Sidney Smith Sworn Into New Post

Here Is Today's Exhibition Program

Third day today of the West Kootenay Industrial and Agricultural Exhibition has been designated Visitors' Day. Here is the program:

1:00 p.m.—Opening of gates.
1:30 p.m.—Band concert by Nelson City Band.
2:00 p.m.—Floor show.
6:30 p.m.—Parade, Nelson City Band.
7:00 p.m.—Floor show.
11:00 p.m.—Drawing of door prizes.

CITY'S CONTRIBUTION to the flower show at the West Kootenay Exhibition is this attractive display, theme of which is Nelson's diamond jubilee year. The words "1897 Nelson 1957" stand out boldly at base in blossoms. Splash of color is provided by baskets of gladioli, dahlias, roses, asters and other seasonal flowers.—*Daily News photo.*

To Name Constituency, New Senator Monday

By BILL BOSS
Canadian Press Staff Writer

OTTAWA (CP) — External Affairs Minister Sidney Smith Friday took control of his department and in a whirlwind round of activities displayed considerable finesse for a tyro in official Ottawa.

Complete to the homburg hat that Sir Anthony Eden made familiar gear for foreign secretaries, the former University of Toronto president easily parried questions at a press conference on the steps of the Supreme Court, where minutes earlier he had been sworn in.

He then attended his first cabinet meeting and met top officials of his department. He began collecting briefs for his first major assignment abroad—leadership of Canada's delegation to the UN General Assembly opening Tuesday in New York. Already he has an engagement book filled throughout the weekend until Monday afternoon, when he leaves for New York.

PM TO FOLLOW

He is to be followed there Friday by Prime Minister Diefenbaker, who will deliver an address to the assembly.

Mr. Diefenbaker said he will announce Monday the constituency in which a Commons seat will be sought for Mr. Smith.

It is expected at least one Senate appointment also will be announced then; there now are no Commons vacancies for Mr. Smith to contest. Mr. Diefenbaker has said Senate appointments will be made before Parliament opens on Oct. 14.

Commenting on speculation that 72-year-old J. M. Macdonnell, minister without portfolio, would vacate Toronto Greenwood seat and go to the Senate, the prime said:

"At no time was it considered that Dr. Smith would enter Parliament by way of a resignation provided by Mr. Macdonnell."

Mr. Smith's arrival in Ottawa was scheduled by plane at 8:20 a.m. Instead he arrived by the overnight Toronto train and was in his downtown hotel room as reporters watched passengers leave the aircraft from Toronto at Uplands Airport here.

PUT SLEEP FIRST

He said later he thought that as he was a private citizen between resigning as university head Thursday night and being sworn in as a cabinet minister Friday morning he was free to change his mind and get a good sleep on the train.

Canada's approach to foreign affairs would continue largely bipartisan, he indicated to reporters after being sworn in by Chief Justice Patrick Kerwin.

"It would be regrettable if Canada was divided on foreign policy," the 60-year-old Mr. Smith said.

Until recently he believed he stood out "as the greatest believer" in the Commonwealth.

"But having heard Prime Minister Diefenbaker on that subject recently, I guess I have to take second place only to him."

Asked whether he would be a "friend at court" for increased federal aid to universities, however, he replied with a deft, noncommittal "I believe in higher education."

UN Again Condemns Russians

By LLOYD McDONALD
Canadian Press Staff Writer

UNITED NATIONS, N.Y. (Saturday) (CP) — The Hungarian debate in the United Nations General Assembly ended early today with a resounding, renewed condemnation of Russia and the Budapest Communist government for repression during and since last October's revolt.

The vote also meant machinery will be set up to keep the Hungarian issue alive in the General Assembly opening next Tuesday.

Sixty countries voted for the American-British resolution calling on the Soviet Union to end repressive measures in Hungary, and also calling for a UN representative to attempt an investigation.

Opposed in the 81-member assembly were 10 countries — all in the Soviet bloc. Ten others abstained and one—South Africa — was absent. Canada voted for the resolution.

BURMA LOSES OUT

The assembly rejected amendments by Burma which would have "deplored" instead of "condemned" the Soviet action of sending armed forces to crush the revolt of last fall, and dropped the idea of sending a representative of the UN abroad.

Prince Wan Waithayakon of Thailand, the assembly president, was named special UN representative to take steps to see that the Soviet Union heeds previous resolutions, including demands for withdrawal of Soviet forces.

Prince Wan, 66-year-old veteran of international diplomacy, expressed faith in "the righteousness of our cause, namely the freedom of Hungary."

He would rely on a diplomacy based on "moral" force and arguments, and while he could not predict chances for success, he was an optimist who believed in the old saying "where there's a will there's a way."

Wan was expected to seek out leaders of both the Soviet Union and Hungary to press his case.

The resolution endorses the findings of a five - country UN committee released last June — that the Soviet Union had deprived Hungary of liberty and independence, and used military force to impose the regime of Premier Janos Kadar.

MENTION DEPORTATION

The committee's findings that the Soviet Union carried out mass deportations of Hungarians are similarly endorsed.

The resolution specifically condemns the Soviet actions and *"the continued defiance of the resolutions of the General Assembly."*

A Soviet-bloc filibuster badly delayed proceedings during Friday afternoon and in the early evening.

But after Poland wound up the case Friday night for the Communist side, remaining speakers cut short submissions and Prince Wan was able to call for the vote just before 1 a.m. EDT.

"Gaspe Copper Bloody Copper" Say Raiders as Ship Attacked

MONTREAL (CP) — Some 200 persons boarded a freighter carrying copper from strike-torn Murdochville, Que, Friday night and wrecked the bridge, crew's quarters and engine room.

The gang, some carrying clubs, chased away the six-man crew of the 144-ton Mont Royal shortly after the vessel docked.

Some of the raiders were women who shouted encouragement to the others. Some carried placards reading "Gaspe Copper is bloody copper."

Superimposed over the black letters was the word "scab" in red paint and blood-like streaks of paint were smeared in the corners of the signs.

"I saw a few men standing on the dockside as I brought the ship in," said Captain Roland Desagnier, 44, of St. Joseph-de-la Rive, Que. "As soon as we docked scores of men and women appeared from the sheds."

One crew member received facial injuries in a scuffle with the raiders.

The ship was carrying 350 tons of copper ingots from the Gaspe Copper Mines, Ltd., at Murdochville to Montreal. The copper was not touched.

The ship sailed Tuesday night from Mont Louis, Gaspe Copper's shipping point, on the Gaspe coast 30 miles north of Murdochville.

TAKES 10 MINUTES

The raid lasted only about 10 minutes.

The attackers smashed the glass in the wheelhouse, ripped the radio from its mooring and tossed it on the deck, shattered the radar unit, ripped mattresses in the crew's bunks, poured paint over the ship's engines, and tore the tarpaulin off the lifeboats and tossed the oars overboard.

The raid was the latest in a series of clashes in the dispute between striking members of the United Steelworkers of America (CLC) and Gaspe Copper.

Since the strike began March 11 there have been three dynamite explosions on company property one resulting in the death of a striking worker.

The main issue in dispute is an application by the USWA to represent the workers. The company obtained a writ of prohibition preventing the Quebec Labor Relations Board from acting on the application.

Two Men Die As Stack Falls

BRANDON (CP) — Two men were killed and six injured Friday when an 150 - foot brick smokestack collapsed on the downtown plant of the Brandon steamheat users co-operative.

An unexplained explosion sent the stack crashing down on the canteen, trapping the dead and injured in the debris.

Killed were Thomas Tawse, a supervisor for the Manitoba Power Commission, and Fred Marden, a repairman. Both are from Brandon.

Witnesses said when the explosion occurred, the stack seemed to rise in the air, disintegrate and fall, crashing through the three-storey building.

The plant, once operated by the Manitoba Power Commission, was taken over by the co-operative several years ago although the power commission still shared the building.

The co-operative said the three boilers had recently been inspected. The explosion was believed to have been elsewhere.

Steacy Sworn in As Minister

VICTORIA (CP) — Newton Phillips Steacy, Social Credit member of the legislature for North Vancouver, Friday was sworn in as British Columbia's minister of agriculture.

Mr. Steacy's appointment fills the vacancy created last spring by the death of Ralph Chetwynd, MLA for Cariboo.

The 60-year-old minister was first elected to the legislature in the provincial election last September.

Ready To Start New Career . . .

Civil Defence Chief To Retire Next Week

OTTAWA (CP) — F. F. Worthington, Canada's civil defence chief since 1948, is to retire Tuesday, it was announced Friday.

The 68-year-old retired major-general, who organized Canada's CD structure, said he is preparing to start "a new career" as an industrialist. He has acquired an interest in Canadian Vicom, a tool, die and jig-making plant at Kingston, Ont.

There was no indication as to who would succeed him as Canada's federal CD co-ordinator, but George S. Hatton, a retired British major - general who in 1955 became deputy co-ordinator, is considered in line for the post.

43 YEARS SERVICE

Mrs. Worthington, whose retirement closes out 43 years of public service in military and associated civilian fields, enters business life on his birthday. He will remain an Ottawa resident, commuting between here and Kingston as occasion warrants.

"Civil defence is entering a new phase with the development of the Intercontinental Ballistic Missile" he said, "and I feel it the best thing to make the break now."

The country's CD had been well launched, its basis was sound, he said. All that was required now would be its development towards preparedness to meet the new threat.

Health Minister Monteith, responsible for CD, said in a press statement: "Canada is losing a man of great experience and ability in all matters relating to the protection of our civilian population."

"Civil defence is at times a discouraging and thankless task. But Gen. Worthington, since taking on this difficulty assignment in 1948, has never at any time accepted defeat, despite widespread public apathy, nor shown signs of discouragement.

"He has persisted in his efforts to build a worthwhile civil defence organization in all the provinces of Canada, and despite many difficulties and setbacks, he has largely succeeded."

Mr. Worthington, who himself asked that his military rank not be used in CD connection so that *greater civilian support could be* enlisted, began life as a soldier in the suppression of Mexican bandit Pancho Villa.

His career has embraced service before the mast, a soldier of *fortune in various Latin American* wars, rising through the ranks of the Canadian Army in the First World War, in which he won both the Military Medal and the Military Cross, and bars to both.

He was Canada's most outspoken advocate of armor in the years before the outbreak of the Second World War and soon after September, 1939, bought for the government as scrap iron more than 200 used United States army tanks on which to start the training of Canada's armored formations.

He organized and commanded the 4th Canadian Armored Division until just before it was committed to the 1944 fighting in Normandy.

Turkey Given Warning

MOSCOW (AP) — Soviet Premier Nikolai Bulganin accused Turkey Friday of poising troops on Syria's borders for what is called *an American-planned attack.*

Bulganin warned that military action there could lead to world conflict.

Bulganin's warning was in a personal letter to Turkish Prime Minister *Adnan Menderes. It was de*livered two days ago by the Soviet ambassador in Ankara and the text was broadcast by Moscow radio Friday night.

Turkey has denied its troops are *engaging in anything but manoeu*vres.

Three days ago Soviet Foreign Minister Andrei Gromyko accused Turkey of concentrating troops on the Syrian border. He said the U. S. and other western nations are seeking to stifle the independence of Syria since it swung into the pro-Soviet camp.

Bulganin's letter said the United States plans to unleash military action against Syria and has assigned "a certain role" to Turkey.

"There are signs," the letter said, "indicating that leading Turkish statesmen are evidently inclined to meet such plans halfway."

Chasm Leaves 400 Homeless

FARNWORTH, England (Reuters)—A relief fund was opened here today for 400 men, women *and children left homeless Thurs*day when a 40-foot-wide chasm opened suddenly in one of the streets of this village.

The chasm damaged 12 houses severely and was still spreading today. About 120 families have been ordered to evacuate their homes and it is feared that damage will spread.

The trouble is believed to have been caused by the collapse of the main sewer in the village.

Farnworth is about 28 miles northeast of Liverpool.

U. S. Strategy Board To Fight Inflation

WASHINGTON (AP)—Establishment of a top level government strategy board to combat inflation, which President Eisenhower calls "our major internal problem," was announced Friday.

The regular consultants in addition to Anderson will include William M. Martin Jr., chairman of the federal reserve board, Raymond J. Saulnier, chairman of the president's council of economic advisers, and Dr. Gabriel Hauge, Eisenhower's special assistant for economic affairs.

School Costs Said Reason for Cut

VICTORIA (CP) — Municipal officials throughout B.C. are "at their wits end trying to find the wherewithall to complete essential public works," Reeve Arthur Ash of Saanich said Friday.

In an address to delegates at the annual convention of the B.C. Municipal Engineers, Reeve Ash blamed rising school costs for curtailment of other services.

In many instances, he said, essential public works had fallen by the wayside because the heavy muicipal burden of school costs "alarm elected officials to the extent that when mill-rates go up through school costs, they are afraid to venture further."

Senior government must sooner or later recognize the growing problems of municipalities "and the difficulty if they are to continue to keep out of the red," he said.

Crackdown Begins On Troublemakers

NASHVILLE, Tenn. (AP)—State and federal authorities moved in from three directions Friday on troublemakers responsible for integration disorders.

The FBI, U.S. district court and the Davidson County (Nashville) grand jury acted swiftly to prevent more violence which erupted with this week's start toward integration in Nashville's elementary schools.

Attorney - General Herbert Brownell announced in Washington the FBI is delivering information of "possible significance" in Tuesday's dynamiting of the $500,000 Hattie Cotton elementary school.

Within minutes after Brownell's announcement, FBI agents turned over to police an unidentified man who "might have a bearing" on the dynamiting.

U.S. marshals served papers on 10 of 12 individuals named in an order Thursday by federal Judge William E. Miller restraining further interference with peaceful integration of first graders. Two of those named couldn't be located.

The county grand jury indicted Northern segregationist John Kasper for inciting to riot. Kasper, already fined $200 on misdemeanor charges for his activities here, remained in jail in default of $2500 bond.

CLIMAXES RIOTOUS WEEK

The developments climaxed a week of riotous anti-integration demonstrations. A total of 39 persons —13 Negroes and 26 whites—were arrested in and around the six elementary schools where Negro children were enrolled for the first time.

White attendance, which fell off as much as 70 per cent at elementary schools earlier, showed a *continuing increase Friday.*

A conviction on the grand jury charge could put Kasper away for 11 months and 29 days and subject him to a $1000 fine.

NEWPORT, R.I. (AP) — Governor Orval Faubus of Arkansas arrived in Rhode Island by plane Friday night for a conference with President Eisenhower on school integration in the South.

The White House made it plain Eisenhower wanted to have his talk with the governor today without advance talks between advisers.

CLERGY SHORTAGE TO BE TACKLED

BRANDON (CP) — Steps to relieve a shortage of clergy were taken Friday by the Anglican Church executive council.

A four-man committee was appointed to set up a commission to recruit men for the ministry and promote Anglican attitudes in universities.

The committee appointed is Rt. Rev. H. H. Clark, bishop of Edmonton, Rt. Rev. I. A. Norris, bishop of Brandon and Rt. Rev. E. S. Reid, bishop of Ottawa. Archbishop Barfoot will be an ex-officio member.

Letter to Motorist Reveals Heartbreak in Death of Kiddies

LOS ANGELES (AP) — A letter addressed to "Dear Mr. Motorist" arrived at The Mirror-News.

"I am not writing this to you to remind you all over again," the letter said, "but to all motorists because school again begins.

"I want to prevent the tragedy that we have shared together—a mother and you, Mr. Motorist.

"That day three sun-tanned little faces smiled as they waved me a happy goodbye and so importantly went on their way to school. I wanted to call them back to tell them how lonesome it would be.

"Mr. Motorist, I wanted to kiss them once more . . . then I saw you take that corner—tires screaming, car out of control.

"What was your hurry? Were you late for work? Were you angry at someone?

"Surely not my three. I am sure you would not want to run your screaming tires over their happy faces intentionally, erasing forever the smiles they had for me.

"But, Mr. Motorist, children are very forgiving in life and—I'm sure—in death. They would if they could, pat your hand and feel sad that because of one tragic moment you are left to live over and over again how your love of speed took three lives.

"I don't hate you any more. I feel sorry for you. I can still see those smiling faces as they waved me goodbye."

The letter was signed. Under the signature this postscript: "Another year. And once again your flowers arrive. They are beautiful. Thank you."

The newspaper sent reporter Charles Neiswender to investigate. He talked with a close friend of the letter writer. She told him the letter was written four years ago on the first anniversary of the tragedy. It was written but never intended to be mailed to the man who was driving the car. The friend sent the letter to the paper, which printed it.

The motorist?

He still sends the mother flowers on each anniversary of the children's death.

And the mother?

She couldn't write a letter now. For in her mind she still waves goodbye to the smiling faces of her children.

The tragedy was too much.

She is in a mental hospital, hopelessly insane.

VICTORIA (CP) — The second earthquake to rock Victoria in 29 hours was recorded at 8:22 p.m. Friday.

W. G. Milne, seismologist at the Dominion Astrophysical Obesrvatory here said the tremor was recorded in the San Juan Islands.

NEW YORK (CP) — The Canadian dollar was 5-32 lower at a premium of 3⅞ in terms of U.S. funds; a week ago 4 31-32 per cent premium. Pound Sterling was unchanged at $2.78¼.

And in This Corner . . .

NORTH BAY, Ont. (CP)—An enterprising person has a chance to make $75 to $150 from one of this area's untapped natural resources—mosquitoes.

A North Carolina drug firm has written to the North Bay and district Chamber of Commerce, asking for the names of those who might be interested in supplying five to 10 ounces of live mosquitoes. Price: $15 an ounce.

The drug firm said it wants the mosquitoes to prepare medicinal extracts for allergies.

MILWAUKEE (AP)—The first students to take up residence in Marquette University's elaborate $3,500,000 men's dormitory made a somewhat disconcerting discovery.

They could get into their rooms but they couldn't get out.

University officials discovered that the manufacturer of the doors had mistakenly installed locks intended for a mental institution.

LONDON (Reuters)—When the judge asked Herbert Hooley, *who pleaded guilty to a charge of speeding, for his occupation,* Hooley replied that he was unemployed.

The judge said in view of Hooley's circumstances, he would cut the fine to £2 and offered him time to pay.

"No," said Hooley, "I'll pay now."

What Hooley had not told the judge was that he was unemployed because he won £75,000 last year in Britain's soccer pool.

APPOINTMENT FOR ARTHUR JOY

Arthur R. Joy, reporter for The Nelson Daily News in Trail for seven years prior to the Second World War, has been appointed to head the Vancouver news bureau for business publications of the Maclean-Hunter Publishing Company of Toronto.

Mr. Joy was educated in Nelson, and his first job was as deckhand on the steamer Kuskanook. He then went to Vancouver, ushering for a short time in the Capitol Theatre, then joined the staff of the B.C. Journal of Commerce for four years.

Next move was to Trail, where Mr. Joy managed the Liberty Theatre, then under local ownership. Soon after Famous Players Corporation took over the theatre Mr. Joy returned to newspaper work in the employ of The Daily News.

BCPC Head Here

District Scout Heads Returned

Executive of the Nelson District Scout Association was returned at the annual meeting this week.

Principal officers are: president, R. H. Procter; vice - president, H. B. Forse; secretary, A. R. Ramsden; and treasurer, W. J. Irving.

Reports indicated district Scouting was very successful last year.

G. A. Gordon of Emerald Mine, district commissioner, will retire when a successor is found, it was announced.

CASE ADJOURNED FOR SUPREME COURT DECISION

Hearing of a family court case concerning custody of 10-year-old Patsy Gienger, daughter of the late Mrs. Mary Gienger, who committed suicide a few months ago at Krestova, was adjourned Friday by Judge William Evans pending decision of Supreme Court on custody of all three Gienger children.

The girl, formerly a pupil at the New Denver Dormitory School for truant Sons of Freedom children, now lives with her mother's sister, Miss Helen Antifaev of Crescent Valley, and is attending school regularly. All documents required for the Supreme Court have been submitted by Vancouver lawyer John Steeves.

The other two children are below school age. Also seeking their custody is Miss Hilda Gienger of New Westminster, sister of the father, who died accidentally some years ago.

Governor to Install Kinsmen Officers

New officers of Nelson Kinsmen club, president M. A. Martyn, vice president Gordon French, treasurer I. F. Brown, and Secretary Vernon Swerdfegger, will be installed Sept. 24 by district governor Rollie Crowe of Trail.

Other Nelson service clubs, city council, and neighboring Kinsmen clubs are to be represented.

The club, at its first meeting of the season, decided to start preparations for the annual radio Kinauctions.

Outgoing president R. A. Jack chaired the meeting. Guests were James Lee, William Wakeham, Walter Apostoliuk, Arnold Sherwood and James Turnbull, all of Nelson.

Concert Memberships Available Next Week

Campaign for memberships in the 1957-58 season of Nelson Overture Concerts will start Monday.

The objective is 500 members. The artists who will appear during the season will be decided following the conclusion of the week-long campaign.

"We're very hopeful that this third season will be our best," Roy Pollard, Association president, said Friday.

"We are going to make every effort to obtain a greater membership than in previous seasons."

The artists to be engaged will depend largely on how membership sales go. A number of internationally known singers and instrumentalists are available, such as the distinguished mezzo-soprano Betty Allen, duo pianists Stecher and Horowitz, who played in Trail last season in that city's Celebrity Concert series; the Chanticleers, outstanding male concert quartet, and Frances Archer and Beverly Gile, whose programs of international songs and ballads have won them acclaim.

Demonstrations Here Next Week To "Show Science-Religion Harmony"

Armed with over 2000 pounds of specialized scientific equipment, Dr. George Speake of Los Angeles will set up on of the world's most complete portable laboratories in Nelson next week.

Dr. Speake of the Moody Institute of Science will give five lecture-demonstrations on the stage of the L. V. Rogers High School Auditorium presenting a different program each night. This program which is to show the harmony that exists between true science and true religion will transform the auditorium into a modern house of wonder.

The series, "Sermons from Science", has been approved by the Nelson School Board for its scientific and educational merits.

It is being promoted by Nelson Ministerial Association for its religious significance as well.

The programs will include such displays as "a million volts of man-made lightning, liquid light produced from cold chemicals, solid metal floating in air, an egg cooked on a cold stove, a strange - acting suitcase with a gyro inside, and many other astounding scientifically founded facts." The public will hear a voice with a helium accent, the rush of molecules in a bar of iron, the roaring flame of a 15,000-volt arc, and a beam of light that plays musical notes.

MILLION VOLTS ELECTRICITY

On one occasion Dr. Speake is to discharge over a million volts of electricity through his body. It will blaze in long streamers from his finger tips with apparently no ill effects to his body.

Lines will be purged of odor. Officials said the odorant which has a sulphur base but is non-combustible and non-poisonous, detected microscopic leaks and all pipes that were found to have leaks are being replaced. Defective fittings are removed.. Final test was with soapsuds, with soap bubbles revealing any further trouble.

Patience of co-operation of the public in reporting trouble was praised by officials.

GAS MAINS WIN FINAL APPROVAL

All gas mains have been approved by provincial government inspector, Dutton - Williams Bros., contractors for installation of the gas lines for Inland Natural Gas Company said Friday.

Another week will be spent in testing of services to consumers' homes and "then we're all cleared up," they said.

Lines will be purged of odor. Officials said the odorant which has a sulphur base but is non-combustible and non-poisonous, detected microscopic leaks and all pipes that were found to have leaks are being replaced. Defective fittings are removed.. Final test was with soapsuds, with soap bubbles revealing any further trouble.

Patience of co-operation of the public in reporting trouble was praised by officials.

Man Hurt in Road Accident

W. B. Gardner of Vancouver was treated at Kootenay Lake General Hospital for a lacerated left arm and advanced shock after a car he was driving went over a bank about 10 p.m. in Crescent Valley. Police said the car was extensively damaged.

It was reported Gardner's was the last of three vehicles, the other two driven by his brothers, who were going to Retallack. The mishap took place after the vehicle had come around a bend.

Three Fined

William Lance of Salmo was fined $20 and costs Thursday by provincial court Stipendiary Magistrate William Evans for crossing a double line near Willow Point store. He pleaded guilty. Police evidence was that he passed four cars.

Mike Osachoff of Nelson was fined $15 and costs when found guilty of speeding at Thrums. He pleaded not guilty. Alec Harasymchuck, also of Nelson, was fined $10 and costs for failing to stop at a stop sign at Balfour.

CITY DRUG
456 Baker St.
ARTISTS and DATES TO BE ANNOUNCED

ROTARY Tuesday will be host to A. D. (Jack) Barre, above, from Walla Walla, Wash., the district governor, who is making his annual official visit to each of the clubs in his district, which includes Eastern B.C., northern Idaho and eastern Washington. He will address the local club and confer with president R. H. Dill, secretary C. B. Mutchler and committee chairmen on Rotary administration and service activities.

Woman Killed Near Cascade

GRAND FORKS — Mrs. Lida Pearl Melvin of Glencoe, Ontario, died Thursday at 7 p.m. in hospital here, where she was taken by ambulance following an accident about 11:30 a.m. Thursday morning when a car driven by her husband reportedly missed a curve on the highway near Cascade, about 18 miles from here. Police said the car was a total wreck.

Mr. Melvin left for home Friday.

LOCAL BAPTISTS IN YBA PROGRAM

Members of the Nelson Baptist Church have voted to join their fellow Baptist churches across western Canada in a special YBA program. The letters stand for a Year of Baptist Achievement, a denomination-wide program in which the churches will gather together and use all their resources to strengthen their Sunday church schools in the belief that by strengthening the Sunday church schools the entire life of the church will be strengthened.

A local YBA committee has been elected consisting of chairman Mrs. N. Gibson, chairman of children's work, Mrs. F. Aikins, chairman of youth work, Miss Jean Hingwing, chairman of adult work, Mr. F. Joyce, chairman of missionary and stewardship education, Mrs. A. E. Blackwell, chairman of leadership education, Mrs. L. MacLeod, Sunday church school superintendent Mr. Gibson and pastor Rev. K. Imayoshi.

The program will begin September 22 when, following a special rally day service, the visitation committee will hold a luncheon and then proceed on an afternoon of visitation. The weekend of October 5, Miss Grace Barritt, director of children's work for the B. C. convention will arrive to conduct a leadership course based upon "Child Evangelism."

First Place Tie In Kiwanis Quiz

President W. B. Christie and A. C. Cawley were tied for first place in a quiz conducted a week ago, Dr. Joseph Vingo reported to Kiwanis Club in its meeting at the Hume.

Mr. Christie, who had returned to club activities after six weeks in hospital with a broken leg, and Mr. Cawley answered 22 questions correctly out of 25 asked in Dr. Vingo's quiz in a Kiwanis education program. They will compete in an oral quiz next week to break the tie.

J. S. Livingstone asked for volunteers to work on the building of a new home for the Elwood Clum family made homeless when their North Shore home burned down, and the club also decided to donate $25 to the cause.

Endorse Four Resolutions

ROSSLAND — Four resolutions, drawn up by other constituency Social Credit organizations, which will come before the annual B.C. Social Credit League convention in Vancouver were endorsed Friday night by a meeting of the Rossland-Trail resolutions committee. No resolutions drawn up by the Rossland-Trail group, had sufficient province-wide interest to be submitted to the provincial meeting.

Juveniles Fined

Two juveniles were each fined $10 Thursday when they appeared before Juvenile Judge William Evans. One was charged with speeding on the North Shore, the other with driving without a driver's licence. Both admitted the offences.

Union Asks New Immigration Laws

CALGARY (CP)—The National Union of Public Employees asked for a reassessment of Canada's immigration policy Friday.

The third annual convention of the organization, attended by 150 delegates, also considered resolutions dealing with personal income tax and national health insurance.

The union reiterated demands of other Canadian labor groups for establishment of an immigration advisory committee comprised of representatives of labor, management, welfare and government bodies.

It said the committee could recommend changes in immigration policy and ensure that immigration is planned to maintain null employment and protect standard wages and working conditions.

Children's Day Attracts 1500 Youngsters to Fair

Day's Attendance 5000; 1686 Entries from 273 Exhibitors

About 5000 people attended the second day of the West Kootenay Agricultural and Industrial Exhibition on Friday. The three-day show ends today.

Friday was Children's Day, and J. B. Morgan, business manager, estimated about 1500 boys and girls took advantage of cancelled classes to attend the Exhibition, about the same number as last year.

Many of the boys and girls flocked to the midway, and special prices were charged on rides.

Winner of a radio Friday night was Mrs. B. E. Miller of Nelson. Last feature of the show tonight will be awarding of cups to winning exhibitors, and awarding of a television set and clothes dryer.

L. V. Rogers High School Band under E. Barravelle played before both floor shows. Their concert included martial tunes and other well-known music. About 1000 people saw them perform Friday night. Ben Sutherland substituted for Exhibition Board president Frank Holt, to introduce master of ceremonies Tony Bredice.

Officials reported 273 exhibitors entered 1686 exhibits.

Morning Fire Damages Truck

About half of the chassis of a service truck belonging to Dutton-Williams Brothers was damaged after a small explosion and fire in the truck early Friday morning when it was parked in the yard at Cedar and Front Streets. Electric welding equipment and acetylene tanks on the back were saved and put on another truck later that morning.

When firemen reached the scene about 4:35 a.m., they found the front end of the truck enveloped in flames, and there was danger of oxygen and acetylene tanks on the back exploding. The fire was put out with 500 gallons of water and one extinguisher.

The fire was said to have started when the night mechanic was arcing the truck battery wire, and it came in contact with residual gas in the tank.

DISTRICT TB SURVEY BEING COMPLETED

Mobile tuberculosis X-ray clinic stationed on the Civic Centre Grounds during West Kootenay Exhibition, has just made a complete survey of the Kootenay area, giving free X-rays to many people, including some Doukhobors, according to Douglas Kitson of Vancouver, survey officer who usually goes ahead of the Clinic, but is staying in Nelson until today.

The big van, purchased through sale of Christmas seals, is driven by technician Patrick Moore, also of Vancouver, and extra staff are hired as needed. Mrs. Laslo of Nelson is acting as assistant technician while the van is at the exhibition.

About 400 plates were taken on the first day of the exhibition.

After finishing its work here Saturday night, the van will move on to the Boundary Health Unit, which includes Surrey, Langley and other points near Vancouver.

Rites Held for Charles Haycroft

Many friends paid last respects Friday afternoon to Charles Edward Haycroft, 64, of Nelson, who was killed September 6 in a highway accident near Powell River. There were many floral tributes.

Rev. W. Edington officiated in Thompson Funeral Home, with interment following in the Nelson Memorial Park. Pallbearers were Thomas West, D. F. Hill, T. G. Ludgate, Peter Thom, Carl Linden, and F. Postlethwaite.

The congregation sang "Abide With Me," and "Safe in the Arms of Jesus," with Mrs. W. A. Manson at the organ.

FINED AFTER MISHAP

George Ozeroff of Appledale was fined $10 and costs Friday in provincial court by Stipendiary Magistrate William Evans when he pleaded guilty to driving without due care and attention.

About 7 p.m. Tuesday, Ozeroff's vehicle collided with one driven by George Chigmaroff near Appledale. Police said Ozeroff had driven in from a side road. Total damage estimated at $225 was caused, and there were no injuries.

Andrew Niven of Nelson was fined $10 and costs for making a left turn from a right lane in Vancouver. The case was waived to Nelson, and Niven pleaded guilty.

CHURCH CENTRE

Lambeth Palace in London has been the official London residence of archbishops of Canterbury since 1179.

Exhibition Winners

Winners in the crocheted bedspread division of the arts and crafts section of the West Kootenay Exhibition were, first, Mrs. H. J. Godwin, 112 Silica Street; second, Mrs. A. Ferguson, 131 Chatham Street. These results have not been carried with others published today and Friday.

A. H. Bawtree, above, has recently been registered as professional agrologist with the British Columbia Institute of Agrologists. He is a member of the grazing division staff of B.C. Forest Service at Nelson. Mr. Bawtree was born in the North Okanagan and received his schooling in Enderby. He graduated from the University of B.C. with B.S.A. in 1952 and was employed for a time as dairy farm manager in the Fraser Valley, then as field-man for the Armstrong Cheese Co-Operative Association. After two months at the Range Experimental Farm, Kamloops, Mr. Bawtree joined the Forestry Service at Nelson in 1955.

Shamrocks In Canadian Final

VICTORIA (CP) — Victoria Shamrocks and Peterborough Trailermen will play in the Canadian lacrosse final for the fourth time in five years.

Shamrocks, dethroned last year by Nanaimo, reached the Mann cup final here Friday night by beating the Timbermen 8-6, in a thrill-packed game played before almost 6000 wildly cheering fans.

It was the seventh game of the best-of-seven inter-city lacrosse final, the Shamrocks winning four times on their home floor and losing all three games played at Nanaimo. The best of seven Mann Cup final opens here on Monday night.

Beaten 19-9 in Nanaimo Wednesday night, the Shamrocks last night got a great performance in goal from Geordie Johnston, who came up with the key stop time and again in a game in which there was never more than two goals between the clubs.

It's Your Hospital
Know the Facts

Question:
I understand that most of the equipment included in the extra money asked by the Hospital Board is absolutely necessary and that they cannot "make do" with the old equipment. Will you explain?

Answer:
Over 5000 items are required to furnish a 100-bed hospital. Equipment in the present kitchen, staff dining room, laundry, etc., is mostly very old and worn out. It would be folly to attempt to equip the larger new departments with these cast-offs. All furniture and equipment in the present hospital has been carefully surveyed, and anything in good condition will be salvaged and transferred.

Estimates for some departments are:

Kitchen and staff cafeteria (all new required)	$28,130
Laundry (some new required)	13,084
X-Ray Dept. (new machine, etc)	28,534
Ward Furnishings (new)	45,000
Ward Furnishings (re-furbishing)	15,000
Surgical Suite (mostly transferred)	3,337
Laboratory (for pathologist service)	8,240

One-third grants are obtained on all furnishings and equipment and 60 per cent grants on some items such as x-ray and laboratory needs.

The Board is most anxious that the need for funds to purchase this essential equipment is thoroughly understood.

This advertisement is made possible by the contributions of community-minded citizens in the interest of the best possible Hospital for Nelson and District.

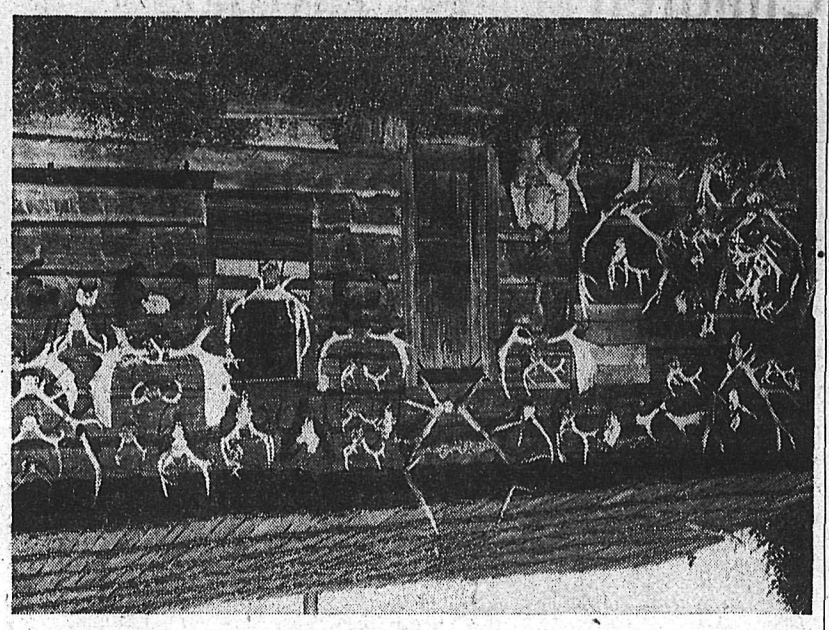
OPPORTUNITY THIS AREA

Canadian Company operating on a national scale has immediate openings for ambitious men or women to manage local business dealing with some of Canada's largest chain stores; can be handled in spare hours at start if desired; honesty and dependability more important than past experience. Our liberal financial assistance enables rapid expansion. This is a business on a high plane for high type men or women of character only.

APPLICANTS MUST HAVE APPROX. $1700.00

(which is secured), and good references. These openings will pay you exceptionally high monthly income immediately, and rapidly increase as business expands. Prefer applicants aspiring earnings from $10,000.00 to $20,000.00 yearly. No high pressure men wanted as NO SELLING required. If you can qualify and have necessary cash, write today giving phone number and particulars for local interview. Write: Manager, P.O. Box No. 125, Station B, Montreal, Quebec.

Horns Stud Trapper's Cabin



PRACTICALLY EVERY KIND of horn in the district is represented on the front wall of a cabin at lonely White Swan Lake in the East Kootenay. Owner Billy Stork, trapper, big game guide, timber cruiser, surveyor's helper and eagle hunter, has found these horns in the bush on his travels in the Rocky Mountains. Stork, a Yorkshireman who will be 81 on September 27, first went to White Swan Lake in 1910, and has lived there all year round for the last 25 years. A plane brings in his winter food. "I must like it or I would not have stayed," says Stork, a teetotaller who reads the Bible in his spare time.

WHITE SWAN LAKE SETTLER Billy Stork stands here in front of his collection of jackpine knobs which, he says, the Indians used for beating their tom toms, having covered the knobs with buckskin. Wishbone is from a golden eagle. Both golden and American eagles nest in Swan Lake country. Indians used to hunt at White Swan during the summer and fall. Stork claims there is twice as much game today in the country as when he first went there nearly half a century ago.

Heavy Kokanee Run Turns Streams Red

The Lardeau River flowing into the North end of Kootenay Lake, principal spawning ground of Kokanee trout, is running red as millions of the three-year-old trout fight their way upstream in one of the biggest runs in years.

"The run is at its peak now, and will continue for a couple of weeks," S. B. Smith of Vancouver, biologist in charge of hatcheries for the B.C. Game Department, said in Nelson Friday.

In a small tributary, Meadow Creek, an estimated half million mature spawners are squirming to its gravel beds. They represent perhaps a thousandth of the total run.

Here, in a wooden trap, some of the fish are being stripped for four million eggs destined for Washington and Oregon.

It's an exchange deal, Smith explained. "Over the past five years these two States have given us several million eggs free of charge. Our whole steelhead program is dependant on Washington for its supply of steelhead eggs."

In addition, the Americans have given B.C. more than a million Rainbow trout eggs this year. The department has also received a million Eastern Brook trout eggs and has been promised another million Eastern Brook and a million Brown trout eggs for planting all over the Kootenays.

"NO DANGER"

For the gift in return, the Game Department is taking only the surplus eggs being spawned in Meadow Creek.

"There is absolutely no danger to the run," Smith said, allaying concern of some local sportsmen.

In the early 1950s more than 10 million eggs were extracted from the Meadow Creek run alone, without harmful effect. The trap has been operated periodically for the last 15 years.

The West Kootenay Rod and Gun Clubs zone has been fully informed of the action, and has indicated it is not concerned.

To publicize the fact that it is using a surplus of eggs that would otherwise be wasted, the Game Department is making a color film of the operation.

The U.S. consignment is being "eyed" or developed at Nelson hatchery.

Lumber Workers Vote Undecided

CRANBROOK — A supervised employee vote concerning bargaining certification of the operations of JS & B Lumber Co. Ltd., has been completed with indeterminate results.

This is another skirmish in the current conflict between the sawmill workers division of the Brotherhood of Carpenters and Joiners and the International Woodworkers of America.

Sawmill workers inherited the certification from the Woodworkers Industrial Union when its charter was dissolved in early spring and IAW recently filed application for a vote on the rights. The completed poll showed 57 eligible voters, of who 42 cast ballots. IAW received 28 of the votes and Local 2833, Sawmill Workers, received 14. However the Labor Act states a winning vote must be 51 per cent of the total eligible voters which leaves a margin and a ruling from the labor relations board will be asked.

Highway Speaker At Radium Monday

INVERMERE — An official of the North American Highway Association is coming here to discuss the potential value of linking United States highway 93 and B. C. highway 95 in the Mexico to Alaska run now planned.

R. Ransome of Neveda, secretary of the North America Highway Association will be the speaker at a meeting called especially for that purpose at Radium Monday. Mr. Ransome has been invited to speak by the Windermere District Board of Trade, and all resort owners and board of trade members are being urged to attend.

WINS FAIR AWARD

CRAWFORD BAY — The secretary of the Crawford Bay Fair, Mrs. C. C. Feenie reports that the floral arrangement, judged solely by popular vote, was won by Mrs. William Fraser of Kootenay Bay. Just one vote less was a display arranged by Mrs. Norman Bainbridge of Boswell. The best rose in the show was Joanna Preece's. The best gladiola was Mrs. Feenie's.

MRS. VAN ELDER, KETTLE VALLEY WOMAN DIES

PROCTER — A well-liked woman of the Rock Creek district, and sister of Mrs. G. A. Phillips of Procter, Mrs. Ruth Axelia Van Elder died suddenly in the Boundary. Apparently in good health, she was chatting to friends when she collapsed and never regained consciousness. Mrs. Van Elder was born in Gillivare, Sweden, in 1901. Later the family moved to Canada and settled in Phoenix, where she attended school. Around 1919 her father, the late Axel Fernstrom who died last November, moved his family from Phoenix to Nickolson Creek near Kettle Valley, where their home was known widely for the hospitality extended to everyone. She spent many happy years there and in 1955 married Frank Van Elder and they continued to make their home at Nickolson Creek.

She is survived by her husband, her sister here, and two brothers John of Nickolson Creek and Fred of Greenwood.

Rev. E. S. Somers conducted the funeral service at the Anglican Church, and interment followed. The church was banked in flowers and the cortege was one of the largest in the district for a long time. Pallbearers were Armand DeLisle, Charles Weed, Fred Stohl, Clude Sherdahl, Wesley Wheeler and Russell Wenzel.

TAX SALE SET

CRANBROOK — Sale of properties on which city taxes are delinquent has been set by City Council for September 30. No listing of these properties is posted since the delinquent tax-payer may redeem the property up to half an hour before the sale.

SETS EXAMPLE

TOKYO (AP) — Prime Minister Kishi started what may be a trend in Japanese officialdom by buying a Japanese car for official use. Most Japanese officials ride in American cars, and the prime minister has a Buick furnished by the government and personally owns a Chrysler.

SULLIVAN MINE REVEALED TO TOURING DELEGATES

KIMBERLEY — Operations of Consolidated Mining and Smelting Company at Kimberley were viewed Friday by 35 countries' delegates to the sixth Commonwealth Mining and Metallurgical Congress, now on a Canada-wide tour.

At a dinner Friday night in Kimberley High School, J. M. Ireland of Australia, general manager of the Lake George Mine, expressed thanks on behalf of the delegates. He stated that it was impossible for them to visualize the extent of the Sullivan mine operation from statistics and tonnages. Seeing the operation made them "truly appreciative" of its magnitude.

He was speaking in reply to the welcome extended by W. G. Jewitt, vice-president in charge of mines.

In welcoming the guests, to the first mining town of their tour, Mr. Jewitt reviewed the development of the mine from the discovery of the North Star mine in 1892. Solution for the processing of its complex ores came in 1923. In 1953, the fertilizer plant was added to the mine-mill operation.

It is hoped, the speaker said, that the iron calcine in the mill wastes will lead in the near future to the establishment of an iron and steel industry here.

The special train pulled into Kimberley at 8:30 Friday morning.

Visitors were greeted by the Kimberley Pipe Band in full dress, Cominco officials and a representative of the RCMP.

TOURS TAKEN

Following an address of welcome by J. R. Giegerich, general superintendent of Cominco operations, cars left taking delegates on their chosen tours of the mine.

Luncheon in the high school gymnasium was followed by tours through the Sullivan concentrator and fertilizer plant.

From 5:30 to 6:30, delegates and hosts met for a social hour in the KP hall, returning to high school for the dinner.

B. E. Hurdle, assistant manager of mines, was chairman for the evening. Thanks were expressed to the Pythian Sisters who catered to the "excellent luncheon and dinner."

Following the banquet the guests went to high school auditorium to enjoy a brief concert by Rotary High School Band under the direction of Ralph Yarwood. Selections played were "Apple Valley", "Under Pardi Skies", "Policeman's Night Beat" and a selection from "Warsaw Concerto," with Mrs. Cynthia Spinks taking the piano solo.

Train left promptly at 9 p.m. for points east.

Greenwood Proud of Grads

GREENWOOD — Greenwood is proud of her young people who have graduated from Greenwood elementary-senior high school.

Miss Della Puddy, who graduated with honors from McGill, will be taking a position in the Trail Hospital as physiotherapist this week.

Miss Sylvia Felvik who graduated with first class honors in second year education, is teaching at Vancouver.

Alec Zarbuk, second year student at University of B. C. won a scholarship from UBC for $150 for further study in mechanical engineering. Roy Managuchi enters his third year at UBC in aero mechanical engineering.

Of students from this year's graduating class, Miss Diane Puddy will be entering her first year at UBC. Brian Lee will attend Ryerson Technical Institute, Toronto, and won a scholarship of $500 on a competition across Canada on Ryerson's School of Journalism. Joe Tanaka is also returning to UBC. He received last year's PTA bursary. Ted Hamaguchi will attend UBC. He received the PTA bursary this year and Robert Miller will attend Alberta College in Edmonton.

Rites Held for Invermere Man

INVERMERE — Bernard Scofield of Invermere, 85, who died September 9, was cremated after funeral services Thursday in Vancouver.

Trail School Board Opposes Fast Time

TRAIL (CP) — The board of trustees of Trail School District is opposing inclusion of Trail in the Mountain Standard Time zone.

The board recorded its opposition Wednesday after trustee Eric Broadhurst said some children will be "leaving home in the dark" if the Mountain Standard is adopted.

DIES ON TRIP

CRANBROOK — Taken suddenly ill here while on her way home to Kelowna after a trip to Calgary, Miss Minnie Hancock Blackay died at St. Eugene Hospital at the age of 65. She had made her home in Kelowna for the past 32 years. She was born in Toronto.

JOINS NAVY

GRAY CREEK — Arthur McLure has joined the Navy. He has been sent to Vancouver before going East. He hopes to become a diesel engineer.

Three Nurses Join Health Unit

CRANBROOK — Three staff members have been added to the nursing section of the East Kootenay Health Unit with appointment of Miss Elizabeth McQuarrie, registered nurse, for Cranbrook district office, Miss Helen Kennedy, public health nurse, for Invermere office, and Miss Marguerite Perry, public health nurse, for Fernie office. Still required are staff nurses for Golden and Creston offices.

Miss Marion Lewis, Cranbrook district public health nurse for the past two years, and active in Canadian Arthritis and Rheumatism Society work and the Cranbrook chapter of the Registered Nurses' Association has submitted her resignation.

Well Baby clinics at the Mormon Church the second Tuesday in each month, and at the Nurses' Home the third Monday in each month have been resumed after the summer interval during which only the regular clinics at the Health Centre were held.

Maple School Operations Efficient

TRAIL — Throughout the year Maple School for handicapped children operated in a highly satisfactory manner. Two of the children were unable to attend so were provided with home service every Tuesday and Friday by Mrs. J. Lassen. So reported Claire Billingsley at the annual meeting of the Trail branch of the Kootenay Society for Handicapped Children.

He said that the transportation problem had been practically eliminated from Fruitvale, Rossland and East Trail to the Maple School located in the Trail Anglican Parish hall. The children had been allowed to ride free on the air line service. A vote of thanks was extended to Joe Melatini, manager, and to the drivers for their care with the children. The society also extended a vote of thanks to Mrs. H. Lins who did a fine job in helping to solve a difficult transportation problem.

A vote of thanks was extended to the Pythian Sisters who donated refreshments to the society at all its meetings.

New directors elected to the board were R. C. Billingsley, Otto Carlbeck, Jack Varcoe, Dr. S. Huckvale, Mrs. S. Gavrilik, and Gilbert Meredith.

Trail members filling vacancies to the Kootenay Society board of governors are Dr. W. J. Endicott, Mrs. H. Keighley and J. B. Varcoe.

Mrs. Abbey Takes Over as Librarian at Cranbrook

CRANBROOK — Cranbrook Public Library Association board of directors has resumed monthly meetings after the summer interval, and at the September meeting accepted two resignations. Mrs. W. O. Green, secretary, resigned this office but will continue as a director until the annual meeting in January. The board named Mrs. Alan Graham new director and has elected her secretary for the rest of the year.

Mrs. A. B. McKenzie, librarian for the past six years, has resigned to accept an appointment to the office staff of St. Eugene Hospital. Vote of thanks for her excellent services over the years was extended, and her assistant for the past two years, Mrs. W. Abbey, was named new librarian.

The city grant for 1957 of $1000, double previous grants, has been received by the board and a large order of books for juveniles and some adult fiction and non-fiction is being prepared to secure new library book stock. The East Kootenay Regional Library depot took away the first 200-volume consignment which circulates through district libraries early in August and delivered the second consignment. This will be renewed again in October.

Circulation over the summer months took its usual drop, with the total for June 1307 books, July 1097 books and August 1177 books, according to Mrs. McKenzie's final report as librarian.

Cuts Off Finger, Puts It On Again

GRAY CREEK — T. J. Oliver cut off the end of a finger while operating a planer in his workshop.

He quickly picked it out of the shavings, put it on, bound it up and drove himself to the doctor at Creston Hospital where stitches were applied and the finger properly dressed.

Arenas in Large Centres Able To Avoid Deficits, Managers Agree

CRANBROOK — Conflict between keeping community arena costs at a minimum while providing fullest possible community use of arena facilities was thoroughly discussed at the semi-annual meeting here of B.C. Arena Managers Association in the realm of theory.

Main practical item of the meeting was a course given by Robert Craig of Lindy-Hall Ice Machine Company of Vancouver on ice-making and maintenance for skating and curling purposes.

Only arenas in large centres of population with permanent summer floors for commercial and co-operative entertainment are dodging deficits of varying size in the province, it was reported. Fullest community use possible was summarized as the function of these structures.

Social functions of the two-day meet of the 20 delegates from Vancouver - Kerrisdale, Victoria, Powell River, Vernon, Kelowna, Penticton, Fernie, Trail, Kimberley and Cranbrook included a banquet where Mayor R. H. Sang extended the greeting, and a smorgasbord luncheon at the Golf and Country Club.

Officers present were J. W. Elliott of Vancouver, president, Herb Phillips of Vernon, vice-president, and W. S. Oliver, secretary - treasurer. Arrangements for the function were made by R. L. De Armond, Cranbrook arena manager.

UBC Scholarships Awarded To Two Kootenay Students

Awards to two Kootenay students have been announced by Dean Walter Gage, head of the University of B.C. scholarship committee.

One of the winners of Finning Tractor and Equipment Company scholarships of $250 each is James Archie Budd Rae of Slocan City who is studying civic engineering.

The Nancy Ryckman Scholarship of $225 open to students who have completed matriculation in East Kootenay district goes to Arnold Wayne Morgan of Cranbrook.

The Missile Race

The disclosure by the Russians that they have perfected the first intercontinental ballistic missile which can be used for long-range attack has disturbed the Western powers considerably, but has left the bulk of the people considerably unperturbed. It is quite evident that it is possible to scare some of the people some of the time, but not all of them all the time.

In this matter of guided missiles the emphasis has been largely upon the competition between the United States and Russia.

How advanced the British are technologically is shown by the fact that she holds all the speed records for land, sea and air. This is further emphasized by her development of the hydrogen bomb. It came as a shock of surprise to find that she had developed her own, and though the British seem reluctant to publicize their achievements, there is every reason to believe that it was better than the American one.

With her great vulnerability to attack, Britain has concentrated largely on defence. Heretofore, little has been heard of her guided weapons, but at the recent Farnborough Air Show no less than nine types of guided missiles were shown to the public. They include air to air, ground to air, and anti-tank weapons. They are either electronically controlled or guided by infra-red rays, and are thus true guided missiles.

They are the product of five different companies who have been spurred by competition to produce the best possible weapon. This competition has no doubt brought forth a number of ideas which may be used in future weapons.

So far nothing has been heard of a British intercontinental missile, nor, with the British reticence, is it likely that we will. Britain has never subscribed wholeheartedly to the American theory of massive retaliation, preferring to secure her own defence, but the existence of a long-range guided missile range in Australia makes it certain that experiments on that line are continuing.

This disclosure of Britain's guided missiles proves that that country is making an effective contribution to Western defence. It would not be in the least surprising if that other great power in NATO, France, has also guided missiles. Which fact and probability serves to take the edge off the Russian threats of intercontinental rockets.

What Is Wholesome Water

By Dr. Gordon Bates

To the chemist the definition of water is simple. Its formula is H2O. To the ordinary citizen without a knowledge of chemistry, water is that, clear and usually delectable crystal clear fluid which he drinks commonly to quench his thirst. This is the wholesome pure water spoken of in legal documents. It is not the H2O of the chemist but it is H2O mixed with a great many chemicals coming from the beds of rivers and lakes which make it palatable. Pure H2O, a combination of hydrogen and oxygen is specific proportions, is good to replenish storage batteries but it is not suitable for human consumption.

It has been discovered in recent years that when ordinary drinking water with all of its chemicals is deficient in fluorine, children who drink it are likely to have decayed teeth because their teeth as a result are deficient in fluorine. It has been proven that fluorine will prevent caries. Caries may and does damage human teeth during the whole of human life. Without fluorine, in the percentage of 1 to 1,000,000 parts of water, water is not, in the opinion of competent scientists, pure drinking water because it is not conducive to health. People with decayed teeth are not healthy.

Fluorine is a normal constituent of the purest drinking water. How the addition of fluorine, which is a normal constituent of drinking water, can be compared to the addition of orange juice which is not a normal constituent of drinking water we are unable to comprehend. It is an unfair argument. This is the opinion of this journal, notwithstanding the fact that such an argument has been used to try to prove that the addition of fluorine to drinking water is medication. In our opinion, if there is an obligation on the part of municipalities to provide pure and wholesome water to their citizens, then municipalities are remiss in their duties and obligations if they fail to see to it that the drinking water they supply to their citizens contains sufficient fluorine to ensure healthy teeth. — Health Magazine.

Record Growth

Canada's population stood at 16,589,000 at June 1 this year. This indicates a rise of 3.2 per cent from the 1956 census figure. Major factor contributing to this record growth was the sharp increase in immigration to Canada since June 1 last year. Total number of immigrants in the 12 months was about a quarter of a million.

British Columbia had the largest percentage increase in population; 6.3 per cent was recorded, as compared to 4 percent increase in Ontario, 3.2 per cent in Alberta, and 2.8 per cent in Quebec. Saskatchewan had a slight decline in population, and the Prince Edward Island figure remained unchanged.

The June 1, 1957, population for this province is now estimated at 1,487,000, compared to the census figure of 1,398,464 at June 1, 1956.—B. C. Department of Industrial Development, Trade and Commerce.

Express Bus

News that the Calgary transit system plans to inaugurate next fall express bus services on one and possibly more lines is, we believe, an experiment in the right direction. The principle of carrying passengers fro moutlying suburban districts to the city centre via the speediest and most direct route is well established in larger cities.

—Calgary Herald.

Errorless Electronics

Portable radar traps for fast drivers are being questioned in Britain. Some are arguing that one car overtaking another or vehicles going in the opposite direction within the radar beam will also be reflected, thus disrupting the reading. Also, it is argued that rain, flying leaves or variations in temperature affect accuracy.

It looks like a hard life for traffic sleuths who go under cover. It could be an even harder life for the paying motorist.—Toronto Globe and Mail.

Still Wondering, Nelson—Where in Nelson can one have hemstitching done?

We were mistaken when we gave Singer Sewing Machine Co., Baker Street, and Custom Sewing Centre, Ltd., Baker Street, as doing this kind of work. Neither firm specializes in it in Nelson. Can other readers help?

Reader, Castlegar—Would you please reprint recipe for plum wine?

To each eight pounds plums allow one gallon boiling water, and to one gallon resulting juice allow four or more pounds sugar. Select plums and let them be perfectly dry and sound. Small plums are really the best for this purpose. Wipe, remove stalks, and weigh. Put into wooden tub or crock and bruise gently, then pour boiling water over them and cover closely to keep in steam. Let this stand four days, stirring at frequent intervals, then strain off liquor and add sugar in above proportion. When the is dissolved, pour all into clean, dry barrel, cover bunghole tightly and leave undisturbed one year. Bottle and cork, putting a cube of sugar into each bottle. Store in a cool, dry place and this wine should keep well.

Somebody's Wallet Holding $25 Bills

Facts are propaganda weapons. For instance, you can say that Canadians are becoming poorer because at the year end there were only 116 (count them) $500 bills in circulation compared with 320 six years earlier.

Facts are propaganda weapons. Canadians are getting richer. For it is a fact that the number of $1000 bills is up from eleven to thirteen thousand in six years.

Ever see a $25 bill? There seems to be 1840 of them in somebody's wallet. Source of information: the Bank of Canada.

—The Printed Word.

Incorrect Words Changed Meaning of Letter

(Editor's note: In a letter to the editor in Thursday's paper, mistakes occurred in a letter from M. C. Tawse, R.R. 1, Nelson, which altered the meaning of two sentences. One sentence should have read, "Surely experts, who are used to planning hospitals, could have completed the paper work in less than three or four years." (The word "surely" was printed as "such".) Another should have said: "We were told in 1953 that failure to form a Hospital Improvement District was the only thing that would hold up the green light for a new hospital." (The words "green light" became "keen fight".)

Press Comment

"A baby first laughs at the age of four weeks," says the pediatrician. No doubt because he just got a good look at his father.

—Kitchener-Waterloo Record.

Man With a Future

Not satisfied with the results he can get by just plain blasting away on the horn of the diesel locomotive which runs through town to Kincardine, the engineer added a note the other evening. After several strenuous blasts along the way toward Whitechurch, he ended it all with a familiar "da-de-da-da-da" which sometimes concludes a selection in the hayloft hoedown. Now there's a man with a future.—Wingham (Ont.) Advance-Times.

Watch Your Language

CASTANET (CAS-ta-NET): Noun — An instrument consisting of two small, concave spoon-shaped shells of ivory or hard wood, fastened to the thumb, and beaten together with the middle finger; used in accompaniment to music and dances. Origin: Through French and Spanish from Latin Castanea, chestnut.

VIBRANT (VI-brant): Adjective—Vibrating; pulsing; as, cities vibrant with life and energy; vigorous, as a vibrant personality; thrilling, as vibrant feelings; sounding as a result of vibration; hence, resonant, sonorous, resounding, as a vibrant drum or voice. Origin: Latin—Vibrans, present participle.

TODAY'S BIBLE THOUGHT

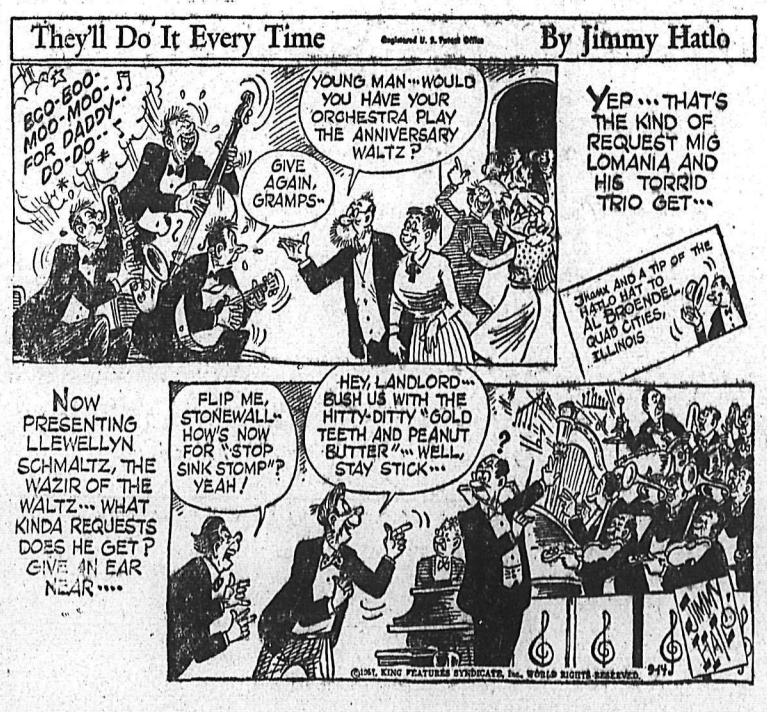
Be thou faithful unto death and I will give you a crown of life. Revelation 2:10.

The day of martyrs has not passed, but we can be faithful in small things, too. Life is made up of moments and multitudes of little trials.

Aunt Het

Man's mind must be clearest when he first wakes up. That is when he has the poorest opinion of himself.

They'll Do It Every Time — By Jimmy Hatlo



EXHIBITION RESULTS

Home Cooking

Layer cake, iced — 1, Elsie Goresky, Castlegar; 2, Mrs. G. R. Pickering, Granite Road.

Chiffon cake, uniced — 1, Mrs. W. C. Bradshaw, Trail.

Angel cake, uniced — 2, Mrs. Charles McEachern, 904 Victoria Street.

Sponge cake, uniced — 1, Mrs. F. Morris, 422 Gore Street.

Plain white butter cake, uniced — 2, Mrs. A. C. Morton, 1623 Falls Street.

About the Town

By Dorothy McIntosh
PHONE 1007-L OR 1844

Mrs. W. Ramsden, the former Rowena House, was guest of honor this week at a pantry shower when friends and former neighbors met at the home of Mrs. E. T. Stromstead, 512 Second Street. Mr. and Mrs. Ramsden have now left to make their home in Kimberley.

* * *

Visiting Mrs. N. Stedile, Silver King Road, in order to attend the West Kootenay Exhibition is Mrs. W. Byers of Salmo whose hand-moulded pottery won first and second prizes at the fair.

* * *

Mr. and Mrs. Joe Staples and two sons of Cranbrook were visitors at the home of the former's brother-in-law and sister, Mr. and Mrs. Clifford Smith, Second Street.

* * *

Mr. and Mrs. Syd Robinson and children, Cheryl, Randy and Roddy of Cranbrook are visiting Mrs. Robinson's parents, Mr. and Mrs. L. R. Burton, North Shore, and Mr. Robinson's brother-in-law and sister, Mr. and Mrs. Robert Bennett, Cottonwood Street.

* * *

Miss Aileen Sien, visiting from Kelowna, has been guest of Mr. and Mrs. A. R. Ramsden, 910 Ninth Street. She leaves today for Vancouver where she will attend UBC.

* * *

A former resident of Nelson, Frank Hooper of Vancouver, has been visiting friends and renewing acquaintances in town. While here he was guest at the home of Mr. and Mrs. Fred Whiteley, Latimer Street.

* * *

Mr. and Mrs. G. L. Craig, Baker Street, has relatives visiting her, Mr. and Mrs. R. J. Rutledge and Beverly Hampson of Vancouver.

Couple Wed On Groom's 21st Birthday

INVERMERE — The 21st birthday of the groom was the date chosen for a double-ring ceremony in Trinity United Church here when Beverley Anne, eldest daughter of Mr. and Mrs. W. G. Lockhart, became the bride of Robert Dara Thygesen, youngest son of Mr. Ernest Thygesen of Calgary and the late Mrs. Thygesen.

Shaggy yellow and bronze chrysanthemums and asters in autumn shades were the background for the afternoon ceremony at which Rev. Aubrey Small officiated. Groomsman was Mr. Donald Tunnacliffe of Invermere and ushers were Mr. Alan Lockhart, brother of the bride, and Mr. Dick Stewart.

Mrs. Alfred Davidson was organist. "The Lord's Prayer" was sung by Mr. Ernest Thygesen and during the signing of the register he sang "Because." Before the processional the Trinity United Church choir sang a hymn.

Entering the church on the arm of her father, the bride was lovely in a floor length gown of white dotted nylon marquisette over satin. Sequin trimmed, it had lily point sleeves and a low waist line. She wore a chapel length veil of net caught by a coronet. Her bridal bouquet was of red roses framed in white daisy spray chrysanthemums.

Matron of honor was the bride's cousin, Mrs. Paul Yackovitch of Cranbrook gowned in a white nylon floral print with a pink motif and a flowing sleeveless duster coat to match. The dress had a wide pink satin sash matching the picture hat and gloves. Her flowers were daisy spray chrysanthemums.

SAME STYLE

Identical in style were the gowns of the two other attendants, bride's matron, Mrs. Terrance Dexter of Calgary and bridesmaid, her sister, Miss Janice Lockhart. Their gowns were white nylon with a delphinium blue motif, worn with wide blue satin sashes and picture hats, shoes and gloves to match. Their bouquets were composed of pink daisy spray chrysanthemums.

Youngest sister of the bride, Karen Lockhart, and little cousin of the groom, Tara-Lynn Wilder, were flower girls in pleated nylon frocks, the former in dusty rose and the latter in blue. They wore matching flower wreaths in their hair and carried white lace baskets of sweetpeas.

At the reception in the Lake Windermere Community Centre, Mrs. Lockhart received the guests wearing a teal blue bengaline ensemble accented with a pink velvet hat and matching gloves and a corsage of pink rosebuds.

DAMASK CLOTH

Centering the bride's table set with a damask cloth that had been a wedding gift in Scotland for the bride's maternal grandmother, Mrs. T. Frater, and then was used for her mother's wedding, was a three-tier wedding cake, the bottom tier composed of three separate cakes in a cloverleaf. Triple white tapers flanked the cake.

The toast to the bride was given by F. W. Hillier, her uncle. Covers were laid for 175 guests at small tables centered with summer flowers and white tapers. Mrs. Hillier and Mrs. Earle Wilder, the groom's sister presided at the coffee table. Serving were Miss Catherine Lake, Miss Minnie Kamakawaji, Miss Marilyn Harrison, Miss Margaret Harrison, Miss Anne Mackill, Miss Wendy Weir, Miss Avroyal Taynton and Miss Donna Warwaruck.

For her honeymoon the bride donned a smart black tailored suit with touches of white and a white fur felt hat with a black feather. Her corsage was a mauve orchid.

The bride was born and educated at Invermere and attended Mount Royal College at Calgary. Her groom also attended the local high school. They will make their home in Calgary.

Our Father's Business

ABREAST OF LIFE

As we read the Scriptures, we see there that all the writers are concerned with life. The Christian faith is not a faith of death, but of life. Sometimes we have not made ourselves aware enough of this, and too many have a pre-occupation with death. Yet the Bible always speaks of life.

Jesus Christ is, we are told, "... the life and the light of men." He came that spiritual life might lighten the darkness of circumstance and sin. But Scripture tells us that He is no light and no life of those that will not have Him—they live in darkness.

St. Paul is a great Apostle of life. He is forever speaking of life and of living. He is never divorced from the facts of everyday life. In effect he says that life is an affair of many levels, heights and depths, and he always calls on us to live those ups and downs to the full, always trusting in God and His Christ.

There are selective levels of interest, occupation or loyalty upon which we might live. Those who choose the lower levels are in bondage to the self and selfishness. They choose the downhill roads which lead to misery and pettiness and heartbreak.

True progress in life is an onward and upward journey. No matter how circumstances try to force us down or temptations to easier but less satisfactory ways crowd in on us. Our visions and our hopes and struggles ought to be on the upward trend. He who would keep abreast of life must always be on the upward trend. As we live with love, measure goodness, hold to gentleness, understand with self-control, and trust with faith, then we are abreast of life. We are guided by the divine.

These things are not obtained with self-sufficiency. Man cannot be in these things alone and walk worthily in the faith to which we are called. We must learn to walk as on the Emmaus road, that is with Christ Jesus who trod the upward way of life so that we might be abreast of it in Him. This then is in small part some of the way to:

"... the shining table-lands
To which our God Himself is moon and sun."

REV. J. N. ALLAN

Keep Your Eye on Classified!

Sanca Notes

SANCA — Mrs. W. Hewitt was hostess to a few friends at her home recently. The guest of honor was Mrs. McKeever of Colchester, England, who is visiting her daughter, Mrs. R. Koch of Boswell.

Mr. and Mrs. E. Ness of Camrose, Alta., have been guests of Dr. and Mrs. H. B. Ness.

Mr. and Mrs. C. A. Koch have returned from a visit to friends in Spokane.

Mrs. A. H. Wood of Rossland is spending a few days with her mother, Mrs. G. J. Cummings.

Gray Creek Club To Send Babies' Clothing to Korea

GRAY CREEK — The Women's Club here will respond to the Unitarian Service committee's dominion-wide appeal for babies' clothing for Korea.

At the September meeting at the home of Mrs. Oscar Kirschner, it was decided that each member would bring suitable used garments to the next meeting, for this purpose. The articles may be for babies or adults. A letter from mental hospitals stated how much last Christmas gifts had been appreciated and urged continued help. Twelve gifts are to be sent.

It was regretted that the swimming trophy had not been used owing to poor weather.

Cookery Column . . .

That School Lunch Is Third of Daily Diet

By MARY MOORE

My object today is to help those of you who have to pack carried lunches; in particular, carried school lunches.

I am keenly interested in all meals being nutritious and nutritionally balanced as you know. Surveys show that many school children in Canada are without sufficient health reserves because they are too thin and often anemic. They lack the proper quality of food of sufficient quantity. Since children at this age are growing fast and are expending a great deal of energy, they need more food of high quality in proportion to their size than do grown-ups.

Every item mentioned here is for a good reason, usually a health reason. So if I happen to suggest eyebrow-raising items like liver paste or unpeeled cucumber slices or an excessive amount of parsley or eggs cooked at simmering point, curb your arguments and tolerantly try them all. Your earthbound children may become space cadets they will feel so healthy.

Government nutrition researchers are working all the time to discover better ways of eating and better health rules. So take heed.

SCHOOL LUNCH HEALTH POINTERS:

(1) Change over to whole wheat bread or whole grain breads entirely; (2) Include a fresh fruit and a fresh vegetable in every lunch every day and vary them; (3) The filling for at least one sandwich should be a high quality protein which are: egg, meat, fowl, fish, cheese. Use nuts frequently including peanut butter; (4) Include 8 ounces of milk, which may be skim if desired or occasionally in the form of cocoa or a cream soup.

There are many of you to whom I would like now to pay tribute who will go to almost any amount of trouble to make packed lunches palatable and attractive. There are ways of cutting down lunch packing time that you will welcome: sandwich fillings that are streamlined, keep well if carefully refrigerated and are of course nutrition packed.

SAVORY SANDWICH SPREAD

The protein ingredients in this are eggs and cheese. It will keep for weeks if poured into sterile jelly glasses and sealed with paraffin and stored in the refrigerator. Four eggs, ¼ lb. butter, 2 tablespoons dry mustard (or less), ¼ to ½ teaspoon salt, ¾ cup vinegar, 1/3 cup sugar, 1 small tin pimiento, ½ small onion, 2 sweet green peppers, ¼ lb. (1 cup) grated cheese. Cook the first 6 ingredients in a double boiler over boiling water until thick, stirring. Then add the pimiento, onion and green pepper which have been put through the food chopper, and the grated cheese. Cook again, stirring, until the cheese is melted. See above for pouring and storing.

LIVER LOAF OR PASTE

One lb. baby beef or calves' liver, 1 teaspoon each salt, grated onion and butter, ¼ teaspoon each black pepper, red pepper, allspice, nutmeg, 2 slices side bacon fried until golden and chopped very finely, 2 eggs. Wipe the liver with a cold damp cloth and with the rolling pin on a firm board pound it to a pulp, then force it through a coarse sieve. Blend the butter and seasonings with this pulp, then add the eggs, well beaten, and the bacon.

Force again through sieve, spooning bacon bits into mix that don't go through. Put mixture in a small greased mould. Set mould in pan of hot water. Cook in oven of 40 degrees Fahrenheit for 45 minutes. This may be served hot as a meat dish for dinner with a sauce such as tomato or cold as a mock pate de fois gras or sandwich spread. This is an excellent method for winning folks who shun liver to liking it.

CHEESE-SARDINE (or tuna) SPREAD

Mix together 1 8-oz. package of white cream cheese and 1 drained can of choice sardines (or anchovies) or 1 4-ounce tin drained tuna (the tuna may be flaked). Add 1 tablespoon lemon juice, dash of cayenne pepper, 1 teaspoon Worcestershire sauce, 1 teaspoon grated onion, ¼ teaspoon paprika and if desired ¼ to ½ cup chopped ripe or green olives.

"You Wanted To Know . . ." Department

Conducted by MARY MOORE

QUESTION: I will be giving a family dinner to celebrate my parents' golden wedding anniversary. The dessert has me worried, I would like something simply fabulous, that can be prepared in advance so that I will not look flustered and hurried at the dinner table. I would like this to be an occasion my Mother and Dad will remember with pleasure all their lives . . . Dorothy M.

ANSWER: Thank you for the privilege of letting me help too. I think the menu you outlined is fine and that the following dessert will be perfect with it for the occasion.

ORANGE ALMOND DELIGHT

Split a 10-inch sponge or orange chiffon cake into 2 layers. Frost the cake and put the layers together with the **Orange Custard Filling:** In top of double boiler but away from the heat beat 5 egg yolks until very thick and pale-colored, then add ¼ cup sugar, ¼ cup strained orange juice, and 2 teaspoons grated orange rind. Cook over boiling water, stirring, until thick. Remove from heat and cool. Fold in 1 cup heavy cream which has been beaten until stiff with 1 teaspoon lemon juice. When cake is filled and frosted, sprinkle it with sliced toasted almonds. If this is kept overnight in the refrigerator it should be covered with a big balloon-shaped piece of foil or be kept in a big cake tin if your refrigerator will accommodate it. It must be covered while it chills overnight.

QUESTION: . . . would like a recipe for doing down large cucumbers (Kosher dill style preferred), also cold method preferred. Could I do this in a 5-gallon wooden barrel? If so would a barrel that is paraffined be alright or would a plain wooden barrel bring better flavor? What room temperature would I let them ferment in? Mrs. H. S.

ANSWER: I hope you saw the recipe I gave last week for Kosher dills. It is safer to transfer the processed dills to jars and to seal them, but here is another recipe for them that gives an alternative of storing them in a crock.

WINTER DILLS

One-hundred medium-sized cucumbers (large dill size), ½ cup salt, 16 cups water, grape leaves, dill sprigs, 8 quarts water, 4 cups vinegar, 2 cups salt, garlic if desired, 4 small hot peppers. Wash cucumbers and leave whole. Make a brine by adding ½ cup salt to each 4 quarts water. Cover cucumbers with the brine and soak overnight. Combine vinegar, water and salt and bring to boil and then let stand overnight. In the morning drain the cucumbers and pack them in stone crock or in glass jars between layers of clean grape leaves, dill sprigs and if used garlic slices (see note). Pour vinegar solution over, and add hot peppers. Seal if in jars. If in crock keep covered with solution and lid in cold place, where they will keep indefinitely. Dills should be processed at room temperature. NOTE: garlic in dills sometimes turns blue but is harmless.

New Denver

NEW DENVER — Mr. and Mrs. Floyd Gray and daughter of Ganaoque, Ont., were recent visitors to New Denver, accompanied by Mr. and Mrs. Orman of Brampton, Ont. They were the guests of D. A. MacKellar at the Presbyterian Manse.

Mr. and Mrs. N. Takenaka left for Kamloops where they were called owing to the illness of Mr. Takenaka's brother.

Mrs. Douglas McPhail and family, Alan Dewis and Darline left for Wyoming, Ont., to the home of her mother.

Mrs. S. P. Bostock, who was the guest of Mr. and Mrs. James Draper for a week, returned to her home in Nelson.

RECIPE-OF-THE-WEEK

By MARY MOORE

This is economical and easy enough for any weekday dinner dessert, but the flavor is so good that you should hold it back until important company is expected.

PEACH TAPIOCA

Two and one-half cups, well-packed, sliced fresh peaches, ½ to ¾ cup sugar, 3 cups water, 5½ tablespoons quick-cooling tapioca, ¼ teaspoon salt, juice of 1 lime or lemon; ½ cup whipping cream is optional. Bring first 3 ingredients to a boil in top of double boiler over direct heat. Add tapioca and salt. Transfer to bottom of double boiler and cook over boiling water 20 minutes or until tapioca is clear, stirring it occasionally. Add lemon or lime juice. If to be served hot (which I recommend) serve with **Hard Sauce:** Beat together with rotary or electric beater 1/3 cup butter and ¼ cup each light brown and icing sugar. Pile lightly in serving dish, sprinkle with nutmeg and chill until hard. If to be served cold, cool the pudding, fold in the whipped cream and garnish with additional sliced fresh peaches.

Jack DeLuca, Bride To Live In Natal

NATAL — St. Michael's Church was the setting for the marriage of Pauline Facca, daughter of Mr. and Mrs. Joseph Facca, and Jack Louis DeLuca, youngest son of Mr. and Mrs. Louis DeLuca. Rev. Father L. Trainor officiated at the wedding ceremony.

The bride, given in marriage by her father, chose a gown of white embroidered nylon net over taffeta with lily point sleeves and Sabrina neckline. Her embroidered fingertip veil of illusion net was held in place by a coronet headdress and she carried a bouquet of pink roses and stephanotis. The maid of honor was Miss Marlene Eberts of Sparwood, who wore blue nylon chiffon over net and taffeta, while the bridesmaid, Miss Lucille Lalonde, chose a pink net over taffeta gown. They carried baskets of pink and white carnations. Miss Tina Letasy, niece of the bride, acted as flower girl.

Mr. Fred Facca, brother of the bride, was best man, and Mr. Charlie Anselmo was the usher. During the ceremony Mrs. Joe Altomare sang "On This Day O Beautiful Mother" and "Panis Angelicus," accompanied by Adeline Cimolini.

Following a reception in the IOOF hall, the newlyweds left on a honeymoon trip which was spent at Banff, Lake Louise and Spokane. For travelling the bride changed to a white nylon dress topped with a black duster, white accessories and a corsage of pink roses. Upon their return Mr. and Mrs. DeLuca will make their home in Natal.

Out-of-town guests were Mrs. S. Gourletz, Mr. Ken Ackert, and Miss Isabelle Fraser of Nelson; Miss Elizabeth Byrne and Miss Joan Miller of Kimberley; Mr. and Mrs. R. Tortorelli jr. of Mission; Mr. and Mrs. Sam Tortorelli and family and Mrs. Joseph Tortorelli and Carol of Spokane, Mr. and Mrs. A. Schnell of Lethbridge, Mr. and Mrs. S. Bath and Mr. and Mrs. N. Borsato of Fernie, and Mrs. Flo Bopp of Sandpoint, Idaho.

AINSWORTH — Miss Lynne Burns left for Vancouver where she is to attend Business College.

Mrs. R. Sherraden has as her guest, Mrs. Crawford of Byemoor, Alta.

SPORTS

Bedard Gains Semis Of International Play

TORONTO (CP) — Bob Bedard of Sherbrooke, Que., only Canadian still in the men's singles in the international invitation tournament, Friday advanced into the semi - finals, defeating Armando Vieira of Brazil, 6-3, 3-6, 6-3.

Bedard played a cautious game, far less aggressive than in Thursday's one - setter against Kurt Nellsen of Denmark. He didn't tire, yielded when he was trailing far in games and seemed to rest in the second set after Vieira took the lead at 3-3.

Vieira, never a favorite of the spectators, requested a new linesman and refused to play until workmen constructing a platform for television cameras quit work. He swore in both English and Spanish but lost the last game with a smile.

The were neck and neck in the last set, but Bedard broke Vieira's serve at 2-1. They each lost a serve later. Vieira's touch game was not as accurate as usual and he complained of a cold.

Sven Davidson, the top - seeded Swede, whipped Cliff Mayne of Berkeley, Calif., 6-0, 6-3. The 29-year-old Swede played a fast and powerful game. He followed his powerful serves with giant strides to the net, often taking the point after the second return. He showed an exceptionally powerful backhand.

DAVIDSON FAVORED

Davidson, 1957 champion of France and loser to Lew Hoad of Australia in the Wimbledon, is regarded almost certain winner of this tournament. He lost here last year, also to Hoad.

The last Canadian woman in the singles event, ranked first in Toronto, was eliminated in the Canada, Mrs. Louise Brown of semi - finals by Sashiko Kamo of Japan, 2-6, 6-3, 6-0. Mrs. Brown was seeded third.

Shirley Bloomer or England, seeded first, whipped Martha Hernandez of Mexico, seeded fourth, 6-0, 6-1 in the semi-finals.

The first-seeded doubles team of Neilsen and Davidson was upset in the quarter finals by Henri Rochon of Montreal and Austin MacPherson, Toronto, 6-3, 8-4.

Szuzina Gains Decision

SYRACUSE, N.Y. (AP) — Franz Szuzina of Bremen, Germany, weathered a deep cut over his left eye and scored a unanimous decision over Randy Sandy of New York City in a 10-round, nationally televised middleweight bout Friday night. Szuzina weighed 161, Sandy 155.

Szuzina gave the otherwise dull battle a little life with his right hand leads and sharp left hand uppercuts and hooks.

The victory was the 41st for the 27-year-old German in 74 fights. He lost 18. It was Sandy's third defeat of the year and his seventh setback in 27 fights. He has one draw on his record.

Sandy appeared rusty at the outset and found his shifty opponent hard to hit.

The New Yorker opened a two-inch gash over the German's left eye in the fifth round, but it was not a dangerous one.

Fights

By The Associated Press

Revere, Mass.—Billy Ryan, 170, Lowell, Mass., stopped Willie Hartley, 164½, Brooklyn, 8.

Los Angeles — Baby Vasquez, 134, Mexico, outpointed Noel Humphreys, 129½, Charleston, W. Va., 10.

Kennedy to Coach Peterborough Petes

PETERBOROUGH, Ont. (CP)—Ted (Teeder) Kennedy signed a one-year contract Friday to coach Peterborough Petes in the Ontario Hockey Association Junior A campaign this season. He succeeds Baldy MacKay, who piloted the local club last year in its first Junior A season.

The veteran centre star of Toronto Maple Leafs of the National Hockey League retired from the NHL last spring.

Royals Break Away From Wings

NEW WESTMINSTER, B.C. (CP) —Manager Hal Laycoe of the Western Hockey League's New Westminster Royals announced Friday the club has severed its nine-year working agreement with Detroit Red Wings.

". . . From now on any players that are optioned to us will be coming from Toronto, our new affiliate," he said.

"I want to stress the fact that we were never unhappy with our Detroit agreement as had been previously suggested . . . But with the Wings now being obligated to three other teams, I felt we could make a better deal elsewhere."

Royals will be third on the Toronto list behind Winnipeg Warriors of the Western Hockey League and Rochester of the American Hockey League.

Baltimore Hurler Has Operation

BALTIMORE (AP) — Art Ceccarelli, Baltimore Orioles pitcher was reported in satisfactory condition Friday after undergoing an appendectomy.

The 27-year-old southpaw was stricken Thursday night during pre-game practice for a game against Kansas City and underwent the operation a short time later.

BAVASI ASKS FOR REPLAY

MILWAUKEE (AP) — Buzzy Bavasi, vice-president of Brooklyn Dodgers, Friday asked Warren Giles, president of the National League, to order a replay of the Thursday night 2-1 Dodger defeat by the league-leading Milwaukee Braves.

In a telegram to the league president, Bavasi said:

"In the interest of justice and integrity of baseball, I sincerely urge you to order a replay of last night's Brooklyn-Milwaukee game on grounds that the confused rulings of the umpires in the fourth inning cost Brooklyn the game. Your action on this should be taken in fairness to all clubs in contention for the pennant."

Bavasi's protest concerned a doubleplay called against the Dodgers in the fourth inning.

Pony Leaguers Start Playoffs

Games in the West Kootenay Pony or Babe Ruth baseball series will commence Saturday, with Nelson, Salmo and Fruitvale meeting at Salmo in Section "A." They will draw for games Saturday afternoon, with one team getting a bye. Winner of the first game plays the "bye" team to determine the finalist.

A similar elimination series will be held by Rossland, Warfield and Trail in Section "B", with the draw winner determining the playing field. Final game of the tournament will be played Saturday night at Butler field in Trail, finishing under lights.

All players must have been 15 years old on July 31, 1957. Games are limited to seven innings except if tied.

Playing for Nelson will be Mike Ingledew, Mike Laughton, Hugh Hooker, Garry Kilpatrick, Lawrence Treatful, Doug Florio, Jim Rogers, Dave Grant, Bruce Blakeman, "Dux" MacLean, Ernie Wah and Ken Hancock. Coaches are Bob Phillips and Jack MacMillan.

Report BCAHA Offered $10,000 in Russ Bid

SPOKANE (AP) — An offer of $10,000 has been made in a bid to get Russia's hockey team to play games in Western Canada and perhaps the U. S., it was disclosed Friday.

The B. C. Hockey Association, through its president, Ed Benson of Trail, offered the guarantee to the Canadian Amateur Hockey Association to bring the Soviet team west, said Roy McBride, manager of the Spokane Flyers. Half of the guarantee would come from Western International Hockey League, in which Spokane is defending champions and half from the Vernon Canadians, 1956 Allan Cup champions, he said.

A team of WIHL all-stars would play the Russians under international rules between Nov. 20 and Dec. 16, either at the Coliseum here or Cominco Arena in Trail, McBride said. Vernon would also meet the Soviet team.

A Russian tour of Eastern Canada has been approved. They wil play Sudbury Wolves, Kitchener - Waterloo Dutchmen and Whitby Dunlops. Whitby, which beat Spokane in the Allan Cup finals this year, will play in the world championships in Europe next spring.

One bar to the Russians playing in the U. S. might come from the government if the state department requires players to be fingerprinted before crossing the border. A CAHA spokesman said the group might not want to ask the visitors to go through the fingerprinting routine, McBride said.

Stamps Buy Three Forwards

CALGARY (CP) — Calgary Stampeders of the Western Hockey League Friday announced the outright purchase of three forwards.

They are Enio Sclisizzi and Chuck and George Blair, from Buffalo Bisons of the American Hockey League.

Sclisizzi played a full season with Stamps last year.

Chuck Blair, 29, is a right-winger and has done most of his pro hockey playing with Pittsburgh, Cleveland and Buffalo of the AHL. His brother, 28, is a centre-leftwinger and has played with Pittsburgh and Providence of the AHL, Montreal of the Quebec Hockey League, Saint John of the Maritime League and Los Angeles of the Pacific Coast League.

Largest Outside Entry List Expected For Trail Track Meet

TRAIL—Entries from Vancouver, Victoria, Cranbrook, Kimberley, Castlegar, Grand Forks and Nelson have been promised for the West Kootenay open track and field championships this afternoon at Butler Park, sponsored by the Trail Athletic Association.

Const. Frederick Sontag of Kimberley has entered three events—discus and javelin throwing, also shot-putting. Rumors say Sontag has broken the Canadian record for the shot-put with several practice heaves of at least 50 feet. Other rumors say that three West Coast track stars who set records in the Canadian National Exhibition in Toronto will be competing.

"We're going to need every bit of space that we can get," said meet marshal Ray Gould. "We expect the largest outside entry ever for the meet."

ORIOLES BUY SHORTSTOP

BALTIMORE (AP) — Baltimore Orioles have purchased veteran shortstop Carl (Buddy) Peterson from their Vancouver affiliate in the Pacific Coast League, general manager Paul Richards announced Friday.

The 32 - year - old Peterson, a veteran of 11 years in the minor leagues, hit .302 in 148 games through last Sunday. He had 53 runs batted in.

Richards said the 5-foot-9, 170-pound shortstop will join the Orioles early next week after the coast season ends. Peterson has been in the majors once before, joining Chicago White Sox at the end of the 1955 season. He hit .286 for 21 trips to the plate.

10 In $100,000 Invitational

ATLANTIC CITY, N.J. (AP) — Sylvester Rich's Royal Beacon 2nd was withdrawn Friday, leaving 10 horses to challenge the seven-race winning streak for Kerr Stable's Round Table in today's invitational $100,000 United Nations Handicap at Atlantic City.

Royal Beacon 2nd was injured in a workout Thursday and trainer Ev King said he did not want to chance a more serious injury to the Irish-bred colt.

The 10 left to oppose Round Table, leading money winner of the year with $424,450 and top challenger for the three-year-old championship, included C. V. Whitney's Career Boy, high weight at 123, and Alfred Vanderbilt's Find, a rugged handicap veteran who has finished in the money in 22 of his last 23 starts.

Round Table, an 8-to-5 favorite for the mile and three-sixteenths grass course event, has come on like the wind since running third behind Iron Liege and Gallant Man in the Kentucky Derby.

Probable Pitchers

NEW YORK (AP) — Probable pitchers for today's major league games (Won-lost records in parentheses):

NATIONAL LEAGUE

Pittsburgh at Chicago (2) — O'Brien (0-2) and Douglas (3-3) vs Hillman (5-11) and Drott (14-11).

Philadelphia at Cincinnati — Cardwell (4-7) or Simmons (11-11) vs Lawrence (15-11).

Brooklyn at Milwaukee — Erskine (4-2) vs Burdette (15-8).

New York at St. Louis — Antonelli (12-15) vs Mizell (7-10).

AMERICAN LEAGUE

Chicago at New York—Donovan (15-5) vs Sturdivant (14-6).

Kansas City at Washington — Burnette (6-11) vs Lumenti (0-0).

Detroit at Baltimore — Stump (1-0) or Daniel (0-0) vs O'Dell (2-10).

Cleveland at Boston — McLish (8-6) vs Fornieles (9-13).

British Cricket

LONDON (Reuters) — Friday's cricket result:

Surrey 369 for 7 declared and 82 for 4 wickets, the Rest of England 210 and 239. Surrey won by 6 wickets.

Riders Show Way in Air, Esks on Ground

REGINA (CP) — Edmonton Eskimos lead the Western Interprovincial Football Union with yards gained on the march, league statistician Bill Hawrylak of Regina said Friday.

The league leaders have netted 2408 yards along the ground and in the air. The second-place Calgary Stampeders have moved only 1165 yards.

Tailend Saskatchewan Roughriders are in second place in yards gained, with a total of 1947 yards.

The statistics cover all games played to date.

B.C. Lions have moved 1794 yards and Winnipeg Blue Bombers are 1449.

Eskimos, Roughriders and Lions have played six games, one more than Stampeders and Blue Bombers.

Eskimos lead the way in rushing with a net gain of 1554 yards—a 5.9 average. Riders netted 856 yards along the ground for a 4.5 yard average, while Bombers have netted 918 yards for a 4.7 average. The Lions show a net rushing gain of 877 yards with a 4.1 average. Stamps have rushed 616 yards for a 3.8 average.

In the air Saskatchewan leads with 991 yards, followed by B.C. with 907, Edmonton 864, Calgary 549 and Winnipeg 531.

Bombers are the team most penalized. They have had 36 penalties called against them for 317 yards. Lions have been penalized 33 times for 291 yards while Riders have lost 218 yards on 27 penalties, the Eskimos 191 on 23 and the Stamps 119 on 17.

Calgary has the best pass completion average — completing 54.3 per cent of 92 attempts. Edmonton has completed 53.7 per cent of 106 passes, Winnipeg 52.3 per cent of 63, Saskatchewan 50.7 of 134 and B.C. 49.6 of 123. B.C. has had the most passes intercepted—12. Edmonton has intercepted the most enemy aerials—12.

Eskimos also show the way in punting with a 43.9 average on 42 kicks. Stamps are averaging 42.9 on 46, Lions 41.1 on 50, Bombers 40.6 on 49 and Riders 40.5 on 48.

Harvey, Geoffrion Still Unsigned

MONTREAL (CP) — Two of Montreal Canadiens' big stars haven't come to terms with the management, it was made known Friday as arrangements went ahead for opening of the club's hockey training camp Monday.

The two are defenceman Doug Harvey and right-winger Bernie (Boom Boom) Geoffrion.

There was no indication a holdout stage had been reached, and there are prospects of further conferences. A club spokesman said only that "so far they haven't come to terms."

Maurice (Rocket) Richard is still unsigned, but the club spokesman said the Rocket has agreed to terms "and it's just a matter now of signing."

Jean Beliveau, big centre star, is already in the fold—on the last year of his five-year contract.

Queen's Filly Captures Stakes

DONCASTER, England (AP) —The Queen's three-year-old filly, Almeria, romped to an easy victory in the Park Hill Stakes Friday.

Almeria won by two lengths from Crochet, with Silken Glider, winner of the Irish Oaks, eight lengths away third. Almeria paid 2-7.

CANADA LOSES GLOBAL OPENER

DETROIT (AP)—Japan staged a dramatic two-run rally in the bottom of the 13th inning and captured the opening game of the third annual global world series, defeating Canada 3-2.

A two-base hit that trickled off the fingertips of Canadian right-fielder Joe Riney enabled two Japanese runners to score and spoiled a masterful pitching performance by Ralph Vold.

HELP WANTED

GOVERNMENT OF BRITISH COLUMBIA
APPRENTICESHIP AND TRADESMEN'S QUALIFICATION BRANCH
PRE-APPRENTICESHIP TRADE TRAINING CLASSES

Applications are invited from young men for enrollment in pre-apprenticeship trade classes which are intended to lead to apprenticeship in the following trades:-

Bricklaying
Carpentry
Lathing for Plaster
Plastering
Plumbing and Steamfitting
Sheet Metal Work
Steel Fabrication

No charge will be made for tuition but students will be responsible for their room and board. A subsistence allowance will be given to help the student pay for his room and board. The amount of this allowance will be forty dollars a month for a student whose home is in the training city and fifty-six dollars a month for a student whose home is outside of that area.

Where living accommodation is not available at the school, arrangements will be made with private homes to accommodate students.

Courses will start soon after October 1st, 1957 and will be held in Vancouver. Each course will last about five months.

Application forms can be obtained by writing to the following address:-

Director of Apprenticeship
Department of Labour
411 Dunsmuir Street
VANCOUVER 3, B.C.

Please indicate the trade in which you are interested.

MANN DRUGS LTD.

Ranged From 86 To 34 in August

The highest August temperature recorded at Nelson was 86 degrees on the 18th. The "low" of 34 degrees came on the 30th as a "freak" condition.

Rainfall for the month totalled .42 inches.

Hours of August sunshine totalled 232.5, recorded at the Crescent Valley weather station. There were 277.8 hours in August of last year.

July this summer had 261.4 hours of sunshine, also somewhat less than a year ago, when July had 323.1 hours of sunshine.

Taghum Woman Seeks Home for Orphan Kittens

Three young kittens who had been put in a box, taken into the bush and left to starve, today have a chance of survival because of a kindly Taghum family.

Ted Halvorsen, son of Mr. and Mrs. B. Halvorsen, found the hapless kittens.

Now Mrs. Halvorsen is looking for homes for them.

"These three little kittens didn't lose their mittens, they just lost their home," she said jokingly Thursday. She would keep them if it weren't for the fact that the family is allergic to cat fur.

For anyone interested in getting the kittens from Mrs. Halvorsen, one is "a beautiful deep smoky grey with blue eyes" and the others are twins in shades of grey "like little striped tigers."

One is a female, the other two are males.

Assault Appeal Adjourned

Appeal of Bruce James Sundstrum of Nakusp from a one-month jail sentence imposed May 3 by Magistrate G. W. Hempseed at Nakusp for allegedly assaulting Mr. and Mrs. Emmanuel Gottleed, was adjourned to September 23 by His Honor Judge E. P. Dawson in county court Tuesday.

C. H. Hamilton appeared for the Crown. J. F. Meagher of Trail, Sundstrum's counsel, is out of town.

Sundstrum was released on bail pending the appeal.

Big Fruit Crops

OTTAWA (CP) — Larger crops of all fruits except pears and strawberries are indicated this year, the bureau of statistics said today.

It said much of the national increase is due to recovery of orchards and small fruit plantations in British Columbia from the severe winter of 1955-56.

In the Maritimes, production of all fruit crops is estimated to be below last year except for apples in New Brunswick.

In British Columbia, larger crops are estimated for all fruits except plums and prunes.
