Nelson Daily News

1902 – Fifty Years of Service to the Kootenay-Boundary – 1952

Vol. 51 NELSON, B. C., CANADA—SATURDAY MORNING, JULY 12, 1952 No. 62

WEATHER FORECAST

Kootenay—Cloudy with scattered showers. Cooler. Light winds. Low and high at Cranbrook 52 and 70. Crescent Valley 55 and 75. Revelstoke 55 and 80.

Outlook for Sunday cloudy with showers.

Eisenhower Victor on First Ballot

'Pickup' Rink Cops Secondary Honors

Frank Law's B. C.-Alta. Combines Win Kootenay; Mrs. Kirby Ladies' Champ

A complex but effective combination of two British Columbians and two Albertans came out on top in the Canadian Midsummer Bonspiel's secondary event, the Kootenay Challenge, last night as the eighth annual event prepared to close out operations for another year.

Frank Law's Vancouver entry, comprised of Art Waters of Nelson and Calgarians Jack Hurst and Earl Campbell, won out over Bert Robertson's Edmonton rink 9-7 to take the bonspiel second event.

Law himself plays second while Hurst skips and shoots third rock. Waters shoots fourth rocks and plays third while Campbell plays lead. It was the first Midsummer entry for all but Waters who skipped his own rink to the championship in 1947.

Robertson's foursome included Edmonton ice-maker Harold Ritchie, Joe McCallum and Nelson's Walter Wait. It was Robertson's third prize-winning entry, having taken third in the Kootenay Challenge and won the Rosebud competition in earlier tries.

LADIES CHAMPIONS

Meanwhile, Mrs. Laura Kirby of Copper Mountain, B.C., captured the third annual Ladies Summer Championship by sweeping through for three victories Friday.

She was tied with Mrs. K. Younker of Irma, Alta., and Mrs. A. J. Hesse of Nelson at the end of C Section round-robin play and downed them both in a three-way playoff to advance into the finals.

Mrs. Kirby drew the bye and after A Section winner Mrs. Bert Robertson of Edmonton had beaten Mrs. Bob McQuarrie of Prince Albert 11-4 in the semi-final, the Copper Mountain entry won out with an 8-6 victory in a well-played final.

An all-Alberta final was slated for this morning in the third men's event, the Queen City. J. C. Aird of Devon outsted Earl Hunt of Nelson 12-7 to advance against L. C. Twitchell of Daysland, a 6-5 victory over Art Watson of Calgary in a match which wasn't decided until the final rock.

Play in the fourth competition, the Rosebud, had reached the eights last night where L. J. Maurer of Nelson, K. Hutchinson of Calgary and F. R. Deeks of Vancouver were out.

The Rosebud final, last game of the six-day spiel, will be played at 1 p.m. today.

Drought Threat Throughout B.C.

Water Supplies Low; Fire Hazards Worse

VANCOUVER, July 11 (CP) — The shrivelling spectre of drought hovered in a heat-haze over British Columbia today.

Today was the 12th consecutive day without rain — still a long way from a rainless stretch of 98 days last Summer. Drought last year cost B.C. about $50,000,000 in lost wages and woods production.

The dry spell has threatened the water supply of Duncan, a community of 3000 on Vancouver Island Bans went into effect today in Vancouver on lawn sprinkling and the burning of rubbish.

Two areas of the Vancouver Island forests were closed to travel last year, all B.C. forests were closed for 70 days. Forest closure could not immediately affect lumber production as the 32,000-member International Woodworkers of America (C.I.O.-C.C.L.) has been on strike since June 15.

FOREST FIRES

A score of forest fires were burning throughout the province but all were under control.

R. A. Luke, fire chief and water commissioner of Duncan, warned that the water system could fail completely within 24 hours unless lawn-sprinkling was curtailed.

In Vancouver, lawn sprinkling will be permitted only on alternate days.

Labor Minister's Aid Sought In Rail Negotiations

MONTREAL, July 11 (CP)—Contract negotiations between the railways and 125,000 non-operating employees, members of 17 unions, were placed in the Labor Department's hands today for conciliation.

An announcement on behalf of both parties said they have been unable to reach an agreement in a week of discussions and have "jointly requested the minister of labor to make available the services of a concilition officer to assist the parties in continued efforts to reach a settlement."

In Ottawa, labor department spokesmen said a federal conciliation officer will be appointed almost immediately.

The non-operating employees — those not engaged in the actual operation of trains — are asking an increase in wages of 45 cents an hour.

They also want a union shop, the compulsory check-off of union dues by the companies and an escalator clause in the proposed new agreement providing for a raise in the hourly rate by one cent for every one-per-cent increase in the cost-of-living index of September, 1952.

Winch Contends Johnson's Step Unconstitutional

VANCOUVER, B. C., July 11 (CP)—C.C.F. leader Harold Winch today challenged the right of Premier Byron Johnson to ask early formation of a Social Credit Government.

He termed as "absolutely unconstitutional" the reported decision of the Premier to resign next Monday and recommend induction of a Social Credit Cabinet.

"It is absolutely unconstitutional for the Premier to make any recommendation to the Lieutenant Governer until he knows the results from all constituencies," Mr. Winch said.

The C.C.F. leader said his protest was based on "purely constitutional" grounds.

"I'm not trying to block Social Credit or any other Party. It would be equally unconstitutional for the C.C.F. to be called upon as early as next week. But if Social Credit were asked to form a Government, the first man sworn in would *automatically become Premier. Who* would that be? They haven't even chosen a leader yet."

Sees Japan as B. C. Lumber Market

VANCOUVER, July 11 (CP) — A prominent British Columbia lumberman today forecast Japan will become a "substantial and permanent" market for B.C. lumber.

TRAINING PLANE CRASH KILLS 3

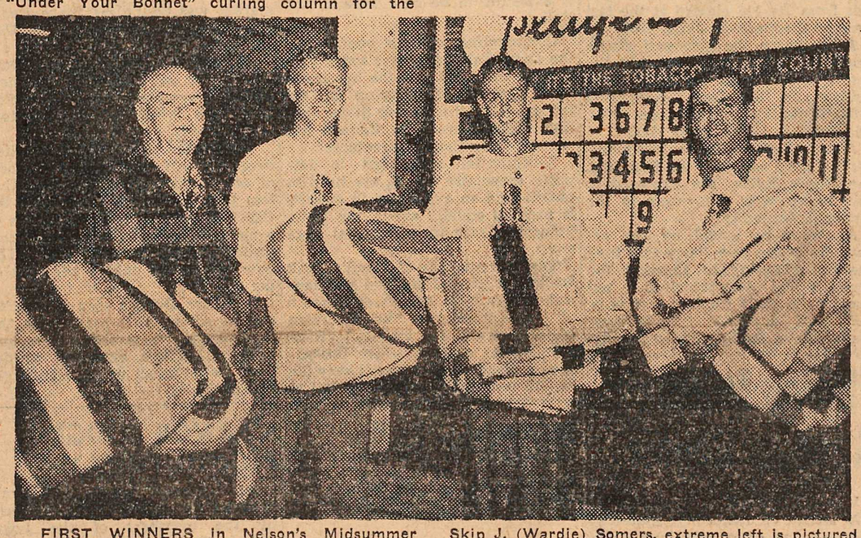
SEATTLE, July 11 (AP) — A navy PBY training plane crashed into Lake Washington today while making practice landings, killing *three of the seven persons aboard.*

The four survivors were rescued from the plane's wings where they clambered after it hit the water.

The men were all members of a naval reserve squadron and were making their seventh takeoff-landing when the plane went out of control.

The accident occurred a mile from the Sand Point naval air station, from which the plane was operating.

NATIONALLY KNOWN FIGURES adding to the color of the Midsummer Bonspiel at Nelson are Turk Broda and Bill Good, shown giving their version of how a rock might be swept into a hockey net. Appearing somewhat amazed at the proceedings is D'Arcy Finn, right, who writes the "Under Your Bonnet" curling column for the Ottawa Citizen and who plans to do a feature page on the bonspiel on his return to Ottawa. Good, at left, CBC sports commentator, has attended most of the 'spiels. The big fellow in the middle is, of course, Toronto Maple Leafian Turk Broda, tending goal tonight for Nelson Maple Leafs.



FIRST WINNERS in Nelson's Midsummer Bonspiel were four curlers from the oil town of Devon, who gave Alberta its third Canadian Summer Curling Championship in the eight 'spiels. Skip J. (Wardie) Somers, extreme left is pictured here with his rink—Art Kleinmeyer, Bob Cochran and John Burr.—Art Stevens photos.

6 of Family of 8 Wiped Out In Collision With Gas Truck

YAKIMA, WASH., July 11 (AP) —Two automobiles and a gasoline truck rammed together in a ball of fire and tangled wreckage here today, killing eight persons, six of them from one family.

Five of the victims were children of Mr. and Mrs. Lee Johnson, of nearby Selah, who had just taken them swimming in the Naches River.

Mrs. Johnson, 38 and the drivers of the truck and the second car involved in the crash were the other victims. The truck driver was identified as Merril Erickson, 28, of Seattle. The other man was tentatively identified as Donald C. Campbell, 23, Selah.

Johnson and another of his children were in critical condition from burns and injuries.

The children who died were Kathy, 2; Connie, 3; Gary, 4; Jean 7, and Lee jr., 8.

The accident occurred at what are known as the twin bridges just outside Yakima on the Elelnsburg highway.

Deputy Prosecutor Don J. Clark of Yakima county said the 24-year-old Johnson car apparently pulled onto the highway into the path of the Eastern Truck Lines dual tank truck. The truck rammed it in the rear and was in turn struck by an automobile just behind it.

The force of the collision threw the occupants of the Johnson car in all directions, like a giant splash. The truck veered out of control, spewing gasoline and flames as it plunged through a concrete approach to one of the bridges and plunged down an embankment.

Witnesses said hundreds of gallons of gasoline swirled down the roadway and into brush on the shoulders, searing the Johnson who lay sprawled along the roadside.

The driver of the tanker was burned to death in the cab in his vehicle the body of a man believed to have been the driver of the rear automobile was found badly charred alongside the tank trailer which did not burn.

Plane Crashes Into Sea With 31 Aboard

RIO DE JANEIRO, July 11 (AP) —A Brazilian mail and passenger plane with 31 persons aboard today crashed into the sea off Northeastern Brazil, the Air Force announced tonight.

The number of casualties was not immediately determined.

A pilot for a private Brazilian airline, flying over the same route between Rio De Janeiro and Northern Brazil, observed several bodies in the water and several survivors trying to reach the beach nearby, tht Meridional news agency reported.

The pilot directed rescue boats to the scene.

Quebec Goes To Polls Wednesday

QUEBEC, July 11 (CP) — Social improvements are promised by the two major parties — Liberals and Union Nationale — seeking victory in the Quebec election next Wednesday.

The platform of Premier Duplessis' Union Nationale, out for reelection for its third straight term, displays new features for the Quebec voter, but still retains protection of provincial rights as the party's basic battle-cry.

To buttress his arguments for reelection, Mr. Duplessis has peppered his campaign speeches with references to the farm credit, rural electrification, schools, roads, bridges and hospitals provided during his eight years in office.

LIBERAL PROGRAM

Georges Lapalme the new Liberal leader has proclaimed a program of "social justice for all" which promises maternity grants, health insurance, social security payments and pensions for the infirm.

On the basic issue of provincial rights, Mr. Duplessis says only his party can guarantee never to "sell" Quebec's taxation rights to the Federal Government because it is independent of federal parties. Claiming Quebec does not get its fair share of the tax dollar, he promises to continue to press for a "just" taxation settlement.

Find Pilot's Bones In Plane Wreckage

ROSEBURG, Ore., July 11 (AP) —A plane which disappeared in 1948 was found in the Cascade Mountains today, the wreckage indicating the pilot, Cyrus Richard Doyle, 35, Tacoma, was killed outright.

Herbert Barnard Smith, a timber cruiser, came upon the wreckage on Red Butte, 40 miles East of here. He said pieces of the plane were scattered over a wide area. Bones of the pilot were found there.

Smoke, Flames From Shishaldin Crater

KODIAK, Alaska, July 11 (AP)— Mount Shishaldin on Unimak Island has been glowing red for the past week, the Coast Guard reported today.

A Northwest Airlines pilot, Fred Zimmerly, reported that smoke was pouring out of the Shishaldin crater and flames were licking 200 or 300 feet in the air.

Woman Murdered

ASTORIA, July 11 (AP) — The bludgeoned body of a 45-year-old woman active in civic affairs was found wrapped in rugs here today. Friends found the body of Mrs. Marie Wenger after she failed to show up for work.

Police said her 19-year-old son, Ward, was missing, along with her automobile. Police began a search for both.

The body was in the living room of a home Mrs. Wenger had planned to buy. In the kitchen police found a blood-spattered hammer. In the bathroom they found her purse, emptied of money.

STEEL SHORTAGE CUTS PRODUCTION

TORONTO, July 11 (CP) — Production operations at three large Ontario automobile plants were cut today due to a steel shortage resulting from the 39-day United States steel strike.

U. N. Strikes Again in "Get Tough" Campaign

SEOUL, July 12 (Saturday) (AP) —Planes from five allied countries smashed the North Korean capital of Pyongyang Friday in a massive raid that made the Reds scream "barbaric."

It would have been the greatest air raid of the Korean war had not bad weather closed in during the afternoon to cut the sorties (individual flights) to 1,048. Plans had called for 1400 sorties.

Although the larger number of the planes in the attack were American, there also were British, Australian, South African and South Korean aircraft.

The attack ripped and tore rubbled Pyongyang's surviving factories and army bases as they had never been hit before. Great fires broke out.

Other planes smashed newly-built targets at Hwangju and Sariwon, and 35 miles South of Pyonyang. Both are key points on the Red rail lines feeding the battlefront.

A Fifth Air Force spokesman said that for weeks, allied pilots had been dropping leaflets warning civilians of the impending raid.

A Russian dispatch from Pyongyang, broadcast by Moscow and heard in London, said "hundreds of peaceful inhabitants, mainly children, women and aged," were killed or wounded.

Pyongyang radio itself referred to "heavy destruction to homes and installations."

MILITARY TARGETS

Air Force spokesman said, however, the targets were strictly military — depots, factories and other installations that the U.N. pilots had been watching the Reds build for weeks or months.

There was no question about it being another major U.N. allies' move in the recent get-tough air policy that began June 23 with annihilation of hydroelectric plants in North Korea.

Churchill Silent on 'Delicate Question'

LONDON, July 11 (AP) — Prime Minister Churchill got the news of Gen. Eisenhower's nomination from a ticker in his office. A secretary said it was unlikely that Churchill would say anything publicly "on such a delicate question."

A foreign office spokesman recalled that back around 1860 a British ambassador "made the very grave error of suggesting that someone or other be elected president of the U.S. and it caused such a furore we've kept our traps shut ever since."

SOCRED VICTORY WITHIN GRASP

Rolston Election Would Give 19 Seats to Socreds

VANCOUVER, July 11 (CP) — The Social Credit party tonight was only a few hours away from final victory in British Columbia's June 12 general election.

Social Credit and the C.C.F. each had taken 18 seats and Mrs. Tillie Rolston, Social Credit candidate in Vancouver-Point Grey's third seat, appeared a shoo-in for her party's vital 19th seat.

When counting of alternative choices started July 3 ended tonight, this was the standing:

Elected:	
SC	18
CCF	18
Lib	6
PC	4
Lab	1
Leading:	
SC	1
Total	48

The one outstanding seat, in which Mrs. Rolston now leads her closest opponent by more than 7000 votes, is expected to be finally decided tomorrow to wind up the marathon count.

Five seats were sertled today. In Vancouver Centre, Mrs. Laura Jamieson of the C.C.F. defeated Attorney-General Gordon Wismer, with a majority of 1397 votes.

Social Credit snatched both Vancouver-Burrard seats from the C.C.F. after the Socialists had led on the first count. The C.C.F. will ask for a recount in the second seat, where Social Credit won by 246 votes.

Arthur Turner, running mate to C.C.F. leader Harold Winch in Vancouver East, was easily reelected on the fourth count, one less than possible. Mr. Winch was returned on the first count. Vancouver Alderman George C. Miller was elected on the Progressive Conservative ticket in Point Grey's second seat.

Non-Europeans To Stand Trial

JOHANNESBURG, South Africa, July 11 (Reuters)—Trial of 106 non-Europeans accused of conspiring to commit public violence opened today at Boksburg, an East Rand mining town.

The accused—Indians, Africans, and colored (mixed blood)—are all volunteers in the passive resistance campaign against racial segregation laws. They are on trial for travelling from one location to another without a permit or violating the African 9 p.m. curfew.

On application of the prosecution the hearing against one group was adjourned until July 21 and against the remainder until July 24.

At Port Elizabeth Dr. Y. Mjongwe, president of the Cape African National Congress, told 1000 cheering Africans "one-third of South Africa cannot be free while two-thirds live in slavery."

POLICE SEEKING NERVY BURGLARS

PEMBROKE, Ont., July 11 (CP)— Police are looking for a nervy band of cat-footed — and hungry — burglars.

In the last two weeks they have entered four large homes while the residents slept, took their careful choice of cash, silverware and other valuables, and had a snack before leaving.

In two robberies they prowled through occupied bedrooms.

That was the case in their nerviest exploit two nights ago when they entered the home of Crown Attorney H. B. Johnston through an unlocked window.

Included in the take was his wallet from trousers beside his bed, an upper plate of false teeth from a glass in the bathroom and a quantity of food and beer, devoured in the kitchen.

Californian Is Chosen As V.P. Running Mate

By C. R. BLACKBURN
Canadian Press Staff Writer

CHICAGO, July 11 (CP)—A dramatically timed last-minute switch by Minnesota delegates today made Gen. Dwight D. Eisenhower a first-ballot victor in the long, angry battle for the Republican presidential nomination.

Down to bitter and perhaps lasting defeat went Senator Robert Taft of Ohio, son of a president and "Mr. Republican" to millions, who until only two days ago was ranked as a favorite to become the Republican party standard-bearer.

As a vice-presidential running mate for Gen. Eisenhower, he selected Richard M. Nixon, 39-year-old California senator. The choice provided an East-West balance in the Republican slate since Eisenhower is a legal resident of New York state.

In a large measure, the Eisenhower nomination was a win for the younger internationally-minded element in the party; a defeat for the professional old guard. But once the convention made its choice, there were the usual calls to close ranks for the campaign ahead against long-entrenched Democrats.

Now, Eisenhower said in a prepared speech of acceptance, the aims are clear:

'To sweep from office an administration which has fastened on every one of us the wastefulness, the arrogance and corruption in high places, the heavy burdens and the anxieties which are the bitter fruit of a party too long in power."

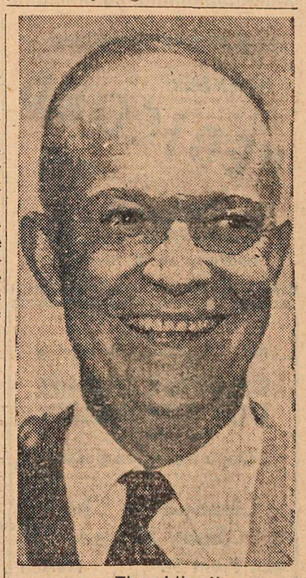
For Eisenhower the victory was as spectacular in many ways as those in North Africa, the Normandy beaches and at the Rhine during the Second World War.

The support of big-state delegations and their leaders such as Governor Thomas Dewey of New York; Governor John Fine of Pennsylvania and Arthur Summerfield of Michigan provided Eisenhower with the core which challenged Taft and a well-oiled machine containing most of the party's old-guard leaders.

Minutes after learning of his victory, Eisenhower made a bid for unity with Taft forces. He visited the Ohio Senator at the Taft headquarters.

There, before newspaper men, newsreel cameras, television and radio microphones, Taft pledged to co-operate with Eisenhower in his coming campaign for victory over the Democrats in November.

In a brief statement, Eisenhower said he needed the support of Taft forces for the election fight.



. . . They Like Ike

Reds Inject "Truth" Drugs for Confession

HONG KONG, July 11 (Reuters)—A United States lawyer today claimed the Chinese Communists held him prisoner for 16½ months and gave him "truth" drugs to "confess" to allegations of spying and sign a statement criticizing the State Department.

Robert Bryan, 59, former municipal advocate for the international community at Shanghai, crossed into Hong Kong from the Chinese mainland June 29. His limbs were swollen from beri-beri (a nutritional deficiency condition) and he was dressed in filthy prison clothes.

When he told his story today, Bryan asked reporters not to release the story until he was safely aboard the U. S. liner President Cleveland headed for San Francisco.

SPINAL INJECTION

"They blindfolded me and threw me on some sort of table. Then they gave me a spinal injection. It was very painful.

"Ten or 20 minutes later I felt like I was sitting up in mid-air. It seemed like twilight sleep. It took all my volition away. When I woke up next morning I had a dreadful headache."

After the effects of the injection wore off, he said, they showed him his signature on a confession.

DOPED AGAIN

Bryan said he was doped again sometime between June 15 and 20 when he refused to write a statement incriminating another person or criticizing the U. S. State Department. He said they had promised him "generous treatment" if he signed.

When the drugs wore off again, he said, they interrogated him intensively, torturing and hitting him with a rubber hose to extract a "confession."

Ford Lays Off 72,000 Workers

DETROIT, July 11 (AP)— Ford Motor Company announced today it will lay off up to 72,000 workers after today. This will boost the auto industry's idleness stemming from the steel strike to nearly 300,000 by Monday.

The shutdown of the 15 Ford assembly plants from Massachusetts to California will make 22,000 employees idle. As many as 50,000 others may be laid off in the Rouge plant, centre of the company's manufacturing operations.

The latest impending auto industry layoffs include 53,000 Detroit-area employees of the Chrysler Corporation by Monday and another 16,000 employees of the Briggs Manufacturing Co., tonight.

General Motors Corp. has laid off 32,810 of its employees in Michigan and a total of 104,000 across the country.

CANADIAN DOLLAR UP

NEW YORK, July 11 (CP) — The Canadian dollar was up ⅜ of a cent at a premium of 3⅜ per cent in terms of United States funds in closing foreign exchange dealings today. The pound sterling was up ⅛ at $2.78⅝.

And in This Corner . . .

BRISTOL, England, July 11 (Reuters)—A local dress shop has hit upon a new lure to get more customers—the salesgirls provide a strip-tease with each sale.

Mrs. Kathleen Philips, who manages the shop, asked her girls if they would wear new dresses in the store and take them off when they made a sale. The girls agreed. They began their "strip" sales technique yesterday in a packed shop before a mixture of male and female customers.

"The men customers, buying for their wives, were very polite—they did not stare at us too much," Mrs. Philips said. "But two of them semed rather embarrassed and told us it would be all right if we went into the cubicles to take off the dresses they'd chosen for their wives."

WASHINGTON, July 11 (AP)—Nted a new tire? Take your fishing pole down to the Potomac River and catch one.

A brief flood undermined a service-station storage shed and carried 400 new tires valued at $6000 into the muddy river. So far only 25 have been reported recovered.

LONDON, July 11 (Reuters)—Tass, official Soviet news agency, said today new documents have been found which prove a Russian who died in 1900 played a leading part in building the world's first gas turbine, as well as a helicopter.

Russ General, Over 160 Men, Die In Mystery Rail Crash in Poland

BERLIN, July 11 (Reuters) — The West German news agency, D.P.A., reported today that a Russian General and more than 160 soldiers were killed in a rail crash just beyond the Oder River in Polish-occupied territory last Wednesday.

The agency quoted eyewitnesses for the report.

The agency said the train, carrying Soviet occupation forces in Germany on leave to Russia, was derailed at high speed and crashed down a steep embankment into a lake.

The scene of the crash was said to have been between Reppen and Bottschow, just East of the Oder-Neisse line near Frankfurt on Oder.

D.P.A. said unanimous reports of the disaster came from independent eyewitnesses interview in Berlin.

They said local authorities imposed a news blackout on the crash. The locomotive engineer and other train crew members, as well as Polish rail men responsible for that part of the track, have been arrested on suspicion of sabotage.

Tribe Rests Reiser

PHILADELPHIA, July 11 (AP) —Outfielder Pete Reiser, former National League batting champion, has been given an indefinite leave from Cleveland Indians to recuperate from a shoulder injury and stomach ailment, Tribe manager Al Lopez said last night.

Reiser, 31, has been at his home in St. Louis since the beginning of the week, Lopez said, and may be placed on the retired list.

A reserve outfielder used chiefly as a pinch hitter and pinch runner, Reiser had appeared in 35 games for Cleveland and was hitting only .136. Three of his six hits were homers.

GORD BRYDSON LEADS CANUCK PRO TOURNEY

3-Under-Par 68; Torontonian Shoots Leonard Sixth

WINNIPEG, July 11 (CP)—Gordon Brydson, short free-swinging professional from Toronto Mississaugua, beat par by three strokes today to take a one-stroke lead after 18 holes of the 54-hole Canadian Professional Golfers Association championship.

Brydson, playing steadily all the way, shot a 68 over Winnipeg's Niakwa course, one better than Par and Pat Fletcher from Saskatchewan who tied for second at the one-third stage in the $1800 tournament with 69 apiece.

Brydson got the best out of his woods, his irons and his putter. On the first nine, where he shot a two-under-par 33, he shot three birdies. An eagle three on the 466-yard par-five 16th hole helped him to a 35 on the par 36-home nine. He used a wood and a No. 2 iron to reach the green in two strokes.

The field of 34 sets out tomorrow on two 18-hole rounds, morning and afternoon, to settle the championship which was won a year ago at Hamilton Ancaster by Stan Leonard of Vancouver. Leonard, who was shooting well today but had occasional streaks of bad luck, was one of four players grouped in sixth place with par 71s.

Two brothers, Rodolphe Huot from the Royal Quebec Club and Jules Huot of Laval-Sur-Le-Lac, ranked fourth behind the Fletchers with 70s.

For a time the Fletchers, who are not related, held the lead. Par, pro at Regina Wascana, was the first to finish with a 34-35. Later Pat, pro at Saskatoon, came around with a 36-33.

Grouped with Leonard at the Par spot were Fred Wood of Vancouver Shaughnessy Heights, Stan Kolar of Ottawa Gatineau and Stan Horne of Montreal.

For the other 25 pros, the par-71 on the Niakwa course was too much. Lou Cumming of Toronto Golf Club had a 72. Bill Kerr of Montreal Beaconsfield and Ernie Wakelam of Royal Ottawa posted 73s.

The rest of the field was strung out behind with scores ranging as high as 83.

Merchants in Coast Strike Area Ready for Big Economic Crisis

VANCOUVER, J. C., July 11 (CP) —Merchants in the B. C. Coast area of the woodworkers' strike art preparing for a major economic crisis unless a settlement of the 27-day-old strike is reached soon.

Here are the major effects felt on the Lower Mainland today as the 32,000 Coast woodworkers' strike continues·

Retail Merchants' Association reported storekeepers suffering loss in sales up to 30 per cent.

Scores of tugboats and hundreds of their crews laid off, with no logs to tow.

Vancouver's sawdust supply "very low" and the outlook for the Winter "very bad".

Some smaller city laundries, dependent on sawdust and hogged fuel for their steam, threatened with shutdowns.

DEEP CONCERN

In a statement today the Merchants' Association said its members were viewing the prolonged strike with "very deep concern" and urged immediate intervention by the Government.

"In Vancouver sales of many lines have dropped 30 per cent, and the indications are the situation will worsen," the report said.

The Association said merchants in strike areas were refusing to accept credit obligations "under conditions that will undoubtedly grow worse."

"We have been advised by merchants handling food products in small centres that their customers' cash savings in many cases are practcally exhausted."

A loundry official said major companies in the city are able to convert to oil if necessary to maintain operation, but added the use of oil "is a very costly business."

SAWDUST SHORTAGE

"None of the laundries are able to get hog fuel (a type of chewed-up waste bark), and the major firms are using oil; but one or two of the smaller companies are unable to convert, and if they can't get slabwood to burn they may be forced to close," he added.

Charles Block-Bauer, a sawdust mill manager, said the Lower Mainland area has lost 20,000 to 25,000 units of sawdust production since the strike began, and termed the situation "very grim".

He said a "very serious" shortage of sawdust in Vancouver next Winter was assured unless there was some change very soon.

On the rivers and harbors neither logs nor lumber are moving, and tugboats and their crews are out of work.

Everest Secret May Lie in O··ygen Outfit

GENEVA, July 11 (Reuters)—The secret of defeating unscaled Mount Everest may lie in improved oxygen equipment, Dr. Edouard Wyss-Dunant, leader of the Swiss expedition which came within 900 feet of the Himalayan summit, said today.

The expedition returned home today. Raymond Lambert, who with a Nepalese guide forced his way higher up the windswept peak than anyone in the expeditoin, agreed that the weight of the oxygen equipment contributed to his failure.

He said every ounce of weight counts at 28,000 feet altitude, where each step requires tremendous effort.

A British expedition will make the next attempt on the 29,000-foot peak.

Parisian to Lead De Gaulle Party

PARIS, July 11 (Reuters—A group of 30 rebel Gaullist Deputies in the National Assembly today formed a new break-away Parliamentary Party called "The Independent Group for Republican and Social Action".

Altogether 32 Deputies have resigned from Gen. Charles de Gaulle's Rassemblement du Peuple Francais. But two announced they will sit as independent members.

Gaullist strength in the National Assembly has slumped to 86 Deputies from the 118 elected at the last general elections in June, 1951.

After being the strongest single Party in the National Assembly, the Gaullists now rank behind the Socialists (106 Deputies), Communists (100), Moderate Conservatives (100), and Popular Republicans (88).

About 13 of the 56 Gaullist members of the Council of the Republic, the Upper House, are expected to join forces with the rebels in the National Assembly.

A statement issued by the organizers of the new Party said they are not planning to abandon the program and ideas which they put forward to their electors last year.

Head of the new Party is Edmond Barrachin, a leading Paris Deputy.

Britain's Dollar Balance With Canada Described as Intractable

By ALAN HARVEY
Canadian Press Staff Writer

LONDON, July 11 (CP)—Britain's "heavy" dollar deficit with Canada is likely to be one of the principal topics discussed when Commonwealth Finance Ministers meet in London again, it was suggested today.

Although no date has been set, a Commonwealth finance conference is expected to be held here in the Fall.

Commenting on the conference, the Daily Telegraph says today that Britain in recent months has made some progress in bridging the dollar gap with the United States, but that the balance with Canada has proved "peculiarly intractable".

"Substantial reductions in imports, especially wheat, are hard to obtain, and an expansion in exports is proving equally slow," the Daily Telegraph says in a financial page story.

The current issue of Lloyd's Bank Review, a journal devoted to financial affairs, also expresses concern at Britain's slice of the Canadian import market. The article, by Prof. Ely Devons of Manchester University, analyzes export trends over the last 15 years, and says: "The fall in the share of Canadian imports supplied by the United Kingdom is particularly serious, because Canada is one of the most rapidly-expanding markets of the world."

U.S. INCREASES

The proportion of total Canadian imports supplied by Britain in 1951, says the article, was only 10.3 per cent, compared with an average of 18.3 per cent in 1937-39. And while Britain's share of the Canadian market was dwindling there was a corresponding increase in the U.S. share.

At another point, Professor Devons singles out Canada as the most striking example of countries which now take fewer United Kingdom cotton goods.

"Before the war the U.K. supplied over one-half of Canada's imports of cotton piece goods and the U.S. less than one-third. Since 1948 the U.S. had supplied three-quarters of a much increased Canadian import trade, while imports from the U.K. now are (1951) only 6 per cent of the total."

Professor Devons says it is difficult to detect to what extent the decline can be traced to the inability of British exporters to deliver cotton goods of the right style and quality.

Fishing Strike Appears Nearer

VANCOUVER, B. C., July 11 (CP) —A strike of fishermen appeared nearer today after negotiations between fishermen and operators broke down.

A further meeting between the United Fishermen and Allied Workers' Union (A.F.L.) and Fisheries Association of B. C., spokesman for the operators, is scheduled for next week.

The union is demanding increased salmon prices. The Association has countered with a proposal to cut the price of all varieties of fish except sockeye. The union says it will strike July 19 if agreement is not reached.

The union also failed to gain wage demands for shore workers and tendermen, and has applied to the Labor Relations Board for a Government-supervised strike vote. They plan to take the vote July 18.

The Weather

Most parts of B.C. experienced another sunny day Friday but in the Kootenays it was cloudy in the afternoon with scattered showers.

Temperatures were a little lower in most Southern districts and Grand Forks with an afternoon maximum of 92 was the warmest place in the province. In Northern coastal areas the highest temperatures of the year were reported and Prince Rupert with a maximum of 87 equalled the record set in July 1934.

Cloud will spread slowly Eastward over Southern B.C. today while it will remain sunny and warm in Northern sections of the province.

Ridgway Talks With Churchill

LONDON, July 11 (Reuters)—Gen. Matthew Ridgway, Supreme Allied Commander in Europe, left London by air for his Paris headquarters today after a 48-hour visit to Britain.

The General spent Thursday evening discussing with Prime Minister Churchill problems related to the setting up of a Supreme Command in the Mediterranean.

"It was a very happy meeting," an Army spokesman commented.

The Supreme Commander and his wife drove to London airport, escorted by police. Special reinforcements were on duty to prevent any further Communist demonstrations. But there was no repetition of the scene at the General's arrival on Wednesday, when demonstrators scuffled with police and showered "Ridgway Go Home" leaflets around the airport.

Britain Considers Kuznetsov Return

LONDON, July 11 (AP)—Britain may demand the recall of a Russian diplomat who got Government secrets from a Foreign Office radio operator.

A Foreign Office spokesman told a press conference that the case of Paval Kuznetsov, stcond secretary in the Soviet Embassy, is "Being considered".

William Marshall, 24, was sentenced yesterday to five years for turning over secreta information to Kuznetsov.

Kuznetsov was arrested with Marshall in a suburban park June 13, but went free after claiming diplomatic immunity.

QUEBEC, July 11 (CP) — The Canadian Boxing Federation today sanctioned a return match between heavyweight champion Earl Walls and Vernon Escoe at Edmonton, July 17. Walls knocked out Escoe in four rounds at Edmonton June 14 to win the title.

ORANGE LODGE PICNIC TODAY

An "all-round good-time" picnic is being planned at Lakeside Park by the members of the Loyal Orange Lodge Saturday afternoon. Children"s and Adult's races and entertainment for all is on the program.

If it rains, the picnic will be held in the I.O.O.F. hall.

Many members and visiting members from Trail, Rossland and other parts of the province are expected to attend.

In charge of the program are Mrs. B. Crissall, Mrs. PaulineBeckman, Mrs. W. O. Muirhead, Ivan Lewis, Russell Cole and Glen White.

Perhaps It Did

WASHINGTON, July 11 (AP)— How Times Do Change Department:

It happened during the Second World War. A worried public relations officer at the Pentagon told newspapermen:

"We are going to name a little-known officer to a big job.

"He is a military expert, an all-around good man.

"But there's one unfortunate thing —he's pretty colorless and doesn't have an appealing personality.

"We wish you'd do everything you can to help us popularize him as Commanding General of the European Armies.

"His nickname might help. It's Ike."

SUBMITS DEFENCE IN LIBEL SUIT

VANCOUVER, July 11 (CP) — A settlement of defence has been filed here in the libel action of Attorney-General Gordon Wismer against MacLean's magazine and columnist Blair Fraser of Ottawa.

The Attorney-General started suit folowing publication of an article written by Fraser in the Feb 15 issue of the magazine about the break-up of British Columbia's coalition government.

The statement of defence claims the article was true and published in the public interest.

The magazine article was published in Fraser's column, "Backstage at Ottawa" and it bore the title "B.C. Coalition Commits Suicide."

Date for the hearing of the case has not yet been fixed.

Snead, Ransom Hot

ST. PAUL, Minn., July 11 (AP)— A couple of old hands — Henry Ransom and Sam Snead — shot six-under-par 66s today to stand one-two at the half-way mark in the $15,000 St. Paul Open Golf Tournament.

Ransom's 36-hole score was 130—14 under par. Snead was two strokes back with 132, having duplicated his opening day count.

Federal Prosecutors To Handle Narcotics Case

VANCOUVER, B. C., July 11 (CP) —Federal prosecutors will handle prosecutions here in juvenile narcotics cases.

City Prosecutor Stewart McMorran was advised by Ottawa today that special R.C.M.P. prosecutors will be assigned here.

Sixteen men and women are under arrest charged as "sellers", or of contributing to juvenile delinquency. They were arrested following disclosures of widespread use of drugs by teen-agers, including high school students.

Significantly, this is the first case known here in which R.C.M.P. prosecutors have handled a narcotics selling case in which there is no actual material evidence of drugs being used.

Normal procedure is for Federal investigators to seize the drugs themselves or some kind of paraphernalia used in their administration.

In the present juvenile cases the evidence will rest on statements of six youths who have admitted taking narcotics.

Fred Curtis, 79, City Pioneer, Sportsman, Dies

Fred Curtis, aged 79, a resident of Nelson since 1906, died Friday evening at Kootenay Lake General Hospital.

An ardent lover of the outdoors, Mr. Curtis was a keen hunter and fisherman and a great lover of animals. He was born in England, but later came to Colorado and to Nelson in 1906. He lived at 917 Edgewood Avenue.

Mr. Curtis was employed as a blacksmith by the C.P.R. shipyards in Nelson in the early days. He was also employed by the Nelson Ironworks until it closed down, and since then he has been retired

He was predeceased by his wife November 2, 1951. His survivors are several nieces and nephews living in England.

District Guides Leave For Ottawa

Nine Girl Guides from the West Kootenay left Friday morning for the International Guide Camp at Ottawa. They will be headed East along with 126 other Guides from B. C. representing various Guide districts.

While at the camp they will meet girls from all parts of Canada, from Holland, England and France during the 10-day session of camping, study classes, swimming and campfire programs. They will live in tents on the Connaught rifle ranges and each tent will house Guides of widely separated places.

This is the first camp session of its kind to be held for Guides. Mrs. John Quinnell from Vancouver is Camp Commandant.

The girls attending camp have been chosen by the district commissioners through Guide captains Mrs. Josephine Slykwa, a Guide captain of the second Rossland company will be in charge of the girls on the journey to Ottawa. At the camp, she will assume responsibility for the camp-craft and water safety program as well as all color and ceremonial drill.

Girls attending the camp from the West Kootenay are Pat Warren of Nelson, Diana Thomas of Rossland, Marlene Gladdish of Fruitvale, Lynn Burkholder, Saundra Rizzuto and Marilyn Jones of Trail, Margaret Tupper of Kinnaird, Charlotte Jackson of Edgewood and Marion Hansen of Salmo.

Reserve Army Men To Summer Training Camp

Six members of Nelson's reserve army, the 111th H.A.A. Battery, have left for Summer training in Calgary. The men will be stationed at Currie Barracks there for several weeks.

Burst Water Main Wrecks 3 Houses

LONDON, July 11 (Reuters)—A huge water main burst under a London street early today, sending up a gushing tower of water that wrecked three houses and flooded a half-mile of streets.

An elderly woman occupant of one of the houses was rushed to hospital in serious condition.

Hundreds of houses in the neighborhood were soaked on the ground floor. Families were evacuated, many still in pajamas.

The accident happened in a crowded area of the industrial East End. One of the three houses settled slowly into a 20-foot crater hollowed out by the water.

The torrent sweeping down the street was so powerful that escaping residents had to cling to fences and walls to make their way out. Rescuing firemen linked arms to form human chains.

Waterworks men finally got the water turned off and firemen began pumping out flooded areas.

N. S. Champ Repeats

TRURO, N. S., July 11 (CP) — Halifax's Eddie Crowell today won the Nova Scotia golf championship he lost a year ago and became top candidate to lead the provincial Willingdon Cup team at the Canadian championships in Vancouver next month.

The 24-year-old golfer matched yesterday's score of 75 to cover the 72-hole tournament with a neat 299.

Galiano Village Saved From Fire

VANCOUVER, B. C., July 11 (CP) —Forest flames which threatened the tiny village of Galiano on Galiano Island, 30 miles West of here, were subdued by Forestry and volunteer firefighters early today.

The flames from a 45-acre blaze had reached within two miles of the village when they were halted on the side of a hill.

High temperatures were general again today, the fourth day of the heat wave. A scorching sun added to the forest fire hazard.

Water supplies in many districts are dwindling. Vancouver imposed lawn sprinkling restrictions today, and at Duncan, on Vancouver Island, 3000 persons face a complete failure of the water supply.

In most districts there has been no rain for 12 days.

Rochon Downed in Mixed Doubles

QUEBEC, July 11 (CP) — Louise Brown and Don Platt of Toronto tonight defeated the strong Montreal team of Henri Rochon, veteran Canadian Davis Cup player, and Mrs. Ruth Porter, 5-7, 6-4, 6-4, in semi-final, mixed-doubles play in the Eastern Canadian tennis championship.

In the finals Sunday, they will face top-seeded Harold Burrows of Charlottesville, Va., and Mrs. Hanna Sladek of Montreal who disposed of Toronto's Dorothy Hurst and Jim Bentley, 6-2, 6-1, in their semi-final bracket.

Earlier, Platt and Miss Brown defeated Henri Dessaules and Mariette Laframboise, Montreal, in the quarter-final.

Cranbrook Roars Welcome To Victorious Girls' Band

CRANBROOK, B.C. — More than 1000 people turned out in an enthusiastic welcome at Rotary Park here for the 41 members of the Cranbrook High School Bugle Band and their directors on their triumphant return from the Calgary Stampede where they won the T. Eaton Trophy and a $200 prize as the best of 12 bands enteredt from cities of 25,000 population or less.

It was the last official band trip for C. E. "Pop" Price, organizer and director for the past 10 years, who is retiring.

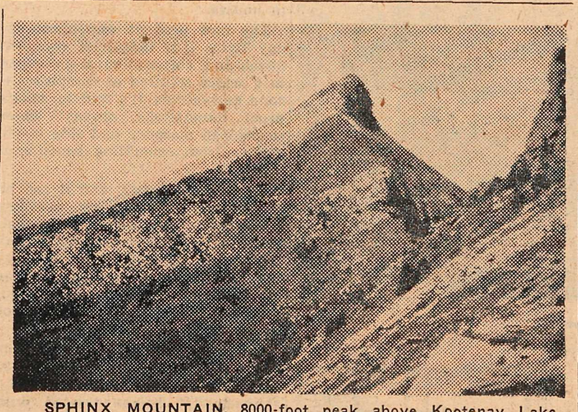
Mayor R. E. Sang made the address of welcome and congratulated the girls, whose bus was escorted into town by the fire department and R.C.M.P. in full dress. On behalf of the city he also presented gifts to Mr. and Mrs. Price as appreciation of their services in creating the high standard band.

The journey was made in a school bus, and also in the party was the new leader, promoted from past service, George Cowan, new official chaperone, Mrs. William Carston, who has succeeded her mother, Mrs. Vera Moan, and Mrs. Roy Gadd.

Canadian daughters served the girls refreshments at the park, after which the band assembled and marched through the business section which was lined with spectators.

The girls opened the Monday night grandstand show at the Stampede with the precision drill which won them the prize.

Under consideration is competition at the Pacific National Exhibition in Vancouver where they tied for first place two years ago.



SPHINX MOUNTAIN, 8000-foot peak above Kootenay Lake near Gray Creek was climbed in a day recently by a trio of amateur mountaineers. They were F. H. W. Chanter of Willow Point, who took color photos; Eric Smith of Longbeach and Miss Alice Lymbery of Gray Creek.

Creston Man On List of Wounded

CRESTON, B.C. — Private James Arnold McLean of the First Battalion, R.C.R., is among the latest Canadians wounded in action in Korea.

His name is in the 122nd casualty list issued by the army for the Korean war. The list has brought the number of casualties so far suffered by Canadian troops in Korea to 914, including 160 dead, 681 wounded, 64 injured, eight missing and one prisoner of war.

His mother is Mrs. Ethyl May McLean, living in New Westminster.

43 Kimberley Cubs At Three-Day Camp

KIMBERLEY, B.C. — Forty-three Kimberley and Marysville boys attended a three-day Wolf Cub camp at Camp Stone.

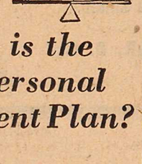
The group was under the leadership of Cubmaster W. Jeske of Marysville, assisted by J. Turner, assistant Commissioner for Kimberley district; L. Gayley, district Cubmaster from Halifax; H. Foster, Kimberley district Cubmaster, J. Pierce and R. Cram, Cubmasters. M. Beduz was cook, assister by five service Scouts, R. Turner, L. Derbyshire, B. Hagen, J. Russell and J. Brown. Softball, volleyball, a treasure hunt and games kept the boys busy, along with bonfires.

Rossland Man to Move to Kimberley

ROSSLAND, B.C. — E. F. Barnes, who has been manager of the Rossland branch of the Bank of Montreal for the past four years, leaves Monday for Kimberley where he has been transferred.

During his residence here Mr. Barnes has been active in the Community Chest (former Welfare Society) having serve as a director and on the budget committee of this organization. Mr. Barnes was also a member of the Chamber of Commerce and of the Rossland-Trail Golf Club.

Q



What is the best personal Investment Plan?

A

One based on Life Insurance.

When you save through life insurance you put your savings on a sound, regular basis. You are sure of saving a set sum each year through your insurance premiums. This money is invested by your insurance company skilfully and safely. For long term profitable results (plus family protection in the meantime) saving through a Mutual Life of Canada policy cannot be excelled.

Kaslo Stalls On Debenture Sale

KASLO, B.C.—Kaslo City Council has received an offer on its school loan debentures, but has decided to hold off advertising for tenders until the market is more stable.

The offer only consisted of an option.

At its meeting, Council also decided to replace present overflow pipe at the reservoir with transite pipe. D. Richardson of Canadian Johns Manville Company showed a film on the manufacture, testing and laying of the pipe.

A committee of aldermen was appointed to investigate repairs to the city hall, and to obtain estimates for the work.

A complaint was received from the Kaslo Recreation Association concerning dogs at the swimming beach. Signs are to be posted instructing people to tie up dogs when at the beach.

Three delegates will attend the annual convention of Union of B. C. Municipalities in Vernon October 9 to 11.

Cranbrook Newcomer Dies at 67 Years

CRANBROOK, B. C.—Julien De Lattre, who arrived in Cranbrook only 10 days ago from Kelowna to make his new home, died Tuesday at the hospital here.

He was born near Abbeville, France, 67 years ago, and came to Canada in 1912. He farmed in the prairie provinces until 1942 when he sold his property and with his wife retired to Kelowna where he has engaged in odd jobs since then. They moved to Cranbrook the last of June, and he was hospitalized immediately on arrival.

His wife here is his only surviving relative.

Named Conciliator

G. A. Carmichael of Nelson has been appointed concilliation officer by the B.C. Labor Relations Board to settle disputes between Nelson and District Mine and Mill Workers Union, Local 901, and Kootenay Belle Gold Mines Ltd., Yale Lead and Zinc Mines Ltd., at Ainsworth and Sheep Creek Gold Mines Limited, New Denver.

Conciliation Talks To Open Tuesday in Trail

TRAIL, B. C.—Conciliation proceedings on the 1952 agreement between the Mine-Mill union and Consolidated Mining and Smelting Company will get under way here Tuesday at 10 a.m.

J. N. Finlayson of Vancouver, former dean of the applied sciences faculty at U.B.C., who has been appointed chairman of the conciliation board, will arrive in Trail Monday night.

E. Benson, assistant manager of the company's personnel department, will represent Cominco on the board, and Harvey Murphy, regional director of the I.U.M.M.-& S.W. (Ind.) will represent Trail and Kimberley locals of the union on the board.

Results of the sessions will not be known until the B. C. Labor Relations Board receives a report on the findings, and releases them to the principals.

The union locals are seeking a 35 cents across-the-board wage increase, punitive pay (time and one-half) for all Saturday and Sunday work, and new holiday concessions.

RALLY PLANNED

Meanwhile, Mine-Mill is planning a big labor rally in Trail to seek the moral support of other workers in Trail district.

The open-air rally will be held Monday evening at Jubilee Park with several local labor unions participating.

John Clark, Denver, Colorado, president of Mine-Mill, will be featured speaker. Also speaking will be Nels Thibault of Sudbury, Ont., Ken Smith of Vancouver, B.C. district president, and Stan English, president of the Michele local, United Mine Workers.

Represented at the session will be Nelson Typographical Union No. 340, Tadanac Firefighters Union and possibly local Civic Workers and Carpenters and Joiners units as well as others.

Bank Opens Office For Marysville Folk

MARYSVILLE, B. C.—Symbolic of the rapid regrowth of this one-time booming mining town that had seen itself become just a name on a map, is the opening of a Bank of Montreal sub-office here.

W. J. Lambeth, Kimberley branch accountant, will be in charge, assisted by Miss G. Jones of the Kimberley staff.

Jail Term for Trespassing

Walter Klemola, transient, was fined $5 or 15 days in jail when he pleaded guilty to a charge of trespassing on C.P.R. property. Klemola who accepted the jail term, appeared before Magistrate William Brown in City Court Friday.

Nine Months Jail On Forgery Charge

Camillo DeNobile, who pleaded guilty Tuesday to uttering a forged check for $277.46 was sentenced to nine months in prison Friday by His Honor Judge Eric P. Dawson.

DeNobile cashed the check at a Silverton hotel June 13. R. B. Allan represented the crown.

PIONEER STORE MARKS BIRTHDAY

KIMBERLEY, B.C. — Fifty years of continuous service under the same ownership is being observed this week by Mellors Ready-To-Wear, pioneer Kimberley merchants.

It was in 1902 that the late Mr. Mellor opened his store at Marysville, followed by an additional business in Kimberley in 1916. With the closing of the smelter, the Marysville branch was closed. Today, Edith and Earl Mellor carry on the family traditions.

Fernie Rotarians Name New Officers

FERNIE, B. C.—Sydney Crookes, supervising principal of Fernie schools has taken over the duties of president of Fernie Rotary Club for the year 1952-53.

The first vice-president is Louis Maffiioli, and second vice-president is James White, who has held the club secretaryship for a number of years. John D. Irvine becomes secretary, with William Thomson carrying on as treasurer. The directorate is composed of the aforementioned officers, with the addition of Q. Corrigan, immediate past president, L. Hunnable, J. J. Haile, B. Walton, S. Thorne, R. Colgur and V. Ball.

Rock Fall Injures Fernie Coal Miner

FERNIE, B. C.—Harry Cherney, 21-year-old miner suffered a fractured skull on Monday in Elk River Colliery, Coal Creek, and was taken to Fernie Memorial Hospital, where his condition is said to be "good."

He was timbering the roof in number three mine, when a piece of rock fell, striking him on the head.

Bluebird to Ship Ore

Work has been started again by Bluebird Slocan Mines Ltd. on its base metal property near Sandon.

C. Rutherford, consulting engineer, said the workings are plugged with development ore and the first work will be to improve the road so that ore can be trucked to a custom mill.

Procter Hall Painted

PROCTER, B.C. — The Procter Community hall has received a long-needed paint treatment. A crew of volunteers under the direction of Colin Major started the painting. The white section was completed first, and brown section will be painted later.

ONTARIO CLAIMS FOR BASE METALS

Base Metals Mining Corporation, operating three claims in British Columbia, has acquired a new group of claims in Ontario, 14 miles North of Sault Ste. Marie.

Cranbrook K.P. Slate Installed

CRANBROOK, B.C. — Crescent Lodge, Knights of Pythias, has installed its new slate of officers at a special meeting at its own hall.

The new officers are chancellor commander Joseph Reid, vice-chancellor C. W. Morris, prelate Eugene MacDonald, master at arms J. B. Shibley, master of works Roy Weitzel, master of exchequer John Magro, master of finance Ronald Dale, inner guard Tom Marr, outer guard Fred Wyman, and secretary Louis Willicome.

Chief public service project during the year was sponsorship of the international Knights of Pythias schools oratory competition. East Kootenay K.P. lodges this year added an independent junior high school competition limited to this district for which a trophy and prize were offered.

Sons Pallbearers At Avis Funeral

SLOCAN CITY, B.C. — Funeral services were held here Friday afternoon for Mrs. Margaret Avis, resident of this community for many years who died in Victoria.

The service was held in the Presbyterian Church, Rev. A. D. McKellar officiating. There was a large attendance, and floral tributes were many.

Two hymns, "The Lord Is My Shepherd" and "Abide With Me" were sung, with Mrs. C. Russel as organist.

Six sons acted as pallbearers, Robert, James, George, John, Harold and Frank. Interment was in the family plot of Slocan City cemetery.

Wycliffe Woman, Mrs. Rice Passes

KIMBERLEY, B. C. — Funeral services will be held here today for Mrs. Matilda Evaline Rice of Wycliffe, who died in Cranbrook at the age of 64.

Born in 1887 in the United States, Mrs. Rice came to Saskatchewan as a child, coming to Kimberley during construction. She and her husband lived here for more than 25 years. In the early 1940s Mr. and Mrs. Rice moved to their ranch at Wycliffe.

Surviving are her husband, three daughters, Mrs. G. A. Brown, Bremerton, Wash., Mrs. E. Flynn in Peace River, Alta., and Mrs. Louise Marunchak in Kimberley, and two sons Milton Daker of Fruitvale and Allan Rice in Kimberley. One son Orville Rice, was killed in action over Germany with the R.C.A.F. in the Second World War.

Kootenay Bay Girl To Receive Degree

KOOTENAY BAY, B.C. — Miss Joan Graham Brown, eldest daughter of Mr. and Mrs. H. Graham Brown of Kootenay Bay, will receive her bachelor of arts degree in August from Central Washington College in Ellensburg.

During the four years she has been at the college, Miss Brown has been active in several organizations. Her major and minor fields of speciality were English and geology. After graduation, Miss Brown plans to travel to England for several months. The August exercises will be attended by her parents and sister, Brenda.

Trail Man Lands 24½-Pound Dolly

DEER PARK, B.C. — Take it for a fact, the fishing is good up Deer Park way these days.

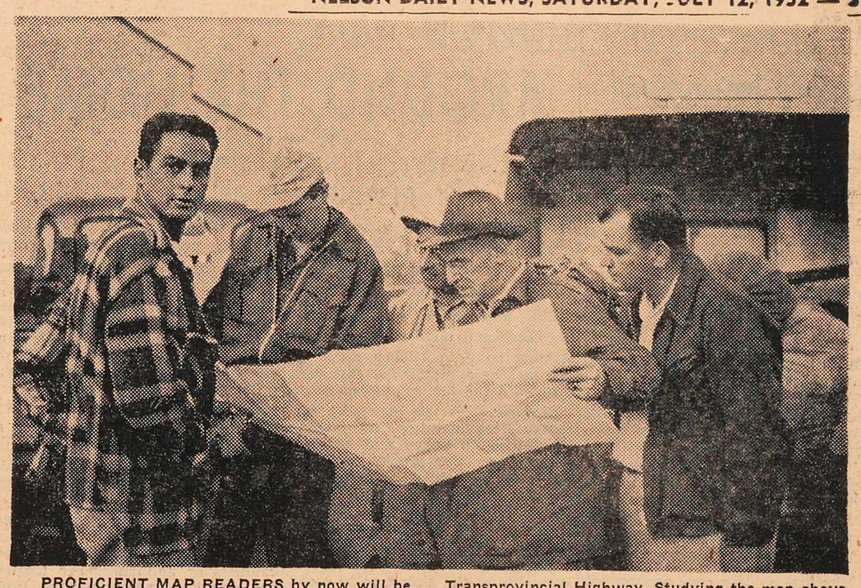
T. Reid of Trail pulled a 24½-pound Dolly Varden from Arrow Lake waters near here recently, one of the largest to be caught in Kootenay lakes so far this year.

Procter Notes

PROCTER, B.C. — Mr. and Mrs. C. Ferguson and family have returned from Calgary after seeing the Stampede and have brought their daughter home.

Mr. and Mrs. Wilkinson and family of Balfour have taken up residence in Procter.

PHONE 144 FOR CLASSIFIED
Buy, Sell, Trade the Classified Way



PROFICIENT MAP READERS by now will be the 20 Kootenay businessmen and government department heads who today are to complete their three-day trek from Salmo to Creston over the route of the proposed highway which would remove necessity of crossing Kootenay Lake ferry and provide an alternate section of the Southern Transprovincial Highway. Studying the map above prior to their departure from Salmo, from left, are Jack Wigen, Creston; J. E. McMynn, Salmo; Dr. C. H. Wright, Trail, who originated the trek; H. T. Miard, Division Public Works Engineer, Nelson; and E. Salvador, Creston—Daily News photo.

Foot-Worn Trekkers Will Be Guests at Banquet Tonight

CRESTON, B. C. — Twenty men hiking to Creston from Salmo the hard way, are expected to arrive here today.

They started the downhill home stretch Friday after reaching Summit Lake, 6000 feet above sea level, Thursday night.

A plane piloted by Don Thompson dropped additional food supplies for the men and hay and oats for horses on Thursday evening. "They waved and shouted as though they were quite happy," Mr. Thompson said.

Representing the East and West Kootenay Boards of Trade and Chambers of Commerce and the Provincial Government, the trekkers left Salmo early Thursday morning. A truck carried them 12 miles to Stanmore's Camp. From there they set out on foot and arrived at Summit Lake that evening. Friday they started down the Eastern slopes toward Creston, advancing another nine miles, and after a 12-mile hike Saturday a truck will transport them the balance of the 44-mile trip.

Their hope is that the route they follow will in future be the short highway between the two centres; a link cutting several miles from the Southern Transprovincial highway, and the Kootenay Lake ferry crossing.

Salmo, Creston, Nelson, Cranbrook, Kimberley, Trail and Rossland are represented by Chamber of Commerce members and R. G. Harvey and H. T. Miard represent the Provincial Government.

FISHER TO TALK

Radio commentator John Fisher will address the trekkers and other Chamber members at a meeting of the Trans-Canada Highway Association (Crow's Nest Pass route) at Creston tonight. Also speaking will be E. R. McFarland of Lethbridge, president, and Thomas G. Ewart of Fernie, president of the Associated Boards of Trade and Chambers of Commerce of Southeastern British Columbia.

Koolaree Echoes . . .

Happy Day No. 10 — It's way freight day, so every train was potential freight, after three had gone by one finally stopped, but where oh! where was the freight, only about half of it came off the train. Those Cabin 5 and sixers were sure glad.

The overniters returned about midmorning reporting a very successful trip to Harrop. Plenty to eat, a visit to the packing house where the owner generously supplied them with cherries. Big thrill—a trip on the Harrop ferry. A night swim and a sleep on the beach were quite in order. First to arrive back via row boat was Ernie Vyse and Dick McBurney. First in via a long walk along the track was Derek Fraser.

This has been a free and easy day with lots of swimming and boating, practically all the air mattresses were being used as paddle boards. The scouter she float again, so it was quite an impressive sight on Koolaree's waterfront to see the fleet out, swimmers galore in the water and sunbathers on the beach.

1952 CHAMPIONS

This is it folks and the 1952 champions are the Cabin 1 Cheyennes with 560 points. The campers are Ken Stanley, Mel Brown, Ron Erickson, Lorne Marshall, Bill Keighley, John Robison, Wesley Van and Ernie Vyse. Second place went to Cabin 3, Sioux, and third to Cabin 5, Kokomungas. They earn the large blue Ks. Cabin 2 Chippawas were the best housekeepers, winning the cabin points with 94. The best hosts were Cabin 3 with 245 points to win the best tables and dishwashing.

Cabin 4 Kickapoos under Dickie Fraser came up with three wins to earn small blue Ks, best in their softball, volleyball and water sports.

Cabin 5 and 2 won themselves the green Ks for a single win each in cabins and field sports respectively. Cabin three gained the red K for tables and water sports actually is the the hardest to acquire.

Service awards were made to Rev. and Mrs. Stone, Rev. C. L. Johnston, Jack Steed, Mrs. Van, Mrs. Attaway, Bev. Lythgoe. Two bronze badges were awarded to Jack Boyes and Hugh Anderson for attaining the required five targets on the range of 80 or over. Ron Hamson also qualified and will receive his award later.

SHIELD TO CABIN 1

The Clayton Kennedy Memorial Shield for the senior camp championship was won by Cabin 1 Cheyennes under Ken Stanley. The competition has been keen and only Cabin 6 failed to click for an award. However, we must mention Gary Burch, the Little Chief, and a few of his most ardent cabin mates who worked hard all the time, these being Mervyn Kirker, Neville Fryling and Christian Knezevic.

The closing campfire was a round up of the week's campfire programs. To the delight of all Ed Thompson played his clarinet, Wally Anderson the accordion, and Nev. Fryling his harmonica. The familiar camp songs, the scribe reports and skits were well received. Freddie introduced a new barber shop stunt to the boys in which Gary Foxall was shaved. The barbershop assistant being Bev Lythgoe, Jean Attaway, Margaret Van, Freddie the Barber. Gary's face was covered with the familiar towel and he was then administered a good lather (Kiss) by Mel Brown who snuck up from behind. Naturally Gary all aglow figured it was a bit of alright as he eyed the three assistants but which one did it he wasn't too sure.

The campers of 1952 senior camp now slowly wind their way around the campfire and on to the cairn where the Little Chiefs deposited their greetings and records for the 1953 camp. Ken Stanley as senior camper and leader of the winning cabin took charge of this operation. Dick and Colvin McBurney lowered the flags upon the camp.

Through the flare-lit trail to the chapel was the next step in the closing ceremony. Here in the chapel the counsellors called on the campers to live out the ideals and Christian way of life they had come to know through the camp study groups, chapel services, general fellowship as shared by one and all.

The camp is over and we were happy to have as guests for the evening Mr. and Mrs. Hurry of Nakusp who brought a group of juniors down and took some seniors back. So with a round of cocoa and donuts everybody is tired but happy. Good night Mom and Dad, we'll be seeing you.

Profits Rise For Silver Standard

Net profit of $791,395 was earned by Silver Standard Mines Ltd. in the year ended March 31, compared with $777,898 in the preceding year, or 37 cents per share again 36.

This profit was won from milling of 20,319 tons of ore averaging $97.36.

R. R. Wilson, president, comments that it was a year of record profits, adequate working capital and excellent development results. After paying $600,386 to shareholders and spending $289,720 on capital assets including $172,977 on sinking and equipping a new shaft, working capital was $452,516, an increase of $12,409 over the 1951 figure.

Helen Brader Passes Ninth A.R.C.T. Exam

Among 70 Nelson and district students who passed recent Royal Conservatory of Music of Toronto examinations was Miss Helen Brader, who was successful in her grade nine piano exam.

HUSBAND AND WIFE team at fancy home-building are Mr. and Mrs. George Shanks, who are constructing a cinder block home in Trail's outstanding features as electric panel heating, a new Calder subdivision. The house will have such gymnasium (Mr. Shanks trains wrestlers in his spare time) and shower baths in the basement. —Fryling photo.

Safety Important In Furnace Spot

Safety precautions are extremely important in the installation of a heating system.

Boilers furnaces and other heating units should be mounted on incombustible floors. Boilers should be covered with at least an inch of insulating material. The top of a hot air furnace should be at least 24 inches below floor joists. Any boiler of furnace should have a minimum clearance of four feet between the front and the nearest combustible material, at least two feet of clearance on all sides.

Chimney flues should be adequate and flues and vents should have cross-section areas at least equal to the aggregate areas of the vents of appliances connected to them.

The first modern-type phonograph was produced by the great American inventor, Thomas Edison, in 1877.

AROUND THE HOME

★ ★ ★

KITCHEN IMPORTANT PLANNING PHASE

Good home planning does not necessarily begin and end in the kitchen, but many a home, sweet home has sour memories for the housewife because too little attention was given to designing that room.

The housewife's special needs, her likes and dislikes, are a good starting point in kitchen planning, but they seldom provide sufficient standards for the complete design.

Storage space is the most important consideration in making the kitchen a happy and efficient work place. For ample space, 20 linear feet of walls are needed for cabinets, range, sink and refrigerator. Even a very small kitchen needs at least 15 linear feet for storage.

Adequate counter surfaces at each side of the sink greatly speed up dishwashing. The suggested minimum counter for dirty dishes is three feet long, and for the drainboard two and a half to three feet. If surfaced with a waterproof material such as clay tile, counters will not become unsanitary and need refinishing in a few years.

FOR MIX CENTRE

A space three feet long is recommended by the report for a mix centre. The kitchen also needs about two feet of counter surface beside the range.

Floor area should not be skimped in the kitchen, since two or more people often work there. When cabinets or appliances are located on opposite walls, allow at least four feet between them.

The window area of the kitchen should be at least 10 per cent of the floor area, according to experts. Fifteen per cent or more is recommended.

The most travelled area in kitchen work is between sink, range and refrigerator. The kitchen should be planned so that other traffic does not go through this area.

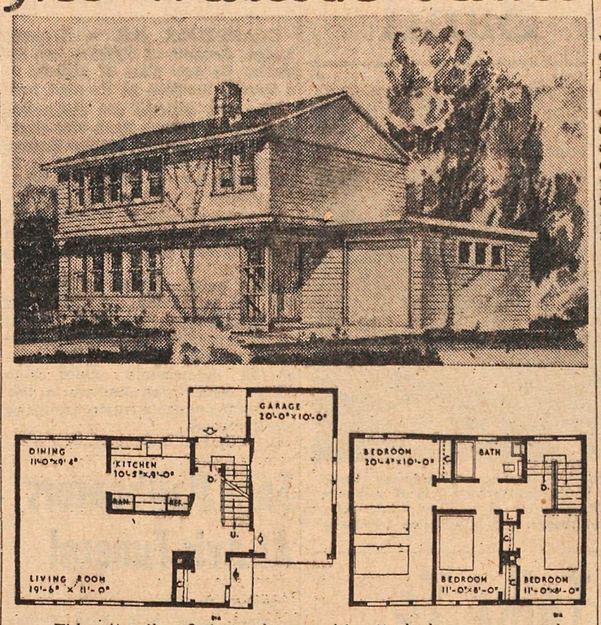
Finally, two doors are enough for the kitchen—one to the dining area and the other to the outside. More just cut up space.

MAXIMUM REFLECTION

Dark porches and overhanging eaves are prone to shadow the rooms they adjoin.

By having the porch ceilings and the undersurface of eaves painted in light tints you can make sure that the maximum amount of light is reflected from such sources.

The Modern Home



This attractive 2-storey house with attached garage was designed by Roy Sellors, Winnipeg architect. It has many features, including a well-styled front entrance, convenient inside access to the garage and a large living-dining area. The well-lighted master bedroom dominates the upstairs plan. The exterior dimensions of the house are 40' 4" by 21' 0" and the area is 1239 square feet. The cubic measure is 16,655 cubic feet. Working drawings may be obtained from Central Mortgage and Housing Corporation at a minimum cost.

Nelson Building Drops

Building in Nelson has hit a slump. Permits issued by the City of Nelson in June dropped to $17,545, compared to $24,880 for May and $31,870 for June 1951. Among major items are construction of a $600 warehouse on Front Street, changing a house into a duplex and a $6000 reroofing job on the Safeway Store on Baker Street.

Permits were issued to:

Fred Pearson, 401 Kokanee Avenue for construction of two bedrooms, $1000; John Towler, Gordon Road for repair to coal bins, $150; F. J. McAvinn, 83 High Street for stuccoing backwall of porch, $125; P. Cutler, 704 Fifth Street, for enlargement and reroofing kitchen, $700; M. B. Ferg, 310 Richards Street, for construction of garage and a new roof on house. $150; Bitco Inc., Front Stret, for construction of a concrete warehouse, $6000; Taylor, Wilton and O. C. Linden, 510 Vernon Street, for building office in basement. $100; New Grand Hotel, Vernon Strett, for repair of wall damaged by truck, $60; P. J. Carter, 715 Victoria Street for foundation work and brick siding, $300; C. Calgvo, 1212 Mines Road for construction of chimney, $60; J. Olisoff, Jr., 700 Block Robson, for construction of a house, $1500; N. Evans, 308 Carbonate Street for reroofing, $175; L. Simpson, 413 Falls Street, for repair of garage doors, $100: Mrs. Shouchuk, 1424 Vancouver Street, for completion of porch, $50; Walter McKinnon, 408 Second Street, for reshingling and repairs. $300; J. J. Madden, 211 Cedar Street, for changing house into duplex, $2000; L. Reillor, 208 Gore Stret, for general alterations, $125; Wood Vallance aHrdware for reroofing warehoust, $105; B. B. Stallwood, 608 Nelson Avenue, for completing upstairs room, $200; J. R. aJrvis, 801 Gordon Road, for shingling, $60; H. Morrison, 212 Houston Street, for enlargement of bedroom. $700; N. Fawcett, 411 Fourth Street, for completing three rooms, $300; J. F. Peressokin, 1313 Wood Street, for repair of roof, $100; T. Connors, Diamond Drilling Co. for stuccoing building, $240; David Paul, 426 Anderson Street, for general repairs, $480; Safeway Store for reroofing, $1600; G. Lepinski, 409 Silica Street, for completion of basement, $90; H. Beatty, 711 Stanley Street, for reshingling of porch roof, $15; Fred Morris, 422 Gore Street, for reshingling roof, $300; R. Mosti, 923 Carbonate Street, for boarding up ball park, $75; W. G. Eckmier, 723 Nelson Avenue, for shingling roof, $200; J. T. Waters, Carbonate Street, for shingling roof, $100; W. M. McMaster, 107 Richards Street, for adding room, $150; B. H. Pearson, 502 First Street, for cementing basement wall, $100 and M. Kettlewell, 821 Nelson Avenue, for enlargement of windows, $60.

Wall Texture Affects Appearance of Color

When selecting paint colors for a wall, keep in mind that the texture of the wall affects the appearance of the color. A smooth wall reflects more light than a textured surface and therefore increases the brightness of a paint color.

Colorizer paint authorities offer this advice: When debating between 2 or 3 different tints or shades of slightly different brightness, check the texture of the wall. If it is perfectly smooth, play safe with the less intense color because the maximum reflection of the wall will multiply the intensity of the color.

New Waterproofing Found

NEW YORK, — A new industrial water-repellent apparently has licked the age-old problem of moisture in houses.

The new product, announced today by a U.S. industrial chemical developing corporation, is described as a water solution of complex silicone derivatives. It's said to waterproof foundations, prevent water seepage in masonry and stop inside plaster from crumbling because of moisture.

It's called microfil, and it can be sprayed or brushed on masonry even when the masonry is wet. Microfil reaches maximum effectiveness in 48 hours after application. After that, it lasts as long as the surface to which it is applied, because it is absorbed and cannot be removed.

A development engineer said tests made bythe Columbia University department of civil engineering showed that bricks treated with microfil and kept in a half-inch of water for a week absorbed ¾ of 1 percent of their weight in water.

Untreated bricks in the same test, however, absorbed from 15 to 20 percent of their weight in water.

This water-repellent, already used in Sweden, Italy and France, is going into large scale production and distribution in the U.S.

The engineer declared microfil can be applied in Winter or Summer and is absolutely non-inflammable, highly stable and perfectly transparent. It will not change the color of surfaces to which it is applied, and microfil-treated areas can be painted.

Levitt said the water-repellent can be applied, either wet or dry, green or cured, to concrete, brick, mortar, cement stucco, artificial stone, marble, limestone, asbestos cement, gypsum products, asbestos shingles and masonry floors.

He also predicted that microfil eventually will be used by housewives as well as builders, since a masonry floor treated with it does not absorb dirt or water, and dirt and grime cannot adhere to any wall surface treated with microfil.

* * *

VISITS FRIEND . . . Donald Chaluck, 714 Silica Street, is visiting for the next few days his friend Bill Chaddock of Trail.

* * *

EASTERN HOLIDAY . . . Mrs. M. Christensen has returned after a month's vacation, visiting relatives in Minneapolis, Orillia, Ont., and in Saskatchewan.

Becker-Yerbury Nuptials Held

LISTER, B.C. — Irene Hazel Yerbury, only daughter of Mr. and Mrs. T. A. Yerbury of Lister, became the bride of Delmer Allan Becker, youngest son of Mr. and Mrs. Henry Becker of Weyburn, Sask., in a double-ring ceremony in United Church manse at Creston. Rev. A. O. McNeil officiated.

The bride looked charming in a white silk moire gown with an overskirt of net, and a regal headdress and floor-length veil. A bouquet of pink and white carnations and a double strand pearl necklace completed her ensemble.

Miss Agnes Donaldson, the bridesmaid, wore a yellow brocade gown with an overskirt of net, a yellow bandeau of flowers and net, a corsage of pink roses and white accessories.

Mr. Tom Yerbury, the bride's brother, was best man, and Mr. Yerbury gave his daughter away.

Sixty-five guests greeted the newlyweds at a reception in Deer Lodge hall where a three-tiered cake centred the bride's table, and vases of Summer blooms decorated the tables. Mr. W. A. Yerbury proposed the toast to his neice.

A dance for 150 guests was held at night.

The bride changed to a grey suit with white accessories and a corsage of pink carnations before leaving on a wedding trip to Banff. The couple will make their home in Calgary.

Out-of-town guests were the groom's parents, and Mr. and Mrs. P. Holland and daughter, Mr. and Mrs. J. McConnachie and children, Mr. and Mrs. W. A. Yerbury and Mr. and Mrs. Lyle Wocknitz of Kimberley.

Sanca Notes

SANCA, B.C. — Mr. and Mrs. J. Beaton of Cowley, Alta., are guests of Mr. and Mrs. W. Hewitt.

Stan Turnley and family of Prince Albert, Sask., called to visit and talk over old times with their friends, Mr. and Mrs. William Tillotson, on the way to the Coast.

Mr. and Mrs. J. McCallum and family of Bellingham, Wash., have returned after a short visit to Mr. and Mrs. Koch. Mrs. M. Smith accompanied them and is staying for the Summer.

A. D. Macpherson and Mrs. G. Matheson of Montreal have taken up residence in their new home here.

Women Wooed At G.O.P. Convention

CHICAGO, July 11 (AP) — As the zero hour approached at the Republican convention, the feminine viewpoint suddenly became important.

Harold Stassen asked a woman, Mrs. C. Edward Howard of Excelsior, Minn., to place his name before the convention in nomination for the presidency.

She accepted and early today became the second woman in Republican convention history to make a nominating speech. The first was Frances Redick of Connecticut in 1948.

Governor Earl Warren of California was quick to catch on. Warren's camp chose Mrs. Mildred Younger of Los Angeles, Calif., to second his nomination.

Several women reporters got together and wondered what the other contenders — Senator Robert Taft of Ohio and Gen. Dwight D. Eisenhower — would do.

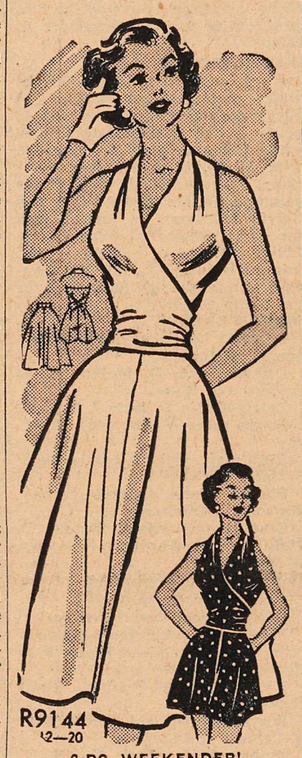
Telephone calls brought the answer. You guessed it:

A second speech for Taft was made by representative Frances Bolton of Ohio.

For Eisenhower, it was Mrs. Albert Green of West Plains, Mo.

And of course, there had been talk of placing the name of Senator Margaret Chase Smith of Maine in nomination for the vice-presidency.

Dress Up With Marian Martin



3-PC. WEEKENDER!

Sports, sunning, dancing, dining—here's your perfect weekend or vacation wardrobe! And it's the simplest of styles, so you spend little time sewing! Halter wraps and ties for smooth fit, skirt has whirling hemline, shorts are cut for action! Quick, sew now!

Pattern R9144: Misses' Sizes 12, 14, 16, 18, 20. Size 16 halter, skirt, 4¾ yards 35-inch; shorts 1 yard.

This easy to use pattern gives perfect fit. Complete, illustrated sew chart shows you every step.

Send THIRTY FIVE CENTS in coins (stamps cannot be accepted) for this pattern. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Send your order to MARIAN MARTIN, care of Nelson Daily News, Pattern Dept., Nelson, B. C.

Kimberley Man Takes Kelowna Girl as Bride

KIMBERLEY, B.C.—Kimberley and Kelowna families were linked with the marriage in First United Church in Kelowna of Margaret McIntosh Black and Louis Beduz.

The bride, a nurse and the daughter of Dr. and Mrs. Donald Black of Kelowna, and her groom, the son of Mr. and Mrs. Mark Beduz of Kimberley, are both graduates of University of British Columbia. They will live in Kimberley where the groom is on the high school staff.

NET OVER SATIN

For the ceremony, performed by Rev. R. S. Leitch, the bride chose a gown of white nylon net over satin, with a low, pearl-trimmed neckline, and cascading overskirts embroidered in butterfly design and flared from a fitted bodice. Her fitted jacket was buttoned with tiny pearl buttons and featured leg-o'-mutton sleeves of matching material. A pearl-encrusted Juliet cap held her fingertip veil, and she carried white and yellow gladiolus.

Her attendants were Miss Joan Bengough of Vancouver as maid of honor, and two bridesmaids, Miss Lily Chin of Kimberley and Miss Margaret Avison of Vancouver.

The maid of honor was in blue embossed nylon organdie; Miss Chin wore a turquoise jacket and gown of lace, nylon net and taffeta, and Miss Avison was in yellow sheer embossed with daisies. They carried bouquets of gladiolus and their net caps matched their flowers

Mr. Roy Beduz supported his brother, and ushering were Dr. F. Black, H. Black and D. Black, brothers of the bride.

The church was decorated with larkspur and roses, and vocalist was Mrs. Clark of Kelowna, and organist, Mr. I. Beadle.

FATHER'S CAKE

Mr. R. Ross of Vancouver proposed the toast to the bride at a reception on the lawn at the home of the bride's parents. Feature of the reception was a three-tiered cake made by the groom's father, and flanked by vases of yellow roses.

The bride's mother wore a rose crepe gown with lace trim and black accessories, and the groom's mother was attired in a blue lace gown with white accessories and a picture hat.

U.B.C. Graduates Wed At Kimberley Church

KIMBERLEY, B.C.—Two graduates of U.B.C., the former Shirley Rose Lockhart and George Winslowe Hobson of Vancouver, were principals in a nuptial mass celebrated in Sacred Heart Church here by Rev. Father F. Monaghan.

The bride, only daughter of Mr. and Mrs. Burpee Lockhart of Kimberley, was graduated from U.B.C. in 1949 and has been for the past year on the staff of McKim junior-senior high school. Previously she was at Dawson Creek.

The son of Mr. and Mrs. James Hobson of Victoria, the groom was graduated from U.B.C. in mechanical engineering.

CANOE TRIP

After a motor trip to the Northern part of the province and a canoe trip in the Cariboo, the couple will take up residence in Vancouver.

Given in marriage by her father, the bride was a picture in her ballerina-length gown of white silk shantung in sleeveles style with a scalloped bodice and matching jacket. A fingertip veil misted from her Juliet cap, and pink gladiolus were in her cascade bouquet.

Her attendant, Miss Anne Reinelt, came from Dawson Creek. She was in lavender crepe with white accessories, and carried a sheaf of pink-tipped gladiolus.

The bride's brother, Mr. Harry Lockhart, was best man.

The church was decorated with gladiolus, peonies and yellow rosebuds for the double-ring ceremony.

At a reception at the home of the bride's parents, the toast to the bride was proposed by Father Monaghan. Later the bride donned a navy tweed tailleur and navy accessories for travelling.

The parents of the groom came from Victoria for the wedding, and also from out-of-town were Mr. and Mrs. James Kinghorn of Victoria and Lake Windermere.

Sunday School Has Its Annual Picnic

SOUTH SLOCAN, B.C. — Presentation of a cup and saucer to their superintendent was made by children of St. Matthew's Anglican Church Sunday school at their annual picnic.

Teachers and parents attended the event, which consisted of races, games and a picnic supper.

Needlecraft By Laura Wheeler

SIMPLE TO DO

Embroider it now in simplest embroidery stitches! Every nursery should have this picture! Children love to look at it — perhaps they'll learn to read from it.

It's simple to embroider this prayer picture. Pattern 655 has transfer 15½x19½ inches.

Send TWENTY-FIVE CENTS in coins (stamps cannot be accepted) to Nelson Daily News, Needlecraft Dept., Nelson, B. C. Print plainly PATTERN NUMBER, your NAME and ADDRESS.

Such a colorful roundup of handiwork ideas! Send twenty-five cents now for our Laura Wheeler Needlecraft Catalog. Choose your patterns from our gaily illustrated toys, dolls, household and personal accessories. A pattern for a handbag is printed right in the book.

Lady Alexander Denies Statement

LONDON, July 11 (CP) — Countess Alexander said today she honestly can't recall ever telling a reporter she thinks Canadians tend to bow the knee to the very wealthy.

"I don't think that and I wouldn't say that," the wife of Britain's defence minister said in a telephone interview from her home near Woking, Surrey.

Lady Alexander was commenting on a women's-page feature story published Thursday in the News Chronicle. The story dealt principally with the Alexander children, Rose, Shane, and Brian. At the end, News Chronicle reporter Martha Blount asked Lady Alexander how "English accents and great names" go down in Canada.

Lady Alexander's reply was quoted by the News Chronicle as follows:

"Well, you know all the talk about democracy over there — how we are all as good as each other . . . I think the very repetition of it defeats its own ends. There is democracy over titles and names, but not so much over dollars.

"There, most definitely, I noticed a bending of the knee toward the very wealthy."

Moyie Notes

MOYIE, B. C.—Mrs. Fred Williams and daughter Carol have left for the Calgary Stampede.

Miss Viola McFarlane of Vancouver and her brother Walter, of Medicine Hat, visited Mr. and Mrs. Harry Strand for a couple of days.

Mr. and Mrs. Harry Jorgenson and family of Coeur d'Alene, Idaho, called on Mr. and Mrs. H. Mattison on their way to the Calgary Stampede.

Mr. and Mrs. G. Williams and grand daughters Lorraine and Mabel have left for the Calgary Stampede.

Mrs. Ernest Danielson and sons have left for Crawford Bay where she and her husband have bought property. Her husband will join her shortly.

Fruitvale Choir At Social Event

FRUITVALE, B.C. — After its practice, the United Church choir entertained husbands, friends and Rev. and Mrs. Bryson Boyle at a social at the home of Mr. and Mrs B. Dovey.

Games, contests and dancing with music by Joe Talerico, were on the program. Mrs. F. M. Peitzsche and Norman Skinner won a guessing contest, and a team captained by Mr. Boyle won a race. Surprise packages were auctioned to the men, Bruce Dovey being auctioneer. Mrs. Talerico, Miss Jean Gladdish and Mr. Dovey handled entertainment.

South Slocan

SOUTH SLOCAN, B.C. — Mrs. F. Frisby of Langley Prairie, a former resident of South Slocan, is here on a visit with Mrs. Frank Scott and Mrs. J. D. Yeatman. Mrs. Scott travelled by plane to Vancouver, returning by motor and bringing Mrs. Frisby with her.

Stephen and Michael Brewster and P. Latronalstass were among those who left for Camp Lourdes.

Kaslo Notes

KASLO, B.C. — Miss Joan Tinkess, nurse-in-training at the Royal Jubilee Hospital in Victoria, is spending her vacation at the home of her parents, Mr. and Mrs. G. W. Tinkess.

Mr. and Mrs. Vern Greensword and daughter of North Battleford, Sask., and Mr. and Mrs. Leonard Greensword of Saskatoon are visiting gtheir parents, Mr. and Mrs. H. Greensword.

Our Father's Business

"I would hasten my escape from the windy storm and tempest" Psalms 55:8.

Henry Ward Beecher tells us that he has stood upon Mt. Holyoke while the thunder rolled below, people hurried up the side, anxious to escape the storm, and at last upon the top they were secure. "Many storms there are," said the great peacher, now beyond the reach of the tempest, "that lie below and hug the ground. The way to escape them is to go up the mountainside and get higher than they are."

Perhaps today we are tempest tossed, distressed by clouds of doubt and blasts of sorrow, let us haste to seek the heights "the mount of God." On its heights we breathe the calm cool air of spiritual health, the rigours and fatigue of the ascent are forgotten as He is revealed. Learn to commune on this mount before the storm overshadows and then you can perceive a true perspective in all of life's matters.

You may sigh in your present sorrow that the "visible" heights are too great but just place those heavy sorrows on the wings of prayer and faith and your soul will ascend through the ominous overcast to the shining mountains where there is communion and rest with the eternal God.

King David cried in his distress, "lead me to the rock that is higher than I." Are you aware of that "higher than I" to whom you can unburden the pent-up feelings of an inner self and come from Him with "a peace that posseth understanding?" Avail yourself of the healing virtues of the Psalm of Gilead.

Tomorrow you need not survey; on the heights of communion with God, you learn to leave with Him the next step, the coming way.

Absentee Voting Procedure at Fault

A point that should be understood is that the long delay in arriving at a conclusion in British Columbia's election is not wholly the fault of the alternative voting system, but results chiefly from the manner in which absentee voting was included in the procedure.

The absentee vote alone accounted for the three-week delay before the second count was undertaken. Had it not been provided that there would be a three-week lapse to permit the distribution of absentee ballots to "home" constituencies, the second count could have been started immediately on conclusion of the first count.

A different method of handling the absentee vote should be possible, if authorities are convinced that advance polls do not provide sufficiently against restriction of the individual's franchise privileges. An alternative might be to make absentee ballots available in advance under regulations that would provide against misuse that they might be mailed to returning officers in home constituencies in time for counting on election day.

In Alberta and Manitoba, where the transferable ballot is also used, there are no delays in counting because there are no absentee polls. A study should be made to determine if the absentee poll is actually a benefit, and if it is, means should be devised to make its application practical.

"Look North"

More and more American periodicals have been paying tributes to Canada. Says the Monthly Business Review of the National Association of Credit Men:

"In the course of the past month the Canadian dollar has sold at a premium over ours. On the basis of credit worthiness it should. It was only due to technical conditions and the sterling alliance that it had not done so before. Canada is on a much better fiscal basis than we are. Its Government is sound. Its Government policy is less burdensome and restrictive. With the opening up of its natural resources the years ahead promise great things for its people. Canada has not been exploited as we have exploited our own country. It has pursued a long range policy of conservation that is beginning to pay off. Climatically it could offer more, but in the matter of good government and a bright future it has the best to offer. It was Horace Greeley who years ago advised our young men to "Go West." Today a young man would make no mistake to "Look North"—for it is in Canada that a great development is now under way. The future there for the industrious pioneer parallels that which this country had to offer half a century ago. Rich in agriculture, minerals and oils, it has the raw materials from which this great nation will advance."

Verse

The Blessed Hope

Without the blessed hope that we
Can overcome this stormy sea
Of trials and manifold temptations,
And be delivered from this station
To go renewed by grace through faith
On the sacred Word the Saviour saith,
What would we hope beyond the grave,
Consumed of faith that this world would save:
These temporal things cannot restore
the soul to Eternity evermore.
For what indeed shall profit a man
If he should gain the world and stand
Without his hope, if he should lose
His soul upon this earthly cruise.

As flesh shall wither as the grass,
So shall our thousand heartaches pass;
And all the souls that live in Christ,
Who by His blood are bought with price,
Recorded in the Book of Life,
Shall overleap this Wall of Strife
And meet again on that beautiful shore
Where tears and pain will be no more.

They wonder why we rejoice in Christ,
And why it's worth each sacrifice:
For Jesus sacrificed His life,
And bore rejection's bitter knife
Upon the tree of Calvary,
To give the total fruit of Heaven
In that the resurrection is given
To you, my friend, to live forever
With God the Creator for ever and ever,
By now repenting and following peace
And Love eternally white as fleece.
All weary hearts with grief contained
Shall rest in Paradise unstained,
In Holiness the newness of life
Of the blessed hope that is in Christ.

—WILLIAM D. TURNBULL.

Press Comment

LOVE THAT RAILWAY!

It has long been familiar to ladykillers, or, as modern parlance has it, wolves, that the surest way to win a homely woman is by praising her looks; and that the most certain method of enchanting a stupid one is by complimenting her on her intelligence. They know it isn't true, but just the same, they love it. Like 99.5 per cent of the human race, they would much rather listen to pleasant lies than to irksome truths.

It is in this light that we must consider an advertisement currently being run by the Canadian Pacific Railway in American magazines. Come to Canada, it tells the tourist; visit "gay Montreal, queenly Ottawa and colorful Toronto." This will not particularly delight Montreal, which knows very well it is gay; or Ottawa, which knows very well it is queenly. (It also knows very well which Queen is implied.) But Toronto blushes, it simpers, it gets all choked up inside at the idea of being called colorful. And by the big, rich, wordly C.P.R. Love that railway!—Toronto Globe and Mail.

"OUR DR. ENDICOTT AGAIN"

Dr. James Endicott, chairman of the Canadian "Peace Congress", has turned up in Peiping, capital of Red China.

Dr. Endicott denies that he is a Communist. If he is not a Communist, how is it that he is always travelling to Communist places, first to Moscow, then to Peiping—seems to be so much at home among Communists?

Dr. Endicott, we understand, is not a man of means. How does he manage, then, to finance trips to faraway places like Moscow and Peiping? In these days it costs money to travel.

—Ottawa Journal.

You Rational?

(Victoria Daily Colonist)

R. A. Pennington, Deputy Provincial Secretary for British Columbia, in a thoughtful address before a local service club on Provincial mental hospitals, after dealing with the serious side of his subject in an acute and instructive way, appended this definition of a rational individual:

"If an individual can accept his responsibilities, meet his problems as they arise and do something about them, can think for himself and make his own decisions, can welcome new experiences and new ideas, and can put his best effort into what he is doing and get satisfaction out of doing it, then he is mentally healthy in meeting the demands of life. Mentally healthy people are good friends, good workers, good parents and good citizens."

Your Horoscope

Apply yourself industriously to your tasks, and gains are prophesied for you. A sensitive and talented child is indicated for one born today.

FOR SUNDAY, JULY 13: Business should progress in your next year. Look for good fortune and artistic talents in today's child.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

J. P., Nelson—Is there any place in Nelson or district where I can get cement flower pots ready made?

We cannot trace any such industry near Nelson. You could make the molds yourself and pour in the cement. Perhaps other readers might help?

"Pat", Chapman Camp—Referring to your question on obtaining proof of your birth in the United States, an American lady living in Nelson has sent us the following information:

When writing to the Department of Vital Statistics, St. Paul, Minn., or Bismark, N. D., ask for Affidavit of Birth, which will be sent, and on which will be full particulars relating to procedure.

W. F., Creston—Where does a man born in Scotland write for his birth certificate, and how much does it cost? I have seen this question asked before, but have forgotten the answer.

Write to the Register House, Edinburgh, Scotland. Or write to Somerset House, Strand, London, W.C.2, England. Five shillings and one penny is required for research and copying; this can be obtained at any Canadian post office or bank.

Student, Nelson—What is the best book on synonyms and antonyms one can buy?

Roget's Thesaurus is the standard work on this subject.

Collector, Trail—What is the address of the American Numismatic Society?

Broadway and 156th Street, New York.

F. B. P., Nelson—Please tell me formula for making Christmas logs with colored flames from old newspapers.

Use three pounds bluestone, two pounds salt, and one gallon boiling water. Mix well and let cool. Roll newspapers to form logs about 16 inches long, tie with heavy twine, not too tightly, and soak in the above solution. Leave for three weeks, then reverse ends frequently, and once during this period add one quart more water. Handle with gloves, as solution will stain the hands. Then dry. This takes about three weeks. Wrap in red paper, tie at each end, and store. Make sure they are completely dry before storing.

Looking Backward

10 YEARS AGO

From the Nelson Daily News, July 12, 1942

Nelson's High School and Junior High School Cadets returned from their camp. They spent last week under canvas at Vernon. From the day of their arrival they worked continuously with field manoeuvres, route marches, drill and lecture periods.

H. A. Matthews, returning to Nelson after a trip to the Slocan, Kaslo and Nakusp, reported that the women of the Slocan and Arrow Lakes are joining without reservation to boost the sales of war savings stamps and certif.cates.

25 YEARS AGO

From the Nelson Daily News, July 12, 1927

Nelsonites are to see some premier attractions at the Fair here in September. A meeting of the directors of the Nelson Agricultural and Industrial Association Monday night signed up three-big open-air features. Billed ar a tumbling act, an aerial show and tumbling exhibits.

Plentifully supplied with flowers and fruit, Miss M. Thompson, Captain of No. 1 Company, Church of the Redeemer Girl Guides, left last evening for the Coast to attend the Girl Guide Jubilee Camp at Victoria.

40 YEARS AGO

From the Nelson Daily News, July 12, 1912

The Nelson Opera House is featuring the world-famous Bob Fitzsimmons, the greatest of all champions, supported by a metropolitan all-star cast, in the comedy-drama, "A Fight for Love". While on the stage Mr. Fitzsimmons shoes a horse and fights four rounds with his sparring partner.

Mr. and Mrs. P. T. Rutherford of Simpson, Sask., are visiting Mrs. J. H. Ellis, Mrs. Rutherford's aunt, in this city. They have been at the Coast, and will spend a few days here.

It's Been Said

No man is justified in doing evil on the ground of expediency.—Theodore Roosevelt.

Today's Bible Thought

Psychologists tell us this is the most ancient record of clairaudience in the world. It is perfectly authentic, and handed down from a time before the alphabet was invented, yet with scientific accuracy.

And the Lord opened the mouth of the ass, and he said unto Balaam, what have I done unto thee that you should smite me?—Uumbers 22:28.

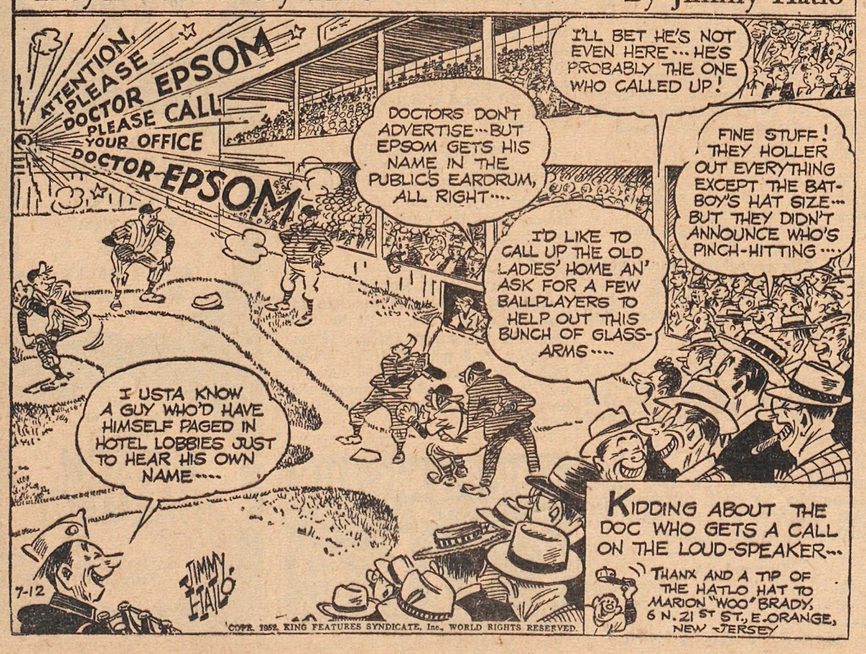
Aunt Het

Havin' poise is like makin' biscuits. They always turn out better if you don't care whether they look good or not.

They'll Do It Every Time

Registered U. S. Patent Office.

By Jimmy Hatlo



Koolaree Echoes . . .

HAPPY DAY No. 8

Koolaree is being well repaid for the stormy week just passed, and the splendor of the lake and the reflected hills and trees is having its rightful effect upon the campers. They are definitely in a holiday and camping mood.

It's lights, camera, action this morning, for we have two visitors in the persons of Mike Cooper and Mickey Brennan of the Cominco staff. Soon after breakfast they arrived and went right into action taking shots of the boys at morning assembly—a gang around a water worm they had caught. They made a real early start to get here, so coffee was in order, and while partaking of it they shot up the kitchen and the photogenic staff of Ida, Mattie and Bev as they prepared the noon meal. Ken Stanley was then elected their guide, and shots were taken of various camp spots and assemblies or activity groups.

In the hustle and bustle of camp life we sometimes slip up and forget a thing or two that are important, so, with apologies, we noticed the following omission from the Sunday writeup. Neville Fryling should have been mentioned for the important role he took in the chapel service, that of organist, and he did a very good job considering he had never played an organ, much less a small portable, before.

A very important person in our camp is the nurse, and we were sorry to see Mrs. Marjory Keath leave us. We know that she was quite reluctant to leave. We also know that she enjoyed every minute of her stay with us as much as we enjoyed having her. Mrs. Dave Stone is to keep an eye on the cuts and bruises for the remainder of camp.

WATER SPORTS

It was an ideal afternoon for the water sports, in which Cabin 4 Kickapoos topped the score with 33 points in the intermediate section, while Cabin 3 Sioux were second with 31 points to top the senior camp. Perhaps the highlight of the gala was the race between Dick and Colvin McBurney as anchor men for their respec relay teams. Colvin had the as they went into the last lap, only just managed to hold the lead over Dick for the Cabin 2 win.

SENIOR EVENTS

Dash—D. McBurney, W. Anderson, C. McBurney.

Dishpan race—D. McBurney, H. Anderson, E. Vyse.

Relay—Cabin 2, Cabin 3, Cabin 1.

Broom race—W. Anderson, R. Avery.

Boat race (without oars)—Cabin 3, Cabin 2, Cabin 1.

Plunge for distance — Avery, Brown, D. McBurney.

Boat race—Erickson, Brown; D. McBurney, R. Knowler; R. Avery, A. Young.

INTERMEDIATE EVENTS

Dash—Teek, Thom, Foxall.

Dishpan race—Drew, Fryling.

Relay—Cabin 4, Cabin 5, Cabin 6; with Teek, Foxall and Knezevic as anchor men on the team.

Broom race—Fryling, Foxall, Drew.

Boat race (without oars)—Cabin 5, Cabin 6 and Cabin 4.

Plunge—Thom, Teek, Foxall.

Boat race—Foxall and French, Teek and Wilks, Burch and Knezevic.

It was an excellent day, and everyone enjoyed it to the full. The events went off smoothly, with the Cabins gaining the following points: Cabin 1, 14; Cabin 2, 21; Cabin 3 31; Cabin 4, 33; Cabin 5, 20; Cabin 6, 15.

It was Talent Night and Pow Wow Night at the campfire. The strange noises heard about camp all day long materialized into a good variety program.

Cabin 1's talent brought forth Ken Stanley and Ernie Vyse with a duet, "When It's Springtime in the Rockies." Watch out, Broadway, for those two.

Cabin 2 brought forth a real find in Bill Jemson singing "Marianne".

Cabin 3's Benny Goodman (Ed Thompson) played his tonette (ye old gob stick), and a fine job was done. The second offering from this cabin was that dark horse Walley Anderson playing three numbers on his accordion.

Cabin 4's Teek and Peerless finally did it and sang "Dry Bones" for us, after which Teek nearly swallowed his tonette playing "Old Black Joe". Dinham Drew gave a recitation, followed by a puppet show performed by John Ralph John's puppet, Archie McSwoon, caused much laughter as he went through his drunken revelries.

Cabin 5 featured Gary Foxall and Mervin Douglas—Gary on his trombone and Mervin singing a song about the undershirt his mother made him.

Cabin 6—Another trombone, this time by Jack Boyce, and very well played. Neville Fryling dug a harmonica from his pocket and made an excellent job of "Lily Marlene" To top things off the two trombones rendered "The Old Grey Mare", and that ended a very successful talent night.

The talent was followed by a different kind of music, that of a paddle. Yes, the Great Chief "Umga-Agawa-Achcha" made his annual visit, and many were paddled for such things as shining flashlights, speaking out of turn and losing challenges.

Day 8 was a full day, and everyone took to their beds with warm hearts—and some were warm elsewhere.

Looks as if Ole Sol is here to stay and that is just the way we like it. The lake has warmed up and so have the campers spirits, laughter can be heard from every corner of the camp.

On the range the experts only are shooting it out. Bob Leonard trying for his Silver badge and Ron Hamson, Hugh Anderson, Dennis Fritz Ron Erickson, and Colvin McBurney all after their bronze.

The belt makers are finishing up their handicraft and the doorknocker group are busy getting the paint on those wood-peckers. Bob Johnston, Jim Wilks, Ron Hamson and Bob Leonard are in this group.

The games schedule is over but games still go on as I write. Much chatter is coming from the ball field as Cabin 4 Kickapoos play the Cabin 5 and 6 All Stars in a challenge game. Mervyn on the mound for the Stars and fine catching of pop flies by Bob Johnston make it tough for the Cabin 4 gang.

It's Thom on the mound for the Four's with Peerless catching. Lusk slugs out a home run by driving it through Cabin 3 in left field. Shortstuff Wilks at shortstop keeps up a constant stream of chatter as Tackhammer (Foxall) endeavors to hit one, he walked Standidge walks and Tacky comes home. Kirker swings and misses, then walks. A wild throw lets in two runs. Wilks backs up to take Hamilton's fly for the third out.

Brothers walks for the Kickapoo gang, Morrison walks, Peerless walks and Mervyn is in the hotspot with the bases loaded. Dick Fraser up, foul ball, ball 1 a nice hit to center field drives in Brothers and Morrison. Peerless is in Fraser is in and Wilks has nothing to do but pop out to Mervyn for the first out. MacDonnell up and poles out a home run with no one on. Thom walks, Teek's two bagger brings in Thom. Ralph goes on on called third strike for the second out. Drew strikes out for the third out and the second inning ends 11-7 for the Stars.

NIGHT ON BEACH

Tonight the camp is only two thirds as noisy for the senior half of the camp are spending the night on the beach up near Harrop. Mid-afternoon half of the senior squad left to walk the tracks for the overnite trip near Harrop, the remainder went by launch taking the bedding, food and rowboats. Tomorrow morning the gang will row the six miles miles back. The return trip of the Pop Smillie was steered by Skipper Kathleen Stone and First Mate Garry Van. Gordon Attaway was the engineer and Freddie the deckhand.

Its campfire time and how or is it, I do believe these younger lads make as much noise as the whole camp put together. Tonight they continued Talen Night with Jackie French, Doug Mervyn singing for us. Neville Fryling played his mouthorgan in fine tone while Gary Foxall and Jack Boyes rendered selections on their trombones. Gary Van and Gordon Attaway assisted by Freddie sang "Down by the Sea" John Ralph gave another fine demonstration with Sandy McGooch, his puppet. Cabin 6 skit was a scene from a barber shop with Gary Burch as the barber. Freddie showed the boys a few stunts that they might have used for the Pow-wow.

So Mom and Dad we closed another grand day with a few songs around the dying campfire and the singing of taps. Guess we'll have to wait till tomorrow to hear how the seniors made out sleeping on the beach.

International Bank Loan Infers Large Programs for Australians

By FORBES RHUDE
Canadian Press Business Editor

Large development programs in Australia are indicated in the announcement of a $50,000,000 loan by the International Bank for reconstruction and development.

The loan is primarily to supply foreign exchange to buy abroad needed machinery, while the programs themselves will be financed with Australian currency, partly out of public funds and partly by business enterprises and individuals.

Items which will be imported, and on some of which there probably will be Canadian bids, include:

Tractors for road construction and maintenance; heavy transport vehicles and components for local assembly; earth-moving equipment; graders; spreaders; agricultural machinery; mine equipment and plant for concentrating, smelting and refining; machinery and equipment for iron and steel furnaces, coke ovens, and similar installations; diesel-electric locomotives and other rolling stock and components for local assembly; machine tools for railway workshops; rail maintenance machines and equipment; track construction equipment; and equipment for power stations and transmission facilities.

GROWING PAINS

The bank outlines some of the growing pains of Australia's expanding economy, which, it says, can be alleviated by greater production from her resources.

Nearly half the loan will be for coal mining, iron and steel industry, railways, transport and electric power; and the bank says:

"Coal mining is basic to every sector of the Australian economy. Before the war, Australia was able to meet her own needs for coal and had a surplus for export. Now, because of the rapid growth of industry and population, coal must be imported at high cost.

"Iron and steel can be produced cheaply in Australia, but present output is far below demand.

"During the war, Australia was unable to maintain and develop her transportation system, and since the war has been unable to catch up with heavy arrears in equipment and maintenance.

"The program for electric power capacity will satisfy present needs and provide for requirements over the next few years. Most of the new capacity will be in thermal (steam) units.

LABOR SHORTAGE

In 1950 the bank made a loan of $100,000,000 to Australia for the purchase of capital goods and equipment needed for development. About two-thirds of this has been spent, and it is expected that the remainder will be spent by early 1953. The new loan will help carry forward development in 1954."

The bank says that Australia's rapid postwar development has created economic strains which have shown up in shortages of labor, materials and equipment, "not to mention lack of housing, frequent power blackouts, transport holdups and many other similar difficulties which impair the productivity and flexibility of the economy as a whole."

Astute Thief Steals Pari-Mutuel Tickets, Gets Away With $4400

NEW YORK, July 11 (CP)—Aqueduct Race Track officials were robbed of $4400 by a thief who slipped into a pari-mutuel booth, punched out his own tickets on a winning horse and later cashed them at the payoff window, it was disclosed today.

The tickets were cashed the day after they were stolen without anyone suspecting that they were fraudulently obtained.

The winning tickets were on Edna's Choice, that finished first in the eighth race July 4, paying $13 for $2.

The theft was described by investigators as the first of its kind in history.

In order to accomplish it the thief had to circumvent an electrically-locked pari-mutual machine, as they were locked automatically at post time for the race.

Detectives said the thief had to know the number of the winning horse, which flashes on the "tote" board as soon as the winner is determined by the judges. Then he had to circumvent the lock, or find a machine which was out of order.

Detectives said that the thief must have slipped into a deserted pari-mutuel booth after the crowd and employees had left the track on the July 4 holiday.

British Oil Tanker Tonnage Exceeds U. S.

LONDON, July 11 (Reuters)—For the first time since the war Britain's oil tanker tonnage exceeds the privately-owned United States fleet, it was reported Thursday. The half-yearly analysis of world tonnage published by Davies and Newman said the British tanker fleet totalled 7,145,180 tons dead weight as of July 1. The U.S. fleet, excluding Government tonnage, totalled 7,061,024.

HOCKEY'S HIS GAME . . . and he didn't have too much trouble stopping this 40-pound curling stone with his trusty goal stick. The gent in question is, of course, Walter (Turk) Broda, jovial net-minder for Toronto Maple Leafs during the Winter season who'll be in the nets for Nelson's Maple Leafs here tonight when they take on Kelowna Packers in the annual Midsummer hockey game. Turk, replete with plaid tam and curling jacket, has been a guest of the Bonspiel Committee for the entire spiel week program .

Kimberley Cops Opener 6-5

Kelowna Plays Libby, Tigers Face Lethbridge Cubs Today

Kimberley Elks stepped into the driver's seat in Nelson's first annual baseball tournament last night by eliminating Fruitvale All-Stars 6-5 and earning a semi-final or finals berth in the six-team invitation event for a jackpot of $2500.

As a result of their first-game victory, the Elks are assured of at least third money of $450 and second prize of $750 should they draw the bye into the final. Tourney winner gets $1000.

About 500 fans saw the opener, closely-contested, but spoiled by continual dust storms which blew across the field and halted play several times.

Curt Bloomquist, big Spokane right-hander, bested Trail's Joe Jankola in a little-to-choose mound tussle. Both allowed six hits and walked four with Bloomquist striking out 12 Fruitvale batters while Jankola whiffed five.

Errors decided the issue with swirling dust probably a big factor in the game's 10 errors, six of them by the winners.

WINNING RUN

Dynamiter Buzz Mellor scored the winning run in the sixth inning, singling to right and scoring all the way from second on shortstop Jimmy Bilesky's overthrow into right field on what should have been a forceout on Mellor at second.

Len Pyne led the winners with two hits and three runs while Buzz Mellor also connected twice.

Trail's hard-hitting Lui Corrado got three for four to bolster the Fruitvale cause, on of them a triple. He also crossed the plate three times twice on hits by Andy Bilesky.

Kimberley now awaits the winner of the Kelowna-Libby and Nelson-Lethbridge games today. Semi-final and final games will be played Sunday.

Fruitvale	000 202 100—5	6	4
Kimberley	120 011 10x—6	6	6

Jankola and Weitzel; Bloomquist and Wertze.

Bobby Locke Wins British Open

ST. ANNE'S-ON-SEA, England, July 11 (AP) — Stern-faced Bobby Locke, who treats his wolf as a problem of mechanics, worked his way through pelting rain and blustering winds today to capture the British open championship by a single stroke with a 287.

It was a story-book finish for the South African, who captured this crown in both 1949 and 1950. Locke went into today's final round of 36 holes trailing the leader, Irishman Fred Daly, by four strokes. But Daly blew under pressure and had to be content with third as 22-year-old Peter Thomson of Australia carded 288 to Daly's 289.

Of four Americans among the 46 finalists after the week-long series of eliminations, the best showing was turned in by Willie Goggin of Montclair, N.J. He had a 298 to finish in a six-way tie for ninth place.

Gene Sarazen of Germantown, N.Y., who won this title 20 years ago, got an even 300, along with the defending champion, Britain's Max Faulkner.

At 302 was Jimmy Hines of Chicago, while Frank Stranahan of Toledo, Ohio, one of six amateurs in the final rounds, shot a 309.

Crown Pointers Beat Cubs Again

CASTLEGAR, B.C. Johnny Wallace's Crown Point nine proved once again that they are still in the league when they downed the Castlegar Cubs for the fourth time this season. The score was 6-5.

The Cubs started off with a bang in the first frame when B. Plotnikoff and G. Wanless were safe on errors and coach Bennie Mitchell doubled into centre field to score both runners. The Cubs made it 3-0 in the fourth when Gerry Wanless went all the way to second as the ball went through the legs of Mailey at short and was nabbed by Palmer in left, then with two out Rocky Plotnikoff singled to score Wanless.

The roof finally fell in in the sixth when Crown Point score five times on five singles and three bonehead plays that saw the Cubs fold completely. Johnny Wallace's crew scored one more in the sixth to give them a lead that the Cubs although trying desperately just couldn't overcome.

Crown Point was led by Howie Palmer with three hits on a double in the sixth that scored two runs. Rocky Plotnikoff led the Cubs with two singles in four tries.

Was Rocky Floored For First Time?

GREENWOOD LAKE, N.Y., July 11 (AP) — Rocky Marciano flopped to one knee in a sparring session this week, thus starting a big argument as to what put him there.

Rocky, preparing for a July 28 heavyweight engagement at Yankee Stadium with Harry Matthews, was a minority of one in maintaining he slipped. The onlookers, including his trainer, Charley Goldman, said he was put down by an overhand right by Jimmy Cerello, Hoboken, N.J., light heavyweight, who caught Marciano off balance when Rocky missed a left.

The knockdown, if it was a knockdown, was the first in Marciano's career.

Red Carr Joins Starry Puck Cast

RED CARR

Alfie (Red) Carr, a fan favorite here for many years as a lacrosse and hockey player, will be in the Nelson lineup tonight when the Maple Leafs tangle with Kelowna Packers in a star-studded Mid-summer hockey exhibition.

Carr arrived in town yesterday on holidays, and complete with skates, ready to lend more color to what already shapes up as a jim-dandy tussle. A sellout crowd is certain with tickets mighty scarce as early as Thursday.

Both lineups are well-sprinkled with pro personalities, including Turk Broda, Colin Kilburn and Ray Powell.

Nelson coach Eddie Wares will also parade several young prospects in Bill Wah, husky 20-year-old Chinese rearguard who played junior last season with Wetaskiwin Canadians; Lee and Norm Hyssop of the New York Rovers, and Leo Mailey, last season with Prince Albert Mintos juniors.

Lineups are as follows:

Kelowna—Al Laface (goal), Frank Kuly, Bo Carlson, Jim Hanson, Jim Lowe, Phil Hergesheimer, Ken Amundrud, Brian Roche, Mike Durban, Ray Powell, Jim Middleton, Frank Hoskins, Joe Kaiser and Stu Robertson.

Nelson— Turk Broda, Boomer Rodzinyak (goal), Bill Wah, Ernie Gare, George Crothers, Marsh Severyn, Don Appleton, Red Carr, Colin Kilburn, Bill Haldane, Norm Hyssop Lee Hyssop, Neil McClenaghan, Eddie Wares, Fritz Koehle, Red Koehle and Leo Mailey.

Rainbow Golf Tournament At Kaslo Sunday

KASLO, B. C.—The annual Rainbow Golf tournament, featured this year by more than $200 in prizes, will be staged Sunday at the Kaslo Golf and Country Club.

Entries from throughout the Kootenays are entered for this year's event. Trail golfers have dominated the tournament in recent years.

A handicap affair, it will open with the ladies teeing off in the morning and the men in the afternoon.

SAME A.H.L. SETUP SEEN NEXT SEASON

PITTSBURGH, July 11 (AP)—The Pittsburgh Post-Gazette said that contrary to rumors, the American Hockey League is expected to operate next season with nine clubs as it did in 1951-52.

The newspaper said John Sollenberger, president of the Hershey club and chairman of the league's board of governors, got in touch with representatives of all teams in the circuit except Syracuse, N.Y.

"All said they would have teams for next season," Sollenberger was quoted as saying.

Sollenberger, in a telephone conference, talked with representatives from Pittsburgh, Cleveland, Cincinnati, St. Louis, Buffalo, Indianapolis and Providence. They, along with Syracuse and Hershey, make up the league. Eddie Shore, owner of the Syracuse club, was not available for comment.

Wrestler vs. Boxer Pretty Dull Stuff

LOS ANGELES, July 11 (AP) — What happens when lightweight boxing champion Lauro Salas, weight 130, tangles with wrestler Carlos Guzman, weight 230?

Nothing much, said witnesses to an impromptu clash between the two at a cafe run by ex-fighter Baby Arizmendi.

Salas, who has had two previous well publicized cafe fights in a year, fractured nothing but the air with his punches.

Guzman came out with a bloody lip. He bit it somehow.

LOS ANGELES, July 11 (AP) — Attendance in the Pacific Coast Baseball League for the first 14 weeks, including July 6, is off 132,078 compared to the same period a year ago, the League disclosed today.

Total attendance this year is 1,264,953 and in 1951 it was 1,397,031. Four clubs showed increases and four decreases.

Mawhinney In Northwest Final

TACOMA, July 11 (CP) — Bill Mawhinney of Vancouver today fought his way into the final of the Pacific Northwest Golf Association championship with a tingling 1-up victory over Al Mengert of Spokane, the 1950 winner, on the 36th hole.

Mawhinney will face 18-year-old Portland University student Bruce Cudd in tomorrow's 36-hole final. Cudd eliminated defending champion Jack Westland of Everett, Wash., 4 and 3.

Mengert shot only three bogeys in 36 holes and was four under par for the trip but had to take the loser's end.

Mawhinney was 2-up after the 34th hole but Mengert sank a 35-foot putt for a birdie three on the 35th to extend the match to the final hole.

Mengert lost out when he failed to can a 40-foot putt on the 36th, the ball coming to rest just five inches from the cup.

Westland got a weak five-over-par start against Cudd and gave the Oregonian, who recently won his state's amateur title, a 5-up advantage at the halfway point. Cudd turned in a one-under-par performance in the afternoon to close out Westland.

ALS ADD ANOTHER

MONTREAL, July 11 (CP) — Bruce Coulter, a Toronto quarterback, has been signed by Montreal Alouettes of the Big Four Rugby Football Union for the 1952 season.

Bonspiel Results

KOOTENAY CHALLENGE

Fourth Round

B. Robertson, Edmonton 11; F. R. Deeks, Vancouver 5.

M. C. Smith, Saskatoon won by default from J. S. McCormick, Lacombe.

J. J. Cairns, Mirror, Alta. 18; J. Taylor, Portage, Wis. 3.

N. Kulyk, Luscar, Alta. won by default from A. B. Gilker, Nelson.

Matthews Completes Training for Rocky Marciano

SEATTLE, July 11 (AP)—Harry Matthews stepped quickly through his last training session today, then took his wife and new daughter home from the hospital and packed his bags for the most important trip of his fighting life.

Seattle's contender for the heavyweight title will head for New York tomorrow for a 10-round wrangle July 28 with Rocky Marciano in Yankee Stadium.

Harry has done most of his training here so he could be on hand when his third child arrived. After the train ride East he'll finish up in a New York gym.

The veteran battler was sharp as he went several fast rounds with assorted sparring partners, his shoulders glistening with sweat in the sultry, 80-degree heat.

Dodgers Boost Lead As Giants Lose Again

By The Associated Press

Brooklyn Dodgers enlarged their National League lead over New York Giants to 5½ games Friday as they squeaked by Chicago Cubs 6-5 while the staggering Giants dropped a 6-2 decision to the lowely Pittsburgh Pirates.

Carl Erskine, blasted from the mound in the first inning Thursday, saved the Dodgers with two scoreless innings of relief pitching.

The Dodgers collected only seven hits including a homer by Duke Snider but capitalized on five Chicago errors. Willie (The Knuck) Ramsdell dug his own grave with two miscues.

Sal Maglie, ace pitcher for the Giants who has fallen off badly lately, finishing only one of his last 10 starts, was tagged for 10 hits and all six Pittsburgh runs before he left in the eighth inning.

Rookie shortstop Dick Groat and Ralph Kiner sparkled for Pittsburgh. Groat drove home three runs on two singles and Kiner knocked in two on his 14th homer. Murry Dickson scattered 10 Giant hits in gaining his sixth victory.

Lefty Warren Spahn pitched Boston Braves to a 6-1 seven-hit triumph over Cincinnati Reds in the remaining National League day game.

The Braves supported Spahn with a 16-hit attack against Herm Wehmeier and two relief pitchers. Johnny Logan and Earl Torgeson led the way with three blows each. One of Torgeson's hits was a homer.

YANKS BEATEN

In American League day games, St. Louis Browns snapped their nine-game losing streak by beating the pace-setting New York Yankees 6-3 and Boston Red Sox captured a twin-bill from Detroit 16-6 and 5-3.

Tommy Byrne, a former Yank, checked his old mates on seven hits to end his personal six-game losing streak and post his first victory since May 10.

The Browns broke a 1-1 tie with four runs in the seventh off Joe Ostrowski. Kryhoski climaxed the uprising with a two-run single off Bob Hogue.

Rookie Dick Brodowski coasted to his third victory in the opener at Boston. Brodowski permitted 13 hits but the Red Sox amassed 15 including a pair of homers by Vern Stephens and one each by Brodowski and former Tiger Hoot Evers. Evers' poke was a grand slam drive in the fifth.

Billy Goodman and Del Wilber were Boston's big guns in Mel Parnell's nightcap victory. Goodman drove in three runs on a triple and three singles while Wilber chipped in with a double and three one-basers.

ROBERTS' 12TH

Philadelphia Phillies threw out three St. Louis Cardinals trying to score on doubles and then broke through in the 10th inning to score a 4-3 victory, breaking the Redbirds' 10-game National League winning streak.

Even though he gave up 14 hits—including five doubles — and issued five walks, righthanded ace Robin Roberts struggled to his twelfth triumph on the strength of brilliant outfield relay work that cut down the Cardinals' best scoring chances.

British Cricket

LONDON, July 11 (Reuters) — Hampshire played right down to the wire today, scoring the winning run in the last over to beat Nottinghamshire by seven wickets at Bournemouth.

The winners were given the task of making 144 runs in 103 minutes. Only 22 runs were scored in the first half-hour, spectators began to wonder. The batting perked up, however, and the winning stroke was made seconds before time.

With their win over Worcestershire Thursday, Surrey took a 32-point lead over idle Middlesex in the standings. Surrey now have won 12 and drawn three, and appear well on their way to their first outright title since 1914. They shared the championship with Lancashire two years ago.

Third place is held by Yorkshire, with 108 points, 12 behind Middlesex. All three leaders have played 15 of their scheduled 28 games.

RESULTS

Derbyshire 162 and 296. Indian Tourists 86 and 115 for three. Match abandoned — rain.

Kent 326 and 100 for eight. Somerset 162 and 260. Kent won by two wickets.

Lancashire 349 for five declared and 183 for four declared. Esesx 231. Match abandoned as draw — rain.

Yorkshire 321 for six declared and 167 for six declared. Glamorgan 222 and 180 for five. Match drawn.

Hampshire 320 and 147 for three. Nottinghamshire 152 for 311. Hampshire won by seven wickets.

Sussex 403 and 214 for two. Leicestershire 404 for seven declared. Match drawn.

First 10 places in the championship table were:

	W	L	D	Lfi	Pts
Surrey	12	0	3	2	152
Middlesex	10	3	2	0	120
Yorkshire	8	2	4	3	108

Hampshire	4	6	3	3	60

IRON CURTAIN DOWN AGAIN IN RUSSIAN CAMP

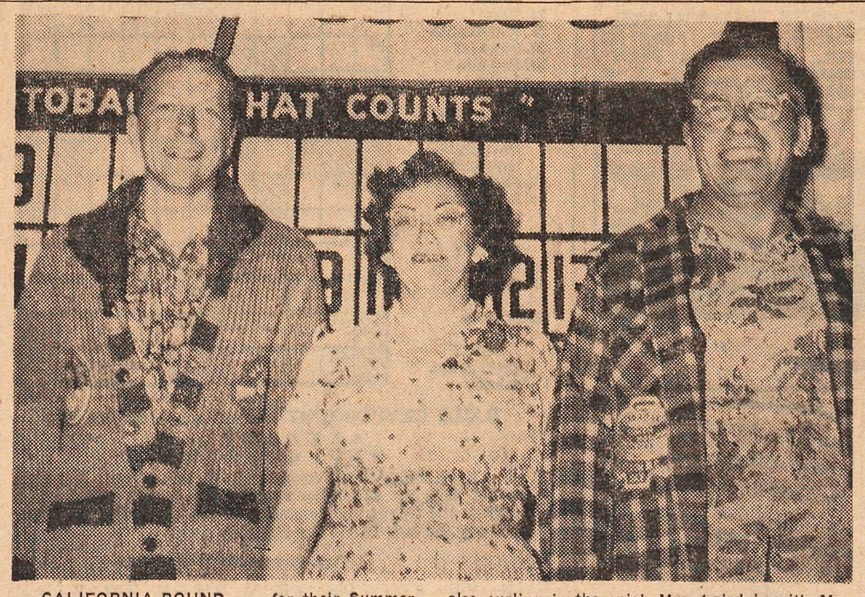
HELSINKI, July 11 (Reuters) — The curtain has fallen round the special camp reserved for Russia's Olympics team.

Today the gates to the camp, hung with "Entrance Forbidden" notices, were guarded by Finnish soldiers.

No unauthorized person is allowed inside the camp, prepared in the residential centre for students of the Finnish technical university. It is separate from the main Olympic village at Kapyla.

Those obtaining permits will be allowed in only for conducted tours of the grounds.

The camp commandant, Col. Lyytinen, today announced he is no longer able to receive newspaper men.



CALIFORNIA-BOUND . . . for their Summer holidays until a Nelson quartet sold them on the idea of attending Canada's Eighth annual Mid-summer Bonspiel was this smiling Seattle three-some, all of whom have become staunch adherents of the roarin' game since it caught on in Seattle three years ago. At left is Walter Mattson, secretary of the Seattle Granite club, who is curling with Bert Wright's Edmonton rink while Mr. and Mrs. Jim Laird, also of the Granite Club, who are also curling in the spiel. Mrs. Laird is with Mrs. B. F. Robertson's Edmonton rink while Jim is curling with Art Fitzgerald of Seattle.

The trio attended this year's event at the instigation of L. J. Maurer's rink during the Granite club's first annual bonspiel in Seattle last April. The Seattle Curling Club will stage its first bonspiel Sept. 25-28 and at least one Nelson entry is likely for that event.—Art Stevens photo.

DAILY CRYPTOQUOTE—Here's how to work it:
A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

H VU VDFVOK VE V DWKK EW BJWF NWF UGSN EW PADHAXA WR UO WFJ KEWTHAK—HTXHJC.

PRICE OF GOLD

OTTAWA, July 11 (CP)—The Finance Department reported today that the Mint's price for a fine ounce of gold was $33.939062 during the week ended July 12, based on the week's average exchange rate of .9696875.

British Railways Cancel 50 Trains

LONDON, July 11 (Reuters) — British railways have cancelled 50 main-line express trains from London to the West and Northwest this weekend because railwaymen in seven depots have adopted a "go-slow" policy. The men are complaining about a recent wage increase.

Cedar trees in Eastern Canada are small compared with Western red cedar which grow 175 feet high.

CLASSIFIED DISPLAY

ESTABLISHED IN BUSINESS
40 YEARS TODAY

I wish to thank all my good friends for the business they have favored me with during the past years. Long may it continue.

FOR SALE

1. A Beautiful House—like new. Fully modern, insulated, etc. On Kootenay River, close to mouth of Main Lake and best fishing grounds. Includes a cruiser, A-1 shape; boat house, wharf, etc. Boats and 5 h.p. new outboard. Price **$16,500**
   About $12,500 without boats and boathouses.
2. Tourist Camp—Cabins, dwelling and store, gas station. All year rentals. Good business. Price **$26,750**
3. Beautiful lakeshore property. 10 acres; 300 feet beach frontage. Fully landscaped. Modern 2-bedroom bungalow plus 2-bedroom cottage and 2-car garage, in first class condition Replacement of buildings, $20,000. **$14,500**
4. 2 Acres excellent farming land. House is just fair, but good outbuildings. Almost in town. Price **$6000**
5. AN INCOME FOR LIFE — Rooming House, about 30 rooms filled up continuously. Owner's suite. Valuable business location. Ground floor well rented to offices, etc. Cement foundation, hot water heat. Yields owner approximately $500.00 clear a month. This property is owner managed and scrupulously clean. The only reason for selling is poor health. The property is definitely a money-maker. Some terms. Price **$28,750**
6. We have 3 FARM SPECIALS and ONE DAIRY FARM. All exceptionally good buys. Terms. **$4500** to **$9500**
7. —New Bungalow in Uphill section. Two bedrooms. Nice garden lot. Price **$5500**
8. A very comfortable home. Consists of two bedrooms and small child's room, three piece white bathroom, dining room and living room, bright kitchen and garage. Two beautiful garden lots, lawn, fruit trees, flowers, and completely fenced. One and a half blocks from bus. Some terms. Price **$4200**
9. A real buy, more than fairly priced. A nearly completed bungalow on Granite Road. 2 miles from Nelson. Some terms. **$3800**

We are selling a lot of houses because we have funds available for financing. List with us today.

Calgary Livestock

CALGARY, July 11 (CP) — Trade was not too brisk on the Calgary Livestock Market today, in spite of light receipts of 238 cattle and calves. Prices were barely steady for several classes. No bulls were offered. Not sufficient veal calves were available to establish reliable quotation, but indications were sharply lower.

Hogs dropped 35 cents Thursday to close at $23.90. Sows were steady at $12.

Good to choice dry-fed butcher steers 24.00 to 26.25; common to medium 17.00 to 23.50. Good to choice dry-fed butcher heifers 23.00 to 25.00; common to medium 17.00 to 2.250. Good to choice fed calves 24.00 to 25.50; common to medium 21.00 to 23.50. Good cows 16.00 to 18.00, canners and cutters 12.00 to 15.50 Good stocker and feeder steers 21.00 to 23.00; common to medium 16.00 to 20.00.

Market Trends

NEW YORK, July 11 (AP) — Trading swung ahead with a moderate advance on a broad front.

Canadian issues were mixed. Canadian Pacific and McIntyre each added ¼. Dome Mines lost ⅜ and International Nickel was off ⅛. Hiram Walker was not quoted and Distillers Seagram remained unchanged.

TORONTO (CP) — Selected gold producers caught trader interest toward the close as moderate buying boosted key issues. Base metals and western oils also pushed upward but industrials sagged.

Volume totalled about 1,900,000 shares.

MONTREAL (CP) — Most groups edged up for fractional gains near the close. Trading was listless.

Mild support pushed papers and utilities higher. Carriers, banks and senior oils also moved ahead.

LONDON. (Reuters) — Trading closed the week on a firm note despite the approach of the week-end with prospects of an unpopular three-week account.

In foreign bonds German issues moved several points higher on rumors that the London debt talks are near conclusion and that agreement has been reached.

Large Stockyards Planned for B. C.

NEW WESTMINSTER, B. C., July 11 (CP)—Announcement was made today of plans to build one of the largest stockyards West of Chicago near here.

W. M. Mott, Liberal Member of Parliament for New Westminster, made the announcement on his return from Ottawa.

He said the project has been started by a group of Cariboo ranchers who are seeking land in the Surrey district, across the Fraser River from here.

Construction will start as soon as the ranchers acquire the land from the Department of Indian Affairs.
