Nelson Daily News

VOLUME [illegible] 5 CENTS A COPY NELSON, BRITISH COLUMBIA, CANADA—SATURDAY MORNING, JUNE 10, 1950 NUMBER 44

WEATHER FORECAST

Kootenay: A few clouds Saturday. Warmer. Light winds. Low and high at Cranbrook 38 and 75, Crescent Valley 43 and 75, Revelstoke 45 and 75. Outlook for Sunday, sunny and warm.

Four Breweries in $1 Million Merger

Scant Fruit Crop Seen, Okanagan Losses $5 Million

Heavy Unemployment as Poor Season For Canneries Seen; Thousands of Trees Winter-Killed; Ottawa Help Is Sought

KELOWNA, B. C., June 9 (CP)—A hot sun beat down today on ruined orchards in the Okanagan Valley.

The Valley, chief centre of British Columbia's fruit-export industry, has suffered losses in excess of $5,000,000 through Winter-damage. Soft fruit production will amount to less than five per cent of the 1949 harvest.

Federal aid will be sought to aid the industry. A conference of growers and packers will be held here June 15 and Agriculture Minister Gardiner and Provincial Agriculture Minister Harry Bowman have been asked to attend.

The frost-bitten orchards shrivelled under the Summer sun. Tender leaves wilted. The trees were injured at ground level or near the crown of the tree during the sub-zero Winter.

Loss in peaches and apricots alone is estimated at $3,27[illegible]51 but the total for the valley will not be known until a complete survey is made.

All branches of the industry will be represented at the conference—growers, shippers, packers and the Fruit Growers Union.

Peach, apricot and cherry orchards all show loss from Winter-killing. Growers face almost complete loss of the cherry crop and a short apple and bartlett pear harvest is in prospect.

Thousands of trees have been mined and will never bear again. It will take seven to eight years to bring some of the orchards back to production. Unless Government aid is secured, some orchardists may not be able to meet the costly job of replanting.

FEWER JOBS

There will be little work for canners this year and unemployment for hundreds of workers is in prospect.

The harvest from the light soft fruit orchards will go to the fresh fruit market, but there will be a curtailed supply for prairie markets.

The apple orchards fared better than the soft fruits. Hardy varieties wintered well and promise a good yield, less hardy groups suffered damage in the extreme weather.

By OVID A. MARTIN

WASHINGTON, June 9 (AP) —A sharp recovery from a weather-delayed start in plantings today promised total crop production in the United States this year equal to the high average of the last 10 years including the bumper war years.

U. S. Agriculture Department said current prospects indicate a harvest only about six per cent below last year's near-record volume.

BLANK PEACH PROSPECT

SEATTLE, June 9 (AP)— Last Winter's severe weather virtually knocked out the State of Washington's apricot and peach crops.

Fire Threatens Homes

Forest fires dotted the Pacific Northwest June 3 and residents of a woded area near Vancouver, Wash., dug a fire trail (top) in hopes of keeping flames from their homes, while others (bottom) evacuated with household belongings.—AP Wirephoto.

Drew Finds State of Military Alarming

OTTAWA, June 9 (CP)—A major two-day defence debate, waxing hotter as it goes along, heard George Drew lash out tonight at the "alarming" size of the army force Canada has ready to fight immediately for "the last chance for freedom in our generation."

The Progressive Conservative leader said only 4000 of the 20,000-odd men in Canada's regular army are in the airborne brigade group. He declared that every Canadian should be alarmed over this "serious disproportion."

With that he coupled the statement that not one of the units in the six reserve divisions could take the field in less than six months and suggested that decisions of the Atlantic Pact Council might indicate that more stress be put on armor in those divisions.

A statement that External Affairs Minister Pearson has indicated that pact decisions mean Canada must have standing forces immediately ready for action to fulfill her obligation as part of balanced pact collective forces brought Defence Minister Claxton to his feet in a rebuttal that had Liberal benches applauding in support. One of the loudest was Prime Minister St. Laurent.

Mr. Claxton said the only purpose of two days of Progressive Conservative criticism appeared to be to try to show that a difference existed in what he and Mr. Pearson had said about pact decisions.

No such division existed. He could see no reason why the Opposition should criticize the Government for not being able to anticipate decisions that have not been made, meetings that have not taken place.

He could see neither political nor national advantage in their "series of questions," nor any help in preparedness.

Mr. Drew said the only people to be misled by failure to give details of Canada's actual fighting strength would be the Canadians. The Russians, with 160 divisions, wouldn't be.

"CAPABLE"

Canada-United States forces available for defence of the Northwest are considered capable of dealing with the kind of attack that migh the made as part of a total war, Defence Minister Claxton said.

WALL STREET AT FOUR-YEAR HIGH

Auto, Steel, Rail Leaders at Top Of Rising Prices

NEW YORK, June 9 (AP) — Blue-chip stocks shot ahead to new highs in today's market.

Automobile, steel and rail issues took top honors with gains running to around three points. Some shares sold at record highs and the market generally hit a four-year peak.

For the bulk of the market gains were smaller, most amounting to less than a point.

Profit-taking sales threatened the advance off and on, particularly late in the day, but were absorbed in good style for the most part.

Radio-television issues were a major exception, closing lower after an early rise. Others closed only a little under their best.

The rising price curve attracted heavy trading, with sales up to 2,130,000 shares from 1,780,000 Thursday.

The Associated Press average of 60 stocks advanced .6 of one point to 80.1, highest point reached since June, 1946. The rail group outdistanced industrials for a change while utilities ran a por third.

RECORD PRICES HOLD

OTTAWA, June 9 (CP) — Price advances were again general in livestock trading during the week, the Agricultural Department reported today in its weekly livestock review.

Cattle offered were mostly of lower quality but a keen export demand enabled sellers to obtain prices generally 50 cents to $1 above those of last week. These rates equal and in some cases exceed the recently established, all-time record highs.

Receipts at terminal markets were about in line with the previous week. Eastern calf values made gains of $1 to $3. Montreal showing the most advance.

MONTREAL, June 9 (CP)—Trading was generally quiet and firm on the bond market today.

Dominions, provincials and corporations held a mainly steady tone. Ontario Hydros continued to be well received.

In the corporations, prices were mainly unchanged, but Inter-provincial Pipelines advanced around five points to 295.

R.D. Barnes of Nelson President of New Kootenay Firm

Breweries in four Kootenay cities have been acquired by Interior Breweries Limited in a million dollar merger.

R. D. Barnes of Nelson is President and A. Donald Lauder of Vancouver is Vice-President of the new company which has taken over Kootenay Breweries Limited, owner of breweries at Nelson and Trail; Fernie Brewing Company Limited and its subsidiary, the Cranbrook Brewing Co., Ltd., and Brewery Investments Ltd., an investment company with assets chiefly in cash and marketable securities.

Combined capacity of the four breweries is 70,000 barrels a year.

With predecessor firms the consolidated companies have been turning out well known interior brands for over forty years, including "Fernie Beer," "Columbia Lager Beer," "Kootenay Rainbow Beer", and "Kootenay Ale."

Including $372,674 spent since the war on modernization and expansion, the new company has fixed assets of approximately one million dollars. Earning power has averaged a quarter million dollars annually over the past ten years before provision for depreciation and for taxes on income.

Mr. Barnes brings to the new company 20 years' experience in the brewery business. For the past five years he has been President of Kootenay Breweries Ltd. J. W. Skilling, assistant manager of Fernie Brewing Co. Ltd. will continue in charge of the Fernie plant.

Douglas Dewar, C.B.E., retired chartered accountant resident at Penticton and Coleman E. Hall, Vancouver hotel proprietor, are on the board. Fernie is represented on the directorate of the new company by Joseph Aiello and Trail by J. P. Muzzin. Other directors are J. K. Ringland, investment dealer of Lethbridge, and E. B. Bull, Vancouver barrister. Mr. Bull is also secretary.

Fixed assets alone of Interior Breweries Limited consists of $1,-dependent appraisals plus recent additions at cost are shown in the official record as worth close to one million dollars. In addition, after applying proceeds of new financing to retire a bank loan incurred to finance the acquisitions, net working capital will be $480,784. After setting up depreciation reserves of $439,399, fixed assets are carried at $406,287. Taking them at this figure of less than half of present day valuation, the combined total of working capital fixed and sundry assets is shown at $944,571.

Authorized capital of Interior Breweries Limited constists of $1,-000,000 in 4½ per cent, 12-year first mortgage collateral trust bonds Series "A" of which $400,000 will be issued; 400,000 in 5½ per cent convertible debentures due June 15 1965 all to be issued; 40,000 no par cumulative redeemable preference Class "A" shares of which 31,775½ will be outstanding; and 300,000 no par "B" voting shares of which 175,-000 will be outstanding.

The Vancouver investment dealer firm of Lauder Mercer & Co. Ltd underwrote securities of the new company in the aggregate amount of $1,024,985. These issues will be offered to the investing public as follows:

$400,000 in first mortgage bonds at $100 to yield 4½ per cent.

$400,000 in convertible debentures at $100 to yield 5½ per cent.

74,995 "B" shares at $3 per share.

The debentures will be convertible to "B" shares on the basis of 250 shares for each $1000 debenture.

EARNINGS $371,421

Combined earnings of the operating companies which own the four plants were $371,421 in the latest fiscal periods before provision for depreciation, taxes and minority interest, and $169,587 after such provision.

55 YEARS OLD

The Nelson Brewery was built by Robert Riesterer in May 1895, on Ward Creek which at that time offered a year-round water supply and was outside the residential area.

A few years later William Gosnell who operated a brewery on Chatham Street, took it over and discarded his brewery. He was operator for some years, and his associates were J. J. Malone, George Motion, Al Tregillus and John Blomberg.

George Hawthorne took the reins upon Mr. Gosnell's death and himself died a short time later.

In 1929 the Columbia Brewery in Trail was bought out under the management of W. R. Thompson.

R. D. Barnes became manager in 1931 and has held the position for 19 years.

Presidents have been J. J. Malone, George Motion, W. B. Bamford and Mr. Barnes, who was elected five years ago. Mr. Tregillus has been Vice-President for about 30 years.

The plant has been expanded and modernized until its bottling operation is second to none in the province. Renovations during the last five years have increased capacity to 120 bottles a minute.

Telephoning More Costly in B. C. After Today; No Discount on Bills

VANCOUVER, B.C., June 9—The new telephone rates authorized by the Board of Transport Commissioners for Canada will come into effect today, the British Columbia Telephone Company announced.

The next telephone bills received by subscribers will be based on the new rates. Because the billing dates vary with the different exchanges, most telephone bills will contain an adjustment between the old rates and the new from June 10 to the billing date. In such cases, details will be shown on a statement enclosed with the bill. Because of these adjustments, the total rental charges on the first bill may be greater than on later bills.

As the "dollar discount" is being done away with, the amount to be paid by the subscriber will be the amount shown on the bill.

In its application to the Board of Transport Commissioners for Canada, the Company requested approval of rates which would have given an estimated increase in gross revenue of $2,261,741 per annum. In its interim order of May 29 the Board authorized rates which will give the Company an estimated increase in gross annual revenue of $1,632,455, 72.18 per cent of the increase sought.

B-29 Bomber Shot Itself Down

LONDON, June 9 (AP)—A United States B-29 bomber which fell in flames into the North Sea Wednesday with a loss of at least three lives shot itself down during gunnery practice, Headquarters of the 3rd Air Division said today.

Bullets from the plane's 50-calibre machine guns struck the right outboard engine during a firing run on a gunnery range off the Norfolk coast, a spokesman said, setting the plane on fire.

Eleven crewmen were ordered to abandon the burning plane at low altitude. Four were rescued, three were recovered dead, and a search is continuing for the other four.

The Air Force spokesman said failure of normal safety devices with which the big plane was equipped permitted the gunfire from its own turret to strike the outboard engine.

"It was just one of those things that happen," he said. "All normal precautions were taken."

Normally automatic controls cut off fire of the B-29's machines should they be turned toward any part of the aircraft.

Heavy Damage in Windsor Storm

WINDSOR, Ont., June 9 (CP)—A 15-minute rain-and-wind storm did thousands of dollars damage in East-Side Windsor and suburban Riverside late today.

At least three persons were injured, none seriously. Scores of trees were ripped down. Firemen had several calls.

Firemen Overcome in Calgary Blaze

CALGARY, June 9 (CP) — Two city firemen were overcome by smoke in a fire of unknown origin which raged through the Walter M. Lowney Co. Ltd. and Scott Highgate Ltd. warehouses here last night.

Fireman W. F. (Bill) Burdett was taken to hospital after he collapsed because of smoke during the early stages of the blaze, and Fireman W. N. Farch was taken home when he was overcome.

Damage in the blaze could not be estimated today, but it was expected to run into thousands of dollars. An unofficial estimate placed damage at more than $100,000.

CLAIM NO WATER FOR FREEDOMITE CAMP AT COMOX

COURTENAY, B.C. June 9 (CP) —Water may be the determining factor as to whether 80-Sons of Freedom women prisoners will be housed on Comox Spit.

The Courtenay City Council has wired Justice Minister Garson pointing out the lack of adequate water supplies to serve any population on the land.

Mr. Garson had informed the council that present plans call for retaining of male prisoners at the New Westminster penitentiary, while it was planned to send the women prisoners to Comox Spit. In his letter to the council the Minister had expressed the hope that the water supply was adequate.

The Council replied by telegram that the city was having a hard time serving present consumers at Comox, including the hospital.

Three Die in Train Crash

WINNIPEG, June 9 (CP) — Wrecking crews tonight found the body of a missing fireman in a Northwestern Ontario railway cut, raising to three the death toll in the head-on crash of two Canadian National Railways freight trains.

Body of E. L. Ruston of Cypress River, Ont., fireman on the Eastbound train, was located hours after two of his fellow trainmen were found dead and another seriously injured.

One of the dead was Ruston's engineer, E. D. Mahoney of Sioux Lookout, Ont. The other was A. J. Dillon of the other freight.

JUNE 19 DECISION ON DUCHARME APPEAL

VANCOUVER, June 9 (CP) — Red-haired Frederick Roger Ducharme will know June 19 an Appeal Court's decision on his plea for a new trial—11 days before he is scheduled to be hanged.

Ducharme, a 37-year-old millworker, was convicted of slaying Blanche Ferne Fisher, 45. The unmarried woman's body was recovered last Nov. 9 from False Creek, tide-water area near downtown Vancouver.

LUMBERMEN TO STAND FIRM

Tie-Up of Lumber Industry Looms as Strike Talk High

VANCOUVER, June 9 (CP) — Strike talk fanned like a forest fire today through the timber stands and mills of coastal British Columbia.

More than 32,000 loggers, members of the International Woodworkers of America (C.I.O.-C.C.L.), have indicated in a strike vote they will strike next Thursday if no acceptable offer is made by operators before that time.

The 163 coastal operators, represented by Forest Industrial Relations Ltd., warned today in a statement they were not prepared to give ground.

Tabulation of the Government-supervised strike vote has not been completed, but at the latest count 70 per cent of the loggers favored walking out to back demands for a union shop and a wage boost of 17 cents an hour.

A Conciliation Board named to act in the dispute recommended a "maintenance of membership" clause for the I.W.A. and a wage boost of nine cents an hour.

The lumber industry in B. C. has been strike free since 1946. The 1946 strike, which lasted for 36 days, ended when loggers were granted a 15-cents-an-hour increase.

Canadians' Pay At All-Time High

OTTAWA, June 9 (CP)—Industrial workers in Canada carried home during March the heaviest average weekly pay envelopes in the history of the country, the Bureau of Statistics reported today. The bureau also reported that there was a slight improvement in the number of persons employed during the month.

At April 1, the average weekly earnings had reached an all-time high of $44.87, about 2.9 per cent higher than the average wages at March 1 and 3.5 per cent above the April 1 wage level last year.

LATEST ASSAYS STEM GOLD RUSH CLAIM NO WATER

PORT ANGELES, June 9 (AP) — The Olympic Peninsula's recent "gold fever" settled down to a pall of gloom today following two new assays of ore by a Seattle firm.

What amounted to a modern "gold rush" was reported last month after Mrs. Grace Melick, 43, found ore assayed at about $124 of gold a ton on her nearby ranch.

But she disclosed today that two additional samples showed gold valued at only $1.50 and $2.21 a ton.

R. P. Lent, of the Lambert and Lent Laboratory in Seattle, said all three samples were put through identical process. He suggested the initial sample might have contained a concentration of gold not common to the rest of the ore.

"These new assays are kind of discouraging," said Mrs. Melick.

"But we're sure not giving up. If we haven't got gold, maybe we've got uranium."

She has sent some samples to the Atomic Energy Commission office at Hanford, Wash., for testing.

Explosive Found in Train's Fuel Hopper

RED BANK, N.J., June 9 (AP)— An anti-personnel mine from the South Amboy blast area was discovered today in the coal pile of a Pennsylvania Railroad train carrying 350 passengers.

All persons on the train were evacuated immediately as a precautionary measure. Army officials said "fire, heat or agitation" could have set off the explosive.

The mine, known as a "Bouncing Betty", was spotted by the locomotive fireman, Raymond C. Clayton. Ironically, he was injured May 19 in the South Amboy Station when an explosion shattered the city and killed 31 persons.

Police said the fireman of the New York-bound train discovered the mine a few feet from an automatic stoking device as the train pulled out of the Red Bank Station.

$12½ MILLION MANITOBA AID

Premier Says Flood Damage $50 Million, 10,400 Homes Suffer

OTTAWA, June 9 (CP)—The federal government will contribute $12,500,000 as an "initial payment" to help Manitoba's recovery from its great flood disaster tentatively estimated to have cost $26,000,000.

Finance Minister Abbott, just back from a flying trip to the Red River flood areas, announced that the federal government would bear 75 per cent of the cost of protective dyking in Manitoba, as was done in British Columbia following the Fraser valley floods of 1948.

Commissioners J. B. Carswell and D. Bruce Shaw said Manitoba's flood disaster was "appalling in magnitude and unprecedented in Canadian history."

They set the total cost tentatively at $26,631,880.

FORT FRANCES, Ont., June 9 (CP) — Volunteer workers relaxed tonight after piling 8000 sandbags along the Point Park waterfront, where engineers say the Rainy Lake flood is well in hand.

All night long they battled the swollen lake, 4½ feet above flood level and now almost to the all-time high of 1916. But strong East winds that threatened to rip out more of the shoreline dropped today. A backlog of sandbags, rushed in from Winnipeg and the Lakehead, eased the situation.

INDUSTRY RIGHTING

WINNIPEG, June 9 (CP)—Manitoba industry is about over the Red River flood but private home owners have barely begun the multi-million-dollar job of rehabilitation.

The Canadian Manufacturers' Association said a survey showed about one-seventh of Manitoba's industrial plants were affected by the Red River's 1950 rampage but that all plants will be operating normally within a fortnight.

A provincial rehabilitation board announced 10,400 homes in the Red River valley and Greater Winnipeg were flooded, and that more than one-third of them had water above the first flood.

Premier Douglas L. Campbell said provincial estimates set flood damage at $50,000,000, compared with the $26,000,000 figure used by Ottawa in setting the amount of its initial payment to Manitoba.

Charge Chemist Go-Between

WASHINGTON, June 9 (AP) — A Brooklyn grand jury today indicted Harry Gold, Philadelphia chemist, and two unidentified persons on charges of atom spying against the United States.

The indictment was announced here by the Justice Department.

In addition to Gold, the indictment named "John Doe, alias 'John' and Richard Roe, alias 'Sam,'" and asserted that "the true and correct names" of these persons were unknown to the jurors.

Gold was arrested at Philadelphia last May 23.

The espionage information filed against him at the time of his arrest mentioned also a "John Doe" described as an agent for the Russian Government.

This "John Doe" was alleged to have received from Gold atomic secrets which had been passed to Gold by Dr. Klaus Fuchs, the British scientist who has since been sent to prison in Britain.

MYSTERIOUS FIGURE

By naming "Richard Roe", the indictment introduced another mysterious figure into the alleged wartime traffic in secret data.

OPEN TENDERS FOR OK ROAD WORK

VICTORIA, B.C., June 9 (CP) — Tenders were opened at noon today for a large road surfacing contract in the Okanagan, and for the construction of the new Ingram bridge.

Lowest tender for the surfacing work was received from Storms contracting Co., Vancouver, which bid $182,950.

Lowest tender for the bridge was entered by Highway Construction Co., Vancouver, which bid $48,283.

TO DEVELOP COPPER FIND

QUEBEC, June 9 (CP)—Premier Duplessis today said that "important" deposits of copper ore located about 30 miles from Madeleine, near the tip of the Gaspe Peninsula, will be exploited by Gaspe Copper Mines, Ltd.

Suit Against Steelworkers To Assizes

TRAIL, B. C., June 9 — Action against three officers of Local 4281 of the United Steelworkers of America charged with conspiracy and breach of contract will come before Spring Assize Court in Rossland June 26.

The Steelworkers are R. C. Billingsley, Provisional President; Laurie Hamilton, Provisional Vice-President, and Lloyd Bailey, Provisional Secretary of the newly-formed Steelworkers Union.

The charges arise from their quitting Local 480 of the International Union of Mine, Mill and Smelter Workers in February. A. G. Cameron of Cameron and Gordon is the Mine-Mill Union's representative.

MILLIONS IN TRADE SPRINGS FROM FAIR

By FORBES RHUDE
Canadian Press Business Editor

TORONTO, June 9 (CP) — The Canadian International Trade Fair today closed out its third and so far biggest show, after setting into motion many millions of dollars worth of trade which will reach into nearly all corners of the world.

From May 29 to today the Fair has been an international meeting place, laden with the goods of many lands, displaying the dress of far countries, and resounding to the words of varied languages.

It is impossible to put a figure on the results of a trade fair, because transactions are reported only in general terms if at all.

One Brazilian buyer alone is reported to have arranged for the delivery to his country of $640,000 worth of coffee machines.

Mostly exhibitors are people who believed that the only way to build up world trade is for people to show their goods to one another; and then, despite current difficulties, find a way in which to do business.

The feature this year was the British tool, machine tools and scientific instruments exhibit, worth $2,500,000.

END DOCKERS' RIOT

BOMBAY, India, June 10 (Saturday) (AP)—Three hundred armed police today broke up an attempt by 1500 dockside workers to storm the Bombay dock area.

FREIGHT RATE HIKE STANDS

Get Complaints in To Board, Premiers Advised

OTTAWA, June 9 (CP) — The Government has declined to stop the latest freight-rate increase from going into effect June 16, Prime Minister St. Laurent disclosed in the Commons today.

He made public letters advising Provincial Premiers that Cabinet has refused their request for a stay and admonishing the Premiers—who complained of rate "inequalities"—to get their complaints in to the Board of Transport Commissioners' general rate inquiry that started two years ago.

Seven Provincial Governments had petitioned to have the 3.4-per-cent increase awarded May 24 put off until Cabinet had heard their formal appeal from the 1949-50 series of rate increases aggregating 20 per cent. The 3.4 per cent is included in the appeal.

Mr. St. Laurent made it clear in his letters to the Premiers that Cabinet takes the opposite view—that the Transport Board's award should not be interfered with until argument on the appeal has been heard.

He did not indicate when this would be. It was believed, however, that appeal would not be heard until August.

Radio and T-V Deal For Bob Hope

NEW YORK, June 9 (CP)—Comedian Bob Hope has signed an exclusive long-term contract with the National Broadcasting Company for both radio and television programs.

Hope's personal representative, Mack Miller, immediately called the new contract "the most fantastic deal in the history of radio."

The Hope show will be sponsored by a cigaret company that also sponsors Bing Crosby and Arthur Godfrey on the Columbia Broadcasting System.

And in This Corner—

EAST HARTFORD, Conn., June 9 (AP)—Leon Martin drove up alongside a fire department pumper here, calling out, "My car is on fire!"

After firemen extinguished the blaze, Martin asked what they were doing there. A fireman pointed to a dwelling further along the street where there was a fire in the basement.

"Holy smoke!" Martin yelled. "That's my house."

Neither blaze did much damage.

TORONTO, June 9 (CP)—The "minuet" of the Sandhill cranes, performed daily at Toronto's Riverside Zoo, has special significance these days as officials anxiously anticipate the birth of two cranelets.

Within the last fortnight, a Sandhill crane and an Asiatic crane have each laid an egg—a rare thing for cranes in captivity. The graceful birds are related to the almost extinct Whooping cranes and there are only 17 species of crane in the world.

"Sandy" and her mate go into their primitive dance several times a day and apparently are stimulated by the prospect of becoming parents. However, it will be some weeks before officials know whether the crane eggs are fertile.

The Asiatic cranes, even when expecting, don't dance.

MONTREAL, June 9 (CP)—Jean Rozier, 73, had a date with the court today. It cost him $10. For what? For zipping around town on his motorcycle without a licence.

LAST TIMES TODAY — SHOWS AT 2.00-7.00-9.00

MONDAY — "THE MAN ON THE EIFFEL TOWER" in Color

77 Entries in Commercial Tourney

Seventy-seven fairway followers from all over British Columbia have marched on Nelson swinging their clubs.

They are competitors in the Commercial Men's Association annual golf tourney now in its second day. Their names:

Bob Foulis, Gerry Splatt, Andy Crawford, Bill Halliday, George Cotton, James Paton, Ted Berry, T. R. Fyfe, A. C. Harrison, George Patterson, Dr. Bob Stewart, C. G. Evans, Frank Broadfoot, Colin McKenzie, Don McMillan, Ted Cruise, W. P. Townsend, Vancouver.

Ald. Bob Affleck, F. Larocque, Kamloops; A. Gilroy, Winfield; Al Trump, Nanaimo; Vic Tilton, Kelowna; F. Cuff, Penticton; W. Armstrong, Mission City; W. Mair, Ed Borgens, Calgary.

Elgin Hill, J. Bruce, S. Ross C. Pennie, Trail.

John Tier, New Denver.

J. A. Wright, Trevor Jones, T. Hughes, N. Stephenson, E. F. Barnes, Frank Blackwell, Rossland.

B. Latremouille, W. Anderson, Art Warren, A. H. Allan, Jack Storrie, J. Leschuck, Bob Paterson, A. Moen, R. B. Allan, B. Townshend, J. A. B. Will, L. Kelsch, E. McGregor, Ted Cole, T. S. Shorthouse, L. M. McBride, Dr. T. H. Bourque, A. Silverwood, W. Wait, J. E. Young, W. DeRidder, H. Peacock, A. B. MacDonald, N. G. Storey, Richard Palmer, J. North, Louis Hanic, E. H. Drummond, G. K. Burns, Vic Hudson, J. A. Angus, J. Keegan, J. A. Stewart, R. L. McBride, T. R. Wilson, W. E. Vance, R. E. Horton, James Kerr, H. E. Patterson, F. D. Cummins.

16 Trail District Teachers Resign 13 Appointed

TRAIL, B.C., June 9 — The Trail School District No. 11 will lose 16 school teachers at the end of this term while appointments of 13 more for next term have been confirmed by the school board.

Several of the teachers who are resigning their posts plan to study at universities.

Appointed to the Trail-Tadanac High School staff were Miss Annette Doyle, Ian Potts and Douglas Cleghorn.

Elementary school appointments, will include A. Tadey, William Mableson, Glenn Burgess, Miss Dorothy Wallace, Mrs. Irene Bell, A. H. Wishlow, Miss June Hewitt, Miss Margaret Kalhovd and Arthur Winstanley; Miss Elsie Wagner, librarian at Central School for several years was appointed to an elementary school.

Claims Photos Of Flying Saucers

McMINNVILLE, Ore., June 9 (AP) — Pictures of what a farmer said was a flying saucer were published here yesterday.

The newspaper, the McMinnville Telephone Register, printed two snapshots obtained from Paul Trent, 41, who said he took them the evening of May 11 on his farm 10 miles Southwest of here.

Each showed a round object in the sky. A dome-like protusion appeared atop the object. On the film they were small, but Trent said he was unable to estimate size speed or distance.

Photographers who since have examined the film are convinced there was no trick of photography, a Telephone Register staff member said.

Mother of Trailite Dies at Coast

TRAIL, B.C., June 9—A pioneer resident of British Columbia, Mrs. W. A. Williscroft died Thursday in hospital at Vancouver. Mother of George M. Williscroft of Trail, she was in her 84th year.

Mrs. Williscroft came to B.C. and the Coast to join her husband in 1889, where she became prominent in the work of the Women's Christian Temperance Union and the Women's Council in Victoria and Vancouver for many years.

She was predeceased by her husband and one daughter, and survivors include one son, George, in Trail, one daughter, Beatrice, at Vancouver, four grandchildren and one great-grandson.

Castlegar Trade Board Discusses Proposed Rink

CASTLEGAR, B.C., June 9—Possibility of a rink for Castlegar was the chief topic at the Castlegar Board of Trade meeting held on Thursday night.

Following a talk by Mr. Kerby, representative of the Castlegar Projects Society, on the proposed rink for the village, an open discussion was held. Several suggestions on means of raising funds were made.

The board felt that a rink for Castlegar would undoubtedly be an asset and should receive all the support possible.

Peace Committee Formed Following Endicott Talk

TRAIL, B. C., June 9 — The public address given here by Dr. James G. Endicott drew a large crowd of listeners. Following the address, a Trail and Rossland Committee for Peace, which will secure signatures for a "ban the bomb" campaign, was formed.

Dr. W. J. Endicott of Trail was elected President of the Committee, Mrs. Ellen Godber, Secretary-Treasurer and H. Dovey executive member.

"Ban the bomb" campaign will call on Governments throughout the world to ban the manufacture and use of the atomic bomb.

There could be peace if the instrument of the United Nations was used, along with patience, negotiation and compromise, but there must be unconditional banning of the atomic bomb.

Although the possibilities of war were greater now than they were six months ago, he said, so were the possibilities of winning the peace through the efforts of the people's movements which he described as "the greatest mass movement in history."

During his address, he asserted that he was not a Communist. One of the main differences between the Communists and the Western world was that "we try to explain the world. They try to change it."

He felt that a Government of complete world Communism would not harm Christianity in the foreseeable future, as long as there was no danger to the Communists from outside invasion.

Seek Nasookin Disposal, Joint Training Quarters

A committee of four, consisting of Ald. W. S. Smith (chairman), L. A. McPhail, Peter Thom and Mayor N. C. Stibbs, were appointed to see to the disposal of S.S. Nasookin at a meeting of the Nelson branch of the Canadian Navy League Friday evening. The Nasookin was Sea Cadet headquarters until she was damaged at her waterfront berth.

A. G. Cooke, representative of the Boy Scouts, announced that the Scouts had appointed a committee of four, of which he was chairman, to approach the Navy League on the matter of erecting a building for joint use by the Scouts and Sea Cadets.

A committee of Ald. W. S. Smith, L. A. McPhail, Peter Thom and R. D. P. Gilday were appointed to meet the Scout committee.

Arrangements were made for Cadets to attend Camp Latona on Gambier Island this Summer, also for Petty Officer Len Lythgoe to go to Camp Cornwallis, Nova Scotia. The Cadets go to these Summer camps at the expense of the Navy League of Canada and work-dress uniforms are provided at camp.

10 District Winners in V.L.A. Contest

Ten district veterans have won prizes in 1949 Dominion-wide competition sponsored by Veterans' Land Act administration to encourage agricultural development and home beautification among small holders.

They are H. Cole, B. B. Clark, A. C. Morton and L. G. Atwell, Nelson; G. Armstrong, Kaslo; R. Bechthold, E. N. Johnson and R. J. Smales, Kinnaird; E. J. Ross, Fruitvale, and M. Ewasiuk, Beaver Falls.

Close to 150 veterans are now established on small holdings under the Veterans' Land Act in West Kootenay. Additional veterans are being established as quickly as suitable properties are found.

Prizes worth $1200 are being offered this year. The competition is divided into two classes—for small holders with one acre or less and for those with over one acre.

A new feature is a junior gardens contest, aimed at fostering an early interest in gardening and horticulture. One group will include small holders' children eight and under and another group of children nine to 13.

About 4000 B. C. veterans and their families are eligible, but special entry forms must be filed with V.L.A. by today. A total of 120 prizes will be awarded in this province, allocated proportionately to the number of small holders in each region.

SMELTERMEN'S FIRST BALL AIDS FLOOD FUND

TRAIL, B.C., June 9—First annual Smeltermen's ball, sponsored in the new Cominco Arena Thursday night by Local 480 of the International Union of Mine, Mill and Smelter Workers, attracted 3500.

Half the net profits will go to the Manitoba Flood Relief Fund, as well as between $300 and $400 raised by a request hour.

The band and entertainers in a lively floor show were from Spokane.

Business Losses During Floods Near $1,492,500

WINNIPEG, June 9 (CP)—Southern Manitoba's manufacturers are operating at 95 per cent of normal after a flood which affected 15 per cent of the Province's plants.

The Canadian Manufacturers' Association made the announcement after a survey begun when the Red River first started to drop.

Today, with the Red at 18.7 feet —seven-tenths of a foot above flood stage—75 per cent of the businesses affected were back to normal. The rest were operating at 60 to 80 per cent of normal production. By next week, the survey said, things would be normal.

Meanwhile, a flood-damage statement jointly released here and at Ottawa estimated business losses during the month-long crisis at $1,492,500. Total flood damage, excluding "intangible" losses, personal effects, crop and commercial losses, were tentatively set at $26,600,000.

May Start Rotary Club in Rossland

TRAIL, B.C., June 9 — The possibility of forming a Rotary Club at Rossland was discussed at the Trail Rotary Club meeting this week.

President H. R. Mills told the group that the executive was investigating whether or not enough Rossland residents were eligible for membership to warrant a club in the Golden City. A meeting will be held in Rossland shortly to discuss the possibilities.

P. Cameron, Fernie Pioneer, Dies

FERNIE, B.C., June 9—Paul Cameron, one of Fernie's oldest pioneer residents, died here at the age of 82.

Mr. Cameron was born in Alexandria, Glengarry, Ont. He came West at the age of 21 and walked into the Crow's Nest Pass from Macleod, Alta., 10 years before the laying of the steel.

He was for many years highway foreman for the Department of Public Works in the Fernie district.

Flood Refugees Wait for Food

Many Manitoba flood refugees, cut off from their farms South of Winnipeg, found themselves completely lacking food, clothing—all the basic necessities of life. But these people, staying at Dauphin Beach, Manitoba, are being cared for. They are shown standing in a queue that leads to a store where they receive free food supplies, provided by the town of Dauphin. They will cook their meals in cottages that were turned over to them rent-free, and in some instances on new stoves that cottage owners bought for their convenience. When they return to their own homes they must look for aid to the Manitoba Flood Relief Fund.

Bug Enthusiasts Preparing for Annual Races

As the Kinsmen Club prepares for the annual soap box derby, Nelson's young racers are busy building their swift bugs for the race while a few are applying the finishing touches of paint and oil.

Special prizes will be at stake for the derbyists who will race in the opening event of the July 1 celebartions to be sponsored by the club.

The junior racing group will include youngsters up to 13 years of age while in the senior class will be youths ranging from 13 to 15 years.

Race officials said Friday night that the course for this year's derby races had not yet been decided. During the last few years Silica Street has been the site.

Building of bugs and racing will follow the regular rules of soap box derbies.

Four Acquittals At Cranbrook

CRANBROOK, B. C., June 9 — Eight-day session of the East Kootenay Spring Assizes, hearing criminal charges, ended Wednesday with two more acquittals.

Five cases were heard with four acquittals, and reduction of manslaughter to dangerous driving in the fifth case.

In Wednesday's session before Mr. Justice J. M. Coady, Elton J. Quinn, Kimberley taxi-driver, was found not guilty of assault occasioning actual bodily harm to Roderick Clark. This charge arose from an alleged fracas over driving right-of-way on Blarchmont Hill during the Spring breakup on March 19.

George Haddad was foreman of the jury which returned the not guilty verdict. Fred Barry was Defense Counsel.

Charge of failure to remain at the scene of an accident in which his car was involved was heard against Edward Wiseman Simper, also of Kimberley, and the jury, with J. C. Little as foreman, found him not guilty. Mr. Barry also defended in this case.

Civil charges are being heard the rest of the week, following which David L. Dufour of Kimberley, convicted of dangerous driving, will be sentenced.

PLANE BEHEADS GIRL ON BEACH

KARACHI, Pakistan, June 9 (Reuters)—A low-flying aircraft today beheaded a 16-year-old girl and injured two of her companions as they played on the sands at Clinton Beach, a pleasure resort near here. Eye-witnesses said the aircraft circled overhead several times before hitting the schoolgirls.

The Weather

SYNOPSIS—Most of the Province enjoyed sunny weather Friday although parts of the Southen Interior are still cloud covered. This cloudiness is steadily decreasing however and this trend will continue Saturday when some Interior points are expected to reach the eighty mark.

Trail School Among Top Canadian Projects

TORONTO, June 9 (CP) —Canadian construction contracts in May totalled $111,964,700, of $6,000,000 above May last year, says MacLean Building Reports, Ltd. This put figures for the first five months ahead of the same period last year by $5,000,000.

Major contracts included:

Alberta provincial highway contracts, $1,840,000; transmission line, Pine Falls, Manitoba, $1,500,000; High School at Trail, B.C., $1,134,500

Castlegar Zoning Recommendation Asked By Board

CASTLEGAR, B.C., June 9—A request that the Castlegar village commissioners appoint a committee to bring in recommendations on zoning of the village has been made by the Castlegar Board of Trade.

At their meeting Thursday night, the secretary was instructed to bring the following matters to the attention of the village commissioners: more attention be given to the collection of garbage; requirements in respect to trade licences be enforced; some progress be shown in the renaming and numbering of streets and the removal of certain guy poles on the main highway.

W. D. Sharples and R. Tipping were accepted as new board members.

NELSON, ROSSLAND TO CLASH ON CIVIC DIAMOND SUNDAY

Nelson's Peerless 9 will meet the Rossland baseball team on the Civic Centre diamond Sunday in a second encounter.

The Nelson team won the opening session in Fruitvale last Sunday.

Lineup of Nelson nine will include:

S. Larson, L. Hufty, D. Whitehead, C. Locatelli, B. Koehle, J. Cone, B. Dozzi, L. Swenson, D. Winlaw, B. Haldane, R. Collings, J. Yomahawa and R. Wassick.

ZENKEYS RALLY TO BEAT BYNG

CRANBROOK, B. C., June 9 — Wobbling like new calves the first two innings Zenkeys had a setback. But came back strong in later innings to take a 10-4 City Softball League game win from Byng.

Their 14 hits contributed heavily and Byng put up a smart defense, but failed to hit Dooling's pitching and they left seven men on base. By the win Zenkeys pressed Swanson harder for the league lead.

Byng	300	010	0— 4 4 3
Zenkeys	003	214	0—10 13 4

Batteries: Archie Reekie, Charley Munroe and Joe Downey. T. Dooling and Dennis Nelligan.

Umpire, Gordon Lyons.

B. C. Police Commissioner Here on Inspection

Commissioner John Peachey of the British Columbia Provincial Police, and Mrs. Peachey of Victoria, are visiting Nelson. They will go on to Cranbrook Sunday.

Commissioner Peachey is here on an official inspection tour and also in connection with Sons of Freedom uprisings.

CANNON-BALLER DIES

EXETER, N.H., June 9 (AP)—Ledell (Cannon Ball) Titcomb, a New York Giant pitcher in the dawn of Big League Baseball whose fans said he had a fast ball that split planks, died today at the age of 83.

New Castlegar School to Have Physical Teacher

CASTLEGAR, B.C., June 9—The Castlegar Board of Trade at their meeting held Thursday night received an encouraging reply from the school trustees in connection with engaging a physical education teacher on the staff of the new school being build here. The trustees declared this would be one of the main objectives when the new school was ready.

Consideration was also being given to the introduction of a cadet training program to be added to or worked in with the present school curriculum.

It was the opinion of the board that the slowing up of the Castlegar ferry service was due to gas trucks using the ferry.

The Roads and Bridges Committee was asked to obtain information on this matter and report back.

The regular meetings of the board for July and August were cancelled.

HALF-DAY SESSIONS LIKELY FOR CRANBROOK PUPILS

CRANBROOK, B. C., June 9 — Half-day sessions in the Fall term for school beginners may be necessary here this September with some children attending mornings and others afternoons, the School Board has decided.

Call for enrolment at Central School Wednesday brought 120 registrants who will be six by December 31. There is the expectation of 20 more. Present primary facilities provide for about 100 children. Problem will be solved when the new junior-senior high school relieves the press for space at Central School.

Call for applications for staff vacancies in Cranbrook School District has been issued. Six vacancies are already indicated.

Miss Marilyn Patmore has been granted leave of absence, Miss Lois Caldwell and Miss Marian Beattie have resigned to accept positions in Quebec, and William Bunt has resigned, all at Central School. Household economics instructor at Central and High School Mrs. Frances Porteous has resigned and Mrs. Helen Sainsbury of Moyie School has resigned.

PRESBYTERIANS HAVE SURPLUS

MONTREAL, June 9 (CP)—The 76th General assembly of the Presbyterian Church in Canada was told today that $50,000 more was raised by Presbyterians last year than the previous year.

E. W. McNeill of Toronto, Church Treasurer, showed a surplus of $32,000 in his financial report covering last year.

The assembly voted $21,000 of this to pay bills of the General Board of Missions, which had a deficit of some $46,000, and to take the remaining $25,000 from reserves held by the Mission Board.

Rev. G. Deane Johnston of Brantford, Ont., said the Mission Board had reserves built up from bequests and special gifts and the reserves can be spent on authority of the assembly.

REES A WINNER

Says Company Won't Impede Fruitvale Plan

FRUITVALE, B.C., June 9—In connection with a meeting of the Fruitvale Water Board, at which was discussed construction of a new water system, F. A. Varseveld, lumber manufacturer, has explained his company's position as follows:

"The Fruitvale Waterworks District made no overtures to us in the matter of an easement until June 6, when they submitted a document purporting to give them a right-of-way for construction, reconstruction, operation and maintenance of a waterline over part of Section 12, T.P. 11A, Kootenay District, without defining what part or how much of the whole 1280 acres, for a consideration of $25, which is ridiculous.

"Referring to the padlocked gate. This is an annual procedure which has been carried on for several years to minimise the risk of forest fires on our timber limit, from picknickers, berry pickers, etc., between May and September, and which is in agreement with the Forest Service. If and when the Fruitvale Waterworks District requires access, they only have to ask for a key. In the alternative, there are two other convenient means of access open to them where there are no gates.

"I might add that we are entitled to thirty days after service of the proper documents within which to notify the Fruitvale Waterworks District as to whether or not we agree to accept the compensation offered."

The company also sent a letter to the Waterworks organization, stating:

"We wish to make it clear that we have no desire to impede your progress with the local water project and as you know, you are able to commence and proceed with same regardless of settlement with us.

"However, in the matter of compensation, we shall have to take sufficient time to ascertain the effect it might have in the future of our timber limit."

F. Broughton, Sr., Miss M. Butlin Win Denver Golf

NEW DENVER, B.C., June 9—A mixed two ball foursome was played on the Slocan Lake golf course Sunday. Winners were Frank Broughton Sr. and Miss Monica V. Butlin.

Tea was served in the afternoon by the hostesses, Mrs. T. W. Clarke and Mrs. A. L. Harris.

Spring Pigeon Places First

ROSSLAND, B.C., June 9 — The racing pigeon owned by Terry Spring of the Rossland Racing Pigeon Club placed first in the races held this week. Mr. Spring's bird flew the 127 mile route from Fernie to Rossland on an average of 914.82 yards per minute.

Twenty-three birds were released. The weather was rather cloudy, but the birds did not encounter winds.

Other birds placing in the race and their average speed were:

Tom Spring, 914 yards per minute; Al Simm, 911.39; George Staudinger, 909.69 and 908.98; Sam Churchill, 872.28; George Staudinger, 867.19; Sam Churchill, 861.81, 859.26 and 824.79.

Natal Dark Horse Pitcher Handcuffs Fernie

MICHEL, B.C., June 9 — In one of the fastest baseball games played at the Natal Ball Park, the Natal Michel Red Sox scored a 4-0 shutout over Fernie Senators in the Crowsnest Pass baseball league.

The Red Sox found a surprise pitcher in third baseman Thega Krall who hooked up in a duel with V. Marasco of Fernie. Krall pitched six hit ball and sent 12 batters down via the strikeout route. He showed his control in the second inning when he threw down to retire the side after the visitors had loaded the bases with none out. His speedball had the Fernie team bewildered. He wound up in fine style by striking out the last batter for Fernie.

Youthful Marasco pitched masterful ball good enough to win most games. He allowed nine hits while striking out 11 Red Sox batters.

2 HITS ONLY

The Red Sox headed by pitcher Krall and Chala who banged out two hits apiece scored a single run in the third, two in the fourth and the fourth and their final run in the last of the fifth. Pascuzzi with two hits was the only Fernie player to solve the offerings of Krall.

The loss, second in a row handed them by the Red Sox, shoved the Fernie team into the cellar. Red Sox are right in with the leaders with three wins and two losses.

The game was umpired by J. Kral and T. Krall of Natal.

Batteries were: Michel Red Sox Began Krall and Red Quorin; Fernie, V. Marasco and Cavaretta.

Pirates Down Beavers 7-4

The Pirates took a 7-4 win over the Beavers in the 15th game of the Junior Baseball League schedule Friday night.

Both teams were led by new pitchers, Bachynski, Pirate pitcher held the Beavers to five hits with seven strike outs and two walks. Misuraca, Beaver pitcher, allowed five hits with five strikeouts and four walks.

Clare went the longest route with a triple. White, Bachynsky, Newstead and McIvar hit doubles and Carmichael was good for two doubles.

Standings:

Intermediates	1	0	1.0

Propose Woman Senators

OTTAWA, June 9 (CP)—The National Federation of Liberal Women approved a resolution which urged that the Government appoint a woman Senator from every Province—with two additional women Senators to represent the Provinces of Ontario and Quebec.

It urged that this be done "as soon as possible," and further recommended that each Provincial Liberal Women's Association be prepared "to recommend an outstanding and public spirited woman" when ever a vacancy in the Senate occurred from their Province.

There now are two women Senators in the upper chamber, both from Ontario. They are Senator Iva Campbell Fallis, a Progressive Conservative and Senator Cairine Reay Wilson, a Liberal.

The resolution was one of nearly a dozen which the more than 200 delegates passed at a late session.

Another urged that the Government be asked to try to lower the cost of essential commodities "in order that a decent standard of living may be maintained by all classes of Canadians."

The convention also declared its opposition to the "intimate romantic" comics which have appeared since crime comics were banned.

It criticized the "pernicious effects of certain radio programs and movies," and recommended that the Government be asked "to take suitable action on these matters."

Would Defend Freedom of Empire Press

QUEBEC, June 9 (CP)—The Empire Press Union will always have a role to play in the defence of freedom, Col. The Hon. John J. Astor tonight told the Inaugural Dinner of the Seventh Imperial Press Conference here.

"It is not enough to enjoy freedom; you must be prepared to defend it and it would seem that the Empire Press Union will always have a role to play," he said.

Col. Astor spoke after addresses of welcome by Sen. Rupert Davies of Kingston, Ont., Vice-Chairman of the Conference and Chairman of the Canadian section of the E.P.U., and Hon. Paul Beaulieu, Minister of Trade and Commerce in the Quebec Government.

Supreme Court Rules Against Former Nfld. Tax Exemptions

OTTAWA, June 9 (CP) — The Supreme Court of Canada ruled today that Bowater's Newfoundland Pulp and Paper Mills, Ltd., is not entitled to special duty or tax exemptions enjoyed by the Company under Newfoundland statutes before the island Province joined the Dominion last year.

The Court had been asked to answer three questions asking if the Company was entitled to special exemptions under the pre-Confederation statutes. In each case the answer was "No."

Canada's Attorney General submitted that the statutes in question ceased to have legal operation at the time of the union of Newfoundland with Canada, and that, if they continued in force after the union, they did not apply in respect of Acts of Parliament of Canada extended to Newfoundland pursuant to the union to confer any deduction, examption, immunity, or privilege in respect of a duty, tax, obligation or requirement imposed thereunder.

One of the provisions of an agreement entered into in 1927 between the Company and the Newfoundland Government under the statutes was that instead of paying royalties, the Company should pay an income tax of 20 per cent up to a maximum of $75,000 for the years 1928 to 1931, and $150,000 for the years 1932 to 1973.

Labels Private Air Lines as Slavers

PRAGUE, June 9 (Reuters)—Cetека, the official Czech news agency, in a story from its Miami correspondent, said today a twin-engined transport aircraft crashed into the Atlantic off Florida June 6 because it was "not airworthy".

The agency said the plane was "overloaded with Puerto Rican workers charged exorbitant fares in their search for work in the United States."

It said the private air lines concerned "are in effect slave dealers more repulsive than the slave dealers of old. For them a Puerto Rican worker is a source of untold wealth."

Eight workers were drowned and 20 others are missing and believed dead after the plane crashed in shark-infested waters of the Gulf Stream. The plane was carrying 62 Puerto Rican migrant workers from San Juan to Wilmington, N. C., to help harvest crops."

Japanese Action Against Reds

TOKYO, June 9 (AP)—Official Japanese action against Communists increased and broadened today as police pressed a drive in Osaka against Party members and sympathizers.

Police action in most cases stemmed from a search for "documentary" evidence of an alleged Red-inspired open letter to Gen. MacArthur demanding a quick total peace, withdrawal of occupation forces and release of eight Nipponese convicted of beating five American soldiers in a Leftist memorial demonstration in Tokyo.

Police action thus far has centred in Tokyo and Osaka, two Japanese cities in which Japanese Red activity has been noted. There was one indication, though, that the anti-Red drive might be broadened further. A National Rural Police official said the only Red arrests "at the moment" had been made in Tokyo and Osaka. He would not elaborate on what he meant by "at the moment."

T. V. Soong Resigns From Kuomintang

TAIPEI, Formosa, June 9 (AP) — The central executive committee of the Kuomintang, President Chiang Kai-shek's political backbone, announced today that T. V. Soong has resigned from the committee rather than comply with a request to come to Formosa.

Soong, a former Foreign Minister of Nationalist China and brother of Madame Chiang Kai-shek, was last reported in New York with his brother-in-law, H. H. Kung, banker.

His resignation from the Kuomintang (ruling political party) actually means nothing. When he left China, most Chinese wrote him off. They felt that one of their wealthiest, best known men—a brother to the President's wife, a pillar of their modern world—had deserted them.

Soong left China shortly before the government fled to Canton from Nanking late in 1948.

Canine Capers to Aid Relief Fund

VANCOUVER, B. C., June 9 (CP) —Canine capers, United Nations style, will aid Manitoba flood relief June 21 at Second Beach here.

The "parade of nations"—various breeds of dogs on parade to represent different countries — will be staged by Canadian Kennel Club members.

Two valuable sporting dogs will be auctioned during the show.

Fun While It Lasted

VANCOUVER, June 9 (CP) — It may have been fun for a six-year-old Vancouver boy, and his friends, while it lasted. But the lad probably has a few tender spots today after receiving some old-fashioned parental discipline.

Police found him treating all his friends to all the ice cream, candy, potato chips, etc., they could eat at a South Vancouver drug store.

A little investigation revealed that $10 was missing from his mother's purse.

The boy returned $5 to his mother and $1.60 was recovered from another boy.

Bitter Blast Against Acheson

MILWAUKEE, Wis., June 9 (AP) Senator McCarthy (R., Wis.) loosed a bitter new blast at Secretary of State Dean Acheson today and demanded again that Acheson be fired immediately.

Referring to him as "the Red Dean of Fashion," McCarthy declared that Acheson had "worked on the team of world strategy to create a Red China and a Red Poland," and "should be removed from the high command of our foreign policy at once."

McCarthy spoke out in a speech prepared as the keynote address of the Wisconsin Republican State convention.

Acheson, he said, is at the forefront of what he called the Truman Administration's policy of "warmongering abroad while it permits the enemy within our gates to operate with impunity."

"You can condemn Communism in general terms," the Wisconsin Senator declared, "In the Acheson manner with a lace handkerchief, a silk glove and a Harvard accent, if you please.

"But you can't fight Communists in that fashion. I know of not one single reason why Communists should be handled with kid gloves. They don't use kid gloves or powderpuffs on us."

ESCAPEE WEEPS ON HEARING SENTENCE

EDMONTON, June 9 (CP) — James R. Johnston, 21 convicted jewel thief and jail escapee left Supreme Court in tears today to start serving five years in Prince Albert Penitentiary. The gangling Vancouver youth was convicted by Chief Justice W. R. Howson of the theft of two rings worth $2800 from Henry Birk's and Sons Ltd. store here March 18 and sentenced to five years.

For another jewelry theft to which he had previously pleaded guilty Johnston was given a two-year term. He also drew a two-year penalty for his confessed escape from custody in Edmonton jail, April 19. He was recaptured in Saskatoon.

The three sentences were made concurrent. The verdict came after Johnston's Counsel had introduced evidence of two psychiatrists and the accused's father in an effort to gain a one-year remand for Johnston before sentencing.

He pleaded that Johnston be placed under care of a Vancouver psychoanalyst for a year before sentencing.

Magistrate Raises Indian's Bail

NANAIMO, B.C., June 9 (CP)— Indian Treaty rights bounced Leslie John's bail to $10,000 yesterday when he was committed for trial in a Higher Court on a charge of armed robbery.

The 21-year-old Totem Pole carver is charged with the $106 robbery of a store here in May, 1949, when a gunman menaced Storekeeper Douglas Ingham and his wife.

When John's Counsel asked bail for his client, Magistrate Lionel Beever-Potts set the high bond, stating: "Indians have treaty rights which would permit them to cross the border to the U.S. He could disappear and never be seen again."

Preliminary hearing of another charge of armed robbery and two charges of robbery against John has been set for Tuesday.

Trace Source of April Tremor

SEATTLE, June 8 (AP)—A University of Washington geologist said today he had traced the source of the Northwest's rocking earthquake of April 13, 1949, to a fault in the Black Hills Southwest of Olympia. The investigator, Dr. Charles E. Weaver, said "there is a possibility the fault may extend as far North as Seattle."

DISCUSS POWER LINE, MAIN LAKE POINTS

BOSWELL, B.C., June 9—Representing the B.C. Power Commission Mr. Allnutt is visiting Boswell and district looking over the development possibilities of electric power from Sirdar to Kootenay Bay.

Mr. Allnutt called on the secretary of the Farmer's Institute, Kenneth Wallace and also interviewed the president, Jack Pryke. Later he left for Riondel.

OTTAWA, June 9 (CP)—Dominion Government deposits decreased $305,000 to $68,610,000 during the week ended June 7, the Bank of Canada reported today in its weekly financial statement.

Chartered bank deposits decreased $3,112,000 to $531,232,000, while notes in circulation rose $63,000 to $1,275,921,000.

MRS. PROUDFOOT, LODGE MOTHER, PRESENTED WITH GIFT AT BANQUET

Mrs. Ruth Proudfoot, Fraternal Order of Eagles Lodge Mother, was presented with a gift at the annual Eagle's banquet.

Steve Maco was Chairman for the banquet attended by all the Eagles and the Ladies' Auxiliary.

The newest and the oldest members were asked to tell their life histories so as to become better acquainted with each other.

Mrs. E. N. Mannings, Mrs. D. H. Proudfoot, Mrs. Albert Smith, Miss Margaret Maco, Mrs. F. W. Cartwright, Miss Claudia MacLean, spoke on their Lodge work.

W. G. Horvath, Past President, J. A. Weaver, Provincial Organizer, D. H. Proudfoot and A. J. Romano. President, Edward Lang, Frank Eberle, Steve Maco and Bruce Linness, latest member, were also speakers.

The regular meeting of the Ladies Auxiliary, then dancing, followed after the banquet.

South Slocan...

SOUTH SLOCAN, B.C.—Miss Olga Golik nurse in training at the Royal Jubilee Hospital, Victoria, is spending a leave with her parents, Mr. and Mrs. G. Golik.

Mrs. T. Higginbotham of Coleman, Alta., is visiting her son-in-law and daughter, Mr. and Mrs. Ray Dempsey.

Mr. and Mrs. George Tutt and little son George of the Radio Beam Station, Crescent Valley, have returned from a motor trip to Vancouver and district.

Mrs. C. Gansner and Mrs. W. Whiteley of Nelson, were the guests of Mrs. J. D. Yeatman and attended the Women's Institute tea.

Mrs. W. Conkin and twin sons, Allan and David, have left for Vancouver where they will visit the former's parents Mr. and Mrs. C. Ottwell. Mrs. Conkin is alto attending the Provincial Bi-Annual Meeting of the Women's Institute in Vancouver as a delegate from the Bonnington and South Slocan Institute.

To Explore Vein for Gold

Golden Ledge Syndicate Limited is planning to explore three quartz veins occurring in greenstone for possible gold content this season.

The property which is located two miles North of Bralorne Mine in the Bridge River camp, responded favorably to work done last season, J. S. Harrison, President, has reported.

On advice of Dr. Victor Dolmage, consulting geologist, exploration will seek extension of known veins within a belt of greenstone crossing the property.

At Golden Ledge the belt of greenstone penetrated last season proved to be 108 feet wide. Fifty feet within the greenstone the first vein cut was 4½ feet wide. A second vein 2½ feet wide was cut 40 feet farther on and a third, two feet wide was cut 16 feet beyond the second.

Favorable geological conditions found within two miles of the Bralorne Mine has aroused interest in the Golden Ledge. The nature of the 1950 program will depend on examinations by Dr. Dolmage.

HEADS LIBERAL WOMEN

OTTAWA, June 9 (CP) — Mrs. W. Y. O'Regan of Ottawa today was elected President of the National Federation of Liberal Women. She succeeds Mrs. Nancy Hodges of Victoria who has held the position for the last three years. Mrs. O'Regan was Vice-President last year.

Wins Top Honors In B. C. Rifle Meet

VERNON, B.C. June 9 (CP) — Mission City's J. W. (Bill) Lightburn took top honors in the B.C. Interior Rifle Association meet here.

Lightburn turned in a score 192 out of a possible 205 to take the B.C. Government Cup for Grand Aggregate.

The Lieut.-Governor Banks Trophy was won by W. A. Simpson of Chilliwack. William Louis of Kamloops won the Price-Ellison Trophy and Bill Chandler of Vancouver won the Consolidated Mining and Smelting Cup.

Two Movie Writers Ordered to Jail

WASHINGTON, June 9 (AP)— Movie writers John Howard Lawson and Dalton Trumbo, who have been called Communists, were ordered today to start serving one-year sentences for contempt of Congress.

They also must pay $1000 fines for refusing to tell the House Un-American Activities Committee whether they ever were Reds.

There is a possibility their sentences can be reduced within the next two months.

Lawson, who was described to the Committee as "in direct charge of Communist activity" in Hollywood, was ordered committed by Federal Judge Edward M. Curran. Judge David A. Pine handled the Trumbo case.

Hydro Commission Bonds for Sale

TORONTO, June 9 (CP)—An offering of $55,000,000 Ontario Hydro Commission bonds at 99.75 was announced today by a syndicate of investment dealers headed by McLeod, Young, Weir & Co, and Wood, Gundy & Co. The 23-year bonds will yield 3.01 per cent.

To Hang Together

VALLEYFIELD, Que., June 9 (CP)—Cervin Patenaud, 19, of nearby Huntingdon was convicted of murder today and sentenced to be hanged Aug. 25. He will be hanged the same day as his companion, Kenneth Bevin, 18, also convicted last week of the hammer slaying last Dec. 11 of Lucien Brunette, Huntingdon taxi driver, in a robbery attempt.

Truman Admits Dangers but Sees Hope Ahead

COLUMBIA, Mo., June 9 (AP)— President Truman said today that Post-Marshall Plan abandonment of aid to Western Europe would be disastrous to peace.

In a world "full of dangers", he said, the United States must continue its contributions to free countries lest "the Communists move in".

He made it clear in an address prepared for graduation exercises of the University of Missouri that he is convinced "our vital National interest in a healthy world economy "will not end when Marshall Plan Aid stops in 1952.

"Of course, the world is full of dangers—the world has always been full of dangers, for people in every country and at every period of history."

But in spite of these dangers, he added, "Our civilization need not wind up in disaster."

"It can go on to greater heights. Those who are frightened and dismayed do not have faith that men will use scientific advances for good ends. They see only the dangers in the world—not the opportunities."

Truman's speech was part of a program including his being awarded an Honorary Doctor of Laws Degree and a membership key in Phi Beta Kappa, the Scholarship Society.

Named New Denver Delegate to C.W.L. Convention

NEW DENVER, B.C., June 9—At the sub-division Catholic Women's League meeting President, Mrs. Williamson Gould was appointed official delegate to the Catholic Women's League Convention at Natal June 16, 17 and 18.

SASK. OIL LEASES FOLLOW SURVEYS

PRINCE ALBERT, Sask., June 9 (CP)—Oil exploration in Northern Saskatchewan is gathering momentum as drilling companies enter the area.

A survey yesterday indicated that more than 5,000,000 acres of land within about a 150-mile radius of Prince Albert have been leased by oil companies.

J. W. Churchman, assistant Deputy Minister of Natural Resources, said in an interview that the increasing interest in oil in that area is a result of preliminary survey work last year.

"They are doing actual drilling to prove the information they got last year from geophysical surveys," he said.

Provincial Government stratographic survey, too, is opening again this year in the Big River country. The Government, however, is drilling only for stratographic information along the Southern edge of the pre-cambrian shield.

Last year, when the Government first launched the exploration program, test holes in the Big River region hit gas showing at 750 feet.

9 Judges Re-Open Test Libel Case

OTTAWA, June 9 (CP)—For the first time in its history, the Supreme Court of Canada was today asked to define what is meant by seditious libel.

The request was made as nine judges began the rehearing of a four-year-old test case involving Aime Boucher, a member of Jehovah's Witnesses, on a charge of seditious libel.

Boucher, a native of Ste. Germaine, Que., was sentenced to one month's imprisonment at St. Josephe de Beauce, Que., in 1946 for distributing a pamphlet entitled "Quebec's Burning Hate for God and Christ and Freedom Is the Shame of All Canada."

New Denver Cubs Hike Up Goat Mt.

NEW DENVER, B.C., June 9 — Twenty Cubs were taken on a hike up Goat Mountain Saturday by J. A. Clarkson, assisted by Lorne Trickett.

The boys cooked a meal the hard way and all returned happy reporting having a wonderful time.

Last Rites for I. Suzuki at Denver

NEW DENVER, B.C., June 9—Funeral services were held for I. Suzuki Wednesday in the Japanese Hall at the Orchard with Katsuzo Mayeda officiating.

Mr. Suzuki passed away in Slocan Community Hospital June 3 at the age of 83. There are no relatives.

J. Peachey Heads Film Council; Shows for Park

Jack Peachey was elected President of the Nelson Film Council for 1950-51 at the annual meeting in the Canadian Legion Thursday evening.

Others elected were Miss Doreen Allen, Recording Secretary; Miss Frances Jones, Preview and Booking Secretary; Miss Margaret Thain, Treasurer; and Directors, Rev. W. J. Harrison, Mr. and Mrs. Douglas Graham, Mrs. Helen Peachey, Mrs. Georgina Robinson and Philip Robinson.

Retiring President R. V. McHallam stated that in the past year there had been 196 showings with the Council's equipment. They had a bank balance of $101.75.

There are 30 organizations throughout the City who hold a membership to the Film Council with 73 individual members. The object of the Council is to make available equipment and films on nearly any subject for the purpose of visual education.

It was announced that decision had been made to have films shown in Lakeside Park during July and August. The films would be held on Wednesday evenings.

Of interest to members was the announcement that bookings had already been made for the first meeting in the Fall for a series of Travelogue Films.

Refreshments were served following the showing of three films on B. C. scenery, "Skyline Trails," "Bridge River," the story of the construction of the power plant on Bridge River and "Operation Overflow," the story of the Fraser Valley floods of 1948.

Plan Confirmation At Silverton Anglican Church

SILVERTON, B. C., June 9 — The Silverton Women's Anglican Guild met at the home of Mrs. M. Hunter for their monthly meeting with a potluck supper being enjoyed. Rev. and Mrs. M. C. T. Percival of New Denver were guests.

During the business $10 was donated to the Mount St. Francis furnishings campaign.

Arrangements were made for the confirmation service and reception for Bishop Clark and Dean Leadbeater of Nelson, which is to be held in Silverton on June 14.

Mrs. Percival gave a talk on the work and aims of the Girls' Auxiliary which she is organizing and which will be sponsored by the Anglican Guild.

Arrest Four on Robbery Charge

TORONTO, June 9 (CP)—Police today arrested four Toronto youths on charges of robbery with violence in connection with the early-morning kidnapping of taxi driver Russell Chapman.

The suspects were identified as James Crossben, 21; Robert Bickle, 18; Robert Gilmour, 20, and Ronald Evans, 19.

Car Crash May End Skater's Career

BEND ORE., June 9 (AP)—The automobile crash that killed two stars of the Ice Follies near here Monday may cost the career of a third member of the cast.

Nancy MacKenzie, of London, Ontario a member of the Follies Skating Chorus, suffered leg fractures which may prevent her continuing as a professional skater.

Miss MacKenzie was the only survivor of a car's crash into a rockpile, Charles Davidson of Brantford, Ont., and Jeanne Crystal of Brooklyn, N.Y., were killed outright.

Hitch-Hikers Rob Driver, Steal Car

VANCOUVER, B. C., June 9 (CP) —Gratitude? Not on your life. Driver Edward L. Milton picked up four hitch-hikers today on the Cambie Bridge here. His thanks: They broke his cheekbone, robbed him of $12 and fled in his car, later recovered.

Stars Decree November For Monument Unveiling

By DOUGLAS LACKERSTEEN

RANGOON, June 9 (AP) — Burma's monument to independence, a 75-foot obelisk in the heart of the city, must wait six months more for unveiling at formal dedication ceremonies—because the stars say so.

Work on the monument started the day the country became independent from Britain. Prime Minister Thakin Nu patted its foundation stone into position exactly at 9:20 a.m., June 4, 1948—the hour judged most "propitious" by state astrologers.

In star-conscious Burma, astrologers thronging the countryside reap a rich harvest choosing auspicious days and hours for a populace demanding "heavenly guidance" for almost every action.

These claims descend from the ancient Brahmin priests who came to Mandalay as advisers to the old-time Burmese kings. Their secrets were handed down from father to son.

Early this year the monument was completed. But when should it be dedicated? That was the question, and in Burma it was not one to be answered haphazardly.

A conference in Rangoon resulted in the summoning from Mandalay of three of Burma's ablest mystics—Kan Nyunt, Kway Nyein and Kyaw Zaw.

They came in a manner befitting mystics—through the skies—but not on old-fashioned broomsticks. They travelled in a plane sent by the state-owned Air Burma Company.

In Rangoon the three wise men from the North unfolded strange charts, made weird incantations, mapped the paths of the planets, measured the distances of the stars.

Five days later an official statement was issued:

"Following a thorough study by the learned astrologers in selecting an auspicious day for unveiling the independence monument, 7:10 a.m., Sunday, Nov. 26, has been fixed as the proper time for the ceremony."

Prepare Pacific Coast Conference

By JACK HEWINS

SEATTLE, June 9 (AP) — The Pacific Coast Conference will carry its athletic headaches into Canada Sunday, hoping to find a cure in the conclave at Victoria, B. C.

What to do about television and the Rose Bowl are just a couple of stabs of migraine which the 45 delegates to the annual four-day conference meeting will contend with.

The thing that may have them grabbing for aspirin with both hands is the report of Commissioner Victor O. Schmidt on rule infractions.

Last year the fines which followed Schmidt's report ranged downward from the $5500 charged the University of Washington.

The Conference doesn't announce the infractions—only the assessments.

The delegates from the 10-member schools will pile into Seattle Saturday, Sunday morning they'll board the big luxury ferry, Princess Patricia. There's so much business to be done that preliminary meetings will be held aboard ship on the four-hour run to Vancouver Island.

Presbyterians Celebrate 76th Anniversary

MONTREAL, June 9 (CP)—United Church, Baptist and Anglican clergymen last night extended warm fraternal greetings to the Presbyterian Church in Canada as the latter officially celebrated its 76th anniversary in MacVicar Memorial Church.

The service climaxed opening sessions of the Presbyterian General Assembly which will last for another week. Dr. F. Scott Mackenzie, Professor Systematic Theology at Presbyterian College, Montreal, is the new Moderator.

The General Assembly voted to increase pensions, and the allowance for widows and orphans, by one eighth. The maximum pensions for ministers after 40 years of service now will be $700 a year, and for widows of ministers $350 a year, providing the minister has been a full rate payer.

Names Mrs. Lakshmi Remarkable Woman

STOCKHOLM, June 9 (Reuters) —Asked to name the most remarkable woman she had ever met, Mrs. Eleanor Roosevelt, on a three-day visit to Sweden, decided on Mrs. Vijaya Lakshmi Pandit, India's Ambassador to the United States, and sister of Prime Minister Nehru of India.

The widow of the late American President defined as her reasons for naming Mrs. Pandit:

1. "She always says all the things a man would say and uses all her woman's wiles to say them."

2. "She always looks lovely in her long colorful Indian robes in the United Nations."

Mrs. Roosevelt added: "I remember once when Mrs. Pandit was making a moving point how a tear trickled down her cheeks at the right psychological moment."

Silverton W.I. Donates $10 to St. Francis Fund

SILVERTON, B.C., June 9—Silverton Women's Institute at their monthly meeting donated $10 to the Mount St. Francis furnishings campaign.

On Saturday evening, members and friends enjoyed a social evening of cards, followed by refreshments. Prizes were awarded to Mrs. J. L. Wilson, Mrs. M. Morrison, Mrs. F. Parsons and Mrs. M. Hunter.

Silverton U.L.A. Donates $10 to Mount St. Francis

SILVERTON, B.C., June 9— Members of the Silverton United Ladies' Association met on Wednesday afternoon at the home of Mrs. T. H. Wilson for their regular monthly meeting. During the business session, an amount of ten dollars was donated to the Mount St. Francis furnishings campaign, and at the conclusion of the meeting, afternoon tea and a social hour were enjoyed.

BICKNOLLER, Somerset, England (CP)—A terrier here broke into a hen house and ate a dozen eggs.

Plans to Erect 551 New Homes Near Rockcliffe

OTTAWA, June 9 (CP) — The housing problem for many army and air force personnel and their families will be eased somewhat this year.

The Department of National Defence has plans for the erection of 551 new dwellings at the nearby Rockcliffe air station and at Petawawa and Barriefield military camps, at an estimated cost of $5,000,000.

Construction is under way on 733 housing units started last year at these points and they will be occupied within the next few months on the basis of need and size of families.

An original group of 220 houses at Petawawa military camp was finished last Winter and occupied. Central Mortgage and Housing Corporation is working on another 250 with construction well under way.

The cost of these homes is from $9000 to $9500 a unit and includes water and sewer facilities as well as grading of streets and some basic landscaping.

Credit Month's Rent To Winnipeg Vets

WINNIPEG, June 9 (CP)—H. W. Hignett, Regional Supervisor for Central Mortgage and Housing Corporation, said today the Company will credit all tenants of Veterans' rental homes in three flood areas with one month's rent.

He said the allowance will compensate veterans in St. Vital, Fort Garry and St. Boniface for the period during which they left their homes empty at the height of the Red River flood.

Subflooring Forms Base For Finish Flooring in Home

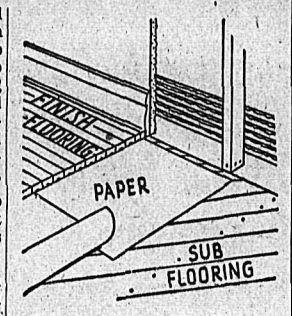
The subfloor in a house is laid diagonally over the joists to form a base for the finish floor and to help strengthen the floor framing. It also acts as a working surface during construction. As the subfloor is laid before the roof is made weathertight, the boards should not be laid too tightly together. This helps prevent buckling caused by expansion.

It is considered good practice to apply a layer of moisture resistant paper before the finish flooring is laid.

Hardwood used for the finish flooring should be well seasoned and kiln dried. As exessive exposure to cold or dampness may warp the wood, it should be laid as soon as possible after delivery to the site.

Birch, maple and oak are the hardwoods most commonly used. Although No. 2 grade is generally acceptable, better grades are preferable where a uniform shade is desired.

The finish floor should not be laid until the plastering and other preliminary work on the house has been completed, thereby preventing unnecessary damage to the floor. Where possible, the flooring should run parallel to the length of the room. It should be carried from room to room without change in direction of laying. The joints should be well distributed—preferably a foot or more apart. They should not be made too tight but must allow for the necessary expanson and contraction which can cause buckling.



(This is the twenty-fourth in a series of articles written in the interest of readers who are contemplating building or buying a house.)

Fruitvale Couple Build Brick Bungalow for $180

FRUITVALE, B.C., June 9—Building a home is costly for some folks but not to a young couple in the new subdivision of Montrose, Fruitvale. Mr. and Mrs. Erny Ashy have erected a home which when completed will be one of the smartest homes in Montrose at a cost for exterior materials of $180.

Renting a cement-brick machine, they have made 1800 bricks at a cost of 10 cents a brick. It is a four-room bungalow.

W. R. Dunwoody Building Fairview Home

Twenty permits authorizing building, repairing and alterations to the value of $8439 were issued from the City Engineer's office during the first week of June.

Only one of the 20 permits was for the construction of a new home. W. R. Dunwoody, Kokanee Avenue, is erecting a house on Second Street at an estimated value of $5000.

The remaining permits were issued for minor repairs and alterations, none of which exceeded $500. They were:

Laurence Simpson to excavate and put in concrete basement for E. Kline, 232 Anderson Street, $500.

J. Trinca, 1502 Stanley Street to build a garage, $150.

David Donaldson, to stucco a house at 515 Behnsen Street, $250.

D. Speirs, 121 Chatham Street, to put brick siding on his house, $285.

E. Armstrong, to hang a projecting sign at 104 Baker Street, $10.

G. M. Halbeque, 411 Latimer Street, to repair porch, $35.

Mrs. R. McLanders, 508 Houston Street, to reshingle and repair roof $250.

L. E. Staley, 512 Carbonate Street to rebuild back porch, $50.

J. P. Walgren to reshingle house at 307 Robson Street, $300.

R. W. Waters to make an extension to kitchen at 1223 Ward Street, $250.

W. M. Calder to change verandah for D. Maloney at 318 Anderson Street, $174.

J. C. Robison, 404 Houston Street to build foundation under verandah $100.

D. Hughes, 322 First Street, to reshingle roof, $150.

L. Simpson to install new door and stairs for A. Edwards, 515 Vernon Street, $200.

Middleton and Talbot, to repair basement wall for H. Hinks, 311 Union Street, $300.

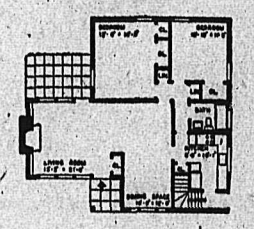
W. J. Madden, to replace posts in basement and cement blocks at 524 Cedar Street, $200.

E. Lawrence, 824 Carbonate Street to reshingle verandah roof and cover nails with siding, $35.

Mrs. L. Boyer, to enlarge bedroom at 512 Anderson Street, $50.

G. Schupe, 601 Third Street, to reshingle roof and minor repairs, $150.

The Modern Home



This basic plan has a frontage of 42'-0" and a depth of 35'-4". The cubic contents shown include a full height basement under the kitchen, bathroom, and living-room and a portion of the dining space. This plan is published for its interest and information only. The Nelson Daily News cannot supply detailed blueprints or specifications. Those contemplating building homes consult an architect, designer or builder.

B. C. Shingles for St. Laurent Home

OTTAWA, June 9 (CP)—British Columbia shingles, despite an opposition member's views on their quality, are going to be used on the roof of the home for Canadian Prime Ministers.

Acting Prime Minister Howe said today in the Commons he was told that the contractor plans to use B.C. shingles on the former mansion now being renovated.

"British Columbia shingles," said C. W. Hodgson (PC—Victoria, Ont.) "are about the poorest thing you can put on a roof".

A lumber merchant, Mr. Hodgson suggested that "good old Ontario shingles" be used.

Mr. Howe said the use of materials had been left in the hands of contractors but he had been told about the decision to use B.C. shingles.

"And they're going to serve British Columbia salmon, too," interjected George Cruickshank (L—Fraser Valley).

PAINT PATCH

With house paint and canvas, you can patch rust holes in gutters, downspouts, metal roofs or other exposed sheet metal. Cut the fabric an inch or so larger than the damaged area. Apply paint to surface, press canvass over paint, then saturate patch with more paint. Several thicknesses can be built up if necessary.

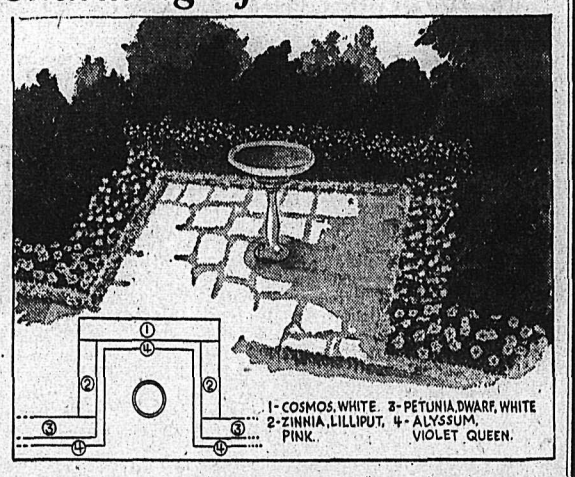
Extremely Pale in Color

A durable, clear finish, resistant to water, alkali and alcohol, will not discolor delicate designs. Keeps dirt on the surface—easily wiped clean with damp cloth or mop. Put on at night—walk on next morning. A real work-saver!

Formal Floral Planting Charming Garden Accent



A garden accent, or focal point, while a necessary factor in good design, need not be impressive, elaborate, or expensive. It should stand out in contrast with its background, yet be in harmony with its surroundings.

Against a shrubbery border, a formal paved area, centered with a bird bath, and edged with a border of annuals, will make a charming focal point, especially as the terminus of a view from a window terrace or porch. It might be large enough for a few garden seats, shaded by a garden umbrella, which would allow the sunshine full access to the flowers.

As in the case with all formal garden arrangements, the simpler the design, the better. The form and color of the flowers will then get full attention. There are many combinations of annual flowers which can be used in such a planting. White, pink and violet are suggested in the illustration. Cosmos sensation white, in the back row, will grow four to six feet tall, bearing its large pure white single flowers from July until killing frost in the Fall. Dwarf white petunias bordering the sides of the paved area will grow in bushes 18 inches high, and they will bloom throughout the Summer. Violet alyssum, planted as a ribbon of purple at the base of the white flowers, will remain in bloom long after the early frosts.

For another attractive color planting use Cosmos yellow flare for the background, yellow Lilliput zinnias at the sides, and a yellow dwarf marigold in front. Alyssum Violet Queen would provide a violet base for the yellow flowers and all would flower freely until Winter's arrival. By using annuals an all-Summer decoration is assured, and each year the color combination can be changed if desired. For early Spring effect tulips and daffodils could be planted, to be replaced by annuals after they have bloomed.

NUT CUTS SMOOTH GROOVES

If you find it necessary to cut off a bolt, first place a nut on the bolt at a point above where the cut is to be made. After you cut off the desired length twith a hack saw, remove the nut with pliers. By doing so you will reshape the thread and remove sharp edges and the nut will thread on smoothly.

William Muirheads Wed 59 Years Today

Long-time Procter residents, Mr. and Mrs. William Muirhead, have been married 59 years today.

Both octogenarians, the couple were born, brought up and married in Dundock, Ont., where they homesteaded for a number of years. Later Mr. Muirhead farmed in Khedive, Sask., where he was a Justice of the Peace.

For 18 years they ranched at Procter, and nine years ago were feted there on their 50th wedding anniversary. They have lived in Nelson for the last eight years.

Mr. Muirhead has for years been an ardent church worker.

The Muirheads have four daughters, Miss May Muirhead and Mrs. Fred Walton in Nelson and Mrs. N. McMillan in Saskatchewan; five sons, W. O. Muirhead in Nelson, S. C. Muirhead in Kinnaird; Stanley in Craik, Sask.; Roy in Weyburn, Sask.; and Cecil in Vancouver. There are 13 grandchildren and three great-grandchildren.

Movie Gossip—

Ann Sheridan Foresees Change To Less Revealing Garments

By BOB THOMAS

HOLLYWOOD, June 9 (AP-. — The girls on television have gone too far with their low-cut gowns, says Ann Sheridan, of all people.

What's more, she predicts the next trend in feminine fashions will be toward concealment.

"Women have gone to extremes in nudity," said the former Texas school teacher. "They have lost the art of glamor, which is concealment, not revealment.

"Most of the offenders are the TV gals who vie to see who can wear the lowest gowns. That, coupled with the fad of French bathing suits, has worked to eliminate whatever mystery existed about the feminine form."

The glamor girls if video (notably Faye Emerson) have been featuring gowns cut to amazing new lows. But Miss Sheridan indicated this trend will be stopped.

EYES HAVE 'IT'

"A woman's eyes are her greatest attraction," she expounded. "She can create much more attention with her eyes than being half-dressed.

"Women will have to learn to use their eyes and their voices again, because television must eventually be censored.

"Actually it's personality that counts. No matter how low a girl wear her gowns if she doesn't have an interesting personality, she's a dead duck. Nothing is duller than a lifeless picture."

Miss Sheridan made it clear that she wasn't knocking cheese-cake. "Every man likes sweater pictures of Lana Turner or bathing suit pictures of Joan Caulfield," she said. "But there is such a thing as going too far. Unless women do something about it, the wolf whistle will soon be a thing of the past."

MRS. J. GREGG PRESENTED WITH FAREWELL GIFT

Mrs. J. Gregg was presented with a farewell gift by Mrs. S. C. Latornell, President of the St. Saviour's Women's Auxiliary, at a tea given in her honor at the home of Mrs. W. Rollerson, 919 Carbonate Street, Thursday afternoon.

Mrs. Gregg is leaving Nelson to make her home in Winfield, B.C.

Nine members and Very Rev. T. L. Leadbeater, D.D. Dean of Kootenay attended the tea.

A bale of clothing which is to be sent to the St. Andrew's Residential School at Whitefish Lake was packed at the meeting, thus completing the Dorcas work for this year.

Over 250 Legion Women at Trail For B.C. Convention Next Week

Legion Auxiliary Advised of Scholarships; Name Three Delegates

Official delegates who will attend the B. C. Convention of Canadian Legion Ladies' Auxiliaries in Trail, Sunday to Wednesday, will be Mrs. A. O. Allen, President's delegate, and Mrs. E. S. Elliott and Mrs. W. H. Cox, standard bearers, the Nelson Auxiliary decided at a meeting Wednesday.

Letters were read and acted upon. One was from A. D. Oliver in Vancouver, acknowledging the comforts sent to him in Shaughnessy Hospital.

Literature regarding scholarships to be awarded in B. C. to High School graduates desirous of University training was read. It explained that although children of deceased veterans would have preference the scholarships were open to all others whom the committee considered deserving. The scholarships would be equally divided in five areas of the province, one to each.

That a veteran's disability pension did not affect his Workmen's Compensation Act standing, was explained in a letter read by the Secretary, Mrs. F. H. Johnson.

A letter invited the Auxiliary of the Kootenay Zone to assist at a tea on Wednesday at Trail, the last day of the convention.

A committee consisting of Mrs. Johnson, Mrs. O. C. Anderson and Mrs. Clarice Millis was appointed to meet the Legion branch in regard to the zone donation to the Mount St. Francis Furnishing drive.

Reports were given by Mrs. K. Cameron for the uphill sick committee; Mrs. W. H. Cox for the overseas parcels and Mrs. Les Browett for the hospital visiting committee. The latter reported the serious illness of a real friend of the Legion and Auxiliary, H. H. Currie.

An application was received from Mrs. Ethel B. McGregor of Bonnington. Elected to membership, she will be presented at the next meeting.

The Auxiliaries tag day was discussed and Mrs. Les Browett and Mrs. F. H. Johnson will be in charge.

Mrs. E. S. Elliott proposed a pot luck supper similar to the one held last year before the Summer recess. She also asked for help to stuff turkeys for the Zone meeting of the Branch and the Auxiliary banquet being staged June 17 in Nelson, and received promises of help.

TRAIL, B. C., June 9—The Trail Canadian Legion Ladies' Auxiliary will be hostess to over 250 members of Auxiliaries from throughout the Province Sunday to Wednesday. It will be the first Provincial Convention to be held in Trail.

Nelson delegates to the convention will be Mrs. A. O. Allen, Mrs. E. S. Elliott and Mrs. W. H. Cox.

Following registration of the women, a mass church parade will be held by the delegates.

During the session, the mornings and part of the afternoons will be taken up with business meetings while during the intermissions delegates will be entertained at social functions.

Special teas will be held every afternoon and delegates will be shown a Cominco film at a social gathering Monday night.

MAY TOUR SMELTER

It is also hoped to take the women on a conducted tour of the Trail smelter.

Highlight of the convention will be a gala banquet and dance Tuesday night at which timely talks will be given by civic and service dignitaries.

The women will discuss about 48 resolutions, during the convention, most of them dealing with pensions and other welfare subjects for ex-servicemen.

Nelson Social

Phone social notes to **144**

● Mrs. W. Rollerson entertained members of the Martha and Mary Circle of St. Saviour's Pro-Cathedral at a farewell gathering in honor of Mrs. John Gregg. A presentation was made to Mrs. Gregg.

● Mrs. F. M. Phillips of Kimberley, who has been guest of Mr. and Mrs. Ernest Marsden, Mill Street, has left for Kimberley where she will be the guest of Mr. and Mrs. C. Chrisford before sailing to England to make her home. Mrs. Marsden held "open house" for Mrs. Phillips and her friends.

● Mr. and Mrs. Roy Brown of Brandon, Man., left Friday for points West after visiting Mr. Brown's brother; Joseph Brown of Nelson.

● Miss Hilda Neal of Watchet, Somerset, England, is staying with her brother-in-law and sister, Mr. and Mrs. D. T. Underwood, 810 Kokanee Avenue. The four-month holiday trip is Miss Neal's first to Canada.

● Wives of Vancouver golfers here for the Commercial Men's Association annual golf tournament include Mrs. E. G. Langley and her daughters, Miss Phyllis Langley and Mrs. Don McMillan; Mrs. James Paton and Mrs. W. Townsend.

● Mrs. H. K. Nelson and little daughter plan to return by plane today to Vernon after visiting Inspector and Mrs. R. S. Nelson, 424 Latimer Street, for the past three weeks.

● Mr. and Mrs. K. H. Grenfell, 818 Vernon Street, have as their guests for the next few days, Mr. and Mrs. W. B. Johnston of Spokane.

Fifth Cub Pack, Dads at Banquet

The Fifth Nelson Cub pack was entertained at their annual Father and Son banquet held in Trinity United Church. About 35 Cubs and their fathers attended the gathering.

A delightful supper was served by the mothers of the Cubs with Mrs. Cameron, President, as convener.

Following the supper, James Fraser, Chairman of the group committee, gave a report on the year's activities and told of their intention of starting a Scout troop in the Fall. He introduced a prospective Scout Master, John Clarke, who recently arrived in Nelson from Kamloops.

K. R. Yale, President of the Nelson Scout Association, showed motion pictures while Cub Master, J. Corbett led the boys in games.

SENTENCED FOR BREAKING WINDOW

George B. Hall, a transient, was sentenced to 10 days in Provincial jail here on a charge of wilfully breaking a window in a downtown hotel.

Charged with the offence Thursday night, Mr. Hall appeared in City Police Court Friday before Police MagistFate William Brown and pleaded guilty.

The window pane was valued at between $2 and $3.

WINNING POOL, Western Australia (CP)—This town claims the title of the warmest spot in Australia. Between Dec. 1, 1949, and April 5, 1950, temperature in the shade rose above 100 degrees Fahrenheit on 116 days. There was one run of 54 consecutive days of more than 100. Highest temperature was 117.

Coast Dancer Held On Montreal Theft

MONTREAL, Jan 9 (CP)—E. J. Holliday, 24-year-old Vancouver dancer, was arrested today in connection with the April 3 theft of $8296 worth of jewels from an uptown hotel room.

Common Sense at Work

Honor and praise be to the International Air Transport Association. It gives this troubled, weird world a fine demonstration of the result of applying common sense to international dealings.

This organization has 37 members, all of them collecting passenger and freight money in one currency and having bills to pay in some other money—francs, bolivars, sterling, peseta soles, guilders, so on and so on. Through its international clearing system, I.A.T.A. settled 87 per cent of the world's international airline money problems for March, 1950, without moving a franc or a dollar or any other currency.

Savings in red tape, time and expense involved in millions of dollars' worth of foreign exchange transactions are obvious. In the case of one airline, its total turnover of $240,034 in transactions with other airlines was settled, after offset, by a cash payment of only $912. In the month of March alone transactions reached $14,184,000; of which $12,425,024 were settled by this common sense method.

As in the case of the safety pin, everyone is looking at the next fellow with one of those "We should have thought of that" glances. Let's hope the I.A.T.A. example is not lost on this world of complexity.

You're an All-Right Guy

A defendant in New York City's mid-Manhattan Police Court, reports The Christian Science Monitor, the other day learned a lesson in race relations in a way both hard and easy to take.

A car driven by William Byrd, a Negro, had bumped the rear of a taxicab operated by Joseph Masiello. The ensuing discussion was such that a patrolman took Masiello into court on charges of being disorderly.

"Ten dollars or three days in jail," said Magistrate Frederick L. Strong.

Masiello, with a wife and four children at home, said ruefully he'd have to go to jail; he didn't have the money.

At that point Byrd, the other driver, stepped up and handed the taxi operator a $20 bill with which to pay the fine. The magistrate was dumfounded, but Byrd wanted it that way.

Masiello, equally surprised, shook hands warmly with his Negro benefactor and walked out of court arm-in-arm with him, saying, "Hey, you're a swell fellow! You're an all-right guy."

The magistrate suspended the fine.

$1.62 DOLLAR

T. F. Coyne, Deputy Governor of the Bank of Canada, says that Canadians add $400,000,000 a year to their savings bank deposits and Government holdings. In three years the total has been $3,000,000,000. It cannot be overlooked, however, that $1.62 now is the buying power of the dollar of 1939.—St. Catharines Standard.

LETTERS TO THE EDITOR

Letters may be published over a nom de plume, but the actual name of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Feels Dog at Cafe Table Calls for Tougher Health Guards

To the Editor:

Sir—It has occurred to me that the City Fathers, Board of Trade, Rotarians and what-have-you, are passing up a bit of striking publicity for the city.

Whereas corny towns like Penticton are so narrow-minded as to prohibit the presence of dogs in restaurants, I discover that the more generous sanitary code of Nelson is proud to permit those sweet little bug-bearers to take their place with their owners on the seat of the booth in a restaurant, where the owners fondle their fuzziness as a prelude to handling the menu card, pepper and salt shaker, etc., doubtless as a large gesture of the community spirit insuring the equality of all men, so that all have the privilege willy nilly of acquiring the bacteriological cornucopia dispensed by the pampered pooch. All of which may sound too general to stimulate the comfortable lethargy of the local guardians of public health. Let us get down to one case.

Yesterday I was in a restaurant which is well patronized and not having donned the spectacles required for small print, noticed what appeared to be a phenomenon beside a lady in a booth. At first sight it looked like a handful of fried mushrooms on a wad of oakum. Strategy suggested a visit to the men's restroom. On the return journey I chose the farther aisle which gave me an opportunity to see the intriguing marvel at closer range. Then I saw that it was not mushrooms and oakum, but an honest-to-god louse-hound, with concave black face and pop eyes

The pop-eyes suggested exophtalimc goitre, and I found myself craving the job of veterinary orderly to administer the iodine, one quart T.I.D., neat.

On the same seat with the beetle-beagle and its owner sat a child with an ice-cream cone.

Long live tapeworm! Long live polio.

H. MacLEAN ANGUS,

Nelson, B.C.

Looking Backwards

10 YEARS AGO

From the Daily News of June 10, 1940

With preparations nearly completed for blowing out the tunnel near Slocan City on the Slocan Valley-Nakusp Road announcement has been made that the road will be closed to traffic at 7 a.m. Wednesday.

Harold Lakes won the third flight of the Kootenay Open Golf Tournament Sunday afternoon at the Nelson Golf and Country Club when he defeated W. R. Dunwoody, also of Nelson, four up and three to go.

25 YEARS AGO

From the Daily News of June 10, 1925

Ben Bowles, the caretaker of the Nelson Tourist Park, who has been steadily cleaning and repairing, now has the park in first class condition.

Among arrivals in the city to attend the Diocesan Synod are Rev. D. A. Cowle of Kaslo; Rev Christopher Reed of Procter and E. A. St. G. Smyth of Rock Creek; Rev. F. A. Ramsay of Nakusp and Rev. L. A. Morrant of Salmon Arm.

40 YEARS AGO

From the Daily News of June 10, 1910

The winners of the buttons at the weekly shoot competition of "C" Company 102nd Regiment, R.M.R., last night were: Gold, Sgt. L. Ashton; silver, Private V. Graves; bronze, Sgt. W. Holmes.

Mr. and Mrs. Harry Houston returned last evening from a 10 days trip to Vancouver, Victoria and Seattle.

Your Horoscope

Your own industry and initiative undoubtedly will be of the greatest help in speeding success. Today's child is most likely to be energetic, quick and ambitious.

For Sunday, June 11: This is an auscicious anniversary, good fortune most likely eventuating in expected and unexpected ways. Expect a personality full of charm and good-nature in the child born under these influences.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

Mother, Nelson—Please give me address of the Doll's Hospital.

195 East Hastings Street, Vancouver.

Interested, Creston—What was the first name of the city of Spokane?

We advise you to write to the Information Department, Spokesman Review, Spokane, Wash.

Mrs. H. C., New Denver—Have Fairfield and Sons, Winnipeg, a Vancouver address?

Not that we know of. If you are wanting to send woollens to a nearer address for making into blankets write to Crown Custom Blankets, Calgary, Alberta.

Reader, Nakusp—Can you give me age and address of the Hollywood actor, Gabby Hayes?

A letter addressed to Gabby Hayes, Hollywood, would find him.

Verse

Renting Rhyme

Those who rent may join with me—
It's only a wistful, simple plea.
Property owners have all the rights;
Renters have none, they just have fights.

Inconveniences are not enough,
To pay the rent is awfully tough,
With clothes to buy at what a price!
And food taking the largest slice.

There's never a cent for something nice;
No wonder some resort to dice
And gambling to get extra things,
The security that money brings.

Property owners have gained all this,
What renters want, they never miss;
They have the property money gains,
They can't see how poverty chains.

So please have mercy on the unlucky one
Whose life is a struggle, and must be won.
They have to live, or go down in the end,
To corruption or "begging "or "money to lend".

—MRS. BARBARA CORRIE.

R.R. No. 1, Nelson.

Living

Chances are, and always will be,
That life, though normal, is never free.
We long to head for the open range,
To sail the sea, for any change.

But chances are we stay at home.
Its only in our dreams we roam;
But how we long to leave our work,
And follow the dreams that in us lurk.

Life may offer to many, a thrill,
But then, they have to reckon the bill;
For some it may be a hospital bed,
For some the rest of the year is dead.

But who knows living until they try
The kind of life that ever will lie
Just in reach, with the next ten saved,
At a place, about which someone raved.

—MRS. BARBARA CORRIE.

R.R. No. 1, Nelson.

It's Been Said

Worship your heroes from afar, contact withers them.—Madame Necker.

SHADOW SOUP

After reading the plea of The Ottawa Journal Editor for a dish of good old-fashioned potato soup with big slabs of butter and other rich ingredients, a subscriber writes in to say that at present-day prices shadow soup would be more likely to appeal to the housewife, struggling today as she usually is against an inadequate budget allowance. Recipe: Hang a piece of beef on the kitchen window when the sun is shining, so that the shadow will fall on a kettle of well seasoned water being brought to the boiling point on the stove. Serve in liberal quantities, with bread crusts, if such are available, and withost toothpicks.

—St. Thomas Times-Journal.

Today's Bible Thought

Until he runs out of gifts. We love those to whom we give gifts, not those from whom they come.—Every man is a friend to him that giveth gifts.—Pr. 19:6.

Aunt Het

Emily says she never tells anybody when she feels bad; but if she don't that's the only thing she ever keeps to herself.

LONDON (CP)—The post office reports that one in 10 Britons has a telephone, compared to one in five Canadians.

Search Charred Coaches for Missing Jewelry

BEATTOCK, Scotland, June 9 — (CP) — Police today were investigating a theory that fire which swept three coaches of a Birmingham-Glasgow express train last night, killing five passengers and injuring several others, may have broken out after train robbers had been at work.

The theory was based on a report that jewelry worth £10,000 ($31,000) was missing from the locked baggage car after the accident.

Te jewelry, belonging to a Birmingham firm, was contained in several packets consigned to Glasgow. A director of the firm travelled to Lanarkshire to help trace the jewels and salvage men were brought in to dig in the debris of the burned-out coaches.

The fire victims included a Glasgow mother and her two children, aged 4 and 2. All the dead were found in a compartment in the first coach behind the engine.

Fire broke out in the coaches as the express roared northwards on the border of Dumfries and Lanarkshire.

When the flaming train—the Midland Scot—finally was flagged to a halt near this village, 60 miles Southeast of Glasgow, the first three cars continued to burn down to the steel framework. Screaming passengers milled through the smoke-filled corridors and jumped to safety as the train slowed down.

Conductor Albert Bastien said the fire appeared to have started in the compartment where the five died.

Meet to Discuss Civil Defence

OTTAWA, June 9 (CP)—Federal and Provincial authorities will meet in the next few months to carry forward plans for civil defence of Canada at the Provincial level, Defence Minister Claxton said today.

He spoke in a general Commons defence debate which produced these developments:

1. Lt.-Col. Douglas Harkness, (PC—Calgary East), speaking as an individual, said Canada should take the lead in urging rearming of Western Germany and advocated inclusion of Franco Spain in the Atlantic Pact.

2. Mr. Claxton said the Atlantic Pact's policy of balanced collective forces is "implicit in collective defence" and will have "no immediate effect" on Canada's forces or planing. However, Canada was ready to sit down and discuss her part in planning the best possible total pact defence.

3. The Minister said Canada has undertaken no military commitments under the pact. He doubted the Pact would ever develop that way but if such commitments came they would be made by the Government and by Parliament.

4. He said the army's airborne brigade is 80 per cent up to strength, that 405 Canadian servicemen now are aboard, that Vancouver will shortly have the second R.C.A.F. reserve radar squadron, and that Canada now has more trained paratroopers than Germany dropped on the low countries in the Spring of 1940.

Other speakers included Clarie Gillis (CCF—Cape Breton South,) Leonard T. Stick (L—Trinity Conception), Leon Balcer (PC—Three Rivers) and E. D. Fulton (PC — Kamloops).

Amateur Aviators Train for Trophy

OTTAWA, June 9 (CP)—Canadians who fly for the fun of flying are brushing up on their flying technique in preparation for the Webster Trophy competitions starting next month.

The finals for the trophy, Canada's premier aviation sporting event, will be held at Vancouver Sept. 1 and 2.

Host Club for the finals this year will be the Aero Club of British Columbia, home club of Donald Jacques of Vancouver, who won the trophy at Windsor, Ont., in 1949. Mr. Jacques currently is working for the Department of Transport at Grande Prairie, Alta.

The competition is designed to bring out the best in amateur flying skill and to improve the standards of flying instruction and air pilotage. Contestants are not called on to perform special aerial manoeuvres or aerobatics, except spins, but are given an exacting test in forced landing and pilot navigation.

Price of Gasoline Rises in Seattle

SEATTLE, June 9 (AP) — The price of gasoline went up 2.4 cents a gallon here yesterday. Most stations now are selling premium gasoline at 29.7 cents and regular at 27.7 cents.

The boost restored a cut which a leading oil distributor attributed to worry over competition from self-service type stations.

Landslide Buries 70 in Japan

KUMANDIARA, Japan, June 9—(AP)—At least 26 persons were killed today, 24 were injured and 23 were missing in a landslide that buried 70 persons near this town, about 60 miles Northwest of Tokyo The victims were repairing a railway track.

Deaths

By The Canadian Press

HALIFAX—Dr. W. C. Oxner, 72, former President of the Nova Scotia Dental Association.

MINNEAPOLIS — Donald D. Davis, 61, President of the Minnesota and Ontario Paper Company.

ST. LOUIS—Carlos F. Hurd, 73, a member of the Post-Dispatch news staff for 50 years.

TORONTO—Harold J. P. Stephenson, 50, Assistant Secretary of the Brokers Dealers Association.

$3000 to Flood Funds From Haile Selassie

OTTAWA, June 9 (CP)—Emperor Haile Selassie of Ethiopia has sent $3000 for the Manitoba Flood Relief Fund, Prime Minister St. Laurent announced in the Commons today.

The leader of the African country also extended sympathy in the flood losses and suffering in a message to Viscount Alexander, Governor General.

He said his contribution was sent "as a token of the cordiality and sympathy uniting the Ethiopian and Canadian peoples."

The Prime Minister said Canada would have "deep appreciation of this very fine example of human brotherhood."

Geography Works Against Nation

SASKATOON, June 9 (CP)—Premier T. C. Douglas said last night that railway freight rates are one instance of geography working against what he calls the ideal Canadian constitution.

Addressing the annual dinner of the Saskatchewan Bar Association, he said geography, economics and differing interests prevent the realization of "a nation, whole and indivisible," under the British North America Act.

In the freight rate problem, interests of one Province might conflict with those of another. Ontario and Quebec, with no long rail hauls and with water and truck transportation, had not joined with seven other Provinces to appeal the recent 3.4 per cent rate hike.

Premier Douglas said divided jurisdiction in labor legislation has led to an anomalous situation. The Dominion, legislating in a largely-Provincial field, had signed an international labor agreement which it could not apply. The Provinces were loath to enact laws which would place them at a disadvantage with other Provinces.

Western Allies Strengthened by Soviet-Poland Boundary Pact

By CLARKE BEECH
Associated Press News Analyst
(For Dewit Mackenzie)

The Western allies' position in Germany has been strengthened by the new boundary agreements between the Soviet-dominated governments of Poland and East Germany.

Politicians in Western Germany have had one fairly solid club to wield in their tussles with the occupation authorities: the implied threat that if the Allies do not treat them right, their people might swing over to the Russian side.

But now that the Russian puppet governments have agreed to slice off from Germany the 40,000 square miles of territory East of the Oder-Neisse River life, the Germans will be permanently alienated from the Soviet sphere. It is about as unforgiveable a blow as the highly-nationalist Germans could have been dealt. Any more Soviet talk about the unification of Germany under the new conditions will have a hollow ring to German ears.

DENIES LEGALITY

The United States State Department yesterday took full advantage of the situation, denying the legality of the land transfer. The American position since the Potsdam Agreement of 1945 has been that the Poles should administer the territory temporarily, that they should acquire some of it eventually but that the permanent boundary between Poland and Germany should not be settled until a peace treaty has been negotiated.

Thus the appeal to the nationalistic instincts of a country threatened by Communism becomes again one of the strongest arguments on the side of the Western democracies in their fight against Communist imperialism.

The mystery about the new land deal is why Russia chose to antagonize the Germans at this time by settling the issue, which she has used for her advantage ever since the war by playing off the Poles against the East Germans.

NEW DELHI PRISONERS CLAMOR FOR RELEASE

NEW DELHI, India, June 9 (AP) —Defiant prisoners locked themselves in their cells at Patiala Prison today and refused to surrender after a night of wild rioting in which six prisoners were killed and 14 injured.

Twelve guards also were hurt. Patiala is in the Indian Punjab, about 130 miles North of New Delhi.

The rioting started when prisoners began clamoring for their release on the grounds their time had been served. Long-term convicts joined in.

Bosox Set Record, But Lose to Browns

By The Canadian Press

NEW YORK, June 9 (CP)—The St. Louis Browns turned on their tormentors today to wallop Boston Red Sox 12-7 as the heavy-hitting Sox quieted down from their hitting orgy of the last two days. They only equalled one record and broke another today. Bob Doerr's seventh homer of the season was Boston's 15th in three games—equalling a New York Yankee mark—while the seven runs they scored gave them a three-game total of 56, exceeding the old mark by four.

Elsewhere, Brooklyn hammered out four home runs to defeat Pittsburgh Pirates 9-7, Jackie Robinson, Douk Snider, Roy Campanella and Peewee Reese doing the damage. Campanella's circuit clout with one aboard broke a 6-6 tie.

Detroit Tigers exploded two big innings against New York Yankees to win 13-7, moving them 1½ games away from the losers, but Yankee hurler Bob Portfield was hit on the jaw by a pitched ball from Paul Calvert and suffered a fracture. He was unconscious 45 minutes. Gerry Priddy's three-run triple in the second sparked a four-run second inning while Johnny Lipon's triple in the fifth helped account for eight runs.

The highflying New York Giants extended their unbeaten string to seven today by whipping Chicago Cubs 9-3.

Cleveland staved off a Washington rally to manage an 8-7 victory, Bobby Feller's fifth of the season.

ST. LOUIS, June 9 (AP) — The owner of the St. Louis Cardinals said today he will ignore an order by Baseball Commissioner A. B. Chandler to cancel a Sunday night game until the Club is given a hearing on the matter.

Fred Saigh, the Cardinal owner, told Chandler in a sharply-worded telegram that until he is given a chance to present his case the scheduled night contest with Brooklyn July 16 "will remain in status quo."

Mack Would Take "Right Offer" For Athletics

PHILADELPHIA, June 9 (AP) — Connie Mack, for the first time in his 50 years as boss of the Philadelphia Athletics, said today that his club is for sale—"for the right offer."

Mack's statement followed by less than 24 hours an announcement by James P. Clark, President of the Philadelphia Eagles of the National Football League, that he and a 100-man syndicate plan to make an offer for the Athletics.

Roy Mack, business manager of the A's and one of Connie's three sons who hold sizeable shares in the club, was asked what price tag he would put on the A's.

"I think," said Roy, "$5,000,00."

10 Colts To Try For Belmont Stakes

By JOHN CHANDLER

NEW YORK, June 9 (AP)—There were no surprises today as they closed the entry box for the $75,000 Belmont stakes with the names of 10 horses—headed by Hill Prince and Middleground.

Since the Kentucky Derby and Preakness, most railbirds have been considering the longer Belmont just about a two-horse affair. Now horsemen around the Belmont barns are wondering if there could be a major upset in the making.

ENGLAND DEFEATS W. INDIES CRICKETERS

MANCHESTER, England, June 9 (Reuters) — England finished 205 runs ahead of the West Indies with six wickets in hand on the second day of the first cricket test.

After dismissing the West Indies for 215 to gain a first-innings lead of 97 runs, England scored 108 for four wickets in their second innings.

Coast Champ Takes Qualifier In Commercial Men's Golf

In Golf Tourney Here

Early birds in the Commercial Men's Association annual golf tournament opening at Nelson Golf and Country Club Friday were E. G. (Fat) Langley of Vancouver (holding club) and Bob Affleck, defending champion, of Kamloops. The two were caught discussing the merits of one of Affleck's clubs as golfers set out for the morning's qualifying rounds. Mr. Langley has been official starter for the event since its origination in 1929 and was on the job at 7 a.m. —Alice Stevenson photo.

Bob Foulis, champion of Vancouver's Quilchena Golf Club, whiffed through eight pars to win the qualifying round Friday in Commercial Men's Association annual golf tournament.

As the three-day fairway-fest opened at Nelson Golf and Country Club, sharpshooter Foulis missed par on only one hole, the 187-yard fourth, where his four was one over.

He qualified with 68; George Cotton, also of Quilchena, managed 72 along with Art Warren of Nelson, and young Johnny Leschuck of Nelson brought down 74.

Scores over the nine-hole course were doubled in each case.

Defending tournament winner Bob Affleck of Kamloops, Foulis, Warren, Cotton, W. Mair of Calgary, Elgin Hill of Trail, Jack Storrie of Nelson and J. A. Wright of Rossland fought their way to championship quarter-finals.

No aces were scored, but Frank Broadfoot of Vancouver was good for an eagle on the 280-yard seventh, which he cleaned up in two shots.

E. G. (Fat) Langley was on hand at 6:55 a.m. to give the go-ahead signal as he had done for the last 22 years.

There were many spectators for the start of the tourney, last held in Nelson in 1939. But officials expect a bigger crowd Sunday, especially for presentation ceremonies which should begin at 3 p.m.

Results:

CHAMPIONSHIP FLIGHT

Bob Foulis beat B. Latremouille, Elgin Hill beat W. Anderson, W. Mair beat Gerry Splatt, Art Warren beat Andy Crawford, Bob Affleck beat A. H. Allan, Jack Storrie beat Bill Halliday, J. A. Wright beat N. Stephenson, George Cotton beat John Leschuck.

FIRST FLIGHT

Frank Blackwell beat Bob Paterson, Jim Paton beat A. Moen, B. Townshend beat R. B. Allan, Ted Berry beat Ted Cole, T. S. Shorthouse beat Ed Borgens, S. Ross beat L. M. McBride, F. Cuff beat Dr. T. H. Bourque, A. Silverwood beat T. R. Fyfe.

SECOND FLIGHT

W. Wait beat Al Trump, J. E. Young beat F. Larocque, A. C. Harrison beat J. Bruce, J. A. B. Will beat W. DeRidder, Trevor Jones beat H. Peacock, T. Hughes beat A. Gilroy, Dr. Bob Stewart beat E. F. Barnes, George Patterson beat A. B. MacDonald.

THIRD FLIGHT

C. Pennie beat N. G. Storey, Richard Palmer beat J. North, C. G. Evans beat Frank Broadfoot, Louis Hanic beat Colin McKenzie, W. Armstrong beat Don McMillan, L. Kelsch beat Vic Tilton, E. H. Drummond beat E. McGregor, G. K. Burns beat Vic Hudson.

FOURTH FLIGHT

J. Keegan beat J. A. Angus, W. P. Townsend beat Ted Cruise.

SENIORS

W. Vance beat J. A. Stewart, R. E. Horton beat John Tier, T. R. Wilson beat R. L. McBride, H. E. Patterson beat F. D. Cummins.

Quarter-final games in the championship, first, second and third flights are scheduled for early Saturday morning.

Consolation play will also start in the morning and play in the seniors event will continue.

Draws:

CHAMPIONSHIP FLIGHT

8:30—Foulis vs. Hill, 8:35—Mair vs. Warren, 8:40—Affleck vs. Storrie, 8:45—Wright vs. Cotton.

FIRST FLIGHT

8—Blackwell vs. Paton, 8:05—Townshend vs. Berry, 8:10—Shorthouse vs. Ross, 8:15—Cuff vs. Silverwood.

SECOND FLIGHT

7:30—Wait vs. Young, 7:35—Harrison vs. Will, 7:40—Jones vs. Hughes, 7:45—Stewart vs. G. Patterson.

THIRD FLIGHT

7—Pennie vs. Palmer, 7:05—Evans vs. Hanic, 7:10—Armstrong vs. Kelsch, 7:15—Drummond vs. Burns.

Grimston Is President . . .

Allan Cup To Become Secondary Trophy

BANFF, Alta., June 9 (CP)—Doug. Grimston of New Westminster, B.C., today was elected president of the Canadian Amateur Hockey Association for the 1950-51 season at the annual convention here.

Grimston succeeds Al Pickard of Regina who has headed Canada's simon-pure ruling body for the last three seasons.

George Dudley of Midland, Ont., was reelected secretary-treasurer and W. A. Hewitt of Toronto was returned as registrar-treasurer.

Other officers named were W. B. George of Kemptville, Ont., first vice-president, and James Dunn of Winnipeg, second vice-president.

Pickard had announced at the start of the meeting that he would not seek reelection.

Grimston broke into hockey's executive ranks when he was elected to the British Columbia association in 1938. He rose to the post of branch president.

In 1947 he was elected second vice-president of the CAHA and served as first vice-president for the next two years.

In private life the 50-year-old amateur hockey leader is in the ice cream and fuel business in New Westminster.

SUGAR SERIES

The association today dropped a bombshell smack in the middle of the Dominion's senior hockey picture.

No longer will the Allan Cup be the top prize in senior hockey for teams classed as amateur.

In the closing day of the 37th annual convention here, CAHA delegates decided to set five senior leagues in Canada apart from other teams. It also decided that in future senior players would be signed to contracts similar to the system used by professional clubs.

The new system of leagues, which will split senior hockey in the Dominion, will see the Western Canada, Ontario, Quebec, Maritimes and Cape Breton circuits play off in a "super series" for a trophy yet to be named.

The other teams, such as Kamloops Elks, Fort Frances Canadians and club that are generally rated weaker than those of the five major leagues, will continue to play for the Allan Cup, which since its inception has been the top prize in Canadian senior hockey.

The five loops that will play off for the new trophy by a new name no longer will be called senior circuits.

Definite details of this new setup and the contract system will be formulated at a special meeting to be held some time in July. Winnipeg was suggested but no definite venue was set.

TO STATE SALARIES

The contract will feature a major change in amateur hockey. In the past, senior pucksters have been required to sign only a player's card. The contract is expected to give teams more protection and at the same time give the CAHA a better hold on individual players.

The contract will have a draft clause and players' salaries will be stated on the form.

Professional teams will have the right to draft players and any club losing a man through the draft clause will be permitted a replacement.

LETHBRIDGE LEAFS SUPPORTED

The intermediate committee today recommended that Lethbridge Maple Leafs represent Canada in the world amateur hockey championships next year but the Canadian Amateur Hockey Association reserved its decision.

Intermediate teams performing in playoffs last season were awarded a bonus of $35 for each home contest and $70 for each away contest.

Figuring in the bonuses were: Lethbridge Maple Leafs, $730; Melville Millionaires, $640; Trail, $350, and Fort William, $280.

Each branch in Canada was granted $3000 for the promotion of minor hockey.

FIVE VICTORIES

HOMEWOOD, Ill., June 9 (AP)—Ken Church, 20-year-old jockey from Windsor, Ont., rode five winners out of seven mounts on the Lincoln Fields program at Washington Park today.

Monarchs Trim Playmors' 13-1

Nelson Monarchs trimmed the South Slocan Playmors 13-1 in men's fastball league game at the Civic Centre Recreation Grounds.

South Slocan opened the scoring with one run to gain a short lived lead. Monarchs banged in three runs in the second inning to start off some nice hitting.

The constant practice of the Monarchs was shown well on the field. The Monarchs allowed no more scores by their opponents.

During the next five innings, Monarchs gained another 10 runs to keep themselves at the top of the league.

South Slocan hurler was H. Ridge with J. McClelland the catcher. W. Zoobkoff pitched for the Monarchs and R. Wright and P. Markin were the catchers.

RIGGS IN U. S. PRO SEMIS

CLEVELAND, June 9 (AP)—Bobby Riggs, the defending champion, chopped his way into the semi-finals of the United States Professional Tennis Championships today with a 6-4, 6-1, 7-5 victory over Jack March of Cleveland.

Frank Kovacs of Oakland, Calif., and Welby van Horn of Philadelphia top seeded in the upper bracket of the doubles, gained the semi-finals with a 6-3, 6-3 triumph over Billy Doeg of Pittsburgh and Martin Buxby of Hollywood, Fla.

One-Day Wonder Blows Up in 2nd Day

By GAYLE TALBOT

ARDMORE, Pa., June 9 (AP)—The boy from Birmingham, Ala., blew up today with a report heard in adjoining suburbs. He shot an 81 over Merion's scorched acres, and the 50th United States Open Golf Championship returned to something resembling normal at the halfway point.

While Lee Mackey, Jr., the phenom who hit the jackpot with a record 64 in Thursday's opening round, was getting his lumps in a manner painful to behold, one of the old pros, E. J. (Dutch) Harrison, moved in quietly and took over the lead with two fine rounds of 72-67—139.

Harrison, the 40-year-old veteran from Arkansas who won the 1949 Canadian Open at Toronto St. George's, will carry a shaky one-stroke lead over three pushing rivals into tomorrow's final 36 holes. He's never won a major championship.

On his heels as the shortened field of 52 goes into Saturday's gruelling test will be Johnny Bulla, whose brilliant 66—the day's best—shot him into the contention; Jim Ferrier, the transplanted Australian, with steady rounds of 71-69, and Julius Boros of Southern Pines, B. C., a recent addition to the pro ranks, with 68-72.

And right behind this trio was game little Ben Hogan at 141. Bantam Ben, who only 17 months ago was supposed to have been so terribly injured in an auto wreck that he would never again be a major factor in championship golf, was breathing down their necks with 72-69—141 and showing no signs of tiring.

Both Sammy Snead and Jimmy Demaret, who were co-favorites to win the $4000 first money when play began Thursday, were out of the running. Sammy, the man who banks all the money in other tournaments, saw his dream of winning an open title go glimmering again when he wound up two miserable days at 73-75—148. His putter failed him, and he sank only one birdie putt in the two rounds.

Demaret was even worse today. He started off confidently after his opening 72, and then slowly died as he scrambled to a 77 on his second trip. Frank Stranahan, the celebrated amateur, was right with him with 79-70.

When the going gets tough and you want to cut timber clean and fast . . . the PIONEER with the "Multiport" Engine is your answer. Dependable service with • A Trigger Swivel Blade • Fingerlight Clutch • Filtered Fuel System • Differential Double-acting Oil Pump are yours at no extra cost in the Fully Automatic PIONEER . . . with power to cut any type of wood under all working conditions.

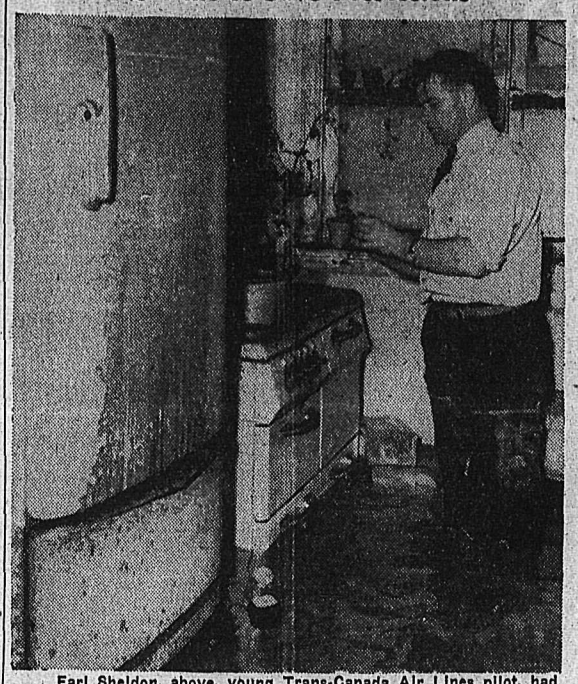
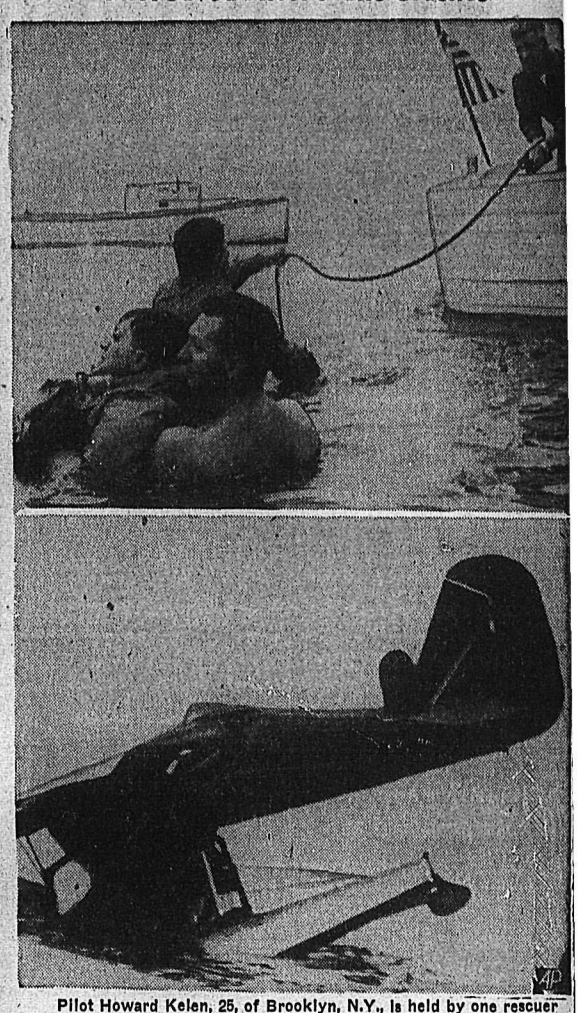
No Time to Save Possessions



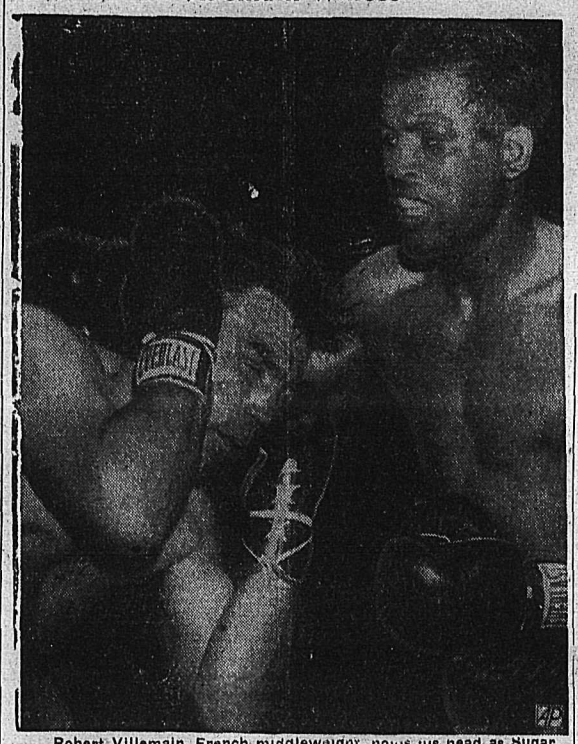
Earl Sheldon, above, young Trans-Canada Air Lines pilot, had been spending all his spare time working on the giant dyke, which had been keeping the flooding Red River from his Wildwood home. When the order came to evacuate, he had no time to save household effects. After the flood waters had dropped five feet, he rowed out to his home, found scenes like this, in his kitchen.

Pilot Saved After Plane Crashes



Pilot Howard Kelen, 25, of Brooklyn, N.Y., is held by one rescuer (top) while a second reaches for a line tossed from nearby craft as he is rescued from waters between Point Lookout and Jones Beach, N.Y., following the crash of Kelen's plane. The wrecked plane is shown (bottom) a few moments after the crash. Both Kelen and passenger Ralph Bernstein, 25, also of Brooklyn, were badly hurt. —AP Wirephoto.

Villemain Winces



Robert Villemain, French middleweight, nods his head as Sugar Ray Robinson brings down a smashing right in a title fight in Philadelphia, Pa. After the fight went the full 15 rounds, Robinson earned the Pennsylvania version of the "world" middleweight championship.—AP Wirephoto.

Canadian Radio Programs Rank With World's Best

By GLENNE CURRIE
Canadian Press Staff Writer

The Canadian Radio Award of 1949 were presented to the Dominion's radio artists and organizations recently in an hour-long program on CBC's Trans-Canada network.

The program marked the second year of the annual awards, provided by the Canadian Association of Adult Education for "Distinguished Radio Production".

Top award in music went to CBC's Wednesday Night production of Benjamin Britten's opera, "Peter Grimes". In preparation for nearly a year, the program's production, by Terence Gibbs, was termed "first class" by the judges.

The open drama award went to CBC Montreal's production of "The Trial", and adaption of the Franz Kafka novel, produced by Rupert Caplan. Community drama award went to Station CKAC, Montreal, for "Pacelli le Magnifique", a story of the life of Pope Pius XII.

WAYNE AND SHUSTER

The Wayne and Shuster show took the variety award for the second straight year. The Trans-Canada network comedy program was called "first-class entertainment".

First awards in the commentary and talks department went to Wednesday night's "Canada's Heritage of Sail", a talk by Thomas Raddal of Liverpool, N.S., and to the CBC's French network for "Introduction a la Poesie du XXme Siecle", two half-hour talks on 20th-Century poetry.

Participating in the awards broadcast were some of Canada's top radio and music personalities. The awards were made by Sir Ernest MacMillan conductor of the Toronto Symphony orchestra and the Toronto Mendelssohn Choir, widely regarded as the country's foremost musician.

With the end of radio's "winter season", the industry was given pause to review the year's work. With the succession of honors, culminating in the Canadian radio awards, it could look with pride on a radio that could hold its own with the best in the world.

CREDIT "WOP" MAY WITH RESCUE PLAN

EDMONTON (CP)—Canada soon will have another 15—to make 36 in all—men qualified in the arts of para-rescue, bush-and-wilderness survival, first aid and general air search and rescue work.

The class of 14 R.C.A.F. members and Chief Petty Officer Hugh Clark of Dartmouth, N.S., are more than half through a five-month course here at Northwest Air Command.

The idea of air rescue personnel is said to be the brainchild of famed Northern flier Capt. W. R. (Wop) May who started para-rescue instruction when he was in charge of wartime air training here. The R.C.A.F. picked it up in 1945.

Before being qualified each student must make seven parachute jumps in the open and three satisfactory jumps in bush country. He must be a first-class woodsman; know how to survive Arctic cold and exist on its bare supplies. He must be experienced in first aid; be able to splint a broken limb, administer a transfusion or give a shot of "dope" to deaden pain.

Bugles to Blow

LONDON (CP) — Bugles will still be blown at British Army barracks despite Parliamentary protests, says War Secretary John Strachey.

He was replying to members who described the blowing of bugles in barracks as a "barbarian uproar."

Group Capt. C. A. B. Wilcock, Labor member for Derby North, said in the Commons that at Wellington barracks in London bugles were blown at reveille, at dinner time and on going to bed.

Strachey, denying that there was any bugle-call at bed time, said "people often need to be reminded when it is time to get up, and they like to hear when it is dinner time."

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

I F C J H F N R L Y W J K L B J S P, V S O F,
L P Y C S H F—I S K Y Q I S K B V

Yesterday's Cryptoquote: ONE BUNCH OF GRAPES IS RIPENED BY ANOTHER BUNCH—SUIDAS.

PUBLIC NOTICE

NOTICE TO CONTRACTORS

Sealed tenders for the General Contract, including all trades, endorsed:

"Tenders for South Slocan High School," near South Slocan, B.C., for the erection and completion of a two class-room school will be received by the Secretary-Treasurer, School District No. 8 (Slocan) on or before 5 p.m., Saturday, June 17, 1950, at the office of the Secretary, Slocan City, B.C.

Working drawings and specifications will be available at the office of the Secretary, Slocan City, B.C.

A certified cheque for five per cent (5%) of the tender must accompany each and every tender and shall be forfeited if the party tendering declines to enter into Contract when called upon to do so. On award and signing of the Contract, the successful tenderer shall furnish to the Board of School Trustees a surety bond equal to fifty per cent (50%) of the Contract price. On receipt of this bond, the certified cheque submitted with the tender, will be returned.

The Board of School Trustees, and the Department of Education, reserves the right to reject any or all tenders without explanation. No tenders having any qualifying clauses will be considered.

A deposit of ten dollars ($10.00) is required for each set of plans and specifications and will be returned upon receipt of the same in good condition.

PAUL A. BARBER,
Secretary-Treasurer,
School District No. 8 (Slocan).

Dated at Slocan City, B.C., this ninth day of June, 1950.

These plans identical to recently issued Slocan City High School plans and addenda except for an intake pipe for a pressure pump to be installed in the mechanical room.

Vancouver Living Costs Climb Strike Crude Oil

OTTAWA, June 9 (CP)— Living costs in Vancouver, Winnipeg and Toronto were higher at May 1 than a month earlier.

The Bureau of Statistics reported today that the cost-of-living indices in the three cities showed an increase in this period. At Vancouver the index rose .5 to 166.2; Winnipeg .3 to 159.3; Toronto .2 to 160.6.

LONDON (CP)—District nurses in the London area made 1,200,000 visits during 1949.

MONKEY BUSINESS is BAD for CARS

• IN AUTOMOTIVE SERVICE as in anything else, you get exactly what you pay for. That's the reason why you're wise to bring your Chrysler-built car to a man who knows it best.

Our factory-trained mechanics have the "know-how" to make repairs quickly — saving you time and money. They use only factory-engineered and inspected parts, and special factory-approved equipment.

No need to have your car tied up when you want it most. When we tell you that your car will be ready at a certain time — you can count on it. Before we start a job, you get an estimate on what it will cost. For dependable quality work — at reasonable cost — come in, or phone — today!

...THEN ASK FOR OUR REGULAR SUMMER CHECK-UP

CALGARY, June 9 (CP) — A wildcat well, 40 miles Southwest of Peace River, Alta., is reported to have struck heavy crude oil after penetrating 300 feet of gas-saturated sand.

The well, Shell-B.A. Whitelaw No. 1, got a rise of oil believed to be about 14 gravity while testing below 3855 feet. The oil was compared to that found in the Lloydminster field but slightly lighter.

Calgary Livestock

CALGARY, June 9 (CP) — The cattle market at the Calgary Stockyards today was closing out the trade in line with prices established during the week. The market was fully steady, with a good cleanup. One lot of baby beef sold yesterday at $29 a hundredweight.

Hogs again advanced sharply. A grades closed last week at $31.50, and yesterday sold $1.25 a hundredweight higher.

Yesterday's saleable receipts: 1194 cattle, 18 calves, 335 hogs. Today: 89 cattle, 1 calf.

Hogs sold yesterday at $32.75 for A grade at yards; sows, $18 live weight.

Good lambs, $26.50.

Good to choice butcher steers, $27.50 to $28.50; common to medium, $20 to $27.

Good to choice butcher heifers, $26 to $27.50; common to medium, $19 to $25.50.

Good to choice fed calves, $27.50 to $28.50; common to medium, $22 to $27.

Good cows, $20 to $21; common to medium, $16 to $19.50; canners and cutters, $12 to $15.50.

Good bulls, $20 to $21; common to medium, $17 to $19.50.

Good to choice veal calves, $26 to $29; common to medium, $19 to $25.

Good stocker and feeder steers, $23 to $26.50; common to medium, $19 to $22.50.

Market Trends

NEW YORK (AP) — Automobile stocks powered a fresh advance today.

Chrysler rushed ahead more than three points, and General Motors more than a point, each to a record high, before falling back a little under profit-taking operations.

Studebaker at a peak since 1946 was up about ½ point.

Canadian issues gained, with Hiram Walker adding ¼, and Distillers Seagrams and Canadian Pacific each climbing ⅛. McIntyre eased ¼. Dome Mines was unchanged.

TORONTO (CP)—Industrial and Western oil stocks bounced strongly ahead into new high price territory today after starting on a continuation of yesterday's decline. Sudden buying that appeared in mid-session carried the two groups well ahead. Activity increased on the upturn. Volume was about 3,400,000 shares.

Market leaders were strongest in industrials. The Exchange's index of representative industrials rose well ahead to a new peak.

MONTREAL (CP)—Trends were generally irregular to stronger in moderately active trading near the final hour today.

Changes were minor fractions, the odd issue moving around a point.

Industrial volume was 52,700 shares, and mines, 548,400 shares.

LONDON (Reuters) — British Government stocks captured most of the business in London today. Once again there was substantial trading in the short-dated and 3½ per cent issues, and prices moved higher to close ¼ per cent up on the day.

Other sections were under the restraining influence of the approaching weekend and price movements showed irregularity. Leading industrials advanced at the outset with Courtaulds a good market following the results for the year.

Winnipeg Grain

WINNIPEG, June 9 (CP)—Winnipeg grain cash prices:

Oats—No. 1 feed, 1.19⅞.

Barley—No. 1 feed, 1.55¾.

CARLOADINGS HIGHER

OTTAWA, June 9 (CP)— Carloadings on Canadian railways increased, during the week ended June 3 to 78,985 cars, compared with 72,748 cars for the previous week, and 73,970 cars for the corresponding week a year ago.

EDMONTON, June 9 (CP)— Mayor Sid Parsons said today an investigation is in progress into charges of "brutal force" used by city police in the arrest and trial of Hong Suey Chin, Edmonton Chinese. Hong recently was acquitted of a charge of murdering Sam Kee, market gardener found strangled in a North Edmonton root cellar.

C. M. & S. Medical Fund Trustees Want Suggestions

Suggestions for the distribution of the Consolidated Mining and Smelting Company Trail employees medical fund have been called for by the trustees.

There are at present two petitions on file to be included on the ballot which read:

(1) Distributed proportionately (based on Sept. 30, 1946 residential figures to Trail District Recreational Projects Society, Rossland Civic Activities Association, Castlegar-Kinnaird Joint Projects Society and Fruitvale Community Welfare Society, (2) Distributed to the Manitoba Flood Relief Fund.

Suggestions must be submitted to comply with the following rules; Only those who were contributors on Sept. 30, 1946, are eligible; suggestions in the form of a petition must be signed by no less than 100 of those eligible and delivered to any one of the Trustees before 3 p.m. on Thursday, June 15, 1950.

The fund will be disbursed on a pro-rata basis, based on the number of votes each choice receives.

The trustees are G. Webb, Ammonia Plant; A. Lane, Carpenters; C. Loeblich, Smelter Scale House; F. Sharpe, Stationery Department; A. Smith, Personnel Division; S. Lewis, Tadanac Plumbers.

FINED FOR SPEEDING IN SCHOOL ZONE

James McKinnon of Nelson was fined $10 in City Police Court Friday on a charge of speeding through the Hume School zone June 1.

Mr. McKinnon pleaded guilty to the charge before Police Magistrate William Brown and paid the fine.

Rainy Lake Runoff Ruins Fort Frances Industry

FORT FRANCES, Ont., June 9— (CP)—The lucrative Fort Frances fishing industry has been crippled by Rainy Lake's Spring runoff, industry officials said today.

The lake, already 4½ feet above flood level, at some points is higher than the all-time 1916 mark. Experts say it may not drop to the bench mark—first-flood stage—until Sept. 1.

Conservative estimates today placed damage to the entire lake area, 200 miles East of Winnipeg in Northwestern Ontario, around the million-dollar mark.

DEEP IN WATER

Most of the concentrated tourist-resort area, West of town along Rainy River and the Lake of the Woods area, was in no danger. But tourist and private Summer cottages East of here in the Point Park area are deep in water.

Docks and outdoor fixtures have been swept away. Boats ply over the mainland 150 feet from regular channels. Inaccessible bays and creeks are fully navigable. Whole islands have disappeared, and others have been created by the surging waters.

Indians of the nearby Redgut Indian Reserve are hard hit. Two families have already evacuated, and water is up to the windows on some dwellings.

FLOATING ISLAND

Yesterday a 50-acre "island"—trees and all—floated down the lake and rested against the bridge. A floating bog, it was dislodged from the mainland.

The town itself was untouched, as was International Falls, Minn., across Rainy River. Damage to the Point Park area on the outskirts was heavy, despite a sandbag dyke. Another 6000 sandbags were piled last night in an effort to protect the cement walk.

An 850-foot log boom, stretching from the town pumping station to the Federal dock, failed to stop wind-driven waves which have already chewed out four to eight feet of Point Park's shoreline.
