Malenkov Admits Leaders' Guilt

Denies Knowledge of Violent Reaction To Serov's Visit; Says War Alliance Root of Trouble in Middle East

LONDON (Reuters)—Georgi Malenkov, who was Stalin's right-hand man and heir, Thursday openly criticized the "cult of personality" under which his old master ruled Russia.

But he did it without once mentioning Stalin by name under a barrage of questions from 200 reporters at a press conference here.

"We decided to oppose the cult of personality because in this way a person would be worshipped and endowed with supernatural features. The whole thing belittles the Communist party as a whole."

The portly former premier, nearing the end of a three-week tour of Britain, was asked whether he felt any sense of guilt for his part in the Stalin purges of the 1930s.

Without batting an eye, he said: "We always feel responsible for the shortcoming and errors which we have made. We openly admit them to our people, and this helps to rectify the position."

He adroitly gave vague answers to some awkward questions and completely ignored others such as: "What do you consider were Stalin's greatest achievements?"

Asked whether he was related by marriage to Nikita Khrushchev, who succeeded him as one of Russia's topmost leaders, Malenkov said he was not and referred to "my very great friend, Khrushchev."

EVASIVE ANSWER

Asked whether he had seen the violent reaction to the recent visit to Britain of Russian security chief Gen. Ivan Serov, Malenkov blandly replied: "We did not notice any feelings against our generals, including Gen. Serov."

This brought cries of "oh" and "read the papers" from correspondents.

He opened the press conference with a long statement praising British technical achievement and the hospitality and friendship the delegation had found in Britain.

"There may be some persons who do not like the growing contacts between our countries and peoples," he said. "However, we realize it is a small flock which does not have some black sheep and that the black sheep do not give the true feelings of the people."

WAR ALLIANCE

This is how Malenkov dealt with other questions hurled at him:

How did he think Russian rearming of Egypt helped to prevent war. Couldn't this aid be used for the destruction of Israel?

"The cause of tension in this part of the world is not Egypt. It is the creation of a war alliance. The people of the Middle East, who long for independence, are entitled to choose their own policy in getting independence and this applies to their policy. We stand for the consolidation of peace in the Middle and Near East as in all parts of the world."

What about friendship between Russia and the United States?

"Our aim is to bring about an improvement of relationship between the Soviet Union and Britain, and at the same time between the British, Soviet and American people."

TOOK PLANE FOR SPITE

SAO PAULO, Brazil (AP) —A discharged airlines mechanic who had never flown before stole a DC-3 twin-engine from Sao Paulo airport Thursday and kept it in the air for three minutes.

He crash-landed in a residential neighborhood, narrowly missing a nursery packed with children, and walked away from the wrecked plane with the seat of his trousers torn.

Police said Olimpio Martins was fired Wednesday by Real-Aerovias Airlines and wanted to get even with the company. They gave this account of the incident:

Martins started drinking after he was fired. In the early morning he returned to the airport and saw the empty DC-3 standing on the line ready for service. He climbed in.

Says NATO Forces None Too Strong

By GEORGE McARTHUR

PARIS (AP) — Gen. Alfred M. Gruenther said Thursday Western Europe's forces still are not strong enough to stop short an all-out ground attack but that massive airpower would defeat an aggressor.

The supreme commander of the Allied powers in Europe added, however, that forces of the North Atlantic Treaty Organization will still "fight hard and valiantly for any NATO territory threatened by an aggressor.

Five Russian Women To Meet Canadian Women

TORONTO (CP) — The Congress of Canadian Women said Thursday it is preparing for the arrival early next month of five Russian women visitors.

Arrangements were being made for the Russians to meet Canadian women's group during a three-week visit.

TO AID MOROCCO TO INDEPENDENCE

MADRID (AP) — Generalissimo Francisco Franco Thursday night pledged all-out aid to Morocco in its quest for independence and unity.

Franco spoke at the opening of negotiations between Spain and Spanish Morocco to make effective the independence promised the protectorate. Spain has ruled its part of Morocco since 1912.

France also has promised independence to French Morocco but terms have not yet been spelled out.

Franco spoke in response to a speech by Sultan Mohammed Ben Youssef who promised that Spanish rights in Morocco would be protected.

DOLLAR UNCHANGED

NEW YORK (CP) — Canadian dollar was unchanged at a premium of 5-32 per cent in terms of U.S. funds Thursday. Pound sterling unchanged at $2.80 11-16.

THE PATH OF DESTRUCTION of the tornado which hit Miami, Okla. April 2 can be seen clearly as it destroyed this farm house on the outskirts of town. Trees were blown over, then the house ripped and the twister continued on across a road dropping debris along a wide area. No one was killed in this area.—AP Wirephoto.

FLOOD FEARS RISE

Manitobans Expect Red River to Run Near Peak

MORRIS, Man. (CP)—Residents of this southern Manitoba town on the west bank of the Red river have their fingers crossed.

They fear the worst when the Red sheds its ice this spring. Experts have forecast a "serious" flood threat on the Red and extremely unfavorable weather conditions would cause the river to rise to within two feet of the 1950 disaster peak at Morris and to within four feet of the peak at Winnipeg.

Six years ago 2000 residents of Morris, located 60 miles south of Winnipeg, were made homeless. Some 126,000 acres of surrounding farmland were flooded and the town was covered with five feet of water.

But the town is preparing for it this time.

Business are already moving their equipment to higher ground. Plans are being made to move out all the patients from the 21-bed hospital.

A meeting was to be held Thursday to discuss the problem of storing thousands of bushels of grain threatened by a possible flood.

Record Trade Deficit Noted

OTTAWA (CP) — Peak buying in foreign markets brought a record deficit of $93,100,000 in the first two months of 1956, some 32 times greater than the $2,900,000 deficit of the similar 1955 period.

Both imports and exports rolled ahead in the big international economic upsurge, but the rate of buying far outpaced sales, tending to add to Canada's foreign debt.

Exports in February rose by more than $50,000,000 to $352,000,000 from $301,500,000 last year, boosting the total for the first two months to $718,100,000, a rise of more than $100,000,000 from $611,600,000 a year ago, the bureau of statistics reported Thursday.

But with Canada greatly in need of machinery and tools, equipment and materials to feed her expanding economy and her rising consumer market, imports rose in February by $100,000,000 to $407,100,000 from $307,900,000 last year.

SUNDAY SPORT STILL UP IN AIR

VICTORIA (CP) — Premier Bennett said today the Sunday sports issue is a "very difficult matter" and "it is very hard to tell what we can or cannot do."

The premier said he had conferred with mayor Fred Hume of Vancouver for almost two hours Wednesday and the question of Sunday sport for Vancouver this year was raised.

A reporter asked Mr. Bennett whether there would be no Sunday sport for at least a year.

"I couldn't say," he replied.

Premier Bennett said "There is a federal act. The federal house is in session in Ottawa . . ."

"Are you putting it up to the federal government?" a reporter asked.

"I am not putting it up to anybody," Mr. Bennett said.

"Ontario appears to have found a way to get around the federal act," another reporter said.

"I am not a lawyer, I don't know the legal technicalities," said the premier.

APPEALS REDUCTION BLAST ROCKS PLANT

PETERBOROUGH, Ont. (CP) — Eighteen men were thrown off their feet and four of them injured when an explosion rocked the Canadian Raybestos Manhattan Ltd., plant Thursday. Delbert Gardiner, 47, foreman at the plant, was severely injured. He was hit by a 400-pound lid that blew off a boiler and shattered a knee-cap. The explosion erupted in a vulcanizing room where brake hose poles are finished.

MERGER ANNOUNCED

TORONTO (CP) — Merger of Nib Yellowknife Mines Ltd. and Endeavor Mining Corporation and a change in name to Mining Endeavor Co. Ltd. has been approved by shareholders of both companies, it was announced today.

Shareholders of Nib Yellowknife will receive one share of the new company for every five Nib shares held and Endeavor Shareholders will receive shares on a share-for-share basis.

FRANK B. BOYCE, 13, from Elizabeth City, N.C., joyfully displays his "Boy of the Year" plaque in New York City after a ceremony staged by the Boys' Clubs of America. Frank was chosen from among the 450,000 club members throughout the nation, ranging in age from seven to 20. Frank received the award for his "service to home, church, school, community and Boys' Club."—AP Wirephoto.

Jumbo To Be Studied Board of Trade Told

WINDERMERE — Windermere District Board of Trade heard a letter read from Elmore Philpott, Liberal MP for Vancouver South, quoting Hon. Robert Winters, Federal Minister of Public Works.

The letter from Mr. Philpott reads in part: "I have strongly urged of the minister of public works a thorough survey of the Jumbo Pass before there is any final decision on the re-routing of the Trans-Canada Highway.

"He informs me that, while the selection of the route is the primary responsibility of the provincial government, we may rest assured that the Federal government will give no approval to any decision to re-route until a thorough investigation is made of all available routes, including the Jumbo Pass."

L. S. Oulton, president of the Windermere Board of Trade, said "This is what the Windermere District Board of Trade and other boards of trade in southeastern B. C. have been fighting for for three years. If the promise is kept in full, we will be satisfied."

Stock Market Sets Record

TORONTO (CP) — The Toronto stock exchange Thursday steam-rollered its way to a record-shattering volume of 13,664,000 shares. The big push began at the opening and continued without letup until the close.

The previous record of 12,064,000 shares, set Feb. 21, was toppled by 700,000 shares.

Although final figures were still to be compiled, exchange officials estimated that records of 21,000 transactions in one day and about $30,000,000 total value, both marked up Tuesday, might be surpassed.

The ticker tape reporting floor transactions ran up to 20 minutes late in morning dealings, caught up about 1:30 p.m. and fell about five minutes behind again in the final half-hour.

Behind the huge volume was some furious trading in speculative copper and western oil stocks. Although the market was fairly mixed, selected issues in all divisions moved ahead smartly on special situations. Industrials had a mixed day.

Trek Cut Short

NEW WESTMINSTER, B.C. (CP) — The first two miles of a planned 7000-mile hike were the last for Harry Livingstone, 69-year-old war veteran.

Pushing a wheelbarrow up the first hill out of New Westminster, he suffered a slight heart attack and was taken to Shaughnessy Military Hospital by Canadian Legion officials.

Mr. Livingstone had planned to push the barrow to Ottawa, then south and back to the Pacific Coast through the southern part of the United States.

His wheelbarrow carried a few belongings and a sign which said "Ladysmith to Ottawa."

LAWYER FINED

TORONTO (CP) — A lawyer charged with defrauding two elderly United States women of $27,542 in stocks and securities was sentenced to two years less a day by Magistrate W. W. McKeown Thursday. George Hilts, 47, pleaded guilty. Defence counsel said Mrs. Edith Saunders and Mrs. Mollie Parker of Connecticut, could make application to the law society for compensation.

PERFUME, FLOWERS FOR BALLERINA

LONDON (AP)—Former Soviet Georgi Malenkov sent a bottle of Russian perfume called "Night" and a huge bouquet of tulips to British ballerina Margot Fonteyn Wednesday night. Malenkov, who is on a tour of Britain, made the gifts after watching Miss Fonteyn perform in Cesar Franck's Symphonic Variations at the Covent Garden opera house.

Massey Home After 10,000 Mile Air Tour

OTTAWA (CP) — Governor-General Massey arrived by air in Ottawa at 6:40 p.m. Thursday night, ending a 10,000-mile aerial tour of the vast northland that included a flight over the north pole.

The governor-general looked fit and well as he stepped down from his RCAF North Star after a flight from The Pas, Man., last stop on his three-week journey.

Wearing a brown suit, a sweater and a blue parka, he shook hands warmly all round with government and diplomatic officials on hand to greet him,

"I enjoyed every minute of it," he said.

Arriving with him were his secretary-son, Lionel Massey, and Lionel's wife, who suffered an attack of influenza at The Pas. She was given penicillin at the northern Manitoba point and continued the journey here with the party.

FLIES OVER POLE

The governor-general took off March 20 and on March 31 made history by becoming the first vice-regal representative to fly over the north pole. Over the pole, he dropped a canister of documents to mark his passage.

On his trip he visited Frobisher Bay, on the southeast coast of Baffin island, and Resolute, on the southern tip of Cornwallis island. Resolute was the jumping-off point for his polar flight.

He later saw the storied land of the Yukon.

During the trip the governor-general met Eskimos, took part in drum dances and other native festivities, visited missionaries and northern policemen and took short trips by dog sled.

Cease-Fire Called in Bloody Gaza Battles

UN Truce Chief Sets Deadline; 42 Arabs Reported Killed, 103 Wounded

By WILTON WYNN

CAIRO (AP)—Fighting blazed along the Egyptian-held Gaza strip of Palestine Thursday on the eve of the new top-level UN effort for peace between Arabs and Israelis.

The Egyptian Army reported late Thursday night that Israeli attacking forces killed 42 Arab civilians and wounded 103 in the day's battles.

Maj.-Gen. E. L. M. Burns of Ottawa, the UN truce chief, asked both sides urgently to cease fire. Burns set a midnight deadline for compliance.

A Jerusalem report late Thursday night said an Israeli-Egyptian artillery duel on the Gaza coast lasted until dusk.

Burns hoped to have the front quiet for the arrival of his chief, Secretary-General Dag Hammarskjold, who is making the big effort for peace at the behest of the UN Security Council. The council acted Wednesday and Hammarskjold is leaving New York for the Middle East Friday.

SOLDIERS WOUNDED

The latest outbursts between Israel and the Arabs began Wednesday in small clashes on both the Gaza strip frontier and the Israeli border with Syria.

In the Thursday battles, an Egyptian military spokesman said, seven Egyptian soldiers were wounded in addition to the civilian casualties. Among the dead he listed were 29 men, 11 women and two children. Twenty-five women and 11 children were among the wounded.

The losses occurred in the towns of Gaza, Deir el Balah and Khan Yunes inside the Gaza coastal strip, the spokesman said.

Each side blamed the other for starting the clashes.

A statement issued through an Egyptian Army spokesman said:

"Israel purposely tried to provoke Egyptian outposts with small automatic fire and the exchange between the two sides was aggravated when Israel artillery took part in the attacks. The artillery shelled Egyptian outposts and the Deir el Balah area.

ARTILLERY JOINS IN

"Today at 1 p.m., local time, an Israeli patrol exchanged fire with one Eyptian outpost and at the same time Israeli artillery shelled Deir el Balah and later shelled Gaza and Khan Yunes and Ayssan.

"It was clear that Israel's aim in doing this was to cause heavy casualties among civilians, as these towns are packed with Palestine refugees."

Acid Tossed in Newsman's Eyes

By ARTHUR W. EVERETT

NEW YORK (AP)—A stealthy assailant, without a word of warning, hurled sulphuric acid into the eyes of newspaper labor columnist Victor Riesel early Thursday. Riesel's eyesight was imperilled, possibly lost.

Only a short time earlier the nationally-syndicated columnist had finished a radio attack on racketeers within the International Union of Operating Engineers. He said he believed the broadcast provoked the attack.

Riesel, 41, had been threatened in an anonymous telephone call three weeks ago against writing any more stories about convicted extortioners within the union.

Asked whether Riesel would lose his eyesight, Dr. Geralimo Bonaccolto, chief eye surgeon at St. Clare's Hospital told reporters:

"The diagnosis is guarded. We will not know for one week. He can see now. It will take, however, about one week before we can tell what the results will be to this vision.

"Both eyes were damaged . . . . It is quite serious but I have hope for the best."

Laing Threatened With Libel Suit

VANCOUVER (CP) — Liberal leader Arthur Laing said here Thursday B.C. seems to be heading for "government by lawsuit instead of government by law."

Mr. Laing Wednesday was notified that he would be sued for libel and Slander in connection with a letter he wrote to mines minister Kenneth Kiernan and read to a public meeting. In it he questioned payment of $47,000 made to Wade and Wells Ltd. of Trail, contractors working on the Cassiar-Stewart road in Northern B.C.

Wade and Wells are suing Mr. Laing.

"I intend to resist to the utmost any attempt to gag me in what I consider by public duty," the ligeral leader said.

"I am concerned that the observations I made on a matter of urgent policy should lead to the launching of a suit against me.

"I have no quarrel with Wade and Wells Ltd., but I do consider it my duty to point out the conduct of public affairs by the government.

"In a democracy an elected member has duties to carry out, and I have been endeavoring to perform them. I shall most certainly defend them.

Want Revision of Effective Living School Courses

VANCOUVER (CP) — B.C. teachers want to take another look at some factors of the health and personal development courses, once known as "effective living."

During the final day of the B.C. Teachers' Federation annual meeting here Thursday, delegates approved a resolution asking the Department of Education to set up a committee to revise the course where necessary.

The teachers also suggested changes in texts for spelling courses. The department will be asked to consider the possibility of getting combined language and spelling books for primary grades because the texts now used are not closely related to reading programs for grades 2 and 3.

Constable Cleared In Man's Death

VANCOUVER (CP) A traffic officer whose patrol car killed an elderly driver at an intersection here March 28 was absolved of blame by a coroner's jury Wednesday.

Killed was Marsh Kenneth MacLeod, 72, who died of multiple injuries when thrown from his small car following the collision.

Witnesses said the police car went through a red light with the siren and red blinker on about 25 to 35 miles an hour.

Constable Engler was on an emergency traffic call.

Sheep Creek Gold Must Pay Extra Tax

OTTAWA (CP) — A British Columbia mining company must pay tax on an extra $32,731 of its 1951 earnings through a complicated interpretation of the income tax appeal board.

Cecil Snyder, assistant board chairman, made the ruling in a judgment issued Thursday dismissing an appeal by Sheep Creek Gold Mines Ltd. of British Columbia.

In effect, it means a company operating one base metal mine and one precious metal mine must lump profits and losses of the two in computing depletion allowances.

The Sheep Creek company operates Zincton base metal mine and Sheep Creek gold mine in B.C. In 1951 it claimed depletion allowances of $124,265 as one-third of the Zincton mine's earnings and $2,744 for Sheep Creek's production on the basis of $4 an ounce. The gold mine lost money.

It appealed when the tax department reduced the claims to $94,278. Depletion allowances are a deduction from taxable income.

The tax regulations state the one-third depletion allowance shall be based on a company's aggregate profits less losses where it operates "more than one base or precious metal mine."

Mr. Snyder said the Sheep Creek company maintained the regulation meant "more than one base metal mine or more than one precious metal mine" but not both.

It is more likely that the expression means 'more than one mie, whether it be a base metal or a precious metal mine'," Mr. Snyder said.

Thus the losses of the Sheep Creek gold mine should be offset against the profits of the Zincton mine.

Mr. Snyder rejected an alternate claim by the Sheep Creek company that the exemption should include one-third of the profits from a third mine it owns —the Paradise base metals mine in B.C. He said that could not be done because the Paradise mine's earnings were wholly exempt under another law permitting a three-year tax-free period for mines.

Clyne Criticizes RCMP Spending

NEW WESTMINSTER (CP) — The RCMP were criticized here by a supreme court justice for "wasting time and money on unnecessary witnesses" at a murder trial.

Mr. Justice J. V. Clyne made the remarks Wednesday during the trial of James Guthrie, charged with murder in the stabbing death of Mrs. Helen Cowan last November.

Mr. Clyne asked that a report of his remarks, on the testimony of two witnesses from the RCMP crime laboratory in Regina, be forwarded to the Attorney-General.

Miss Hazel R. Ross testified that red matter found in the home of the dead woman was blood — either from a human or a monkey.

"Is that the sole purpose she came here from Regina?" the jurist asked.

"Anyone should be able to tell this was blood when a woman was found with her throat cut."

He also pointed out that monkeys are not usually found at murder scenes.

And in This Corner...

OSHAWA, Ont. (CP)—William Pelshok, 32, a self-professed teetotaller, Thursday was fined $100 for illegal transportation of beer.

He was carrying six bottles of beer in a paper bag, said police who saw him place it in a car.

"My friend was going to drink the beer," Pelshok said, "while I watched his television."

LONG BEACH, Calif. (AP) — The town clerk of Brookline, Mass., Arthur J. Shinners, was basking in the sun in Long Beach Wednesday when he received an urgent telegram from home.

Brookline needs Shinners' signature so it can borrow money to pay for around-the-clock removal of the heavy snows which have paralyzed the city.

Reluctantly, Shinners bought a ticket on the next plane east.

VANCOUVER (CP)—Jockey William Marsh, 26, was told in police court to "get a horse" when he pleaded guilty to driving his auto while his licence was under suspension.

"It was the only way I could get to work," Marsh told the court.

"Then maybe you had better make some other arrangement," commented Magistrate Gordon Scott. "It's suggested you get a horse."

EAST GRINSTEAD, England (Reuters)—No litter will be swept in the main streets of this town for a week. The local council decided on this action in the hope that a week's accumulation of empty cigaret packets, candy wrappings and other rubbish will make the townspeople litter-conscious.

Canadian Trees To Be Red Tinged

OTTAWA (CP) — Canadian trees will be crossed with similar species from Russia in a move to increase Canada's timber yield, it was learned here today.

Federal forestry scientists hope the experiment will speed the growth of Canadian timber stands and make them more resistant to damage by insects and diseases.

Use of seed from Russia in Canadian tree-breeding operations was disclosed by R. G. Robertson, deputy minister of northern affairs. The Soviet News Bulletin, published here by the press office of the Russian embassy, says the Scientific Research Institute in Moscow has sent the seeds of Siberian trees to Canada.

Mr. Robertson said the seeds were requested last December by the government through the Canadian embassy in Moscow.

He said seed from several European countries, Japan and Pakistan also were being used in the experiments.

Russia was asked to send seeds of scotch pine and Norway spruce strains found in Siberia and western Russia. Canada agreed to provide Russia with the seed of various types of Canadian trees.

The Russian seed will be planted at the department's forestry experimental station at Petawawa, Ont.

...Speaking of Odds and Ends

Old Sol tried to do his best by us Thursday, but that miserable wind defeated him at every turn and it wasn't blowing from the banana belt. I think it must have been gathering its icy breath from every glacier and frosty mountain peak around. However, with the sunlight streaming through the window and the fire on it was quite a nice day to look at from indoors.

* * *

The wind didn't succeed in foiling the fun of hardy youngsters, though, especially cyclists. They were out in droves taking advantage of the waning holidays, for soon it's back to school for the final big push.

* * *

Boy, was I ever wishing I looked like a small boy Wednesday afternoon as I watched a bunch of them pile into the shiny new fire truck, grins a mile wide. Well, I guess that's half a dozen new firemen coming up.

* * *

And the firemen's art gallery rivals anything the Daily News printers have on display. I think I told you about their cheesecake collection.

* * *

Overheard one of the Daily News staff wistfully commenting he wished he had had a chance to slide down the pole as though it had been one of his secret desires for these many years.

* * *

While I am telling tales on the News here's one that you might enjoy. If any of you have been up to the Editorial Room you will fully appreciate it. A young woman came up to place an ad and not being in any particular rush she looked the room over and said in a dubious tone, "Well it's awfully cluttered but I guess it's an interesting place to work."

* * *

I think most everyone is overcome with the sight of it at first. There are heaps and stacks and piles of papers on every flat surface. Wastebaskets spill over on the floor by the end of the day, everywhere you look there's paper and when a reporter's deck gets past endurance for clutter we jokingly suggest just touching a match to it.

* * *

Don't think this clutter doesn't worry us — it does. Every once in a while we sort it all over and throw out at least one per cent of it and before you know it we have made up the deficiency with scarcely any effort.

* * *

I suppose you did notice in the tenders called column that we are due for a major remodelling job around these here parts. Oh happy day, think of having twice as much space to clutter!

$20,000 Target Set For Community Chest

A goal of $20,000, the same as last year, will be aimed for next month in the annual campaign of the Nelson Community Chest.

The appeal will be launched May 14, and will reach its climax on May 31 with a one-night "blitz" canvass.

This was announced Thursday as a result of a meeting at which organization wheels were set in motion for the drive.

Election of officers saw J. R. Corner returned as president for the third time. Others heading the organization are Mrs. J. H. Coventry, vice-president, Fraser Tees, secretary; F. Hart, treasurer, and P. O. Bird, assistant secretary.

Mr. Corner welcomed two new members to the directorate, Dr. R. B. Brummitt and Mr. Hart.

The campaign arrangements will be led by the directors as a whole. Committees appointed are publicity, C. W. Ramsden, chairman, Mr. Hart and V. C. Owen, and budget, Mrs. Coventry, chairman, Mr. Tees, Dr. Brummitt and Mr. Owen.

Kiwanis Club Enters Drive for Home for Girls in Nelson Area

Kiwanis Club of Nelson has joined the movement for establishment of a home for "unwanted" girls, and may undertake such a venture for a club project if it proves feasible.

Rev. Canon W. J. Silverwood, who for nearly two years has led a movement of Nelson, Trail and Kimberley juvenile court committees for such a home, spoke to the club at the Hume Thursday night. His talk was of an advisory nature, to provide information for a special committee set up by the club to study the project.

Canon Silverwood said that the Women's Institute groups of the district were now pressing for the home and Nelson Junior-Senior High School Parent-Teacher Association had also decided to send a resolution to the provincial government.

The centre required, he explained, should be something like the "Boys Town" proposed by the Canadian Legion at Vancouver. It would provide a home for girls unwanted at home; designed to help them before they became involved with the law. He said there were many instances of children being "shoved out on the street" by parents who did not care for them, in the Kootenays, and at present they usually got into serious trouble and finally were sent to the industrial school at the Coast.

NO STIGMA

A home here would help to re-establish them in community life and they would continue their schooling. Thus there would be no stigma attached.

The plan had won favorable reception from provincial government ministers, but nothing had come from the great amount of correspondence conducted by Canon Silverwood and it was now understood that a home would not be built here by the government. Various groups were now placing pressure on the government, and he urged the club to get in touch with these groups.

The Kiwanis committee of Donald Hunter, George Latta and W. G. Christie will continue investigation of the plan for the "rehabilitation" centre.

Other guests at the meeting were A. W. Butler of Vancouver and Ronald M. Briggs of Nelson.

The club has decided to again support a Little League baseball team at a cost of $160, president Frank Eberle announced. N. R. Sardich was named manager and B. D. Balderston, coach, from the club, while William Hamilton will be chief coach.

B. C. Teachers Quit Congress

VANCOUVER (CP) — British Columbia's 8,700 school teachers Thursday severed connections with organized labor by a narrow 304 to 275 vote.

The vote was taken among delegates to the B.C. Teachers' Federation annual convention.

The Federation had been affiliated with the Trades and Labor Congress since 1943. The 37th convention voted the affiliation out after several speakers expressed fear that the new merged Canadian Labor Congress might have "political implications."

Prior to the convention, the 65 delegates from the Vancouver Elementary school Teachers' Association were instructed by their membership to vote against continued affiliation. The Vancouver Secondary School Teachers' Association was in favor of remaining with the TLC.

F. A. Poole, president of that secondary association, said during the debate Thursday that if teachers dropped their affiliation, some B.C. school boards may attempt to "thwart normal bargaining procedure."

Referring to a dispute involving teachers at Ladysmith, Mr. Poole said "that is apparently an effort to thwart normal bargaining procedure — if we discontinue affiliation we can look for the same thing in other places, if once the idea gets abroad that teachers don't favor the procedures laid down by labor."

Mr. Poole said "talk of political implications is unwise and uncalled for. There is absolutely none now in the new Congress. As for the future, let's cross that bridge when we come to it."

E. A. Bryan, Quesnel, said: "We became active accessories to all activities carried out by unions, which includes picketing. If death or injury occurs, we hold a collective responsibility.

"These people are out for control of this country. If they succeed, our standard of living will decline, and we will throw away the birthright of our children."

Suggest "Boys Town" as Legion Project

Canadian "Boys Town" — a project based on the famed Boys Town originated in Nebrasha, U.S.A., by Rev. Father E. J. Flanagan — will be discussed at the May meeting of the Nelson Branch of the Canadian Legion.

Setting up of Boys Town centres in Canada, smilar to the one in the United States, has been suggested by the Canadian Legion B.C. Command as a project "well worthy of the efforts of all branches". Homes would aid boys, and possibly girls, in danger of becoming delinquents, letter from Provincial Secretary D. J. McLennon said.

Nelson branch this year will not sponsor a team in the Babe Ruth baseball league. Meeting Thursday night voted against expenditure of $200 required to back a team in the pony league. Money would be "better spent" on the cadet corps, Ron. E. Watts felt, where it would care for more boys, who, in their activities in the cadet corps of three services, were potential legion members.

Sponsoring of the team was urged by B. D. Baldsterston, who felt the investment would be "very little" compared to the worth if "only one boy out of 60 was prevented from straying off the straight and narrow path."

Financial Chairman S. J. Newell, reporting the Branch had spent $800 on the Legion team in the last three years, said "finances are such, we cannot afford it."

Approval was given the redesignating of the Soldiers' Ward in Kootenay Lake General Hospital. Letter from Hospital Administrator R. H. Procter pointed out that crowded conditions forced frequent use of the ward for female patients, and suggested that the men's ward be designated the Soldiers' Ward.

This reading was given to a by-law bringing up to date the constitution of the Branch. Bylaw, set up by W. H. Burns, chairman, Cecil A. H. Pitt and Mr. Watts, incorporated revisions covering a period of almost 20 years.

PAST PRESIDENTS PIN

Presentation of a past president's pin to W. H. Burns was made by Mr. Pitts, fourth vice president of B.C. Command.

New members voted in were Herbert L. Staines of Ottawa, H. E. Mahood of Queen's Bay, Harold N. Wade of Nelson, and E. N. Coleman of Trail; and club members M. W. McKenzie, H. L. Freychette and L. D. Maglio, all of Nelson.

In a report on the Ladies' Auxiliary to the Legion, President Mrs. Norman Brown said her organization last year made 1103 visits, spending approximately $167 on threats for the sick they visited, had donated $25 each to four veterand hospitals, and last Christmas helped with the preparation of 24 baskets, at a cost of $240.

Two films followed the meeting.

Council Gives Two Readings To $656,000 Bylaw Program

City Council, anxious to get an extensive street and sidewalk improvement program under way this Spring, held a special Council meeting Tuesday afternoon to give first and second readings to the bylaws that will provide the money for the program. They hope to put them before ratepayers before the end of April for their approval.

They gave first and second readings to six bylaws in all, totalling $656,000. Of this, $460,000 is for streets and sidewalks and sewer improvements and $80,000 for public works equipment needed to carry out the program.

The other two bylaws the public will be asked to approve will be a $100,000 Civic Centre improvement bylaw and a bylaw to authorize purchase of the old post office site and building for $16,000.

By giving the bylaws their first two readings at the special meeting council was able to send them with City Clerk C. W. Reeve Harper to Victoria to be approved by the inspector of municipalities, saving considerable time that would be lost in mailing them to Victoria. Mr. Harper was to leave right after the special meeting for Vancouver for an executive meeting of municipal officers association in Vancouver April 7 and he will take the bylaws on to Victoria.

The $200,000 street grading, ballasting and paving bylaw provides for improvements on the following streets:

Kootenay Street—600, 1000, 1100, 1200, 1300, 1400, 1500; Stanley Street—500, 600, 1200, 1600, 1700; Josephine Street—800, 900, 1000, 1100, 1200; Hall Street—400, 700, 800; Hendryx Street—700; Cedar Street—800, 900; Vancouver Street—1100, 1200, 1300; Willow Street—100; Delbruck Street—200, 300; Latimer Street—800; Mill Street—700; Vernon Street—600, 700, 800; Chatham Street—100, 200; Kokanee Avenue—400, 500, 600, 700, 800; Second Street — 200, 600, 700, 800, 900; Third Street—400, 500, 600, 700; Fourth Street—300, 400, 500, 600, 700; Sixth Street— 600, 700, 800, 900; intersection of Sixth Street and Kokanee Avenue — Concrete box culvert.

The $200,000 bylaw for cement sidewalk construction will provide for construction of the following sidewalks:

Falls Street, 400 E wood, 1300 W, 1600E, 1700 E, 1800 E; Kootenay Street, 600 E and W; Stanley Street, 1600 E, 1700 E, 1800 E and W, 1900 E and W; Ward Street, 1600 E and W; Josephine Street, 800 E, 1000 E and W, 1100 E and W, 1200 E and W; Hall Street, 200 W, 600 E and W, 700 E, 800 W, 1000 E and W, 1200 E; Hendryx Street, 1000 E and W, 1100 W; Cedar Street, 200 E and W, 300 W, 500 E, 600 E, 700 E, 800 E and W, 900 E, 1000 E and W; Park Street, 200 W, 300 W, 400 W; Willow Street, 100 E and W; Front Street, 1100 S, 1200 S, 1300 S; Edgewood Avenue, 900 N; Vernon Street, 300 N, 400 N; Lake Street, 600 S; Baker Street 0-100 N; Victoria Street, 300 N, 600 N, 700 N, 900 S; Silica Street, 100 N, 800 S; Latimer Street, 100 N, 200 N, 300 S, 800 N and S; Hoover Street 200 N, 500 N, 600 N and S; Observatory Street, 200 N, 500 S, 700 S, 800 S; Robson Street, 200 N, 600 S, 700 S; Gore Street, 200 S, 300 N, 400 N, 500 N; Innis Street, 200 S, 500 N, 600 S; Houston Street, 100 N, 200 N, 400 N, 500 N and S; Richards Street, 100 N, 200 N, 300 N and S, 500 N; Delbruck Street, 300 N, 400 N and S; Beasley Street 300 N, 400 N; Howe Street, 400 N; Mines Road, 1100 W, 1200 W; Vancouver Street 1400 E and W, 1500 E and W, 1600 E and W; West Innis Street, 200 S; High Street, 200 S; Morgan Street 100 N; Pine Street, 100 E, 200 E and W; First Street, 300 E and W 500 E; Third Street, 300 E, 500 W, 600 W, 800 W, 900 W; Fourth Street, 300 E and W, 500 E and W, 700 E, 1000 W; Fifth Street, 600 W, 900 W, Sixth Street, 300 E and W, 400 E and W, 500 E and W, 800 W, 900 W; Anderson Street, 200 N, 400 S; Behnsen Street, 200 N; 300 N, 600 N; Cottonwood Street, 300 S, 400 N, 800 N; Elwyn Street, 800 N and S; Kokanee Avenue, 400 S, 800 N; Fell Street, 800 S; Gordon Road, 800 S; Radio Avenue, 700 N, 800 N.

The $60,000 sewer bylaw will provide for the following:

Storm sewer laterals and catch basins off existing Observatory Street trunk sewer; from manhole at alley of Block 13, DL 150 on Robson Street to Falls Street, and on Falls Street to Gore Street; on Kootenay Street from Observatory Street to Innis Street; on Stanley Street from Observatory Street to Innis Street; on Ward Street from Robson Street to Innis Street; on Hall Street from Robson Street to Innis Street; at Innis and Josephine intersection and at Gore and Josephine intersection.

Storm sewer laterals and catch basins off existing Innis Street trunk sewers. On Falls Street from Innis to Richards Street; on Kootenay Street from Innis Street to Beasley Street and on Beasley Street one half block West; on Stanley Street from Delbruck Street to Howe Street; on Delbruck Street from Stanley Street to Ward Street; on Ward Street from Innis Street to Richards Street; on Josephine Street from Houston Street to Richards Street.

Storm sewer relocation from Chatham and Front Street intersection along Poplar Street to Kootenay Lake.

Sanitary sewer regrading at Poplar Street outfall.

The $80,000 bylaw to purchase new equipment to carry out the public works program will provide for the purchase of: three trucks, each 18,000 gross vehicle weight with gravel dump bodies; one compression refuse collector of 14-16 cubic yards capacity, rear loading type; two truck plows for snow plowing; one bench grinder; one diaphragm pump with three-inch suction and gasoline powered; one one-half ton pick-up truck; one coupe automobile, one asphalt plant of 1000-pound batch type and capacity of about 20-25 tons per hour and including feeder, cold elevator, dryer, dust collector, screening, three size weight hoppers, mineral aggregate, filler, pugmill, asphalt storage of 500 gallons (heated) of a stationary mounting; one roller of six ton weight capacity for road rolling and finishing; one screened paver of nine-foot width and one Hall-Scott motor.

The $100,000 Civicv Centre improvement bylaw will provide for the following improvements: (1) Construct ramp at Hall Street at estimated $10,000; (2) install heating system at estimated $42,000; (3) reconstruct and repair walls of curling rink at estimated $20,000; (4) alter dressing rooms $3300; alter concession rooms $3200; purchase equipment, $1500; (5) alter stage and storage space $3000; soundproof amusement hall $6000; (7) reconstruct sections floor, $6500; (8) install auxiliary brine tank, $2500; (9) install emergency lighting, $2000.

Fire Truck's Water Spouts Draws Crowd

Spectacular columns of water spouting from Nelson Fire Department's new fire engine attracted a host of onlookers at the ferry landing Thursday morning.

The $25,000 truck was being put through its final tests for B.C. Fire Underwriters' Association under the watchful eyes of R. M. McLeod, chief engineer for the association, and W. A. Latter, representative of the LaFrance Fire Engine Company.

One stream shot into the air to an estimated height of 75 or 80 feet, while another was flung out across the water for about 70 feet, during the lengthy tests.

The tests must meet specifications and requirements of the contract as well as the underwriters. For two hours, it pumped with pressures at 150 pounds per square inch, then for half an hour at 250 pounds. The pump is rated at 840 gallons per minute at 150 pounds pressure and must meet that pressure in gallonage.

Finding a location that provided the necessary height of eight or 10 feet from the water proved difficult. The ferry was tried, but the current was too strong, and a spot was finally found at the side of the ferry approach. Two 10-foot lengths of hose were submerged in four feet of water, which was drawn into the pump and discharged from the various ports. Various checks were made throughout the tests, which also included a series of weigh scalings.

Twelve firemen took part, laying a series of lines.

City council members and former Ald. T. H. Bourque, once fire committee chairman, were among spectators.

Dean Elected by Nelson Clerics

The Nelson Ministerial Association has elected Very Rev. T. L. Leadbeater of St. Saviour's Pro-Cathedral as the president of the Association in place of Rev. Woodrow Fletcher, who recently left the City for Cornwall, Ont.

The Ministerial Association is endorsing the lecture to be given in St. Pauls' Church on April 12 by Herbert Fiddes, director of the Central City Mission in Vancouver. The Central Mission exists for the reclamation of alcoholics, drug addicts, and also for the placing and helping of ex-convicts. It also aids the destitute and homeless in downtown Vancouver. Mr. Fiddes is on a tour to acquaint the interior and Coastal Cities and towns with the Mission's work.

WOMEN SAILORS

SOUTHAMPTON, Eng. (Reuters) — The Russian merchant navy training ship Equator arrived here for a four-day courtesy visit, with eight women among the crew of 82. The ship also carried 150 officer cadets.

YUGOSLAV EMBASSY COUNSELLOR VISITS NELSON ON WESTERN TOUR

Vasilije Kovacevic, counsellor to the Yugoslav Embassy in Ottawa, visited Nelson Thursday in the course of a tour of the Western provinces.

Mr. Kovacevic motored here from the Coast where he visited the University of B.C. and the Parliament Buildings in Victoria. Among government officials with whom he talked was Hon. W. D. Black, provincial secretary and Nelson-Creston MLA.

In Nelson he met Mayor Joseph Kary and visited points of interest in the city.

Appointed as Embassy counsellor 15 months ago, Mr. Kovacevic has already spent one month on his tour, gaining a picture of Canadian life from visits to universities, industrial plants and various institutions.

"I have tried to talk to as many Canadians as possible, not only with those of Jugoslav descent," he said.

In view of Canada's increasing importance in international affairs, Yugoslavia is anxious to establish political and cultural contacts with Canada, he added.

From here Mr. Kovacevic goes to Calgary, Edmonton and other points in the Prairie Provinces.

Purcell Lumber Plant To Expand

Nakusp Plant To Be Modernized, Enlarged, Company Announces

NAKUSP — H. W. Herridge, president of Purcell Lumber Company Ltd. of Nakusp, and Ian Harvey McDiarmid, director of the Rock Creek Forest Products Company, Ltd., have completed arrangements whereby the operation of the Purcell company will be expanded very substantially.

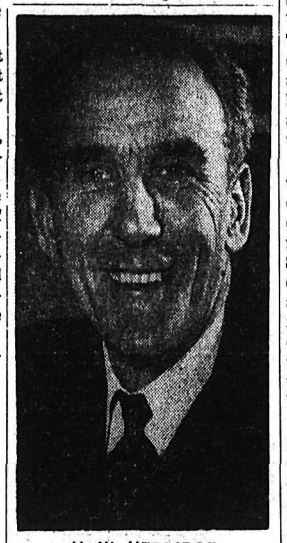
"Plans call for the modernization and enlargement of the Purcell mill. This, combined with the extensive timber holdings the company now owns, will undoubtedly contribute to the rapid expansion of Nakusp industrial community," Mr. Herridge said.

D. L. McInnes, formerly forest engineer of Timber Management Ltd., has been appointed resident manager.

Erling Johnson of Purcell Ltd., will continue his active association with the company.

Plant modernization will be carried out under the direction of Timber Management Ltd., of Vancouver, and direct teletype communication will be established with Timber Sales and Distribution Ltd., which will handle the sales of the enlarged company.

Mr. Herridge is MP for Kootenay West.



H. W. HERRIDGE

Makes Closing Time Signal Less Shocking

IPSWICH, England (AP) — One night a few weeks ago a saloon keeper bellowed "Time!" right in Wasyl Nimenko's ear. Wasyl was so started he spilled a pint of beer.

Frugal Wasyl, a watchmaker, decided then that there must be some better way to herald the closing hour than the traditional ear-splitting shouts of "Time!" "Last order!" and "Come along, please!"

This week he announced he has invented one: A saloon-closing clock.

Ten minutes before closing time the clock will play a gentle tune, meaning "The hour is nigh."

Five minutes later it will flash an amber light and tinkle softly, meaning "drink up."

And spank on the hour it will display a red light and sound a loud bell, meaning "Scram."

3 Seek Seat on Rossland Council

ROSSLAND—Three smeltermen have tossed their hats in the ring, assuring an election next Thursday for the naming of a successor to the late Anton Hubner as Rossland alderman.

When deadline for nominations closed Wednesday, names of candidates submitted were those of Richard Holt, William Keane and Charles A. Spatari. Mr. Keane is a former alderman, having been defeated in his bid for reelection at last December's civic voting.

Considerable interest is being shown in the contest for the Council vacancy.

Mrs. Massey Suffers Mild 'Flu Attack

THE PAS, Man. (CP) — Mrs. Lionel Massey, daughter-in-law of Governor-General Massey and a member of the party on his Arctic tour, has recovered sufficiently from a mild attack of influenza to continue to Ottawa.

Her husband, Lionel Massey, said Mrs. Massey's temperature, which reached 102 degrees during the 1200-mile flight from Whitehorse in the Yukon Wednesday, has returned to normal.

Mrs. Massey spent Wednesday night in St. Anthony's Hospital here. The vice-regal plane landed in The Pas on the final leg of the governor-general's tour.

Two Churches Move Quarters At Cranbrook

CRANBROOK — Two city congregations have occupied their respective new quarters.

Cranbrook Salvation Army has had services and Sunday school for the first time in the new district citadel on Eighth Avenue under construction by A. E. Jones Company Ltd. since last Fall. The citadel, for which the contract was $27,068.80 provides church and meeting rooms on the main floor, and hall space in the large basement. The contractor expects to have the building completed within a few weeks, and formal opening will be by Commissioner Wycliffe Booth, probably in May. The building is only partially occupied so far. It was partly financed by a public drive in Kimberley and Cranbrook three years ago, and partly by dominion Salvation Army headquarters.

Second congregation to make a transfer was the Pentecostal Tabernacle group. Their long-time combined church and resident minister's quarters on Cranbrook Street were recently sold to an oil company which plans to erect a new service station there. Pending securing of a new site and construction of a new building, the congregation has arranged for use of the former Sun Sun Cafe building on Seventh Avenue which has been vacant for several years. Work bees have transformed the main cafe room into an auditorium, and arranged social activity rooms and pastor's quarters in other parts of the big building. Pastor and Mrs. A. E. Sutton have tendered their resignation but plan to continue their home here.

District Pioneer James Kerr Dies

GREENWOOD — Funeral has been held in Vancouver for James Kerr, 93, pioneer B. C. gold miner and justice of the peace, who died at the Coast.

Born in Scotland, he went to Victoria in 1883. In 1890 he came to the Grand Forks-Greenwood area where he mined for gold. Later he became road superintendent and justice of the peace. He worked on a survey party for the CPR Kettle Valley line completed in 1915.

In 1926, he was appointed provincial tax assessor at Penticton. Four years later he went to Carmi where he operated a gold mine. He retired to Vancouver in 1940.

Mr. Kerr was an active Liberal and a member of the King Edward Lodge, AF and AM, Greenwood.

He is survived by two sons, John and Daniel of Vancouver; three daughters, Mrs. Alan Bowe, Langley Prairie; Mrs. Floyd Hall, Pasco, Wash.; and Mrs. Helen Mc-Lean, Vancouver; eight grandchildren and two great grandchildren.

Edward Gummer of Cranbrook Retires

CRANBROOK — Canadian Pacific Railway trainman and conductor here since 1912, Edward Gummer has reached superannuation. For many years now he has been on the assigned daily run on the Kimberley mixed freight and passenger train. His railway service was interrupted only by service overseas with the 4th Battalion, Canadian Expeditionary Force in the First World War.

He and Mrs. Gummer left immediately on a holiday visit to their son, George Gummer at the coast, but will continue their home here. Mr. Gummer is East Kootenay Deputy Zone Commander for the Canadian Legion, currently in his sixth year as president of the Cranbrook Branch of the Legion, and has been chairman continuously of the Dr. F. W. Green Memorial Home Committee, a project of which he was a founder. Their older son, V. E. Gummer, is with the Mount Baker School staff here, and their daughter, Miss Myrtle Gummer teaches school in Ontario.

MRS. SAMORDIN, SLOCAN PARK RESIDENT, DIES

Slocan Park resident Mrs. Annie Samordin died Wednesday night in Kootenay Lake General Hospital at the age of 85.

She was born in Russia and came to Canada before the turn of the century and settled in Buchanan, Sask., moving from there to Brilliant in 1909. In 1918 she and her family moved to Vauxhall, Alta. and in 1923 they returned to Brilliant, living there for two years before moving to the Christian community at Deer Park.

She is survived by her husband and one son, Steve, of Slocan Park and one daughter, Mrs. Mike Pankoff of Passmore.

Funeral will be held in Slocan Park Friday.

Federal Works Contracts for Over $6 Million

OTTAWA (CP) — Contracts totalling $6,190,207 were awarded by the federal works department during March, it was announced Thursday.

The amount for new works was $5,931,434, while repair and maintenance of existing structures cost $243,805 and $14,967 went for dredging.

B.C. contracts were for:

Deas Island, B.C. bank protection improvements, Gilley Bros., New Westminster, $125,840. Kamloops, B.C., agriculture department headerhouse, Sorensen Construction Ltd., Vancouver, $104,423. Vancouver, steam main and electrical distribution system at Shaughnessy Hospital, Bennett and White Construction Co., Ltd., Vancouver, $908,479. Victoria, new chapels at Veterans Hospital, Parfitt Construction Co., Ltd. Victoria, $43,768.

McKenzie Highway, N.W.T., construction of section 22 road from McKenzie Highway towards Mills Lake, N.W.T., Western Construction and Lumber, Edmonton, $900,000.

Coast Auxiliary Policeman Held

VANCOUVER (CP) — Charles Sidney Parker, 20-year-old auxiliary policeman, was charged Thursday with robbery in connection with an attack on a grocery store proprietor Wednesday night.

Parker was arrested earlier Thursday by two detectives as he got out of a taxi near his home.

The auxiliary officer had been on duty, walking a beat with a regular police constable, until a few minutes before grocer Chow Bing was attacked in his store.

A police spokesman said auxiliary police are a civil defence group who, while they train with city police, are not on the regular police payroll.

Chow told police a man "dressed as a policeman" beat him over the head with a billy, demanding money. His assailant fled when a neighbor yelled for help after witnessing the attack through the store window.

Chow said he had closed his store for the night, but let the man in because he "looked like a policeman" and that he said he wanted to get warm.

The injured storekeeper is in fair condition in hospital with multiple head lacerations.

Hospitals Thankful For Small Mercies

VANCOUVER (CP) — Hospital spokesman Thursday welcomed the temporary thaw in B.C. government's budget freeze but predicted hospitals will be hard pressed financially again this year.

Health Minister Eric Martin announced Wednesday the government has agreed to pay one-third of the operating deficits incurred by hospitals throughout the province last year. Also wage agreements made by the hospitals with employees in 1955 would be accepted for 1956.

Percy Ward, executive secretary of B.C. Hospitals Association, said the new government order "is going to help out and we're thankful for small mercies."

Willow Point Group Appoints Secretary

WILLOW POINT — Mrs. B. Townshend was named secretary-treasurer for 1956 at the monthly meeting of the Woman's Auxiliary to St. Francis, succeeding Mrs. Hankin.

Correspondence read included a letter from Miss May Coates, prayer partner, who is principal of St. Hilda's School, Kangra, India, giving a vivid description of her school. Miss C. Ross is the prayer partner from the local WA.

Tea hostesses were Mrs. Townshend and Mrs. M. T. Roberts.

Drama Festival Opens Tonight With Three Plays

TRAIL—"The play's the thing" in Trail tonight and Saturday as performances are given in the Junior High School auditorium in the annual drama festival of West Kootenay region of the B.C. Drama Association.

Three of the five plays entered will be presented tonight before adjudicator Audrey St. Denys Johnson, drama critic of the Victoria Times, and an interested public. These will be "In a Glass Darkly", entered by Nelson Little Theatre; "The Darkest Hour", entered by the Fruitvale Community Players, and "The Inconstant Moon," a comedy which Trail Little Theatre will stage.

Shortly after noon Saturday, a class in drama, consisting of exercises and scenes, will be given by Miss Janie Stevenson of Nelson.

Excerpts from two plays will be staged Saturday night in the competition. Trail Little Theatre will give two scenes from "The Fourposter" and Nelson Little Theatre will interpret the first act of "Candlelight."

Awards will be made after Mrs. Johnson has given her adjudication of the Saturday night presentations.

Festival participants will be entertained at an after-theatre party given by Trail Little Theatre in the Masonic Hall.

PTA Challenge To Government

KAMLOOPS (CP) — In a free society all education must take specialized and formal and be in a large measure separated from other institutions, Dr. Kaspar D. Naegele of the university of B.C. said in an address to the 34th Annual B.C. Parent-Teacher Federation here.

The Parent-Teacher Association is one of several important groups supporting and challenging any government in power in matters of education.

The effectivess of the P-TA depends on its being a representative grouping and not aligned with any one specific cause, political or otherwise, but can still indicate a broad direction of strategy.

Dr. Naegele said the two objectives that stand out are to make education conducive to nourishing a sense of wonder among anyone, and to allow those whose task it is to educate a wide degree of individual freedom by trusting their competency and imagination.

Four life memberships were presented in absentia to Mrs. Ada Crump of Vancouver, Bernard Carrington Gillie of Victoria, Mrs. Marion MacPhee of North Vancouver and John Henry Moore of Burnaby.

Registration at the convention is about 500 whereas approximately 600 to 700 had been expected.

DELEGATES TO MEETINGS NAMED BY KASLO W.I.

KASLO — When the Kaslo and District Women's Institute met recently at the home of Mrs. Carl Saalfeld with Mrs. P. H. Bovair as co-hostess, delegates were elected for the Provincial conference in Vancouver. Mrs. H. Carlson and Mrs. F. Speirs will go to the Coast meeting and delegate for the District conference to be held in Fruitvale will be Mrs. J. Tonkin or Mrs. Bovair.

Mrs. Saalfeld reported that she is still trying to find a suitable location for a Senior Citizens' Club Room.

Mrs. G. Sutherland reported several quilts were now finished and ready for any emergency.

Mrs. C. Saalfeld was again elected as Flower Show secretary for the event to be held in August.

A picture of the members is to be sent for the snapshot album for India under the convenership of Mrs. D. J. DeRochie in Victoria.

Salmo Notes

SALMO — Mrs. A. Lovestrom motored to Creston to attend the Pythian Sisters Rose Blossom Temple's 25th anniversary and receive her 25-year jewel. Returning to Salmo with her were her son-in-law and daughter, Mr. and Mrs. Fred Mazook and family of Galloway. Mr. and Mrs. Jim Lovestrom of Riondel also visited them. Mrs. Mazook renewed acquaintances with Mrs. John Holden, an old friend of her CWAC days while here.

Miss Merilyn Johns went by car with her grandfather, Mr. S Dawson of Nelson for a holiday at Westholme on Vancouver Island.

Ken Watson and R. Stenson spent the Easter weekend visiting Mr. and Mrs. Watson at Vancouver.

Mrs. C. Hallman had as her guests Easter Monday, Mr. and Mrs. B. Hallman of Bellingham, Wash.

Mine Rescue, First Aid Teams To Compete at Riondel June 16

RIONDEL — The tenth annual West Kootenay Mine Safety Association mine rescue and first aid competitions will be held here June 16, it has been announced.

Last year's event, held in Nelson, was the best on record, and organizers are hoping that entries this year will exceed the 1955 total.

Although the mine rescue competition is the major contest of the day, increasing interest has made the first aid competitions — open, novice, women's, three-man, junior girls and junior boys — of almost equal importance. A new trophy, named for the donor Dr. A. N. Barrera of Kaslo, has been posted for the women's teams of five competing.

Hon. W. K. Kiernan, minister of mines and agriculture, H. C. Hughes, chief inspector of mines; R. B. Bonar, senior inspector of mines; W. M. Thompson, first aid supervisor of the B.C. Workmen's Compensation Board; A. Francis, chief inspector of accident prevention of the Compensation Board, and Dr. Barrera will be invited to attend.

The mine rescue competition will occupy the morning, and first aid contests will hold sway in the afternoon. D. S. Campbell, president of the West Kootenay Mine Safety Association and manager of the Bluebell Mine here, and his wife, will entertain the visitors at a social hour before the traditional banquet, to be held in the Recreation hall. Later there will be a dance sponsored by the Riondel Centre of St. John Ambulance Association.

$1000 IN PRIZES

Entries are being accepted by J. B. Donald, Association secretary-treasurer and Bluebell superintendent, up to June 14. Trophies and prizes totalling more than $1000 will be awarded at the banquet to winners in the various events.

A guided surface tour of the Consolidated Mining and Smelting Company operations at the Bluebell will also add to the attractions of the day for visiting teams.

Kimberley To Try Again For Hospital Board

KIMBERLEY — The annual meeting of the Kimberley District Hospital Society, which failed to name a board of trustees, will be reconvened April 12.

At the reconvened meeting members will be brought up to date on action taken since the board resigned at a February 22 meeting and future operating plans will be made.

A board of trustees is expected to be elected, if only on a temporary basis, so that there will be a responsible body to work with the minister of health and welfare in any future negotiations.

S. Simons, Kimberley hospital's administrator, said that up to Monday of this week the board had received no intimation they were to receive any deficit relief. They have since received $4000, one third of the hospital's $13,000 operating deficit in 1955, with the provision it is subject to adjustment. Another $1200 has been made up locally, leaving the hospital still with an $8000 deficit.

Mr. Simons feels "one could consider the government's $4000 to be a token payment until government inspectors have audited the books."

3 Candidates Seek Rossland Aldermanic Seat

ROSSLAND, B.C. (CP) — Three candidates have entered the race for the Rossland city council seat left vacant by the death of alderman Anton Hubner.

William Keane, who served on the council for six years until he was defeated by 27 votes last December; Richard Holt, and Charles Spatari are candidates in the April 12 by-election.

Both Mr. Holt and Mr. Sparati have been defeated in past civic elections.

Last Rites Held At Bellevue For Mrs. A. Winarski

Libera was conducted from the Catholic Church in Bellevue, Alta., Tuesday for Mrs. Anastazya Winarski of Fernie and South Slocan, B.C., who died in Crow's Nest Pass Municipal Hospital Sunday. Interment was in the Blairmore cemetery.

Mrs. Winarski had been visiting at the home of her daughter, Mrs. J. Taborski of Bellevue, when she took ill last February.

Mrs. Winarski, 71, was born in Byczyna, Poland, and came to Canada 44 years ago. Mrs. Winarski was one of the fortunate persons who escaped possible death on the liner Titanic which sank in the Atlantic April 15, 1912, as she had booked passage to Canada on this ship, then cancelled it a short time later. On arrival in Canada she joined her husband in Bellevue and in 1937 the family moved to Appledale, B.C., and lived there until 1943 when they moved to Fernie. After a 12-year stay in Fernie they moved to Nelson to reside in 1955.

Mrs. Winarski was predeceased by her son Stanley at Frank in 1951 and by her husband Samuel in Trail in 1955.

Surviving are two daughters, Sophie, Mrs. Joe Taborski of Bellevue, Victoria, Mrs. Ernest Trozzo of Nelson, and a son, John in Calgary, one sister, Mrs. Frank Mierzanowicz in Bellevue and six grandchildren.

Battle Against Cancer Never Ending

During the month of April, the Canadian Cancer Society has its annual drive for funds, except in those communities where united appeals are made which fall in other months.

This year, the provincial objective is set at $200,000. Of this, the society will devote $150,000 to research, the provision of research facilities, education and welfare assistance.

It is well known that prevention is better than cure and the allocation of such a large proportion of its funds to research is an indication of the importance that is attached to discovering the causes as well as the cure of the many forms of cancer.

It is well known, too, that the earlier cancer is diagnosed the more readily it can be cured. Education must therefore be continuous if men and women are to be in a position to avail themselves of the facilities which the medical services provide to combat the disease.

Cancer attacks indiscriminately all ages and all classes of people. Its cure or alleviation often takes time and money. To help those whose means are insufficient, the society has a welfare program which includes the payment of part or the whole of the transportation costs to the treatment centre; the provision of housekeeper service where necessary or drugs when ordered by the doctor.

The most remarkable feature of the Cancer Society's work is the speed and efficiency with which it works. Within days after the local doctor's diagnosis the patient is in Vancouver with all arrangements made for diagnosis and treatment and with all arrangements made for his comfort if an out patient.

Nor does its work end here. Periodically a travelling cancer clinic examines all those who have received treatment to observe if the disease has been arrested or has recurred Nothing is left undone to ensure that the patient shall receive the best of care and treatment.

In Nelson the Community Chest collects the funds for the Cancer Society that helps make possible research and aid to sufferers of this dread sickness.

Letters to the Editor on any topic of genuine interest are welcome if they are brief, accurate and fair. No letter will be inserted in whole, or in part, except over the signature and address of the writer. Unsolicited correspondence cannot be returned.

Feels Not All Taghum To S. Slocan Road Needs Re-Routing

To the Editor:

Sir—Re your editorial in regards to the road between Taghum and South Slocan, I agree with part of your editorial about the relocation but I don't see that all of the road needs relocating.

There is nothing unsurmountable in widening the road at Beasley Bluffs, the first survey which cut out the Bonnington Hall and what is known locally as the Beer Parlor Hill, would cost far less than building a new road from Bear Creek bridge to Mount Sentinel School.

We are trying to attract tourists in to see the scenery and you could not find any finer scenery than between Taghum and Brilliant. Yet the government wants to put a road back in the bush where you cannot see the scenery or the Falls scenery which should be our greatest asset. If you travel across the line and see places of interest advertised to the sky, when you get to see these points of interest there is nothing to be compared with what we have here, our natural scenery. Yet the engineers want to by-pass this scenery. Also up on the benches there is a tremendous amount of snow compared to the town levels where the present road is.

From South Slocan to Mount Sentinel School where the last survey is, there is about a mile of rock work and a lot of water to contend with. The piece of the road they intend to cut out from the West Kootenay plant road to Shoreacres, is the best piece of road that has ever been built around here. It was built with relief labor—this was all dug out and large and small rock put in, which gave it a foundation—this has never heaved with frost.

The first road that was built here was up on the bench, where part of the new survey is and you could not see any sign of the river and believe me there was lots of snow up there.

Also the government has bought part of the right-of-way on the town survey, many years ago. It also made provision for an overhead bridge at South Slocan.

If and when the Salmo-Creston cut-off is built, the main traffic will go that way. So that is all the more reason the road from Beasley Bluffs to South Slocan should be built where you can attract tourists, to see the most wonderful scenery in the world and not away back in the bush.

J. D YEATMAN.

South Slocan, B.C.

Discontent With CBC

Evidence of mounting discontent with federal government's broadcasting policy comes from Manitoba, where provincial legislature, with overwhelming majority, has voted to express disapproval of CBC serving as regulatory authority for private stations with which it is in competition.

Manitoba legislature also feels that federal policy of granting CBC monopoly in television field in greater Winnipeg area is equally contrary to the public interest, and that competition in television, rather than being stifled, should be encouraged.

Asked in House of Commons whether views of Manitoba legislature had come to his attention, Revenue Minister McCann, with singular disregard for the wishes of the people of Western Canada, remarked that "when the policy with reference to the establishment of stations where CBC stations now exist is changed, it will be announced." He then added "There is not likely to be an announcement in that regard until we hear from the commission that is investigating matters with reference to the CBC."

Thoughtful Canadians may be forgiven for wondering whether so important a body as the legislature of Manitoba is not entitled to something more than a gruff reminder that it should tell its troubles to the Royal Commission on Broadcasting.—The Letter Review.

Reader, Golden—Did Canada ever have full conscription? This is for a debate.

The National Mobilization Act received royal assent June 21, 1940. It authorized the governor in council to make orders or "regulations requiring persons to place themselves, their services and their property at the disposal of His Majesty in the right of Canada, as may be deemed necessary or expedient for securing the public safety, the defence of Canada, the maintenance of public order, or the efficient prosecution of the war, or for maintaining supplies or services essential to the life of the community." The powers which the Canadian act conferred upon the government were subject to only one reservation: "they might not be exercised for the purpose of requiring persons to serve in the military, naval, or air forces outside of Canada and the territorial waters thereof." Thus compulsory service was authorized but limited to home defence, but in August, 1942, an amendment to the act gave the government full powers to institute general conscription when and if it thought fit to do so, and in November, 1944, drafted men were sent to Europe for the first time. This followed the holding of a plebiscite asking, "Are you in favor of releasing the government from any obligation arising out of past commitments restricting the methods of raising men for military service?", with a decisive "yes" result.

Homemaker, Nelson—Can you tell me how to make a polishing cloth at home? What would one treat it with?

Saturate a piece of soft woolen material with a solution composed of three ounces of Castile soap dissolved in 14 ounces of water. To this add 22 drops of tripoli. Allow to dry before using.

Interested, Nelson—Can you tell me where Moosebar Creek is, also Moosebar Island?

Moosebar Creek flows into Peace River, Moosebar Island is at mouth of Johnson Creek, Peace River district.

F. T. J., Grand Forks—Is there such a name as "Engela" for a girl?

Engela is a form of Angelina, Angela, or Angelica. It means "saintly."

K. T., Nelson—What does a widow wear when she is remarrying?

Pale pink, lavender, blue, or gray are the favorite shades for most widows at a second wedding. Flowers are sometimes carried but more often there is only a corsage.

The U.S. Farm Bill

There is little cause for jubilation over what the senate has done to the farm bill, even though it was approved by a whopping vote of 93 to 2. That vote was by no means an indication of the true convictions of perhaps half of the senators. It showed chiefly that political expediency influenced them to be recorded in favor of this conglomeration of proposed policies, many of which are in conflict with each other.

The measure will now be taken up by a conference committee composed of members of both the house and the senate, since the house version—passed last year—is far different from that which passed the senate.

This committee is going to have to do a great deal of fixing before the bill could be approved in final form by the two branches of congress. Even if compromises are effected, there is no assurance that the bill will be acceptable at the White House. A presidential veto is quite possible.

Congress has not done itself proud on this piece of legislation. Its members have been motivated largely by the desire to be all things to all people at the very time that statesmanship of a high order is urgently needed.—Spokane Spokesman Review.

It's Been Said

God could not be everywhere, and therefore He made mothers.—Jewish saying.

Watch Your Language

APPARITION — (AP-a-RISH-un) — noun; appearance; a thing appearing, especially when unexpected or unusual; something preternatural, as a ghost, specter or phantom. Origin: French from Latin—Apparitio, from Apparere.

Your Individual HOROSCOPE

By Frances Drake

Look in the section in which your birthday comes, and find what your outlook is, according the stars,

For Saturday, April 7, 1956

MARCH 21 to APRIL 20 (Aries) —Ignore all petty suggestions and unscrupulous tactics. Be grateful for all worth-while help. Smile.

APRIL 21 to MAY 21 (Taurus)—Don't fear problems, face them with a true philosophical outlook. You have such a mind. Have faith in God and His gifts.

MAY 22 to JUNE 21 (Gemini) — Shun questionable influences. Be not over-anxious, neither wait for opportunity (not like Gemini who usually goes out to meet it.) Today has both temptations and advantages.

JUNE 22 to JULY 23 (Cancer)—Perhaps some changes in picture. Accept what must be with quicker adjustment to the bright side of all God's plans.

JULY 24 to AUGUST 23 (Leo)—Avoid overconfidence that does not go with common sense. Back high hopes with sturdy faith and real effort.

AUGUST 24 to SEPTEMBER 23 (Irgo) — Please note Cancer: It is important how we adjust to circumstances whether we will profit or lose. Be not dulled to the whole picture by personal viewpoint.

SEPTEMBER 24 to OCTOBER 23 (Libra) — Your Sign is known for being cool-headed. You love harmony and become upset at disorder. So today tests your strength for maintaining calm.

OCTOBER 24 to NOVEMBER 22 (Scorpio) — With your strong *abilities you should put yourself* to the task of reviewing whether your actions and plans are the wisest now. Here is a day for checking.

NOVEMBER 23 to DECEMBER 21 (Sagittarius) — Engaging in personalities often gets us into *difficulties. This period asks for* tact, some extra courtesy towards even those who do not please us.

DECEMBER 22 to JANUARY 20 (Capricorn) — We can waste time, or we can make it count constructively. Thinking, sober reflection are urged.

JANUARY 21 to FEBRUARY 19 (Aquarius) — Don't be held back by doubts, obstacles. We all have them. Progress, maybe not vigorously now, but with forethought.

FEBRUARY 20 to MARCH 20 (Pisces) — Secret efforts on creative work could have excellent results if properly carried through now. But question suggestions thoughtfully. Activity day's keyword.

YOU BORN TODAY: the mental, active Sign Aries, the Ram. Could be very interesting storyteller, entertainer. Numerous theatrical personalities are Aries-born. Truly ardent, vital; may maintain too demanding a pace. Can win by logical thinking so don't succumb to chance-taking. Birthdate of: St. Francis Xavier, Apostle of the Indies; William Wordsworth, renowned poet.

King Features

Says Bennett Made Statement On Arsens Claim

VICTORIA B.C.—Health minister Eric Martin said today premier Bennett has answered critics who demand the government take a stand on the cancer cure claims of social credit MLA Mrs. Lydia Arsens.

"The premier made a statement, and he speaks for the government," Mr Martin said.

Premier Bennett said Tuesday that Mrs. Arsens' opinions are her own, and are not the opinions or policies held by the government.

Mr. Martin was commenting on a new demand by Dr. Larry Giovando, independent MLA for Nanaimo-The Islands, for a public statement on the matter.

Dr. Giovando told Mr. Martin in a letter that the minister had a "duty to your citizens."

"By standing back and refusing to protect the public from unauthorized so-called clinics, you are giving tacit approval to them. You must take a stand," the letter said.

Canadian Petrofina Reports High Profit

MONTREAL (CP) — Canadian Petrofina Limited Thursday reported net profit of $1,026,289 compared with $163,083 for 1954, the company's first full year of operation.

Total income advanced to $25,844,255 from $7,864,757. Profits from Western Leaseholds Limited and Calvan Consolidated Oil and Gas Company Limited, in which Petrofina holds 96 per cent and 91 per cent respectively of outstanding stock, are consolidated in the report.

The company reports that it holds, with its subsidiaries, interests in 407 oil and 49 gas wells. Aggregate net yield from the wells in 1955 was 3,125,000 barrels of crude oil.

Find Aged Man Beaten to Death

CHILLIWACK, B.C. (CP) — Alfred (Frenchie) Fontaine, 70, was found beaten to death Wednesday in his home in the Ryder Lake district 10 miles South of here, RCMP reported Thursday.

Police said he had been badly beaten and a post-mortem examination disclosed he had suffered a fractured skull.

The body was discovered by William Davis, District 33 school teacher, who said he had not seen the elderly man about for several days and went to investigate.

Mr. Fontaine had lived on No. 1 Road at Ryder Lake for 10 or 12 years. He is said to have told others at various times that he had a sum of money "stashed away."

Police said they found some money in a search of Fontaine's home.

Enough Is Enough

SEATTLE (AP) — Spring suffered another setback overnight in Washington.

Up to an inch of snow fell in the North end of Seattle and temperatures dropped below freezing in some localities East of the Cascades.

Calgary Livestock

CALGARY (CP)—On offer up to 11 a.m. on the public livestock market: Cattle 370, calves 20. Wednesday's sales: Cattle 1095, calves 51, hogs 345, sheep 7.

The bulk of today's very light offerings were good butcher steers and heifers. The light run was due to poor road conditions and road bans. The cattle market was strong and active.

Choice steers 16.75-17.50, good 16-16.50, medium 14.50-15.75, common 12-14. Choice heifers 15.25-16, good 14-15, medium 13-14, common 10-12.50. Good cows 12.25-13, medium 11-12, common 10-10.75, cannuers and cutters 6.50-9.50. Good bulls 11-12, common to medium 8.50-10.50.

Good feeder steers 16-16, good stock steers 14.50-16, with odd sales up to 16.50. Common to medium 12-14.50.

Medium to good veal 15-19.50, good butcherweight calves 15-16.50.

Hogs sold 25 higher Wednesday 21 A grade; sows steady, 11, liveweight. Good lambs 17-18.25.

EKATERINA FURTSEVA, first woman to be elected to the praesidium of the U.S.S.R., is now often seen in company of the leaders of the Soviet at state functions. Here she and Marshal Simeon Budenny are guests at a reception in Moscow given by Premier Bulganin in honor of visiting Danish Premier Hansen.
—Central Press Canadian

Gaglardi Gets On With Job

NEW WESTMINSTER (CP) — Highways Minister Gaglardi told a meeting here that while the Opposition was criticizing, he was getting on with the job of building roads.

Answering charges that he used a government plane for private purposes, the minister said: "I've been told that even my children are being questioned about my movements. When they get down to that basis, they are down pretty low." He described the criticism as the "smeary tactics of the Oppositions."

Mr. Gaglardi said the government was spending three times as much on roads as any other previous provincial government had.

Urgent Need For Teachers

ANCOUER (CP) — Provincial teachers will ask a 10-per-cent pay increase this year.

The annual convention of the B.C. Teachers' Federation has approved a minmum pay scale objective of $2400 for teachers with *one year's* training and a salary of $6800 for teachers of six years standing.

The scholarship committee said B.C. is losing ground in producing enough teachers to staff its schools. The committee reported that 1800 new teachers will be needed by September as replacements and to handle new enrolments.

"The present enrolment of student teachers is not even sufficient to replace the 1261 teachers who have been lost to the profession in this province since June, 1955," the report said.

Bring the Children...

On your visits to Spokane, stop at the Friendly Hotel Spokane.

• • •

Mrs. O. W. Smith of Port Elgin, Ontario is visiting Mrs. M. B. Davidson, 622 Victoria Street.

Spring Tea Staged by Granite Road Girls' Club

Shirley Hall on Granite Road was the scene of a gay Spring tea Wednesday afternoon. It was convened by the Granite Road Girls' Club which is sponsored by the Granite Road Women's Institute. The hall was tastefully decorated with crepe paper garlands in Spring colors. The individual tea tables were centred with candles set in dainty colonial bouquets while the pourers' table, in charge of Teresa Troyan, was accented by pink tulips and tapers.

The girls were praised by some forty who attended for having done all the baking themselves.

Pam Clark and Jeanette Farenholtz were at the door. Servers were Monica Miller, Sue Ryan and Beverley Archibald, while those looking after the tables were Karen Anderson, Ann Budvesel, Wendy Laithwaite, Linda Keith, Ann Olson, Norma Ronmark and Alana DeLong. Renata Miller and Donna DeLong were kitchen helpers under the guidance of Mrs. Harry Ronmark. Patty Bradley sold candy and earrings made by the girls. Diana Muraro, Hilda Lenos and Catherine Cullinane also assisted. They were under the direction of Mrs. John Doerkson and Mrs. Helmut Farenholtz assisted by Mrs. Leslie Laithwaite.

Vogelaar-Perdue Vows Exchanged

Rev. G. W. Payne officiated recently at the marriage of Barbara June Perdue and Matthew Jacob Vogelaar. The bride is the youngest daughter of Mr. Percy Perdue and the late Mrs. Isabella Perdue, 215 Gore Street. The groom is the son of Mr. and Mrs. J. Vogelaar of Kimberley. The ceremony was held at the home of Mr. and Mrs. William Eckmier, 407 Nelson Avenue.

The brunette bride was most attractive in a charcoal knitted suit with white trim and brilliants. Her accessories were white and she wore a corsage of pink carnations. Her only attendant was her sister, Mrs. William Eckmier who wore a red knitted suit with white accessories. The groom was supported by Mr. William Eckmier.

A lovely white and pink wedding cake of three tiers was cut later in the evening and Mr. George Eckmier entertained with the showing of movies. The happy couple left here for Kimberley where the groom is employed.

Nuptials Held At Kaslo Home

KASLO — Rev. Dr. Harry K. Johnston officiated at a quiet wedding in the home of Mr. and Mrs. Cecil F. Pangburn, when their second daughter, Evelyn Mae, was united in marriage to Norwood Harding Sheck, son of Mr. and Mrs. Harold Sheck of Parsboro, N.S.

The bride was given in marriage by her father, Mrs. Jean Halleran, sister of the bride, was bridesmaid and Mr. Edwin Schueler supported the groom.

A reception followed with about 50 guests present, after which the happy young couple left on a brief honeymoon. The newlyweds plan to make their home in Vancouver.

Out-of-town guests were Mrs. Inez Walker of Castlegar, Mr. and Mrs. M. K. Trevithick and Miss Leona, Mr. Gene Sleuder and his sisters Carolee and Aneta, and Mr. Bud Hill, all of Chewelah, Wash., Mr. and Mrs. Edwin Schueler, Mr. James Speirs, Mrs. E. Leighton, Beverley and Donna Caruthers, all of Vancouver, Mrs. Alexander, Sr., Mr. A. Luke, Mr. and Mrs. Ernest Alexander and family, Miss Janet Lawrence, all of Cooper Creek, Lardeau.

Youngsters' Dancing Delights Audience at South Slocan Tea

SOUTH SLOCAN—Rev. Canon W. J. Silverwood opened the Women's Institute Spring Tea in the W. I. hall here, held Wednesday afternoon.

Spring flowers decorated the tea table where Mrs. W. Conkin Jr., and Mrs. J. O'Genski of Apex poured. Among those helping Mrs. J. D. Yeatman in convening the tea were Mrs. Philipoff, Mrs. W Baker, Mrs. Kooznitsoff, Mrs. Brewster, Mrs. Lister, Mrs. Claremont and Mrs. Felardeau. Judy Hendren, Nettie McDougall, Anne Kooznitsoff, Harriet Fisher and young girls helped serve.

Mrs. H. E. Dahlquist introduced a program of her dancing classes. A minuet was danced by the five and six year olds, Janie Dawes, Roberta Sinclair and Julie Dahlquist dressed in long ruffed gowns, and as the "gentlemen", Maureen Askew, Dawn McDougall and Roberleigh Hawkins in silk trousers, powdered wigs and ruffed shirts.

The old girls took the audience to an Easter parade. Accompanied by Mrs. Stone, each young lady wore an original hat. Miss Phylis McDonald recited her festival verse. Two very little girls, Vickie Dahlquist and Marilyn Hill, complete with pig tails and silk Chinese costumes, performed a Chinese dance. The dancers aged seven to eight years, in ballerina costume, performed a ballet, followed by Penny Pennikets recitation.

Mrs. Dahlquist then introduced Miss Freda Hoffman, who sang and accompanied herself in "Through the Years", "La Danza" and "Because". Miss Hoffman, a former South Slocan teacher, has been an Easter guest of Mrs. Yeatman, and teaches music in Bow River, Alta.

Mrs. M. Brewster assisted the Conkin twins, David and Allan in drawing the tickets for two prizes. Mrs. J. Dawes won first prize of a bed-size hand made quilt while second prize of a vase went to Mrs. L. S. Gansner of Nelson.

Of the many attending the tea several were from Nelson and further points. Among them were Mrs. R. E. Emory, Mrs. F. M. Erskine, Miss D. Peirson, Mrs. D. Croll, Mrs. E. Marshall, Mrs. M. Dunsmore, all of Nelson, Mrs. W. Foster and daughter Maureen of Crawford Bay, Mrs. J. Cavill, Vancouver, Mrs. R. Dunsmore of Victoria, Mrs. Maxfield from Taghum, Mrs. C. Grey, and Mrs. G. Noel Brown and Mrs. Maitland Harrison, and Mrs. R. McFadden from Corra Linn. Two long-time residents of South Slocan also attending were Mrs. McFadden, Sr., and Mrs. E. Anderson.

SUNDAY SCHOOL HAS GAY PARTY AT SOUTH SLOCAN

SOUTH SLOCAN — Children of St. Matthew's Sunday School played games before supper while Rev. Canon W. J. Silverwood played the piano. Scene of the gaiety was the Sunday School Easter party held at No. 3 plant hall Wednesday. The table was decorated with Spring flowers and a unique Easter egg tree, colored eggs hung by vari-colored ribbons from a small tree, with each shell filled with flowers. Mrs. J. Street made the floral arrangements.

Place cards for each child held a marshmallow sculpture. Everything from animals to Scotsmen with tartans were depicted, made by the teachers of the Sunday School.

Display of work done in the Sunday classes were on view, ranging from scrapbooks by the 12 year olds, a mural depicting life in China, cutouts by the tiny tots and paper construction by the seven and eight year group. All intended to help the child to understand and know God and His works.

After a supper of hot dogs, cocoa, sandwiches and ice cream and cakes, the children presented a program for the many parents attending. The pre-school group recited a nursery rhyme, Phyllis McDonald gave a recitation, Irene Street and Donna Wilson played a selection on piano, four hands; Mrs. Kelsey's class of seven and eight year olds sang "When Morning Comes." Mark Hall played two selections on the piano as did Reg Box. Margie Hill sang "Here Comes Peter Cottontail" accompanied by Mrs. Stone with the children joining in the chorus. Harriett Fisher played a piano selection followed by Patti Dahlquist who led the children in singing, "Jesus Wants Me for a Sunbeam." Judy Hendren introduced the performers and the program closed with the singing of the Sunday School closing hymn, "Prayer for Help."

Mrs. H. McDougall, superintendent, then asked the children to thank all the mothers who had worked so hard to make the party a success. While the dishes were cleared, D. R. Grahame of Nelson showed several films.

Balfour Notes

BALFOUR — Rev. and Mrs. W. S. Beames left by motor for Penticton to visit their daughter, Miss Caroline Beames, who attends school there.

Mr. and Mrs. J. Bule of Kinnaird spent the holidays at their home here.

Mrs. J. Boyce left for Victoria to spend the holiday with her daughter and family.

AINSWORTH — Mrs. Paul Stainer and infant son Mark visited Mrs. Stainer's parents, Mr. and Mrs. J. B. Fletcher. They left to join Mr. Stainer at Castlegar before leaving for their home in Vancouver.

Mr. and Mrs. G. Gilchrist and two sons motored to Vancouver to spend the Easter holidays.

CPR Appoints Labor Relations Manager

MONTREAL — Appointment of S. M. Gossage as manager of labor relations, Canadian Pacific Railway, with headquarters at Montreal was announced Thursday by J. R. Kimpton, assistant vice-president.

As assistant manager, personnel department, in Montreal for the past ten years, Mr. Gossage has been actively engaged in major wage negotiations with various groups of railway employees, particularly the non-operating unions, and he served as adviser to employer's delegate at the international labor conference in 1954 and 1955.

Educated in his native England, Mr. Gossage graduated from the University of London with the degree of bachelor of science in engineering in 1926 and in the same year he entered Canadian Pacific service as clerk-stenographer at Trois Rivieres, Que. He rose steadily as clerk and statistician and in 1941 was appointed assistant to the vice-president and general manager of eastern line, Toronto, and in 1945 was appointed assistant manager, personnel.

In 1933 Mr. Gossage was awarded the Strathcona fellowship at Yale University where he won the degree of master of science in transportation. Mr. Gossage was president of the American Association of Railroad Superintendents, 1948-49, and was president of the Montreal Personnel Association, 1952-53.

Vancouver Firm To Locate Stratocruiser

VANCOUVER (CP) — A Vancouver salvage firm will use underwater television cameras to try to locate the wreck of a Northwest Orient Airlines stratocruiser which crashed into Puget Sound Monday.

Imperial Salvage Co., which says it is the only company on the Northwest Pacific Coast to use marine television cameras, will move men and equipment to the wreck scene between Seattle and Tacoma this weekend.

Clare Rudow, manager of the company, said Thursday the civil aeronautics bureau wants every piece of wreckage brought up. Such an order may mean a two-week search, he said.

Thirty-two persons of the 37 aboard were saved when the big plane creshed two minutes after take-off from the Seattle-Tacoma airfield.

READ THE CLASSIFIED DAILY

INVISIBLE BUT ENTHUSIASTIC MEMBER of her class at Concord, Ont., public school is Sherry Sissons, who, although confined to bed, participates in lessons via this two-way loudspeaker system. The 12-year-old polio victim is laid up in a head-to-toe plaster cast for a year, but managed to get an 89 per cent average on her last report card, thanks to the "magic box." The unit consists of two combination speakers and microphones, one in the school and the other at Sherry's bedside, and an amplifier at the school so sensitive it picks up the quietest whisper in any part of the classroom. Sherry can even tell when her classmates are cheating in exams.

Opponent of Racial Segregation, Gandhi's Son Dies in Natal Home

DURBAN, South Africa (Reuters)—Manilal Gandhi, 64-year-old son of India's late Mohandas Gandhi, died at his home in nearby Phoenix, on the north coast of Natal, Thursday. He had been ill for some time.

He had been suffering from cerebral thrombosis following a stroke last December.

He was editor of the Durban newspaper Indian Opinion and an active opponent of the South African government's racial segregation policy.

A TRUE SON

Mild-mannered, deeply religious and a strict vegetarian, he was a true son of the Hindu leader, believing like his father in fasting and passive resistance to achieve political ends.

A few days after South Africa's Group Areas Act came into force in April, 1951, he protested against the measure, designed to set aside separate areas for different racial groups, with a 14-day fast, criticizing the South African government's "action against the non-European population of all races."

He said it was a fast of "purification" before setting out "in the name of God" to break deliberately the government's apartheid (segregation) laws.

In December, 1952, he entered an African location at Germiston near Johannesburg without a permit as a protest against the permit system, and in the following year served 38 days of a 50-day jail sentence imposed for entering the location.

Urges Observance Of Wildlife Week

OTTAWA (CP)—Prime Minister St. Laurent Thursday urged Canadians to observe National Wildlife Week April 8-14.

The prime minister said in a statement: "Wildlife week reminds us that nature, under the hand of man, does not take care of itself but requires that each of us share in some degree the responsibility for its protection."

"Nothing has been bestowed more generously upon us than our wildlife. Our wild estate includes the white fox of the high Arctic and the song birds that throng Point Pelee national park, the most southerly tip of Canadian soil, and it stretches from the rugged shores of Newfoundland to the great forests of British Columbia."

ANCIENT CANINE

COLCHESTER, England (CP)—An 1800-year-old Roman tile found in excavations in this Essex town bears the imprint of a dog's foot.

Warn Villagers of Eruption Threats

CATANIA, Sicily (AP) — Volcanologists Thursday expressed fears that flame-spouting Mount Etna's new eruption may become its most violent in many years.

Tongues of fire, visible along 40 miles of the Sicilian coast, are shooting 500 feet into the sky as the 10,705-foot volcano spews out lava with explosions every second.

Experts say there is no immediate danger to villages at the foot of the mountain, but warn there could be danger if the violence of the eruption bursts open a new crater farther down the mountainside.

Bad News for Birds From Red China

LONDON (AP) — Gen .Morris (Two-Gun) Cohen, back from a trip to Peiping, says Red China has decided to exterminate its entire sparrow population.

"They're going to wipe sparrows out of China because the birds eat too much," Cohen told a reporter. "They'll git it done, too. That's the kind of people the Chinese are."

Cohen is a London cockney who emigrated to Canada early in the century, then went to China and got his military title serving as bodyguard to Sun Yat Sen, Chinese revolutionary leader, during the uprising of 1911.

He said he made his journey to Red China mainly to see some old friends, but added:

"Maybe I'm interested in trade between China and Britain, but I'd rather not discuss that now."

The Doctor . . .

Signs Vary For Cancer of Respiratory Tract

By Dr. Herman N. Bundesen

Learning to recognize cancer's various danger signals might save your life.

Maybe you already know the seven general signals. That's fine as far as it goes. But I think all of you should be acquainted with the specific symptoms of cancer wherever it may strike.

Warning signs vary greatly even when the cancer is confined to the respiratory tract.

Like most cancers, those of the respiratory tract are likely to develop in later life—particularly after 40. Men seem to be more susceptible than women.

Cancer of the larynx — the area where the nose passages enter the back of the throat and where the throat enters the gullet — may be signaled by lumps or sores. Maybe swallowing will be painful or the victim will have a prolonged sore throat.

HEAVY NOSEBLEEDS

Frequent and heavy nosebleeds that are difficult to control and often seem to occur without cause, especially in young adults, may be an indication of cancer of the larynx. Another clue is a heavy foul-smelling drip at the back of the throat.

Cancer of the larynx or voice box may be indicated by a persistent hoarseness, change in voice or an obstruction to breathing. A persistent cough may be another sign.

And extra mucus in the throat, accompanied by a frequent desire to spit, may indicate something seriously wrong. Better see your doctor also if eating or drinking frequently sends you into fits of coughing with a feeling that "something went down the wrong way." This might be the beginning of cancer of the epiglottis.

Because early detection of bronchogenic (lung) cancer is difficult, you should be especially alert for the following symptoms.

A hacking cough which hangs on longer than the usual cold cough, especially if it produces blood. Obscrue chest pain, unexplained fever, hoarseness or night sweats.

Of course, these symptoms do not necessarily mean you have cancer. But they do mean you should see your doctor quickly.

Malenkov Pays Visit To Marx's Grave

LONDON (Reuters) — Georgi Malenkov Thursday placed a large wreath of pink carnations and red roses on the grave of Karl Marx in London't Highgate cemetery.

The wreath bore a card in Russian saying: "To Karl Marx, the founder of scientific communism —from the Soviet electrical delegation."

Marx, a native of Germany, did most of his major writing in England which granted him political refuge.

SPORTS

Here's John Speaking on SHORT SPORT

This morning, yours truly asks a few questions, answers a few questions, straightens out a few "goofs" and wonders aloud about many things.

* * *

Why are Winnipeg Maroons so all-fired up about the possibility of playing at least two games of their best-of-seven Western Canada senior hockey final series in Penticton? It could be that their forwards are not fond (and who can blame them) of the rough handling they would get from the rugged men of George Agar in the smaller confines of Vernon Canadians' home rink. I cannot, however, see any reason for denying their request, provided the arena is available and the ice has not been removed.

* * *

Whatever possessed me to pick Winnipeg Maroons to win that series, anyway? I'm asking you people because I sure don't know. Throughout the Vernon series I was impressed by Vernon's balance. They had everything. Maybe before I pick any more winners I should get an ouija-board. Better still, maybe I just won't put my foot in my mouth again, at least not until next time. But I haven't completely changed my mind. I'll tell you more after finding out what happened in the second game.

* * *

What has happened to Charlie Rayner? Before he left, he promised to let Nelson fans know what his eventual destination would be. He hasn't said anything, as yet, to anyone that I know about. That's fine. Means, I suppose, that Rayner just hasn't as yet been told where to go, for 1956-57. But, how did Harry Tyrrell of Vernon get the information that Rayner was moving up to Saskatoon Quakers next year. Charlie didn't even suggest he was up for that position, according to Prince "Chas," the position he had been offered was much, much more lucrative. Maybe one of Charlie's many friends in the area can enlighten me?

* * *

Back to my "goofs".

I think I said Steve Cameron's boxing classes would continue on Saturday afternoon. I was wrong. They will continue, me thinks, on Monday evening. If I'm still wrong, Steve, will you pull me out of this dilemma."

Good to see that golf clinic going over so well on Wednesday evening. Actually I didn't "see" it. I was elsewhere but my informant is a highly respected man. So I'll take his word for what happened. I hesitate to name him but my informant said 19 showed up Wednesday evening, including 12 first-timers. Let's see if we can't get more at the Junior High on Saturday afternoon when the second gathering of the golf bugs will be held.

* * *

The devotees of the grunt 'n' groan "racket", and there should be more around town than have showed up for recent pro grappling cards in Nelson, will get a chance to see Primo Carnera, the Ambling Alp, when he visits this town to face Mike Mazurki on April 14. I don't know whether to call Mazurki a wrestler-turned-actor or actor-turned-wrestler — because he is very efficient in both fields. I think Mike weighs nearly 20 pounds less than the 280 pound Carnera (pore li'l soul) For that in parenthesis, I take no credit. Blame it on Li'l Abner.

* * *

"He's a-movin' on" .. . "He" is Dave Ansell, of CKLN who observed some sort of mile-stone not too many weeks back when he saw his first hockey game. With the solid foundation of having listened to me explain the niceties of play, Dave can by now be naught but expert. I worked with Dave at the Friday matinee performance of Rhythm on Ice nearly three weeks ago (there are still certain aspects of the show that I think of and grin) and have shared air-time with him more than once on between-period portions of the Nelson Maple Leaf hockey broadcasts.

Lowe, Tom Stecyk Pace Vernon To Second Successive Victory

KELOWNA — Vernon Canadians outscored Winnipeg Maroons in each of the first two periods here Thursday night and held on throughout the third to register a 5-4 victory in the second game of the best-of-seven Allan Cup Western final.

Vernon won the first game, 4-1, in Vernon Tuesday night. Next game is tomorrow night, back in Vernon.

Tom Stecyk, thin-thatched, heady rearguard, and Odie Lowe, former Maroon star, scored twice each for Vernon. Frank King added the other. Ron Castelane, Jim McKenzie, Fred Dunsmuir and Murray Balagus replied for Maroons.

There was less blood spilled Thursday night than in the gory opener, which saw Winnipeg's scoring ace, Bill McCracken, forced out with a charley-horse. Castelane incurred a cut lip and Chuck Lumsden received a bad cut over his eye in the same game.

With former amateur boxer Art Hart and Fred Dunsmuir both sitting out fighting majors, Lowe snapped in a rebound with only 17 seconds remainng in the first period to give Vernon the lead for the second time in the game. They never again relinquished it.

MINOR MELEE

Early in the second period, Jack MacDonald tangled with Bill Juzda and picked up a minor while the former National Hockey League star was assessed a major. Juzda checked the Penticton recruit into the boards and was promptly slapped with an elbow. Juzda replied with a right that cost him the extra penalty time.

Maroons' Murray Balagus took a pass from Juzda after only 88 seconds of play in the final period and beat Vernon's Hal Gordon cleanly to move the Prairie squad to within one goal.

Although they missed many good chances, Winnipeg was unable to tie it up. Gordon robbed two or three Winnipeg puckchasers in the final period, as did Don Collins, his rival in the Winnipeg geage.

Lineups:

Winnipeg — Goal: Collins; defence: Simpson, Heindle, Juzda, Benson; forwards: MacIntosh, Bloomer, Dunsmuir, Balagus, McKenzie, Castelane, Johnson, Burman, Loyal, McGregor.

Vernon—Goal: Gordon; defence: Stecyk, McLeod, Schmidt, Lavell; forwards: Lowe, Harms, Trentini, Blair, King, Bidoski, Hart, Agar, MacDonald, Roche.

SUMMARY

First period: 1. Vernon, Stecyk (Harms) :27; 2. Winnipeg, Castelane (Balagus) 3:07; 3. Winnipeg, McKenzie (Dunsmuir) 7:25; 4. Vernon, King (Schmidt, MacDonald) 17:10; 5. Vernon, Lowe (Harms, Lavell) 19:43.

Penalties: King, 11:38; Heindl, 15:00; Simpson, 16:25; Hart (major) 18:29; Dunsmuir (major) 18:29.

Second period — 6. Vernon, Stecyk (Lavell) 7:50; 7. Winnipeg, Dunsmuir (McKenzie, MacIntosh) 14:00; 8. Vernon, Lowe (Harms, King) 14:28.

Penalties: MacDonald, 2:05; Juzda (major) 2:05.

Third period—9. Winnipeg, Balagus (Juzda) 1:28.

Penalties: King, 7:26; MacIntosh, 14:05; Blair, 18:08.

Cleveland Pitching Starting to Jell

By The Associated Press

After a rather rocky start, Cleveland's pitching, key to the Indians' pennant hopes, is beginning to jell as the major league baseball teams head north.

The Indians, without a shutout in 24 previous games, blanked New York Giants for the second straight day Thursday, winning again 2-0.

On Wednesday a pair of veterans, Bob Lemon and Bob Feller, shacked Bill Rigney's hopefuls. This time Herb Score, the sophomore southpaw ace, joined with Ray Narleski and Bud Daley at Corpus Christie, Tex., to stop the Giants on five hits.

Elsewhere the hitters were in charge of the proceedings.

HIT EIGHT HOMERS

At Alpine, Tex., Chicago Cubs unloaded a total of 20 hits, including five homers, on Baltimore Orioles to win 16-4. Chicago White Sox and St. Louis Cardinals produced four home runs each in a wild melee at Albany, Ga., won by the White Sox 10-7.

Milwaukee Braves smacked the world champions Brooklyn Dodgers at New Orleans 8-6, with home runs by Hank Aaaron and Bobby Thomson for the Braves and Charlie Neal and Roy Campanella for the Dodgers. Cincinnati defeated Washington at Augusta, Ga., 4-3, on a ninth inning single by Johnny Temple which scored Roy McMillan with the winning run.

Score, a freshman sensation with the Indians last year, showed midseason sharpness in setting the Giants down on two hits over a five-inning span. Narleski gave up three hits but when he wavered in the ninth, Daley, a 23-year-old lefthander, came in to retire the last two batters. Al Worthington pitched seven innings for the Giants, giving up the two runs in his seven inning stint before being relieved by Marv Grissom.

The White Sox snapped a four-game losing streak in cooling off the Cardinals, who had won 12 of their 14 previous games. The victory was highlighted by a five-run splurge in the sixth inning which included a three-run homer by George Kell and a two-run blast by Luis Aparicio. Sherm Lollar and Minnie Minoso hit the other White Sox home runs. Red Schoendienst, Joe Frazier, Solly Hemus and Bill Sarni hit for the distance for St. Louis.

Kelly, Lindsay, Howe Score as Wings Win

By W. R. WHEATLEY
Canadian Press Staff Writer

DETROIT (CP)—Detroit Red Wings struck for goals by Ted Lindsay and Gordie Howe in the third period Thursday night and the fired-up Detroiters defeated Montreal Canadiens 3-1, moving sharply back into contention in the Stanley Cup hockey final.

It was a bitterly fought game, tight and close-checking until past the middle of the third period when the Red Wings turned on the power and took the game that left them trailing 2-1 in the best-of-seven series.

The Red Wings were sharper and had more driving power compared with the first two games in Montreal which Canadiens took so decisively that many of their supporters were looking for a four-straight sweep.

HOPES BLASTED

Any such hopes were blasted Thursday night when the fighting Wings proved to have the third-period punch this time. In the third period, once they had taken the lead, the Wings kept command of the play and the offensive attacks Canadiens were able to get under way were almost invariably checked to a standstill.

The home ice atmosphere and the big crowd of 14,544 may have been the inspiration the Red Wings needed. In any event they had the strength to come up with the finishing touches and to polish off the favored Montrealers impressively.

LINDSAY BREAKS TIE

Lindsay's tie-breaker at 11:36 came with startling suddenness. Canadiens were driving into the Detroit zone and the Wings cleared. Defenceman Bob Turner of Montreal knocked down the puck near the Detroit blueline and Al Arbour, newly recalled defenceman, slipped it to Marty Pavelich who raced down the ice.

Trailed by Lindsay, Pavelich let drive a shot from 20 feet out. Goalie Jacques Plante managed to stop it but was on the ice when Lindsay sprinted in and whisked the puck into the net.

The crushing blow to Montreal hopes came at 18:12 when Howe took Lindsay's pass and got around defenceman Doug Harvey enough to find the range on Plante. The bullet-like shot whipped past the goalie and the game was as good as over.

The goal set off a demonstration by the fans and when Harvey went to the bench he was heckled by spectators behind.

Spectators said Harvey jabbed a heckler with his stick and then there was an uproar about the bench. The Montreal players swarmed in, some climbing to the top of the rail. In the midst of it coach Toe Blake of Canadiens could be seen holding Harvey.

Warriors Move To Within One Game of Title

CALGARY (CP) — Winnipeg Warriors, showing strength from the goal out, moved to within one game of the Western Hockey League final here Thursday night when they trounced Calgary Stampeders 7-2.

The win gave the free-wheeling Warriors a 3-1 lead in the best-of-seven series and an opportunity to wrap it up when the clubs meet here again Saturday night. A crowd of 8235 attended.

Warriors opened the series with 7-2 and 6-4 victories at home and dropped the third game here Tuesday night 7-3.

There was never any doubt about the outcome of Thursday's game as Warriors flashed into a 3-0 lead in the first period and held a 5-1 margin at the end of the second.

Rookie Barry Cullen paced Warriors with two goals while Mike Nykoluk, Hugh Barlow, Eddie Mazur, Mike Keating and Skippy Burchell scored singletons.

Jimmy McFadden and Steve Witiuk scored for Stampeders.

Vancouver Girl Second at AAU

DAYTONA BEACH, Fla. (AP) — Helen Stewart, 17-year-old swimmer from Vancouver, placed second in the 100-yard freestyle event of the U.S. Amateur Athletic Union women's indoor championships Thursday, after leading for 75 yards.

Miss Stewart, who holds 24 Canadian records and two American records, finished behind Wanda Werner, 15, of Bethesda, Md., in 58.9 eseconds, one-tenth of a second slower than her previous best for the distance.

The American girl finished in 58.6 seconds. Ginny Grant of Toronto was fourth.

After Thursday's five events Walter Reed Swim Club of Washington, for whom Miss Werner swims, led in team points with 24. The Canadian Amateur Swim Federation was seventh with nine points.

In the 400-yard individual medley, won by Sylvia Ruuska of Berkeley, Calif., in 5:14.9, Susan Sangster of Vancouver placed sixth.

British Rugby

WARRINGTON, England (CP) — Warrington beat Liverpool City 25-9 in a Rugby League match here Thursday night.

Wings Claim Canadien Club Can't Take It

DETROIT (CP) — Coach Jimmy Skinner of Detroit Red Wings said of his team's 3-1 victory over Montreal Canadiens Thursday night that "the Canadiens aren't a super team, if you check them closely you can beat them."

In their dressing room the victorious Red Wings, back on the Stanley Cup hockey trail although still behind 2-1 in games chorused: "They can't take it."

"That's the big one," said captain Ted Lindsay. "It will make those guys think a little."

Of the rumpus at Canadiens' bench late in the game when Doug Harvey was reported to have jabbed a spectator with his stick, general manager Jack Adams of the Wings said: "You know they are choking a little when they start fighting the fans."

In the Canadiens' room there was little talk. The players began showering and dressing quickly but the general tenor of their comment was: "That's a bad game we got out of our systems."

Managing director Frank Selke told the players: "Forget this game. Now let's go after the Sunday game. I felt we wouldn't win this series in four straight, so forget this one."

Fights

By The Associated Press

Miami Beach, Fla.—Vince Martinez, 147½, Paterson, N.J., outpointed Miguel Diaz, 150, Havana, 10; Jerry Fraser, 155¼, Halifax, outpointed Bid Nethers, 149, Zanesville, Ohio, 6.

LEAF LIFE LINE ALL SIGNED UP

TORONTO (CP) — Tod Sloan, George Armstrong and Dick Duff, who make up the star line of Toronto Maple Leafs of the National Hockey League, have signed contracts for the 1956-57 season, general manager Hap Day announced today.

Sloan and Armstrong receive pay increases. Duff will be completing the second half of a two-year contract he signed when he joined the Leafs.

McTAGGART MOVES UP

PHILADELPHIA (AP) — Dave McTaggart of Vancouver advanced to the quarter-finals of the U.S. open badminton championships Thursday by defeating John Leib of San Diego, Calif., 15-3, 15-2.

Amateur Ken Venturi Leads Masters Tourney

AUGUSTA, Ga. (AP) — Ken Venturi, the current idol of golf's bobby sox set, took a page from Billy Joe Patton's book of sensations Thursday and again showed that an amateur can lead the greatest pros for a round of the Masters tournament.

Venturi, a handsome young automobile salesman from San Francisco, did it with a round of 32-34—66, six under par and one of the finest scores ever made on the massive, 6965-yard Augusta National course.

At the end of a rain-sodden opening day, that put him one stroke ahead of Cary Middlecoff, the defending champion; two up on a pair of seasoned pros, Shelley Mayfield and Tommy Bolt, and even farther in front of the men everyone fears, Ben Hogan and Sam Snead.

Three Canadians—Moe Norman of Kitchener, Ont., Stan Leonard of Vancouver and Lachute, Que., and Al Balding of Toronto—all carded 75s. Norman had 38 going out and 37 coming in, Leonard 36 and 39, Balding 37 and 38.

Middlecoff, bidding to become the first Masters champion ever to repeat the next year, got off to a good start with a round of 35-32—67. That would have been slightly sensational in most Masters tournaments, but rain left Augusta National's big greens in condition to wield to bold putters.

Hogan shot a sound 34-35—69 to hold fifth place, well within the reach of the leaders. But Snead and Jimmy Demaret, the only three-time Masters winners, both slipped a little as they finished in the rain and posted 73s.

Patton, the amateur who showed it could be done when he grabbed the first-round lead two years ago and eventually pushed Snead and Hogan into a stirring playoff, was Venturi's playing partner Thursday. Billy Joe fired a 70 to tie with PGA champion Doug Ford and Bobby Rosburg.

Bantam Ben Out Again

AUGUSTA, Ga. (CP) — Ben Hogan, one of four golfers who has won the U.S. Open four times, says he will pass up the event this year.

Hogan, here for the 20th Masters classic, said Wednesday he will be in Rochester, N.Y.—the site of the Open this year — the week of the tournament, but only for business reasons.

Hogan won the Open in 1948, '50, '51 and '53. Last year he was defeated by Jack Fleck in a playoff at San Francisco after the two had tied the first 72 holes with scores of 287 each. Fleck took the playoff by three strokes, shooting a one-under-par 69.

The only other four-time winners of the Open are Willie Anderson, who posted victories in 1901, '03, '04 and '05, and Bobbie Jones, 1924, '26, '29 and '30.

Several golfers, however, are skeptical about Hogan's announcement that he won't compete this year. Said Gene Sarazen:

"The idea of Hogan being on the sidelines at a national Open is just like an old fire horse sleeping through a central alarm. It just won't be done."

Winnipeg leads best-of-seven Prairie division final 3-1.

Brooklyn's Billy Receives Check-Up

BROOKLYN (AP) — Billy Loes, young right-handed pitcher of Brooklyn Dodgers, entered hospital Thursday for a check-up that is expected to take two or three days.

Loes has pitched little this spring because of a sore right shoulder and numerous other ailments. He was of little use to the world-champion Dodgers because of the shoulder in the final months of the 1955 campaign although he won eight games before the all-star game.

Mainland Juniors Head For Trail

VANCOUVER (CP) — A cavalcade of 40 lower B.C. Mainland junior boxers left for Trail today to compete in this year's B.C. Junior Golden Gloves.

The boys, all 16 and under, are travelling by automobile for the April 6-7 event accompanied by coaches, trainers and officials.

Twenty-five of the group are from Vancouver and Burnaby, 10 are from the Fraser Valley and five from New Westminster.

Cotton Withdraws From Moore Bout

SEATTLE (AP) — Eddie Cotton, scheduled to meet light heavyweight champion Archie Moore in a non-title bout here April 16, injured his hand in training Wednesday and has had to bow out of the fight.

Jack Hurley, acting for the Seattle Boxing Club, said Thursday he is seeking another opponent for Moore. The champion is on a tune-up tour, getting in shape for his title bout in London with Yolande Pompey in June.

FOUL PLAY SUSPECTED

CHILLIWACK, B.C. (CP)—Foul play in the death of Alfred (Frenchy) Fontaine, 70, is a definite possibility, RCMP said here Thursday.

Fontaine was found Wednesday in a pool of blood, his skull battered, on the floor of his Ryder Lake cabin.

VETERANS WHIP NET NEWCOMERS

CLEVELAND (AP)—The veteran professionals, Pancho Gonzales and Francisco Segura, won semi-final matches Thursday night in straight sets from newcomers to the world's pro tennis tournament.

Gonzales, big Los Angeles netter who has won the tournament three years running, defeated Rex Hartwig of Australia 32-21, 21-18, 21-18.

Segura outplayed Tony Trabert of Cincinnati 21-13, 21-10, 21-16 in the other semi-final.

These results went according to the form chart, for Gonzales was seeded No. 1 and Segura No. 2 in the eight-man field.

Segura and Gonzales meet for the championship tonight. Segura defeated Gonzales in the finals in 1952, but lost to him the following year.

Earlier in the day Gonzales complained about the one-serve limit and the 21-point scoring system.

"I'm sorry I ever came to this lousy tournament, and unless there are a lot of changes made in the way this thing is conducted, I'll never come back" Gonzales grumbled.

Trabert joined the beef with:

"You learn to play tennis one way all your life, and then come to what is supposed to be the world's championship and find all the rules changed."

Promotor Jack March said the changes were necessary to make the tournament interesting to spectators.

Set For Titular Boxing Contests

KINGSTON, Ont. (CP)—Eight bouts held in the novice section of the Canadian Army boxing championships Thursday set the stage for six of the nine novice championship events today.

The winners made it short and sweet in half of the bouts with four first-round knockouts being recorded. Technical knockouts were registered in three of the other bouts. Only loser to escape a trip to the canvas was welterweight Bruno Bouchard of Rouyn, Que., who lost a three-round decision to Ron Lacelle of Ottawa.

MAKE PROMOTER PAY $50 FEE

TORONTO (CP) — The Central Ontario branch of the Amateur Athletic Union of Canada has threatened to withdraw amateur status from boxers participating in Toronto bouts which are televised unless a $50 sanction fee is paid by the promoter.

In a letter to Tommy McBeigh, matchmaker for the Toronto Amateur Athletic Club, the Ontario branch said it was unanimously decided at a meeting Feb. 17, 1956, the fee should be paid.

". . . if all back sanction fees, at the rate of $50 per show and retroactive to Nov. 1, 1955, are not paid up, the organization will be considered a professional organization . . . and any boxer taking part in these shows after March 1 will be considered a professional boxer."

McBeigh has refused to pay the $50 fee and in reply said he considered the request "an abuse of authority." The organization had no jurisdiction over the Toronto club.

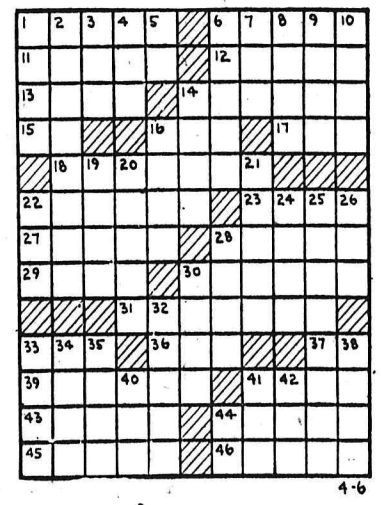
Yesterday's Answer



DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

M V F B Z H B H T V C P S M V H M B Z A A M A T A J W F X A , S A Q H F J H T J S A G C N Q A T B A J H W W W C B B A B — B C P M V A O .

Yesterday's Cryptoquote: HERO-WORSH[illegible]STRONGEST WHERE THERE IS LEAST REGARD[illegible] HUMAN FREEDOM—SPENCER.

Market Trends

NEW YORK (AP)—The stock market went down Thursday as late selling spread throughout the entire list.

Canadian issues on the New York exchange were mixed. Aluminium Ltd. added 1¾ and Walker-Gooderham was up ½. Distillers Seagram fell ⅛ and Granby Mining lost ⅜. Canadian Pacific, Hudson Bay Mining, International Nickel and Dome Mines all were unchanged.

TORONTO (CP) — Trading on the Toronto stock exchange Thursday bulldozed its way to a record-breaking volume of 13,644,000 shares, topping the previous high set Feb. 21 last, by a clear 700,000 shares. Heaviest trading was in speculative copper issues.

Best gains in western oils went to Canadian Devonian, up 35 at $5.85, and Canada Southern, Canso Natural Gas, Dome Exploration Western and Spooner which added about 15 cents.

MONTREAL (CP) — Industrials held higher ground at the close of active trading on the Montreal and Canadian stock exchanges Thursday.

Aluminium gained two points, Hudson Bay ½ and Consolidated Smelters ¼ in the base metals. International Nickel and Asbestos Corporation each lost ⅛. Banks were mixed.

CARICATURE— The "Geneva Spirit" comes in for some kidding during carnival at Basle, Switzerland, as paraders depict the U. S. delegates to Geneva conference as piccolo players.

Daughter Rescues Crippled Mother

PUENTICTON (CP) — Two Keremeos women are in hospital here with burns suffered when they attempted to extinguish a brush fire that spread to three orchards.

Most seriously burned was Mrs. Frank Crockett who carried her arthritic mother to safety after the older woman attempted to put out the blaze and fell, fracturing her hip.

Three-year-old Bonnie Crockett, one of Mrs. Crockett's six small children, suffered minor burns on the leg.

Frank Crockett, husband of one of the injured women, driver of a school bus, was absent at the time of the fire.

OLD FRIEND

LONDON (CP) — James Riddell, 64, flew from Stratford, Ont., to see the woman who "adopted" him and other Canadian soldiers during the First World War. "Mr. and Mrs. Charles Rivers treated me like a son," he said. Mrs. Rivers, now a widow, lives in Redruth, Cornwall.

KLGH Patient Costs Up 12 Cents Per Day in 1955

CHICAGO — Hospital costs "will continue to increase at about five per cent annually for many years", predicts Ray E. Brown, President of the American Hospital Association. "Only by the best efforts of hospital boards, administrators, medical staffs and all members of the hospital team can costs be held within that level of increase."

The cost of caring for an individual patient at Kootenay Lake General Hospital increased by 12 cents a day to $13.66 in 1955 over 1954.

Mr. Brown, who is superintendent of the University of Chicago Clinics, based his prediction on a study he has made on hospital costs and services during the period 1946 to 1954.

In his article, "The Nature of Hospital Costs," to be published in "Hospitals", Mr. Brown wrote, "The nature of the hospital's work provides little opportunity for.... productivity gains. Nevertheless, hospital salary levels are affected by general salary levels." Every general salary increase constitutes a direct increase in hospital costs, he said.

Cursory studies made on this question indicate that the number of routine procedures per patient per day has increased more than 30 per cent during the past nine years."

He observed that, "The increasing intensity and complexity of hospital service is to some extent reflected in the comparative figures for hospital capital assets. The total value of all short-term general hospitals was approximately three billion dollars in 1946. In 1954, he said, this had increased to over six billions of dollars.

111th Battery News

John Russell French, 404 Latimer Street, will be leaving for Vancouver April 9, reporting to 11 personnel Depot as a prospective recruit for interview.

A liaison visit of the Commanding Officer and unit Officers from RHQ 24 MAA Regt., RCA, Trail B.C. to the 11th Battery is scheduled for Friday night.

S/Sgt. Culp, I & A Cadre, was in Nelson Wednesday for the purpose of taking back to Trail the 90 mm gun. The gun was held in Nelson after the recent demonstration and recruiting drive due to road conditions.

Sgt. E. J. Heroux, administrative clerk with the battery, has been granted his annual holidays.

Gnr. S. H. Johnson, a member of the battery, has returned to his employment after his recent shoulder injury.

Part 1 orders by Lieut. F. W. M. Drew, Officer Commanding.

Duties for week-orderly officer, Lieut. H. Dahlquist; orderly NCO, Bdr. S. K. Yorke; fire picket, Gnr. D. S. Harrison and Gnr. J. C. Horswill; canteen steward, Bdr. R. McGhie; canteen orderly, Gnr. D. F. Ife; duty driver, L-Bdr. K. Loewen.

Parade — Friday at 1955 hours; dress, as per part 1 orders; special training, quarter guard, Sgt. Hill instructing; choosing of members who will take part in the quarter guard ceremony will take place tonight.

Nelson Native Gets New Post

F. H. (BILL) MORGAN

A native of Nelson, Frank H. (Bill) Morgan, 41, has been appointed assistant service and claims manager for Studebaker-Packard of Canada at the company's head office in Hamilton, Ont.

Mr. Morgan has been service manager in British Columbia, making his headquarters in Vancouver, and succeeds Harry Bullock, who has been named general service manager, Hamilton.

Mr. Morgan has been with the Studebaker organization since the end of the war, serving at London, Ont., Calgary and Vancouver.

He was born in Nelson in October, 1914, and received his schooling here. He then took a course at Galgary Technical School, and in 1936 went to England, where he joined the Rolls-Royce company at Bristol, and, after a couple of years, the DeHavilland aircraft company. The latter company sent him back to Canada and he was employed in the engineering testing department at Malton airport, Toronto, during the war.

Mr. Morgan is the son of J. P. Morgan, 1313 Front Street, and the late Mrs. Morgan. Two sisters, Mrs. C. W. R. Harper and Mrs. Frank Pennoyer, also reside in Nelson. He married a former Nelson girl, Maybelle Stephenson.

St. Paul's Boys' Choir Preparing For Anniversary Concert Saturday

Fifty boy sopranos of St. Paul's Boys Choir are putting the finishing touches to preparations for their silver anniversary concert on Saturday night.

Guest artists at this event will include former choir members—Don Brown, baritone of Edmonton; Raymond Thompson, baritone of Vancouver; Don Beattie, tenor of New Westminster; Paul Hielscher, baritone of Cranbrook; and Jerry Pickering, tenor of Nelson. The boy sopranoes will also be heard in choruses and individual numbers.

The Sunday services will be conducted by Rev. R. B. Morris, minister of Zion Church. Moose Jaw. Being a charter member of the boys choir, Mr. Morris will also act as chairman of the Saturday concert.

Following the Sunday morning service, luncheon will be served by the mothers of the boys to the 70 present members of the choir and their fathers and also to the visiting guests.

Sunday evening service will be conducted by Mr. Morris. The singing will be in charge of St. Paul's Choristers. This group consists of 30 teenage boys and girls. The junior boys will sing at the morning service.

All these events will be in St. Paul's Church.

Flood Control Work Being Done

Public works crews are working in creek beds on the East side of Kootenay Lake and in the Salmo area, cleaning, straightening and deepening the channels to help prevent Spring flooding

Crews have been busy for some time on Crawford Creek, La-France Creek and Goat Creek between Kootenay Bay and Creston where extensive damage was done by floods last Spring.

They have also been working on the Salmo River in the Salmo area which floods almost every Spring.

Besides this work ordinary Spring maintenance, cleaning and strengthening banks, will be carried out in other district creeks and rivers, District Engineer A. L. Freebairn said Wednesday.

CATTON HEADS NELSON EAGLES

Officers for 1956-57 have been elected by Nelson aerie, Fraternal Order of Eagles.

R. C. Catton is president, D. R. Grahame, vice-president; J. A. Lindsay, chaplain; H. Miller, conductor; D. H. Proudfoot, treasurer; F. W. Cartwright, secretary; C. Howarth, inside guard; O. Nelberg, outside guard, and T. DeFerro, W. J. Smiley and F. H. Johnson are the trustees.
