Eden Believes...

H-Bomb Major War Deterrent

Large Forces With Conventional Arms No Longer Have Same Significance, P.M. Tells PC Group

LONDON (Reuters) — Prime Minister Eden said Wednesday that the hydrogen bomb is so great a deterrent that large forces with conventional arms no longer have the same significance they once had.

In a speech to a Conservative women's rally here he said these "changed circumstances" should be taken into account in all military planning.

He said that where the ultimate deterrent of the H-bomb is present "large forces confronting each other with all the panoply of gun and tank and supporting arms have have not the same significance as once they had.

"Effective defensive arrangements quite clearly there must be. Precautions must be taken. No one should drop their guard. Nor should they be asked to.

"But the deterrent is the determining factor in that guard.

NEW PLANNING INVOLVED

"Now that the significance of this is more widely understood, the time has surely come when all military planning should take account of the changed circumstances which the deterrent itself has brought about."

Eden said that possessed of these awful weapons the great powers must conclude "that conflict between them is unthinkable because it is suicide on a world scale."

Eden's remarks lent credence to recent reports that Britain was on the brink of a reassessment of her whole system of national defence.

The prime minister said he is confident that the conference of Commonwealth prime ministers which opens in London in two weeks will make its special contribution to peace and understanding in the world.

Eden referred to criticism of an earlier speech at Norwich in which he said Britain needed the Mediterranean colony of Cyprus to reach and defend her oil resources.

"Many millions of British capital and years of British skill and effort have been invested in the oil industry in friendly countries to whom we are bound by treaty relations and for whose defence we have obligations," he said

"The critics say that we shall only be called upon to fulfil these obligations in a world war.

"I am not so sure. In any event no responsible government in this country would be prepared to run that risk."

LET'S NOT BE TOO HASTY . . .

NEW YORK (AP)—It was the hottest day of the year in New York Wednesday, and Santino J. Cantalupo blamed the heat for his argument with a policeman.

Cantalupo, 44, returned to his new convertible to find it decked with a parking ticket. Up the street, he saw a policeman sauntering along the baking sidewalk, ticketing other cars.

Cantalupo eased into gear and pulled up by the policeman.

"I got three tickets from you last week and that's the last summons you're going to give me," he shouted. "Let's you and me go down to the back of the fish sheds and settle this man to man."

Instead, he and the cop went to the station house where Cantalupo was charged with disorderly conduct. It was cooler in there and he apologized for his loss of temper.

Then he was told that the policeman he challenged, six feet two and weighing 210, was once the light heavyweight boxing champion of the United States Army.

RCMP Searching For Nelson Man

RCMP at Nelson and throughout the province are conducting a search for B. M. (Don) Donaldson of Nelson, who has been missing since last Thursday.

Mr. Donaldson, an inspector of social service tax with the department of finance, left Nelson Tuesday, June 5, supposedly on a business trip to Nakusp in a social service car. He was expected to return two days later, but has not been seen since.

Parliament Wednesday

By The Canadian Press

The Commons passed a bil lextending to the end of 1958 the present level of federal cost-aid subsidies to gold mines.

Donald Fleming (PSC—Toronto Eglinton) urged the government to seek an increase in the price of gold, fixed by the U.S. government.

Mines Minister Prudham said the mining industry, in co-operation with the government, is seeking experienced miners in Europe and the U.K.

Fred S. Zaplitny (CCF—Dauphin) protested against huge corporations making contributions to political parties.

Works Minister Winters said the government is not contemplating any direct steps to increase the flow of mortgage money for house building.

THURSDAY

The Commons considers government business. The Senate sits.

Survey Rapids for Power Potential

FORT SMITH, N. W. T. (CP) —Three engineering crews are surveying the Slave River rapids to determine their power potential, it was learned Wednesday.

The surveys are being carried out by the West Kootenay Power Company of Trail, a subsidiary of Consolidated Mining and Smelting Company, Ltd., which has extensive lead-zinc holdings at Pine Point on Great Slave Lake, 120 miles north of here. Fort Smith is 440 miles north of Edmonton.

TWO HOURS TO FREE BRAKEMAN

VALLEYFIELD, Que. (CP) — Pain-killing drugs were administered to a 63-year-old brakeman Wednesday while emergency acetylene torches worked for more than two hours to free him from a toppled diesel locomotive.

Brakeman Herb Dillon of Brockville, Ont., was trapped by the legs in the diesel when a Canadian National Railways freight train struck a truck trailer 10 miles south of here, or 45 miles south of Montreal.

The diesel unit and 11 cars of the 46-car train were derailed. The train was en route from St. Albans, Vt., to Brockville.

Dillon was brought to hospital in Valleyfield suffering from fracture of the right leg, possible fracture of the left and also from shock.

SUFFER SHOCK

Engineer B. W. Andress, 57, and fireman Richard Bradfield, 47, suffered shock. Conductor Robert Home, 37, was uninjured. All are from Brockville.

Rene Messier, driving the trailer truck for the Valleyfield Paving Company, suffered minor injuries and shock. The truck was demolished.

X-Ray Report "Misleading"

NEW YORK (AP)—Dental authorities Wednesday described as "unfortunate and misleading" a report by the National Academy of Sciences that medical and dental X-rays are a hazard to human life.

Dr. Herbert L. Taub, president of the New York State Dental Society, said that with modern dental techniques and equipment, there could be no danger to reproductive organs, as suggested by the report.

He said the report has "caused needless apprehension to hundreds of dental patients"—and that many dentists had reported patients calling to cancel appointments for X-ray examinations of their teeth.

Dr. Samuel S. Wald, associate professor of radiology at New York University college of dentistry, also said that dental X-ray properly made with proper modern apparatus "will have no harmful effects.

Replace Trestle

Coquihalla Rail Line Open by Mid-July

VANCOUVER — A Canadian Pacific Railway trestle, severely damaged by a thundering snowslide last winter in the Coquihalla Pass, is being replaced by a diversion, and the rail line through the Pass will be open to normal operations about the middle of July, CPR officials have announced.

No passenger or freight trains were in the vicinity when the slide occurred, and all Kettle Valley trains which ordinarily use the Coquihalla Pass route have been detouring over the company's merritt subdivision via Spences Bridge and Brodie.

A large section of a trestle bridge at Iago collapsed under the weight and velocity of the slide. Iago is approximately 115 miles east of Vancouver.

As soon as snow conditions permitted, a thorough inspection was made, and Canadian Pacific engineers decided to divert the line by building 700 feet of new road bed, eliminating the bridge altogether.

Some 35,000 cubic yards of rock and other excavation have been blasted and removed from the cliffside paralleling the Coquihalla river to make room for the diverting trackage. Extreme caution was employed by construction crews to assure protection of the cross-country oil pipe line which also parallels the rail line close to the river level.

Kettle Valley trains will resume normal schedules when the Coquihalla Pass is again opened to traffic next month.

Castlegar Area "Over the Top"

CASTLEGAR — For the fourth consecutive year the Castlegar, Kinnaird and Robson district Red Cross blood donor clinic went over the top. With the qouta raised in the interim from 200 to 300, the clinic put through 311 donors at the Parish Hall Wednesday night.

The clinic is sponsored by the Kiwanis Club in co-operation with the registered nurses of the district, Kinnaird St. John Ambulance Association home nursing group, the Pythian Sisters and a large number of individual volunteers.

Kiwanis Club afterwards expressed thanks to the various groups and to the donors, and stated assistance also came from the Trail Red Cross and two district business establishments.

Legion Shelves Federation

By BRUCE LEVETT
Canadian Press Staff Writer

VANCOUVER (CP) — Fear of possible Communist influence in the World Veterans' Federation caused the first wide split Wednesday in the 16th convention of the Canadian Legion.

The question of the legion joining the federation took over from conscription as the key issue at the convention.

Delegates voted 75 per cent against the recommendation of their retiring president, Very Rev. J. O. Anderson of Ottawa, that the legion affiliate with the federation.

The world group comprises 129 organizations from 34 countries — including Yugoslavia.

"A bogey that can always be raised is that it is communistic," Dean Anderson said. "We didn't find it so."

Ossie Howe of Ottawa, Dominion command legal adviser, tipped the scales against affiliation when he said:

"I am not anxious to see Canada become comrades with any Communist-dominated country and I refer to Yugoslavia."

His amendment, asking the matter be shelved for two years, was passed in a standing vote.

Howe Expects Early Payment

OTTAWA (CP)—Trade Minister Howe said Wednesday night he expects that a federal government loan of up to $80,000,000 to Trans-Canada Pipe Lines Ltd. will be repaid "long before" it falls due next April 2.

He suggested that repayment may be made within "four or five months" through private financing by Trans-Canada.

The loan was made to enable Trans-Canada to build this year the Prairie section of the proposed Alberta-Montreal natural gas pipeline.

Mr. Howe spoke in reply to reporters' questions on the CBC television program "Press Conference." Sole topic of the half-hour program was the gas pipeline issue.

The Prairie loan to Trans-Canada was authorized in a bill passed by Parliament last week after nearly four weeks of bitter debate.

FIRE DESTROYS GRAIN ELEVATORS

VALPARAISO, Sask. (CP) — A fire, fanned by strong winds Wednesday destroyed 300,000 bushels of wheat, four grain elevators, annexes, one large barn, and a Canadian National Railway section house in the town, 90 miles east of Prince Albert.

RCMP at nearby Tisdale estimated damage at $500,000.

Grain-buyer Fred Sych sighted smoke streaming from a federal elevator at 5:20 a.m. He notified fire brigades at neighboring Star City and Tisdale, and salvaged records and books from the elevators.

The fire started at the federal elevator and ran along to the three others. At least two were filled to capacity with wheat.

Power Failure Blacks Out Island Districts

VICTORIA (CP) — A major power failure at the John Hart hydro plant at Campbell River blacked out the entire southern end of Vancouver Island Wednesday night.

Cause of the failure wasn't known, but unofficial reports said one penstock at the plant was washed out and another badly damaged.

Some parts of Vancouver Island and greater Victoria were without power from 9:48 to 10:37 p.m.

The B.C. Electric Co. here drew emergency power from their Jordan River plant to supply hospitals and streets with lights and power.

A B. C. Power Commission spokesman said every community served by the Commission was without power for all or part of the time.

Power was restored in stages. The first to swing back into normal operation was Duncan, without power for only 13 minutes.

The Daily Colonist, Victoria's morning newspaper, worked by candle-light throughout the break.

Pulp mills at Nanaimo and Port Alberni did not resume operation until full power was restored.

Most confused place during the break was in Nanaimo where a giant bingo game was in progress.

Queen Busy With Camera at Course

STOCKHOLM (Reuters)—Queen Elizabeth Wednesday eagerly shot "home movies" of her own horse in action over the hazardoes, mud-covered Olympic equestrian course outside Stockholm.

Wearing a sky blue raincoat as protection against heavy showers, the Queen watched the cross-country race from several vantage points.

At one difficult jump—a seven-foot-six-inch spread of logs—she eagerly raised a movie camera to her eye as her horse, Countryman III, leaped across.

TO MEET AT VANCOUVER

TORONTO (CP) — Canadian Presbyterian Wednesday selected Vancouver as the site of next year's general assembly.

Win 34 Seats

AMSTERDAM (CP) — The Socialists have won 34 seats in the Dutch general elections to give them a margin of one seat over the Catholics, according to semi-official results reported early today.

Despite a loss of two seats, the right-wing Protestant Anti-Revolutionaries, with 10 seats, remained Holland's third largest party, the semi-official count showed.

Firefighters Battle 72 Blazes in Ontario Forests

Village, Rail Division Threatened As 24 Fires Burn Out of Control; 26 Start in 24 Hours

BOTH ARMS AMPUTATED at the shoulder less than a month ago, plucky Robert (Butch) Tipton shows in his bed at Washington's Georgetown University Hospital June 9 how to go about making the best of things as they are. Butch has just turned a page of the comic book with his left big toe. Note how that foot is curled as the other foot holds the book. The dog and Indian toys are two of the many gifts the lad has received since he touched high voltage wires at his McConchie, Md., home May 18. These gifts, mail and cash offers of aid have come in from many sections of the country.—AP Wirephoto.

TORONTO (CP)—Regular firefighters and volunteers are battling 72 forest fires in northern Ontario, 24 of which are burning out of control.

The Ontario department of lands and forests said Wednesday that 26 new fires were reported during the last 24 hours and 11 others were extinguished.

Hardest-hit region is the Sioux Lookout area where 300 men have been rushed to cope with 37 outbreaks, 16 of which are burning unchecked.

The Port Arthur district has 14 fires, of which three are out of control. Kenora has 10 fires, two unchecked; Sault Ste. Marie has three and Chapleau two, one of which is burning unchecked.

Out-of-control fires also were burning at Cochrane and White River. Other single fires under control were at Fort Frances, Kapuskasing, Gogama and Sudbury.

NEW OUTBREAKS

Three forestry department helicopters are being assisted in the Sioux Lookout-Kenora area by another from the RCAF, Trenton, and one lent by the Ontario Hydro-Electric Power Commission.

Forestry officials said thunder showers in northern Ontario did not relieve the fire situation — but the lightning which accompanied the storms started numerous new outbreaks.

Much of the timber may be budworm-killed balsam, which is dead and dry, said T. E. Mackey, forest-protection division chief.

Forest officials said a fire raging in the Franz area, 100 miles north of Sault Ste. Marie, would threaten the village of Amyot if it is not checked. The fire covered an area 2½ miles long and one-quarter mile wide.

Men and equipment are being dispatched from Franz to help the 45 men already flown in. Franz is at the junction of the Canadian Pacific's transcontinental line with the Algoma Central and Hudson Bay Railway.

Two hundred firefighters are battling another fire which is threatening the Canadian National Railways division centre of Armstrong, 80 miles north of Port Arthur.

The forestry department said 60 per cent of last year's 2247 forest fires in Ontario were man-caused, either deliberately or through carelessness. Forty per cent were caused by lightning.

Adenauer, Dulles Toss Challenge to Reds

WASHINGTON (AP) — The United States and West Germany asked the Soviet government Wednesday to show its sincerity by respecting "its international obligations" and "to refrain from endeavoring to impose its system upon other peoples."

West Germany's Chancellor Konrad Adenauer and State Secretary Dulles made the call in a communique issued late in the day at the conclusion of discussions reviewing the world situation.

The communique said "foremost among the matters discussed were the question of German reunification, the most recent events in the Soviet Union, and the further development and strengthening of the Atlantic community."

The communique said that "the attitude of the West toward the Soviet Union" should be determined by that governments efforts "to promote the reunification of Germany in freedom."

"RESPECT OBLIGATIONS"

The communique said that Dulles and Adenauer "noted that the Soviet government has professed a desire to find a basis for peaceful coexistence with the nations of the world. They agreed that one test of the sincerity of this profession will be the willingness of the Soviet government to respect its international obligations and to refrain from endeavoring to impose its system upon other peoples."

The state department followed issuance of the communique with a statement saying that West Germany's removal of quota restrictions on import goods from the dollar area means that almost 93 per cent of Germany's private imports from the United States and Canada will be free of quota controls. Almost 600 individuals items are affected by the action, the statement said, including raw materials and agricultural and manufactured products.

A Wee Bit A' Scottish Humor

TORONTO (CP) — Delegates to the 82nd general assembly of the Presbyterian Church Wednesday took time out for a wee bit of Scottish humor.

They voted to double the salary of church treasurer James Dutton of Peterborough. Mr. Dutton duly thanked the assembly and didn't even crack a grin. In his post he doesn't receive any salary.

FIFTY-YEAR-OLD EDITOR of the Communist party newspaper "Pravda," Dmitri T. Shepilov, above, has been named to replace Vyacheslav M. Molotov as Foreign Minister of the Soviet Union. The resignation of Molotov came one day before the scheduled arrival of Yugoslav president Marshal Tito in Moscow. The presidium of the supreme Soviet indicated however, that Molotov has retained his job as deputy chairman. Shepilov is credited with the deal that sent Soviet-bloc arms to Egypt.
—Central Press Canadian

Says Concessions Will Boost Exports

OTTAWA (CP) — Trade Minister Howe said Wednesday that tariff concessions won from the United States will help boost Canadian exports to the U.S.

He was replying in the Commons to Dr. Owen C. Trainor (PC-Winnipeg South Centre) who had asked how the tariff concessions, gained through recent negotiations among members of the General Agreement on Tariffs and Trade, will affect Canada's "formidable" trade deficit with the U.S.

Mr. Howe said concessions granted by Canada to the U.S. will have little adverse effect on this country's unfavorable trade balance with the U.S. because they deal mostly with goods of a kind not made in Canada. The trade deficit with the U.S. in the first four months of this year was about $500,000,000.

Urges Increase In Gold Price

OTTAWA (CP) — Progressive Conservative Donald Fleming Wednesday urged the federal government to seek an increase in the price of gold, fixed by the United States government.

The member for Toronto Eglinton also said the government should increase its holdings of gold.

Adenauer To See Ike Today

WASHINGTON (AP) — President Eisenhower, reported a little thinner but "quite chipper," worked for a while Wednesday on official papers.

His doctors said his progress toward recovery was "satisfactory" and gave their approval for West German chancellor Konrad Adenauer to drop in on the president this morning.

Eisenhower spent a half hour conferring with chief aide Sherman Adams and other staff members and giving a little dictation to his personal secretary. In the course of these talks he signed 27 bills and other official papers.

DRIINKS BROTH

WASHINGTON (AP) — President Eisenhower, after resting and dozing most of the afternoon, drank some broth Wednesday—the first food he has taken by mouth since his intestinal operation last Saturday.

He was "very happy" to get the clear beef broth, even though it was less than half a cupful.

Eisenhower also was relieved at the removal all afternoon of the uncomfortable nose-to-stomach decompression tube inserted after the operation for drainage purposes.

NELSON MAN HURT IN CRASH

CALGARY (CP) — Hospital authorities Wednesday night reported Gerald Francis Fisher, 20, of Nelson still was in critical condition here although "a little improved." He suffered chest and other injuries in a two-car collision near Airdrie, 20 miles north of Calgary, last weekend.

Fisher, Robert Dimmer, 25, of Olds, Alta., and John Beck, 21, of Calgary, were hospitalized after the collision Saturday night. The other two were in satisfactory condition.

Dimmer and Fisher, who works in Olds, were in one car and Beck in the other. Both cars were demolished.

DOLLAR LOWER

NEW YORK (CP) — The Canadian dollar was 1-16 of a cent lower at a premium of 1½ per cent in terms of U.S. funds. Pound sterling was unchanged at $2.80⅝.

SAYS VICTIM OF "FRAME-UP"

REGINA (CP) — A defence lawyer said in Saskatchewan Appeal Court Wednesday that Jacob Dyck sentenced to be hanged for murder July 24, was the victim of a "frame-up."

W. Lloyd Hipperson Dyck's counsel, made the charge against Elizabeth (Tootsie) La Fleche. She was chief crown witness in the three Court of Queen's Bench trials which led to Dyck's conviction for murdering elderly Mike Todor in an east-end Regina house.

"If you look carefully at La Fleche's evidence, you can see a cunning, shrewd and diabolical mind at work perfecting her lies bit by bit," Mr. Hipperson said.

"If there ever was a case of a frame-up, this is it."

LATER CONVICTED

Miss La Fleche, whose evidence was ruled out in one of Dyck's trials because the judge said she perjured herself, later was convicted as an accessory after the fact. She was given a five-year prison term.

The 74-year-old Todor, Miss La Fleche's fifth husband, was slain Jan. 1, 1954. His body lay sealed in his own bedroom 16 months before police found it.

Two Killed

COLOMBO (AP)—Two persons were reported killed Wednesday after police fired on an unruly mob in eastern Ceylon.

The riot broke out at Amparai in the Gal Oya valley. It was the latest in a series of violent outbreaks since the government introduced a bill last week to make Cingalese the only state language.

And in This Corner...

SCARBOROUGH, Me. (AP)—It was a rough go, but 77-year-old Chester C. Burrill made it. He says he'll have fresh peas on the table by July 4 despite a cold spring.

He dug through snow, ice and mud to plant his peas April 22. He used a snow shovel on the entire 35-by-25-foot plot before he reached ice which came off in three-foot sheets. Then it took a week for the soil to thaw for planting.

His peas now are budded and about ready to bloom. They usually are ready to harvest three weeks from blooming.

OTTAWA (CP)—Truck driver Keith Mills noted that he was being followed by a robin as he made his calls in the Ottawa area.

On investigation he found a nest under the right front fender of his 16-ton truck and in it two eggs. Mills and his dispatcher, Don Simpson, put the truck in storage. That was six weeks ago.

Since then, two more eggs were laid and four young have been hatched.

"We hope that mother takes her brood off pretty soon as we sure can use that truck," Simpson said.

VANCOUVER (CP)—Sidney G. Cann will save money on his holidays this year. He will spend them in jail.

Cann pleaded guilty to a charge of impaired driving. It was his second offence and magistrate Gordon Scott sentenced him to 14 days.

The magistrate granted his request that he start serving the term Aug. 6 "so my company's vacation schedule won't be upset."

To Our Patrons — Having had the pleasure of seeing "Love Me or Leave Me", I would like to take this opportunity to personally recommend it to everyone as a picture you will long remember.

Judith Allen, Doreen Evans Win Major High School Awards

Judith Allen and Doreen Evans carried off the top honors at the L. V. Rogers High School awards day ceremonies Wednesday when they received major awards, the highest given in the school.

Based upon academic ability, athletic and social participation, character and leadership, the two awards were presented to the grade 12 students by school inspector N. A. Allen, father of one of the recipients.

In presenting the awards, Mr. Allen likened the award to the Rhodes scholarship, the highest award given to a university student. He congratulated the girls on their achievement and urged them to continue their high standard of accomplishment.

A total of 122 other awards were presented at the ceremonies held in the school auditorium before students, teachers, parents and guests.

Principal G. H. Lee was chairman.

Special athletic awards were presented to Bill Phillips and Terry Elmes by teacher T. Naka while Ruth Bambrick received a special social award from Miss E. Cross.

The special scholarship award given by the Nelson Gyro Club for the grade 12 student receiving the highest average on the university program was won by Myrna Skapple. Myrna maintained a 94.16 per cent average. She previously won the award for highest average in grades 10 and 11.

The Nelson Lions Club special scholarship for the grade 12 student receiving the highest average on the general program was won by Olga Stoochnoff with an 82 per cent average.

Ruth Bambrick was presented with the Beta Sigma Phi Sorority special scholarship for the highest university program average in grade 11. She received an average of 88.5 per cent. General program scholarship for grade 11, presented by the Nelson Kiwanis Club, was awarded to Beverley Cote with a 79.6 per cent average.

L. V. Rogers High School staff award for the grade 10 student on the university program with the highest average went to Gordon Wood with 87 per cent. Ella Polac received the Nelson Soroptimist Club scholarship for the general program in grade 10.

SECOND SCHOLARSHIP

The James Allen Scholarship of $505 each was won for the second year by Gerry Borch and Len Lythgoe, former graduates of Nelson High School. The scholarship is awarded each year to boys planning to enter the ministry.

Nelson Chapter of the Registered Nurses bursary, of $150, presented for the first time this year by Miss Ellen Corbett, was won by Jane Bennett. The bursary will be presented annually to a student planning to enter nurses' training.

Also newly established this year, the IODE bursary of $100 was awarded by Mrs. R. B. Brummitt to Elaine Ogden who plans to enter the teaching profession.

Bursary of $60 to cover registration fees of senior matriculation was presented on behalf of the Student Activities Association by prime minister Maurice Corbett to Beth Nicol.

P. T. A. Bursary was presented to Pat Clark by Mrs. Ted Swendson. Mrs. R. Palmer explained that the school board scholarships, awarded to students entering senior matriculation in Nelson will be announced in September.

The newly established Nelson and District Teachers' Association bursary for students entering a Canadian school of education, will also be awarded later.

Annual Red Cross awards were presented by Mrs. Helen I. Vant to Jane Bennett and Betty Hellekson.

Myrna Skapple and John Anonby received the IODE History Awards, presented by Mrs. Brummitt, while the Music award, presented by Mrs. T. C. Lambert on behalf of the Nelson Music Festival Association, was won by Rochelle Crawford.

K. D. McRae presented the Rotary Club Canadian History Award to Ruth Bambrick.

46 SOCIAL AWARDS

A total of 46 minor social awards were presented by Mrs. E Whiteside. First year winners were Judith Allen, Gordon Anderson, Ruth Bambrick, Jane Bennett, Jack Boyes, Maurice Corbett, Rochelle Crawford, Tom D'Aquino, Audrey Mae Elmes, Muriel Louise Elmes, Terry Elmes, Larry Fournier, Isabelle Fraser Ron Garner, Barbara Gates, Bill Gibbon, Ann Godfrey, Mari-Lou Harrison, Mike Horswill, Rowena House, Gaile Jerome, Chuck Kidd, Bob Maber, Jan Maynard, Sheila McPhail, Joan McRory, Lorne McRory, Elaine Ogden, Scott Owen, Gaetana Robinson, Jim Sawada, Ed Sikula, Myrna Skapple, Arthur Speers, Eleanor Spray, Darlene Terzian, Maurice VanSacker, Fred Wah, Wayne Wharton, and Jim Wilks.

Second year social award winners included Dinham Drew, Doreen Evans, Phillip Spencer and Gordon Towhey.

JUDITH ALLEN

DOREEN EVANS

Winners of the L. V. Rogers High School major award and also winners of minor awards for academic, athletic and social ability were Judith Allen, daughter of Mr. and Mrs. N. A. Allen, and Doreen Evans, daughter of Mr. and Mrs. E. K. Evans.

Winner of a minor social award for a third year was Dorothy Foster.

Boys winning athletic awards for the first year were Ken Blakeman, Barrie Carmen, Earl Farenholtz, Ron Garner, Bill Gibbon, Ken Halsey, Grant Habelwood, Bernie Monteleone, Roy Percival, Barry Peterson, Dean Renzie, Peter Thom, Fred Wah and Wayne Wharton.

Third year winners were Terry Elmes and Gordon Towhey while Bill Phillips received the award for the fourth year.

Girls athletic awards were won for the first year by Judith Allen, Nellie Bing, Donna Dewar, Lydia Hecker, Jo-Ellen Kary, Terry Moran, Cecile Mucha, Eleanor Spray, Merrilyn Ure and Joan Widiner.

Winning the award for the third year were Doreen Evans, Lorna Farenholtz and Verna Strong.

Minor scholastic awards were awarded to 25 students by teacher A. L. Cartier. First year winners were Judith Allen, Carole Anderson, Ted Archibald, Arnold Bate, Norma Evans, Mari-Lou Harrison, Maureen Johnston, Jo-Ellen Kary, Ron Keillor, Roy King, Donn Livingstone, Dawn Peck, Ina Stirle, Olga Stoochnoff and Gordon Wood.

Second year winners included Ruth Bambrick, Pauline Butling, Pat Clark, Beverley Cote, Rochelle Crawford and Barbara Forse.

Winning the award for the third year were Doreen Evans, Elaine Ogden, Myrna Skapple and Maurice Van Sacker.

After presentation of the house shield by H. H. Herbison to House B, the cabinet members for 1956-57 were introduced by 1955-56 prime minister Maurice Corbett, acting for his successor, Dinham Draw.

Members of the next year's cabinet are: minister of finance, Pat Clark; minister of social affairs, Joan McRory; minister of internal affairs, Muriel Louise Elmes; minister of athletics, Bernie Monteleone; minister of citizeship, Tom D'Aquino; minister without portfolio, Betty Duckworth and minister of records, Norma Evans.

The Weather

Clouds covered most of Southern B.C. and light rain fell on the south coast. This is expected to continue Thursday morning but partial clearing is looked for in the afternoon. The southern interior is likely to remain cloudy and clouds from this area will spread northward.

Demonstrate New Sweeper

A demonstration of Nelson's new street sweeper was held in the 500 block of Front Street Wednesday afternoon.

The large red sweeper, manufactured by the International Agencies and Machinery Company of Vancouver was demonstrated by salesmen and a representative from the factory before city officials and numerous on-lookers.

The sweeper which holds 250 pounds of water, is priced at approximately $14,000 and will be used in Nelson on a trial basis.

Nelson public works employees received lectures and demonstrations Tuesday and Wednesday on the operation and maintenance of the machine.

NEW EUROPEAN CHAMPS

PARIS (Reuters)—Real Madrid of Spain won the first European Soccer Cup final when it beat Rheims of France 4-3 here Wednesday night. The score was 2-2 at halftime.

No One Appears For Demonstration

Scheduled demonstration of artificial repiration at the Nelson Fire Hall Wednesday afternoon was called off when no one appeared to watch the firemen at work.

The demonstration was to be held for public instruction in connection with provincial Water Safety Week being observed this week.

Teachers Elect R. J. Patrick

R. J. Patrick, teacher at Nelson Junior High School, was elected president of the Nelson District Teachers' Association at the annual meeting in Salmo.

Other officers elected include vice-president, John Holden of Salmo Junior-Senior High School; secretary, Miss Kay Porter of Nelson Central School; treasurer, Peter Klassen of L. V. Rogers High School and public relations officer, Howard Meredith of Nelson Junior High School.

The association voted to establish an annual $200 bursary to be divided between L.V. Rogers High School and Salmo High School. It is to be apportioned on a pupil ratio basis, $140 going to a senior matriculation sudent of the L.V. Rogers High School and $60 to a Salmo junior matriculation student.

The bursary will be awarded upon the results of the government examinations. The bursary is to be confined to students planning to enter the teaching profession.

J. C. Loomer of the L.V. Rogers High School staff who is leaving shortly to teach in Victoria, was presented with a gift and thanked for his many years of service in the association.

LORNE MASSEY JUNIOR HIGH PRESIDENT

Lorne Massey, son of Dr. and Mrs. W. K. Massey, was elected president of the Nelson Junior high school for 1956-57 in an election by the student body.

Lorne will succeed Jim Rogers who served as vice-president and later president this year when president David Korbin moved to Vancouver.

Others elected to the student council executive were vice-president Elaine Heibey, secretary Peggy Broadfoot and treasurer Marilyn Kary.

A total of 22 candidates competed in the elections.

No One to Blame in Sirdar Death; Speed Restriction Recommended

CRESTON—A recommendation that consideration be given to the placing of "some type of speed restriction" on the Southern trans-provincial highway through Sirdar was made by a coroner's jury here Wednesday.

The jury brought in a verdict of no blame attached to anyone in the case of Peter Lombardo, 81, of Sirdar, who was struck and killed Tuesday about 12:30 p.m. when he stepped across the highway from the Sirdar store. Witnesses testified that he apparently looked neither to left nor right.

There is only the open highway 50 mile an hour limit.

Driver of the car involved was William James Ashcroft of Saskatoon, Sask., who was driving toward Creston accompanied by his wife.

Dr. J. V. Murray, coroner, presided at the inquest, and members of the jury were B. A. Fowlie, T. Scott, William Herchmer, W. F. LaBelle, H. D. Brimacombe and M. Fisher.

Survivor of Auto Crash "Doing Well"

KIMBERLEY—RCMP Wednesday identified the woman who died Tuesday afternoon when the car in which she was as travelling struck a concrete post of a bridge abutment near Marysville as Mrs. Florence Watson, 69, of Calgary.

Her husband, Thomas Watson, driver of the 1951 sedan, was reported as "doing very well" in Kimberley hospital. He has a dislocated hip.

The smash brought a tragic halt to a holiday trip. The Watsons were en route to Oakanag Centre, B.C., to visit their daughter, Mrs. Gladys Murial Whitehead.

They were also going to call on a long-time friends in Kaslo, Mr. and Mrs. J. L. McCaw. "They usually went via the Big Bend but this time they wrote to say they would be travelling the southerly route," Mr. McCaw informed The Daily News Wednesday when enquiring as to the identity of the victim.

Besides their daughter in Okanagan Centre, there is a son Wilfred T. Watson in South America and another daughter, Mrs. Irene Mabel Turner in Winfield, B.C.

Front end of the car was completely demilished, RCMP said.

Graham Towers On Ventures' Board

TORONTO (CP)—Graham Towers, former governor of the Bank of Canada, was elected a director of Ventures Ltd. Also named to the board at the company's annual meeting were Albert E. Grauer, president of B.C. Power Corp., and G. T. N. Woodrooffe, secretary of Ventures. They replace J. M. Cunningham-Dunlop, W. B. Maxwell and A. J. Anderson, who resigned.

Airstrip Sought For Windermere

INVERMERE — Windermere District Board of Trade is investigating the possibilities of a centrally located airstrip for the district. The present airstrip at Windermere, built in 1938, is not considered adequate.

The June meeting of the Trade Board was informed that the executive has discussed the matter and action will be taken in due course.

Discussion on of the present situation regarding the proposed Jumbo Pass highway resulted in a resolution that the business partaining to the Jumbo Pass be left in the hands of the Jumbo committee. K. M. Marples was added to the committee.

The meeting was informed that a letter had been received from the B.C. Telephone reporting that the 1956 program when completed will eliminate present overcrowded conditions in the Windermere District.

MANY NIBBLES

The Alaskan brown bear, weighing about 1500 pounds, hunts mice ground squirrels and marmots.

FIRST candidate to appear on the provincial political scene in the Kootenays is William T. Waldie, above, who has won nomination for Rossland-Trail on a Liberal party ticket. The Castlegaer lumberman has been extremely active in promotion of the district through the Chamber of Commerce movement, and is serving his second term as president of the Associated Boards and Chambers of Southeastern B.C.

Strawberry Patches Staging Comeback

CRESTON—Strawberry patches look better as the season progresses, and it appears likely that a fairly good crop will be harvested, mostly from plants which are producing their second crop, the latest bulleting from the office of J. W. Swales, District oHrticulturist here, states. Last November's frost dealt a savage blow to district patches.

Raspberries are in full bloom and crop prospects are good in the Creston Valley. In the Kootenay-Lower Arrow Lake district the raspberry crop will be only fair.

FRUIT SIZING

Tree fruits are sizing well. At this time the cherry crop is estimated at approximately 60 per cent of the four-year average. The McIntosh crop is estimated at slightly less than average, while the Delicious crop is estimated at approximately 60 of the four-year average.

In orchards where control sprays have not been applied or where they have not been applied correctly, apple scab infection is evident on the trees, but, generally speaking, apple scab appears to be well under control. Insects are causing more concern than diseases on tree fruits so far this year and leaf roller, blister mite, black cherry aphid, green apple aphid, bud moth and rust mite are fairly general.

Vegetable crops are making good growth. Root maggots are causing more damage than usual this season and losses in such crops as cabbage, cauliflower and onions have been heavy where adequate control meaures were not carried out.

Capacity Audience Applauds Gay Dance Revue at Castlegar

CASTLEGAR — A capacity crowd filled the Stanley Humphries High School Auditorium in Castlegar to see the revue "Here We Are Again" presented by the pupils of th Phyllis Phillips Dance Studio. Girls and boys who took part were Mrs. Phillips' Kinnaird, Robson and Castlegar pupils, and guest artist was John Cristofanetti of Nelson, who presented accordion selections.

The evening's program was divided into two parts, the first taking the for mof a "Ballet of The Seasons," and opening with a dance of the flowers, done by a group of little girls in long full-skirted green dresses and hats fashioned as the various spring flowers, sunflowers and daisies.

Those taking part in the flower dance, were Julie Webster, Linda Culley, Doris Ann Davis, Patty Clark, Charlotte Sharples, Judith Pierpoint, Kim Whitelock, Heather Anderson, Connie Rice, Vesta Wright and Beverly Hyde.

Then a group of nine tiny girls came on in "Robin Redbreast" costumes, doing a gay little tap dance, and circling about a scarecrow at the side of the stage. The little "robins" were Linda Munroe, Marlee Trischuk, Eleanor Fink, Laura and Linda Henderson, Lois Christenson, Heather and Roberta Marken, and Wendy Paterson, while Lanny Rourke was the realistic scarecrow who also presented a solo dance number.

Three ambitious young farmers wielding rakes as they danced among the robins and flowers completed the "springtime" portion of the ballet. The three farmers were Bruce Denneus, Kirk McMillan, and Ronnie Strelioff.

The "summertime" dance depicted a blue sailing ship on a summer day, and was a group of the older girls dressed alike in blue costumes who gracefully tossed a billowy blue chiffon scarf in the air between them while performing graceful ballet steps. Done with changing lights, the dance was very effective. The girls were Cora Lea Anderson, Judy Thorndale, Bev Hyson, Beth McLeod, June Killough, Diane Duncan and Sharon Vanderberg.

SEASON CHANGES

A scarf dance representing the Autumn colors was done by Pat McIver, [illegible]na Marken, Marion Oddie, [illegible]na Walper, Ulrika Ruebsaa[illegible]nda Reith, Irene Deverney, Judith Mowlam, Wendy MacMillan, Diane Post, Merylyn Edmondson, and Sharlene Bale. This was also a graceful ballet dance, with yellow costumes and colored scarfs, with red and orange lighting bringing out the autumn colors. A solo dance by Joan Reed depicted the "Spirit of Autumn."

The Winter season was represented by a "Dance of the Icicles," and was done by the same little girls who did the spring flower dance. Their little blue dresses were spangled with glittering cellophane icicles. Four snow sprites dressed all in white joined them for a toe dance, which was prettily done by Beverly Pinckney, Louise Fink, Wendy Reith and Muriel Fink.

The second part of the program was made up of variety selections in dance, and opened with a tap dance by the intermediate class. Three jolly clowns performed acrobatic stunts, somersaults and tumbling. They were Lanny Rourke, Don Oddie, and Gary Fox. A solo tap dance was presented by Joan Reed, entitled Rhythm Toes.

In an Oriental theme, Keith Muirhead, Jim Proud and Joan Shields gave an acrobatic dance and a rhythmic scimitar dance. Costumes were very effective and appropriate.

Louise and Muriel Fink, Bev Pinckney and Wendy Reith presented a tap dance, "Taps With a Ball," in which they danced and bounced balls to music.

Two lads, Gary Fox and Don Oddie gave a snappy tap dance number in duet, followed by a presentation of the "Top Hatters," Cora Lea Anderson, June Killough, Bev Hyson, Beth McLeod, Judy Thorndale and Diame Duncan in short full skirts, wearing top hats, black gloves, and carrying flashy black canes. This was a soft shoe number.

AMUSING SKIT

Maureen Lambert and Beverly Robinson starred in two presentations. Their first number was a humorous skit in which they appeared as charwomen working outside the stage door. Dressed in gaudy "hand-me-downs" they scrub floors while handsome actors and ballerinas go in and out. The actor is played by Jim Proud and the ballerina is Beth McLeod. The charwomen looked ludicrous as they endeavor to imitate the dancers' steps. Their second offering was a sprightly "tap dance on dice," in which they prove they are experienced hands at the dance routine.

Last on the program was a tap trio, featuring Joan Shields, Keith Muirhead and Jim Proud, then the dancers finished off the show with a song entitled "The Show Is Over."

W. Walper, master of ceremonies, presented Mrs. Phillips with a bouquet, on behalf of the pupils, and Mrs. O. Proud, pianist, received a corsage.

Fruitvale Graduate Going To Nelson

FRUITVALE — Frank R. Varseveld, who was married recently, has just received his bachelor of science degree in forestry from University of Idaho, in Moscow. He and his wife will be taking up residence in Nelson.

Mr. and Mrs. F. A. Varseveld, Mr. Varseveld's parents, went from here to attend the graduation exercises.

Castlegar Ferry Traffic Lighter

CASTLEGAR — A slight reduction in traffic across the Columbia River here on the Castlegar ferry was recorded last month.

The ferry carried 79,581 passengers compared to 80,264 in May, 1955, and automobiles numbered 30,535 compared to 31,741 in the same month last year.

Complete figures follow:

	1955	1956
Number of round trips	4066	3,707
Automobiles (and drivres)	31,741	30,535
Passengers (not drivers)	80,264	79,581
Trucks, all types	13,603	12,935
Trailers and semi-trailers	225	268
Motorbuses	686	780
Motoreycles	38	28
Livestock	27	62

Creston Principal Chsoen for Meeting

CRESTON — Adam Robertson, Creston elementary school principal, has been appointed the B.C. Teachers' Federation representative at a Canadian principals' conference to be held in Edmonton in July.

Mr. Robertson has been principal of Creston elementary school for the past eight years. Previously he taught in Cranbrook and Yahk. He has been active in B.C.T.F. work in the East Kootenays during his teaching career, and has served as District Council secretary for the last 11 years.

Cranbrook to Vote June 28 on $88,000 Bylaw

CRANBROOK — A city bylaw to approve debentures of $88,800 for a new water main from the city reservoir to the South city limits at Eleventh Avenue and Seventh Street will come up for ratepayer vote June 28 at the city hall from 9 a.m. to 9 p.m. City Clerk George Robertson has been named returning officer and a three-fifths majority will be required for passage.

Purpose of the new main is to improve and stabilize water pressure in the uphill area into which the city is expanding. The single main now in operation enters the city on a down-grade on Second Street which maintains good pressure in the lower part of the city.

City Council at this week's meeting drew up a schedule for use by the city's two riding clubs of Moir Park for drills and practices. Cranbrook Riding Club has 1 to 3 p.m. Sundays, and 6 to 8 p.m. Tuesdays and Wednesdays, and the Half Diamond Heart Club 3:30 to 6 p.m. Sundays and 6 to 8 p.m. Mondays and Thursdays.

With public interest increasing in the reorganized City Softball League, the Council is requesting an interview with the League officers at an early City Council meeting.

LOGGING CREW WINDS UP WORK

DEER PARK—Logging operations by Berry and Johnson of Arrow Park, under contract to E. E. Munn of Nakusp, have been discontinued by the crew returning to Arrow Park and Nakusp.

The crew consisted of Mr. and Mrs. W. E. Johnson, Kenneth Johnson of Arrow Park, Charlie Berry, Carroll's Landing; L. Hascaarl, Nakusp and Mr. Munn of Nakusp. H. H. Killough, Kinnaird, scaler for Celgar, Ltd., is still here, to scale logs hauled by Williamson and Phelps, local contractors.

Food Prices Lower

OTTAWA (CP) — Influenced mainly by lower prices, seven of 10 regional consumer price indexes declined during April, the bureau of statistics reported today. Decreases ranged from 0.9 per cent in Vancouver to 0.1 per cent in Halifax, Saint John and Monteral.

Cranbrook, Yahk Would Benefit . . .

School Program Goes To Ratepayers June 23

CRANBROOK — The proposed $210,000 building program by Cranbrook School District for a new two-room rural school for Yahk to replace the present old frame building which is cut off by flooding each spring, and to provide a new eight-room elementary school for the city of Cranbrook on Eleventh Avenue between Fifth and Sixth Streets will come up for school district ratepayers' decision June 23. Aaron Walde has been named returning officer and polling places in Cranbrook, Bull River, Fort Steele, Kingsgate, Mayook, Moyie, Wardner, Wycliffe and Yahk have been named.

The bylaw seeks permission for the borrowing over a three-year period of amounts necessary to raise a maximum of $210,000 for these projects. The Yahk school, estimated to cost $35,000 for site, building and equipping, would be the first of the two projects undertaken, and would be started as soon as possible if ratepayer approval is given.

Anticipating the elementary enrolment at Central and Tenth Avenue Schools will pass the 1000-pupil mark this fall, the district school board believes the new $166,500 elementary school is essential as soon as possible. The two existing elementary schools have found it necessary already to use basement rooms and assembly rooms as temporary classroom space with every indication that space requirements will continue to increase.

East Kootenay Teachers Plan Fall Convention

CRANBROOK — The convention to be held in Fernie October 11, 12 and 13 was discussed by the East Kootenay Teachers' District Council meeting here.

A. Simcoe of Fernie is convention chairman. He announced that Natal-Michel teachers are in charge of the elementary program, and Fernie teachers are arranging the secondary discussions. Mr. Simcoe said that F. C. Boyes, formerly principal of Vancouver Normal School, will be main convention speaker.

The Council reappointed Miss Muriel Baxter of Cranbrook as geographical representative to the B.C. Teachers' Federation. This will be Miss Baxter's second term representing teachers of this area.

Mr. Muraro of Kimberley was appointed chairman pro-tem of a committee to make a study of teachers pensions and present recommendations to the next B.C. Teachers' Federation annual meeting.

88th Birthday

NATAL — An old-timer in the Natal-Michel district, Louis Altomare of Natal recently celebrated his 88th birthday with a family gathering at McBaines Lake. He has spent the last 50 years in Natal-Michel.

For many years he has been operating a bakery business at Natal which in recent years has been taken over by his son Joe Altomare.

Our Sort of People

A small news item on the Queen's visit to Stockholm mentions that an agreement has been reached between Britain and Sweden which allows Swedish national residents in Britain to make use of the British national health scheme, and correspondingly for Britons in Sweden to come under Swedish schemes.

Much has been said of Britain's social welfare and health schemes, but little of similar schemes in other European countries, some of which are as complete as Britain's. But the remarkable feature of this news item is that such a minor, and what seems a purely domestic matter, should be the subject of agreement between two nations. Accustomed as we are to high level talks on such serious matters as disarmament and international water rights, it comes as a pleasant surprise to find that sometimes the health of their nationals can be the subject of agreement between countries.

This leads the Vancouver Province to say that the Scandinavians and the Dutch are our sort of people. Indeed they are, for their systems of government and their ways of thinking are much like ours.

The editorial further suggests that they should be invited to join the Commonwealth. There is no reason why they should not, for the Commonwealth today is an amorphous thing with two republics and a number of countries which, like Canada, are no longer dominions and are certainly not kingdoms, joined in a loose confederation. They would be very welcome and it is a fascinating idea to have other monarchies in the Commonwealth.

It is interesting, too, to note the changes which have taken place. Once it was the British Empire, then it became the British Commonwealth, but with India and Pakistan in it, it is no longer British. It is simply The Commonwealth; an association of free and independent countries united in the belief that democracy is the best way of life for their peoples.

Appealing Flag Suggestion

After all this persistent discussion in the public press—after parliament has considered a host of flag designs, wierd and otherwise—it is left for that stormy petrel of politics, Senator Jean-Francois Pouliot, to come up with a suggestion for a Canadian flag that has greater appeal than any of its more elaborate and intricate predecessors.

Unlike most of the sponsors of flag designs, Senator Pouliot is in no haste to see his flag adopted. So far as he is concerned, Canada is willing to wait, and he himself is content maybe 50 years hence to gaze down at the design from a point of vantage in an even better country.

Before urging the design the senator has been trying it out these two years at his home at Riviere du Loup, where everyone driving to and from Gaspe, including the prime minister, could see it, and take umbrage if he—or she—so desired. Apparently nobody has taken umbrage, and the flag still flies.

It has the virtue of a starkly simple design—a green maple leaf on a solid red background. That, and nothing more.

Says Senator Pouliot: "We need a national flag, because Canada has grown up and is a sovereign country. Red is flashy; it can be seen from far away. The leaf is green, because Canada is a growing country." And the senator wisely adds: "Until a truly national flag is adopted, the Union Jack at full size should be retained."

But why wait fifty years—or rather till 50 years after Senator Pouliot passes on, which will mean, we hope, a much longer time—to take a logical first step.

Why not, in the meantime, combine our present Union Jack and the maple leaf on the red field in an ensign in which Canada can take pride?

Many Canadians would not like to see the Union Jack eliminated from a national flag for this country.—Nanaimo Free Press.

Glory of The Empire

Sir Roger Makins, G.C.M.G., K.C.B., at St. Paul's Cathedral in Detroit spoke of the significance of Empire Day and of the achievements of the men and women who have gone out from Britain and, planting the British flag on distant shores, helped create new nations. The British Ambassador to the United States said:

"This world-wide, centuries-old adventure must surely stand as one of the most remarkable accomplishments of human history. Sometimes in uninhabited or sparsely-populated regions, these British pioneers have established new communities. Sometimes, working with indigenous races, they have helped existing communities to reach a level of education and development sufficient to sustain the responsibilities of nationhood in the modern world.

"This splendid mission, of which we are reminded today, is an ever-changing one. It is nearly 100 years since the British North America Act, and the Empire has been evolving continuously ever since.

"Experience has shown that British territories which have advanced from colonial status into separate nationhood seldom turn their backs upon their British heritage. They prefer to remain as members of the Commonwealth with the Queen at its head.

"In this comprehensive association they continue as equal partners to be guided in their domestic policies, and in their attitudes to the world scene, by those principles of justice and fair play which have been so long and so deeply rooted among the English-speaking peoples.

"They form with Britain a triangular bastion of strength and support for the free nations of the world. At this solemn service taking place at the gateway between the two countries, it is fitting that we should today be called to pray for those who exercise authority in the Queen's realms, and ask that, with God's grace, they should continue to be guided by those liberal and humane traditions which have turned a benevolent Empire into a free Commonwealth."—Windsor Star.

Watch Your Language

RIGHTEOUS—(RI-chus)—adjective; doing or according with, that which is right; upright; equitable, especially free from wrong or sin; virtuous. Origin: Anglo-Saxon—Rihtuis, from Riht, right, plus wis, wise, prudent.

It's Been Said

A good word is an easy obligation; but not to speak ill, requires only our silence, which costs us nothing.—John Tillotson.

Caller, Nelson—We have received the following suggestion from another reader regarding cockneys:

"May I," as another cockney sparrow, suggest that to the unaccustomed ear the word 'coster' may sound like 'cockney.' The Pearly Kings of East London are costermongers (barrow boys), and the word is usually abbreviated to coster. A Pearly King or Queen could be a cockney, but all cockneys are not Pearly Kings or Queens."

Mrs. A. B., Nanaimo—Would you please print date of year when drivers' licences were first issued?

Another reader tells us that the date was 1925, the price of the licence, one dollar. There was no examination and it was a very simple matter to buy a licence. In those days, also, he told us, driving was on the left side.

A. H., Sandon—Kindly give me address of a numismatic company, preferably a Canadian company who values old coins.

Neil Carmichael Publications, 161 Bay, Toronto, issue a comprehensive and authoritative catalogue for which there is a small charge. We believe they value coins. Also the Stanley Stamp Company, Vancouver, are interested in coins.

W. E., Rossland—Will you please give me the names of all the kings and queens of England up to the present?

Saxons and Danes: Egbert, King of Wessex and all England; Ethelwulf, son of Egbert; Ethelbold, Ethelbert, both sons of Egbert; Alfred the Great, Edward the Elder, Athelstan, Edmund, Edred, Edwy, Edward the Martyr, Ethelred II, Edmund Ironside, Canute the Dane, Harold I, Hardicanute, Edward the Confessor, Harold II; House of Normandy: William I, William II, Henry 1, Stephen; House of Plantagenet: Henry II, Edward I, Edward II, Edward III, Richard II; House of Lancaster: Henry IV, Henry V; House of York: Edward IV, Edward V, Richard III; House of Tudor: Henry VII, Henry VIII, Edward VI, Jane, Mary I, Elizabeth 1; House of Stuart: James I (VI of Scotland), Charles I. (Then Oliver Cromwell, Lord Protector, 1653-58, and Richard Cromwell, Lord Protector, 1658-9). Then Charles II, James II (VII of Scotland), William III and Mary II, Anne. House of Hanover: George I, George II, George III, George IV, William IV, Victoria, Edward VII, George V, Edward VIII, George VI, Elizabeth II.

Press Comment

Our new university graduates are most fortunate, says the Regina Leader-Post. "They are stepping into a surging world, alive with openings for young people with initiative, grit and disciplined minds. The times are favorable. There is every reason to trust them to do their alma mater honor—and their home land as well."

Are Canadians making the best use of their recreation? asks the Windsor Star. "In European cities it is noticeable that parks or other open spaces are used more, and in somewhat different ways, than here. There park benches are filled by persons of all ages, enjoying the outdoors and the flower gardens. People stroll through the parks in their hundreds. They are finding relaxation and pleasure. Our citizens perhaps need education in how to use the recreation facilities, and be encouraged to do so."

Music and Romance

Music can be the language of romance. Also, it seems, a surfeit of it can be a barrier to romance. This was illustrated in London, England, where a man advertised for a wife who preferred an evening of good music to "kissing and cuddling in a park." He got nary a reply.

Probably it was not just the music the women didn't want. There are plenty who appreciate both music and masculine company. But they wouldn't go for any man who would completely subordinate their feminine charms to that of music. They reasonably would suspect something lacking in such a man.

If the man had promised to sing sweet love songs to his wife as a prelude to kissing, he would have had more ample response. Music and romance are complementary; music alone isn't enough.

—Windsor Star.

From an Oldtimer's Notebook

—BY R. G. JOY—

Historian, Nelson and District Oldtimers' Association

Conclusion of the
J. O. Patenaude Story

The committee, with the late Fred Starkey, commissioner of the Nelson Board of Trade, was requested to go to Mr. French's residence on Silica Street to listen to a voluminous type history of the French process as it was exemplified in the Kootenays and other parts of the world. Widdowson was not present. Starkey went to sleep, snoring peacefully. Jones and I were apparently the only listeners. When French told the committee that the Standard Silver and Lead Company suggested building a model plant in the Slocan, Starkey awakened as one out of sleep, and after the committee recommended the idea Starkey endorsed it strongly.

Later a mass meeting was held at the city hall, one of the best-attended in the history of Nelson. The late J. A. Annable was chairman of the Board of Trade at that time. This beginning was a wonderful turning point in the history of the Kootenays for the solving of the problems of separating the complex ore of the Sullivan Mine and the Slocan ores. Various questions were asked; one was, "What are you going to do with so much zinc?" Patenaude said, "Build bridges with the zinc." An individual who was worse for liquor shouted, "Take no notice what Joy says; he's only a grocer." In my experience I have seen some ideas laughed at as nonsense, leaving me to quote the Biblical saying, "The stone that was refused is now the head stone in the corner."

GOVERNMENT HELP

Then the Board of Trade decided to ask the McBride government to provide sufficient money to build a model plant at Fairview, which was about 100 feet from Lakeside Park.

The late Hon. Mr. Bowser was appointed by Sir Richard McBride to inquire into the situation and report. This was about the time of the beginning of the first great war, and the demand for zinc was very great. Mr. Bowser came and the usual pros and cons were asked at a Board of Trade meeting. After much discussion, Bowser asked for an outline of the description of the process. Mr. French was not present. The industrial committee was present. We of course looked to Widdowson to explain. Both Jones and Widdowson called on the writer for a brief outline because I had given much time to the matter as a layman. I did so, and after the meeting adjourned, the late James Johnson and others congratulated me for the manner in which I outlined the process to Bowser.

Then Mr. Bowser took back to Victoria a request for $100,000. Nelson got $80,000. The process was given a good exemplification at Fairview. The Consolidated had in the meantime hired Mr. French to supervise the construction of a pilot plant at Trail. Mr. French worked at it for a time, then was succeeded by the late Mr. Cruickshank, Consolidated chemist. The Cominco zinc is as pure as can be.

We understand that Mr. Diamond's improvements made by the various flotation processes for the Sullivan ores have also forwarded the success of the company.

I understand Mr. Patenaude and his company employed the French Complex Electrolurgical Process, but later it was revoked. Here is a sequel. The late Al Tregillus some time ago gave me a brochure publishing some history of the Slocan district. Among its contents was a short story on a group of ore buyers in the Slocan, questioning an English ore buyer as to how he managed to pay twice as much for zinc ores as the other buyers. His answer was, "I am agent for a company which owns an electrolurgical plant on the banks of Manchester Canal." The brochure was published in 1897, long before Mr. Patenaude asked for his patent.

Here is another story which the late Mr. E. Harrop, an old-time prospector, mine owner and merchant, told we when I was collecting biographies of pioneers and oldtimers:

ZINC TO WALES

"George, said he, "I often shipped 20 sacks at a time of zinc to Swansea, Wales, and when I was packing some zinc into the sacks, a pioneer was looking on, saying, 'Ernie, get an assay on that zinc for gold.'" After some argument, Harrop said, he did, and found fair values in gold. Then Mr. Harrop wrote the Swansea smelter and lodged a complaint. They sent him a cheque for $1000 for appeasement.

When asking questions of various authorities regarding the residue from the electrolurgical process, I was told that at times it was very valuable. The dividends paid by The Consolidated Mining and Smelting Company, and the improvements made during the years, is a good example of enterprise and good management.

Strasser Aims At Political Comeback

MILTENBERG, West Germany (Reuters)—Otto Strasser, a former top Nazi and once one of Hitler's closest collaborators, has called his followers to this quaint Bavarian holiday town next Sunday to found a new party for an attempted political comeback.

Strasser, who returned to Germany in March, 1954, after more than 20 years' exile, most of it in Canada, intends to contest next year's federal elections with his new party — the German Social Union (Strasser party).

John Fisher Coming July 23

John Fisher, leading commentator on the Canadian scene, will visit Nelson July 23, it was announced Wednesday.

Mr. Fisher, who, is executive director of the Canadian Tourist Association, will address a dinner meeting of the Chamber of Commerce at 6:30 p.m.

It will not be his first visit to this city. He has been a promoter of the Midsummer Bonspiel, the coming installment of which he boosted in a recent radio broadcast heard locally.

Sign of The Times?

PRINCE GEORGE (CP)—Prince George's $550,000 jail has been full "almost from the day its doors were opened," health minister Eric Martin said during a visit here. Mr. Martin toured the men's jail which has a capacity for 100 men. Prisoners are frequently transferred to Oakalla prison farm because of overcrowded condition in the jail here.

TODAY'S BIBLE THOUGHT

And thou shalt be like a watered garden, and like a spring of water.—Isaiah 58:11.

In hot dry countries like Palestine, gardens leap into fragrance and burst into flowering when abundantly watered. God's love is like water to thirsty ground. It beautifies us.

Aunt Het.

No man ever becomes so hard-boiled that praise won't soften him.

ABOUT THE TOWN

By Alice Stevens

PHONE 1389 OR 1844

Mr. and Mrs. William Vance and three daughters, Sharon, Susan and Stephanie, and Mr. and Mrs. Arthur Vance, Heather and Diane were in Nelson to attend the Manderscheid-Vance wedding.

* * *

Miss Jeanne Davey, 709 Third Street, has returned from Victoria. While there she was at the wedding of Miss Betty Duff to Terry Pye.

* * *

Alex Steele, 417 Sixth Street, has returned from a visit to Vancouver.

* * *

Gordon McKenzie, 505 Fifth Street, and Leslie McEachern, 509 Fifth Street, are visiting Vancouver.

* * *

Mr. and Mrs. Gordon Finch and their daughter, Stephanie, were recent Nelson visitors. They attended the Manderscheid-Vance wedding.

* * *

Mrs. Edward T. Hay of Spokane is visiting her sisters, Mrs. J. W. Smith and Mrs. W. G. Fullerton, 1023 Stanley Street.

Mrs. M. DeLucrezio, 1004 Hoover Street, is in Seattle where she is the guest of her son-in-law and daughter, Mr. and Mrs. Earl Quinter. Mrs. Quinter is the former Violet DeLucrezio of Nelson.

* * *

R. H. Procter, 823 Tenth Street, is in Vancouver where he is attending the Western Canada institute of hospital administrators at University of British Columbia.

* * *

Engagements

Mr. and Mrs. A. L. Harris of New Denver, B.C. announce the engagement of their daughter, Nancy Joan to Mr. John McTurk Anderson, son of Mr. and Mrs. T. T. Anderson of Powell River, B.C. The wedding will take place in St. Stephen's Anglican church, New Denver, on Saturday July 7th, at 1:30 p.m.

BABY FINGERS

The fingerprints of a newborn child will remain unchanged for its whole lifetime.

Pictin-MacKay Wedding Held In Coeur d'Alene

Of interest in Nelson and Salmo was the wedding recently in Coeur d'Alene, Idaho, of the former Margaret Irene MacKay, daughter of Mr. and Mrs. A. MacKay of Nelson, and Gordon Pictin, son of Mr. and Mrs. F. Pictin of Salmo.

For the evening ceremony, the bride chose a nylon dress of ice blue trimmed with white, and white accessories. She wore a corsage of carnations.

Those attending the ceremony were the bride's parents and several friends from Salmo including Mr. William Lang, Mr. James Bakken, Mr. Alex Dichuck, Mr. John Sheloff, Miss Vesta Ash and Miss Pauline Gritchin.

A reception was held the next day at the home of the groom's parents in Salmo, attended by members of the newlyweds families and friends. Toasts were proposed by Mr. Nick Bonderoff and Mr. Tom Pelach.

The couple spent a brief honeymoon before returning to Nelson to make their home at 1418 McQuarrie Avenue. They plan to take a trip to California in Winter.

Emerald Mine

EMERALD MINE — Mrs. T. Sanford was hostess at a coffee party honoring Mrs. G. Sodge, who is leaving to make her home at the Reeves MacDonald. Her friends presented her with cups and saucers.

Mr. and Mrs. T. Allen motored to Spokane.

Mr. and Mrs. T. Kilford were Spokane visitors with Mr. and Mrs. A. Wilsvick.

Little Sandy Pelegrin is a patient in Kootenay Lake General Hospital.

Sirdar Notes

SIRDAR — Mr. and Mrs. Oscar Ofner, the former's mother of Kaslo with Mrs. S. Johnson of Kuskanook were visiting Sirdar enroute to visit relatives in Kitchener.

Charles Wilson is on a business trip to Kimberley and Fernie.

Billy Armstrong, son of Mr. and Mrs. R. Armstrong celebrated his fourth birthday with a party of little friends.

Mr. and Mrs. J. Pascuzzo of Cranbrook were visiting relatives here.

New Name Selected . . .

Membership Rises In 56 Church Group

The 56 Group of the Fairview North Shore United Church now has a membership of 24, Mrs. Grant Clark, president, informed a recent meeting as she welcomed six new members.

The meeting was held at the home of Mrs. P. T. Filleul, 907 Sixth Street, with Mrs. Clark assisting the hostess.

Ways and means of raising funds in the Fall were discussed.

The name "56 Group" was chosen for the organization, 1956 being the year of its formation and the year of the establishment of the Fairview North Shore Church. The membership is derived from groups in existence prior to the amalgamation.

Baptist WMS Strength Grows

VANCOUVER (CP) — The Baptist Women's Missionary Society of B.C. opening its 49th annual convention here, heard that its strength has risen to almost 1800.

Mrs. W. H. Beale reported 145 new members during the year and formation of four new circles, bringing the total to 95.

The association had a surplus of $1384 and spent a total of $12,844, Mrs. Paul N. Whitley said in her financial statement.

Foreign missions are maintained in Bolivia, India and Africa, Mrs. Gordon Hitchcock told the convention. She said four more evangelists are needed in Bolivia where there are more than 1200 members in 34 organized churches.

Mrs. E. Newland Phillips of Victoria was installed as president by Mrs. E. R. Elsey Wednesday.

Vice-presidents are Mrs. Ralph Thomas, Vancouver; Mrs. J. D. Oliver, Trail; corresponding secretary, Mrs. J. Ingram Smith, Victoria; recording secretary, Mrs. W. V. Pegg, Vancouver; treasurer, Mrs. W. Worsfold, Vancouver.

Baptism Rite Held For Slocan City Baby

SLOCAN CITY — A United Church baptism and Communion service was held in St. Andrew's Presbyterian Church here, Rev. A. R. T. Dixon of Nelson officiating. Also received into the membership of the United Church were Mrs. J. Moran and Mr. and Mrs. H. Myers.

Receiving baptism was the baby daughter of Mr. and Mrs. Cummings, Kelly Jean, and standing as godparents were Mr. and Mrs. Sid Paterson and Mrs. Bertram. Following the service a buffet supper was served at the home of Mr. and Mrs. J. Gordon, with members of the family, Mr. and Mrs. H. Sherwood, grandparents of Kelly Jean, and Mr. and Mrs. D. Sherwood, great grandparents, and invited guests. A prettily decorated christening cake was cut by Kelly Jean's mother and a toast to her future was given by Mrs. R. G. Warner.

Deer Park WI Adjourns Till Fall

DEER PARK—Members of the Deer Park Women's Institute held their final meeting before the summer recess at the home of Mrs. A. Phelps. The seven members attending the meeting hard a report on the conference held at Fruitvale, by Mrs. N. Mottershead, the delegate. A brief reading on citizenship was also heard.

Mrs. J. Kent read an amusing article entitled "Ten Ways to Kill an Organization."

The meeting voted in favor of purchasing a table for the community hall, and it was decided to purchase a card table and chairs later. The speaker from Castlegar, scheduled for this meeting, was unable to come due to the road being under water between Robson and Syringa Creek. Contest winner was Mrs. H. Phelps.

Deer Park

DEER PARK—H. Jamieson and son Barry have returned to their home at Fort St. John after spending a few days at the home of Mr. and Mrs. D. D. Jamieson.

Mrs. H. Windross and daughter Patsy of Winnipeg arrived to spend a holiday at their Summer home here. En route to Deer Park they stopped for a few days at Nelson where they visited with Mrs. Windross' mother, Mrs. D. Jamieson, who was a patient in the hospital.

Mr. and Mrs. W. E. Johnson and Kenneth Johnson left for a week's vacation to their former home at Prince Albert, Sask.

A. Law and C. A. Crockett have returned to their homes here from Elko where they attended a course at the B. C. Forest Service lookout school.

Mrs. G. Briggeman, nephew Carl Wine, Mrs. H. Windross and daughter Patsy and Mrs. V. Coleman were visitors to Renata where they attended a church service at the Living Waters Chapel.

Christening Held

A christening ceremony took place at the Sacred Heart Ukrainian Church when the son of Mr. and Mrs. Ray Carman received the names Gregory Raymond.

The baptism was performed by Rev. D. Hnat with sponsors being Mrs. Robert McGhie and William Kashluba. A buffet supper was held later at the Carman home on Latimer Street for the sponsors and relatives.

200 Enjoy "Open House" At Mount St. Francis

More than 200 persons were served tea at Mt. St. Francis "open house" Wednesday afternoon. Some 20 tables set up inside were kept filled during tea hours while those outside were not put to use owing to the threat of rain.

The pourers table was centred with a lovely bouquet of colorful Summer flowers and the individual tea tables were graced with dainty bouquets of pansies and violas.

Sponsored by the Uphill Circle, the tea was convened by Mrs. Joseph DeLucrezio. Mrs. Joseph Kary and Sister M. Patrick greeted the guests at the door. Mrs. P. E. Poulin, Mrs. K. D. McRae, Mrs. N. E. Morrison and Mrs. John Learmonth poured. Cashiers were Mrs. Joseph Maglio and Mrs. E. Morgan Jones. Miss Gloria Vingo was in charge of tea making.

Servers were Mrs. R. Kuntz, Mrs. M. Darwin, Mrs. W. Hall, Mrs. S. F. Gatensbury, Mrs. K. A. Mason and Mrs. S. A. Moisey.

Mrs. E. Marsden was in charge of a chair contest while Mrs. Joseph Lang and Mrs. F. Steenvoorden looked after the needlework table. Those selling at the bake table included Mrs. J. Ludwig, Mrs. John DeGirolamo and Mrs. B. Hulberts.

Legion Unanimously Backs Conscription

VANCOUVER (CP) — A strengthened stand in favor of compulsory military service was endorsed unanimously by the Canadian Legion here Wednesday as it delivered a blast at what it termed misreporting of its 16th convention.

It was announced at the convention that the Quebec command had submitted a resolution to the general resolution's committee after a caucus in which they supported the Legion's stand.

The Quebec resolution was incorporated in one adopted by the convention.

A re-written resolution, revised to include recommendations made to the convention by Lt.-Gen. Guy Simonds in an address Tuesday, called for "a comprehensive national registration of residents of Canada above the age of 16 years"

The Legion asked the "Government of Canada to introduce national selective service based on a system of national registration in order that Canada may be properly and adequately prepared to meet any emergency to ensure that the obligations of national defence are equally distributed among all residents to see that young Canadians shall never again be exposed to the hazards of combat without proper training, and to secure the most effective use of our manpower resources."

CRITICIZED PRESS

Before the resolution was presented, Earl Cannon of Summerside, P.E.I., delivered a criticism of the press from the floor for what he said was misreporting of the convention.

"Mothers and parents of this country have been informed through the press that we recommend conscription at the age of 16. When questions were asked after Gen. Simonds' speech, the press was conspicuous by its emptiness. I think we should request that the press be requested to accurately report the proceedings of this convention.

The suggestion was greeted with cheers and applause by the more than 1200 delegates.

Erle Burgess of St. Thomas, Ont., the Dominion chairman, supported Mr. Cannon and said:

"The only matter at the age of 16 was a check and a medical examination."

There was no reference made at the session to remarks by Gen. Simonds during his address and which he repeated later at a press conference and recorded television and radio interviews that 16-year-olds, found physically fit through examinations, should be compelled to attend Summer youth camps and after that should go into reserve forces.

Very Rev. J. O. Anderson of Ottawa, retiring Dominion president, reported on his visit last week to the World Veterans' Federation Assembly in Brussels.

In recommending that the Legion join the organization, Dean Anderson said, "a bogey that can always be raised is that it is communistic. We did not find it so."

He said there were Yugoslavian members on the Federation and "we have to learn to live in the world with these people and if we are afraid to talk with them, we would be in a bad way indeed."

The question of affiliation which matter be laid over to the 1958 conyears after delegates spoke against the joining of an organization with communist representatives.

Bob McNichol of Gibson's, B.C., urged caution and advised the Legion, "don't get mixed up in trying to clean up Europe's back yard."

In favor of affiliation was Alex Solomon of Montreal, who said:

"We have been discussing the situation from a Montreal point of view." He said there had been too much talk of control of the organization and "too many people are trying to control the destinies of others. We passed a resolution to keep our powder dry, that was the practical application. Now it's time for an idealistic approach.

"When you can sit down Arab and Israeli . . . and feel that you are not bad friends you have accomplished something. I urge you comrade to forget provincial and national boundaries for there are no national boundaries." There were cheers when he finished speaking.

The Dominion command's legal advisor, Ossie Howe of Ottawa, spoke against affiliation.

"Of course we are all for peace but how to get it is a horse of a different color. I am not anxious to see Canada become comrades with any communist dominated country and I refer to Yugoslavia."

His amendment asking that the matter be laid over to the 158 convention in Halifax brought the first turmoil of the convention and resulted in a standing vote, which ended with the issue shelved for two years.

Decision was taken during the morning session to shelve for two years a proposed affiliation with the World Veterans' Federation. Some delegates spoke against joining an organization with communist representatives. Yugoslavia is a member of the federation.

The compulsory military service resolution was unanimously passed by the convention.

The Quebec resolution, incorporated in the main resolution, said:

"A policy of contributing materials rather than manpower to common defence effort of the British Commonwealth and the United Nations is neither dignified nor in keeping with the traditions of the forebearers of the people of Canada, nor in the final analysis even an adequate guarantee of Canada's own security from attack . . .

"The calling up of Canada's youth to serve the nation would not only bridge a serious gap in Canada's forces but would immeasurably benefit most of the individuals concerned . . ."

It urged that a program be "pushed forward with as much speed as training and absorption in the active and reserve forces can be efficiently accomplished."

The resolution passed by the convention, revised to include recommendations made to the delegates by Lt.-Gen. Guy Simonds in an address Tuesday, called for "a comprehensive national registration of residents of Canada above the age of 16 years . . .

TIGER LILIES DECK TABLES AT SILVERTON TEA

SILVERTON—The Zion United Church Ladies' Aid held a tea and sale of baking and needlework in the Municipal Hall. The sum of $90, was realized, the bake table bringing $27.20, tea tables, $19.40, and needlework table, $43.40.

Mrs. L. Campbell of New Denver won the door prize.

Spring flowers in every color adorned the Hall and each table's centrepiece was a small vase of wild tiger lilies.

Personnel were: needlework table, Mrs. J. Loundes and Mrs. H. Miller; bake table, Mrs. Gruer and Mrs. Janet Graham; kitchen convenors, Mrs. J. B. Scaia and Mrs. S. W. Nelson; serviteurs, Mrs. T. M. Leask and Mrs. M. A. Wright, assisted by Mrs. J. Fairhurst, and treasurer, Mrs. J. Fairhurst.

Insects Invade Tough Grains

By WALTER GRAY
Canadian Press Staff Writer

WINNIPEG (CP)—Tiny insects that claim squatters' rights inside tough grain kernels will find a shortage of board and room this year.

Grain experts say a dry harvest in 1955 reduced the quantities of tough grain, uncounted thousands of bushels of which have been infested in recent years, cutting the grain's value and increasing the work of the grain storers.

Fred L. Watters, officer in charge of the federal government's stored products insect laboratory in Winnipeg, listed the invaders as the rusty grain beetle, two types of gungus beetles and mites.

1951 PEAK

Insect infestation reached its peak in 1955 after farmers, fearing early frosts, harvested their 1954 crop earlier than usual and had to store damp, or tough grain. The insects prefer tough grain.

No great problems are expected this year. The farmers harvested a dry crop and so far there have been only one or two complaints.

Farmers are requested to check their stored grain regularly by taking samples or its temperature. If infestation is suspected the grain is fumigated.

The fumigant is supplied in liquid form and sprayed over the grain. The result gas seeps down into the pile and chokes the insects to death. Within eight to 10 days the insect population is obliterated.

The damaged grain is cleaned and sold as feed. But outside the granary or the elevator the insects' uncles, aunts and cousins by the dozens are usually lining up for the next attack.

Canadian Scientists Satisfied Atom Fallout Harmless To Milk

By JOHN E. BIRD
Canadian Press Staff Writer

DEEP RIVER, Ont. (CP) — Canadian scientists say new experiments with milk have given them renewed assurance that radioactive fallout from experimental atomic bomb explosions so far appears to be harmless to health.

The tests, conducted in a special laboratory in this Ottawa river village, show for the first time that the amount of radioactivity present in milk in its natural state—has increased minutely since the United States, Britain and Russia began exploding atomic bombs.

The laboratory was set up last year by the federal health department with the direct assistance and advice of Atomic Energy of Canada Ltd., crown company which operates the Chalk River, Ont., atomic establishment.

PROVES RADIATION EFFECTS

Headed by Dr. William Grummitt, a Canadian specialist in the field of atomic radiation, it is assisting in studies of long-term effects of radiation on humans, animals and plant life. The laboratory later this year will be transferred to Ottawa where it will be operated by the health department.

Research at the laboratory, some 12 miles from the Chalk River, Ont., atomic energy project, will be co-ordinated with studies by the United Nations scientific committee on the effects of atomic radiation. Canada is a member of the 15-nation committee which on a global scale is studying effects of radiation on man and his environment.

BEST FOR STUDY

Milk was chosen for the experiments for two reasons. It is a calcium-containing product that lends itself chemically to this type of research and it is produced and consumed in all parts of Canada. Milk is an end product from a process which starts in the soil. However, scientists could have chosen any other calcium-containing product derived from the earth.

PROBLEMS EXPECTED

Quite aside from the question of fallout, atomic energy will continue to be developed for various peaceful purposes and it is inevitable that some problems will arise. Health Minister Martin said recently:

"Through the ages, each new scientific and industrial advance has brought with it new problems. But nuclear energy is, in a sense, unique among scientific discoveries in that preventative action against the hazards it may create now is being taken well in advance of its actual widespread development."

The committee requested information on natural radiation and environmental contamination because these physical measurements are fundamental to scientific evaluation in other fields.

The long-range genetic effects of radiation cannot be evaluated without a knowledge of the amount of radiation from all sources to which humans, animals and plants have been exposed day after day throughout their lives.

Training Course Held for Guiders

SILVERTON — A training course for Girl Guides and Brownies of the Arrow Lakes and Slocan District was held in Guide Hall.

Welcomed by the captain Mrs. Daisy Welch and Lieut. V. Detta, were Mrs. Rizzuto of Trail, divisional trainer for the Girl Guide movement, and Mrs. Hyson of Robson, divisional trainer for the Brownies; Lieut. Pender and Mrs. Lewtas of Edgewood, Captain Grace Butler and Lieut. H. Witt of the New Denver Guides, Mrs. Martin and Mrs. Heslop, New Denver LA members, Mrs. Q. A. Forsythe, Mrs. Edwards, Mrs. Jones, Mrs. W. Mott, Mrs. Mullins and Mrs. D. Crellin of New Denver Brownies, and Mrs. A. B. S. Stanley, LA member of the Nakusp organization representing the Nakusp Guides and Brownies.

A pot-luck luncheon was served in the Municipal Hall, Mrs. W. Nixon being convenor for the refreshment committee. Mrs. McLeod, Mrs. Kabatoff and Mrs. N. Elsmore assisted her. Serving were the older Guides.

Vases of pink and blue flowers decorated the tables and the centrepiece was a square cake iced with the Guide motto "Be Prepared." This was made and decorated by Lieut. Detta. Grace was said by the Divisional Guide trainer, Mrs. Hyson.

The course in Brownie training received price attention. Later two presentations were made. Mrs. Lewtas was presented with the world pin and Lieut. Pender received the warrant pin.

Supper was served by the LA members.

Presentation At Fall Production . . .

Greenwood Trophy Goes To Mrs. Roy Pollard

Mrs. Roy Pollard was awarded the Greenwood Trophy as most valuable member of the Nelson Little Theatre at the annual meeting of the Little Theatre members in the Church of the Redeemer Hall Tuesday.

With Mrs. Bernard Ford, retiring president, in the chair the officers for the 1956-57 season were elected as follows: President, John Applewhaite; vice-president, Mrs. R. A. Denison; secretary, Mrs. J. A. Pringle; treasurer, H. C. Carne. Directors: Mrs. A. J. Reid, Mrs. Pollard, F. H. W. Chanter, Hewitt Ferguson and Ralph Black.

After an evening of games and contests, organized by E. J. Leveque, a pot-luck supper was served, convened by Mrs. Reid, with Miss Isabelle Fraser, Mrs. Joanne Maynard and Miss Barbara Forse, as serviteurs.

A hearty vote of thanks was given to Mrs. Ford for her work on behalf of the Little Theatre. Plans were discussed for an early start on a fall production. About 30 were present at the meeting and new members are promised for the next season.

The Greenwood Trophy, presented by the Greenwood brothers *in memory of their brother Flt. Sgt. G. E. (Chubby) Greenwood*, a member of the Little Theatre, who died in the last war, will be given to Mrs. Pollard before the curtain opens on the first act of the next play. For over ten years Mrs. Pollard, apart from acting in one-act and three-act plays, has been responsible for properties, an onerous job requiring the collection of everything on the stage from the smallest teaspoon to the inevitable three-pieve chesterfield suite. Pictures, mantle decorations, drapes, all the things that make up the visaul drama, have been in her hands. The exception, was "Candlelight", when Mary Jarvis was in charge of properties, including delivery of articles at the theatre and return to owners and those stores who co-operated in supplying the larger pieces.

A reading committee will be appointed soon by Mr. Applewhaite so that the selection of the next production may be completed in time for casting at the first fall meeting.

DEATHS

By The Canadian Press

Montreal—Georges Leveille, 58, president of the Canadian Tourist Association and director of the Quebec provincial publicity bureau.

New York—Ralph Morgan, 72, veteran leading man of stage and screen and brother of the late Frank Morgan, comedian.

COLLECTS $56 IN CANCER DRIVE

SLOCAN CITY — At the June meeting of the Ladies' Auxiliary to the Canadian Legion branch, Mrs. J. Sherwood, delegate to the provincial and zone conventions, gave an interesting report.

Canvassers for the recent cancer drive, Mrs. R. Webster, Mrs. J. Life and Mrs. Sig Anderson, reported a return of $56.65 for this worthy cause.

Plans were made to hold a picnic of the Auxiliary and Legion members with their families in July and to hold a bake sale Saturday.

A motion was made for a summer recess. Meetings will be resumed in September.

LISTER — Mrs. Rieberger was a visitor to Moose Jaw, Sask., to attend the graduation of her granddaughter from the Sisters of Providence Hospital.

Silverton Notes

SILVERTON — Mr. and Mrs. T. M. Leask have returned from visiting Fernie. Mrs. Janet Graham and Mrs. S. W. Nelson who have been visiting Mr. and Mrs. W. Graham and family at Kimberley returned with Mr. and Mrs. Leask to their homes.

Mr. and Mrs. Loundes had as their guest Mrs. E. R. Harris of Cranbrook.

Guests of Mr. and Mrs. Wright and family were Mr. and Mrs. L. Wright, Gail and Daryl of Kelowna. While here, Lorne and Donna-Mae Wright, son and daughter of Mr. and Mrs. M. A. Wright, celebrated their ninth and sixth birthdays respectively.

Mrs. M. E. Emerson has taken up residence in her home after being the guest of her son Lance and Mrs. Emerson of Warfield.

Mrs. Swanhild Dewis left to visit her sister, Miss A. Wetterhouse of Spokane.

Mrs. C. Schmidt has returned from visiting her sister Mrs. S. Jacobs and Mr. Jacobs of Edmonton.

Mrs. McCoubrey, who has been the guest of her daughter, Mrs. W. Nixon, Mr. Nixon and family for several months, has returned to her home at Pope, Man.

Mrs. S. R. Dewis, Donna-Lee, and Bobbie, and Mrs. R. O'Grady, Pattie and Chucky were in Trail visiting Mrs. Dewis and Mrs. O'Gradys grandmother, Mrs. N. Edwardson of Vancouver, who is visiting her son, Mr. F. Edwardson.

Mr. and Mrs. Richards and family of Cranbrook have purchased the Hunter house on Hunter Hill, and taken up residence here.

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, June 14th—Freedom from both! It's so essential to loveliness, to be free of *both* perspiration and odour. That's why more Canadians buy the creamy ARRID than any other deodorant. Just rub Arrid in—rub odour out. You can be certain of your charm and freshness with Arrid—the pure, white, vanishing cream deodorant with that safe and exclusive new ingredient, Perstop. It's guaranteed not to dry out in the jar. You'll have the satisfaction of stopping perspiration from 1 to 3 days. So don't risk half-safe deodorants. Get Arrid—at only 53c a jar.

Oh Happy Day! . . . It was a grand day for me and my family when I discovered the full-bodied flavor of LIPTON SOUPS. Serve soup and a sandwich for lunch. Reach for a package of delicious Lipton Soup when you come in from a long drive—or the kids come rushing home from school, hungry as bears! In the time you greet them you can have a pot full of hearty soup . . . Onion . . . Tomato Vegetable . . . Beef Noodle, or Chicken Noodle . . . ready for your hungry darlings. So *good*—so *economical!*

It's Such A Comfort! You face the world with your complexion at its best, when you use LANOLIN PLUS LIQUID MAKE-UP. At the same time, you know that the protective benefit of its high lanolin content . . . is helping to overcome dry skin, flakiness, wrinkles. Choose one of its five delicate shades—to blend and harmonize with your *own* skin tones! See how quickly a tiny amount smooths over your face and throat—and what an exquisite glow it brings. Do get a jar this very week, and bring this new beauty to your complexion . . . the *skin treatment* that's a skin *beautifier*, too!

Wish You Could Admire Him . . . with me! I'm talking about our beautiful Budgie—Sir Isaac. The colors of his feathers are unbelievably lovely—merging from palest yellow to turquoise. It's a delight to watch him climbing around his cage — hanging head-down to nibble at his BROCK'S Spray Millet which he *loves!* His regular diet is Brock's Natural Feeding Diet, carefully balanced with vitamins, minerals and proteins to keep him healthy and beautiful. Budgies are *really* a delight to own—lovely to look at, fascinating to train, fun to have around. Have you one of your own, yet?

A Taste Thrill! Just reading this scrumptious "Minute Meal" makes one realize how good it will be—but *do* try it! Mrs. E. F. Schmidt of Trail, B.C., will receive $10 for sending it. She uses BORDEN'S King Size Cheese Slices.

MINUTE MEAL

4 Hamburg Buns
8 slices pineapple
1 pkg. Borden's King Size Cheese Slices
Bacon

Slice hamburg bun in half and toast until light brown under broiler. On toasted bun place slice of pineapple, then one-half slice of cheese. On top of this, place one or two small pieces of bacon. Place on broiler and cook until bacon is brown and cheese melts. Serve at once.

Now send me your ideas for serving any of the fine Borden Cheeses! Confidentially Yours, 1411 Crescent St., Montreal.

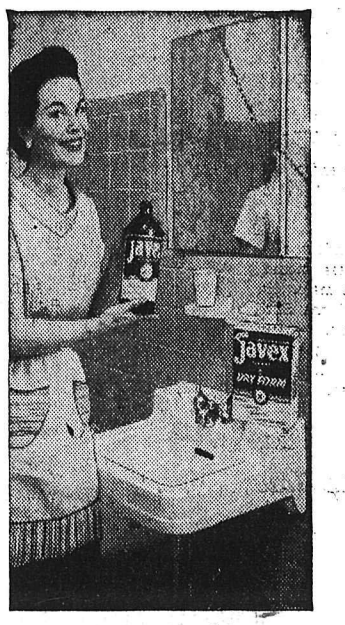
LIQUID OR DRY

Javex 5-IN-1 Action!
CLEANS
KILLS GERMS
BLEACHES
REMOVES STAINS
DEODORIZES

Yes! Liquid or dry—whichever you buy—
there's nothing else like Javex!

What other single cleaning product does so many jobs
. . . and yet costs so little?

There's nothing else like Javex. A wonder-worker in your laundry, Javex also keeps porcelains jewel-bright without scratching . . . whitens and deodorizes toilet bowls . . . disinfects drains and does a dozen other labor-saving chores easily, quickly, thoroughly.



"I save money on my cleaning products . . ."
says Mrs. North

". . . by using Javex for kitchen and bathroom cleaning as well as in the laundry. I save work, too! For just an easy wipe-over with Javex makes porcelain surfaces shining-clean; and a little Javex in the toilet bowl works wonders."

Most women know at least 20 ways Javex saves work and cuts the cost of cleaning products.

Buy your Javex in threes

By buying 3 Javex at a time and keeping one always handy in the kitchen, laundry and bathroom, you'll save countless steps every day. And in either form, Javex is equally efficient; whichever you use is purely a matter of your own preference.

JLD-556A

Former Trapper Invents Quick Killing Snare

PRINCE GEORGE, B.C. (CP) — A new method to trap fur-bearing animals humanely was described at the British Columbia Registered Trappers' Association convention here.

Invented by Frank Conibear of Victoria, who quit trapping some years ago, it was described by Eric Collier, provincial president, as the greatest news to come to the fur industry in years.

The trap is a wire device with four wings that snap into a flat position at a touch, hitting the animal such a blow in the neck or heart that it dies at once, secured back and front in a one-way grip. He said it is collapsible, comes in a number of sizes and is easy to set and carry.

SEVERAL TESTS MADE

"It has already been proven on marten, squirrel, muskrat and beaver. It must still be tested on wolverines and otters," Mr. Collier said.

INSTANT DEATH

In tests up to date no animal has set the trap off without getting caught and any animal setting it off has been instantly killed. Every skin has graded 100 per cent clean and undamaged.

Reports from those making the tests say also that flying predators don't find the animals in the Conibear trap because it draws no blood.

Mr. Conibear believes he has the trap rigged to kill animals up to the size of bears mercifully, but it remains to be tested on larger animals. Foxes and coyotes, among the doubtful animals, are very shy and the trap cannot be concealed.

Aussie Predicts Population Hike

VANCOUVER (CP) — Prediction that Australia will boost its population to 20,000,000 by the end of the century was made in an address here by O. D. A. Oberg, chairman of the Australian immigration advisory council.

"Booming Australia, like Canada needs a strong immigration policy," he said. "A policy of assimilation and education is started as soon as a new Australian is accepted. A million immigrants have come to the country since the end of the war and 180,000 had been displaced persons.

Mr. Oberg, a vice-president of Rotary International, spoke of tremendous capital developments. These included oil refineries in the major cities, uranium mining and the Snowy river project in which two rivers will be redirected to feed 12 hydro electric plants and irrigate rich rice and fruit areas.

Anna Magnani Unlike Film Stars in U.S.

ROME (AP)—Give or take an eruption or two, Italy's most famous volcanoes are Vesuvius, Stromboli and Anna Magnani.

Miss Magnani, whose earthy Serafina in The Rose Tattoo won the 1956 academy award for the best film actress of the year, is an explosive opposite of the glamorous movie type.

She is a bulging matron of 46 who just can't keep her lank black hair combed. Her clothes normally look as if the doorbell rang before she was quite dressed.

Foreigners who do not patronize the art theatres have come to know Magnani only recently. But she hit the screen first in 1934.

DRAMA SCHOLARSHIP

Her family was poor. She came from the Trastevere section of Rome — literally "across the Tiber", but in fact rather like being from the wrong side of the tracks.

Her fiery talent won her a scholarship in Rome's St. Cecilia Dramatic Academy. After that came roles with touring companies — years of low pay, shabby accommodations and experience.

Then came love—and Magnani freely admits she has been without it only rarely since.

"Love is a woman's best friend," she says. "I'm always in love. It is impossible to live without love and unpleasant to die without it."

There have been many romances for Magnani since the breakup of her marriage to Geoffrey Alessandrini, a director. One with Roberto Rossellini broke up explosively when the Italian moviemaker met and married Ingrid Bergman.

Magnani makes no pretentions about being a beauty.

"My face is what it is," she says. "If I tried to improve it, I might just make it look ridiculous."

Wage War On Brain Shortage

NEW YORK (AP)—Business is increasing its grants to higher education in a drive to end a growing shortage of brains.

Corporations contributed $39,000,000 to 728 colleges and universities in their 1954-55 fiscal year, the Council for Financial Aid to Education reports. This was 12 per cent of the grand total of gifts received by these schools.

But the council adds that if U.S businessmen had donated just one per cent of total corporate net taxable income in that year the sum would have come to $340,000,000. And the schools could have used it.

A number of corporations recently have announced sizable new grants or increased impressively the amounts donated for scholarships or faculty salaries.

LOOK TO COLLEGES

They are looking to the colleges and universities for much of the business leadership of the future. And industrialists know there is already a shortage of young chemists, physicists and engineers.

Niel McElroy, president of Procter and Gamble, predicts that "in the next 15 years we may have to build in this country facilities for higher education equal to the total of all these built since the landing of the pilgrims."

His company gives scholarships and grants to those privately endowed schools from which it has drawn the largest number of graduates as employees, on the theory that these institutions ought to produce more of the same in the future.

Companies have different ways of setting up gifts to education. Some provide scholarships for families of their employees or dealers. Some give unrestricted funds to schools in the areas in which they have plants. Several encourage alumni contributions by agreeing to match the funds any of their employees contribute to their own alma maters.

Reprieve Granted Gordon, Carey

VANCOUVER (CP)—A reprieve until Oct. 16 was granted Wednesday by Mr. Justice A. M. Manson to Joseph Gordon and James Carey.

They were found guilty on April 26 of the slaying Dec. 7 of Constable Gordon Sinclair.

The execution was set originally for July 10, but their appeal does not open until Sept. 17, prosecutor William A. Schultz told the trial judge when he asked for postponement of the hanging.

Churchill Lunches With the Raniers

MONTE CARLO (AP)—Sir Winston Churchill Tuesday was a luncheon guest of Prince Rainier III and Princess Grace. Other guests included friends of Churchill and members of the princely household.

His Worship the Mayor and Aldermen,
Corporation of the City of Nelson,
Nelson, B. C.

Lady and Gentlemen,

I have examined the books and accounts of the Corporation of the City of Nelson for the year ending 31st December, 1955, and submit with this report, the following financial statements, prepared by the City Treasurer, Staff, and Certified to by myself:

Balance Sheet as at 31st December, 1955.

Statement of Trust Accounts at 31st December, 1955.

Statement of Sinking Funds at 31st December, 1955.

Statement of Investments in Hand at 31st December, 1955.

Statement of Debenture Debt at 31st December, 1955.

Statement of Receipts and Disbursements for year ending 31st December, 1955.

Statement of Revenue and Expenditure for year ending 31st December, 1955.

Statement of Civic Centre Receipts and Payments for year ending 31st December, 1955.

Civic Centre Payments:

The Civic Centre Manager estimates that Expenditure of a Capital nature amounting to $8,714.33 was incurred during 1955, as follows:

Arena	$2,175.32
Amusement Hall	590.49
Curling Rink	5,948.52
	$8,714.33

Sinking Fund Investments:

I have examined the Securities on hand in the Bank of Montreal, Nelson, B. C., in the presence of the City Treasurer and Assistant City Treasurer; these were in order.

Capital Expenditure $187,131.24:

It is testimony to the City's excellent financial position that the Council was able to make the Capital Expenditure indicated in the exhibits out of revenue during 1955.

The books and records at the City Hall have been well kept, I have received every assistance and courtesy from the City Treasurer, and members of his staff, with whom I have come in contact during the course of this Audit.

Subject to the foregoing remarks and information disclosed to me, I beg further to report:

(a) I have received all the information and explanations I have required.

(b) In my opinion the Statements referred to in this report are properly drawn up, so as to correctly exhibit the affairs of the Corporation, as disclosed by the books and information received.

Respectfully submitted,
CHAS. F. HUNTER, C.G.A., F.A.C.S., City Auditor.

PARTICULARS OF THE CORPORATION OF THE CITY OF NELSON, 1955

British Leave Suez Canal

PORT SAID, Egypt (AP)—The last British soldier quit the Suez canal zone Wednesday, ending 74 years of military occupation in Egypt.

The last to leave was Brig. J. H. S. Lacey, who quietly handed over the Port Said harbor navy house to the Egyptians.

Then he boarded the British landing ship Evan Gibb, and with 10 officers and 80 men sailed for Cyprus. They were the last of the British canal zone garrison, which two years ago numbered 85,000 men.

The Union Jack was lowered for the last time in the zone Tuesday evening.

The British government holds almost half the shares in the company, which has a concession to operate the canal until 1968.

If other arrangements are not made by then, the canal passes to the Egyptian government. Britain's State Minister Anthony Nutting said a month ago that Britain is getting ready for international talks on the future of the canal.

Market Trends

NEW YORK (AP) — The strong rally from last week's break continued for the third session, but the tempo of recovery slowed.

Canadian issues were unchanged to higher. Aluminium Ltd. was up ¾, Hudson Bay Mining added ½, Dome Mines gained ⅜, Canadian Pacific, Granby Mining and Hiram Walker all added ⅛. Distillers Seagram and McIntyre were unchanged.

TORONTO (CP) — Taking its usual cue from the New York exchange, the Toronto stock market advanced for the third straight day to erase the losses sustained last Friday when it was announced that President Eisenhower had been taken to hospital.

New York prices regained their lost ground. The industrial index, which plunged more than seven points with the Eisenhower break, was up almost two points Wednesday. Base metals and Western oils also regained their lost ground.

MONTREAL (CP) — Industrial prices on the Montreal and Canadian stock exchanges closed with advances outnumbering declines two-to-one. Fluctuations were mainly fractional in moderate trading during the day.

Papers closed fractionally better. Utilities were generally steady to fractions higher.

B.C. LAWYERS TO MEET IN KELOWNA

KELOWNA — More than 125 British Columbia lawyers have already registered to attend the annual meetings of the Canadian Bar Association (B.C. Branch) and the Law Society of British Columbia to be held in Kelowna June 28-30.

Meeting of the Canadian Bar Association, highlighted by a discussion of income tax problems by specialists in that field, will be held on Thursday June 28, followed on Friday, June 29 by the meeting of the Law Society of British Columbia.

R. W. Bonner Q.C., Attorney-General of British Columbia, will address a joint dinner of the two groups on June 28.

In addition to an extensive business program several social functions have been arranged for the meetings, including a reception at Eldorado Inn and dance at the Kelowna Aquatic Club.

On Saturday, June 30, the annual golf tournament will be held at the Kelowna Golf Club.

Calgary Livestock

CALGARY (CP) — Receipts at the public stockyards to 11 a.m. Wednesday: 1070 cattle and 20 calves. Tuesday's sales: 1345 cattle, 51 calves, 350 hogs and 15 sheep.

Good and choice butcher heifers steady to strong, common and medium grades, steady at week's lower levels. Bulk of fed calves medium quality, 1.00 or more lower for week. Medium and good cows steady at 1-1.50.

Canners and cutters barely steady, bulls unchanged.

bulls unchanged.cvfwyoyoyoyoyo

Slaughter cattle, choice steers 18.50-19; good 17.75-18.25; medium 17-17.25; common 14-15.50; choice heifers 17-17.50, good 16-17; medium 14-15.50, common 12-14; good cows 12.50-13; medium 11.50-12, common 10-11, canners and cutters 6-10; good bulls 12.50-13.50, common to medium.

Good stock and feeder steers 25-.50 higher with odd sales to 17.90; good feeder steers 16.50-17.50, good stock steers 15-17, common to medium 12.50-14.50.

Good to choice veal 21-24, common to medium 13-20.

Hogs 25 higher Tuesday at 25.75 A grade. Two loads at 10.10 liveweight for eastern Canada shipments. Sows unchanged 12.50. Liveweight good lambs 19-20.

Natal-Michel Yankees Split Doubleheader With Hillcrest

NATAL—Natal-Michel Yankees, playing at home for the first time this season, gained an even split in a twin bill played at the Natal Ball Park Sunday afternoon with Hillcrest Little Leaguers, losing the first encounter 12-5 then coming back to take a close 8-6 win in the second.

The two games were the first in the newly formed Crow's Nest Pass Little League which consists of four teams.

In the first game Ken Gregory was the winning pitcher for Hillcrest as he registered ten strikeouts. He also helped his own cause by belting a home run in the first inning which gave him a comfortable three run lead. Squarek also hit for the circuit for the visitors.

Sandy Tymchuk was the losing pitcher as he too retired ten batters via the strikeouts route.

In the second game Natal-Michel, behind the steady hurling of Joey DeLuca, who struck out eight batters in recording the win, his three home runs with Peter Zeith connecting twice and Lucien Lalonde once. A six run spurt in the third inning proved to be the deciding factor in the closely played game.

Sidor went the distance for the losers as he was credited with three strikeouts. The Natal-Michel

Jackie Gordon Playing-Coach Of AHL Barons

CLEVELAND (AP) — Jackie Gordon, 28, of Winnipeg, was signed as player-coach of Cleveland Barons of the American Hockey League Wednesday.

Gordon replaces coach Fred (Bun) Cook who was bounced from the coaching job after 13 years.

Gordon played for New Haven, New York and Cincinnati before coming to the Barons at the start of the 1951-52 season. He holds the Baron all-time record for scoring the most points in a single season, 102 points in 1953-54. His lifetime AHL record is 564 points in nine seasons and he is considered a great playmaker.

Fights

By The Associated Press

Windsor, Ont.—Don Jasper, 189, Detroit, outpointed Gene White, 194, St. Paul, 10.

Little Leaguers will now remain idle in the Crow's Nest Pass League until Sunday, June 24, when they travel to Coleman for a double header.

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter. 58

Crow's Nest Pass League Sked Released

The schedules for the Crow's Nest Pass Little and Pony Leagues have been released as well as games scheduled in the Juvenile division where only two teams. Hillcrest and Blairmore have entered. The Pony League consists of three teams, Coleman, Blairmore and Hillcrest while the Little League consists of four teams.

June 10—Little League—Coleman at Blairmore; Hillcrest at Michel. Pony—Blairmore at Coleman.

June 17 — Little League—Hillcrest at Coleman. Pony—Coleman at Hillcrest.

June 24—Coleman at Cowley Coleman; Blairmore at Hillcrest. Pony—Hillcrest at Blairmore.

July 8—Little—Blairmore at Coleman; Michel at Hillcrest. Pony—Coleman at Blairmore

July 15 — Little — Coleman at Hillcrest. Pony—Hillcrest at Coleman.

July 22—Little—Coleman at Michel; Hillcrest at Blairmore Pony—Blairmore at Hillcrest.

July 29—Little—Blairmore at Michel. — Juvenile—Hillcrest at Blairmore.

August 5 — Little — Michel at Blairmore. Juvenile—Blairmore at Hillcrest.

The following exhibition Pony League games were listed (including Cowley.)

June 17—Blairmore at Cowley
June 28—Coleman at Cowley
July 15—Cowley at Blairmore.
July 22—Cowley at Coleman.
July 29—Cowley at Hillcrest
August 5—Hillcrest at Cowley.

Claim Stormy Session Authorizes Team Sale

VANCOUVER (CP) — The Sun says sale of the Vancouver Mounties baseball club for $60,000 or more was authorized at a stormy meeting of the Pacific Coast League club's shareholders in Oakland, Calif., Monday.

Club president Brick Laws was voted authority to sell despite the bitter protest of A. Robert Miller who, with his wife, holds 38 per cent of the stock in the club, the paper said in a dispatch from San Francisco.

Laws has been dealing with Coley Hall, president of Vancouver Canucks hockey club, who has offered $60,000 for the Mounties. Laws is flying to Vancouver to meet Hall for further discussion.

Hall has estimated it will cost another $100,000 to make something of the Mounties, now in last place in the PCL, 22½ games away from first place.

Senators Option Clevenger, Luttrell

WASHINGTON (AP) — Washington Senators Wednesday optioned pitcher Truman Clevenger to Louisville of the American Association and shortstop Lyle Luttrell to Chattanooga of the Southern Association.

The club also announced it is recalling shortstop Joe Valdivielso and purchasing pitcher Bud Byerly both from Louisville.

NEALE FRASER OUSTS CANADIAN

BECKENHAM, England (AP)—Neale Fraser of Australia defeated Canadian Davis Cupper Don Fontana of Toronto 7-5, 6-3 Wednesday in the third round of the Kent lawn tennis championships.

Gil Shea of Los Angeles beat down strong resistance from Paul Willey of Vancouver to win the third-round match 4-6, 6-3, 8-5.

Ken Rosewall of Australia defeated Britain's Oliver Prenn 7-5, 6-1 in another third round match.

British Cricket

LONDON (Reuters) — Cricket close-of-play scores:

Northampton 339 for 3 vs Australians.

Cambridge University 303, MCC 18 for 2.

Yorkshire 336 vs Gloucester.

Oxford University 180 for 2 vs Derby, rain.

Lancashire 341, Middlesex 30 for 2.

Glamorgan 209 for 7 vs Hampshire.

Nottingham 178, Somerset 62 for 3.

Worcester 310 vs Kent.

Combined Services 157, Warwickshire 15 for 1.

Royal Navy 91, Sussex 199 for 8 (two-day match).

Minor Soccer Roundup

Wanderers piled up three goals in the first half of a Nelson Junior Soccer League encounter at Civic Recreation Grounds Wednesday evening then held on for a 3-0 victory over Rangers.

Barry Carmen, Cal Frederikson and Wayne Cameron shared the goal-getting. A penalty shot by Rob Carmen which hit the goal post was the closest Rangers came, although goalie Gordon Klief made several fine stops, some of which appeared rather fortunate.

Ted Powell and Earl Farenholtz shone defensively for Rangers, containing Wanderers Ian Leslie, Ken Blakeman and Carmen, especially, all of whom played exceptionally well.

RENAME FOOTBALL TEAM

SARNIA, Ont. (CP) — Sarnia, senior club of the Ontario Rugby Football Union, has been renamed the Golden Bears.

Selection of the new name was made Wednesday at a meeting of the board of directors. The club previously was known as Sarnia Imperials.

AUSSIE REPRESENTATIVE SAYS 1956 OLYMPICS "BEST EVER"

OTTAWA (CP) — Australia is getting set to stage the best Olympic Games that the world has ever seen, Premier H. E. Bolte of the state of Victoria said Wednesday.

He told reporters that the games to be staged at Melbourne Nov. 22 to Dec. 6 and expected to draw some 15,000 visitors are really the responsibility of the city. And Melbourne was making a terrific effort.

It was completing the greatest stadium in the world, seating 80,000 under cover and 40,000 in the open, all with a clear field view. Included in the layout will be auxiliary facilities such as swimming pools.

Premier Bolte said an Olympic village has been built in Melbourne at a cost of $7,000,000 to accommodate 7000 entrants and aides in permanent buildings which contain all the amenities of city life. The village has paved streets, shade trees and is complete and modern in every respect. It will be used after the Games as a housing project.

The catering chairman of the village has travelled around the world recruiting 100 chefs and from 70 countries. Olympic entrants of every nationality will be able to eat their national dishes.

Realizing Melbourne's hotel accommodation will not be sufficient the committee in charge had catalogued 16,000 private homes to take guests.

Premier Bolte said Australia's olympic committee believes it has thought of everything but is open to suggestions.

Snead, Hogan Prepare for U.S. Open

ROCHESTER, N.Y. (AP) — A weary Ben Hogan and an agitated Sam Snead face the challenge of golf's new young guard again today in the first round of the 56th United States open championship.

Most of the field of 162—134 pros and 28 amateurs—as if by habit looked apprehensively in the direction of Hogan, the phlegmatic little four-time champion from Texas, although he is 43, semi-retired and, he says, "dead tired."

"I've been working too hard for this tournament," Ben said after playing nine holes of the 6902-yard par 70 Oak Hill course.

Hogan's longtime adversary, 44-year-old Sam Snead, who is the greatest golfer never to win this blue ribbon classic, wasn't tired—he was just mad.

Snead's caddy, an aged Negro named Jimmy Steed, was suddenly snatched from him by the United States Golf Association and the Slammer was assigned a cast-off bag-toter who had been fired by defending champion Jack Fleck.

"They had no right to do that," complained Snead. "I've had this fellow all week and now I get a new man. What do they care who caddies for who?"

The USGA said that move was made because Steed, a caddy who has worked for Snead off and on for 22 years, was assigned contrary to regulations. Rules require that caddies be drawn from blind pools.

Gene Littler, 25, and Mike Souchak, 29, are the chief of the new threats. The cold, methodical Littler is the leading money winner with $17,373.92 and comes here riding a hot streak which won him the Wykagyl Round Robin last week. Souchak, the former Duke football player, has Snead's power, plus youth.

Edmonton Eskimos Sign Jim Decker

EDMONTON (CP) — Edmonton Eskimos of the Western Interprovincial Football Union announced Wednesday the signing of halfback Jim Decker, who played last season with the University of California at Los Angeles.

Decker, 21, was the 11th draft choice of Los Angeles Rams.

Canada Third . . .

Horses Destroyed As Fire Razes Stable at Olympics

STOCKHOLM (AP)—The dare-devil British team and a tough Swede took the leads in the equestrian Olympic Games Wednesday while the fine performances of three young Toronto riders boosted Canada into third place in team standing.

The second-day event was marred by rain and mud, a rash of accidents and a stable fire that threatened a million dollars worth of horses.

One horse had to be destroyed and three others were seriously injured during the cross-country event over a treacherous 22-mile course. Fourteen horses failed to finish and at least three riders suffered severe injuries.

However, none of the horses or stable hands were injured in the fire.

Britain now holds a commanding lead with 311.92 points. Germany is second at 402.91 and Canada third with 532.72.

TAKES INDIVIDUAL LEAD

Petrus Kastenman of Sweden took the individual lead with 45.53 penalties, considered by expert horsemen to be as low a score possible under such poor conditions.

John Rumble, a 22-year-old University of Toronto student riding in his first international competition, paced the Canadian team and now is in 14th place in the individual standing with 142.53 points. Riding the Canadian-bred Cilroy, he had an excellent score of 19.73 points for Wednesday's performance.

James Elder, also 22 and also a University of Toronto student, took 42.9 penalties for a two-day total of 183.69. Brian Herbinson, 27, a Toronto insurance worker, piled up 75.30 penalty marks for a total of 206.50.

The marks left Elder in 20th place and Herbinson in 21st.

The stable fire started in a pile of hay and quickly spread through the big red brick training building. Dozens of horses were evacuated to safety and tied to trees across the street. Horses taken from the building include some Canadian entries.

Countrymen II, owned by the Queen, was adversely affected by the excitement and smoke. He was one of those who dashed across the road to safety and Wednesday night one of his handlers said "this won't do him any good tomorrow when he goes out for the jumping section of the trials."

The Queen, who is visiting here, has been a spectator several times at the games.

Royals Bow To Salmo In Softball Inaugural

After three games in West Kootenay Women's Softball League competition had been postponed, Nelson Royals finally got their 1956 schedule underway Wednesday evening at Civic Recreation Grounds.

The debut was a success everywhere but on the field as a surprisingly large turnout watched Royals bow to Salmo, 10-6.

Salmo packed away the victory with three runs in the sixth and another in the seventh after the clubs had entered the seventh inning tied, 6-6.

Myrna Cain, the losing pitcher, helped her own cause considerably, though fruitlessly, with a two-run homer to give Nelson a short-lived lead in the first inning.

After Salmo had scored three runs to take the lead, Royals bombed B. Brown in the third for four runs, forcing Salmo to tally once in the third and twice in the fourth to even the count.

Royals collected only two hits in the final four innings, while Salmo, pecking away at the lead, scored three runs on two hits in the sixth and added an insurance tally in the seventh after Richardson reached first on a fielder's choice and scored on a double by third-baseman Gibson.

Royals picked up only eight safe blows while yielding 16.

Salmo	301	203	1	— 10

ALTHEA GIBSON ENTERS SEMIS

BRISTOL, England (AP) — Althea Gibson, her sights set on Wimbledon honors, smashed her way into the semi-finals of the West of England lawn tennis championships Wednesday with her fourth consecutive win.

The 28-year-old New Yorker eclipsed Britain's young Ann Haydon 6-3, 6-4 in a neat display of thundering volleys and efficient net play.

In her second match of the day, Althea partnered Daphne Seeney of Australia to win a second round doubles match 6-3, 6-4, from a French pair.

Miss Gibson went farther ahead Wednesday night in an easy sec-

The schedules for the Crow's pairing with Luis Ayala of Chile to beat Iyo Pimental of Venezuela and Miss Haydon 6-3, 6-2.

12 Nelson Women Enter Golf Tourney

Nelson will be well represented in Trail this weekend when 12 members of Nelson Golf and Country Club participate in the West Kootenay Women's Open Golf Tournament for the Hazelwood Cup.

Those entering are: Mrs. A. Jack, Mrs. B. Hesketh, Mrs. C. Locatelli, Mrs. J. Grieve, Mrs. E. McGregor, Mrs. J. Morey, Mrs. L. McBride, Mrs. R. Dill, Mrs. M. MacLeod and Lillian Hickey, Doreen Allan and Jean Harvey.

EVERTON RALLIES, WINS

EDMONTON (CP)—Everton of the English League First Division came from behind Wednesday night to defeat Aberdeen of Scotland's A Division 2-1 in an exhibition soccer game here.

White Sox Grab Second With Win Over New York Yankees

By The Associated Press

Chicago White Sox finally got around to beating New York Yankees Wednesday, breaking the hex 7-5 to slip into second place in the American League as Cleveland and Boston battled to an 8-all tie *halted by rain after 11 innings.*

Detroit defeated Baltimore 2-0 on Charley Maxwell's two-run homer in the ninth. Kansas City crashed out of the cellar and dropped Washington in with a 21-hit barrage that whipped Senators 13-4.

In the only National League day game, Chicago Cubs made it 10 out of 13 by whacking New York Giants 6-5.

LEAD TRIMMED

White Sox' first victory over New York in seven tries this season trimmed Yanks' lead to four games. A bases-loaded, two-run single by Louis Aparicio wrapped it up in the seventh. Home runs twice gave Chicago the lead — Larry Doby's first of the season and Ron Northey's three-run pinch blast. Nine pinch-hitters appeared, six for New York, tying a major league record.

Indians gave up second to Chicago by seven percentage points and Red Sox didn't score after the fourth inning — when Jackie Jensen's bases-loaded triple tied it for Boston. Vic Wertz drove in five runs for the Tribe with his 13th and 14th homers.

LOES IN FORM

Billy Loes, the ex-Dodger making his first start for the Orioles, blanked Tigers on one hit before retiring after six innings. Reliefer George Zuverink was tagged for Maxwell's bust-up homer, his 11th. Steve Gromek won his fifth in relief of Paul Foytack.

Hector Lopez and Gus Zernial homered for A's while Charley Thompson and Vic Power each had five hits in the big assault.

The Cubs used three New York errors to score their first five runs. Chicago's only earned run was the clincher—on a fifth inning double by Pete Whisenant and single by Hobie Landrith. Eddie Miksis homered with two on for the Cubs.

ROBERTS SHELLED

Milwaukee snapped a three-game losing streak, shelling Philadelphia and Robin Roberts 8-6 as Danny O'Connell tied a modern major league record with three triples.

Del Crandall and Ed Mathews added homers in a seven-run fourth off Roberts, who now has lost eight of 13 decisions. Del Ennis homered for the Phils. It was only the fourth victory in the last 14 games for the Braves.

Rain postponed the first-place battle between Pittsburgh and Cincinnati in the only other NL game scheduled.

Rank Chuvalo With Floyd As Beginner

NEW YORK (AP) — Red Smith, sports columnist for the New York Herald Tribune, says 18-year-old George Chuvalo of Toronto "looked better in his first pro fight than Floyd Patterson did in his three years ago."

Smith, writing his column from Toronto, watched Chuvalo beat South African heavyweight champion Johnny Arthur at Maple Leaf Gardens Tuesday night.

"All things considered, he looked like a fine prospect," Smith writes of Chuvalo, whose eight-round decision over Arthur was his first fight since he won an amateur tournament staged by Jack Dempsey two months ago.

Smith says it's possible that Chuvalo will come along as fast as Patterson, the 20-year-old Negro who is due to fight Archie Moore for the heavyweight title in September. But he notes that Chuvalo's hometown popularity could be a handicap, forcing him to continue as a main-event attention while he's learning.

Broken Wrist Sidelines Glisson

INGLEWOOD, Calif. (AP) — Jockey Gordon Glisson will be out of the saddle for at least two months because of a broken left wrist suffered in a two-horse spill at Hollywood Park Tuesday, doctors said Wednesday.

Glisson, the 1949 United States champion, was injured when his horse, Coverit, fell over Carmel during the running of the Honeymoon Stakes for three-year-old fillies. He was tossed on his left forearm. The jockey on Carmel, Belloin Pulido, went down with his mount but was not injured.

Young Grid Star Signed by Stamps

CALGARY (CP) — Calgary Stampeders of the Western Interprovincial Football Union have signed Eddie Simms, 20-year-old half of the Verdun Stampeders football team, general manager Bob Masterson announced Wednesday.

Simms, five-feet 11 inches tall, tips the scales at 177 pounds and has played organized football since 1951. He is to report to the training camp at Nelson in July.

Ontario Girl Tops In College Tourney

LAFAYETTE, Ind. (AP)—Marlene Stewart of Fonthill, Ont., was the top performer Wednesday as she defeated Lorraine Abbott 9 and 7 in the first round of the women's national collegiate golf tournament.

Miss Stewart and Miss Abbott both are students at Rollins College in Florida. The Canadian girl shot 10 par holes and one birdie.

Predict Western Junior Hockey League Foldup

MEDICINE HAT (CP) — The News says in a copyright story the Western Junior Hockey League will fold.

The newspaper says a special meeting will be held Sunday at Lethbridge of all original franchise holders in the league and their deposits will be refunded.

It adds that league secretary-manager George Vogan of Moose Jaw will hand in his resignation, while both Regina Pats, 1956 Memorial Cup finalists, and Moose Jaw Canucks will announce their intentions of joining the rival Saskatchewan Junior Hockey League.

If the Pats and the Canucks joined Humboldt - Melfort, Saskatoon, Prince Albert, Flin Flon and Yorkton in the SJHL, it would leave only Medicine Hat Tigers, Edmonton Oil Kings and Lethbridge Native Sons in the WJHL.

Oil Kings earlier had difficulties with their sponsors, the Edmonton Exhibition Association, while the Native Sons sponsor, a brewery, announced a few weeks ago they will not continue to support the eam.

The WJHL was organized eight years ago and at one time was regarded as the finest junior circuit in the West.

It first developed trouble when Crow's Nest Coalers dropped out. Calgary Buffaloes then folded. Last fall, Moose Jaw Canucks were forced to quit when their arena burned down.

FORD APOLOGIZES FOR CRITICISM

ROCHESTER, N.Y. (AP)—Doug Ford said Wednesday he was "sorry" for criticizing the recently completed Round Robin golf tournament held in New Rochelle, N.Y.

Ford, 1955 Professional Golfers Association champion, called the tournament "undemocratic" because it did not permit enough players to compete.

Ford said Wednesday:

"All I meant to infer was that I wished the Round Robin event could be expanded so as to include those players who are otherwise inactive due to the limited field."

Recurring Injury

MILWAUKEE (AP)—Red Murff the $40,000 bullpen artist of Milwaukee Braves, went back to the hospital Wednesday, apparently with a recurrence of a back injury that sidelined him for three weeks last month.

YOUNG MEN WITH JUNIOR MATRICULATION
Can Get a College Education Through This Plan

In addition to the senior matriculation entry through the Regular Officer Training Plan, a limited number of qualified young men with Junior Matriculation can now go to College with all educational expenses paid by the Department of National Defence. Through this Plan . . . which applies to the three services . . . junior matriculants attend either civilian College, or the College Militaire Royal de Saint-Jean, and receive Officer Cadet pay and allowances, free medical and dental care, and 30 days annual leave. In summer you train with the service of your choice: the Navy, Army or Air Force.

Your graduation leads to the Queen's Commission and a professional career in the service of your country. If you are between 16 and 20, physically fit and have either senior or junior Matriculation, take advantage of this outstanding educational and career opportunity. Get the full facts Fill in and mail this coupon today! Applications must be in by July 1st.

Brenda Lake Copper Attracts Noranda

KELOWNA (CP) — Possibility of rich copper finds in the Brenda Lake region, 25 miles west of Peachland, is seen by prospectors filing claims in the area.

More than 200 claims have been staked, and Noranda Exploration Co., owned by Noranda Mines, has set up two camps in the area.

B. Brynelsen, the Noranda representative for Western Canada, said a diamond drilling rig brought into the area will drill at least 1500 feet, as required by their option on land there.

A Noranda crew of 10 men will carry out diamond drilling operations for a month to see if the strike is deep enough to move in for full-scale operations.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

PUBLIC NOTICES

GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA
DEPARTMENT OF HIGHWAYS

ROSSLAND-TRAIL ELECTORAL DISTRICT

PROJECT No. 776
SOUTHERN TRANSPROVINCIAL HIGHWAY CONSTRUCTION:
CASTLEGAR-SHEEP LAKE
(SECTION 1)
Sta. 29+60 to Sta. 387+18
(6.76 Miles)

NOTICE TO CONTRACTORS

Sealed tenders, marked "Tender for Project No. 776, Castlegar-Sheep Lake (Section 1)" will be received by the Minister of Highways, Parliament Buildings, Victoria, B.C. up to 12 o'clock noon, Pacific Daylight Time on Thursday the 5th day of July 1956, and opened in public at that time and date.

Plans, specifications and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street, Vancouver 1, B.C., Dept. of Highways, Nelson, B.C., or from the undersigned, on deposit of a sum of ten dollars ($10.00), which will be refunded on their return in good condition within a period of one month of the awarding of the contract, except in the case of the successful contractor where the plan deposit is not refundable.

Each tender must be accompanied by a certified cheque in the amount of 5% of the tender price, which may be substituted by the successful contractor, if he so wishes, for a "Performance Bond" equal to 100% of the tender price as security for the due and faithful performance, observance and fulfilment by the contractor of all the covenants, provisos, agreements, conditions and reservations contained in the contract, to be observed, performed and complied with on the part of the contractor. The cheques of unsuccessful tenderers will be returned to them when the contract has been awarded.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers must submit with their tenders a list stating the type, capacity and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal that is immediately available for the carrying out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date. No tender will be considered that does not contain this information.

No tender will be accepted or considered that contains an escalator clause or any other qualifying conditions and the lowest or any tender will not necessarily be accepted.

E. S. JONES
DEPUTY MINISTER.
Department of Highways,
Parliament Buildings,
Victoria, B.C.
File 1521
June 11th, 1956.

NOTICE OF SALE
pursuant to
"WAREHOUSEMEN'S LIEN ACT, R.S.B.C. 1948, Ch. 359.

NOTICE is hereby given pursuant to Section 5 (4) of the Warehousemen's Lien Act, R.S.B.C. 1948, Ch. 359 of intention to sell the goods hereinafter described. The following statutory information is given:

1. Description of goods: Home made winch made out of the rear end of a small truck with a drum on it. Approximate dimensions: height 5 ft. width 6 ft.
2. Name of person liable for charges for which the lien exists: Bellevue Motors, Bellevue, Alberta.
3. Time of Sale: 10:30 a.m. on July 5th, 1956.
4. Place of Sale: 701 Front Street, Nelson, B.C.

W. R. FLETT,
Superintendent, Canadian Pacific Railway Company,
Nelson, B.C.

LAND REGISTRY ACT
(Section 161)

IN THE MATTER of Legal Subdivisions 12, 13 and 14 of Section 12, Township 24, Range 19, West of the 5th Meridian, Kootenay District.

Proof having been filed in my office of the loss of Certificate of Title No. 84996-I to the above mentioned lands in the name of Ellis V. Keith and bearing date the 9th December, 1950 I HEREBY GIVE NOTICE of my intention at the expiration of one calendar month from the first publication hereof to issue Provisional Certificate of Title in lieu of such lost Certificate. Any person having any information with reference to such lost Certificate of Title is requested to communicate with the undersigned.

DATED AT NELSON, B.C. this 6th day of June, 1956.

L. A. McPhail,
Deputy Registrar.

Your Individual HOROSCOPE

By Frances Drake

Look in the section in which your birthday comes and find what your outlook is, according to the stars,

For Friday, June 15, 1956

MARCH 21 to APRIL 20 (Aries) —Stimulating, helpful influences from Mercury, the Moon and Saturn promise gains in just about every field of honest and useful endeavor. BUT earnestness and accuracy on your part will be needed.

APRIL 21 to MAY 21 (Taurus) Your Venus' aspect especially encourages home and family affairs. Day on the whole is propitious for trades, professions, personal needs.

MAY 22 to JUNE 21 (Gemini)— A good day for both large and small enterprises, so give both sufficient time and effort to complete a well-rounded program. There are many fresh opportunities through which you can gain.

JUNE 22 to JULY 23 (Cancer) —Fine Moon and Mercury rays, plus other generous aspects, indicate that if you start the day with good cheer and maintain a progressive tempo, you will have fine results. Don't strain or rush; use good sense.

JULY 24 to AUGUST 23 (Leo) —Competence and skill should be highly stimulated on this encouraging, generous day. It's important HOW you handle affairs and how well you mix humor with your endeavors.

AUGUST 24 to SEPTEMBER 23 (Virgo) — No real clouds in your sky! Be your pleasant, acquisitive, astutely progressive self. Don't depend solely upon your own judgment and effort if you can gain through superiors, sensible associates.

SEPTEMBER 24 to OCTOBER 23 (Libra)—Most benefits and accomplishment may come through sociates, cooperation with others, generally. So do your part.

OCTOBER 24 to NOVEMBER 22 (Scorpio) — Delicate matters, mental work, sound business ventures favored by invigorating rays. However, your Mars' position stresses a need for patience and an even disposition. Take opposition as a challenge to do better.

NOVEMBER 23 to DECEMBER 21 (Sagittarius) — While this day's influences may not be entirely favorable for quick financial returns, it can be a productive and profitable period for intelligent efforts in occupational realms.

DECEMBER 22 to JANUARY 20 (Capricorn) — A grand outlook! Many good influences for you on this encouraging day! Your Saturn favors substantial matters such as industry, building, the professions, science and trades.

JANUARY 21 to FEBRUARY 19 (Aquarius) — Many high hopes and ambitions can be realized now. Your Uranus (plus other favorable aspects) on the auspicious side. Don't fail yourself by not pitching in and achieving.

FEBRUARY 20 to MARCH 20 (Pisces) — Enlivening vibrations! Forge ahead confidently, but don't overdo. Trades, professions, industry generally favored.

YOU BORN TODAY have a dual personality, are tremendously artistic, varied in talents, swift in thought, action, always busy at something. However, you are inclined to leave a project once you lose interest in it. Try; and pray, for patience, inner quietude, perseverance. If you don't stay sufficiently long, with a venture, you won't be able to succeed at it as you could. Birthdate of Edward, the Black Prince, of Wales; Ernestine Schumann-Heink, opera singer.

Aussies Buying Dummy TV Sets

MELBOURNE (CP) — Dummy television aerials—a sly trick originated in the United States and Canada in TV's early days — are sprouting from the rooftops of Melbourne and Sydney due to an acute shortage of sets in Australia.

The result has been a frantic keeping-up-with-the-Joneses competition keeping harassed householders out on a financial limb.

Television, which has lagged behind in Australia, now is coming on with a rush — such a rush, in fact that Australian manufacturers are hopelessly behind booming consumer demand.

Dummy aerials have been the answer to this vexing problem, and while it may seem incredible to an intelligent person, it has happened before. Instead of glaring at the genuine article sprouting from Mrs. Jones' roof, Mrs. Smith has her antenna, too. And who's the wiser?

PRICE OF HOME

Retail stores, besides doing a roaring business in dummy areials, are displaying elaborate, highly-polished cabinets with everything — but a TV tube.

The dummy television sets are so cleverly disguised — complete even to a celluloid screen which looks like the real thing — that they can't be distinguished from a genuine set.

And the prices people are paying for no television would have brought a small home in Australia before the war. Prices start at £185 Australian ($435) for a 17-inch table model — dummy, that is.

Australia will have two TV systems — commercial and state-owned. The Melbourne commercial station, owned by the Melbourne Herald newspaper, will start transmitting test patterns from July 16.

The state-owned Australian Broadcasting System will carry no advertising. But even commercial stations will be restricted in their plugs. The maximum time allowed for an advertising pitch will be three minutes.

Emerald Mine LA Plans Tea, Bazaar

EMERALD MINE — Plans for their Fall tea and bazaar were discussed by members of the Ladies' Auxiliary to the Cubs and Scouts, meeting in the Harold Lakes school. Conveners appointed were Mrs. R. McLeod, tea tables; Mrs. J. Weightman, miscellaneous; Mrs. R. Chenoweth, white elephants; Mrs. R. Rowe, aprons, and Mrs. Wilson, candy.

Next meeting will be a shower meeting, with members and parents of Cubs and Scouts being asked to donate scraps of wool and material to be made up for the bazaar.
