund, Bob Nyberg and Boyd Wallace motored to Marysville taking in the stampede at Cranbrook on their way back.

Does your skin feel dry and taut after your bath? Try using bath oil next time you get into your tub; either rub it on your skin or put a few drops in the tub water: It will smell so good, too.

Nellie McClung

There died in Victoria last week a woman to whom Canadians of her sex owe a lasting debt. She was Nellie McClung, one-time prairie school teacher, author, lecturer, suffragette and temperance worker.

Mrs. McClung, with a sturdy quartette of women's rights battlers, successfully fought for the right to have women seated in the Canadian Senate. While she was never accorded the honor herself, since her successful campaiagn two women Senators, Cairine Wilson and Iva Fallis, have received appointments.

Additional among her contributions were those made as a member of the League of Nations and of the Alberta Legislative Assembly.

Mrs. McLung will undobutedly and deservedly find a place in Canadian records as among the leaders in raising the status and privileges of women.

Speed and Accidents

It has been truthfully asserted by someone that traffic accidents do not just happen—they are caused.

Evidence of this is found in a booklet issued by the Pennsylvania Bureau of Highway Safety, entitled, "Speed! Still Public Enemy No. 1". The booklet demonstrates that there is definite relationship between fixed maximum speeds and highway fatalities. It shows that the national average death rate per 100,000,000 miles of travel in 1950 was 7.5. In the 11 States which define maximum speed on the road as "careful and prudent", or "reasonable and proper", the rate exceeded the national average by from 5.1 to 11.5 per cent.

Where absolute maximum speeds were fixed the results show an interesting curve. The 14 States fixing top speed at 60 miles an hour had an average death rate of 2.7 per cent above the national figure. Oddly enough, the six States in which 55 miles an hour is maximum show an average 8 per cent excess above the fatality rate for the nation. However, 12 States in which 50 miles an hour is the fixed maximum show an average death rate of 20 per cent below that of the nation; the three States in which 45 miles is the fixed maximum average 41.3 per cent below; and the lone State, Massachusetts, with a fixed top speed of 40 miles an hour, 49.3 per cent below the death rate of the nation.

"Even more vital than a speedy strengthening of our common defence is a 'faith which can remove mountains,' as is said in the Bible. Without this faith in our own future, even the mightiest fortifications, the most perfect equipment and the cleverest military positions remain empty shells which are unable to withstand any storms."—Dirk Stikker, Netherlands Foreign Minister.

LETTERS TO THE EDITOR

Letters may be published over a nom de plume, but the actual name of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Believes Same-Law-for-All Behind Prairie Success

To the Editor:

Sir—I always read your editorial page, and find it most worth while.

On the front page of your Aug. 23 issue, you show a pioneer picture from Saskatchewan, and below the picture is mentioned that the Doukhobors left Saskatchewan for B. C. I do not believe that a very large percentage came to this Province. It is assumed because there are no burnings or parades in Saskatchewan that there are no Doukhobors. Can you tell me approximately how many of these people are living in Kamsack and Verigin, Saskatchewan? I am of the opinion that the number is quite large, and that they are good, law-abiding citizens. It is possible that there is a good reason for this. They are treated as any other Canadian is when he misbehaves, not mollycoddled as they are in B. C.

D. CAMPBELL.

Trail, B. C.

(Editor's note: According to the latest information, about 5000 Doukhobors reside in the Kamsack-Verigin area, and about 2000 more in the Blaine Lake section. British Columbia's Doukhobor population is about equal, about 5000 being recognized as members of the orthodox Union of Spiritual Communities of Christ and 2000 as members of the Sons of Freedom group.

Protests Road-Hogging

To the Editor:

Sir—Approximately 70 per cent of the highway accidents are caused by careless road hogs. The centre white line on the Nelson-Trail, Salmo, and the North Shore Highway doesn't mean a thing to this class of so-called car driver.

I have been driving for 35 years, and know from experience what I am talking about, and will defy anyone to accuse me of "hogging the highway".

The morning of Sept. 6, I was returning from Salmo. Upon rounding the very sharp curve just South of the railroad crossing at Porto Rico, on my own side, at 9:40 a.m., a maroon-colored car came towards me on his wrong side at an excessive rate of speed. In order to avoid me, he had to make a desperate swerve to his own side. If it had been possible to obtain his number I would have certainly laid a charge.

I mention this, Mr. Editor, in the hope that this letter will catch the eye of the offender and be a warning: That life is but a short span; let us all make the best of it in a sane and sensible way. It also gives you some idea of what the careful driver has to put up with, and the reason for the high rates of insurance for protection against the road hog you have to constantly be on the alert for.

Remember, in this modern age driving is a serious and dangerous business. It needs the constant care of all drivers to heed the rules of the road, give consideration to the other fellow.

Thanaking you for this valuable space.

HAROLD J. WITCHELL.

Road Loads

The U.S. Government, several States and other interested authorities banded together to build a section of highway near LaPlata, Maryland. This was to have a six months intensive test with trucks of various weights and load capacities using the road continuously. A brief preliminary report on early damage has been issued.

Of particular interest is the report on the lane carrying maximum loads, 44,800 pounds on tandem axles. According to the Undersecretary of Commerce for Transportation, this lane developed 1000 feet of cracks early in the test and another thousand feet in the following 18 days. By that time the lane carrying the heaviest trucks was so badly damaged that vehicles were difficult to control, and, the report adds, "from present indications this stretch will have to be repaired before the test period is completed." That within six months.

This is a test which should be watched closely and full details obtained, by every Province and municipality in this country. If vehicles can cause such extreme and quick damage to roads it is quite possible the time has arrived when an entire overhauling of legislation governing trucks must be considered, or road-building ideas revised.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

S. S., Salmo—Referring further to your question about Angus MacAskill, one-time circus giant, we have received the following information from W. M. Jones, Nelson:

Angus was the 12th child of the Duncan MacAskills. His father stood six feet, four inches, and weighed 200 pounds. Angus never carried a gun when hunting; instead of shooting he strangled the game. At the age of 15 he ate six chickens at a meal. Sightseers came from as far as Ottawa to see him, and on one occasion saw him teamed up with a horse. In an hour of ploughing the horse was worn out, but Angus kept going. Until he was 21 he never spent money without his mother's consent, but on his 21st birthday he celebrated in the local saloon with drinks for the house, knocking out the top of the barrel with his fist.

Mrs. L. P., Nelson—Is rent control still in force?

Yes. When the Dominion Government gave up rent control the B. C. Government took it over, and it is now in charge of the Department of Labor, Victoria, B. C.

Miss A. D., Kimberley—Is the copper penny made in the States in 1943 of any value other than face value?

Only to someone collecting these coins. The late Mrs. Henry Ford bought many of them, but whether her family are still interested or not is uncertain. Write to the Ford Company, Financial Dept., Dearborn, Mich.

Looking Backward

10 YEARS AGO

From The Daily News of Sept. 8, 1941

Complimenting the Nelson Oddfellows on their progress, Harold Pink of Vancouver, Grand Patriarch for B. C., told the Nelson Lodge on his official visit that district Lodges were forging ahead.

Brilliant performances by the Nelson battery of Rosa Stewart and Georgina Eberley gave the Nelson Reps a double victory over Trail, 9-8 and 16-3, at the Recreation Grounds to tie up the best of seven series for the West Kootenay girls' championship at three games apiece.

25 YEARS AGO

From The Daily News of Sept. 8, 1926

Mrs. W. A. Richardson beat Mrs. A. W. N. Taylor, 4-6, 6-4, 5-3, to win the ladies' singles tennis championship for this year.

That the City should aid the Kootenay Lake General Hospital Society in the construction of a nurses' home, by way of a subscription on behalf of the City of Nelson in the sum of $15,000, was proposed at a meeting of the City Council last night.

40 YEARS AGO

From The Daily News of Sept. 8, 1911

The Kootenay Lake Hotel at Balfour, one of the finest tourist hostelries on the C.P.R. line, will be officially opened today by the Charity Ball. Thomas Kenna is to be manager.

Mining men from all over Canada are expected to be present at the meeting of the Western branch of the Canadian Mining Institute, which takes place Wednesday in New Denver.

Predator Control

Jack Miner said: "The first lesson in wild life management is for a student to set a hen and raise a brood of chickens, wild ducks or pheasants to maturity. By that time he or she will believe in predator control." He would always add that a man might go on to an agricultural college all his life, "but reading a textbook won't take the weeds out of one's garden or farm crop."

Your Horoscope

Knowing your job is likely to help realize your ambitions. An idealistic personality may be noted as today's child.

FOR SUNDAY, SEPT. 9: Take events as they come. This admonition should see you pleasantly through the months ahead. Today's child is likely to develop into a gay person.

It's Been Said

Idleness is only the refuge of weak minds, and the holiday of fools.—Philip Dormer Stanhope Chesterfield.

Animal's Friend Dies at Coast

VICTORIA, B. C., Sept. 7 (CP)—Big game hunter, soldier, veterinarian, professor and manufacturer, Cecil French, 80, founder of the ffrench Remedy Co. Ltd., died in hospital here last night.

Long interested in animals, in 1895 he devised a gelatine-coated worm capsule for animals, and at one time was credited with saving the whole of the United States' fox industry from a parasite that killed cubs by thousands.

In 1920 he settled in Victoria and founded his animal medicine firm with the familiar "ff" trademark, after his old family name.

Mr. French was born in London, and educated at McGill University and at Munich. At one time he was professor at the United States College of Veterinary Surgeons, Washington, D. C., but later started his own small animal practice.

He helped inmates at the veterans' hospital here with raising silkworms as a hobby.

He is survived by his wife, Florence, in Victoria, and a son, C. Ernest, in Toronto.

Wanger at Home In Toronto Cold

TORONTO, Sept. 7 (CP)—Walter Wanger, veteran Hollywood producer, was a visitor at the Canadian National Exhibition today.

Mr. Wanger, who produced such pictures as "Joan of Arc," "Tulsa" and "Canyon Passage," was one of the few persons who were comfortable as cold weather hit the "Ex."

Indicating his heavy overcoat, he said: "We have to wear these quite often down in Hollywood."

He is here for a meeting with officials of Monogram-Allied Artists Picutre Company for whom he plans to make a movie in the Yellowknife area of the Northwest Territories. Mr. Wanger said the film will concern gold mining in the Great Slave Lake district.

Mr. Wanger's wife, film star Joan Bennett, is starring in a play in Boston with her daughter, Melinda, 17.

U.K. Trained Dog Wins Club Award

CALGARY, Sept. 7 (CP)— German breeding and English training proved to be a winning combination at the Alberta Kennel Club Dog Show when the German Shepherd, Cavendish of Starport, owned by Mrs. Janet Smith of Edmonton, walked away with the best-of-show award last night.

Mrs. Smith had shown the two-year-old dog several times in England betore bringing him to Canada with her. He has been shown once in Edmonton.

Top Scientists Barred by Rules

NEW YORK, Setp. 7 (AP) — Some of the world's top scientists have been barred by security regulations from attending the International Congress of Pure and Applied Chemistry opening here Monday.

Congress officials said today they had received cables from numerous leading chemists abroad saying they had been unable to obtain visas to enter the United States.

Five scientists scheduled to deliver principal papers on the Congress program are among those said to have been barred under restrictions of the U.S. Internal Security Act.

This law requires those wishing to enter the U.S. to answer a long list of questions, naming all organizations to which they have ever belonged.

Sea Cadets Capture Proficiency Award

TORONTO, Sept. 7 (CP)—Sea Cadets at Winnipeg, competing against more than 80 Sea Cadet Corps from British Columbia to Newfoundland, have captured the general proficiency trophy presented annually by the Navy League of Canada.

The League, sponsors of Royal Canadian Sea Cadets, also announced today that Lt.-Cmdr. George Kuhn, commanding officer of Winnipeg's top-ranking "John Travers Cornwall, V.C." Corps, has been awarded the officer's sword trophy by the League's National Council.

America Still Has Much to Learn In Efforts to Win War of Words

By SEYMOUR TOPPING

SAIGON, Indo-China, Sept. 7 (AP) — After a losing start in Asia's war of words, the American Information Program has shifted tactics for a bare-knuckle scrap with Communist propagandists.

Tons of printed paper, radio programs and special movies carry the American message. A recent personal survey of Indo-China, Thailand, Burma and Malaya shows it has been registering.

Two international developments have made Asians more receptive to American ideas. One is the successful U.N. action in Korea, which has restored confidence in American strength and collective security. The other is the distate in Asia for the Red repression and mass executions in China.

American information officers are exploiting both to repair U.S. prestige in Asia which tumbled after Chiang Kai-shek's Government retreated to Formosa.

Nationalism is the key issue in Indo-China, and in that jealously-guarded French preserve American information officers must tread cautionsly.

In British Malaya, the American information program carries the ball in the word war on Communist China. British propaganda in Malaya is excellent but because of closer British ties in Peking, it must soft peddle blasts at the Chinese Communists.

Sometimes, American propaganda is clumsy and does more injury than good. Errors of this kind usually are due to inexperience.

The American reputation has sagged perceptibly in Asia because of U.S. support of French rule in Indo-China over the three semi-independent native governments. In India, Burma and Indonesia—countries which have recognized the Peking Government — continued American backing of Chiang Kai-shek is unpopular.

Morrison Arrives To Sign Treaty

NEW YORK, Sept. 7 (AP) — Britain's Foreign Secretary Herbert Morrison arrived today by air from London, expressing satisfaction with progress thus far at the San Francisco Japanese Peace Treaty Conference.

Morrison will sign the treaty for Britain.

He said State Secretary Dean Acheson, beset with Russian objections, was handling the conference, "with courtesy and consideration, and with a reasonable degree of firmness."

SALMON ARM MAN DIES FROM EFFECT OF BURNS

SALMON ARM, Sept. 7 (CP) — Howard Leslie Haines, 52, died here last night, from burns received when he tried to save a valuable collection of guns from his burning home in nearby Silver Creek.

Others of his family tried to prevent him from re-entering his burning cabin, but he broke loose. When he emerged again he was enveloped in flames.

He died in hospital six hours later.

Increase Asked For House Phone

VANCOUVER, Sept. 7 (CP)—The British Columbia Telephone Company today asked a further increase in rates.

The Company said it wants five cents a month more on residential telephones and 15 cents a month more on business phones than it asked for in its May application to the Board of Transport Commissioners.

If the amendment is granted, the rate for a two-party residential phone would be $3.90 a month. The Company asked $3.85 originally and the Board authorized $3.75 in its July interim order.

Proposed business rate is $11.70. The Company had asked $11.55 and was granted $11.25.

The Company asked permission to amend its original application to meet what it said were increased labor costs. It said the 1951 wage offer meant an additional expense of $893,079 yearly but that the final agreement brought the total to $1,039,875.

GRANDPA WOULDN'T HAVE BELIEVED IT!..

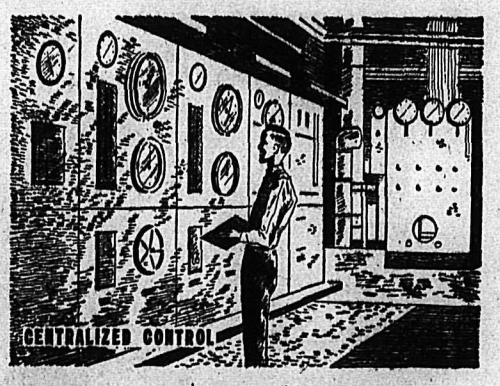
Take Grandpa into one of the modern mines or plants of the Consolidated Mining and Smelting Company. Show him the big machines, the fine tools and the safer, healthier working conditions. Tell him about the shorter hours, the higher wages and vacation with pay. He just wouldn't believe it.

Those who work for Cominco have other benefits Grandpa never even dreamed of. Apprenticeships for young men, housing loans for married couples, pensions for the old timers, life insurance and assisted hospital and medical protection for all, and many other plans.

Profits made all these advances possible. The constant "plowing back" of these profits* makes them secure. "Yes, if it weren't for 'Company Profits', we could very easily be back in Grandpa's day."

* *$63,000,000 from Company profits is now being spent on new projects. The completion of these projects will mean the addition of 800 permanent jobs.*

The Consolidated Mining and Smelting Company is the largest producer of lead and zinc in the world and Canada's leading producer of chemical fertilizers.



THE CONSOLIDATED MINING & SMELTING COMPANY OF CANADA, LIMITED

U.S. Walker Cuppers Beat Canadians 10-2

BY W. R. WHEATLEY
Canadian Press Staff Writer

BETHLEHEM, Pa., Sept. 7 (CP) — Allan Boes of Winnipeg and the team combination of Walter McElroy and Bill Mawhinney ofVancouver did all the winning for Canada today against the United States Walker Cup team as the Americans won the one-day meet 10 matches to two.

Boes, 34-year-old veteran player, was the only winner of the eight 18-hole singles matches played over the par-71 Saucon Valley Country Club in the afternoon against eight members of the same Walker Cup team which defeated Britain.

The Winnipegger handed a 4-and-3 defeat to Bob Knowles, Jr., of Boston, winner this year of the French Amateur Championship.

But the Canadians' outstanding triumph was forged by McElroy, recent winner of the Canadian Amateur title, and Mawhinney in the morning Scotch foursomes. They put the skids under the highly-rated Americans, Frank Stranahan of Toledo, O., and Bill Campbell of Huntington, W. Va., one up. In the foursomes each player on a team competes alternately with one ball to a team. The matches were the first between Canada and the U. S.

Young Sam Urzetta of Rochester, N. Y., who will defend his U. S. amateur crown here Monday, sparked the Americans to victory.

Urzetta shot par golf over the 6979-yard Saucon course to edge McElroy 2 and 1. Sammy also teamed with Harold Paddocke of Cleveland to score the most impressive victory in the foursome play, subduing Don Doe of Granby, Quebec amateur champion, and 18-year-old Laurie Roland of Vancouver, Canadian junior champion, 4 and 3.

C. Ross (Sandy) Somerville of London, Ont., non-playing Canadian captain, said he was satisfied with his team's showing.

Nick Weslock, Windsor, Ont., gave Stranahan a terrific battle. Stranahan, twice holder of the Canadian title, was overtaken at the 16th but Nick played a poor shot at the 17th and lost the par-four 18th when Stranahan played a beautiful second shot.

Dick Chapman, Pinehurst, N. C., present holder of the British amateur title and twice Canadian champion, won 2 up from Mawhinney, 1950 Canadian amateur champion.

Gerry Kesselring, Kitchener, Ont., lost a one-up lead he held at the turn over Charles Coe, Oklahoma City. Coe won four straight holes on the back nine and took the match 3 and 2.

Campbell finally shook loose from the persistent play of Roland, Canadian junior champion, and captured his singles 4 and 3.

Jim McHale, Jr., of Philadelphia, hung on to an early lead to win 3 and 2 over Phil Farley of Toronto, runner-up in the Canadian amateur this year to McElroy.

The Scotch foursomes lost by the Canadians were just as close as the singles.

Legion Evens Fastball Semis

Legion squared the best-of-three district fastball semi-finals Friday by turning back South Slocan Playmors 7-3. Playmor won the opener 2-1.

Eddie Wares' homer and triple spearheaded a 12-hit attack by the Legion. Pitcher Keith Loewen aided his own cause with a homer while Fred Madden got a triple.

Loewen blanked the Playmors in all innings but the fifth to present himself with a pre-wedding gift. Keith will be married today.

Deciding game will be played here Sunday, starting at 2 p.m.

South Slocan	000 000—	3 8 3
Legion	021 400—	7 12 1

Jacobs and Jacobson; Loewen and Ball.

JERRY KERSCHNER

Perseverance finally paid off for Kerschner in the world's professional 10-mile swim and $5,150 first prize money at the Canadian National Exhibition, now under way in Toronto. It was the fourth try at the big swim for the 26-year-old former native of Columbus, Ohio, who is now making his home in Toronto, having previously placed second and third, but not at all last year.

Yanks Back In Lead

By The Canadian Press

Cleveland Indians skidded out of the American League lead by splitting a twi-night doubleheader Friday night with St. Louis Browns. Cleveland won the nightcap 7-0 after the Browns took the opener 4-2.

The split enabled New York Yankees, who defeated Washington in a single day game, to take the lead over Cleveland by a single percentage point.

Bob Feller turned in a seven-hit performance in shutting out the Browns for his 22nd victory against seven defeats.

Brownie ace Ned Garver pitched the Browns to victory in the opener, thus shoving Cleveland out of first place in the red-hot pennant struggle.

Philadelphia Athletics snapped Boston's six-game winning streak with a 11-4 victory after the Red Sox gained an 8-5 decision in the first game of a twi-night doubleheader.

Two four-run innings—the third and fourth—carried Philadelphia to its win as they pounced on four Boston chuckers for 15 hits which included Eddie Joost's 16th home run of the season.

THREE-RUN HOMER

St. Louis Cardinals pounded out 13 hits to defeat Pittsburgh Pirates 11-4 in a National League game at Forbes Field. Bill Johnson hit a three-run homer for the Cards in the third inning, his 13th of the season.

Pitcher Virgil Trucks' double with two out in the 14th inning scored Don Kolloway with the winning run to give Detroit Tigers a 2-1 American League victory over Chicago White Sox in the second game of a twi-night doubleheader. The Tigers won the first game 4-1.

Trucks stopped the White Sox on five hits to gain his ninth win as the Tigers collected 10 hits in Billy Pierce's 14th loss.

The dog-tired Cincinnati Reds finally shoved over a run in the bottom half of the 18th inning early Saturday to backhand Chicago Cubs at Cincinnati in the longest National League game of the season.

New York Yankees clutch-hitting veterans—Johnny Mize and Joe DiMaggio—each delivered a two-out double in the ninth inning as the world champions rallied for three runs to nip Washington Senators 4-2.

Mize, acting as a pinchhitter, tied the score at 2-2 with a double then DiMaggio put over the winning runs with a ground-rule double.

PHILLIES ELIMINATED

A barrage of extra base hits by Andy Pafko, Billy Cox and Carl Furrillo knocked in 10 runs as Brooklyn Dodgers hammered Philadelphia Phillies 11-6 to retain their 5½-game lead in the National League. The defeat eliminated the Phillies, 1950 champions, from the 1951 pennant race.

While the Dodgers mauled three Philadelphia hurlers, the runner-up New York Giants downed Boston Braves 7-3.

Cox knocked in four runs with a double and triple. Pafko hit a three-run homer and Furillo drove across three runs on two homers. All this made Preacher Roe's 19th victory a cinch.

Buffalo 8, 3; Springfield 7, 4.

JOHNNY SAIN, seen above, 32-year-old righthand pitcher with Boston Braves who made his National League debut in 1942 with Casey Stengel, has rejoined the Yankees' manager in a deal in which he was sold to New York club for an undisclosed amount of money and the services of Lewis Burdette of the Kansas City club, of the American Association. While there was no direct announcement of the cash involved in deal—which saw the Yanks release veteran pitcher Jack Kramer, who joined the club this season, to make room for Sain—it was estimated that the Braves received $50,000 for Sain's contract. — Central Press Canadian.

CHARLES, LAYNE MATCHED OCT. 8

PITTSBURGH, Sept. 7 (AP) — Former heavyweight champion Ezzard Charles and Rex Layne were matched today for a 12-round fight Oct. 8 at Forbes Field. The fight will be Charles' first since he lost the heavyweight crown to Jersey Joe Walcott in a seven-round knockout July 18.

SPORTS

Here Are Game Rules For District Nimrods

One buck bag limit on deer is the big news for Kootenays in the 1951-52 game regulations.

Last year the limit was two, with an additional doe allowed in certain areas such as Creston and Kootenay Lake. The option of a moose or an elk has been continued this year.

Here are the regulations for Eastern district (East of Cascades) in summary form:

GRIZZLY BEAR

Dates: Sept. 1 to June 30, 1952. Bag limit one. There is no closed season on black or brown bear.

CARIBOU

Dates: Sept. 15 to Oct. 31. Bag limit: one bull over one year old.

DEER

Dates: Sept. 15 to Nov. 30. Bag limit: one buck over one year old.

MOOSE

Dates: Oct. 1 to Oct. 31 in Fernie and Columbia Electoral districts and in Cranbrook electoral district North of Skookumchuck River; Oct. 15 to Oct. 31 in rest of Cranbrook electoral district. Bag limit: one buck over one year of age or one elk.

MOUNTAIN SHEEP

Dates: Sept. 15 to Oct. 15 in Fernie and Columbia electoral districts, except for Stanford Range. Bag limit: one ram over one year of age.

MOUNTAIN GOAT

Dates: Sept. 1 to Nov. 30 except in Grand Forks-Greenwood. Bag limit: one mountain-goat over one year of age.

ELK

Sept. 15 to Sept. 17 in portion of Nelson-Creston electoral district South of Lockhart Creek and East of Kootenay Lake and River; Sept. 15 to Nov. 30 in Fernie and Columbia electoral districts and in portion of Cranbrook electoral district North of Skookumchuck River; Sept. 15 to Nov. 30 in portions of Similkameen and South Okanagan electoral districts East of Okanagan Lake and River. Bag limit; one bull over one year of age or one moose.

ABERDEEN, Scotland (CP) — A diesel trawler, Blue Mist II, was launched here for a St. John's, Nfld., company (Job Brothers and Co., Ltd). The trawler has a fish-room capacity of 7000 cubic feet.

Centralization of Sport for Kimberley Youngsters Underway

By LARRY RATCLIFFE

KIMBERLEY, B.C., Sept. 7 — Plans are rapidly coming into shape for the first attempt at a centralized sports body for young people 16 years of age and under in this community. It is the hope of the organizers that each sport and each team will have representation in an effort to make financing, planning, equipping, and coaching teams from this centre much easier in sports where we have fallen badly behind the last few years.

Kid hockey, baseball, basketball, boxing, and probably badminton, swimming, track and tennis will all eventually come under the one body, to be governed by th youngsters themselves with an adult advisory committee over all.

First sports to join will likely be the Bantam Baseball League, made up of five teams, each of which will have two representatives; their coach and their captain, and the Juvenile Baseball team who will likely have two or three members take part in the central body.

Basketball and hockey will likely follow next. Both sports will start operating in the next month or two. Once again each team will have representation. Boxing, etc., will be represented according to the number or participants in that sport.

The representatives of all the different sports will elect their own president, secretary, treasurer, statiticians, and other officers and separate committees will likely be set up.

This move was the result of a suggestion several months ago that Kimberley boys and girls pay a sports membership fee to help finance themselves. The K.A.A. or Kimberley Amateur Athletic Association, an organ of the Community Chest, has carried local sport, with the exception of hockey, almost entirely. With membership on any team being sponsored by the council making necesary a membership card and fee, the youths will be financing themselves to a greater extent and their teams should be able to have better equipment and better tournaments.

Four people have so far stated their intention to help on the advisory committee, including Bill Wilcox, K-Triple-A Director, Herb Stanton, well-known boxing instructor, Jim Sommen and Larry Ratcliffe, hockey-fastball-baseball organizer.

Mexico has no fewer than 39 seaports, chief of which are Vera Cruz and Tampico.

Nelson-9, Cubs To Clash Twice Rossland Sunday

Nelson Peerless-9 and Rossland Cubs will start a brand-new series for the West Kootenay baseball league title when they clash in a doubleheader in Rossland Sunday.

The teams fought to a 9-9 tie in their previous playoff meeting, scheduled as the first game of a round robin. However, the series reverted to a best-of-five final when Fruitvale dropped out.

Manager Gordon Richardson will take 13 players to the Golden City for the two-game set, including Christiansen, Brown, L. Hufty, F. Hufty, Todd, J. McNabb, B. McNabb, Locatelli, F. Koehle, R. Koehle, Haldane and Postnikoff.

TOTEM POLE FINAL TODAY

JASPER, Alta., Sept. 7 (CP) — Peter Bentley of Vancouver, B.C., and Harry G. Orfutt of Fort Wayne, Ind., will meet tomorrow in the 36-hole final of the annual Totem Pole Golf Tournament.

In the semi-finals today Bennett defeated J. Edgar Greene of Seattle and Orfutt eliminated Norman Wilkinson of Vancouver.

Mrs. Jack Todd of Victoria, B.C., defended her women's Totem Pole title by defeating Mrs. D. McDougall of Saskatoon.

Fastball Twin Bill Here Sunday

Transfer and Robson will polish off their semi-final fastball series here Sunday afternoon. Transfer took the first game of the best-of-three series 4-3.

If the Transfermen win, they will advance into the finals against the winner of the Legion-South Slocan series. If Robson wins, the deciding game will be played immediately following the Sunday afternoon tilt.

Legion and South Slocan will also play here Sunday.

Cartier Wins 18th

NEW YORK, Sept. 7 (AP) — Walter Cartier of New York wore down Billy Kilgore with a vicious head and body assault and then stopped the Miami middleweight in 1:41 of the eighth round of the feature 10-rounder at Madison Square Garden tonight.

It was Cartier's 18th straight victory.

Swanson Lead Byng in Finals

CRANBROOK, B. C., Sept. 7 — Swansons beat Byng 6-4 tonight on sixth inning flukes to give them a 3-0 lead in games in the current best of seven softball finals, with the chance to end the series Sunday afternoon.

Byng had eight hits off Tex Stewart and Ed Swanson, while Swanson's got only five off Yakovich. Wizzard fielding and lucky breaks did the rest.

Score was 5-4 in both previous games Tuesday and Thursday both on last inning plays.

Flores Died From Ring Floor

NEW YORK, Sept. 7 (AP) — A physician for the State Athletic Commission said boxer George Flores died as a result of an injury suffered when his head hit the ring floor in a Madison Square Garden bout.

"There was absolutely no prior injury to the brain," said Dr. Mincent A. Nardiello at a public hearing conducted by the Commission.

ARGENTINA TO ENTER ALL EVENTS

BUENOS AIRES, Sept. 7 (Reuters) — The Argentine Olympic committee at a meeting today decided that Argentina will enter competitors in all events at the Olympic games in Helsinki, Finland next year.

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

"R T D B T S L I S V Y L I D O D D H G G F T L V U H Z K L I D O D, I S V R T D U M L Z O R Z U B U H Z N R U Z H D — G L I N U N W.

Yesterday's Cryptoquote: HE COMES TOO NEAR THAT COMES TO BE DENIED—OVERBURY.

SPRED SATIN

The Wonder Paint

Spred Satin is the wonderful rubber-like interior wall paint that started a new trend in Home Decorating. Beautiful flawless decorating is amazingly easy with SPRED SATIN, and you can do it in half the usual time.

You can paint over plaster, wallpaper, old painted surfaces, wallboards, bricks, concrete blocks, etc.

SPRED SATIN DRIES IN 20 MINUTES

Spred Satin colors retain their luxurious appearance regardless of how many times you wash them. Now, Spred is also available in decorative colors. Write for our color harmony chart for two-tone rooms.

MANN'S DRUG STORE

CANNY CANINES are the dogs which will be appearing in Dwight Moore's Mongrel Revue in floor show of West Kootenay Exhibition in Civic Centre Thursday, Friday and Saturday. The trainers and their stunt performers from Sun Valley, Calif., are shown here. Aerial balancing, juggling and clowning will also thrill crowds in afternoon and evening shows each day of the Exhibition.

Wheelchair Coach Founder Sick Man

HALIFAX, Sept. 7 (CP)—Walter Callow, blind and paralyzed founder of the now famous Wheelchair Coach Movement, is seriously ill, Camp Hill Hospital officials said today.

Mr. Callow's condition worsened about a week ago and has been "critical" during the last few days.

His illness came on the eve of the launching of the annual campaign for funds to carry on his wheelchair work.

The coaches, designed by Mr. Callow and built with funds raised by the Callow Veterans' and Invalids' League, are constructed to permit carrying of wheelchair patients.

Moscow Announces Veteran's Death

MOSCOW, Sept. 7 (AP) — Pravda today announced the death of Col.-Gen. E. A. Shchadenko, 0, veteran member of the Bolshevist Party, described as "one of the outstanding builders of the Soviet Army."

Calgary Livestock

CALGARY, Sept. 7 (CP)—Trade was slow and closing with a weak undertone on the Calgary livestock market today, despite light offerings. Available were 250 cattle and calves, mostly cows and medium quality stockers.

Butcher steers were steady to 25 cents lower, butcher heifers weak to 50 cents lower. Cows were 50 cents to $1 lower in spots, bulls about steady. Stocker and feeder steers were slow and around 50 cents lower. Veal calves were about steady.

Hogs closed steady Thursday at $37, sows at $18.50. Good lambs brought $29, good ewes $17.00-18.50.

Good butcher steers 32.50-33.50; common to medium 27.00-32.00. Good butcher heifers 31.50-33.00; common to medium 26.00-31.00. Good cows 25.00-26.00, with odd top at 26.50; common to medium 23.00-24.75, canners and cutters 18.00-22.50. Good bulls 27.00-27.75; common to medium 25.00-26.50. Good stocker and feeder steers 31.50-33.50; common to medium 25.00-31.00. Good to choice veal calves 33.00-35.00; common to medium 26.00-32.50.

Market Trends

NEW YORK, Sept. 7 (AP) — Selective strength kept the stock market on the higher side.

The advance was helped along by the railroads in early phases of trading and then the market continued higher on its own after a few laggard carriers held the railroad division back.

Canadian issues were mixed. Distillers Seagrams gained ⅝. Dome Mines and Hiram Walker were both up ½. Canadian Pacific increased ⅛ and International Nickel dropped ¼. McIntyre was unchanged.

TORONTO (CP)—Prices continued mixed towards the session's close. The steady advance of the last nine days altered in early dealings.

Base metals dipped slightly. Consolidated Smelters headed the downtrend with a loss of more than a point.

MONTREAL (CP) — Securities pushed irregularly ahead near the close in comparatively active trading.

Advances held a fair edge over losses and ranged from small fractions to more than four points or more. However, the bulk of the gains were on the narrow side.

LONDON (Reuters) — Overseas issues again captured most of the active interest and provided the major movements in prices.

Canadian dollar stocks met a renewed demand but home industrials were neglected and mainly steady. British Government funds drifted slightly lower.

DOW JONES AVERAGES

30 indus 273.69 up 1.61 or .59 pc
20 rails 82.82 up .10 or .12 pc
15 utils 45.33 up .14 or .31 pc
65 stocks 97.80 up .39 or .40 pc

Go-Ahead for High Automobile Prices

WASHINGTON, Sept. 7 (AP)—The Government told automobile manufacturers today they can hike their prices of new passenger cars an average of five to six per cent.

Fears Chaos Will Follow Inflation

PRINCE RUPERT, B. C., Sept. 7 (CP)—Danger of further inflation and ultimate fiscal chaos leading to some form of totalitarianism was seen by Ralph D. Baker, president of the Vancouver Board of Trade here Thursday.

Baker was addressing the civic luncheon of the Associated Boards of Trade of Central British Columbia.

Unless there is a curbing of the present tendency to unlimited spending on the provincial and federal levels, the fiscal chaos would deprive individuals of freedom and liberty, he said.

The governments, Mr. Baker said, had only one means of raising the money which they spent—through taking money from the people in the form of taxes which consisted of skimming off the proceeds of surplus production.

In the United States it was estimated that 32 per cent of productive effort of the nation was being skimmed off to meet tax demands.

"Our structure can only carry up to 25 per cent," Baker said. "Beyond that we get inflation."

Mr. Baker said that there was a government at Victoria with ministers—particularly the minister of public works—who welcomed advice from such organizations as boards of trade. He saw a fruitful field for cooperation and coordination to which he exhorted the Associated organizations to apply themselves.

President W. J. Scott of the Associated Boards was in the chair and acting mayor Harold Whalen welcomed the visitors.

Early Treatment Of Polio Essential

COPENHAGEN, Denmark, Sept. 7 (AP)—Whether polio paralyzes or its victim recovers, may depend upon how he is treated in the first few hours of the illness.

Those are the hours when it is difficult to know if you have polio. Getting to bed in those hours possibly means the difference the second International Poliomyelitis Conference was told today. This study was reported by Dr. W. Ritchie Russell of Oxford, England.

The "early hours" he said is a period that may range from only 12 hours to more than two weeks. Physical activity in that period may do irreparable damage.

The warning signals for complete rest, are said, are stiff necks and weakness in muscles.

Winnipeg Grain

WINNIPEG, Sept. 7 (CP)—Winnipeg grain cash prices:
Oats—No. 1 feed, 80⅛.
Barley—No. 1 feed, 1.20¼.

CAPETOWN (CP) — Unobtainable in Capetown because of import control, radios are being stolen from parked motor-cars and hawked for as much as £45 each.
