Sixty Years of Service to the Kootenay-Boundary – 1952

Vol. 51 NELSON, B. C., CANADA—SATURDAY MORNING, SEPTEMBER 13, 1952 No. 113

WEATHER FORECAST
Variable cloudiness. Cooler. Winds light. Low and high at Cranbrook and Crescent Valley 36 and 65. Sunday Outlook sunny.

Exhibition Program

Today's West Kootenay Exhibition program:
10:00 a.m.—Gates open.
1:30 p.m.—Trail Maple Leaf Band Concert, Civic Arena.
2:00 p.m.—Floor show.
7:30 p.m.—Trail Maple Leaf Band Concert.
8:00 p.m.—Floor show.

Students May Aid Creston Harvest

Nelsonite Invents New Bread Mix

Lethbridge Plant Begins Production Of Rex Little's U-Bake; Machine And Bagger Also Developed by Little

Exhibitions usually unearth new talent in various fields of human endeavor; usually in artistic or home activities.

But the 1952 West Kootenay Exhibition has brought to light the inventive accomplishments of a well known Nelsonite that have won him fame in the bakery world.

On display in the curling rink is a bread mix now being produced in Alberta that eliminates many headaches for the housewife who likes to make her own bread for the family. She merely adds liquid to the mix, lets it rise, then pops it into the oven.

Its inventor is Rex Little, a baker here for 29 years, who developed the bread mix during a year of intensive research in his basement workshop. Its need had been recognized by Mr. Little for many years.

Not only that, but he built the machine that is now turning out the mix in the Ellison Milling and Elevator Company in Lethbridge, and a bagging machine that fills the bags just as fast as the mix can be produced.

TOLD, "WON'T WORK"

And like all inventors, Mr. Little had to press on to his goal while expert chemists across the country flatly stated his idea wouldn't work. The best in the business had tried it without success.

His simple-appearing bagging machine drew chuckles. But when observers saw 800 bags filled and sealed at a rate of 20 to 40 a minute without a single mistake, serious interest was aroused. The machine weighs off the flour and puts it into the bags, then glues, seals and heat dries them at unbelievable speed.

A few days ago, after undergoing the severest tests imaginable, the flour was placed into production at the Ellison plant at Lethbridge. Already, Mr. Little has been asked to build another machine to make the mix so that production can keep up with the demand.

ALL INGREDIENTS

U-Bake bread mix has all necessary ingredients — malt, sugar, milk, yeast, shortening, and so on. Only water has to be added. It shortens the process of bread-making. The yeast, located by Mr. Little in Milwaukee, is tasty, has a nutty flavor. The mix will keep for seven months.

Every bag is stamped with the words, "Manufactured and distributed under arrangements with Rex Little." A supply is on display at Ellison's Nelson branch booth in the exhibition, and hundreds of tasty slices of bread have been sampled by fair-goers.

Mr. Little came to Nelson from Lethbridge 29 years ago and was a baker for James Green in the OK Bakery for 13 years. He then took over the Stanley Street shop and operated it for about 15 years. A. Johnson was his partner for 10 years. Mr. Little had resided in Lethbridge for seven years before coming here.

NEW YORK, Sept. 12 (CP) —The Canadian dollar was unchanged at a premium of 4¼ per cent in terms of United States funds in closing foreign exchange dealings today.

Woman Chases Man

NEWPORT, R. I., Sept. 12 (AP) — An irate wife chased her husband around a parking lot Thursday night, hurling stones at him. Her target was not even nicked but she broke two automobile windows. Police declined to identify the couple but said the wife paid $25 for the broken glass.

Her husband, she said, had thumbed his nose at her.

Funeral Held for Accident Victim; Two in Hospital

KELOWNA, Sept. 12 (CP) — A simple graveside service conducted by United Church Minister Rev. R. S. Leith of Kelowna was held today for Jim Cunningham, driver of a stolen car which plunged off the Ellison Bridge approach eight miles North of here early Tuesday.

There were no mourners. His father was traced to Langley Prairie but he was unable to come to the funeral.

Meanwhile, the other two occupants of the car are recovering from injuries in hospital where they are under police guard. Bill Wilson, 21, Ladner, still is in serious condition, his injuries having been complicated by exposure after 32 hours lying on the ground near the wrecked car before the brush-hidden vehicle was discovered. The other injured man is Earl Doucet, 22, no fixed abode.

Elevator Strike Would Halt Grain

OTTAWA, Sept. 12 (CP) — A strike of lakehead elevator employees that could paralyze Canada's record grain movement has been set for Sept. 18, but union-company negotiations are due to resume during the weekend.

Frank Hall of Montreal, Canadian chief of the Brotherhood of Railway and Steamship Clerks, announced the strike date here today. However, he expressed hope the crippling walkout would be averted.

A bare 1500 grain handlers in Hall's union could tie up the key elevators at the head of the lakes and stall the 656,000,000-bushel wheat crop at the height of its movement to market.

But Hall, conferring with Labor Department officials on the dispute, said his union is not pushing for a strike.

P. Popoff Charged With Arson

R.C.M.P. Thursday arrested Paul Popoff in connection with an incendiary fire in a newly-constructed home at Castlegar. Popoff was formally charged in Nelson Provincial Court Friday morning before Stipendiary Magistrate William Evans.

He was remanded eight days and police said Friday, a date for a preliminary hearing will be set when investigations are complete. Popoff will face a charge of arson at the preliminary hearing before Stipendiary Magistrate W. H. Taylor at Castlegar. He was arrested at Brilliant.

Popoff was among the first to be released from prison sentences on arson charges after giving an oath that he would obey the code of the Reformed Sons of Freedom — not to make trouble for others.

Complaint of rough treatment of Popoff by Castlegar firemen August 30 and 31 was contained in a letter to the Minister of Justice signed by the Brotherhood of Reformed Doukhobors, (Sons of Freedom) secretary, N. K. Nevonshonoff.

The charge arose from an incendiary fire in the newly constructed home owned by John Bloodoff of Castlegar. The house, located near the Castlegar High School, sustained about $1500 damages. Popoff was apparently working as a carpenter on the home shortly before the fire broke out.

Mere Head Bump For Babe Run Over By Train

SPOKANE, Sept. 12 (AP) — An 18-month-old baby girl, standing on the railroad tracks near her home, was struck, knocked down and run over by a work train today but escaped with a mere bump on the head.

While her mother watched, little Juanita Haskins was knocked between the rails and three cars passed over her before a switchman stopped the train.

"I didn't say anything. I was afraid she'd move," Mrs. Haskins told reporters. The little girl, stunned and crying, was pulled from beneath the train by her frantic mother when it stopped. The train was travelling less than 10 miles an hour.

TO STUDY LIQUOR PROBLEM WITH "OPEN MINDS"

VANCOUVER, Sept. 12 (CP) — Two of the three liquor commissioners appointed today by the government said they would go into their study of the vexing social problem with "open minds."

Hon. H. H. Stevens, Board of Trade president, and Labor Secretary George Home, said they had no preconceived ideas on what action the government should take to implement the plebiscite in favor of liquor-by-the-glass.

The third board member, Dean Cecil Swanson of Christ Church Cathedral, is in London, Ont., attending a synod meeting and was not available for comment.

Mr. Stevens said he would do his best to make a careful investigation. He was well acquainted with the liquor problem, he said, and had conducted an investigation into the general subject during his customs inquiry of 1926.

BRITAIN TO HOLD ATOMIC TESTS

ONSLOW, Australia, Sept. 12 (Reuters) — Atomic scientists, officials and troops crowded this Western Australian port tonight amid reports that Britain will test its first atom weapon within two weeks.

Twenty-six British scientists and armed forces officers have already departed by sea for the Montebello Islands, 80 miles West of here, scene of the test.

Details Released of New Coast Schools

VANCOUVER, Sept. 12 (CP)— H. N. MacCorkindale, superintendent of Schools for Vancouver today released details of major school construction projects totalling more than $4,000,000.

The biggest project will be underway soon at Vancouver Technical School where a completely new wing will be built at a cost of $1,600,000.

VETERAN EXHIBITOR in the West Kootenay Exhibition is F. H. W. Chanter, North Shore, shown putting a giant dahlia in place in a non-competitive display he set up in one corner of the arena.

Lewis Prepares for Strike

WASHINGTON, Sept. 12 (AP)— John L. Lewis today called his 200-man miners union policy committee to Washington Monday to plan for a possible coal strike Sept. 22.

Lewis is in the midst of bargaining on new contracts with both the soft coal and the hard coal industry.

But it's touch and go whether Lewis and the mine owners can get together in time to avoid a strike.

Under expiring agreements Lewis can pull out his soft coal miners in Northern mines beginning Sept. 22 and in Southern soft coal mines and Pennsylvania anthracite pits on Oct. 1.

The United Mineworkers policy committee usually is called in session to review the status of negotiations and prepare for the strike threat which the union often exerts to wring contract concessions from the industry.

Lewis has about 320,000 working members in soft coal mines, 65,000 in the hard coal industry. Their basic daily wage now is $16.35.

There seems to be considerable effort on the part of both sides to try to avoid another mine shutdown. The industry is in poor economic shape at the moment, with demand for coal light and prices lower than the coal operators like.

Some persons who have followed the Lewis coal negotiations over the years believe a strike may be in the works, however, in order to exhaust the 85-day coal stockpile now in the hands of dealers, thus forcing prices up and putting the mine owners in a better position to give Lewis higher wages and other concessions for the miners.

Lewis talked today with J. Moody president of the Southern Coal Producers Association but neither Lewis nor Moody would comment.

L.P.P. Belabors Premier Bennett

VICTORIA, Sept. 12 (CP) — A demand that Premier W.A.C. Bennett and his Social Credit government "quit playing politics with the people's welfare and convene an immediate session of the legislature" has been issued by the executive of the Labor-Progressive party.

The executive charged the Premier with "jockeying for political advantage to himself at public expense," and urged the B. C. Labor movement to unite around the demand for a session now.

"The former coalition conducted inquiries into B.C.H.I.S., I.C.A. Act and Compensation Act," the L.P.P. said.

"These legislative committee reports are gathering dust while Premier Bennett engaged himself in a political conspiracy with former coalition supporters in the interests of big business."

Teen Agers Face Robbery Charges

VANCOUVER, Sept. 12 (CP) — A 16-year-old youth and his 19-year-old companion were sentenced to two and three years respectively in the penitentiary today on charges of robbery.

The juveniles, Barry Yates, and Stanley Berg, were found guilty of robbing Aino Rhuoho of $30 Aug. 20. Rhuoho was found unconscious in the washroom of a beer parlor. He told police the pair had slugged him with their fists and then stole his wallet.

Former Nelson Dispatcher A. Kometz Named C.P.R. Transportation Head

WINNIPEG, Sept. 12 (CP)—Andrew W. Kometz of Vancouver and formerly of Nelson, Cranbrook and Revelstoke has been named to the new position of Assistant to the Superintendent of Transportation on the Canadian Pacific Railway and will coordinate the use of diesel power on the road's prairie and Pacific regions. His headquarters will be in Calgary.

Complete utilization of the diesels now running between Calgary and Revelstoke on the main line and of those to be put on the Crow line in Southern British Columbia next year will be his responsibility. The appointment was announced by Henry Chester, Superintendent of Transportation for prairie and Pacific regions.

Chief Dispatcher at Nelson for the two years up to 1952 and with 27 years before that in mountain railroading as agent, operator and dispatcher, Mr. Kometz has been on special duties at Vancouver and Winnipeg for the last year and a half on transportation surveys.

He was born at Michel, B. C., where a sister still resides and educated in public school there and at high school in Calgary.

Desperados Crash Police Barricade

HAMBURG, Pa., Sept. 12 (AP) —Police mobilized Pennsylvania's biggest manhunt in many years today against three shotgun-toting jailbreakers who held a family captive in its home 19 hours, then sped 65 miles to rob a roadside diner and later raced past a police roadblock on a main highway to New York City.

Hundreds of state and local officers and a swarm of Federal Bureau of Investigation agents joined in the search. They were cautioned by FBI circulars that the convicted bank robbers are "desperate and vicious."

The hunted men were carrying six shotguns and seven boxes of ammunition stolen from a West Reading, Pa., sporting goods store 24 hours after they fled the penitentiary at Lewisburg early Wednesday. In 48 hours of freedom they ranged 120 miles East almost to Philadelphia, stole at least three cars and stabbed a private-duty policeman.

The fugitives are two brothers from Harlan County, Ky., Joseph Wayne Nolen, 26, and Ballard French Nolen, 22, along with slender, tattooed Elmer Schuer, 21, of Chicago.

BANK ROBBERS

The Nolen brothers were serving 25-year terms for bank robbery in 1950. Schuer was serving 13 years also for a 1950 bank robbery.

Early today two men with shotguns walked into the Donald Heckman diner in this quiet borough 35 miles North of Harrisburg. They lined up two employees and four patrons, scooped $135 from the cash drawer and about $105 more from the customers' wallets and left.

Hours later, James Hill, sales manager of a hosiery plant at Lansdale, near Philadelphia, walked to a neighbor's home and telephoned police that he, his wife and five children had been held captive by the fugitives at gunpoint for 19 hours in their home.

150 More Pickers Needed To Handle Top Apple Crop

Creston School Board contemplates releasing some high school grades to assist in harvesting one of the biggest apple crops they've ever had.

N. E. Leveque, Federal-Provincial Farm Labor representative at Creston, said Friday night 150 more apple pickers were needed to begin harvesting Sept. 15. Some 300 were needed at the first of the week, but 150 have been obtained since the start of a drive for pickers.

Estimated crop is 550,000 field boxes of which 360,000 are MacIntosh. Other apples to be harvested are Delicious and Winter varieties. Over 300 pickers must pick 30,000 a day to take of the huge crop.

Posters calling for pickers have been distributed in the district, newspaper advertising has been employed and Mr. Leveque returned to Creston Friday night after a five day tour of Castlegar district. Doukhobor settlements, Cranbrook, Fernie and Michel seeking pickers. Mr. Leveque voiced disappointment at the failure of Doukhobors to answer the call for pickers. They have in previous years done a considerable part of the harvesting.

WORST SITUATION

Difficulty is encountered each year in obtaining pickers, Mr. Leveque pointed out but this year seems worse. Indications are that there will not be enough harvesters for the peak of the season sometime around Sept. 20.

Harvest is expected to last until October 10 or 12.

MacIntosh apples must be off the trees 12 days after declared ripe, Mr. Leveque pointed out, or they will begin to drop.

Wages are reported the same as in the Okanagan, eight cents per box and 2 cents bonus for the season.

1800 ACRES OF APPLES

There are over 400 individual growers in Creston area with approximately 1800 acres in apple orchards. Farms are located on benches around Creston within a five-mile radius.

Apples are shipped to the Prairies and as far East as Montreal through B.C. Tree Fruits Ltd.

KELOWNA, B.C., Sept. 12 (CP)— An urgent appeal has been made to all able-bodied persons to help pick the bumper apple crop.

Students of senior high schools in this area have been given leave of absence to help in the emergency.

H. C. S. Collett, placement officer for the Dominion Provincial Farm Labor Service, described the situation as "urgent."

"We need all the help we can get for the next two weeks," he said.

Mayor J. J. Ladd of Kelowna has asked urban residents to lend a helping hand. The Okanagan's famed McIntosh apples, the bulk of the fruit crop in this area, have ripened, some to the point where they are falling off the trees. Fruit growers in this area stand to lose nearly 1,000,000 boxes of apples if they are not picked immediately.

School classes already are disrupted with a heavy rate of absenteeism prevalent even before the students were authorized to go harvesting.

Mr. Collett said the Farm Labor Service in Vancouver is sending in as many pickers as possible "but it's not enough."

Exhibition Crowd Records Tumble

West Kootenay Exhibition appears to be well on the way to setting all-time attendance records.

Friday night about 3500 persons entered the Civic Centre building and grounds to bring the two-day attendance total for night performance alone to 6500. Daytime crowds brought the over-all total to 8500, it was estimated, about 1500 more than last year.

If the weather cooperates, today's crowds should bring the total well over the 1951 three-day attendance of 13,000. Gates open at 10 a.m. and Civic Arena entertainment begins at 1:30, when the Trail Maple Leafs Band presents a half-hour concert prior to the floor show. The band will appear again at 7:30 for another half-hour concert.

Friday, children's day, saw school children and a good number of adults pack the Civic Arena for the afternoon floor show and Gayland Shows on the grounds saw lineups at every ride and refreshment concessions.

Nelson High Schools Band paraded to the Civic. Six of its members had the thrill of participating in the stage show when the xylophonists had six students beat time to Latin American rhythms with miracas.

Displays throughout the buildings drew swarms of visitors. Canadian National Institute of the Blind said that on the first day, more than $100 in goods were sold and many orders taken. A tag day today will bolster funds.

AGREE TO REMARRY IN ANNULABLE DIVORCE CASES

LONDON, Ont., Sept. 12 (CP) — The House of Bishops of the Anglican Church in Canada have agreed to one exception for remarriage of persons who have been divorced, the Church's 18th synod was told today.

Most Rev. P. Carrington, Archbishop of Quebec, said the bishops would allow remarriage in church in the instance of a person who obtained a divorce where an annulment would have been possible.

"If it can be proved and shown that an annulment would have been possible, we would allow the person to be remarried in church by our clergy," the archbishop said.

Escapees Heading West

TORONTO, Sept. 13 (Saturday) (CP).— A senior Toronto police official said today Edwin Alonzo Boyd and his gang are together and are somewhere in Western Canada.

He said that Boyd, Steve Suchan, William Jackson and Leonard Jackson left Toronto by train after they broke out of Don Jail here last Monday and now are on the prairies.

All police forces between here and the Pacific coast have been put on the alert for the four desperadoes, all facing bank robbery charges. Two are accused of murder.

And in This Corner . . .

CRESTON, B.C.—Much amusement was caused amongst councillors when Civic Clerk G. A. Alderson read a letter addressed to the "flat nosed councillor who drives a grey car." You, as readers can guess what happened next—amused grins came over the councillors' faces as they admired one another. However, the letter turned out to be a request for a letter believed lost in the car of a councillor who had given a ride to a citizen. No councillor could report having given any ride to the person signing the letter.

PARIS, Sept. 12 (AP)—French fashion designer Christian Dior has, a French paper said today, received the following letter: "Please excuse me for bothering you, but I would like to know where you intend putting the pockets on your Winter coats." Signed: "A modest pickpocket."

HOUSTON, Tex., Sept. 12 (AP)—An angry woman called Mayor Oscar Holcombe at 1 a.m. yesterday to ask "when are you going to move this dead dog from in front of my house?"

"Where do you live, lady?" the mayor asked.

"I'm not going to tell you," she replied. "I'm just going to leave it there and see how long it takes for you to find it."

The mayor replied: "Lady, I'm sure I can stand that as long as you can."

HAGERSTOWN, Md., Sept. 12 (AP)—A new father, on his way to see his new daughter, walked right through the new glass front at Washington County Hospital. Charles B. Carter said bright lights shining in the hospital lobby kept him from seeing there was a glass panel there. Mother and daughter are doing fine. Father will be all right after knee, arm and hand cuts heal.

DE JONG WINS THREE FIRSTS

Four prizes — three first and a second — in the photography section of the West Kootenay exhibition were captured by John De Jong, well known Nelson photographer.

Mr. De Jong was second in the portraiture class, and first in children and pets, scenic and general interest classes. His name did not appear in the results published Friday, because officials had been unable to identify the entrant at the time of Thursday's judging.

The Weather

Precipitation continued today in the more eastern and northern sections of the province but other sections showed marked clearing as the flow of cool Pacific air became established across the province. Further clearing is expected overnight.

Sunday Trucking Opposed . . .

Ship-by-Rail Unit Formed; Fight For Fair Competition From Truckers

A Nelson unit of the Ship-by-Rail Association of Canada was formed Wednesday evening by a group of railway employees meeting at the Hume Hotel. They heard an address by Earl W. Lipskey, special representative of the Canada-wide Association.

Spencer J. Newell, widely active C.P.R. machinist, was elected as Nelson delegate to the body, which will make representations to the B. C. Legislature on behalf of the railway employees. Charles Maglio was appointed business agent of the unit.

Mr. Lipskey, who is on a Western tour for the Association, described its aim as "the protection of the positions of those engaged in the railway industry from all forms of unfair competition". He charged that "insidius propaganda" was being circulated by some retailers in an attempt to attribute price increases to increased freight rates. Mr. Lipskey cited the case of a shoe dealer who raised his prices $4 a pair, though in fact increased railway rates would have justified only a one-cent hike.

The speaker declared that the railways were subject to unfair competition from the trucking industry, and called for action from the Provincial Government in instituting a fair highway transportation policy. He quoted results of tests held at La Plata, Maryland, as evidence that truck traffic results in "highway damage of alarming ratios". He said an 11-ton load causes six times as much damage as a nine-ton load, and on trucks with tandem axles a 22-ton load caused 12 times as much as a 16-ton load.

OPPOSED TO "SUBSIDY"

Maintaining that railway employees constitute "the largest group of taxpayers in Canada", Mr. Lipskey said they should not be asked to subsidize another form of transportation which is not paying its equal share. While prepared to admit that highway transport has its proper place in the Canadian economy, he made some specific suggestions for regulations which would bring about "fairer competition" These were:

1. Medical inspection for transport drivers;
2. Tests of drivers' ability, and knowledge of equipment used;
3. Classification of goods transported by public commercial vehicles to be required from the trucking industry within a prescribed time;
4. Fixing tariffs of rates to govern individual operators, these tariffs to be strictly enforced.
5. Highway scales to stop overloading;
6. Uniformity of rates;
7. Licensing schedule appropriate to cost of maintenance;
8. Speed of transports to be governed by weight of load, in the interests of safety;
9. Tail gating to be declared illegal;
10. Truck traffic to be prohibited from midnight Saturday to midnight Sunday, and on public highways, in the interest of the motoring public generally.

The Ship-by-Rail Association, organized in Ontario in 1931, now has representation on some 22 railways across Canada . It does not deal in any way with wage agreements or labor-management relations. In the past it has successfully opposed U.S. truckers who wanted to transport goods in bond between border points via Ontario highways. The Association has been urging the Canadian Government for many years to set up a control authority to regulate the trucking industry on a national basis.

Jimmie Robinson Exhausted After All-Night Trek Through Dense Bush

VERNON, B.C. Sept. 12 (CP) — Fisheries Supervisor for the British Columbia Game Commision, C. H. (Jimmy) Robinson of Nelson, walked out of the rough bush country today after being lost since early yesterday afternoon.

On an inspection trip to Bardolf Lake, East of Lavington in the Okanagan Valley, Robinson got separated from his two companions, Harry Kaufman and Wash Ryan, both members of the Vernon Fish and Game Club. They searched for him until 8:30 last night and then reported his disappearance to the R.C.M.P. in Vernon. This morning a search party of thirty men was organized and set out to find the missing man.

STEADY RAINFALL

Game Warden Don Ellis of Kelowna reported that Robinson had been walking through the bush during a steady rain-fall all night, and that he and Game Warden Alan Frisby of Vernon, formerly of Nelson, had tracked him with dogs down a stream that feeds Bardolf Lake. When the dogs turned to go up stream, the wardens called them off and continued downstream to Noble's saw mill. A short time after their arrival at the mill, Robinson arrived in a state of exhaustion.

CASTLEGAR FERRY GETS NEW CLUTCH

Castlegar ferry will receive a new clutch early Friday morning to replace the one which broke down Monday night.

The clutch, which was repaired while the C.P.R. tug kept the ferry in operation, could not be entirely mended and will be replaced between hours of 1 a.m. and 3 a.m. Friday morning.

A broken pressure spring in the clutch caused the trouble Monday night. The ferry was operated by C.P.R. Tug Columbia during the period required to make repairs.

14-Year-Old Girl Charged by Police

VANCOUVER, Sept. 12 (CP) — A 14-year-old girl reported missing from her home by her father more than a week ago has been charged by police with breaking and entering and theft.

Police said the girl entered the suite of Mrs. B. L. Griffin and stole $32 in cash and clothing valued at $100, then spent the money on more clothing.

The girl admitted using a ladder to gain entry to another West-end suite but she did not obtain any loot.

Conciliators Take Over Today In I.W.A. Dispute

Negotiations which have been dragging since July 4, between the I.W.A. Negotiating Committee, representing approximately 3000 members with the Kamloops, Kelowna and Cranbrook area, and the Interior Lumber Manufacturers Association, representing approximately a hundred operations, are to resume Friday.

A Conciliation Board composed of Ellis H. Morrow, Chairman, Frank Howard, Union's nominee, and J. C. Monro, employers' nominee, will deal with the dispute. The I.W.A. Negotiating Committee and the Employers' Representative met before the Conciliation Board Tuesday to establish meeting procedure and meeting dates. Meetings have been arranged for 9:00 a.m. today, with proceedings running into Saturday, and Monday, if necessary.

The I.W.A. Negotiating Committee has made every effort possible to speed up the present negotiations, in order to conclude the agreement within the allotted time specified within the I.C.A. Act, but have been blocked by Mr. Coles, the employers' representative, in each move.

The I.W.A. originally asked for paid statutory holidays, health and welfare plan, improved vacations with pay, all of which would be included in the main demand of 35 cents per hour increase in wages. Other demands included union shop, a 40-hour work week, seniority, safety and health and other minor changes. The union has since scaled down from these demands.

42 Industrial, Commercial Exhibits at Fair

In the Industrial and Commercial sections of the West Kootenay Exhibition there are 42 exhibits. They are:

Freeman Furniture; Canadian National Institute for the Blind; Kootenay Plumbing and Heating; Shell Oil; Junior Chamber of Commerce; Nelson College of Commerce; Nelson Credit Union; Canadian Arthritis and Rheumatism Society Clinic; Tuberculosis Clinic; Nelson Daily News; Electrolux; Mutual Life of Canada; Selkirk Equipment; Fetterley Wood Products; Bennetts Ltd.; Consolidated Mining and Smelting Co. of Canada Ltd.; Steven's Studio; Mac's Flower Shop; McLeod Typewriters; Vogue Studio; Coventry's Flower Shop; Peebles Motors; Ellison Milling and Elevator Co.; De Leval Cream Separators; McDonald Jam Co.; Nelson Chamber of Commerce; Columbia Bottling Works; T. H. Waters and Co.; J. T. Mowatt Typewriters; Hudson's Bay Company; Wear-Ever Aluminum; General Paint Co. of Canada Ltd.; Burn's Lumber Co.; Mc & Mc (Nelson) Ltd.; CKLN radio station; Nelson Electric; Central Truck and Equipment Ltd.; Wood Valance Hardwear Co.; Hipperson Hardware Co.; Empire Motors; Parkview Motors; and Finning Tractor and Equipment Co. Ltd.

KASLO RITES FOR JOHN ALM

KASLO — Last rites were held here in St. Andrews United Church Friday afternoon for John Alm, 71, who died in Kootenay Lake General Hospital at Nelson Wednesday.

Rev. M. B. McIntosh officiated, with Mrs. S. H. Green presiding at the organ. Two hymns, "Dear Lord and Father of Mankind," and "Abide With Me," were sung. The senior choir was in attendance. Many beautiful flowers covered the casket and altar.

Before taking up their residence in Nelson two years ago, Mr. Alm and family resided in Kaslo for many years.

Pallbearers were C. K. White, A. Tapanila, J. MacPherson, E. M. Allen and C. T. Jones, and Conrad Pearson of Vancouver. Interment was in the family plot in the City Cemetery.

GRAVESIDE SERVICE FOR KASLO INFANT

KASLO — A graveside service was held Thursday for the infant son of Mr. and Mrs. B. N. Nelson, born in Victorian Hospital Tuesday. Rev. M. B. McIntosh conducted the service. Interment was in the City Cemetery.

Boil Raw Milk As Precaution, Trailites Told

TRAIL, B.C.—Trail district residents were warned Thursday not to drink raw milk because of the danger of polio, Dr. L. S. Anderson, director of the West Kootenay health unit, has advised all residents of the district to boil raw milk before using.

So far this year the Trail district has had five polio cases and four of these have been in areas outside the city. Two cases, the most recent, have come from Fruitvale, while there has been one case in Rossland, one in Kinnaird and one in Trail.

Many residents of areas outside the city use raw milk, while some raw milk is sold in the city.

"It has been shown that raw milk can convey the virus of polio," says Dr. Anderson. "In order to avoid the risk of polio, therefore, the public is advised strongly to boil all raw milk."

Millions of "Dead" Letters Fill Postal Graveyard, Display Reveals

A total of 7,500,000 "corpses" crowd Canada's postal "graveyard" —the dead letter office — every year, is the grim message conveyed to visitors to the Postal display at the West Kootenay Exhibition.

The booth in the Recreation Hall depicts a graveyard with headstones indicating the reason for "burial" of each "corpse."

Attendants at the display, Nelson's Postmaster Wilf Hall and Bill Lemon, Postal Public Relations Officer, explain to visitors the reasons for non-delivery of this staggering volume of mail each year. High on their list are, incomplete addresses; poor writing; no return address; faulty packing.

"If mailers would only take a little more care in preparation of their mail and above all, place their return addresses on all mail, this appalling condition would not exist," stated Postmaster Hall when referring to the huge volume of mail received annually in Canada's Dead Letter Office.

To prove the postal department's point, the attendants at the display have genuine specimens of mail — letters and parcels from Vancouver's dead letter office — which failed of delivery due to incorrect addressing. In many cases the items on display bear no address whatsoever and while the contents are valuable merchandise or important communications there are no clues as to the mailers or addressees.

Postal information booklets listing correct postal rates and important postal pointers are being distributed free at the booth with the plea, "Please help us by following the mailing tips in this booklet. We want to deliver your mail, not bury it in our Postal Graveyard."

$200 Equipment For Hospital

Nelson Hospital Auxiliary will purchase $200 worth of equipment for Kootenay Lake General Hospital.

At a meeting held Friday in the Nurses Home members decided to order bedside equipment and a small sterilizer. Expenditure will be $200. Recommendation that the equipment be purchased was made by Miss M. Davis, superintendent of nurses.

Miss Davis, who succeeds Miss Marjorie Whitmore now at Vancouver, was introduced to the 13 club members present.

Miss Carmen Horton, chairman of the Baby Case at the Hospital, reported many knitted articles ready for sale and turned in $25 from previous sales.

In the absence of the president and vice-president Mrs. R. Todd presided at the meeting, first of the new season.

Annual meeting will be held Oct. 10.

Nanaimo to Open New $1,000,000 School

NANAIMO, B. C., Sept. 12 (CP) — Long-awaited opening of the new million-dollar senior high school here will be Saturday, Nov. 1, and students will begin classes in the school the following Monday.

Education Minister Mrs. Tillie Rolston will be invited to officiate at the opening ceremony.

Fair Midway Attracts School Children

If you like the ferris wheel and cotton candy, peanuts and popcorn and the barker's spiels then the midway at West Kootenay Exhibition at Nelson is the place to be.

Gayland Shows, engaged for the sixth West Kootenay Exhibition, offer everything from a thrilling ride on the roll-o-plane to the big ferris wheel and the merry-go-round that every child loves.

And Friday, children's day at the "Ex" when Nelson students were given the afternoon off to attend, saw all the rides put to full use. Nelson recreation grounds where the midway is located was crowded with children and out-of-town visitors who lined up for the rides, tossed rings to win a prize and chewed at cotton candy.

The mery-go-round comes in three forms, one in which you fly around in a plane, one in which you sit in swings and the ever-popular horse merry-go-round.

You can try your luck at shooting a duck or breaking a balloon for a prize, see a Jungle Circus depicting monkey land, visit the Fun House or just eat candied apples.

POLICE CHECK REPORT OF BLAST SOUNDS

Report of explosions in the Brilliant area after midnight Thursday apparently stemmed from gun shots, but police were unable to run to earth their origin in Friday investigations.

The sounds disturbed residents who early Friday morning reported the incident in Nelson. Police found no trace of blast damage or other explanation of the reports.

New Polio Outbreak Halts School Opening

KIMBERLEY — Diagnosis of four more cases of polio in the city this week has brought the total for Kimberley and district to 56.

Newest cases are of a 3-year-old boy, just returned from a visit to Saskatoon, and two Lois Creek children, aged two and five, and both in the same family. On Tuesday a 21-year-old Kimberley man was removed to hospital with a mild case of the disease.

School opening has now been postponed for a third time.

Thieves Loot Natal Store

NATAL — During the past month a second business concern has been broken into in Natal-Michel. The most recent place entered was the Trites-Wood company store at Michel.

Although the exact amount taken was not known it was stated that clothing and loose change was all the culprits netted.

Entry was made during the early hours through the front door.

Meanwhile, it has been reported that men arrested in connection with an Edmonton breaking and entering are being investigated in connection with the Kootenai Motors entering here earlier. A few dollars in silver and a wrist watch were stolen.

Columbia Gypsum Increases Output

INVERMERE — Columbia Gypsum Products Inc. have increased their output during August to 65 cars shipped from Lake Windermere station at Athalmer. This amounts to 3500 tons and the output in September is expected to be still larger.

A new crusher, installed this Summer, is operating the mine for the company.

Ore is shipped to B.C. Cement, Canada Cement and Spokane-Portland Cement. The mine one of the largest gypsum deposits on the North American continent is in the Tegart-Pass area near Windermere.

Explosion Rocks Gilpin Trestle

GRAND FORKS — The wooden trestle bridge on the Great Northern Railway near Gilpin was rocked by an explosion Wednesday night.

A small dynamite charge caused slight damage to the bride. The same bridge was burned several months ago by arsonists.

First Aid Exams For Invermere Residents

INVERMERE—First aid examinations held under the Forest First Aid Committee were given at Invermere by Dr. K. J. Williams.

Classes have been held twice weekly at the Lake Windermere Memorial Community Centre throughout the Summer by Sandy Carvel, instructor, for Forest First Aid Committee.

A number of industrial first aid candidates took the examinations and some who were studying for advanced certificates.

Kiwanians Hear Accordion Music

Accordion selections played by Miss Pat Boyes, Nelson High School student, were enjoyed by Kiwanis Club at the Hume Thursday night. The club held an abbreviated meeting to enable members to attend the exhibition.

Procter Socreds Meet

PROCTER — Mr. and Mrs. Alex Garner were host to the Procter Social Credit group. Mr. William Henke and Mrs. M. Jernberg were chosen to represent this group at a convention in Creston next week.

SASKATOON, Sept. 12 (CP) — The opening of the University of Saskatchewan was postponed today for 10 days because of polio.

B.C. Students Offered Empire Scholarships

British Columbia students are eligible for one of nine $2000 scholarships established by Imperial Order Daughters of the Empire to perpetuate the memory of men and women who gave their lives in the First World War.

The order has also announced that three other $2000 scholarships will be awarded to Canadian students. These were established to honor the dead of the Second World War.

All the scholarships are for overseas post-graduate study. The first group will enable students to continue their studies in history, economics, constitutional government, or any subject vital to the interests of the British Empire.

The three new ones permit continuation of studies in history, philosophy, English or French literature, and all are tenable at any university in the British Empire.

Candidates may be men or women but must be unmarried until after tenure of the scholarship. They must be British born, or naturalized allies or neutrals with at least five years' residence in Canada.

Applications must be submitted by Oct. 15 to the I.O.D.E. Provincial Educational Secretary, Mrs. Robert S. Gourlay, 517 Ford Building, Main and Hastings, Vancouver, from whom forms and further information may be obtained.

Forms may also be obtained from Charles Wood, Registrar, at the University of B. C.

Castlegar and Anscomb Ferries Carry More Cars

M.V. Anscomb, Kootenay Lake ferry, made 217 round trips in August, the same as in August a year previous, but carried 3200 more cars and 5233 more passengers. Castlegar ferry made 10 fewer trips, but carried 10,480 more cars.

Ferry statistics are as follows:

Many at Rites For C. Marshall

BURTON — Members of the family and a large number of friends gathered to pay final tribute to one of Burton's well known old timers at funeral services for the late Clark Marshall.

Services were conducted from the United Church at Burton by Reverend David Stone of Nakusp.

Hymns sung were "Unto The Hills," and, "The Lord Is My Shepherd." Mrs. L. Johnson was organist.

Mr. Marshall came to Burton in 1905 and has resided here continuously. He was interested in farming and mining and took an active part in all community affairs.

He leaves to mourn his wife at Burton, four daughters, Mrs. A. Y. Armstrong at Vancouver, Mrs. M. Williams at Edgewood, Mrs. L. Grimmett at Burton, Mrs. L. Blackwell at Nelson; two sons, C. A. Marshall at Burton and J. B. Marshall at Kamloops; three brothers and three sisters and 10 grandchildren.

Pallbearers were L. A. Robson, C. McLeod, A. Johnson, P. Evans, J. McCormack and L. Porter.

P. J. McCrory Elected Legion President

NEW DENVER—President of the Canadian Legion here, A. C. D. D'Armour, resigned his post. Former vice-president, P. J. McRory was elected to fill the office for the balance of the year.

F. B. Tessman was elected to head the Poppy Day Committee.

Buy, Sell, Trade the Classified Way

C.B.C. to Establish Relay Stations At Greenwood, Grand Forks, Golden

OTTAWA, Sept. 12 (CP) — The CBC Board of Governors today announced approval of establishment of 20 more relay transmitters designed to bring radio service to outlying communities in various parts of Canada.

Following surveys and studies of costs, the board said it has been decided to establish new, unattended relay transmitters at the following points:

Grand Falls, N. B.; Megantic, Que.; Chapleau, Longlac, Geraldton, Beardmore, Red Rock and Jamestown, Ont.; Jasper, Banff, Coleman and Blairmore, Alta.; Natal, Hutton, McBride, Foster, Golden, Grand Forks, Greenwood and Lytton, B.C.

DATES NOT FIXED

The board said the dates the new transmitters will become operative will depend on delivery of equipment and arranging installation and wire line facilities "which will likely take a number of months in most cases."

The new additions will bring to 47 the total number of unattended relay transmitters operated by the C.B.C.. The 25-watt transmitters are connected by wireline with a CBC network and designed to bring full network service to smaller outlying communities not otherwise receiving radio service.

New Army Young Peoples Officer Greeted Here

Nelson received a visit from the commander of Salvation Army B.C. South Division Thursday.

Lt. Col. T. Ursaki is touring South Division with Senior Major W. Lorimer of Vancouver who recently took charge of Young Peoples Activities for Southern B.C.

The tour is to welcome Senior Major Lorimer to his new post and acquaint him with his work and fellow workers.

The Senior Officers with Lieut. E. Stokes and Lieut. O. Ford of Nelson Citadel held a street service and public service in the Salvation Army Hall Thursday evening before continuing their travels Friday. They visited Cranbrook Friday and will visit Fernie this weekend before coming back to Trail, Rossland, the Okanagan and then home to the coast.

Senior Major Lorimer is in charge of Scout, Guide, Brownie and Cub groups in the Salvation Army from Victoria to Fernie and North of Kamloops. He works to promote better Sunday School facilities, increase attendance and to find new ways and ideas to attract children to classes. This information he passes on to district citadels.

27 YEARS IN ARMY

Mr. Lorimer, who has been with the Salvation Army 27 years was born in Nova Scotia and transferred from Calgary to Vancouver about three years ago. He took over duties as Divisional Young Peoples Secretary from Oliver Walburn who transferred to Bermuda. He conducted a Summer camp at Hopkins Landing on the coast recently for 200 Cubs and Brownies and 75 Guides and Scouts.

KASLO SELLS BONDS

KASLO—Kaslo City Council accepted an offer from a syndicate comprised of the Bank of Montreal and McMahon, and Burns of Vancouver for purchase of school bond issues at $97.50 per $100 par value plus accrued interest. Issues totalled $26,000.

MINER CHARGED WITH GUN-TOTING

SALMO — A Salmo district miner, C. Murphy was remanded here for preliminary hearing on charges of being in possession of a weapon with intent to disturb the peace. He was remanded eight days by Stipendiary Magistrate Henry John in Provincial Court.

The charge arose from a beer parlor quarrel at Ymir when Murphy allegedly stuck a revolver into a man's ribs and ordered him not to say things about him. In reply, eyewitnesses told police, the man took the revolver from Murphy and knocked him down. Police were called to the scene. They found the gun was not loaded.

I.W.A. CUTS B.C. LUMBER DEMANDS

VANCOUVER, Sept. 12 (CP) — The International Woodworkers of America (C.I.O.) announced today it has scaled down original demands on Interior lumber operators "in order to reach an amicable settlement as soon as possible" in their deadlock over wages and working conditions.

The new demands were not disclosed.

The Rocky Mountains proper have a width of about 60 miles with many glaciers.

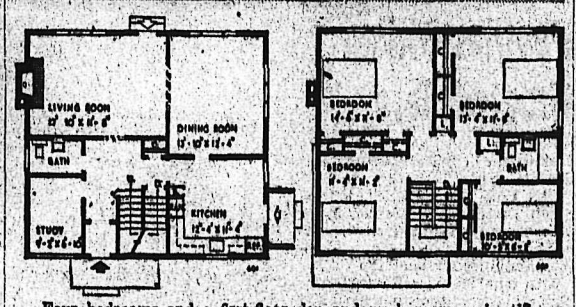
The Modern Home



Four bedrooms and a first-floor den and wash room make this an ideal home for a large family. There is privacy in the rear location of the living room with its window area and door to the terrace or garden. The large dining room and adjoining kitchen complete a comfortable and convenient living area. The kitchen has the popular L-shape arrangement of equipment and counter space and includes a handy broom closet and space for a breakfast table. Three of the bedrooms have double clothes closets and there are two linen closets.

The dimensions of the house are 31 feet, two inches, by 26 feet, four inches. The total floor area is 1,640 square feet and the cubic measurement is 23,165 cubic feet. Working drawings for this house, known as Design 601, may be obtained from Central Mortgage and Housing Corporation at minimum cost.

TOUGH VARNISH NOW ON MARKET

Of special interest to the woman with a houseful of boys is the news of a clear internor varnish with improved wear resistance and beauty of finish which has just been placed on general sale by a well known manufacturer. This tough finish has superior resistance to alkali, extremely hot or cold water, alcohol, and many other substances, which usually print, mar and scar ordinary varnishes.

It has been used with great success on gym floors and in schools, where scuffing feet take their toll of most varnishes.

Because of its resistance to extra hard wear, this is an especially effective varnish for use in houses where children are apt to treat their home as if it were a gym. It is ideal for furniture where a hard-wearing finish is required and is particularly practical for floors, bar-tops, window sills, tables, and other surfaces which demand a super varnish.

This new finish flows from the brush without excessive cross-brushing and without "picking up" that bugbear of amateur painters. When used on floors, this new varnish dries so that they can be walked on next day.

B.C. May Get Houses From United Kingdom

LONDON—James Riley, a 29-year-old supersalesman, who has designed houses that can be erected between breakfast and teatime, is heading for British Columbia in the next month or so.

His purpose is to sell British-made houses to Canada's major lumber-exporting provinces.

And that's worse than carrying coal to Newcastle, because in none of Mr. Riley's factory-made houses is there more than a few board feet of B.C. timber. It's nearly all Swedish and African wood.

He'd like to build with Canadian lumber and if Canada takes kindly to his comfortable bungalows he intends to put more of the home product into them. But first he has to earn dollars.

Right now his factory at Lincoln is geared to turn out 2500 assembly line houses a year. Into each goes 250 pounds—roughly $750—worth of lumber. They're produced by workers who earn an average of 50 cents an hour.

BELOW $6000

The houses will sell for under $6000 in Canada—or $1500 less than it would cost to build the identical item in Canada due to current material prices there and the average $2 an hour for workers.

With those figures, plus the fact that the crated parts can be erected in a day by even unskilled laborers, you get a rough idea of why Mr. Riley is optimistic about the future.

TURNS DEAF EAR

He has a deaf ear which kept him out of the services during the war. He's turning that ear to comments that Canadian lumbermen are going to holler blue murder in chorus with Canadian builders. He insists that Canadian contractors and land development men are encouraging him in his venture.

He already has three years' house exporting experience behind him. It is part of Britain's custom-made building export which has risen from $240,000 in 1949 to an estimated $24,000,000 this year.

Associated with the century-old firm of H. Newsum Sons Co., Ltd.—which turned out Mosquito bombers in wartime—Mr. Riley has sold houses, factory-made hospitals, schools, post offices and power plants to Israel, Australia and New Zealand.

NEW MARKET

Now that Canada's booming industrial development has caught the fancy of every dollar-conscious Briton, and with the assurance that Canada "can't help but go ahead," Mr. Riley has his eye on a new and bigger market.

Alberta, Saskatchewan, Ontario and Canada House had representatives at the unveiling of the Riley-Newsun house which 10 unskilled workmen put up in exactly eight hours and 10 minutes, with time out for lunch and tea.

CANADIAN DISPLAY

This month 24 of the houses are being shipped to Gander, Newfoundland, and four more to Ajax, Ont., where Central Mortgage and Housing wants to show them off to prospective buyers and put them to the test of a rugged Canadian Winter.

British Columbia House was not represented because Mr. Riley wants to talk things over with B. C. businessmen and if things look good he'll design homes specially for West coast climate.

Alberta is interested because of oil, cellulose and chemical industries attracting tens of thousands of people. Saskatchewan is considering Riley-Newsun houses for Uranium City. Mr. Riley thinks B. C. with its aluminum development at Kitimat, its oil, mining and other expansion, should take kindly to what he's offering.

Conclusive Evidence

VANCOUVER, Sept. 12 (CP) — When Thomas Harwood disappeared from his home 34 years ago he left a note for his wife, saying:

"Mr. Harwood left home Wednesday noon, July 17, 1918."

That was the last Mrs. Harwood heard of him. In Supreme Court here yesterday she was granted an order presuming the death of her husband.

The first mass on Canadian soil was celebrated in 1535 on Ile Aux Codres in the St. Lawrence 60 miles below Quebec.

Interest Rate on Joint Loans Rises

OTTAWA — The Central Mortgage and Housing Corporation announced that its interest rate on new joint loans approved after Sept. 1, will increase to 5¼ per cent from 5 per cent.

Interest rates on other types of loans under the National Housing Act will also be increased by one-quarter of one per cent. The announcement said the increase "reflects the upward movement in the general interest rate structure."

Provision is made in the Act for the interest rate of new loans to fluctuate in accordance with changes in the interest yield on long-term government bonds which, during the last year, has increased by about one half of one per cent.

The effect of this change the announcement said, is to increase the monthly payments by about 14 cents per $1000 of loan. Until Dec. 31, 1952, Central Mortgage and Housing Corporation will join with the lending institutions in joint loans at a five-per-cent rate if the lending institution has already given commitments to owners or builders at this rate.

ELEGANCE IN A SHOWER

Shower curtains also are reflecting style awareness on the part of manufacturers. They are being offered in a wide variety of modern fabric effects with abstract and expressionistic designs. Further embellishment is provided through the use of gold and silver paints to lend a note of elegance.

AROUND THE HOME

One Color Decorating Effective In Building Up Color Scheme

One of the simplest and most effective home decoration plans is to build a color scheme around a single hue. This is called a mono-chromatic color scheme. Either in a single room or throughout the entire house it has many advantages.

It permits lavish use of a favorite color; eliminates possibility of an inharmonious color scheme; unifies the decorative elements and makes the room or house appear larger than it actually is.

Both spacious and restful in appearance is a bedroom with medium beige walls, lighter beige bedspread tawny wood furniture, pale beige chair, sand carpet and drapes shadow-striped in shades of beige.

In any monochromatic scheme the neutrals—black, white and gray—can be used freely to lend variety or to tone down the effect of a brilliant hue like red.

In buildinfg a one-color scheme for a room, either use a single shade of the color for walls, carpet, drapes and upholstery, accenting with one or 2 secondary colors to avoid monotony; or use as many tints and shades of the hue as can be found. Paints giving a choice of different colors, provide scores of subtle variations of every color.

Long-distance short-wave radio signals are bounced off the Appleton layer, 170 miles above the earth.

HOLIDAYING . . . Miss Ruth Chambers, 805 Victoria Street, is holidaying in Vancouver and New Westminster.

NATAL W.A. HOLDS LADIES' WHIST

NATAL—The Women's Auxiliary of St. Paul's Anglican Church held a successful whist-drive here. Winners included Mrs. J. Patterson of Blairmore, first; Mrs. J. Jenkins, Natal, second. The consolation prize was won by Mrs. L. F. Cheston of Natal.

The library of Samuel Pepys at Cambridge University contains 3000 volumes in many tongues.

Our Father's Business

"For what is your life? It is even a vapor that appeareth for a little time, and then vanisheth away." James 4:14.

Life is a journey, not a home; a road, not a city of habitation; and the enjoyments and blessings we have are but little inns on the roadside of life, where we may be refreshed for a moment, that we may with new strength press on to the end—to the rest that remaineth for the people of God.

Pity the persons blighted and blinded by the materialistic and Godless philosophies of this world. They know not from whence they came, why they are here, and where they are going.

The person who feels immune and sheltered from these searching questions because of the product of their labors and the apparent security of his surroundings ought to beware lest the very things he puts his trust in catch him unawares.

How sad that that tragedy must strike before we begin to ponder for what purpose is this little gleam of time between two eternities.

Also, how great a pity that we should not feel for what end we are born into this world, till just as we are leaving it.

Life is so short,—a little work, a little sleep, a little love and it is all over.

Why waste these fleeting moments? Live as Socrates declared: "The end of life is to be like God and the soul following God will be like Him."

To understand life we must first know God. To know God we have His Word and the amazing revelation of Himself in the God-man, Christ Jesus, "whom to know is life eternal."

Yes, a life "in Christ" welds the paradoxical and misfitting pieces of life's enigma into a pattern that is both useful and understandable and gives to it the stamp of eternal glory.

Kaslo W.A. Review Summer Activities

KASLO — St. Mark's Anglican Church Women's Auxiliary reviewed the Summer activities at the first meeting of the season. Mrs. J. S. P. Snowden and Mrs. E. M. Shepard were hostesses. A sewing committee was appointed and the Winter activities outlined.

More than one-third of Canadian public hospitals had physiotherapy departments in 1950.

Festival Crowd Fond of Tartans

EDINBURGH (CP) — With the Edinburgh Festival gaining importance yearly in the market of overseas visitors, Scottish retailers are cashing in on the sales appeal of "a guid piece o' Scots manufacture."

Tartain-draped windows, sporting Celtic brooches and elaborate sporrans, knitting and traditional tweed, attract Canadian and United States visitors from the stylishly dressed to 'teen-agers in Tartan jeans.

In the heart of "Auld Reekie"—as Scotland's capital was known to "Rabbie" Burns—North American accents blend daily with the soft lowland burr, as the visitors go about their shopping tours.

WIDE VARIETY

A popular purchase is polished leather shoulder bags with Tartan front panels, the pointed flaps sporting a silver cairngorm thistle or a Celtic reindeer head.

There are soft suede gloves with Tartan back panels, Tartan umbrellas with shepherds' crook handles, Tartan blouses, jumpers, socks and bonnets. And these are just part of Scotland's lead in present-day fashions.

From highland croft to the woollen mills of the lowlands, Scots are working on home products and materials that have already won fashion popularity through public demand.

A festival fashion with definite overseas appeal is the huge, fringed woollen square in shepherds' tartan worn by a theatre-goer to top a simple, black wool dinner dress.

POPULAR STOLES

Scotland is also cashing in on the stole craze with everything from over-sized tartan scarves to Gossamer Shetland wool knitted squares flecked and trimmed with sequins, that make attractive evening wear.

Throughout the couture houses of London and Paris this season, buyers will find coats, suits and dresses in Scotland's fine "glen" checks and tartans. Beautifully-styled, simple dresses with all-round pleated skirts and matching short jackets lined with moleskin, are found in many shades of the fine Glenurquhart checks.

This check, which had fallen almost completely out of favor for fashionable women's wear in pre-war days, is right back on top with many other shadow checks that depend on muted colors for effect.

And at such affairs as the military tattoo that takes place during the festival in the front square of Edinburgh Castle, many of the smart Scots check outfits worn by sightseers were not bought on this side of the Atlantic.

Canadian interest was centred more than ever before on this year's festival as for the first time, a representative band of Canadian pipers took part in the tattoo.

Polio Information

One value from efforts of public health authorities during the poliomyelitis epidemic in East Kootenay was in the wealth of information that came to parents and others through public discussion. Dr. A. J. Nelson, Government epidemologist sent to Kimberley at the height of the outbreak, conducted thorough discussions with local authorities and various public groups.

Why the present epidemic was so virulent in Kimberley was explained by Dr. Nelson. The last epidemic here was in 1928, and it was very mild. Owing to the virtual freedom from the disease since that time it is probable that the population at large, and even the adult population, that might normally be expected to have a relative immunity, have had little chance to acquire immunity through repeated exposure to the virus.

There is no specific cure for the patient who has contracted the disease, but much can be done for the symptoms. Children contract the disease much quicker than adults. As adults become older they acquire immunity. For every clinical case reported, about 100 persons acquire a very mild infection.

The disease is largely spread by person to person contact in the early stages. While it is spread by person to person contact, it is virtually impossible to detect the causes.

Quarantine, Dr. Nelson said, is for known contacts of infection who may possibly develop the disease. While there is no prescribed quarantine for adults, mothers who are contacts, because of their frequent contact with children, are advised to stay home. The reason why the epidemic was more severe in the Chapman Camp area was that the children congregate together more than in the upper part of Kimberley.

The most up-to-date results of polio research indicate that the virus enters the body by way of the mouth—but it may have other portals of entry. The virus may be carried on food, particularly if it is uncooked—but all uncooked food does not carry the virus. The hands (particularly if unwashed after toilet); contact with an infected person (99 out of 100 of whom have the disease in such a mild form they do not know they have it); sewerage, garbage—all of these are potentially infectious. None of them can be pin-pointed as actual carriers of the disease in any one case.

That is not all. The common house fly is right at the top of the list of suspects. They cannot be quarantined, and can only be fought where they choose to alight.

In this, probably the most baffling of all diseases, the medical profession advises and practises a wise and sensible course of action — preventative measures at the source of possible infection; quarantine during the incubation period of those known to be in contact with the disease; hospital care for patients and diagnosis of all suspects; the immediate availability of ample equipment of the latest design, to fight whatever turn the disease may take.

LETTERS TO THE EDITOR

Letters may be published over a nom de plume, but the actual signature of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Martin Promises Attention to H.I.S. Obnoxious Features

To the Editor:

Sir—As you recently published, over my signature, an open letter to the Hon. W. A. C. Bennett having to do with H.I.S. payroll deductions, I consider it likely that your readers may be interested in the enclosed letter received from the Hon. Eric Martin in this connection.

I enclose also a copy of my reply to this Hon. gentleman.

JOHN WELLS,

Ymir, B.C.

John Wells, Esq.,
Ymir, B.C.

Dear Mr. Wells: I acknowledge receipt of your letter of August 15th with reference to method of collecting Hospital Insurance premiums through payroll deductions. This is a matter that cannot be hastily changed as there are many factors involved which must be taken into consideration.

We have not yet had time to go into all the features of the hospital insurance plan. This we shall do as rapidly as possible, but many of the changes we may desire to make will require changes in the legislation which cannot be brought about until the Legislature itself meets. You can be sure, however, that very careful thought will be given to all these apparently obnoxious features of hospital insurance.

Yours very truly,
ERIC MARTIN,
Minister of Health and Welfare.

Hon. Eric Martin,
Parliament Bldgs.,
Victoria, B.C.

Dear Mr. Martin: I have received your letter dated Aug. 27th in connection with the matter of payroll pilfering and regret to say that I found its contents far from encouraging.

You state "This is a matter which cannot be hastily changed as there are many factors involved which must be taken into consideration."

What factors, Mr. Martin? Come, come, Sir! Let us consider plain fact rather than nebulous factors.

The very real and disgraceful fact is that your Department is in posession of a considerable sum of money obtained by looting the pay envelopes of working people throughout the Province.

Surely the first, and, in fact, the only consideration of an honest administration, in such a case, should be the means to restore this money to its rightful earners with the least possible delay.

Regarding what you say as to the necessity for "Changes in the legislation which cannot be brought about until the Legislature itself meets," I am sorry to have to say, Mr. Martin, that I strongly suspect you of trying to "Lead me up the garden."

It required no session of the Legislature to effect the 25-cent monthly reduction of the H.I.S. premium, nor even to make possible that astounding piece of chicanery in the matter of co-insurance.

It can be said, I think, without fear of contradiction, that if it be the honest desire of the Administration to adopt a more honorable method of financing the H.I.S. than by pilfering the pay envelopes of working people, and to disgorge the loot so obtained already on hand, there exists no serious obstacle to prevent them from getting a good start at no later date than tomorrow morning.

JOHN WELLS.

Ymir, B. C.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

L. J. P., Rossland—I would like to know if a citizen of Bermuda, working in Canada that is, making his living in Canada), pays income tax to Canada or Bermuda?

We are writing away to inquire about this. Watch for answer.

Questioner, Nelson—Please give addresses of Mexican Consul at Vancouver and American Consul.

Mexican: Ricardo Almanza Gordoa, 168 West Hastings Street, Vancouver, B.C.; United States: Robert L. Smyth, 355 Burrard Street, Vancouver, B.C.

Worried, Nelson—How does one get in touch with Dr. Gary Myers?

Write to Dr. Myers in care of this paper.

Curious, Nelson—When was Trotsky born and when did he die? Was Trotsky his real name?

Trotsky was born in 1879, died 1940. His real name was Bronstein.

L. J. D. Trail—What day of the week did August 9 fall on in 1888?

Thursday.

Looking Backward

10 YEARS AGO

From the Nelson Daily News, Sept. 13, 1942

Miss Pamela Dewdney of Nelson left for Vancouver, where she will attend University of British Columbia.

Largest catch reported in over a month was a big Kamloops brought in by H. Brook of Nelson Monday at the Outlet.

25 YEARS AGO

From the Nelson Daily News, Sept. 13, 1927

Arthur Lakes, M.E., left by motor yesterday for the Whitewater mine, near Kaslo.

Lorne A. Campbell, General Manager for West Kootenay Power and Light Company, has left for the Coast.

50 YEARS AGO

From the Nelson Daily News, Sept. 13, 1902

W. A. Galliher, M.P., leaves for Revelstoke this evening to make an inspection with Senator Templeman of the work required in the Big Bend country to open up that portion of the Columbia River for navigation.

Several forest fires are reported to be burning between Rossland and Trail. To the South of Rossland, several mountains are in flames from summit to base.

ON THE SIDE

By E. V. DURLING

In Paraguay, introductions are unnecessary. If a man is attracted by a passing green-grey-eyed blonde or a blue-eyed brunette, he approaches her and asks: "Have you a husband or sweetheart?" The woman takes no offence at this, and if not interested answers: "Yes." The man then bows and withdraws. However, if the young woman is interested, she says: "I have neither sweetheart nor husband. What is your proposition?" Whether or not that system would work well in this country is problematical. Still, if the rules were followed, it might be the beginning of many a beautiful friendship.

* * *

AND IN URUGUAY

In Uruguay the law is that a working mother must give up her job for a month before her child's birth and rest for a month after. Her position is held for her. She is given half pay for the period. It is also a law in Uruguay that every employed woman must work seated. No standing up on the job allowed for females. There they still think the female is the weaker sex.

Your Horoscope

Today is an excellent day for transactions involving home and neighborhood. Valuable social contacts can be made. Today's child, clever and original, will do well in the theatre or other artistic fields.

On Sunday, projects initiated by yourself are begun auspiciously, but be leery of those suggested by other than good friends. The child born today will travel, make a fortunate, successful marriage.

It's Been Said

Thus I am not able to exist either with you or without you; and I seem not to know my own wishes.—Ovid.

Prize Winners at Exhibition

Vegetables

Beans:
Scarlet Runner, 12—1, J. M. Fisher, R.R. 1; 2, F. H. W. Chanter, R.R. 1.
Pole, 12—1, A. M. Banks, Willow Point; 2, F. H. W. Chanter, R.R. 1.
Kidney, Green, 12—1, Mrs. R. C. Wright, Nelson; 2, A. M. Banks, Willow Point.
Kidney, Wax, 12—1, A. M. Banks, Willow Point; 2, J. M. Fisher, R.R. 1.
Broad, 12—1, Mrs. V. Howard, Nelson; 2, F. H. W. Chanter, R.R. 1.
Beets:
Globe, 6—1, H. A. Moir, Nelson; 2, Stella M. LePage, Nelson.
Carrots:
Long, 6—1, H. H. James, South Slocan; 2, Mrs. T. Clem, Nelson.
Intermediate—1, F. H. W. Chanter, R.R. 1; 2, Mrs. R. C. Wright, Nelson.
Short—1, Vera Holliday, Nelson; 2, Mrs. V. Howard, Nelson.
Cabbage:
Early Pointed or Flat—1, Mrs. V. Howard, Nelson.
Late, Flat or Round—1, George Eckmier, Nelson; 2, A. G. Smith, Nelson.
Red—1, J. M. Fisher, R.R. 1.
Savoy—1, J. M. Fisher, R.R. 1; Mrs. R. C. Wright, Nelson.
Cauliflower—1, F. H. W. Chanter, R.R.1; 2, J. M. Fisher, R.R. 1.
Corn, Sweet—1, Mrs. I. E. Lewis, Nelson; 2, C. W. Johnson, Thrums.
Cucumbers:
Garden—1, J. H. Brown, R.R.1; 2, Mrs. T. Clem, Nelson.
Pickling — 1, George Eckmier, Nelson; 2, W. H. Bainbridge, R.R. 1.
Citron—1, Mrs. J. R. Andrews, Nelson.
Kale—1, Mrs. W. Forest, Nelson; 2, Mrs. Louis Santor, Nelson.
Onions:
Red—1, Frank Bentley, Nelson; 2, J. M. Fisher, R.R. 1.
Yellow—1, Robert Morrison, Nelson; 2, George Eckmier, Nelson.
Spanish type—1, Robert Morrison, Nelson; 2, George Eckmier, Nelson.
Parsnips—1, W. H. Bainbridge, R.R.1; 2, C. W. Johnson, Thrums.
Peppers, Green—1, Mrs. W. Forest, Nelson; 2, Robert Morrison, Nelson.
Peas—1, Mrs. Louis Santor, Nelson; 2, Mrs. Ron Nash, Nelson.
Parsley — 1, Mrs. Louis Santor, Nelson; 2, Mrs. W. Forest, Nelson.
Potatoes:
Netted Gems—1, J. M. Fisher, Nelson; 2, F. H. W. Chanter, R.R. 1.
Early White—1, G. B. Ward, R.R. 1; 2, Mrs. H. E. Sanders, Nelson.
Early Red—1, Mrs. A. C. Morton, Nelson; 2, J. M. Fisher, R.R. 1.
Late White—1, J. M. Fisher, R.R. 1; 2, Mrs. J. Blazina, Nelson.
Pumpkins, Garden—1, Mrs. M. R. Hollington, Nelson; 2, Frank Hawkins, Bonnington Falls.
Squash:
Hubbard—1, Mrs. J. R. Andrews, Nelson; 2, Mrs. R. H. Maber, Nelson.
Acorn—1, Robert Morrison, Nelson; 2, F. H. W. Chanter, R.R. 1.
Tomatoes:
Ripe — 1, Frank Hawkins, Bonnington Falls; 2, Mrs. W. Forest, Nelson.
Green—1, Frank Hawkins, Bonnington Falls; 2, D. E. McIvor, Nelson.
Turnips, Winter—1, W. H. Bainbridge, R.R. 1; 2, Mrs. M. Wellwood, R.R. 1.
Vegetable Marrows—1, Mrs. R. C. Wright, Nelson; 2, F. H. W. Chanter, R.R. 1.
Collection of Vegetables—1, F. H. W. Chanter, R.R. 1; 2, Mrs. R. C. Wright, Nelson.

Fruit

FRUIT
Apples, plate of five:
Gravenstein—1, Mrs. M. Wellwood, R.R.1.
Wealthy—1, G. B. Ward, R.R.1; 2, R. W. Oborne, Robson.
McIntosh — 1, J. W. Johnson, Thrums; 2, Mrs. I. E. Lewis, Nelson.

Italian—Prune—1, R. W. Oborne, Robson; 2, G. B. Ward, R.R.1.
Any other named variety—1, Mrs. M. R. Hollington, Nelson; 2, H. H. James, South Slocan.
Peaches, Plate of Five:
Rochester—1, Mrs. Doreen Feller, R.R.1; 2, Mrs. H. Perdue, Nelson.
Vedette, Valiant or Veteran—Mrs. David Cathcart, Nelson; 2, W. H. Bainbridge, R.R.1.
Any other named variety—1, George Eckmier; 2, Mrs. M. R. Hollington, Nelson.
Peaches, Boxed:
Vedette, Valiant or Veteran—1, W. H. Bainbridge, R.R.1
Miscellaneous Fruits:
Blackberries — 1, J. M. Fisher, R.R.1.
Strawberries—1, Mrs. David Cathcart, Nelson.
Grapes — 1, Mrs. A. C. Morton, Nelson; 2, R. W. Oborne, Robson.
Collection of fruit—R. W. Oborne, Robson.

Honey, Dairy Products

Dairy butter—1, Mrs. J. Doerksen, Nelson.
Cottage cheese—1, Mrs. J. Blazina, Nelson.
Eggs, brown—1, H. H. James, South Slocan; 2, Mrs. J. Doerksen, Nelson.
Eggs, white—1, Mrs. H. E. Sanders, Nelson.
Honey, extracted:
Amber—1, Mrs. I. E. Lewis, Nelson.
Golden—1, J. C. Hughes, Nelson; 2, John K. Teague, Nelson.
Honey, chunk:
Golden—1, J. A. Street, South Slocan; 2, R. W. Oborne, Robson.
Assorted honey exhibit—1, R. W. Oborne, Robson (beauty contest over).
Comb honey — 1, J. H. Street, South Slocan; 2, R. W. Oborne, Robson.

Husband Charged With Murder

DRUMHELLER, Alta., Sept. 12 (CP) — Police said today coal miner Viggo E. Petersen, found yesterday lying wounded in his apartment beside the body of his wife, has been charged with murder.

He was placed under R.C.M.P. guard in hospital here where he is suffering from a neck wound and loss of blood.

Mrs. Lauretta Petersen, about 55, died from several wounds believed inflicted with a knife.

Camera With Eye Of Pig for Lens

By ALTON L. BLAKESLEE

NEW YORK, Sept. 12 (CP)—You can take pictures through a pig's eye.

About all that's needed is the animal's eye, a piece of film, and a shutter. The result—a little camera that takes pretty fair pictures.

Just such a camera was shown to the Biological Photographic Association by Ralph P. Creer of Chicago.

The animal eye becomes the lens of the camera and a mighty fast one. A human eye could be used too, he said.

Creer showed pictures taken through a sheep's eye, for he finds the sheep's eye is the best size for his camera.

JUST EXPERIMENT

Creer is director of Medical Motion pictures for the American Medical Association. The animal eye camera is just a personal experiment, with no practical value.

The animal eye camera is good only for close-ups, from distances of about four inches.

But the eye lens is as fast as that of a top-notch camera, he finds. It's equivalent in light transmission to a camera lens of F 1.9 opening.

The animal lens grows cloudy and can be used only for a few hours.

The experiment possibly may prove useful in research on vision and eyes, Creer said.

U.K. Landlords Dump Old Houses

LONDON, Sept. 12 (AP)—Some landlords—caught between Britain's low rent ceilings and high housing repair standards—are bribing bums to take over their property.

Alex Ling, who presided at a meeting Thursday of the Executive Committee of the National Federation of Property Owners, said he knew of about 30 such cases. A. G. Anderson told the Committee he had used the method to dump several run-down houses for their owners.

By paying a tramp a few pounds to accept title to an old house, Anderson explained, "future liability is thus escaped, and the property is abandoned, leaving the local Council either to take it over or let it fall down."

The Property Owners' Association is asking the Government to review laws which have kept rents on unfurnished houses and apartments in Britain frozen at virtually the pre-war level. Much of these meagre returns are eaten up as a result of strict laws requiring landlords to keep their houses in repair.

PHONE 144 FOR CLASSIFIED

Q

At what age do most women retire?

A

Ten years earlier than men . . . usually at 55.

They also live longer. Business women, therefore, require retirement income for a much longer period of time than men. Many women find Mutual Life of Canada policies, with their absolute safety, their steady increase in values and their long record of generous dividend payments, the best possible way of providing adequate income for the future. Discuss your problem today with a Mutual Life of Canada representative.

MEN AND TREES

George Warrack hails from Aberdeen, Scotland. His first acquaintance with Canada was as a trainee with the Fleet Air Arm, and in 1946 he returned to British Columbia to live and work. He holds a Forestry Degree from Aberdeen University. Married, with two girls, George—like many thousands of others—is dependent on the forests for his livelihood. His job, as a silviculturist, is to ensure a continuous harvest of forest products in perpetuity. On him and his fellow-workers depends future tree crops which, directly or indirectly, benefits YOU and every other citizen of the Province.

They'll Do It Every Time — By Jimmy Hatlo

Today's Bible Thought

Our great orchestras and mighty choruses had a humble origin. Jubal did not dream that the radio would broadcast music from organ and harp half way round the world. Time glorifies good deeds, even the humblest.

Jubal was the father of all such as handle the harp and organ.—Gen. 4:21.

Aunt Het

I'll never worry about spring cleanin' again. I got three rooms cleaned early, and never could get at the others, and now you can't tell the difference.

A.L. Race Continues Hot . . .

Dodgers Win, Giants Split

By The Canadian Press

New York Yankees clung to their half-game lead in the torrid American League pennant race by defeating Chicago White Sox 6-4 Friday night while Cleveland Indians blanked Boston Red Sox 5-0.

In the National League, Brooklyn's front-running Dodgers widened their margin over New York Giants to four games by thumping St. Louis Cardinals 8-5. The Giants split a doubleheader with Cincinnati Reds, winning the first game 4-2 but dropping the second 8-7.

Little Billy Martin homered and tripled across three runs in the Yankees' victory. Martin's third homer of the season after Gil McDougald's single broke up a 3-3 tie in the fourth. The peppery Yankee second sacker tripled after McDougald doubled in the ninth for an insurance run.

Manager Casey Stengel got through this game with a trio of second-line pitchers, Tom Gorman, who lasted two innings, Ray Scarborough who went the next four and got the victory, and lanky Ewell Blackwell, who hurled the final three.

Cleveland's Early Wynn shut out the Red Sox on three hits as the Indians won their ninth straight game. It was Wynn's 21st victory and the fifth shutout pitched by an Indian during the current streak. The Tribe collected 18 hits off loser Sid Hudson and Al Benton.

Wynn helped his own cause by belting two singles which figured in the Cleveland scoring.

Andy Pafko drove home five runs on a pair of homers and a single to spark the Dodgers to their victory.

BLACK AGAIN

Durable Joe Black, making his 50th appearance of the season, gained credit for his 14th victory against three defeats. He had only one bad inning, the eighth, when Stan Musial and Hal Rice homered to put the Cards back in the game.

Cincinnati's win in the second game threw a monkey wrench into the Giants' pennant hopes.

Sal Maglie, ace of the 1951 "Miracle Men," failed in relief when doubles by Frank Smith and Bobby Adams in the ninth broke a 7-7 tie in the nightcap.

The Giants blew a 3-0 first-inning lead when Bobby Thomson hit his 21st homer with a man on. Ted Kluszewski's solo homer off starter George Spencer and a bases-loaded homer by rookie Johnny Temple off Jim Hearn gave the Reds a big five runs in the second.

Bobby Hofman homered in the second and Sal Yvars smashed another in the fourth to tie the score at 5-5. After Ted Kluszewski's two-run triple in the fifth sent the Reds out ahead, Don Mueller's 11th homer with Billy Rigney on base in the seventh tied it up again at 7-7.

Al Corwin received credit for the first game win with relief help from Max Lanier and Hoyt Wilhelm. Once again old reliable Wilhelm, making his 68rd appearance, baffled the boys with his knuckler, retiring the last five men in succession to nail down the win.

Monte Irvin's fourth homer and successive triples by Bobby Thomson and Hank Thompson led the Giants' 13-hit attack.

ARGO TOUCHDOWN . . . A dazzling passing and running attack directed by quarterback Nobby Wirkowski gave Toronto Argonauts a 48-0 victory over Montreal Alouettes. A crowd of 18,700 saw Argos for the first time in Big Four League action at home this season. Here Ulysses Curtis, swift Argo back, takes the first of three touchdown passes thrown by Wirkowski to cross the Alouettes' goalline, ahead of Als' lineman Chuck Anderson (48).—(CP photo.)

Maxim To Be Reinstated On Signing With Moore

By MURRAY ROSE

NEW YORK, Sept. 12 (AP)—Bob Christenberry told manager Jack Kearns today to bring in a signed contract for a title clash between light-heavyweight champion Joey Maxim and Archie Moore and his and Maxim's suspension would be lifted.

Christenberry, chairman of the New York State Athletic Commission, suspended the champion and his manager for an indefinite period Aug. 26 for failing to honor an agreement calling for Maxim to fight Britain's Randy Turpin in London this month.

Kearns told Christenberry and other members of the commission today that he was trying to arrange a title bout with Moore, perennial No. 1 contender, but that he was handicapped in the dickering because of the suspension.

"Bring me a signed contract for a fight with Moore," said Christenberry, "and your suspension will be lifted."

The commissioner said he told Kearns the day he was suspended the ban would be removed when Maxim signed for a defence against the 36-year-old Moore.

MOORE OVERDUE

"Moore has been the No. 1 contender for many years," said Christenberry, "and is entitled to the first chance. As a matter of fact, Moore's manager, Charley Johnston, posted a challenge and a forfeit check with us long before the Maxim-Turpin-Solomons affair was brought to our attention.

"Furthermore," Christenberry added, "both the managers of Maxim and Moore have told us they would be ready to fight Turpin soon after the first title fight."

Three days ago in Montreal, the National Boxing Association, after discussing the Maxim-Turpin-Robinson affair, ordered Maxim to defend his title against Moore within 60 days, the winner to fight Turpin, within 90 days.

FAST START

NEW YORK, Sept. 12 (AP) — Floyd Patterson, Olympic middleweight champion, scored a technical knockout in his professional debut tonight, stopping Eddie Godbold in 2:30 of the fourth round at St. Nicholas Arena.

Patterson weighed 164½ and Godbold 163.

Cuban Team Tops in 9th Big Tuna Derby

BY JACK BRAYLEY
Canadian Press Staff Writer

WEDGEPORT, N.S., Sept. 12 (CP) — Cuba today won the ninth International Tuna Tournament — a tournament that will go down on the records for exciting climax and discovery of a new and well-stocked fishing ground.

The result of the three-day big game fish world series was in doubt until the last of today's big, fat catch of eight bluefins was balanced on the official scales.

It was Cuba's third victory since the tournament began in 1937.

In the last few hours of the match five fish struck and were boated and Mexico, previously scoreless, got into the running in an impressive way to challenge the big three — Cuba, the United States and British Commonwealth.

Brazil was saved from a blanking by landing a 302-pounder, smallest fish of the tournament while the sixth entry — Venezuela — went strike-less.

The standing, based on a pound-age and bonuses for the most and biggest — for the day and for the match:

First, Cuba, 3009 points, with today's double kill, a 480-pounder landed after 30 minutes by Thorold Sanchez and a 600-pounder landed after 45 minutes by Ramon Del Collado; a 749-pounder largest of the tournament, caught yesterday, and a 500-pounder caught Wednesday.

Second, United States, with 2395 points, a 685-pounder, largest of the day, landed after 50 minutes by team captain Alfred Glassell, Houston, plus a 540-pounder caught yesterday and a 670-pounder caught Wednesday.

Third, Mexico, 2000 points with today's triple kill, most in one day, a 519-pounder landed in 45 minutes by Aurelio Huerto, a 661-pounder landed in 35 minutes by Roberto Arreola and a 620-pounder landed in 45 minutes by Jose Fuentes.

COMMONWEALTH TEAM FOURTH

Fourth, British Commonwealth, 1640 points, with today's 579-pounder landed in 50 minutes by Major Cyril Frisby of London, Eng.; and Wednesday's double kill weighing 558 and 303 pounds respectively.

Fifth, Brazil, 302 points, with today's 302-pounder landed in 22 minutes (the fastest time of the tournament) by Raymundo Maya.

Sixth, Venezuela, no fish.

All today's fish were caught on the new fishing ground at the wide mouth of the Tusket River although the competitors did try their lines on Famous Soldier's Tip for a brief midday interval during the slack tide period when the tuna are supposed to be especially active.

'Peg Legion Cops West Fastball Title

WINNIPEG, Sept. 12 (CP) — Winnipeg Ukrainian Legion tonight captured the Western Canada senior men's softball championship, walloping Edmonton Dittrichs 16-0 in the fifth and deciding game before about 3000 fans.

Lou Lucki, ace righthander, picked up his third victory in the best-of-five series. He won a 17-inning 2-0 triumph in the second game and pitched a 3-0 no-hitter in the fourth game last night. His win tonight ran his scoreless string to 35 innings in the series, pitching three games in four nights.

Dittrichs, minus the services tonight of playing-coach Colin Kilburn and leftfielder Doug Anderson — both away at hockey camp — won the first game 9-6 and the third 6-1.

It was the first Western championship for Manitoba since 1946 when Winnipeg Globelites took the honors. They succeed Vancouver Girodays. It was understood the West will not challenge for Dominion honors this year.

Rochester Sweeps Int'l Semi-Final

By The Canadian Press

Rochester Red Wings advanced into the final round of the International League Governor's Cup playoffs Friday night by defeating Syracuse Chiefs 5-2 for a clean sweep of the best-of-seven semi-final series.

Toronto Maple Leafs downed Montreal Royals 5-1 in the third game of their semi-final series, in which Montreal now leads 2-1.

Veteran knuckleballer Al Papai, recalled from Houston of the Texas League last week, went the route for Rochester, giving up only six hits. Bobo Holloman, who retired for a pinch-hitter after giving up 10 hits in seven innings, suffered the loss, his second of the series.

W.I.H.L. Meet At Spokane Today

Western International Hockey League executive will gather in Spokane today to complete plans for the forthcoming season.

Major item of business at the meeting is likely to be finalizing of the 1952-53 schedule, slated to open Oct. 18. New president Harry Roblee, of Spokane, who succeeded Ed Benson of Trail at the Summer meeting, will be in the chair.

A four-man delegation will make the jaunt from Nelson, including Maple Leaf President Frank Hufty, vice-president Stan Smith, executive member Vincent Fink and league vice-president Walter Duckworth.

O'Doul To Stay In Coast Loop

SAN DIEGO, Sept. 12 (AP)—The San Diego baseball club and Lefty O'Doul announced today he will be back as manager next year.

The announcement put to rest reports the dean of the Pacific Coast League's Pilots was going to the majors or to Oakland, another P.C.L. club.

San Diego's president, Bill Starr, said O'Doul, 54, had signed for his 19th year as a coast league manager.

Nelson, Trail Jaycees Play Ball Sunday

It will be "Take Me Out to the Ball Game" for Nelson Junior Chamber of Commerce Sunday.

The Jaycees will journey to Trail Sunday to play Trail club "just to see wh ohas the best team and for a friendly get together," says Ronald Gorsline, Nelson Jaycee.

Wives will accompany the club to the game which will be the first this season. A return visit is expected from Trail Sept. 21.

Inter-games between Trail and Nelson began last Winter when the clubs got together and played hockey. They plan to continue their informal hockey games again this season.

E. Roberts, Mrs. Casemore Win Whist

Nelson Joymakers opened their season Thursday night.

Winning in progressive whist were Eli Roberts and Mrs. L. Casemore. Men's second went to Mr. S. J. Newell and ladies' second to Mrs. M. Johnson. There were 11 tables in play.

William Sommers was master of ceremonies for whist and Albert Smith for the dance.

Kitchen committee was Mrs. J. DeGirolamo, Mrs. A. McIntyre and Mrs. Mitchell.

CLEVELAND, Sept. 12 (AP) — Cleveland Barons of the American Hockey League today announced a working agreement with New Haven of the Eastern United States Hockey League.

Confirming reports from New Haven, the Barons said New Haven is its fifth farm club.

NEW YORK, Sept. 12 (AP) — Apheim Stable's Quiet Step, who had been chasing the top notchers all season, found a field he could handle today when he won the Sheepshead Bay purse over 1 1-16 miles at Aqueduct.

75,000 Fans Expected For Six Canadian Grid Tilts Today

By The Canadian Press

Approximately 75,000 football fans from Toronto to Regina and intermediate points will watch 12 Canadian senior clubs in action Saturday and, as usual, they are as mixed up on the results as the experts.

Only two of the six games shape up as lead-pipe cinches, both in the Ontario Rugby Football Union. Toronto Balmy Beach is a prohibitive favorite to knock over the winless Windsor Royals and Sarnia Imperials, the powerhouse of the union to date, should have it easy at Brantford Redskins.

Form, as demonstrated the last couple of years in the Big Four and Western Canada Unions, doesn't mean much.

Montreal, only winless club in the Big Four, isn't rated very highly against the Tiger-Cats at Hamilton but the football filberts wouldn't be too surprised if the Als present Coach Peahead Walker with his first league victory since he took over this year.

The experts are practically handing Toronto Argonauts their third straight victory of the season in their game at Toronto with Ottawa Rough Riders, Grey Cup champions. Riders didn't look too impressive in their opening games — a 32-28 victory over the Als in the season's opener and a 30-8 shellacking from Tiger-Cats at Ottawa last week.

Riders will play without two key backs, Bill Stanton and Pete Karpuk, both on the injured list, and quarterback Tom O'Malley, on whose good right arm depends the Riders' passing attack, will play with a sore arm, received in the Tiger-Cat game.

The Ottawa-Toronto, Montreal-Hamilton games complete the circuit first time around for the Big Four teams.

In the West, it's Calgary at Regina and Edmonton at Winnipeg.

BOMBERS STRENGTHEN

The Blue Bombers will have scatbacks Tom Casey and Gerry James back after three-game layoffs due to injuries and their return should give the western conference leaders the edge over Eskimos. Bombers have nine points, three up over Calgary Stampeders, and win or lose they'll hold the No. 1 spot.

The Stampeders, the early-season Lot shots with three straight victories, haven't been able to get into the win column in the next three and Saturday may be their day. Regina will present practically an all-freshman backfield, pivoted by quarterback Doug Belden who will take over from coach Glenn Dobbs.

SENATORS BAR TV IN '53

WASHINGTON, Sept. 12 (AP) — Washington Senators won't televise their home baseball games next year.

In announcing this today, Clark Griffith, club president, gave no reason for the decision. Although the team has been much improved this season, attendance has dropped slightly.

Twenty of Washington's home games were televised. All of the Senators' games were reported by radio.

Season's Opening Spiel Set For Seattle Sept. 25

SEATTLE, Sept. 12 (CP) — The Seattle Curling Club will sponsor its first international bonspiel here Sept. 25 to 28.

The bonspiel will be limited to 40 rinks, officials said today. Prizes will be given in four events. Entries are expected from Alberta, British Columbia and Idaho.

Quilchena Club To Get New Course

VANCOUVER, Sept. 12 (CP) — Vancouver's Quilchena Golf Club will have a new $350,000 course.

Lease on its present site experies Dec. 31, 1953, and Club President Ernie Farmer announced today property for a new course has been acquired at the foot of MacDonald Street close to the Marine Drive Golf Club.

The present property on Arbutus, owned by the C.P.R., will be used for a housing development. It has a value of $2,000,000.

"SUCH CRUST" DRIVER RELEASED FROM HOSPITAL

SEATTLE, Sept. 12 (AP) —Wild Bill Cantrell, seriously burned when the "Such Crust IV" exploded during the Gold Cup speedboat race Aug. 9, has been released from hospital and prepared today to head back home to Detroit.

Such Crust blew up early in the second heat of the race, throwing the driver into the water. He was rescued by the Coast Guard, badly burned about the body and arms.

Windup Tourney For Nelson Courts Sunday

Nelson Tennis Club will hold its windup tournament of the season Sunday with a mixed doubles event open to all club members.

President Bob Cornwall has invited particularly those players who haven't participated in previous tournaments this year. Club membership is over 40. There is no entry fee.

The courts are in excellent shape, he also points out, as they have been for the entire season. Laurie Lefeaux is in charge of entries and draw, with the event scheduled to get under way at 10 a.m.

WOMEN'S BALL FINALS RESUME HERE SUNDAY

Nelson Royals and Castlegar Kats renew their nip-and-tuck West Kootenay Women's Fastball finals here Sunday evening.

The teams are deadlocked at one game apiece with one game tied in the best-of-seven series with the Royals copping the first 13-11, the defending champs coming back to take the second 16-11 and then rallying to tie the Royals 8-8 in the third tilt.

Royals are expected to be in top shape with the possible exception of catcher Elsie Appel who injured a finger in Wednesday's game and is a doubtful starter.

BULLA LEADS IN EASTERN OPEN

BALTIMORE, Sept. 12 (AP) — Johnny Bulla, former airlines pilot, climbed into sole possession of the halfway lead in the Eastern Open golf tournament today by clipping seven strokes off par with 137 for 36 holes.

The 38-year-old veteran pro shot a 69 to go with his 68 in Thursday's opening 18 holes.

The pack chasing $15,000 in total prizes still was hot on Bulla's trail, however.

Sam Snead played with Bulla and pulled up a stroke behind him at 138 by reeling off a second-round 67.

Doug Ford whizzed around in 66. The sensational round moved Ford into a third place tie at 139 with Jimmy Clark and Earl Stewart Jr.

Good Season for Western Hockey League Shaping

SEATTLE, Sept. 12 (CP) — Headquarters of the Western Hockey League said today season ticket sales have been brisk in league cities, with a marked increase at Saskatoon New Westminster and Tacoma.

Edmonton got the training jump. Coach Bud Pile has had some of his prospects in camp with Detroit at Sault Ste. Marie, Ont., since Sept. 8.

Saskatoon Quakers, last year's playoff champions, won't start training until Sept. 28 because their rink will be occupied until then. The Quakers will open at home against Calgary Oct. 8.

The Stampeders will start training Sept. 20 and Tacoma and Seattle Sept. 22. Victoria Cougars will begin home training Sept. 28 after some prospects try out at the Montreal camp starting Sept. 15.

Vancouver Canucks will train at Penticton, B.C., starting Sept. 22. New Westminster Royals, defending champions, will open camp the same day at Kelowna, B.C.

A total of 280 games will be played between Oct. 8 and March 22.

TULYAR FAVORED IN ST. LEGER

LONDON, Sept. 12 (AP) — Tulyar, the Aga Khan's outstanding three-year-old, is the almost unanimous choice of turf experts to win Saturday's 176th running of the St. Leger — last British racing classic of the year.

A field of 14 — 13 colts and one filly — is expected to go to the post at Doncaster track.

The winning purse will be $44,577, making the mile, six furlongs and 132 yards race the richest St. Leger ever.

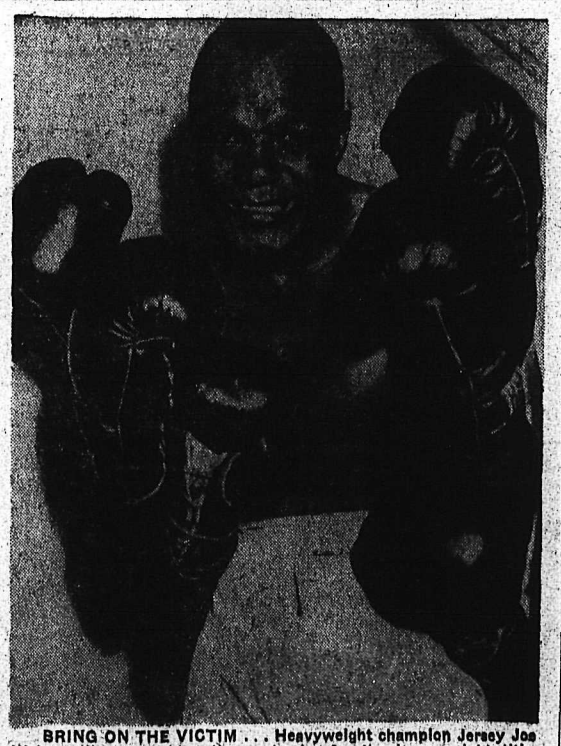
Tulyar has won six races this year, including the Derby, the Eclipse Stakes and the King George VI and Queen Elizabeth Stakes at Ascot — Britain's richest event.

The Aga Khan's colt, biggest money winner in British racing history, to date has won purses totalling $170,231.

Dodgers Dip for Pitching Help

BROOKLYN, Sept. 12 (AP) — Brooklyn Dodgers, trying desperately to fortify their pitching staff for the stretch drive against New York Giants, announced today they are recalling Chris Van Cuyk, towering lefthander, from Pueblo of the Western League.

Van Cuyk, former Montreal Royals hurler in the International League, who had been counted upon strongly this year by the Dodgers, did not live up to his promise and was sent down several weeks ago.



BRING ON THE VICTIM . . . Heavyweight champion Jersey Joe Walcott illustrates what the contender for the heavyweight title, Rocky Marciano, will see the night he tries to wrest the crown away from Joe. Walcott and Marciano are scheduled to fight in Philadelphia on Sept. 23.

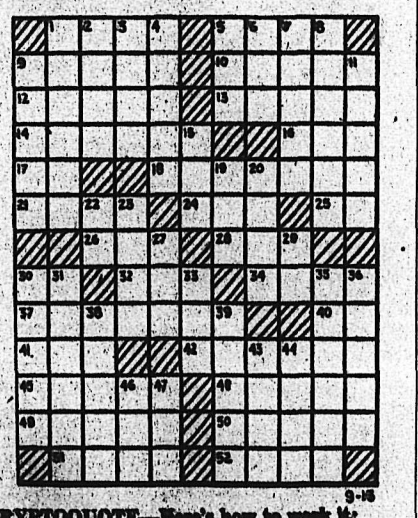
Yesterday's Answer
46. Auditory organ
47. Feminine pronoun



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X E
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

V X B Y O I V S I W O B E M V F B H N A X M E M D I B H — B Y B I A M B.

Yesterday's Cryptoquote: A VERSE MAY FIND HIM WHO A SERMON FLIES, AND TURN DELIGHT INTO A SACRIFICE —HERBERT.

Market Trends

NEW YORK, Sept. 12 (AP) — After a one-day breather, prices continued their decline which has been going on more or less without interruption for 1½ weeks.

Canadian issues were mostly lower. International Nickel fell ⅜, Canadian Pacific ⅛ and Distillers Seagram ⅛. McIntyre and Hiram Walker both remained unchanged and Dome Mines was up ⅛.

TORONTO (CP) — Prices weakened in moderate trading toward the close and only golds held firm.

Industrials drifted downward from a weak opening while golds gradually gained strength, easing slightly toward the close. Base metals and Western Oils gradually lost strength during the session.

MONTREAL (CP) — Prices fell off slightly towards the close.

Most prices pointed fractionally lower in afternoon dealings. Canada Cement featured the market with a five-point jump to a new high of 80½ on recurrent rumors of a stock split. The issue later turned back a minor fraction from the high.

LONDON (Reuters) — Trading was quiet. There appeared to be little disposition to operate other than routine business.

Government securities showed a few small gains reflecting some quiet support together with small-scale short covering.

Warm Weather Melts Californian Snow

SAN FRANCISCO, Sept. 12 (AP) — Highway traffic in high Sierra passes returned to normal today as warm weather moved in to melt Thursday's unseasonal eight-inch snow.

Aubrey Bennett, 37, of Truckee, was drowned when his logging truck skidded on Highway 40 and plunged into the Truckee River at Verdi, Nev.

SMUGGLING COSTS $400

BURNABY, Sept. 12—Two Nakusp residents were fined a total of $400 when they pleaded guilty in police court here today to charges of smuggling. Goods worth $399 were seized.

Magistrate G. A. Grant fined Alexander H. Leitch and Russell E. Palmer the minimum $200 fine allowed under the Customs Act.

May 5 the pair entered Canada at Douglas border crossing and made out declaration slips.

Australian Employers Apply for Permission To Cut Basic Wages

By GRAEME BROOKS

MELBOURNE (Reuters)—Against a background of depression talk, the Australian Federal Court, for the second time in 20 years, is considering employers' applications for a cut in the Australian basic wage.

The court has also before it union applications for an increase in the basic wage.

The basic wage now is 11 pounds, seven shillings Australian ($24.50). An Australian pound equals $2.24.

Australia's first basic wage as such was fixed by the Federal Arbitration Court in 1907. It was about $2.60 a week and was considered adequate for a family of five.

CUT DURING 30s

In 1922 the court approved the principle of "loadings" or lump additions to the base rate and quarterly cost-of-living payments.

With the depression of the 30s, the court approved a 10-per cent cut, but in 1934 fived a new schedule which brought the over-all average to $7.27.

In 1937, the combined unions received a loading averaging 55 cents, which brought the base wage up to $8.37.

Hearings on union pleas for a further loading were put off in 1940 by the war but in 1946 the court granted an interim raise of 77 cents and in 1950 the average base rate rose to $18.14. The 1950 increase added $246,400,000 to ths national payroll.

The cost-vs-wages battle entered another round as adjustment after adjustment sent wages up an by August of this year the average base wage was $25.40.

Wage rates actually paid in the Commonwealth vary from state capital to state capital and town to town, but few if any workers earn less than several pounds above the basic wage, since the labor supply only now is beginning to catch up with demand.

LIVING BONUS ADDED

Also, the quarterly cost-of-living adjustments are added to all pay envelopes—in Victoria state even to those of politicians.

Base rates for women now are generally 75 per cent of the rates for men and in their application before the court, the employers ask that women get only 60 per cent of the male rate and that the 44-hour work week be reinstituted.

They claim the basic wage raises given in the last two years have added $1,046,080,000 to the national payroll.

The court action has been brought by organizations representing the biggest employer interests. Originally it named only the major Metal Trades Unions which comprise nearly half the more than 1,000,000 Australian factory workers. Since then, employers have served similar claims on timber workers, transport and furnishing trades unions.

A decision by the court on the employers' pleas is not expected before next year.

Weary Folk Find Rest in Retreat

COCHRANE, Alta. (CP) — Tucked away in the southern Alberta foothills, 30 miles from Calgary, is an unusual hideaway where careworn folk come to forget their worries and take stock of themselves.

The Mount St. Francis Retreat House, operated by the Franciscan Fathers of Cochrane, was a guest ranch until the Franciscans took it over.

Now, two retreats weekly are held at the attractive home. They alternate for men and women and are open to anyone over 18 years of age, Protestant or Roman Catholic. The house accommodates 32 in Summer and 24 in Winter.

Occupants must observe 50 hours of silence, a quiet sometimes described as mental therapy. The restful atmosphere soothes frayed nerves and offers an opportunity to think quietly over problems.

The guest book lists occupations from pastry cook to doctors. Some retreats are for business girls, others solely for teachers. Some of the big names in sport attend frequently.

British Soldiers Returned by Russ

BERLIN, Sept. 12 (AP) — Three British soldiers missing in the Russian zone since last Tuesday have been returned to British authorities in Berlin, it was announced today.

A British Army spokesman said the three were apprehended by Communist East German police whe nthey inadvertently drove off the super-highway through the Russian zone on their way from Berlin to West Germany.

They were identified as Cpl. Sidney Wills, 39, Pte. Collin Murray, 19, and Pte. John Young, 20. All three are attached to the Royal Scots Regiment.

Earlier Thursday, the Russians had released two British Army officers arrested by Communist People's Police in the Soviet sector of Berlin for taking photographs and detained for more than two days at Soviet headquarters.

WORKS MINISTER AT CHURCH PARLEY

VANCOUVER, Sept. 12—B. C.'s Works Minister, Rev. P. A. Gaglardi was to speak in Montreal Thursday at the opening of the national conference of Pentecostal Assemblies of Canada.

Mr. Gaglardi is pastory of Calvary Temple, Kamloops. His conference address is listed as "non-political".

The conference will name a new general superintendent to succeed Rev. C. B. Smith, who resigned to take a Victoria pastorate.

Other British Columbians at the parley include Rev. L. E. MacAllister of Broadway Tabernacle, Vancouver; Rev. E. W. Robinson of North Vancouver, principal of B. C. Bible Institute, and Rev. P. S. Jones of Victoria, district superintendent of the Assemblies.
