SHOT NICOLA BEAR

HUNTERS SAY IT WAS THE LARGEST EVER SEEN IN NICOLA

John Collett and J. McNeil Chase a Big Black Bear Up a Tree and After Entertaining For a Time Shot Him.

The following bear story has reached The Nicola Herald office by special despatch:

Last week John Collett and J. McNeil were out rounding up stock near Quilchena, they shot the largest black bear that has ever been seen in the Nicola valley. While riding along they spotted the bear on the side of the mountain and after a race of about 500 yards outflanked Bruin and succeeded in scaring him so badly that he climbed the first available tree. Collett entertained Bruin with song and story while Mac rode to the ranch, two miles distant, to secure a gun. While Mac was absent the bear made several attempts to escape, but Johnny on-the-spot detained him. On the arrival of Mc Neil with the gun, the bear was up the tree about twenty feet, and Collett put two shots in him before he fell when McNeil put the finishing touches with a revolver.

The bear tipped the scale at 400 pounds and stood 6 feet 10 inches. He was no doubt an old times as his teeth were considerably worn.

Railway Work.

Construction work on the Nicola railway is being pushed ahead rapidly and trains will be ruuning in the spring to Nicola. For some time it was thought it would be along in the summer before such an event would happen, but with the progress it will be earlier.

The first several miles is ready for the rails and at several other points along the route the grade is also ready. The work on tunnel is going on very satisfactory and the heavy rock bluffs are being hewed into a grade.

Loss, Macdonnell Co. are starting a construction camp at Coutlee and will work both way from that point. The wagon road is being kept open and the contractors are sparing no efforts to keep it in shape for stage and freight traffic.

LOOKING OVER COAL LANDS.

Coast Coal Men Visit The Coldwater Properties.

James Dunsmuir, W. J. Sutton and F. D. Little of Namaimo were at Coutlee last Friday night and looked over the coal property on the Coldwater, recently bonded to Mr. Dunsmuir. After looking over the land in question they spent a short time in Nicola on their way to Kamloops.

The option on the coal lands in question is still alive and we understand the party are looking into the title at the registery office before final arrangements are completed.

LOCAL NOTES.

Mrs. J. A. Palmer was a visitor to Nicola this week.

D. P. Marpole of the 22-mile house was in Nicola last Friday.

Mrs. A. B. Argust left Coutlee last Thursday for Portland.

Fred A. Howse is moving into the residence recently vacated by George Murray, Government agent.

The Nicola Herald staff were absent a few days this week, which accounts for the paper being issued later than usual.

L. H. Beamish of Aspen Grove, and F. E. Hughes of Boston, left this week for Savonas, via Mamette lake on a hunting trip.

Mr. Thompson who has been visiting with J. B. Greaves at the Douglas Lake Cattle Co's, ranch left last Friday for his home in Victoria.

A. W. Strickland, manager of the local branch of the bank of Montreal, returned from a bussiness trip to the coast on Friday.

Wellington Douglas who has been spending some time with his aunt Mrs. Pooley, left today for his home in Picton, N. S.

J. H. Senkler and B. L. Smith of Vancouver are in Nicola for a week's shooting. They will visit Aspen Grove while in the district.

Dr. Tutill left for the coast Tuesday morning, to be absent several days. Dr. McPhail is attending to the doctor's patients during his absence.

H. Koelkenbeck, the Spences Bridge barber, has an ad in the Nicola Herald this week. He is prepared to attend to the wants of travellers and transacts business at all hours.

The Sacrament of the Lord's Supper will be dispensed at the morning service in the Presbyterian church Sunday next. A preparatory service will be held on Friday evening at 7,30.

A number of young people of Nicola gathered at the Mrs. Pooley's residence Tamerton ranch on Wednesday evening to give a farewell gathering to Wellington Douglas who is leaving for his old home in the east. A very enjoyable evening was spent and all wished Wellington a pleasant trip and prosperity.

V. V. & E. TERMINUS

TO BE AT VANCOUVER SO JAMES J. HILL SAYS.

Will Work From Cloverdale East by Way of Hope Mountains to Connect With Section Being Built From Boundary

"The work of construction of the western section of the Vancouver, Victoria and Eastern Railway will be started this winter and will be rushed with all possible dispatch. All the preparations are now under way. A start will be made at Cloverdale, where the new road will join the New Westminster Southern Railway, now a part of the Great Northern system, and the contractors, dividing the work into large sections, work east over the Hope mountains to connect with the other section of the Vancouver, Victoria & Eastern, now being built from the Boundary into the Similkameen district. It will be an all-Canadian line with terminals at Vancouver. Mark my words: We will do more to upbuild Vancouver than any railway corporation has done yet."

The above remarks were made by James J. Hill president of the Great Northern Railway, while at Vancouver last Friday in company with other railway officials.

Mail Service.

The mail service as announced in last issue has been cancelled the old system will remain. Mail coming from Kamloops Monday, and from Spences Bridge on Thursday and Saturday. Outgoing mail leaves via Kamloops, Friday; via Spences Bridge, Tuesday and Friday.

The adjourned meeting of the proposed Atheletic Association will be held in Pooley's Hall on Friday evening, when the Committee previously appointed will report their plan for organization and the election of officers will take place. It is hoped there will be a good attendance of those interested in sport.

J. B. Leighton, of Savonas, has resigned the position of Superintendent of the B. C. Express Co., running stages into the Cariboo district, which he has held for the last eight years. He will further devote his attention exclusively to his fine cattle ranch.

The Bank of Montreal is now doing business in its new bank which are without doubt the best offices in the interior. A full write-up with a lithograph of the building will appear in the Nicola Herald shortly.

BIG STRIKE.

The Standby Fraction In The Aspen Grove.

R. J. Bate and R. J. Armstrong have completed assessment work on the Standby Fraction in the Aspen Grove camp and have made, it is claimed the largest strike in that camp since native copper was descovered on the Sovereign claim.

The open cut made by the owners exposed a six foot ledge of copper glance and black oxide of copper and is well defined

The Standby Fraction is surrounded by the Bluebird, Amelia, St. Louis and Copper Belle mineral claims. It is the intention of the owners to do more work on it this season.

Marriages.

Last Wednesday at Kamloops, two weddings of well known young people took place at the Inland Capital, when George P Giles of McLean and Co's, store and Miss Nettie Louise, daughter of Mr. and Mrs. J. C. Moore, were united in marriage. In the evening J. Arthur Scott son of Mr. and Mrs. Robt. Scott of Rockford, and Miss Victoria Augusta, daughter of Mr. and Mrs. John Morrill were joined in the holy bonds of wedlock. The young couples are spending their honeymoon at the coast, and have the best wishes of a large number of friends.

Strike Called Off

The Namaimo miners Saturday night sustained the committee's negotiations with the colliery company by a vote of 239 to 93. The strike which for the past four months has waged bitterly was subsequently called off tonight. The settlement is in the nature of a compromise, both sides giving and taking until the the final draft was arrived at. A working agreement for two years has been reached and signed. Work was to be resumed on Monday, and the city, which has suffered so much severe depression, will once more raise to bustle and activity.

Visit Nicola Coal.

Cawthra Mulock, son of Postmaster-General Mulock, M. J Haney, a well known railway contractor and J. C. Walsh editor the Montreal Herald were at Coutlee Hotel last Thursday, having come overland from Greenwood on their way to Spences Bridge. On Friday morning they visited the Coal Gully coal properties and where highly pleased with the showing. They may probably become interested in this section. They will take in the coast cities before returning east.

Dowie Stricken.

John Alexander Dowie was striken with paralysis before he departed for Mexico. He left Zion City a few days ago, officially announcing in his own paper that he had suffered paralysis in one side, that he attributed the affliction to "the sin of overwork," and that he expects never to recover. He states that his successor has been chosen, but the latter's identity would not yet be revealed. He also bade farewell to his flock.

Dowie's faith cure proposition should be able to bring him round again.

Hospital For Hedley.

At a meeting a proposed provisional board was organized to manage the Hedley General Hospital. Private subscriptions aggregating $1050.40 have been secured which with $1000 government grant and $400 more subscriptions in prospective will enable the committee to go ahead.

THE DOMINION FAIR

WAS A SUCCESS WITH EXCEPTION OF WEATHER.

Heavy Rains Interfered With Celebration—Excellent Exhibit of Fruit and Vegetables.—Championship Lacrosse.

Sir Henri Joly de Lotbiniere, lieutenant-governor of British Columbia opened the great Dominion fair in Queen's Park at 3:30 o'clock last Wednesday afternoon amid great enthusiasm

The grounds and buildings had been considerably increased and many attractions added which have never before appeared in any exhibition held in western Canada.

The Royal Irish Guards band played during the opening and was without doubt the best musical aggregation ever in the province.

The exhibit of fruit, vegetables, etc., and stock were exceptionally good and showed what this great province of British Columbia can do, The Interior was well represented and the exhibits arranged in a nice manner. The prize for potatoes went to the lower Fraser, the prize heretofore every year going to the Interior, the potatoes known as "Ashcroft's" being the winners. The reason of the prize going to the lower country was not on account of their superiority but the fact that in the exhibit the lower country had over a dozen varieties while Ashcroft had only about two. The quality of the up-country potatoes cannot be beat.

On Saturday last was probably the banner day for attendance as the least estimate was over 30,000 people. The Vancouver-Westminster championship lacrosse match was the drawing card, and was probably the best match played for years by local teams. The score was 4 to 1 in favor of Westminster.

The broncho busting was "cultus," better impromptu exhibitions being held daily in the Interior.

Taking everything in consideration the Dominion Fair was a success, notwithstanding the heavy rains. The management deserve credit for their successful efforts.

CANADA'S EXHIBIT.

The Canada Press representative at the exposition at Liegt, Belgium, telegraphs that among the awards announced, that Canada wins eight grand prizes in the following exhibits: Agriculture, forestry, fruits, fish and game, fauna, cereals, minerals and tobacco. Canada did not compete in industries, but the board of jurors granted under classification paper, making honorable mention of Canadian pulp In all the forgoing eight classifications Canada won thirty points in each, or the highest possible. The board of jurors pronounce the present exhibit practically perfect and not eclipsed by any other country. Commissioner Hutchison and his staff are receiving many congratulations.

Seeking Sealers Release.

An Ottawa special say: In May 1904, two Canadians—R. Findley of Victoria, B. C., and C. Grant—were taken from a Japanese sealing vessel by Russians and confined ever since at Medwied. Lord Lansdowne has cabled that he has laid the matter before the British minister at St. Petersberg, who will press upon Russia for their release.

A liquor house advertises a rifle free with three cases of its whisky, Maybe they think, if the liquor fails to kill, it will at least make a man crazy enough to do the rest with a gun.

A prominent English engineer states that the best paying goods carried by railroads are passengers, as they average nine to the ton, and they load unload themselves.

A Frenchman made a wise remark when he said: "Ven you find anyzing you no understan', it is always somezing fine."

Another Banking Amalgamation.

Only a few months have elapsed since the Bank of Montreal absorbed a Nova Scotian bank, and now it has announced that Canada's greatest financial institution has acquired the assets and good will of one of the most prosperous banks in the Dominion—the Bank of New Brunswick. The details of the terms on which the amalgamation is to be made, have not yet been published, although it is reported that the shareholders of the Bank of New Brunswick have the option of taking cash at the current market value of their shares, or an equal amount of shares in the Bank of Montreal. The paid up capital of the Bank of New Brunswick is $500 000 and it has a reserve fund of $800,000. It has paid dividends of 12 per cent. for a considerable period—the highest dividend, we think, paid continuously by any Canadian bank. The latest market quotation for its shares, which are $100, is 301. Those of the Bank of Montreal at the same date were quoted at 258.

Most Powerful Cruiser.

The Duchess of Devonshire on Saturday at Barrow-in-Furness, Eng., launched the armored cruiser Natal, which Col. Vickers, who presided at the luncheon subsequently, described as the most powerful cruiser in the world. Albert Vickers, of the firm of Vickers Sons & Maxim, builders of the engines for the Natal, said she would probably be the last cruiser launched, as vessels in future would probably be fast battleships and carry heavier guns.

The displacement of the Natal is 11, 385, her speed will be 22 33 knots, and she will carry six 9.2 inch, four 7.5 inch, two 12 pounders, 28 3 pounders and two machine guns.

New Naval Bases.

The Observer of London, following up its article of last Sunday on Great Britain's naval plans, says the scheme is to re establish bases at Gibralter, Dover and Singapore, replacing We Hai We, Trincomaice (in Ceylon), Halifax and Esquimalt. The paper adds that Dover two years hence will be fully equipped as a first-class base and fortress.

The thing that goes the farthest
Towards making life worth while,
That costs the least, and does the most,
Is just a little smile;
It's full of worth and goodness, too,
With manly kindness bent;
It's worth a million dollars,
And it doesn't cost a cent.

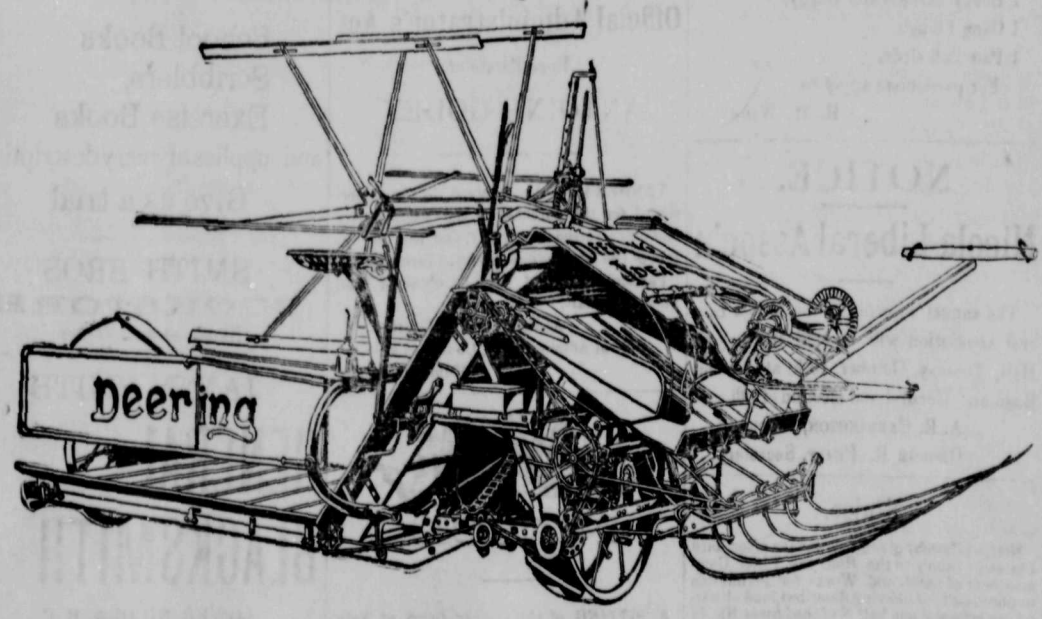
THE ONLY MOWER TO BUY IS **The Deering**

It has the lagest sale of any Mower in the market and is without doubt the finest made. Deering Binders are the best.



Deering Hay Sweepers you can't do without. Deering Stackers can't be beat. Deering Hay Rakes last the longest. Write or call and see

W. HARGRAVES - - Kamloops, B. C.

LOCAL NEWS

A. R. Carrington has returned from a business trip through the district.

F. W. Jackson and wife of Quilchena left Saturday for the Dominion Fair at New Westminster.

M. P. Gordon and J. T. Robinson of Kamloops were in Nicola this week, and returned home via Mamette lake.

R. Bearisto accountant and storekeeper at the Douglas Lake Cattle Co's., ranch left this week for the coast on a short holiday.

J. G. McLean left this week for the Similkameen district and will no doubt keep his eye on railway construction going on in that section.

Hugh Irvine who has charge of the Nicola road from Spences Bridge to Nicola was in town last Friday. He is now engaged with a crew of men near Lower Nicola.

Thos. Matthews and his son Herbert arrived in Nicola last Thursday evening, on a visit to old friends in this section they having been residents here some years ago.

J. C. McQuiston was quite ill for a few days this week but is now some better He was removed to the residence of Rev. George Mason who with Mrs. Mason have taken care of him.

C. F. Law returned from the coast on Tuesday evening and left Coutlee Wednesday morning for Bear Creek, where he will remain until the completion of the wagon road to his mineral properties on Bear Creek.

A meeting will be held in the court house, Nicola, 2.30 p. m., October 10th, for the purpose of electing trustees for the management of the new public burial ground adjoining the English Church cemetery, Nicola Lake.

The telephone gang are working between Nicola and Lower Nicola repairing the line, and another party who have been on the Princeton end arrived today The exchange office will be put in next week and the new 'phones ordered will be put in place.
